13 autour. Ils lui présentèrent l'holocauste coupé par morceaux, avec la tête, et il les brûla sur l'autel.
14, 15 Il lava les entrailles et les jambes, et il les brûla sur l'autel, par dessus l'holocauste. Ensuite, il offrit
le sacrifice du peuple. Il prit le bouc pour le sacrifice expiatoire du peuple, il l'égorgea, et l'offrit en
16, 17 expiation, comme la première victime. Il offrit l'holocauste, et le sacrifia, d'après les règles établies. Il
18 présenta l'offrande, en prit une poignée, et la brûla sur l'autel, outre l'holocauste du matin. Il égorgea
le boeuf et le bélier, en sacrifice d'actions de grâces pour le peuple. Les fils d'Aaron lui présentèrent le
19 sang, et il le répandit sur l'autel tout autour. Ils lui présentèrent la graisse du boeuf et du bélier, la
20 queue, la graisse qui couvre les entrailles, les rognons, et le grand lobe du foie ; ils mirent les graisses
21 sur les poitrines, et il brûla les graisses sur l'autel. Aaron agita de côté et d'autre devant l'Éternel les
22 poitrines et l'épaule droite, comme Moïse l'avait ordonné. Aaron leva ses mains vers le peuple, et il le
bénit. Puis il descendit, après avoir offert le sacrifice d'expiation, l'holocauste et le sacrifice d'actions
23 de grâces. Moïse et Aaron entrèrent dans la tente d'assignation. Lorsqu'ils en sortirent, ils bénirent le
24 peuple. Et la gloire de l'Éternel apparut à tout le peuple. Le feu sortit de devant l'Éternel, et consuma
sur l'autel l'holocauste et les graisses. Tout le peuple le vit ; et ils poussèrent des cris de joie, et se
jetèrent sur leur face.

10 Les fils d'Aaron, Nadab et Abihu, prirent chacun un brasier, y mirent du feu, et posèrent du parfum
2 dessus ; ils apportèrent devant l'Éternel du feu étranger, ce qu'il ne leur avait point ordonné. Alors le
3 feu sortit de devant l'Éternel, et les consuma : ils moururent devant l'Éternel. Moïse dit à Aaron : C'est
ce que l'Éternel a déclaré, lorsqu'il a dit : Je serai sanctifié par ceux qui s'approchent de moi, et je serai
4 glorifié en présence de tout le peuple. Aaron garda le silence. Et Moïse appela Mischaël et Eltsaphan,
fils d'Uziel, oncle d'Aaron, et il leur dit : Approchez -vous, emportez vos frères loin du sanctuaire, hors
5 du camp. Ils s'approchèrent, et ils les emportèrent dans leurs tuniques hors du camp, comme Moïse
6 l'avait dit. Moïse dit à Aaron, à Éléazar et à Ithamar, fils d'Aaron : Vous ne découvrirez point vos têtes,
et vous ne déchirerez point vos vêtements, de peur que vous ne mouriez, et que l'Éternel ne s'irrite
contre toute l'assemblée. Laissez vos frères, toute la maison d'Israël, pleurer sur l'embrasement que
7 l'Éternel a allumé. Vous ne sortirez point de l'entrée de la tente d'assignation, de peur que vous ne
8 mouriez ; car l'huile de l'onction de l'Éternel est sur vous. Ils firent ce que Moïse avait dit. L'Éternel
9 parla à Aaron, et dit : Tu ne boiras ni vin, ni boisson enivrante, toi et tes fils avec toi, lorsque vous

entrerez dans la tente d'assignation, de peur que vous ne mouriez : ce sera une loi perpétuelle parmi vos
descendants, afin que vous puissiez distinguer ce qui est saint de ce qui est profane, ce qui est impur de 10
ce qui est pur, et enseigner aux enfants d'Israël toutes les lois que l'Éternel leur a données par Moïse. 11
Moïse dit à Aaron, à Éléazar et à Ithamar, les deux fils qui restaient à Aaron : Prenez ce qui reste de 12
l'offrande parmi les sacrifices consumés par le feu devant l'Éternel, et mangez -le sans levain près de
l'autel : car c'est une chose très sainte. Vous le mangerez dans un lieu saint ; c'est ton droit et le droit 13
de tes fils sur les offrandes consumées par le feu devant l'Éternel ; car c'est là ce qui m'a été ordonné.
Vous mangerez aussi dans un lieu pur, toi, tes fils et tes filles avec toi, la poitrine qu'on a agitée de côté 14
et d'autre et l'épaule qui a été présentée par élévation ; car elles vous sont données, comme ton droit et
le droit de tes fils, dans les sacrifices d'actions de grâces des enfants d'Israël. Ils apporteront, avec les 15
graisses destinées à être consumées par le feu, l'épaule que l'on présente par élévation et la poitrine que
l'on agite de côté et d'autre devant l'Éternel : elles seront pour toi et pour tes fils avec toi, par une loi
perpétuelle, comme l'Éternel l'a ordonné. Moïse chercha le bouc expiatoire ; et voici, il avait été brûlé. 16
Alors il s'irrita contre Éléazar et Ithamar, les fils qui restaient à Aaron, et il dit : Pourquoi n'avez-vous 17
pas mangé la victime expiatoire dans le lieu saint ? C'est une chose très sainte ; et l'Éternel vous l'a
donnée, afin que vous portiez l'iniquité de l'assemblée, afin que vous fassiez pour elle l'expiation devant
l'Éternel. Voici, le sang de la victime n'a point été porté dans l'intérieur du sanctuaire ; vous deviez la 18
manger dans le sanctuaire, comme cela m'avait été ordonné. Aaron dit à Moïse : Voici, ils ont offert 19
aujourd'hui leur sacrifice d'expiation et leur holocauste devant l'Éternel ; et, après ce qui m'est arrivé,
si j'eusse mangé aujourd'hui la victime expiatoire, cela aurait-il été bien aux yeux de l'Éternel ? Moïse 20
entendit et approuva ces paroles.

L'Éternel parla à Moïse et à Aaron, et leur dit : Parlez aux enfants d'Israël, et dites : Voici les **11**, 2
animaux dont vous mangerez parmi toutes les bêtes qui sont sur la terre. Vous mangerez de tout 3
animal qui a la corne fendue, le pied fourchu, et qui rumine. Mais vous ne mangerez pas de ceux qui 4
ruminent seulement, ou qui ont la corne fendue seulement. Ainsi, vous ne mangerez pas le chameau,
qui rumine, mais qui n'a pas la corne fendue : vous le regarderez comme impur. Vous ne mangerez 5
pas le daman, qui rumine, mais qui n'a pas la corne fendue : vous le regarderez comme impur. Vous 6
ne mangerez pas le lièvre, qui rumine, mais qui n'a pas la corne fendue : vous le regarderez comme
impur. Vous ne mangerez pas le porc, qui a la corne fendue et le pied fourchu, mais qui ne rumine 7
pas : vous le regarderez comme impur. Vous ne mangerez pas de leur chair, et vous ne toucherez pas 8
leurs corps morts : vous les regarderez comme impurs. Voici les animaux dont vous mangerez parmi 9
tous ceux qui sont dans les eaux. Vous mangerez de tous ceux qui ont des nageoires et des écailles,
et qui sont dans les eaux, soit dans les mers, soit dans les rivières. Mais vous aurez en abomination 10
tous ceux qui n'ont pas des nageoires et des écailles, parmi tout ce qui se meut dans les eaux et tout ce
qui est vivant dans les eaux, soit dans les mers, soit dans les rivières. Vous les aurez en abomination, 11
vous ne mangerez pas de leur chair, et vous aurez en abomination leurs corps morts. Vous aurez en 12
abomination tous ceux qui, dans les eaux, n'ont pas des nageoires et des écailles. Voici, parmi les 13
oiseaux, ceux que vous aurez en abomination, et dont on ne mangera pas : l'aigle, l'orfraie et l'aigle
de mer ; le milan, l'autour et ce qui est de son espèce ; le corbeau et toutes ses espèces ; l'autruche, 14, 15, 16
le hibou, la mouette, l'épervier et ce qui est de son espèce ; le chat-huant, le plongeon et la chouette ; 17
le cygne, le pélican et le cormoran ; la cigogne, le héron et ce qui est de son espèce, la huppe et la 18, 19
chauve-souris. Vous aurez en abomination tout reptile qui vole et qui marche sur quatre pieds. Mais, 20, 21
parmi tous les reptiles qui volent et qui marchent sur quatre pieds, vous mangerez ceux qui ont des
jambes au-dessus de leurs pieds, pour sauter sur la terre. Voici ceux que vous mangerez : la sauterelle, 22
le solam, le hargol et le hagab, selon leurs espèces. Vous aurez en abomination tous les autres reptiles 23
qui volent et qui ont quatre pieds. Ils vous rendront impurs : quiconque touchera leurs corps morts 24
sera impur jusqu'au soir, et quiconque portera leurs corps morts lavera ses vêtements et sera impur 25
jusqu'au soir. Vous regarderez comme impur tout animal qui a la corne fendue, mais qui n'a pas le 26
pied fourchu et qui ne rumine pas : quiconque le touchera sera impur. Vous regarderez comme impurs 27
tous ceux des animaux à quatre pieds qui marchent sur leurs pattes : quiconque touchera leurs corps
morts sera impur jusqu'au soir, et quiconque portera leurs corps morts lavera ses vêtements et sera 28
impur jusqu'au soir. Vous les regarderez comme impurs. Voici, parmi les animaux qui rampent sur la 29
terre, ceux que vous regarderez comme impurs : la taupe, la souris et le lézard, selon leurs espèces ; le 30
hérisson, la grenouille, la tortue, le limaçon et le caméléon. Vous les regarderez comme impurs parmi 31
tous les reptiles : quiconque les touchera morts sera impur jusqu'au soir. Tout objet sur lequel tombera 32
quelque chose de leurs corps morts sera souillé, ustensile de bois, vêtement, peau, sac, tout objet dont
on fait usage ; il sera mis dans l'eau, et restera souillé jusqu'au soir ; après quoi, il sera pur. Tout ce qui 33
se trouvera dans un vase de terre où il en tombera quelque chose, sera souillé, et vous briserez le vase.

34 Tout aliment qui sert à la nourriture, et sur lequel il sera tombé de cette eau, sera souillé ; et toute
35 boisson dont on fait usage, quel que soit le vase qui la contienne, sera souillée. Tout objet sur lequel
tombera quelque chose de leurs corps morts sera souillé ; le four et le foyer seront détruits : ils seront
36 souillés, et vous les regarderez comme souillés. Il n'y aura que les sources et les citernes, formant des
37 amas d'eaux, qui resteront pures ; mais celui qui y touchera de leurs corps morts sera impur. S'il tombe
38 quelque chose de leurs corps morts sur une semence qui doit être semée, elle restera pure ; mais si l'on
a mis de l'eau sur la semence, et qu'il y tombe quelque chose de leurs corps morts, vous la regarderez
39 comme souillée. S'il meurt un des animaux qui vous servent de nourriture, celui qui touchera son corps
40 mort sera impur jusqu'au soir ; celui qui mangera de son corps mort lavera ses vêtements et sera impur
41 jusqu'au soir, et celui qui portera son corps mort lavera ses vêtements et sera impur jusqu'au soir. Vous
42 aurez en abomination tout reptile qui rampe sur la terre : on n'en mangera point. Vous ne mangerez
point, parmi tous les reptiles qui rampent sur la terre, de tous ceux qui se traînent sur le ventre, ni
de tous ceux qui marchent sur quatre pieds ou sur un grand nombre de pieds ; car vous les aurez en
43 abomination. Ne rendez point vos personnes abominables par tous ces reptiles qui rampent ; ne vous
44 rendez point impurs par eux, ne vous souillez point par eux. Car je suis l'Éternel, votre Dieu ; vous vous
sanctifierez, et vous serez saints, car je suis saint ; et vous ne vous rendrez point impurs par tous ces
45 reptiles qui rampent sur la terre. Car je suis l'Éternel, qui vous ai fait monter du pays d'Égypte, pour
46 être votre Dieu, et pour que vous soyez saints ; car je suis saint. Telle est la loi touchant les animaux,
les oiseaux, tous les êtres vivants qui se meuvent dans les eaux, et tous les êtres qui rampent sur la
47 terre, afin que vous distinguiez ce qui est impur et ce qui est pur, l'animal qui se mange et l'animal qui
ne se mange pas.

12, 2 L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et dis : Lorsqu'une femme deviendra
enceinte, et qu'elle enfantera un mâle, elle sera impure pendant sept jours ; elle sera impure comme au
3, 4 temps de son indisposition menstruelle. Le huitième jour, l'enfant sera circoncis. Elle restera encore
trente -trois jours à se purifier de son sang ; elle ne touchera aucune chose sainte, et elle n'ira point au
5 sanctuaire, jusqu'à ce que les jours de sa purification soient accomplis. Si elle enfante une fille, elle sera
impure pendant deux semaines, comme au temps de son indisposition menstruelle ; elle restera soixante
6 -six jours à se purifier de son sang. Lorsque les jours de sa purification seront accomplis, pour un fils
ou pour une fille, elle apportera au sacrificateur, à l'entrée de la tente d'assignation, un agneau d'un an
7 pour l'holocauste, et un jeune pigeon ou une tourterelle pour le sacrifice d'expiation. Le sacrificateur
les sacrifiera devant l'Éternel, et fera pour elle l'expiation ; et elle sera purifiée du flux de son sang. Telle
8 est la loi pour la femme qui enfante un fils ou une fille. Si elle n'a pas de quoi se procurer un agneau,
elle prendra deux tourterelles ou deux jeunes pigeons, l'un pour l'holocauste, l'autre pour le sacrifice
d'expiation. Le sacrificateur fera pour elle l'expiation, et elle sera pure.

13, 2 L'Éternel parla à Moïse et à Aaron, et dit : Lorsqu'un homme aura sur la peau de son corps une
tumeur, une dartre, ou une tache blanche, qui ressemblera à une plaie de lèpre sur la peau de son
3 corps, on l'amènera au sacrificateur Aaron, ou à l'un de ses fils qui sont sacrificateurs. Le sacrificateur
examinera la plaie qui est sur la peau du corps. Si le poil de la plaie est devenu blanc, et que la plaie
paraisse plus profonde que la peau du corps, c'est une plaie de lèpre : le sacrificateur qui aura fait
4 l'examen déclarera cet homme impur. S'il y a sur la peau du corps une tache blanche qui ne paraisse
pas plus profonde que la peau, et que le poil ne soit pas devenu blanc, le sacrificateur enfermera pendant
5 sept jours celui qui a la plaie. Le sacrificateur l'examinera le septième jour. Si la plaie lui paraît ne
pas avoir fait de progrès et ne pas s'être étendue sur la peau, le sacrificateur l'enfermera une seconde
6 fois pendant sept jours. Le sacrificateur l'examinera une seconde fois le septième jour. Si la plaie est
devenue pâle et ne s'est pas étendue sur la peau, le sacrificateur déclarera cet homme pur : c'est une
7 dartre ; il lavera ses vêtements, et il sera pur. Mais si la dartre s'est étendue sur la peau, après qu'il s'est
montré au sacrificateur pour être déclaré pur, il se fera examiner une seconde fois par le sacrificateur.
8 Le sacrificateur l'examinera. Si la dartre s'est étendue sur la peau, le sacrificateur le déclarera impur ;
9, 10 c'est la lèpre. Lorsqu'il y aura sur un homme une plaie de lèpre, on l'amènera au sacrificateur. Le
sacrificateur l'examinera. S'il y a sur la peau une tumeur blanche, si cette tumeur a fait blanchir le poil,
11 et qu'il y ait une trace de chair vive dans la tumeur, c'est une lèpre invétérée dans la peau du corps de
12 cet homme : le sacrificateur le déclarera impur ; il ne l'enfermera pas, car il est impur. Si la lèpre fait
une éruption sur la peau et couvre toute la peau de celui qui a la plaie, depuis la tête jusqu'aux pieds,
13 partout où le sacrificateur portera ses regards, le sacrificateur l'examinera ; et quand il aura vu que la
lèpre couvre tout le corps, il déclarera pur celui qui a la plaie : comme il est entièrement devenu blanc,
14, 15 il est pur. Mais le jour où l'on apercevra en lui de la chair vive, il sera impur ; quand le sacrificateur
16 aura vu la chair vive, il le déclarera impur : la chair vive est impure, c'est la lèpre. Si la chair vive
17 change et devient blanche, il ira vers le sacrificateur ; le sacrificateur l'examinera, et si la plaie est
18 devenue blanche, le sacrificateur déclarera pur celui qui a la plaie : il est pur. Lorsqu'un homme aura

eu sur la peau de son corps un ulcère qui a été guéri, et qu'il se manifestera, à la place où était l'ulcère, 19
une tumeur blanche ou une tache d'un blanc rougeâtre, cet homme se montrera au sacrificateur. Le 20
sacrificateur l'examinera. Si la tache paraît plus enfoncée que la peau, et que le poil soit devenu blanc,
le sacrificateur le déclarera impur : c'est une plaie de lèpre, qui a fait éruption dans l'ulcère. Si le 21
sacrificateur voit qu'il n'y a point de poil blanc dans la tache, qu'elle n'est pas plus enfoncée que la
peau, et qu'elle est devenue pâle, il enfermera cet homme pendant sept jours. Si la tache s'est étendue 22
sur la peau, le sacrificateur le déclarera impur : c'est une plaie de lèpre. Mais si la tache est restée à 23
la même place et ne s'est pas étendue, c'est une cicatrice de l'ulcère : le sacrificateur le déclarera pur.
Lorsqu'un homme aura eu sur la peau de son corps une brûlure par le feu, et qu'il se manifestera sur la 24
trace de la brûlure une tache blanche ou d'un blanc rougeâtre, le sacrificateur l'examinera. Si le poil 25
est devenu blanc dans la tache, et qu'elle paraisse plus profonde que la peau, c'est la lèpre, qui a fait
éruption dans la brûlure ; le sacrificateur déclarera cet homme impur : c'est une plaie de lèpre. Si le 26
sacrificateur voit qu'il n'y a point de poil blanc dans la tache, qu'elle n'est pas plus enfoncée que la peau,
et qu'elle est devenue pâle, il enfermera cet homme pendant sept jours. Le sacrificateur l'examinera le 27
septième jour. Si la tache s'est étendue sur la peau, le sacrificateur le déclarera impur : c'est une plaie
de lèpre. Mais si la tache est restée à la même place, ne s'est pas étendue sur la peau, et est devenue 28
pâle, c'est la tumeur de la brûlure ; le sacrificateur le déclarera pur, car c'est la cicatrice de la brûlure.
Lorsqu'un homme ou une femme aura une plaie à la tête ou à la barbe, le sacrificateur examinera la 29, 30
plaie. Si elle paraît plus profonde que la peau, et qu'il y ait du poil jaunâtre et mince, le sacrificateur
déclarera cet homme impur : c'est la teigne, c'est la lèpre de la tête ou de la barbe. Si le sacrificateur 31
voit que la plaie de la teigne ne paraît pas plus profonde que la peau, et qu'il n'y a point de poil noir,
il enfermera pendant sept jours celui qui a la plaie de la teigne. Le sacrificateur examinera la plaie 32
le septième jour. Si la teigne ne s'est pas étendue, s'il n'y a point de poil jaunâtre, et si elle ne paraît
pas plus profonde que la peau, celui qui a la teigne se rasera, mais il ne rasera point la place où est la 33
teigne ; et le sacrificateur l'enfermera une seconde fois pendant sept jours. Le sacrificateur examinera 34
la teigne le septième jour. Si la teigne ne s'est pas étendue sur la peau, et si elle ne paraît pas plus
profonde que la peau, le sacrificateur le déclarera pur ; il lavera ses vêtements, et il sera pur. Mais si 35
la teigne s'est étendue sur la peau, après qu'il a été déclaré pur, le sacrificateur l'examinera. Et si la 36
teigne s'est étendue sur la peau, le sacrificateur n'aura pas à rechercher s'il y a du poil jaunâtre : il
est impur. Si la teigne lui paraît ne pas avoir fait de progrès, et qu'il y ait crû du poil noir, la teigne 37
est guérie : il est pur, et le sacrificateur le déclarera pur. Lorsqu'un homme ou une femme aura sur la 38
peau de son corps des taches, des taches blanches, le sacrificateur l'examinera. S'il y a sur la peau de 39
son corps des taches d'un blanc pâle, ce ne sont que des taches qui ont fait éruption sur la peau : il est
pur. Lorsqu 'un homme aura la tête dépouillée de cheveux, c'est un chauve : il est pur. S'il a la tête 40, 41
dépouillée de cheveux du côté de la face, c'est un chauve par-devant : il est pur. Mais s'il y a dans la 42
partie chauve de devant ou de derrière une plaie d'un blanc rougeâtre, c'est la lèpre qui a fait éruption
dans la partie chauve de derrière ou de devant. Le sacrificateur l'examinera. S'il y a une tumeur de 43
plaie d'un blanc rougeâtre dans la partie chauve de derrière ou de devant, semblable à la lèpre sur la
peau du corps, c'est un homme lépreux, il est impur : le sacrificateur le déclarera impur ; c'est à la tête 44
qu'est sa plaie. Le lépreux, atteint de la plaie, portera ses vêtements déchirés, et aura la tête nue ; il 45
se couvrira la barbe, et criera : Impur ! Impur ! Aussi longtemps qu'il aura la plaie, il sera impur : il 46
est impur. Il habitera seul ; sa demeure sera hors du camp. Lorsqu'il y aura sur un vêtement une plaie 47
de lèpre, sur un vêtement de laine ou sur un vêtement de lin, à la chaîne ou à la trame de lin, ou de 48
laine, sur une peau ou sur quelque ouvrage de peau, et que la plaie sera verdâtre ou rougeâtre sur 49
le vêtement ou sur la peau, à la chaîne ou à la trame, ou sur un objet quelconque de peau, c'est une
plaie de lèpre, et elle sera montrée au sacrificateur. Le sacrificateur examinera la plaie, et il enfermera 50
pendant sept jours ce qui en est attaqué. Il examinera la plaie le septième jour. Si la plaie s'est étendue 51
sur le vêtement, à la chaîne ou à la trame, sur la peau ou sur l'ouvrage quelconque fait de peau, c'est
une plaie de lèpre invétérée : l'objet est impur. Il brûlera le vêtement, la chaîne ou la trame de laine ou 52
de lin, l'objet quelconque de peau sur lequel se trouve la plaie, car c'est une lèpre invétérée : il sera brûlé
au feu. Mais si le sacrificateur voit que la plaie ne s'est pas étendue sur le vêtement, sur la chaîne ou 53
sur la trame, sur l'objet quelconque de peau, il ordonnera qu'on lave ce qui est attaqué de la plaie, et 54
il l'enfermera une seconde fois pendant sept jours. Le sacrificateur examinera la plaie, après qu'elle 55
aura été lavée. Si la plaie n'a pas changé d'aspect et ne s'est pas étendue, l'objet est impur : il sera brûlé
au feu ; c'est une partie de l'endroit ou de l'envers qui a été rongée. Si le sacrificateur voit que la plaie 56
est devenue pâle, après avoir été lavée, il l'arrachera du vêtement ou de la peau, de la chaîne ou de la
trame. Si elle paraît encore sur le vêtement, à la chaîne ou à la trame, ou sur l'objet quelconque de 57
peau, c'est une éruption de lèpre : ce qui est attaqué de la plaie sera brûlé au feu. Le vêtement, la 58
chaîne ou la trame, l'objet quelconque de peau, qui a été lavé, et d'où la plaie a disparu, sera lavé une

59 seconde fois, et il sera pur. Telle est la loi sur la plaie de la lèpre, lorsqu'elle attaque les vêtements
de laine ou de lin, la chaîne ou la trame, ou un objet quelconque de peau, et d'après laquelle ils seront
déclarés purs ou impurs.

14, 2 L'Éternel parla à Moïse, et dit : Voici quelle sera la loi sur le lépreux, pour le jour de sa purification.
3 On l'amènera devant le sacrificateur. Le sacrificateur sortira du camp, et il examinera le lépreux.
4 Si le lépreux est guéri de la plaie de la lèpre, le sacrificateur ordonnera que l'on prenne, pour celui
5 qui doit être purifié, deux oiseaux vivants et purs, du bois de cèdre, du cramoisi et de l'hysope. Le
6 sacrificateur ordonnera qu'on égorge l'un des oiseaux sur un vase de terre, sur de l'eau vive. Il prendra
l'oiseau vivant, le bois de cèdre, le cramoisi et l'hysope ; et il les trempera, avec l'oiseau vivant, dans
7 le sang de l'oiseau égorgé sur l'eau vive. Il en fera sept fois l'aspersion sur celui qui doit être purifié
8 de la lèpre. Puis il le déclarera pur, et il lâchera dans les champs l'oiseau vivant. Celui qui se purifie
lavera ses vêtements, rasera tout son poil, et se baignera dans l'eau ; et il sera pur. Ensuite il pourra
9 entrer dans le camp, mais il restera sept jours hors de sa tente. Le septième jour, il rasera tout son
poil, sa tête, sa barbe, ses sourcils, il rasera tout son poil ; il lavera ses vêtements, et baignera son
10 corps dans l'eau, et il sera pur. Le huitième jour, il prendra deux agneaux sans défaut et une brebis
d'un an sans défaut, trois dixièmes d'un épha de fleur de farine en offrande pétrie à l'huile, et un log
11 d'huile. Le sacrificateur qui fait la purification présentera l'homme qui se purifie et toutes ces choses
12 devant l'Éternel, à l'entrée de la tente d'assignation. Le sacrificateur prendra l'un des agneaux, et il
l'offrira en sacrifice de culpabilité, avec le log d'huile ; il les agitera de côté et d'autre devant l'Éternel.
13 Il égorgera l'agneau dans le lieu où l'on égorge les victimes expiatoires et les holocaustes, dans le lieu
saint ; car, dans le sacrifice de culpabilité, comme dans le sacrifice d'expiation, la victime est pour le
14 sacrificateur ; c'est une chose très sainte. Le sacrificateur prendra du sang de la victime de culpabilité ;
il en mettra sur le lobe de l'oreille droite de celui qui se purifie, sur le pouce de sa main droite et sur
15 le gros orteil de son pied droit. Le sacrificateur prendra du log d'huile, et il en versera dans le creux
16 de sa main gauche. Le sacrificateur trempera le doigt de sa main droite dans l'huile qui est dans le
17 creux de sa main gauche, et il fera avec le doigt sept fois l'aspersion de l'huile devant l'Éternel. Le
sacrificateur mettra de l'huile qui lui reste dans la main sur le lobe de l'oreille droite de celui qui se
purifie, sur le pouce de sa main droite et sur le gros orteil de son pied droit, par-dessus le sang de la
18 victime de culpabilité. Le sacrificateur mettra ce qui lui reste d'huile dans la main sur la tête de celui
19 qui se purifie ; et le sacrificateur fera pour lui l'expiation devant l'Éternel. Puis le sacrificateur offrira
le sacrifice d'expiation ; et il fera l'expiation pour celui qui se purifie de sa souillure. Ensuite il égorgera
20 l'holocauste. Le sacrificateur offrira sur l'autel l'holocauste et l'offrande ; et il fera pour cet homme
21 l'expiation, et il sera pur. S'il est pauvre et que ses ressources soient insuffisantes, il prendra un seul
agneau, qui sera offert en sacrifice de culpabilité, après avoir été agité de côté et d'autre, et avec lequel
on fera pour lui l'expiation. Il prendra un seul dixième de fleur de farine pétrie à l'huile pour l'offrande,
22 et un log d'huile. Il prendra aussi deux tourterelles ou deux jeunes pigeons, selon ses ressources, l'un
23 pour le sacrifice d'expiation, l'autre pour l'holocauste. Le huitième jour, il apportera pour sa purification
24 toutes ces choses au sacrificateur, à l'entrée de la tente d'assignation, devant l'Éternel. Le sacrificateur
prendra l'agneau pour le sacrifice de culpabilité, et le log d'huile ; et il les agitera de côté et d'autre
25 devant l'Éternel. Il égorgera l'agneau du sacrifice de culpabilité. Le sacrificateur prendra du sang de
la victime de culpabilité ; il en mettra sur le lobe de l'oreille droite de celui qui se purifie, sur le pouce de
26 sa main droite et sur le gros orteil de son pied droit. Le sacrificateur versera de l'huile dans le creux
27 de sa main gauche. Le sacrificateur fera avec le doigt de sa main droite sept fois l'aspersion de l'huile
28 qui est dans sa main gauche, devant l'Éternel. Le sacrificateur mettra de l'huile qui est dans sa main
sur le lobe de l'oreille droite de celui qui se purifie, sur le pouce de sa main droite et sur le gros orteil de
29 son pied droit, à la place où il a mis du sang de la victime de culpabilité. Le sacrificateur mettra ce qui
lui reste d'huile dans la main sur la tête de celui qui se purifie, afin de faire pour lui l'expiation devant
30, 31 l'Éternel. Puis il offrira l'une des tourterelles ou l'un des jeunes pigeons qu'il a pu se procurer, l'un
en sacrifice d'expiation, l'autre en holocauste, avec l'offrande ; et le sacrificateur fera pour celui qui se
32 purifie l'expiation devant l'Éternel. Telle est la loi pour la purification de celui qui a une plaie de lèpre,
33, 34 et dont les ressources sont insuffisantes. L'Éternel parla à Moïse et à Aaron, et dit : Lorsque vous serez
entrés dans le pays de Canaan, dont je vous donne la possession ; si je mets une plaie de lèpre sur une
35 maison du pays que vous posséderez, celui à qui appartiendra la maison ira le déclarer au sacrificateur,
36 et dira : J'aperçois comme une plaie dans ma maison. Le sacrificateur, avant d'y entrer pour examiner
la plaie, ordonnera qu'on vide la maison, afin que tout ce qui y est ne devienne pas impur. Après cela,
37 le sacrificateur entrera pour examiner la maison. Le sacrificateur examinera la plaie. S'il voit qu'elle
offre sur les murs de la maison des cavités verdâtres ou rougeâtres, paraissant plus enfoncées que le
38, 39 mur, il sortira de la maison, et, quand il sera à la porte, il fera fermer la maison pour sept jours. Le

sacrificateur y retournera le septième jour. S'il voit que la plaie s'est étendue sur les murs de la maison,
il ordonnera qu'on ôte les pierres attaquées de la plaie, et qu'on les jette hors de la ville, dans un lieu 40
impur. Il fera râcler tout l'intérieur de la maison ; et l'on jettera hors de la ville, dans un lieu impur, 41
la poussière qu'on aura râclée. On prendra d'autres pierres, que l'on mettra à la place des premières ; 42
et l'on prendra d'autre mortier, pour recrépir la maison. Si la plaie revient et fait éruption dans la 43
maison, après qu'on a ôté les pierres, râclé et recrépi la maison, le sacrificateur y retournera. S'il voit 44
que la plaie s'est étendue dans la maison, c'est une lèpre invétérée dans la maison : elle est impure.
On abattra la maison, les pierres, le bois, et tout le mortier de la maison ; et l'on portera ces choses hors 45
de la ville dans un lieu impur. Celui qui sera entré dans la maison pendant tout le temps qu'elle était 46
fermée sera impur jusqu'au soir. Celui qui aura couché dans la maison lavera ses vêtements. Celui qui 47
aura mangé dans la maison lavera aussi ses vêtements. Si le sacrificateur, qui est retourné dans la 48
maison, voit que la plaie ne s'est pas étendue, après que la maison a été recrépie, il déclarera la maison
pure, car la plaie est guérie. Il prendra, pour purifier la maison, deux oiseaux, du bois de cèdre, du 49
cramoisi et de l'hysope. Il égorgera l'un des oiseaux sur un vase de terre, sur de l'eau vive. Il prendra 50, 51
le bois de cèdre, l'hysope, le cramoisi et l'oiseau vivant ; il les trempera dans le sang de l'oiseau égorgé
et dans l'eau vive, et il en fera sept fois l'aspersion sur la maison. Il purifiera la maison avec le sang de 52
l'oiseau, avec de l'eau vive, avec l'oiseau vivant, avec le bois de cèdre, l'hysope et le cramoisi. Il lâchera 53
l'oiseau vivant hors de la ville, dans les champs. C'est ainsi qu'il fera pour la maison l'expiation, et elle
sera pure. Telle est la loi pour toute plaie de lèpre et pour la teigne, pour la lèpre des vêtements et 54, 55
des maisons, pour les tumeurs, les dartres et les taches : elle enseigne quand une chose est impure, 56, 57
et quand elle est pure. Telle est la loi sur la lèpre.

L'Éternel parla à Moïse et à Aaron, et dit : Parlez aux enfants d'Israël, et dites -leur : Tout homme **15**, 2
qui a une gonorrhée est par là même impur. C'est à cause de sa gonorrhée qu'il est impur : que sa chair 3
laisse couler son flux, ou qu'elle le retienne, il est impur. Tout lit sur lequel il couchera sera impur, et 4
tout objet sur lequel il s'assiéra sera impur. Celui qui touchera son lit lavera ses vêtements, se lavera 5
dans l'eau, et sera impur jusqu'au soir. Celui qui s'assiéra sur l'objet sur lequel il s'est assis lavera 6
ses vêtements, se lavera dans l'eau, et sera impur jusqu'au soir. Celui qui touchera sa chair lavera ses 7
vêtements, se lavera dans l'eau, et sera impur jusqu'au soir. S'il crache sur un homme pur, cet homme 8
lavera ses vêtements, se lavera dans l'eau, et sera impur jusqu'au soir. Toute monture sur laquelle il 9
s'assiéra sera impure. Celui qui touchera une chose quelconque qui a été sous lui sera impur jusqu'au 10
soir ; et celui qui la portera lavera ses vêtements, se lavera dans l'eau, et sera impur jusqu'au soir.
Celui qui sera touché par lui, et qui ne se sera pas lavé les mains dans l'eau, lavera ses vêtements, se 11
lavera dans l'eau, et sera impur jusqu'au soir. Tout vase de terre qui sera touché par lui sera brisé, et 12
tout vase de bois sera lavé dans l'eau. Lorsqu'il sera purifié de son flux, il comptera sept jours pour sa 13
purification ; il lavera ses vêtements, il lavera sa chair avec de l'eau vive, et il sera pur. Le huitième 14
jour, il prendra deux tourterelles ou deux jeunes pigeons, il ira devant l'Éternel, à l'entrée de la tente
d'assignation, et il les donnera au sacrificateur. Le sacrificateur les offrira, l'un en sacrifice d'expiation, 15
et l'autre en holocauste ; et le sacrificateur fera pour lui l'expiation devant l'Éternel, à cause de son flux.
L'homme qui aura une pollution lavera tout son corps dans l'eau, et sera impur jusqu'au soir. Tout 16, 17
vêtement et toute peau qui en seront atteints seront lavés dans l'eau, et seront impurs jusqu'au soir. Si 18
une femme a couché avec un tel homme, ils se laveront l'un et l'autre, et seront impurs jusqu'au soir. La 19
femme qui aura un flux, un flux de sang en sa chair, restera sept jours dans son impureté. Quiconque la
touchera sera impur jusqu'au soir. Tout lit sur lequel elle couchera pendant son impureté sera impur, 20
et tout objet sur lequel elle s'assiéra sera impur. Quiconque touchera son lit lavera ses vêtements, 21
se lavera dans l'eau, et sera impur jusqu'au soir. Quiconque touchera un objet sur lequel elle s'est 22
assise lavera ses vêtements, se lavera dans l'eau, et sera impur jusqu'au soir. S'il y a quelque chose 23
sur le lit ou sur l'objet sur lequel elle s'est assise, celui qui la touchera sera impur jusqu'au soir. Si 24
un homme couche avec elle et que l'impureté de cette femme vienne sur lui, il sera impur pendant
sept jours, et tout lit sur lequel il couchera sera impur. La femme qui aura un flux de sang pendant 25
plusieurs jours hors de ses époques régulières, ou dont le flux durera plus qu'à l'ordinaire, sera impure
tout le temps de son flux, comme au temps de son indisposition menstruelle. Tout lit sur lequel elle 26
couchera pendant la durée de ce flux sera comme le lit de son flux menstruel, et tout objet sur lequel elle
s'assiéra sera impur comme lors de son flux menstruel. Quiconque les touchera sera souillé ; il lavera 27
ses vêtements, se lavera dans l'eau, et sera impur jusqu'au soir. Lorsqu'elle sera purifiée de son flux, 28
elle comptera sept jours, après lesquels elle sera pure. Le huitième jour, elle prendra deux tourterelles 29
ou deux jeunes pigeons, et elle les apportera au sacrificateur, à l'entrée de la tente d'assignation. Le 30
sacrificateur offrira l'un en sacrifice d'expiation, et l'autre en holocauste ; et le sacrificateur fera pour
elle l'expiation devant l'Éternel, à cause du flux qui la rendait impure. Vous éloignerez les enfants 31
d'Israël de leurs impuretés, de peur qu'ils ne meurent à cause de leurs impuretés, s'ils souillent mon

32 tabernacle qui est au milieu d'eux. Telle est la loi pour celui qui a une gonorrhée ou qui est souillé par
33 une pollution, pour celle qui a son flux menstruel, pour l'homme ou la femme qui a un flux, et pour
l'homme qui couche avec une femme impure.

16 L'Éternel parla à Moïse, après la mort des deux fils d'Aaron, qui moururent en se présentant devant
2 l'Éternel. L'Éternel dit à Moïse : Parle à ton frère Aaron, afin qu'il n'entre pas en tout temps dans le
sanctuaire, au dedans du voile, devant le propitiatoire qui est sur l'arche, de peur qu'il ne meure ; car
3 j'apparaîtrai dans la nuée sur le propitiatoire. Voici de quelle manière Aaron entrera dans le sanc-
4 tuaire. Il prendra un jeune taureau pour le sacrifice d'expiation et un bélier pour l'holocauste. Il se
revêtira de la tunique sacrée de lin, et portera sur son corps des caleçons de lin ; il se ceindra d'une
ceinture de lin, et il se couvrira la tête d'une tiare de lin : ce sont les vêtements sacrés, dont il se re-
5 vêtira après avoir lavé son corps dans l'eau. Il recevra de l'assemblée des enfants d'Israël deux boucs
6 pour le sacrifice d'expiation et un bélier pour l'holocauste. Aaron offrira son taureau expiatoire, et il
7 fera l'expiation pour lui et pour sa maison. Il prendra les deux boucs, et il les placera devant l'Éternel,
8 à l'entrée de la tente d'assignation. Aaron jettera le sort sur les deux boucs, un sort pour l'Éternel
9 et un sort pour Azazel. Aaron fera approcher le bouc sur lequel est tombé le sort pour l'Éternel, et il
10 l'offrira en sacrifice d'expiation. Et le bouc sur lequel est tombé le sort pour Azazel sera placé vivant
11 devant l'Éternel, afin qu'il serve à faire l'expiation et qu'il soit lâché dans le désert pour Azazel. Aaron
offrira son taureau expiatoire, et il fera l'expiation pour lui et pour sa maison. Il égorgera son taureau
12 expiatoire. Il prendra un brasier plein de charbons ardents ôtés de dessus l'autel devant l'Éternel, et
13 de deux poignées de parfum odoriférant en poudre ; il portera ces choses au delà du voile ; il mettra
le parfum sur le feu devant l'Éternel, afin que la nuée du parfum couvre le propitiatoire qui est sur le
14 témoignage, et il ne mourra point. Il prendra du sang du taureau, et il fera l'aspersion avec son doigt
sur le devant du propitiatoire vers l'orient ; il fera avec son doigt sept fois l'aspersion du sang devant
15 le propitiatoire. Il égorgera le bouc expiatoire pour le peuple, et il en portera le sang au delà du voile.
Il fera avec ce sang comme il a fait avec le sang du taureau, il en fera l'aspersion sur le propitiatoire
16 et devant le propitiatoire. C'est ainsi qu'il fera l'expiation pour le sanctuaire à cause des impuretés
des enfants d'Israël et de toutes les transgressions par lesquelles ils ont péché. Il fera de même pour la
17 tente d'assignation, qui est avec eux au milieu de leurs impuretés. Il n'y aura personne dans la tente
d'assignation lorsqu'il entrera pour faire l'expiation dans le sanctuaire, jusqu'à ce qu'il en sorte. Il fera
18 l'expiation pour lui et pour sa maison, et pour toute l'assemblée d'Israël. En sortant, il ira vers l'autel
qui est devant l'Éternel, et il fera l'expiation pour l'autel ; il prendra du sang du taureau et du bouc, et
19 il en mettra sur les cornes de l'autel tout autour. Il fera avec son doigt sept fois l'aspersion du sang sur
20 l'autel ; il le purifiera et le sanctifiera, à cause des impuretés des enfants d'Israël. Lorsqu'il aura achevé
de faire l'expiation pour le sanctuaire, pour la tente d'assignation et pour l'autel, il fera approcher le
21 bouc vivant. Aaron posera ses deux mains sur la tête du bouc vivant, et il confessera sur lui toutes les
iniquités des enfants d'Israël et toutes les transgressions par lesquelles ils ont péché ; il les mettra sur
22 la tête du bouc, puis il le chassera dans le désert, à l'aide d'un homme qui aura cette charge. Le bouc
23 emportera sur lui toutes leurs iniquités dans une terre désolée ; il sera chassé dans le désert. Aaron
entrera dans la tente d'assignation ; il quittera les vêtements de lin qu'il avait mis en entrant dans le
24 sanctuaire, et il les déposera là. Il lavera son corps avec de l'eau dans un lieu saint, et reprendra ses
vêtements. Puis il sortira, offrira son holocauste et l'holocauste du peuple, et fera l'expiation pour lui et
25, 26 pour le peuple. Il brûlera sur l'autel la graisse de la victime expiatoire. Celui qui aura chassé le bouc
pour Azazel lavera ses vêtements, et lavera son corps dans l'eau ; après cela, il rentrera dans le camp.
27 On emportera hors du camp le taureau expiatoire et le bouc expiatoire dont on a porté le sang dans
le sanctuaire pour faire l'expiation, et l'on brûlera au feu leurs peaux, leur chair et leurs excréments.
28 Celui qui les brûlera lavera ses vêtements, et lavera son corps dans l'eau ; après cela, il rentrera dans
29 le camp. C'est ici pour vous une loi perpétuelle : au septième mois, le dixième jour du mois, vous humi-
lierez vos âmes, vous ne ferez aucun ouvrage, ni l'indigène, ni l'étranger qui séjourne au milieu de vous.
30 Car en ce jour on fera l'expiation pour vous, afin de vous purifier : vous serez purifiés de tous vos péchés
31 devant l'Éternel. Ce sera pour vous un sabbat, un jour de repos, et vous humilierez vos âmes. C'est
32 une loi perpétuelle. L'expiation sera faite par le sacrificateur qui a reçu l'onction et qui a été consacré
pour succéder à son père dans le sacerdoce ; il se revêtira des vêtements de lin, des vêtements sacrés.
33 Il fera l'expiation pour le sanctuaire de sainteté, il fera l'expiation pour la tente d'assignation et pour
34 l'autel, et il fera l'expiation pour les sacrificateurs et pour tout le peuple de l'assemblée. Ce sera pour
vous une loi perpétuelle : il se fera une fois chaque année l'expiation pour les enfants d'Israël, à cause
de leurs péchés. On fit ce que l'Éternel avait ordonné à Moïse.

17, 2 L'Éternel parla à Moïse, et dit : Parle à Aaron et à ses fils, et à tous les enfants d'Israël, et tu leur

diras : Voici ce que l'Éternel a ordonné. Si un homme de la maison d'Israël égorge dans le camp ou 3
hors du camp un boeuf, un agneau ou une chèvre, et ne l'amène pas à l'entrée de la tente d'assignation, 4
pour en faire une offrande à l'Éternel devant le tabernacle de l'Éternel, le sang sera imputé à cet
homme ; il a répandu le sang, cet homme -là sera retranché du milieu de son peuple. C'est afin que les 5
enfants d'Israël, au lieu de sacrifier leurs victimes dans les champs, les amènent au sacrificateur, devant
l'Éternel, à l'entrée de la tente d'assignation, et qu'ils les offrent à l'Éternel en sacrifices d'actions de
grâces. Le sacrificateur en répandra le sang sur l'autel de l'Éternel, à l'entrée de la tente d'assignation ; 6
et il brûlera la graisse, qui sera d'une agréable odeur à l'Éternel. Ils n'offriront plus leurs sacrifices aux 7
boucs, avec lesquels ils se prostituent. Ce sera une loi perpétuelle pour eux et pour leurs descendants.
Tu leur diras donc : Si un homme de la maison d'Israël ou des étrangers qui séjournent au milieu d'eux 8
offre un holocauste ou une victime, et ne l'amène pas à l'entrée de la tente d'assignation, pour l'offrir en 9
sacrifice à l'Éternel, cet homme -là sera retranché de son peuple. Si un homme de la maison d'Israël ou 10
des étrangers qui séjournent au milieu d'eux mange du sang d'une espèce quelconque, je tournerai ma
face contre celui qui mange le sang, et je le retrancherai du milieu de son peuple. Car l'âme de la chair 11
est dans le sang. Je vous l'ai donné sur l'autel, afin qu'il servît d'expiation pour vos âmes, car c'est par
l'âme que le sang fait l'expiation. C'est pourquoi j'ai dit aux enfants d'Israël : Personne d'entre vous ne 12
mangera du sang, et l'étranger qui séjourne au milieu de vous ne mangera pas du sang. Si quelqu'un 13
des enfants d'Israël ou des étrangers qui séjournent au milieu d'eux prend à la chasse un animal ou un
oiseau qui se mange, il en versera le sang et le couvrira de poussière. Car l'âme de toute chair, c'est son 14
sang, qui est en elle. C'est pourquoi j'ai dit aux enfants d'Israël : Vous ne mangerez le sang d'aucune
chair ; car l'âme de toute chair, c'est son sang : quiconque en mangera sera retranché. Toute personne, 15
indigène ou étrangère, qui mangera d'une bête morte ou déchirée, lavera ses vêtements, se lavera dans
l'eau, et sera impure jusqu'au soir ; puis elle sera pure. Si elle ne lave pas ses vêtements, et ne lave pas 16
son corps, elle portera la peine de sa faute.

L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et tu leur diras : Je suis l'Éternel, votre **18**, 2
Dieu. Vous ne ferez point ce qui se fait dans le pays d'Égypte où vous avez habité, et vous ne ferez 3
point ce qui se fait dans le pays de Canaan où je vous mène : vous ne suivrez point leurs usages. Vous 4
pratiquerez mes ordonnances, et vous observerez mes lois : vous les suivrez. Je suis l'Éternel, votre Dieu.
Vous observerez mes lois et mes ordonnances : l'homme qui les mettra en pratique vivra par elles. Je 5
suis l'Éternel. Nul de vous ne s'approchera de sa parente, pour découvrir sa nudité. Je suis l'Éternel. 6
Tu ne découvriras point la nudité de ton père, ni la nudité de ta mère. C'est ta mère : tu ne découvriras 7
point sa nudité. Tu ne découvriras point la nudité de la femme de ton père. C'est la nudité de ton père. 8
Tu ne découvriras point la nudité de ta soeur, fille de ton père ou fille de ta mère, née dans la maison ou 9
née hors de la maison. Tu ne découvriras point la nudité de la fille de ton fils ou de la fille de ta fille. 10
Car c'est ta nudité. Tu ne découvriras point la nudité de la fille de la femme de ton père, née de ton 11
père. C'est ta soeur. Tu ne découvriras point la nudité de la soeur de ton père. C'est la proche parente 12
de ton père. Tu ne découvriras point la nudité de la soeur de ta mère. Car c'est la proche parente de ta 13
mère. Tu ne découvriras point la nudité du frère de ton père. Tu ne t'approcheras point de sa femme. 14
C'est ta tante. Tu ne découvriras point la nudité de ta belle-fille. C'est la femme de ton fils : tu ne 15
découvriras point sa nudité. Tu ne découvriras point la nudité de la femme de ton frère. C'est la nudité 16
de ton frère. Tu ne découvriras point la nudité d'une femme et de sa fille. Tu ne prendras point la fille 17
de son fils, ni la fille de sa fille, pour découvrir leur nudité. Ce sont tes proches parentes : c'est un crime.
Tu ne prendras point la soeur de ta femme, pour exciter une rivalité, en découvrant sa nudité à côté de 18
ta femme pendant sa vie. Tu ne t'approcheras point d'une femme pendant son impureté menstruelle, 19
pour découvrir sa nudité. Tu n'auras point commerce avec la femme de ton prochain, pour te souiller 20
avec elle. Tu ne livreras aucun de tes enfants pour le faire passer à Moloc, et tu ne profaneras point 21
le nom de ton Dieu. Je suis l'Éternel. Tu ne coucheras point avec un homme comme on couche avec 22
une femme. C'est une abomination. Tu ne coucheras point avec une bête, pour te souiller avec elle. La 23
femme ne s'approchera point d'une bête, pour se prostituer à elle. C'est une confusion. Ne vous souillez 24
par aucune de ces choses, car c'est par toutes ces choses que se sont souillées les nations que je vais
chasser devant vous. Le pays en a été souillé ; je punirai son iniquité, et le pays vomira ses habitants. 25
Vous observerez donc mes lois et mes ordonnances, et vous ne commettrez aucune de ces abominations, 26
ni l'indigène, ni l'étranger qui séjourne au milieu de vous. Car ce sont là toutes les abominations qu'ont 27
commises les hommes du pays, qui y ont été avant vous ; et le pays en a été souillé. Prenez garde que 28
le pays ne vous vomisse, si vous le souillez, comme il aura vomi les nations qui y étaient avant vous.
Car tous ceux qui commettront quelqu'une de ces abominations seront retranchés du milieu de leur 29
peuple. Vous observerez mes commandements, et vous ne pratiquerez aucun des usages abominables 30
qui se pratiquaient avant vous, vous ne vous en souillerez pas. Je suis l'Éternel, votre Dieu.

19, 2 L'Éternel parla à Moïse, et dit : Parle à toute l'assemblée des enfants d'Israël, et tu leur diras :
3 Soyez saints, car je suis saint, moi, l'Éternel, votre Dieu. Chacun de vous respectera sa mère et son
4 père, et observera mes sabbats. Je suis l'Éternel, votre Dieu. Vous ne vous tournerez point vers les
5 idoles, et vous ne vous ferez point des dieux de fonte. Quand vous offrirez à l'Éternel un sacrifice
6 d'actions de grâces, vous l'offrirez en sorte qu'il soit agréé. La victime sera mangée le jour où vous la
7 sacrifierez, ou le lendemain ; ce qui restera jusqu'au troisième jour sera brûlé au feu. Si l'on en mange le
8 troisième jour, ce sera une chose infecte : le sacrifice ne sera point agréé. Celui qui en mangera portera
la peine de son péché, car il profane ce qui est consacré à l'Éternel : cette personne -là sera retranchée
9 de son peuple. Quand vous ferez la moisson dans votre pays, tu laisseras un coin de ton champ sans
10 le moissonner, et tu ne ramasseras pas ce qui reste à glaner. Tu ne cueilleras pas non plus les grappes
restées dans ta vigne, et tu ne ramasseras pas les grains qui en seront tombés. Tu abandonneras cela
11 au pauvre et à l'étranger. Je suis l'Éternel, votre Dieu. Vous ne déroberez point, et vous n'userez ni de
12 mensonge ni de tromperie les uns envers les autres. Vous ne jurerez point faussement par mon nom,
13 car tu profanerais le nom de ton Dieu. Je suis l'Éternel. Tu n'opprimeras point ton prochain, et tu ne
14 raviras rien par violence. Tu ne retiendras point jusqu'au lendemain le salaire du mercenaire. Tu ne
maudiras point un sourd, et tu ne mettras devant un aveugle rien qui puisse le faire tomber ; car tu
15 auras la crainte de ton Dieu. Je suis l'Éternel. Tu ne commettras point d'iniquité dans tes jugements :
tu n'auras point égard à la personne du pauvre, et tu ne favoriseras point la personne du grand, mais
16 tu jugeras ton prochain selon la justice. Tu ne répandras point de calomnies parmi ton peuple. Tu ne
17 t'élèveras point contre le sang de ton prochain. Je suis l'Éternel. Tu ne haïras point ton frère dans ton
coeur ; tu auras soin de reprendre ton prochain, mais tu ne te chargeras point d'un péché à cause de
18 lui. Tu ne te vengeras point, et tu ne garderas point de rancune contre les enfants de ton peuple. Tu
19 aimeras ton prochain comme toi-même. Je suis l'Éternel. Vous observerez mes lois. Tu n'accoupleras
point des bestiaux de deux espèces différentes ; tu n'ensemenceras point ton champ de deux espèces de
20 semences ; et tu ne porteras pas un vêtement tissé de deux espèces de fils. Lorsqu'un homme couchera
et aura commerce avec une femme, si c'est une esclave fiancée à un autre homme, et qui n'a pas été
rachetée ou affranchie, ils seront châtiés, mais non punis de mort, parce qu'elle n'a pas été affranchie.
21 L'homme amènera pour sa faute à l'Éternel, à l'entrée de la tente d'assignation, un bélier en sacrifice
22 de culpabilité. Le sacrificateur fera pour lui l'expiation devant l'Éternel, pour le péché qu'il a commis,
23 avec le bélier offert en sacrifice de culpabilité, et le péché qu'il a commis lui sera pardonné. Quand vous
serez entrés dans le pays, et que vous y aurez planté toutes sortes d'arbres fruitiers, vous en regarderez
les fruits comme incirconcis ; pendant trois ans, ils seront pour vous incirconcis ; on n'en mangera point.
24, 25 La quatrième année, tous leurs fruits seront consacrés à l'Éternel au milieu des réjouissances. La
cinquième année, vous en mangerez les fruits, et vous continuerez à les récolter. Je suis l'Éternel, votre
26 Dieu. Vous ne mangerez rien avec du sang. Vous n'observerez ni les serpents ni les nuages pour en tirer
27 des pronostics. Vous ne couperez point en rond les coins de votre chevelure, et tu ne raseras point les
28 coins de ta barbe. Vous ne ferez point d'incisions dans votre chair pour un mort, et vous n'imprimerez
29 point de figures sur vous. Je suis l'Éternel. Tu ne profaneras point ta fille en la livrant à la prostitution,
30 de peur que le pays ne se prostitue et ne se remplisse de crimes. Vous observerez mes sabbats, et vous
31 révérerez mon sanctuaire. Je suis l'Éternel. Ne vous tournez point vers ceux qui évoquent les esprits, ni
vers les devins ; ne les recherchez point, de peur de vous souiller avec eux. Je suis l'Éternel, votre Dieu.
32 Tu te lèveras devant les cheveux blancs, et tu honoreras la personne du vieillard. Tu craindras ton Dieu.
33 Je suis l'Éternel. Si un étranger vient séjourner avec vous dans votre pays, vous ne l'opprimerez point.
34 Vous traiterez l'étranger en séjour parmi vous comme un indigène du milieu de vous ; vous l'aimerez
comme vous-mêmes, car vous avez été étrangers dans le pays d'Égypte. Je suis l'Éternel, votre Dieu.
35 Vous ne commettrez point d'iniquité ni dans les jugements, ni dans les mesures de dimension, ni dans
36 les poids, ni dans les mesures de capacité. Vous aurez des balances justes, des poids justes, des épha
37 justes et des hin justes. Je suis l'Éternel, votre Dieu, qui vous ai fait sortir du pays d'Égypte. Vous
observerez toutes mes lois et toutes mes ordonnances, et vous les mettrez en pratique. Je suis l'Éternel.

20, 2 L'Éternel parla à Moïse, et dit : Tu diras aux enfants d'Israël : Si un homme des enfants d'Israël
ou des étrangers qui séjournent en Israël livre à Moloc l'un de ses enfants, il sera puni de mort : le
3 peuple du pays le lapidera. Et moi, je tournerai ma face contre cet homme, et je le retrancherai du
milieu de son peuple, parce qu'il a livré de ses enfants à Moloc, souillé mon sanctuaire et profané mon
4 saint nom. Si le peuple du pays détourne ses regards de cet homme, qui livre de ses enfants à Moloc,
5 et s'il ne le fait pas mourir, je tournerai, moi, ma face contre cet homme et contre sa famille, et je le
retrancherai du milieu de son peuple, avec tous ceux qui se prostituent comme lui en se prostituant à

Moloc. Si quelqu'un s'adresse aux morts et aux esprits, pour se prostituer après eux, je tournerai ma 6
face contre cet homme, je le retrancherai du milieu de son peuple. Vous vous sanctifierez et vous serez 7
saints, car je suis l'Éternel, votre Dieu. Vous observerez mes lois, et vous les mettrez en pratique. Je 8
suis l'Éternel, qui vous sanctifie. Si un homme quelconque maudit son père ou sa mère, il sera puni de 9
mort ; il a maudit son père ou sa mère : son sang retombera sur lui. Si un homme commet un adultère 10
avec une femme mariée, s'il commet un adultère avec la femme de son prochain, l'homme et la femme
adultères seront punis de mort. Si un homme couche avec la femme de son père, et découvre ainsi la 11
nudité de son père, cet homme et cette femme seront punis de mort : leur sang retombera sur eux. Si 12
un homme couche avec sa belle-fille, ils seront tous deux punis de mort ; ils ont fait une confusion : leur
sang retombera sur eux. Si un homme couche avec un homme comme on couche avec une femme, ils 13
ont fait tous deux une chose abominable ; ils seront punis de mort : leur sang retombera sur eux. Si un 14
homme prend pour femmes la fille et la mère, c'est un crime : on les brûlera au feu, lui et elles, afin que
ce crime n'existe pas au milieu de vous. Si un homme couche avec une bête, il sera puni de mort ; et 15
vous tuerez la bête. Si une femme s'approche d'une bête, pour se prostituer à elle, tu tueras la femme 16
et la bête ; elles seront mises à mort : leur sang retombera sur elles. Si un homme prend sa soeur, fille 17
de son père ou fille de sa mère, s'il voit sa nudité et qu'elle voie la sienne, c'est une infamie ; ils seront
retranchés sous les yeux des enfants de leur peuple : il a découvert la nudité de sa soeur, il portera
la peine de son péché. Si un homme couche avec une femme qui a son indisposition, et découvre sa 18
nudité, s'il découvre son flux, et qu'elle découvre le flux de son sang, ils seront tous deux retranchés du
milieu de leur peuple. Tu ne découvriras point la nudité de la soeur de ta mère, ni de la soeur de ton 19
père, car c'est découvrir sa proche parente : ils porteront la peine de leur péché. Si un homme couche 20
avec sa tante, il a découvert la nudité de son oncle ; ils porteront la peine de leur péché, ils mourront
sans enfant. Si un homme prend la femme de son frère, c'est une impureté ; il a découvert la nudité de 21
son frère : ils seront sans enfant. Vous observerez toutes mes lois et toutes mes ordonnances, et vous 22
les mettrez en pratique, afin que le pays où je vous mène pour vous y établir ne vous vomisse point.
Vous ne suivrez point les usages des nations que je vais chasser devant vous ; car elles ont fait toutes 23
ces choses, et je les ai en abomination. Je vous ai dit : C'est vous qui posséderez leur pays ; je vous 24
en donnerai la possession : c'est un pays où coulent le lait et le miel. Je suis l'Éternel, votre Dieu, qui
vous ai séparés des peuples. Vous observerez la distinction entre les animaux purs et impurs, entre 25
les oiseaux purs et impurs, afin de ne pas rendre vos personnes abominables par des animaux, par des
oiseaux, par tous les reptiles de la terre, que je vous ai appris à distinguer comme impurs. Vous serez 26
saints pour moi, car je suis saint, moi, l'Éternel ; je vous ai séparés des peuples, afin que vous soyez à
moi. Si un homme ou une femme ont en eux l'esprit d'un mort ou un esprit de divination, ils seront 27
punis de mort ; on les lapidera : leur sang retombera sur eux.

L'Éternel dit à Moïse : Parle aux sacrificateurs, fils d'Aaron, et tu leur diras : Un sacrificateur ne **21**
se rendra point impur parmi son peuple pour un mort, excepté pour ses plus proches parents, pour 2
sa mère, pour son père, pour son fils, pour son frère, et aussi pour sa soeur encore vierge, qui le 3
touche de près lorsqu'elle n'est pas mariée. Chef parmi son peuple, il ne se rendra point impur en 4
se profanant. Les sacrificateurs ne se feront point de place chauve sur la tête, ils ne raseront point 5
les coins de leur barbe, et ils ne feront point d'incisions dans leur chair. Ils seront saints pour leur 6
Dieu, et ils ne profaneront pas le nom de leur Dieu ; car ils offrent à l'Éternel les sacrifices consumés
par le feu, l'aliment de leur Dieu : ils seront saints. Ils ne prendront point une femme prostituée ou 7
déshonorée, ils ne prendront point une femme répudiée par son mari, car ils sont saints pour leur
Dieu. Tu regarderas un sacrificateur comme saint, car il offre l'aliment de ton Dieu ; il sera saint pour 8
toi, car je suis saint, moi, l'Éternel, qui vous sanctifie. Si la fille d'un sacrificateur se déshonore en 9
se prostituant, elle déshonore son père : elle sera brûlée au feu. Le sacrificateur qui a la supériorité 10
sur ses frères, sur la tête duquel a été répandue l'huile d'onction, et qui a été consacré et revêtu des
vêtements sacrés, ne découvrira point sa tête et ne déchirera point ses vêtements. Il n'ira vers aucun 11
mort, il ne se rendra point impur, ni pour son père, ni pour sa mère. Il ne sortira point du sanctuaire, 12
et ne profanera point le sanctuaire de son Dieu ; car l'huile d'onction de son Dieu est une couronne sur
lui. Je suis l'Éternel. Il prendra pour femme une vierge. Il ne prendra ni une veuve, ni une femme 13, 14
répudiée, ni une femme déshonorée ou prostituée ; mais il prendra pour femme une vierge parmi son
peuple. Il ne déshonorera point sa postérité parmi son peuple ; car je suis l'Éternel, qui le sanctifie. 15
L'Éternel parla à Moïse, et dit : Parle à Aaron, et dis : Tout homme de ta race et parmi tes descendants, 16, 17
qui aura un défaut corporel, ne s'approchera point pour offrir l'aliment de son Dieu. Tout homme qui 18
aura un défaut corporel ne pourra s'approcher : un homme aveugle, boiteux, ayant le nez camus ou un
membre allongé ; un homme ayant une fracture au pied ou à la main ; un homme bossu ou grêle, ayant 19, 20
une tache à l'oeil, la gale, une dartre, ou les testicules écrasés. Tout homme de la race du sacrificateur 21

Aaron, qui aura un défaut corporel, ne s'approchera point pour offrir à l'Éternel les sacrifices consumés
22 par le feu ; il a un défaut corporel : il ne s'approchera point pour offrir l'aliment de son Dieu. Il pourra
23 manger l'aliment de son Dieu, des choses très saintes et des choses saintes. Mais il n'ira point vers
le voile, et il ne s'approchera point de l'autel, car il a un défaut corporel ; il ne profanera point mes
24 sanctuaires, car je suis l'Éternel, qui les sanctifie. C'est ainsi que parla Moïse à Aaron et à ses fils, et à
tous les enfants d'Israël.

22, 2 L'Éternel parla à Moïse, et dit : Parle à Aaron et à ses fils, afin qu'ils s'abstiennent des choses
saintes qui me sont consacrées par les enfants d'Israël, et qu'ils ne profanent point mon saint nom. Je
3 suis l'Éternel. Dis -leur : Tout homme parmi vos descendants et de votre race, qui s'approchera des
choses saintes que consacrent à l'Éternel les enfants d'Israël, et qui aura sur lui quelque impureté,
4 cet homme -là sera retranché de devant moi. Je suis l'Éternel. Tout homme de la race d'Aaron, qui
aura la lèpre ou une gonorrhée, ne mangera point des choses saintes jusqu'à ce qu'il soit pur. Il en
sera de même pour celui qui touchera une personne souillée par le contact d'un cadavre, pour celui
5 qui aura une pollution, pour celui qui touchera un reptile et en aura été souillé, ou un homme atteint
6 d'une impureté quelconque et en aura été souillé. Celui qui touchera ces choses sera impur jusqu'au
7 soir ; il ne mangera pas des choses saintes, mais il lavera son corps dans l'eau ; après le coucher du
8 soleil, il sera pur, et il mangera ensuite des choses saintes, car c'est sa nourriture. Il ne mangera
9 point d'une bête morte ou déchirée, afin de ne pas se souiller par elle. Je suis l'Éternel. Ils observeront
mes commandements, de peur qu'ils ne portent la peine de leur péché et qu'ils ne meurent, pour avoir
10 profané les choses saintes. Je suis l'Éternel, qui les sanctifie. Aucun étranger ne mangera des choses
saintes ; celui qui demeure chez un sacrificateur et le mercenaire ne mangeront point des choses saintes.
11 Mais un esclave acheté par le sacrificateur à prix d'argent pourra en manger, de même que celui qui est
12 né dans sa maison ; ils mangeront de sa nourriture. La fille d'un sacrificateur, mariée à un étranger,
13 ne mangera point des choses saintes offertes par élévation. Mais la fille d'un sacrificateur qui sera
veuve ou répudiée, sans avoir d'enfants, et qui retournera dans la maison de son père comme dans sa
14 jeunesse, pourra manger de la nourriture de son père. Aucun étranger n'en mangera. Si un homme
mange involontairement d'une chose sainte, il donnera au sacrificateur la valeur de la chose sainte, en
15 y ajoutant un cinquième. Les sacrificateurs ne profaneront point les choses saintes qui sont présentées
16 par les enfants d'Israël, et qu'ils ont offertes par élévation à l'Éternel ; ils les chargeraient ainsi du
péché dont ils se rendraient coupables en mangeant les choses saintes : car je suis l'Éternel, qui les
17, 18 sanctifie. L'Éternel parla à Moïse, et dit : Parle à Aaron et à ses fils, et à tous les enfants d'Israël, et
tu leur diras : Tout homme de la maison d'Israël ou des étrangers en Israël, qui offrira un holocauste
19 à l'Éternel, soit pour l'accomplissement d'un voeu, soit comme offrande volontaire, prendra un mâle
20 sans défaut parmi les boeufs, les agneaux ou les chèvres, afin que sa victime soit agréée. Vous n'en
21 offrirez aucune qui ait un défaut, car elle ne serait pas agréée. Si un homme offre à l'Éternel du gros
ou du menu bétail en sacrifice d'actions de grâces, soit pour l'accomplissement d'un voeu, soit comme
offrande volontaire, la victime sera sans défaut, afin qu'elle soit agréée ; il n'y aura en elle aucun défaut.
22 Vous n'en offrirez point qui soit aveugle, estropiée, ou mutilée, qui ait des ulcères, la gale ou une dartre ;
23 vous n'en ferez point sur l'autel un sacrifice consumé par le feu devant l'Éternel. Tu pourras sacrifier
comme offrande volontaire un boeuf ou un agneau ayant un membre trop long ou trop court, mais il ne
24 sera point agréé pour l'accomplissement d'un voeu. Vous n'offrirez point à l'Éternel un animal dont les
testicules ont été froissés, écrasés, arrachés ou coupés ; vous ne l'offrirez point en sacrifice dans votre
25 pays. Vous n'accepterez de l'étranger aucune de ces victimes, pour l'offrir comme aliment de votre Dieu ;
26 car elles sont mutilées, elles ont des défauts : elles ne seraient point agréées. L'Éternel dit à Moïse :
27 Un boeuf, un agneau ou une chèvre, quand il naîtra, restera sept jours avec sa mère ; dès le huitième
28 jour et les suivants, il sera agréé pour être offert à l'Éternel en sacrifice consumé par le feu. Boeuf ou
29 agneau, vous n'égorgerez pas un animal et son petit le même jour. Quand vous offrirez à l'Éternel un
30 sacrifice d'actions de grâces, vous ferez en sorte qu'il soit agréé. La victime sera mangée le jour même ;
31 vous n'en laisserez rien jusqu'au matin. Je suis l'Éternel. Vous observerez mes commandements, et
32 vous les mettrez en pratique. Je suis l'Éternel. Vous ne profanerez point mon saint nom, afin que je
33 sois sanctifié au milieu des enfants d'Israël. Je suis l'Éternel, qui vous sanctifie, et qui vous ai fait
sortir du pays d'Égypte pour être votre Dieu. Je suis l'Éternel.

23, 2 L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et tu leur diras : Les fêtes de l'Éternel,
3 que vous publierez, seront de saintes convocations. Voici quelles sont mes fêtes. On travaillera six
jours ; mais le septième jour est le sabbat, le jour du repos : il y aura une sainte convocation. Vous ne
4 ferez aucun ouvrage : c'est le sabbat de l'Éternel, dans toutes vos demeures. Voici les fêtes de l'Éternel,

les saintes convocations, que vous publierez à leurs temps fixés. Le premier mois, le quatorzième jour 5
du mois, entre les deux soirs, ce sera la Pâque de l'Éternel. Et le quinzième jour de ce mois, ce sera 6
la fête des pains sans levain en l'honneur de l'Éternel ; vous mangerez pendant sept jours des pains
sans levain. Le premier jour, vous aurez une sainte convocation : vous ne ferez aucune oeuvre servile. 7
Vous offrirez à l'Éternel, pendant sept jours, des sacrifices consumés par le feu. Le septième jour, il y 8
aura une sainte convocation : vous ne ferez aucune oeuvre servile. L'Éternel parla à Moïse, et dit : 9
Parle aux enfants d'Israël et tu leur diras : Quand vous serez entrés dans le pays que je vous donne, et 10
que vous y ferez la moisson, vous apporterez au sacrificateur une gerbe, prémices de votre moisson. Il 11
agitera de côté et d'autre la gerbe devant l'Éternel, afin qu'elle soit agréée : le sacrificateur l'agitera de
côté et d'autre, le lendemain du sabbat. Le jour où vous agiterez la gerbe, vous offrirez en holocauste 12
à l'Éternel un agneau d'un an sans défaut ; vous y joindrez une offrande de deux dixièmes de fleur de 13
farine pétrie à l'huile, comme offrande consumée par le feu, d'une agréable odeur à l'Éternel ; et vous
ferez une libation d'un quart de hin de vin. Vous ne mangerez ni pain, ni épis rôtis ou broyés, jusqu'au 14
jour même où vous apporterez l'offrande à votre Dieu. C'est une loi perpétuelle pour vos descendants,
dans tous les lieux où vous habiterez. Depuis le lendemain du sabbat, du jour où vous apporterez 15
la gerbe pour être agitée de côté et d'autre, vous compterez sept semaines entières. Vous compterez 16
cinquante jours jusqu'au lendemain du septième sabbat ; et vous ferez à l'Éternel une offrande nouvelle.
Vous apporterez de vos demeures deux pains, pour qu'ils soient agités de côté et d'autre ; ils seront 17
faits avec deux dixièmes de fleur de farine, et cuits avec du levain : ce sont les prémices à l'Éternel.
Outre ces pains, vous offrirez en holocauste à l'Éternel sept agneaux d'un an sans défaut, un jeune 18
taureau et deux béliers ; vous y joindrez l'offrande et la libation ordinaires, comme offrande consumée
par le feu, d'une agréable odeur à l'Éternel. Vous offrirez un bouc en sacrifice d'expiation, et deux 19
agneaux d'un an en sacrifice d'actions de grâces. Le sacrificateur agitera ces victimes de côté et d'autre 20
devant l'Éternel, avec le pain des prémices et avec les deux agneaux : elles seront consacrées à l'Éternel,
et appartiendront au sacrificateur. Ce jour même, vous publierez la fête, et vous aurez une sainte 21
convocation : vous ne ferez aucune oeuvre servile. C'est une loi perpétuelle pour vos descendants, dans
tous les lieux où vous habiterez. Quand vous ferez la moisson dans votre pays, tu laisseras un coin de 22
ton champ sans le moissonner, et tu ne ramasseras pas ce qui reste à glaner. Tu abandonneras cela au
pauvre et à l'étranger. Je suis l'Éternel, votre Dieu. L'Éternel parla à Moïse, et dit : Parle aux enfants 23, 24
d'Israël, et dis : Le septième mois, le premier jour du mois, vous aurez un jour de repos, publié au son des
trompettes, et une sainte convocation. Vous ne ferez aucune oeuvre servile, et vous offrirez à l'Éternel 25
des sacrifices consumés par le feu. L'Éternel parla à Moïse, et dit : Le dixième jour de ce septième 26, 27
mois, ce sera le jour des expiations : vous aurez une sainte convocation, vous humilierez vos âmes, et
vous offrirez à l'Éternel des sacrifices consumés par le feu. Vous ne ferez aucun ouvrage ce jour -là, car 28
c'est le jour des expiations, où doit être faite pour vous l'expiation devant l'Éternel, votre Dieu. Toute 29
personne qui ne s'humiliera pas ce jour -là sera retranchée de son peuple. Toute personne qui fera ce 30
jour -là un ouvrage quelconque, je la détruirai du milieu de son peuple. Vous ne ferez aucun ouvrage. 31
C'est une loi perpétuelle pour vos descendants dans tous les lieux où vous habiterez. Ce sera pour vous 32
un sabbat, un jour de repos, et vous humilierez vos âmes ; dès le soir du neuvième jour jusqu'au soir
suivant, vous célébrerez votre sabbat. L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et 33, 34
dis : Le quinzième jour de ce septième mois, ce sera la fête des tabernacles en l'honneur de l'Éternel,
pendant sept jours. Le premier jour, il y aura une sainte convocation : vous ne ferez aucune oeuvre 35
servile. Pendant sept jours, vous offrirez à l'Éternel des sacrifices consumés par le feu. Le huitième 36
jour, vous aurez une sainte convocation, et vous offrirez à l'Éternel des sacrifices consumés par le feu ;
ce sera une assemblée solennelle : vous ne ferez aucune oeuvre servile. Telles sont les fêtes de l'Éternel, 37
les saintes convocations, que vous publierez, afin que l'on offre à l'Éternel des sacrifices consumés par
le feu, des holocaustes, des offrandes, des victimes et des libations, chaque chose au jour fixé. Vous 38
observerez en outre les sabbats de l'Éternel, et vous continuerez à faire vos dons à l'Éternel, tous vos
sacrifices pour l'accomplissement d'un voeu et toutes vos offrandes volontaires. Le quinzième jour du 39
septième mois, quand vous récolterez les produits du pays, vous célébrerez donc une fête à l'Éternel,
pendant sept jours : le premier jour sera un jour de repos, et le huitième sera un jour de repos. Vous 40
prendrez, le premier jour, du fruit des beaux arbres, des branches de palmiers, des rameaux d'arbres
touffus et des saules de rivière ; et vous vous réjouirez devant l'Éternel, votre Dieu, pendant sept jours.
Vous célébrerez chaque année cette fête à l'Éternel, pendant sept jours. C'est une loi perpétuelle pour 41
vos descendants. Vous la célébrerez le septième mois. Vous demeurerez pendant sept jours sous des 42

43 tentes ; tous les indigènes en Israël demeureront sous des tentes, afin que vos descendants sachent que
j'ai fait habiter sous des tentes les enfants d'Israël, après les avoir fait sortir du pays d'Égypte. Je suis
44 l'Éternel, votre Dieu. C'est ainsi que Moïse dit aux enfants d'Israël quelles sont les fêtes de l'Éternel.

24, 2 L'Éternel parla à Moïse, et dit : Ordonne aux enfants d'Israël de t'apporter pour le chandelier de
3 l'huile pure d'olives concassées, afin d'entretenir les lampes continuellement. C'est en dehors du voile
qui est devant le témoignage, dans la tente d'assignation, qu'Aaron la préparera, pour que les lampes
brûlent continuellement du soir au matin en présence de l'Éternel. C'est une loi perpétuelle pour vos
4 descendants. Il arrangera les lampes sur le chandelier d'or pur, pour qu'elles brûlent continuellement
5 devant l'Éternel. Tu prendras de la fleur de farine, et tu en feras douze gâteaux ; chaque gâteau sera
6 de deux dixièmes. Tu les placeras en deux piles, six par pile, sur la table d'or pur devant l'Éternel.
7 Tu mettras de l'encens pur sur chaque pile, et il sera sur le pain comme souvenir, comme une offrande
8 consumée par le feu devant l'Éternel. Chaque jour de sabbat, on rangera ces pains devant l'Éternel,
9 continuellement : c'est une alliance perpétuelle qu'observeront les enfants d'Israël. Ils appartiendront
à Aaron et à ses fils, et ils les mangeront dans un lieu saint ; car ce sera pour eux une chose très sainte,
10 une part des offrandes consumées par le feu devant l'Éternel. C'est une loi perpétuelle. Le fils d'une
femme israélite et d'un homme égyptien, étant venu au milieu des enfants d'Israël, se querella dans
11 le camp avec un homme israélite. Le fils de la femme israélite blasphéma et maudit le nom de Dieu.
12 On l'amena à Moïse. Sa mère s'appelait Schelomith, fille de Dibri, de la tribu de Dan. On le mit en
13 prison, jusqu'à ce que Moïse eût déclaré ce que l'Éternel ordonnerait. L'Éternel parla à Moïse, et dit :
14 Fais sortir du camp le blasphémateur ; tous ceux qui l'ont entendu poseront leurs mains sur sa tête, et
15 toute l'assemblée le lapidera. Tu parleras aux enfants d'Israël, et tu diras : Quiconque maudira son
16 Dieu portera la peine de son péché. Celui qui blasphémera le nom de l'Éternel sera puni de mort :
toute l'assemblée le lapidera. Qu'il soit étranger ou indigène, il mourra, pour avoir blasphémé le nom
17, 18 de Dieu. Celui qui frappera un homme mortellement sera puni de mort. Celui qui frappera un animal
19 mortellement le remplacera : vie pour vie. Si quelqu'un blesse son prochain, il lui sera fait comme il a
20 fait : fracture pour fracture, oeil pour oeil, dent pour dent ; il lui sera fait la même blessure qu'il a faite
21 à son prochain. Celui qui tuera un animal le remplacera, mais celui qui tuera un homme sera puni
22, 23 de mort. Vous aurez la même loi, l'étranger comme l'indigène ; car je suis l'Éternel, votre Dieu. Moïse
parla aux enfants d'Israël ; ils firent sortir du camp le blasphémateur, et ils le lapidèrent. Les enfants
d'Israël se conformèrent à l'ordre que l'Éternel avait donné à Moïse.

25, 2 L'Éternel parla à Moïse sur la montagne de Sinaï, et dit : Parle aux enfants d'Israël, et tu leur
diras : Quand vous serez entrés dans le pays que je vous donne, la terre se reposera : ce sera un sabbat
3 en l'honneur de l'Éternel. Pendant six années tu ensemenceras ton champ, pendant six années tu
4 tailleras ta vigne ; et tu en recueilleras le produit. Mais la septième année sera un sabbat, un temps de
repos pour la terre, un sabbat en l'honneur de l'Éternel : tu n'ensemenceras point ton champ, et tu ne
5 tailleras point ta vigne. Tu ne moissonneras point ce qui proviendra des grains tombés de ta moisson,
et tu ne vendangeras point les raisins de ta vigne non taillée : ce sera une année de repos pour la terre.
6 Ce que produira la terre pendant son sabbat vous servira de nourriture, à toi, à ton serviteur et à ta
7 servante, à ton mercenaire et à l'étranger qui demeurent avec toi, à ton bétail et aux animaux qui sont
8 dans ton pays ; tout son produit servira de nourriture. Tu compteras sept sabbats d'années, sept fois
9 sept années, et les jours de ces sept sabbats d'années feront quarante -neuf ans. Le dixième jour du
septième mois, tu feras retentir les sons éclatants de la trompette ; le jour des expiations, vous sonnerez
10 de la trompette dans tout votre pays. Et vous sanctifierez la cinquantième année, vous publierez la
liberté dans le pays pour tous ses habitants : ce sera pour vous le jubilé ; chacun de vous retournera
11 dans sa propriété, et chacun de vous retournera dans sa famille. La cinquantième année sera pour
vous le jubilé : vous ne sèmerez point, vous ne moissonnerez point ce que les champs produiront d'eux-
12 mêmes, et vous ne vendangerez point la vigne non taillée. Car c'est le jubilé : vous le regarderez comme
13 une chose sainte. Vous mangerez le produit de vos champs. Dans cette année de jubilé, chacun de vous
14 retournera dans sa propriété. Si vous vendez à votre prochain, ou si vous achetez de votre prochain,
15 qu'aucun de vous ne trompe son frère. Tu achèteras de ton prochain, en comptant les années depuis
16 le jubilé ; et il te vendra, en comptant les années de rapport. Plus il y aura d'années, plus tu élèveras
le prix ; et moins il y aura d'années, plus tu le réduiras ; car c'est le nombre des récoltes qu'il te vend.
17 Aucun de vous ne trompera son prochain, et tu craindras ton Dieu ; car je suis l'Éternel, votre Dieu.
18 Mettez mes lois en pratique, observez mes ordonnances et mettez-les en pratique ; et vous habiterez
19 en sécurité dans le pays. Le pays donnera ses fruits, vous mangerez à satiété, et vous y habiterez
20 en sécurité. Si vous dites : Que mangerons -nous la septième année, puisque nous ne sèmerons point
21 et ne ferons point nos récoltes ? je vous accorderai ma bénédiction la sixième année, et elle donnera

des produits pour trois ans. Vous sèmerez la huitième année, et vous mangerez de l'ancienne récolte ; 22
jusqu'à la neuvième année, jusqu'à la nouvelle récolte, vous mangerez de l'ancienne. Les terres ne se 23
vendront point à perpétuité ; car le pays est à moi, car vous êtes chez moi comme étrangers et comme
habitants. Dans tout le pays dont vous aurez la possession, vous établirez le droit de rachat pour les 24
terres. Si ton frère devient pauvre et vend une portion de sa propriété, celui qui a le droit de rachat, 25
son plus proche parent, viendra et rachètera ce qu'a vendu son frère. Si un homme n'a personne qui 26
ait le droit de rachat, et qu'il se procure lui-même de quoi faire son rachat, il comptera les années 27
depuis la vente, restituera le surplus à l'acquéreur, et retournera dans sa propriété. S'il ne trouve pas 28
de quoi lui faire cette restitution, ce qu'il a vendu restera entre les mains de l'acquéreur jusqu'à l'année
du jubilé ; au jubilé, il retournera dans sa propriété, et l'acquéreur en sortira. Si un homme vend une 29
maison d'habitation dans une ville entourée de murs, il aura le droit de rachat jusqu'à l'accomplissement
d'une année depuis la vente ; son droit de rachat durera un an. Mais si cette maison située dans une 30
ville entourée de murs n'est pas rachetée avant l'accomplissement d'une année entière, elle restera à
perpétuité à l'acquéreur et à ses descendants ; il n'en sortira point au jubilé. Les maisons des villages 31
non entourés de murs seront considérées comme des fonds de terre ; elles pourront être rachetées, et
l'acquéreur en sortira au jubilé. Quant aux villes des Lévites et aux maisons qu'ils y posséderont, les 32
Lévites auront droit perpétuel de rachat. Celui qui achètera des Lévites une maison, sortira au jubilé 33
de la maison vendue et de la ville où il la possédait ; car les maisons des villes des Lévites sont leur
propriété au milieu des enfants d'Israël. Les champs situés autour des villes des Lévites ne pourront 34
point se vendre ; car ils en ont à perpétuité la possession. Si ton frère devient pauvre, et que sa main 35
fléchisse près de toi, tu le soutiendras ; tu feras de même pour celui qui est étranger et qui demeure
dans le pays, afin qu'il vive avec toi. Tu ne tireras de lui ni intérêt ni usure, tu craindras ton Dieu, et 36
ton frère vivra avec toi. Tu ne lui prêteras point ton argent à intérêt, et tu ne lui prêteras point tes 37
vivres à usure. Je suis l'Éternel, ton Dieu, qui vous ai fait sortir du pays d'Égypte, pour vous donner le 38
pays de Canaan, pour être votre Dieu. Si ton frère devient pauvre près de toi, et qu'il se vende à toi, tu 39
ne lui imposeras point le travail d'un esclave. Il sera chez toi comme un mercenaire, comme celui qui 40
y demeure ; il sera à ton service jusqu'à l'année du jubilé. Il sortira alors de chez toi, lui et ses enfants 41
avec lui, et il retournera dans sa famille, dans la propriété de ses pères. Car ce sont mes serviteurs, 42
que j'ai fait sortir du pays d'Égypte ; ils ne seront point vendus comme on vend des esclaves. Tu ne 43
domineras point sur lui avec dureté, et tu craindras ton Dieu. C'est des nations qui vous entourent que 44
tu prendras ton esclave et ta servante qui t'appartiendront, c'est d'elles que vous achèterez l'esclave et
la servante. Vous pourrez aussi en acheter des enfants des étrangers qui demeureront chez toi, et de 45
leurs familles qu'ils engendreront dans votre pays ; et ils seront votre propriété. Vous les laisserez en 46
héritage à vos enfants après vous, comme une propriété ; vous les garderez comme esclaves à perpétuité.
Mais à l'égard de vos frères, les enfants d'Israël, aucun de vous ne dominera avec dureté sur son frère.
Si un étranger, si celui qui demeure chez toi devient riche, et que ton frère devienne pauvre près de lui 47
et se vende à l'étranger qui demeure chez toi ou à quelqu'un de la famille de l'étranger, il y aura pour 48
lui le droit de rachat, après qu'il se sera vendu : un de ses frères pourra le racheter. Son oncle, ou le 49
fils de son oncle, ou l'un de ses proches parents, pourra le racheter ; ou bien, s'il en a les ressources, il
se rachètera lui-même. Il comptera avec celui qui l'a acheté depuis l'année où il s'est vendu jusqu'à 50
l'année du jubilé ; et le prix à payer dépendra du nombre d'années, lesquelles seront évaluées comme
celles d'un mercenaire. S'il y a encore beaucoup d'années, il paiera son rachat à raison du prix de ces 51
années et pour lequel il a été acheté ; s'il reste peu d'années jusqu'à celle du jubilé, il en fera le compte, 52
et il paiera son rachat à raison de ces années. Il sera comme un mercenaire à l'année, et celui chez 53
qui il sera ne le traitera point avec dureté sous tes yeux. S'il n'est racheté d'aucune de ces manières, 54
il sortira l'année du jubilé, lui et ses enfants avec lui. Car c'est de moi que les enfants d'Israël sont 55
esclaves ; ce sont mes esclaves, que j'ai fait sortir du pays d'Égypte. Je suis l'Éternel, votre Dieu.

Vous ne vous ferez point d'idoles, vous ne vous élèverez ni image taillée ni statue, et vous ne placerez **26**
dans votre pays aucune pierre ornée de figures, pour vous prosterner devant elle ; car je suis l'Éternel,
votre Dieu. Vous observerez mes sabbats, et vous révérerez mon sanctuaire. Je suis l'Éternel. Si vous 2, 3
suivez mes lois, si vous gardez mes commandements et les mettez en pratique, je vous enverrai des 4
pluies en leur saison, la terre donnera ses produits, et les arbres des champs donneront leurs fruits. À 5
peine aurez-vous battu le blé que vous toucherez à la vendange, et la vendange atteindra les semailles ;
vous mangerez votre pain à satiété, et vous habiterez en sécurité dans votre pays. Je mettrai la paix 6
dans le pays, et personne ne troublera votre sommeil ; je ferai disparaître du pays les bêtes féroces, et
l'épée ne passera point par votre pays. Vous poursuivrez vos ennemis, et ils tomberont devant vous 7
par l'épée. Cinq d'entre vous en poursuivront cent, et cent d'entre vous en poursuivront dix mille, et 8
vos ennemis tomberont devant vous par l'épée. Je me tournerai vers vous, je vous rendrai féconds et 9

je vous multiplierai, et je maintiendrai mon alliance avec vous. Vous mangerez des anciennes récoltes,
et vous sortirez les vieilles pour faire place aux nouvelles. J'établirai ma demeure au milieu de vous,
et mon âme ne vous aura point en horreur. Je marcherai au milieu de vous, je serai votre Dieu, et
vous serez mon peuple. Je suis l'Éternel, votre Dieu, qui vous ai fait sortir du pays d'Égypte, qui vous
ai tirés de la servitude ; j'ai brisé les liens de votre joug, et je vous ai fait marcher la tête levée. Mais
si vous ne m'écoutez point et ne mettez point en pratique tous ces commandements, si vous méprisez
mes lois, et si votre âme a en horreur mes ordonnances, en sorte que vous ne pratiquiez point tous mes
commandements et que vous rompiez mon alliance, voici alors ce que je vous ferai. J'enverrai sur vous
la terreur, la consomption et la fièvre, qui rendront vos yeux languissants et votre âme souffrante ; et
vous sèmerez en vain vos semences : vos ennemis les dévoreront. Je tournerai ma face contre vous,
et vous serez battus devant vos ennemis ; ceux qui vous haïssent domineront sur vous, et vous fuirez
sans que l'on vous poursuive. Si, malgré cela, vous ne m'écoutez point, je vous châtierai sept fois plus
pour vos péchés. Je briserai l'orgueil de votre force, je rendrai votre ciel comme du fer, et votre terre
comme de l'airain. Votre force s'épuisera inutilement, votre terre ne donnera pas ses produits, et les
arbres de la terre ne donneront pas leurs fruits. Si vous me résistez et ne voulez point m'écouter, je
vous frapperai sept fois plus selon vos péchés. J'enverrai contre vous les animaux des champs, qui
vous priveront de vos enfants, qui détruiront votre bétail, et qui vous réduiront à un petit nombre ; et
vos chemins seront déserts. Si ces châtiments ne vous corrigent point et si vous me résistez, je vous
résisterai aussi et je vous frapperai sept fois plus pour vos péchés. Je ferai venir contre vous l'épée,
qui vengera mon alliance ; quand vous vous rassemblerez dans vos villes, j'enverrai la peste au milieu
de vous, et vous serez livrés aux mains de l'ennemi. Lorsque je vous briserai le bâton du pain, dix
femmes cuiront votre pain dans un seul four et rapporteront votre pain au poids ; vous mangerez, et
vous ne serez point rassasiés. Si, malgré cela, vous ne m'écoutez point et si vous me résistez, je vous
résisterai aussi avec fureur et je vous châtierai sept fois plus pour vos péchés. Vous mangerez la chair
de vos fils, et vous mangerez la chair de vos filles. Je détruirai vos hauts lieux, j'abattrai vos statues
consacrées au soleil, je mettrai vos cadavres sur les cadavres de vos idoles, et mon âme vous aura en
horreur. Je réduirai vos villes en déserts, je ravagerai vos sanctuaires, et je ne respirerai plus l'odeur
agréable de vos parfums. Je dévasterai le pays, et vos ennemis qui l'habiteront en seront stupéfaits.
Je vous disperserai parmi les nations et je tirerai l'épée après vous. Votre pays sera dévasté, et vos villes
seront désertes. Alors le pays jouira de ses sabbats, tout le temps qu'il sera dévasté et que vous serez
dans le pays de vos ennemis ; alors le pays se reposera, et jouira de ses sabbats. Tout le temps qu'il sera
dévasté, il aura le repos qu'il n'avait pas eu dans vos sabbats, tandis que vous l'habitiez. Je rendrai
pusillanime le coeur de ceux d'entre vous qui survivront, dans les pays de leurs ennemis ; le bruit d'une
feuille agitée les poursuivra ; ils fuiront comme on fuit devant l'épée, et ils tomberont sans qu'on les
poursuive. Ils se renverseront les uns sur les autres comme devant l'épée, sans qu'on les poursuive.
Vous ne subsisterez point en présence de vos ennemis ; vous périrez parmi les nations, et le pays de
vos ennemis vous dévorera. Ceux d'entre vous qui survivront seront frappés de langueur pour leurs
iniquités, dans les pays de leurs ennemis ; ils seront aussi frappés de langueur pour les iniquités de
leurs pères. Ils confesseront leurs iniquités et les iniquités de leurs pères, les transgressions qu'ils ont
commises envers moi, et la résistance qu'ils m'ont opposée, péchés à cause desquels moi aussi je leur
résisterai et les mènerai dans le pays de leurs ennemis. Et alors leur coeur incirconcis s'humiliera, et ils
paieront la dette de leurs iniquités. Je me souviendrai de mon alliance avec Jacob, je me souviendrai de
mon alliance avec Isaac et de mon alliance avec Abraham, et je me souviendrai du pays. Le pays sera
abandonné par eux, et il jouira de ses sabbats pendant qu'il restera dévasté loin d'eux ; et ils paieront
la dette de leurs iniquités, parce qu 'ils ont méprisé mes ordonnances et que leur âme a eu mes lois en
horreur. Mais, lorsqu'ils seront dans le pays de leurs ennemis, je ne les rejetterai pourtant point, et
je ne les aurai point en horreur jusqu'à les exterminer, jusqu'à rompre mon alliance avec eux ; car je
suis l'Éternel, leur Dieu. Je me souviendrai en leur faveur de l'ancienne alliance, par laquelle je les ai
fait sortir du pays d'Égypte, aux yeux des nations, pour être leur Dieu. Je suis l'Éternel. Tels sont les
statuts, les ordonnances et les lois, que l'Éternel établit entre lui et les enfants d'Israël, sur la montagne
de Sinaï, par Moïse.

27 L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et tu leur diras : Lorsqu'on fera des voeux,
s'il s'agit de personnes, elles seront à l'Éternel d'après ton estimation. Si tu as à faire l'estimation d'un
mâle de vingt à soixante ans, ton estimation sera de cinquante sicles d'argent, selon le sicle du sanc-
tuaire ; si c'est une femme, ton estimation sera de trente sicles. De cinq à vingt ans, ton estimation
sera de vingt sicles pour un mâle, et de dix sicles pour une fille. D'un mois à cinq ans, ton estimation
sera de cinq sicles d'argent pour un mâle, et de trois sicles d'argent pour une fille. De soixante ans et
au-dessus, ton estimation sera de quinze sicles pour un mâle, et de dix sicles pour une femme. Si celui

qui a fait le voeu est trop pauvre pour payer ton estimation, on le présentera au sacrificateur, qui le
taxera, et le sacrificateur fera une estimation en rapport avec les ressources de cet homme. S'il s'agit 9
d'animaux qui peuvent être offerts en sacrifice à l'Éternel, tout animal qu'on donnera à l'Éternel sera
chose sainte. On ne le changera point, et l'on n'en mettra point un mauvais à la place d'un bon ni un 10
bon à la place d'un mauvais ; si l'on remplace un animal par un autre, ils seront l'un et l'autre chose
sainte. S'il s'agit d'animaux impurs, qui ne peuvent être offerts en sacrifice à l'Éternel, on présentera 11
l'animal au sacrificateur, qui en fera l'estimation selon qu'il sera bon ou mauvais, et l'on s'en rappor- 12
tera à l'estimation du sacrificateur. Si on veut le racheter, on ajoutera un cinquième à son estimation. 13
Si quelqu'un sanctifie sa maison en la consacrant à l'Éternel, le sacrificateur en fera l'estimation selon 14
qu'elle sera bonne ou mauvaise, et l'on s'en tiendra à l'estimation du sacrificateur. Si celui qui a sancti- 15
fié sa maison veut la racheter, il ajoutera un cinquième au prix de son estimation, et elle sera à lui. Si 16
quelqu'un sanctifie à l'Éternel un champ de sa propriété, ton estimation sera en rapport avec la quan-
tité de semence, cinquante sicles d'argent pour un homer de semence d'orge. Si c'est dès l'année du 17
jubilé qu'il sanctifie son champ, on s'en tiendra à ton estimation ; si c'est après le jubilé qu'il sanctifie 18
son champ, le sacrificateur en évaluera le prix à raison du nombre d'années qui restent jusqu'au jubilé,
et il sera fait une réduction sur ton estimation. Si celui qui a sanctifié son champ veut le racheter, il 19
ajoutera un cinquième au prix de ton estimation, et le champ lui restera. S'il ne rachète point le champ, 20
et qu'on le vende à un autre homme, il ne pourra plus être racheté. Et quand l'acquéreur en sortira au 21
jubilé, ce champ sera consacré à l'Éternel, comme un champ qui a été dévoué ; il deviendra la propriété
du sacrificateur. Si quelqu'un sanctifie à l'Éternel un champ qu'il a acquis et qui ne fait point partie 22
de sa propriété, le sacrificateur en évaluera le prix d'après ton estimation jusqu'à l'année du jubilé, 23
et cet homme paiera le jour même le prix fixé, comme étant consacré à l'Éternel. L'année du jubilé, le 24
champ retournera à celui de qui il avait été acheté et de la propriété dont il faisait partie. Toutes tes 25
estimations se feront en sicles du sanctuaire : le sicle est de vingt guéras. Nul ne pourra sanctifier le 26
premier-né de son bétail, lequel appartient déjà à l'Éternel en sa qualité de premier-né ; soit boeuf, soit
agneau, il appartient à l'Éternel. S'il s'agit d'un animal impur, on le rachètera au prix de ton estima- 27
tion, en y ajoutant un cinquième ; s'il n'est pas racheté, il sera vendu d'après ton estimation. Tout ce 28
qu'un homme dévouera par interdit à l'Éternel, dans ce qui lui appartient, ne pourra ni se vendre, ni
se racheter, que ce soit une personne, un animal, ou un champ de sa propriété ; tout ce qui sera dévoué
par interdit sera entièrement consacré à l'Éternel. Aucune personne dévouée par interdit ne pourra 29
être rachetée, elle sera mise à mort. Toute dîme de la terre, soit des récoltes de la terre, soit du fruit 30
des arbres, appartient à l'Éternel ; c'est une chose consacrée à l'Éternel. Si quelqu'un veut racheter 31
quelque chose de sa dîme, il y ajoutera un cinquième. Toute dîme de gros et de menu bétail, de tout ce 32
qui passe sous la houlette, sera une dîme consacrée à l'Éternel. On n'examinera point si l'animal est 33
bon ou mauvais, et l'on ne fera point d'échange ; si l'on remplace un animal par un autre, ils seront l'un
et l'autre chose sainte, et ne pourront être rachetés. Tels sont les commandements que l'Éternel donna 34
à Moïse pour les enfants d'Israël, sur la montagne de Sinaï.

NOMBRES

1 L'Éternel parla à Moïse dans le désert de Sinaï, dans la tente d'assignation, le premier jour du
2 second mois, la seconde année après leur sortie du pays d'Égypte. Il dit : Faites le dénombre-
ment de toute l'assemblée des enfants d'Israël, selon leurs familles, selon les maisons de leurs
3 pères, en comptant par tête les noms de tous les mâles, depuis l'âge de vingt ans et au-dessus,
tous ceux d'Israël en état de porter les armes ; vous en ferez le dénombrement selon leurs divisions, toi
4, 5 et Aaron. Il y aura avec vous un homme par tribu, chef de la maison de ses pères. Voici les noms des
6 hommes qui se tiendront avec vous. Pour Ruben : Élitsur, fils de Schedéur ; pour Siméon : Schelumiel,
7, 8 fils de Tsurischaddaï ; pour Juda : Nachschon, fils d'Amminadab ; pour Issacar : Nethaneel, fils de
9, 10 Tsuar ; pour Zabulon : Éliab, fils de Hélon ; pour les fils de Joseph, -pour Éphraïm : Élischama, fils
11 d'Ammihud ; -pour Manassé : Gamliel, fils de Pedahtsur ; pour Benjamin : Abidan, fils de Guideoni ;
12, 13, 14 pour Dan : Ahiézer, fils d'Ammischaddaï ; pour Aser : Paguiel, fils d'Ocran ; pour Gad : Éliasaph, fils
15, 16 de Déuel ; pour Nephthali : Ahira, fils d'Énan. Tels sont ceux qui furent convoqués à l'assemblée,
17 princes des tribus de leurs pères, chefs des milliers d 'Israël. Moïse et Aaron prirent ces hommes, qui
18 avaient été désignés par leurs noms, et ils convoquèrent toute l'assemblée, le premier jour du second
mois. On les enregistra selon leurs familles, selon les maisons de leurs pères, en comptant par tête les
19 noms depuis l'âge de vingt ans et au-dessus. Moïse en fit le dénombrement dans le désert de Sinaï,
20 comme l'Éternel le lui avait ordonné. On enregistra les fils de Ruben, premier-né d'Israël, selon leurs
familles, selon les maisons de leurs pères, en comptant par tête les noms de tous les mâles, depuis l'âge
21 de vingt ans et au-dessus, tous ceux en état de porter les armes : les hommes de la tribu de Ruben dont
22 on fit le dénombrement furent quarante -six mille cinq cents. On enregistra les fils de Siméon, selon
leurs familles, selon les maisons de leurs pères ; on en fit le dénombrement, en comptant par tête les
noms de tous les mâles depuis l'âge de vingt ans et au-dessus, tous ceux en état de porter les armes :
23 les hommes de la tribu de Siméon dont on fit le dénombrement furent cinquante -neuf mille trois cents.
24 On enregistra les fils de Gad, selon leurs familles, selon les maisons de leurs pères, en comptant les
25 noms depuis l'âge de vingt ans et au-dessus, tous ceux en état de porter les armes : les hommes de
26 la tribu de Gad dont on fit le dénombrement furent quarante -cinq mille six cent cinquante. On en-
registra les fils de Juda, selon leurs familles, selon les maisons de leurs pères, en comptant les noms
27 depuis l'âge de vingt ans et au-dessus, tous ceux en état de porter les armes : les hommes de la tribu
28 de Juda dont on fit le dénombrement furent soixante-quatorze mille six cents. On enregistra les fils
d'Issacar, selon leurs familles, selon les maisons de leurs pères, en comptant les noms depuis l'âge de
29 vingt ans et au-dessus, tous ceux en état de porter les armes : les hommes de la tribu d'Issacar dont
30 on fit le dénombrement furent cinquante -quatre mille quatre cents. On enregistra les fils de Zabulon,
selon leurs familles, selon les maisons de leurs pères, en comptant les noms depuis l'âge de vingt ans
31 et au-dessus, tous ceux en état de porter les armes : les hommes de la tribu de Zabulon dont on fit le
32 dénombrement furent cinquante -sept mille quatre cents. On enregistra, d'entre les fils de Joseph, les
fils d'Éphraïm, selon leurs familles, selon les maisons de leurs pères, en comptant les noms depuis l'âge
33 de vingt ans et au-dessus, tous ceux en état de porter les armes : les hommes de la tribu d'Éphraïm
34 dont on fit le dénombrement furent quarante mille cinq cents. On enregistra les fils de Manassé, se-
lon leurs familles, selon les maisons de leurs pères, en comptant les noms depuis l'âge de vingt ans et
35 au-dessus, tous ceux en état de porter les armes : les hommes de la tribu de Manassé dont on fit le
36 dénombrement furent trente -deux mille deux cents. On enregistra les fils de Benjamin, selon leurs
familles, selon les maisons de leurs pères, en comptant les noms depuis l'âge de vingt ans et au-dessus,
37 tous ceux en état de porter les armes : les hommes de la tribu de Benjamin dont on fit le dénombre-
38 ment furent trente -cinq mille quatre cents. On enregistra les fils de Dan, selon leurs familles, selon les
maisons de leurs pères, en comptant les noms depuis l'âge de vingt ans et au-dessus, tous ceux en état
39 de porter les armes : les hommes de la tribu de Dan dont on fit le dénombrement furent soixante -deux
40 mille sept cents. On enregistra les fils d'Aser, selon leurs familles, selon les maisons de leurs pères,
en comptant les noms depuis l'âge de vingt ans et au-dessus, tous ceux en état de porter les armes :
41, 42 les hommes de la tribu d'Aser dont on fit le dénombrement furent quarante et un mille cinq cents. On
enregistra les fils de Nephthali, selon leurs familles, selon les maisons de leurs pères, en comptant les
43 noms depuis l'âge de vingt ans et au-dessus, tous ceux en état de porter les armes : les hommes de la
44 tribu de Nephthali dont on fit le dénombrement furent cinquante -trois mille quatre cents. Tels sont
ceux dont le dénombrement fut fait par Moïse et Aaron, et par les douze hommes, princes d'Israël ; il y
45 avait un homme pour chacune des maisons de leurs pères. Tous ceux des enfants d'Israël dont on fit le
dénombrement, selon les maisons de leurs pères, depuis l'âge de vingt ans et au-dessus, tous ceux d'Is-

raël en état de porter les armes, tous ceux dont on fit le dénombrement furent six cent trois mille cinq 46
cent cinquante. Les Lévites, selon la tribu de leurs pères, ne firent point partie de ce dénombrement. 47
L'Éternel parla à Moïse, et dit : Tu ne feras point le dénombrement de la tribu de Lévi, et tu n'en 48, 49
compteras point les têtes au milieu des enfants d'Israël. Remets aux soins des Lévites le tabernacle 50
du témoignage, tous ses ustensiles et tout ce qui lui appartient. Ils porteront le tabernacle et tous ses
ustensiles, ils en feront le service, et ils camperont autour du tabernacle. Quand le tabernacle partira, 51
les Lévites le démonteront ; quand le tabernacle campera, les Lévites le dresseront ; et l'étranger qui en
approchera sera puni de mort. Les enfants d'Israël camperont chacun dans son camp, chacun près de 52
sa bannière, selon leurs divisions. Mais les Lévites camperont autour du tabernacle du témoignage, 53
afin que ma colère n'éclate point sur l'assemblée des enfants d'Israël ; et les Lévites auront la garde du
tabernacle du témoignage. Les enfants d'Israël se conformèrent à tous les ordres que l'Éternel avait 54
donnés à Moïse ; ils firent ainsi.

L'Éternel parla à Moïse et à Aaron, et dit : Les enfants d'Israël camperont chacun près de sa ban- **2**, 2
nière, sous les enseignes de la maison de ses pères ; ils camperont vis-à-vis et tout autour de la tente
d'assignation. À l'orient, le camp de Juda, avec sa bannière, et avec ses corps d'armée. Là camperont 3
le prince des fils de Juda, Nachschon, fils d'Amminadab, et son corps d'armée composé de soixante- 4
quatorze mille six cents hommes, d'après le dénombrement. À ses côtés camperont la tribu d'Issacar, 5
le prince des fils d'Issacar, Nethaneel, fils de Tsuar, et son corps d'armée composé de cinquante -quatre 6
mille quatre cents hommes, d'après le dénombrement ; puis la tribu de Zabulon, le prince des fils de Za- 7
bulon, Éliab, fils de Hélon, et son corps d'armée composé de cinquante -sept mille quatre cents hommes, 8
d'après le dénombrement. Total pour le camp de Juda, d'après le dénombrement : cent quatre-vingt 9
six mille quatre cents hommes, selon leurs corps d'armée. Ils seront les premiers dans la marche. Au 10
midi, le camp de Ruben, avec sa bannière, et avec ses corps d'armée. Là camperont le prince des fils
de Ruben, Élitsur, fils de Schedéur, et son corps d'armée composé de quarante -six mille cinq cents 11
hommes, d'après le dénombrement. À ses côtés camperont la tribu de Siméon, le prince des fils de 12
Siméon, Schelumiel, fils de Tsurischaddaï, et son corps d'armée composé de cinquante -neuf mille trois 13
cents hommes, d'après le dénombrement ; puis la tribu de Gad, le prince des fils de Gad, Éliasaph, fils 14
de Déuel, et son corps d'armée composé de quarante -cinq mille six cent cinquante hommes, d'après le 15
dénombrement. Total pour le camp de Ruben, d'après le dénombrement : cent cinquante et un mille 16
quatre cent cinquante hommes, selon leurs corps d'armée. Ils seront les seconds dans la marche. En- 17
suite partira la tente d'assignation, avec le camp des Lévites placé au milieu des autres camps : Ils
suivront dans la marche l'ordre dans lequel ils auront campé, chacun dans son rang, selon sa bannière.
À l'occident, le camp d'Éphraïm, avec sa bannière, et avec ses corps d'armée. Là camperont le prince 18
des fils d'Éphraïm, Élischama, fils d'Ammihud, et son corps d'armée composé de quarante mille cinq 19
cents hommes, d'après le dénombrement. À ses côtés camperont la tribu de Manassé, le prince des 20
fils de Manassé, Gamliel, fils de Pedahtsur, et son corps d'armée composé de trente -deux mille deux 21
cents hommes, d'après le dénombrement ; puis la tribu de Benjamin, le prince des fils de Benjamin, 22
Abidan, fils de Guideoni, et son corps d'armée composé de trente -cinq mille quatre cents hommes, 23
d'après le dénombrement. Total pour le camp d'Éphraïm, d'après le dénombrement : cent huit mille et 24
cent hommes, selon leurs corps d'armée. Ils seront les troisièmes dans la marche. Au nord, le camp de 25
Dan, avec sa bannière, et avec ses corps d'armée. Là camperont le prince des fils de Dan, Ahiézer, fils
d'Ammischaddaï, et son corps d'armée composé de soixante -deux mille sept cents hommes, d'après le 26
dénombrement. À ses côtés camperont la tribu d'Aser, le prince des fils d'Aser, Paguiel, fils d'Ocran, et 27, 28
son corps d'armée composé de quarante et un mille cinq cents hommes, d'après le dénombrement ; puis 29
la tribu de Nephthali, le prince des fils de Nephthali, Ahira, fils d'Énan, et son corps d'armée composé 30
de cinquante -trois mille quatre cents hommes, d'après le dénombrement. Total pour le camp de Dan, 31
d'après le dénombrement : cent cinquante -sept mille six cents hommes. Ils seront les derniers dans la
marche, selon leur bannière. Tels sont ceux des enfants d'Israël dont on fit le dénombrement, selon les 32
maisons de leurs pères. Tous ceux dont on fit le dénombrement, et qui formèrent les camps, selon leurs
corps d'armée, furent six cent trois mille cinq cent cinquante. Les Lévites, suivant l'ordre que l'Éternel 33
avait donné à Moïse, ne firent point partie du dénombrement au milieu des enfants d'Israël. Et les 34
enfants d'Israël se conformèrent à tous les ordres que l'Éternel avait donnés à Moïse. C'est ainsi qu'ils
campaient, selon leurs bannières ; et c'est ainsi qu'ils se mettaient en marche, chacun selon sa famille,
selon la maison de ses pères.

Voici la postérité d'Aaron et de Moïse, au temps où l'Éternel parla à Moïse, sur la montagne de Sinaï. **3**
Voici les noms des fils d'Aaron : Nadab, le premier-né, Abihu, Éléazar et Ithamar. Ce sont là les noms 2, 3

des fils d'Aaron, qui reçurent l'onction comme sacrificateurs, et qui furent consacrés pour l'exercice du
4 sacerdoce. Nadab et Abihu moururent devant l'Éternel, lorsqu'ils apportèrent devant l'Éternel du feu
étranger, dans le désert de Sinaï ; ils n'avaient point de fils. Éléazar et Ithamar exercèrent le sacerdoce,
5, 6 en présence d'Aaron, leur père. L'Éternel parla à Moïse, et dit : Fais approcher la tribu de Lévi, et tu
7 la placeras devant le sacrificateur Aaron, pour qu'elle soit à son service. Ils auront le soin de ce qui est
remis à sa garde et à la garde de toute l'assemblée, devant la tente d'assignation : ils feront le service
8 du tabernacle. Ils auront le soin de tous les ustensiles de la tente d'assignation, et de ce qui est remis à
9 la garde des enfants d'Israël : ils feront le service du tabernacle. Tu donneras les Lévites à Aaron et à
10 ses fils ; ils lui seront entièrement donnés, de la part des enfants d'Israël. Tu établiras Aaron et ses fils
pour qu'ils observent les fonctions de leur sacerdoce ; et l'étranger qui approchera sera puni de mort.
11, 12 L'Éternel parla à Moïse, et dit : Voici, j'ai pris les Lévites du milieu des enfants d'Israël, à la place
13 de tous les premiers-nés, des premiers-nés des enfants d'Israël ; et les Lévites m'appartiendront. Car
tout premier-né m'appartient ; le jour où j'ai frappé tous les premiers-nés dans le pays d'Égypte, je me
suis consacré tous les premiers-nés en Israël, tant des hommes que des animaux : ils m'appartiendront.
14, 15 Je suis l'Éternel. L'Éternel parla à Moïse, dans le désert de Sinaï, et dit : Fais le dénombrement
des enfants de Lévi, selon les maisons de leurs pères, selon leurs familles ; tu feras le dénombrement
16 de tous les mâles, depuis l'âge d'un mois et au-dessus. Moïse en fit le dénombrement sur l'ordre de
17 l'Éternel, en se conformant à l'ordre qui lui fut donné. Ce sont ici les fils de Lévi, d'après leurs noms :
18 Guerschon, Kehath et Merari. - Voici les noms des fils de Guerschon, selon leurs familles : Libni et
19, 20 Schimeï. Voici les fils de Kehath, selon leurs familles : Amram, Jitsehar, Hébron et Uziel ; et les fils
de Merari, selon leurs familles : Machli et Muschi. Ce sont là les familles de Lévi, selon les maisons de
21 leurs pères. De Guerschon descendent la famille de Libni et la famille de Schimeï, formant les familles
22 des Guerschonites. Ceux dont on fit le dénombrement, en comptant tous les mâles depuis l'âge d'un
23 mois et au-dessus, furent sept mille cinq cents. Les familles des Guerschonites campaient derrière le
24 tabernacle à l'occident. Le chef de la maison paternelle des Guerschonites était Éliasaph, fils de Laël.
25 Pour ce qui concerne la tente d'assignation, on remit aux soins des fils de Guerschon le tabernacle et
26 la tente, la couverture, le rideau qui est à l'entrée de la tente d'assignation ; les toiles du parvis et le
rideau de l'entrée du parvis, tout autour du tabernacle et de l'autel, et tous les cordages pour le service
27 du tabernacle. De Kehath descendent la famille des Amramites, la famille des Jitseharites, la famille
28 des Hébronites et la famille des Uziélites, formant les familles des Kehathites. En comptant tous les
mâles depuis l'âge d'un mois et au-dessus, il y en eut huit mille six cents, qui furent chargés des soins
29, 30 du sanctuaire. Les familles des fils de Kehath campaient au côté méridional du tabernacle. Le chef de
31 la maison paternelle des familles des Kehathites était Élitsaphan, fils d'Uziel. On remit à leurs soins
l'arche, la table, le chandelier, les autels, les ustensiles du sanctuaire, avec lesquels on fait le service, le
32 voile et tout ce qui en dépend. Le chef des chefs des Lévites était Éléazar, fils du sacrificateur Aaron ;
33 il avait la surveillance de ceux qui étaient chargés des soins du sanctuaire. De Merari descendent
34 la famille de Machli et la famille de Muschi, formant les familles des Merarites. Ceux dont on fit le
dénombrement, en comptant tous les mâles depuis l'âge d'un mois et au-dessus, furent six mille deux
35 cents. Le chef de la maison paternelle des familles de Merari était Tsuriel, fils d'Abihaïl. Ils campaient
36 du côté septentrional du tabernacle. On remit à la garde et aux soins des fils de Merari les planches
du tabernacle, ses barres, ses colonnes et leurs bases, tous ses ustensiles et tout ce qui en dépend ;
37, 38 les colonnes du parvis tout autour, leurs bases, leurs pieux et leurs cordages. Moïse, Aaron et ses fils
campaient devant le tabernacle, à l'orient, devant la tente d'assignation, au levant ; ils avaient la garde
et le soin du sanctuaire, remis à la garde des enfants d'Israël ; et l'étranger qui s'approchera sera puni
39 de mort. Tous les Lévites dont Moïse et Aaron firent le dénombrement sur l'ordre de l'Éternel, selon
40 leurs familles, tous les mâles depuis l'âge d'un mois et au-dessus, furent vingt -deux mille. L'Éternel
dit à Moïse : Fais le dénombrement de tous les premiers-nés mâles parmi les enfants d'Israël, depuis
41 l'âge d'un mois et au-dessus, et compte les d'après leurs noms. Tu prendras les Lévites pour moi,
l'Éternel, à la place de tous les premiers-nés des enfants d'Israël, et le bétail des Lévites à la place de
42 tous les premiers-nés du bétail des enfants d'Israël. Moïse fit le dénombrement de tous les premiers-
43 nés parmi les enfants d'Israël, selon l'ordre que l'Éternel lui avait donné. Tous les premiers-nés mâles,
dont on fit le dénombrement, en comptant les noms, depuis l'âge d'un mois et au-dessus, furent vingt
44, 45 -deux mille deux cent soixante-treize. L'Éternel parla à Moïse, et dit : Prends les Lévites à la place
de tous les premiers-nés des enfants d'Israël, et le bétail des Lévites à la place de leur bétail ; et les
46 Lévites m'appartiendront. Je suis l'Éternel. Pour le rachat des deux cent soixante-treize qui dépassent
47 le nombre des Lévites, parmi les premiers-nés des enfants d'Israël, tu prendras cinq sicles par tête ;
48 tu les prendras selon le sicle du sanctuaire, qui est de vingt guéras. Tu donneras l'argent à Aaron et à

ses fils, pour le rachat de ceux qui dépassent le nombre des Lévites. Moïse prit l'argent pour le rachat 49
de ceux qui dépassaient le nombre des rachetés par les Lévites ; il prit l'argent des premiers-nés des 50
enfants d'Israël : mille trois cent soixante -cinq sicles, selon le sicle du sanctuaire. Et Moïse donna 51
l'argent du rachat à Aaron et à ses fils, sur l'ordre de l'Éternel, en se conformant à l'ordre que l'Éternel
avait donné à Moïse.

L'Éternel parla à Moïse et à Aaron, et dit : Compte les fils de Kehath parmi les enfants de Lévi, **4**, 2
selon leurs familles, selon les maisons de leurs pères, depuis l'âge de trente ans et au-dessus jusqu'à 3
l'âge de cinquante ans, tous ceux qui sont propres à exercer quelque fonction dans la tente d'assigna-
tion. Voici les fonctions des fils de Kehath, dans la tente d'assignation : elles concernent le lieu très 4
saint. Au départ du camp, Aaron et ses fils viendront démonter le voile, et ils en couvriront l'arche du 5
témoignage ; ils mettront dessus une couverture de peaux de dauphins, et ils étendront par-dessus un 6
drap entièrement d'étoffe bleue ; puis ils placeront les barres de l'arche. Ils étendront un drap bleu sur 7
la table des pains de proposition, et ils mettront dessus les plats, les coupes, les tasses et les calices pour
les libations ; le pain y sera toujours ; ils étendront sur ces choses un drap de cramoisi, et ils l'envelop- 8
peront d'une couverture de peaux de dauphins ; puis ils placeront les barres de la table. Ils prendront 9
un drap bleu, et ils couvriront le chandelier, ses lampes, ses mouchettes, ses vases à cendre et tous ses
vases à huile, destinés à son service ; ils le mettront, avec tous ses ustensiles, dans une couverture de 10
peaux de dauphins ; puis ils le placeront sur le brancard. Ils étendront un drap bleu sur l'autel d'or, et 11
ils l'envelopperont d'une couverture de peaux de dauphins ; puis ils placeront les barres de l'autel. Ils 12
prendront tous les ustensiles dont on se sert pour le service dans le sanctuaire, et ils les mettront dans
un drap bleu, et ils les envelopperont d'une couverture de peaux de dauphins ; puis ils les placeront
sur le brancard. Ils ôteront les cendres de l'autel, et ils étendront sur l'autel un drap de pourpre ; ils 13, 14
mettront dessus tous les ustensiles destinés à son service, les brasiers, les fourchettes, les pelles, les
bassins, tous les ustensiles de l'autel, et ils étendront par-dessus une couverture de peaux de dauphins ;
puis ils placeront les barres de l'autel. Après qu'Aaron et ses fils auront achevé de couvrir le sanctuaire 15
et tous les ustensiles du sanctuaire, les fils de Kehath viendront, au départ du camp, pour les porter ;
mais ils ne toucheront point les choses saintes, de peur qu'ils ne meurent. Telles sont les fonctions de
porteurs, imposées aux fils de Kehath dans la tente d'assignation. Éléazar, fils du sacrificateur Aaron, 16
aura sous sa surveillance l'huile du chandelier, le parfum odoriférant, l'offrande perpétuelle et l'huile
d'onction ; il aura sous sa surveillance tout le tabernacle et tout ce qu'il contient, le sanctuaire et ses
ustensiles. L'Éternel parla à Moïse et à Aaron, et dit : N'exposez point la race des familles des Ke- 17, 18
hathites à être retranchée du milieu des Lévites. Faites ceci pour eux, afin qu'ils vivent et qu'ils ne 19
meurent point, quand ils s'approcheront du lieu très saint : Aaron et ses fils viendront, et ils placeront
chacun d'eux à son service et à sa charge. Ils n'entreront point pour voir envelopper les choses saintes, 20
de peur qu'ils ne meurent. L'Éternel parla à Moïse, et dit : Compte aussi les fils de Guerschon, selon 21, 22
les maisons de leurs pères, selon leurs familles ; tu feras le dénombrement, depuis l'âge de trente ans et 23
au-dessus jusqu'à l'âge de cinquante ans, de tous ceux qui sont propres à exercer quelque fonction dans
la tente d'assignation. Voici les fonctions des familles des Guerschonites, le service qu'ils devront faire 24
et ce qu'ils devront porter. Ils porteront les tapis du tabernacle et la tente d'assignation, sa couverture 25
et la couverture de peaux de dauphins qui se met par-dessus, le rideau qui est à l'entrée de la tente d'as-
signation ; les toiles du parvis et le rideau de l'entrée de la porte du parvis, tout autour du tabernacle 26
et de l'autel, leurs cordages et tous les ustensiles qui en dépendent. Et ils feront tout le service qui s'y
rapporte. Dans leurs fonctions, les fils des Guerschonites seront sous les ordres d'Aaron et de ses fils, 27
pour tout ce qu'ils porteront et pour tout le service qu'ils devront faire ; vous remettrez à leurs soins
tout ce qu'ils ont à porter. Telles sont les fonctions des familles des fils des Guerschonites dans la tente 28
d'assignation, et ce qu'ils ont à garder sous la direction d'Ithamar, fils du sacrificateur Aaron. Tu feras 29
le dénombrement des fils de Merari, selon leurs familles, selon les maisons de leurs pères ; tu feras 30
le dénombrement, depuis l'âge de trente ans et au-dessus jusqu'à l'âge de cinquante ans, de tous ceux
qui sont propres à exercer quelque fonction dans la tente d'assignation. Voici ce qui est remis à leurs 31
soins et ce qu'ils ont à porter, pour toutes leurs fonctions dans la tente d'assignation : les planches du
tabernacle, ses barres, ses colonnes, ses bases, les colonnes du parvis formant l'enceinte, leurs bases, 32
leurs pieux, leurs cordages, tous les ustensiles qui en dépendent et tout ce qui est destiné à leur service.
Vous désignerez par leurs noms les objets qui sont remis à leurs soins et qu'ils ont à porter. Telles 33
sont les fonctions des familles des fils de Merari, toutes leurs fonctions dans la tente d'assignation, sous
la direction d'Ithamar, fils du sacrificateur Aaron. Moïse, Aaron et les princes de l'assemblée firent 34
le dénombrement des fils des Kehathites, selon leurs familles et selon les maisons de leurs pères, de 35
tous ceux qui, depuis l'âge de trente ans et au-dessus jusqu'à l'âge de cinquante ans, étaient propres
à exercer quelque fonction dans la tente d'assignation. Ceux dont ils firent le dénombrement, selon 36
leurs familles, furent deux mille sept cent cinquante. Tels sont ceux des familles des Kehathites dont 37

on fit le dénombrement, tous ceux qui exerçaient des fonctions dans la tente d'assignation ; Moïse et
38 Aaron en firent le dénombrement sur l'ordre de l'Éternel par Moïse. Les fils de Guerschon dont on fit
39 le dénombrement, selon leurs familles et selon les maisons de leurs pères, depuis l'âge de trente ans
et au-dessus jusqu'à l'âge de cinquante ans, tous ceux qui étaient propres à exercer quelque fonction
40 dans la tente d'assignation, ceux dont on fit le dénombrement, selon leurs familles, selon les maisons
41 de leurs pères, furent deux mille six cent trente. Tels sont ceux des familles des fils de Guerschon dont
on fit le dénombrement, tous ceux qui exerçaient des fonctions dans la tente d'assignation ; Moïse et
42 Aaron en firent le dénombrement sur l'ordre de l'Éternel. Ceux des familles des fils de Merari dont on
43 fit le dénombrement, selon leurs familles, selon les maisons de leurs pères, depuis l'âge de trente ans
et au-dessus jusqu'à l'âge de cinquante ans, tous ceux qui étaient propres à exercer quelque fonction
44 dans la tente d'assignation, ceux dont on fit le dénombrement, selon leurs familles, furent trois mille
45 deux cents. Tels sont ceux des familles des fils de Merari dont on fit le dénombrement ; Moïse et Aaron
46 en firent le dénombrement sur l'ordre de l'Éternel par Moïse. Tous ceux des Lévites dont Moïse, Aaron
et les princes d'Israël firent le dénombrement, selon leurs familles et selon les maisons de leurs pères,
47 depuis l'âge de trente ans et au-dessus jusqu'à l'âge de cinquante ans, tous ceux qui étaient propres
48 à exercer quelque fonction et à servir de porteurs dans la tente d'assignation, tous ceux dont on fit
49 le dénombrement furent huit mille cinq cent quatre-vingts. On en fit le dénombrement sur l'ordre de
l'Éternel par Moïse, en indiquant à chacun le service qu'il devait faire et ce qu'il devait porter ; on en fit
le dénombrement selon l'ordre que l'Éternel avait donné à Moïse.

5, 2 L'Éternel parla à Moïse, et dit : Ordonne aux enfants d'Israël de renvoyer du camp tout lépreux, et
3 quiconque a une gonorrhée ou est souillé par un mort. Hommes ou femmes, vous les renverrez, vous
4 les renverrez hors du camp, afin qu'ils ne souillent pas le camp au milieu duquel j'ai ma demeure. Les
enfants d'Israël firent ainsi, et ils les renvoyèrent hors du camp ; comme l'Éternel l'avait ordonné à
5, 6 Moïse, ainsi firent les enfants d'Israël. L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël :
Lorsqu'un homme ou une femme péchera contre son prochain en commettant une infidélité à l'égard
7 de l'Éternel, et qu'il se rendra ainsi coupable, il confessera son péché, et il restituera dans son entier
l'objet mal acquis, en y ajoutant un cinquième ; il le remettra à celui envers qui il s'est rendu coupable.
8 S'il n'y a personne qui ait droit à la restitution de l'objet mal acquis, cet objet revient à l'Éternel, au
9 sacrificateur, outre le bélier expiatoire avec lequel on fera l'expiation pour le coupable. Toute offrande
de choses consacrées par les enfants d'Israël appartiendra au sacrificateur à qui elles seront présentées.
10, 11 Les choses qu'on aura consacrées lui appartiendront, ce qu'on lui aura remis lui appartiendra. L'Éter-
12 nel parla à Moïse, et dit : Parle aux enfants d'Israël, et tu leur diras : Si une femme se détourne de
13 son mari, et lui devient infidèle ; si un autre a commerce avec elle, et que la chose soit cachée aux yeux
de son mari ; si elle s'est souillée en secret, sans qu'il y ait de témoin contre elle, et sans qu'elle ait été
14 prise sur le fait ; - et si le mari est saisi d'un esprit de jalousie et a des soupçons sur sa femme, qui s'est
souillée, ou bien s'il est saisi d'un esprit de jalousie et a des soupçons sur sa femme, qui ne s'est point
15 souillée ; - cet homme amènera sa femme au sacrificateur, et apportera en offrande pour elle un dixième
d'épha de farine d'orge ; il n'y répandra point d'huile, et n'y mettra point d'encens, car c'est une offrande
16 de jalousie, une offrande de souvenir, qui rappelle une iniquité. Le sacrificateur la fera approcher, et
17 la fera tenir debout devant l'Éternel. Le sacrificateur prendra de l'eau sainte dans un vase de terre ; il
18 prendra de la poussière sur le sol du tabernacle, et la mettra dans l'eau. Le sacrificateur fera tenir la
femme debout devant l'Éternel ; il découvrira la tête de la femme, et lui posera sur les mains l'offrande
de souvenir, l'offrande de jalousie ; le sacrificateur aura dans sa main les eaux amères qui apportent la
19 malédiction. Le sacrificateur fera jurer la femme, et lui dira : Si aucun homme n'a couché avec toi, et si,
étant sous la puissance de ton mari, tu ne t'en es point détournée pour te souiller, ces eaux amères qui
20 apportent la malédiction ne te seront point funestes. Mais si, étant sous la puissance de ton mari, tu
21 t'en es détournée et que tu te sois souillée, et si un autre homme que ton mari a couché avec toi, - et le
sacrificateur fera jurer la femme avec un serment d'imprécation, et lui dira : -Que l'Éternel te livre à la
malédiction et à l'exécration au milieu de ton peuple, en faisant dessécher ta cuisse et enfler ton ventre,
22 et que ces eaux qui apportent la malédiction entrent dans tes entrailles pour te faire enfler le ventre et
23 dessécher la cuisse ! Et la femme dira : Amen ! Amen ! Le sacrificateur écrira ces imprécations dans un
24 livre, puis les effacera avec les eaux amères. Et il fera boire à la femme les eaux amères qui apportent
25 la malédiction, et les eaux qui apportent la malédiction entreront en elle pour produire l'amertume. Le
sacrificateur prendra des mains de la femme l'offrande de jalousie, il agitera l'offrande de côté et d'autre
26 devant l'Éternel, et il l'offrira sur l'autel ; le sacrificateur prendra une poignée de cette offrande comme
27 souvenir, et il la brûlera sur l'autel. C'est après cela qu'il fera boire les eaux à la femme. Quand il
aura fait boire les eaux, il arrivera, si elle s'est souillée et a été infidèle à son mari, que les eaux qui

apportent la malédiction entreront en elle pour produire l'amertume ; son ventre s'enflera, sa cuisse se
desséchera, et cette femme sera en malédiction au milieu de son peuple. Mais si la femme ne s'est 28
point souillée et qu'elle soit pure, elle sera reconnue innocente et aura des enfants. Telle est la loi sur 29
la jalousie, pour le cas où une femme sous la puissance de son mari se détourne et se souille, et pour le 30
cas où un mari saisi d'un esprit de jalousie a des soupçons sur sa femme : le sacrificateur la fera tenir
debout devant l'Éternel, et lui appliquera cette loi dans son entier. Le mari sera exempt de faute, mais 31
la femme portera la peine de son iniquité.

L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et tu leur diras : Lorsqu'un homme **6**, 2
ou une femme se séparera des autres en faisant voeu de naziréat, pour se consacrer à l'Éternel, il 3
s'abstiendra de vin et de boisson enivrante ; il ne boira ni vinaigre fait avec du vin, ni vinaigre fait avec
une boisson enivrante ; il ne boira d'aucune liqueur tirée des raisins, et il ne mangera point de raisins
frais ni de raisins secs. Pendant tout le temps de son naziréat, il ne mangera rien de ce qui provient de 4
la vigne, depuis les pépins jusqu'à la peau du raisin. Pendant tout le temps de son naziréat, le rasoir ne 5
passera point sur sa tête ; jusqu'à l'accomplissement des jours pour lesquels il s'est consacré à l'Éternel,
il sera saint, il laissera croître librement ses cheveux. Pendant tout le temps qu'il a voué à l'Éternel, il 6
ne s'approchera point d'une personne morte ; il ne se souillera point à la mort de son père, de sa mère, 7
de son frère ou de sa soeur, car il porte sur sa tête la consécration de son Dieu. Pendant tout le temps 8
de son naziréat, il sera consacré à l'Éternel. Si quelqu'un meurt subitement près de lui, et que sa tête 9
consacrée devienne ainsi souillée, il se rasera la tête le jour de sa purification, il se la rasera le septième
jour. Le huitième jour, il apportera au sacrificateur deux tourterelles ou deux jeunes pigeons, à l'entrée 10
de la tente d'assignation. Le sacrificateur sacrifiera l'un comme victime expiatoire, et l'autre comme 11
holocauste, et il fera pour lui l'expiation de son péché à l'occasion du mort. Le naziréen sanctifiera
ainsi sa tête ce jour -là Il consacrera de nouveau à l'Éternel les jours de son naziréat, et il offrira un 12
agneau d'un an en sacrifice de culpabilité ; les jours précédents ne seront point comptés, parce que son
naziréat a été souillé. Voici la loi du naziréen. Le jour où il aura accompli le temps de son naziréat, 13
on le fera venir à l'entrée de la tente d'assignation. Il présentera son offrande à l'Éternel : un agneau 14
d'un an et sans défaut pour l'holocauste, une brebis d'un an et sans défaut pour le sacrifice d'expiation,
et un bélier sans défaut pour le sacrifice d'actions de grâces ; une corbeille de pains sans levain, de 15
gâteaux de fleur de farine pétris à l'huile, et de galettes sans levain arrosées d'huile, avec l'offrande et
la libation ordinaires. Le sacrificateur présentera ces choses devant l'Éternel, et il offrira sa victime 16
expiatoire et son holocauste ; il offrira le bélier en sacrifice d'actions de grâces à l'Éternel, outre la 17
corbeille de pains sans levain, avec l'offrande et la libation. Le naziréen rasera, à l'entrée de la tente 18
d'assignation, sa tête consacrée ; il prendra les cheveux de sa tête consacrée, et il les mettra sur le feu
qui est sous le sacrifice d'actions de grâces. Le sacrificateur prendra l'épaule cuite du bélier, un gâteau 19
sans levain de la corbeille, et une galette sans levain ; et il les posera sur les mains du naziréen, après
qu'il aura rasé sa tête consacrée. Le sacrificateur les agitera de côté et d'autre devant l'Éternel : c'est 20
une chose sainte, qui appartient au sacrificateur, avec la poitrine agitée et l'épaule offerte par élévation.
Ensuite, le naziréen pourra boire du vin. Telle est la loi pour celui qui fait voeu de naziréat ; telle est 21
son offrande à l'Éternel pour son naziréat, outre ce que lui permettront ses ressources. Il accomplira ce
qui est ordonné pour le voeu qu'il a fait, selon la loi de son naziréat. L'Éternel parla à Moïse, et dit : 22
Parle à Aaron et à ses fils, et dis : Vous bénirez ainsi les enfants d'Israël, vous leur direz : Que l'Éternel 23, 24
te bénisse, et qu'il te garde ! Que l'Éternel fasse luire sa face sur toi, et qu'il t'accorde sa grâce ! Que 25, 26
l'Éternel tourne sa face vers toi, et qu'il te donne la paix ! C'est ainsi qu'ils mettront mon nom sur les 27
enfants d'Israël, et je les bénirai.

Lorsque Moïse eut achevé de dresser le tabernacle, il l'oignit et le sanctifia avec tous ses ustensiles, **7**
de même que l'autel avec tous ses ustensiles ; il les oignit et les sanctifia. Alors les princes d'Israël, 2
chefs des maisons de leurs pères, présentèrent leur offrande : c'étaient les princes des tribus, ceux qui
avaient présidé au dénombrement. Ils amenèrent leur offrande devant l'Éternel : six chars en forme de 3
litières et douze boeufs, soit un char pour deux princes et un boeuf pour chaque prince ; et ils les offrirent
devant le tabernacle. L'Éternel parla à Moïse, et dit : Prends d'eux ces choses, afin de les employer 4, 5
pour le service de la tente d'assignation ; tu les donneras aux Lévites, à chacun selon ses fonctions.
Moïse prit les chars et les boeufs, et il les remit aux Lévites. Il donna deux chars et quatre boeufs aux 6, 7
fils de Guerschon, selon leurs fonctions ; il donna quatre chars et huit boeufs aux fils de Merari, selon 8
leurs fonctions, sous la conduite d'Ithamar, fils du sacrificateur Aaron. Mais il n'en donna point aux 9
fils de Kehath, parce que, selon leurs fonctions, ils devaient porter les choses saintes sur les épaules.
Les princes présentèrent leur offrande pour la dédicace de l'autel, le jour où on l'oignit ; les princes pré- 10
sentèrent leur offrande devant l'autel. L'Éternel dit à Moïse : Les princes viendront un à un, et à des 11

jours différents, présenter leur offrande pour la dédicace de l'autel. Celui qui présenta son offrande
le premier jour fut Nachschon, fils d'Amminadab, de la tribu de Juda. Il offrit : un plat d'argent du
poids de cent trente sicles, un bassin d'argent de soixante-dix sicles, selon le sicle du sanctuaire, tous
deux pleins de fleur de farine pétrie à l'huile, pour l'offrande ; une coupe d'or de dix sicles, pleine de
parfum ; un jeune taureau, un bélier, un agneau d'un an, pour l'holocauste ; un bouc, pour le sacrifice
d'expiation ; et, pour le sacrifice d'actions de grâces, deux boeufs, cinq béliers, cinq boucs, cinq agneaux
d'un an. Telle fut l'offrande de Nachschon, fils d'Amminadab. Le second jour, Nethaneel, fils de Tsuar,
prince d'Issacar, présenta son offrande. Il offrit : un plat d'argent du poids de cent trente sicles, un
bassin d'argent de soixante-dix sicles, selon le sicle du sanctuaire, tous deux pleins de fleur de farine
pétrie à l'huile, pour l'offrande ; une coupe d'or de dix sicles, pleine de parfum ; un jeune taureau, un
bélier, un agneau d'un an, pour l'holocauste ; un bouc, pour le sacrifice d'expiation ; et, pour le sacrifice
d'actions de grâces, deux boeufs, cinq béliers, cinq boucs, cinq agneaux d'un an. Telle fut l'offrande de
Nethaneel, fils de Tsuar. Le troisième jour, le prince des fils de Zabulon, Éliab, fils de Hélon, offrit :
un plat d'argent du poids de cent trente sicles, un bassin d'argent de soixante-dix sicles, selon le sicle
du sanctuaire, tous deux pleins de fleur de farine pétrie à l'huile, pour l'offrande ; une coupe d'or de dix
sicles, pleine de parfum ; un jeune taureau, un bélier, un agneau d'un an, pour l'holocauste ; un bouc,
pour le sacrifice d'expiation ; et, pour le sacrifice d'actions de grâces, deux boeufs, cinq béliers, cinq
boucs, cinq agneaux d'un an. Telle fut l'offrande d'Éliab, fils de Hélon. Le quatrième jour, le prince des
fils de Ruben, Élitsur, fils de Schedéur, offrit : un plat d'argent du poids de cent trente sicles, un bassin
d'argent de soixante-dix sicles, selon le sicle du sanctuaire, tous deux pleins de fleur de farine pétrie à
l'huile, pour l'offrande ; une coupe d'or de dix sicles, pleine de parfum ; un jeune taureau, un bélier, un
agneau d'un an, pour l'holocauste ; un bouc, pour le sacrifice d'expiation ; et, pour le sacrifice d'actions
de grâces, deux boeufs, cinq béliers, cinq boucs, cinq agneaux d'un an. Telle fut l'offrande d'Élitsur, fils
de Schedéur. Le cinquième jour, le prince des fils de Siméon, Schelumiel, fils de Tsurischaddaï, offrit :
un plat d'argent du poids de cent trente sicles, un bassin d'argent de soixante-dix sicles, selon le sicle
du sanctuaire, tous deux pleins de fleur de farine pétrie à l'huile, pour l'offrande ; une coupe d'or de dix
sicles, pleine de parfum ; un jeune taureau, un bélier, un agneau d'un an, pour l'holocauste ; un bouc,
pour le sacrifice d'expiation ; et, pour le sacrifice d'actions de grâces, deux boeufs, cinq béliers, cinq
boucs, cinq agneaux d'un an. Telle fut l'offrande de Schelumiel, fils de Tsurischaddaï. Le sixième jour,
le prince des fils de Gad, Éliasaph, fils de Déuel, offrit : un plat d'argent du poids de cent trente sicles,
un bassin d'argent de soixante-dix sicles, selon le sicle du sanctuaire, tous deux pleins de fleur de farine
pétrie à l'huile, pour l'offrande ; une coupe d'or de dix sicles, pleine de parfum ; un jeune taureau, un
bélier, un agneau d'un an, pour l'holocauste ; un bouc, pour le sacrifice d'expiation ; et, pour le sacri-
fice d'actions de grâces, deux boeufs, cinq béliers, cinq boucs, cinq agneaux d'un an. Telle fut l'offrande
d'Éliasaph, fils de Déuel. Le septième jour, le prince des fils d'Éphraïm, Élischama, fils d'Ammihud,
offrit : un plat d'argent du poids de cent trente sicles, un bassin d'argent de soixante-dix sicles, selon le
sicle du sanctuaire, tous deux pleins de fleur de farine pétrie à l'huile, pour l'offrande ; une coupe d'or
de dix sicles, pleine de parfum ; un jeune taureau, un bélier, un agneau d'un an, pour l'holocauste ; un
bouc, pour le sacrifice d'expiation ; et, pour le sacrifice d'actions de grâces, deux boeufs, cinq béliers,
cinq boucs, cinq agneaux d'un an. Telle fut l'offrande d'Élischama, fils d'Ammihud. Le huitième jour,
le prince des fils de Manassé, Gamliel, fils de Pedahtsur, offrit : un plat d'argent du poids de cent
trente sicles, un bassin d'argent de soixante-dix sicles, selon le sicle du sanctuaire, tous deux pleins
de fleur de farine pétrie à l'huile, pour l'offrande ; une coupe d'or de dix sicles, pleine de parfum ; un
jeune taureau, un bélier, un agneau d'un an, pour l'holocauste ; un bouc, pour le sacrifice d'expiation ;
et, pour le sacrifice d'actions de grâces, deux boeufs, cinq béliers, cinq boucs, cinq agneaux d'un an.
Telle fut l'offrande de Gamliel, fils de Pedahtsur. Le neuvième jour, le prince des fils de Benjamin,
Abidan, fils de Guideoni, offrit : un plat d'argent du poids de cent trente sicles, un bassin d'argent de
soixante-dix sicles, selon le sicle du sanctuaire, tous deux pleins de fleur de farine pétrie à l'huile, pour
l'offrande ; une coupe d'or de dix sicles, pleine de parfum ; un jeune taureau, un bélier, un agneau d'un
an, pour l'holocauste ; un bouc, pour le sacrifice d'expiation ; et, pour le sacrifice d'actions de grâces,
deux boeufs, cinq béliers, cinq boucs, cinq agneaux d'un an. Telle fut l'offrande d'Abidan, fils de Gui-
deoni. Le dixième jour, le prince des fils de Dan, Ahiézer, fils d'Ammischaddaï, offrit : un plat d'argent
du poids de cent trente sicles, un bassin d'argent de soixante-dix sicles, selon le sicle du sanctuaire,
tous deux pleins de fleur de farine pétrie à l'huile, pour l'offrande ; une coupe d'or de dix sicles, pleine
de parfum ; un jeune taureau, un bélier, un agneau d'un an, pour l'holocauste ; un bouc, pour le sa-
crifice d'expiation ; et, pour le sacrifice d'actions de grâces, deux boeufs, cinq béliers, cinq boucs, cinq
agneaux d'un an. Telle fut l'offrande d'Ahiézer, fils d'Ammischaddaï. Le onzième jour, le prince des fils
d'Aser, Paguiel fils d'Ocran, offrit : un plat d'argent du poids de cent trente sicles, un bassin d'argent de

soixante-dix sicles, selon le sicle du sanctuaire, tous deux pleins de fleur de farine pétrie à l'huile, pour
l'offrande ; une coupe d'or de dix sicles, pleine de parfum ; un jeune taureau, un bélier, un agneau d'un 74, 75
an, pour l'holocauste ; un bouc, pour le sacrifice d'expiation ; et, pour le sacrifice d'actions de grâces, 76, 77
deux boeufs, cinq béliers, cinq boucs, cinq agneaux d'un an. Telle fut l'offrande de Paguiel, fils d'Ocran.
Le douzième jour, le prince des fils de Nephthali, Ahira, fils d'Énan, offrit : un plat d'argent du poids de 78, 79
cent trente sicles, un bassin d'argent de soixante-dix sicles selon le sicle du sanctuaire, tous deux pleins
de fleur de farine pétrie à l'huile, pour l'offrande ; une coupe d'or de dix sicles, pleine de parfum ; un 80, 81
jeune taureau, un bélier, un agneau d'un an, pour l'holocauste ; un bouc, pour le sacrifice d'expiation ; 82
et, pour le sacrifice d'actions de grâces, deux boeufs, cinq béliers, cinq boucs, cinq agneaux d'un an. Telle 83
fut l'offrande d'Ahira, fils d'Énan. Tels furent les dons des princes d'Israël pour la dédicace de l'autel, 84
le jour où on l'oignit. Douze plats d'argent, douze bassins d'argent, douze coupes d'or ; chaque plat 85
d'argent pesait cent trente sicles, et chaque bassin soixante-dix, ce qui fit pour l'argent de ces ustensiles
un total de deux mille quatre cents sicles, selon le sicle du sanctuaire ; les douze coupes d'or pleines 86
de parfum, à dix sicles la coupe, selon le sicle du sanctuaire, firent pour l'or des coupes un total de cent
vingt sicles. Total des animaux pour l'holocauste : douze taureaux, douze béliers, douze agneaux d'un 87
an, avec les offrandes ordinaires. Douze boucs, pour le sacrifice d'expiation. Total des animaux pour le 88
sacrifice d'actions de grâces : vingt -quatre boeufs, soixante béliers, soixante boucs, soixante agneaux
d'un an. Tels furent les dons pour la dédicace de l'autel, après qu'on l'eut oint. Lorsque Moïse entrait 89
dans la tente d'assignation pour parler avec l'Éternel, il entendait la voix qui lui parlait du haut du
propitiatoire placé sur l'arche du témoignage, entre les deux chérubins. Et il parlait avec l'Éternel.

L'Éternel parla à Moïse, et dit : Parle à Aaron, et tu lui diras : Lorsque tu placeras les lampes sur le **8**, 2
chandelier, les sept lampes devront éclairer en face. Aaron fit ainsi ; il plaça les lampes sur le devant du 3
chandelier, comme l'Éternel l'avait ordonné à Moïse. Le chandelier était d'or battu ; jusqu'à son pied, 4
jusqu'à ses fleurs, il était d'or battu ; Moïse avait fait le chandelier d'après le modèle que l'Éternel lui
avait montré. L'Éternel parla à Moïse, et dit : Prends les Lévites du milieu des enfants d'Israël, et 5, 6
purifie -les. Voici comment tu les purifieras. Fais sur eux une aspersion d'eau expiatoire ; qu'ils fassent 7
passer le rasoir sur tout leur corps, qu'ils lavent leurs vêtements, et qu'ils se purifient. Ils prendront 8
ensuite un jeune taureau, avec l'offrande ordinaire de fleur de farine pétrie à l'huile ; et tu prendras
un autre jeune taureau pour le sacrifice d'expiation. Tu feras approcher les Lévites devant la tente 9
d'assignation, et tu convoqueras toute l'assemblée des enfants d'Israël. Tu feras approcher les Lévites 10
devant l'Éternel ; et les enfants d'Israël poseront leurs mains sur les Lévites. Aaron fera tourner de 11
côté et d'autre les Lévites devant l'Éternel, comme une offrande de la part des enfants d'Israël ; et ils
seront consacrés au service de l'Éternel. Les Lévites poseront leurs mains sur la tête des taureaux ; et 12
tu offriras l'un en sacrifice d'expiation, et l'autre en holocauste, afin de faire l'expiation pour les Lévites.
Tu feras tenir les Lévites debout devant Aaron et devant ses fils, et tu les feras tourner de côté et 13
d'autre comme une offrande à l'Éternel. Tu sépareras les Lévites du milieu des enfants d'Israël ; et les 14
Lévites m'appartiendront. Après cela, les Lévites viendront faire le service dans la tente d'assignation. 15
C'est ainsi que tu les purifieras, et que tu les feras tourner de côté et d'autre comme une offrande. Car 16
ils me sont entièrement donnés du milieu des enfants d'Israël : je les ai pris pour moi à la place des
premiers-nés, de tous les premiers-nés des enfants d'Israël. Car tout premier-né des enfants d'Israël 17
m'appartient, tant des hommes que des animaux ; le jour où j'ai frappé tous les premiers-nés dans le
pays d'Égypte, je me les suis consacrés. Et j'ai pris les Lévites à la place de tous les premiers-nés 18
des enfants d'Israël. J'ai donné les Lévites entièrement à Aaron et à ses fils, du milieu des enfants 19
d'Israël, pour qu'ils fassent le service des enfants d'Israël dans la tente d'assignation, pour qu'ils fassent
l'expiation pour les enfants d'Israël, et pour que les enfants d'Israël ne soient frappés d'aucune plaie,
en s'approchant du sanctuaire. Moïse, Aaron et toute l'assemblée des enfants d'Israël, firent à l'égard 20
des Lévites tout ce que l'Éternel avait ordonné à Moïse touchant les Lévites ; ainsi firent à leur égard
les enfants d'Israël. Les Lévites se purifièrent, et lavèrent leurs vêtements ; Aaron les fit tourner de 21
côté et d'autre comme une offrande devant l'Éternel, et il fit l'expiation pour eux, afin de les purifier.
Après cela, les Lévites vinrent faire leur service dans la tente d'assignation, en présence d'Aaron et 22
de ses fils, selon ce que l'Éternel avait ordonné à Moïse touchant les Lévites ; ainsi fut-il fait à leur
égard. L'Éternel parla à Moïse, et dit : Voici ce qui concerne les Lévites. Depuis l'âge de vingt -cinq 23, 24
ans et au-dessus, tout Lévite entrera au service de la tente d'assignation pour y exercer une fonction.
Depuis l'âge de cinquante ans, il sortira de fonction, et ne servira plus. Il aidera ses frères dans la 25, 26
tente d'assignation, pour garder ce qui est remis à leurs soins ; mais il ne fera plus de service. Tu agiras
ainsi à l'égard des Lévites pour ce qui concerne leurs fonctions.

L'Éternel parla à Moïse, dans le désert de Sinaï, le premier mois de la seconde année après leur sortie **9**

2, 3 du pays d'Égypte. Il dit : Que les enfants d'Israël célèbrent la Pâque au temps fixé. Vous la célébrerez
au temps fixé, le quatorzième jour de ce mois, entre les deux soirs ; vous la célébrerez selon toutes les lois
4 et toutes les ordonnances qui s'y rapportent. Moïse parla aux enfants d'Israël, afin qu'ils célébrassent
5 la Pâque. Et ils célébrèrent la Pâque le quatorzième jour du premier mois, entre les deux soirs, dans
le désert de Sinaï ; les enfants d'Israël se conformèrent à tous les ordres que l'Éternel avait donnés à
6 Moïse. Il y eut des hommes qui, se trouvant impurs à cause d'un mort, ne pouvaient pas célébrer la
7 Pâque ce jour -là. Ils se présentèrent le même jour devant Moïse et Aaron ; et ces hommes dirent à
Moïse : Nous sommes impurs à cause d'un mort ; pourquoi serions-nous privés de présenter au temps
8 fixé l'offrande de l'Éternel au milieu des enfants d'Israël ? Moïse leur dit : Attendez que je sache ce que
9, 10 l'Éternel vous ordonne. Et l'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et dis -leur : Si
quelqu'un d'entre vous ou de vos descendants est impur à cause d'un mort, ou est en voyage dans le
11 lointain, il célébrera la Pâque en l'honneur de l'Éternel. C'est au second mois qu'ils la célébreront, le
quatorzième jour, entre les deux soirs ; ils la mangeront avec des pains sans levain et des herbes amères.
12 Ils n'en laisseront rien jusqu'au matin, et ils n'en briseront aucun os. Ils la célébreront selon toutes les
13 ordonnances de la Pâque. Si celui qui est pur et qui n'est pas en voyage s'abstient de célébrer la Pâque,
celui -là sera retranché de son peuple ; parce qu'il n'a pas présenté l'offrande de l'Éternel au temps fixé,
14 cet homme -là portera la peine de son péché. Si un étranger en séjour chez vous célèbre la Pâque de
l'Éternel, il se conformera aux lois et aux ordonnances de la Pâque. Il y aura une même loi parmi vous,
15 pour l'étranger comme pour l'indigène. Le jour où le tabernacle fut dressé, la nuée couvrit le tabernacle,
la tente d'assignation ; et, depuis le soir jusqu'au matin, elle eut sur le tabernacle l'apparence d'un feu.
16 Il en fut continuellement ainsi : la nuée couvrait le tabernacle, et elle avait de nuit l'apparence d'un
17 feu. Quand la nuée s'élevait de dessus la tente, les enfants d'Israël partaient ; et les enfants d'Israël
18 campaient dans le lieu où s'arrêtait la nuée. Les enfants d'Israël partaient sur l'ordre de l'Éternel, et ils
campaient sur l'ordre de l'Éternel ; ils campaient aussi longtemps que la nuée restait sur le tabernacle.
19 Quand la nuée restait longtemps sur le tabernacle, les enfants d'Israël obéissaient au commandement
20 de l'Éternel, et ne partaient point. Quand la nuée restait peu de jours sur le tabernacle, ils campaient
21 sur l'ordre de l'Éternel, et ils partaient sur l'ordre de l'Éternel. Si la nuée s'arrêtait du soir au matin, et
22 s 'élevait le matin, ils partaient. Si la nuée s'élevait après un jour et une nuit, ils partaient. Si la nuée
s'arrêtait sur le tabernacle deux jours, ou un mois, ou une année, les enfants d'Israël restaient campés,
23 et ne partaient point ; et quand elle s'élevait, ils partaient. Ils campaient sur l'ordre de l'Éternel, et ils
partaient sur l'ordre de l'Éternel ; ils obéissaient au commandement de l'Éternel, sur l'ordre de l'Éternel
par Moïse.

10, 2 L'Éternel parla à Moïse, et dit : Fais -toi deux trompettes d'argent ; tu les feras d'argent battu. Elles
3 te serviront pour la convocation de l'assemblée et pour le départ des camps. Quand on en sonnera, toute
4 l'assemblée se réunira auprès de toi, à l'entrée de la tente d'assignation. Si l'on ne sonne que d'une
5 trompette, les princes, les chefs des milliers d'Israël, se réuniront auprès de toi. Quand vous sonnerez
6 avec éclat, ceux qui campent à l'orient partiront ; quand vous sonnerez avec éclat pour la seconde fois,
7 ceux qui campent au midi partiront : on sonnera avec éclat pour leur départ. Vous sonnerez aussi
8 pour convoquer l'assemblée, mais vous ne sonnerez pas avec éclat. Les fils d'Aaron, les sacrificateurs,
9 sonneront des trompettes. Ce sera une loi perpétuelle pour vous et pour vos descendants. Lorsque, dans
votre pays, vous irez à la guerre contre l'ennemi qui vous combattra, vous sonnerez des trompettes avec
éclat, et vous serez présents au souvenir de l'Éternel, votre Dieu, et vous serez délivrés de vos ennemis.
10 Dans vos jours de joie, dans vos fêtes, et à vos nouvelles lunes, vous sonnerez des trompettes, en offrant
vos holocaustes et vos sacrifices d'actions de grâces, et elles vous mettront en souvenir devant votre
11 Dieu. Je suis l'Éternel, votre Dieu. Le vingtième jour du second mois de la seconde année, la nuée
12 s'éleva de dessus le tabernacle du témoignage. Et les enfants d'Israël partirent du désert de Sinaï,
13 selon l'ordre fixé pour leur marche. La nuée s'arrêta dans le désert de Paran. Ils firent ce premier
14 départ sur l'ordre de l'Éternel par Moïse. La bannière du camp des fils de Juda partit la première,
avec ses corps d'armée. Le corps d'armée de Juda était commandé par Nachschon, fils d'Amminadab ;
15, 16 le corps d'armée de la tribu des fils d'Issacar, par Nethaneel, fils de Tsuar ; le corps d'armée de la tribu
17 des fils de Zabulon, par Éliab, fils de Hélon. Le tabernacle fut démonté ; et les fils de Guerschon et les
18 fils de Merari partirent, portant le tabernacle. La bannière du camp de Ruben partit, avec ses corps
19 d'armée. Le corps d'armée de Ruben était commandé par Élitsur, fils de Schedéur ; le corps d'armée de
20 la tribu des fils de Siméon, par Schelumiel, fils de Tsurischaddaï ; le corps d'armée de la tribu des fils
21 de Gad, par Éliasaph, fils de Déuel. Les Kehathites partirent, portant le sanctuaire ; et l'on dressait
22 le tabernacle en attendant leur arrivée. La bannière du camp des fils d'Éphraïm partit, avec ses corps

d'armée. Le corps d'armée d'Éphraïm était commandé par Élischama, fils d'Ammihud ; le corps d'armée 23
de la tribu des fils de Manassé, par Gamliel, fils de Pedahtsur ; le corps d'armée de la tribu des fils de 24
Benjamin, par Abidan, fils de Guideoni. La bannière du camp des fils de Dan partit, avec ses corps 25
d'armée : elle formait l'arrière-garde de tous les camps. Le corps d'armée de Dan était commandé par
Ahiézer, fils d'Ammischaddaï ; le corps d'armée de la tribu des fils d'Aser, par Paguiel, fils d'Ocran ; le 26, 27
corps d'armée de la tribu des fils de Nephthali, par Ahira, fils d'Énan. Tel fut l'ordre d'après lequel les 28
enfants d'Israël se mirent en marche selon leurs corps d'armée ; et c'est ainsi qu'ils partirent. Moïse 29
dit à Hobab, fils de Réuel, le Madianite, beau-père de Moïse : Nous partons pour le lieu dont l'Éternel
a dit : Je vous le donnerai. Viens avec nous, et nous te ferons du bien, car l'Éternel a promis de faire
du bien à Israël. Hobab lui répondit : Je n'irai point ; mais j'irai dans mon pays et dans ma patrie. Et 30, 31
Moïse dit : Ne nous quitte pas, je te prie ; puisque tu connais les lieux où nous campons dans le désert,
tu nous serviras de guide. Et si tu viens avec nous, nous te ferons jouir du bien que l'Éternel nous fera. 32
Ils partirent de la montagne de l'Éternel, et marchèrent trois jours ; l'arche de l'alliance de l'Éternel 33
partit devant eux, et fit une marche de trois jours, pour leur chercher un lieu de repos. La nuée de 34
l'Éternel était au-dessus d'eux pendant le jour, lorsqu'ils partaient du camp. Quand l'arche partait, 35
Moïse disait : Lève -toi, Éternel ! et que tes ennemis soient dispersés ! que ceux qui te haïssent fuient
devant ta face ! Et quand on la posait, il disait : Reviens, Éternel, aux myriades des milliers d'Israël ! 36

Le peuple murmura et cela déplut aux oreilles de l'Éternel. Lorsque l'Éternel l'entendit, sa colère **11**
s'enflamma ; le feu de l'Éternel s'alluma parmi eux, et dévora l'extrémité du camp. Le peuple cria à 2
Moïse. Moïse pria l'Éternel, et le feu s'arrêta. On donna à ce lieu le nom de Tabeéra, parce que le feu 3
de l'Éternel s'était allumé parmi eux. Le ramassis de gens qui se trouvaient au milieu d'Israël fut saisi 4
de convoitise ; et même les enfants d'Israël recommencèrent à pleurer et dirent : Qui nous donnera de
la viande à manger ? Nous nous souvenons des poissons que nous mangions en Égypte, et qui ne nous 5
coûtaient rien, des concombres, des melons, des poireaux, des oignons et des aulx. Maintenant, notre 6
âme est desséchée : plus rien ! Nos yeux ne voient que de la manne. La manne ressemblait à de la 7
graine de coriandre, et avait l'apparence du bdellium. Le peuple se dispersait pour la ramasser ; il la 8
broyait avec des meules, ou la pilait dans un mortier ; il la cuisait au pot, et en faisait des gâteaux.
Elle avait le goût d'un gâteau à l'huile. Quand la rosée descendait la nuit sur le camp, la manne y 9
descendait aussi. Moïse entendit le peuple qui pleurait, chacun dans sa famille et à l'entrée de sa 10
tente. La colère de l'Éternel s'enflamma fortement. Moïse fut attristé, et il dit à l'Éternel : Pourquoi 11
affliges -tu ton serviteur, et pourquoi n'ai-je pas trouvé grâce à tes yeux, que tu aies mis sur moi la
charge de tout ce peuple ? Est-ce moi qui ai conçu ce peuple ? est-ce moi qui l'ai enfanté, pour que tu 12
me dises : Porte -le sur ton sein, comme le nourricier porte un enfant, jusqu'au pays que tu as juré à
ses pères de lui donner ? Où prendrai-je de la viande pour donner à tout ce peuple ? Car ils pleurent 13
auprès de moi, en disant : Donne -nous de la viande à manger ! Je ne puis pas, à moi seul, porter tout ce 14
peuple, car il est trop pesant pour moi. Plutôt que de me traiter ainsi, tue -moi, je te prie, si j'ai trouvé 15
grâce à tes yeux, et que je ne voie pas mon malheur. L'Éternel dit à Moïse : Assemble auprès de moi 16
soixante-dix hommes des anciens d'Israël, de ceux que tu connais comme anciens du peuple et ayant
autorité sur lui ; amène -les à la tente d'assignation, et qu'ils s'y présentent avec toi. Je descendrai, 17
et là je te parlerai ; je prendrai de l'esprit qui est sur toi, et je le mettrai sur eux, afin qu'ils portent
avec toi la charge du peuple, et que tu ne la portes pas à toi seul. Tu diras au peuple : Sanctifiez -vous 18
pour demain, et vous mangerez de la viande, puisque vous avez pleuré aux oreilles de l'Éternel, en
disant : Qui nous fera manger de la viande ? car nous étions bien en Égypte. L'Éternel vous donnera de
la viande, et vous en mangerez. Vous en mangerez non pas un jour, ni deux jours, ni cinq jours, ni dix 19
jours, ni vingt jours, mais un mois entier, jusqu'à ce qu'elle vous sorte par les narines et que vous en 20
ayez du dégoût, parce que vous avez rejeté l'Éternel qui est au milieu de vous, et parce que vous avez
pleuré devant lui, en disant : Pourquoi donc sommes-nous sortis d'Égypte ? Moïse dit : Six cent mille 21
hommes de pied forment le peuple au milieu duquel je suis, et tu dis : Je leur donnerai de la viande, et
ils en mangeront un mois entier ! Égorgera -t-on pour eux des brebis et des boeufs, en sorte qu'ils en 22
aient assez ? ou rassemblera -t-on pour eux tous les poissons de la mer, en sorte qu'ils en aient assez ?
L'Éternel répondit à Moïse : La main de l'Éternel serait-elle trop courte ? Tu verras maintenant si ce 23
que je t'ai dit arrivera ou non. Moïse sortit, et rapporta au peuple les paroles de l'Éternel. Il assembla 24
soixante-dix hommes des anciens du peuple, et les plaça autour de la tente. L'Éternel descendit dans 25
la nuée, et parla à Moïse ; il prit de l'esprit qui était sur lui, et le mit sur les soixante-dix anciens. Et
dès que l'esprit reposa sur eux, ils prophétisèrent ; mais ils ne continuèrent pas. Il y eut deux hommes, 26
l'un appelé Eldad, et l'autre Médad, qui étaient restés dans le camp, et sur lesquels l'esprit reposa ;

car ils étaient parmi les inscrits, quoiqu'ils ne fussent point allés à la tente ; et ils prophétisèrent dans
27 le camp. Un jeune garçon courut l'annoncer à Moïse, et dit : Eldad et Médad prophétisent dans le
28 camp. Et Josué, fils de Nun, serviteur de Moïse depuis sa jeunesse, prit la parole et dit : Moïse, mon
29 seigneur, empêche -les ! Moïse lui répondit : Es-tu jaloux pour moi ? Puisse tout le peuple de l'Éternel
30 être composé de prophètes ; et veuille l'Éternel mettre son esprit sur eux ! Et Moïse se retira au camp,
31 lui et les anciens d'Israël. L'Éternel fit souffler de la mer un vent, qui amena des cailles, et les répandit
sur le camp, environ une journée de chemin d'un côté et environ une journée de chemin de l'autre côté,
32 autour du camp. Il y en avait près de deux coudées au-dessus de la surface de la terre. Pendant tout ce
jour et toute la nuit, et pendant toute la journée du lendemain, le peuple se leva et ramassa les cailles ;
celui qui en avait ramassé le moins en avait dix homers. Ils les étendirent pour eux autour du camp.
33 Comme la chair était encore entre leurs dents sans être mâchée, la colère de l'Éternel s'enflamma contre
34 le peuple, et l'Éternel frappa le peuple d'une très grande plaie. On donna à ce lieu le nom de Kibroth-
35 Hattaava, parce qu'on y enterra le peuple que la convoitise avait saisi. De Kibroth-Hattaava le peuple
partit pour Hatséroth, et il s'arrêta à Hatséroth.

12 Marie et Aaron parlèrent contre Moïse au sujet de la femme éthiopienne qu'il avait prise, car il avait
2 pris une femme éthiopienne. Ils dirent : Est-ce seulement par Moïse que l'Éternel parle ? N'est-ce pas
3 aussi par nous qu'il parle ? Et l'Éternel l'entendit. Or, Moïse était un homme fort patient, plus qu'aucun
4 homme sur la face de la terre. Soudain l'Éternel dit à Moïse, à Aaron et à Marie : Allez, vous trois, à la
5 tente d'assignation. Et ils y allèrent tous les trois. L'Éternel descendit dans la colonne de nuée, et il se
6 tint à l'entrée de la tente. Il appela Aaron et Marie, qui s'avancèrent tous les deux. Et il dit : Écoutez
bien mes paroles ! Lorsqu'il y aura parmi vous un prophète, c'est dans une vision que moi, l'Éternel, je
7 me révélerai à lui, c'est dans un songe que je lui parlerai. Il n'en est pas ainsi de mon serviteur Moïse. Il
8 est fidèle dans toute ma maison. Je lui parle bouche à bouche, je me révèle à lui sans énigmes, et il voit
une représentation de l'Éternel. Pourquoi donc n'avez-vous pas craint de parler contre mon serviteur,
9, 10 contre Moïse ? La colère de l'Éternel s'enflamma contre eux. Et il s'en alla. La nuée se retira de dessus
la tente. Et voici, Marie était frappée d'une lèpre, blanche comme la neige. Aaron se tourna vers Marie ;
11 et voici, elle avait la lèpre. Alors Aaron dit à Moïse : De grâce, mon seigneur, ne nous fais pas porter la
12 peine du péché que nous avons commis en insensés, et dont nous nous sommes rendus coupables ! Oh !
qu'elle ne soit pas comme l'enfant mort-né, dont la chair est à moitié consumée quand il sort du sein de
13, 14 sa mère ! Moïse cria à l'Éternel, en disant : O Dieu, je te prie, guéris -la ! Et l'Éternel dit à Moïse : Si
son père lui avait craché au visage, ne serait-elle pas pendant sept jours un objet de honte ? Qu'elle soit
15 enfermée sept jours en dehors du camp ; après quoi, elle y sera reçue. Marie fut enfermée sept jours en
16 dehors du camp ; et le peuple ne partit point, jusqu'à ce que Marie y fût rentrée. Après cela, le peuple
partit de Hatséroth, et il campa dans le désert de Paran.

13, 2 L'Éternel parla à Moïse, et dit : Envoie des hommes pour explorer le pays de Canaan, que je donne
aux enfants d'Israël. Tu enverras un homme de chacune des tribus de leurs pères ; tous seront des
3 principaux d'entre eux. Moïse les envoya du désert de Paran, d'après l'ordre de l'Éternel ; tous ces
4 hommes étaient chefs des enfants d'Israël. Voici leurs noms. Pour la tribu de Ruben : Schammua,
5, 6 fils de Zaccur ; pour la tribu de Siméon : Schaphath, fils de Hori ; pour la tribu de Juda : Caleb, fils
7, 8 de Jephunné ; pour la tribu d'Issacar : Jigual, fils de Joseph ; pour la tribu d'Éphraïm : Hosée, fils
9, 10 de Nun ; pour la tribu de Benjamin : Palthi, fils de Raphu ; pour la tribu de Zabulon : Gaddiel, fils
11, 12 de Sodi ; pour la tribu de Joseph, la tribu de Manassé : Gaddi, fils de Susi ; pour la tribu de Dan :
13, 14 Ammiel, fils de Guemalli ; pour la tribu d'Aser : Sethur, fils de Micaël ; pour la tribu de Nephthali :
15, 16 Nachbi, fils de Vophsi ; pour la tribu de Gad : Guéuel, fils de Maki. Tels sont les noms des hommes
17 que Moïse envoya pour explorer le pays. Moïse donna à Hosée, fils de Nun, le nom de Josué. Moïse les
envoya pour explorer le pays de Canaan. Il leur dit : Montez ici, par le midi ; et vous monterez sur la
18 montagne. Vous verrez le pays, ce qu'il est, et le peuple qui l'habite, s'il est fort ou faible, s'il est en petit
19 ou en grand nombre ; ce qu'est le pays où il habite, s'il est bon ou mauvais ; ce que sont les villes où il
20 habite, si elles sont ouvertes ou fortifiées ; ce qu'est le terrain, s'il est gras ou maigre, s'il y a des arbres
ou s'il n'y en a point. Ayez bon courage, et prenez des fruits du pays. C'était le temps des premiers
21 raisins. Ils montèrent, et ils explorèrent le pays, depuis le désert de Tsin jusqu'à Rehob, sur le chemin
22 de Hamath. Ils montèrent, par le midi, et ils allèrent jusqu'à Hébron, où étaient Ahiman, Schéschaï et
23 Talmaï, enfants d'Anak. Hébron avait été bâtie sept ans avant Tsoan en Égypte. Ils arrivèrent jusqu'à
la vallée d'Eschcol, où ils coupèrent une branche de vigne avec une grappe de raisin, qu'ils portèrent à
24 deux au moyen d'une perche ; ils prirent aussi des grenades et des figues. On donna à ce lieu le nom
25 de vallée d'Eschcol, à cause de la grappe que les enfants d'Israël y coupèrent. Ils furent de retour de

l'exploration du pays au bout de quarante jours. À leur arrivée, ils se rendirent auprès de Moïse et 26
d'Aaron, et de toute l'assemblée des enfants d'Israël, à Kadès dans le désert de Paran. Ils leur firent un
rapport, ainsi qu'à toute l'assemblée, et ils leur montrèrent les fruits du pays. Voici ce qu'ils racontèrent 27
à Moïse : Nous sommes allés dans le pays où tu nous as envoyés. À la vérité, c'est un pays où coulent
le lait et le miel, et en voici les fruits. Mais le peuple qui habite ce pays est puissant, les villes sont 28
fortifiées, très grandes ; nous y avons vu des enfants d'Anak. Les Amalécites habitent la contrée du 29
midi ; les Héthiens, les Jébusiens et les Amoréens habitent la montagne ; et les Cananéens habitent
près de la mer et le long du Jourdain. Caleb fit taire le peuple, qui murmurait contre Moïse. Il dit : 30
Montons, emparons -nous du pays, nous y serons vainqueurs ! Mais les hommes qui y étaient allés avec 31
lui dirent : Nous ne pouvons pas monter contre ce peuple, car il est plus fort que nous. Et ils décrièrent 32
devant les enfants d'Israël le pays qu'ils avaient exploré. Ils dirent : Le pays que nous avons parcouru,
pour l'explorer, est un pays qui dévore ses habitants ; tous ceux que nous y avons vus sont des hommes
d'une haute taille ; et nous y avons vu les géants, enfants d'Anak, de la race des géants : nous étions à 33
nos yeux et aux leurs comme des sauterelles.

Toute l'assemblée éleva la voix et poussa des cris, et le peuple pleura pendant la nuit. Tous les en- **14**, 2
fants d'Israël murmurèrent contre Moïse et Aaron, et toute l'assemblée leur dit : Que ne sommes-nous
morts dans le pays d'Égypte, ou que ne sommes-nous morts dans ce désert ! Pourquoi l'Éternel nous 3
fait-il aller dans ce pays, où nous tomberons par l'épée, où nos femmes et nos petits enfants devien-
dront une proie ? Ne vaut-il pas mieux pour nous retourner en Égypte ? Et ils se dirent l'un à l'autre : 4
Nommons un chef, et retournons en Égypte. Moïse et Aaron tombèrent sur leur visage, en présence de 5
toute l'assemblée réunie des enfants d'Israël. Et, parmi ceux qui avaient exploré le pays, Josué, fils de 6
Nun, et Caleb, fils de Jephunné, déchirèrent leurs vêtements, et parlèrent ainsi à toute l'assemblée des 7
enfants d'Israël : Le pays que nous avons parcouru, pour l'explorer, est un pays très bon, excellent. Si 8
l'Éternel nous est favorable, il nous mènera dans ce pays, et nous le donnera : c'est un pays où coulent
le lait et le miel. Seulement, ne soyez point rebelles contre l'Éternel, et ne craignez point les gens de ce 9
pays, car ils nous serviront de pâture, ils n'ont plus d'ombrage pour les couvrir, l'Éternel est avec nous,
ne les craignez point ! Toute l'assemblée parlait de les lapider, lorsque la gloire de l'Éternel apparut 10
sur la tente d'assignation, devant tous les enfants d'Israël. Et l'Éternel dit à Moïse : Jusqu'à quand ce 11
peuple me méprisera -t-il ? Jusqu'à quand ne croira -t-il pas en moi, malgré tous les prodiges que j'ai
faits au milieu de lui ? Je le frapperai par la peste, et je le détruirai ; mais je ferai de toi une nation plus 12
grande et plus puissante que lui. Moïse dit à l'Éternel : Les Égyptiens l'apprendront, eux du milieu 13
desquels tu as fait monter ce peuple par ta puissance, et ils le diront aux habitants de ce pays. Ils 14
savaient que toi, l'Éternel, tu es au milieu de ce peuple ; que tu apparais visiblement, toi, l'Éternel ; que
ta nuée se tient sur lui ; que tu marches devant lui le jour dans une colonne de nuée, et la nuit dans
une colonne de feu. Si tu fais mourir ce peuple comme un seul homme, les nations qui ont entendu 15
parler de toi diront : L'Éternel n'avait pas le pouvoir de mener ce peuple dans le pays qu'il avait juré 16
de lui donner : c'est pour cela qu'il l'a égorgé dans le désert. Maintenant, que la puissance du Seigneur 17
se montre dans sa grandeur, comme tu l'as déclaré en disant : L'Éternel est lent à la colère et riche 18
en bonté, il pardonne l'iniquité et la rébellion ; mais il ne tient point le coupable pour innocent, et il
punit l'iniquité des pères sur les enfants jusqu'à la troisième et la quatrième génération. Pardonne 19
l'iniquité de ce peuple, selon la grandeur de ta miséricorde, comme tu as pardonné à ce peuple depuis
l'Égypte jusqu'ici. Et l'Éternel dit : Je pardonne, comme tu l'as demandé. Mais, je suis vivant ! et 20, 21
la gloire de l'Éternel remplira toute la terre. Tous ceux qui ont vu ma gloire, et les prodiges que j'ai 22
faits en Égypte et dans le désert, qui m 'ont tenté déjà dix fois, et qui n'ont point écouté ma voix, tous 23
ceux-là ne verront point le pays que j'ai juré à leurs pères de leur donner, tous ceux qui m'ont méprisé
ne le verront point. Et parce que mon serviteur Caleb a été animé d'un autre esprit, et qu'il a pleine- 24
ment suivi ma voie, je le ferai entrer dans le pays où il est allé, et ses descendants le posséderont. Les 25
Amalécites et les Cananéens habitent la vallée : demain, tournez -vous, et partez pour le désert, dans
la direction de la mer Rouge. L'Éternel parla à Moïse et à Aaron, et dit : Jusqu'à quand laisserai-je 26, 27
cette méchante assemblée murmurer contre moi ? J'ai entendu les murmures des enfants d'Israël qui
murmuraient contre moi. Dis -leur : Je suis vivant ! dit l'Éternel, je vous ferai ainsi que vous avez parlé 28
à mes oreilles. Vos cadavres tomberont dans ce désert. Vous tous, dont on a fait le dénombrement, en 29
vous comptant depuis l'âge de vingt ans et au-dessus, et qui avez murmuré contre moi, vous n'entrerez 30
point dans le pays que j'avais juré de vous faire habiter, excepté Caleb, fils de Jephunné, et Josué, fils
de Nun. Et vos petits enfants, dont vous avez dit : Ils deviendront une proie ! je les y ferai entrer, et 31
ils connaîtront le pays que vous avez dédaigné. Vos cadavres, à vous, tomberont dans le désert ; et 32, 33
vos enfants paîtront quarante années dans le désert, et porteront la peine de vos infidélités, jusqu'à

ce que vos cadavres soient tous tombés dans le désert. De même que vous avez mis quarante jours à
explorer le pays, vous porterez la peine de vos iniquités quarante années, une année pour chaque jour ;
et vous saurez ce que c'est que d'être privé de ma présence. Moi, l'Éternel, j'ai parlé ! et c'est ainsi que
je traiterai cette méchante assemblée qui s'est réunie contre moi ; ils seront consumés dans ce désert, ils
y mourront. Les hommes que Moïse avait envoyés pour explorer le pays, et qui, à leur retour, avaient
fait murmurer contre lui toute l'assemblée, en décriant le pays ; ces hommes, qui avaient décrié le
pays, moururent frappés d'une plaie devant l'Éternel. Josué, fils de Nun, et Caleb, fils de Jephunné,
restèrent seuls vivants parmi ces hommes qui étaient allés pour explorer le pays. Moïse rapporta ces
choses à tous les enfants d'Israël, et le peuple fut dans une grande désolation. Ils se levèrent de bon
matin, et montèrent au sommet de la montagne, en disant : Nous voici ! nous monterons au lieu dont
a parlé l'Éternel, car nous avons péché. Moïse dit : Pourquoi transgressez -vous l'ordre de l'Éternel ?
Cela ne réussira point. Ne montez pas ! car l'Éternel n'est pas au milieu de vous. Ne vous faites pas
battre par vos ennemis. Car les Amalécites et les Cananéens sont là devant vous, et vous tomberiez
par l'épée. Parce que vous vous êtes détournés de l'Éternel, l'Éternel ne sera point avec vous. Ils s'obs-
tinèrent à monter au sommet de la montagne ; mais l'arche de l'alliance et Moïse ne sortirent point du
milieu du camp. Alors descendirent les Amalécites et les Cananéens qui habitaient cette montagne ;
ils les battirent, et les taillèrent en pièces jusqu'à Horma.

15 L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et dis -leur : Quand vous serez entrés
dans le pays que je vous donne pour y établir vos demeures, et que vous offrirez à l'Éternel un sacrifice
consumé par le feu, soit un holocauste, soit un sacrifice en accomplissement d'un voeu ou en offrande
volontaire, ou bien dans vos fêtes, pour produire avec votre gros ou votre menu bétail une agréable
odeur à l'Éternel, - celui qui fera son offrande à l'Éternel présentera en offrande un dixième de fleur de
farine pétrie dans un quart de hin d'huile, et tu feras une libation d'un quart de hin de vin, avec l'ho-
locauste ou le sacrifice, pour chaque agneau. Pour un bélier, tu présenteras en offrande deux dixièmes
de fleur de farine pétrie dans un tiers de hin d'huile, et tu feras une libation d'un tiers de hin de vin,
comme offrande d'une agréable odeur à l'Éternel. Si tu offres un veau, soit comme holocauste, soit
comme sacrifice en accomplissement d'un voeu, ou comme sacrifice d'actions de grâces à l'Éternel, on
présentera en offrande, avec le veau, trois dixièmes de fleur de farine pétrie dans un demi -hin d'huile,
et tu feras une libation d'un demi -hin de vin : c'est un sacrifice consumé par le feu, d'une agréable
odeur à l'Éternel. On fera ainsi pour chaque boeuf, pour chaque bélier, pour chaque petit des brebis ou
des chèvres. Suivant le nombre des victimes, vous ferez ainsi pour chacune, d'après leur nombre. Tout
indigène fera ces choses ainsi, lorsqu'il offrira un sacrifice consumé par le feu, d'une agréable odeur
à l'Éternel. Si un étranger séjournant chez vous, ou se trouvant à l'avenir au milieu de vous, offre
un sacrifice consumé par le feu, d'une agréable odeur à l'Éternel, il l'offrira de la même manière que
vous. Il y aura une seule loi pour toute l'assemblée, pour vous et pour l'étranger en séjour au milieu de
vous ; ce sera une loi perpétuelle parmi vos descendants : il en sera de l'étranger comme de vous, devant
l'Éternel. Il y aura une seule loi et une seule ordonnance pour vous et pour l'étranger en séjour parmi
vous. L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et dis -leur : Quand vous serez arri-
vés dans le pays où je vous ferai entrer, et que vous mangerez du pain de ce pays, vous prélèverez une
offrande pour l'Éternel. Vous présenterez par élévation un gâteau, les prémices de votre pâte ; vous le
présenterez comme l'offrande qu'on prélève de l'aire. Vous prélèverez pour l'Éternel une offrande des
prémices de votre pâte, dans les temps à venir. Si vous péchez involontairement, en n'observant pas
tous ces commandements que l'Éternel a fait connaître à Moïse, tout ce que l'Éternel vous a ordonné
par Moïse, depuis le jour où l'Éternel a donné des commandements et plus tard dans les temps à ve-
nir ; si l'on a péché involontairement, sans que l'assemblée s'en soit aperçue, toute l'assemblée offrira
un jeune taureau en holocauste d'une agréable odeur à l'Éternel, avec l'offrande et la libation, d'après
les règles établies ; elle offrira encore un bouc en sacrifice d'expiation. Le sacrificateur fera l'expiation
pour toute l'assemblée des enfants d'Israël, et il leur sera pardonné ; car ils ont péché involontairement,
et ils ont apporté leur offrande, un sacrifice consumé par le feu en l'honneur de l'Éternel et une victime
expiatoire devant l'Éternel, à cause du péché qu'ils ont involontairement commis. Il sera pardonné à
toute l'assemblée des enfants d'Israël et à l'étranger en séjour au milieu d'eux, car c'est involontaire-
ment que tout le peuple a péché. Si c'est une seule personne qui a péché involontairement, elle offrira
une chèvre d'un an en sacrifice pour le péché. Le sacrificateur fera l'expiation pour la personne qui a
péché involontairement devant l'Éternel : quand il aura fait l'expiation pour elle, il lui sera pardonné.
Pour l'indigène parmi les enfants d'Israël et pour l'étranger en séjour au milieu d'eux, il y aura pour
vous une même loi, quand on péchera involontairement. Mais si quelqu'un, indigène ou étranger, agit

la main levée, il outrage l'Éternel ; celui -là sera retranché du milieu de son peuple. Il a méprisé la 31
parole de l'Éternel, et il a violé son commandement : celui -là sera retranché, il portera la peine de son
iniquité. Comme les enfants d'Israël étaient dans le désert, on trouva un homme qui ramassait du bois 32
le jour du sabbat. Ceux qui l'avaient trouvé ramassant du bois l'amenèrent à Moïse, à Aaron, et à toute 33
l'assemblée. On le mit en prison, car ce qu'on devait lui faire n'avait pas été déclaré. L'Éternel dit à 34, 35
Moïse : Cet homme sera puni de mort, toute l'assemblée le lapidera hors du camp. Toute l'assemblée 36
le fit sortir du camp et le lapida, et il mourut, comme l'Éternel l'avait ordonné à Moïse. L'Éternel dit 37
à Moïse : Parle aux enfants d'Israël, et dis -leur qu'ils se fassent, de génération en génération, une 38
frange au bord de leurs vêtements, et qu'ils mettent un cordon bleu sur cette frange du bord de leurs
vêtements. Quand vous aurez cette frange, vous la regarderez, et vous vous souviendrez de tous les 39
commandements de l'Éternel pour les mettre en pratique, et vous ne suivrez pas les désirs de vos coeurs
et de vos yeux pour vous laisser entraîner à l'infidélité. Vous vous souviendrez ainsi de mes comman- 40
dements, vous les mettrez en pratique, et vous serez saints pour votre Dieu. Je suis l'Éternel, votre 41
Dieu, qui vous ai fait sortir du pays d'Égypte, pour être votre Dieu. Je suis l'Éternel, votre Dieu.

Koré, fils de Jitsehar, fils de Kehath, fils de Lévi, se révolta avec Dathan et Abiram, fils d'Éliab, et **16**
On, fils de Péleth, tous trois fils de Ruben. Ils se soulevèrent contre Moïse, avec deux cent cinquante 2
hommes des enfants d'Israël, des principaux de l'assemblée, de ceux que l'on convoquait à l'assemblée,
et qui étaient des gens de renom. Ils s'assemblèrent contre Moïse et Aaron, et leur dirent : C'en est 3
assez ! car toute l'assemblée, tous sont saints, et l'Éternel est au milieu d'eux. Pourquoi vous élevez
-vous au-dessus de l'assemblée de l'Éternel ? Quand Moïse eut entendu cela, il tomba sur son visage. 4
Il parla à Koré et à toute sa troupe, en disant : Demain, l'Éternel fera connaître qui est à lui et qui est 5
saint, et il le fera approcher de lui ; il fera approcher de lui celui qu'il choisira. Faites ceci. Prenez des 6
brasiers, Koré et toute sa troupe. Demain, mettez -y du feu, et posez -y du parfum devant l'Éternel ; 7
celui que l'Éternel choisira, c'est celui-là qui sera saint. C'en est assez, enfants de Lévi ! Moïse dit à 8
Koré : Écoutez donc, enfants de Lévi : Est-ce trop peu pour vous que le Dieu d'Israël vous ait choisis 9
dans l'assemblée d'Israël, en vous faisant approcher de lui, afin que vous soyez employés au service du
tabernacle de l'Éternel, et que vous vous présentiez devant l'assemblée pour la servir ? Il vous a fait 10
approcher de lui, toi, et tous tes frères, les enfants de Lévi, et vous voulez encore le sacerdoce ! C'est à 11
cause de cela que toi et toute ta troupe, vous vous assemblez contre l'Éternel ! car qui est Aaron, pour
que vous murmuriez contre lui ? Moïse envoya appeler Dathan et Abiram, fils d'Éliab. Mais ils dirent : 12
Nous ne monterons pas. N'est-ce pas assez que tu nous aies fait sortir d'un pays où coulent le lait et le 13
miel pour nous faire mourir au désert, sans que tu continues à dominer sur nous ? Et ce n'est pas dans 14
un pays où coulent le lait et le miel que tu nous as menés, ce ne sont pas des champs et des vignes que tu
nous as donnés en possession. Penses-tu crever les yeux de ces gens ? Nous ne monterons pas. Moïse fut 15
très irrité, et il dit à l'Éternel : N'aie point égard à leur offrande. Je ne leur ai pas même pris un âne, et
je n'ai fait de mal à aucun d'eux. Moïse dit à Koré : Toi et toute ta troupe, trouvez-vous demain devant 16
l'Éternel, toi et eux, avec Aaron. Prenez chacun votre brasier, mettez -y du parfum, et présentez devant 17
l'Éternel chacun votre brasier : il y aura deux cent cinquante brasiers ; toi et Aaron, vous prendrez aussi
chacun votre brasier. Ils prirent chacun leur brasier, y mirent du feu et y posèrent du parfum, et ils se 18
tinrent à l'entrée de la tente d'assignation, avec Moïse et Aaron. Et Koré convoqua toute l'assemblée 19
contre Moïse et Aaron, à l'entrée de la tente d'assignation. Alors la gloire de l'Éternel apparut à toute
l'assemblée. Et l'Éternel parla à Moïse et à Aaron, et dit : Séparez -vous du milieu de cette assemblée, 20, 21
et je les consumerai en un seul instant. Ils tombèrent sur leur visage, et dirent : O Dieu, Dieu des 22
esprits de toute chair ! un seul homme a péché, et tu t'irriterais contre toute l'assemblée ? L'Éternel 23
parla à Moïse, et dit : Parle à l'assemblée, et dis : Retirez -vous de toutes parts loin de la demeure 24
de Koré, de Dathan et d'Abiram. Moïse se leva, et alla vers Dathan et Abiram ; et les anciens d'Israël 25
le suivirent. Il parla à l'assemblée, et dit : Éloignez -vous des tentes de ces méchants hommes, et ne 26
touchez à rien de ce qui leur appartient, de peur que vous ne périssiez en même temps qu'ils seront
punis pour tous leurs péchés. Ils se retirèrent de toutes parts loin de la demeure de Koré, de Dathan et 27
d'Abiram. Dathan et Abiram sortirent, et se tinrent à l'entrée de leurs tentes, avec leurs femmes, leurs
fils et leurs petits-enfants. Moïse dit : À ceci vous connaîtrez que l'Éternel m'a envoyé pour faire toutes 28
ces choses, et que je n'agis pas de moi-même. Si ces gens meurent comme tous les hommes meurent, 29
s'ils subissent le sort commun à tous les hommes, ce n'est pas l'Éternel qui m'a envoyé ; mais si l'Éternel 30
fait une chose inouïe, si la terre ouvre sa bouche pour les engloutir avec tout ce qui leur appartient, et
qu'ils descendent vivants dans le séjour des morts, vous saurez alors que ces gens ont méprisé l'Éternel.

31, 32 Comme il achevait de prononcer toutes ces paroles, la terre qui était sous eux se fendit. La terre ouvrit
33 sa bouche, et les engloutit, eux et leurs maisons, avec tous les gens de Koré et tous leurs biens. Ils
descendirent vivants dans le séjour des morts, eux et tout ce qui leur appartenait ; la terre les recouvrit,
34 et ils disparurent au milieu de l'assemblée. Tout Israël, qui était autour d'eux, s'enfuit à leur cri ; car
35 ils disaient : Fuyons, de peur que la terre ne nous engloutisse ! Un feu sortit d'auprès de l'Éternel,
36 et consuma les deux cent cinquante hommes qui offraient le parfum. L'Éternel parla à Moïse, et dit :
37 Dis à Éléazar, fils du sacrificateur Aaron, de retirer de l'incendie les brasiers et d'en répandre au loin
38 le feu, car ils sont sanctifiés. Avec les brasiers de ces gens qui ont péché au péril de leur vie, que l'on
fasse des lames étendues dont on couvrira l'autel. Puisqu'ils ont été présentés devant l'Éternel et qu'ils
39 sont sanctifiés, ils serviront de souvenir aux enfants d'Israël. Le sacrificateur Éléazar prit les brasiers
40 d'airain qu'avaient présentés les victimes de l'incendie, et il en fit des lames pour couvrir l'autel. C'est
un souvenir pour les enfants d'Israël, afin qu'aucun étranger à la race d'Aaron ne s'approche pour offrir
du parfum devant l'Éternel et ne soit comme Koré et comme sa troupe, selon ce que l'Éternel avait
41 déclaré par Moïse. Dès le lendemain, toute l'assemblée des enfants d'Israël murmura contre Moïse et
42 Aaron, en disant : Vous avez fait mourir le peuple de l'Éternel. Comme l'assemblée se formait contre
Moïse et Aaron, et comme ils tournaient les regards vers la tente d'assignation, voici, la nuée la couvrit,
43, 44 et la gloire de l'Éternel apparut. Moïse et Aaron arrivèrent devant la tente d'assignation. Et l'Éternel
45 parla à Moïse, et dit : Retirez -vous du milieu de cette assemblée, et je les consumerai en un instant.
46 Ils tombèrent sur leur visage ; et Moïse dit à Aaron : Prends le brasier, mets -y du feu de dessus l'autel,
poses -y du parfum, va promptement vers l'assemblée, et fais pour eux l'expiation ; car la colère de
47 l'Éternel a éclaté, la plaie a commencé. Aaron prit le brasier, comme Moïse avait dit, et courut au
milieu de l'assemblée ; et voici, la plaie avait commencé parmi le peuple. Il offrit le parfum, et il fit
48, 49 l'expiation pour le peuple. Il se plaça entre les morts et les vivants, et la plaie fut arrêtée. Il y eut
quatorze mille sept cents personnes qui moururent de cette plaie, outre ceux qui étaient morts à cause
50 de Koré. Aaron retourna auprès de Moïse, à l'entrée de la tente d'assignation. La plaie était arrêtée.

17, 2 L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et prends d'eux une verge selon les mai-
sons de leurs pères, soit douze verges de la part de tous leurs princes selon les maisons de leurs pères.
3 Tu écriras le nom de chacun sur sa verge, et tu écriras le nom d'Aaron sur la verge de Lévi ; car il y
4 aura une verge pour chaque chef des maisons de leurs pères. Tu les déposeras dans la tente d'assi-
5 gnation, devant le témoignage, où je me rencontre avec vous. L'homme que je choisirai sera celui dont
la verge fleurira, et je ferai cesser de devant moi les murmures que profèrent contre vous les enfants
6 d'Israël. Moïse parla aux enfants d'Israël ; et tous leurs princes lui donnèrent une verge, chaque prince
une verge, selon les maisons de leurs pères, soit douze verges ; la verge d'Aaron était au milieu des
7, 8 leurs. Moïse déposa les verges devant l'Éternel, dans la tente du témoignage. Le lendemain, lorsque
Moïse entra dans la tente du témoignage, voici, la verge d'Aaron, pour la maison de Lévi, avait fleuri,
9 elle avait poussé des boutons, produit des fleurs, et mûri des amandes. Moïse ôta de devant l'Éternel
toutes les verges, et les porta à tous les enfants d'Israël, afin qu'ils les vissent et qu'ils prissent chacun
10 leur verge. L'Éternel dit à Moïse : Reporte la verge d'Aaron devant le témoignage, pour être conservée
comme un signe pour les enfants de rébellion, afin que tu fasses cesser de devant moi leurs murmures
11, 12 et qu'ils ne meurent point. Moïse fit ainsi ; il se conforma à l'ordre que l'Éternel lui avait donné. Les
13 enfants d'Israël dirent à Moïse : Voici, nous expirons, nous périssons, nous périssons tous ! Quiconque
s'approche du tabernacle de l'Éternel, meurt. Nous faudra-t-il tous expirer ?

18 L'Éternel dit à Aaron : Toi et tes fils, et la maison de ton père avec toi, vous porterez la peine
des iniquités commises dans le sanctuaire ; toi et tes fils avec toi, vous porterez la peine des iniquités
2 commises dans l'exercice de votre sacerdoce. Fais aussi approcher de toi tes frères, la tribu de Lévi, la
tribu de ton père, afin qu'ils te soient attachés et qu'ils te servent, lorsque toi, et tes fils avec toi, vous
3 serez devant la tente du témoignage. Ils observeront ce que tu leur ordonneras et ce qui concerne toute
la tente ; mais ils ne s'approcheront ni des ustensiles du sanctuaire, ni de l'autel, de peur que vous ne
4 mouriez, eux et vous. Ils te seront attachés, et ils observeront ce qui concerne la tente d'assignation
5 pour tout le service de la tente. Aucun étranger n'approchera de vous. Vous observerez ce qui concerne
6 le sanctuaire et l'autel, afin qu'il n'y ait plus de colère contre les enfants d'Israël. Voici, j'ai pris vos
frères les Lévites du milieu des enfants d'Israël : donnés à l'Éternel, ils vous sont remis en don pour
7 faire le service de la tente d'assignation. Toi, et tes fils avec toi, vous observerez les fonctions de votre
sacerdoce pour tout ce qui concerne l'autel et pour ce qui est en dedans du voile : c'est le service que vous
ferez. Je vous accorde en pur don l'exercice du sacerdoce. L'étranger qui approchera sera mis à mort.
8 L'Éternel dit à Aaron : Voici, de toutes les choses que consacrent les enfants d'Israël, je te donne celles
qui me sont offertes par élévation ; je te les donne, à toi et à tes fils, comme droit d'onction, par une loi

perpétuelle. Voici ce qui t'appartiendra parmi les choses très saintes qui ne sont pas consumées par 9
le feu : toutes leurs offrandes, tous leurs dons, tous leurs sacrifices d'expiation, et tous les sacrifices de
culpabilité qu'ils m'offriront ; ces choses très saintes seront pour toi et pour tes fils. Vous les mangerez 10
dans un lieu très saint ; tout mâle en mangera ; vous les regarderez comme saintes. Voici encore ce qui 11
t'appartiendra : tous les dons que les enfants d'Israël présenteront par élévation et en les agitant de côté
et d'autre, je te les donne à toi, à tes fils et à tes filles avec toi, par une loi perpétuelle. Quiconque sera pur
dans ta maison en mangera. Je te donne les prémices qu'ils offriront à l'Éternel : tout ce qu'il y aura de 12
meilleur en huile, tout ce qu'il y aura de meilleur en moût et en blé. Les premiers produits de leur terre, 13
qu'ils apporteront à l'Éternel, seront pour toi. Quiconque sera pur dans ta maison en mangera. Tout 14
ce qui sera dévoué par interdit en Israël sera pour toi. Tout premier-né de toute chair, qu'ils offriront à 15
l'Éternel, tant des hommes que des animaux, sera pour toi. Seulement, tu feras racheter le premier-né
de l'homme, et tu feras racheter le premier-né d'un animal impur. Tu les feras racheter dès l'âge d'un 16
mois, d'après ton estimation, au prix de cinq sicles d'argent, selon le sicle du sanctuaire, qui est de vingt
guéras. Mais tu ne feras point racheter le premier-né du boeuf, ni le premier-né de la brebis, ni le 17
premier-né de la chèvre : ce sont des choses saintes. Tu répandras leur sang sur l'autel, et tu brûleras
leur graisse : ce sera un sacrifice consumé par le feu, d'une agréable odeur à l'Éternel. Leur chair sera 18
pour toi, comme la poitrine qu'on agite de côté et d'autre et comme l'épaule droite. Je te donne, à toi, à 19
tes fils et à tes filles avec toi, par une loi perpétuelle, toutes les offrandes saintes que les enfants d'Israël
présenteront à l'Éternel par élévation. C'est une alliance inviolable et à perpétuité devant l'Éternel,
pour toi et pour ta postérité avec toi. L'Éternel dit à Aaron : Tu ne posséderas rien dans leur pays, 20
et il n'y aura point de part pour toi au milieu d'eux ; c'est moi qui suis ta part et ta possession, au
milieu des enfants d'Israël. Je donne comme possession aux fils de Lévi toute dîme en Israël, pour le 21
service qu'ils font, le service de la tente d'assignation. Les enfants d'Israël n'approcheront plus de la 22
tente d'assignation, de peur qu'ils ne se chargent d'un péché et qu'ils ne meurent. Les Lévites feront 23
le service de la tente d'assignation, et ils resteront chargés de leurs iniquités. Ils n'auront point de
possession au milieu des enfants d'Israël : ce sera une loi perpétuelle parmi vos descendants. Je donne 24
comme possession aux Lévites les dîmes que les enfants d'Israël présenteront à l'Éternel par élévation ;
c'est pourquoi je dis à leur égard : Ils n'auront point de possession au milieu des enfants d'Israël.
L'Éternel parla à Moïse, et dit : Tu parleras aux Lévites, et tu leur diras : Lorsque vous recevrez des 25, 26
enfants d'Israël la dîme que je vous donne de leur part comme votre possession, vous en prélèverez
une offrande pour l'Éternel, une dîme de la dîme ; et votre offrande vous sera comptée comme le blé 27
qu'on prélève de l'aire et comme le moût qu'on prélève de la cuve. C'est ainsi que vous prélèverez une 28
offrande pour l'Éternel sur toutes les dîmes que vous recevrez des enfants d'Israël, et vous donnerez
au sacrificateur Aaron l'offrande que vous en aurez prélevée pour l'Éternel. Sur tous les dons qui vous 29
seront faits, vous prélèverez toutes les offrandes pour l'Éternel ; sur tout ce qu'il y aura de meilleur,
vous prélèverez la portion consacrée. Tu leur diras : Quand vous en aurez prélevé le meilleur, la dîme 30
sera comptée aux Lévites comme le revenu de l'aire et comme le revenu de la cuve. Vous la mangerez 31
en un lieu quelconque, vous et votre maison ; car c'est votre salaire pour le service que vous faites dans
la tente d'assignation. Vous ne serez chargés pour cela d'aucun péché, quand vous en aurez prélevé le 32
meilleur, vous ne profanerez point les offrandes saintes des enfants d'Israël, et vous ne mourrez point.

L'Éternel parla à Moïse et à Aaron, et dit : Voici ce qui est ordonné par la loi que l'Éternel a prescrite, **19**, 2
en disant : Parle aux enfants d'Israël, et qu'ils t'amènent une vache rousse, sans tache, sans défaut
corporel, et qui n'ait point porté le joug. Vous la remettrez au sacrificateur Éléazar, qui la fera sortir 3
du camp, et on l'égorgera devant lui. Le sacrificateur Éléazar prendra du sang de la vache avec le doigt, 4
et il en fera sept fois l'aspersion sur le devant de la tente d'assignation. On brûlera la vache sous ses 5
yeux ; on brûlera sa peau, sa chair et son sang, avec ses excréments. Le sacrificateur prendra du bois 6
de cèdre, de l'hysope et du cramoisi, et il les jettera au milieu des flammes qui consumeront la vache.
Le sacrificateur lavera ses vêtements, et lavera son corps dans l'eau ; puis il rentrera dans le camp, et 7
sera impur jusqu'au soir. Celui qui aura brûlé la vache lavera ses vêtements dans l'eau, et lavera son 8
corps dans l'eau ; et il sera impur jusqu'au soir. Un homme pur recueillera la cendre de la vache, et la 9
déposera hors du camp, dans un lieu pur ; on la conservera pour l'assemblée des enfants d'Israël, afin
d'en faire l'eau de purification. C'est une eau expiatoire. Celui qui aura recueilli la cendre de la vache 10
lavera ses vêtements, et sera impur jusqu'au soir. Ce sera une loi perpétuelle pour les enfants d'Israël
et pour l'étranger en séjour au milieu d'eux. Celui qui touchera un mort, un corps humain quelconque, 11
sera impur pendant sept jours. Il se purifiera avec cette eau le troisième jour et le septième jour, et il 12
sera pur ; mais, s'il ne se purifie pas le troisième jour et le septième jour, il ne sera pas pur. Celui qui 13
touchera un mort, le corps d'un homme qui sera mort, et qui ne se purifiera pas, souille le tabernacle

de l'Éternel ; celui -là sera retranché d'Israël. Comme l'eau de purification n'a pas été répandue sur lui,
14 il est impur, et son impureté est encore sur lui. Voici la loi. Lorsqu'un homme mourra dans une tente,
quiconque entrera dans la tente, et quiconque se trouvera dans la tente, sera impur pendant sept jours.
15, 16 Tout vase découvert, sur lequel il n'y aura point de couvercle attaché, sera impur. Quiconque touchera,
dans les champs, un homme tué par l'épée, ou un mort, ou des ossements humains, ou un sépulcre, sera
17 impur pendant sept jours. On prendra, pour celui qui est impur, de la cendre de la victime expiatoire
18 qui a été brûlée, et on mettra dessus de l'eau vive dans un vase. Un homme pur prendra de l'hysope, et
la trempera dans l'eau ; puis il en fera l'aspersion sur la tente, sur tous les ustensiles, sur les personnes
19 qui sont là, sur celui qui a touché des ossements, ou un homme tué, ou un mort, ou un sépulcre. Celui
qui est pur fera l'aspersion sur celui qui est impur, le troisième jour et le septième jour, et il le purifiera
20 le septième jour. Il lavera ses vêtements, et se lavera dans l'eau ; et le soir, il sera pur. Un homme
qui sera impur, et qui ne se purifiera pas, sera retranché du milieu de l'assemblée, car il a souillé le
21 sanctuaire de l'Éternel ; comme l'eau de purification n'a pas été répandue sur lui, il est impur. Ce sera
pour eux une loi perpétuelle. Celui qui fera l'aspersion de l'eau de purification lavera ses vêtements,
22 et celui qui touchera l'eau de purification sera impur jusqu'au soir. Tout ce que touchera celui qui est
impur sera souillé, et la personne qui le touchera sera impure jusqu'au soir.

20 Toute l'assemblée des enfants d'Israël arriva dans le désert de Tsin le premier mois, et le peuple
2 s'arrêta à Kadès. C'est là que mourut Marie, et qu'elle fut enterrée. Il n'y avait point d'eau pour l'as-
3 semblée ; et l'on se souleva contre Moïse et Aaron. Le peuple chercha querelle à Moïse. Ils dirent :
4 Que n'avons-nous expiré, quand nos frères expirèrent devant l'Éternel ? Pourquoi avez-vous fait venir
5 l'assemblée de l'Éternel dans ce désert, pour que nous y mourions, nous et notre bétail ? Pourquoi nous
avez-vous fait monter hors d'Égypte, pour nous amener dans ce méchant lieu ? Ce n'est pas un lieu où
6 l'on puisse semer, et il n'y a ni figuier, ni vigne, ni grenadier, ni d'eau à boire. Moïse et Aaron s'éloi-
gnèrent de l'assemblée pour aller à l'entrée de la tente d'assignation. Ils tombèrent sur leur visage ;
7, 8 et la gloire de l'Éternel leur apparut. L'Éternel parla à Moïse, et dit : Prends la verge, et convoque
l'assemblée, toi et ton frère Aaron. Vous parlerez en leur présence au rocher, et il donnera ses eaux ;
9 tu feras sortir pour eux de l'eau du rocher, et tu abreuveras l'assemblée et leur bétail. Moïse prit la
10 verge qui était devant l'Éternel, comme l'Éternel le lui avait ordonné. Moïse et Aaron convoquèrent
l'assemblée en face du rocher. Et Moïse leur dit : Écoutez donc, rebelles ! Est-ce de ce rocher que nous
11 vous ferons sortir de l'eau ? Puis Moïse leva la main et frappa deux fois le rocher avec sa verge. Il
12 sortit de l'eau en abondance. L'assemblée but, et le bétail aussi. Alors l'Éternel dit à Moïse et à Aaron :
Parce que vous n'avez pas cru en moi, pour me sanctifier aux yeux des enfants d'Israël, vous ne ferez
13 point entrer cette assemblée dans le pays que je lui donne. Ce sont les eaux de Meriba, où les enfants
14 d'Israël contestèrent avec l'Éternel, qui fut sanctifié en eux. De Kadès, Moïse envoya des messagers
au roi d'Édom, pour lui dire : Ainsi parle ton frère Israël : Tu sais toutes les souffrances que nous avons
15 éprouvées. Nos pères descendirent en Égypte, et nous y demeurâmes longtemps. Mais les Égyptiens
16 nous ont maltraités, nous et nos pères. Nous avons crié à l'Éternel, et il a entendu notre voix. Il a
envoyé un ange, et nous a fait sortir de l'Égypte. Et voici, nous sommes à Kadès, ville à l'extrémité
17 de ton territoire. Laisse-nous passer par ton pays ; nous ne traverserons ni les champs, ni les vignes,
et nous ne boirons pas l'eau des puits ; nous suivrons la route royale, sans nous détourner à droite ou
18 à gauche, jusqu'à ce que nous ayons franchi ton territoire. Édom lui dit : Tu ne passeras point chez
19 moi, sinon je sortirai à ta rencontre avec l'épée. Les enfants d'Israël lui dirent : Nous monterons par la
grande route ; et, si nous buvons de ton eau, moi et mes troupeaux, j'en paierai le prix ; je ne ferai que
20 passer avec mes pieds, pas autre chose. Il répondit : Tu ne passeras pas ! Et Édom sortit à sa rencontre
21 avec un peuple nombreux et à main forte. Ainsi Édom refusa de donner passage à Israël par son ter-
22 ritoire. Et Israël se détourna de lui. Toute l'assemblée des enfants d'Israël partit de Kadès, et arriva
23 à la montagne de Hor. L'Éternel dit à Moïse et à Aaron, vers la montagne de Hor, sur la frontière du
24 pays d'Édom : Aaron va être recueilli auprès de son peuple ; car il n'entrera point dans le pays que je
25 donne aux enfants d'Israël, parce que vous avez été rebelles à mon ordre, aux eaux de Meriba. Prends
26 Aaron et son fils Éléazar, et fais-les monter sur la montagne de Hor. Dépouille Aaron de ses vêtements,
27 et fais-les revêtir à Éléazar, son fils. C'est là qu'Aaron sera recueilli et qu'il mourra. Moïse fit ce que
28 l'Éternel avait ordonné. Ils montèrent sur la montagne de Hor, aux yeux de toute l'assemblée. Moïse
dépouilla Aaron de ses vêtements, et les fit revêtir à Éléazar, son fils. Aaron mourut là, au sommet de la
29 montagne. Moïse et Éléazar descendirent de la montagne. Toute l'assemblée vit qu'Aaron avait expiré,
et toute la maison d'Israël pleura Aaron pendant trente jours.

Le roi d'Arad, Cananéen, qui habitait le midi, apprit qu'Israël venait par le chemin d'Atharim. Il **21**
combattit Israël, et emmena des prisonniers. Alors Israël fit un voeu à l'Éternel, et dit : Si tu livres 2
ce peuple entre mes mains, je dévouerai ses villes par interdit. L'Éternel entendit la voix d'Israël, 3
et livra les Cananéens. On les dévoua par interdit, eux et leurs villes ; et l'on nomma ce lieu Horma.
Ils partirent de la montagne de Hor par le chemin de la mer Rouge, pour contourner le pays d'Édom. 4
Le peuple s'impatienta en route, et parla contre Dieu et contre Moïse : Pourquoi nous avez-vous fait 5
monter hors d'Égypte, pour que nous mourions dans le désert ? car il n'y a point de pain, et il n'y a point
d'eau, et notre âme est dégoûtée de cette misérable nourriture. Alors l'Éternel envoya contre le peuple 6
des serpents brûlants ; ils mordirent le peuple, et il mourut beaucoup de gens en Israël. Le peuple vint 7
à Moïse, et dit : Nous avons péché, car nous avons parlé contre l'Éternel et contre toi. Prie l'Éternel,
afin qu'il éloigne de nous ces serpents. Moïse pria pour le peuple. L'Éternel dit à Moïse : Fais -toi un 8
serpent brûlant, et place -le sur une perche ; quiconque aura été mordu, et le regardera, conservera
la vie. Moïse fit un serpent d'airain, et le plaça sur une perche ; et quiconque avait été mordu par 9
un serpent, et regardait le serpent d'airain, conservait la vie. Les enfants d'Israël partirent, et ils 10
campèrent à Oboth. Ils partirent d'Oboth et ils campèrent à Ijjé-Abarim, dans le désert qui est vis-à- 11
vis de Moab, vers le soleil levant. De là ils partirent, et ils campèrent dans la vallée de Zéred. De là 12, 13
ils partirent, et ils campèrent de l'autre côté de l'Arnon, qui coule dans le désert en sortant du territoire
des Amoréens ; car l'Arnon est la frontière de Moab, entre Moab et les Amoréens. C'est pourquoi il est 14
dit dans le livre des Guerres de l'Éternel :...Vaheb en Supha, et les torrents de l'Arnon, et le cours des 15
torrents, qui s'étend du côté d'Ar et touche à la frontière de Moab. De là ils allèrent à Beer. C'est ce 16
Beer, où l'Éternel dit à Moïse : Rassemble le peuple, et je leur donnerai de l'eau. Alors Israël chanta ce 17
cantique : Monte, puits ! Chantez en son honneur ! Puits, que des princes ont creusé, Que les grands du 18
peuple ont creusé, Avec le sceptre, avec leurs bâtons ! Du désert ils allèrent à Matthana ; de Matthana, 19
à Nahaliel ; de Nahaliel, à Bamoth ; de Bamoth, à la vallée qui est dans le territoire de Moab, au 20
sommet du Pisga, en regard du désert. Israël envoya des messagers à Sihon, roi des Amoréens, pour 21
lui dire : Laisse-moi passer par ton pays ; nous n'entrerons ni dans les champs, ni dans les vignes, et 22
nous ne boirons pas l'eau des puits ; nous suivrons la route royale, jusqu'à ce que nous ayons franchi ton
territoire. Sihon n'accorda point à Israël le passage sur son territoire ; il rassembla tout son peuple, 23
et sortit à la rencontre d'Israël, dans le désert ; il vint à Jahats, et combattit Israël. Israël le frappa 24
du tranchant de l'épée et s'empara de son pays depuis l'Arnon jusqu'au Jabbok, jusqu'à la frontière des
enfants d'Ammon ; car la frontière des enfants d'Ammon était fortifiée. Israël prit toutes les villes, et 25
s 'établit dans toutes les villes des Amoréens, à Hesbon et dans toutes les villes de son ressort. Car 26
Hesbon était la ville de Sihon, roi des Amoréens ; il avait fait la guerre au précédent roi de Moab, et
lui avait enlevé tout son pays jusqu'à l'Arnon. C'est pourquoi les poètes disent : Venez à Hesbon ! Que 27
la ville de Sihon soit rebâtie et fortifiée ! Car il est sorti un feu de Hesbon, Une flamme de la ville de 28
Sihon ; Elle a dévoré Ar -Moab, Les habitants des hauteurs de l'Arnon. Malheur à toi, Moab ! Tu es 29
perdu, peuple de Kemosch ! Il a fait de ses fils des fuyards, Et il a livré ses filles captives À Sihon, roi
des Amoréens. Nous avons lancé sur eux nos traits : De Hesbon à Dibon tout est détruit ; Nous avons 30
étendu nos ravages jusqu'à Nophach, Jusqu'à Médeba. Israël s'établit dans le pays des Amoréens. 31
Moïse envoya reconnaître Jaezer ; et ils prirent les villes de son ressort, et chassèrent les Amoréens qui 32
y étaient. Ils changèrent ensuite de direction, et montèrent par le chemin de Basan. Og, roi de Basan, 33
sortit à leur rencontre, avec tout son peuple, pour les combattre à Édréi. L'Éternel dit à Moïse : Ne le 34
crains point ; car je le livre entre tes mains, lui et tout son peuple, et son pays ; tu le traiteras comme tu
as traité Sihon, roi des Amoréens, qui habitait à Hesbon. Et ils le battirent, lui et ses fils, et tout son 35
peuple, sans en laisser échapper un seul, et ils s'emparèrent de son pays.

Les enfants d'Israël partirent, et ils campèrent dans les plaines de Moab, au delà du Jourdain, vis- **22**
à-vis de Jéricho. Balak, fils de Tsippor, vit tout ce qu'Israël avait fait aux Amoréens. Et Moab fut très 2, 3
effrayé en face d'un peuple aussi nombreux, il fut saisi de terreur en face des enfants d'Israël. Moab 4
dit aux anciens de Madian : Cette multitude va dévorer tout ce qui nous entoure, comme le boeuf broute
la verdure des champs. Balak, fils de Tsippor, était alors roi de Moab. Il envoya des messagers auprès 5
de Balaam, fils de Beor, à Pethor sur le fleuve, dans le pays des fils de son peuple, afin de l'appeler et de
lui dire : Voici, un peuple est sorti d'Égypte, il couvre la surface de la terre, et il habite vis-à-vis de moi.
Viens, je te prie, maudis -moi ce peuple, car il est plus puissant que moi ; peut-être ainsi pourrai -je le 6
battre et le chasserai -je du pays, car je sais que celui que tu bénis est béni, et que celui que tu maudis
est maudit. Les anciens de Moab et les anciens de Madian partirent, ayant avec eux des présents pour 7
le devin. Ils arrivèrent auprès de Balaam, et lui rapportèrent les paroles de Balak. Balaam leur dit : 8
Passez ici la nuit, et je vous donnerai réponse, d'après ce que l'Éternel me dira. Et les chefs de Moab

9, 10 restèrent chez Balaam. Dieu vint à Balaam, et dit : Qui sont ces hommes que tu as chez toi ? Balaam
11 répondit à Dieu : Balak, fils de Tsippor, roi de Moab, les a envoyés pour me dire : Voici, un peuple est
sorti d'Égypte, et il couvre la surface de la terre ; viens donc, maudis -le ; peut-être ainsi pourrai -je le
12 combattre, et le chasserai -je. Dieu dit à Balaam : Tu n'iras point avec eux ; tu ne maudiras point ce
13 peuple, car il est béni. Balaam se leva le matin, et il dit aux chefs de Balak : Allez dans votre pays,
14 car l'Éternel refuse de me laisser aller avec vous. Et les princes de Moab se levèrent, retournèrent
15 auprès de Balak, et dirent : Balaam a refusé de venir avec nous. Balak envoya de nouveau des chefs
16 en plus grand nombre et plus considérés que les précédents. Ils arrivèrent auprès de Balaam, et lui
17 dirent : Ainsi parle Balak, fils de Tsippor : Que l'on ne t'empêche donc pas de venir vers moi ; car je
te rendrai beaucoup d'honneurs, et je ferai tout ce que tu me diras ; viens, je te prie, maudis -moi ce
18 peuple. Balaam répondit et dit aux serviteurs de Balak : Quand Balak me donnerait sa maison pleine
d'argent et d'or, je ne pourrais faire aucune chose, ni petite ni grande, contre l'ordre de l'Éternel, mon
19, 20 Dieu. Maintenant, je vous prie, restez ici cette nuit, et je saurai ce que l'Éternel me dira encore. Dieu
vint à Balaam pendant la nuit, et lui dit : Puisque ces hommes sont venus pour t'appeler, lève -toi, va
21 avec eux ; mais tu feras ce que je te dirai. Balaam se leva le matin, sella son ânesse, et partit avec les
22 chefs de Moab. La colère de Dieu s'enflamma, parce qu'il était parti ; et l'ange de l'Éternel se plaça sur
le chemin, pour lui résister. Balaam était monté sur son ânesse, et ses deux serviteurs étaient avec lui.
23 L'ânesse vit l'ange de l'Éternel qui se tenait sur le chemin, son épée nue dans la main ; elle se détourna
24 du chemin et alla dans les champs. Balaam frappa l'ânesse pour la ramener dans le chemin. L'ange de
25 l'Éternel se plaça dans un sentier entre les vignes ; il y avait un mur de chaque côté. L'ânesse vit l'ange
de l'Éternel ; elle se serra contre le mur, et pressa le pied de Balaam contre le mur. Balaam la frappa
26 de nouveau. L'ange de l'Éternel passa plus loin, et se plaça dans un lieu où il n'y avait point d'espace
27 pour se détourner à droite ou à gauche. L'ânesse vit l'ange de l'Éternel, et elle s'abattit sous Balaam. La
28 colère de Balaam s'enflamma, et il frappa l'ânesse avec un bâton. L'Éternel ouvrit la bouche de l'ânesse,
29 et elle dit à Balaam : Que t'ai je fait, pour que tu m'aies frappée déjà trois fois ? Balaam répondit à
l'ânesse : C'est parce que tu t'es moquée de moi ; si j'avais une épée dans la main, je te tuerais à l'instant.
30 L'ânesse dit à Balaam : Ne suis-je pas ton ânesse, que tu as de tout temps montée jusqu'à ce jour ? Ai-je
31 l'habitude de te faire ainsi ? Et il répondit : Non. L'Éternel ouvrit les yeux de Balaam, et Balaam vit
l'ange de l'Éternel qui se tenait sur le chemin, son épée nue dans la main ; et il s'inclina, et se prosterna
32 sur son visage. L'ange de l'Éternel lui dit : Pourquoi as-tu frappé ton ânesse déjà trois fois ? Voici, je
33 suis sorti pour te résister, car c'est un chemin de perdition qui est devant moi. L'ânesse m'a vu, et
elle s'est détournée devant moi déjà trois fois ; si elle ne se fût pas détournée de moi, je t'aurais même
34 tué, et je lui aurais laissé la vie. Balaam dit à l'ange de l'Éternel : J'ai péché, car je ne savais pas
que tu te fusses placé au-devant de moi sur le chemin ; et maintenant, si tu me désapprouves, je m'en
35 retournerai. L'ange de l'Éternel dit à Balaam : Va avec ces hommes ; mais tu ne feras que répéter les
36 paroles que je te dirai. Et Balaam alla avec les chefs de Balak. Balak apprit que Balaam arrivait, et
il sortit à sa rencontre jusqu'à la ville de Moab qui est sur la limite de l'Arnon, à l'extrême frontière.
37 Balak dit à Balaam : N'ai-je pas envoyé auprès de toi pour t'appeler ? Pourquoi n'es-tu pas venu vers
38 moi ? Ne puis -je donc pas te traiter avec honneur ? Balaam dit à Balak : Voici, je suis venu vers toi ;
maintenant, me sera-t-il permis de dire quoi que ce soit ? Je dirai les paroles que Dieu mettra dans ma
39, 40 bouche. Balaam alla avec Balak, et ils arrivèrent à Kirjath-Hutsoth. Balak sacrifia des boeufs et des
41 brebis, et il en envoya à Balaam et aux chefs qui étaient avec lui. Le matin, Balak prit Balaam, et le
fit monter à Bamoth -Baal, d'où Balaam vit une partie du peuple.

23 Balaam dit à Balak : Bâtis -moi ici sept autels, et prépare -moi ici sept taureaux et sept béliers.
2 Balak fit ce que Balaam avait dit ; et Balak et Balaam offrirent un taureau et un bélier sur chaque
3 autel. Balaam dit à Balak : Tiens -toi près de ton holocauste, et je m'éloignerai ; peut-être que l'Éternel
4 viendra à ma rencontre, et je te dirai ce qu'il me révélera. Et il alla sur un lieu élevé. Dieu vint au-
devant de Balaam, et Balaam lui dit : J'ai dressé sept autels, et j'ai offert un taureau et un bélier sur
5 chaque autel. L'Éternel mit des paroles dans la bouche de Balaam, et dit : Retourne vers Balak, et tu
6 parleras ainsi. Il retourna vers lui ; et voici, Balak se tenait près de son holocauste, lui et tous les chefs
7 de Moab. Balaam prononça son oracle, et dit : Balak m'a fait descendre d'Aram, Le roi de Moab m'a
fait descendre des montagnes de l'Orient. -Viens, maudis -moi Jacob ! Viens, sois irrité contre Israël !
8 Comment maudirais -je celui que Dieu n'a point maudit ? Comment serais-je irrité quand l'Éternel n'est
9 point irrité ? Je le vois du sommet des rochers, Je le contemple du haut des collines : C'est un peuple
10 qui a sa demeure à part, Et qui ne fait point partie des nations. Qui peut compter la poussière de Jacob,
Et dire le nombre du quart d'Israël ? Que je meure de la mort des justes, Et que ma fin soit semblable

à la leur ! Balak dit à Balaam : Que m'as-tu fait ? Je t'ai pris pour maudire mon ennemi, et voici, tu 11
le bénis ! Il répondit, et dit : N'aurai-je pas soin de dire ce que l'Éternel met dans ma bouche ? Balak 12, 13
lui dit : Viens donc avec moi dans un autre lieu, d'où tu le verras ; tu n'en verras qu 'une partie, tu
n'en verras pas la totalité. Et de là maudis -le-moi. Il le mena au champ de Tsophim, sur le sommet du 14
Pisga ; il bâtit sept autels, et offrit un taureau et un bélier sur chaque autel. Balaam dit à Balak : Tiens 15
-toi ici, près de ton holocauste, et j'irai à la rencontre de Dieu. L'Éternel vint au-devant de Balaam ; 16
il mit des paroles dans sa bouche, et dit : Retourne vers Balak, et tu parleras ainsi. Il retourna vers 17
lui ; et voici, Balak se tenait près de son holocauste, avec les chefs de Moab. Balak lui dit : Qu'est-ce que
l'Éternel a dit ? Balaam prononça son oracle, et dit : Lève -toi, Balak, écoute ! Prête-moi l'oreille, fils de 18
Tsippor ! Dieu n'est point un homme pour mentir, Ni fils d'un homme pour se repentir. Ce qu'il a dit, 19
ne le fera -t-il pas ? Ce qu'il a déclaré, ne l'exécutera -t il pas ? Voici, j'ai reçu l'ordre de bénir : Il a béni, 20
je ne le révoquerai point. Il n'aperçoit point d'iniquité en Jacob, Il ne voit point d'injustice en Israël ; 21
L'Éternel, son Dieu, est avec lui, Il est son roi, l'objet de son allégresse. Dieu les a fait sortir d'Égypte, 22
Il est pour eux comme la vigueur du buffle. L'enchantement ne peut rien contre Jacob, Ni la divination 23
contre Israël ; Au temps marqué, il sera dit à Jacob et à Israël : Quelle est l'oeuvre de Dieu. C'est un 24
peuple qui se lève comme une lionne, Et qui se dresse comme un lion ; Il ne se couche point jusqu'à ce
qu'il ait dévoré la proie, Et qu'il ait bu le sang des blessés. Balak dit à Balaam : Ne le maudis pas, mais 25
du moins ne le bénis pas. Balaam répondit, et dit à Balak : Ne t'ai-je pas parlé ainsi : Je ferai tout ce 26
que l'Éternel dira ? Balak dit à Balaam : Viens donc, je te mènerai dans un autre lieu ; peut être Dieu 27
trouvera-t-il bon que de là tu me maudisses ce peuple. Balak mena Balaam sur le sommet du Peor, en 28
regard du désert. Balaam dit à Balak : Bâtis -moi ici sept autels, et prépare -moi ici sept taureaux et 29
sept béliers. Balak fit ce que Balaam avait dit, et il offrit un taureau et un bélier sur chaque autel. 30

Balaam vit que l'Éternel trouvait bon de bénir Israël, et il n'alla point comme les autres fois, à la **24**
rencontre des enchantements ; mais il tourna son visage du côté du désert. Balaam leva les yeux, et 2
vit Israël campé selon ses tribus. Alors l'esprit de Dieu fut sur lui. Balaam prononça son oracle, et dit : 3
Parole de Balaam, fils de Beor, Parole de l'homme qui a l'oeil ouvert, Parole de celui qui entend les 4
paroles de Dieu, De celui qui voit la vision du Tout-Puissant, De celui qui se prosterne et dont les yeux
s'ouvrent. Qu'elles sont belles, tes tentes, ô Jacob ! Tes demeures, ô Israël ! Elles s'étendent comme 5, 6
des vallées, Comme des jardins près d'un fleuve, Comme des aloès que l'Éternel a plantés, Comme des
cèdres le long des eaux. L'eau coule de ses seaux, Et sa semence est fécondée par d'abondantes eaux. 7
Son roi s'élève au-dessus d'Agag, Et son royaume devient puissant. Dieu l'a fait sortir d'Égypte, Il 8
est pour lui comme la vigueur du buffle. Il dévore les nations qui s'élèvent contre lui, Il brise leurs os,
et les abat de ses flèches. Il ploie les genoux, il se couche comme un lion, comme une lionne : Qui le 9
fera lever ? Béni soit quiconque te bénira, Et maudit soit quiconque te maudira ! La colère de Balak 10
s'enflamma contre Balaam ; il frappa des mains, et dit à Balaam : C'est pour maudire mes ennemis
que je t'ai appelé, et voici, tu les as bénis déjà trois fois. Fuis maintenant, va-t'en chez toi ! J'avais dit 11
que je te rendrais des honneurs, mais l'Éternel t'empêche de les recevoir. Balaam répondit à Balak : 12
Eh ! n'ai-je pas dit aux messagers que tu m'as envoyés : Quand Balak me donnerait sa maison pleine 13
d'argent et d'or, je ne pourrais faire de moi-même ni bien ni mal contre l'ordre de l'Éternel ; je répéterai
ce que dira l'Éternel ? Et maintenant voici, je m'en vais vers mon peuple. Viens, je t'annoncerai ce que 14
ce peuple fera à ton peuple dans la suite des temps. Balaam prononça son oracle, et dit : Parole de 15
Balaam, fils de Beor, Parole de l'homme qui a l'oeil ouvert, Parole de celui qui entend les paroles de 16
Dieu, De celui qui connaît les desseins du Très-Haut, De celui qui voit la vision du Tout-Puissant, De
celui qui se prosterne et dont les yeux s'ouvrent. Je le vois, mais non maintenant, Je le contemple, 17
mais non de près. Un astre sort de Jacob, Un sceptre s'élève d'Israël. Il perce les flancs de Moab, Et il
abat tous les enfants de Seth. Il se rend maître d'Édom, Il se rend maître de Séir, ses ennemis. Israël 18
manifeste sa force. Celui qui sort de Jacob règne en souverain, Il fait périr ceux qui s'échappent des 19
villes. Balaam vit Amalek. Il prononça son oracle, et dit : Amalek est la première des nations, Mais 20
un jour il sera détruit. Balaam vit les Kéniens. Il prononça son oracle, et dit : Ta demeure est solide, 21
Et ton nid posé sur le roc. Mais le Kénien sera chassé, Quand l'Assyrien t'emmènera captif. Balaam 22, 23
prononça son oracle, et dit : Hélas ! qui vivra après que Dieu l'aura établi ? Mais des navires viendront 24
de Kittim, Ils humilieront l'Assyrien, ils humilieront l'Hébreu ; Et lui aussi sera détruit. Balaam se 25
leva, partit, et retourna chez lui. Balak s'en alla aussi de son côté.

Israël demeurait à Sittim ; et le peuple commença à se livrer à la débauche avec les filles de Moab. **25**
Elles invitèrent le peuple aux sacrifices de leurs dieux ; et le peuple mangea, et se prosterna devant 2
leurs dieux. Israël s'attacha à Baal-Peor, et la colère de l'Éternel s'enflamma contre Israël. L'Éternel 3, 4
dit à Moïse : Assemble tous les chefs du peuple, et fais pendre les coupables devant l'Éternel en face

du soleil, afin que la colère ardente de l'Éternel se détourne d'Israël. Moïse dit aux juges d'Israël : Que chacun de vous tue ceux de ses gens qui se sont attachés à Baal-Peor. Et voici, un homme des enfants d'Israël vint et amena vers ses frères une Madianite, sous les yeux de Moïse et sous les yeux de toute l'assemblée des enfants d'Israël, tandis qu'ils pleuraient à l'entrée de la tente d'assignation. À cette vue, Phinées, fils d'Éléazar, fils du sacrificateur Aaron, se leva du milieu de l'assemblée, et prit une lance, dans sa main. Il suivit l'homme d'Israël dans sa tente, et il les perça tous les deux, l'homme d'Israël, puis la femme, par le bas-ventre. Et la plaie s'arrêta parmi les enfants d'Israël. Il y en eut vingt -quatre mille qui moururent de la plaie. L'Éternel parla à Moïse, et dit : Phinées, fils d'Éléazar, fils du sacrificateur Aaron, a détourné ma fureur de dessus les enfants d'Israël, parce qu'il a été animé de mon zèle au milieu d'eux ; et je n'ai point, dans ma colère, consumé les enfants d'Israël. C'est pourquoi tu diras que je traite avec lui une alliance de paix. Ce sera pour lui et pour sa postérité après lui l'alliance d'un sacerdoce perpétuel, parce qu 'il a été zélé pour son Dieu, et qu'il a fait l'expiation pour les enfants d'Israël. L'homme d'Israël, qui fut tué avec la Madianite, s'appelait Zimri, fils de Salu ; il était chef d'une maison paternelle des Siméonites. La femme qui fut tuée, la Madianite, s'appelait Cozbi, fille de Tsur, chef des peuplades issues d'une maison paternelle en Madian. L'Éternel parla à Moïse, et dit : Traite les Madianites en ennemis, et tuez -les ; car ils se sont montrés vos ennemis, en vous séduisant par leurs ruses, dans l'affaire de Peor, et dans l'affaire de Cozbi, fille d'un chef de Madian, leur soeur, tuée le jour de la plaie qui eut lieu à l'occasion de Peor.

26 À la suite de cette plaie, l'Éternel dit à Moïse et à Éléazar, fils du sacrificateur Aaron : Faites le dénombrement de toute l'assemblée des enfants d'Israël, depuis l'âge de vingt ans et au-dessus, selon les maisons de leurs pères, de tous ceux d'Israël en état de porter les armes. Moïse et le sacrificateur Éléazar leur parlèrent dans les plaines de Moab, près du Jourdain, vis-à-vis de Jéricho. Ils dirent : On fera le dénombrement, depuis l'âge de vingt ans et au-dessus, comme l'Éternel l'avait ordonné à Moïse et aux enfants d'Israël, quand ils furent sortis du pays d'Égypte. Ruben, premier-né d'Israël. Fils de Ruben : Hénoc de qui descend la famille des Hénokites ; Pallu, de qui descend la famille des Palluites ; Hetsron, de qui descend la famille des Hetsronites ; Carmi, de qui descend la famille des Carmites. Ce sont là les familles des Rubénites : ceux dont on fit le dénombrement furent quarante -trois mille sept cent trente. - Fils de Pallu : Éliab. Fils d'Éliab : Nemuel, Dathan et Abiram. C'est ce Dathan et cet Abiram, qui étaient de ceux que l'on convoquait à l'assemblée, et qui se soulevèrent contre Moïse et Aaron, dans l'assemblée de Koré, lors de leur révolte contre l'Éternel. La terre ouvrit sa bouche, et les engloutit avec Koré, quand moururent ceux qui s'étaient assemblés, et que le feu consuma les deux cent cinquante hommes : ils servirent au peuple d'avertissement. Les fils de Koré ne moururent pas. Fils de Siméon, selon leurs familles : de Nemuel descend la famille des Nemuélites ; de Jamin, la famille des Jaminites ; de Jakin, la famille des Jakinites ; de Zérach, la famille des Zérachites ; de Saül, la famille des Saülites. Ce sont là les familles des Siméonites ; vingt -deux mille deux cents. Fils de Gad, selon leurs familles : de Tsephon descend la famille des Tsephonites ; de Haggi, la famille des Haggites ; de Schuni, la famille des Schunites ; d'Ozni, la famille des Oznites ; d'Éri, la famille des Érites ; d'Arod, la famille des Arodites ; d'Areéli, la famille des Areélites. Ce sont là les familles des fils de Gad, d'après leur dénombrement : quarante mille cinq cents. Fils de Juda : Er et Onan ; mais Er et Onan moururent au pays de Canaan. Voici les fils de Juda, selon leurs familles : de Schéla descend la famille des Schélanites ; de Pérets, la famille des Péretsites ; de Zérach, la famille des Zérachites. Les fils de Pérets furent : Hetsron, de qui descend la famille des Hetsronites ; Hamul, de qui descend la famille des Hamulites. Ce sont là les familles de Juda, d'après leur dénombrement : soixante-seize mille cinq cents. Fils d'Issacar, selon leurs familles : de Thola descend la famille des Tholaïtes ; de Puva, la famille des Puvites ; de Jaschub, la famille des Jaschubites ; de Schimron, la famille des Schimronites. Ce sont là les familles d'Issacar, d'après leur dénombrement : soixante quatre mille trois cents. Fils de Zabulon, selon leurs familles : de Séred descend la famille des Sardites ; d'Élon, la famille des Élonites ; de Jahleel, la famille des Jahleélites. Ce sont là les familles des Zabulonites, d'après leur dénombrement : soixante mille cinq cents. Fils de Joseph, selon leurs familles : Manassé et Éphraïm. Fils de Manassé : de Makir descend la famille des Makirites. -Makir engendra Galaad. De Galaad descend la famille des Galaadites. Voici les fils de Galaad : Jézer, de qui descend la famille des Jézerites ; Hélek, la famille des Hélekites ; Asriel, la famille des Asriélites ; Sichem, la famille des Sichémites ; Schemida, la famille des Schemidaïtes ; Hépher, la famille des Héphrites. Tselophchad, fils de Hépher, n'eut point de fils, mais il eut des filles. Voici les noms des filles de Tselophchad : Machla, Noa, Hogla, Milca et Thirtsa. Ce sont là les familles de Manassé, d'après leur dénombrement : cinquante -deux mille sept cents. Voici les fils d'Éphraïm, selon leurs familles : de Schutélach descend la famille des Schutalchites ; de Béker, la famille des Bakrites ; de Thachan, la famille des Thachanites. - Voici les fils de Schuté-

lach : d'Éran est descendue la famille des Éranites. Ce sont là les familles des fils d'Éphraïm, d'après 37
leur dénombrement : trente -deux mille cinq cents. Ce sont là les fils de Joseph, selon leurs familles.
Fils de Benjamin, selon leurs familles : de Béla descend la famille des Balites ; d'Aschbel, la famille 38
des Aschbélites ; d'Achiram, la famille des Achiramites ; de Schupham, la famille des Schuphamites ; 39
de Hupham, la famille des Huphamites. - Les fils de Béla furent : Ard et Naaman. D'Ard descend la 40
famille des Ardites ; de Naaman, la famille des Naamanites. Ce sont là les fils de Benjamin, selon leurs 41
familles et d'après leur dénombrement ; quarante -cinq mille six cents. Voici les fils de Dan, selon leurs 42
familles : de Schucham descend la famille des Schuchamites. Ce sont là les familles de Dan, selon leurs
familles. Total pour les familles des Schuchamites, d'après leur dénombrement : soixante -quatre mille 43
quatre cents. Fils d'Aser, selon leurs familles : de Jimna descend la famille des Jimnites ; de Jischvi, 44
la famille des Jischvites ; de Beria, la famille des Beriites. Des fils de Beria descendent : de Héber, la 45
famille des Hébrites ; de Malkiel, la famille des Malkiélites. Le nom de la fille d'Aser était Sérach. Ce 46, 47
sont là les familles des fils d'Aser, d'après leur dénombrement : cinquante -trois mille quatre cents. Fils 48
de Nephthali, selon leurs familles : de Jahtseel descend la famille des Jahtseélites ; de Guni, la famille
des Gunites ; de Jetser, la famille des Jitsrites ; de Schillem, la famille des Schillémites. Ce sont là les 49, 50
familles de Nephthali, selon leurs familles et d'après leur dénombrement : quarante -cinq mille quatre
cents. Tels sont ceux des enfants d'Israël dont on fit le dénombrement : six cent un mille sept cent 51
trente. L'Éternel parla à Moïse, et dit : Le pays sera partagé entre eux, pour être leur propriété, selon 52, 53
le nombre des noms. À ceux qui sont en plus grand nombre tu donneras une portion plus grande, et à 54
ceux qui sont en plus petit nombre tu donneras une portion plus petite ; on donnera à chacun sa portion
d'après le dénombrement. Mais le partage du pays aura lieu par le sort ; ils le recevront en propriété 55
selon les noms des tribus de leurs pères. C'est par le sort que le pays sera partagé entre ceux qui 56
sont en grand nombre et ceux qui sont en petit nombre. Voici les Lévites dont on fit le dénombrement, 57
selon leurs familles : de Guerschon descend la famille des Guerschonites ; de Kehath, la famille des
Kehathites ; de Merari, la famille des Merarites. Voici les familles de Lévi : la famille des Libnites, la 58
famille des Hébronites, la famille des Machlites, la famille des Muschites, la famille des Korites. Ke-
hath engendra Amram. Le nom de la femme d'Amram était Jokébed, fille de Lévi, laquelle naquit à 59
Lévi, en Égypte ; elle enfanta à Amram : Aaron, Moïse, et Marie, leur soeur. Il naquit à Aaron : Nadab 60
et Abihu, Éléazar et Ithamar. Nadab et Abihu moururent, lorsqu'ils apportèrent devant l'Éternel du 61
feu étranger. Ceux dont on fit le dénombrement, tous les mâles depuis l'âge d'un mois et au-dessus, 62
furent vingt -trois mille. Ils ne furent pas compris dans le dénombrement des enfants d'Israël, parce
qu'il ne leur fut point donné de possession au milieu des enfants d'Israël. Tels sont ceux des enfants 63
d'Israël dont Moïse et le sacrificateur Éléazar firent le dénombrement dans les plaines de Moab, près
du Jourdain, vis-à-vis de Jéricho. Parmi eux, il n'y avait aucun des enfants d'Israël dont Moïse et le 64
sacrificateur Aaron avaient fait le dénombrement dans le désert de Sinaï. Car l'Éternel avait dit : ils 65
mourront dans le désert, et il n'en restera pas un, excepté Caleb, fils de Jephunné, et Josué, fils de Nun.

Les filles de Tselophchad, fils de Hépher, fils de Galaad, fils de Makir, fils de Manassé, des familles de **27**
Manassé, fils de Joseph, et dont les noms étaient Machla, Noa, Hogla, Milca et Thirtsa, s'approchèrent 2
et se présentèrent devant Moïse, devant le sacrificateur Éléazar, et devant les princes et toute l'assem-
blée, à l'entrée de la tente d'assignation. Elles dirent : Notre père est mort dans le désert ; il n'était 3
pas au milieu de l'assemblée de ceux qui se révoltèrent contre l'Éternel, de l'assemblée de Koré, mais il
est mort pour son péché, et il n'avait point de fils. Pourquoi le nom de notre père serait-il retranché du 4
milieu de sa famille, parce qu'il n'avait point eu de fils ? Donne -nous une possession parmi les frères de
notre père. Moïse porta la cause devant l'Éternel. Et l'Éternel dit à Moïse : Les filles de Tselophchad 5, 6, 7
ont raison. Tu leur donneras en héritage une possession parmi les frères de leur père, et c'est à elles
que tu feras passer l'héritage de leur père. Tu parleras aux enfants d'Israël, et tu diras : Lorsqu'un 8
homme mourra sans laisser de fils, vous ferez passer son héritage à sa fille. S'il n'a point de fille, vous 9
donnerez son héritage à ses frères. S'il n'a point de frères, vous donnerez son héritage aux frères de 10
son père. S'il n'y a point de frères de son père, vous donnerez son héritage au plus proche parent dans 11
sa famille, et c'est lui qui le possédera. Ce sera pour les enfants d'Israël une loi et un droit, comme
l'Éternel l'a ordonné à Moïse. L'Éternel dit à Moïse : Monte sur cette montagne d'Abarim, et regarde 12
le pays que je donne aux enfants d'Israël. Tu le regarderas ; mais toi aussi, tu seras recueilli auprès de 13
ton peuple, comme Aaron, ton frère, a été recueilli ; parce que vous avez été rebelles à mon ordre, dans 14
le désert de Tsin, lors de la contestation de l'assemblée, et que vous ne m'avez point sanctifié à leurs
yeux à l'occasion des eaux. Ce sont les eaux de contestation, à Kadès, dans le désert de Tsin. Moïse 15
parla à l'Éternel, et dit : Que l'Éternel, le Dieu des esprits de toute chair, établisse sur l'assemblée 16
un homme qui sorte devant eux et qui entre devant eux, qui les fasse sortir et qui les fasse entrer, 17

18 afin que l'assemblée de l'Éternel ne soit pas comme des brebis qui n'ont point de berger. L'Éternel dit
19 à Moïse : Prends Josué, fils de Nun, homme en qui réside l'esprit ; et tu poseras ta main sur lui. Tu
le placeras devant le sacrificateur Éléazar et devant toute l'assemblée, et tu lui donneras des ordres
20 sous leurs yeux. Tu le rendras participant de ta dignité, afin que toute l'assemblée des enfants d'Israël
21 l'écoute. Il se présentera devant le sacrificateur Éléazar, qui consultera pour lui le jugement de l'urim
devant l'Éternel ; et Josué, tous les enfants d'Israël avec lui, et toute l'assemblée, sortiront sur l'ordre
22 d'Éléazar et entreront sur son ordre. Moïse fit ce que l'Éternel lui avait ordonné. Il prit Josué, et il le
23 plaça devant le sacrificateur Éléazar et devant toute l'assemblée. Il posa ses mains sur lui, et lui donna
des ordres, comme l'Éternel l'avait dit par Moïse.

28, 2 L'Éternel parla à Moïse, et dit : Donne cet ordre aux enfants d'Israël, et dis -leur : Vous aurez soin
de me présenter, au temps fixé, mon offrande, l'aliment de mes sacrifices consumés par le feu, et qui
3 me sont d'une agréable odeur. Tu leur diras : Voici le sacrifice consumé par le feu que vous offrirez
4 à l'Éternel : chaque jour, deux agneaux d'un an sans défaut, comme holocauste perpétuel. Tu offriras
5 l'un des agneaux le matin, et l'autre agneau entre les deux soirs, et, pour l'offrande, un dixième d'épha
6 de fleur de farine pétrie dans un quart de hin d'huile d'olives concassées. C'est l'holocauste perpétuel,
qui a été offert à la montagne de Sinaï ; c'est un sacrifice consumé par le feu, d'une agréable odeur à
7 l'Éternel. La libation sera d'un quart de hin pour chaque agneau : c'est dans le lieu saint que tu feras
8 la libation de vin à l'Éternel. Tu offriras le second agneau entre les deux soirs, avec une offrande et
une libation semblables à celles du matin ; c'est un sacrifice consumé par le feu, d'une agréable odeur à
9 l'Éternel. Le jour du sabbat, vous offrirez deux agneaux d'un an sans défaut, et, pour l'offrande, deux
10 dixièmes de fleur de farine pétrie à l'huile, avec la libation. C'est l'holocauste du sabbat, pour chaque
11 sabbat, outre l'holocauste perpétuel et la libation. Au commencement de vos mois, vous offrirez en
12 holocauste à l'Éternel deux jeunes taureaux, un bélier, et sept agneaux d'un an sans défaut ; et, comme
offrande pour chaque taureau, trois dixièmes de fleur de farine pétrie à l'huile ; comme offrande pour
13 le bélier, deux dixièmes de fleur de farine pétrie à l'huile ; comme offrande pour chaque agneau, un
dixième de fleur de farine pétrie à l'huile. C'est un holocauste, un sacrifice consumé par le feu, d'une
14 agréable odeur à l'Éternel. Les libations seront d'un demi -hin de vin pour un taureau, d'un tiers de
hin pour un bélier, et d'un quart de hin pour un agneau. C'est l'holocauste du commencement du mois,
15 pour chaque mois, pour tous les mois de l'année. On offrira à l'Éternel un bouc, en sacrifice d'expiation,
16 outre l'holocauste perpétuel et la libation. Le premier mois, le quatorzième jour du mois, ce sera la
17 Pâque de l'Éternel. Le quinzième jour de ce mois sera un jour de fête. On mangera pendant sept jours
18 des pains sans levain. Le premier jour, il y aura une sainte convocation : vous ne ferez aucune oeuvre
19 servile. Vous offrirez en holocauste à l'Éternel un sacrifice consumé par le feu : deux jeunes taureaux,
20 un bélier, et sept agneaux d'un an sans défaut. Vous y joindrez l'offrande de fleur de farine pétrie à
21 l'huile, trois dixièmes pour un taureau, deux dixièmes pour un bélier, et un dixième pour chacun des
22, 23 sept agneaux. Vous offrirez un bouc en sacrifice d'expiation, afin de faire pour vous l'expiation. Vous
24 offrirez ces sacrifices, outre l'holocauste du matin, qui est un holocauste perpétuel. Vous les offrirez
chaque jour, pendant sept jours, comme l'aliment d'un sacrifice consumé par le feu, d'une agréable
25 odeur à l'Éternel. On les offrira, outre l'holocauste perpétuel et la libation. Le septième jour, vous
26 aurez une sainte convocation : vous ne ferez aucune oeuvre servile. Le jour des prémices, où vous
présenterez à l'Éternel une offrande, à votre fête des semaines, vous aurez une sainte convocation :
27 vous ne ferez aucune oeuvre servile. Vous offrirez en holocauste, d'une agréable odeur à l'Éternel,
28 deux jeunes taureaux, un bélier, et sept agneaux d'un an. Vous y joindrez l'offrande de fleur de farine
29 pétrie à l'huile, trois dixièmes pour chaque taureau, deux dixièmes pour le bélier, et un dixième pour
30, 31 chacun des sept agneaux. Vous offrirez un bouc, afin de faire pour vous l'expiation. Vous offrirez
ces sacrifices, outre l'holocauste perpétuel et l'offrande. Vous aurez des agneaux sans défaut, et vous
joindrez les libations.

29 Le septième mois, le premier jour du mois, vous aurez une sainte convocation : vous ne ferez aucune
2 oeuvre servile. Ce jour sera publié parmi vous au son des trompettes. Vous offrirez en holocauste, d'une
3 agréable odeur à l'Éternel, un jeune taureau, un bélier, et sept agneaux d'un an sans défaut. Vous y
joindrez l'offrande de fleur de farine pétrie à l'huile, trois dixièmes pour le taureau, deux dixièmes pour
4, 5 le bélier, et un dixième pour chacun des sept agneaux. Vous offrirez un bouc en sacrifice d'expia-
6 tion, afin de faire pour vous l'expiation. Vous offrirez ces sacrifices, outre l'holocauste et l'offrande de
chaque mois, l'holocauste perpétuel et l'offrande, et les libations qui s'y joignent, d'après les règles éta-
7 blies. Ce sont des sacrifices consumés par le feu, d'une agréable odeur à l'Éternel. Le dixième jour de
ce septième mois, vous aurez une sainte convocation, et vous humilierez vos âmes : vous ne ferez aucun

ouvrage. Vous offrirez en holocauste, d'une agréable odeur à l'Éternel, un jeune taureau, un bélier, et 8
sept agneaux d'un an sans défaut. Vous y joindrez l'offrande de fleur de farine pétrie à l'huile, trois 9
dixièmes pour le taureau, deux dixièmes pour le bélier, et un dixième pour chacun des sept agneaux. 10
Vous offrirez un bouc en sacrifice d'expiation, outre le sacrifice des expiations, l'holocauste perpétuel 11
et l'offrande, et les libations ordinaires. Le quinzième jour du septième mois, vous aurez une sainte 12
convocation : vous ne ferez aucune oeuvre servile. Vous célébrerez une fête en l'honneur de l'Éternel,
pendant sept jours. Vous offrirez en holocauste un sacrifice consumé par le feu, d'une agréable odeur à 13
l'Éternel : treize jeunes taureaux, deux béliers, et quatorze agneaux d'un an sans défaut. Vous y join- 14
drez l'offrande de fleur de farine pétrie à l'huile, trois dixièmes pour chacun des treize taureaux, deux
dixièmes pour chacun des deux béliers, et un dixième pour chacun des quatorze agneaux. Vous offri- 15, 16
rez un bouc en sacrifice d'expiation, outre l'holocauste perpétuel, l'offrande et la libation. - Le second 17
jour, vous offrirez douze jeunes taureaux, deux béliers, et quatorze agneaux d'un an sans défaut, avec 18
l'offrande et les libations pour les taureaux, les béliers et les agneaux, selon leur nombre, d'après les
règles établies. Vous offrirez un bouc en sacrifice d'expiation, outre l'holocauste perpétuel, l'offrande 19
et la libation. - Le troisième jour, vous offrirez onze taureaux, deux béliers, et quatorze agneaux d'un 20
an sans défaut, avec l'offrande et les libations pour les taureaux, les béliers et les agneaux, selon leur 21
nombre, d'après les règles établies. Vous offrirez un bouc en sacrifice d'expiation, outre l'holocauste 22
perpétuel, l'offrande et la libation. - Le quatrième jour, vous offrirez dix taureaux, deux béliers, et 23
quatorze agneaux d'un an sans défaut, avec l'offrande et les libations pour les taureaux, les béliers 24
et les agneaux, selon leur nombre, d'après les règles établies. Vous offrirez un bouc en sacrifice d'ex- 25
piation, outre l'holocauste perpétuel, l'offrande et la libation. - Le cinquième jour, vous offrirez neuf 26
taureaux, deux béliers, et quatorze agneaux d'un an sans défaut, avec l'offrande et les libations pour 27
les taureaux, les béliers et les agneaux selon leur nombre, d'après les règles établies. Vous offrirez un 28
bouc en sacrifice d'expiation, outre l'holocauste perpétuel, l'offrande et la libation. - Le sixième jour, 29
vous offrirez huit taureaux, deux béliers et quatorze agneaux d'un an sans défaut, avec l'offrande et 30
les libations pour les taureaux, les béliers et les agneaux, selon leur nombre, d'après les règles établies.
Vous offrirez un bouc en sacrifice d'expiation, outre l'holocauste perpétuel, l'offrande et la libation. - Le 31, 32
septième jour, vous offrirez sept taureaux, deux béliers, et quatorze agneaux d'un an sans défaut, avec 33
l'offrande et les libations pour les taureaux, les béliers et les agneaux, selon leur nombre, d'après les
règles établies. Vous offrirez un bouc en sacrifice d'expiation, outre l'holocauste perpétuel, l'offrande 34
et la libation. - Le huitième jour, vous aurez une assemblée solennelle : vous ne ferez aucune oeuvre 35
servile. Vous offrirez en holocauste un sacrifice consumé par le feu, d'une agréable odeur à l'Éternel : 36
un taureau, un bélier, et sept agneaux d'un an sans défaut, avec l'offrande et les libations pour le tau- 37
reau, le bélier et les agneaux, selon leur nombre, d'après les règles établies. Vous offrirez un bouc en 38
sacrifice d'expiation, outre l'holocauste perpétuel, l'offrande et la libation. Tels sont les sacrifices que 39
vous offrirez à l'Éternel dans vos fêtes, outre vos holocaustes, vos offrandes et vos libations, et vos sacri-
fices de prospérité, en accomplissement d'un voeu ou en offrandes volontaires. Moïse dit aux enfants 40
d'Israël tout ce que l'Éternel lui avait ordonné.

Moïse parla aux chefs des tribus des enfants d'Israël, et dit : Voici ce que l'Éternel ordonne. Lors- **30**, 2
qu'un homme fera un voeu à l'Éternel, ou un serment pour se lier par un engagement, il ne violera
point sa parole, il agira selon tout ce qui est sorti de sa bouche. Lorsqu'une femme, dans sa jeunesse 3
et à la maison de son père, fera un voeu à l'Éternel et se liera par un engagement, et que son père 4
aura connaissance du voeu qu'elle a fait et de l'engagement par lequel elle s'est liée, -si son père garde
le silence envers elle, tout voeu qu'elle aura fait sera valable, et tout engagement par lequel elle se sera
liée sera valable ; mais si son père la désapprouve le jour où il en a connaissance, tous ses voeux et tous 5
les engagements par lesquels elle se sera liée n'auront aucune valeur ; et l'Éternel lui pardonnera, parce
qu'elle a été désapprouvée de son père. Lorsqu'elle sera mariée, après avoir fait des voeux, ou s'être 6
liée par une parole échappée de ses lèvres, et que son mari en aura connaissance, -s'il garde le silence 7
envers elle le jour où il en a connaissance, ses voeux seront valables, et les engagements par lesquels
elle se sera liée seront valables ; mais si son mari la désapprouve le jour où il en a connaissance, il 8
annulera le voeu qu'elle a fait et la parole échappée de ses lèvres, par laquelle elle s'est liée ; et l'Éternel
lui pardonnera. Le voeu d'une femme veuve ou répudiée, l'engagement quelconque par lequel elle se 9
sera liée, sera valable pour elle. Lorsqu'une femme, dans la maison de son mari, fera des voeux ou se 10
liera par un serment, et que son mari en aura connaissance, -s'il garde le silence envers elle et ne la 11
désapprouve pas, tous ses voeux seront valables, et tous les engagements par lesquels elle se sera liée
seront valables ; mais si son mari les annule le jour où il en a connaissance, tout voeu et tout engage- 12
ment sortis de ses lèvres n'auront aucune valeur, son mari les a annulés ; et l'Éternel lui pardonnera.

13 Son mari peut ratifier et son mari peut annuler tout voeu, tout serment par lequel elle s'engage à mor-
14 tifier sa personne. S'il garde de jour en jour le silence envers elle, il ratifie ainsi tous les voeux ou tous
les engagements par lesquels elle s'est liée ; il les ratifie, parce qu'il a gardé le silence envers elle le jour
15 où il en a eu connaissance. Mais s'il les annule après le jour où il en a eu connaissance, il sera coupable
16 du péché de sa femme. Telles sont les lois que l'Éternel prescrivit à Moïse, entre un mari et sa femme,
entre un père et sa fille, lorsqu'elle est dans sa jeunesse et à la maison de son père.

31, 2 L'Éternel parla à Moïse, et dit : Venge les enfants d'Israël sur les Madianites ; tu seras ensuite
3 recueilli auprès de ton peuple. Moïse parla au peuple, et dit : Équipez d'entre vous des hommes pour
4 l'armée, et qu'ils marchent contre Madian, afin d'exécuter la vengeance de l'Éternel sur Madian. Vous
5 enverrez à l'armée mille hommes par tribu, de toutes les tribus d'Israël. On leva d'entre les milliers
6 d'Israël mille hommes par tribu, soit douze mille hommes équipés pour l'armée. Moïse envoya à l'ar-
mée ces mille hommes par tribu, et avec eux le fils du sacrificateur Éléazar, Phinées, qui portait les
7 instruments sacrés et les trompettes retentissantes. Ils s'avancèrent contre Madian, selon l'ordre que
8 l'Éternel avait donné à Moïse ; et ils tuèrent tous les mâles. Ils tuèrent les rois de Madian avec tous les
autres, Évi, Rékem, Tsur, Hur et Réba, cinq rois de Madian ; ils tuèrent aussi par l'épée Balaam, fils de
9 Beor. Les enfants d'Israël firent prisonnières les femmes des Madianites avec leurs petits enfants, et
10 ils pillèrent tout leur bétail, tous leurs troupeaux et toutes leurs richesses. Ils incendièrent toutes les
11 villes qu'ils habitaient et tous leurs enclos. Ils prirent toutes les dépouilles et tout le butin, personnes
12 et bestiaux ; et ils amenèrent les captifs, le butin et les dépouilles, à Moïse, au sacrificateur Éléazar,
et à l'assemblée des enfants d'Israël, campés dans les plaines de Moab, près du Jourdain, vis-à-vis de
13 Jéricho. Moïse, le sacrificateur Éléazar, et tous les princes de l'assemblée, sortirent au-devant d'eux,
14 hors du camp. Et Moïse s'irrita contre les commandants de l'armée, les chefs de milliers et les chefs
15 de centaines, qui revenaient de l'expédition. Il leur dit : Avez-vous laissé la vie à toutes les femmes ?
16 Voici, ce sont elles qui, sur la parole de Balaam, ont entraîné les enfants d'Israël à l'infidélité envers
17 l'Éternel, dans l'affaire de Peor ; et alors éclata la plaie dans l'assemblée de l'Éternel. Maintenant, tuez
tout mâle parmi les petits enfants, et tuez toute femme qui a connu un homme en couchant avec lui ;
18, 19 mais laissez en vie pour vous toutes les filles qui n'ont point connu la couche d'un homme. Et vous,
campez pendant sept jours hors du camp ; tous ceux d'entre vous qui ont tué quelqu'un, et tous ceux
20 qui ont touché un mort, se purifieront le troisième et le septième jour, eux et vos prisonniers. Vous
purifierez aussi tout vêtement, tout objet de peau, tout ouvrage de poil de chèvre et tout ustensile de
21 bois. Le sacrificateur Éléazar dit aux soldats qui étaient allés à la guerre : Voici ce qui est ordonné
22, 23 par la loi que l'Éternel a prescrite à Moïse. L'or, l'argent, l'airain, le fer, l'étain et le plomb, tout objet
qui peut aller au feu, vous le ferez passer par le feu pour le rendre pur. Mais c'est par l'eau de purifi-
24 cation que sera purifié tout ce qui ne peut aller au feu ; vous le ferez passer dans l'eau. Vous laverez
25 vos vêtements le septième jour, et vous serez purs ; ensuite, vous pourrez entrer dans le camp. L'Éter-
26 nel dit à Moïse : Fais, avec le sacrificateur Éléazar et les chefs de maison de l'assemblée, le compte
27 du butin, de ce qui a été pris, personnes et bestiaux. Partage le butin entre les combattants qui sont
28 allés à l'armée et toute l'assemblée. Tu prélèveras sur la portion des soldats qui sont allés à l'armée
un tribut pour l'Éternel, savoir : un sur cinq cents, tant des personnes que des boeufs, des ânes et des
29 brebis. Vous le prendrez sur leur moitié, et tu le donneras au sacrificateur Éléazar comme une offrande
30 à l'Éternel. Et sur la moitié qui revient aux enfants d'Israël tu prendras un sur cinquante, tant des
personnes que des boeufs, des ânes et des brebis, de tout animal ; et tu le donneras aux Lévites, qui
31 ont la garde du tabernacle de l'Éternel. Moïse et le sacrificateur Éléazar firent ce que l'Éternel avait
32 ordonné à Moïse. Le butin, reste du pillage de ceux qui avaient fait partie de l'armée, était de six cent
33, 34, 35 soixante -quinze mille brebis, soixante-douze mille boeufs, soixante et un mille ânes, et trente -deux
36 mille personnes ou femmes qui n'avaient point connu la couche d'un homme. - La moitié, formant la
37 part de ceux qui étaient allés à l'armée, fut de trois cent trente -sept mille cinq cents brebis, dont six
38 cent soixante-quinze pour le tribut à l'Éternel ; trente -six mille boeufs, dont soixante-douze pour le
39, 40 tribut à l'Éternel ; trente mille cinq cents ânes, dont soixante et un pour le tribut à l'Éternel ; et seize
41 mille personnes, dont trente -deux pour le tribut à l'Éternel. Moïse donna au sacrificateur Éléazar le
42 tribut réservé comme offrande à l'Éternel, selon ce que l'Éternel lui avait ordonné. - La moitié qui
43 revenait aux enfants d'Israël, séparée par Moïse de celle des hommes de l'armée, et formant la part de
44, 45 l'assemblée, fut de trois cent trente -sept mille cinq cents brebis, trente -six mille boeufs, trente mille
46, 47 cinq cents ânes, et seize mille personnes. Sur cette moitié qui revenait aux enfants d'Israël, Moïse
prit un sur cinquante, tant des personnes que des animaux ; et il le donna aux Lévites, qui ont la garde

du tabernacle de l'Éternel, selon ce que l'Éternel lui avait ordonné. Les commandants des milliers de 48
l'armée, les chefs de milliers et les chefs de centaines, s'approchèrent de Moïse, et lui dirent : Tes ser- 49
viteurs ont fait le compte des soldats qui étaient sous nos ordres, et il ne manque pas un homme d'entre
nous. Nous apportons, comme offrande à l'Éternel, chacun les objets d'or que nous avons trouvés, chaî- 50
nettes, bracelets, anneaux, pendants d'oreilles, et colliers, afin de faire pour nos personnes l'expiation
devant l'Éternel. Moïse et le sacrificateur Éléazar reçurent d'eux tous ces objets travaillés en or. Tout 51, 52
l'or, que les chefs de milliers et les chefs de centaines présentèrent à l'Éternel en offrande par élévation,
pesait seize mille sept cent cinquante sicles. Les hommes de l'armée gardèrent chacun le butin qu'ils 53
avaient fait. Moïse et le sacrificateur Éléazar prirent l'or des chefs de milliers et des chefs de centaines, 54
et l'apportèrent à la tente d'assignation, comme souvenir pour les enfants d'Israël devant l'Éternel.

Les fils de Ruben et les fils de Gad avaient une quantité considérable de troupeaux, et ils virent que **32**
le pays de Jaezer et le pays de Galaad étaient un lieu propre pour des troupeaux. Alors les fils de Gad 2
et les fils de Ruben vinrent auprès de Moïse, du sacrificateur Éléazar et des princes de l'assemblée, et
ils leur dirent : Atharoth, Dibon, Jaezer, Nimra, Hesbon, Élealé, Sebam, Nebo et Beon, ce pays que 3, 4
l'Éternel a frappé devant l'assemblée d'Israël, est un lieu propre pour des troupeaux, et tes serviteurs
ont des troupeaux. Ils ajoutèrent : Si nous avons trouvé grâce à tes yeux, que la possession de ce pays 5
soit accordée à tes serviteurs, et ne nous fais point passer le Jourdain. Moïse répondit aux fils de Gad 6
et aux fils de Ruben : Vos frères iront -ils à la guerre, et vous, resterez -vous ici ? Pourquoi voulez- 7
vous décourager les enfants d'Israël de passer dans le pays que l'Éternel leur donne ? Ainsi firent vos 8
pères, quand je les envoyai de Kadès-Barnéa pour examiner le pays. Ils montèrent jusqu'à la vallée 9
d'Eschcol, et, après avoir examiné le pays, ils découragèrent les enfants d'Israël d'aller dans le pays que
l'Éternel leur donnait. La colère de l'Éternel s'enflamma ce jour -là, et il jura en disant : Ces hommes 10, 11
qui sont montés d'Égypte, depuis l'âge de vingt ans et au-dessus, ne verront point le pays que j'ai juré
de donner à Abraham, à Isaac et à Jacob, car ils n'ont pas suivi pleinement ma voie, excepté Caleb, fils 12
de Jephunné, le Kenizien, et Josué, fils de Nun, qui ont pleinement suivi la voie de l'Éternel. La colère 13
de l'Éternel s'enflamma contre Israël, et il les fit errer dans le désert pendant quarante années, jusqu'à
l'anéantissement de toute la génération qui avait fait le mal aux yeux de l'Éternel. Et voici, vous prenez 14
la place de vos pères comme des rejetons d'hommes pécheurs, pour rendre la colère de l'Éternel encore
plus ardente contre Israël. Car, si vous vous détournez de lui, il continuera de laisser Israël au désert, 15
et vous causerez la perte de tout ce peuple. Ils s'approchèrent de Moïse, et ils dirent : Nous construirons 16
ici des parcs pour nos troupeaux et des villes pour nos petits enfants ; puis nous nous équiperons en 17
hâte pour marcher devant les enfants d'Israël, jusqu'à ce que nous les ayons introduits dans le lieu
qui leur est destiné ; et nos petits enfants demeureront dans les villes fortes, à cause des habitants du
pays. Nous ne retournerons point dans nos maisons avant que les enfants d'Israël aient pris possession 18
chacun de son héritage ; et nous ne posséderons rien avec eux de l'autre côté du Jourdain, ni plus loin, 19
puisque nous aurons notre héritage de ce côté -ci du Jourdain, à l'orient. Moïse leur dit : Si vous faites 20
cela, si vous vous armez pour combattre devant l'Éternel, si tous ceux de vous qui s'armeront passent 21
le Jourdain devant l'Éternel jusqu'à ce qu'il ait chassé ses ennemis loin de sa face, et si vous revenez 22
seulement après que le pays aura été soumis devant l'Éternel, -vous serez alors sans reproche vis-à-vis
de l'Éternel et vis-à-vis d'Israël, et cette contrée -ci sera votre propriété devant l'Éternel. Mais si vous 23
ne faites pas ainsi, vous péchez contre l'Éternel ; sachez que votre péché vous atteindra. Construisez 24
des villes pour vos petits enfants et des parcs pour vos troupeaux, et faites ce que votre bouche a
déclaré. Les fils de Gad et les fils de Ruben dirent à Moïse : Tes serviteurs feront ce que mon seigneur 25
ordonne. Nos petits enfants, nos femmes, nos troupeaux et tout notre bétail, resteront dans les villes 26
de Galaad ; et tes serviteurs, tous armés pour la guerre, iront combattre devant l'Éternel, comme dit 27
mon seigneur. Moïse donna des ordres à leur sujet au sacrificateur Éléazar, à Josué, fils de Nun, et aux 28
chefs de famille dans les tribus des enfants d'Israël. Il leur dit : Si les fils de Gad et les fils de Ruben 29
passent avec vous le Jourdain, tous armés pour combattre devant l'Éternel, et que le pays soit soumis
devant vous, vous leur donnerez en propriété la contrée de Galaad. Mais s'ils ne marchent point en 30
armes avec vous, qu'ils s'établissent au milieu de vous dans le pays de Canaan. Les fils de Gad et 31
les fils de Ruben répondirent : Nous ferons ce que l'Éternel a dit à tes serviteurs. Nous passerons en 32
armes devant l'Éternel au pays de Canaan ; mais que nous possédions notre héritage de ce côté -ci du
Jourdain. Moïse donna aux fils de Gad et aux fils de Ruben, et à la moitié de la tribu de Manassé, fils de 33
Joseph, le royaume de Sihon, roi des Amoréens, et le royaume d'Og, roi de Basan, le pays avec ses villes,
avec les territoires des villes du pays tout alentour. Les fils de Gad bâtirent Dibon, Atharoth, Aroër, 34

35, 36 Athroth-Schophan, Jaezer, Jogbeha, Beth-Nimra et Beth-Haran, villes fortes, et ils firent des parcs
37, 38 pour les troupeaux. Les fils de Ruben bâtirent Hesbon, Élealé et Kirjathaïm, Nebo et Baal-Meon,
39 dont les noms furent changés, et Sibma, et ils donnèrent des noms aux villes qu'ils bâtirent. Les fils de
Makir, fils de Manassé, marchèrent contre Galaad, et s'en emparèrent ; ils chassèrent les Amoréens qui
40, 41 y étaient. Moïse donna Galaad à Makir, fils de Manassé, qui s'y établit. Jaïr, fils de Manassé, se mit
42 en marche, prit les bourgs, et les appela bourgs de Jaïr. Nobach se mit en marche, prit Kenath avec les
villes de son ressort, et l'appela Nobach, d'après son nom.

33 Voici les stations des enfants d'Israël qui sortirent du pays d'Égypte, selon leurs corps d'armée, sous
2 la conduite de Moïse et d'Aaron. Moïse écrivit leurs marches de station en station, d'après l'ordre
3 de l'Éternel. Et voici leurs stations, selon leurs marches. Ils partirent de Ramsès le premier mois, le
quinzième jour du premier mois. Le lendemain de la Pâque, les enfants d'Israël sortirent la main levée,
4 à la vue de tous les Égyptiens. Et les Égyptiens enterraient ceux que l'Éternel avait frappés parmi eux,
5 tous les premiers-nés ; l'Éternel exerçait aussi des jugements contre leurs dieux. Les enfants d'Israël
6 partirent de Ramsès, et campèrent à Succoth. Ils partirent de Succoth, et campèrent à Étham, qui
7 est à l'extrémité du désert. Ils partirent d'Étham, se détournèrent vers Pi-Hahiroth, vis-à-vis de Baal-
8 Tsephon, et campèrent devant Migdol. Ils partirent de devant Pi-Hahiroth, et passèrent au milieu
de la mer dans la direction du désert ; ils firent trois journées de marche dans le désert d'Étham, et
9 campèrent à Mara. Ils partirent de Mara, et arrivèrent à Élim ; il y avait à Élim douze sources d'eau
10 et soixante-dix palmiers : ce fut là qu'ils campèrent. Ils partirent d'Élim, et campèrent près de la mer
11, 12 Rouge. Ils partirent de la mer Rouge, et campèrent dans le désert de Sin. Ils partirent du désert de
13, 14 Sin, et campèrent à Dophka. Ils partirent de Dophka, et campèrent à Alusch. Ils partirent d'Alusch,
15 et campèrent à Rephidim, où le peuple ne trouva point d'eau à boire. Ils partirent de Rephidim, et
16 campèrent dans le désert de Sinaï. Ils partirent du désert du Sinaï, et campèrent à Kibroth-Hattaava.
17, 18 Ils partirent de Kibroth-Hattaava, et campèrent à Hatséroth. Ils partirent de Hatséroth, et campèrent
19, 20 à Rithma. Ils partirent de Rithma, et campèrent à Rimmon-Pérets. Ils partirent de Rimmon-Pérets, et
21, 22 campèrent à Libna. Ils partirent de Libna, et campèrent à Rissa. Ils partirent de Rissa, et campèrent
23, 24 à Kehélatha. Ils partirent de Kehélatha, et campèrent à la montagne de Schapher. Ils partirent de la
25 montagne de Schapher, et campèrent à Harada. Ils partirent de Harada, et campèrent à Makhéloth.
26, 27 Ils partirent de Makhéloth, et campèrent à Tahath. Ils partirent de Tahath, et campèrent à Tarach.
28, 29 Ils partirent de Tarach, et campèrent à Mithka. Ils partirent de Mithka, et campèrent à Haschmona.
30, 31 Ils partirent de Haschmona, et campèrent à Moséroth. Ils partirent de Moséroth, et campèrent à Bené-
32, 33 Jaakan. Ils partirent de Bené-Jaakan, et campèrent à Hor-Guidgad. Ils partirent de Hor-Guidgad, et
34, 35 campèrent à Jothbatha. Ils partirent de Jothbatha, et campèrent à Abrona. Ils partirent d'Abrona,
36 et campèrent à Etsjon-Guéber. Ils partirent d'Etsjon-Guéber, et campèrent dans le désert de Tsin :
37 c'est Kadès. Ils partirent de Kadès, et campèrent à la montagne de Hor, à l'extrémité du pays d'Édom.
38 Le sacrificateur Aaron monta sur la montagne de Hor, suivant l'ordre de l'Éternel ; et il y mourut, la
quarantième année après la sortie des enfants d'Israël du pays d'Égypte, le cinquième mois, le premier
39, 40 jour du mois. Aaron était âgé de cent vingt -trois ans lorsqu'il mourut sur la montagne de Hor. Le
41 roi d'Arad, Cananéen, qui habitait le midi du pays de Canaan, apprit l'arrivée des enfants d'Israël. Ils
42 partirent de la montagne de Hor, et campèrent à Tsalmona. Ils partirent de Tsalmona, et campèrent
43, 44 à Punon. Ils partirent de Punon, et campèrent à Oboth. Ils partirent d'Oboth, et campèrent à Ijjé-
45, 46 Abarim, sur la frontière de Moab. Ils partirent d'Ijjé-Abarim, et campèrent à Dibon-Gad. Ils partirent
47 de Dibon-Gad, et campèrent à Almon-Diblathaïm. Ils partirent d'Almon-Diblathaïm, et campèrent
48 aux montagnes d'Abarim, devant Nebo. Ils partirent des montagnes d'Abarim, et campèrent dans les
49 plaines de Moab, près du Jourdain, vis-à-vis de Jéricho. Ils campèrent près du Jourdain, depuis Beth-
50 Jeschimoth jusqu'à Abel-Sittim, dans les plaines de Moab. L'Éternel parla à Moïse dans les plaines de
51 Moab, près du Jourdain, vis-à-vis de Jéricho. Il dit : Parle aux enfants d'Israël, et dis -leur : Lorsque
52 vous aurez passé le Jourdain et que vous serez entrés dans le pays de Canaan, vous chasserez devant
vous tous les habitants du pays, vous détruirez toutes leurs idoles de pierre, vous détruirez toutes leurs
53 images de fonte, et vous détruirez tous leurs hauts lieux. Vous prendrez possession du pays, et vous
54 vous y établirez ; car je vous ai donné le pays, pour qu'il soit votre propriété. Vous partagerez le pays
par le sort, selon vos familles. À ceux qui sont en plus grand nombre vous donnerez une portion plus
grande, et à ceux qui sont en plus petit nombre vous donnerez une portion plus petite. Chacun possédera
55 ce qui lui sera échu par le sort : vous le recevrez en propriété, selon les tribus de vos pères. Mais si vous
ne chassez pas devant vous les habitants du pays, ceux d'entre eux que vous laisserez seront comme
des épines dans vos yeux et des aiguillons dans vos côtés, ils seront vos ennemis dans le pays où vous
56 allez vous établir. Et il arrivera que je vous traiterai comme j'avais résolu de les traiter.

L'Éternel parla à Moïse, et dit : Donne cet ordre aux enfants d'Israël, et dis -leur : Quand vous **34**, 2
serez entrés dans le pays de Canaan, ce pays deviendra votre héritage, le pays de Canaan, dont voici
les limites. Le côté du midi commencera au désert de Tsin près d'Édom. Ainsi, votre limite méridionale 3
partira de l'extrémité de la mer Salée, vers l'orient ; elle tournera au sud de la montée d'Akrabbim, 4
passera par Tsin, et s'étendra jusqu'au midi de Kadès-Barnéa ; elle continuera par Hatsar-Addar, et
passera vers Atsmon ; depuis Atsmon, elle tournera jusqu'au torrent d'Égypte, pour aboutir à la mer. 5
Votre limite occidentale sera la grande mer : ce sera votre limite à l'occident. Voici quelle sera votre 6, 7
limite septentrionale : à partir de la grande mer, vous la tracerez jusqu'à la montagne de Hor ; depuis 8
la montagne de Hor, vous la ferez passer par Hamath, et arriver à Tsedad ; elle continuera par Ziphron, 9
pour aboutir à Hatsar-Énan : ce sera votre limite au septentrion. Vous tracerez votre limite orientale 10
de Hatsar-Énan à Schepham ; elle descendra de Schepham vers Ribla, à l'orient d'Aïn ; elle descendra, 11
et s'étendra le long de la mer de Kinnéreth, à l'orient ; elle descendra encore vers le Jourdain, pour 12
aboutir à la mer Salée. Tel sera votre pays avec ses limites tout autour. Moïse transmit cet ordre 13
aux enfants d'Israël, et dit : C'est là le pays que vous partagerez par le sort, et que l'Éternel a résolu
de donner aux neuf tribus et à la demi -tribu. Car la tribu des fils de Ruben et la tribu des fils de 14
Gad ont pris leur héritage, selon les maisons de leurs pères ; la demi-tribu de Manassé a aussi pris
son héritage. Ces deux tribus et la demi -tribu ont pris leur héritage en deçà du Jourdain, vis-à-vis de 15
Jéricho, du côté de l'orient. L'Éternel parla à Moïse, et dit : Voici les noms des hommes qui partageront 16, 17
entre vous le pays : le sacrificateur Éléazar, et Josué, fils de Nun. Vous prendrez encore un prince de 18
chaque tribu, pour faire le partage du pays. Voici les noms de ces hommes. Pour la tribu de Juda : 19
Caleb, fils de Jephunné ; pour la tribu des fils de Siméon : Samuel, fils d'Ammihud ; pour la tribu de 20, 21
Benjamin : Élidad, fils de Kislon ; pour la tribu des fils de Dan : le prince Buki, fils de Jogli ; pour les 22, 23
fils de Joseph, -pour la tribu des fils de Manassé : le prince Hanniel, fils d'Éphod ; - et pour la tribu 24
des fils d'Éphraïm : le prince Kemuel, fils de Schiphtan ; pour la tribu des fils de Zabulon : le prince 25
Élitsaphan, fils de Parnac ; pour la tribu des fils d'Issacar : le prince Paltiel, fils d'Azzan ; pour la 26, 27
tribu des fils d'Aser : le prince Ahihud, fils de Schelomi ; pour la tribu des fils de Nephthali : le prince 28
Pedahel, fils d'Ammihud. Tels sont ceux à qui l'Éternel ordonna de partager le pays de Canaan entre 29
les enfants d'Israël.

L'Éternel parla à Moïse, dans les plaines de Moab, près du Jourdain, vis-à-vis de Jéricho. Il dit : **35**
Ordonne aux enfants d'Israël d'accorder aux Lévites, sur l'héritage qu'ils posséderont, des villes où 2
ils puissent habiter. Vous donnerez aussi aux Lévites une banlieue autour de ces villes. Ils auront 3
les villes pour y habiter ; et les banlieues seront pour leur bétail, pour leurs biens et pour tous leurs
animaux. Les banlieues des villes que vous donnerez aux Lévites auront, à partir du mur de la ville et 4
au dehors, mille coudées tout autour. Vous mesurerez, en dehors de la ville, deux mille coudées pour 5
le côté oriental, deux mille coudées pour le côté méridional, deux mille coudées pour le côté occidental,
et deux mille coudées pour le côté septentrional. La ville sera au milieu. Telles seront les banlieues de
leurs villes. Parmi les villes que vous donnerez aux Lévites, il y aura six villes de refuge où pourra 6
s'enfuir le meurtrier, et quarante -deux autres villes. Total des villes que vous donnerez aux Lévites : 7
quarante -huit villes, avec leurs banlieues. Les villes que vous donnerez sur les propriétés des enfants 8
d'Israël seront livrées en plus grand nombre par ceux qui en ont le plus, et en plus petit nombre par ceux
qui en ont moins ; chacun donnera de ses villes aux Lévites à proportion de l'héritage qu'il possédera.
L'Éternel parla à Moïse, et dit : Parle aux enfants d'Israël, et dis -leur : Lorsque vous aurez passé le 9, 10
Jourdain et que vous serez entrés dans le pays de Canaan, vous vous établirez des villes qui soient 11
pour vous des villes de refuge, où pourra s'enfuir le meurtrier qui aura tué quelqu'un involontairement.
Ces villes vous serviront de refuge contre le vengeur du sang, afin que le meurtrier ne soit point mis à 12
mort avant d'avoir comparu devant l'assemblée pour être jugé. Des villes que vous donnerez, six seront 13
pour vous des villes de refuge. Vous donnerez trois villes au delà du Jourdain, et vous donnerez trois 14
villes dans le pays de Canaan : ce seront des villes de refuge. Ces six villes serviront de refuge aux 15
enfants d'Israël, à l'étranger et à celui qui demeure au milieu de vous : là pourra s'enfuir tout homme
qui aura tué quelqu'un involontairement. Si un homme frappe son prochain avec un instrument de fer, 16
et que la mort en soit la suite, c'est un meurtrier : le meurtrier sera puni de mort. S'il le frappe, tenant 17
à la main une pierre qui puisse causer la mort, et que la mort en soit la suite, c'est un meurtrier : le
meurtrier sera puni de mort. S'il le frappe, tenant à la main un instrument de bois qui puisse causer la 18
mort, et que la mort en soit la suite, c'est un meurtrier : le meurtrier sera puni de mort. Le vengeur du 19
sang fera mourir le meurtrier ; quand il le rencontrera, il le tuera. Si un homme pousse son prochain 20
par un mouvement de haine, ou s'il jette quelque chose sur lui avec préméditation, et que la mort en
soit la suite, ou s'il le frappe de sa main par inimitié, et que la mort en soit la suite, celui qui a frappé 21

sera puni de mort, c'est un meurtrier : le vengeur du sang tuera le meurtrier, quand il le rencontrera.
22 Mais si un homme pousse son prochain subitement et non par inimitié, ou s'il jette quelque chose sur
23 lui sans préméditation, ou s'il fait tomber sur lui par mégarde une pierre qui puisse causer la mort,
24 et que la mort en soit la suite, sans qu'il ait de la haine contre lui et qu'il lui cherche du mal, voici les
25 lois d'après lesquelles l'assemblée jugera entre celui qui a frappé et le vengeur du sang. L'assemblée
délivrera le meurtrier de la main du vengeur du sang, et le fera retourner dans la ville de refuge où il
26 s'était enfui. Il y demeurera jusqu'à la mort du souverain sacrificateur qu'on a oint de l'huile sainte. Si
27 le meurtrier sort du territoire de la ville de refuge où il s'est enfui, et si le vengeur du sang le rencontre
hors du territoire de la ville de refuge et qu'il tue le meurtrier, il ne sera point coupable de meurtre.
28 Car le meurtrier doit demeurer dans sa ville de refuge jusqu'à la mort du souverain sacrificateur ; et
29 après la mort du souverain sacrificateur, il pourra retourner dans sa propriété. Voici des ordonnances
30 de droit pour vous et pour vos descendants, dans tous les lieux où vous habiterez. Si un homme tue
quelqu'un, on ôtera la vie au meurtrier, sur la déposition de témoins. Un seul témoin ne suffira pas pour
31 faire condamner une personne à mort. Vous n'accepterez point de rançon pour la vie d'un meurtrier qui
32 mérite la mort, car il sera puni de mort. Vous n'accepterez point de rançon, qui lui permette de s'enfuir
33 dans sa ville de refuge, et de retourner habiter dans le pays après la mort du sacrificateur. Vous ne
souillerez point le pays où vous serez, car le sang souille le pays ; et il ne sera fait pour le pays aucune
34 expiation du sang qui y sera répandu que par le sang de celui qui l'aura répandu. Vous ne souillerez
point le pays où vous allez demeurer, et au milieu duquel j'habiterai ; car je suis l'Éternel, qui habite au
milieu des enfants d'Israël.

36 Les chefs de la famille de Galaad, fils de Makir, fils de Manassé, d'entre les familles des fils de Joseph,
s'approchèrent et parlèrent devant Moïse et devant les princes, chefs de famille des enfants d'Israël.
2 Ils dirent : L'Éternel a ordonné à mon seigneur de donner le pays en héritage par le sort aux enfants
d'Israël. Mon seigneur a aussi reçu de l'Éternel l'ordre de donner l'héritage de Tselophchad, notre frère,
3 à ses filles. Si elles se marient à l'un des fils d'une autre tribu des enfants d'Israël, leur héritage sera
retranché de l'héritage de nos pères et ajouté à celui de la tribu à laquelle elles appartiendront ; ainsi
4 sera diminué l'héritage qui nous est échu par le sort. Et quand viendra le jubilé pour les enfants
d'Israël, leur héritage sera ajouté à celui de la tribu à laquelle elles appartiendront, et il sera retranché
5 de celui de la tribu de nos pères. Moïse transmit aux enfants d'Israël les ordres de l'Éternel. Il dit : La
6 tribu des fils de Joseph a raison. Voici ce que l'Éternel ordonne au sujet des filles de Tselophchad : elles
se marieront à qui elles voudront, pourvu qu'elles se marient dans une famille de la tribu de leurs pères.
7 Aucun héritage parmi les enfants d'Israël ne passera d'une tribu à une autre tribu, mais les enfants
8 d'Israël s'attacheront chacun à l'héritage de la tribu de ses pères. Et toute fille, possédant un héritage
dans les tribus des enfants d'Israël, se mariera à quelqu'un d'une famille de la tribu de son père, afin
9 que les enfants d'Israël possèdent chacun l'héritage de leurs pères. Aucun héritage ne passera d'une
10 tribu à une autre tribu, mais les tribus des enfants d'Israël s'attacheront chacune à son héritage. Les
11 filles de Tselophchad se conformèrent à l'ordre que l'Éternel avait donné à Moïse. Machla, Thirtsa,
12 Hogla, Milca et Noa, filles de Tselophchad, se marièrent aux fils de leurs oncles ; elles se marièrent
dans les familles des fils de Manassé, fils de Joseph, et leur héritage resta dans la tribu de la famille de
13 leur père. Tels sont les commandements et les lois que l'Éternel donna par Moïse aux enfants d'Israël,
dans les plaines de Moab, près du Jourdain, vis-à-vis de Jéricho.

DEUTÉRONOME

Voici les paroles que Moïse adressa à tout Israël, de l'autre côté du Jourdain, dans le désert, dans **1**
la plaine, vis-à-vis de Suph, entre Paran, Tophel, Laban, Hatséroth et Di-Zahab. Il y a onze 2
journées depuis Horeb, par le chemin de la montagne de Séir, jusqu'à Kadès-Barnéa. Dans 3
la quarantième année, au onzième mois, le premier du mois, Moïse parla aux enfants d'Israël
selon tout ce que l'Éternel lui avait ordonné de leur dire. C'était après qu'il eut battu Sihon, roi des 4
Amoréens, qui habitait à Hesbon, et Og, roi de Basan, qui habitait à Aschtaroth et à Édréi. De l'autre 5
côté du Jourdain, dans le pays de Moab, Moïse commença à expliquer cette loi, et dit : L'Éternel, notre 6
Dieu, nous a parlé à Horeb, en disant : Vous avez assez demeuré dans cette montagne. Tournez -vous, 7
et partez ; allez à la montagne des Amoréens et dans tout le voisinage, dans la plaine, sur la montagne,
dans la vallée, dans le midi, sur la côte de la mer, au pays des Cananéens et au Liban, jusqu'au grand
fleuve, au fleuve d'Euphrate. Voyez, j'ai mis le pays devant vous ; allez, et prenez possession du pays 8
que l'Éternel a juré à vos pères, Abraham, Isaac et Jacob, de donner à eux et à leur postérité après eux.
Dans ce temps -là, je vous dis : Je ne puis pas, à moi seul, vous porter. L'Éternel, votre Dieu, vous a 9, 10
multipliés, et vous êtes aujourd'hui aussi nombreux que les étoiles du ciel. Que l'Éternel, le Dieu de 11
vos pères, vous augmente mille fois autant, et qu'il vous bénisse comme il vous l'a promis ! Comment 12
porterais -je, à moi seul, votre charge, votre fardeau et vos contestations ? Prenez dans vos tribus des 13
hommes sages, intelligents et connus, et je les mettrai à votre tête. Vous me répondîtes, en disant : 14
Ce que tu proposes de faire est une bonne chose. Je pris alors les chefs de vos tribus, des hommes 15
sages et connus, et je les mis à votre tête comme chefs de mille, chefs de cent, chefs de cinquante, et
chefs de dix, et comme ayant autorité dans vos tribus. Je donnai, dans le même temps, cet ordre à 16
vos juges : Écoutez vos frères, et jugez selon la justice les différends de chacun avec son frère ou avec
l'étranger. Vous n'aurez point égard à l'apparence des personnes dans vos jugements ; vous écouterez 17
le petit comme le grand ; vous ne craindrez aucun homme, car c'est Dieu qui rend la justice. Et lorsque
vous trouverez une cause trop difficile, vous la porterez devant moi, pour que je l'entende. C'est ainsi 18
que je vous prescrivis, dans ce temps -là, tout ce que vous aviez à faire. Nous partîmes d'Horeb, et 19
nous parcourûmes en entier ce grand et affreux désert que vous avez vu ; nous prîmes le chemin de
la montagne des Amoréens, comme l'Éternel, notre Dieu, nous l'avait ordonné, et nous arrivâmes à
Kadès-Barnéa. Je vous dis : Vous êtes arrivés à la montagne des Amoréens, que l'Éternel, notre Dieu, 20
nous donne. Vois, l'Éternel, ton Dieu, met le pays devant toi ; monte, prends-en possession, comme te 21
l'a dit l'Éternel, le Dieu de tes pères ; ne crains point, et ne t'effraie point. Vous vous approchâtes tous 22
de moi, et vous dîtes : Envoyons des hommes devant nous, pour explorer le pays, et pour nous faire un
rapport sur le chemin par lequel nous y monterons et sur les villes où nous arriverons. Cet avis me 23
parut bon ; et je pris douze hommes parmi vous, un homme par tribu. Ils partirent, traversèrent la 24
montagne, et arrivèrent jusqu'à la vallée d'Eschcol, qu'ils explorèrent. Ils prirent dans leurs mains des 25
fruits du pays, et nous les présentèrent ; ils nous firent un rapport, et dirent : C'est un bon pays, que
l'Éternel, notre Dieu, nous donne. Mais vous ne voulûtes point y monter, et vous fûtes rebelles à l'ordre 26
de l'Éternel, votre Dieu. Vous murmurâtes dans vos tentes, et vous dîtes : C'est parce que l'Éternel 27
nous hait, qu'il nous a fait sortir du pays d'Égypte, afin de nous livrer entre les mains des Amoréens
et de nous détruire. Où monterions -nous ? Nos frères nous ont fait perdre courage, en disant : C'est 28
un peuple plus grand et de plus haute taille que nous ; ce sont des villes grandes et fortifiées jusqu'au
ciel ; nous y avons même vu des enfants d'Anak. Je vous dis : Ne vous épouvantez pas, et n'ayez pas 29
peur d'eux. L'Éternel, votre Dieu, qui marche devant vous, combattra lui-même pour vous, selon tout 30
ce qu'il a fait pour vous sous vos yeux en Égypte, puis au désert, où tu as vu que l'Éternel, ton Dieu, t'a 31
porté comme un homme porte son fils, pendant toute la route que vous avez faite jusqu'à votre arrivée
en ce lieu. Malgré cela, vous n'eûtes point confiance en l'Éternel, votre Dieu, qui allait devant vous 32, 33
sur la route pour vous chercher un lieu de campement, la nuit dans un feu afin de vous montrer le
chemin où vous deviez marcher, et le jour dans une nuée. L'Éternel entendit le bruit de vos paroles. 34
Il s'irrita, et jura, en disant : Aucun des hommes de cette génération méchante ne verra le bon pays 35
que j'ai juré de donner à vos pères, excepté Caleb, fils de Jephunné ; il le verra, lui, et je donnerai à 36
lui et à ses enfants le pays sur lequel il a marché, parce qu'il a pleinement suivi la voie de l'Éternel.
L'Éternel s'irrita aussi contre moi, à cause de vous, et il dit : Toi non plus, tu n'y entreras point. Josué, 37, 38
fils de Nun, ton serviteur, y entrera ; fortifie -le, car c'est lui qui mettra Israël en possession de ce pays.
Et vos petits enfants, dont vous avez dit : Ils deviendront une proie ! et vos fils, qui ne connaissent 39

aujourd'hui ni le bien ni le mal, ce sont eux qui y entreront, c'est à eux que je le donnerai, et ce sont
40 eux qui le posséderont. Mais vous, tournez -vous, et partez pour le désert, dans la direction de la mer
41 Rouge. Vous répondîtes, en me disant : Nous avons péché contre l'Éternel ; nous monterons et nous combattrons, comme l'Éternel, notre Dieu, nous l'a ordonné. Et vous ceignîtes chacun vos armes, et
42 vous fîtes le projet téméraire de monter à la montagne. L'Éternel me dit : Dis -leur : Ne montez pas et ne combattez pas, car je ne suis pas au milieu de vous ; ne vous faites pas battre par vos ennemis.
43 Je vous parlai, mais vous n'écoutâtes point ; vous fûtes rebelles à l'ordre de l'Éternel, et vous montâtes
44 audacieusement à la montagne. Alors les Amoréens, qui habitent cette montagne, sortirent à votre
45 rencontre, et vous poursuivirent comme font les abeilles ; ils vous battirent en Séir, jusqu'à Horma. À votre retour, vous pleurâtes devant l'Éternel ; mais l'Éternel n'écouta point votre voix, et ne vous prêta
46 point l'oreille. Vous restâtes à Kadès, où le temps que vous y avez passé fut de longue durée.

2 Nous nous tournâmes, et nous partîmes pour le désert, par le chemin de la mer Rouge, comme
2 l'Éternel me l'avait ordonné ; nous suivîmes longtemps les contours de la montagne de Séir. L'Éternel
3, 4 me dit : Vous avez assez suivi les contours de cette montagne. Tournez -vous vers le nord. Donne cet ordre au peuple : Vous allez passer à la frontière de vos frères, les enfants d'Ésaü, qui habitent en Séir.
5 Ils vous craindront ; mais soyez bien sur vos gardes. Ne les attaquez pas ; car je ne vous donnerai dans leur pays pas même de quoi poser la plante du pied : j'ai donné la montagne de Séir en propriété à Ésaü.
6 Vous achèterez d'eux à prix d'argent la nourriture que vous mangerez, et vous achèterez d'eux à prix
7 d'argent même l'eau que vous boirez. Car l'Éternel, ton Dieu, t'a béni dans tout le travail de tes mains, il a connu ta marche dans ce grand désert. Voilà quarante années que l'Éternel, ton Dieu, est avec toi :
8 tu n'as manqué de rien. Nous passâmes à distance de nos frères, les enfants d'Ésaü, qui habitent en Séir, et à distance du chemin de la plaine, d'Élath et d'Etsjon-Guéber, puis nous nous tournâmes, et nous
9 prîmes la direction du désert de Moab. L'Éternel me dit : N'attaque pas Moab, et ne t'engage pas dans un combat avec lui ; car je ne te donnerai rien à posséder dans son pays : c'est aux enfants de Lot que j'ai
10 donné Ar en propriété. (Les Émim y habitaient auparavant ; c'était un peuple grand, nombreux et de
11 haute taille, comme les Anakim. Ils passaient aussi pour être des Rephaïm, de même que les Anakim ;
12 mais les Moabites les appelaient Émim. Séir était habité autrefois par les Horiens ; les enfants d'Ésaü les chassèrent, les détruisirent devant eux, et s'établirent à leur place, comme l'a fait Israël dans le
13 pays qu'il possède et que l'Éternel lui a donné.) Maintenant levez -vous, et passez le torrent de Zéred.
14 Nous passâmes le torrent de Zéred. Le temps que durèrent nos marches de Kadès-Barnéa au passage du torrent de Zéred fut de trente -huit ans, jusqu'à ce que toute la génération des hommes de guerre
15 eût disparu du milieu du camp, comme l'Éternel le leur avait juré. La main de l'Éternel fut aussi sur
16 eux pour les détruire du milieu du camp, jusqu'à ce qu'ils eussent disparu. Lorsque tous les hommes
17, 18 de guerre eurent disparu par la mort du milieu du peuple, l'Éternel me parla, et dit : Tu passeras
19 aujourd'hui la frontière de Moab, à Ar, et tu approcheras des enfants d'Ammon. Ne les attaque pas, et ne t'engage pas dans un combat avec eux ; car je ne te donnerai rien à posséder dans le pays des enfants
20 d'Ammon : c'est aux enfants de Lot que je l'ai donné en propriété. (Ce pays passait aussi pour un pays de Rephaïm ; des Rephaïm y habitaient auparavant, et les Ammonites les appelaient Zamzummim :
21 c'était un peuple grand, nombreux et de haute taille, comme les Anakim. L'Éternel les détruisit devant
22 les Ammonites, qui les chassèrent et s'établirent à leur place. C'est ainsi que fit l'Éternel pour les enfants d'Ésaü qui habitent en Séir, quand il détruisit les Horiens devant eux ; ils les chassèrent et
23 s'établirent à leur place, jusqu'à ce jour. Les Avviens, qui habitaient dans des villages jusqu'à Gaza,
24 furent détruits par les Caphtorim, sortis de Caphtor, qui s'établirent à leur place.) Levez -vous, partez, et passez le torrent de l'Arnon. Vois, je livre entre tes mains Sihon, roi de Hesbon, l'Amoréen et son pays.
25 Commence la conquête, fais-lui la guerre ! Je vais répandre dès aujourd'hui la frayeur et la crainte de toi sur tous les peuples qui sont sous le ciel ; et, au bruit de ta renommée, ils trembleront et seront saisis
26 d'angoisse à cause de toi. J'envoyai, du désert de Kedémoth, des messagers à Sihon, roi de Hesbon, avec
27 des paroles de paix. Je lui fis dire : Laisse-moi passer par ton pays ; je suivrai la grande route, sans
28 m'écarter ni à droite ni à gauche. Tu me vendras à prix d'argent la nourriture que je mangerai, et tu
29 me donneras à prix d'argent l'eau que je boirai ; je ne ferai que passer avec mes pieds. C'est ce que m'ont accordé les enfants d'Ésaü qui habitent en Séir, et les Moabites qui demeurent à Ar. Accorde-le aussi, jusqu'à ce que je passe le Jourdain pour entrer au pays que l'Éternel, notre Dieu, nous donne.
30 Mais Sihon, roi de Hesbon, ne voulut point nous laisser passer chez lui ; car l'Éternel, ton Dieu, rendit son esprit inflexible et endurcit son coeur, afin de le livrer entre tes mains, comme tu le vois aujourd'hui.
31, 32 L'Éternel me dit : Vois, je te livre dès maintenant Sihon et son pays. Sihon sortit à notre rencontre,

avec tout son peuple, pour nous combattre à Jahats. L'Éternel, notre Dieu, nous le livra, et nous le 33
battîmes, lui et ses fils, et tout son peuple. Nous prîmes alors toutes ses villes, et nous les dévouâmes 34
par interdit, hommes, femmes et petits enfants, sans en laisser échapper un seul. Seulement, nous 35
pillâmes pour nous le bétail et le butin des villes que nous avions prises. Depuis Aroër sur les bords du 36
torrent de l'Arnon, et la ville qui est dans la vallée, jusqu'à Galaad, il n'y eut pas de ville trop forte pour
nous : l'Éternel, notre Dieu, nous livra tout. Mais tu n'approchas point du pays des enfants d'Ammon, 37
de tous les bords du torrent de Jabbok, des villes de la montagne, de tous les lieux que l'Éternel, notre
Dieu, t'avait défendu d'attaquer.

Nous nous tournâmes, et nous montâmes par le chemin de Basan. Og, roi de Basan, sortit à notre **3**
rencontre, avec tout son peuple, pour nous combattre à Édréi. L'Éternel me dit : Ne le crains point ; car 2
je le livre entre tes mains, lui et tout son peuple, et son pays ; tu le traiteras comme tu as traité Sihon,
roi des Amoréens, qui habitait à Hesbon. Et l'Éternel, notre Dieu, livra encore entre nos mains Og, 3
roi de Basan, avec tout son peuple ; nous le battîmes, sans laisser échapper aucun de ses gens. Nous 4
prîmes alors toutes ses villes, et il n'y en eut pas une qui ne tombât en notre pouvoir : soixante villes,
toute la contrée d'Argob, le royaume d'Og en Basan. Toutes ces villes étaient fortifiées, avec de hautes 5
murailles, des portes et des barres ; il y avait aussi des villes sans murailles en très grand nombre.
Nous les dévouâmes par interdit, comme nous l'avions fait à Sihon, roi de Hesbon ; nous dévouâmes 6
toutes les villes par interdit, hommes, femmes et petits enfants. Mais nous pillâmes pour nous tout 7
le bétail et le butin des villes. C'est ainsi que, dans ce temps -là, nous conquîmes sur les deux rois 8
des Amoréens le pays de l'autre côté du Jourdain, depuis le torrent de l'Arnon jusqu'à la montagne de
l'Hermon (les Sidoniens donnent à l'Hermon le nom de Sirion, et les Amoréens celui de Senir,) toutes 9, 10
les villes de la plaine, tout Galaad et tout Basan jusqu'à Salca et Édréi, villes du royaume d'Og en
Basan. (Og, roi de Basan, était resté seul de la race des Rephaïm. Voici, son lit, un lit de fer, n'est-il 11
pas à Rabbath, ville des enfants d'Ammon ? Sa longueur est de neuf coudées, et sa largeur de quatre
coudées, en coudées d'homme.) Nous prîmes alors possession de ce pays. Je donnai aux Rubénites 12
et aux Gadites le territoire à partir d'Aroër sur le torrent de l'Arnon et la moitié de la montagne de
Galaad avec ses villes. Je donnai à la moitié de la tribu de Manassé le reste de Galaad et tout le 13
royaume d'Og en Basan : toute la contrée d'Argob, avec tout Basan, c'est ce qu'on appelait le pays des
Rephaïm. Jaïr, fils de Manassé, prit toute la contrée d'Argob jusqu'à la frontière des Gueschuriens et 14
des Maacathiens, et il donna son nom aux bourgs de Basan, appelés encore aujourd'hui bourgs de Jaïr.
Je donnai Galaad à Makir. Aux Rubénites et aux Gadites je donnai une partie de Galaad jusqu'au 15, 16
torrent de l'Arnon, dont le milieu sert de limite, et jusqu'au torrent de Jabbok, frontière des enfants
d'Ammon ; je leur donnai encore la plaine, limitée par le Jourdain, depuis Kinnéreth jusqu'à la mer 17
de la plaine, la mer Salée, au pied du Pisga vers l'orient. En ce temps -là, je vous donnai cet ordre. 18
L'Éternel, votre Dieu, vous livre ce pays, pour que vous le possédiez. Vous tous, soldats, vous marcherez
en armes devant les enfants d'Israël. Vos femmes seulement, vos petits enfants et vos troupeaux -je 19
sais que vous avez de nombreux troupeaux -resteront dans les villes que je vous ai données, jusqu'à ce 20
que l'Éternel ait accordé du repos à vos frères comme à vous, et qu'ils possèdent, eux aussi, le pays que
l'Éternel, votre Dieu, leur donne de l'autre côté du Jourdain. Et vous retournerez chacun dans l'héritage
que je vous ai donné. En ce temps -là, je donnai des ordres à Josué, et je dis : Tes yeux ont vu tout ce 21
que l'Éternel, votre Dieu, a fait à ces deux rois : ainsi fera l'Éternel à tous les royaumes contre lesquels
tu vas marcher. Ne les craignez point ; car l'Éternel, votre Dieu, combattra lui-même pour vous. En 22, 23
ce temps -là, j'implorai la miséricorde de l'Éternel, en disant : Seigneur Éternel, tu as commencé à 24
montrer à ton serviteur ta grandeur et ta main puissante ; car quel dieu y a-t-il, au ciel et sur la terre,
qui puisse imiter tes oeuvres et tes hauts faits ? Laisse-moi passer, je te prie, laisse-moi voir ce bon 25
pays de l'autre côté du Jourdain, ces belles montagnes et le Liban. Mais l'Éternel s'irrita contre moi, à 26
cause de vous, et il ne m'écouta point. L'Éternel me dit : C'est assez, ne me parle plus de cette affaire.
Monte au sommet du Pisga, porte tes regards à l'occident, au nord, au midi et à l'orient, et contemple 27
de tes yeux ; car tu ne passeras pas ce Jourdain. Donne des ordres à Josué, fortifie -le et affermis -le ; 28
car c'est lui qui marchera devant ce peuple et qui le mettra en possession du pays que tu verras. Nous 29
demeurâmes dans la vallée, vis-à-vis de Beth-Peor.

Maintenant, Israël, écoute les lois et les ordonnances que je vous enseigne. Mettez-les en pratique, **4**
afin que vous viviez, et que vous entriez en possession du pays que vous donne l'Éternel, le Dieu de
vos pères. Vous n'ajouterez rien à ce que je vous prescris, et vous n'en retrancherez rien ; mais vous 2
observerez les commandements de l'Éternel, votre Dieu, tels que je vous les prescris. Vos yeux ont vu 3
ce que l'Éternel a fait à l'occasion de Baal-Peor : l'Éternel, ton Dieu, a détruit du milieu de toi tous
ceux qui étaient allés après Baal-Peor. Et vous, qui vous êtes attachés à l'Éternel, votre Dieu, vous 4

5 êtes aujourd'hui tous vivants. Voici, je vous ai enseigné des lois et des ordonnances, comme l'Éternel,
mon Dieu, me l'a commandé, afin que vous les mettiez en pratique dans le pays dont vous allez prendre
6 possession. Vous les observerez et vous les mettrez en pratique ; car ce sera là votre sagesse et votre
intelligence aux yeux des peuples, qui entendront parler de toutes ces lois et qui diront : Cette grande
7 nation est un peuple absolument sage et intelligent ! Quelle est, en effet, la grande nation qui ait des
8 dieux aussi proches que l'Éternel, notre Dieu, l'est de nous toutes les fois que nous l'invoquons ? Et
quelle est la grande nation qui ait des lois et des ordonnances justes, comme toute cette loi que je
9 vous présente aujourd'hui ? Seulement, prends garde à toi et veille attentivement sur ton âme, tous
les jours de ta vie, de peur que tu n'oublies les choses que tes yeux ont vues, et qu'elles ne sortent
10 de ton coeur ; enseigne -les à tes enfants et aux enfants de tes enfants. Souviens-toi du jour où tu te
présentas devant l'Éternel, ton Dieu, à Horeb, lorsque l'Éternel me dit : Assemble auprès de moi le
peuple ! Je veux leur faire entendre mes paroles, afin qu'ils apprennent à me craindre tout le temps
11 qu'ils vivront sur la terre ; et afin qu'ils les enseignent à leurs enfants. Vous vous approchâtes et vous
vous tîntes au pied de la montagne. La montagne était embrasée, et les flammes s'élevaient jusqu'au
12 milieu du ciel. Il y avait des ténèbres, des nuées, de l'obscurité. Et l'Éternel vous parla du milieu du
feu ; vous entendîtes le son des paroles, mais vous ne vîtes point de figure, vous n'entendîtes qu 'une
13 voix. Il publia son alliance, qu'il vous ordonna d'observer, les dix commandements ; et il les écrivit
14 sur deux tables de pierre. En ce temps -là, l'Éternel me commanda de vous enseigner des lois et des
ordonnances, afin que vous les mettiez en pratique dans le pays dont vous allez prendre possession.
15 Puisque vous n'avez vu aucune figure le jour où l'Éternel vous parla du milieu du feu, à Horeb, veillez
16 attentivement sur vos âmes, de peur que vous ne vous corrompiez et que vous ne vous fassiez une
17 image taillée, une représentation de quelque idole, la figure d'un homme ou d'une femme, la figure
18 d'un animal qui soit sur la terre, la figure d'un oiseau qui vole dans les cieux, la figure d'une bête qui
19 rampe sur le sol, la figure d'un poisson qui vive dans les eaux au-dessous de la terre. Veille sur ton
âme, de peur que, levant tes yeux vers le ciel, et voyant le soleil, la lune et les étoiles, toute l'armée
des cieux, tu ne sois entraîné à te prosterner en leur présence et à leur rendre un culte : ce sont des
20 choses que l'Éternel, ton Dieu, a données en partage à tous les peuples, sous le ciel tout entier. Mais
vous, l'Éternel vous a pris, et vous a fait sortir de la fournaise de fer de l'Égypte, afin que vous fussiez
21 un peuple qui lui appartînt en propre, comme vous l'êtes aujourd'hui. Et l'Éternel s'irrita contre moi,
à cause de vous ; et il jura que je ne passerais point le Jourdain, et que je n'entrerais point dans le bon
22 pays que l'Éternel, ton Dieu, te donne en héritage. Je mourrai donc en ce pays -ci, je ne passerai point
23 le Jourdain ; mais vous le passerez, et vous posséderez ce bon pays. Veillez sur vous, afin de ne point
mettre en oubli l'alliance que l'Éternel, votre Dieu, a traitée avec vous, et de ne point vous faire d'image
24 taillée, de représentation quelconque, que l'Éternel, ton Dieu, t'ait défendue. Car l'Éternel, ton Dieu,
25 est un feu dévorant, un Dieu jaloux. Lorsque tu auras des enfants, et des enfants de tes enfants, et que
vous serez depuis longtemps dans le pays, si vous vous corrompez, si vous faites des images taillées, des
représentations de quoi que ce soit, si vous faites ce qui est mal aux yeux de l'Éternel, votre Dieu, pour
26 l'irriter, - j'en prends aujourd'hui à témoin contre vous le ciel et la terre, -vous disparaîtrez par une
mort rapide du pays dont vous allez prendre possession au delà du Jourdain, vous n'y prolongerez pas
27 vos jours, car vous serez entièrement détruits. L'Éternel vous dispersera parmi les peuples, et vous ne
28 resterez qu'un petit nombre au milieu des nations où l'Éternel vous emmènera. Et là, vous servirez des
dieux, ouvrage de mains d'homme, du bois et de la pierre, qui ne peuvent ni voir, ni entendre, ni manger,
29 ni sentir. C'est de là aussi que tu chercheras l'Éternel, ton Dieu, et que tu le trouveras, si tu le cherches
30 de tout ton coeur et de toute ton âme. Au sein de ta détresse, toutes ces choses t'arriveront. Alors, dans
31 la suite des temps, tu retourneras à l'Éternel, ton Dieu, et tu écouteras sa voix ; car l'Éternel, ton
Dieu, est un Dieu de miséricorde, qui ne t'abandonnera point et ne te détruira point : il n'oubliera pas
32 l'alliance de tes pères, qu'il leur a jurée. Interroge les temps anciens qui t'ont précédé, depuis le jour où
Dieu créa l'homme sur la terre, et d'une extrémité du ciel à l'autre : y eut-il jamais si grand événement,
33 et a-t-on jamais ouï chose semblable ? Fut-il jamais un peuple qui entendît la voix de Dieu parlant du
34 milieu du feu, comme tu l'as entendue, et qui soit demeuré vivant ? Fut-il jamais un dieu qui essayât
de venir prendre à lui une nation du milieu d'une nation, par des épreuves, des signes, des miracles et
des combats, à main forte et à bras étendu, et avec des prodiges de terreur, comme l'a fait pour vous
35 l'Éternel, votre Dieu, en Égypte et sous vos yeux ? Tu as été rendu témoin de ces choses, afin que tu
36 reconnusses que l'Éternel est Dieu, qu'il n'y en a point d'autre. Du ciel, il t'a fait entendre sa voix pour
t'instruire ; et, sur la terre, il t'a fait voir son grand feu, et tu as entendu ses paroles du milieu du feu.
37 Il a aimé tes pères, et il a choisi leur postérité après eux ; il t'a fait lui-même sortir d'Égypte par sa
38 grande puissance ; il a chassé devant toi des nations supérieures en nombre et en force, pour te faire

entrer dans leur pays, pour t'en donner la possession, comme tu le vois aujourd'hui. Sache donc en 39
ce jour, et retiens dans ton coeur que l'Éternel est Dieu, en haut dans le ciel et en bas sur la terre, et
qu'il n'y en a point d'autre. Et observe ses lois et ses commandements que je te prescris aujourd'hui, 40
afin que tu sois heureux, toi et tes enfants après toi, et que tu prolonges désormais tes jours dans le
pays que l'Éternel, ton Dieu, te donne. Alors Moïse choisit trois villes de l'autre côté du Jourdain, à 41
l'orient, afin qu'elles servissent de refuge au meurtrier qui aurait involontairement tué son prochain, 42
sans avoir été auparavant son ennemi, et afin qu'il pût sauver sa vie en s'enfuyant dans l'une de ces
villes. C'étaient : Betser, dans le désert, dans la plaine, chez les Rubénites ; Ramoth, en Galaad, chez 43
les Gadites, et Golan, en Basan, chez les Manassites. C'est ici la loi que présenta Moïse aux enfants 44
d'Israël. Voici les préceptes, les lois et les ordonnances que Moïse prescrivit aux enfants d'Israël, après 45
leur sortie d'Égypte. C'était de l'autre côté du Jourdain, dans la vallée, vis-à-vis de Beth-Peor, au pays 46
de Sihon, roi des Amoréens, qui habitait à Hesbon, et qui fut battu par Moïse et les enfants d'Israël,
après leur sortie d'Égypte. Ils s'emparèrent de son pays et de celui d'Og, roi de Basan. Ces deux rois 47
des Amoréens étaient de l'autre côté du Jourdain, à l'orient. Leur territoire s'étendait depuis Aroër sur 48
les bords du torrent de l'Arnon jusqu'à la montagne de Sion qui est l'Hermon, et il embrassait toute la 49
plaine de l'autre côté du Jourdain, à l'orient, jusqu'à la mer de la plaine, au pied du Pisga.

Moïse convoqua tout Israël, et leur dit : Écoute, Israël, les lois et les ordonnances que je vous fais **5**
entendre aujourd'hui. Apprenez -les, et mettez-les soigneusement en pratique. L'Éternel, notre Dieu, 2
a traité avec nous une alliance à Horeb. Ce n'est point avec nos pères que l'Éternel a traité cette 3
alliance ; c'est avec nous, qui sommes ici aujourd'hui, tous vivants. L'Éternel vous parla face à face sur 4
la montagne, du milieu du feu. Je me tins alors entre l'Éternel et vous, pour vous annoncer la parole 5
de l'Éternel ; car vous aviez peur du feu, et vous ne montâtes point sur la montagne. Il dit : Je suis 6
l'Éternel, ton Dieu, qui t'ai fait sortir du pays d'Égypte, de la maison de servitude. Tu n'auras point 7
d'autres dieux devant ma face. Tu ne te feras point d'image taillée, de représentation quelconque des 8
choses qui sont en haut dans les cieux, qui sont en bas sur la terre, et qui sont dans les eaux plus bas
que la terre. Tu ne te prosterneras point devant elles, et tu ne les serviras point ; car moi, l'Éternel, 9
ton Dieu, je suis un Dieu jaloux, qui punis l'iniquité des pères sur les enfants jusqu'à la troisième et
à la quatrième génération de ceux qui me haïssent, et qui fais miséricorde jusqu'en mille générations 10
à ceux qui m'aiment et qui gardent mes commandements. Tu ne prendras point le nom de l'Éternel, 11
ton Dieu, en vain ; car l'Éternel ne laissera point impuni celui qui prendra son nom en vain. Observe 12
le jour du repos, pour le sanctifier, comme l'Éternel, ton Dieu, te l'a ordonné. Tu travailleras six jours, 13
et tu feras tout ton ouvrage. Mais le septième jour est le jour du repos de l'Éternel, ton Dieu : tu ne 14
feras aucun ouvrage, ni toi, ni ton fils, ni ta fille, ni ton serviteur, ni ta servante, ni ton boeuf, ni ton
âne, ni aucune de tes bêtes, ni l'étranger qui est dans tes portes, afin que ton serviteur et ta servante
se reposent comme toi. Tu te souviendras que tu as été esclave au pays d'Égypte, et que l'Éternel, ton 15
Dieu, t'en a fait sortir à main forte et à bras étendu : c'est pourquoi l'Éternel, ton Dieu, t'a ordonné
d'observer le jour du repos. Honore ton père et ta mère, comme l'Éternel, ton Dieu, te l'a ordonné, afin 16
que tes jours se prolongent et que tu sois heureux dans le pays que l'Éternel, ton Dieu, te donne. Tu ne 17
tueras point. Tu ne commettras point d'adultère. Tu ne déroberas point. Tu ne porteras point de faux 18, 19, 20
témoignage contre ton prochain. Tu ne convoiteras point la femme de ton prochain ; tu ne désireras 21
point la maison de ton prochain, ni son champ, ni son serviteur, ni sa servante, ni son boeuf, ni son
âne, ni aucune chose qui appartienne à ton prochain. Telles sont les paroles que prononça l'Éternel à 22
haute voix sur la montagne, du milieu du feu, des nuées et de l'obscurité, et qu'il adressa à toute votre
assemblée, sans rien ajouter. Il les écrivit sur deux tables de pierre, qu'il me donna. Lorsque vous 23
eûtes entendu la voix du milieu des ténèbres, et tandis que la montagne était toute en feu, vos chefs
de tribus et vos anciens s'approchèrent tous de moi, et vous dîtes : Voici, l'Éternel, notre Dieu, nous 24
a montré sa gloire et sa grandeur, et nous avons entendu sa voix du milieu du feu ; aujourd'hui, nous
avons vu que Dieu a parlé à des hommes, et qu'ils sont demeurés vivants. Et maintenant pourquoi 25
mourrions -nous ? car ce grand feu nous dévorera ; si nous continuons à entendre la voix de l'Éternel,
notre Dieu, nous mourrons. Quel est l'homme, en effet, qui ait jamais entendu, comme nous, la voix du 26
Dieu vivant parlant du milieu du feu, et qui soit demeuré vivant ? Approche, toi, et écoute tout ce que 27
dira l'Éternel, notre Dieu ; tu nous rapporteras toi-même tout ce que te dira l'Éternel, notre Dieu ; nous
l'écouterons, et nous le ferons. L'Éternel entendit les paroles que vous m'adressâtes. Et l'Éternel me 28
dit : J'ai entendu les paroles que ce peuple t'a adressées : tout ce qu'ils ont dit est bien. Oh ! s'ils avaient 29
toujours ce même coeur pour me craindre et pour observer tous mes commandements, afin qu'ils fussent

30, 31 heureux à jamais, eux et leurs enfants ! Va, dis -leur : Retournez dans vos tentes. Mais toi, reste ici
avec moi, et je te dirai tous les commandements, les lois et les ordonnances, que tu leur enseigneras,
32 afin qu'ils les mettent en pratique dans le pays dont je leur donne la possession. Vous ferez avec soin ce
33 que l'Éternel, votre Dieu, vous a ordonné ; vous ne vous en détournerez ni à droite, ni à gauche. Vous
suivrez entièrement la voie que l'Éternel, votre Dieu, vous a prescrite, afin que vous viviez et que vous
soyez heureux, afin que vous prolongiez vos jours dans le pays dont vous aurez la possession.

6 Voici les commandements, les lois et les ordonnances que l'Éternel, votre Dieu, a commandé de vous
2 enseigner, afin que vous les mettiez en pratique dans le pays dont vous allez prendre possession ; afin
que tu craignes l'Éternel, ton Dieu, en observant, tous les jours de ta vie, toi, ton fils, et le fils de ton
fils, toutes ses lois et tous ses commandements que je te prescris, et afin que tes jours soient prolongés.
3 Tu les écouteras donc, Israël, et tu auras soin de les mettre en pratique, afin que tu sois heureux et
que vous multipliiez beaucoup, comme te l'a dit l'Éternel, le Dieu de tes pères, en te promettant un
4, 5 pays où coulent le lait et le miel. Écoute, Israël ! l'Éternel, notre Dieu, est le seul Éternel. Tu aimeras
6 l'Éternel, ton Dieu, de tout ton coeur, de toute ton âme et de toute ta force. Et ces commandements,
7 que je te donne aujourd'hui, seront dans ton coeur. Tu les inculqueras à tes enfants, et tu en parleras
quand tu seras dans ta maison, quand tu iras en voyage, quand tu te coucheras et quand tu te lèveras.
8, 9 Tu les lieras comme un signe sur tes mains, et ils seront comme des fronteaux entre tes yeux. Tu les
10 écriras sur les poteaux de ta maison et sur tes portes. L'Éternel, ton Dieu, te fera entrer dans le pays
qu'il a juré à tes pères, à Abraham, à Isaac et à Jacob, de te donner. Tu posséderas de grandes et bonnes
11 villes que tu n'as point bâties, des maisons qui sont pleines de toutes sortes de biens et que tu n'as
point remplies, des citernes creusées que tu n'as point creusées, des vignes et des oliviers que tu n'as
12 point plantés. Lorsque tu mangeras et te rassasieras, garde -toi d'oublier l'Éternel, qui t'a fait sortir du
13 pays d'Égypte, de la maison de servitude. Tu craindras l'Éternel, ton Dieu, tu le serviras, et tu jureras
14 par son nom. Vous n'irez point après d'autres dieux, d'entre les dieux des peuples qui sont autour de
15 vous ; car l'Éternel, ton Dieu, est un Dieu jaloux au milieu de toi. La colère de l'Éternel, ton Dieu,
16 s'enflammerait contre toi, et il t'exterminerait de dessus la terre. Vous ne tenterez point l'Éternel,
17 votre Dieu, comme vous l'avez tenté à Massa. Mais vous observerez les commandements de l'Éternel,
18 votre Dieu, ses ordonnances et ses lois qu'il vous a prescrites. Tu feras ce qui est droit et ce qui est
bien aux yeux de l'Éternel, afin que tu sois heureux, et que tu entres en possession du bon pays que
19 l'Éternel a juré à tes pères de te donner, après qu'il aura chassé tous tes ennemis devant toi, comme
20 l'Éternel l'a dit. Lorsque ton fils te demandera un jour : Que signifient ces préceptes, ces lois et ces
21 ordonnances, que l'Éternel, notre Dieu, vous a prescrits ? tu diras à ton fils : Nous étions esclaves de
22 Pharaon en Égypte, et l'Éternel nous a fait sortir de l'Égypte par sa main puissante. L'Éternel a opéré,
sous nos yeux, des miracles et des prodiges, grands et désastreux, contre l'Égypte, contre Pharaon et
23 contre toute sa maison ; et il nous a fait sortir de là, pour nous amener dans le pays qu'il avait juré
24 à nos pères de nous donner. L'Éternel nous a commandé de mettre en pratique toutes ces lois, et de
craindre l'Éternel, notre Dieu, afin que nous fussions toujours heureux, et qu'il nous conservât la vie,
25 comme il le fait aujourd'hui. Nous aurons la justice en partage, si nous mettons soigneusement en
pratique tous ces commandements devant l'Éternel, notre Dieu, comme il nous l'a ordonné.

7 Lorsque l'Éternel, ton Dieu, t'aura fait entrer dans le pays dont tu vas prendre possession, et qu'il
chassera devant toi beaucoup de nations, les Héthiens, les Guirgasiens, les Amoréens, les Cananéens,
les Phéréziens, les Héviens et les Jébusiens, sept nations plus nombreuses et plus puissantes que toi ;
2 lorsque l'Éternel, ton Dieu, te les aura livrées et que tu les auras battues, tu les dévoueras par interdit,
3 tu ne traiteras point d'alliance avec elles, et tu ne leur feras point grâce. Tu ne contracteras point
de mariage avec ces peuples, tu ne donneras point tes filles à leurs fils, et tu ne prendras point leurs
4 filles pour tes fils ; car ils détourneraient de moi tes fils, qui serviraient d'autres dieux, et la colère
5 de l'Éternel s'enflammerait contre vous : il te détruirait promptement. Voici, au contraire, comment
vous agirez à leur égard : vous renverserez leurs autels, vous briserez leurs statues, vous abattrez leurs
6 idoles, et vous brûlerez au feu leurs images taillées. Car tu es un peuple saint pour l'Éternel, ton Dieu ;
l'Éternel, ton Dieu, t'a choisi, pour que tu fusses un peuple qui lui appartînt entre tous les peuples
7 qui sont sur la face de la terre. Ce n'est point parce que vous surpassez en nombre tous les peuples,
que l'Éternel s'est attaché à vous et qu'il vous a choisis, car vous êtes le moindre de tous les peuples.
8 Mais, parce que l'Éternel vous aime, parce qu'il a voulu tenir le serment qu'il avait fait à vos pères,
l'Éternel vous a fait sortir par sa main puissante, vous a délivrés de la maison de servitude, de la main

de Pharaon, roi d'Égypte. Sache donc que c'est l'Éternel, ton Dieu, qui est Dieu. Ce Dieu fidèle garde 9
son alliance et sa miséricorde jusqu'à la millième génération envers ceux qui l'aiment et qui observent
ses commandements. Mais il use directement de représailles envers ceux qui le haïssent, et il les fait 10
périr ; il ne diffère point envers celui qui le hait, il use directement de représailles. Ainsi, observe les 11
commandements, les lois et les ordonnances que je te prescris aujourd'hui, et mets-les en pratique. Si 12
vous écoutez ces ordonnances, si vous les observez et les mettez en pratique, l'Éternel, ton Dieu, gardera
envers toi l'alliance et la miséricorde qu'il a jurées à tes pères. Il t'aimera, il te bénira et te multipliera ; 13
il bénira le fruit de tes entrailles et le fruit de ton sol, ton blé, ton moût et ton huile, les portées de ton
gros et de ton menu bétail, dans le pays qu'il a juré à tes pères de te donner. Tu seras béni plus que 14
tous les peuples ; il n'y aura chez toi ni homme ni femme stérile, ni bête stérile parmi tes troupeaux.
L'Éternel éloignera de toi toute maladie ; il ne t'enverra aucune de ces mauvaises maladies d'Égypte 15
qui te sont connues, mais il en frappera tous ceux qui te haïssent. Tu dévoreras tous les peuples que 16
l'Éternel, ton Dieu, va te livrer, tu ne jetteras pas sur eux un regard de pitié, et tu ne serviras point
leurs dieux, car ce serait un piège pour toi. Peut-être diras -tu dans ton coeur : Ces nations sont plus 17
nombreuses que moi ; comment pourrai -je les chasser ? Ne les crains point. Rappelle à ton souvenir 18
ce que l'Éternel, ton Dieu, a fait à Pharaon et à toute l'Égypte, les grandes épreuves que tes yeux ont 19
vues, les miracles et les prodiges, la main forte et le bras étendu, quand l'Éternel, ton Dieu, t'a fait
sortir : ainsi fera l'Éternel, ton Dieu, à tous les peuples que tu redoutes. L'Éternel, ton Dieu, enverra 20
même les frelons contre eux, jusqu'à la destruction de ceux qui échapperont et qui se cacheront devant
toi. Ne sois point effrayé à cause d'eux ; car l'Éternel, ton Dieu, est au milieu de toi, le Dieu grand 21
et terrible. L'Éternel, ton Dieu, chassera peu à peu ces nations loin de ta face ; tu ne pourras pas les 22
exterminer promptement, de peur que les bêtes des champs ne se multiplient contre toi. L'Éternel, ton 23
Dieu, te les livrera ; et il les mettra complètement en déroute, jusqu'à ce qu'elles soient détruites. Il 24
livrera leurs rois entre tes mains, et tu feras disparaître leurs noms de dessous les cieux ; aucun ne
tiendra contre toi, jusqu'à ce que tu les aies détruits. Vous brûlerez au feu les images taillées de leurs 25
dieux. Tu ne convoiteras point et tu ne prendras point pour toi l'argent et l'or qui sont sur elles, de
peur que ces choses ne te deviennent un piège ; car elles sont en abomination à l'Éternel, ton Dieu. Tu 26
n'introduiras point une chose abominable dans ta maison, afin que tu ne sois pas, comme cette chose,
dévoué par interdit ; tu l'auras en horreur, tu l'auras en abomination, car c'est une chose dévouée par
interdit.

Vous observerez et vous mettrez en pratique tous les commandements que je vous prescris aujour- **8**
d'hui, afin que vous viviez, que vous multipliiez, et que vous entriez en possession du pays que l'Éternel
a juré de donner à vos pères. Souviens -toi de tout le chemin que l'Éternel, ton Dieu, t'a fait faire pen- 2
dant ces quarante années dans le désert, afin de t'humilier et de t'éprouver, pour savoir quelles étaient
les dispositions de ton coeur et si tu garderais ou non ses commandements. Il t'a humilié, il t'a fait 3
souffrir de la faim, et il t'a nourri de la manne, que tu ne connaissais pas et que n'avaient pas connue
tes pères, afin de t'apprendre que l'homme ne vit pas de pain seulement, mais que l'homme vit de tout
ce qui sort de la bouche de l'Éternel. Ton vêtement ne s'est point usé sur toi, et ton pied ne s'est point 4
enflé, pendant ces quarante années. Reconnais en ton coeur que l'Éternel, ton Dieu, te châtie comme 5
un homme châtie son enfant. Tu observeras les commandements de l'Éternel, ton Dieu, pour marcher 6
dans ses voies et pour le craindre. Car l'Éternel, ton Dieu, va te faire entrer dans un bon pays, pays 7
de cours d'eaux, de sources et de lacs, qui jaillissent dans les vallées et dans les montagnes ; pays de 8
froment, d'orge, de vignes, de figuiers et de grenadiers ; pays d'oliviers et de miel ; pays où tu mangeras 9
du pain avec abondance, où tu ne manqueras de rien ; pays dont les pierres sont du fer, et des montagnes
duquel tu tailleras l'airain. Lorsque tu mangeras et te rassasieras, tu béniras l'Éternel, ton Dieu, pour 10
le bon pays qu'il t'a donné. Garde -toi d'oublier l'Éternel, ton Dieu, au point de ne pas observer ses 11
commandements, ses ordonnances et ses lois, que je te prescris aujourd'hui. Lorsque tu mangeras et 12
te rassasieras, lorsque tu bâtiras et habiteras de belles maisons, lorsque tu verras multiplier ton gros 13
et ton menu bétail, s'augmenter ton argent et ton or, et s'accroître tout ce qui est à toi, prends garde 14
que ton coeur ne s'enfle, et que tu n'oublies l'Éternel, ton Dieu, qui t'a fait sortir du pays d'Égypte, de
la maison de servitude, qui t'a fait marcher dans ce grand et affreux désert, où il y a des serpents brû- 15
lants et des scorpions, dans des lieux arides et sans eau, et qui a fait jaillir pour toi de l'eau du rocher
le plus dur, qui t'a fait manger dans le désert la manne inconnue à tes pères, afin de t'humilier et de 16
t'éprouver, pour te faire ensuite du bien. Garde-toi de dire en ton coeur : Ma force et la puissance de 17
ma main m'ont acquis ces richesses. Souviens -toi de l'Éternel, ton Dieu, car c'est lui qui te donnera 18
de la force pour les acquérir, afin de confirmer, comme il le fait aujourd'hui, son alliance qu'il a jurée

19 à tes pères. Si tu oublies l'Éternel, ton Dieu, et que tu ailles après d'autres dieux, si tu les sers et te
20 prosternes devant eux, je vous déclare formellement aujourd'hui que vous périrez. Vous périrez comme
les nations que l'Éternel fait périr devant vous, parce que vous n'aurez point écouté la voix de l'Éternel,
votre Dieu.

9 Écoute, Israël ! Tu vas aujourd'hui passer le Jourdain, pour te rendre maître de nations plus grandes
2 et plus puissantes que toi, de villes grandes et fortifiées jusqu'au ciel, d'un peuple grand et de haute
taille, les enfants d'Anak, que tu connais, et dont tu as entendu dire : Qui pourra tenir contre les
3 enfants d'Anak ? Sache aujourd'hui que l'Éternel, ton Dieu, marchera lui-même devant toi comme un
feu dévorant, c'est lui qui les détruira, qui les humiliera devant toi ; et tu les chasseras, tu les feras
4 périr promptement, comme l'Éternel te l'a dit. Lorsque l'Éternel, ton Dieu, les chassera devant toi,
ne dis pas en ton coeur : C'est à cause de ma justice que l'Éternel me fait entrer en possession de ce
5 pays. Car c'est à cause de la méchanceté de ces nations que l'Éternel les chasse devant toi. Non, ce
n'est point à cause de ta justice et de la droiture de ton coeur que tu entres en possession de leur pays ;
mais c'est à cause de la méchanceté de ces nations que l'Éternel, ton Dieu, les chasse devant toi, et c'est
6 pour confirmer la parole que l'Éternel a jurée à tes pères, à Abraham, à Isaac et à Jacob. Sache donc
que ce n'est point à cause de ta justice que l'Éternel, ton Dieu, te donne ce bon pays pour que tu le
7 possèdes ; car tu es un peuple au cou roide. Souviens -toi, n'oublie pas de quelle manière tu as excité
la colère de l'Éternel, ton Dieu, dans le désert. Depuis le jour où tu es sorti du pays d'Égypte jusqu'à
8 votre arrivée dans ce lieu, vous avez été rebelles contre l'Éternel. À Horeb, vous excitâtes la colère de
9 l'Éternel ; et l'Éternel s'irrita contre vous, et eut la pensée de vous détruire. Lorsque je fus monté sur la
montagne, pour prendre les tables de pierre, les tables de l'alliance que l'Éternel a traitée avec vous, je
demeurai sur la montagne quarante jours et quarante nuits, sans manger de pain et sans boire d'eau ;
10 et l'Éternel me donna les deux tables de pierre écrites du doigt de Dieu, et contenant toutes les paroles
11 que l'Éternel vous avait dites sur la montagne, du milieu du feu, le jour de l'assemblée. Ce fut au bout
des quarante jours et des quarante nuits que l'Éternel me donna les deux tables de pierre, les tables de
12 l'alliance. L'Éternel me dit alors : Lève -toi, descends en hâte d'ici ; car ton peuple, que tu as fait sortir
d'Égypte, s'est corrompu. Ils se sont promptement écartés de la voie que je leur avais prescrite ; ils se
13, 14 sont fait une image de fonte. L'Éternel me dit : Je vois que ce peuple est un peuple au cou roide. Laisse
-moi les détruire et effacer leur nom de dessous les cieux ; et je ferai de toi une nation plus puissante
15 et plus nombreuse que ce peuple. Je retournai et je descendis de la montagne toute en feu, les deux
16 tables de l'alliance dans mes deux mains. Je regardai, et voici, vous aviez péché contre l'Éternel, votre
Dieu, vous vous étiez fait un veau de fonte, vous vous étiez promptement écartés de la voie que vous
17 avait prescrite l'Éternel. Je saisis les deux tables, je les jetai de mes mains, et je les brisai sous vos
18 yeux. Je me prosternai devant l'Éternel, comme auparavant, quarante jours et quarante nuits, sans
manger de pain et sans boire d'eau, à cause de tous les péchés que vous aviez commis en faisant ce
19 qui est mal aux yeux de l'Éternel, pour l'irriter. Car j'étais effrayé à la vue de la colère et de la fureur
dont l'Éternel était animé contre vous jusqu'à vouloir vous détruire. Mais l'Éternel m'exauça encore
20 cette fois. L'Éternel était aussi très irrité contre Aaron, qu'il voulait faire périr, et pour qui j'intercédai
21 encore dans ce temps-là. Je pris le veau que vous aviez fait, ce produit de votre péché, je le brûlai au
feu, je le broyai jusqu'à ce qu'il fût réduit en poudre, et je jetai cette poudre dans le torrent qui descend
22, 23 de la montagne. À Tabeéra, à Massa, et à Kibroth-Hattaava, vous excitâtes la colère de l'Éternel. Et
lorsque l'Éternel vous envoya à Kadès-Barnéa, en disant : Montez, et prenez possession du pays que
je vous donne ! vous fûtes rebelles à l'ordre de l'Éternel, votre Dieu, vous n'eûtes point foi en lui, et
24, 25 vous n'obéîtes point à sa voix. Vous avez été rebelles contre l'Éternel depuis que je vous connais. Je
me prosternai devant l'Éternel, je me prosternai quarante jours et quarante nuits, parce que l'Éternel
26 avait dit qu'il voulait vous détruire. Je priai l'Éternel, et je dis : Seigneur Éternel, ne détruis pas ton
peuple, ton héritage, que tu as racheté dans ta grandeur, que tu as fait sortir d'Égypte par ta main
27 puissante. Souviens -toi de tes serviteurs, Abraham, Isaac et Jacob. Ne regarde point à l'opiniâtreté
28 de ce peuple, à sa méchanceté et à son péché, de peur que le pays d'où tu nous as fait sortir ne dise :
C'est parce que l'Éternel n'avait pas le pouvoir de les mener dans le pays qu'il leur avait promis, et c'est
29 parce qu'il les haïssait, qu'il les a fait sortir pour les faire mourir dans le désert. Ils sont pourtant ton
peuple et ton héritage, que tu as fait sortir d'Égypte par ta grande puissance et par ton bras étendu.

10 En ce temps -là, l'Éternel me dit : Taille deux tables de pierre comme les premières, et monte vers
2 moi sur la montagne ; tu feras aussi une arche de bois. J'écrirai sur ces tables les paroles qui étaient sur

les premières tables que tu as brisées, et tu les mettras dans l'arche. Je fis une arche de bois d'acacia, 3
je taillai deux tables de pierre comme les premières, et je montai sur la montagne, les deux tables dans
ma main. L'Éternel écrivit sur les tables ce qui avait été écrit sur les premières, les dix paroles qu'il 4
vous avait dites sur la montagne, du milieu du feu, le jour de l'assemblée ; et l'Éternel me les donna. Je 5
retournai et je descendis de la montagne, je mis les tables dans l'arche que j'avais faite, et elles restèrent
là, comme l'Éternel me l'avait ordonné. Les enfants d'Israël partirent de Beéroth-Bené Jaakan pour 6
Moséra. C'est là que mourut Aaron, et qu'il fut enterré ; Éléazar, son fils, lui succéda dans le sacerdoce.
Ils partirent de là pour Gudgoda, et de Gudgoda pour Jothbatha, pays où il y a des cours d'eaux. En 7, 8
ce temps -là, l'Éternel sépara la tribu de Lévi, et lui ordonna de porter l'arche de l'alliance de l'Éternel,
de se tenir devant l'Éternel pour le servir, et de bénir le peuple en son nom : ce qu'elle a fait jusqu'à
ce jour. C'est pourquoi Lévi n'a ni part ni héritage avec ses frères : l'Éternel est son héritage, comme 9
l'Éternel, ton Dieu, le lui a dit. Je restai sur la montagne, comme précédemment, quarante jours et 10
quarante nuits. L'Éternel m'exauça encore cette fois ; l'Éternel ne voulut pas te détruire. L'Éternel me 11
dit : Lève -toi, va, marche à la tête du peuple. Qu'ils aillent prendre possession du pays que j'ai juré à
leurs pères de leur donner. Maintenant, Israël, que demande de toi l'Éternel, ton Dieu, si ce n'est que 12
tu craignes l'Éternel, ton Dieu, afin de marcher dans toutes ses voies, d'aimer et de servir l'Éternel,
ton Dieu, de tout ton coeur et de toute ton âme ; si ce n'est que tu observes les commandements de 13
l'Éternel et ses lois que je te prescris aujourd'hui, afin que tu sois heureux ? Voici, à l'Éternel, ton Dieu, 14
appartiennent les cieux et les cieux des cieux, la terre et tout ce qu'elle renferme. Et c'est à tes pères 15
seulement que l'Éternel s'est attaché pour les aimer ; et, après eux, c'est leur postérité, c'est vous qu'il
a choisis d'entre tous les peuples, comme vous le voyez aujourd'hui. Vous circoncirez donc votre coeur, 16
et vous ne roidirez plus votre cou. Car l'Éternel, votre Dieu, est le Dieu des dieux, le Seigneur des 17
seigneurs, le Dieu grand, fort et terrible, qui ne fait point acception des personnes et qui ne reçoit point
de présent, qui fait droit à l'orphelin et à la veuve, qui aime l'étranger et lui donne de la nourriture 18
et des vêtements. Vous aimerez l'étranger, car vous avez été étrangers dans le pays d'Égypte. Tu 19, 20
craindras l'Éternel, ton Dieu, tu le serviras, tu t'attacheras à lui, et tu jureras par son nom. Il est ta 21
gloire, il est ton Dieu : c'est lui qui a fait au milieu de toi ces choses grandes et terribles que tes yeux ont
vues. Tes pères descendirent en Égypte au nombre de soixante-dix personnes ; et maintenant l'Éternel, 22
ton Dieu, a fait de toi une multitude pareille aux étoiles des cieux.

Tu aimeras l'Éternel, ton Dieu, et tu observeras toujours ses préceptes, ses lois, ses ordonnances **11**
et ses commandements. Reconnaissez aujourd'hui -ce que n'ont pu connaître et voir vos enfants -les 2
châtiments de l'Éternel, votre Dieu, sa grandeur, sa main forte et son bras étendu, ses signes et ses 3
actes qu'il a accomplis au milieu de l'Égypte contre Pharaon, roi d'Égypte, et contre tout son pays.
Reconnaissez ce qu'il a fait à l'armée d'Égypte, à ses chevaux et à ses chars, comment il a fait couler sur 4
eux les eaux de la mer Rouge, lorsqu'ils vous poursuivaient, et les a détruits pour toujours ; ce qu'il vous 5
a fait dans le désert, jusqu'à votre arrivée en ce lieu ; ce qu'il a fait à Dathan et à Abiram, fils d'Éliab, 6
fils de Ruben, comment la terre ouvrit sa bouche et les engloutit, avec leurs maisons et leurs tentes et
tout ce qui était à leur suite, au milieu de tout Israël. Car vos yeux ont vu toutes les grandes choses 7
que l'Éternel a faites. Ainsi, vous observerez tous les commandements que je vous prescris aujourd'hui, 8
afin que vous ayez la force de vous emparer du pays où vous allez passer pour en prendre possession, et 9
afin que vous prolongiez vos jours dans le pays que l'Éternel a juré à vos pères de leur donner, à eux et à
leur postérité, pays où coulent le lait et le miel. Car le pays dont tu vas entrer en possession, n'est pas 10
comme le pays d'Égypte, d'où vous êtes sortis, où tu jetais dans les champs ta semence et les arrosais
avec ton pied comme un jardin potager. Le pays que vous allez posséder est un pays de montagnes et de 11
vallées, et qui boit les eaux de la pluie du ciel ; c'est un pays dont l'Éternel, ton Dieu, prend soin, et sur 12
lequel l'Éternel, ton Dieu, a continuellement les yeux, du commencement à la fin de l'année. Si vous 13
obéissez à mes commandements que je vous prescris aujourd'hui, si vous aimez l'Éternel, votre Dieu,
et si vous le servez de tout votre coeur et de toute votre âme, je donnerai à votre pays la pluie en son 14
temps, la pluie de la première et de l'arrière -saison, et tu recueilleras ton blé, ton moût et ton huile ;
je mettrai aussi dans tes champs de l'herbe pour ton bétail, et tu mangeras et te rassasieras. Gardez 15, 16
-vous de laisser séduire votre coeur, de vous détourner, de servir d'autres dieux et de vous prosterner
devant eux. La colère de l'Éternel s'enflammerait alors contre vous ; il fermerait les cieux, et il n'y 17
aurait point de pluie ; la terre ne donnerait plus ses produits, et vous péririez promptement dans le
bon pays que l'Éternel vous donne. Mettez dans votre coeur et dans votre âme ces paroles que je vous 18

dis. Vous les lierez comme un signe sur vos mains, et elles seront comme des fronteaux entre vos yeux.
19 Vous les enseignerez à vos enfants, et vous leur en parlerez quand tu seras dans ta maison, quand
20 tu iras en voyage, quand tu te coucheras et quand tu te lèveras. Tu les écriras sur les poteaux de ta
21 maison et sur tes portes. Et alors vos jours et les jours de vos enfants, dans le pays que l'Éternel a juré à vos pères de leur donner, seront aussi nombreux que les jours des cieux le seront au-dessus de
22 la terre. Car si vous observez tous ces commandements que je vous prescris, et si vous les mettez en pratique pour aimer l'Éternel, votre Dieu, pour marcher dans toutes ses voies et pour vous attacher à
23 lui, l'Éternel chassera devant vous toutes ces nations, et vous vous rendrez maîtres de nations plus
24 grandes et plus puissantes que vous. Tout lieu que foulera la plante de votre pied sera à vous : votre
25 frontière s'étendra du désert au Liban, et du fleuve de l'Euphrate jusqu'à la mer occidentale. Nul ne tiendra contre vous. L'Éternel, votre Dieu, répandra, comme il vous l'a dit, la frayeur et la crainte de
26 toi sur tout le pays où vous marcherez. Vois, je mets aujourd'hui devant vous la bénédiction et la
27 malédiction : la bénédiction, si vous obéissez aux commandements de l'Éternel, votre Dieu, que je vous
28 prescris en ce jour ; la malédiction, si vous n'obéissez pas aux commandements de l'Éternel, votre Dieu, et si vous vous détournez de la voie que je vous prescris en ce jour, pour aller après d'autres dieux que
29 vous ne connaissez point. Et lorsque l'Éternel, ton Dieu, t'aura fait entrer dans le pays dont tu vas prendre possession, tu prononceras la bénédiction sur la montagne de Garizim, et la malédiction sur la
30 montagne d'Ébal. Ces montagnes ne sont-elles pas de l'autre côté du Jourdain, derrière le chemin de l'occident, au pays des Cananéens qui habitent dans la plaine vis-à-vis de Guilgal, près des chênes de
31 Moré ? Car vous allez passer le Jourdain pour entrer en possession du pays que l'Éternel, votre Dieu,
32 vous donne ; vous le posséderez, et vous y habiterez. Vous observerez et vous mettrez en pratique toutes les lois et les ordonnances que je vous prescris aujourd'hui.

12 Voici les lois et les ordonnances que vous observerez et que vous mettrez en pratique, aussi long-
temps que vous y vivrez, dans le pays dont l'Éternel, le Dieu de vos pères, vous donne la possession.
2 Vous détruirez tous les lieux où les nations que vous allez chasser servent leurs dieux, sur les hautes
3 montagnes, sur les collines, et sous tout arbre vert. Vous renverserez leurs autels, vous briserez leurs statues, vous brûlerez au feu leurs idoles, vous abattrez les images taillées de leurs dieux, et vous ferez
4, 5 disparaître leurs noms de ces lieux -là. Vous n'agirez pas ainsi à l'égard de l'Éternel, votre Dieu. Mais vous le chercherez à sa demeure, et vous irez au lieu que l'Éternel, votre Dieu, choisira parmi toutes vos
6 tribus pour y placer son nom. C'est là que vous présenterez vos holocaustes, vos sacrifices, vos dîmes, vos prémices, vos offrandes en accomplissement d'un voeu, vos offrandes volontaires, et les premiers-
7 nés de votre gros et de votre menu bétail. C'est là que vous mangerez devant l'Éternel, votre Dieu, et que, vous et vos familles, vous ferez servir à votre joie tous les biens par lesquels l'Éternel, votre Dieu,
8 vous aura bénis. Vous n'agirez donc pas comme nous le faisons maintenant ici, où chacun fait ce qui
9 lui semble bon, parce que vous n'êtes point encore arrivés dans le lieu de repos et dans l'héritage que
10 l'Éternel, votre Dieu, vous donne. Mais vous passerez le Jourdain, et vous habiterez dans le pays dont l'Éternel, votre Dieu, vous mettra en possession ; il vous donnera du repos, après vous avoir délivrés de
11 tous vos ennemis qui vous entourent, et vous vous établirez en sécurité. Alors il y aura un lieu que l'Éternel, votre Dieu, choisira pour y faire résider son nom. C'est là que vous présenterez tout ce que je vous ordonne, vos holocaustes, vos sacrifices, vos dîmes, vos prémices, et les offrandes choisies que
12 vous ferez à l'Éternel pour accomplir vos voeux. C'est là que vous vous réjouirez devant l'Éternel, votre Dieu, vous, vos fils et vos filles, vos serviteurs et vos servantes, et le Lévite qui sera dans vos portes ; car
13 il n'a ni part ni héritage avec vous. Garde -toi d'offrir tes holocaustes dans tous les lieux que tu verras ;
14 mais tu offriras tes holocaustes au lieu que l'Éternel choisira dans l'une de tes tribus, et c'est là que
15 tu feras tout ce que je t'ordonne. Néanmoins, quand tu en auras le désir, tu pourras tuer du bétail et manger de la viande dans toutes tes portes, selon les bénédictions que t'accordera l'Éternel, ton Dieu ; celui qui sera impur et celui qui sera pur pourront en manger, comme on mange de la gazelle et du cerf.
16, 17 Seulement, vous ne mangerez pas le sang : tu le répandras sur la terre comme de l'eau. Tu ne pourras pas manger dans tes portes la dîme de ton blé, de ton moût et de ton huile, ni les premiers-nés de ton gros et de ton menu bétail, ni aucune de tes offrandes en accomplissement d'un voeu, ni tes offrandes
18 volontaires, ni tes prémices. Mais c'est devant l'Éternel, ton Dieu, que tu les mangeras, dans le lieu que l'Éternel, ton Dieu, choisira, toi, ton fils et ta fille, ton serviteur et ta servante, et le Lévite qui sera dans tes portes ; et c'est devant l'Éternel, ton Dieu, que tu feras servir à ta joie tous les biens que tu
19, 20 posséderas. Aussi longtemps que tu vivras dans ton pays, garde -toi de délaisser le Lévite. Lorsque l'Éternel, ton Dieu, aura élargi tes frontières, comme il te l'a promis, et que le désir de manger de la
21 viande te fera dire : Je voudrais manger de la viande ! tu pourras en manger, selon ton désir. Si le lieu

que l'Éternel, ton Dieu, aura choisi pour y placer son nom est éloigné de toi, tu pourras tuer du gros
et du menu bétail, comme je te l'ai prescrit, et tu pourras en manger dans tes portes selon ton désir.
Tu en mangeras comme on mange de la gazelle et du cerf ; celui qui sera impur, et celui qui sera pur 22
en mangeront l'un et l'autre. Seulement, garde -toi de manger le sang, car le sang, c'est l'âme ; et tu 23
ne mangeras pas l'âme avec la chair. Tu ne le mangeras pas : tu le répandras sur la terre comme de 24
l'eau. Tu ne le mangeras pas, afin que tu sois heureux, toi et tes enfants après toi, en faisant ce qui 25
est droit aux yeux de l'Éternel. Mais les choses que tu voudras consacrer et les offrandes que tu feras 26
en accomplissement d'un voeu, tu iras les présenter au lieu qu'aura choisi l'Éternel. Tu offriras tes 27
holocaustes, la chair et le sang, sur l'autel de l'Éternel, ton Dieu ; dans tes autres sacrifices, le sang
sera répandu sur l'autel de l'Éternel, ton Dieu, et tu mangeras la chair. Garde et écoute toutes ces 28
choses que je t'ordonne, afin que tu sois heureux, toi et tes enfants après toi, à perpétuité, en faisant
ce qui est bien et ce qui est droit aux yeux de l'Éternel, ton Dieu. Lorsque l'Éternel, ton Dieu, aura 29
exterminé les nations que tu vas chasser devant toi, lorsque tu les auras chassées et que tu te seras
établi dans leur pays, garde -toi de te laisser prendre au piège en les imitant, après qu'elles auront été 30
détruites devant toi. Garde-toi de t'informer de leurs dieux et de dire : Comment ces nations servaient
-elles leurs dieux ? Moi aussi, je veux faire de même. Tu n'agiras pas ainsi à l'égard de l'Éternel, ton 31
Dieu ; car elles servaient leurs dieux en faisant toutes les abominations qui sont odieuses à l'Éternel,
et même elles brûlaient au feu leurs fils et leurs filles en l'honneur de leurs dieux. Vous observerez et 32
vous mettrez en pratique toutes les choses que je vous ordonne ; vous n'y ajouterez rien, et vous n'en
retrancherez rien.

S'il s'élève au milieu de toi un prophète ou un songeur qui t'annonce un signe ou un prodige, et qu'il **13**, 2
y ait accomplissement du signe ou du prodige dont il t'a parlé en disant : Allons après d'autres dieux,
-des dieux que tu ne connais point, -et servons -les ! tu n'écouteras pas les paroles de ce prophète ou de 3
ce songeur, car c'est l'Éternel, votre Dieu, qui vous met à l'épreuve pour savoir si vous aimez l'Éternel,
votre Dieu, de tout votre coeur et de toute votre âme. Vous irez après l'Éternel, votre Dieu, et vous le 4
craindrez ; vous observerez ses commandements, vous obéirez à sa voix, vous le servirez, et vous vous
attacherez à lui. Ce prophète ou ce songeur sera puni de mort, car il a parlé de révolte contre l'Éternel, 5
votre Dieu, qui vous a fait sortir du pays d'Égypte et vous a délivrés de la maison de servitude, et il a
voulu te détourner de la voie dans laquelle l'Éternel, ton Dieu, t'a ordonné de marcher. Tu ôteras ainsi
le mal du milieu de toi. Si ton frère, fils de ta mère, ou ton fils, ou ta fille, ou la femme qui repose sur 6
ton sein, ou ton ami que tu aimes comme toi-même, t'incite secrètement en disant : Allons, et servons
d'autres dieux ! -des dieux que ni toi ni tes pères n'avez connus, d'entre les dieux des peuples qui vous 7
entourent, près de toi ou loin de toi, d'une extrémité de la terre à l'autre - tu n'y consentiras pas, et 8
tu ne l'écouteras pas ; tu ne jetteras pas sur lui un regard de pitié, tu ne l'épargneras pas, et tu ne le
couvriras pas. Mais tu le feras mourir ; ta main se lèvera la première sur lui pour le mettre à mort, et 9
la main de tout le peuple ensuite ; tu le lapideras, et il mourra, parce qu'il a cherché à te détourner de 10
l'Éternel, ton Dieu, qui t'a fait sortir du pays d'Égypte, de la maison de servitude. Il en sera ainsi, afin 11
que tout Israël entende et craigne, et que l'on ne commette plus un acte aussi criminel au milieu de toi.
Si tu entends dire au sujet de l'une des villes que t'a données pour demeure l'Éternel, ton Dieu : Des 12, 13
gens pervers sont sortis du milieu de toi, et ont séduit les habitants de leur ville en disant : Allons, et
servons d'autres dieux ! des dieux que tu ne connais point tu feras des recherches, tu examineras, tu 14
interrogeras avec soin. La chose est-elle vraie, le fait est-il établi, cette abomination a-t-elle été commise
au milieu de toi, alors tu frapperas du tranchant de l'épée les habitants de cette ville, tu la dévoueras 15
par interdit avec tout ce qui s'y trouvera, et tu en passeras le bétail au fil de l'épée. Tu amasseras tout 16
le butin au milieu de la place, et tu brûleras entièrement au feu la ville avec tout son butin, devant
l'Éternel, ton Dieu : elle sera pour toujours un monceau de ruines, elle ne sera jamais rebâtie. Rien de 17
ce qui sera dévoué par interdit ne s'attachera à ta main, afin que l'Éternel revienne de l'ardeur de sa
colère, qu'il te fasse miséricorde et grâce, et qu'il te multiplie, comme il l'a juré à tes pères, si tu obéis 18
à la voix de l'Éternel, ton Dieu, en observant tous ses commandements que je te prescris aujourd'hui,
et en faisant ce qui est droit aux yeux de l'Éternel, ton Dieu.

Vous êtes les enfants de l'Éternel, votre Dieu. Vous ne vous ferez point d'incisions et vous ne vous **14**
ferez point de place chauve entre les yeux pour un mort. Car tu es un peuple saint pour l'Éternel, ton 2
Dieu ; et l'Éternel, ton Dieu, t'a choisi, pour que tu fusses un peuple qui lui appartînt entre tous les
peuples qui sont sur la face de la terre. Tu ne mangeras aucune chose abominable. Voici les animaux 3, 4
que vous mangerez : le boeuf, la brebis et la chèvre ; le cerf, la gazelle et le daim ; le bouquetin, le 5
chevreuil, la chèvre sauvage et la girafe. Vous mangerez de tout animal qui a la corne fendue, le pied 6

7 fourchu, et qui rumine. Mais vous ne mangerez pas de ceux qui ruminent seulement, ou qui ont la
corne fendue et le pied fourchu seulement. Ainsi, vous ne mangerez pas le chameau, le lièvre et le
8 daman, qui ruminent, mais qui n'ont pas la corne fendue : vous les regarderez comme impurs. Vous ne
mangerez pas le porc, qui a la corne fendue, mais qui ne rumine pas : vous le regarderez comme impur.
9 Vous ne mangerez pas de leur chair, et vous ne toucherez pas leurs corps morts. Voici les animaux
dont vous mangerez parmi tous ceux qui sont dans les eaux : vous mangerez de tous ceux qui ont des
10 nageoires et des écailles. Mais vous ne mangerez d'aucun de ceux qui n'ont pas des nageoires et des
11, 12 écailles : vous les regarderez comme impurs. Vous mangerez tout oiseau pur. Mais voici ceux dont
13 vous ne mangerez pas : l'aigle, l'orfraie et l'aigle de mer ; le milan, l'autour, le vautour et ce qui est de
14, 15 son espèce ; le corbeau et toutes ses espèces ; l'autruche, le hibou, la mouette, l'épervier et ce qui est de
16, 17, 18 son espèce ; le chat-huant, la chouette et le cygne ; le pélican, le cormoran et le plongeon ; la cigogne,
19 le héron et ce qui est de son espèce, la huppe et la chauve-souris. Vous regarderez comme impur tout
20, 21 reptile qui vole : on n'en mangera point. Vous mangerez tout oiseau pur. Vous ne mangerez d'aucune
bête morte ; tu la donneras à l'étranger qui sera dans tes portes, afin qu'il la mange, ou tu la vendras
à un étranger ; car tu es un peuple saint pour l'Éternel, ton Dieu. Tu ne feras point cuire un chevreau
22 dans le lait de sa mère. Tu lèveras la dîme de tout ce que produira ta semence, de ce que rapportera
23 ton champ chaque année. Et tu mangeras devant l'Éternel, ton Dieu, dans le lieu qu'il choisira pour y
faire résider son nom, la dîme de ton blé, de ton moût et de ton huile, et les premiers-nés de ton gros
24 et de ton menu bétail, afin que tu apprennes à craindre toujours l'Éternel, ton Dieu. Peut-être lorsque
l'Éternel, ton Dieu, t'aura béni, le chemin sera-t-il trop long pour que tu puisses transporter ta dîme,
à cause de ton éloignement du lieu qu'aura choisi l'Éternel, ton Dieu, pour y faire résider son nom.
25 Alors, tu échangeras ta dîme contre de l'argent, tu serreras cet argent dans ta main, et tu iras au lieu
26 que l'Éternel, ton Dieu, aura choisi. Là, tu achèteras avec l'argent tout ce que tu désireras, des boeufs,
des brebis, du vin et des liqueurs fortes, tout ce qui te fera plaisir, tu mangeras devant l'Éternel, ton
27 Dieu, et tu te réjouiras, toi et ta famille. Tu ne délaisseras point le Lévite qui sera dans tes portes,
28 car il n'a ni part ni héritage avec toi. Au bout de trois ans, tu sortiras toute la dîme de tes produits
29 pendant la troisième année, et tu la déposeras dans tes portes. Alors viendront le Lévite, qui n'a ni
part ni héritage avec toi, l'étranger, l'orphelin et la veuve, qui seront dans tes portes, et ils mangeront
et se rassasieront, afin que l'Éternel, ton Dieu, te bénisse dans tes travaux que tu entreprendras
de tes mains.

15, 2 Tous les sept ans, tu feras relâche. Et voici comment s'observera le relâche. Quand on aura publié
le relâche en l'honneur de l'Éternel, tout créancier qui aura fait un prêt à son prochain se relâchera de
3 son droit, il ne pressera pas son prochain et son frère pour le paiement de sa dette. Tu pourras presser
4 l'étranger ; mais tu te relâcheras de ton droit pour ce qui t'appartiendra chez ton frère. Toutefois, il
n'y aura point d'indigent chez toi, car l'Éternel te bénira dans le pays que l'Éternel, ton Dieu, te fera
5 posséder en héritage, pourvu seulement que tu obéisses à la voix de l'Éternel, ton Dieu, en mettant soi-
6 gneusement en pratique tous ces commandements que je te prescris aujourd'hui. L'Éternel, ton Dieu,
te bénira comme il te l'a dit, tu prêteras à beaucoup de nations, et tu n'emprunteras point ; tu domineras
7 sur beaucoup de nations, et elles ne domineront point sur toi. S'il y a chez toi quelque indigent d'entre
tes frères, dans l'une de tes portes, au pays que l'Éternel, ton Dieu, te donne, tu n'endurciras point ton
8 coeur et tu ne fermeras point ta main devant ton frère indigent. Mais tu lui ouvriras ta main, et tu
9 lui prêteras de quoi pourvoir à ses besoins. Garde -toi d'être assez méchant pour dire en ton coeur : La
septième année, l'année du relâche, approche ! Garde-toi d'avoir un oeil sans pitié pour ton frère indi-
10 gent et de lui faire un refus. Il crierait à l'Éternel contre toi, et tu te chargerais d'un péché. Donne -lui,
et que ton coeur ne lui donne point à regret ; car, à cause de cela, l'Éternel, ton Dieu, te bénira dans tous
11 tes travaux et dans toutes tes entreprises. Il y aura toujours des indigents dans le pays ; c'est pourquoi
je te donne ce commandement : Tu ouvriras ta main à ton frère, au pauvre et à l'indigent dans ton pays.
12 Si l'un de tes frères hébreux, homme ou femme, se vend à toi, il te servira six années ; mais la septième
13 année, tu le renverras libre de chez toi. Et lorsque tu le renverras libre de chez toi, tu ne le renverras
14 point à vide ; tu lui feras des présents de ton menu bétail, de ton aire, de ton pressoir, de ce que tu auras
15 par la bénédiction de l'Éternel, ton Dieu. Tu te souviendras que tu as été esclave au pays d'Égypte, et
16 que l'Éternel, ton Dieu, t'a racheté ; c'est pourquoi je te donne aujourd'hui ce commandement. Si ton
esclave te dit : Je ne veux pas sortir de chez toi, -parce qu'il t'aime, toi et ta maison, et qu'il se trouve
17 bien chez toi, - alors tu prendras un poinçon et tu lui perceras l'oreille contre la porte, et il sera pour
18 toujours ton esclave. Tu feras de même pour ta servante. Tu ne trouveras point dur de le renvoyer
libre de chez toi, car il t'a servi six ans, ce qui vaut le double du salaire d'un mercenaire ; et l'Éternel,

ton Dieu, te bénira dans tout ce que tu feras. Tu consacreras à l'Éternel, ton Dieu, tout premier-né 19
mâle qui naîtra dans ton gros et dans ton menu bétail. Tu ne travailleras point avec le premier-né de
ton boeuf, et tu ne tondras point le premier-né de tes brebis. Tu le mangeras chaque année, toi et ta 20
famille, devant l'Éternel, ton Dieu, dans le lieu qu'il choisira. S'il a quelque défaut, s'il est boiteux ou 21
aveugle, ou s'il a quelque autre difformité, tu ne l'offriras point en sacrifice à l'Éternel, ton Dieu. Tu 22
le mangeras dans tes portes ; celui qui sera impur et celui qui sera pur en mangeront l'un et l'autre,
comme on mange de la gazelle et du cerf. Seulement, tu n'en mangeras pas le sang ; tu le répandras 23
sur la terre comme de l'eau.

Observe le mois des épis, et célèbre la Pâque en l'honneur de l'Éternel, ton Dieu ; car c'est dans le **16**
mois des épis que l'Éternel, ton Dieu, t'a fait sortir d'Égypte, pendant la nuit. Tu sacrifieras la Pâque 2
à l'Éternel, ton Dieu, tes victimes de menu et de gros bétail, dans le lieu que l'Éternel choisira pour y
faire résider son nom. Pendant la fête, tu ne mangeras pas du pain levé, mais tu mangeras sept jours 3
des pains sans levain, du pain d'affliction, car c'est avec précipitation que tu es sorti du pays d'Égypte :
il en sera ainsi, afin que tu te souviennes toute ta vie du jour où tu es sorti du pays d'Égypte. On ne 4
verra point chez toi de levain, dans toute l'étendue de ton pays, pendant sept jours ; et aucune partie
des victimes que tu sacrifieras le soir du premier jour ne sera gardée pendant la nuit jusqu'au matin.
Tu ne pourras point sacrifier la Pâque dans l'un quelconque des lieux que l'Éternel, ton Dieu, te donne 5
pour demeure ; mais c'est dans le lieu que choisira l'Éternel, ton Dieu, pour y faire résider son nom, 6
que tu sacrifieras la Pâque, le soir, au coucher du soleil, à l'époque de ta sortie d'Égypte. Tu feras 7
cuire la victime, et tu la mangeras dans le lieu que choisira l'Éternel, ton Dieu. Et le matin, tu pourras
t'en retourner et t'en aller vers tes tentes. Pendant six jours, tu mangeras des pains sans levain ; et le 8
septième jour, il y aura une assemblée solennelle en l'honneur de l'Éternel, ton Dieu : tu ne feras aucun
ouvrage. Tu compteras sept semaines ; dès que la faucille sera mise dans les blés, tu commenceras à 9
compter sept semaines. Puis tu célébreras la fête des semaines, et tu feras des offrandes volontaires, 10
selon les bénédictions que l'Éternel, ton Dieu, t'aura accordées. Tu te réjouiras devant l'Éternel, ton 11
Dieu, dans le lieu que l'Éternel, ton Dieu, choisira pour y faire résider son nom, toi, ton fils et ta fille,
ton serviteur et ta servante, le Lévite qui sera dans tes portes, et l'étranger, l'orphelin et la veuve qui
seront au milieu de toi. Tu te souviendras que tu as été esclave en Égypte, et tu observeras et mettras 12
ces lois en pratique. Tu célébreras la fête des tabernacles pendant sept jours, quand tu recueilleras le 13
produit de ton aire et de ton pressoir. Tu te réjouiras à cette fête, toi, ton fils et ta fille, ton serviteur 14
et ta servante, et le Lévite, l'étranger, l'orphelin et la veuve qui seront dans tes portes. Tu célébreras 15
la fête pendant sept jours en l'honneur de l'Éternel, ton Dieu, dans le lieu que choisira l'Éternel ; car
l'Éternel, ton Dieu, te bénira dans toutes tes récoltes et dans tout le travail de tes mains, et tu te
livreras entièrement à la joie. Trois fois par année, tous les mâles d'entre vous se présenteront devant 16
l'Éternel, ton Dieu, dans le lieu qu'il choisira : à la fête des pains sans levain, à la fête des semaines,
et à la fête des tabernacles. On ne paraîtra point devant l'Éternel les mains vides. Chacun donnera 17
ce qu'il pourra, selon les bénédictions que l'Éternel, ton Dieu, lui aura accordées. Tu établiras des 18
juges et des magistrats dans toutes les villes que l'Éternel, ton Dieu, te donne, selon tes tribus ; et
ils jugeront le peuple avec justice. Tu ne porteras atteinte à aucun droit, tu n'auras point égard à 19
l'apparence des personnes, et tu ne recevras point de présent, car les présents aveuglent les yeux des
sages et corrompent les paroles des justes. Tu suivras ponctuellement la justice, afin que tu vives et 20
que tu possèdes le pays que l'Éternel, ton Dieu, te donne. Tu ne fixeras aucune idole de bois à côté de 21
l'autel que tu élèveras à l'Éternel, ton Dieu. Tu ne dresseras point des statues, qui sont en aversion à 22
l'Éternel, ton Dieu.

Tu n'offriras en sacrifice à l'Éternel, ton Dieu, ni boeuf, ni agneau qui ait quelque défaut ou diffor- **17**
mité ; car ce serait en abomination à l'Éternel, ton Dieu. Il se trouvera peut-être au milieu de toi dans 2
l'une des villes que l'Éternel, ton Dieu, te donne, un homme ou une femme faisant ce qui est mal aux
yeux de l'Éternel, ton Dieu, et transgressant son alliance ; allant après d'autres dieux pour les servir 3
et se prosterner devant eux, après le soleil, la lune, ou toute l'armée des cieux. Ce n'est point là ce que
j'ai commandé. Dès que tu en auras connaissance, dès que tu l'auras appris, tu feras avec soin des 4
recherches. La chose est-elle vraie, le fait est-il établi, cette abomination a-t-elle été commise en Israël,
alors tu feras venir à tes portes l'homme ou la femme qui sera coupable de cette mauvaise action, et tu 5
lapideras ou puniras de mort cet homme ou cette femme. Celui qui mérite la mort sera exécuté sur la 6
déposition de deux ou de trois témoins ; il ne sera pas mis à mort sur la déposition d'un seul témoin.
La main des témoins se lèvera la première sur lui pour le faire mourir, et la main de tout le peuple 7

8 ensuite. Tu ôteras ainsi le mal du milieu de toi. Si une cause relative à un meurtre, à un différend,
à une blessure, te paraît trop difficile à juger et fournit matière à contestation dans tes portes, tu te
9 lèveras et tu monteras au lieu que l'Éternel, ton Dieu, choisira. Tu iras vers les sacrificateurs, les Lé-
vites, et vers celui qui remplira alors les fonctions de juge ; tu les consulteras, et ils te feront connaître
10 la sentence. Tu te conformeras à ce qu'ils te diront dans le lieu que choisira l'Éternel, et tu auras
11 soin d'agir d'après tout ce qu'ils t'enseigneront. Tu te conformeras à la loi qu'ils t'enseigneront et à la
sentence qu'ils auront prononcée ; tu ne te détourneras de ce qu'ils te diront ni à droite ni à gauche.
12 L'homme qui, par orgueil, n'écoutera pas le sacrificateur placé là pour servir l'Éternel, ton Dieu, ou qui
13 n'écoutera pas le juge, cet homme sera puni de mort. Tu ôteras ainsi le mal du milieu d'Israël, afin
14 que tout le peuple entende et craigne, et qu'il ne se livre plus à l'orgueil. Lorsque tu seras entré dans
le pays que l'Éternel, ton Dieu, te donne, lorsque tu le posséderas, que tu y auras établi ta demeure, et
15 que tu diras : Je veux mettre un roi sur moi, comme toutes les nations qui m'entourent, - tu mettras
sur toi un roi que choisira l'Éternel, ton Dieu, tu prendras un roi du milieu de tes frères, tu ne pourras
16 pas te donner un étranger, qui ne soit pas ton frère. Mais qu'il n'ait pas un grand nombre de chevaux ;
et qu'il ne ramène pas le peuple en Égypte pour avoir beaucoup de chevaux ; car l'Éternel vous a dit :
17 Vous ne retournerez plus par ce chemin -là. Qu'il n'ait pas un grand nombre de femmes, afin que son
18 coeur ne se détourne point ; et qu'il ne fasse pas de grands amas d'argent et d'or. Quand il s'assiéra sur
le trône de son royaume, il écrira pour lui, dans un livre, une copie de cette loi, qu'il prendra auprès des
19 sacrificateurs, les Lévites. Il devra l'avoir avec lui et y lire tous les jours de sa vie, afin qu'il apprenne à
craindre l'Éternel, son Dieu, à observer et à mettre en pratique toutes les paroles de cette loi et toutes
20 ces ordonnances ; afin que son coeur ne s'élève point au-dessus de ses frères, et qu'il ne se détourne de
ces commandements ni à droite ni à gauche ; afin qu'il prolonge ses jours dans son royaume, lui et ses
enfants, au milieu d'Israël.

18 Les sacrificateurs, les Lévites, la tribu entière de Lévi, n'auront ni part ni héritage avec Israël ; ils
se nourriront des sacrifices consumés par le feu en l'honneur de l'Éternel et de l'héritage de l'Éternel.
2 Ils n'auront point d'héritage au milieu de leurs frères : l'Éternel sera leur héritage, comme il le leur a
3 dit. Voici quel sera le droit des sacrificateurs sur le peuple, sur ceux qui offriront un sacrifice, un boeuf
4 ou un agneau : on donnera au sacrificateur l'épaule, les mâchoires et l'estomac. Tu lui donneras les
5 prémices de ton blé, de ton moût et de ton huile, et les prémices de la toison de tes brebis ; car c'est lui
que l'Éternel, ton Dieu, a choisi entre toutes les tribus, pour qu'il fasse le service au nom de l'Éternel,
6 lui et ses fils, à toujours. Lorsque le Lévite quittera l'une de tes portes, le lieu quelconque où il demeure
7 en Israël, pour se rendre, selon la plénitude de son désir, au lieu que choisira l'Éternel, et qu'il fera
le service au nom de l'Éternel, ton Dieu, comme tous ses frères les Lévites qui se tiennent là devant
8 l'Éternel, il recevra pour sa nourriture une portion égale à la leur, et jouira, en outre, des revenus de
9 la vente de son patrimoine. Lorsque tu seras entré dans le pays que l'Éternel, ton Dieu, te donne, tu
10 n'apprendras point à imiter les abominations de ces nations -là. Qu'on ne trouve chez toi personne
qui fasse passer son fils ou sa fille par le feu, personne qui exerce le métier de devin, d'astrologue,
11 d'augure, de magicien, d'enchanteur, personne qui consulte ceux qui évoquent les esprits ou disent la
12 bonne aventure, personne qui interroge les morts. Car quiconque fait ces choses est en abomination à
l'Éternel ; et c'est à cause de ces abominations que l'Éternel, ton Dieu, va chasser ces nations devant toi.
13, 14 Tu seras entièrement à l'Éternel, ton Dieu. Car ces nations que tu chasseras écoutent les astrologues et
15 les devins ; mais à toi, l'Éternel, ton Dieu, ne le permet pas. L'Éternel, ton Dieu, te suscitera du milieu
16 de toi, d'entre tes frères, un prophète comme moi : vous l'écouterez ! Il répondra ainsi à la demande que
tu fis à l'Éternel, ton Dieu, à Horeb, le jour de l'assemblée, quand tu disais : Que je n'entende plus la
17 voix de l'Éternel, mon Dieu, et que je ne voie plus ce grand feu, afin de ne pas mourir. L'Éternel me dit :
18 Ce qu'ils ont dit est bien. Je leur susciterai du milieu de leurs frères un prophète comme toi, je mettrai
19 mes paroles dans sa bouche, et il leur dira tout ce que je lui commanderai. Et si quelqu'un n'écoute pas
20 mes paroles qu'il dira en mon nom, c'est moi qui lui en demanderai compte. Mais le prophète qui aura
l'audace de dire en mon nom une parole que je ne lui aurai point commandé de dire, ou qui parlera au
21 nom d'autres dieux, ce prophète -là sera puni de mort. Peut-être diras -tu dans ton coeur : Comment
22 connaîtrons -nous la parole que l'Éternel n'aura point dite ? Quand ce que dira le prophète n'aura pas
lieu et n'arrivera pas, ce sera une parole que l'Éternel n'aura point dite. C'est par audace que le prophète
l'aura dite : n'aie pas peur de lui.

19 Lorsque l'Éternel, ton Dieu, aura exterminé les nations dont l'Éternel, ton Dieu, te donne le pays,
2 lorsque tu les auras chassées et que tu habiteras dans leurs villes et dans leurs maisons, tu sépareras
3 trois villes au milieu du pays dont l'Éternel, ton Dieu, te donne la possession. Tu établiras des routes,

et tu diviseras en trois parties le territoire du pays que l'Éternel, ton Dieu, va te donner en héritage. Il
en sera ainsi afin que tout meurtrier puisse s'enfuir dans ces villes. Cette loi s'appliquera au meurtrier 4
qui s'enfuira là pour sauver sa vie, lorsqu'il aura involontairement tué son prochain, sans avoir été au-
paravant son ennemi. Un homme, par exemple, va couper du bois dans la forêt avec un autre homme ; 5
la hache en main, il s'élance pour abattre un arbre ; le fer échappe du manche, atteint le compagnon de
cet homme, et lui donne la mort. Alors il s'enfuira dans l'une de ces villes pour sauver sa vie, de peur 6
que le vengeur du sang, échauffé par la colère et poursuivant le meurtrier, ne finisse par l'atteindre s'il
y avait à faire beaucoup de chemin, et ne frappe mortellement celui qui ne mérite pas la mort, puisqu 'il
n'était point auparavant l'ennemi de son prochain. C'est pourquoi je te donne cet ordre : Tu sépareras 7
trois villes. Lorsque l'Éternel, ton Dieu, aura élargi tes frontières, comme il l'a juré à tes pères, et qu'il 8
t'aura donné tout le pays qu'il a promis à tes pères de te donner, - pourvu que tu observes et mettes en 9
pratique tous ces commandements que je te prescris aujourd'hui, en sorte que tu aimes l'Éternel, ton
Dieu, et que tu marches toujours dans ses voies, -tu ajouteras encore trois villes à ces trois -là, afin que 10
le sang innocent ne soit pas répandu au milieu du pays que l'Éternel, ton Dieu, te donne pour héritage,
et que tu ne sois pas coupable de meurtre. Mais si un homme s'enfuit dans une de ces villes, après 11
avoir dressé des embûches à son prochain par inimitié contre lui, après l'avoir attaqué et frappé de
manière à causer sa mort, les anciens de sa ville l'enverront saisir et le livreront entre les mains du 12
vengeur du sang, afin qu'il meure. Tu ne jetteras pas sur lui un regard de pitié, tu feras disparaître 13
d'Israël le sang innocent, et tu seras heureux. Tu ne reculeras point les bornes de ton prochain, posées 14
par tes ancêtres, dans l'héritage que tu auras au pays dont l'Éternel, ton Dieu, te donne la possession.
Un seul témoin ne suffira pas contre un homme pour constater un crime ou un péché, quel qu'il soit ; 15
un fait ne pourra s'établir que sur la déposition de deux ou de trois témoins. Lorsqu'un faux témoin 16
s'élèvera contre quelqu'un pour l'accuser d'un crime, les deux hommes en contestation comparaîtront 17
devant l'Éternel, devant les sacrificateurs et les juges alors en fonctions. Les juges feront avec soin 18
des recherches. Le témoin est-il un faux témoin, a-t-il fait contre son frère une fausse déposition, alors 19
vous le traiterez comme il avait dessein de traiter son frère. Tu ôteras ainsi le mal du milieu de toi. Les 20
autres entendront et craindront, et l'on ne commettra plus un acte aussi criminel au milieu de toi. Tu 21
ne jetteras aucun regard de pitié : oeil pour oeil, dent pour dent, main pour main, pied pour pied.

Lorsque tu iras à la guerre contre tes ennemis, et que tu verras des chevaux et des chars, et un **20**
peuple plus nombreux que toi, tu ne les craindras point ; car l'Éternel, ton Dieu, qui t'a fait monter du
pays d'Égypte, est avec toi. À l'approche du combat, le sacrificateur s'avancera et parlera au peuple. 2
Il leur dira : Écoute, Israël ! Vous allez aujourd'hui livrer bataille à vos ennemis. Que votre coeur ne 3
se trouble point ; soyez sans crainte, ne vous effrayez pas, ne vous épouvantez pas devant eux. Car 4
l'Éternel, votre Dieu, marche avec vous, pour combattre vos ennemis, pour vous sauver. Les officiers 5
parleront ensuite au peuple et diront : Qui est-ce qui a bâti une maison neuve, et ne s'y est point encore
établi ? Qu'il s'en aille et retourne chez lui, de peur qu'il ne meure dans la bataille et qu'un autre ne
s'y établisse. Qui est-ce qui a planté une vigne, et n'en a point encore joui ? Qu'il s'en aille et retourne 6
chez lui, de peur qu'il ne meure dans la bataille et qu'un autre n'en jouisse. Qui est-ce qui a fiancé 7
une femme, et ne l'a point encore prise ? Qu'il s'en aille et retourne chez lui, de peur qu'il ne meure
dans la bataille et qu'un autre ne la prenne. Les officiers continueront à parler au peuple, et diront : 8
Qui est-ce qui a peur et manque de courage ? Qu'il s'en aille et retourne chez lui, afin que ses frères
ne se découragent pas comme lui. Quand les officiers auront achevé de parler au peuple, ils placeront 9
les chefs des troupes à la tête du peuple. Quand tu t'approcheras d'une ville pour l'attaquer, tu lui 10
offriras la paix. Si elle accepte la paix et t'ouvre ses portes, tout le peuple qui s'y trouvera te sera 11
tributaire et asservi. Si elle n'accepte pas la paix avec toi et qu'elle veuille te faire la guerre, alors tu 12
l'assiégeras. Et après que l'Éternel, ton Dieu, l'aura livrée entre tes mains, tu en feras passer tous les 13
mâles au fil de l'épée. Mais tu prendras pour toi les femmes, les enfants, le bétail, tout ce qui sera 14
dans la ville, tout son butin, et tu mangeras les dépouilles de tes ennemis que l'Éternel, ton Dieu, t'aura
livrés. C'est ainsi que tu agiras à l'égard de toutes les villes qui sont très éloignées de toi, et qui ne 15
font point partie des villes de ces nations -ci. Mais dans les villes de ces peuples dont l'Éternel, ton 16
Dieu, te donne le pays pour héritage, tu ne laisseras la vie à rien de ce qui respire. Car tu dévoueras 17
ces peuples par interdit, les Héthiens, les Amoréens, les Cananéens, les Phéréziens, les Héviens, et les
Jébusiens, comme l'Éternel, ton Dieu, te l'a ordonné, afin qu'ils ne vous apprennent pas à imiter toutes 18
les abominations qu'ils font pour leurs dieux, et que vous ne péchiez point contre l'Éternel, votre Dieu.
Si tu fais un long siège pour t'emparer d'une ville avec laquelle tu es en guerre, tu ne détruiras point les 19
arbres en y portant la hache, tu t'en nourriras et tu ne les abattras point ; car l'arbre des champs est-il
un homme pour être assiégé par toi ? Mais tu pourras détruire et abattre les arbres que tu sauras ne 20

pas être des arbres servant à la nourriture, et en construire des retranchements contre la ville qui te
fait la guerre, jusqu'à ce qu'elle succombe.

21 Si, dans le pays dont l'Éternel, ton Dieu, te donne la possession, l'on trouve étendu au milieu d'un
2 champ un homme tué, sans que l'on sache qui l'a frappé, tes anciens et tes juges iront mesurer les
3 distances à partir du cadavre jusqu'aux villes des environs. Quand on aura déterminé la ville la plus
rapprochée du cadavre, les anciens de cette ville prendront une génisse qui n'ait point servi au travail
4 et qui n'ait point tiré au joug. Ils feront descendre cette génisse vers un torrent qui jamais ne tarisse
5 et où il n'y ait ni culture ni semence ; et là, ils briseront la nuque à la génisse, dans le torrent. Alors
s'approcheront les sacrificateurs, fils de Lévi ; car l'Éternel, ton Dieu, les a choisis pour qu'ils le servent
et qu'ils bénissent au nom de l'Éternel, et ce sont eux qui doivent prononcer sur toute contestation et
6 sur toute blessure. Tous les anciens de cette ville la plus rapprochée du cadavre laveront leurs mains
7 sur la génisse à laquelle on a brisé la nuque dans le torrent. Et prenant la parole, ils diront : Nos mains
8 n'ont point répandu ce sang et nos yeux ne l'ont point vu répandre. Pardonne, ô Éternel ! à ton peuple
d'Israël, que tu as racheté ; n'impute pas le sang innocent à ton peuple d'Israël, et ce sang ne lui sera
9 point imputé. Ainsi, tu dois faire disparaître du milieu de toi le sang innocent, en faisant ce qui est
10 droit aux yeux de l'Éternel. Lorsque tu iras à la guerre contre tes ennemis, si l'Éternel les livre entre
11 tes mains, et que tu leur fasses des prisonniers, peut-être verras -tu parmi les captives une femme
12 belle de figure, et auras-tu le désir de la prendre pour femme. Alors tu l'amèneras dans l'intérieur
13 de ta maison. Elle se rasera la tête et se fera les ongles, elle quittera les vêtements qu'elle portait
quand elle a été prise, elle demeurera dans ta maison, et elle pleurera son père et sa mère pendant un
14 mois. Après cela, tu iras vers elle, tu l'auras en ta possession, et elle sera ta femme. Si elle cesse de
te plaire, tu la laisseras aller où elle voudra, tu ne pourras pas la vendre pour de l'argent ni la traiter
15 comme esclave, parce que tu l'auras humiliée. Si un homme, qui a deux femmes, aime l'une et n'aime
16 pas l'autre, et s'il en a des fils dont le premier-né soit de la femme qu'il n'aime pas, il ne pourra point,
quand il partagera son bien entre ses fils, reconnaître comme premier-né le fils de celle qu'il aime, à la
17 place du fils de celle qu'il n'aime pas, et qui est le premier-né. Mais il reconnaîtra pour premier-né le
fils de celle qu'il n'aime pas, et lui donnera sur son bien une portion double ; car ce fils est les prémices
18 de sa vigueur, le droit d'aînesse lui appartient. Si un homme a un fils indocile et rebelle, n'écoutant
ni la voix de son père, ni la voix de sa mère, et ne leur obéissant pas même après qu'ils l'ont châtié,
19 le père et la mère le prendront, et le mèneront vers les anciens de sa ville et à la porte du lieu qu'il
20 habite. Ils diront aux anciens de sa ville : Voici notre fils qui est indocile et rebelle, qui n'écoute pas
21 notre voix, et qui se livre à des excès et à l'ivrognerie. Et tous les hommes de sa ville le lapideront, et
22 il mourra. Tu ôteras ainsi le mal du milieu de toi, afin que tout Israël entende et craigne. Si l'on fait
23 mourir un homme qui a commis un crime digne de mort, et que tu l'aies pendu à un bois, son cadavre
ne passera point la nuit sur le bois ; mais tu l'enterreras le jour même, car celui qui est pendu est un
objet de malédiction auprès de Dieu, et tu ne souilleras point le pays que l'Éternel, ton Dieu, te donne
pour héritage.

22 Si tu vois s'égarer le boeuf ou la brebis de ton frère, tu ne t'en détourneras point, tu les ramèneras à
2 ton frère. Si ton frère n'habite pas près de toi, et que tu ne le connaisses pas, tu recueilleras l'animal
3 dans ta maison et il restera chez toi jusqu'à ce que ton frère le réclame ; et alors tu le lui rendras. Tu
feras de même pour son âne, tu feras de même pour son vêtement, tu feras de même pour tout objet
4 qu'il aurait perdu et que tu trouverais ; tu ne devras point t'en détourner. Si tu vois l'âne de ton frère
5 ou son boeuf tombé dans le chemin, tu ne t'en détourneras point, tu l'aideras à le relever. Une femme
ne portera point un habillement d'homme, et un homme ne mettra point des vêtements de femme ; car
6 quiconque fait ces choses est en abomination à l'Éternel, ton Dieu. Si tu rencontres dans ton chemin
un nid d'oiseau, sur un arbre ou sur la terre, avec des petits ou des oeufs, et la mère couchée sur les
7 petits ou sur les oeufs, tu ne prendras pas la mère et les petits, tu laisseras aller la mère et tu ne
8 prendras que les petits, afin que tu sois heureux et que tu prolonges tes jours. Si tu bâtis une maison
neuve, tu feras une balustrade autour de ton toit, afin de ne pas mettre du sang sur ta maison, dans le
9 cas où il en tomberait quelqu'un. Tu ne sèmeras point dans ta vigne diverses semences, de peur que
10 tu ne jouisses ni du produit de ce que tu auras semé ni du produit de la vigne. Tu ne laboureras point
11 avec un boeuf et un âne attelés ensemble. Tu ne porteras point un vêtement tissé de diverses espèces
12 de fils, de laine et de lin réunis ensemble. Tu mettras des franges aux quatre coins du vêtement dont
13 tu te couvriras. Si un homme, qui a pris une femme et est allé vers elle, éprouve ensuite de l'aversion
14 pour sa personne, s'il lui impute des choses criminelles et porte atteinte à sa réputation, en disant : J'ai
15 pris cette femme, je me suis approché d'elle, et je ne l'ai pas trouvée vierge, - alors le père et la mère
de la jeune femme prendront les signes de sa virginité et les produiront devant les anciens de la ville,
16 à la porte. Le père de la jeune femme dira aux anciens : J'ai donné ma fille pour femme à cet homme,
17 et il l'a prise en aversion ; il lui impute des choses criminelles, en disant : Je n'ai pas trouvé ta fille

vierge. Or voici les signes de virginité de ma fille. Et ils déploieront son vêtement devant les anciens
de la ville. Les anciens de la ville saisiront alors cet homme et le châtieront ; et, parce qu'il a porté 18, 19
atteinte à la réputation d'une vierge d'Israël, ils le condamneront à une amende de cent sicles d'argent,
qu'ils donneront au père de la jeune femme. Elle restera sa femme, et il ne pourra pas la renvoyer, tant
qu'il vivra. Mais si le fait est vrai, si la jeune femme ne s'est point trouvée vierge, on fera sortir la 20, 21
jeune femme à l'entrée de la maison de son père ; elle sera lapidée par les gens de la ville, et elle mourra,
parce qu'elle a commis une infamie en Israël, en se prostituant dans la maison de son père. Tu ôteras
ainsi le mal du milieu de toi. Si l'on trouve un homme couché avec une femme mariée, ils mourront 22
tous deux, l'homme qui a couché avec la femme, et la femme aussi. Tu ôteras ainsi le mal du milieu
d'Israël. Si une jeune fille vierge est fiancée, et qu'un homme la rencontre dans la ville et couche avec 23
elle, vous les amènerez tous deux à la porte de la ville, vous les lapiderez, et ils mourront, la jeune fille 24
pour n'avoir pas crié dans la ville, et l'homme pour avoir déshonoré la femme de son prochain. Tu ôteras
ainsi le mal du milieu de toi. Mais si c'est dans les champs que cet homme rencontre la jeune femme 25
fiancée, lui fait violence et couche avec elle, l'homme qui aura couché avec elle sera seul puni de mort.
Tu ne feras rien à la jeune fille ; elle n'est pas coupable d'un crime digne de mort, car il en est de ce cas 26
comme de celui où un homme se jette sur son prochain et lui ôte la vie. La jeune fille fiancée, que cet 27
homme a rencontrée dans les champs, a pu crier sans qu'il y ait eu personne pour la secourir. Si un 28
homme rencontre une jeune fille vierge non fiancée, lui fait violence et couche avec elle, et qu'on vienne
à les surprendre, l'homme qui aura couché avec elle donnera au père de la jeune fille cinquante sicles 29
d'argent ; et, parce qu'il l'a déshonorée, il la prendra pour femme, et il ne pourra pas la renvoyer, tant
qu'il vivra. Nul ne prendra la femme de son père, et ne soulèvera la couverture de son père. 30

Celui dont les testicules ont été écrasés ou l'urètre coupé n'entrera point dans l'assemblée de l'Éter- **23**
nel. Celui qui est issu d'une union illicite n'entrera point dans l'assemblée de l'Éternel ; même sa 2
dixième génération n'entrera point dans l'assemblée de l'Éternel. L'Ammonite et le Moabite n'entre- 3
ront point dans l'assemblée de l'Éternel, même à la dixième génération et à perpétuité, parce qu 'ils ne 4
sont pas venus au-devant de vous avec du pain et de l'eau, sur le chemin, lors de votre sortie d'Égypte,
et parce qu'ils ont fait venir contre toi à prix d'argent Balaam, fils de Beor, de Pethor en Mésopotamie,
pour qu'il te maudisse. Mais l'Éternel, ton Dieu, n'a point voulu écouter Balaam ; et l'Éternel, ton Dieu, 5
a changé pour toi la malédiction en bénédiction, parce que tu es aimé de l'Éternel, ton Dieu. Tu n'auras 6
souci ni de leur prospérité ni de leur bien-être, tant que tu vivras, à perpétuité. Tu n'auras point en 7
abomination l'Édomite, car il est ton frère ; tu n'auras point en abomination l'Égyptien, car tu as été
étranger dans son pays : les fils qui leur naîtront à la troisième génération entreront dans l'assemblée 8
de l'Éternel. Lorsque tu camperas contre tes ennemis, garde -toi de toute chose mauvaise. S'il y a 9, 10
chez toi un homme qui ne soit pas pur, par suite d'un accident nocturne, il sortira du camp, et n'entrera
point dans le camp ; sur le soir il se lavera dans l'eau, et après le coucher du soleil il pourra rentrer 11
au camp. Tu auras un lieu hors du camp, et c'est là dehors que tu iras. Tu auras parmi ton bagage 12, 13
un instrument, dont tu te serviras pour faire un creux et recouvrir tes excréments, quand tu voudras
aller dehors. Car l'Éternel, ton Dieu, marche au milieu de ton camp pour te protéger et pour livrer tes 14
ennemis devant toi ; ton camp devra donc être saint, afin que l'Éternel ne voie chez toi rien d'impur, et
qu'il ne se détourne point de toi. Tu ne livreras point à son maître un esclave qui se réfugiera chez toi, 15
après l 'avoir quitté. Il demeurera chez toi, au milieu de toi, dans le lieu qu'il choisira, dans l'une de 16
tes villes, où bon lui semblera : tu ne l'opprimeras point. Il n'y aura aucune prostituée parmi les filles 17
d'Israël, et il n'y aura aucun prostitué parmi les fils d'Israël. Tu n'apporteras point dans la maison de 18
l'Éternel, ton Dieu, le salaire d'une prostituée ni le prix d'un chien, pour l'accomplissement d'un voeu
quelconque ; car l'un et l'autre sont en abomination à l'Éternel, ton Dieu. Tu n'exigeras de ton frère 19
aucun intérêt ni pour argent, ni pour vivres, ni pour rien de ce qui se prête à intérêt. Tu pourras tirer 20
un intérêt de l'étranger, mais tu n'en tireras point de ton frère, afin que l'Éternel, ton Dieu, te bénisse
dans tout ce que tu entreprendras au pays dont tu vas entrer en possession. Si tu fais un voeu à l'Éter- 21
nel, ton Dieu, tu ne tarderas point à l'accomplir : car l'Éternel, ton Dieu, t'en demanderait compte, et
tu te chargerais d'un péché. Si tu t'abstiens de faire un voeu, tu ne commettras pas un péché. Mais 22, 23
tu observeras et tu accompliras ce qui sortira de tes lèvres, par conséquent les voeux que tu feras vo-
lontairement à l'Éternel, ton Dieu, et que ta bouche aura prononcés. Si tu entres dans la vigne de ton 24
prochain, tu pourras à ton gré manger des raisins et t'en rassasier ; mais tu n'en mettras point dans
ton vase. Si tu entres dans les blés de ton prochain, tu pourras cueillir des épis avec la main, mais tu 25
n'agiteras point la faucille sur les blés de ton prochain.

Lorsqu'un homme aura pris et épousé une femme qui viendrait à ne pas trouver grâce à ses yeux, **24**
parce qu'il a découvert en elle quelque chose de honteux, il écrira pour elle une lettre de divorce, et,

après la lui avoir remise en main, il la renverra de sa maison. Elle sortira de chez lui, s'en ira, et pourra devenir la femme d'un autre homme. Si ce dernier homme la prend en aversion, écrit pour elle une lettre de divorce, et, après la lui avoir remise en main, la renvoie de sa maison ; ou bien, si ce dernier homme qui l'a prise pour femme vient à mourir, alors le premier mari qui l'avait renvoyée ne pourra pas la reprendre pour femme après qu'elle a été souillée, car c'est une abomination devant l'Éternel, et tu ne chargeras point de péché le pays que l'Éternel, ton Dieu, te donne pour héritage. Lorsqu'un homme sera nouvellement marié, il n'ira point à l'armée, et on ne lui imposera aucune charge ; il sera exempté par raison de famille pendant un an, et il réjouira la femme qu'il a prise. On ne prendra point pour gage les deux meules, ni la meule de dessus ; car ce serait prendre pour gage la vie même. Si l'on trouve un homme qui ait dérobé l'un de ses frères, l'un des enfants d'Israël, qui en ait fait son esclave ou qui l'ait vendu, ce voleur sera puni de mort. Tu ôteras ainsi le mal du milieu de toi. Prends garde à la plaie de la lèpre, afin de bien observer et de faire tout ce que vous enseigneront les sacrificateurs, les Lévites ; vous aurez soin d'agir d'après les ordres que je leur ai donnés. Souviens -toi de ce que l'Éternel, ton Dieu, fit à Marie pendant la route, lors de votre sortie d'Égypte. Si tu fais à ton prochain un prêt quelconque, tu n'entreras point dans sa maison pour te saisir de son gage ; tu resteras dehors, et celui à qui tu fais le prêt t'apportera le gage dehors. Si cet homme est pauvre, tu ne te coucheras point, en retenant son gage ; tu le lui rendras au coucher du soleil, afin qu'il couche dans son vêtement et qu'il te bénisse ; et cela te sera imputé à justice devant l'Éternel, ton Dieu. Tu n'opprimeras point le mercenaire, pauvre et indigent, qu'il soit l'un de tes frères, ou l'un des étrangers demeurant dans ton pays, dans tes portes. Tu lui donneras le salaire de sa journée avant le coucher du soleil ; car il est pauvre, et il lui tarde de le recevoir. Sans cela, il crierait à l'Éternel contre toi, et tu te chargerais d'un péché. On ne fera point mourir les pères pour les enfants, et l'on ne fera point mourir les enfants pour les pères ; on fera mourir chacun pour son péché. Tu ne porteras point atteinte au droit de l'étranger et de l'orphelin, et tu ne prendras point en gage le vêtement de la veuve. Tu te souviendras que tu as été esclave en Égypte, et que l'Éternel, ton Dieu, t'a racheté ; c'est pourquoi je te donne ces commandements à mettre en pratique. Quand tu moissonneras ton champ, et que tu auras oublié une gerbe dans le champ, tu ne retourneras point la prendre : elle sera pour l'étranger, pour l'orphelin et pour la veuve, afin que l'Éternel, ton Dieu, te bénisse dans tout le travail de tes mains. Quand tu secoueras tes oliviers, tu ne cueilleras point ensuite les fruits restés aux branches : ils seront pour l'étranger, pour l'orphelin et pour la veuve. Quand tu vendangeras ta vigne, tu ne cueilleras point ensuite les grappes qui y seront restées : elles seront pour l'étranger, pour l'orphelin et pour la veuve. Tu te souviendras que tu as été esclave dans le pays d'Égypte ; c'est pourquoi je te donne ces commandements à mettre en pratique.

25 Lorsque des hommes, ayant entre eux une querelle, se présenteront en justice pour être jugés, on absoudra l'innocent, et l'on condamnera le coupable. Si le coupable mérite d'être battu, le juge le fera étendre par terre et frapper en sa présence d'un nombre de coups proportionné à la gravité de sa faute. Il ne lui fera pas donner plus de quarante coups, de peur que, si l'on continuait à le frapper en allant beaucoup au delà, ton frère ne fût avili à tes yeux. Tu n'emmuselleras point le boeuf, quand il foulera le grain. Lorsque des frères demeureront ensemble, et que l'un d'eux mourra sans laisser de fils, la femme du défunt ne se mariera point au dehors avec un étranger, mais son beau-frère ira vers elle, la prendra pour femme, et l'épousera comme beau-frère. Le premier-né qu'elle enfantera succédera au frère mort et portera son nom, afin que ce nom ne soit pas effacé d'Israël. Si cet homme ne veut pas prendre sa belle-soeur, elle montera à la porte vers les anciens, et dira : Mon beau-frère refuse de relever en Israël le nom de son frère, il ne veut pas m'épouser par droit de beau-frère. Les anciens de la ville l'appelleront, et lui parleront. S'il persiste, et dit : Je ne veux pas la prendre, alors sa belle-soeur s'approchera de lui en présence des anciens, lui ôtera son soulier du pied, et lui crachera au visage. Et prenant la parole, elle dira : Ainsi sera fait à l'homme qui ne relève pas la maison de son frère. Et sa maison sera appelée en Israël la maison du déchaussé. Lorsque des hommes se querelleront ensemble, l'un avec l'autre, si la femme de l'un s'approche pour délivrer son mari de la main de celui qui le frappe, si elle avance la main et saisit ce dernier par les parties honteuses, tu lui couperas la main, tu ne jetteras sur elle aucun regard de pitié. Tu n'auras point dans ton sac deux sortes de poids, un gros et un petit. Tu n'auras point dans ta maison deux sortes d'épha, un grand et un petit. Tu auras un poids exact et juste, tu auras un épha exact et juste, afin que tes jours se prolongent dans le pays que l'Éternel, ton Dieu, te donne. Car quiconque fait ces choses, quiconque commet une iniquité, est en abomination à l'Éternel, ton Dieu. Souviens -toi de ce que te fit Amalek pendant la route, lors de votre sortie d'Égypte, comment il te rencontra dans le chemin, et, sans aucune crainte de Dieu, tomba sur toi par derrière, sur tous ceux qui se traînaient les derniers, pendant que tu étais las et épuisé toi-même. Lorsque l'Éternel, ton Dieu, après t'avoir délivré de tous les ennemis qui t'entourent, t'accordera du

repos dans le pays que l'Éternel, ton Dieu, te donne en héritage et en propriété, tu effaceras la mémoire d'Amalek de dessous les cieux : ne l'oublie point.

26 Lorsque tu seras entré dans le pays que l'Éternel, ton Dieu, te donne pour héritage, lorsque tu le
2 posséderas et y seras établi, tu prendras des prémices de tous les fruits que tu retireras du sol dans le pays que l'Éternel, ton Dieu, te donne, tu les mettras dans une corbeille, et tu iras au lieu que choisira
3 l'Éternel, ton Dieu, pour y faire résider son nom. Tu te présenteras au sacrificateur alors en fonctions, et tu lui diras : Je déclare aujourd'hui à l'Éternel, ton Dieu, que je suis entré dans le pays que l'Éternel
4 a juré à nos pères de nous donner. Le sacrificateur recevra la corbeille de ta main, et la déposera
5 devant l'autel de l'Éternel, ton Dieu. Tu prendras encore la parole, et tu diras devant l'Éternel, ton Dieu : Mon père était un Araméen nomade ; il descendit en Égypte avec peu de gens, et il y fixa son séjour ; là, il devint une nation grande, puissante et nombreuse. Les Égyptiens nous maltraitèrent et
6 nous opprimèrent, et ils nous soumirent à une dure servitude. Nous criâmes à l'Éternel, le Dieu de nos
7 pères. L'Éternel entendit notre voix, et il vit notre oppression, nos peines et nos misères. Et l'Éternel
8 nous fit sortir d'Égypte, à main forte et à bras étendu, avec des prodiges de terreur, avec des signes et des miracles. Il nous a conduits dans ce lieu, et il nous a donné ce pays, pays où coulent le lait et
9 le miel. Maintenant voici, j'apporte les prémices des fruits du sol que tu m'as donné, ô Éternel ! Tu
10 les déposeras devant l'Éternel, ton Dieu, et tu te prosterneras devant l'Éternel, ton Dieu. Puis tu te
11 réjouiras, avec le Lévite et avec l'étranger qui sera au milieu de toi, pour tous les biens que l'Éternel, ton Dieu, t'a donnés, à toi et à ta maison. Lorsque tu auras achevé de lever toute la dîme de tes produits,
12 la troisième année, l'année de la dîme, tu la donneras au Lévite, à l'étranger, à l'orphelin et à la veuve ; et ils mangeront et se rassasieront, dans tes portes. Tu diras devant l'Éternel, ton Dieu : J'ai ôté de
13 ma maison ce qui est consacré, et je l'ai donné au Lévite, à l'étranger, à l'orphelin et à la veuve, selon tous les ordres que tu m'as prescrits ; je n'ai transgressé ni oublié aucun de tes commandements. Je
14 n'ai rien mangé de ces choses pendant mon deuil, je n'en ai rien fait disparaître pour un usage impur, et je n'en ai rien donné à l'occasion d'un mort ; j'ai obéi à la voix de l'Éternel, mon Dieu, j'ai agi selon tous
15 les ordres que tu m'as prescrits. Regarde de ta demeure sainte, des cieux, et bénis ton peuple d'Israël et le pays que tu nous as donné, comme tu l'avais juré à nos pères, ce pays où coulent le lait et le miel.
16 Aujourd'hui, l'Éternel, ton Dieu, te commande de mettre en pratique ces lois et ces ordonnances ; tu les
17 observeras et tu les mettras en pratique de tout ton coeur et de toute ton âme. Aujourd'hui, tu as fait promettre à l'Éternel qu'il sera ton Dieu, afin que tu marches dans ses voies, que tu observes ses lois, ses commandements et ses ordonnances, et que tu obéisses à sa voix. Et aujourd'hui, l'Éternel t'a fait
18 promettre que tu seras un peuple qui lui appartiendra, comme il te l'a dit, et que tu observeras tous ses commandements, afin qu'il te donne sur toutes les nations qu'il a créées la supériorité en gloire, en
19 renom et en magnificence, et afin que tu sois un peuple saint pour l'Éternel, ton Dieu, comme il te l'a dit.

27 Moïse et les anciens d'Israël donnèrent cet ordre au peuple : Observez tous les commandements
2 que je vous prescris aujourd'hui. Lorsque vous aurez passé le Jourdain, pour entrer dans le pays que l'Éternel, ton Dieu, te donne, tu dresseras de grandes pierres, et tu les enduiras de chaux. Tu écriras
3 sur ces pierres toutes les paroles de cette loi, lorsque tu auras passé le Jourdain, pour entrer dans le pays que l'Éternel, ton Dieu, te donne, pays où coulent le lait et le miel, comme te l'a dit l'Éternel, le Dieu de tes pères. Lorsque vous aurez passé le Jourdain, vous dresserez sur le mont Ébal ces pierres
4 que je vous ordonne aujourd'hui de dresser, et tu les enduiras de chaux. Là, tu bâtiras un autel à
5 l'Éternel, ton Dieu, un autel de pierres, sur lesquelles tu ne porteras point le fer ; tu bâtiras en pierres
6 brutes l'autel de l'Éternel, ton Dieu. Tu offriras sur cet autel des holocaustes à l'Éternel, ton Dieu ; tu
7 offriras des sacrifices d'actions de grâces, et tu mangeras là et te réjouiras devant l'Éternel, ton Dieu.
8, 9 Tu écriras sur ces pierres toutes les paroles de cette loi, en les gravant bien nettement. Moïse et les sacrificateurs, les Lévites, parlèrent à tout Israël, et dirent : Israël, sois attentif et écoute ! Aujourd'hui,
10 tu es devenu le peuple de l'Éternel, ton Dieu. Tu obéiras à la voix de l'Éternel, ton Dieu, et tu mettras
11 en pratique ses commandements et ses lois que je te prescris aujourd'hui. Le même jour, Moïse donna
12 cet ordre au peuple : Lorsque vous aurez passé le Jourdain, Siméon, Lévi, Juda, Issacar, Joseph et
13 Benjamin, se tiendront sur le mont Garizim, pour bénir le peuple ; et Ruben, Gad, Aser, Zabulon, Dan
14 et Nephthali, se tiendront sur le mont Ébal, pour prononcer la malédiction. Et les Lévites prendront la
15 parole, et diront d'une voix haute à tout Israël : Maudit soit l'homme qui fait une image taillée ou une image en fonte, abomination de l'Éternel, oeuvre des mains d'un artisan, et qui la place dans un lieu
16 secret ! Et tout le peuple répondra, et dira : Amen ! Maudit soit celui qui méprise son père et sa mère !

17 -Et tout le peuple dira : Amen ! Maudit soit celui qui déplace les bornes de son prochain ! -Et tout le
18 peuple dira : Amen ! Maudit soit celui qui fait égarer un aveugle dans le chemin ! Et tout le peuple
19 dira : Amen ! Maudit soit celui qui porte atteinte au droit de l'étranger, de l'orphelin et de la veuve !
20 -Et tout le peuple dira : Amen ! Maudit soit celui qui couche avec la femme de son père, car il soulève
21 la couverture de son père ! -Et tout le peuple dira : Amen ! Maudit soit celui qui couche avec une bête
22 quelconque ! -Et tout le peuple dira : Amen ! Maudit soit celui qui couche avec sa soeur, fille de son père
23 ou fille de sa mère ! -Et tout le peuple dira : Amen ! Maudit soit celui qui couche avec sa belle-mère !
24 -Et tout le peuple dira : Amen ! Maudit soit celui qui frappe son prochain en secret ! -Et tout le peuple
25 dira : Amen ! Maudit soit celui qui reçoit un présent pour répandre le sang de l'innocent ! -Et tout le
26 peuple dira : Amen ! Maudit soit celui qui n'accomplit point les paroles de cette loi, et qui ne les met
point en pratique ! -Et tout le peuple dira : Amen !

28 Si tu obéis à la voix de l'Éternel, ton Dieu, en observant et en mettant en pratique tous ses commandements que je te prescris aujourd'hui, l'Éternel, ton Dieu, te donnera la supériorité sur toutes les
2 nations de la terre. Voici toutes les bénédictions qui se répandront sur toi et qui seront ton partage,
3 lorsque tu obéiras à la voix de l'Éternel, ton Dieu : Tu seras béni dans la ville, et tu seras béni dans
4 les champs. Le fruit de tes entrailles, le fruit de ton sol, le fruit de tes troupeaux, les portées de ton
5, 6 gros et de ton menu bétail, toutes ces choses seront bénies. Ta corbeille et ta huche seront bénies. Tu
7 seras béni à ton arrivée, et tu seras béni à ton départ. L'Éternel te donnera la victoire sur tes ennemis
qui s'élèveront contre toi ; ils sortiront contre toi par un seul chemin, et ils s'enfuiront devant toi par
8 sept chemins. L'Éternel ordonnera à la bénédiction d'être avec toi dans tes greniers et dans toutes tes
9 entreprises. Il te bénira dans le pays que l'Éternel, ton Dieu, te donne. Tu seras pour l'Éternel un
peuple saint, comme il te l'a juré, lorsque tu observeras les commandements de l'Éternel, ton Dieu, et
10 que tu marcheras dans ses voies. Tous les peuples verront que tu es appelé du nom de l'Éternel, et ils
11 te craindront. L'Éternel te comblera de biens, en multipliant le fruit de tes entrailles, le fruit de tes
12 troupeaux et le fruit de ton sol, dans le pays que l'Éternel a juré à tes pères de te donner. L'Éternel
t'ouvrira son bon trésor, le ciel, pour envoyer à ton pays la pluie en son temps et pour bénir tout le
13 travail de tes mains ; tu prêteras à beaucoup de nations, et tu n'emprunteras point. L'Éternel fera de
toi la tête et non la queue, tu seras toujours en haut et tu ne seras jamais en bas, lorsque tu obéiras aux
commandements de l'Éternel, ton Dieu, que je te prescris aujourd'hui, lorsque tu les observeras et les
14 mettras en pratique, et que tu ne te détourneras ni à droite ni à gauche de tous les commandements
15 que je vous donne aujourd'hui, pour aller après d'autres dieux et pour les servir. Mais si tu n'obéis point
à la voix de l'Éternel, ton Dieu, si tu n'observes pas et ne mets pas en pratique tous ses commandements
et toutes ses lois que je te prescris aujourd'hui, voici toutes les malédictions qui viendront sur toi et qui
16, 17 seront ton partage : Tu seras maudit dans la ville, et tu seras maudit dans les champs. Ta corbeille et
18 ta huche seront maudites. Le fruit de tes entrailles, le fruit de ton sol, les portées de ton gros et de ton
19 menu bétail, toutes ces choses seront maudites. Tu seras maudit à ton arrivée, et tu seras maudit à
20 ton départ. L'Éternel enverra contre toi la malédiction, le trouble et la menace, au milieu de toutes les
entreprises que tu feras, jusqu'à ce que tu sois détruit, jusqu'à ce que tu périsses promptement, à cause
21 de la méchanceté de tes actions, qui t'aura porté à m'abandonner. L'Éternel attachera à toi la peste,
22 jusqu'à ce qu'elle te consume dans le pays dont tu vas entrer en possession. L'Éternel te frappera de
consomption, de fièvre, d'inflammation, de chaleur brûlante, de dessèchement, de jaunisse et de gan-
23 grène, qui te poursuivront jusqu'à ce que tu périsses. Le ciel sur ta tête sera d'airain, et la terre sous
24 toi sera de fer. L'Éternel enverra pour pluie à ton pays de la poussière et de la poudre ; il en descendra
25 du ciel sur toi jusqu'à ce que tu sois détruit. L'Éternel te fera battre par tes ennemis ; tu sortiras contre
eux par un seul chemin, et tu t'enfuiras devant eux par sept chemins ; et tu seras un objet d'effroi pour
26 tous les royaumes de la terre. Ton cadavre sera la pâture de tous les oiseaux du ciel et des bêtes de
27 la terre ; et il n'y aura personne pour les troubler. L'Éternel te frappera de l'ulcère d'Égypte, d'hémor-
28 rhoïdes, de gale et de teigne, dont tu ne pourras guérir. L'Éternel te frappera de délire, d'aveuglement,
29 d'égarement d'esprit, et tu tâtonneras en plein midi comme l'aveugle dans l'obscurité, tu n'auras point
de succès dans tes entreprises, et tu seras tous les jours opprimé, dépouillé, et il n'y aura personne pour
30 venir à ton secours. Tu auras une fiancée, et un autre homme couchera avec elle ; tu bâtiras une mai-
31 son, et tu ne l'habiteras pas ; tu planteras une vigne, et tu n'en jouiras pas. Ton boeuf sera égorgé sous
tes yeux, et tu n'en mangeras pas ; ton âne sera enlevé devant toi, et on ne te le rendra pas ; tes brebis
32 seront données à tes ennemis, et il n'y aura personne pour venir à ton secours. Tes fils et tes filles
seront livrés à un autre peuple, tes yeux le verront et languiront tout le jour après eux, et ta main sera
33 sans force. Un peuple que tu n'auras point connu mangera le fruit de ton sol et tout le produit de ton

travail, et tu seras tous les jours opprimé et écrasé. Le spectacle que tu auras sous les yeux te jettera 34
dans le délire. L'Éternel te frappera aux genoux et aux cuisses d'un ulcère malin dont tu ne pourras 35
guérir, il te frappera depuis la plante du pied jusqu'au sommet de la tête. L'Éternel te fera marcher, toi 36
et ton roi que tu auras établi sur toi, vers une nation que tu n'auras point connue, ni toi ni tes pères. Et
là, tu serviras d'autres dieux, du bois et de la pierre. Et tu seras un sujet d'étonnement, de sarcasme 37
et de raillerie, parmi tous les peuples chez qui l'Éternel te mènera. Tu transporteras sur ton champ 38
beaucoup de semence ; et tu feras une faible récolte, car les sauterelles la dévoreront. Tu planteras des 39
vignes et tu les cultiveras ; et tu ne boiras pas de vin et tu ne feras pas de récolte, car les vers la mange-
ront. Tu auras des oliviers dans toute l'étendue de ton pays ; et tu ne t'oindras pas d'huile, car tes olives 40
tomberont. Tu engendreras des fils et des filles ; et ils ne seront pas à toi, car ils iront en captivité. Les 41, 42
insectes prendront possession de tous tes arbres et du fruit de ton sol. L'étranger qui sera au milieu 43
de toi s'élèvera toujours plus au-dessus de toi, et toi, tu descendras toujours plus bas ; il te prêtera, et 44
tu ne lui prêteras pas ; il sera la tête, et tu seras la queue. Toutes ces malédictions viendront sur toi, 45
elles te poursuivront et seront ton partage jusqu'à ce que tu sois détruit, parce que tu n'auras pas obéi
à la voix de l'Éternel, ton Dieu, parce que tu n'auras pas observé ses commandements et ses lois qu'il
te prescrit. Elles seront à jamais pour toi et pour tes descendants comme des signes et des prodiges. 46
Pour n'avoir pas, au milieu de l'abondance de toutes choses, servi l'Éternel, ton Dieu, avec joie et de 47
bon coeur, tu serviras, au milieu de la faim, de la soif, de la nudité et de la disette de toutes choses, 48
tes ennemis que l'Éternel enverra contre toi. Il mettra un joug de fer sur ton cou, jusqu'à ce qu'il t'ait
détruit. L'Éternel fera partir de loin, des extrémités de la terre, une nation qui fondra sur toi d'un vol 49
d'aigle, une nation dont tu n'entendras point la langue, une nation au visage farouche, et qui n'aura 50
ni respect pour le vieillard ni pitié pour l'enfant. Elle mangera le fruit de tes troupeaux et le fruit de 51
ton sol, jusqu'à ce que tu sois détruit ; elle ne te laissera ni blé, ni moût, ni huile, ni portées de ton gros
et de ton menu bétail, jusqu'à ce qu'elle t'ait fait périr. Elle t'assiégera dans toutes tes portes, jusqu'à 52
ce que tes murailles tombent, ces hautes et fortes murailles sur lesquelles tu auras placé ta confiance
dans toute l'étendue de ton pays ; elle t'assiégera dans toutes tes portes, dans tout le pays que l'Éternel,
ton Dieu, te donne. Au milieu de l'angoisse et de la détresse où te réduira ton ennemi, tu mangeras le 53
fruit de tes entrailles, la chair de tes fils et de tes filles que l'Éternel, ton Dieu, t'aura donnés. L'homme 54
d'entre vous le plus délicat et le plus habitué à la mollesse aura un oeil sans pitié pour son frère, pour
la femme qui repose sur son sein, pour ceux de ses enfants qu'il a épargnés ; il ne donnera à aucun 55
d'eux de la chair de ses enfants dont il fait sa nourriture, parce qu'il ne lui reste plus rien au milieu
de l'angoisse et de la détresse où te réduira ton ennemi dans toutes tes portes. La femme d'entre vous 56
la plus délicate et la plus habituée à la mollesse, qui par mollesse et par délicatesse n'essayait pas de
poser à terre la plante de son pied, aura un oeil sans pitié pour le mari qui repose sur son sein, pour
son fils et pour sa fille ; elle ne leur donnera rien de l'arrière-faix sorti d'entre ses pieds et des enfants 57
qu'elle mettra au monde, car, manquant de tout, elle en fera secrètement sa nourriture au milieu de
l'angoisse et de la détresse où te réduira ton ennemi dans tes portes. Si tu n'observes pas et ne mets 58
pas en pratique toutes les paroles de cette loi, écrites dans ce livre, si tu ne crains pas ce nom glorieux
et redoutable de l'Éternel, ton Dieu, l'Éternel te frappera miraculeusement, toi et ta postérité, par des 59
plaies grandes et de longue durée, par des maladies graves et opiniâtres. Il amènera sur toi toutes 60
les maladies d'Égypte, devant lesquelles tu tremblais ; et elles s'attacheront à toi. Et même, l'Éternel 61
fera venir sur toi, jusqu'à ce que tu sois détruit, toutes sortes de maladies et de plaies qui ne sont point
mentionnées dans le livre de cette loi. Après avoir été aussi nombreux que les étoiles du ciel, vous ne 62
resterez qu'un petit nombre, parce que tu n'auras point obéi à la voix de l'Éternel, ton Dieu. De même 63
que l'Éternel prenait plaisir à vous faire du bien et à vous multiplier, de même l'Éternel prendra plaisir
à vous faire périr et à vous détruire ; et vous serez arrachés du pays dont tu vas entrer en possession.
L'Éternel te dispersera parmi tous les peuples, d'une extrémité de la terre à l'autre ; et là, tu serviras 64
d'autres dieux que n'ont connus ni toi, ni tes pères, du bois et de la pierre. Parmi ces nations, tu ne 65
seras pas tranquille, et tu n'auras pas un lieu de repos pour la plante de tes pieds. L'Éternel rendra
ton coeur agité, tes yeux languissants, ton âme souffrante. Ta vie sera comme en suspens devant toi, 66
tu trembleras la nuit et le jour, tu douteras de ton existence. Dans l'effroi qui remplira ton coeur et 67
en présence de ce que tes yeux verront, tu diras le matin : Puisse le soir être là ! et tu diras le soir :
Puisse le matin être là ! Et l'Éternel te ramènera sur des navires en Égypte, et tu feras ce chemin dont 68
je t'avais dit : Tu ne le reverras plus ! Là, vous vous offrirez en vente à vos ennemis, comme esclaves et
comme servantes ; et il n'y aura personne pour vous acheter.

Voici les paroles de l'alliance que l'Éternel ordonna à Moïse de traiter avec les enfants d'Israël au **29**
pays de Moab, outre l'alliance qu'il avait traitée avec eux à Horeb. Moïse convoqua tout Israël, et leur 2

dit : Vous avez vu tout ce que l'Éternel a fait sous vos yeux, dans le pays d'Égypte, à Pharaon, à tous ses
3 serviteurs, et à tout son pays, les grandes épreuves que tes yeux ont vues, ces miracles et ces grands
4 prodiges. Mais, jusqu'à ce jour, l'Éternel ne vous a pas donné un coeur pour comprendre, des yeux pour
5 voir, des oreilles pour entendre. Je t'ai conduit pendant quarante années dans le désert ; tes vêtements
6 ne se sont point usés sur toi, et ton soulier ne s'est point usé à ton pied ; vous n'avez point mangé de
pain, et vous n'avez bu ni vin ni liqueur forte, afin que vous connussiez que je suis l'Éternel, votre Dieu.
7 Vous êtes arrivés dans ce lieu ; Sihon, roi de Hesbon, et Og, roi de Basan, sont sortis à notre rencontre,
8 pour nous combattre, et nous les avons battus. Nous avons pris leur pays, et nous l'avons donné en
9 propriété aux Rubénites, aux Gadites et à la moitié de la tribu des Manassites. Vous observerez donc
les paroles de cette alliance, et vous les mettrez en pratique, afin de réussir dans tout ce que vous ferez.
10 Vous vous présentez aujourd'hui devant l'Éternel, votre Dieu, vous tous, vos chefs de tribus, vos anciens,
11 vos officiers, tous les hommes d'Israël, vos enfants, vos femmes, et l'étranger qui est au milieu de ton
12 camp, depuis celui qui coupe ton bois jusqu'à celui qui puise ton eau. Tu te présentes pour entrer dans
l'alliance de l'Éternel, ton Dieu, dans cette alliance contractée avec serment, et que l'Éternel, ton Dieu,
13 traite en ce jour avec toi, afin de t'établir aujourd'hui pour son peuple et d'être lui-même ton Dieu,
14 comme il te l'a dit, et comme il l'a juré à tes pères, Abraham, Isaac et Jacob. Ce n'est point avec vous
15 seuls que je traite cette alliance, cette alliance contractée avec serment. Mais c'est avec ceux qui sont
ici parmi nous, présents en ce jour devant l'Éternel, notre Dieu, et avec ceux qui ne sont point ici parmi
16 nous en ce jour. Vous savez de quelle manière nous avons habité dans le pays d'Égypte, et comment
17 nous avons passé au milieu des nations que vous avez traversées. Vous avez vu leurs abominations et
18 leurs idoles, le bois et la pierre, l'argent et l'or, qui sont chez elles. Qu'il n'y ait parmi vous ni homme,
ni femme, ni famille, ni tribu, dont le coeur se détourne aujourd'hui de l'Éternel, notre Dieu, pour aller
servir les dieux de ces nations -là. Qu'il n'y ait point parmi vous de racine qui produise du poison et de
19 l'absinthe. Que personne, après avoir entendu les paroles de cette alliance contractée avec serment,
ne se glorifie dans son coeur et ne dise : J'aurai la paix, quand même je suivrai les penchants de mon
20 coeur, et que j'ajouterai l'ivresse à la soif. L'Éternel ne voudra point lui pardonner. Mais alors la colère
et la jalousie de l'Éternel s'enflammeront contre cet homme, toutes les malédictions écrites dans ce livre
21 reposeront sur lui, et l'Éternel effacera son nom de dessous les cieux. L'Éternel le séparera, pour son
malheur, de toutes les tribus d'Israël, selon toutes les malédictions de l'alliance écrite dans ce livre de
22 la loi. Les générations à venir, vos enfants qui naîtront après vous et l'étranger qui viendra d'une terre
23 lointaine, -à la vue des plaies et des maladies dont l'Éternel aura frappé ce pays, à la vue du soufre,
du sel, de l'embrasement de toute la contrée, où il n'y aura ni semence, ni produit, ni aucune herbe
qui croisse, comme au bouleversement de Sodome, de Gomorrhe, d'Adma et de Tseboïm, que l'Éternel
24 détruisit dans sa colère et dans sa fureur, - toutes les nations diront : Pourquoi l'Éternel a-t-il ainsi
25 traité ce pays ? pourquoi cette ardente, cette grande colère ? Et l'on répondra : C'est parce qu'ils ont
abandonné l'alliance contractée avec eux par l'Éternel, le Dieu de leurs pères, lorsqu'il les fit sortir du
26 pays d'Égypte ; c'est parce qu'ils sont allés servir d'autres dieux et se prosterner devant eux, des dieux
27 qu'ils ne connaissaient point et que l'Éternel ne leur avait point donnés en partage. Alors la colère de
l'Éternel s'est enflammée contre ce pays, et il a fait venir sur lui toutes les malédictions écrites dans ce
28 livre. L'Éternel les a arrachés de leur pays avec colère, avec fureur, avec une grande indignation, et il
29 les a jetés sur un autre pays, comme on le voit aujourd'hui. Les choses cachées sont à l'Éternel, notre
Dieu ; les choses révélées sont à nous et à nos enfants, à perpétuité, afin que nous mettions en pratique
toutes les paroles de cette loi.

30 Lorsque toutes ces choses t'arriveront, la bénédiction et la malédiction que je mets devant toi, si tu
2 les prends à coeur au milieu de toutes les nations chez lesquelles l'Éternel, ton Dieu, t'aura chassé, si
tu reviens à l'Éternel, ton Dieu, et si tu obéis à sa voix de tout ton coeur et de toute ton âme, toi et tes
3 enfants, selon tout ce que je te prescris aujourd'hui, alors l'Éternel, ton Dieu, ramènera tes captifs et
aura compassion de toi, il te rassemblera encore du milieu de tous les peuples chez lesquels l'Éternel,
4 ton Dieu, t'aura dispersé. Quand tu serais exilé à l'autre extrémité du ciel, l'Éternel, ton Dieu, te
5 rassemblera de là, et c'est là qu'il t'ira chercher. L'Éternel, ton Dieu, te ramènera dans le pays que
possédaient tes pères, et tu le posséderas ; il te fera du bien, et te rendra plus nombreux que tes pères.
6 L'Éternel, ton Dieu, circoncira ton coeur et le coeur de ta postérité, et tu aimeras l'Éternel, ton Dieu,
7 de tout ton coeur et de toute ton âme, afin que tu vives. L'Éternel, ton Dieu, fera tomber toutes ces
8 malédictions sur tes ennemis, sur ceux qui t'auront haï et persécuté. Et toi, tu reviendras à l'Éternel,
tu obéiras à sa voix, et tu mettras en pratique tous ces commandements que je te prescris aujourd'hui.

L'Éternel, ton Dieu, te comblera de biens en faisant prospérer tout le travail de tes mains, le fruit de 9
tes entrailles, le fruit de tes troupeaux et le fruit de ton sol ; car l'Éternel prendra de nouveau plaisir à
ton bonheur, comme il prenait plaisir à celui de tes pères, lorsque tu obéiras à la voix de l'Éternel, ton 10
Dieu, en observant ses commandements et ses ordres écrits dans ce livre de la loi, lorsque tu reviendras
à l'Éternel, ton Dieu, de tout ton coeur et de toute ton âme. Ce commandement que je te prescris 11
aujourd'hui n'est certainement point au-dessus de tes forces et hors de ta portée. Il n'est pas dans le 12
ciel, pour que tu dises : Qui montera pour nous au ciel et nous l'ira chercher, qui nous le fera entendre,
afin que nous le mettions en pratique ? Il n'est pas de l'autre côté de la mer, pour que tu dises : Qui 13
passera pour nous de l'autre côté de la mer et nous l'ira chercher, qui nous le fera entendre, afin que
nous le mettions en pratique ? C'est une chose, au contraire, qui est tout près de toi, dans ta bouche et 14
dans ton coeur, afin que tu la mettes en pratique. Vois, je mets aujourd'hui devant toi la vie et le bien, 15
la mort et le mal. Car je te prescris aujourd'hui d'aimer l'Éternel, ton Dieu, de marcher dans ses voies, 16
et d'observer ses commandements, ses lois et ses ordonnances, afin que tu vives et que tu multiplies,
et que l'Éternel, ton Dieu, te bénisse dans le pays dont tu vas entrer en possession. Mais si ton coeur 17
se détourne, si tu n'obéis point, et si tu te laisses entraîner à te prosterner devant d'autres dieux et à
les servir, je vous déclare aujourd'hui que vous périrez, que vous ne prolongerez point vos jours dans 18
le pays dont vous allez entrer en possession, après avoir passé le Jourdain. J'en prends aujourd'hui à 19
témoin contre vous le ciel et la terre : j'ai mis devant toi la vie et la mort, la bénédiction et la malédiction.
Choisis la vie, afin que tu vives, toi et ta postérité, pour aimer l'Éternel, ton Dieu, pour obéir à sa voix, 20
et pour t'attacher à lui : car de cela dépendent ta vie et la prolongation de tes jours, et c'est ainsi que tu
pourras demeurer dans le pays que l'Éternel a juré de donner à tes pères, Abraham, Isaac et Jacob.

Moïse adressa encore ces paroles à tout Israël : Aujourd'hui, leur dit -il, je suis âgé de cent vingt **31**, 2
ans, je ne pourrai plus sortir et entrer, et l'Éternel m'a dit : Tu ne passeras pas ce Jourdain. L'Éternel, 3
ton Dieu, marchera lui-même devant toi, il détruira ces nations devant toi, et tu t'en rendras maître.
Josué marchera aussi devant toi, comme l'Éternel l'a dit. L'Éternel traitera ces nations comme il a 4
traité Sihon et Og, rois des Amoréens, qu'il a détruits avec leur pays. L'Éternel vous les livrera, et vous 5
agirez à leur égard selon tous les ordres que je vous ai donnés. Fortifiez -vous et ayez du courage ! Ne 6
craignez point et ne soyez point effrayés devant eux ; car l'Éternel, ton Dieu, marchera lui-même avec
toi, il ne te délaissera point, il ne t'abandonnera point. Moïse appela Josué, et lui dit en présence de 7
tout Israël : Fortifie -toi et prends courage, car tu entreras avec ce peuple dans le pays que l'Éternel
a juré à leurs pères de leur donner, et c'est toi qui les en mettras en possession. L'Éternel marchera 8
lui-même devant toi, il sera lui-même avec toi, il ne te délaissera point, il ne t'abandonnera point ; ne
crains point, et ne t'effraie point. Moïse écrivit cette loi, et il la remit aux sacrificateurs, fils de Lévi, qui 9
portaient l'arche de l'alliance de l'Éternel, et à tous les anciens d'Israël. Moïse leur donna cet ordre : 10
Tous les sept ans, à l'époque de l'année du relâche, à la fête des tabernacles, quand tout Israël viendra 11
se présenter devant l'Éternel, ton Dieu, dans le lieu qu'il choisira, tu liras cette loi devant tout Israël,
en leur présence. Tu rassembleras le peuple, les hommes, les femmes, les enfants, et l'étranger qui 12
sera dans tes portes, afin qu'ils t'entendent, et afin qu'ils apprennent à craindre l'Éternel, votre Dieu, à
observer et à mettre en pratique toutes les paroles de cette loi. Et leurs enfants qui ne la connaîtront 13
pas l'entendront, et ils apprendront à craindre l'Éternel, votre Dieu, tout le temps que vous vivrez dans
le pays dont vous prendrez possession, après avoir passé le Jourdain. L'Éternel dit à Moïse : Voici, le 14
moment approche où tu vas mourir. Appelle Josué, et présentez -vous dans la tente d'assignation. Je
lui donnerai mes ordres. Moïse et Josué allèrent se présenter dans la tente d'assignation. Et l'Éternel 15
apparut dans la tente dans une colonne de nuée ; et la colonne de nuée s'arrêta à l'entrée de la tente.
L'Éternel dit à Moïse : Voici, tu vas être couché avec tes pères. Et ce peuple se lèvera, et se prostituera 16
après les dieux étrangers du pays au milieu duquel il entre. Il m'abandonnera, et il violera mon alliance,
que j'ai traitée avec lui. En ce jour -là, ma colère s'enflammera contre lui. Je les abandonnerai, et je leur 17
cacherai ma face. Il sera dévoré, il sera la proie d'une multitude de maux et d'afflictions, et alors il dira :
N'est-ce point parce que mon Dieu n'est pas au milieu de moi que ces maux m'ont atteint ? Et moi, je 18
cacherai ma face en ce jour -là, à cause de tout le mal qu'il aura fait, en se tournant vers d'autres dieux.
Maintenant, écrivez ce cantique. Enseigne -le aux enfants d'Israël, mets -le dans leur bouche, et que ce 19
cantique me serve de témoin contre les enfants d'Israël. Car je mènerai ce peuple dans le pays que j'ai 20
juré à ses pères de lui donner, pays où coulent le lait et le miel ; il mangera, se rassasiera, s'engraissera ;
puis il se tournera vers d'autres dieux et les servira, il me méprisera et violera mon alliance ; quand 21
alors il sera atteint par une multitude de maux et d'afflictions, ce cantique, qui ne sera point oublié et
que la postérité aura dans la bouche, déposera comme témoin contre ce peuple. Je connais, en effet, ses
dispositions, qui déjà se manifestent aujourd'hui, avant même que je l'aie fait entrer dans le pays que

22 j'ai juré de lui donner. En ce jour -là, Moïse écrivit ce cantique, et il l'enseigna aux enfants d'Israël.
23 L'Éternel donna ses ordres à Josué, fils de Nun. Il dit : Fortifie -toi et prends courage, car c'est toi qui
feras entrer les enfants d'Israël dans le pays que j'ai juré de leur donner ; et je serai moi-même avec
24, 25 toi. Lorsque Moïse eut complètement achevé d'écrire dans un livre les paroles de cette loi, il donna
26 cet ordre aux Lévites qui portaient l'arche de l'alliance de l'Éternel : Prenez ce livre de la loi, et mettez
27 -le à côté de l'arche de l'alliance de l'Éternel, votre Dieu, et il sera là comme témoin contre toi. Car je
connais ton esprit de rébellion et la roideur de ton cou. Si vous êtes rebelles contre l'Éternel pendant
28 que je suis encore vivant au milieu de vous, combien plus le serez-vous après ma mort ! Assemblez
devant moi tous les anciens de vos tribus et vos officiers ; je dirai ces paroles en leur présence, et je
29 prendrai à témoin contre eux le ciel et la terre. Car je sais qu'après ma mort vous vous corromprez, et
que vous vous détournerez de la voie que je vous ai prescrite ; et le malheur finira par vous atteindre,
quand vous ferez ce qui est mal aux yeux de l'Éternel, au point de l'irriter par l'oeuvre de vos mains.
30 Moïse prononça dans leur entier les paroles de ce cantique, en présence de toute l'assemblée d'Israël :
32, 2 Cieux ! prêtez l'oreille, et je parlerai ; Terre ! écoute les paroles de ma bouche. Que mes instructions
se répandent comme la pluie, Que ma parole tombe comme la rosée, Comme des ondées sur la verdure,
3 Comme des gouttes d'eau sur l'herbe ! Car je proclamerai le nom de l'Éternel. Rendez gloire à notre
4 Dieu ! Il est le rocher ; ses oeuvres sont parfaites, Car toutes ses voies sont justes ; C'est un Dieu
5 fidèle et sans iniquité, Il est juste et droit. S'ils se sont corrompus, à lui n'est point la faute ; La honte
6 est à ses enfants, Race fausse et perverse. Est-ce l'Éternel que vous en rendrez responsable, Peuple
insensé et dépourvu de sagesse ? N'est-il pas ton père, ton créateur ? N'est-ce pas lui qui t'a formé, et
7 qui t'a affermi ? Rappelle à ton souvenir les anciens jours, Passe en revue les années, génération par
8 génération, Interroge ton père, et il te l'apprendra, Tes vieillards, et ils te le diront. Quand le Très-Haut
donna un héritage aux nations, Quand il sépara les enfants des hommes, Il fixa les limites des peuples
9 D'après le nombre des enfants d'Israël, Car la portion de l'Éternel, c'est son peuple, Jacob est la part
10 de son héritage. Il l'a trouvé dans une contrée déserte, Dans une solitude aux effroyables hurlements ;
11 Il l'a entouré, il en a pris soin, Il l'a gardé comme la prunelle de son oeil, Pareil à l'aigle qui éveille sa
12 couvée, Voltige sur ses petits, Déploie ses ailes, les prend, Les porte sur ses plumes. L'Éternel seul a
13 conduit son peuple, Et il n'y avait avec lui aucun dieu étranger. Il l'a fait monter sur les hauteurs du
pays, Et Israël a mangé les fruits des champs ; Il lui a fait sucer le miel du rocher, L'huile qui sort du
14 rocher le plus dur, La crème des vaches et le lait des brebis, Avec la graisse des agneaux, Des béliers
15 de Basan et des boucs, Avec la fleur du froment ; Et tu as bu le sang du raisin, le vin. Israël est devenu
gras, et il a regimbé ; Tu es devenu gras, épais et replet ! -Et il a abandonné Dieu, son créateur, Il a
16 méprisé le rocher de son salut, Ils ont excité sa jalousie par des dieux étrangers, Ils l'ont irrité par des
17 abominations ; Ils ont sacrifié à des idoles qui ne sont pas Dieu, À des dieux qu'ils ne connaissaient
18 point, Nouveaux, venus depuis peu, Et que vos pères n'avaient pas craints. Tu as abandonné le rocher
19 qui t'a fait naître, Et tu as oublié le Dieu qui t'a engendré. L'Éternel l'a vu, et il a été irrité, Indigné
20 contre ses fils et ses filles. Il a dit : Je leur cacherai ma face, Je verrai quelle sera leur fin ; Car c'est une
21 race perverse, Ce sont des enfants infidèles. Ils ont excité ma jalousie par ce qui n'est point Dieu, Ils
m'ont irrité par leurs vaines idoles ; Et moi, j'exciterai leur jalousie par ce qui n'est point un peuple, Je
22 les irriterai par une nation insensée. Car le feu de ma colère s'est allumé, Et il brûlera jusqu'au fond
du séjour des morts ; Il dévorera la terre et ses produits, Il embrasera les fondements des montagnes.
23, 24 J'accumulerai sur eux les maux, J'épuiserai mes traits contre eux. Ils seront desséchés par la faim,
consumés par la fièvre Et par des maladies violentes ; J'enverrai parmi eux la dent des bêtes féroces
25 Et le venin des serpents. Au dehors, on périra par l'épée, Et au dedans, par d'effrayantes calamités :
26 Il en sera du jeune homme comme de la jeune fille, De l'enfant à la mamelle comme du vieillard. Je
voudrais dire : Je les emporterai d'un souffle, Je ferai disparaître leur mémoire d'entre les hommes !
27 Mais je crains les insultes de l'ennemi, Je crains que leurs adversaires ne se méprennent, Et qu'ils ne
28 disent : Notre main a été puissante, Et ce n'est pas l'Éternel qui a fait toutes ces choses. C'est une
29 nation qui a perdu le bon sens, Et il n'y a point en eux d'intelligence. S 'ils étaient sages, voici ce qu'ils
30 comprendraient, Et ils penseraient à ce qui leur arrivera. Comment un seul en poursuivrait -il mille,
Et deux en mettraient-ils dix mille en fuite, Si leur Rocher ne les avait vendus, Si l'Éternel ne les avait
31, 32 livrés ? Car leur rocher n'est pas comme notre Rocher, Nos ennemis en sont juges. Mais leur vigne
est du plant de Sodome Et du terroir de Gomorrhe ; Leurs raisins sont des raisins empoisonnés, Leurs
33, 34 grappes sont amères ; Leur vin, c'est le venin des serpents, C'est le poison cruel des aspics. Cela n'est-
35 il pas caché près de moi, Scellé dans mes trésors ? À moi la vengeance et la rétribution, Quand leur
36 pied chancellera ! Car le jour de leur malheur est proche, Et ce qui les attend ne tardera pas. L'Éternel
jugera son peuple ; Mais il aura pitié de ses serviteurs, En voyant que leur force est épuisée, Et qu'il

n'y a plus ni esclave ni homme libre. Il dira : Où sont leurs dieux, Le rocher qui leur servait de refuge, 37
Ces dieux qui mangeaient la graisse de leurs victimes, Qui buvaient le vin de leurs libations ? Qu'ils se 38
lèvent, qu'ils vous secourent, Qu'ils vous couvrent de leur protection ! Sachez donc que c'est moi qui 39
suis Dieu, Et qu'il n'y a point de dieu près de moi ; Je fais vivre et je fais mourir, Je blesse et je guéris,
Et personne ne délivre de ma main. Car je lève ma main vers le ciel, Et je dis : Je vis éternellement ! 40
Si j'aiguise l'éclair de mon épée Et si ma main saisit la justice, Je me vengerai de mes adversaires Et 41
je punirai ceux qui me haïssent ; Mon épée dévorera leur chair, Et j'enivrerai mes flèches de sang, Du 42
sang des blessés et des captifs, De la tête des chefs de l'ennemi. Nations, chantez les louanges de son 43
peuple ! Car l'Éternel venge le sang de ses serviteurs, Il se venge de ses adversaires, Et il fait l'expiation
pour son pays, pour son peuple. Moïse vint et prononça toutes les paroles de ce cantique en présence 44
du peuple ; Josué, fils de Nun, était avec lui. Lorsque Moïse eut achevé de prononcer toutes ces paroles 45
devant tout Israël, il leur dit : Prenez à coeur toutes les paroles que je vous conjure aujourd'hui de 46
recommander à vos enfants, afin qu'ils observent et mettent en pratique toutes les paroles de cette
loi. Car ce n'est pas une chose sans importance pour vous ; c'est votre vie, et c'est par là que vous 47
prolongerez vos jours dans le pays dont vous aurez la possession, après avoir passé le Jourdain. Ce 48
même jour, l'Éternel parla à Moïse, et dit : Monte sur cette montagne d'Abarim, sur le mont Nebo, au 49
pays de Moab, vis-à-vis de Jéricho ; et regarde le pays de Canaan que je donne en propriété aux enfants
d'Israël. Tu mourras sur la montagne où tu vas monter, et tu seras recueilli auprès de ton peuple, 50
comme Aaron, ton frère, est mort sur la montagne de Hor et a été recueilli auprès de son peuple, parce 51
que vous avez péché contre moi au milieu des enfants d'Israël, près des eaux de Meriba, à Kadès, dans
le désert de Tsin, et que vous ne m'avez point sanctifié au milieu des enfants d'Israël. Tu verras le pays 52
devant toi ; mais tu n'entreras point dans le pays que je donne aux enfants d'Israël.

Voici la bénédiction par laquelle Moïse, homme de Dieu, bénit les enfants d'Israël, avant sa mort. Il **33**, 2
dit : L'Éternel est venu du Sinaï, Il s'est levé sur eux de Séir, Il a resplendi de la montagne de Paran, Et
il est sorti du milieu des saintes myriades : Il leur a de sa droite envoyé le feu de la loi. Oui, il aime les 3
peuples ; Tous ses saints sont dans ta main. Ils se sont tenus à tes pieds, Ils ont reçu tes paroles. Moïse 4
nous a donné la loi, Héritage de l'assemblée de Jacob. Il était roi en Israël, Quand s'assemblaient les 5
chefs du peuple Et les tribus d'Israël. Que Ruben vive et qu'il ne meure point, Et que ses hommes 6
soient nombreux ! Voici sur Juda ce qu'il dit : Écoute, ô Éternel ! la voix de Juda, Et ramène -le vers 7
son peuple. Que ses mains soient puissantes, Et que tu lui sois en aide contre ses ennemis ! Sur Lévi 8
il dit : Les thummim et les urim ont été confiés à l'homme saint, Que tu as tenté à Massa, Et avec qui
tu as contesté aux eaux de Meriba. Lévi dit de son père et de sa mère : Je ne les ai point vus ! Il ne 9
distingue point ses frères, Il ne connaît point ses enfants. Car ils observent ta parole, Et ils gardent
ton alliance ; Ils enseignent tes ordonnances à Jacob, Et ta loi à Israël ; Ils mettent l'encens sous tes 10
narines, Et l'holocauste sur ton autel. Bénis sa force, ô Éternel ! Agrée l'oeuvre de ses mains ! Brise 11
les reins de ses adversaires, Et que ses ennemis ne se relèvent plus ! Sur Benjamin il dit : C'est le 12
bien-aimé de l'Éternel, Il habitera en sécurité auprès de lui ; L'Éternel le couvrira toujours, Et résidera
entre ses épaules. Sur Joseph il dit : Son pays recevra de l'Éternel, en signe de bénédiction, Le meilleur 13
don du ciel, la rosée, Les meilleures eaux qui sont en bas, Les meilleurs fruits du soleil, Les meilleurs 14
fruits de chaque mois, Les meilleurs produits des antiques montagnes, Les meilleurs produits des 15
collines éternelles, Les meilleurs produits de la terre et de ce qu'elle renferme. Que la grâce de celui 16
qui apparut dans le buisson Vienne sur la tête de Joseph, Sur le sommet de la tête du prince de ses
frères ! De son taureau premier-né il a la majesté ; Ses cornes sont les cornes du buffle ; Avec elles il 17
frappera tous les peuples, Jusqu'aux extrémités de la terre : Elles sont les myriades d'Éphraïm, Elles
sont les milliers de Manassé. Sur Zabulon il dit : Réjouis -toi, Zabulon, dans tes courses, Et toi, Issacar, 18
dans tes tentes ! Ils appelleront les peuples sur la montagne ; Là, ils offriront des sacrifices de justice, 19
Car ils suceront l'abondance de la mer, Et les trésors cachés dans le sable. Sur Gad il dit : Béni soit 20
celui qui met Gad au large ! Gad repose comme une lionne, Il déchire le bras et la tête. Il a choisi les 21
prémices du pays, Car là est caché l'héritage du législateur ; Il a marché en tête du peuple, Il a exécuté
la justice de l'Éternel, Et ses ordonnances envers Israël. Sur Dan il dit : Dan est un jeune lion, Qui 22
s'élance de Basan. Sur Nephthali il dit : Nephthali, rassasié de faveurs Et comblé des bénédictions de 23
l'Éternel, Prends possession de l'occident et du midi ! Sur Aser il dit : Béni soit Aser entre les enfants 24
d'Israël ! Qu'il soit agréable à ses frères, Et qu'il plonge son pied dans l'huile ! Que tes verrous soient 25
de fer et d'airain, Et que ta vigueur dure autant que tes jours ! Nul n'est semblable au Dieu d'Israël, Il 26
est porté sur les cieux pour venir à ton aide, Il est avec majesté porté sur les nuées. Le Dieu d'éternité 27
est un refuge, Et sous ses bras éternels est une retraite. Devant toi il a chassé l'ennemi, Et il a dit :
Extermine. Israël est en sécurité dans sa demeure, La source de Jacob est à part Dans un pays de blé 28
et de moût, Et son ciel distille la rosée. Que tu es heureux, Israël ! Qui est comme toi, Un peuple sauvé 29

par l'Éternel, Le bouclier de ton secours Et l'épée de ta gloire ? Tes ennemis feront défaut devant toi, Et
tu fouleras leurs lieux élevés.

34 Moïse monta des plaines de Moab sur le mont Nebo, au sommet du Pisga, vis-à-vis de Jéricho.
2 Et l'Éternel lui fit voir tout le pays : Galaad jusqu'à Dan, tout Nephthali, le pays d'Éphraïm et de
3 Manassé, tout le pays de Juda jusqu'à la mer occidentale, le midi, les environs du Jourdain, la vallée
4 de Jéricho, la ville des palmiers, jusqu'à Tsoar. L'Éternel lui dit : C'est là le pays que j'ai juré de donner
à Abraham, à Isaac et à Jacob, en disant : Je le donnerai à ta postérité. Je te l'ai fait voir de tes yeux ;
5 mais tu n'y entreras point. Moïse, serviteur de l'Éternel, mourut là, dans le pays de Moab, selon l'ordre
6 de l'Éternel. Et l'Éternel l'enterra dans la vallée, au pays de Moab, vis-à-vis de Beth-Peor. Personne n'a
7 connu son sépulcre jusqu'à ce jour. Moïse était âgé de cent vingt ans lorsqu'il mourut ; sa vue n'était
8 point affaiblie, et sa vigueur n'était point passée. Les enfants d'Israël pleurèrent Moïse pendant trente
jours, dans les plaines de Moab ; et ces jours de pleurs et de deuil sur Moïse arrivèrent à leur terme.
9 Josué, fils de Nun, était rempli de l'esprit de sagesse, car Moïse avait posé ses mains sur lui. Les enfants
10 d'Israël lui obéirent, et se conformèrent aux ordres que l'Éternel avait donnés à Moïse. Il n'a plus paru
11 en Israël de prophète semblable à Moïse, que l'Éternel connaissait face à face. Nul ne peut lui être
comparé pour tous les signes et les miracles que Dieu l'envoya faire au pays d'Égypte contre Pharaon,
12 contre ses serviteurs et contre tout son pays, et pour tous les prodiges de terreur que Moïse accomplit
à main forte sous les yeux de tout Israël.

JOSUÉ

1 Après la mort de Moïse, serviteur de l'Éternel, l'Éternel dit à Josué, fils de Nun, serviteur de
2 Moïse : Moïse, mon serviteur, est mort ; maintenant, lève -toi, passe ce Jourdain, toi et tout
3 ce peuple, pour entrer dans le pays que je donne aux enfants d'Israël. Tout lieu que foulera
4 la plante de votre pied, je vous le donne, comme je l'ai dit à Moïse. Vous aurez pour territoire
depuis le désert et le Liban jusqu'au grand fleuve, le fleuve de l'Euphrate, tout le pays des Héthiens, et
5 jusqu'à la grande mer vers le soleil couchant. Nul ne tiendra devant toi, tant que tu vivras. Je serai
6 avec toi, comme j'ai été avec Moïse ; je ne te délaisserai point, je ne t'abandonnerai point. Fortifie -toi
et prends courage, car c'est toi qui mettras ce peuple en possession du pays que j'ai juré à leurs pères
de leur donner. Fortifie -toi seulement et aie bon courage, en agissant fidèlement selon toute la loi que
7 Moïse, mon serviteur, t'a prescrite ; ne t'en détourne ni à droite ni à gauche, afin de réussir dans tout ce
8 que tu entreprendras. Que ce livre de la loi ne s'éloigne point de ta bouche ; médite -le jour et nuit, pour
agir fidèlement selon tout ce qui y est écrit ; car c'est alors que tu auras du succès dans tes entreprises,
9 c'est alors que tu réussiras. Ne t'ai-je pas donné cet ordre : Fortifie -toi et prends courage ? Ne t'effraie
point et ne t'épouvante point, car l'Éternel, ton Dieu, est avec toi dans tout ce que tu entreprendras.
10, 11 Josué donna cet ordre aux officiers du peuple : Parcourez le camp, et voici ce que vous commanderez
au peuple : Préparez -vous des provisions, car dans trois jours vous passerez ce Jourdain pour aller
12 conquérir le pays dont l'Éternel, votre Dieu, vous donne la possession. Josué dit aux Rubénites, aux
13 Gadites et à la demi -tribu de Manassé : Rappelez -vous ce que vous a prescrit Moïse, serviteur de
14 l'Éternel, quand il a dit : L'Éternel, votre Dieu, vous a accordé du repos, et vous a donné ce pays. Vos
femmes, vos petits enfants et vos troupeaux resteront dans le pays que vous a donné Moïse de ce côté -ci
du Jourdain ; mais vous tous, hommes vaillants, vous passerez en armes devant vos frères, et vous les
aiderez, jusqu'à ce que l'Éternel ait accordé du repos à vos frères comme à vous, et qu'ils soient aussi
15 en possession du pays que l'Éternel, votre Dieu, leur donne. Puis vous reviendrez prendre possession du
pays qui est votre propriété, et que vous a donné Moïse, serviteur de l'Éternel, de ce côté -ci du Jourdain,
16 vers le soleil levant. Ils répondirent à Josué, en disant : Nous ferons tout ce que tu nous as ordonné, et
17 nous irons partout où tu nous enverras. Nous t'obéirons entièrement, comme nous avons obéi à Moïse.
18 Veuille seulement l'Éternel, ton Dieu, être avec toi, comme il a été avec Moïse ! Tout homme qui sera
rebelle à ton ordre, et qui n'obéira pas à tout ce que tu lui commanderas, sera puni de mort. Fortifie -toi
seulement, et prends courage !

2 Josué, fils de Nun, fit partir secrètement de Sittim deux espions, en leur disant : Allez, examinez le
pays, et en particulier Jéricho. Ils partirent, et ils arrivèrent dans la maison d'une prostituée, qui se
2 nommait Rahab, et ils y couchèrent. On dit au roi de Jéricho : Voici, des hommes d'entre les enfants
3 d'Israël sont arrivés ici, cette nuit, pour explorer le pays. Le roi de Jéricho envoya dire à Rahab : Fais
sortir les hommes qui sont venus chez toi, qui sont entrés dans ta maison ; car c'est pour explorer tout
4 le pays qu'ils sont venus. La femme prit les deux hommes, et les cacha ; et elle dit : Il est vrai que
5 ces hommes sont arrivés chez moi, mais je ne savais pas d'où ils étaient ; et, comme la porte a dû se
fermer de nuit, ces hommes sont sortis ; j'ignore où ils sont allés : hâtez -vous de les poursuivre et vous
6 les atteindrez. Elle les avait fait monter sur le toit, et les avait cachés sous des tiges de lin, qu'elle
7 avait arrangées sur le toit. Ces gens les poursuivirent par le chemin qui mène au gué du Jourdain,
8 et l'on ferma la porte après qu'ils furent sortis. Avant que les espions se couchassent, Rahab monta
9 vers eux sur le toit et leur dit : L'Éternel, je le sais, vous a donné ce pays, la terreur que vous inspirez
10 nous a saisis, et tous les habitants du pays tremblent devant vous. Car nous avons appris comment,
à votre sortie d'Égypte, l'Éternel a mis à sec devant vous les eaux de la mer Rouge, et comment vous
avez traité les deux rois des Amoréens au delà du Jourdain, Sihon et Og, que vous avez dévoués par
interdit. Nous l'avons appris, et nous avons perdu courage, et tous nos esprits sont abattus à votre
11 aspect ; car c'est l'Éternel, votre Dieu, qui est Dieu en haut dans les cieux et en bas sur la terre. Et
12 maintenant, je vous prie, jurez -moi par l'Éternel que vous aurez pour la maison de mon père la même
bonté que j'ai eue pour vous. Donnez-moi l'assurance que vous laisserez vivre mon père, ma mère, mes
13 frères, mes soeurs, et tous ceux qui leur appartiennent, et que vous nous sauverez de la mort. Ces
14 hommes lui répondirent : Nous sommes prêts à mourir pour vous, si vous ne divulguez pas ce qui nous
concerne ; et quand l'Éternel nous donnera le pays, nous agirons envers toi avec bonté et fidélité. Elle
15 les fit descendre avec une corde par la fenêtre, car la maison qu'elle habitait était sur la muraille de
la ville. Elle leur dit : Allez du côté de la montagne, de peur que ceux qui vous poursuivent ne vous
16 rencontrent ; cachez -vous là pendant trois jours, jusqu'à ce qu'ils soient de retour ; après cela, vous
17 suivrez votre chemin. Ces hommes lui dirent : Voici de quelle manière nous serons quittes du serment

18 que tu nous as fait faire. À notre entrée dans le pays, attache ce cordon de fil cramoisi à la fenêtre par
laquelle tu nous fais descendre, et recueille auprès de toi dans la maison ton père, ta mère, tes frères,
19 et toute la famille de ton père. Si quelqu'un d'eux sort de la porte de ta maison pour aller dehors, son
sang retombera sur sa tête, et nous en serons innocents ; mais si on met la main sur l'un quelconque de
20 ceux qui seront avec toi dans la maison, son sang retombera sur notre tête. Et si tu divulgues ce qui
21 nous concerne, nous serons quittes du serment que tu nous as fait faire. Elle répondit : Qu'il en soit
selon vos paroles. Elle prit ainsi congé d'eux, et ils s'en allèrent. Et elle attacha le cordon de cramoisi
22 à la fenêtre. Ils partirent, et arrivèrent à la montagne, où ils restèrent trois jours, jusqu'à ce que ceux
qui les poursuivaient fussent de retour. Ceux qui les poursuivaient les cherchèrent par tout le chemin,
23 mais ils ne les trouvèrent pas. Les deux hommes s'en retournèrent, descendirent de la montagne, et
passèrent le Jourdain. Ils vinrent auprès de Josué, fils de Nun, et lui racontèrent tout ce qui leur était
24 arrivé. Ils dirent à Josué : Certainement, l'Éternel a livré tout le pays entre nos mains, et même tous
les habitants du pays tremblent devant nous.

3 Josué, s'étant levé de bon matin, partit de Sittim avec tous les enfants d'Israël. Ils arrivèrent au Jour-
2 dain ; et là, ils passèrent la nuit, avant de le traverser. Au bout de trois jours, les officiers parcoururent
3 le camp, et donnèrent cet ordre au peuple : Lorsque vous verrez l'arche de l'alliance de l'Éternel, votre
Dieu, portée par les sacrificateurs, les Lévites, vous partirez du lieu où vous êtes, et vous vous mettrez
4 en marche après elle. Mais il y aura entre vous et elle une distance d'environ deux mille coudées : n'en
approchez pas. Elle vous montrera le chemin que vous devez suivre, car vous n'avez point encore passé
5 par ce chemin. Josué dit au peuple : Sanctifiez -vous, car demain l'Éternel fera des prodiges au milieu
6 de vous. Et Josué dit aux sacrificateurs : Portez l'arche de l'alliance, et passez devant le peuple. Ils
7 portèrent l'arche de l'alliance, et ils marchèrent devant le peuple. L'Éternel dit à Josué : Aujourd'hui,
je commencerai à t'élever aux yeux de tout Israël, afin qu'ils sachent que je serai avec toi comme j'ai été
8 avec Moïse. Tu donneras cet ordre aux sacrificateurs qui portent l'arche de l'alliance : Lorsque vous
9 arriverez au bord des eaux du Jourdain, vous vous arrêterez dans le Jourdain. Josué dit aux enfants
10 d'Israël : Approchez, et écoutez les paroles de l'Éternel, votre Dieu. Josué dit : À ceci vous reconnaîtrez
que le Dieu vivant est au milieu de vous, et qu'il chassera devant vous les Cananéens, les Héthiens, les
11 Héviens, les Phéréziens, les Guirgasiens, les Amoréens et les Jébusiens : voici, l'arche de l'alliance du
12 Seigneur de toute la terre va passer devant vous dans le Jourdain. Maintenant, prenez douze hommes
13 parmi les tribus d'Israël, un homme de chaque tribu. Et dès que les sacrificateurs qui portent l'arche de
l'Éternel, le Seigneur de toute la terre, poseront la plante des pieds dans les eaux du Jourdain, les eaux
du Jourdain seront coupées, les eaux qui descendent d'en haut, et elles s'arrêteront en un monceau.
14 Le peuple sortit de ses tentes pour passer le Jourdain, et les sacrificateurs qui portaient l'arche de l'al-
15 liance marchèrent devant le peuple. Quand les sacrificateurs qui portaient l'arche furent arrivés au
Jourdain, et que leurs pieds se furent mouillés au bord de l'eau, -le Jourdain regorge par-dessus toutes
16 ses rives tout le temps de la moisson, les eaux qui descendent d'en haut s'arrêtèrent, et s'élevèrent en
un monceau, à une très grande distance, près de la ville d'Adam, qui est à côté de Tsarthan ; et celles
qui descendaient vers la mer de la plaine, la mer Salée, furent complètement coupées. Le peuple passa
17 vis-à-vis de Jéricho. Les sacrificateurs qui portaient l'arche de l'alliance de l'Éternel s'arrêtèrent de
pied ferme sur le sec, au milieu du Jourdain, pendant que tout Israël passait à sec, jusqu'à ce que toute
la nation eût achevé de passer le Jourdain.

4, 2 Lorsque toute la nation eut achevé de passer le Jourdain, l'Éternel dit à Josué : Prenez douze
3 hommes parmi le peuple, un homme de chaque tribu. Donnez-leur cet ordre : Enlevez d'ici, du milieu
du Jourdain, de la place où les sacrificateurs se sont arrêtés de pied ferme, douze pierres, que vous
4 emporterez avec vous, et que vous déposerez dans le lieu où vous passerez cette nuit. Josué appela
5 les douze hommes qu'il choisit parmi les enfants d'Israël, un homme de chaque tribu. Il leur dit :
Passez devant l'arche de l'Éternel, votre Dieu, au milieu du Jourdain, et que chacun de vous charge une
6 pierre sur son épaule, selon le nombre des tribus des enfants d'Israël, afin que cela soit un signe au
7 milieu de vous. Lorsque vos enfants demanderont un jour : Que signifient pour vous ces pierres ? vous
leur direz : Les eaux du Jourdain ont été coupées devant l'arche de l'alliance de l'Éternel ; lorsqu'elle
passa le Jourdain, les eaux du Jourdain ont été coupées, et ces pierres seront à jamais un souvenir
8 pour les enfants d'Israël. Les enfants d'Israël firent ce que Josué leur avait ordonné. Ils enlevèrent
douze pierres du milieu du Jourdain, comme l'Éternel l'avait dit à Josué, selon le nombre des tribus des
enfants d'Israël, ils les emportèrent avec eux, et les déposèrent dans le lieu où ils devaient passer la nuit.
9 Josué dressa aussi douze pierres au milieu du Jourdain, à la place où s'étaient arrêtés les pieds des
10 sacrificateurs qui portaient l'arche de l'alliance ; et elles y sont restées jusqu'à ce jour. Les sacrificateurs
qui portaient l'arche se tinrent au milieu du Jourdain jusqu'à l'entière exécution de ce que l'Éternel

avait ordonné à Josué de dire au peuple, selon tout ce que Moïse avait prescrit à Josué. Et le peuple se
hâta de passer. Lorsque tout le peuple eut achevé de passer, l'arche de l'Éternel et les sacrificateurs 11
passèrent devant le peuple. Les fils de Ruben, les fils de Gad, et la demi -tribu de Manassé, passèrent 12
en armes devant les enfants d'Israël, comme Moïse le leur avait dit. Environ quarante mille hommes, 13
équipés pour la guerre et prêts à combattre, passèrent devant l'Éternel dans les plaines de Jéricho.
En ce jour -là, l'Éternel éleva Josué aux yeux de tout Israël ; et ils le craignirent, comme ils avaient 14
craint Moïse, tous les jours de sa vie. L'Éternel dit à Josué : Ordonne aux sacrificateurs qui portent 15, 16
l'arche du témoignage de sortir du Jourdain. Et Josué donna cet ordre aux sacrificateurs : Sortez du 17
Jourdain. Lorsque les sacrificateurs qui portaient l'arche de l'alliance de l'Éternel furent sortis du 18
milieu du Jourdain, et que la plante de leurs pieds se posa sur le sec, les eaux du Jourdain retournèrent
à leur place, et se répandirent comme auparavant sur tous ses bords. Le peuple sortit du Jourdain le 19
dixième jour du premier mois, et il campa à Guilgal, à l'extrémité orientale de Jéricho. Josué dressa 20
à Guilgal les douze pierres qu'ils avaient prises du Jourdain. Il dit aux enfants d'Israël : Lorsque vos 21
enfants demanderont un jour à leurs pères : Que signifient ces pierres ? vous en instruirez vos enfants, 22
et vous direz : Israël a passé ce Jourdain à sec. Car l'Éternel, votre Dieu, a mis à sec devant vous 23
les eaux du Jourdain jusqu'à ce que vous eussiez passé, comme l'Éternel, votre Dieu, l'avait fait à la
mer Rouge, qu'il mit à sec devant nous jusqu'à ce que nous eussions passé, afin que tous les peuples 24
de la terre sachent que la main de l'Éternel est puissante, et afin que vous ayez toujours la crainte de
l'Éternel, votre Dieu.

Lorsque tous les rois des Amoréens à l'occident du Jourdain et tous les rois des Cananéens près de **5**
la mer apprirent que l'Éternel avait mis à sec les eaux du Jourdain devant les enfants d'Israël jusqu'à
ce que nous eussions passé, ils perdirent courage et furent consternés à l'aspect des enfants d'Israël.
En ce temps -là, l'Éternel dit à Josué : Fais -toi des couteaux de pierre, et circoncis de nouveau les 2
enfants d'Israël, une seconde fois. Josué se fit des couteaux de pierre, et il circoncit les enfants d'Israël 3
sur la colline d'Araloth. Voici la raison pour laquelle Josué les circoncit. Tout le peuple sorti d'Égypte, 4
les mâles, tous les hommes de guerre, étaient morts dans le désert, pendant la route, après leur sortie
d'Égypte. Tout ce peuple sorti d'Égypte était circoncis ; mais tout le peuple né dans le désert, pendant 5
la route, après la sortie d'Égypte, n'avait point été circoncis. Car les enfants d'Israël avaient marché 6
quarante ans dans le désert jusqu'à la destruction de toute la nation des hommes de guerre qui étaient
sortis d'Égypte et qui n'avaient point écouté la voix de l'Éternel ; l'Éternel leur jura de ne pas leur faire
voir le pays qu'il avait juré à leurs pères de nous donner, pays où coulent le lait et le miel. Ce sont 7
leurs enfants qu'il établit à leur place ; et Josué les circoncit, car ils étaient incirconcis, parce qu'on
ne les avait point circoncis pendant la route. Lorsqu'on eut achevé de circoncire toute la nation, ils 8
restèrent à leur place dans le camp jusqu'à leur guérison. L'Éternel dit à Josué : Aujourd'hui, j'ai roulé 9
de dessus vous l'opprobre de l'Égypte. Et ce lieu fut appelé du nom de Guilgal jusqu'à ce jour. Les 10
enfants d'Israël campèrent à Guilgal ; et ils célébrèrent la Pâque le quatorzième jour du mois, sur le
soir, dans les plaines de Jéricho. Ils mangèrent du blé du pays le lendemain de la Pâque, des pains 11
sans levain et du grain rôti ; ils en mangèrent ce même jour. La manne cessa le lendemain de la Pâque, 12
quand ils mangèrent du blé du pays ; les enfants d'Israël n'eurent plus de manne, et ils mangèrent
des produits du pays de Canaan cette année -là. Comme Josué était près de Jéricho, il leva les yeux, 13
et regarda. Voici, un homme se tenait debout devant lui, son épée nue dans la main. Il alla vers lui,
et lui dit : Es-tu des nôtres ou de nos ennemis ? Il répondit : Non, mais je suis le chef de l'armée de 14
l'Éternel, j'arrive maintenant. Josué tomba le visage contre terre, se prosterna, et lui dit : Qu'est-ce que
mon seigneur dit à son serviteur ? Et le chef de l'armée de l'Éternel dit à Josué : Ote tes souliers de tes 15
pieds, car le lieu sur lequel tu te tiens est saint. Et Josué fit ainsi.

Jéricho était fermée et barricadée devant les enfants d'Israël. Personne ne sortait, et personne n'en- **6**
trait. L'Éternel dit à Josué : Vois, je livre entre tes mains Jéricho et son roi, ses vaillants soldats. 2
Faites le tour de la ville, vous tous les hommes de guerre, faites une fois le tour de la ville. Tu feras 3
ainsi pendant six jours. Sept sacrificateurs porteront devant l'arche sept trompettes retentissantes ; 4
le septième jour, vous ferez sept fois le tour de la ville ; et les sacrificateurs sonneront des trompettes.
Quand ils sonneront de la corne retentissante, quand vous entendrez le son de la trompette, tout le 5
peuple poussera de grands cris. Alors la muraille de la ville s'écroulera, et le peuple montera, chacun
devant soi. Josué, fils de Nun, appela les sacrificateurs, et leur dit : Portez l'arche de l'alliance, et 6
que sept sacrificateurs portent sept trompettes retentissantes devant l'arche de l'Éternel. Et il dit au 7
peuple : Marchez, faites le tour de la ville, et que les hommes armés passent devant l'arche de l'Éternel. Lorsque Josué eut parlé au peuple, les sept sacrificateurs qui portaient devant l'Éternel les sept 8

trompettes retentissantes se mirent en marche et sonnèrent des trompettes. L'arche de l'alliance de
9 l'Éternel allait derrière eux. Les hommes armés marchaient devant les sacrificateurs qui sonnaient
10 des trompettes, et l'arrière-garde suivait l'arche ; pendant la marche, on sonnait des trompettes. Josué avait donné cet ordre au peuple : Vous ne crierez point, vous ne ferez point entendre votre voix, et il ne sortira pas un mot de votre bouche jusqu'au jour où je vous dirai : Poussez des cris ! Alors vous pousserez
11 des cris. L'arche de l'Éternel fit le tour de la ville, elle fit une fois le tour ; puis on rentra dans le camp,
12 et l'on y passa la nuit. Josué se leva de bon matin, et les sacrificateurs portèrent l'arche de l'Éternel.
13 Les sept sacrificateurs qui portaient les sept trompettes retentissantes devant l'arche de l'Éternel se mirent en marche et sonnèrent des trompettes. Les hommes armés marchaient devant eux, et l'arrière-
14 garde suivait l'arche de l'Éternel ; pendant la marche, on sonnait des trompettes. Ils firent une fois le tour de la ville, le second jour ; puis ils retournèrent dans le camp. Ils firent de même pendant six jours.
15 Le septième jour, ils se levèrent de bon matin, dès l'aurore, et ils firent de la même manière sept fois le
16 tour de la ville ; ce fut le seul jour où ils firent sept fois le tour de la ville. À la septième fois, comme les sacrificateurs sonnaient des trompettes, Josué dit au peuple : Poussez des cris, car l'Éternel vous a livré
17 la ville ! La ville sera dévouée à l'Éternel par interdit, elle et tout ce qui s'y trouve ; mais on laissera la vie à Rahab la prostituée et à tous ceux qui seront avec elle dans la maison, parce qu'elle a caché les
18 messagers que nous avions envoyés. Gardez -vous seulement de ce qui sera dévoué par interdit ; car si vous preniez de ce que vous aurez dévoué par interdit, vous mettriez le camp d'Israël en interdit et
19 vous y jetteriez le trouble. Tout l'argent et tout l'or, tous les objets d'airain et de fer, seront consacrés
20 à l'Éternel, et entreront dans le trésor de l'Éternel. Le peuple poussa des cris, et les sacrificateurs sonnèrent des trompettes. Lorsque le peuple entendit le son de la trompette, il poussa de grands cris, et la muraille s'écroula ; le peuple monta dans la ville, chacun devant soi. Ils s'emparèrent de la ville,
21 et ils dévouèrent par interdit, au fil de l'épée, tout ce qui était dans la ville, hommes et femmes, enfants
22 et vieillards, jusqu'aux boeufs, aux brebis et aux ânes. Josué dit aux deux hommes qui avaient exploré le pays : Entrez dans la maison de la femme prostituée, et faites-en sortir cette femme et tous ceux qui
23 lui appartiennent, comme vous le lui avez juré. Les jeunes gens, les espions, entrèrent et firent sortir Rahab, son père, sa mère, ses frères, et tous ceux qui lui appartenaient ; ils firent sortir tous les gens de
24 sa famille, et ils les déposèrent hors du camp d'Israël. Ils brûlèrent la ville et tout ce qui s'y trouvait ; seulement ils mirent dans le trésor de la maison de l'Éternel l'argent, l'or et tous les objets d'airain et
25 de fer. Josué laissa la vie à Rahab la prostituée, à la maison de son père, et à tous ceux qui lui appartenaient ; elle a habité au milieu d'Israël jusqu'à ce jour, parce qu'elle avait caché les messagers que
26 Josué avait envoyés pour explorer Jéricho. Ce fut alors que Josué jura, en disant : Maudit soit devant l'Éternel l'homme qui se lèvera pour rebâtir cette ville de Jéricho ! Il en jettera les fondements au prix
27 de son premier-né, et il en posera les portes au prix de son plus jeune fils. L'Éternel fut avec Josué, dont la renommée se répandit dans tout le pays.

7 Les enfants d'Israël commirent une infidélité au sujet des choses dévouées par interdit. Acan, fils de Carmi, fils de Zabdi, fils de Zérach, de la tribu de Juda, prit des choses dévouées. Et la colère de
2 l'Éternel s'enflamma contre les enfants d'Israël. Josué envoya de Jéricho des hommes vers Aï, qui est près de Beth-Aven, à l'orient de Béthel. Il leur dit : Montez, et explorez le pays. Et ces hommes
3 montèrent, et explorèrent Aï. Ils revinrent auprès de Josué, et lui dirent : Il est inutile de faire marcher tout le peuple ; deux ou trois mille hommes suffiront pour battre Aï ; ne donne pas cette fatigue à tout
4 le peuple, car ils sont en petit nombre. Trois mille hommes environ se mirent en marche, mais ils
5 prirent la fuite devant les gens d'Aï. Les gens d'Aï leur tuèrent environ trente -six hommes ; ils les poursuivirent depuis la porte jusqu'à Schebarim, et les battirent à la descente. Le peuple fut consterné
6 et perdit courage. Josué déchira ses vêtements, et se prosterna jusqu'au soir le visage contre terre
7 devant l'arche de l'Éternel, lui et les anciens d'Israël, et ils se couvrirent la tête de poussière. Josué dit : Ah ! Seigneur Éternel, pourquoi as-tu fait passer le Jourdain à ce peuple, pour nous livrer entre les mains des Amoréens et nous faire périr ? Oh ! si nous eussions su rester de l'autre côté du Jourdain !
8, 9 De grâce, Seigneur, que dirai -je, après qu'Israël a tourné le dos devant ses ennemis ? Les Cananéens et tous les habitants du pays l'apprendront ; ils nous envelopperont, et ils feront disparaître notre nom
10 de la terre. Et que feras -tu pour ton grand nom ? L'Éternel dit à Josué : Lève -toi ! Pourquoi restes-tu
11 ainsi couché sur ton visage ? Israël a péché ; ils ont transgressé mon alliance que je leur ai prescrite, ils ont pris des choses dévouées par interdit, ils les ont dérobées et ont dissimulé, et ils les ont cachées
12 parmi leurs bagages. Aussi les enfants d'Israël ne peuvent -ils résister à leurs ennemis ; ils tourneront le dos devant leurs ennemis, car ils sont sous l'interdit ; je ne serai plus avec vous, si vous ne détruisez
13 pas l'interdit du milieu de vous. Lève -toi, sanctifie le peuple. Tu diras : Sanctifiez -vous pour demain ; car ainsi parle l'Éternel, le Dieu d'Israël : Il y a de l'interdit au milieu de toi, Israël ; tu ne pourras

résister à tes ennemis, jusqu'à ce que vous ayez ôté l'interdit du milieu de vous. Vous vous approcherez 14
le matin selon vos tribus ; et la tribu que désignera l'Éternel s'approchera par famille, et la famille que
désignera l'Éternel s'approchera par maisons, et la maison que désignera l'Éternel s'approchera par
hommes. Celui qui sera désigné comme ayant pris de ce qui était dévoué par interdit sera brûlé au feu, 15
lui et tout ce qui lui appartient, pour avoir transgressé l'alliance de l'Éternel et commis une infamie
en Israël. Josué se leva de bon matin, et il fit approcher Israël selon ses tribus, et la tribu de Juda fut 16
désignée. Il fit approcher les familles de Juda, et la famille de Zérach fut désignée. Il fit approcher la 17
famille de Zérach par maisons, et Zabdi fut désigné. Il fit approcher la maison de Zabdi par hommes, et 18
Acan, fils de Carmi, fils de Zabdi, fils de Zérach, de la tribu de Juda, fut désigné. Josué dit à Acan : Mon 19
fils, donne gloire à l'Éternel, le Dieu d'Israël, et rends -lui hommage. Dis -moi donc ce que tu as fait,
ne me le cache point. Acan répondit à Josué, et dit : Il est vrai que j'ai péché contre l'Éternel, le Dieu 20
d'Israël, et voici ce que j'ai fait. J'ai vu dans le butin un beau manteau de Schinear, deux cents sicles 21
d'argent, et un lingot d'or du poids de cinquante sicles ; je les ai convoités, et je les ai pris ; ils sont cachés
dans la terre au milieu de ma tente, et l'argent est dessous. Josué envoya des gens, qui coururent à la 22
tente ; et voici, les objets étaient cachés dans la tente d'Acan, et l'argent était dessous. Ils les prirent 23
du milieu de la tente, les apportèrent à Josué et à tous les enfants d'Israël, et les déposèrent devant
l'Éternel. Josué et tout Israël avec lui prirent Acan, fils de Zérach, l'argent, le manteau, le lingot d'or, 24
les fils et les filles d'Acan, ses boeufs, ses ânes, ses brebis, sa tente, et tout ce qui lui appartenait ; et ils
les firent monter dans la vallée d'Acor. Josué dit : Pourquoi nous as-tu troublés ? L'Éternel te troublera 25
aujourd'hui. Et tout Israël le lapida. On les brûla au feu, on les lapida, et l'on éleva sur Acan un grand 26
monceau de pierres, qui subsiste encore aujourd'hui. Et l'Éternel revint de l'ardeur de sa colère. C'est à
cause de cet événement qu'on a donné jusqu'à ce jour à ce lieu le nom de vallée d'Acor.

L'Éternel dit à Josué : Ne crains point, et ne t'effraie point ! Prends avec toi tous les gens de guerre, **8**
lève -toi, monte contre Aï. Vois, je livre entre tes mains le roi d'Aï et son peuple, sa ville et son pays. Tu 2
traiteras Aï et son roi comme tu as traité Jéricho et son roi ; seulement vous garderez pour vous le butin
et le bétail. Place une embuscade derrière la ville. Josué se leva avec tous les gens de guerre, pour 3
monter contre Aï. Il choisit trente mille vaillants hommes, qu'il fit partir de nuit, et auxquels il donna 4
cet ordre : Écoutez, vous vous mettrez en embuscade derrière la ville ; ne vous éloignez pas beaucoup de
la ville, et soyez tous prêts. Mais moi et tout le peuple qui est avec moi, nous nous approcherons de la 5
ville. Et quand ils sortiront à notre rencontre, comme la première fois, nous prendrons la fuite devant
eux. Ils nous poursuivront jusqu'à ce que nous les ayons attirés loin de la ville, car ils diront : Ils fuient 6
devant nous, comme la première fois ! Et nous fuirons devant eux. Vous sortirez alors de l'embuscade, 7
et vous vous emparerez de la ville, et l'Éternel, votre Dieu, la livrera entre vos mains. Quand vous 8
aurez pris la ville, vous y mettrez le feu, vous agirez comme l'Éternel l'a dit : c'est l'ordre que je vous
donne. Josué les fit partir, et ils allèrent se placer en embuscade entre Béthel et Aï, à l'occident d'Aï. 9
Mais Josué passa cette nuit -là au milieu du peuple. Josué se leva de bon matin, passa le peuple en 10
revue, et marcha contre Aï, à la tête du peuple, lui et les anciens d'Israël. Tous les gens de guerre qui 11
étaient avec lui montèrent et s'approchèrent ; lorsqu'ils furent arrivés en face de la ville, ils campèrent
au nord d'Aï, dont ils étaient séparés par la vallée. Josué prit environ cinq mille hommes, et les mit en 12
embuscade entre Béthel et Aï, à l'occident de la ville. Après que tout le camp eut pris position au nord 13
de la ville, et l'embuscade à l'occident de la ville, Josué s'avança cette nuit -là au milieu de la vallée.
Lorsque le roi d'Aï vit cela, les gens d'Aï se levèrent en hâte de bon matin, et sortirent à la rencontre 14
d'Israël, pour le combattre. Le roi se dirigea, avec tout son peuple, vers un lieu fixé, du côté de la plaine,
et il ne savait pas qu'il y avait derrière la ville une embuscade contre lui. Josué et tout Israël feignirent 15
d'être battus devant eux, et ils s'enfuirent par le chemin du désert. Alors tout le peuple qui était dans 16
la ville s'assembla pour se mettre à leur poursuite. Ils poursuivirent Josué, et ils furent attirés loin de
la ville. Il n'y eut dans Aï et dans Béthel pas un homme qui ne sortît contre Israël. Ils laissèrent la 17
ville ouverte, et poursuivirent Israël. L'Éternel dit à Josué : Étends vers Aï le javelot que tu as à la 18
main, car je vais la livrer en ton pouvoir. Et Josué étendit vers la ville le javelot qu'il avait à la main.
Aussitôt qu'il eut étendu sa main, les hommes en embuscade sortirent précipitamment du lieu où ils 19
étaient ; ils pénétrèrent dans la ville, la prirent, et se hâtèrent d'y mettre le feu. Les gens d'Aï, ayant 20
regardé derrière eux, virent la fumée de la ville monter vers le ciel, et ils ne purent se sauver d'aucun
côté. Le peuple qui fuyait vers le désert se retourna contre ceux qui le poursuivaient ; car Josué et 21
tout Israël, voyant la ville prise par les hommes de l'embuscade, et la fumée de la ville qui montait,
se retournèrent et battirent les gens d'Aï. Les autres sortirent de la ville à leur rencontre, et les gens 22
d'Aï furent enveloppés par Israël de toutes parts. Israël les battit, sans leur laisser un survivant ni
un fuyard ; ils prirent vivant le roi d'Aï, et l'amenèrent à Josué. Lorsqu'Israël eut achevé de tuer 23, 24

tous les habitants d'Aï dans la campagne, dans le désert, où ils l'avaient poursuivi, et que tous furent
25 entièrement passés au fil de l'épée, tout Israël revint vers Aï et la frappa du tranchant de l'épée. Il
26 y eut au total douze mille personnes tuées ce jour -là, hommes et femmes, tous gens d'Aï. Josué ne
retira point sa main qu'il tenait étendue avec le javelot, jusqu'à ce que tous les habitants eussent été
27 dévoués par interdit. Seulement Israël garda pour lui le bétail et le butin de cette ville, selon l'ordre que
28 l'Éternel avait prescrit à Josué. Josué brûla Aï, et en fit à jamais un monceau de ruines, qui subsiste
29 encore aujourd'hui. Il fit pendre à un bois le roi d'Aï, et l'y laissa jusqu'au soir. Au coucher du soleil,
Josué ordonna qu'on descendît son cadavre du bois ; on le jeta à l'entrée de la porte de la ville, et l'on
30 éleva sur lui un grand monceau de pierres, qui subsiste encore aujourd'hui. Alors Josué bâtit un autel
31 à l'Éternel, le Dieu d'Israël, sur le mont Ébal, comme Moïse, serviteur de l'Éternel, l'avait ordonné
aux enfants d'Israël, et comme il est écrit dans le livre de la loi de Moïse : c'était un autel de pierres
brutes, sur lesquelles on ne porta point le fer. Ils offrirent sur cet autel des holocaustes à l'Éternel,
32 et ils présentèrent des sacrifices d'actions de grâces. Et là Josué écrivit sur les pierres une copie de
33 la loi que Moïse avait écrite devant les enfants d'Israël. Tout Israël, ses anciens, ses officiers et ses
juges, se tenaient des deux côtés de l'arche, devant les sacrificateurs, les Lévites, qui portaient l'arche
de l'alliance de l'Éternel ; les étrangers comme les enfants d'Israël étaient là, moitié du côté du mont
Garizim, moitié du côté du mont Ébal, selon l'ordre qu'avait précédemment donné Moïse, serviteur de
34 l'Éternel, de bénir le peuple d'Israël. Josué lut ensuite toutes les paroles de la loi, les bénédictions et
35 les malédictions, suivant ce qui est écrit dans le livre de la loi. Il n'y eut rien de tout ce que Moïse avait
prescrit, que Josué ne lût en présence de toute l'assemblée d'Israël, des femmes et des enfants, et des
étrangers qui marchaient au milieu d'eux.

9 À la nouvelle de ces choses, tous les rois qui étaient en deçà du Jourdain, dans la montagne et dans
la vallée, et sur toute la côte de la grande mer, jusque près du Liban, les Héthiens, les Amoréens, les
2 Cananéens, les Phéréziens, les Héviens et les Jébusiens, s'unirent ensemble d'un commun accord pour
3 combattre contre Josué et contre Israël. Les habitants de Gabaon, de leur côté, lorsqu'ils apprirent
4 de quelle manière Josué avait traité Jéricho et Aï, eurent recours à la ruse, et se mirent en route
avec des provisions de voyage. Ils prirent de vieux sacs pour leurs ânes, et de vieilles outres à vin
5 déchirées et recousues, ils portaient à leurs pieds de vieux souliers raccommodés, et sur eux de vieux
6 vêtements ; et tout le pain qu'ils avaient pour nourriture était sec et en miettes. Ils allèrent auprès
de Josué au camp de Guilgal, et ils lui dirent, ainsi qu'à tous ceux d'Israël : Nous venons d'un pays
7 éloigné, et maintenant faites alliance avec nous. Les hommes d'Israël répondirent à ces Héviens :
8 Peut-être que vous habitez au milieu de nous, et comment ferions -nous alliance avec vous ? Ils dirent
9 à Josué : Nous sommes tes serviteurs. Et Josué leur dit : Qui êtes-vous, et d'où venez -vous ? Ils lui
répondirent : Tes serviteurs viennent d'un pays très éloigné, sur le renom de l'Éternel, ton Dieu ; car
10 nous avons entendu parler de lui, de tout ce qu'il a fait en Égypte, et de la manière dont il a traité
les deux rois des Amoréens au delà du Jourdain, Sihon, roi de Hesbon, et Og, roi de Basan, qui était
11 à Aschtaroth. Et nos anciens et tous les habitants de notre pays nous ont dit : Prenez avec vous des
provisions pour le voyage, allez au-devant d'eux, et vous leur direz : Nous sommes vos serviteurs, et
12 maintenant faites alliance avec nous. Voici notre pain : il était encore chaud quand nous en avons fait
provision dans nos maisons, le jour où nous sommes partis pour venir vers vous, et maintenant il est
13 sec et en miettes. Ces outres à vin, que nous avons remplies toutes neuves, les voilà déchirées ; nos
14 vêtements et nos souliers se sont usés par l'excessive longueur de la marche. Les hommes d'Israël
15 prirent de leurs provisions, et ils ne consultèrent point l'Éternel. Josué fit la paix avec eux, et conclut
16 une alliance par laquelle il devait leur laisser la vie, et les chefs de l'assemblée le leur jurèrent. Trois
jours après la conclusion de cette alliance, les enfants d'Israël apprirent qu'ils étaient leurs voisins,
17 et qu'ils habitaient au milieu d'eux. Car les enfants d'Israël partirent, et arrivèrent à leurs villes le
18 troisième jour ; leurs villes étaient Gabaon, Kephira, Beéroth et Kirjath-Jearim. Ils ne les frappèrent
point, parce que les chefs de l'assemblée leur avaient juré par l'Éternel, le Dieu d'Israël, de leur laisser
19 la vie. Mais toute l'assemblée murmura contre les chefs. Et tous les chefs dirent à toute l'assemblée :
20 Nous leur avons juré par l'Éternel, le Dieu d'Israël, et maintenant nous ne pouvons les toucher. Voici
comment nous les traiterons : nous leur laisserons la vie, afin de ne pas attirer sur nous la colère de
21 l'Éternel, à cause du serment que nous leur avons fait. Ils vivront, leur dirent les chefs. Mais ils furent
employés à couper le bois et à puiser l'eau pour toute l'assemblée, comme les chefs le leur avaient dit.
22 Josué les fit appeler, et leur parla ainsi : Pourquoi nous avez-vous trompés, en disant : Nous sommes
23 très éloignés de vous, tandis que vous habitez au milieu de nous ? Maintenant vous êtes maudits, et
vous ne cesserez point d'être dans la servitude, de couper le bois et de puiser l'eau pour la maison de
24 mon Dieu. Ils répondirent à Josué, et dirent : On avait rapporté à tes serviteurs les ordres de l'Éternel,
ton Dieu, à Moïse, son serviteur, pour vous livrer tout le pays et pour en détruire devant vous tous

les habitants, et votre présence nous a inspiré une grande crainte pour notre vie : voilà pourquoi nous
avons agi de la sorte. Et maintenant nous voici entre tes mains ; traite -nous comme tu trouveras bon 25
et juste de nous traiter. Josué agit à leur égard comme il avait été décidé ; il les délivra de la main des 26
enfants d'Israël, qui ne les firent pas mourir ; mais il les destina dès ce jour à couper le bois et à puiser 27
l'eau pour l'assemblée, et pour l'autel de l'Éternel dans le lieu que l'Éternel choisirait : ce qu'ils font
encore aujourd'hui.

Adoni-Tsédek, roi de Jérusalem, apprit que Josué s'était emparé d'Aï et l'avait dévouée par interdit, **10**
qu'il avait traité Aï et son roi comme il avait traité Jéricho et son roi, et que les habitants de Gabaon
avaient fait la paix avec Israël et étaient au milieu d'eux. Il eut alors une forte crainte ; car Gabaon était 2
une grande ville, comme une des villes royales, plus grande même qu'Aï, et tous ses hommes étaient
vaillants. Adoni-Tsédek, roi de Jérusalem, fit dire à Hoham, roi d'Hébron, à Piream, roi de Jarmuth, à 3
Japhia, roi de Lakis, et à Debir, roi d'Églon : Montez vers moi, et aidez -moi, afin que nous frappions 4
Gabaon, car elle a fait la paix avec Josué et avec les enfants d'Israël. Cinq rois des Amoréens, le roi 5
de Jérusalem, le roi d'Hébron, le roi de Jarmuth, le roi de Lakis, le roi d'Églon, se réunirent ainsi et
montèrent avec toutes leurs armées ; ils vinrent camper près de Gabaon, et l'attaquèrent. Les gens de 6
Gabaon envoyèrent dire à Josué, au camp de Guilgal : N'abandonne pas tes serviteurs, monte vers nous
en hâte, délivre -nous, donne-nous du secours ; car tous les rois des Amoréens, qui habitent la montagne,
se sont réunis contre nous. Josué monta de Guilgal, lui et tous les gens de guerre avec lui, et tous les 7
vaillants hommes. L'Éternel dit à Josué : Ne les crains point, car je les livre entre tes mains, et aucun 8
d'eux ne tiendra devant toi. Josué arriva subitement sur eux, après avoir marché toute la nuit depuis 9
Guilgal. L'Éternel les mit en déroute devant Israël ; et Israël leur fit éprouver une grande défaite 10
près de Gabaon, les poursuivit sur le chemin qui monte à Beth-Horon, et les battit jusqu'à Azéka et à
Makkéda. Comme ils fuyaient devant Israël, et qu'ils étaient à la descente de Beth-Horon, l'Éternel 11
fit tomber du ciel sur eux de grosses pierres jusqu'à Azéka, et ils périrent ; ceux qui moururent par
les pierres de grêle furent plus nombreux que ceux qui furent tués avec l'épée par les enfants d'Israël.
Alors Josué parla à l'Éternel, le jour où l'Éternel livra les Amoréens aux enfants d'Israël, et il dit en 12
présence d'Israël : Soleil, arrête -toi sur Gabaon, Et toi, lune, sur la vallée d'Ajalon ! Et le soleil s'arrêta, 13
et la lune suspendit sa course, Jusqu'à ce que la nation eût tiré vengeance de ses ennemis. Cela n'est-il
pas écrit dans le livre du Juste ? Le soleil s'arrêta au milieu du ciel, Et ne se hâta point de se coucher,
presque tout un jour. Il n'y a point eu de jour comme celui-là, ni avant ni après, où l'Éternel ait écouté 14
la voix d'un homme ; car l'Éternel combattait pour Israël. Et Josué, et tout Israël avec lui, retourna au 15
camp à Guilgal. Les cinq rois s'enfuirent, et se cachèrent dans une caverne à Makkéda. On le rapporta 16, 17
à Josué, en disant : Les cinq rois se trouvent cachés dans une caverne à Makkéda. Josué dit : Roulez 18
de grosses pierres à l'entrée de la caverne, et mettez -y des hommes pour les garder. Et vous, ne vous 19
arrêtez pas, poursuivez vos ennemis, et attaquez-les par derrière ; ne les laissez pas entrer dans leurs
villes, car l'Éternel, votre Dieu, les a livrés entre vos mains. Après que Josué et les enfants d'Israël 20
leur eurent fait éprouver une très grande défaite, et les eurent complètement battus, ceux qui purent
échapper se sauvèrent dans les villes fortifiées, et tout le peuple revint tranquillement au camp vers 21
Josué à Makkéda, sans que personne remuât sa langue contre les enfants d'Israël. Josué dit alors : 22
Ouvrez l'entrée de la caverne, faites-en sortir ces cinq rois, et amenez-les-moi. Ils firent ainsi, et lui 23
amenèrent les cinq rois qu'ils avaient fait sortir de la caverne, le roi de Jérusalem, le roi d'Hébron, le roi
de Jarmuth, le roi de Lakis, le roi d'Églon. Lorsqu'ils eurent amené ces rois devant Josué, Josué appela 24
tous les hommes d'Israël, et dit aux chefs des gens de guerre qui avaient marché avec lui : Approchez
-vous, mettez vos pieds sur les cous de ces rois. Ils s'approchèrent, et ils mirent les pieds sur leurs
cous. Josué leur dit : Ne craignez point et ne vous effrayez point, fortifiez -vous et ayez du courage, car 25
c'est ainsi que l'Éternel traitera tous vos ennemis contre lesquels vous combattez. Après cela, Josué 26
les frappa et les fit mourir ; il les pendit à cinq arbres, et ils restèrent pendus aux arbres jusqu'au soir.
Vers le coucher du soleil, Josué ordonna qu'on les descendît des arbres, on les jeta dans la caverne où 27
ils s'étaient cachés, et l'on mit à l'entrée de la caverne de grosses pierres, qui y sont demeurées jusqu'à
ce jour. Josué prit Makkéda le même jour, et la frappa du tranchant de l'épée ; il dévoua par interdit le 28
roi, la ville et tous ceux qui s'y trouvaient ; il n'en laissa échapper aucun, et il traita le roi de Makkéda
comme il avait traité le roi de Jéricho. Josué, et tout Israël avec lui, passa de Makkéda à Libna, et il 29
attaqua Libna. L'Éternel la livra aussi, avec son roi, entre les mains d'Israël, et la frappa du tranchant 30
de l'épée, elle et tous ceux qui s'y trouvaient ; il n'en laissa échapper aucun, et il traita son roi comme il
avait traité le roi de Jéricho. Josué, et tout Israël avec lui, passa de Libna à Lakis ; il campa devant elle, 31
et il l'attaqua. L'Éternel livra Lakis entre les mains d'Israël, qui la prit le second jour, et la frappa du 32
tranchant de l'épée, elle et tous ceux qui s'y trouvaient, comme il avait traité Libna. Alors Horam, roi 33

de Guézer, monta pour secourir Lakis. Josué le battit, lui et son peuple, sans laisser échapper personne.
34 Josué, et tout Israël avec lui, passa de Lakis à Églon ; ils campèrent devant elle, et ils l'attaquèrent.
35 Ils la prirent le même jour, et la frappèrent du tranchant de l'épée, elle et tous ceux qui s'y trouvaient ;
36 Josué la dévoua par interdit le jour même, comme il avait traité Lakis. Josué, et tout Israël avec lui,
37 monta d'Églon à Hébron, et ils l'attaquèrent. Ils la prirent, et la frappèrent du tranchant de l'épée, elle, son roi, toutes les villes qui en dépendaient, et tous ceux qui s'y trouvaient ; Josué n'en laissa échapper
38 aucun, comme il avait fait à Églon, et il la dévoua par interdit avec tous ceux qui s'y trouvaient. Josué,
39 et tout Israël avec lui, se dirigea sur Debir, et il l'attaqua. Il la prit, elle, son roi, et toutes les villes qui en dépendaient ; ils les frappèrent du tranchant de l'épée, et ils dévouèrent par interdit tous ceux qui s'y trouvaient, sans en laisser échapper aucun ; Josué traita Debir et son roi comme il avait traité Hébron
40 et comme il avait traité Libna et son roi. Josué battit tout le pays, la montagne, le midi, la plaine et les coteaux, et il en battit tous les rois ; il ne laissa échapper personne, et il dévoua par interdit tout ce qui
41 respirait, comme l'avait ordonné l'Éternel, le Dieu d'Israël. Josué les battit de Kadès-Barnéa à Gaza,
42 il battit tout le pays de Gosen jusqu'à Gabaon. Josué prit en même temps tous ces rois et leur pays, car
43 l'Éternel, le Dieu d'Israël, combattait pour Israël. Et Josué, et tout Israël avec lui, retourna au camp à Guilgal.

11 Jabin, roi de Hatsor, ayant appris ces choses, envoya des messagers à Jobab, roi de Madon, au roi
2 de Schimron, au roi d'Acschaph, aux rois qui étaient au nord dans la montagne, dans la plaine au
3 midi de Kinnéreth, dans la vallée, et sur les hauteurs de Dor à l'occident, aux Cananéens de l'orient et de l'occident, aux Amoréens, aux Héthiens, aux Phéréziens, aux Jébusiens dans la montagne, et aux
4 Héviens au pied de l'Hermon dans le pays de Mitspa. Ils sortirent, eux et toutes leurs armées avec eux, formant un peuple innombrable comme le sable qui est sur le bord de la mer, et ayant des chevaux
5 et des chars en très grande quantité. Tous ces rois fixèrent un lieu de réunion, et vinrent camper
6 ensemble près des eaux de Mérom, pour combattre contre Israël. L'Éternel dit à Josué : Ne les crains point, car demain, à ce moment -ci, je les livrerai tous frappés devant Israël. Tu couperas les jarrets à
7 leurs chevaux, et tu brûleras au feu leurs chars. Josué, avec tous ses gens de guerre, arriva subitement
8 sur eux près des eaux de Mérom, et ils se précipitèrent au milieu d'eux. L'Éternel les livra entre les mains d'Israël ; ils les battirent et les poursuivirent jusqu'à Sidon la grande, jusqu'à Misrephoth-Maïm,
9 et jusqu'à la vallée de Mitspa vers l'orient ; ils les battirent, sans en laisser échapper aucun. Josué les
10 traita comme l'Éternel lui avait dit ; il coupa les jarrets à leurs chevaux, et il brûla leurs chars au feu. À son retour, et dans le même temps, Josué prit Hatsor, et frappa son roi avec l'épée : Hatsor était autrefois
11 la principale ville de tous ces royaumes. On frappa du tranchant de l'épée et l'on dévoua par interdit
12 tous ceux qui s'y trouvaient, il ne resta rien de ce qui respirait, et l'on mit le feu à Hatsor. Josué prit aussi toutes les villes de ces rois et tous leurs rois, et il les frappa du tranchant de l'épée, et il les dévoua
13 par interdit, comme l'avait ordonné Moïse, serviteur de l'Éternel. Mais Israël ne brûla aucune des
14 villes situées sur des collines, à l'exception seulement de Hatsor, qui fut brûlée par Josué. Les enfants d'Israël gardèrent pour eux tout le butin de ces villes et le bétail ; mais ils frappèrent du tranchant de
15 l'épée tous les hommes, jusqu'à ce qu'ils les eussent détruits, sans rien laisser de ce qui respirait. Josué exécuta les ordres de l'Éternel à Moïse, son serviteur, et de Moïse à Josué ; il ne négligea rien de tout ce
16 que l'Éternel avait ordonné à Moïse. C'est ainsi que Josué s'empara de tout ce pays, de la montagne, de tout le midi, de tout le pays de Gosen, de la vallée, de la plaine, de la montagne d'Israël et de ses vallées,
17 depuis la montagne nue qui s'élève vers Séir jusqu'à Baal-Gad, dans la vallée du Liban, au pied de la
18 montagne d'Hermon. Il prit tous leurs rois, les frappa et les fit mourir. La guerre que soutint Josué
19 contre tous ces rois fut de longue durée. Il n'y eut aucune ville qui fît la paix avec les enfants d'Israël,
20 excepté Gabaon, habitée par les Héviens ; ils les prirent toutes en combattant. Car l'Éternel permit que ces peuples s'obstinassent à faire la guerre contre Israël, afin qu'Israël les dévouât par interdit, sans qu'il y eût pour eux de miséricorde, et qu'il les détruisît, comme l'Éternel l'avait ordonné à Moïse.
21 Dans le même temps, Josué se mit en marche, et il extermina les Anakim de la montagne d'Hébron, de Debir, d'Anab, de toute la montagne de Juda et de toute la montagne d'Israël ; Josué les dévoua par
22 interdit, avec leurs villes. Il ne resta point d'Anakim dans le pays des enfants d'Israël ; il n'en resta
23 qu'à Gaza, à Gath et à Asdod. Josué s'empara donc de tout le pays, selon tout ce que l'Éternel avait dit à Moïse. Et Josué le donna en héritage à Israël, à chacun sa portion, d'après leurs tribus. Puis, le pays fut en repos et sans guerre.

12 Voici les rois que les enfants d'Israël battirent, et dont ils possédèrent le pays de l'autre côté du Jourdain, vers le soleil levant, depuis le torrent de l'Arnon jusqu'à la montagne de l'Hermon, avec toute
2 la plaine à l'orient. Sihon, roi des Amoréens, qui habitait à Hesbon. Sa domination s'étendait depuis Aroër, qui est au bord du torrent de l'Arnon, et, depuis le milieu du torrent, sur la moitié de Galaad,

jusqu'au torrent de Jabbok, frontière des enfants d'Ammon ; sur la plaine, jusqu'à la mer de Kinnéreth 3
à l'orient, et jusqu'à la mer de la plaine, la mer Salée, à l'orient vers Beth-Jeschimoth ; et du côté du midi,
sur le pied du Pisga. Og, roi de Basan, seul reste des Rephaïm, qui habitait à Aschtaroth et à Édréï. Sa 4, 5
domination s'étendait sur la montagne de l'Hermon, sur Salca, sur tout Basan jusqu'à la frontière des
Gueschuriens et des Maacathiens, et sur la moitié de Galaad, frontière de Sihon, roi de Hesbon. Moïse, 6
serviteur de l'Éternel, et les enfants d'Israël, les battirent ; et Moïse, serviteur de l'Éternel, donna leur
pays en possession aux Rubénites, aux Gadites, et à la moitié de la tribu de Manassé. Voici les rois que 7
Josué et les enfants d'Israël battirent de ce côté -ci du Jourdain, à l'occident, depuis Baal-Gad dans la
vallée du Liban jusqu'à la montagne nue qui s'élève vers Séir. Josué donna leur pays en possession aux
tribus d'Israël, à chacune sa portion, dans la montagne, dans la vallée, dans la plaine, sur les coteaux, 8
dans le désert, et dans le midi ; pays des Héthiens, des Amoréens, des Cananéens, des Phéréziens, des
Héviens et des Jébusiens. Le roi de Jéricho, un ; le roi d'Aï, près de Béthel, un ; le roi de Jérusalem, 9, 10
un ; le roi d'Hébron, un ; le roi de Jarmuth, un ; le roi de Lakis, un ; le roi d'Églon, un ; le roi de Guézer, 11, 12
un ; le roi de Debir, un ; le roi de Guéder, un ; le roi de Horma, un ; le roi d'Arad, un ; le roi de Libna, 13, 14, 15
un ; le roi d'Adullam, un ; le roi de Makkéda, un ; le roi de Béthel, un ; le roi de Tappuach, un ; le roi 16, 17
de Hépher, un ; le roi d'Aphek, un ; le roi de Lascharon, un ; le roi de Madon, un ; le roi de Hatsor, un ; 18, 19
le roi de Schimron-Meron, un ; le roi d'Acschaph, un ; le roi de Taanac, un ; le roi de Meguiddo, un ; le 20, 21, 22
roi de Kédesch, un ; le roi de Jokneam, au Carmel, un ; le roi de Dor, sur les hauteurs de Dor, un ; le roi 23
de Gojim, près de Guilgal, un ; le roi de Thirtsa, un. Total des rois : trente et un. 24

Josué était vieux, avancé en âge. L'Éternel lui dit alors : Tu es devenu vieux, tu es avancé en âge, et **13**
le pays qui te reste à soumettre est très grand. Voici le pays qui reste : tous les districts des Philistins 2
et tout le territoire des Gueschuriens, depuis le Schichor qui coule devant l'Égypte jusqu'à la frontière 3
d'Ékron au nord, contrée qui doit être tenue pour cananéenne, et qui est occupée par les cinq princes
des Philistins, celui de Gaza, celui d'Asdod, celui d'Askalon, celui de Gath et celui d'Ékron, et par les
Avviens ; à partir du midi, tout le pays des Cananéens, et Meara qui est aux Sidoniens, jusqu'à Aphek, 4
jusqu'à la frontière des Amoréens ; le pays des Guibliens, et tout le Liban vers le soleil levant, depuis 5
Baal-Gad au pied de la montagne d'Hermon jusqu'à l'entrée de Hamath ; tous les habitants de la 6
montagne, depuis le Liban jusqu'à Misrephoth-Maïm, tous les Sidoniens. Je les chasserai devant les
enfants d'Israël. Donne seulement ce pays en héritage par le sort à Israël, comme je te l'ai prescrit ;
et divise maintenant ce pays par portions entre les neuf tribus et la demi -tribu de Manassé. Les 7, 8
Rubénites et les Gadites, avec l'autre moitié de la tribu de Manassé, ont reçu leur héritage, que Moïse
leur a donné de l'autre côté du Jourdain, à l'orient, comme le leur a donné Moïse, serviteur de l'Éternel :
depuis Aroër sur les bords du torrent de l'Arnon, et depuis la ville qui est au milieu de la vallée, toute 9
la plaine de Médeba, jusqu'à Dibon ; toutes les villes de Sihon, roi des Amoréens, qui régnait à Hesbon, 10
jusqu'à la frontière des enfants d'Ammon ; Galaad, le territoire des Gueschuriens et des Maacathiens, 11
toute la montagne d'Hermon, et tout Basan, jusqu'à Salca ; tout le royaume d'Og en Basan, qui régnait 12
à Aschtaroth et à Édréï, et qui était le seul reste des Rephaïm. Moïse battit ces rois, et les chassa. Mais 13
les enfants d'Israël ne chassèrent point les Gueschuriens et les Maacathiens, qui ont habité au milieu
d'Israël jusqu'à ce jour. La tribu de Lévi fut la seule à laquelle Moïse ne donna point d'héritage ; les 14
sacrifices consumés par le feu devant l'Éternel, le Dieu d'Israël, tel fut son héritage, comme il le lui
avait dit. Moïse avait donné à la tribu des fils de Ruben une part selon leurs familles. Ils eurent pour 15, 16
territoire, à partir d'Aroër sur les bords du torrent d'Arnon, et de la ville qui est au milieu de la vallée,
toute la plaine près de Médeba, Hesbon et toutes ses villes dans la plaine, Dibon, Bamoth-Baal, Beth- 17
Baal-Meon, Jahats, Kedémoth, Méphaath, Kirjathaïm, Sibma, Tséreth-Haschachar sur la montagne 18, 19
de la vallée, Beth-Peor, les coteaux du Pisga, Beth-Jeschimoth, toutes les villes de la plaine, et tout 20, 21
le royaume de Sihon, roi des Amoréens, qui régnait à Hesbon : Moïse l'avait battu, lui et les princes de
Madian, Évi, Rékem, Tsur, Hur et Réba, princes qui relevaient de Sihon et qui habitaient dans le pays.
Parmi ceux que tuèrent les enfants d'Israël, ils avaient aussi fait périr avec l'épée le devin Balaam, 22
fils de Beor. Le Jourdain servait de limite au territoire des fils de Ruben. Voilà l'héritage des fils de 23
Ruben selon leurs familles ; les villes et leurs villages. Moïse avait donné à la tribu de Gad, aux fils 24
de Gad, une part selon leurs familles. Ils eurent pour territoire Jaezer, toutes les villes de Galaad, la 25
moitié du pays des enfants d'Ammon jusqu'à Aroër vis-à-vis de Rabba, depuis Hesbon jusqu'à Ramath- 26
Mitspé et Bethonim, depuis Mahanaïm jusqu'à la frontière de Debir, et, dans la vallée, Beth-Haram, 27
Beth-Nimra, Succoth et Tsaphon, reste du royaume de Sihon, roi de Hesbon, ayant le Jourdain pour
limite jusqu'à l'extrémité de la mer de Kinnéreth de l'autre côté du Jourdain, à l'orient. Voilà l'héritage 28
des fils de Gad selon leurs familles ; les villes et leurs villages. Moïse avait donné à la demi -tribu 29
de Manassé, aux fils de Manassé, une part selon leurs familles. Ils eurent pour territoire, à partir 30
de Mahanaïm, tout Basan, tout le royaume d'Og, roi de Basan, et tous les bourgs de Jaïr en Basan,

31 soixante villes. La moitié de Galaad, Aschtaroth et Édréï, villes du royaume d'Og en Basan, échurent
32 aux fils de Makir, fils de Manassé, à la moitié des fils de Makir, selon leurs familles. Telles sont les
parts que fit Moïse, lorsqu'il était dans les plaines de Moab, de l'autre côté du Jourdain, vis-à-vis de
33 Jéricho, à l'orient. Moïse ne donna point d'héritage à la tribu de Lévi ; l'Éternel, le Dieu d'Israël, tel fut
son héritage, comme il le lui avait dit.

14 Voici ce que les enfants d'Israël reçurent en héritage dans le pays de Canaan, ce que partagèrent
entre eux le sacrificateur Éléazar, Josué, fils de Nun, et les chefs de famille des tribus des enfants
2 d'Israël. Le partage eut lieu d'après le sort, comme l'Éternel l'avait ordonné par Moïse, pour les neuf
3 tribus et pour la demi -tribu. Car Moïse avait donné un héritage aux deux tribus et à la demi -tribu
4 de l'autre côté du Jourdain ; mais il n'avait point donné aux Lévites d'héritage parmi eux. Les fils de
Joseph formaient deux tribus, Manassé et Éphraïm ; et l'on ne donna point de part aux Lévites dans
le pays, si ce n'est des villes pour habitation, et les banlieues pour leurs troupeaux et pour leurs biens.
5 Les enfants d'Israël se conformèrent aux ordres que l'Éternel avait donnés à Moïse, et ils partagèrent
6 le pays. Les fils de Juda s'approchèrent de Josué, à Guilgal ; et Caleb, fils de Jephunné, le Kenizien,
lui dit : Tu sais ce que l'Éternel a déclaré à Moïse, homme de Dieu, au sujet de moi et au sujet de toi, à
7 Kadès-Barnéa. J'étais âgé de quarante ans lorsque Moïse, serviteur de l'Éternel, m'envoya de Kadès-
8 Barnéa pour explorer le pays, et je lui fis un rapport avec droiture de coeur. Mes frères qui étaient
montés avec moi découragèrent le peuple, mais moi je suivis pleinement la voie de l'Éternel, mon Dieu.
9 Et ce jour -là Moïse jura, en disant : Le pays que ton pied a foulé sera ton héritage à perpétuité, pour
10 toi et pour tes enfants, parce que tu as pleinement suivi la voie de l'Éternel, mon Dieu. Maintenant
voici, l'Éternel m'a fait vivre, comme il l'a dit. Il y a quarante -cinq ans que l'Éternel parlait ainsi à
Moïse, lorsqu'Israël marchait dans le désert ; et maintenant voici, je suis âgé aujourd'hui de quatre-
11 vingt -cinq ans. Je suis encore vigoureux comme au jour où Moïse m'envoya ; j'ai autant de force que
12 j'en avais alors, soit pour combattre, soit pour sortir et pour entrer. Donne -moi donc cette montagne
dont l'Éternel a parlé dans ce temps -là ; car tu as appris alors qu'il s'y trouve des Anakim, et qu'il y a
des villes grandes et fortifiées. L'Éternel sera peut-être avec moi, et je les chasserai, comme l'Éternel a
13, 14 dit. Josué bénit Caleb, fils de Jephunné, et il lui donna Hébron pour héritage. C'est ainsi que Caleb,
fils de Jephunné, le Kenizien, a eu jusqu'à ce jour Hébron pour héritage, parce qu'il avait pleinement
15 suivi la voie de l'Éternel, le Dieu d'Israël. Hébron s'appelait autrefois Kirjath-Arba : Arba avait été
l'homme le plus grand parmi les Anakim. Le pays fut dès lors en repos et sans guerre.

15 La part échue par le sort à la tribu des fils de Juda, selon leurs familles, s'étendait vers la frontière
2 d'Édom, jusqu'au désert de Tsin, au midi, à l'extrémité méridionale. Ainsi, leur limite méridionale par-
3 tait de l'extrémité de la mer Salée, de la langue qui fait face au sud. Elle se prolongeait au midi de la
montée d'Akrabbim, passait par Tsin, et montait au midi de Kadès-Barnéa ; elle passait de là par Hets-
4 ron, montait vers Addar, et tournait à Karkaa ; elle passait ensuite par Atsmon, et continuait jusqu'au
5 torrent d'Égypte, pour aboutir à la mer. Ce sera votre limite au midi. La limite orientale était la mer
Salée jusqu'à l'embouchure du Jourdain. La limite septentrionale partait de la langue de mer qui est à
6 l'embouchure du Jourdain. Elle montait vers Beth-Hogla, passait au nord de Beth-Araba, et s 'élevait
7 jusqu'à la pierre de Bohan, fils de Ruben ; elle montait à Debir, à quelque distance de la vallée d'Acor,
et se dirigeait vers le nord du côté de Guilgal, qui est vis-à-vis de la montée d'Adummim au sud du tor-
8 rent. Elle passait près des eaux d'En-Schémesch, et se prolongeait jusqu'à En-Roguel. Elle montait de
là par la vallée de Ben- Hinnom au côté méridional de Jebus, qui est Jérusalem, puis s 'élevait jusqu'au
sommet de la montagne, qui est devant la vallée de Hinnom à l'occident, et à l'extrémité de la vallée des
9 Rephaïm au nord Du sommet de la montagne elle s'étendait jusqu'à la source des eaux de Nephthoach,
continuait vers les villes de la montagne d'Éphron, et se prolongeait par Baala, qui est Kirjath-Jearim.
10 De Baala elle tournait à l'occident vers la montagne de Séir, traversait le côté septentrional de la mon-
11 tagne de Jearim, à Kesalon, descendait à Beth-Schémesch, et passait par Thimna. Elle continuait sur
le côté septentrional d'Ékron, s 'étendait vers Schicron, passait par la montagne de Baala, et se prolon-
12 geait jusqu'à Jabneel, pour aboutir à la mer. La limite occidentale était la grande mer. Telles furent de
13 tous les côtés les limites des fils de Juda, selon leurs familles. On donna à Caleb, fils de Jephunné, une
part au milieu des fils de Juda, comme l'Éternel l'avait ordonné à Josué ; on lui donna Kirjath -Arba,
14 qui est Hébron : Arba était le père d'Anak. Caleb en chassa les trois fils d'Anak : Schéschaï, Ahiman
15 et Talmaï, enfants d'Anak. De là il monta contre les habitants de Debir : Debir s'appelait autrefois
16 Kirjath-Sépher. Caleb dit : Je donnerai ma fille Acsa pour femme à celui qui battra Kirjath-Sépher et
17 qui la prendra. Othniel, fils de Kenaz, frère de Caleb, s'en empara ; et Caleb lui donna pour femme sa
18 fille Acsa. Lorsqu'elle fut entrée chez Othniel, elle le sollicita de demander à son père un champ. Elle
19 descendit de dessus son âne, et Caleb lui dit : Qu'as-tu ? Elle répondit : Fais -moi un présent, car tu m'as

donné une terre du midi ; donne -moi aussi des sources d'eau. Et il lui donna les sources supérieures et
les sources inférieures. Tel fut l'héritage des fils de Juda, selon leurs familles. Les villes situées dans 20, 21
la contrée du midi, à l'extrémité de la tribu des fils de Juda, vers la frontière d'Édom, étaient : Kabt-
seel, Éder, Jagur, Kina, Dimona, Adada, Kédesch, Hatsor, Ithnan, Ziph, Thélem, Bealoth, Hatsor 22, 23, 24, 25
-Hadattha, Kerijoth -Hetsron, qui est Hatsor, Amam, Schema, Molada, Hatsar-Gadda, Heschmon, 26, 27
Beth-Paleth, Hatsar-Schual, Beer-Schéba, Bizjothja, Baala, Ijjim, Atsem, Eltholad, Kesil, Horma, 28, 29, 30
Tsiklag, Madmanna, Sansanna, Lebaoth, Schilhim, Aïn, et Rimmon. Total des villes : vingt -neuf, et 31, 32
leurs villages. Dans la plaine : Eschthaol, Tsorea, Aschna, Zanoach, En-Gannim, Tappuach, Énam, 33, 34
Jarmuth, Adullam, Soco, Azéka, Schaaraïm, Adithaïm, Guedéra, et Guedérothaïm ; quatorze villes, 35, 36
et leurs villages. Tsenan, Hadascha, Migdal-Gad, Dilean, Mitspé, Joktheel, Lakis, Botskath, Églon, 37, 38, 39
Cabbon, Lachmas, Kithlisch, Guedéroth, Beth-Dagon, Naama, et Makkéda ; seize villes, et leurs vil- 40, 41
lages. Libna, Éther, Aschan, Jiphtach, Aschna, Netsib, Keïla, Aczib, et Maréscha ; neuf villes, et 42, 43, 44
leurs villages. Ékron, les villes de son ressort et ses villages ; depuis Ékron et à l'occident, toutes les 45, 46
villes près d'Asdod, et leurs villages, Asdod, les villes de son ressort, et ses villages ; Gaza, les villes 47
de son ressort, et ses villages, jusqu'au torrent d'Égypte, et à la grande mer, qui sert de limite. Dans 48
la montagne : Schamir, Jatthir, Soco, Danna, Kirjath-Sanna, qui est Debir, Anab, Eschthemo, Anim, 49, 50
Gosen, Holon, et Guilo, onze villes, et leurs villages. Arab, Duma, Éschean, Janum, Beth-Tappuach, 51, 52, 53
Aphéka, Humta, Kirjath-Arba, qui est Hébron, et Tsior ; neuf villes, et leurs villages. Maon, Carmel, 54, 55
Ziph, Juta, Jizreel, Jokdeam, Zanoach, Kaïn, Guibea, et Thimna ; dix villes, et leurs villages. Hal- 56, 57, 58
hul, Beth-Tsur, Guedor, Maarath, Beth-Anoth, et Elthekon ; six villes, et leurs villages. Kirjath-Baal, 59, 60
qui est Kirjath-Jearim, et Rabba ; deux villes, et leurs villages. Dans le désert : Beth-Araba, Middin, 61
Secaca, Nibschan, Ir-Hammélach, et En-Guédi ; six villes, et leurs villages. Les fils de Juda ne purent 62, 63
pas chasser les Jébusiens qui habitaient à Jérusalem, et les Jébusiens ont habité avec les fils de Juda à
Jérusalem jusqu'à ce jour.

La part échue par le sort aux fils de Joseph s'étendait depuis le Jourdain près de Jéricho, vers **16**
les eaux de Jéricho, à l'orient. La limite suivait le désert qui s'élève de Jéricho à Béthel par la mon-
tagne. Elle continuait de Béthel à Luz, et passait vers la frontière des Arkiens par Atharoth. Puis 2, 3
elle descendait à l'occident vers la frontière des Japhléthiens jusqu'à celle de Beth-Horon la basse et
jusqu'à Guézer, pour aboutir à la mer. C'est là que reçurent leur héritage les fils de Joseph, Manassé 4
et Éphraïm. Voici les limites des fils d'Éphraïm, selon leurs familles. La limite de leur héritage était, 5
à l'orient, Atharoth-Addar jusqu'à Beth-Horon la haute. Elle continuait du côté de l'occident vers Mic- 6
methath au nord, tournait à l'orient vers Thaanath-Silo, et passait dans la direction de l'orient par
Janoach. De Janoach elle descendait à Atharoth et à Naaratha, touchait à Jéricho, et se prolongeait 7
jusqu'au Jourdain. De Tappuach elle allait vers l'occident au torrent de Kana, pour aboutir à la mer. 8
Tel fut l'héritage de la tribu des fils d'Éphraïm, selon leurs familles. Les fils d'Éphraïm avaient aussi 9
des villes séparées au milieu de l'héritage des fils de Manassé, toutes avec leurs villages. Ils ne chas- 10
sèrent point les Cananéens qui habitaient à Guézer, et les Cananéens ont habité au milieu d'Éphraïm
jusqu'à ce jour, mais ils furent assujettis à un tribut.

Une part échut aussi par le sort à la tribu de Manassé, car il était le premier-né de Joseph. Makir, **17**
premier-né de Manassé et père de Galaad, avait eu Galaad et Basan, parce qu'il était un homme de
guerre. On donna par le sort une part aux autres fils de Manassé, selon leurs familles, aux fils d'Abié- 2
zer, aux fils de Hélek, aux fils d'Asriel, aux fils de Sichem, aux fils de Hépher, aux fils de Schemida :
ce sont là les enfants mâles de Manassé, fils de Joseph, selon leurs familles. Tselophchad, fils de Hé- 3
pher, fils de Galaad, fils de Makir, fils de Manassé, n'eut point de fils, mais il eut des filles dont voici
les noms : Machla, Noa, Hogla, Milca et Thirtsa. Elles se présentèrent devant le sacrificateur Éléazar, 4
devant Josué, fils de Nun, et devant les princes, en disant : L'Éternel a commandé à Moïse de nous
donner un héritage parmi nos frères. Et on leur donna, selon l'ordre de l'Éternel, un héritage parmi
les frères de leur père. Il échut dix portions à Manassé, outre le pays de Galaad et de Basan, qui est 5
de l'autre côté du Jourdain. Car les filles de Manassé eurent un héritage parmi ses fils, et le pays de 6
Galaad fut pour les autres fils de Manassé. La limite de Manassé s'étendait d'Aser à Micmethath, qui 7
est près de Sichem, et allait à Jamin vers les habitants d'En-Tappuach. Le pays de Tappuach était 8
aux fils de Manassé, mais Tappuach sur la frontière de Manassé était aux fils d'Éphraïm. La limite 9
descendait au torrent de Kana, au midi du torrent. Ces villes étaient à Éphraïm, au milieu des villes de
Manassé. La limite de Manassé au nord du torrent aboutissait à la mer. Le territoire du midi était à 10
Éphraïm, celui du nord à Manassé, et la mer leur servait de limite ; ils touchaient à Aser vers le nord,
et à Issacar vers l'orient. Manassé possédait dans Issacar et dans Aser : Beth-Schean et les villes de 11

son ressort, Jibleam et les villes de son ressort, les habitants de Dor et les villes de son ressort, les habitants d'En-Dor et les villes de son ressort, les habitants de Thaanac et les villes de son ressort, et
12 les habitants de Meguiddo et les villes de son ressort, trois contrées. Les fils de Manassé ne purent pas
13 prendre possession de ces villes, et les Cananéens voulurent rester dans ce pays. Lorsque les enfants d'Israël furent assez forts, ils assujettirent les Cananéens à un tribut, mais ils ne les chassèrent point.
14 Les fils de Joseph parlèrent à Josué, et dirent : Pourquoi nous as-tu donné en héritage un seul lot, une seule part, tandis que nous formons un peuple nombreux et que l'Éternel nous a bénis jusqu'à présent ?
15 Josué leur dit : Si vous êtes un peuple nombreux, montez à la forêt, et vous l'abattrez pour vous y faire de la place dans le pays des Phéréziens et des Rephaïm, puisque la montagne d'Éphraïm est trop étroite
16 pour vous. Les fils de Joseph dirent : La montagne ne nous suffira pas, et il y a des chars de fer chez tous les Cananéens qui habitent la vallée, chez ceux qui sont à Beth-Schean et dans les villes de son
17 ressort, et chez ceux qui sont dans la vallée de Jizreel. Josué dit à la maison de Joseph, à Éphraïm et à Manassé : Vous êtes un peuple nombreux, et votre force est grande, vous n'aurez pas un simple lot.
18 Mais vous aurez la montagne, car c'est une forêt que vous abattrez et dont les issues seront à vous, et vous chasserez les Cananéens, malgré leurs chars de fer et malgré leur force.

18 Toute l'assemblée des enfants d'Israël se réunit à Silo, et ils y placèrent la tente d'assignation. Le
2 pays était soumis devant eux. Il restait sept tribus des enfants d'Israël qui n'avaient pas encore reçu
3 leur héritage. Josué dit aux enfants d'Israël : Jusques à quand négligerez -vous de prendre possession
4 du pays que l'Éternel, le Dieu de vos pères, vous a donné ? Choisissez trois hommes par tribu, et je les ferai partir. Ils se lèveront, parcourront le pays, traceront un plan en vue du partage, et reviendront
5 auprès de moi. Ils le diviseront en sept parts ; Juda restera dans ses limites au midi, et la maison de
6 Joseph restera dans ses limites au nord. Vous donc, vous tracerez un plan du pays en sept parts, et
7 vous me l'apporterez ici. Je jetterai pour vous le sort devant l'Éternel, notre Dieu. Mais il n'y aura point de part pour les Lévites au milieu de vous, car le sacerdoce de l'Éternel est leur héritage ; et Gad, Ruben et la demi -tribu de Manassé ont reçu leur héritage, que Moïse, serviteur de l'Éternel, leur a donné de
8 l'autre côté du Jourdain, à l'orient. Lorsque ces hommes se levèrent et partirent pour tracer un plan du pays, Josué leur donna cet ordre : Allez, parcourez le pays, tracez -en un plan, et revenez auprès de moi ;
9 puis je jetterai pour vous le sort devant l'Éternel, à Silo. Ces hommes partirent, parcoururent le pays, et en tracèrent d'après les villes un plan en sept parts, dans un livre ; et ils revinrent auprès de Josué
10 dans le camp à Silo. Josué jeta pour eux le sort à Silo devant l'Éternel, et il fit le partage du pays entre
11 les enfants d'Israël, en donnant à chacun sa portion. Le sort tomba sur la tribu des fils de Benjamin, selon leurs familles, et la part qui leur échut par le sort avait ses limites entre les fils de Juda et les
12 fils de Joseph. Du côté septentrional, leur limite partait du Jourdain. Elle montait au nord de Jéricho,
13 s'élevait dans la montagne vers l'occident, et aboutissait au désert de Beth-Aven. Elle passait de là par Luz, au midi de Luz, qui est Béthel, et elle descendait à Atharoth-Addar par-dessus la montagne qui est
14 au midi de Beth-Horon la basse. Du côté occidental, la limite se prolongeait et tournait au midi depuis la montagne qui est vis-à-vis de Beth-Horon ; elle continuait vers le midi, et aboutissait à Kirjath-Baal,
15 qui est Kirjath-Jearim, ville des fils de Juda. C'était le côté occidental. Le côté méridional commençait à l'extrémité de Kirjath-Jearim. La limite se prolongeait vers l'occident jusqu'à la source des eaux de
16 Nephthoach. Elle descendait à l'extrémité de la montagne qui est vis-à-vis de la vallée de Ben -Hinnom, dans la vallée des Rephaïm au nord. Elle descendait par la vallée de Hinnom, sur le côté méridional des
17 Jébusiens, jusqu'à En-Roguel. Elle se dirigeait vers le nord à En-Schémesch, puis à Gueliloth, qui est
18 vis-à-vis de la montée d'Adummim, et elle descendait à la pierre de Bohan, fils de Ruben. Elle passait
19 sur le côté septentrional en face d'Araba, descendait à Araba, et continuait sur le côté septentrional de Beth-Hogla, pour aboutir à la langue septentrionale de la mer Salée, vers l'embouchure du Jourdain
20 au midi. C'était la limite méridionale. Du côté oriental, le Jourdain formait la limite. Tel fut l'héritage
21 des fils de Benjamin, selon leurs familles, avec ses limites de tous les côtés. Les villes de la tribu
22 des fils de Benjamin, selon leurs familles, étaient : Jéricho, Beth-Hogla, Émek -Ketsits, Beth-Araba,
23, 24 Tsemaraïm, Béthel, Avvim, Para, Ophra, Kephar-Ammonaï, Ophni et Guéba ; douze villes, et leurs
25, 26, 27, 28 villages. Gabaon, Rama, Beéroth, Mitspé, Kephira, Motsa, Rékem, Jirpeel, Thareala, Tséla, Eleph, Jebus, qui est Jérusalem, Guibeath, et Kirjath ; quatorze villes, et leurs villages. Tel fut l'héritage des fils de Benjamin, selon leurs familles.

19 La seconde part échut par le sort à Siméon, à la tribu des fils de Siméon, selon leurs familles. Leur
2 héritage était au milieu de l'héritage des fils de Juda. Ils eurent dans leur héritage : Beer-Schéba,
3, 4, 5 Schéba, Molada, Hatsar-Schual, Bala, Atsem, Eltholad, Bethul, Horma, Tsiklag, Beth-Marcaboth,
6, 7 Hatsar-Susa, Beth-Lebaoth et Scharuchen, treize villes, et leurs villages ; Aïn, Rimmon, Éther, et
8 Aschan, quatre villes, et leurs villages ; et tous les villages aux environs de ces villes, jusqu'à Baalath-Beer, qui est Ramath du midi. Tel fut l'héritage de la tribu des fils de Siméon, selon leurs familles.

L'héritage des fils de Siméon fut pris sur la portion des fils de Juda ; car la portion des fils de Juda 9
était trop grande pour eux, et c'est au milieu de leur héritage que les fils de Siméon reçurent le leur.
La troisième part échut par le sort aux fils de Zabulon, selon leurs familles. La limite de leur héritage 10
s'étendait jusqu'à Sarid. Elle montait à l'occident vers Mareala, et touchait à Dabbéscheth, puis au 11
torrent qui coule devant Jokneam. De Sarid elle tournait à l'orient, vers le soleil levant, jusqu'à la 12
frontière de Kisloth-Thabor, continuait à Dabrath, et montait à Japhia. De là elle passait à l'orient par 13
Guittha-Hépher, par Ittha-Katsin, continuait à Rimmon, et se prolongeait jusqu'à Néa. Elle tournait 14
ensuite du côté du nord vers Hannathon, et aboutissait à la vallée de Jiphthach-El. De plus, Kat- 15
thath, Nahalal, Schimron, Jideala, Bethléhem. Douze villes, et leurs villages. Tel fut l'héritage des 16
fils de Zabulon, selon leurs familles, ces villes -là et leurs villages. La quatrième part échut par le 17
sort à Issacar, aux fils d'Issacar, selon leurs familles. Leur limite passait par Jizreel, Kesulloth, Su- 18
nem, Hapharaïm, Schion, Anacharath, Rabbith, Kischjon, Abets, Rémeth, En-Gannim, En-Hadda, 19, 20, 21
et Beth-Patsets ; elle touchait à Thabor, à Schachatsima, à Beth-Schémesch, et aboutissait au Jour- 22
dain. Seize villes, et leurs villages. Tel fut l'héritage de la tribu des fils d'Issacar, selon leurs familles, 23
ces villes -là et leurs villages. La cinquième part échut par le sort à la tribu des fils d'Aser, selon leurs 24
familles. Leur limite passait par Helkath, Hali, Béthen, Acschaph, Allammélec, Amead et Mischeal ; 25, 26
elle touchait, vers l'occident, au Carmel et au Schichor-Libnath ; puis elle tournait du côté de l'orient 27
à Beth-Dagon, atteignait Zabulon et la vallée de Jiphthach-El au nord de Beth-Émek et de Neïel, et se
prolongeait vers Cabul, à gauche, et vers Ébron, Rehob, Hammon et Kana, jusqu'à Sidon la grande. 28
Elle tournait ensuite vers Rama jusqu'à la ville forte de Tyr, et vers Hosa, pour aboutir à la mer, par la 29
contrée d'Aczib. De plus, Umma, Aphek et Rehob. Vingt -deux villes, et leurs villages. Tel fut l'héri- 30, 31
tage de la tribu des fils d'Aser, selon leurs familles, ces villes -là et leurs villages. La sixième part échut 32
par le sort aux fils de Nephthali, selon leurs familles. Leur limite s'étendait depuis Héleph, depuis Al- 33
lon, par Tsaanannim, Adami -Nékeb et Jabneel, jusqu'à Lakkum, et elle aboutissait au Jourdain. Elle 34
tournait vers l'occident à Aznoth-Thabor, et de là continuait à Hukkok ; elle touchait à Zabulon du côté
du midi, à Aser du côté de l'occident, et à Juda ; le Jourdain était du côté de l'orient. Les villes fortes 35
étaient : Tsiddim, Tser, Hammath, Rakkath, Kinnéreth, Adama, Rama, Hatsor, Kédesch, Édréï, En- 36, 37
Hatsor, Jireon, Migdal-El, Horem, Beth-Anath et Beth-Schémesch. Dix-neuf villes, et leurs villages. 38
Tel fut l'héritage de la tribu des fils de Nephthali, selon leurs familles, ces villes -là et leurs villages. 39
La septième part échut par le sort à la tribu des fils de Dan, selon leurs familles. La limite de leur 40, 41
héritage comprenait Tsorea, Eschthaol, Ir-Schémesch, Schaalabbin, Ajalon, Jithla, Élon, Thimnatha, 42, 43
Ékron, Eltheké, Guibbethon, Baalath, Jehud, Bené-Berak, Gath-Rimmon, Mé-Jarkon et Rakkon, 44, 45, 46
avec le territoire vis-à-vis de Japho. Le territoire des fils de Dan s'étendait hors de chez eux. Les fils 47
de Dan montèrent et combattirent contre Léschem ; ils s'en emparèrent et la frappèrent du tranchant
de l'épée ; ils en prirent possession, s'y établirent, et l 'appelèrent Dan, du nom de Dan, leur père. Tel 48
fut l'héritage de la tribu des fils de Dan, selon leurs familles, ces villes -là et leurs villages. Lorsqu'ils 49
eurent achevé de faire le partage du pays, d'après ses limites, les enfants d'Israël donnèrent à Josué,
fils de Nun, une possession au milieu d'eux. Selon l'ordre de l'Éternel, ils lui donnèrent la ville qu'il 50
demanda, Thimnath-Sérach, dans la montagne d'Éphraïm. Il rebâtit la ville, et y fit sa demeure. Tels 51
sont les héritages que le sacrificateur Éléazar, Josué, fils de Nun, et les chefs de famille des tribus des
enfants d'Israël, distribuèrent par le sort devant l'Éternel à Silo, à l'entrée de la tente d'assignation. Ils
achevèrent ainsi le partage du pays.

L'Éternel parla à Josué, et dit : Parle aux enfants d'Israël, et dis : Établissez -vous, comme je vous **20**, 2
l'ai ordonné par Moïse, des villes de refuge, où pourra s'enfuir le meurtrier qui aura tué quelqu'un in- 3
volontairement, sans intention ; elles vous serviront de refuge contre le vengeur du sang. Le meurtrier 4
s'enfuira vers l'une de ces villes, s'arrêtera à l'entrée de la porte de la ville, et exposera son cas aux
anciens de cette ville ; ils le recueilleront auprès d'eux dans la ville, et lui donneront une demeure, afin
qu'il habite avec eux. Si le vengeur du sang le poursuit, ils ne livreront point le meurtrier entre ses 5
mains ; car c'est sans le vouloir qu'il a tué son prochain, et sans avoir été auparavant son ennemi. Il 6
restera dans cette ville jusqu'à ce qu'il ait comparu devant l'assemblée pour être jugé, jusqu'à la mort
du souverain sacrificateur alors en fonctions. À cette époque, le meurtrier s'en retournera et rentrera
dans sa ville et dans sa maison, dans la ville d'où il s'était enfui. Ils consacrèrent Kédesch, en Gali- 7
lée, dans la montagne de Nephthali ; Sichem, dans la montagne d'Éphraïm ; et Kirjath-Arba, qui est
Hébron, dans la montagne de Juda. Et de l'autre côté du Jourdain, à l'orient de Jéricho, ils choisirent 8
Betser, dans le désert, dans la plaine, dans la tribu de Ruben ; Ramoth, en Galaad, dans la tribu de
Gad ; et Golan, en Basan, dans la tribu de Manassé. Telles furent les villes désignées pour tous les 9
enfants d'Israël et pour l'étranger en séjour au milieu d'eux, afin que celui qui aurait tué quelqu'un
involontairement pût s'y réfugier, et qu'il ne mourût pas de la main du vengeur du sang avant d'avoir

comparu devant l'assemblée.

21 Les chefs de famille des Lévites s'approchèrent du sacrificateur Éléazar, de Josué, fils de Nun, et
2 des chefs de famille des tribus des enfants d'Israël. Ils leur parlèrent à Silo, dans le pays de Canaan,
et dirent : L'Éternel a ordonné par Moïse qu'on nous donnât des villes pour habitation, et leurs ban-
3 lieues pour notre bétail. Les enfants d'Israël donnèrent alors aux Lévites, sur leur héritage, les villes
4 suivantes et leurs banlieues, d'après l'ordre de l'Éternel. On tira le sort pour les familles des Keha-
thites ; et les Lévites, fils du sacrificateur Aaron, eurent par le sort treize villes de la tribu de Juda, de
5 la tribu de Siméon et de la tribu de Benjamin ; les autres fils de Kehath eurent par le sort dix villes
6 des familles de la tribu d'Éphraïm, de la tribu de Dan et de la demi -tribu de Manassé. Les fils de
Guerschon eurent par le sort treize villes des familles de la tribu d'Issacar, de la tribu d'Aser, de la tribu
7 de Nephthali et de la demi -tribu de Manassé en Basan. Les fils de Merari, selon leurs familles, eurent
8 douze villes de la tribu de Ruben, de la tribu de Gad et de la tribu de Zabulon. Les enfants d'Israël
donnèrent aux Lévites, par le sort, ces villes et leurs banlieues, comme l'Éternel l'avait ordonné par
9 Moïse. Ils donnèrent de la tribu des fils de Juda et de la tribu des fils de Siméon les villes qui vont
10 être nominativement désignées, et qui furent pour les fils d'Aaron d'entre les familles des Kehathites
11 et des fils de Lévi, car le sort les avait indiqués les premiers. Ils leur donnèrent Kirjath -Arba, qui est
12 Hébron, dans la montagne de Juda, et la banlieue qui l'entoure : Arba était le père d'Anak. Le territoire
13 de la ville et ses villages furent accordés à Caleb, fils de Jephunné, pour sa possession. Ils donnèrent
donc aux fils du sacrificateur Aaron la ville de refuge pour les meurtriers, Hébron et sa banlieue, Libna
14, 15 et sa banlieue, Jatthir et sa banlieue, Eschthemoa et sa banlieue, Holon et sa banlieue, Debir et sa
16 banlieue, Aïn et sa banlieue, Jutta et sa banlieue, et Beth-Schémesch et sa banlieue, neuf villes de
17, 18 ces deux tribus ; et de la tribu de Benjamin, Gabaon et sa banlieue, Guéba et sa banlieue, Anathoth
19 et sa banlieue, et Almon et sa banlieue, quatre villes. Total des villes des sacrificateurs, fils d'Aaron :
20 treize villes, et leurs banlieues. Les Lévites appartenant aux familles des autres fils de Kehath eurent
21 par le sort des villes de la tribu d'Éphraïm. On leur donna la ville de refuge pour les meurtriers, Si-
22 chem et sa banlieue, dans la montagne d'Éphraïm, Guézer et sa banlieue, Kibtsaïm et sa banlieue, et
23 Beth-Horon et sa banlieue, quatre villes ; de la tribu de Dan, Eltheké et sa banlieue, Guibbethon et sa
24, 25 banlieue, Ajalon et sa banlieue, et Gath-Rimmon et sa banlieue, quatre villes ; et de la demi -tribu de
26 Manassé, Thaanac et sa banlieue, et Gath-Rimmon et sa banlieue, deux villes. Total des villes : dix, et
27 leurs banlieues, pour les familles des autres fils de Kehath. On donna aux fils de Guerschon, d'entre
les familles des Lévites : de la demi -tribu de Manassé, la ville de refuge pour les meurtriers, Golan en
28 Basan et sa banlieue, et Beeschthra et sa banlieue, deux villes ; de la tribu d'Issacar, Kischjon et sa
29 banlieue, Dabrath et sa banlieue, Jarmuth et sa banlieue, et En-Gannim et sa banlieue, quatre villes ;
30, 31 de la tribu d'Aser, Mischeal et sa banlieue, Abdon et sa banlieue, Helkath et sa banlieue, et Rehob et
32 sa banlieue, quatre villes ; et de la tribu de Nephthali, la ville de refuge pour les meurtriers, Kédesch
33 en Galilée et sa banlieue, Hammoth-Dor et sa banlieue, et Karthan et sa banlieue, trois villes. Total
34 des villes des Guerschonites, selon leurs familles : treize villes et leurs banlieues. On donna au reste
des Lévites, qui appartenaient aux familles des fils de Merari : de la tribu de Zabulon, Jokneam et sa
35, 36 banlieue, Kartha et sa banlieue, Dimna et sa banlieue, et Nahalal et sa banlieue, quatre villes ; de la
37 tribu de Ruben, Betser et sa banlieue, Jahtsa et sa banlieue, Kedémoth et sa banlieue, et Méphaath et
38 sa banlieue, quatre villes ; et de la tribu de Gad, la ville de refuge pour les meurtriers, Ramoth en Ga-
39 laad et sa banlieue, Mahanaïm et sa banlieue, Hesbon et sa banlieue, et Jaezer et sa banlieue, en tout
40 quatre villes. Total des villes qui échurent par le sort aux fils de Merari, selon leurs familles, formant
41 le reste des familles des Lévites : douze villes. Total des villes des Lévites au milieu des propriétés des
42 enfants d'Israël : quarante -huit villes, et leurs banlieues. Chacune de ces villes avait sa banlieue qui
43 l'entourait ; il en était de même pour toutes ces villes. C'est ainsi que l'Éternel donna à Israël tout le
44 pays qu'il avait juré de donner à leurs pères ; ils en prirent possession et s'y établirent. L'Éternel leur
accorda du repos tout alentour, comme il l'avait juré à leurs pères ; aucun de leurs ennemis ne put leur
45 résister, et l'Éternel les livra tous entre leurs mains. De toutes les bonnes paroles que l'Éternel avait
dites à la maison d'Israël, aucune ne resta sans effet : toutes s'accomplirent.

22, 2 Alors Josué appela les Rubénites, les Gadites et la demi -tribu de Manassé. Il leur dit : Vous avez
observé tout ce que vous a prescrit Moïse, serviteur de l'Éternel, et vous avez obéi à ma voix dans tout ce
3 que je vous ai ordonné. Vous n'avez point abandonné vos frères, depuis un long espace de temps jusqu'à
4 ce jour ; et vous avez gardé les ordres, les commandements de l'Éternel, votre Dieu. Maintenant que
l'Éternel, votre Dieu, a accordé du repos à vos frères, comme il le leur avait dit, retournez et allez vers
vos tentes, dans le pays qui vous appartient, et que Moïse, serviteur de l'Éternel, vous a donné de l'autre
5 côté du Jourdain. Ayez soin seulement d'observer et de mettre en pratique les ordonnances et les lois

que vous a prescrites Moïse, serviteur de l'Éternel : aimez l'Éternel, votre Dieu, marchez dans toutes
ses voies, gardez ses commandements, attachez -vous à lui, et servez -le de tout votre coeur et de toute
votre âme. Et Josué les bénit et les renvoya, et ils s'en allèrent vers leurs tentes. Moïse avait donné 6, 7
à une moitié de la tribu de Manassé un héritage en Basan, et Josué donna à l'autre moitié un héritage
auprès de ses frères en deçà du Jourdain, à l'occident. Lorsque Josué les renvoya vers leurs tentes, il
les bénit, et leur dit : Vous retournez à vos tentes avec de grandes richesses, avec des troupeaux fort 8
nombreux, et avec une quantité considérable d'argent, d'or, d'airain, de fer, et de vêtements. Partagez
avec vos frères le butin de vos ennemis. Les fils de Ruben, les fils de Gad, et la demi -tribu de Manassé, 9
s'en retournèrent, après avoir quitté les enfants d'Israël à Silo, dans le pays de Canaan, pour aller dans
le pays de Galaad, qui était leur propriété et où ils s'étaient établis comme l'Éternel l'avait ordonné
par Moïse. Quand ils furent arrivés aux districts du Jourdain qui appartiennent au pays de Canaan, 10
les fils de Ruben, les fils de Gad et la demi -tribu de Manassé, y bâtirent un autel sur le Jourdain, un
autel dont la grandeur frappait les regards. Les enfants d'Israël apprirent que l'on disait : Voici, les 11
fils de Ruben, les fils de Gad et la demi -tribu de Manassé, ont bâti un autel en face du pays de Canaan,
dans les districts du Jourdain, du côté des enfants d'Israël. Lorsque les enfants d'Israël eurent appris 12
cela, toute l'assemblée des enfants d'Israël se réunit à Silo, pour monter contre eux et leur faire la
guerre. Les enfants d'Israël envoyèrent auprès des fils de Ruben, des fils de Gad et de la demi -tribu de 13
Manassé, au pays de Galaad, Phinées, fils du sacrificateur Éléazar, et dix princes avec lui, un prince 14
par maison paternelle pour chacune des tribus d'Israël ; tous étaient chefs de maison paternelle parmi
les milliers d'Israël. Ils se rendirent auprès des fils de Ruben, des fils de Gad et de la demi -tribu de 15
Manassé, au pays de Galaad, et ils leur adressèrent la parole, en disant : Ainsi parle toute l'assemblée 16
de l'Éternel : Que signifie cette infidélité que vous avez commise envers le Dieu d'Israël, et pourquoi
vous détournez -vous maintenant de l'Éternel, en vous bâtissant un autel pour vous révolter aujourd'hui
contre l'Éternel ? Regardons-nous comme peu de chose le crime de Peor, dont nous n'avons pas jusqu'à 17
présent enlevé la tache de dessus nous, malgré la plaie qu'il attira sur l'assemblée de l'Éternel ? Et vous 18
vous détournez aujourd'hui de l'Éternel ! Si vous vous révoltez aujourd'hui contre l'Éternel, demain il
s'irritera contre toute l'assemblée d'Israël. Si vous tenez pour impur le pays qui est votre propriété, 19
passez dans le pays qui est la propriété de l'Éternel, où est fixée la demeure de l'Éternel, et établissez
-vous au milieu de nous ; mais ne vous révoltez pas contre l'Éternel et ne vous séparez pas de nous, en
vous bâtissant un autel, outre l'autel de l'Éternel, notre Dieu. Acan, fils de Zérach, ne commit -il pas 20
une infidélité au sujet des choses dévouées par interdit, et la colère de l'Éternel ne s'enflamma -t-elle pas
contre toute l'assemblée d'Israël ? Il ne fut pas le seul qui périt à cause de son crime. Les fils de Ruben, 21
les fils de Gad et la demi -tribu de Manassé, répondirent ainsi aux chefs des milliers d'Israël : Dieu, 22
Dieu, l'Éternel, Dieu, Dieu, l'Éternel le sait, et Israël le saura ! Si c'est par rébellion et par infidélité
envers l'Éternel, ne viens point à notre aide en ce jour ! Si nous nous sommes bâti un autel pour nous 23
détourner de l'Éternel, si c'est pour y présenter des holocaustes et des offrandes, et si c'est pour y faire
des sacrifices d'actions de grâces, que l'Éternel en demande compte ! C'est bien plutôt par une sorte 24
d'inquiétude que nous avons fait cela, en pensant que vos fils diraient un jour à nos fils : Qu'y a-t-il de
commun entre vous et l'Éternel, le Dieu d'Israël ? L'Éternel a mis le Jourdain pour limite entre nous et 25
vous, fils de Ruben et fils de Gad ; vous n'avez point de part à l'Éternel ! Et vos fils seraient ainsi cause
que nos fils cesseraient de craindre l'Éternel. C'est pourquoi nous avons dit : Bâtissons -nous donc un 26
autel, non pour des holocaustes et pour des sacrifices, mais comme un témoin entre nous et vous, entre 27
nos descendants et les vôtres, que nous voulons servir l'Éternel devant sa face par nos holocaustes et
par nos sacrifices d'expiation et d'actions de grâces, afin que vos fils ne disent pas un jour à nos fils : Vous
n'avez point de part à l'Éternel ! Nous avons dit : S'ils tiennent dans l'avenir ce langage à nous ou à nos 28
descendants, nous répondrons : Voyez la forme de l'autel de l'Éternel, qu'ont fait nos pères, non pour
des holocaustes et pour des sacrifices, mais comme témoin entre nous et vous. Loin de nous la pensée 29
de nous révolter contre l'Éternel et de nous détourner aujourd'hui de l'Éternel, en bâtissant un autel
pour des holocaustes, pour des offrandes et pour des sacrifices, outre l'autel de l'Éternel, notre Dieu, qui
est devant sa demeure ! Lorsque le sacrificateur Phinées, et les princes de l'assemblée, les chefs des 30
milliers d'Israël, qui étaient avec lui, eurent entendu les paroles que prononcèrent les fils de Ruben, les
fils de Gad et les fils de Manassé, ils furent satisfaits. Et Phinées, fils du sacrificateur Éléazar, dit aux 31
fils de Ruben, aux fils de Gad, et aux fils de Manassé : Nous reconnaissons maintenant que l'Éternel est
au milieu de nous, puisque vous n'avez point commis cette infidélité contre l'Éternel ; vous avez ainsi
délivré les enfants d'Israël de la main de l'Éternel. Phinées, fils du sacrificateur Éléazar, et les princes, 32
quittèrent les fils de Ruben et les fils de Gad, et revinrent du pays de Galaad dans le pays de Canaan,

33 auprès des enfants d'Israël, auxquels ils firent un rapport. Les enfants d'Israël furent satisfaits ; ils
bénirent Dieu, et ne parlèrent plus de monter en armes pour ravager le pays qu'habitaient les fils de
34 Ruben et les fils de Gad. Les fils de Ruben et les fils de Gad appelèrent l'autel Ed, car, dirent-ils, il est
témoin entre nous que l'Éternel est Dieu.

23 Depuis longtemps l'Éternel avait donné du repos à Israël, en le délivrant de tous les ennemis qui
2 l'entouraient. Josué était vieux, avancé en âge. Alors Josué convoqua tout Israël, ses anciens, ses
3 chefs, ses juges et ses officiers. Il leur dit : Je suis vieux, je suis avancé en âge. Vous avez vu tout ce
que l'Éternel, votre Dieu, a fait à toutes ces nations devant vous ; car c'est l'Éternel, votre Dieu, qui
4 a combattu pour vous. Voyez, je vous ai donné en héritage par le sort, selon vos tribus, ces nations
qui sont restées, à partir du Jourdain, et toutes les nations que j'ai exterminées, jusqu'à la grande
5 mer vers le soleil couchant. L'Éternel, votre Dieu, les repoussera devant vous et les chassera devant
6 vous ; et vous posséderez leur pays, comme l'Éternel, votre Dieu, vous l'a dit. Appliquez-vous avec force
à observer et à mettre en pratique tout ce qui est écrit dans le livre de la loi de Moïse, sans vous en
7 détourner ni à droite ni à gauche. Ne vous mêlez point avec ces nations qui sont restées parmi vous ; ne
prononcez point le nom de leurs dieux, et ne l'employez point en jurant ; ne les servez point, et ne vous
8 prosternez point devant eux. Mais attachez -vous à l'Éternel, votre Dieu, comme vous l'avez fait jusqu'à
9 ce jour. L'Éternel a chassé devant vous des nations grandes et puissantes ; et personne, jusqu'à ce jour,
10 n'a pu vous résister. Un seul d'entre vous en poursuivait mille ; car l'Éternel, votre Dieu, combattait
11 pour vous, comme il vous l'a dit. Veillez donc attentivement sur vos âmes, afin d'aimer l'Éternel, votre
12 Dieu. Si vous vous détournez et que vous vous attachiez au reste de ces nations qui sont demeurées
parmi vous, si vous vous unissez avec elles par des mariages, et si vous formez ensemble des relations,
13 soyez certains que l'Éternel, votre Dieu, ne continuera pas à chasser ces nations devant vous ; mais
elles seront pour vous un filet et un piège, un fouet dans vos côtés et des épines dans vos yeux, jusqu'à
14 ce que vous ayez péri de dessus ce bon pays que l'Éternel, votre Dieu, vous a donné. Voici, je m'en
vais maintenant par le chemin de toute la terre. Reconnaissez de tout votre coeur et de toute votre âme
qu'aucune de toutes les bonnes paroles prononcées sur vous par l'Éternel, votre Dieu, n'est restée sans
15 effet ; toutes se sont accomplies pour vous, aucune n'est restée sans effet. Et comme toutes les bonnes
paroles que l'Éternel, votre Dieu, vous avait dites se sont accomplies pour vous, de même l'Éternel
accomplira sur vous toutes les paroles mauvaises, jusqu'à ce qu'il vous ait détruits de dessus ce bon
16 pays que l'Éternel, votre Dieu, vous a donné. Si vous transgressez l'alliance que l'Éternel, votre Dieu,
vous a prescrite, et si vous allez servir d'autres dieux et vous prosterner devant eux, la colère de l'Éternel
s'enflammera contre vous, et vous périrez promptement dans le bon pays qu'il vous a donné.

24 Josué assembla toutes les tribus d'Israël à Sichem, et il convoqua les anciens d'Israël, ses chefs, ses
2 juges et ses officiers. Et ils se présentèrent devant Dieu. Josué dit à tout le peuple : Ainsi parle l'Éter-
nel, le Dieu d'Israël : Vos pères, Térach, père d'Abraham et père de Nachor, habitaient anciennement
3 de l'autre côté du fleuve, et ils servaient d'autres dieux. Je pris votre père Abraham de l'autre côté du
fleuve, et je lui fis parcourir tout le pays de Canaan ; je multipliai sa postérité, et je lui donnai Isaac.
4 Je donnai à Isaac Jacob et Ésaü, et je donnai en propriété à Ésaü la montagne de Séir, mais Jacob et
5 ses fils descendirent en Égypte. J'envoyai Moïse et Aaron, et je frappai l'Égypte par les prodiges que
6 j'opérai au milieu d'elle ; puis je vous en fis sortir. Je fis sortir vos pères de l'Égypte, et vous arrivâtes
à la mer. Les Égyptiens poursuivirent vos pères jusqu'à la mer Rouge, avec des chars et des cavaliers.
7 Vos pères crièrent à l'Éternel. Et l'Éternel mit des ténèbres entre vous et les Égyptiens, il ramena sur
eux la mer, et elle les couvrit. Vos yeux ont vu ce que j'ai fait aux Égyptiens. Et vous restâtes long-
8 temps dans le désert. Je vous conduisis dans le pays des Amoréens, qui habitaient de l'autre côté du
Jourdain, et ils combattirent contre vous. Je les livrai entre vos mains ; vous prîtes possession de leur
9 pays, et je les détruisis devant vous. Balak, fils de Tsippor, roi de Moab, se leva et combattit Israël.
10 Il fit appeler Balaam, fils de Beor, pour qu'il vous maudît. Mais je ne voulus point écouter Balaam ; il
11 vous bénit, et je vous délivrai de la main de Balak. Vous passâtes le Jourdain, et vous arrivâtes à Jé-
richo. Les habitants de Jéricho combattirent contre vous, les Amoréens, les Phéréziens, les Cananéens,
12 les Héthiens, les Guirgasiens, les Héviens et les Jébusiens. Je les livrai entre vos mains, et j'envoyai
devant vous les frelons, qui les chassèrent loin de votre face, comme les deux rois des Amoréens : ce ne
13 fut ni par ton épée, ni par ton arc. Je vous donnai un pays que vous n'aviez point cultivé, des villes
que vous n'aviez point bâties et que vous habitez, des vignes et des oliviers que vous n'aviez point plan-
14 tés et qui vous servent de nourriture. Maintenant, craignez l'Éternel, et servez -le avec intégrité et
fidélité. Faites disparaître les dieux qu'ont servis vos pères de l'autre côté du fleuve et en Égypte, et ser-
15 vez l'Éternel. Et si vous ne trouvez pas bon de servir l'Éternel, choisissez aujourd'hui qui vous voulez

servir, ou les dieux que servaient vos pères au delà du fleuve, ou les dieux des Amoréens dans le pays
desquels vous habitez. Moi et ma maison, nous servirons l'Éternel. Le peuple répondit, et dit : Loin de 16
nous la pensée d'abandonner l'Éternel, et de servir d'autres dieux ! Car l'Éternel est notre Dieu ; c'est 17
lui qui nous a fait sortir du pays d'Égypte, de la maison de servitude, nous et nos pères ; c'est lui qui a
opéré sous nos yeux ces grands prodiges, et qui nous a gardés pendant toute la route que nous avons
suivie et parmi tous les peuples au milieu desquels nous avons passé. Il a chassé devant nous tous les 18
peuples, et les Amoréens qui habitaient ce pays. Nous aussi, nous servirons l'Éternel, car il est notre
Dieu. Josué dit au peuple : Vous n'aurez pas la force de servir l'Éternel, car c'est un Dieu saint, c'est 19
un Dieu jaloux ; il ne pardonnera point vos transgressions et vos péchés. Lorsque vous abandonnerez 20
l'Éternel et que vous servirez des dieux étrangers, il reviendra vous faire du mal, et il vous consumera
après vous avoir fait du bien. Le peuple dit à Josué : Non ! car nous servirons l'Éternel. Josué dit au 21, 22
peuple : Vous êtes témoins contre vous-mêmes que c'est vous qui avez choisi l'Éternel pour le servir. Ils
répondirent : Nous en sommes témoins. Otez donc les dieux étrangers qui sont au milieu de vous, et 23
tournez votre coeur vers l'Éternel, le Dieu d'Israël. Et le peuple dit à Josué : Nous servirons l'Éternel, 24
notre Dieu, et nous obéirons à sa voix. Josué fit en ce jour une alliance avec le peuple, et lui donna des 25
lois et des ordonnances, à Sichem. Josué écrivit ces choses dans le livre de la loi de Dieu. Il prit une 26
grande pierre, qu'il dressa là sous le chêne qui était dans le lieu consacré à l'Éternel. Et Josué dit à 27
tout le peuple : Voici, cette pierre servira de témoin contre nous, car elle a entendu toutes les paroles
que l'Éternel nous a dites ; elle servira de témoin contre vous, afin que vous ne soyez pas infidèles à
votre Dieu. Puis Josué renvoya le peuple, chacun dans son héritage. Après ces choses, Josué, fils de 28, 29
Nun, serviteur de l'Éternel, mourut, âgé de cent dix ans. On l'ensevelit dans le territoire qu'il avait 30
eu en partage, à Thimnath-Sérach, dans la montagne d'Éphraïm, au nord de la montagne de Gaasch.
Israël servit l'Éternel pendant toute la vie de Josué, et pendant toute la vie des anciens qui survécurent 31
à Josué et qui connaissaient tout ce que l'Éternel avait fait en faveur d'Israël. Les os de Joseph, que 32
les enfants d'Israël avaient rapportés d'Égypte, furent enterrés à Sichem, dans la portion du champ que
Jacob avait achetée des fils de Hamor, père de Sichem, pour cent kesita, et qui appartint à l'héritage des
fils de Joseph. Éléazar, fils d'Aaron, mourut, et on l'enterra à Guibeath -Phinées, qui avait été donnée 33
à son fils Phinées, dans la montagne d'Éphraïm.

JUGES

1 Après la mort de Josué, les enfants d'Israël consultèrent l'Éternel, en disant : Qui de nous montera le premier contre les Cananéens, pour les attaquer ? L'Éternel répondit : Juda montera,
3 voici, j'ai livré le pays entre ses mains. Et Juda dit à Siméon, son frère : Monte avec moi dans le pays qui m'est échu par le sort, et nous combattrons les Cananéens ; j'irai aussi avec toi
4 dans celui qui t'est tombé en partage. Et Siméon alla avec lui. Juda monta, et l'Éternel livra entre
5 leurs mains les Cananéens et les Phéréziens ; ils battirent dix mille hommes à Bézek. Ils trouvèrent
6 Adoni-Bézek à Bézek ; ils l'attaquèrent, et ils battirent les Cananéens et les Phéréziens. Adoni-Bézek prit la fuite ; mais ils le poursuivirent et le saisirent, et ils lui coupèrent les pouces des mains et des
7 pieds. Adoni-Bézek dit : Soixante-dix rois, ayant les pouces des mains et des pieds coupés, ramassaient
8 sous ma table ; Dieu me rend ce que j'ai fait. On l'emmena à Jérusalem, et il y mourut. Les fils de Juda attaquèrent Jérusalem et la prirent, ils la frappèrent du tranchant de l'épée et mirent le feu à la
9 ville. Les fils de Juda descendirent ensuite, pour combattre les Cananéens qui habitaient la montagne,
10 la contrée du midi et la plaine. Juda marcha contre les Cananéens qui habitaient à Hébron, appelée
11 autrefois Kirjath-Arba ; et il battit Schéschaï, Ahiman et Talmaï. De là il marcha contre les habitants
12 de Debir : Debir s'appelait autrefois Kirjath-Sépher. Caleb dit : Je donnerai ma fille Acsa pour femme
13 à celui qui battra Kirjath-Sépher et qui la prendra. Othniel, fils de Kenaz, frère cadet de Caleb, s'en
14 empara ; et Caleb lui donna pour femme sa fille Acsa. Lorsqu'elle fut entrée chez Othniel, elle le sollicita de demander à son père un champ. Elle descendit de dessus son âne ; et Caleb lui dit : Qu'as-tu ?
15 Elle lui répondit : Fais -moi un présent, car tu m'as donné une terre du midi ; donne -moi aussi des
16 sources d'eau. Et Caleb lui donna les sources supérieures et les sources inférieures. Les fils du Kénien, beau-père de Moïse, montèrent de la ville des palmiers, avec les fils de Juda, dans le désert de Juda au
17 midi d'Arad, et ils allèrent s'établir parmi le peuple. Juda se mit en marche avec Siméon, son frère, et ils battirent les Cananéens qui habitaient à Tsephath ; ils dévouèrent la ville par interdit, et on l'appela
18 Horma. Juda s'empara encore de Gaza et de son territoire, d'Askalon et de son territoire, et d'Ékron et
19 de son territoire. L'Éternel fut avec Juda ; et Juda se rendit maître de la montagne, mais il ne put chas-
20 ser les habitants de la plaine, parce qu'ils avaient des chars de fer. On donna Hébron à Caleb, comme
21 l'avait dit Moïse ; et il en chassa les trois fils d'Anak. Les fils de Benjamin ne chassèrent point les Jébusiens qui habitaient à Jérusalem ; et les Jébusiens ont habité jusqu'à ce jour dans Jérusalem avec les
22, 23 fils de Benjamin. La maison de Joseph monta aussi contre Béthel, et l'Éternel fut avec eux. La maison
24 de Joseph fit explorer Béthel, qui s'appelait autrefois Luz. Les gardes virent un homme qui sortait de la ville, et ils lui dirent : Montre -nous par où nous pourrons entrer dans la ville, et nous te ferons grâce.
25 Il leur montra par où ils pourraient entrer dans la ville. Et ils frappèrent la ville du tranchant de l'épée ;
26 mais ils laissèrent aller cet homme et toute sa famille. Cet homme se rendit dans le pays des Héthiens ;
27 il bâtit une ville, et lui donna le nom de Luz, nom qu'elle a porté jusqu'à ce jour. Manassé ne chassa point les habitants de Beth-Schean et des villes de son ressort, de Thaanac et des villes de son ressort, de Dor et des villes de son ressort, de Jibleam et des villes de son ressort, de Meguiddo et des villes de
28 son ressort ; et les Cananéens voulurent rester dans ce pays. Lorsqu'Israël fut assez fort, il assujettit
29 les Cananéens à un tribut, mais il ne les chassa point. Éphraïm ne chassa point les Cananéens qui ha-
30 bitaient à Guézer, et les Cananéens habitèrent au milieu d'Éphraïm à Guézer. Zabulon ne chassa point les habitants de Kitron, ni les habitants de Nahalol ; et les Cananéens habitèrent au milieu de Zabulon,
31 mais ils furent assujettis à un tribut. Aser ne chassa point les habitants d'Acco, ni les habitants de Si-
32 don, ni ceux d'Achlal, d'Aczib, de Helba, d'Aphik et de Rehob ; et les Asérites habitèrent au milieu des
33 Cananéens, habitants du pays, car ils ne les chassèrent point. Nephthali ne chassa point les habitants de Beth-Schémesch, ni les habitants de Beth-Anath, et il habita au milieu des Cananéens, habitants du
34 pays, mais les habitants de Beth-Schémesch et de Beth-Anath furent assujettis à un tribut. Les Amoréens repoussèrent dans la montagne les fils de Dan, et ne les laissèrent pas descendre dans la plaine.
35 Les Amoréens voulurent rester à Har- Hérès, à Ajalon et à Schaalbim ; mais la main de la maison de
36 Joseph s'appesantit sur eux, et ils furent assujettis à un tribut. Le territoire des Amoréens s'étendait depuis la montée d'Akrabbim, depuis Séla, et en dessus.

2 Un envoyé de l'Éternel monta de Guilgal à Bokim, et dit : Je vous ai fait monter hors d'Égypte, et je vous ai amenés dans le pays que j'ai juré à vos pères de vous donner. J'ai dit : Jamais je ne romprai
2 mon alliance avec vous ; et vous, vous ne traiterez point alliance avec les habitants de ce pays, vous
3 renverserez leurs autels. Mais vous n'avez point obéi à ma voix. Pourquoi avez-vous fait cela ? J'ai dit alors : Je ne les chasserai point devant vous ; mais ils seront à vos côtés, et leurs dieux vous seront un
4 piège. Lorsque l'envoyé de l'Éternel eut dit ces paroles à tous les enfants d'Israël, le peuple éleva la voix

et pleura. Ils donnèrent à ce lieu le nom de Bokim, et ils y offrirent des sacrifices à l'Éternel. 5, 6
Josué renvoya le peuple, et les enfants d'Israël allèrent chacun dans son héritage pour prendre possession du pays. Le peuple servit l'Éternel pendant toute la vie de Josué, et pendant toute la vie des anciens 7
qui survécurent à Josué et qui avaient vu toutes les grandes choses que l'Éternel avait faites en faveur d'Israël. Josué, fils de Nun, serviteur de l'Éternel, mourut âgé de cent dix ans. On l'ensevelit dans 8, 9
le territoire qu'il avait eu en partage, à Thimnath-Hérès, dans la montagne d'Éphraïm, au nord de la montagne de Gaasch. Toute cette génération fut recueillie auprès de ses pères, et il s'éleva après elle 10
une autre génération, qui ne connaissait point l'Éternel, ni ce qu'il avait fait en faveur d'Israël. Les 11
enfants d'Israël firent alors ce qui déplaît à l'Éternel, et ils servirent les Baals. Ils abandonnèrent 12
l'Éternel, le Dieu de leurs pères, qui les avait fait sortir du pays d'Égypte, et ils allèrent après d'autres dieux d'entre les dieux des peuples qui les entouraient ; ils se prosternèrent devant eux, et ils irritèrent l'Éternel. Ils abandonnèrent l'Éternel, et ils servirent Baal et les Astartés. La colère de l'Éternel 13, 14
s'enflamma contre Israël. Il les livra entre les mains de pillards qui les pillèrent, il les vendit entre les mains de leurs ennemis d'alentour, et ils ne purent plus résister à leurs ennemis. Partout où ils 15
allaient, la main de l'Éternel était contre eux pour leur faire du mal, comme l'Éternel l'avait dit, comme l'Éternel le leur avait juré. Ils furent ainsi dans une grande détresse. L'Éternel suscita des juges, afin 16
qu'ils les délivrassent de la main de ceux qui les pillaient. Mais ils n'écoutèrent pas même leurs juges, 17
car ils se prostituèrent à d'autres dieux, se prosternèrent devant eux. Ils se détournèrent promptement de la voie qu'avaient suivie leurs pères, et ils n'obéirent point comme eux aux commandements de l'Éternel. Lorsque l'Éternel leur suscitait des juges, l'Éternel était avec le juge, et il les délivrait de 18
la main de leurs ennemis pendant toute la vie du juge ; car l'Éternel avait pitié de leurs gémissements contre ceux qui les opprimaient et les tourmentaient. Mais, à la mort du juge, ils se corrompaient 19
de nouveau plus que leurs pères, en allant après d'autres dieux pour les servir et se prosterner devant eux, et ils persévéraient dans la même conduite et le même endurcissement. Alors la colère de l'Éternel 20
s'enflamma contre Israël, et il dit : Puisque cette nation a transgressé mon alliance que j'avais prescrite à ses pères, et puisqu'ils n'ont point obéi à ma voix, 21
je ne chasserai plus devant eux aucune des nations que Josué laissa quand il mourut. C'est ainsi que je mettrai par elles Israël à l'épreuve, pour savoir s'ils 22
prendront garde ou non de suivre la voie de l'Éternel, comme leurs pères y ont pris garde. Et l'Éternel 23
laissa en repos ces nations qu'il n'avait pas livrées entre les mains de Josué, et il ne se hâta point de les chasser.

Voici les nations que l'Éternel laissa pour éprouver par elles Israël, tous ceux qui n'avaient pas connu **3**
toutes les guerres de Canaan. Il voulait seulement que les générations des enfants d'Israël connussent 2
et apprissent la guerre, ceux qui ne l'avaient pas connue auparavant. Ces nations étaient : les cinq 3
princes des Philistins, tous les Cananéens, les Sidoniens, et les Héviens qui habitaient la montagne du Liban, depuis la montagne de Baal-Hermon jusqu'à l'entrée de Hamath. Ces nations servirent à 4
mettre Israël à l'épreuve, afin que l'Éternel sût s'ils obéiraient aux commandements qu'il avait prescrits à leurs pères par Moïse. Et les enfants d'Israël habitèrent au milieu des Cananéens, des Héthiens, 5
des Amoréens, des Phéréziens, des Héviens et des Jébusiens ; ils prirent leurs filles pour femmes, ils 6
donnèrent à leurs fils leurs propres filles, et ils servirent leurs dieux. Les enfants d'Israël firent ce qui 7
déplaît à l'Éternel, ils oublièrent l'Éternel, et ils servirent les Baals et les idoles. La colère de l'Éternel 8
s'enflamma contre Israël, et il les vendit entre les mains de Cuschan-Rischeathaïm, roi de Mésopotamie. Et les enfants d'Israël furent asservis huit ans à Cuschan-Rischeathaïm. Les enfants d'Israël crièrent 9
à l'Éternel, et l'Éternel leur suscita un libérateur qui les délivra, Othniel, fils de Kenaz, frère cadet de Caleb. L'esprit de l'Éternel fut sur lui. Il devint juge en Israël, et il partit pour la guerre. L'Éternel livra 10
entre ses mains Cuschan-Rischeathaïm, roi de Mésopotamie, et sa main fut puissante contre Cuschan-Rischeathaïm. Le pays fut en repos pendant quarante ans. Et Othniel, fils de Kenaz, mourut. Les 11, 12
enfants d'Israël firent encore ce qui déplaît à l'Éternel ; et l'Éternel fortifia Églon, roi de Moab, contre Israël, parce qu'ils avaient fait ce qui déplaît à l'Éternel. Églon réunit à lui les fils d'Ammon et les 13
Amalécites, et il se mit en marche. Il battit Israël, et ils s'emparèrent de la ville des palmiers. Et 14
les enfants d'Israël furent asservis dix-huit ans à Églon, roi de Moab. Les enfants d'Israël crièrent à 15
l'Éternel, et l'Éternel leur suscita un libérateur, Éhud, fils de Guéra, Benjamite, qui ne se servait pas de la main droite. Les enfants d'Israël envoyèrent par lui un présent à Églon, roi de Moab. Éhud se fit 16
une épée à deux tranchants, longue d'une coudée, et il la ceignit sous ses vêtements, au côté droit. Il 17
offrit le présent à Églon, roi de Moab : or Églon était un homme très gras. Lorsqu'il eut achevé d'offrir 18
le présent, il renvoya les gens qui l 'avaient apporté. Il revint lui-même depuis les carrières près de 19
Guilgal, et il dit : O roi ! j'ai quelque chose de secret à te dire. Le roi dit : Silence ! Et tous ceux qui

étaient auprès de lui sortirent. Éhud l'aborda comme il était assis seul dans sa chambre d'été, et il dit : J'ai une parole de Dieu pour toi. Églon se leva de son siège. Alors Éhud avança la main gauche, tira l'épée de son côté droit, et la lui enfonça dans le ventre. La poignée même entra après la lame, et la graisse se referma autour de la lame ; car il ne retira pas du ventre l'épée, qui sortit par derrière. Éhud sortit par le portique, ferma sur lui les portes de la chambre haute, et tira le verrou. Quand il fut sorti, les serviteurs du roi vinrent et regardèrent ; et voici, les portes de la chambre haute étaient fermées au verrou. Ils dirent : Sans doute il se couvre les pieds dans la chambre d'été. Ils attendirent longtemps ; et comme il n'ouvrait pas les portes de la chambre haute, ils prirent la clé et ouvrirent, et voici, leur maître était mort, étendu par terre. Pendant leurs délais, Éhud prit la fuite, dépassa les carrières, et se sauva à Seïra. Dès qu'il fut arrivé, il sonna de la trompette dans la montagne d'Éphraïm. Les enfants d'Israël descendirent avec lui de la montagne, et il se mit à leur tête. Il leur dit : Suivez -moi, car l'Éternel a livré entre vos mains les Moabites, vos ennemis. Ils descendirent après lui, s'emparèrent des gués du Jourdain vis-à-vis de Moab, et ne laissèrent passer personne. Ils battirent dans ce temps -là environ dix mille hommes de Moab, tous robustes, tous vaillants, et pas un n'échappa. En ce jour, Moab fut humilié sous la main d'Israël. Et le pays fut en repos pendant quatre-vingts ans. Après lui, il y eut Schamgar, fils d'Anath. Il battit six cents hommes des Philistins avec un aiguillon à boeufs. Et lui aussi fut un libérateur d'Israël.

4, 2 Les enfants d'Israël firent encore ce qui déplaît à l'Éternel, après qu'Éhud fut mort. Et l'Éternel les vendit entre les mains de Jabin, roi de Canaan, qui régnait à Hatsor. Le chef de son armée était Sisera, et habitait à Haroscheth -Goïm. Les enfants d'Israël crièrent à l'Éternel, car Jabin avait neuf cents chars de fer, et il opprimait avec violence les enfants d'Israël depuis vingt ans. Dans ce temps -là, Débora, prophétesse, femme de Lappidoth, était juge en Israël. Elle siégeait sous le palmier de Débora, entre Rama et Béthel, dans la montagne d'Éphraïm ; et les enfants d'Israël montaient vers elle pour être jugés. Elle envoya appeler Barak, fils d'Abinoam, de Kédesch-Nephthali, et elle lui dit : N'est-ce pas l'ordre qu'a donné l'Éternel, le Dieu d'Israël ? Va, dirige -toi sur le mont Thabor, et prends avec toi dix mille hommes des enfants de Nephthali et des enfants de Zabulon ; j'attirerai vers toi, au torrent de Kison, Sisera, chef de l'armée de Jabin, avec ses chars et ses troupes, et je le livrerai entre tes mains. Barak lui dit : Si tu viens avec moi, j'irai ; mais si tu ne viens pas avec moi, je n'irai pas. Elle répondit : J'irai bien avec toi ; mais tu n'auras point de gloire sur la voie où tu marches, car l'Éternel livrera Sisera entre les mains d'une femme. Et Débora se leva, et elle se rendit avec Barak à Kédesch. Barak convoqua Zabulon et Nephthali à Kédesch ; dix mille hommes marchèrent à sa suite, et Débora partit avec lui. Héber, le Kénien, s'était séparé des Kéniens, des fils de Hobab, beau-père de Moïse, et il avait dressé sa tente jusqu'au chêne de Tsaannaïm, près de Kédesch. On informa Sisera que Barak, fils d'Abinoam, s'était dirigé sur le mont Thabor. Et, depuis Haroscheth -Goïm, Sisera rassembla vers le torrent de Kison tous ses chars, neuf cents chars de fer, et tout le peuple qui était avec lui. Alors Débora dit à Barak : Lève -toi, car voici le jour où l'Éternel livre Sisera entre tes mains. L'Éternel ne marche -t-il pas devant toi ? Et Barak descendit du mont Thabor, ayant dix mille hommes à sa suite. L'Éternel mit en déroute devant Barak, par le tranchant de l'épée, Sisera, tous ses chars et tout le camp. Sisera descendit de son char, et s'enfuit à pied. Barak poursuivit les chars et l'armée jusqu'à Haroscheth -Goïm ; et toute l'armée de Sisera tomba sous le tranchant de l'épée, sans qu'il en restât un seul homme. Sisera se réfugia à pied dans la tente de Jaël, femme de Héber, le Kénien ; car il y avait paix entre Jabin, roi de Hatsor, et la maison de Héber, le Kénien. Jaël sortit au-devant de Sisera, et lui dit : Entre, mon seigneur, entre chez moi, ne crains point. Il entra chez elle dans la tente, et elle le cacha sous une couverture. Il lui dit : Donne-moi, je te prie, un peu d'eau à boire, car j'ai soif. Elle ouvrit l'outre du lait, lui donna à boire, et le couvrit. Il lui dit encore : Tiens -toi à l'entrée de la tente, et si l'on vient t'interroger en disant : Y a-t-il ici quelqu'un ? tu répondras : Non. Jaël, femme de Héber, saisit un pieu de la tente, prit en main le marteau, s'approcha de lui doucement, et lui enfonça dans la tempe le pieu, qui pénétra en terre. Il était profondément endormi et accablé de fatigue ; et il mourut. Comme Barak poursuivait Sisera, Jaël sortit à sa rencontre et lui dit : Viens, et je te montrerai l'homme que tu cherches. Il entra chez elle, et voici, Sisera était étendu mort, le pieu dans la tempe. En ce jour, Dieu humilia Jabin, roi de Canaan, devant les enfants d'Israël. Et la main des enfants d'Israël s'appesantit de plus en plus sur Jabin, roi de Canaan, jusqu'à ce qu'ils eussent exterminé Jabin, roi de Canaan.

5, 2 En ce jour -là, Débora chanta ce cantique, avec Barak, fils d'Abinoam : Des chefs se sont mis à la tête du peuple en Israël, Et le peuple s'est montré prêt à combattre : Bénissez -en l'Éternel ! Rois, écoutez ! Princes, prêtez l'oreille ! Je chanterai, oui, je chanterai à l'Éternel, Je chanterai à l'Éternel, le Dieu d'Israël. O Éternel ! quand tu sortis de Séir, Quand tu t'avanças des champs d'Édom, La terre trembla, et les cieux se fondirent Et les nuées se fondirent en eaux ; Les montagnes s'ébranlèrent

devant l'Éternel, Ce Sinaï devant l'Éternel, le Dieu d'Israël. Au temps de Schamgar, fils d'Anath, 6
Au temps de Jaël, les routes étaient abandonnées, Et ceux qui voyageaient prenaient des chemins
détournés. Les chefs étaient sans force en Israël, sans force, Quand je me suis levée, moi, Débora, 7
Quand je me suis levée comme une mère en Israël. Il avait choisi de nouveaux dieux : Alors la guerre 8
était aux portes ; On ne voyait ni bouclier ni lance Chez quarante milliers en Israël. Mon coeur est 9
aux chefs d'Israël, À ceux du peuple qui se sont montrés prêts à combattre. Bénissez l'Éternel ! Vous 10
qui montez de blanches ânesses, Vous qui avez pour sièges des tapis, Et vous qui marchez sur la route,
chantez ! Que de leur voix les archers, du milieu des abreuvoirs, Célèbrent les bienfaits de l'Éternel, 11
Les bienfaits de son conducteur en Israël ! Alors le peuple de l'Éternel descendit aux portes. Réveille 12
-toi, réveille -toi, Débora ! Réveille -toi, réveille -toi, dis un cantique ! Lève -toi, Barak, et emmène tes
captifs, fils d'Abinoam ! Alors un reste du peuple triompha des puissants, L'Éternel me donna la victoire 13
sur les héros. D'Éphraïm arrivèrent les habitants d'Amalek. À ta suite marcha Benjamin parmi ta 14
troupe. De Makir vinrent des chefs, Et de Zabulon des commandants. Les princes d'Issacar furent 15
avec Débora, Et Issacar suivit Barak, Il fut envoyé sur ses pas dans la vallée. Près des ruisseaux de
Ruben, Grandes furent les résolutions du coeur ! Pourquoi es-tu resté au milieu des étables À écouter le 16
bêlement des troupeaux ? Aux ruisseaux de Ruben, Grandes furent les délibérations du coeur ! Galaad 17
au delà du Jourdain n'a pas quitté sa demeure. Pourquoi Dan s'est-il tenu sur les navires ? Aser s'est
assis sur le rivage de la mer, Et s'est reposé dans ses ports. Zabulon est un peuple qui affronta la 18
mort, Et Nephthali de même, Sur les hauteurs des champs. Les rois vinrent, ils combattirent, Alors 19
combattirent les rois de Canaan, À Thaanac, aux eaux de Meguiddo ; Ils ne remportèrent nul butin, nul
argent. Des cieux on combattit, De leurs sentiers les étoiles combattirent contre Sisera. Le torrent 20, 21
de Kison les a entraînés, Le torrent des anciens temps, le torrent de Kison. Mon âme, foule aux pieds
les héros ! Alors les talons des chevaux retentirent, À la fuite, à la fuite précipitée de leurs guerriers. 22
Maudissez Méroz, dit l'ange de l'Éternel, Maudissez, maudissez ses habitants, Car ils ne vinrent pas au 23
secours de l'Éternel, Au secours de l'Éternel, parmi les hommes vaillants. Bénie soit entre les femmes 24
Jaël, Femme de Héber, le Kénien ! Bénie soit-elle entre les femmes qui habitent sous les tentes ! Il 25
demanda de l'eau, elle a donné du lait, Dans la coupe d'honneur elle a présenté de la crème. D'une 26
main elle a saisi le pieu, Et de sa droite le marteau des travailleurs ; Elle a frappé Sisera, lui a fendu la
tête, Fracassé et transpercé la tempe. Aux pieds de Jaël il s'est affaissé, il est tombé, il s'est couché ; À 27
ses pieds il s'est affaissé, il est tombé ; Là où il s'est affaissé, là il est tombé sans vie. Par la fenêtre, à 28
travers le treillis, La mère de Sisera regarde, et s'écrie : Pourquoi son char tarde -t-il à venir ? Pourquoi
ses chars vont-ils si lentement ? Les plus sages d'entre ses femmes lui répondent, Et elle se répond à 29
elle-même : Ne trouvent -ils pas du butin ? ne le partagent -ils pas ? Une jeune fille, deux jeunes filles 30
par homme, Du butin en vêtements de couleur pour Sisera, Du butin en vêtements de couleur, brodés,
Un vêtement de couleur, deux vêtements brodés, Pour le cou du vainqueur. Périssent ainsi tous tes 31
ennemis, ô Éternel ! Ceux qui l'aiment sont comme le soleil, Quand il paraît dans sa force. Le pays fut
en repos pendant quarante ans.

Les enfants d'Israël firent ce qui déplaît à l'Éternel ; et l'Éternel les livra entre les mains de Ma- **6**
dian, pendant sept ans. La main de Madian fut puissante contre Israël. Pour échapper à Madian, les 2
enfants d'Israël se retiraient dans les ravins des montagnes, dans les cavernes et sur les rochers for-
tifiés. Quand Israël avait semé, Madian montait avec Amalek et les fils de l'Orient, et ils marchaient 3
contre lui. Ils campaient en face de lui, détruisaient les productions du pays jusque vers Gaza, et ne 4
laissaient en Israël ni vivres, ni brebis, ni boeufs, ni ânes. Car ils montaient avec leurs troupeaux et 5
leurs tentes, ils arrivaient comme une multitude de sauterelles, ils étaient innombrables, eux et leurs
chameaux, et ils venaient dans le pays pour le ravager. Israël fut très malheureux à cause de Madian, 6
et les enfants d'Israël crièrent à l'Éternel. Lorsque les enfants d'Israël crièrent à l'Éternel au sujet de 7
Madian, l'Éternel envoya un prophète aux enfants d'Israël. Il leur dit : Ainsi parle l'Éternel, le Dieu 8
d'Israël : Je vous ai fait monter d'Égypte, et je vous ai fait sortir de la maison de servitude. Je vous 9
ai délivrés de la main des Égyptiens et de la main de tous ceux qui vous opprimaient ; je les ai chas-
sés devant vous, et je vous ai donné leur pays. Je vous ai dit : Je suis l'Éternel, votre Dieu ; vous ne 10
craindrez point les dieux des Amoréens, dans le pays desquels vous habitez. Mais vous n'avez point
écouté ma voix. Puis vint l'ange de l'Éternel, et il s'assit sous le térébinthe d'Ophra, qui appartenait à 11
Joas, de la famille d'Abiézer. Gédéon, son fils, battait du froment au pressoir, pour le mettre à l'abri de
Madian. L'ange de l'Éternel lui apparut, et lui dit : L'Éternel est avec toi, vaillant héros ! Gédéon lui 12, 13
dit : Ah ! mon seigneur, si l'Éternel est avec nous, pourquoi toutes ces choses nous sont-elles arrivées ?
Et où sont tous ces prodiges que nos pères nous racontent, quand ils disent : L'Éternel ne nous a-t-il pas

fait monter hors d'Égypte ? Maintenant l'Éternel nous abandonne, et il nous livre entre les mains de
14 Madian ! L'Éternel se tourna vers lui, et dit : Va avec cette force que tu as, et délivre Israël de la main
15 de Madian ; n'est-ce pas moi qui t'envoie ? Gédéon lui dit : Ah ! mon seigneur, avec quoi délivrerai -je
Israël ? Voici, ma famille est la plus pauvre en Manassé, et je suis le plus petit dans la maison de mon
16, 17 père. L'Éternel lui dit : Mais je serai avec toi, et tu battras Madian comme un seul homme. Gédéon
lui dit : Si j'ai trouvé grâce à tes yeux, donne -moi un signe pour montrer que c'est toi qui me parles.
18 Ne t'éloigne point d'ici jusqu'à ce que je revienne auprès de toi, que j'apporte mon offrande, et que je la
19 dépose devant toi. Et l'Éternel dit : Je resterai jusqu'à ce que tu reviennes. Gédéon entra, prépara un
chevreau, et fit avec un épha de farine des pains sans levain. Il mit la chair dans un panier et le jus
20 dans un pot, les lui apporta sous le térébinthe, et les présenta. L'ange de Dieu lui dit : Prends la chair
21 et les pains sans levain, pose -les sur ce rocher, et répands le jus. Et il fit ainsi. L'ange de l'Éternel
avança l'extrémité du bâton qu'il avait à la main, et toucha la chair et les pains sans levain. Alors il
s'éleva du rocher un feu qui consuma la chair et les pains sans levain. Et l'ange de l'Éternel disparut à
22 ses yeux. Gédéon, voyant que c'était l'ange de l'Éternel, dit : Malheur à moi, Seigneur Éternel ! car j'ai
23 vu l'ange de l'Éternel face à face. Et l'Éternel lui dit : Sois en paix, ne crains point, tu ne mourras pas.
24 Gédéon bâtit là un autel à l'Éternel, et lui donna pour nom l'Éternel paix : il existe encore aujourd'hui
25 à Ophra, qui appartenait à la famille d'Abiézer. Dans la même nuit, l'Éternel dit à Gédéon : Prends le
jeune taureau de ton père, et un second taureau de sept ans. Renverse l'autel de Baal qui est à ton père,
26 et abats le pieu sacré qui est dessus. Tu bâtiras ensuite et tu disposeras, sur le haut de ce rocher, un
autel à l'Éternel ton Dieu. Tu prendras le second taureau, et tu offriras un holocauste, avec le bois de
27 l'idole que tu auras abattue. Gédéon prit dix hommes parmi ses serviteurs, et fit ce que l'Éternel avait
dit ; mais, comme il craignait la maison de son père et les gens de la ville, il l'exécuta de nuit, et non de
28 jour. Lorsque les gens de la ville se furent levés de bon matin, voici, l'autel de Baal était renversé, le
pieu sacré placé dessus était abattu, et le second taureau était offert en holocauste sur l'autel qui avait
29 été bâti. Ils se dirent l'un à l'autre : Qui a fait cela ? Et ils s'informèrent et firent des recherches. On
30 leur dit : C'est Gédéon, fils de Joas, qui a fait cela. Alors les gens de la ville dirent à Joas : Fais sortir
31 ton fils, et qu'il meure, car il a renversé l'autel de Baal et abattu le pieu sacré qui était dessus. Joas
répondit à tous ceux qui se présentèrent à lui : Est-ce à vous de prendre parti pour Baal ? est-ce à vous
de venir à son secours ? Quiconque prendra parti pour Baal mourra avant que le matin vienne. Si Baal
32 est un dieu, qu'il plaide lui-même sa cause, puisqu'on a renversé son autel. Et en ce jour l'on donna
à Gédéon le nom de Jerubbaal, en disant : Que Baal plaide contre lui, puisqu'il a renversé son autel.
33 Tout Madian, Amalek et les fils de l'Orient, se rassemblèrent ; ils passèrent le Jourdain, et campèrent
34 dans la vallée de Jizréel. Gédéon fut revêtu de l'esprit de l'Éternel ; il sonna de la trompette, et Abié-
35 zer fut convoqué pour marcher à sa suite. Il envoya des messagers dans tout Manassé, qui fut aussi
convoqué pour marcher à sa suite. Il envoya des messagers dans Aser, dans Zabulon et dans Nephthali,
36 qui montèrent à leur rencontre. Gédéon dit à Dieu : Si tu veux délivrer Israël par ma main, comme
37 tu l'as dit, voici, je vais mettre une toison de laine dans l'aire ; si la toison seule se couvre de rosée et
38 que tout le terrain reste sec, je connaîtrai que tu délivreras Israël par ma main, comme tu l'as dit. Et
il arriva ainsi. Le jour suivant, il se leva de bon matin, pressa la toison, et en fit sortir la rosée, qui
39 donna de l'eau plein une coupe. Gédéon dit à Dieu : Que ta colère ne s'enflamme point contre moi, et
je ne parlerai plus que cette fois : Je voudrais seulement faire encore une épreuve avec la toison : que
40 la toison seule reste sèche, et que tout le terrain se couvre de rosée. Et Dieu fit ainsi cette nuit -là. La
toison seule resta sèche, et tout le terrain se couvrit de rosée.

7 Jerubbaal, qui est Gédéon, et tout le peuple qui était avec lui, se levèrent de bon matin, et campèrent
près de la source de Harod. Le camp de Madian était au nord de Gédéon, vers la colline de Moré, dans
2 la vallée. L'Éternel dit à Gédéon : Le peuple que tu as avec toi est trop nombreux pour que je livre
Madian entre ses mains ; il pourrait en tirer gloire contre moi, et dire : C'est ma main qui m'a délivré.
3 Publie donc ceci aux oreilles du peuple : Que celui qui est craintif et qui a peur s'en retourne et s'éloigne
de la montagne de Galaad. Vingt -deux mille hommes parmi le peuple s'en retournèrent, et il en resta
4 dix mille. L'Éternel dit à Gédéon : Le peuple est encore trop nombreux. Fais-les descendre vers l'eau,
et là je t'en ferai le triage ; celui dont je te dirai : Que celui-ci aille avec toi, ira avec toi ; et celui dont je
5 te dirai : Que celui-ci n'aille pas avec toi, n'ira pas avec toi. Gédéon fit descendre le peuple vers l'eau, et
l'Éternel dit à Gédéon : Tous ceux qui laperont l'eau avec la langue comme lape le chien, tu les sépareras
6 de tous ceux qui se mettront à genoux pour boire. Ceux qui lapèrent l'eau en la portant à la bouche
avec leur main furent au nombre de trois cents hommes, et tout le reste du peuple se mit à genoux pour
7 boire. Et l'Éternel dit à Gédéon : C'est par les trois cents hommes qui ont lapé, que je vous sauverai
8 et que je livrerai Madian entre tes mains. Que tout le reste du peuple s'en aille chacun chez soi. On

prit les vivres du peuple et ses trompettes. Puis Gédéon renvoya tous les hommes d'Israël chacun dans
sa tente, et il retint les trois cents hommes. Le camp de Madian était au-dessous de lui dans la vallée.
L'Éternel dit à Gédéon pendant la nuit : Lève -toi, descends au camp, car je l'ai livré entre tes mains. Si 9, 10
tu crains de descendre, descends -y avec Pura, ton serviteur. Tu écouteras ce qu'ils diront, et après cela 11
tes mains seront fortifiées : descends donc au camp. Il descendit avec Pura, son serviteur, jusqu'aux
avant-postes du camp. Madian, Amalek, et tous les fils de l'Orient, étaient répandus dans la vallée 12
comme une multitude de sauterelles, et leurs chameaux étaient innombrables comme le sable qui est
sur le bord de la mer. Gédéon arriva ; et voici, un homme racontait à son camarade un songe. Il disait : 13
J'ai eu un songe ; et voici, un gâteau de pain d'orge roulait dans le camp de Madian ; il est venu heurter
jusqu'à la tente, et elle est tombée ; il l'a retournée sens dessus dessous, et elle a été renversée. Son 14
camarade répondit, et dit : Ce n'est pas autre chose que l'épée de Gédéon, fils de Joas, homme d'Israël ;
Dieu a livré entre ses mains Madian et tout le camp. Lorsque Gédéon eut entendu le récit du songe et 15
son explication, il se prosterna, revint au camp d'Israël, et dit : Levez -vous, car l'Éternel a livré entre
vos mains le camp de Madian. Il divisa en trois corps les trois cents hommes, et il leur remit à tous des 16
trompettes et des cruches vides, avec des flambeaux dans les cruches. Il leur dit : Vous me regarderez 17
et vous ferez comme moi. Dès que j'aborderai le camp, vous ferez ce que je ferai ; et quand je sonnerai 18
de la trompette, moi et tous ceux qui seront avec moi, vous sonnerez aussi de la trompette tout autour
du camp, et vous direz : Pour l'Éternel et pour Gédéon ! Gédéon et les cent hommes qui étaient avec 19
lui arrivèrent aux abords du camp au commencement de la veille du milieu, comme on venait de placer
les gardes. Ils sonnèrent de la trompette, et brisèrent les cruches qu'ils avaient à la main. Les trois 20
corps sonnèrent de la trompette, et brisèrent les cruches ; ils saisirent de la main gauche les flambeaux
et de la main droite les trompettes pour sonner, et ils s'écrièrent : Épée pour l'Éternel et pour Gédéon !
Ils restèrent chacun à sa place autour du camp, et tout le camp se mit à courir, à pousser des cris, et 21
à prendre la fuite. Les trois cents hommes sonnèrent encore de la trompette ; et, dans tout le camp, 22
l'Éternel leur fit tourner l'épée les uns contre les autres. Le camp s'enfuit jusqu'à Beth-Schitta vers
Tseréra, jusqu'au bord d'Abel-Mehola près de Tabbath. Les hommes d'Israël se rassemblèrent, ceux 23
de Nephthali, d'Aser et de tout Manassé, et ils poursuivirent Madian. Gédéon envoya des messagers 24
dans toute la montagne d'Éphraïm, pour dire : Descendez à la rencontre de Madian, et coupez-leur le
passage des eaux jusqu'à Beth-Bara et celui du Jourdain. Tous les hommes d'Éphraïm se rassemblèrent
et ils s'emparèrent du passage des eaux jusqu'à Beth-Bara et de celui du Jourdain. Ils saisirent deux 25
chefs de Madian, Oreb et Zeeb ; ils tuèrent Oreb au rocher d'Oreb, et ils tuèrent Zeeb au pressoir de
Zeeb. Ils poursuivirent Madian, et ils apportèrent les têtes d'Oreb et de Zeeb à Gédéon de l'autre côté
du Jourdain.

Les hommes d'Éphraïm dirent à Gédéon : Que signifie cette manière d'agir envers nous ? pourquoi ne **8**
pas nous avoir appelés, quand tu es allé combattre Madian ? Et ils eurent avec lui une violente querelle.
Gédéon leur répondit : Qu'ai-je fait en comparaison de vous ? Le grappillage d'Éphraïm ne vaut-il pas 2
mieux que la vendange d'Abiézer ? C'est entre vos mains que Dieu a livré les chefs de Madian, Oreb 3
et Zeeb. Qu'ai-je donc pu faire en comparaison de vous ? Lorsqu'il eut ainsi parlé, leur colère contre lui
s'apaisa. Gédéon arriva au Jourdain, et il le passa, lui et les trois cents hommes qui étaient avec lui, 4
fatigués, mais poursuivant toujours. Il dit aux gens de Succoth : Donnez, je vous prie, quelques pains au 5
peuple qui m'accompagne, car ils sont fatigués, et je suis à la poursuite de Zébach et de Tsalmunna, rois
de Madian. Les chefs de Succoth répondirent : La main de Zébach et de Tsalmunna est-elle déjà en ton 6
pouvoir, pour que nous donnions du pain à ton armée ? Et Gédéon dit : Eh bien ! lorsque l'Éternel aura 7
livré entre mes mains Zébach et Tsalmunna, je broierai votre chair avec des épines du désert et avec des
chardons. De là il monta à Penuel, et il fit aux gens de Penuel la même demande. Ils lui répondirent 8
comme avaient répondu ceux de Succoth. Et il dit aussi aux gens de Penuel : Quand je reviendrai en 9
paix, je renverserai cette tour. Zébach et Tsalmunna étaient à Karkor et leur armée avec eux, environ 10
quinze mille hommes, tous ceux qui étaient restés de l'armée entière des fils de l'Orient ; cent vingt
mille hommes tirant l'épée avaient été tués. Gédéon monta par le chemin de ceux qui habitent sous 11
les tentes, à l'orient de Nobach et de Jogbeha, et il battit l'armée qui se croyait en sûreté. Zébach 12
et Tsalmunna prirent la fuite ; Gédéon les poursuivit, il s'empara des deux rois de Madian, Zébach et
Tsalmunna, et il mit en déroute toute l'armée. Gédéon, fils de Joas, revint de la bataille par la montée 13
de Hérès. Il saisit d'entre les gens de Succoth un jeune homme qu'il interrogea, et qui lui mit par écrit 14
les noms des chefs et des anciens de Succoth, soixante-dix-sept hommes. Puis il vint auprès des gens 15
de Succoth, et dit : Voici Zébach et Tsalmunna, au sujet desquels vous m'avez insulté, en disant : La
main de Zébach et de Tsalmunna est-elle déjà en ton pouvoir, pour que nous donnions du pain à tes
hommes fatigués ? Et il prit les anciens de la ville, et châtia les gens de Succoth avec des épines du 16
désert et avec des chardons. Il renversa aussi la tour de Penuel, et tua les gens de la ville. Il dit à 17, 18

Zébach et à Tsalmunna : Comment étaient les hommes que vous avez tués au Thabor ? Ils répondirent :
19 Ils étaient comme toi, chacun avait l'air d'un fils de roi. Il dit : C'étaient mes frères, fils de ma mère.
20 L'Éternel est vivant ! si vous les eussiez laissés vivre, je ne vous tuerais pas. Et il dit à Jéther, son premier-né : Lève -toi, tue -les ! Mais le jeune homme ne tira point son épée, parce qu'il avait peur, car
21 il était encore un enfant. Zébach et Tsalmunna dirent : Lève -toi toi-même, et tue -nous ! car tel est l'homme, telle est sa force. Et Gédéon se leva, et tua Zébach et Tsalmunna. Il prit ensuite les croissants
22 qui étaient aux cous de leurs chameaux. Les hommes d'Israël dirent à Gédéon : Domine sur nous, et
23 toi, et ton fils, et le fils de ton fils, car tu nous as délivrés de la main de Madian. Gédéon leur dit : Je ne dominerai point sur vous, et mes fils ne domineront point sur vous ; c'est l'Éternel qui dominera
24 sur vous. Gédéon leur dit : J'ai une demande à vous faire : donnez -moi chacun les anneaux que vous
25 avez eus pour butin. -Les ennemis avaient des anneaux d'or, car ils étaient Ismaélites. - Ils dirent : Nous les donnerons volontiers. Et ils étendirent un manteau, sur lequel chacun jeta les anneaux de
26 son butin. Le poids des anneaux d'or que demanda Gédéon fut de mille sept cents sicles d'or, sans les croissants, les pendants d'oreilles, et les vêtements de pourpre que portaient les rois de Madian, et sans
27 les colliers qui étaient aux cous de leurs chameaux. Gédéon en fit un éphod, et il le plaça dans sa ville, à Ophra, où il devint l'objet des prostitutions de tout Israël ; et il fut un piège pour Gédéon et pour
28 sa maison. Madian fut humilié devant les enfants d'Israël, et il ne leva plus la tête. Et le pays fut en
29 repos pendant quarante ans, durant la vie de Gédéon. Jerubbaal, fils de Joas, s'en retourna, et demeura
30, 31 dans sa maison. Gédéon eut soixante-dix fils, issus de lui, car il eut plusieurs femmes. Sa concubine,
32 qui était à Sichem, lui enfanta aussi un fils, à qui on donna le nom d'Abimélec. Gédéon, fils de Joas, mourut après une heureuse vieillesse ; et il fut enterré dans le sépulcre de Joas, son père, à Ophra, qui
33 appartenait à la famille d'Abiézer. Lorsque Gédéon fut mort, les enfants d'Israël recommencèrent à se
34 prostituer aux Baals, et ils prirent Baal-Berith pour leur dieu. Les enfants d'Israël ne se souvinrent point de l'Éternel, leur Dieu, qui les avait délivrés de la main de tous les ennemis qui les entouraient.
35 Et ils n'eurent point d'attachement pour la maison de Jerubbaal, de Gédéon, après tout le bien qu'il avait fait à Israël.

9 Abimélec, fils de Jerubbaal, se rendit à Sichem vers les frères de sa mère, et voici comment il leur
2 parla, ainsi qu'à toute la famille de la maison du père de sa mère : Dites, je vous prie, aux oreilles de tous les habitants de Sichem : Vaut-il mieux pour vous que soixante-dix hommes, tous fils de Jerubbaal, dominent sur vous, ou qu'un seul homme domine sur vous ? Et souvenez -vous que je suis votre os
3 et votre chair. Les frères de sa mère répétèrent pour lui toutes ces paroles aux oreilles de tous les habitants de Sichem, et leur coeur inclina en faveur d'Abimélec, car ils se disaient : C'est notre frère.
4 Ils lui donnèrent soixante-dix sicles d'argent, qu'ils enlevèrent de la maison de Baal-Berith. Abimélec
5 s'en servit pour acheter des misérables et des turbulents, qui allèrent après lui. Il vint dans la maison de son père à Ophra, et il tua ses frères, fils de Jerubbaal, soixante-dix hommes, sur une même pierre. Il
6 n'échappa que Jotham, le plus jeune fils de Jerubbaal, car il s'était caché. Tous les habitants de Sichem et toute la maison de Millo se rassemblèrent ; ils vinrent, et proclamèrent roi Abimélec, près du chêne
7 planté dans Sichem. Jotham en fut informé. Il alla se placer sur le sommet de la montagne de Garizim,
8 et voici ce qu'il leur cria à haute voix : Écoutez -moi, habitants de Sichem, et que Dieu vous écoute ! Les arbres partirent pour aller oindre un roi et le mettre à leur tête. Ils dirent à l'olivier : Règne sur nous.
9 Mais l'olivier leur répondit : Renoncerais -je à mon huile, qui m'assure les hommages de Dieu et des
10 hommes, pour aller planer sur les arbres ? Et les arbres dirent au figuier : Viens, toi, règne sur nous.
11 Mais le figuier leur répondit : Renoncerais -je à ma douceur et à mon excellent fruit, pour aller planer
12, 13 sur les arbres ? Et les arbres dirent à la vigne : Viens, toi, règne sur nous. Mais la vigne leur répondit :
14 Renoncerais -je à mon vin, qui réjouit Dieu et les hommes, pour aller planer sur les arbres ? Alors tous
15 les arbres dirent au buisson d'épines : Viens, toi, règne sur nous. Et le buisson d'épines répondit aux arbres : Si c'est de bonne foi que vous voulez m'oindre pour votre roi, venez, réfugiez -vous sous mon
16 ombrage ; sinon, un feu sortira du buisson d'épines, et dévorera les cèdres du Liban. Maintenant, est-ce de bonne foi et avec intégrité que vous avez agi en proclamant roi Abimélec ? avez-vous eu de la
17 bienveillance pour Jerubbaal et sa maison ? l'avez-vous traité selon les services qu'il a rendus ? - Car
18 mon père a combattu pour vous, il a exposé sa vie, et il vous a délivrés de la main de Madian ; et vous, vous vous êtes levés contre la maison de mon père, vous avez tué ses fils, soixante-dix hommes, sur une même pierre, et vous avez proclamé roi sur les habitants de Sichem, Abimélec, fils de sa servante, parce
19 qu'il est votre frère. - Si c'est de bonne foi et avec intégrité qu'en ce jour vous avez agi envers Jerubbaal
20 et sa maison, eh bien ! qu'Abimélec fasse votre joie, et que vous fassiez aussi la sienne ! Sinon, qu'un feu sorte d'Abimélec et dévore les habitants de Sichem et la maison de Millo, et qu'un feu sorte des habitants
21 de Sichem et de la maison de Millo et dévore Abimélec ! Jotham se retira et prit la fuite ; il s'en alla
22, 23 à Beer, où il demeura loin d'Abimélec, son frère. Abimélec avait dominé trois ans sur Israël. Alors Dieu envoya un mauvais esprit entre Abimélec et les habitants de Sichem, et les habitants de Sichem

furent infidèles à Abimélec, afin que la violence commise sur les soixante-dix fils de Jerubbaal reçût 24
son châtiment, et que leur sang retombât sur Abimélec, leur frère, qui les avait tués, et sur les habitants
de Sichem, qui l'avaient aidé à tuer ses frères. Les habitants de Sichem placèrent en embuscade contre 25
lui, sur les sommets des montagnes, des gens qui dépouillaient tous ceux qui passaient près d'eux
sur le chemin. Et cela fut rapporté à Abimélec. Gaal, fils d'Ébed, vint avec ses frères, et ils passèrent à 26
Sichem. Les habitants de Sichem eurent confiance en lui. Ils sortirent dans la campagne, vendangèrent 27
leurs vignes, foulèrent les raisins, et se livrèrent à des réjouissances ; ils entrèrent dans la maison
de leur dieu, ils mangèrent et burent, et ils maudirent Abimélec. Et Gaal, fils d'Ébed, disait : Qui 28
est Abimélec, et qu'est Sichem, pour que nous servions Abimélec ? N'est-il pas fils de Jerubbaal, et
Zebul n'est-il pas son commissaire ? Servez les hommes de Hamor, père de Sichem ; mais nous, pourquoi
servirions -nous Abimélec ? Oh ! si j'étais le maître de ce peuple, je renverserais Abimélec. Et il disait 29
d'Abimélec : Renforce ton armée, mets-toi en marche ! Zebul, gouverneur de la ville, apprit ce que disait 30
Gaal, fils d'Ébed, et sa colère s'enflamma. Il envoya secrètement des messagers à Abimélec, pour lui 31
dire : Voici, Gaal, fils d'Ébed, et ses frères, sont venus à Sichem, et ils soulèvent la ville contre toi.
Maintenant, pars de nuit, toi et le peuple qui est avec toi, et mets-toi en embuscade dans la campagne. 32
Le matin, au lever du soleil, tu fondras avec impétuosité sur la ville. Et lorsque Gaal et le peuple qui 33
est avec lui sortiront contre toi, tu lui feras ce que tes forces permettront. Abimélec et tout le peuple 34
qui était avec lui partirent de nuit, et ils se mirent en embuscade près de Sichem, divisés en quatre
corps. Gaal, fils d'Ébed, sortit, et il se tint à l'entrée de la porte de la ville. Abimélec et tout le peuple 35
qui était avec lui se levèrent alors de l'embuscade. Gaal aperçut le peuple, et il dit à Zebul : Voici un 36
peuple qui descend du sommet des montagnes. Zebul lui répondit : C'est l'ombre des montagnes que
tu prends pour des hommes. Gaal, reprenant la parole, dit : C'est bien un peuple qui descend des 37
hauteurs du pays, et une troupe arrive par le chemin du chêne des devins. Zebul lui répondit : Où 38
donc est ta bouche, toi qui disais : Qui est Abimélec, pour que nous le servions ? N'est-ce point là le
peuple que tu méprisais ? Marche maintenant, livre-lui bataille ! Gaal s'avança à la tête des habitants 39
de Sichem, et livra bataille à Abimélec. Poursuivi par Abimélec, il prit la fuite devant lui, et beaucoup 40
d'hommes tombèrent morts jusqu'à l'entrée de la porte. Abimélec s'arrêta à Aruma. Et Zebul chassa 41
Gaal et ses frères, qui ne purent rester à Sichem. Le lendemain, le peuple sortit dans la campagne. 42
Abimélec, qui en fut informé, prit sa troupe, la partagea en trois corps, et se mit en embuscade dans 43
la campagne. Ayant vu que le peuple sortait de la ville, il se leva contre eux, et les battit. Abimélec 44
et les corps qui étaient avec lui se portèrent en avant, et se placèrent à l'entrée de la porte de la ville ;
deux de ces corps se jetèrent sur tous ceux qui étaient dans la campagne, et les battirent. Abimélec 45
attaqua la ville pendant toute la journée ; il s 'en empara, et tua le peuple qui s'y trouvait. Puis il rasa
la ville, et y sema du sel. À cette nouvelle, tous les habitants de la tour de Sichem se rendirent dans la 46
forteresse de la maison du dieu Berith. On avertit Abimélec que tous les habitants de la tour de Sichem 47
s'y étaient rassemblés. Alors Abimélec monta sur la montagne de Tsalmon, lui et tout le peuple qui 48
était avec lui. Il prit en main une hache, coupa une branche d'arbre, l'enleva et la mit sur son épaule.
Ensuite il dit au peuple qui était avec lui : Vous avez vu ce que j'ai fait, hâtez -vous de faire comme
moi. Et ils coupèrent chacun une branche, et suivirent Abimélec ; ils placèrent les branches contre la 49
forteresse, et l 'incendièrent avec ceux qui y étaient. Ainsi périrent tous les gens de la tour de Sichem,
au nombre d'environ mille, hommes et femmes. Abimélec marcha contre Thébets. Il assiégea Thébets, 50
et s'en empara. Il y avait au milieu de la ville une forte tour, où se réfugièrent tous les habitants de la 51
ville, hommes et femmes ; ils fermèrent sur eux, et montèrent sur le toit de la tour. Abimélec parvint 52
jusqu'à la tour ; il l'attaqua, et s'approcha de la porte pour y mettre le feu. Alors une femme lança sur 53
la tête d'Abimélec un morceau de meule de moulin, et lui brisa le crâne. Aussitôt il appela le jeune 54
homme qui portait ses armes, et lui dit : Tire ton épée, et donne-moi la mort, de peur qu'on ne dise de
moi : C'est une femme qui l'a tué. Le jeune homme le perça, et il mourut. Quand les hommes d'Israël 55
virent qu'Abimélec était mort, ils s'en allèrent chacun chez soi. Ainsi Dieu fit retomber sur Abimélec 56
le mal qu'il avait fait à son père, en tuant ses soixante-dix frères, et Dieu fit retomber sur la tête des 57
gens de Sichem tout le mal qu'ils avaient fait. Ainsi s'accomplit sur eux la malédiction de Jotham, fils
de Jerubbaal.

Après Abimélec, Thola, fils de Pua, fils de Dodo, homme d'Issacar, se leva pour délivrer Israël ; il **10**
habitait à Schamir, dans la montagne d'Éphraïm. Il fut juge en Israël pendant vingt -trois ans ; puis il 2
mourut, et fut enterré à Schamir. Après lui, se leva Jaïr, le Galaadite, qui fut juge en Israël pendant 3
vingt -deux ans. Il avait trente fils, qui montaient sur trente ânons, et qui possédaient trente villes, 4
appelées encore aujourd'hui bourgs de Jaïr, et situées dans le pays de Galaad. Et Jaïr mourut, et fut 5
enterré à Kamon. Les enfants d'Israël firent encore ce qui déplaît à l'Éternel ; ils servirent les Baals 6
et les Astartés, les dieux de Syrie, les dieux de Sidon, les dieux de Moab, les dieux des fils d'Ammon,

7 et les dieux des Philistins, et ils abandonnèrent l'Éternel et ne le servirent plus. La colère de l'Éternel s'enflamma contre Israël, et il les vendit entre les mains des Philistins et entre les mains des fils
8 d'Ammon. Ils opprimèrent et écrasèrent les enfants d'Israël cette année -là, et pendant dix-huit ans tous les enfants d'Israël qui étaient de l'autre côté du Jourdain dans le pays des Amoréens en Galaad.
9 Les fils d'Ammon passèrent le Jourdain pour combattre aussi contre Juda, contre Benjamin et contre
10 la maison d'Éphraïm. Et Israël fut dans une grande détresse. Les enfants d'Israël crièrent à l'Éternel, en disant : Nous avons péché contre toi, car nous avons abandonné notre Dieu et nous avons servi les
11 Baals. L'Éternel dit aux enfants d'Israël : Ne vous ai-je pas délivrés des Égyptiens, des Amoréens, des
12 fils d'Ammon, des Philistins ? Et lorsque les Sidoniens, Amalek et Maon, vous opprimèrent, et que vous
13 criâtes à moi, ne vous ai-je pas délivrés de leurs mains ? Mais vous, vous m'avez abandonné, et vous
14 avez servi d'autres dieux. C'est pourquoi je ne vous délivrerai plus. Allez, invoquez les dieux que vous
15 avez choisis ; qu'ils vous délivrent au temps de votre détresse ! Les enfants d'Israël dirent à l'Éternel :
16 Nous avons péché ; traite -nous comme il te plaira. Seulement, daigne nous délivrer aujourd'hui ! Et ils ôtèrent les dieux étrangers du milieu d'eux, et servirent l'Éternel, qui fut touché des maux d'Israël.
17 Les fils d'Ammon se rassemblèrent et campèrent en Galaad, et les enfants d'Israël se rassemblèrent
18 et campèrent à Mitspa. Le peuple, les chefs de Galaad se dirent l'un à l'autre : Quel est l'homme qui commencera l'attaque contre les fils d'Ammon ? Il sera chef de tous les habitants de Galaad.

11 Jephthé, le Galaadite, était un vaillant héros. Il était fils d'une femme prostituée ; et c'est Galaad
2 qui avait engendré Jephthé. La femme de Galaad lui enfanta des fils, qui, devenus grands, chassèrent Jephthé, et lui dirent : Tu n'hériteras pas dans la maison de notre père, car tu es fils d'une autre femme.
3 Et Jephthé s'enfuit loin de ses frères, et il habita dans le pays de Tob. Des gens de rien se rassemblèrent
4 auprès de Jephthé, et ils faisaient avec lui des excursions. Quelque temps après, les fils d'Ammon
5 firent la guerre à Israël. Et comme les fils d'Ammon faisaient la guerre à Israël, les anciens de Galaad
6 allèrent chercher Jephthé au pays de Tob. Ils dirent à Jephthé : Viens, tu seras notre chef, et nous
7 combattrons les fils d'Ammon. Jephthé répondit aux anciens de Galaad : N'avez-vous pas eu de la haine pour moi, et ne m'avez-vous pas chassé de la maison de mon père ? Pourquoi venez-vous à moi
8 maintenant que vous êtes dans la détresse ? Les anciens de Galaad dirent à Jephthé : Nous revenons à toi maintenant, afin que tu marches avec nous, que tu combattes les fils d'Ammon, et que tu sois
9 notre chef, celui de tous les habitants de Galaad. Jephthé répondit aux anciens de Galaad : Si vous me ramenez pour combattre les fils d'Ammon, et que l'Éternel les livre devant moi, je serai votre chef.
10 Les anciens de Galaad dirent à Jephthé : Que l'Éternel nous entende, et qu'il juge, si nous ne faisons
11 pas ce que tu dis. Et Jephthé partit avec les anciens de Galaad. Le peuple le mit à sa tête et l'établit comme chef, et Jephthé répéta devant l'Éternel, à Mitspa, toutes les paroles qu'il avait prononcées.
12 Jephthé envoya des messagers au roi des fils d'Ammon, pour lui dire : Qu'y a-t-il entre moi et toi, que tu
13 viennes contre moi pour faire la guerre à mon pays ? Le roi des fils d'Ammon répondit aux messagers de Jephthé : C'est qu'Israël, quand il est monté d'Égypte, s'est emparé de mon pays, depuis l'Arnon
14 jusqu'au Jabbok et au Jourdain. Rends -le maintenant de bon gré. Jephthé envoya de nouveau des
15 messagers au roi des fils d'Ammon, pour lui dire : Ainsi parle Jephthé : Israël ne s'est point emparé
16 du pays de Moab, ni du pays des fils d'Ammon. Car lorsque Israël est monté d'Égypte, il a marché
17 dans le désert jusqu'à la mer Rouge, et il est arrivé à Kadès. Alors Israël envoya des messagers au roi d'Édom, pour lui dire : Laisse-moi passer par ton pays. Mais le roi d'Édom n'y consentit pas. Il
18 en envoya aussi au roi de Moab, qui refusa. Et Israël resta à Kadès. Puis il marcha par le désert, tourna le pays d'Édom et le pays de Moab, et vint à l'orient du pays de Moab ; ils campèrent au delà
19 de l'Arnon, sans entrer sur le territoire de Moab, car l'Arnon est la frontière de Moab. Israël envoya des messagers à Sihon, roi des Amoréens, roi de Hesbon, et Israël lui dit : Laisse-nous passer par ton
20 pays jusqu'au lieu où nous allons. Mais Sihon n'eut pas assez confiance en Israël pour le laisser passer
21 sur son territoire ; il rassembla tout son peuple, campa à Jahats, et combattit Israël. L'Éternel, le Dieu d'Israël, livra Sihon et tout son peuple entre les mains d'Israël, qui les battit. Israël s'empara de tout
22 le pays des Amoréens établis dans cette contrée. Ils s'emparèrent de tout le territoire des Amoréens,
23 depuis l'Arnon jusqu'au Jabbok, et depuis le désert jusqu'au Jourdain. Et maintenant que l'Éternel, le Dieu d'Israël, a chassé les Amoréens devant son peuple d'Israël, est-ce toi qui aurais la possession
24 de leur pays ? Ce que ton dieu Kemosch te donne à posséder, ne le posséderais -tu pas ? Et tout ce que
25 l'Éternel, notre Dieu, a mis en notre possession devant nous, nous ne le posséderions pas ! Vaux-tu donc mieux que Balak, fils de Tsippor, roi de Moab ? A-t-il contesté avec Israël, ou lui a-t-il fait la guerre ?
26 Voilà trois cents ans qu'Israël habite à Hesbon et dans les villes de son ressort, à Aroër et dans les villes de son ressort, et dans toutes les villes qui sont sur les bords de l'Arnon : pourquoi ne les lui avez-vous
27 pas enlevées pendant ce temps -là ? Je ne t'ai point offensé, et tu agis mal avec moi en me faisant

la guerre. Que l'Éternel, le juge, soit aujourd'hui juge entre les enfants d'Israël et les fils d'Ammon !
Le roi des fils d'Ammon n'écouta point les paroles que Jephthé lui fit dire. L'esprit de l'Éternel fut 28, 29
sur Jephthé. Il traversa Galaad et Manassé ; il passa à Mitspé de Galaad ; et de Mitspé de Galaad, il
marcha contre les fils d'Ammon. Jephthé fit un voeu à l'Éternel, et dit : Si tu livres entre mes mains les 30
fils d'Ammon, quiconque sortira des portes de ma maison au-devant de moi, à mon heureux retour de 31
chez les fils d'Ammon, sera consacré à l'Éternel, et je l'offrirai en holocauste. Jephthé marcha contre 32
les fils d'Ammon, et l'Éternel les livra entre ses mains. Il leur fit éprouver une très grande défaite, 33
depuis Aroër jusque vers Minnith, espace qui renfermait vingt villes, et jusqu'à Abel -Keramim. Et les
fils d'Ammon furent humiliés devant les enfants d'Israël. Jephthé retourna dans sa maison à Mitspa. 34
Et voici, sa fille sortit au-devant de lui avec des tambourins et des danses. C'était son unique enfant ; il
n'avait point de fils et point d'autre fille. Dès qu'il la vit, il déchira ses vêtements, et dit : Ah ! ma fille ! 35
tu me jettes dans l'abattement, tu es au nombre de ceux qui me troublent ! J'ai fait un voeu à l'Éternel,
et je ne puis le révoquer. Elle lui dit : Mon père, si tu as fait un voeu à l'Éternel, traite -moi selon ce qui 36
est sorti de ta bouche, maintenant que l'Éternel t'a vengé de tes ennemis, des fils d'Ammon. Et elle dit 37
à son père : Que ceci me soit accordé : laisse -moi libre pendant deux mois ! Je m'en irai, je descendrai
dans les montagnes, et je pleurerai ma virginité avec mes compagnes. Il répondit : Va ! Et il la laissa 38
libre pour deux mois. Elle s'en alla avec ses compagnes, et elle pleura sa virginité sur les montagnes.
Au bout des deux mois, elle revint vers son père, et il accomplit sur elle le voeu qu'il avait fait. Elle 39
n'avait point connu d'homme. Dès lors s'établit en Israël la coutume que tous les ans les filles d'Israël 40
s'en vont célébrer la fille de Jephthé, le Galaadite, quatre jours par année.

Les hommes d'Éphraïm se rassemblèrent, partirent pour le nord, et dirent à Jephthé : Pourquoi es- **12**
tu allé combattre les fils d'Ammon sans nous avoir appelés à marcher avec toi ? Nous voulons incendier
ta maison et te brûler avec elle. Jephthé leur répondit : Nous avons eu de grandes contestations, moi 2
et mon peuple, avec les fils d'Ammon ; et quand je vous ai appelés, vous ne m'avez pas délivré de leurs
mains. Voyant que tu ne venais pas à mon secours, j'ai exposé ma vie, et j'ai marché contre les fils 3
d'Ammon. L'Éternel les a livrés entre mes mains. Pourquoi donc aujourd'hui montez -vous contre moi
pour me faire la guerre ? Jephthé rassembla tous les hommes de Galaad, et livra bataille à Éphraïm. 4
Les hommes de Galaad battirent Éphraïm, parce que les Éphraïmites disaient : Vous êtes des fugitifs
d'Éphraïm ! Galaad est au milieu d'Éphraïm, au milieu de Manassé ! Galaad s'empara des gués du 5
Jourdain du côté d'Éphraïm. Et quand l'un des fuyards d'Éphraïm disait : Laissez-moi passer ! les
hommes de Galaad lui demandaient : Es-tu Éphraïmite ? Il répondait : Non. Ils lui disaient alors : Hé 6
bien, dis Schibboleth. Et il disait Sibboleth, car il ne pouvait pas bien prononcer. Sur quoi les hommes
de Galaad le saisissaient, et l'égorgeaient près des gués du Jourdain. Il périt en ce temps -là quarante -
deux mille hommes d'Éphraïm. Jephthé fut juge en Israël pendant six ans ; puis Jephthé, le Galaadite, 7
mourut, et fut enterré dans l'une des villes de Galaad. Après lui, Ibtsan de Bethléhem fut juge en 8
Israël. Il eut trente fils, il maria trente filles au dehors, et il fit venir pour ses fils trente filles du 9
dehors. Il fut juge en Israël pendant sept ans ; puis Ibtsan mourut, et fut enterré à Bethléhem. Après 10, 11
lui, Élon de Zabulon fut juge en Israël. Il fut juge en Israël pendant dix ans ; puis Élon de Zabulon 12
mourut, et fut enterré à Ajalon, dans le pays de Zabulon. Après lui, Abdon, fils d'Hillel, le Pirathonite, 13
fut juge en Israël. Il eut quarante fils et trente petits-fils, qui montaient sur soixante dix ânons. Il 14
fut juge en Israël pendant huit ans ; puis Abdon, fils d'Hillel, le Pirathonite, mourut, et fut enterré à 15
Pirathon, dans le pays d'Éphraïm, sur la montagne des Amalécites.

Les enfants d'Israël firent encore ce qui déplaît à l'Éternel ; et l'Éternel les livra entre les mains **13**
des Philistins, pendant quarante ans. Il y avait un homme de Tsorea, de la famille des Danites, et 2
qui s'appelait Manoach. Sa femme était stérile, et n'enfantait pas. Un ange de l'Éternel apparut à la 3
femme, et lui dit : Voici, tu es stérile, et tu n'as point d'enfants ; tu deviendras enceinte, et tu enfanteras
un fils. Maintenant prends bien garde, ne bois ni vin ni liqueur forte, et ne mange rien d'impur. Car 4, 5
tu vas devenir enceinte et tu enfanteras un fils. Le rasoir ne passera point sur sa tête, parce que cet
enfant sera consacré à Dieu dès le ventre de sa mère ; et ce sera lui qui commencera à délivrer Israël
de la main des Philistins. La femme alla dire à son mari ; Un homme de Dieu est venu vers moi, et il 6
avait l'aspect d'un ange de Dieu, un aspect redoutable. Je ne lui ai pas demandé d'où il était, et il ne
m'a pas fait connaître son nom. Mais il m'a dit : Tu vas devenir enceinte, et tu enfanteras un fils ; et 7
maintenant ne bois ni vin ni liqueur forte, et ne mange rien d'impur, parce que cet enfant sera consacré
à Dieu dès le ventre de sa mère jusqu'au jour de sa mort. Manoach fit cette prière à l'Éternel : Ah ! 8
Seigneur, que l'homme de Dieu que tu as envoyé vienne encore vers nous, et qu'il nous enseigne ce que
nous devons faire pour l'enfant qui naîtra ! Dieu exauça la prière de Manoach, et l'ange de Dieu vint 9
encore vers la femme. Elle était assise dans un champ, et Manoach, son mari, n'était pas avec elle. Elle 10

courut promptement donner cette nouvelle à son mari, et lui dit : Voici, l'homme qui était venu l'autre
11 jour vers moi m'est apparu. Manoach se leva, suivit sa femme, alla vers l'homme, et lui dit : Est-ce toi
12 qui as parlé à cette femme ? Il répondit : C'est moi. Manoach dit : Maintenant, si ta parole s'accomplit,
13 que faudra-t-il observer à l'égard de l'enfant, et qu'y aura-t-il à faire ? L'ange de l'Éternel répondit à
14 Manoach : La femme s'abstiendra de tout ce que je lui ai dit. Elle ne goûtera d'aucun produit de la vigne, elle ne boira ni vin ni liqueur forte, et elle ne mangera rien d'impur ; elle observera tout ce que
15 je lui ai prescrit. Manoach dit à l'ange de l'Éternel : Permets-nous de te retenir, et de t'apprêter un
16 chevreau. L'ange de l'Éternel répondit à Manoach : Quand tu me retiendrais, je ne mangerais pas de ton mets ; mais si tu veux faire un holocauste, tu l'offriras à l'Éternel. Manoach ne savait point que ce
17 fût un ange de l'Éternel. Et Manoach dit à l'ange de l'Éternel : Quel est ton nom, afin que nous te
18 rendions gloire, quand ta parole s'accomplira ? L'ange de l'Éternel lui répondit : Pourquoi demandes
19 -tu mon nom ? Il est merveilleux. Manoach prit le chevreau et l'offrande, et fit un sacrifice à l'Éternel
20 sur le rocher. Il s'opéra un prodige, pendant que Manoach et sa femme regardaient. Comme la flamme montait de dessus l'autel vers le ciel, l'ange de l'Éternel monta dans la flamme de l'autel. À cette vue,
21 Manoach et sa femme tombèrent la face contre terre. L'ange de l'Éternel n'apparut plus à Manoach et
22 à sa femme. Alors Manoach comprit que c'était l'ange de l'Éternel, et il dit à sa femme : Nous allons
23 mourir, car nous avons vu Dieu. Sa femme lui répondit : Si l'Éternel eût voulu nous faire mourir, il n'aurait pas pris de nos mains l'holocauste et l'offrande, il ne nous aurait pas fait voir tout cela, et il
24 ne nous aurait pas maintenant fait entendre pareilles choses. La femme enfanta un fils, et lui donna
25 le nom de Samson. L'enfant grandit, et l'Éternel le bénit. Et l'esprit de l'Éternel commença à l'agiter à Machané -Dan, entre Tsorea et Eschthaol.

14, 2 Samson descendit à Thimna, et il y vit une femme parmi les filles des Philistins. Lorsqu'il fut remonté, il le déclara à son père et à sa mère, et dit : J'ai vu à Thimna une femme parmi les filles des
3 Philistins ; prenez -la maintenant pour ma femme. Son père et sa mère lui dirent : N'y a-t-il point de femme parmi les filles de tes frères et dans tout notre peuple, que tu ailles prendre une femme chez les Philistins, qui sont incirconcis ? Et Samson dit à son père : Prends -la pour moi, car elle me plaît.
4 Son père et sa mère ne savaient pas que cela venait de l'Éternel : car Samson cherchait une occasion
5 de dispute de la part des Philistins. En ce temps -là, les Philistins dominaient sur Israël. Samson descendit avec son père et sa mère à Thimna. Lorsqu'ils arrivèrent aux vignes de Thimna, voici, un
6 jeune lion rugissant vint à sa rencontre. L'esprit de l'Éternel saisit Samson ; et, sans avoir rien à la main, Samson déchira le lion comme on déchire un chevreau. Il ne dit point à son père et à sa mère
7, 8 ce qu'il avait fait. Il descendit et parla à la femme, et elle lui plut. Quelque temps après, il se rendit de nouveau à Thimna pour la prendre, et se détourna pour voir le cadavre du lion. Et voici, il y avait
9 un essaim d'abeilles et du miel dans le corps du lion. Il prit entre ses mains le miel, dont il mangea pendant la route ; et lorsqu'il fut arrivé près de son père et de sa mère, il leur en donna, et ils en
10 mangèrent. Mais il ne leur dit pas qu'il avait pris ce miel dans le corps du lion. Le père de Samson
11 descendit chez la femme. Et là, Samson fit un festin, car c'était la coutume des jeunes gens. Dès qu'on
12 le vit, on invita trente compagnons qui se tinrent avec lui. Samson leur dit : Je vais vous proposer une énigme. Si vous me l'expliquez pendant les sept jours du festin, et si vous la découvrez, je vous
13 donnerai trente chemises et trente vêtements de rechange. Mais si vous ne pouvez pas me l'expliquer, ce sera vous qui me donnerez trente chemises et trente vêtements de rechange. Ils lui dirent : Propose
14 ton énigme, et nous l'écouterons. Et il leur dit : De celui qui mange est sorti ce qui se mange, et du fort
15 est sorti le doux. Pendant trois jours, ils ne purent expliquer l'énigme. Le septième jour, ils dirent à la femme de Samson : Persuade à ton mari de nous expliquer l'énigme ; sinon, nous te brûlerons, toi et la
16 maison de ton père. C'est pour nous dépouiller que vous nous avez invités, n'est-ce pas ? La femme de Samson pleurait auprès de lui, et disait : Tu n'as pour moi que de la haine, et tu ne m'aimes pas ; tu as proposé une énigme aux enfants de mon peuple, et tu ne me l'as point expliquée ! Et il lui répondait : Je
17 ne l'ai expliquée ni à mon père ni à ma mère ; est-ce à toi que je l'expliquerais ? Elle pleura auprès de lui pendant les sept jours que dura leur festin ; et le septième jour, il la lui expliqua, car elle le tourmentait.
18 Et elle donna l'explication de l'énigme aux enfants de son peuple. Les gens de la ville dirent à Samson le septième jour, avant le coucher du soleil : Quoi de plus doux que le miel, et quoi de plus fort que le lion ? Et il leur dit : Si vous n'aviez pas labouré avec ma génisse, vous n'auriez pas découvert mon
19 énigme. L'esprit de l'Éternel le saisit, et il descendit à Askalon. Il y tua trente hommes, prit leurs dépouilles, et donna les vêtements de rechange à ceux qui avaient expliqué l'énigme. Il était enflammé
20 de colère, et il monta à la maison de son père. Sa femme fut donnée à l'un de ses compagnons, avec lequel il était lié.

15 Quelque temps après, à l'époque de la moisson des blés, Samson alla voir sa femme, et lui porta un

chevreau. Il dit : Je veux entrer vers ma femme dans sa chambre. Mais le père de sa femme ne lui permit
pas d'entrer. J'ai pensé dit -il, que tu avais pour elle de la haine, et je l'ai donnée à ton compagnon. Est- 2
ce que sa jeune soeur n'est pas plus belle qu'elle ? Prends-la donc à sa place. Samson leur dit : Cette fois 3
je ne serai pas coupable envers les Philistins, si je leur fais du mal. Samson s'en alla. Il attrapa trois 4
cents renards, et prit des flambeaux ; puis il tourna queue contre queue, et mit un flambeau entre deux
queues, au milieu. Il alluma les flambeaux, lâcha les renards dans les blés des Philistins, et embrasa 5
les tas de gerbes, le blé sur pied, et jusqu'aux plantations d'oliviers. Les Philistins dirent : Qui a fait 6
cela ? On répondit : Samson, le gendre du Thimnien, parce que celui-ci lui a pris sa femme et l'a donnée
à son compagnon. Et les Philistins montèrent, et ils la brûlèrent, elle et son père. Samson leur dit : 7
Est-ce ainsi que vous agissez ? Je ne cesserai qu'après m'être vengé de vous. Il les battit rudement, 8
dos et ventre ; puis il descendit, et se retira dans la caverne du rocher d'Étam. Alors les Philistins 9
se mirent en marche, campèrent en Juda, et s'étendirent jusqu'à Léchi. Les hommes de Juda dirent : 10
Pourquoi êtes-vous montés contre nous ? Ils répondirent : Nous sommes montés pour lier Samson, afin
de le traiter comme il nous a traités. Sur quoi trois mille hommes de Juda descendirent à la caverne 11
du rocher d'Étam, et dirent à Samson : Ne sais -tu pas que les Philistins dominent sur nous ? Que nous
as-tu donc fait ? Il leur répondit : Je les ai traités comme ils m'ont traité. Ils lui dirent : Nous sommes 12
descendus pour te lier, afin de te livrer entre les mains des Philistins. Samson leur dit : Jurez -moi que
vous ne me tuerez pas. Ils lui répondirent : Non ; nous voulons seulement te lier et te livrer entre leurs 13
mains, mais nous ne te ferons pas mourir. Et ils le lièrent avec deux cordes neuves, et le firent sortir
du rocher. Lorsqu'il arriva à Léchi, les Philistins poussèrent des cris à sa rencontre. Alors l'esprit de 14
l'Éternel le saisit. Les cordes qu'il avait aux bras devinrent comme du lin brûlé par le feu, et ses liens
tombèrent de ses mains. Il trouva une mâchoire d'âne fraîche, il étendit sa main pour la prendre, et il 15
en tua mille hommes. Et Samson dit : Avec une mâchoire d'âne, un monceau, deux monceaux ; Avec une 16
mâchoire d'âne, j'ai tué mille hommes. Quand il eut achevé de parler, il jeta de sa main la mâchoire. Et 17
l'on appela ce lieu Ramath-Léchi. Pressé par la soif, il invoqua l'Éternel, et dit : C'est toi qui as permis 18
par la main de ton serviteur cette grande délivrance ; et maintenant mourrais je de soif, et tomberais -je
entre les mains des incirconcis ? Dieu fendit la cavité du rocher qui est à Léchi, et il en sortit de l'eau. 19
Samson but, son esprit se ranima, et il reprit vie. C'est de là qu'on a appelé cette source En-Hakkoré ;
elle existe encore aujourd'hui à Léchi. Samson fut juge en Israël, au temps des Philistins, pendant 20
vingt ans.

Samson partit pour Gaza ; il y vit une femme prostituée, et il entra chez elle. On dit aux gens de **16**, 2
Gaza : Samson est arrivé ici. Et ils l'environnèrent, et se tinrent en embuscade toute la nuit à la porte
de la ville. Ils restèrent tranquilles toute la nuit, disant : Au point du jour, nous le tuerons. Samson 3
demeura couché jusqu'à minuit. Vers minuit, il se leva ; et il saisit les battants de la porte de la ville
et les deux poteaux, les arracha avec la barre, les mit sur ses épaules, et les porta sur le sommet de
la montagne qui est en face d'Hébron. Après cela, il aima une femme dans la vallée de Sorek. Elle se 4
nommait Delila. Les princes des Philistins montèrent vers elle, et lui dirent : Flatte -le, pour savoir 5
d'où lui vient sa grande force et comment nous pourrions nous rendre maîtres de lui ; nous le lierons
pour le dompter, et nous te donnerons chacun mille et cent sicles d'argent. Delila dit à Samson : Dis 6
-moi, je te prie, d'où vient ta grande force, et avec quoi il faudrait te lier pour te dompter. Samson lui 7
dit : Si on me liait avec sept cordes fraîches, qui ne fussent pas encore sèches, je deviendrais faible et je
serais comme un autre homme. Les princes des Philistins apportèrent à Delila sept cordes fraîches, qui 8
n'étaient pas encore sèches. Et elle le lia avec ces cordes. Or des gens se tenaient en embuscade chez 9
elle, dans une chambre. Elle lui dit : Les Philistins sont sur toi, Samson ! Et il rompit les cordes, comme
se rompt un cordon d'étoupe quand il sent le feu. Et l'on ne connut point d'où venait sa force. Delila 10
dit à Samson : Voici, tu t'es joué de moi, tu m'as dit des mensonges. Maintenant, je te prie, indique
-moi avec quoi il faut te lier. Il lui dit : Si on me liait avec des cordes neuves, dont on ne se fût jamais 11
servi, je deviendrais faible et je serais comme un autre homme. Delila prit des cordes neuves, avec 12
lesquelles elle le lia. Puis elle lui dit : Les Philistins sont sur toi, Samson ! Or des gens se tenaient
en embuscade dans une chambre. Et il rompit comme un fil les cordes qu'il avait aux bras. Delila dit 13
à Samson : Jusqu'à présent tu t'es joué de moi, tu m'as dit des mensonges. Déclare -moi avec quoi il
faut te lier. Il lui dit : Tu n'as qu'à tisser les sept tresses de ma tête avec la chaîne du tissu. Et elle 14
les fixa par la cheville. Puis elle lui dit : Les Philistins sont sur toi, Samson ! Et il se réveilla de son
sommeil, et il arracha la cheville du tissu et le tissu. Elle lui dit : Comment peux-tu dire : Je t'aime ! 15
puisque ton coeur n'est pas avec moi ? Voilà trois fois que tu t'es joué de moi, et tu ne m'as pas déclaré
d'où vient ta grande force. Comme elle était chaque jour à le tourmenter et à l'importuner par ses 16
instances, son âme s'impatienta à la mort, il lui ouvrit tout son coeur, et lui dit : Le rasoir n'a point 17
passé sur ma tête, parce que je suis consacré à Dieu dès le ventre de ma mère. Si j'étais rasé, ma force
m'abandonnerait, je deviendrais faible, et je serais comme tout autre homme. Delila, voyant qu'il lui 18

avait ouvert tout son coeur, envoya appeler les princes des Philistins, et leur fit dire : Montez cette fois,
car il m'a ouvert tout son coeur. Et les princes des Philistins montèrent vers elle, et apportèrent l'argent
19 dans leurs mains. Elle l'endormit sur ses genoux. Et ayant appelé un homme, elle rasa les sept tresses
20 de la tête de Samson, et commença ainsi à le dompter. Il perdit sa force. Elle dit alors : Les Philistins
sont sur toi, Samson ! Et il se réveilla de son sommeil, et dit : Je m'en tirerai comme les autres fois,
21 et je me dégagerai. Il ne savait pas que l'Éternel s'était retiré de lui. Les Philistins le saisirent, et lui
crevèrent les yeux ; ils le firent descendre à Gaza, et le lièrent avec des chaînes d'airain. Il tournait la
22 meule dans la prison. Cependant les cheveux de sa tête recommençaient à croître, depuis qu'il avait
23 été rasé. Or les princes des Philistins s'assemblèrent pour offrir un grand sacrifice à Dagon, leur dieu,
24 et pour se réjouir. Ils disaient : Notre dieu a livré entre nos mains Samson, notre ennemi. Et quand
le peuple le vit, ils célébrèrent leur dieu, en disant : Notre dieu a livré entre nos mains notre ennemi,
25 celui qui ravageait notre pays, et qui multipliait nos morts. Dans la joie de leur coeur, ils dirent : Qu'on
appelle Samson, et qu'il nous divertisse ! Ils firent sortir Samson de la prison, et il joua devant eux. Ils
26 le placèrent entre les colonnes. Et Samson dit au jeune homme qui le tenait par la main : Laisse -moi,
27 afin que je puisse toucher les colonnes sur lesquelles repose la maison et m'appuyer contre elles. La
maison était remplie d'hommes et de femmes ; tous les princes des Philistins étaient là, et il y avait sur
28 le toit environ trois mille personnes, hommes et femmes, qui regardaient Samson jouer. Alors Samson
invoqua l'Éternel, et dit : Seigneur Éternel ! souviens -toi de moi, je te prie ; ô Dieu ! donne-moi de la
force seulement cette fois, et que d'un seul coup je tire vengeance des Philistins pour mes deux yeux !
29 Et Samson embrassa les deux colonnes du milieu sur lesquelles reposait la maison, et il s'appuya contre
30 elles ; l'une était à sa droite, et l'autre à sa gauche. Samson dit : Que je meure avec les Philistins ! Il se
pencha fortement, et la maison tomba sur les princes et sur tout le peuple qui y était. Ceux qu'il fit périr
31 à sa mort furent plus nombreux que ceux qu'il avait tués pendant sa vie. Ses frères et toute la maison
de son père descendirent, et l'emportèrent. Lorsqu'ils furent remontés, ils l'enterrèrent entre Tsorea et
Eschthaol dans le sépulcre de Manoach, son père. Il avait été juge en Israël pendant vingt ans.

17, 2 Il y avait un homme de la montagne d'Éphraïm, nommé Mica. Il dit à sa mère : Les mille et cent
sicles d'argent qu'on t'a pris, et pour lesquels tu as fait des imprécations même à mes oreilles, voici, cet
argent est entre mes mains, c'est moi qui l'avais pris. Et sa mère dit : Béni soit mon fils par l'Éternel !
3 Il rendit à sa mère les mille et cent sicles d'argent ; et sa mère dit : Je consacre de ma main cet argent
à l'Éternel, afin d'en faire pour mon fils une image taillée et une image en fonte ; et c'est ainsi que je te
4 le rendrai. Il rendit à sa mère l'argent. Sa mère prit deux cents sicles d'argent. Et elle donna l'argent
au fondeur, qui en fit une image taillée et une image en fonte. On les plaça dans la maison de Mica.
5 Ce Mica avait une maison de Dieu ; il fit un éphod et des théraphim, et il consacra l'un de ses fils,
6 qui lui servit de prêtre. En ce temps -là, il n'y avait point de roi en Israël. Chacun faisait ce qui lui
7 semblait bon. Il y avait un jeune homme de Bethléhem de Juda, de la famille de Juda ; il était Lévite,
8 et il séjournait là. Cet homme partit de la ville de Bethléhem de Juda, pour chercher une demeure
qui lui convînt. En poursuivant son chemin, il arriva dans la montagne d'Éphraïm jusqu'à la maison de
9 Mica. Mica lui dit : D'où viens -tu ? Il lui répondit : Je suis Lévite, de Bethléhem de Juda, et je voyage
10 pour chercher une demeure qui me convienne. Mica lui dit : Reste avec moi ; tu me serviras de père
et de prêtre, et je te donnerai dix sicles d'argent par année, les vêtements dont tu auras besoin, et ton
11 entretien. Et le Lévite entra. Il se décida ainsi à rester avec cet homme, qui regarda le jeune homme
12 comme l'un de ses fils. Mica consacra le Lévite, et ce jeune homme lui servit de prêtre et demeura dans
13 sa maison. Et Mica dit : Maintenant, je sais que l'Éternel me fera du bien, puisque j'ai ce Lévite pour
prêtre.

18 En ce temps -là, il n'y avait point de roi en Israël ; et la tribu des Danites se cherchait une possession
pour s'établir, car jusqu'à ce jour il ne lui était point échu d'héritage au milieu des tribus d'Israël.
2 Les fils de Dan prirent sur eux tous, parmi leurs familles, cinq hommes vaillants, qu'ils envoyèrent
de Tsorea et d'Eschthaol, pour explorer le pays et pour l'examiner. Ils leur dirent : Allez, examinez le
pays. Ils arrivèrent dans la montagne d'Éphraïm jusqu'à la maison de Mica, et ils y passèrent la nuit.
3 Comme ils étaient près de la maison de Mica, ils reconnurent la voix du jeune Lévite, s'approchèrent et
4 lui dirent : Qui t'a amené ici ? que fais -tu dans ce lieu ? et qu'as-tu ici ? Il leur répondit : Mica fait pour
5 moi telle et telle chose, il me donne un salaire, et je lui sers de prêtre. Ils lui dirent : Consulte Dieu, afin
6 que nous sachions si notre voyage aura du succès. Et le prêtre leur répondit : Allez en paix ; le voyage
7 que vous faites est sous le regard de l'Éternel. Les cinq hommes partirent, et ils arrivèrent à Laïs. Ils
virent le peuple qui y était vivant en sécurité à la manière des Sidoniens, tranquille et sans inquiétude ;
il n'y avait dans le pays personne qui leur fît le moindre outrage en dominant sur eux ; ils étaient
8 éloignés des Sidoniens, et ils n'avaient pas de liaison avec d'autres hommes. Ils revinrent auprès de
9 leurs frères à Tsorea et Eschthaol, et leurs frères leur dirent : Quelle nouvelle apportez-vous ? Allons !

répondirent -ils, montons contre eux ; car nous avons vu le pays, et voici, il est très bon. Quoi ! vous restez sans rien dire ! Ne soyez point paresseux à vous mettre en marche pour aller prendre possession de ce pays. Quand vous y entrerez, vous arriverez vers un peuple en sécurité. Le pays est vaste, et 10
Dieu l'a livré entre vos mains ; c'est un lieu où rien ne manque de tout ce qui est sur la terre. Six 11
cents hommes de la famille de Dan partirent de Tsorea et d'Eschthaol, munis de leurs armes de guerre.
Ils montèrent, et campèrent à Kirjath-Jearim en Juda ; c'est pourquoi ce lieu, qui est derrière Kirjath- 12
Jearim, a été appelé jusqu'à ce jour Machané-Dan. Ils passèrent de là dans la montagne d'Éphraïm, 13
et ils arrivèrent jusqu'à la maison de Mica. Alors les cinq hommes qui étaient allés pour explorer le 14
pays de Laïs prirent la parole et dirent à leurs frères : Savez -vous qu'il y a dans ces maisons -là un éphod, des théraphim, une image taillée et une image en fonte ? Voyez maintenant ce que vous avez à faire. Ils s'approchèrent de là, entrèrent dans la maison du jeune Lévite, dans la maison de Mica, et lui 15
demandèrent comment il se portait. Les six cents hommes d'entre les fils de Dan, munis de leurs armes 16
de guerre, se tenaient à l'entrée de la porte. Et les cinq hommes qui étaient allés pour explorer le pays 17
montèrent et entrèrent dans la maison ; ils prirent l'image taillée, l'éphod, les théraphim, et l'image en fonte, pendant que le prêtre était à l'entrée de la porte avec les six cents hommes munis de leurs armes de guerre. Lorsqu'ils furent entrés dans la maison de Mica, et qu'ils eurent pris l'image taillée, l'éphod, 18
les théraphim, et l'image en fonte, le prêtre leur dit : Que faites -vous ? Ils lui répondirent : Tais -toi, 19
mets ta main sur ta bouche, et viens avec nous ; tu nous serviras de père et de prêtre. Vaut-il mieux que tu serves de prêtre à la maison d'un seul homme, ou que tu serves de prêtre à une tribu et à une famille en Israël ? Le prêtre éprouva de la joie dans son coeur ; il prit l'éphod, les théraphim, et l'image taillée, 20
et se joignit à la troupe. Ils se remirent en route et partirent, en plaçant devant eux les enfants, le bétail 21
et les bagages. Comme ils étaient déjà loin de la maison de Mica, les gens qui habitaient les maisons 22
voisines de celle de Mica se rassemblèrent et poursuivirent les fils de Dan. Ils appelèrent les fils de 23
Dan, qui se retournèrent et dirent à Mica : Qu'as-tu, et que signifie ce rassemblement ? Il répondit : 24
Mes dieux que j'avais faits, vous les avez enlevés avec le prêtre et vous êtes partis : que me reste-t-il ? Comment donc pouvez-vous me dire : Qu'as-tu ? Les fils de Dan lui dirent : Ne fais pas entendre ta 25
voix près de nous ; sinon des hommes irrités se jetteront sur vous, et tu causeras ta perte et celle de ta maison. Et les fils de Dan continuèrent leur route. Mica, voyant qu'ils étaient plus forts que lui, s'en 26
retourna et revint dans sa maison. Ils enlevèrent ainsi ce qu'avait fait Mica et emmenèrent le prêtre 27
qui était à son service, et ils tombèrent sur Laïs, sur un peuple tranquille et en sécurité ; ils le passèrent au fil de l'épée, et ils brûlèrent la ville. Personne ne la délivra, car elle était éloignée de Sidon, et ses 28
habitants n'avaient pas de liaison avec d'autres hommes : elle était dans la vallée qui s'étend vers Beth-Rehob. Les fils de Dan rebâtirent la ville, et y habitèrent ; ils l 'appelèrent Dan, d'après le nom de Dan, 29
leur père, qui était né à Israël ; mais la ville s'appelait auparavant Laïs. Ils dressèrent pour eux l'image 30
taillée ; et Jonathan, fils de Guerschom, fils de Manassé, lui et ses fils, furent prêtres pour la tribu des Danites, jusqu'à l'époque de la captivité du pays. Ils établirent pour eux l'image taillée qu'avait faite 31
Mica, pendant tout le temps que la maison de Dieu fut à Silo.

Dans ce temps où il n'y avait point de roi en Israël, un Lévite, qui séjournait à l'extrémité de la **19**
montagne d'Éphraïm, prit pour sa concubine une femme de Bethléhem de Juda. Sa concubine lui fit 2
infidélité, et elle le quitta pour aller dans la maison de son père à Bethléhem de Juda, où elle resta l'espace de quatre mois. Son mari se leva et alla vers elle, pour parler à son coeur et la ramener. Il 3
avait avec lui son serviteur et deux ânes. Elle le fit entrer dans la maison de son père ; et quand le père de la jeune femme le vit, il le reçut avec joie. Son beau-père, le père de la jeune femme, le retint trois 4
jours chez lui. Ils mangèrent et burent, et ils y passèrent la nuit. Le quatrième jour, ils se levèrent de 5
bon matin, et le Lévite se disposait à partir. Mais le père de la jeune femme dit à son gendre : Prends un morceau de pain pour fortifier ton coeur ; vous partirez ensuite. Et ils s'assirent, et ils mangèrent 6
et burent eux deux ensemble. Puis le père de la jeune femme dit au mari : Décide -toi donc à passer la nuit, et que ton coeur se réjouisse. Le mari se levait pour s'en aller ; mais, sur les instances de son 7
beau-père, il passa encore la nuit. Le cinquième jour, il se leva de bon matin pour partir. Alors le père 8
de la jeune femme dit : Fortifie ton coeur, je te prie ; et restez jusqu'au déclin du jour. Et ils mangèrent eux deux. Le mari se levait pour s'en aller, avec sa concubine et son serviteur ; mais son beau-père, le 9
père de la jeune femme, lui dit : Voici, le jour baisse, il se fait tard, passez donc la nuit ; voici, le jour est sur son déclin, passe ici la nuit, et que ton coeur se réjouisse ; demain vous vous lèverez de bon matin pour vous mettre en route, et tu t'en iras à ta tente. Le mari ne voulut point passer la nuit, 10
il se leva et partit. Il arriva jusque devant Jebus, qui est Jérusalem, avec les deux ânes bâtés et avec sa concubine. Lorsqu'ils furent près de Jebus, le jour avait beaucoup baissé. Le serviteur dit alors à 11
son maître : Allons, dirigeons -nous vers cette ville des Jébusiens, et nous y passerons la nuit. Son 12
maître lui répondit : Nous n'entrerons pas dans une ville d'étrangers, où il n'y a point d'enfants d'Israël, nous irons jusqu'à Guibea. Il dit encore à son serviteur : Allons, approchons -nous de l'un de ces lieux, 13

14 Guibea ou Rama, et nous y passerons la nuit. Ils continuèrent à marcher, et le soleil se coucha quand
15 ils furent près de Guibea, qui appartient à Benjamin. Ils se dirigèrent de ce côté pour aller passer la
nuit à Guibea. Le Lévite entra, et il s'arrêta sur la place de la ville. Il n'y eut personne qui les reçût
16 dans sa maison pour qu'ils y passassent la nuit. Et voici, un vieillard revenait le soir de travailler aux
champs ; cet homme était de la montagne d'Éphraïm, il séjournait à Guibea, et les gens du lieu étaient
17 Benjamites. Il leva les yeux, et vit le voyageur sur la place de la ville. Et le vieillard lui dit : Où vas -tu,
18 et d'où viens -tu ? Il lui répondit : Nous allons de Bethléhem de Juda jusqu'à l'extrémité de la montagne
d'Éphraïm, d'où je suis. J'étais allé à Bethléhem de Juda, et je me rends à la maison de l'Éternel. Mais
19 il n'y a personne qui me reçoive dans sa demeure. Nous avons cependant de la paille et du fourrage
pour nos ânes ; nous avons aussi du pain et du vin pour moi, pour ta servante, et pour le garçon qui est
20 avec tes serviteurs. Il ne nous manque rien. Le vieillard dit : Que la paix soit avec toi ! Je me charge de
21 tous tes besoins, tu ne passeras pas la nuit sur la place. Il les fit entrer dans sa maison, et il donna du
22 fourrage aux ânes. Les voyageurs se lavèrent les pieds ; puis ils mangèrent et burent. Pendant qu'ils
étaient à se réjouir, voici, les hommes de la ville, gens pervers, entourèrent la maison, frappèrent à
la porte, et dirent au vieillard, maître de la maison : Fais sortir l'homme qui est entré chez toi, pour
23 que nous le connaissions. Le maître de la maison, se présentant à eux, leur dit : Non, mes frères, ne
faites pas le mal, je vous prie ; puisque cet homme est entré dans ma maison, ne commettez pas cette
24 infamie. Voici, j'ai une fille vierge, et cet homme a une concubine ; je vous les amènerai dehors ; vous les
déshonorerez, et vous leur ferez ce qu'il vous plaira. Mais ne commettez pas sur cet homme une action
25 aussi infâme. Ces gens ne voulurent point l'écouter. Alors l'homme prit sa concubine, et la leur amena
dehors. Ils la connurent, et ils abusèrent d'elle toute la nuit jusqu'au matin ; puis ils la renvoyèrent au
26 lever de l'aurore. Vers le matin, cette femme alla tomber à l'entrée de la maison de l'homme chez qui
27 était son mari, et elle resta là jusqu'au jour. Et le matin, son mari se leva, ouvrit la porte de la maison,
et sortit pour continuer son chemin. Mais voici, la femme, sa concubine, était étendue à l'entrée de la
28 maison, les mains sur le seuil. Il lui dit : Lève -toi, et allons -nous-en. Elle ne répondit pas. Alors le
29 mari la mit sur un âne, et partit pour aller dans sa demeure. Arrivé chez lui, il prit un couteau, saisit
sa concubine, et la coupa membre par membre en douze morceaux, qu'il envoya dans tout le territoire
30 d'Israël. Tous ceux qui virent cela dirent : Jamais rien de pareil n'est arrivé et ne s'est vu depuis que
les enfants d'Israël sont montés du pays d'Égypte jusqu'à ce jour ; prenez la chose à coeur, consultez
-vous, et parlez !

20 Tous les enfants d'Israël sortirent, depuis Dan jusqu'à Beer-Schéba et au pays de Galaad, et l'assem-
2 blée se réunit comme un seul homme devant l'Éternel, à Mitspa. Les chefs de tout le peuple, toutes
les tribus d'Israël, se présentèrent dans l'assemblée du peuple de Dieu : quatre cent mille hommes de
3 pied, tirant l'épée. Et les fils de Benjamin apprirent que les enfants d'Israël étaient montés à Mitspa.
4 Les enfants d'Israël dirent : Parlez, comment ce crime a-t-il été commis ? Alors le Lévite, le mari de la
femme qui avait été tuée, prit la parole, et dit : J'étais arrivé, avec ma concubine, à Guibea de Benjamin,
5 pour y passer la nuit. Les habitants de Guibea se sont soulevés contre moi, et ont entouré pendant la
nuit la maison où j'étais. Ils avaient l'intention de me tuer, et ils ont fait violence à ma concubine, et elle
6 est morte. J'ai saisi ma concubine, et je l'ai coupée en morceaux, que j'ai envoyés dans tout le territoire
7 de l'héritage d'Israël ; car ils ont commis un crime et une infamie en Israël. Vous voici tous, enfants
8 d'Israël ; consultez -vous, et prenez ici une décision ! Tout le peuple se leva comme un seul homme, en
9 disant : Nul de nous n'ira dans sa tente, et personne ne retournera dans sa maison. Voici maintenant
10 ce que nous ferons à Guibea : Nous marcherons contre elle d'après le sort. Nous prendrons dans toutes
les tribus d'Israël dix hommes sur cent, cent sur mille, et mille sur dix mille ; ils iront chercher des
vivres pour le peuple, afin qu'à leur retour on traite Guibea de Benjamin selon toute l'infamie qu'elle
11 a commise en Israël. Ainsi tous les hommes d'Israël s'assemblèrent contre la ville, unis comme un
12 seul homme. Les tribus d'Israël envoyèrent des hommes vers toutes les familles de Benjamin, pour
13 dire : Qu'est-ce que ce crime qui s'est commis parmi vous ? Livrez maintenant les gens pervers qui
sont à Guibea, afin que nous les fassions mourir et que nous ôtions le mal du milieu d'Israël. Mais
14 les Benjamites ne voulurent point écouter la voix de leurs frères, les enfants d'Israël. Les Benjamites
15 sortirent de leurs villes, et s'assemblèrent à Guibea, pour combattre les enfants d'Israël. Le dénom-
brement que l'on fit en ce jour des Benjamites sortis des villes fut de vingt -six mille hommes, tirant
16 l'épée, sans compter les habitants de Guibea formant sept cents hommes d'élite. Parmi tout ce peuple,
il y avait sept cents hommes d'élite qui ne se servaient pas de la main droite ; tous ceux-là pouvaient,
17 en lançant une pierre avec la fronde, viser à un cheveu sans le manquer. On fit aussi le dénombrement
des hommes d'Israël, non compris ceux de Benjamin, et l'on en trouva quatre cent mille tirant l'épée,
18 tous gens de guerre. Et les enfants d'Israël se levèrent, montèrent à Béthel, et consultèrent Dieu, en
disant : Qui de nous montera le premier pour combattre les fils de Benjamin ? l'Éternel répondit : Juda

montera le premier. Dès le matin, les enfants d'Israël se mirent en marche, et ils campèrent près de 19
Guibea. Et les hommes d'Israël s'avancèrent pour combattre ceux de Benjamin, et ils se rangèrent en 20
bataille contre eux devant Guibea. Les fils de Benjamin sortirent de Guibea, et ils étendirent sur le 21
sol ce jour -là vingt -deux mille hommes d'Israël. Le peuple, les hommes d'Israël reprirent courage, et 22
ils se rangèrent de nouveau en bataille dans le lieu où ils s'étaient placés le premier jour. Et les en- 23
fants d'Israël montèrent, et ils pleurèrent devant l'Éternel jusqu'au soir ; ils consultèrent l'Éternel, en
disant : Dois-je m'avancer encore pour combattre les fils de Benjamin, mon frère ? L'Éternel répondit :
Montez contre lui. Les enfants d'Israël s'avancèrent contre les fils de Benjamin, le second jour. Et ce 24, 25
même jour, les Benjamites sortirent de Guibea à leur rencontre, et ils étendirent encore sur le sol dix-
huit mille hommes des enfants d'Israël, tous tirant l'épée. Tous les enfants d'Israël et tout le peuple 26
montèrent et vinrent à Béthel ; ils pleurèrent et restèrent là devant l'Éternel, ils jeûnèrent en ce jour
jusqu'au soir, et ils offrirent des holocaustes et des sacrifices d'actions de grâces devant l'Éternel. Et 27
les enfants d'Israël consultèrent l'Éternel, -c'était là que se trouvait alors l'arche de l'alliance de Dieu,
et c'était Phinées, fils d'Éléazar, fils d'Aaron, qui se tenait à cette époque en présence de Dieu, -et ils 28
dirent : Dois-je marcher encore pour combattre les fils de Benjamin, mon frère, ou dois-je m'en abste-
nir ? L'Éternel répondit : Montez, car demain je les livrerai entre vos mains. Alors Israël plaça une 29
embuscade autour de Guibea. Les enfants d'Israël montèrent contre les fils de Benjamin, le troisième 30
jour, et ils se rangèrent en bataille devant Guibea, comme les autres fois. Et les fils de Benjamin sor- 31
tirent à la rencontre du peuple, et ils se laissèrent attirer loin de la ville. Ils commencèrent à frapper à
mort parmi le peuple comme les autres fois, sur les routes dont l'une monte à Béthel et l'autre à Guibea
par la campagne, et ils tuèrent environ trente hommes d'Israël. Les fils de Benjamin disaient : Les 32
voilà battus devant nous comme auparavant ! Mais les enfants d'Israël disaient : Fuyons, et attirons
-les loin de la ville dans les chemins. Tous les hommes d'Israël quittèrent leur position, et se rangèrent 33
à Baal-Thamar ; et l'embuscade d'Israël s'élança du lieu où elle était, de Maaré -Guibea. Dix mille 34
hommes choisis sur tout Israël arrivèrent devant Guibea. Le combat fut rude, et les Benjamites ne se
doutaient pas du désastre qu'ils allaient éprouver. L'Éternel battit Benjamin devant Israël, et les en- 35
fants d'Israël tuèrent ce jour -là vingt -cinq mille et cent hommes de Benjamin, tous tirant l'épée. Les 36
fils de Benjamin regardaient comme battus les hommes d'Israël, qui cédaient du terrain à Benjamin et
se reposaient sur l'embuscade qu'ils avaient placée contre Guibea. Les gens en embuscade se jetèrent 37
promptement sur Guibea, ils se portèrent en avant et frappèrent toute la ville du tranchant de l'épée.
Suivant un signal convenu avec les hommes d'Israël, ceux de l'embuscade devaient faire monter de la 38
ville une épaisse fumée. Les hommes d'Israël firent alors volte-face dans la bataille. Les Benjamites 39
leur avaient tué déjà environ trente hommes, et ils disaient : Certainement les voilà battus devant nous
comme dans le premier combat ! Cependant une épaisse colonne de fumée commençait à s'élever de la 40
ville. Les Benjamites regardèrent derrière eux ; et voici, de la ville entière les flammes montaient vers
le ciel. Les hommes d'Israël avaient fait volte-face ; et ceux de Benjamin furent épouvantés, en voyant 41
le désastre qui allait les atteindre. Ils tournèrent le dos devant les hommes d'Israël, et s'enfuirent par 42
le chemin du désert. Mais les assaillants s'attachèrent à leurs pas, et ils détruisirent pendant le trajet
ceux qui étaient sortis des villes. Ils enveloppèrent Benjamin, le poursuivirent, l'écrasèrent dès qu'il 43
voulait se reposer, jusqu'en face de Guibea du côté du soleil levant. Il tomba dix-huit mille hommes 44
de Benjamin, tous vaillants. Parmi ceux qui tournèrent le dos pour s'enfuir vers le désert au rocher 45
de Rimmon, les hommes d'Israël en firent périr cinq mille sur les routes ; ils les poursuivirent jusqu'à
Guideom, et ils en tuèrent deux mille. Le nombre total des Benjamites qui périrent ce jour -là fut de 46
vingt -cinq mille hommes tirant l'épée, tous vaillants. Six cents hommes, qui avaient tourné le dos 47
et qui s'étaient enfuis vers le désert au rocher de Rimmon, demeurèrent là pendant quatre mois. Les 48
hommes d'Israël revinrent vers les fils de Benjamin, et ils les frappèrent du tranchant de l'épée, depuis
les hommes des villes jusqu'au bétail, et tout ce que l'on trouva. Ils mirent aussi le feu à toutes les villes
qui existaient.

Les hommes d'Israël avaient juré à Mitspa, en disant : Aucun de nous ne donnera sa fille pour femme **21**
à un Benjamite. Le peuple vint à Béthel, et il y resta devant Dieu jusqu'au soir. Ils élevèrent la voix, 2
ils versèrent d'abondantes larmes, et ils dirent : O Éternel, Dieu d'Israël, pourquoi est-il arrivé en 3
Israël qu'il manque aujourd'hui une tribu d'Israël ? Le lendemain, le peuple se leva de bon matin ; ils 4
bâtirent là un autel, et ils offrirent des holocaustes et des sacrifices d'actions de grâces. Les enfants 5
d'Israël dirent : Quel est celui d'entre toutes les tribus d'Israël qui n'est pas monté à l'assemblée devant
l'Éternel ? Car on avait fait un serment solennel contre quiconque ne monterait pas vers l'Éternel à
Mitspa, on avait dit : Il sera puni de mort. Les enfants d'Israël éprouvaient du repentir au sujet de 6
Benjamin, leur frère, et ils disaient : Aujourd'hui une tribu a été retranchée d'Israël. Que ferons -nous 7
pour procurer des femmes à ceux qui ont survécu, puisque nous avons juré par l'Éternel de ne pas leur

8 donner de nos filles pour femmes ? Ils dirent donc : Y a-t-il quelqu'un d'entre les tribus d'Israël qui ne
soit pas monté vers l'Éternel à Mitspa ? Et voici, personne de Jabès en Galaad n'était venu au camp,
9 à l'assemblée. On fit le dénombrement du peuple, et il n'y avait là aucun des habitants de Jabès en
10 Galaad. Alors l'assemblée envoya contre eux douze mille soldats, en leur donnant cet ordre : Allez, et
11 frappez du tranchant de l'épée les habitants de Jabès en Galaad, avec les femmes et les enfants. Voici
ce que vous ferez : vous dévouerez par interdit tout mâle et toute femme qui a connu la couche d'un
12 homme. Ils trouvèrent parmi les habitants de Jabès en Galaad quatre cents jeunes filles vierges qui
n'avaient point connu d'homme en couchant avec lui, et ils les amenèrent dans le camp à Silo, qui est au
13 pays de Canaan. Toute l'assemblée envoya des messagers pour parler aux fils de Benjamin qui étaient
14 au rocher de Rimmon, et pour leur annoncer la paix. En ce temps -là, les Benjamites revinrent, et on
leur donna les femmes à qui l'on avait laissé la vie parmi les femmes de Jabès en Galaad. Mais il n'y en
15 avait pas assez pour eux. Le peuple éprouvait du repentir au sujet de Benjamin, car l'Éternel avait fait
16 une brèche dans les tribus d'Israël. Les anciens de l'assemblée dirent : Que ferons -nous pour procurer
17 des femmes à ceux qui restent, puisque les femmes de Benjamin ont été détruites ? Et ils dirent : Que
18 les réchappés de Benjamin conservent leur héritage, afin qu'une tribu ne soit pas effacée d'Israël. Mais
nous ne pouvons pas leur donner de nos filles pour femmes, car les enfants d'Israël ont juré, en disant :
19 Maudit soit celui qui donnera une femme à un Benjamite ! Et ils dirent : Voici, il y a chaque année
une fête de l'Éternel à Silo, qui est au nord de Béthel, à l'orient de la route qui monte de Béthel, à
20 Sichem, et au midi de Lebona. Puis ils donnèrent cet ordre aux fils de Benjamin : Allez, et placez-vous
21 en embuscade dans les vignes. Vous regarderez, et voici, lorsque les filles de Silo sortiront pour danser,
vous sortirez des vignes, vous enlèverez chacun une des filles de Silo pour en faire votre femme, et vous
22 vous en irez dans le pays de Benjamin. Si leurs pères ou leurs frères viennent se plaindre auprès de
nous, nous leur dirons : Accordez -les-nous, car nous n'avons pas pris une femme pour chacun dans la
23 guerre. Ce n'est pas vous qui les leur avez données ; en ce cas, vous seriez coupables. Ainsi firent les fils
de Benjamin ; ils prirent des femmes selon leur nombre parmi les danseuses qu'ils enlevèrent, puis ils
24 partirent et retournèrent dans leur héritage ; ils rebâtirent les villes, et y habitèrent. Et dans le même
temps les enfants d'Israël s'en allèrent de là chacun dans sa tribu et dans sa famille, ils retournèrent
25 chacun dans son héritage. En ce temps -là, il n'y avait point de roi en Israël. Chacun faisait ce qui lui
semblait bon.

RUTH

Du temps des juges, il y eut une famine dans le pays. Un homme de Bethléhem de Juda partit, **1**
avec sa femme et ses deux fils, pour faire un séjour dans le pays de Moab. Le nom de cet 2
homme était Élimélec, celui de sa femme Naomi, et ses deux fils s'appelaient Machlon et Kil-
jon ; ils étaient Éphratiens, de Bethléhem de Juda. Arrivés au pays de Moab, ils y fixèrent leur
demeure. Élimélec, mari de Naomi, mourut, et elle resta avec ses deux fils. Ils prirent des femmes 3, 4
Moabites, dont l'une se nommait Orpa, et l'autre Ruth, et ils habitèrent là environ dix ans. Machlon 5
et Kiljon moururent aussi tous les deux, et Naomi resta privée de ses deux fils et de son mari. Puis 6
elle se leva, elle et ses belles-filles, afin de quitter le pays de Moab, car elle apprit au pays de Moab que
l'Éternel avait visité son peuple et lui avait donné du pain. Elle sortit du lieu qu'elle habitait, accom- 7
pagnée de ses deux belles-filles, et elle se mit en route pour retourner dans le pays de Juda. Naomi dit 8
alors à ses deux belles-filles : Allez, retournez chacune à la maison de sa mère ! Que l'Éternel use de
bonté envers vous, comme vous l'avez fait envers ceux qui sont morts et envers moi ! Que l'Éternel vous 9
fasse trouver à chacune du repos dans la maison d'un mari ! Et elle les baisa. Elles élevèrent la voix,
et pleurèrent ; et elles lui dirent : Non, nous irons avec toi vers ton peuple. Naomi, dit : Retournez, 10, 11
mes filles ! Pourquoi viendriez -vous avec moi ? Ai-je encore dans mon sein des fils qui puissent devenir
vos maris ? Retournez, mes filles, allez ! Je suis trop vieille pour me remarier. Et quand je dirais : J'ai 12
de l'espérance ; quand cette nuit même je serais avec un mari, et que j'enfanterais des fils, attendriez 13
-vous pour cela qu'ils eussent grandi, refuseriez -vous pour cela de vous marier ? Non, mes filles ! car
à cause de vous je suis dans une grande affliction de ce que la main de l'Éternel s'est étendue contre
moi. Et elles élevèrent la voix, et pleurèrent encore. Orpa baisa sa belle-mère, mais Ruth s'attacha à 14
elle. Naomi dit à Ruth : Voici, ta belle-soeur est retournée vers son peuple et vers ses dieux ; retourne, 15
comme ta belle-soeur. Ruth répondit : Ne me presse pas de te laisser, de retourner loin de toi ! Où tu 16
iras j'irai, où tu demeureras je demeurerai ; ton peuple sera mon peuple, et ton Dieu sera mon Dieu ; où 17
tu mourras je mourrai, et j'y serai enterrée. Que l'Éternel me traite dans toute sa rigueur, si autre chose
que la mort vient à me séparer de toi ! Naomi, la voyant décidée à aller avec elle, cessa ses instances. 18
Elles firent ensemble le voyage jusqu'à leur arrivée à Bethléhem. Et lorsqu'elles entrèrent dans Bethlé- 19
hem, toute la ville fut émue à cause d'elles, et les femmes disaient : Est-ce là Naomi ? Elle leur dit : Ne 20
m'appelez pas Naomi ; appelez -moi Mara, car le Tout-Puissant m'a remplie d'amertume. J'étais dans 21
l'abondance à mon départ, et l'Éternel me ramène les mains vides. Pourquoi m'appelleriez -vous Naomi,
après que l'Éternel s'est prononcé contre moi, et que le Tout-Puissant m'a affligée ? Ainsi revinrent du 22
pays de Moab Naomi et sa belle-fille, Ruth la Moabite. Elles arrivèrent à Bethléhem au commencement
de la moisson des orges.

Naomi avait un parent de son mari. C'était un homme puissant et riche, de la famille d'Élimélec, **2**
et qui se nommait Boaz. Ruth la Moabite dit à Naomi : Laisse -moi, je te prie, aller glaner des épis 2
dans le champ de celui aux yeux duquel je trouverai grâce. Elle lui répondit : Va, ma fille. Elle alla 3
glaner dans un champ, derrière les moissonneurs. Et il se trouva par hasard que la pièce de terre
appartenait à Boaz, qui était de la famille d'Élimélec. Et voici, Boaz vint de Bethléhem, et il dit aux 4
moissonneurs : Que l'Éternel soit avec vous ! Ils lui répondirent : Que l'Éternel te bénisse ! Et Boaz 5
dit à son serviteur chargé de surveiller les moissonneurs : À qui est cette jeune femme ? Le serviteur 6
chargé de surveiller les moissonneurs répondit : C'est une jeune femme Moabite, qui est revenue avec
Naomi du pays de Moab. Elle a dit : Permettez-moi de glaner et de ramasser des épis entre les gerbes, 7
derrière les moissonneurs. Et depuis ce matin qu'elle est venue, elle a été debout jusqu'à présent, et
ne s'est reposée qu'un moment dans la maison. Boaz dit à Ruth : Écoute, ma fille, ne va pas glaner 8
dans un autre champ ; ne t'éloigne pas d'ici, et reste avec mes servantes. Regarde où l'on moissonne 9
dans le champ, et va après elles. J'ai défendu à mes serviteurs de te toucher. Et quand tu auras soif,
tu iras aux vases, et tu boiras de ce que les serviteurs auront puisé. Alors elle tomba sur sa face et se 10
prosterna contre terre, et elle lui dit : Comment ai-je trouvé grâce à tes yeux, pour que tu t'intéresses
à moi, à moi qui suis une étrangère ? Boaz lui répondit : On m'a rapporté tout ce que tu as fait pour 11
ta belle-mère depuis la mort de ton mari, et comment tu as quitté ton père et ta mère et le pays de ta
naissance, pour aller vers un peuple que tu ne connaissais point auparavant. Que l'Éternel te rende 12
ce que tu as fait, et que ta récompense soit entière de la part de l'Éternel, le Dieu d'Israël, sous les
ailes duquel tu es venue te réfugier ! Et elle dit : Oh ! que je trouve grâce à tes yeux, mon seigneur ! 13
Car tu m'as consolée, et tu as parlé au coeur de ta servante. Et pourtant je ne suis pas, moi, comme
l'une de tes servantes. Au moment du repas, Boaz dit à Ruth : Approche, mange du pain, et trempe 14
ton morceau dans le vinaigre. Elle s'assit à côté des moissonneurs. On lui donna du grain rôti ; elle

15 mangea et se rassasia, et elle garda le reste. Puis elle se leva pour glaner. Boaz donna cet ordre à ses
16 serviteurs : Qu'elle glane aussi entre les gerbes, et ne l'inquiétez pas, et même vous ôterez pour elle
17 des gerbes quelques épis, que vous la laisserez glaner, sans lui faire de reproches. Elle glana dans le
18 champ jusqu'au soir, et elle battit ce qu'elle avait glané. Il y eut environ un épha d'orge. Elle l'emporta
et rentra dans la ville, et sa belle-mère vit ce qu'elle avait glané. Elle sortit aussi les restes de son repas,
19 et les lui donna. Sa belle-mère lui dit : Où as-tu glané aujourd'hui, et où as-tu travaillé ? Béni soit celui
qui s'est intéressé à toi ! Et Ruth fit connaître à sa belle-mère chez qui elle avait travaillé : L'homme
20 chez qui j'ai travaillé aujourd'hui, dit-elle, s'appelle Boaz. Naomi dit à sa belle-fille : Qu'il soit béni de
l'Éternel, qui se montre miséricordieux pour les vivants comme il le fut pour ceux qui sont morts ! Cet
21 homme est notre parent, lui dit encore Naomi, il est de ceux qui ont sur nous droit de rachat. Ruth
la Moabite ajouta : Il m'a dit aussi : Reste avec mes serviteurs, jusqu'à ce qu'ils aient achevé toute ma
22 moisson. Et Naomi dit à Ruth, sa belle-fille : Il est bon, ma fille, que tu sortes avec ses servantes, et
23 qu'on ne te rencontre pas dans un autre champ. Elle resta donc avec les servantes de Boaz, pour glaner,
jusqu'à la fin de la moisson des orges et de la moisson du froment. Et elle demeurait avec sa belle-mère.

3 Naomi, sa belle-mère, lui dit : Ma fille, je voudrais assurer ton repos, afin que tu fusses heureuse.
2 Et maintenant Boaz, avec les servantes duquel tu as été, n'est-il pas notre parent ? Voici, il doit vanner
3 cette nuit les orges qui sont dans l'aire. Lave -toi et oins -toi, puis remets tes habits, et descends à
4 l'aire. Tu ne te feras pas connaître à lui, jusqu'à ce qu'il ait achevé de manger et de boire. Et quand
il ira se coucher, observe le lieu où il se couche. Ensuite va, découvre ses pieds, et couche -toi. Il te
5, 6 dira lui-même ce que tu as à faire. Elle lui répondit : Je ferai tout ce que tu as dit. Elle descendit à
7 l'aire, et fit tout ce qu'avait ordonné sa belle-mère. Boaz mangea et but, et son coeur était joyeux. Il
alla se coucher à l'extrémité d'un tas de gerbes. Ruth vint alors tout doucement, découvrit ses pieds, et
8 se coucha. Au milieu de la nuit, cet homme eut une frayeur ; il se pencha, et voici, une femme était
9 couchée à ses pieds. Il dit : Qui es-tu ? Elle répondit : Je suis Ruth, ta servante ; étends ton aile sur ta
10 servante, car tu as droit de rachat. Et il dit : Sois bénie de l'Éternel, ma fille ! Ce dernier trait témoigne
encore plus en ta faveur que le premier, car tu n'as pas recherché des jeunes gens, pauvres ou riches.
11 Maintenant, ma fille, ne crains point ; je ferai pour toi tout ce que tu diras ; car toute la porte de mon
12 peuple sait que tu es une femme vertueuse. Il est bien vrai que j'ai droit de rachat, mais il en existe
13 un autre plus proche que moi. Passe ici la nuit. Et demain, s'il veut user envers toi du droit de rachat,
à la bonne heure, qu'il le fasse ; mais s'il ne lui plaît pas d'en user envers toi, j'en userai, moi, l'Éternel
14 est vivant ! Reste couchée jusqu'au matin. Elle resta couchée à ses pieds jusqu'au matin, et elle se leva
avant qu'on pût se reconnaître l'un l'autre. Boaz dit : Qu'on ne sache pas qu'une femme est entrée dans
15 l'aire. Et il ajouta : Donne le manteau qui est sur toi, et tiens -le. Elle le tint, et il mesura six mesures
16 d'orge, qu'il chargea sur elle. Puis il rentra dans la ville. Ruth revint auprès de sa belle-mère, et Naomi
17 dit : Est-ce toi, ma fille ? Ruth lui raconta tout ce que cet homme avait fait pour elle. Elle dit : Il m'a
18 donné ces six mesures d'orge, en disant : Tu ne retourneras pas à vide vers ta belle-mère. Et Naomi
dit : Sois tranquille, ma fille, jusqu'à ce que tu saches comment finira la chose, car cet homme ne se
donnera point de repos qu 'il n'ait terminé cette affaire aujourd'hui.

4 Boaz monta à la porte, et s'y arrêta. Or voici, celui qui avait droit de rachat, et dont Boaz avait parlé,
2 vint à passer. Boaz lui dit : Approche, reste ici, toi un tel. Et il s'approcha, et s'arrêta. Boaz prit alors dix
3 hommes parmi les anciens de la ville, et il dit : Asseyez -vous ici. Et ils s'assirent. Puis il dit à celui qui
avait le droit de rachat : Naomi, revenue du pays de Moab, a vendu la pièce de terre qui appartenait à
4 notre frère Élimélec. J'ai cru devoir t'en informer, et te dire : Acquiers -la, en présence des habitants et
en présence des anciens de mon peuple. Si tu veux racheter, rachète ; mais si tu ne veux pas, déclare -le-
moi, afin que je le sache. Car il n'y a personne avant toi qui ait le droit de rachat, et je l'ai après toi. Et il
5 répondit : je rachèterai. Boaz dit : Le jour où tu acquerras le champ de la main de Naomi, tu l'acquerras
en même temps de Ruth la Moabite, femme du défunt, pour relever le nom du défunt dans son héritage.
6 Et celui qui avait le droit de rachat répondit : Je ne puis pas racheter pour mon compte, crainte de
7 détruire mon héritage ; prends pour toi mon droit de rachat, car je ne puis pas racheter. Autrefois en
Israël, pour valider une affaire quelconque relative à un rachat ou à un échange, l'un ôtait son soulier
8 et le donnait à l'autre : cela servait de témoignage en Israël. Celui qui avait le droit de rachat dit donc
9 à Boaz : Acquiers pour ton compte ! Et il ôta son soulier. Alors Boaz dit aux anciens et à tout le peuple :
Vous êtes témoins aujourd'hui que j'ai acquis de la main de Naomi tout ce qui appartenait à Élimélec,
10 à Kiljon et à Machlon, et que je me suis également acquis pour femme Ruth la Moabite, femme de
Machlon, pour relever le nom du défunt dans son héritage, et afin que le nom du défunt ne soit point
11 retranché d'entre ses frères et de la porte de son lieu. Vous en êtes témoins aujourd'hui ! Tout le peuple
qui était à la porte et les anciens dirent : Nous en sommes témoins ! Que l'Éternel rende la femme
qui entre dans ta maison semblable à Rachel et à Léa, qui toutes les deux ont bâti la maison d'Israël !

Manifeste ta force dans Éphrata, et fais -toi un nom dans Bethléhem ! Puisse la postérité que l'Éternel 12
te donnera par cette jeune femme rendre ta maison semblable à la maison de Pérets, qui fut enfanté à
Juda par Tamar ! Boaz prit Ruth, qui devint sa femme, et il alla vers elle. L'Éternel permit à Ruth de 13
concevoir, et elle enfanta un fils. Les femmes dirent à Naomi : Béni soit l'Éternel, qui ne t'a point laissé 14
manquer aujourd'hui d'un homme ayant droit de rachat, et dont le nom sera célébré en Israël ! Cet 15
enfant restaurera ton âme, et sera le soutien de ta vieillesse ; car ta belle-fille, qui t'aime, l'a enfanté,
elle qui vaut mieux pour toi que sept fils. Naomi prit l'enfant et le mit sur son sein, et elle fut sa garde. 16
Les voisines lui donnèrent un nom, en disant : Un fils est né à Naomi ! Et elles l'appelèrent Obed. Ce fut 17
le père d'Isaï père de David. Voici la postérité de Pérets. Pérets engendra Hetsron ; Hetsron engendra 18, 19
Ram ; Ram engendra Amminadab ; Amminadab engendra Nachschon ; Nachschon engendra Salmon ; 20
Salmon engendra Boaz ; Boaz engendra Obed ; Obed engendra Isaï ; et Isaï engendra David. 21, 22

I SAMUEL

1 Il y avait un homme de Ramathaïm-Tsophim, de la montagne d'Éphraïm, nommé Elkana, fils
2 de Jeroham, fils d'Élihu, fils de Thohu, fils de Tsuph, Éphratien. Il avait deux femmes, dont
l'une s'appelait Anne, et l'autre Peninna ; Peninna avait des enfants, mais Anne n'en avait
3 point. Chaque année, cet homme montait de sa ville à Silo, pour se prosterner devant l'Éternel
des armées et pour lui offrir des sacrifices. Là se trouvaient les deux fils d'Éli, Hophni et Phinées,
4 sacrificateurs de l'Éternel. Le jour où Elkana offrait son sacrifice, il donnait des portions à Peninna, sa
5 femme, et à tous les fils et à toutes les filles qu'il avait d'elle. Mais il donnait à Anne une portion double ;
6 car il aimait Anne, que l'Éternel avait rendue stérile. Sa rivale lui prodiguait les mortifications, pour la
7 porter à s'irriter de ce que l'Éternel l'avait rendue stérile. Et toutes les années il en était ainsi. Chaque
fois qu'Anne montait à la maison de l'Éternel, Peninna la mortifiait de la même manière. Alors elle
8 pleurait et ne mangeait point. Elkana, son mari, lui disait : Anne, pourquoi pleures -tu, et ne manges
9 -tu pas ? pourquoi ton coeur est-il attristé ? Est-ce que je ne vaux pas pour toi mieux que dix fils ? Anne
se leva, après que l'on eut mangé et bu à Silo. Le sacrificateur Éli était assis sur un siège, près de l'un
10 des poteaux du temple de l'Éternel. Et, l'amertume dans l'âme, elle pria l'Éternel et versa des pleurs.
11 Elle fit un voeu, en disant : Éternel des armées ! si tu daignes regarder l'affliction de ta servante, si tu
te souviens de moi et n'oublies point ta servante, et si tu donnes à ta servante un enfant mâle, je le
12 consacrerai à l'Éternel pour tous les jours de sa vie, et le rasoir ne passera point sur sa tête. Comme
13 elle restait longtemps en prière devant l'Éternel, Éli observa sa bouche. Anne parlait dans son coeur, et
14 ne faisait que remuer les lèvres, mais on n'entendait point sa voix. Éli pensa qu'elle était ivre, et il lui
15 dit : Jusques à quand seras-tu dans l'ivresse ? Fais passer ton vin. Anne répondit : Non, mon seigneur,
je suis une femme qui souffre en son coeur, et je n'ai bu ni vin ni boisson enivrante ; mais je répandais
16 mon âme devant l'Éternel. Ne prends pas ta servante pour une femme pervertie, car c'est l'excès de ma
17 douleur et de mon chagrin qui m'a fait parler jusqu'à présent. Éli reprit la parole, et dit : Va en paix, et
18 que le Dieu d'Israël exauce la prière que tu lui as adressée ! Elle dit : Que ta servante trouve grâce à tes
19 yeux ! Et cette femme s'en alla. Elle mangea, et son visage ne fut plus le même. Ils se levèrent de bon
matin, et après s'être prosternés devant l'Éternel, ils s'en retournèrent et revinrent dans leur maison
20 à Rama. Elkana connut Anne, sa femme, et l'Éternel se souvint d'elle. Dans le cours de l'année, Anne
devint enceinte, et elle enfanta un fils, qu'elle nomma Samuel, car, dit-elle, je l'ai demandé à l'Éternel.
21 Son mari Elkana monta ensuite avec toute sa maison, pour offrir à l'Éternel le sacrifice annuel, et pour
22 accomplir son voeu. Mais Anne ne monta point, et elle dit à son mari : Lorsque l'enfant sera sevré, je
23 le mènerai, afin qu'il soit présenté devant l'Éternel et qu'il reste là pour toujours. Elkana, son mari,
lui dit : Fais ce qui te semblera bon, attends de l'avoir sevré. Veuille seulement l'Éternel accomplir
24 sa parole ! Et la femme resta et allaita son fils, jusqu'à ce qu'elle le sevrât. Quand elle l'eut sevré,
elle le fit monter avec elle, et prit trois taureaux, un épha de farine, et une outre de vin. Elle le mena
25 dans la maison de l'Éternel à Silo : l'enfant était encore tout jeune. Ils égorgèrent les taureaux, et ils
26 conduisirent l'enfant à Éli. Anne dit : Mon seigneur, pardon ! aussi vrai que ton âme vit, mon seigneur,
27 je suis cette femme qui me tenais ici près de toi pour prier l'Éternel. C'était pour cet enfant que je
28 priais, et l'Éternel a exaucé la prière que je lui adressais. Aussi je veux le prêter à l'Éternel : il sera
toute sa vie prêté à l'Éternel. Et ils se prosternèrent là devant l'Éternel.

2 Anne pria, et dit : Mon coeur se réjouit en l'Éternel, Ma force a été relevée par l'Éternel ; Ma bouche
2 s'est ouverte contre mes ennemis, Car je me réjouis de ton secours. Nul n'est saint comme l'Éternel ;
3 Il n'y a point d'autre Dieu que toi ; Il n'y a point de rocher comme notre Dieu. Ne parlez plus avec
tant de hauteur ; Que l'arrogance ne sorte plus de votre bouche ; Car l'Éternel est un Dieu qui sait tout,
4 Et par lui sont pesées toutes les actions. L'arc des puissants est brisé, Et les faibles ont la force pour
5 ceinture. Ceux qui étaient rassasiés se louent pour du pain, Et ceux qui étaient affamés se reposent ;
6 Même la stérile enfante sept fois, Et celle qui avait beaucoup d'enfants est flétrie. L'Éternel fait mourir
7 et il fait vivre. Il fait descendre au séjour des morts et il en fait remonter. L'Éternel appauvrit et il
8 enrichit, Il abaisse et il élève. De la poussière il retire le pauvre, Du fumier il relève l'indigent, Pour
les faire asseoir avec les grands. Et il leur donne en partage un trône de gloire ; Car à l'Éternel sont
9 les colonnes de la terre, Et c'est sur elles qu'il a posé le monde. Il gardera les pas de ses bien-aimés.
Mais les méchants seront anéantis dans les ténèbres ; Car l'homme ne triomphera point par la force.

Les ennemis de l'Éternel trembleront ; Du haut des cieux il lancera sur eux son tonnerre ; L'Éternel
jugera les extrémités de la terre. Il donnera la puissance à son roi, Et il relèvera la force de son oint. 10
Elkana s'en alla dans sa maison à Rama, et l'enfant fut au service de l'Éternel devant le sacrificateur 11
Éli. Les fils d'Éli étaient des hommes pervers, ils ne connaissaient point l'Éternel. Et voici quelle 12, 13
était la manière d'agir de ces sacrificateurs à l'égard du peuple. Lorsque quelqu'un offrait un sacrifice,
le serviteur du sacrificateur arrivait au moment où l'on faisait cuire la chair. Tenant à la main une
fourchette à trois dents, il piquait dans la chaudière, dans le chaudron, dans la marmite, ou dans le 14
pot ; et tout ce que la fourchette amenait, le sacrificateur le prenait pour lui. C'est ainsi qu'ils agissaient
à l'égard de tous ceux d'Israël qui venaient là à Silo. Même avant qu'on fît brûler la graisse, le serviteur 15
du sacrificateur arrivait et disait à celui qui offrait le sacrifice : Donne pour le sacrificateur de la chair
à rôtir ; il ne recevra de toi point de chair cuite, c'est de la chair crue qu'il veut. Et si l'homme lui 16
disait : Quand on aura brûlé la graisse, tu prendras ce qui te plaira, le serviteur répondait : Non !
tu donneras maintenant, sinon je prends de force. Ces jeunes gens se rendaient coupables devant 17
l'Éternel d'un très grand péché, parce qu'ils méprisaient les offrandes de l'Éternel. Samuel faisait le 18
service devant l'Éternel, et cet enfant était revêtu d'un éphod de lin. Sa mère lui faisait chaque année 19
une petite robe, et la lui apportait en montant avec son mari pour offrir le sacrifice annuel. Éli bénit 20
Elkana et sa femme, en disant : Que l'Éternel te fasse avoir des enfants de cette femme, pour remplacer
celui qu'elle a prêté à l'Éternel ! Et ils s'en retournèrent chez eux. Lorsque l'Éternel eut visité Anne, 21
elle devint enceinte, et elle enfanta trois fils et deux filles. Et le jeune Samuel grandissait auprès de
l'Éternel. Éli était fort âgé et il apprit comment ses fils agissaient à l'égard de tout Israël ; il apprit 22
aussi qu'ils couchaient avec les femmes qui s'assemblaient à l'entrée de la tente d'assignation. Il leur 23
dit : Pourquoi faites -vous de telles choses ? car j'apprends de tout le peuple vos mauvaises actions.
Non, mes enfants, ce que j'entends dire n'est pas bon ; vous faites pécher le peuple de l'Éternel. Si un 24, 25
homme pèche contre un autre homme, Dieu le jugera ; mais s'il pèche contre l'Éternel, qui intercédera
pour lui ? Et ils n'écoutèrent point la voix de leur père, car l'Éternel voulait les faire mourir. Le jeune 26
Samuel continuait à grandir, et il était agréable à l'Éternel et aux hommes. Un homme de Dieu vint 27
auprès d'Éli, et lui dit : Ainsi parle l'Éternel : Ne me suis-je pas révélé à la maison de ton père, lorsqu'ils
étaient en Égypte dans la maison de Pharaon ? Je l'ai choisie parmi toutes les tribus d'Israël pour être 28
à mon service dans le sacerdoce, pour monter à mon autel, pour brûler le parfum, pour porter l'éphod
devant moi, et j'ai donné à la maison de ton père tous les sacrifices consumés par le feu et offerts par
les enfants d'Israël. Pourquoi foulez-vous aux pieds mes sacrifices et mes offrandes, que j'ai ordonné 29
de faire dans ma demeure ? Et d'où vient que tu honores tes fils plus que moi, afin de vous engraisser
des prémices de toutes les offrandes d'Israël, mon peuple ? C'est pourquoi voici ce que dit l'Éternel, 30
le Dieu d'Israël : J'avais déclaré que ta maison et la maison de ton père marcheraient devant moi à
perpétuité. Et maintenant, dit l'Éternel, loin de moi ! Car j'honorerai celui qui m'honore, mais ceux
qui me méprisent seront méprisés. Voici, le temps arrive où je retrancherai ton bras et le bras de la 31
maison de ton père, en sorte qu'il n'y aura plus de vieillard dans ta maison. Tu verras un adversaire 32
dans ma demeure, tandis qu'Israël sera comblé de biens par l'Éternel ; et il n'y aura plus jamais de
vieillard dans ta maison. Je laisserai subsister auprès de mon autel l'un des tiens, afin de consumer 33
tes yeux et d'attrister ton âme ; mais tous ceux de ta maison mourront dans la force de l'âge. Et tu 34
auras pour signe ce qui arrivera à tes deux fils, Hophni et Phinées ; ils mourront tous les deux le même
jour. Je m'établirai un sacrificateur fidèle, qui agira selon mon coeur et selon mon âme ; je lui bâtirai 35
une maison stable, et il marchera toujours devant mon oint. Et quiconque restera de ta maison viendra 36
se prosterner devant lui pour avoir une pièce d'argent et un morceau de pain, et dira : Attache -moi, je
te prie, à l'une des fonctions du sacerdoce, afin que j'aie un morceau de pain à manger.

Le jeune Samuel était au service de l'Éternel devant Éli. La parole de l'Éternel était rare en ce **3**
temps -là, les visions n'étaient pas fréquentes. En ce même temps, Éli, qui commençait à avoir les 2
yeux troubles et ne pouvait plus voir, était couché à sa place, la lampe de Dieu n'était pas encore 3
éteinte, et Samuel était couché dans le temple de l'Éternel, où était l'arche de Dieu. Alors l'Éternel 4
appela Samuel. Il répondit : Me voici ! Et il courut vers Éli, et dit : Me voici, car tu m'as appelé. Éli 5
répondit : Je n'ai point appelé ; retourne te coucher. Et il alla se coucher. L'Éternel appela de nouveau 6
Samuel. Et Samuel se leva, alla vers Éli, et dit : Me voici, car tu m'as appelé. Éli répondit : Je n'ai
point appelé, mon fils, retourne te coucher. Samuel ne connaissait pas encore l'Éternel, et la parole de 7
l'Éternel ne lui avait pas encore été révélée. L'Éternel appela de nouveau Samuel, pour la troisième 8
fois. Et Samuel se leva, alla vers Éli, et dit : Me voici, car tu m'as appelé. Éli comprit que c'était l'Éternel

9 qui appelait l'enfant, et il dit à Samuel : Va, couche -toi ; et si l'on t'appelle, tu diras : Parle, Éternel, car
10 ton serviteur écoute. Et Samuel alla se coucher à sa place. L'Éternel vint et se présenta, et il appela
11 comme les autres fois : Samuel, Samuel ! Et Samuel répondit : Parle, car ton serviteur écoute. Alors
l'Éternel dit à Samuel : Voici, je vais faire en Israël une chose qui étourdira les oreilles de quiconque
12 l'entendra. En ce jour j'accomplirai sur Éli tout ce que j'ai prononcé contre sa maison ; je commencerai
13 et j'achèverai. Je lui ai déclaré que je veux punir sa maison à perpétuité, à cause du crime dont il
14 a connaissance, et par lequel ses fils se sont rendus méprisables, sans qu'il les ait réprimés. C'est
pourquoi je jure à la maison d'Éli que jamais le crime de la maison d'Éli ne sera expié, ni par des
15 sacrifices ni par des offrandes. Samuel resta couché jusqu'au matin, puis il ouvrit les portes de la
16 maison de l'Éternel. Samuel craignait de raconter la vision à Éli. Mais Éli appela Samuel, et dit :
17 Samuel, mon fils ! Il répondit : Me voici ! Et Éli dit : Quelle est la parole que t'a adressée l'Éternel ?
Ne me cache rien. Que Dieu te traite dans toute sa rigueur, si tu me caches quelque chose de tout ce
18 qu'il t'a dit ! Samuel lui raconta tout, sans lui rien cacher. Et Éli dit : C'est l'Éternel, qu'il fasse ce qui
19 lui semblera bon ! Samuel grandissait. L'Éternel était avec lui, et il ne laissa tomber à terre aucune de
20 ses paroles. Tout Israël, depuis Dan jusqu'à Beer-Schéba, reconnut que Samuel était établi prophète
21 de l'Éternel. L'Éternel continuait à apparaître dans Silo ; car l'Éternel se révélait à Samuel, dans Silo,
par la parole de l'Éternel.

4 La parole de Samuel s'adressait à tout Israël. Israël sortit à la rencontre des Philistins, pour com-
2 battre. Ils campèrent près d'Ében-Ézer, et les Philistins étaient campés à Aphek. Les Philistins se rangèrent en bataille contre Israël, et le combat s'engagea. Israël fut battu par les Philistins, qui tuèrent
3 sur le champ de bataille environ quatre mille hommes. Le peuple rentra au camp, et les anciens d'Israël dirent : Pourquoi l'Éternel nous a-t-il laissé battre aujourd'hui par les Philistins ? Allons chercher à Silo l'arche de l'alliance de l'Éternel ; qu'elle vienne au milieu de nous, et qu'elle nous délivre de la
4 main de nos ennemis. Le peuple envoya à Silo, d'où l'on apporta l'arche de l'alliance de l'Éternel des armées qui siège entre les chérubins. Les deux fils d'Éli, Hophni et Phinées, étaient là, avec l'arche de
5 l'alliance de Dieu. Lorsque l'arche de l'alliance de l'Éternel entra dans le camp, tout Israël poussa de
6 grands cris de joie, et la terre en fut ébranlée. Le retentissement de ces cris fut entendu des Philistins, et ils dirent : Que signifient ces grands cris qui retentissent dans le camp des Hébreux ? Et ils apprirent
7 que l'arche de l'Éternel était arrivée au camp. Les Philistins eurent peur, parce qu'ils crurent que Dieu
8 était venu dans le camp. Malheur à nous ! dirent -ils, car il n'en a pas été ainsi jusqu'à présent. Malheur à nous ! Qui nous délivrera de la main de ces dieux puissants ? Ce sont ces dieux qui ont frappé
9 les Égyptiens de toutes sortes de plaies dans le désert. Fortifiez -vous et soyez des hommes, Philistins, de peur que vous ne soyez asservis aux Hébreux comme ils vous ont été asservis ; soyez des hommes
10 et combattez ! Les Philistins livrèrent bataille, et Israël fut battu. Chacun s'enfuit dans sa tente. La
11 défaite fut très grande, et il tomba d'Israël trente mille hommes de pied. L'arche de Dieu fut prise,
12 et les deux fils d'Éli, Hophni et Phinées, moururent. Un homme de Benjamin accourut du champ de
13 bataille et vint à Silo le même jour, les vêtements déchirés et la tête couverte de terre. Lorsqu'il arriva,
Éli était dans l'attente, assis sur un siège près du chemin, car son coeur était inquiet pour l'arche de
14 Dieu. À son entrée dans la ville, cet homme donna la nouvelle, et toute la ville poussa des cris. Éli,
entendant ces cris, dit : Que signifie ce tumulte ? Et aussitôt l'homme vint apporter la nouvelle à Éli.
15, 16 Or Éli était âgé de quatre-vingt-dix -huit ans, il avait les yeux fixes et ne pouvait plus voir. L'homme
dit à Éli : J'arrive du champ de bataille, et c'est du champ de bataille que je me suis enfui aujourd'hui.
17 Éli dit : Que s'est-il passé, mon fils ? Celui qui apportait la nouvelle dit en réponse : Israël a fui devant
les Philistins, et le peuple a éprouvé une grande défaite ; et même tes deux fils, Hophni et Phinées, sont
18 morts, et l'arche de Dieu a été prise. À peine eut-il fait mention de l'arche de Dieu, qu'Éli tomba de son
siège à la renverse, à côté de la porte ; il se rompit la nuque et mourut, car c'était un homme vieux et pe-
19 sant. Il avait été juge en Israël pendant quarante ans. Sa belle-fille, femme de Phinées, était enceinte
et sur le point d'accoucher. Lorsqu'elle entendit la nouvelle de la prise de l'arche de Dieu, de la mort de
20 son beau-père et de celle de son mari, elle se courba et accoucha, car les douleurs la surprirent. Comme
elle allait mourir, les femmes qui étaient auprès d'elle lui dirent : Ne crains point, car tu as enfanté un
21 fils ! Mais elle ne répondit pas et n'y fit pas attention. Elle appela l'enfant I-Kabod, en disant : La gloire
est bannie d'Israël ! C'était à cause de la prise de l'arche de Dieu, et à cause de son beau-père et de son
22 mari. Elle dit : La gloire est bannie d'Israël, car l'arche de Dieu est prise !

5, 2 Les Philistins prirent l'arche de Dieu, et ils la transportèrent d'Ében-Ézer à Asdod. Après s'être
emparés de l'arche de Dieu, les Philistins la firent entrer dans la maison de Dagon et la placèrent à côté

de Dagon. Le lendemain, les Asdodiens, qui s'étaient levés de bon matin, trouvèrent Dagon étendu la 3
face contre terre, devant l'arche de l'Éternel. Ils prirent Dagon, et le remirent à sa place. Le lendemain 4
encore, s'étant levés de bon matin, ils trouvèrent Dagon étendu la face contre terre, devant l'arche de
l'Éternel ; la tête de Dagon et ses deux mains étaient abattues sur le seuil, et il ne lui restait que le
tronc. C'est pourquoi jusqu'à ce jour, les prêtres de Dagon et tous ceux qui entrent dans la maison de 5
Dagon à Asdod ne marchent point sur le seuil. La main de l'Éternel s'appesantit sur les Asdodiens, 6
et il mit la désolation parmi eux ; il les frappa d'hémorroïdes à Asdod et dans son territoire. Voyant 7
qu'il en était ainsi, les gens d'Asdod dirent : L'arche du Dieu d'Israël ne restera pas chez nous, car il
appesantit sa main sur nous et sur Dagon, notre dieu. Et ils firent chercher et assemblèrent auprès 8
d'eux tous les princes des Philistins, et ils dirent : Que ferons -nous de l'arche du Dieu d'Israël ? Les
princes répondirent : Que l'on transporte à Gath l'arche du Dieu d'Israël. Et l'on y transporta l'arche du
Dieu d'Israël. Mais après qu'elle eut été transportée, la main de l'Éternel fut sur la ville, et il y eut une 9
très grande consternation ; il frappa les gens de la ville depuis le petit jusqu'au grand, et ils eurent une
éruption d'hémorroïdes. Alors ils envoyèrent l'arche de Dieu à Ékron. Lorsque l'arche de Dieu entra 10
dans Ékron, les Ékroniens poussèrent des cris, en disant : On a transporté chez nous l'arche du Dieu
d'Israël, pour nous faire mourir, nous et notre peuple ! Et ils firent chercher et assemblèrent tous les 11
princes des Philistins, et ils dirent : Renvoyez l'arche du Dieu d'Israël ; qu'elle retourne en son lieu, et
qu'elle ne nous fasse pas mourir, nous et notre peuple. Car il y avait dans toute la ville une terreur
mortelle ; la main de Dieu s'y appesantissait fortement. Les gens qui ne mouraient pas étaient frappés 12
d'hémorroïdes, et les cris de la ville montaient jusqu'au ciel.

L'arche de l'Éternel fut sept mois dans le pays des Philistins. Et les Philistins appelèrent les prêtres **6**, 2
et les devins, et ils dirent : Que ferons -nous de l'arche de l'Éternel ? Faites-nous connaître de quelle
manière nous devons la renvoyer en son lieu. Ils répondirent : Si vous renvoyez l'arche du Dieu d'Israël, 3
ne la renvoyez point à vide, mais faites à Dieu un sacrifice de culpabilité ; alors vous guérirez, et vous
saurez pourquoi sa main ne s'est pas retirée de dessus vous. Les Philistins dirent : Quelle offrande lui 4
ferons -nous ? Ils répondirent : Cinq tumeurs d'or et cinq souris d'or, d'après le nombre des princes des
Philistins, car une même plaie a été sur vous tous et sur vos princes. Faites des figures de vos tumeurs 5
et des figures de vos souris qui ravagent le pays, et donnez gloire au Dieu d'Israël : peut-être cessera-t-il
d'appesantir sa main sur vous, sur vos dieux, et sur votre pays. Pourquoi endurciriez -vous votre coeur, 6
comme les Égyptiens et Pharaon ont endurci leur coeur ? N'exerça-t-il pas ses châtiments sur eux, et
ne laissèrent-ils pas alors partir les enfants d'Israël ? Maintenant, faites un char tout neuf, et prenez 7
deux vaches qui allaitent et qui n'aient point porté le joug ; attelez les vaches au char, et ramenez à
la maison leurs petits qui sont derrière elles. Vous prendrez l'arche de l'Éternel, et vous la mettrez 8
sur le char ; vous placerez à côté d'elle, dans un coffre, les objets d'or que vous donnez à l'Éternel en
offrande pour le péché ; puis vous la renverrez, et elle partira. Suivez -la du regard : si elle monte par 9
le chemin de sa frontière vers Beth-Schémesch, c'est l'Éternel qui nous a fait ce grand mal ; sinon, nous
saurons que ce n'est pas sa main qui nous a frappés, mais que cela nous est arrivé par hasard. Ces 10
gens firent ainsi. Ils prirent deux vaches qui allaitaient et les attelèrent au char, et ils enfermèrent
les petits dans la maison. Ils mirent sur le char l'arche de l'Éternel, et le coffre avec les souris d'or 11
et les figures de leurs tumeurs. Les vaches prirent directement le chemin de Beth-Schémesch ; elles 12
suivirent toujours la même route en mugissant, et elles ne se détournèrent, ni à droite ni à gauche. Les
princes des Philistins allèrent derrière elles jusqu'à la frontière de Beth-Schémesch. Les habitants de 13
Beth-Schémesch moissonnaient les blés dans la vallée ; ils levèrent les yeux, aperçurent l'arche, et se
réjouirent en la voyant. Le char arriva dans le champ de Josué de Beth-Schémesch, et s'y arrêta. Il y 14
avait là une grande pierre. On fendit le bois du char, et l'on offrit les vaches en holocauste à l'Éternel.
Les Lévites descendirent l'arche de l'Éternel, et le coffre qui était à côté d'elle et qui contenait les 15
objets d'or ; et ils posèrent le tout sur la grande pierre. Les gens de Beth-Schémesch offrirent en ce
jour des holocaustes et des sacrifices à l'Éternel. Les cinq princes des Philistins, après avoir vu cela, 16
retournèrent à Ékron le même jour. Voici les tumeurs d'or que les Philistins donnèrent à l'Éternel en 17
offrande pour le péché : une pour Asdod, une pour Gaza, une pour Askalon, une pour Gath, une pour
Ékron. Il y avait aussi des souris d'or selon le nombre de toutes les villes des Philistins, appartenant 18
aux cinq chefs, tant des villes fortifiées que des villages sans murailles. C'est ce qu'atteste la grande
pierre sur laquelle on déposa l'arche de l'Éternel, et qui est encore aujourd'hui dans le champ de Josué
de Beth-Schémesch. L'Éternel frappa les gens de Beth-Schémesch, lorsqu'ils regardèrent l'arche de 19
l'Éternel ; il frappa [cinquante mille] soixante-dix hommes parmi le peuple. Et le peuple fut dans la
désolation, parce que l'Éternel l 'avait frappé d'une grande plaie. Les gens de Beth-Schémesch dirent : 20

Qui peut subsister en présence de l'Éternel, de ce Dieu saint ? Et vers qui l'arche doit-elle monter, en
21 s'éloignant de nous ? Ils envoyèrent des messagers aux habitants de Kirjath-Jearim, pour leur dire :
Les Philistins ont ramené l'arche de l'Éternel ; descendez, et faites-la monter vers vous.
7 Les gens de Kirjath-Jearim vinrent, et firent monter l'arche de l'Éternel ; ils la conduisirent dans la
maison d'Abinadab, sur la colline, et ils consacrèrent son fils Éléazar pour garder l'arche de l'Éternel.
2 Il s'était passé bien du temps depuis le jour où l'arche avait été déposée à Kirjath-Jearim. Vingt années
3 s'étaient écoulées. Alors toute la maison d'Israël poussa des gémissements vers l'Éternel. Samuel dit
à toute la maison d'Israël : Si c'est de tout votre coeur que vous revenez à l'Éternel, ôtez du milieu de
vous les dieux étrangers et les Astartés, dirigez votre coeur vers l'Éternel, et servez -le lui seul ; et il
4 vous délivrera de la main des Philistins. Et les enfants d'Israël ôtèrent du milieu d'eux les Baals et
5 les Astartés, et ils servirent l'Éternel seul. Samuel dit : Assemblez tout Israël à Mitspa, et je prierai
6 l'Éternel pour vous. Et ils s'assemblèrent à Mitspa. Ils puisèrent de l'eau et la répandirent devant
l'Éternel, et ils jeûnèrent ce jour -là, en disant : Nous avons péché contre l'Éternel ! Samuel jugea
7 les enfants d'Israël à Mitspa. Les Philistins apprirent que les enfants d'Israël s'étaient assemblés à
Mitspa, et les princes des Philistins montèrent contre Israël. À cette nouvelle, les enfants d'Israël eurent
8 peur des Philistins, et ils dirent à Samuel : Ne cesse point de crier pour nous à l'Éternel, notre Dieu,
9 afin qu'il nous sauve de la main des Philistins. Samuel prit un agneau de lait, et l'offrit tout entier
10 en holocauste à l'Éternel. Il cria à l'Éternel pour Israël, et l'Éternel l'exauça. Pendant que Samuel
offrait l'holocauste, les Philistins s'approchèrent pour attaquer Israël. L'Éternel fit retentir en ce jour
11 son tonnerre sur les Philistins, et les mit en déroute. Ils furent battus devant Israël. Les hommes
d'Israël sortirent de Mitspa, poursuivirent les Philistins, et les battirent jusqu'au-dessous de Beth-Car.
12 Samuel prit une pierre, qu'il plaça entre Mitspa et Schen, et il l'appela du nom d'Ében-Ézer, en disant :
13 Jusqu'ici l'Éternel nous a secourus. Ainsi les Philistins furent humiliés, et ils ne vinrent plus sur le
14 territoire d'Israël. La main de l'Éternel fut contre les Philistins pendant toute la vie de Samuel. Les
villes que les Philistins avaient prises sur Israël retournèrent à Israël, depuis Ékron jusqu'à Gath, avec
leur territoire ; Israël les arracha de la main des Philistins. Et il y eut paix entre Israël et les Amoréens.
15, 16 Samuel fut juge en Israël pendant toute sa vie. Il allait chaque année faire le tour de Béthel, de Guilgal
17 et de Mitspa, et il jugeait Israël dans tous ces lieux. Puis il revenait à Rama, où était sa maison ; et là
il jugeait Israël, et il y bâtit un autel à l'Éternel.
8, 2 Lorsque Samuel devint vieux, il établit ses fils juges sur Israël. Son fils premier-né se nommait
3 Joël, et le second Abija ; ils étaient juges à Beer-Schéba. Les fils de Samuel ne marchèrent point sur
4 ses traces ; ils se livraient à la cupidité, recevaient des présents, et violaient la justice. Tous les anciens
5 d'Israël s'assemblèrent, et vinrent auprès de Samuel à Rama. Ils lui dirent : Voici, tu es vieux, et tes
fils ne marchent point sur tes traces ; maintenant, établis sur nous un roi pour nous juger, comme il y
6 en a chez toutes les nations. Samuel vit avec déplaisir qu'ils disaient : Donne -nous un roi pour nous
7 juger. Et Samuel pria l'Éternel. L'Éternel dit à Samuel : Écoute la voix du peuple dans tout ce qu'il
te dira ; car ce n'est pas toi qu'ils rejettent, c'est moi qu'ils rejettent, afin que je ne règne plus sur eux.
8 Ils agissent à ton égard comme ils ont toujours agi depuis que je les ai fait monter d'Égypte jusqu'à
9 ce jour ; ils m'ont abandonné, pour servir d'autres dieux. Écoute donc leur voix ; mais donne-leur des
10 avertissements, et fais-leur connaître le droit du roi qui régnera sur eux. Samuel rapporta toutes les
11 paroles de l'Éternel au peuple qui lui demandait un roi. Il dit : Voici quel sera le droit du roi qui
régnera sur vous. Il prendra vos fils, et il les mettra sur ses chars et parmi ses cavaliers, afin qu'ils
12 courent devant son char ; il s'en fera des chefs de mille et des chefs de cinquante, et il les emploiera à
labourer ses terres, à récolter ses moissons, à fabriquer ses armes de guerre et l'attirail de ses chars.
13, 14 Il prendra vos filles, pour en faire des parfumeuses, des cuisinières et des boulangères. Il prendra
15 la meilleure partie de vos champs, de vos vignes et de vos oliviers, et la donnera à ses serviteurs. Il
16 prendra la dîme du produit de vos semences et de vos vignes, et la donnera à ses serviteurs. Il prendra
17 vos serviteurs et vos servantes, vos meilleurs boeufs et vos ânes, et s'en servira pour ses travaux. Il
18 prendra la dîme de vos troupeaux, et vous-mêmes serez ses esclaves. Et alors vous crierez contre votre
19 roi que vous vous serez choisi, mais l'Éternel ne vous exaucera point. Le peuple refusa d'écouter la voix
20 de Samuel. Non ! dirent -ils, mais il y aura un roi sur nous, et nous aussi nous serons comme toutes les
21 nations ; notre roi nous jugera il marchera à notre tête et conduira nos guerres. Samuel, après avoir
22 entendu toutes les paroles du peuple, les redit aux oreilles de l'Éternel. Et l'Éternel dit à Samuel :
Écoute leur voix, et établis un roi sur eux. Et Samuel dit aux hommes d'Israël : Allez -vous-en chacun
dans sa ville.

9 Il y avait un homme de Benjamin, nommé Kis, fils d'Abiel, fils de Tseror, fils de Becorath, fils
d'Aphiach, fils d'un Benjamite. C'était un homme fort et vaillant. 2 Il avait un fils du nom de Saül,
jeune et beau, plus beau qu'aucun des enfants d'Israël, et les dépassant tous de la tête. 3 Les ânesses de
Kis, père de Saül, s'égarèrent ; et Kis dit à Saül, son fils : Prends avec toi l'un des serviteurs, lève -toi,
va, et cherche les ânesses. 4 Il passa par la montagne d'Éphraïm et traversa le pays de Schalischa, sans
les trouver ; ils passèrent par le pays de Schaalim, et elles n'y étaient pas ; ils parcoururent le pays de
Benjamin, et ils ne les trouvèrent pas. 5 Ils étaient arrivés dans le pays de Tsuph, lorsque Saül dit à son
serviteur qui l'accompagnait : Viens, retournons, de peur que mon père, oubliant les ânesses, ne soit en
peine de nous. 6 Le serviteur lui dit : Voici, il y a dans cette ville un homme de Dieu, et c'est un homme
considéré ; tout ce qu'il dit ne manque pas d'arriver. Allons y donc ; peut-être nous fera-t-il connaître le
chemin que nous devons prendre. 7 Saül dit à son serviteur : Mais si nous y allons, que porterons -nous
à l'homme de Dieu ? Car il n'y a plus de provisions dans nos sacs, et nous n'avons aucun présent à offrir
à l'homme de Dieu. Qu'est-ce que nous avons ? 8 Le serviteur reprit la parole, et dit à Saül : Voici, j'ai sur
moi le quart d'un sicle d'argent ; je le donnerai à l'homme de Dieu, et il nous indiquera notre chemin.
9 Autrefois en Israël, quand on allait consulter Dieu, on disait : Venez, et allons au voyant ! Car celui
qu'on appelle aujourd'hui le prophète s'appelait autrefois le voyant. 10 - Saül dit à son serviteur : Tu as
raison : viens, allons ! Et ils se rendirent à la ville où était l'homme de Dieu. 11 Comme ils montaient à la
ville, ils rencontrèrent des jeunes filles sorties pour puiser de l'eau, et ils leur dirent : Le voyant est -il
ici ? 12 Elles leur répondirent en disant : Oui, il est devant toi ; mais va promptement, car aujourd'hui il
est venu à la ville parce qu'il y a un sacrifice pour le peuple sur le haut lieu. 13 Quand vous serez entrés
dans la ville, vous le trouverez avant qu'il monte au haut lieu pour manger ; car le peuple ne mangera
point qu'il ne soit arrivé, parce qu'il doit bénir le sacrifice ; après quoi, les conviés mangeront. Montez
donc, car maintenant vous le trouverez. 14 Et ils montèrent à la ville. Ils étaient arrivés au milieu de la
ville, quand ils furent rencontrés par Samuel qui sortait pour monter au haut lieu. 15 Or, un jour avant
l'arrivée de Saül, l'Éternel avait averti Samuel, en disant : 16 Demain, à cette heure, je t'enverrai un
homme du pays de Benjamin, et tu l'oindras pour chef de mon peuple d'Israël. Il sauvera mon peuple
de la main des Philistins ; car j'ai regardé mon peuple, parce que son cri est venu jusqu'à moi. 17 Lorsque
Samuel eut aperçu Saül, l'Éternel lui dit : Voici l'homme dont je t'ai parlé ; c'est lui qui régnera sur
mon peuple. 18 Saül s'approcha de Samuel au milieu de la porte, et dit : Indique -moi, je te prie, où est la
maison du voyant. 19 Samuel répondit à Saül : C'est moi qui suis le voyant. Monte devant moi au haut
lieu, et vous mangerez aujourd'hui avec moi. Je te laisserai partir demain, et je te dirai tout ce qui se
passe dans ton coeur. 20 Ne t'inquiète pas des ânesses que tu as perdues il y a trois jours, car elles sont
retrouvées. Et pour qui est réservé tout ce qu'il y a de précieux en Israël ? N'est-ce pas pour toi et pour
toute la maison de ton père ? 21 Saül répondit : Ne suis-je pas Benjamite, de l'une des plus petites tribus
d'Israël ? et ma famille n'est-elle pas la moindre de toutes les familles de la tribu de Benjamin ? Pour-
quoi donc me parles -tu de la sorte ? 22 Samuel prit Saül et son serviteur, les fit entrer dans la salle, et
leur donna une place à la tête des conviés, qui étaient environ trente hommes. 23 Samuel dit au cuisinier :
Sers la portion que je t'ai donnée, en te disant : Mets -la à part. 24 Le cuisinier donna l'épaule et ce qui
l'entoure, et il la servit à Saül. Et Samuel dit : Voici ce qui a été réservé ; mets -le devant toi, et mange,
car on l'a gardé pour toi lorsque j'ai convié le peuple. Ainsi Saül mangea avec Samuel ce jour -là. 25 Ils
descendirent du haut lieu à la ville, et Samuel s'entretint avec Saül sur le toit. 26 Puis ils se levèrent de
bon matin ; et, dès l'aurore, Samuel appela Saül sur le toit, et dit : Viens, et je te laisserai partir. Saül
se leva, et ils sortirent tous deux, lui et Samuel. 27 Quand ils furent descendus à l'extrémité de la ville,
Samuel dit à Saül : Dis à ton serviteur de passer devant nous. Et le serviteur passa devant. Arrête -toi
maintenant, reprit Samuel, et je te ferai entendre la parole de Dieu.

10 Samuel prit une fiole d'huile, qu'il répandit sur la tête de Saül. Il le baisa, et dit : L'Éternel ne t'a-
t-il pas oint pour que tu sois le chef de son héritage ? 2 Aujourd'hui, après m 'avoir quitté, tu trouveras
deux hommes près du sépulcre de Rachel, sur la frontière de Benjamin, à Tseltsach. Ils te diront : Les
ânesses que tu es allé chercher sont retrouvées ; et voici, ton père ne pense plus aux ânesses, mais il est
en peine de vous, et dit : Que dois-je faire au sujet de mon fils ? 3 De là tu iras plus loin, et tu arriveras
au chêne de Thabor, où tu seras rencontré par trois hommes montant vers Dieu à Béthel, et portant l'un
trois chevreaux, l'autre trois gâteaux de pain, et l'autre une outre de vin. 4 Ils te demanderont comment
tu te portes, et ils te donneront deux pains, que tu recevras de leur main. 5 Après cela, tu arriveras
à Guibea -Élohim, où se trouve une garnison de Philistins. En entrant dans la ville, tu rencontreras
une troupe de prophètes descendant du haut lieu, précédés du luth, du tambourin, de la flûte et de
la harpe, et prophétisant eux-mêmes. 6 L'esprit de l'Éternel te saisira, tu prophétiseras avec eux, et tu
seras changé en un autre homme. 7 Lorsque ces signes auront eu pour toi leur accomplissement, fais
ce que tu trouveras à faire, car Dieu est avec toi. 8 Puis tu descendras avant moi à Guilgal ; et voici, je
descendrai vers toi, pour offrir des holocaustes et des sacrifices d'actions de grâces. Tu attendras sept

9 jours, jusqu'à ce que j'arrive auprès de toi et que je te dise ce que tu dois faire. Dès que Saül eut tourné
le dos pour se séparer de Samuel, Dieu lui donna un autre coeur, et tous ces signes s'accomplirent le
10 même jour. Lorsqu'ils arrivèrent à Guibea, voici, une troupe de prophètes vint à sa rencontre. L'esprit
11 de Dieu le saisit, et il prophétisa au milieu d'eux. Tous ceux qui l'avaient connu auparavant virent qu'il
prophétisait avec les prophètes, et l'on se disait l'un à l'autre dans le peuple : Qu'est-il arrivé au fils de
12 Kis ? Saül est-il aussi parmi les prophètes ? Quelqu'un de Guibea répondit : Et qui est leur père ? -De
13 là le proverbe : Saül est-il aussi parmi les prophètes ? Lorsqu'il eut fini de prophétiser, il se rendit au
14 haut lieu. L'oncle de Saül dit à Saül et à son serviteur : Où êtes-vous allés ? Saül répondit : Chercher
15 les ânesses ; mais nous ne les avons pas aperçues, et nous sommes allés vers Samuel. L'oncle de Saül
16 reprit : Raconte -moi donc ce que vous a dit Samuel. Et Saül répondit à son oncle : Il nous a assuré
17 que les ânesses étaient retrouvées. Et il ne lui dit rien de la royauté dont avait parlé Samuel. Samuel
18 convoqua le peuple devant l'Éternel à Mitspa, et il dit aux enfants d'Israël : Ainsi parle l'Éternel,
le Dieu d'Israël : J'ai fait monter d'Égypte Israël, et je vous ai délivrés de la main des Égyptiens et
19 de la main de tous les royaumes qui vous opprimaient. Et aujourd'hui, vous rejetez votre Dieu, qui
vous a délivrés de tous vos maux et de toutes vos souffrances, et vous lui dites : Établis un roi sur
20 nous ! Présentez -vous maintenant devant l'Éternel, selon vos tribus et selon vos milliers. Samuel fit
21 approcher toutes les tribus d'Israël, et la tribu de Benjamin fut désignée. Il fit approcher la tribu de
Benjamin par familles, et la famille de Matri fut désignée. Puis Saül, fils de Kis, fut désigné. On le
22 chercha, mais on ne le trouva point. On consulta de nouveau l'Éternel : Y a-t-il encore un homme qui
23 soit venu ici ? Et l'Éternel dit : Voici, il est caché vers les bagages. On courut le tirer de là, et il se
24 présenta au milieu du peuple. Il les dépassait tous de la tête. Samuel dit à tout le peuple : Voyez -vous
celui que l'Éternel a choisi ? Il n'y a personne dans tout le peuple qui soit semblable à lui. Et tout le
25 peuple poussa les cris de : Vive le roi ! Samuel fit alors connaître au peuple le droit de la royauté,
et il l'écrivit dans un livre, qu'il déposa devant l'Éternel. Puis il renvoya tout le peuple, chacun chez
26 soi. Saül aussi s'en alla dans sa maison à Guibea. Il fut accompagné par les honnêtes gens, dont Dieu
27 avait touché le coeur. Il y eut toutefois des hommes pervers, qui disaient : Quoi ! c'est celui-ci qui nous
sauvera ! Et ils le méprisèrent, et ne lui apportèrent aucun présent. Mais Saül n'y prit point garde.

11 Nachasch, l'Ammonite, vint assiéger Jabès en Galaad. Tous les habitants de Jabès dirent à Na-
2 chasch : Traite alliance avec nous, et nous te servirons. Mais Nachasch, l'Ammonite, leur répondit :
Je traiterai avec vous à la condition que je vous crève à tous l'oeil droit, et que j'imprime ainsi un op-
3 probre sur tout Israël. Les anciens de Jabès lui dirent : Accorde-nous une trêve de sept jours, afin que
nous envoyions des messagers dans tout le territoire d'Israël ; et s'il n'y a personne qui nous secoure,
4 nous nous rendrons à toi. Les messagers arrivèrent à Guibea de Saül, et dirent ces choses aux oreilles
5 du peuple. Et tout le peuple éleva la voix, et pleura. Et voici, Saül revenait des champs, derrière ses
6 boeufs, et il dit : Qu'a donc le peuple pour pleurer ? On lui raconta ce qu'avaient dit ceux de Jabès. Dès
7 que Saül eut entendu ces choses, il fut saisi par l'esprit de Dieu, et sa colère s'enflamma fortement. Il
prit une paire de boeufs, et les coupa en morceaux, qu'il envoya par les messagers dans tout le territoire
d'Israël, en disant : Quiconque ne marchera pas à la suite de Saül et de Samuel, aura ses boeufs traités
de la même manière. La terreur de l'Éternel s'empara du peuple, qui se mit en marche comme un seul
8 homme. Saül en fit la revue à Bézek ; les enfants d'Israël étaient trois cent mille, et les hommes de
9 Juda trente mille. Ils dirent aux messagers qui étaient venus : Vous parlerez ainsi aux habitants de
Jabès en Galaad : Demain vous aurez du secours, quand le soleil sera dans sa chaleur. Les messagers
10 portèrent cette nouvelle à ceux de Jabès, qui furent remplis de joie ; et qui dirent aux Ammonites :
11 Demain nous nous rendrons à vous, et vous nous traiterez comme bon vous semblera. Le lendemain,
Saül divisa le peuple en trois corps. Ils pénétrèrent dans le camp des Ammonites à la veille du matin,
et ils les battirent jusqu'à la chaleur du jour. Ceux qui échappèrent furent dispersés, et il n'en resta pas
12 deux ensemble. Le peuple dit à Samuel : Qui est-ce qui disait : Saül régnera -t-il sur nous ? Livrez ces
13 gens, et nous les ferons mourir. Mais Saül dit : Personne ne sera mis à mort en ce jour, car aujourd'hui
14 l'Éternel a opéré une délivrance en Israël. Et Samuel dit au peuple : Venez, et allons à Guilgal, pour y
15 confirmer la royauté. Tout le peuple se rendit à Guilgal, et ils établirent Saül pour roi, devant l'Éter-
nel, à Guilgal. Là, ils offrirent des sacrifices d'actions de grâces devant l'Éternel ; et là, Saül et tous les
hommes d'Israël se livrèrent à de grandes réjouissances.

12 Samuel dit à tout Israël : Voici, j'ai écouté votre voix dans tout ce que vous m'avez dit, et j'ai établi
2 un roi sur vous. Et maintenant, voici le roi qui marchera devant vous. Pour moi, je suis vieux, j'ai
3 blanchi, et mes fils sont avec vous ; j'ai marché à votre tête, depuis ma jeunesse jusqu'à ce jour. Me
voici ! Rendez témoignage contre moi, en présence de l'Éternel et en présence de son oint. De qui ai-je
pris le boeuf et de qui ai-je pris l'âne ? Qui ai-je opprimé, et qui ai-je traité durement ? De qui ai-je reçu

un présent, pour fermer les yeux sur lui ? Je vous le rendrai. Ils répondirent : Tu ne nous as point 4
opprimés, et tu ne nous as point traités durement, et tu n'as rien reçu de la main de personne. Il leur 5
dit encore : L'Éternel est témoin contre vous, et son oint est témoin, en ce jour, que vous n'avez rien
trouvé dans mes mains. Et ils répondirent : Ils en sont témoins. Alors Samuel dit au peuple : C'est 6
l'Éternel qui a établi Moïse et Aaron, et qui a fait monter vos pères du pays d'Égypte. Maintenant, 7
présentez -vous, et je vous jugerai devant l'Éternel sur tous les bienfaits que l'Éternel vous a accordés,
à vous et à vos pères. Après que Jacob fut venu en Égypte, vos pères crièrent à l'Éternel, et l'Éternel 8
envoya Moïse et Aaron, qui firent sortir vos pères d'Égypte et les firent habiter dans ce lieu. Mais ils 9
oublièrent l'Éternel, leur Dieu ; et il les vendit entre les mains de Sisera, chef de l'armée de Hatsor,
entre les mains des Philistins, et entre les mains du roi de Moab, qui leur firent la guerre. Ils crièrent 10
encore à l'Éternel, et dirent : Nous avons péché, car nous avons abandonné l'Éternel, et nous avons servi
les Baals et les Astartés ; délivre -nous maintenant de la main de nos ennemis, et nous te servirons. Et 11
l'Éternel envoya Jerubbaal, Bedan, Jephthé et Samuel, et il vous délivra de la main de vos ennemis qui
vous entouraient, et vous demeurâtes en sécurité. Puis, voyant que Nachasch, roi des fils d'Ammon, 12
marchait contre vous, vous m'avez dit : Non ! mais un roi régnera sur nous. Et cependant l'Éternel, votre
Dieu, était votre roi. Voici donc le roi que vous avez choisi, que vous avez demandé ; voici, l'Éternel a 13
mis sur vous un roi. Si vous craignez l'Éternel, si vous le servez, si vous obéissez à sa voix, et si vous 14
n'êtes point rebelles à la parole de l'Éternel, vous vous attacherez à l'Éternel, votre Dieu, vous et le roi
qui règne sur vous. Mais si vous n'obéissez pas à la voix de l'Éternel, et si vous êtes rebelles à la parole 15
de l'Éternel, la main de l'Éternel sera contre vous, comme elle a été contre vos pères. Attendez encore 16
ici, et voyez le prodige que l'Éternel va opérer sous vos yeux. Ne sommes -nous pas à la moisson des 17
blés ? J'invoquerai l'Éternel, et il enverra du tonnerre et de la pluie. Sachez alors et voyez combien vous
avez eu tort aux yeux de l'Éternel de demander pour vous un roi. Samuel invoqua l'Éternel, et l'Éternel 18
envoya ce même jour du tonnerre et de la pluie. Tout le peuple eut une grande crainte de l'Éternel et
de Samuel. Et tout le peuple dit à Samuel : Prie l'Éternel, ton Dieu, pour tes serviteurs, afin que 19
nous ne mourions pas ; car nous avons ajouté à tous nos péchés le tort de demander pour nous un roi.
Samuel dit au peuple : N'ayez point de crainte ! Vous avez fait tout ce mal ; mais ne vous détournez 20
pas de l'Éternel, et servez l'Éternel de tout votre coeur. Ne vous en détournez pas ; sinon, vous iriez 21
après des choses de néant, qui n'apportent ni profit ni délivrance, parce que ce sont des choses de néant.
L'Éternel n'abandonnera point son peuple, à cause de son grand nom, car l'Éternel a résolu de faire de 22
vous son peuple. Loin de moi aussi de pécher contre l'Éternel, de cesser de prier pour vous ! Je vous 23
enseignerai le bon et le droit chemin. Craignez seulement l'Éternel, et servez -le fidèlement de tout 24
votre coeur ; car voyez quelle puissance il déploie parmi vous. Mais si vous faites le mal, vous périrez, 25
vous et votre roi.

Saül était âgé de... ans, lorsqu'il devint roi, et il avait déjà régné deux ans sur Israël. Saül choisit **13**, 2
trois mille hommes d'Israël : deux mille étaient avec lui à Micmasch et sur la montagne de Béthel, et
mille étaient avec Jonathan à Guibea de Benjamin. Il renvoya le reste du peuple, chacun à sa tente.
Jonathan battit le poste des Philistins qui était à Guéba, et les Philistins l'apprirent. Saül fit sonner 3
de la trompette dans tout le pays, en disant : Que les Hébreux écoutent ! Tout Israël entendit que l'on 4
disait : Saül a battu le poste des Philistins, et Israël se rend odieux aux Philistins. Et le peuple fut
convoqué auprès de Saül à Guilgal. Les Philistins s'assemblèrent pour combattre Israël. Ils avaient 5
mille chars et six mille cavaliers, et ce peuple était innombrable comme le sable qui est sur le bord
de la mer. Ils vinrent camper à Micmasch, à l'orient de Beth-Aven. Les hommes d'Israël se virent à 6
l'extrémité, car ils étaient serrés de près, et ils se cachèrent dans les cavernes, dans les buissons, dans
les rochers, dans les tours et dans les citernes. Il y eut aussi des Hébreux qui passèrent le Jourdain, 7
pour aller au pays de Gad et de Galaad. Saül était encore à Guilgal, et tout le peuple qui se trouvait
auprès de lui tremblait. Il attendit sept jours, selon le terme fixé par Samuel. Mais Samuel n'arrivait 8
pas à Guilgal, et le peuple se dispersait loin de Saül. Alors Saül dit : Amenez -moi l'holocauste et les 9
sacrifices d'actions de grâces. Et il offrit l'holocauste. Comme il achevait d'offrir l'holocauste, voici, Sa- 10
muel arriva, et Saül sortit au-devant de lui pour le saluer. Samuel dit : Qu'as-tu fait ? Saül répondit : 11
Lorsque j'ai vu que le peuple se dispersait loin de moi, que tu n'arrivais pas au terme fixé, et que les
Philistins étaient assemblés à Micmasch, je me suis dit : Les Philistins vont descendre contre moi à 12
Guilgal, et je n'ai pas imploré l'Éternel ! C'est alors que je me suis fait violence et que j'ai offert l'holo-
causte. Samuel dit à Saül : Tu as agi en insensé, tu n'as pas observé le commandement que l'Éternel, 13
ton Dieu, t'avait donné. L'Éternel aurait affermi pour toujours ton règne sur Israël ; et maintenant ton 14

règne ne durera point. L'Éternel s'est choisi un homme selon son coeur, et l'Éternel l'a destiné à être
15 le chef de son peuple, parce que tu n'as pas observé ce que l'Éternel t'avait commandé. Puis Samuel
se leva, et monta de Guilgal à Guibea de Benjamin. Saül fit la revue du peuple qui se trouvait avec
16 lui : il y avait environ six cents hommes. Saül, son fils Jonathan, et le peuple qui se trouvait avec eux,
17 avaient pris position à Guéba de Benjamin, et les Philistins campaient à Micmasch. Il sortit du camp
18 des Philistins trois corps pour ravager : l'un prit le chemin d'Ophra, vers le pays de Schual ; l'autre prit
le chemin de Beth-Horon ; et le troisième prit le chemin de la frontière qui regarde la vallée de Tseboïm,
19 du côté du désert. On ne trouvait point de forgeron dans tout le pays d'Israël ; car les Philistins avaient
20 dit : Empêchons les Hébreux de fabriquer des épées ou des lances. Et chaque homme en Israël descen-
21 dait chez les Philistins pour aiguiser son soc, son hoyau, sa hache et sa bêche, quand le tranchant des
22 bêches, des hoyaux, des tridents et des haches, était émoussé, et pour redresser les aiguillons. Il arriva
qu'au jour du combat il ne se trouvait ni épée ni lance entre les mains de tout le peuple qui était avec
23 Saül et Jonathan ; il ne s'en trouvait qu'auprès de Saül et de Jonathan, son fils. Un poste de Philistins
vint s'établir au passage de Micmasch.

14 Un jour, Jonathan, fils de Saül, dit au jeune homme qui portait ses armes : Viens, et poussons
2 jusqu'au poste des Philistins qui est là de l'autre côté. Et il n'en dit rien à son père. Saül se tenait
à l'extrémité de Guibea, sous le grenadier de Migron, et le peuple qui était avec lui formait environ
3 six cents hommes. Achija, fils d'Achithub, frère d'I-Kabod, fils de Phinées, fils d'Éli, sacrificateur de
4 l'Éternel à Silo, portait l'éphod. Le peuple ne savait pas que Jonathan s'en fût allé. Entre les passages
par lesquels Jonathan cherchait à arriver au poste des Philistins, il y avait une dent de rocher d'un
côté et une dent de rocher de l'autre côté, l'une portant le nom de Botsets et l'autre celui de Séné.
5, 6 L'une de ces dents est au nord vis-à-vis de Micmasch, et l'autre au midi vis-à-vis de Guéba. Jonathan
dit au jeune homme qui portait ses armes : Viens, et poussons jusqu'au poste de ces incirconcis. Peut-
être l'Éternel agira -t-il pour nous, car rien n'empêche l'Éternel de sauver au moyen d'un petit nombre
7 comme d'un grand nombre. Celui qui portait ses armes lui répondit : Fais tout ce que tu as dans le
8 coeur, n'écoute que ton sentiment, me voici avec toi prêt à te suivre. Hé bien ! dit Jonathan, allons
9 à ces gens et montrons -nous à eux. S'ils nous disent : Arrêtez, jusqu'à ce que nous venions à vous !
10 nous resterons en place, et nous ne monterons point vers eux. Mais s'ils disent : Montez vers nous !
11 nous monterons, car l'Éternel les livre entre nos mains. C'est là ce qui nous servira de signe. Ils se
montrèrent tous deux au poste des Philistins, et les Philistins dirent : Voici les Hébreux qui sortent des
12 trous où ils se sont cachés. Et les hommes du poste s'adressèrent ainsi à Jonathan et à celui qui portait
ses armes : Montez vers nous, et nous vous ferons savoir quelque chose. Jonathan dit à celui qui portait
13 ses armes : Monte après moi, car l'Éternel les livre entre les mains d'Israël. Et Jonathan monta en
s'aidant des mains et des pieds, et celui qui portait ses armes le suivit. Les Philistins tombèrent devant
14 Jonathan, et celui qui portait ses armes donnait la mort derrière lui. Dans cette première défaite,
Jonathan et celui qui portait ses armes tuèrent une vingtaine d'hommes, sur l'espace d'environ la moitié
15 d'un arpent de terre. L'effroi se répandit au camp, dans la contrée et parmi tout le peuple ; le poste et
ceux qui ravageaient furent également saisis de peur ; le pays fut dans l'épouvante. C'était comme une
16 terreur de Dieu. Les sentinelles de Saül, qui étaient à Guibea de Benjamin, virent que la multitude
17 se dispersait et allait de côté et d'autre. Alors Saül dit au peuple qui était avec lui : Comptez, je vous
prie, et voyez qui s'en est allé du milieu de nous. Ils comptèrent, et voici, il manquait Jonathan et celui
18 qui portait ses armes. Et Saül dit à Achija : Fais approcher l'arche de Dieu ! -Car en ce temps l'arche
19 de Dieu était avec les enfants d'Israël. Pendant que Saül parlait au sacrificateur, le tumulte dans le
20 camp des Philistins allait toujours croissant ; et Saül dit au sacrificateur : Retire ta main ! Puis Saül
et tout le peuple qui était avec lui se rassemblèrent, et ils s'avancèrent jusqu'au lieu du combat ; et
21 voici, les Philistins tournèrent l'épée les uns contre les autres, et la confusion était extrême. Il y avait
parmi les Philistins, comme auparavant, des Hébreux qui étaient montés avec eux dans le camp, où ils
22 se trouvaient disséminés, et ils se joignirent à ceux d'Israël qui étaient avec Saül et Jonathan. Tous
les hommes d'Israël qui s'étaient cachés dans la montagne d'Éphraïm, apprenant que les Philistins
23 fuyaient, se mirent aussi à les poursuivre dans la bataille. L'Éternel délivra Israël ce jour -là, et le
24 combat se prolongea jusqu'au delà de Beth-Aven. La journée fut fatigante pour les hommes d'Israël.
Saül avait fait jurer le peuple, en disant : Maudit soit l'homme qui prendra de la nourriture avant
25 le soir, avant que je me sois vengé de mes ennemis ! Et personne n'avait pris de nourriture. Tout le
26 peuple était arrivé dans une forêt, où il y avait du miel à la surface du sol. Lorsque le peuple entra
dans la forêt, il vit du miel qui coulait ; mais nul ne porta la main à la bouche, car le peuple respectait
27 le serment. Jonathan ignorait le serment que son père avait fait faire au peuple ; il avança le bout du
bâton qu'il avait à la main, le plongea dans un rayon de miel, et ramena la main à la bouche ; et ses
28 yeux furent éclaircis. Alors quelqu'un du peuple, lui adressant la parole, dit : Ton père a fait jurer le

peuple, en disant : Maudit soit l'homme qui prendra de la nourriture aujourd'hui ! Or le peuple était
épuisé. Et Jonathan dit : Mon père trouble le peuple ; voyez donc comme mes yeux se sont éclaircis, 29
parce que j'ai goûté un peu de ce miel. Certes, si le peuple avait aujourd'hui mangé du butin qu'il a 30
trouvé chez ses ennemis, la défaite des Philistins n'aurait-elle pas été plus grande ? Ils battirent ce jour 31
-là les Philistins depuis Micmasch jusqu'à Ajalon. Le peuple était très fatigué, et il se jeta sur le butin. 32
Il prit des brebis, des boeufs et des veaux, il les égorgea sur la terre, et il en mangea avec le sang. On le 33
rapporta à Saül, et l'on dit : Voici, le peuple pèche contre l'Éternel, en mangeant avec le sang. Saül dit :
Vous commettez une infidélité ; roulez à l'instant vers moi une grande pierre. Puis il ajouta : Répandez 34
-vous parmi le peuple, et dites à chacun de m'amener son boeuf ou sa brebis, et de l'égorger ici. Vous
mangerez ensuite, et vous ne pécherez point contre l'Éternel, en mangeant avec le sang. Et pendant la
nuit, chacun parmi le peuple amena son boeuf à la main, afin de l'égorger sur la pierre. Saül bâtit un 35
autel à l'Éternel : ce fut le premier autel qu'il bâtit à l'Éternel. Saül dit : Descendons cette nuit après 36
les Philistins, pillons -les jusqu'à la lumière du matin, et n'en laissons pas un de reste. Ils dirent : Fais
tout ce qui te semblera bon. Alors le sacrificateur dit : Approchons -nous ici de Dieu. Et Saül consulta 37
Dieu : Descendrai -je après les Philistins ? Les livreras -tu entre les mains d'Israël ? Mais en ce moment
il ne lui donna point de réponse. Saül dit : Approchez ici, vous tous chefs du peuple ; recherchez et 38
voyez comment ce péché a été commis aujourd'hui. Car l'Éternel, le libérateur d'Israël, est vivant ! 39
lors même que Jonathan, mon fils, en serait l'auteur, il mourrait. Et dans tout le peuple personne ne
lui répondit. Il dit à tout Israël : Mettez-vous d'un côté ; et moi et Jonathan, mon fils, nous serons de 40
l'autre. Et le peuple dit à Saül : Fais ce qui te semblera bon. Saül dit à l'Éternel : Dieu d'Israël ! fais 41
connaître la vérité. Jonathan et Saül furent désignés, et le peuple fut libéré. Saül dit : Jetez le sort 42
entre moi et Jonathan, mon fils. Et Jonathan fut désigné. Saül dit à Jonathan : Déclare -moi ce que tu 43
as fait. Jonathan le lui déclara, et dit : J'ai goûté un peu de miel, avec le bout du bâton que j'avais à la
main : me voici, je mourrai. Et Saül dit : Que Dieu me traite dans toute sa rigueur, si tu ne meurs pas, 44
Jonathan ! Le peuple dit à Saül : Quoi ! Jonathan mourrait, lui qui a opéré cette grande délivrance en 45
Israël ! Loin de là ! L'Éternel est vivant ! il ne tombera pas à terre un cheveu de sa tête, car c'est avec
Dieu qu'il a agi dans cette journée. Ainsi le peuple sauva Jonathan, et il ne mourut point. Saül cessa de 46
poursuivre les Philistins, et les Philistins s'en allèrent chez eux. Après que Saül eut pris possession de 47
la royauté sur Israël, il fit de tous côtés la guerre à tous ses ennemis, à Moab, aux enfants d'Ammon, à
Édom, aux rois de Tsoba, et aux Philistins ; et partout où il se tournait, il était vainqueur. Il manifesta 48
sa force, battit Amalek, et délivra Israël de la main de ceux qui le pillaient. Les fils de Saül étaient 49
Jonathan, Jischvi et Malkischua. Ses deux filles s'appelaient : l'aînée Mérab, et la plus jeune Mical. Le 50
nom de la femme de Saül était Achinoam, fille d'Achimaats. Le nom du chef de son armée était Abner,
fils de Ner, oncle de Saül. Kis, père de Saül, et Ner, père d'Abner, étaient fils d'Abiel. Pendant toute 51, 52
la vie de Saül, il y eut une guerre acharnée contre les Philistins ; et dès que Saül apercevait quelque
homme fort et vaillant, il le prenait à son service.

Samuel dit à Saül : C'est moi que l'Éternel a envoyé pour t'oindre roi sur son peuple, sur Israël : **15**
écoute donc ce que dit l'Éternel. Ainsi parle l'Éternel des armées : Je me souviens de ce qu'Amalek fit 2
à Israël, lorsqu'il lui ferma le chemin à sa sortie d'Égypte. Va maintenant, frappe Amalek, et dévouez 3
par interdit tout ce qui lui appartient ; tu ne l'épargneras point, et tu feras mourir hommes et femmes,
enfants et nourrissons, boeufs et brebis, chameaux et ânes. Saül convoqua le peuple, et en fit la revue 4
à Thelaïm : il y avait deux cent mille hommes de pied, et dix mille hommes de Juda. Saül marcha 5
jusqu'à la ville d'Amalek, et mit une embuscade dans la vallée. Il dit aux Kéniens : Allez, retirez -vous, 6
sortez du milieu d'Amalek, afin que je ne vous fasse pas périr avec lui ; car vous avez eu de la bonté
pour tous les enfants d'Israël, lorsqu'ils montèrent d'Égypte. Et les Kéniens se retirèrent du milieu
d'Amalek. Saül battit Amalek depuis Havila jusqu'à Schur, qui est en face de l'Égypte. Il prit vivant 7, 8
Agag, roi d'Amalek, et il dévoua par interdit tout le peuple en le passant au fil de l'épée. Mais Saül 9
et le peuple épargnèrent Agag, et les meilleures brebis, les meilleurs boeufs, les meilleures bêtes de la
seconde portée, les agneaux gras, et tout ce qu'il y avait de bon ; ils ne voulurent pas le dévouer par
interdit, et ils dévouèrent seulement tout ce qui était méprisable et chétif. L'Éternel adressa la parole 10
à Samuel, et lui dit : Je me repens d'avoir établi Saül pour roi, car il se détourne de moi et il n'observe 11
point mes paroles. Samuel fut irrité, et il cria à l'Éternel toute la nuit. Il se leva de bon matin, pour 12
aller au-devant de Saül. Et on vint lui dire : Saül est allé à Carmel, et voici, il s'est érigé un monument ;
puis il s'en est retourné, et, passant plus loin, il est descendu à Guilgal. Samuel se rendit auprès de 13
Saül, et Saül lui dit : Sois béni de l'Éternel ! J'ai observé la parole de l'Éternel. Samuel dit : Qu'est-ce 14
donc que ce bêlement de brebis qui parvient à mes oreilles, et ce mugissement de boeufs que j'entends ?
Saül répondit : Ils les ont amenés de chez les Amalécites, parce que le peuple a épargné les meilleures 15

brebis et les meilleurs boeufs, afin de les sacrifier à l'Éternel, ton Dieu ; et le reste, nous l'avons dévoué
16 par interdit. Samuel dit à Saül : Arrête, et je te déclarerai ce que l'Éternel m'a dit cette nuit. Et Saül
17 lui dit : Parle ! Samuel dit : Lorsque tu étais petit à tes yeux, n'es-tu pas devenu le chef des tribus
18 d'Israël, et l'Éternel ne t'a-t-il pas oint pour que tu sois roi sur Israël ? L'Éternel t'avait fait partir, en disant : Va, et dévoue par interdit ces pécheurs, les Amalécites ; tu leur feras la guerre jusqu'à ce que tu
19 les aies exterminés. Pourquoi n'as-tu pas écouté la voix de l'Éternel ? pourquoi t'es-tu jeté sur le butin,
20 et as-tu fait ce qui est mal aux yeux de l'Éternel ? Saül répondit à Samuel : J'ai bien écouté la voix de l'Éternel, et j'ai suivi le chemin par lequel m'envoyait l'Éternel. J'ai amené Agag, roi d'Amalek, et j'ai
21 dévoué par interdit les Amalécites ; mais le peuple a pris sur le butin des brebis et des boeufs, comme
22 prémices de ce qui devait être dévoué, afin de les sacrifier à l'Éternel, ton Dieu, à Guilgal. Samuel dit : L'Éternel trouve-t-il du plaisir dans les holocaustes et les sacrifices, comme dans l'obéissance à la voix de l'Éternel ? Voici, l'obéissance vaut mieux que les sacrifices, et l'observation de sa parole vaut mieux
23 que la graisse des béliers. Car la désobéissance est aussi coupable que la divination, et la résistance ne l'est pas moins que l'idolâtrie et les théraphim. Puisque tu as rejeté la parole de l'Éternel, il te rejette
24 aussi comme roi. Alors Saül dit à Samuel : J'ai péché, car j'ai transgressé l'ordre de l'Éternel, et je n'ai
25 pas obéi à tes paroles ; je craignais le peuple, et j'ai écouté sa voix. Maintenant, je te prie, pardonne mon
26 péché, reviens avec moi, et je me prosternerai devant l'Éternel. Samuel dit à Saül : Je ne retournerai point avec toi ; car tu as rejeté la parole de l'Éternel, et l'Éternel te rejette, afin que tu ne sois plus roi
27 sur Israël. Et comme Samuel se tournait pour s'en aller, Saül le saisit par le pan de son manteau,
28 qui se déchira. Samuel lui dit : L'Éternel déchire aujourd'hui de dessus toi la royauté d'Israël, et il
29 la donne à un autre, qui est meilleur que toi. Celui qui est la force d'Israël ne ment point et ne se
30 repent point, car il n'est pas un homme pour se repentir. Saül dit encore : J'ai péché ! Maintenant, je te prie, honore -moi en présence des anciens de mon peuple et en présence d'Israël ; reviens avec moi,
31 et je me prosternerai devant l'Éternel, ton Dieu. Samuel retourna et suivit Saül, et Saül se prosterna
32 devant l'Éternel. Puis Samuel dit : Amenez -moi Agag, roi d'Amalek. Et Agag s'avança vers lui d'un air
33 joyeux ; il disait : Certainement, l'amertume de la mort est passée. Samuel dit : De même que ton épée a privé des femmes de leurs enfants, ainsi ta mère entre les femmes sera privée d'un fils. Et Samuel mit
34 Agag en pièces devant l'Éternel, à Guilgal. Samuel partit pour Rama, et Saül monta dans sa maison à
35 Guibea de Saül. Samuel n'alla plus voir Saül jusqu'au jour de sa mort ; car Samuel pleurait sur Saül, parce que l'Éternel se repentait d'avoir établi Saül roi d'Israël.

16 L'Éternel dit à Samuel : Quand cesseras-tu de pleurer sur Saül ? Je l'ai rejeté, afin qu'il ne règne plus sur Israël. Remplis ta corne d'huile, et va ; je t'enverrai chez Isaï, Bethléhémite, car j'ai vu parmi
2 ses fils celui que je désire pour roi. Samuel dit : Comment irai -je ? Saül l'apprendra, et il me tuera. Et l'Éternel dit : Tu emmèneras avec toi une génisse, et tu diras : Je viens pour offrir un sacrifice à
3 l'Éternel. Tu inviteras Isaï au sacrifice ; je te ferai connaître ce que tu dois faire, et tu oindras pour moi
4 celui que je te dirai. Samuel fit ce que l'Éternel avait dit, et il alla à Bethléhem. Les anciens de la ville accoururent effrayés au-devant de lui et dirent : Ton arrivée annonce-t-elle quelque chose d'heureux ?
5 Il répondit : Oui ; je viens pour offrir un sacrifice à l'Éternel. Sanctifiez -vous, et venez avec moi au
6 sacrifice. Il fit aussi sanctifier Isaï et ses fils, et il les invita au sacrifice. Lorsqu'ils entrèrent, il se dit,
7 en voyant Éliab : Certainement, l'oint de l'Éternel est ici devant lui. Et l'Éternel dit à Samuel : Ne prends point garde à son apparence et à la hauteur de sa taille, car je l'ai rejeté. L'Éternel ne considère pas ce que l'homme considère ; l'homme regarde à ce qui frappe les yeux, mais l'Éternel regarde au
8 coeur. Isaï appela Abinadab, et le fit passer devant Samuel ; et Samuel dit : L'Éternel n'a pas non plus
9, 10 choisi celui-ci. Isaï fit passer Schamma ; et Samuel dit : L'Éternel n'a pas non plus choisi celui-ci. Isaï
11 fit passer ses sept fils devant Samuel ; et Samuel dit à Isaï : L'Éternel n'a choisi aucun d'eux. Puis Samuel dit à Isaï : Sont-ce là tous tes fils ? Et il répondit : Il reste encore le plus jeune, mais il fait paître les brebis. Alors Samuel dit à Isaï : Envoie -le chercher, car nous ne nous placerons pas avant
12 qu'il ne soit venu ici. Isaï l'envoya chercher. Or il était blond, avec de beaux yeux et une belle figure.
13 L'Éternel dit à Samuel : Lève -toi, oins -le, car c'est lui ! Samuel prit la corne d'huile, et l'oignit au milieu de ses frères. L'esprit de l'Éternel saisit David, à partir de ce jour et dans la suite. Samuel se
14 leva, et s'en alla à Rama. L'esprit de l'Éternel se retira de Saül, qui fut agité par un mauvais esprit
15, 16 venant de l'Éternel. Les serviteurs de Saül lui dirent : Voici, un mauvais esprit de Dieu t'agite. Que notre seigneur parle ! Tes serviteurs sont devant toi. Ils chercheront un homme qui sache jouer de la
17 harpe ; et, quand le mauvais esprit de Dieu sera sur toi, il jouera de sa main, et tu seras soulagé. Saül

répondit à ses serviteurs : Trouvez -moi donc un homme qui joue bien, et amenez -le-moi. 18
L'un des serviteurs prit la parole, et dit : Voici, j'ai vu un fils d'Isaï, Bethléhémite, qui sait jouer ; c'est aussi un homme fort et vaillant, un guerrier, parlant bien et d'une belle figure, et l'Éternel est avec lui. 19
Saül envoya des messagers à Isaï, pour lui dire : Envoie -moi David, ton fils, qui est avec les brebis. 20
Isaï prit un âne, qu'il chargea de pain, d'une outre de vin et d'un chevreau, et il envoya ces choses à Saül par David, son fils. David arriva auprès de Saül, et se présenta devant lui ; il plut beaucoup à Saül, et il fut 21
désigné pour porter ses armes. Saül fit dire à Isaï : Je te prie de laisser David à mon service, car il a 22
trouvé grâce à mes yeux. Et lorsque l'esprit de Dieu était sur Saül, David prenait la harpe et jouait de 23
sa main ; Saül respirait alors plus à l'aise et se trouvait soulagé, et le mauvais esprit se retirait de lui.

17 Les Philistins réunirent leurs armées pour faire la guerre, et ils se rassemblèrent à Soco, qui appartient à Juda ; ils campèrent entre Soco et Azéka, à Éphès-Dammim. 2
Saül et les hommes d'Israël se rassemblèrent aussi ; ils campèrent dans la vallée des térébinthes, et ils se mirent en ordre de bataille contre les Philistins. 3
Les Philistins étaient vers la montagne d'un côté, et Israël était vers la montagne de l'autre côté : la vallée les séparait. 4
Un homme sortit alors du camp des Philistins et s'avança entre les deux armées. Il se nommait Goliath, il était de Gath, et il avait une taille de six coudées et un empan. 5
Sur sa tête était un casque d'airain, et il portait une cuirasse à écailles du poids de cinq mille sicles d'airain. 6, 7
Il avait aux jambes une armure d'airain, et un javelot d'airain entre les épaules. Le bois de sa lance était comme une ensouple de tisserand, et la lance pesait six cents sicles de fer. Celui qui portait son bouclier marchait devant lui. 8
Le Philistin s'arrêta ; et, s'adressant aux troupes d'Israël rangées en bataille, il leur cria : Pourquoi sortez -vous pour vous ranger en bataille ? Ne suis-je pas le Philistin, et n'êtes-vous pas des esclaves de Saül ? Choisissez un homme qui descende contre moi ! 9
S'il peut me battre et qu'il me tue, nous vous serons assujettis ; mais si je l'emporte sur lui et que je le tue, vous nous serez assujettis et vous nous servirez. 10
Le Philistin dit encore : Je jette en ce jour un défi à l'armée d'Israël ! Donnez -moi un homme, et nous nous battrons ensemble. 11
Saül et tout Israël entendirent ces paroles du Philistin, et ils furent effrayés et saisis d'une grande crainte. 12
Or David était fils de cet Éphratien de Bethléhem de Juda, nommé Isaï, qui avait huit fils, et qui, du temps de Saül, était vieux, avancé en âge. 13
Les trois fils aînés d'Isaï avaient suivi Saül à la guerre ; le premier-né de ses trois fils qui étaient partis pour la guerre s'appelait Éliab, le second Abinadab, et le troisième Schamma. 14, 15
David était le plus jeune. Et lorsque les trois aînés eurent suivi Saül, David s'en alla de chez Saül et revint à Bethléhem pour faire paître les brebis de son père. 16
Le Philistin s'avançait matin et soir, et il se présenta pendant quarante jours. 17
Isaï dit à David, son fils : Prends pour tes frères cet épha de grain rôti et ces dix pains, et cours au camp vers tes frères ; 18
porte aussi ces dix fromages au chef de leur millier. Tu verras si tes frères se portent bien, et tu m'en donneras des nouvelles sûres. 19
Ils sont avec Saül et tous les hommes d'Israël dans la vallée des térébinthes, faisant la guerre aux Philistins. 20
David se leva de bon matin. Il laissa les brebis à un gardien, prit sa charge, et partit, comme Isaï le lui avait ordonné. Lorsqu'il arriva au camp, l'armée était en marche pour se ranger en bataille et poussait des cris de guerre. 21, 22
Israël et les Philistins se formèrent en bataille, armée contre armée. David remit les objets qu'il portait entre les mains du gardien des bagages, et courut vers les rangs de l'armée. Aussitôt arrivé, il demanda à ses frères comment ils se portaient. 23
Tandis qu'il parlait avec eux, voici, le Philistin de Gath, nommé Goliath, s'avança entre les deux armées, hors des rangs des Philistins. Il tint les mêmes discours que précédemment, et David les entendit. 24
À la vue de cet homme, tous ceux d'Israël s'enfuirent devant lui et furent saisis d'une grande crainte. 25
Chacun disait : Avez-vous vu s'avancer cet homme ? C'est pour jeter à Israël un défi qu'il s'est avancé ! Si quelqu'un le tue, le roi le comblera de richesses, il lui donnera sa fille, et il affranchira la maison de son père en Israël. 26
David dit aux hommes qui se trouvaient près de lui : Que fera -t-on à celui qui tuera ce Philistin, et qui ôtera l'opprobre de dessus Israël ? Qui est donc ce Philistin, cet incirconcis, pour insulter l'armée du Dieu vivant ? 27
Le peuple, répétant les mêmes choses, lui dit : C'est ainsi que l'on fera à celui qui le tuera. 28
Éliab, son frère aîné, qui l'avait entendu parler à ces hommes, fut enflammé de colère contre David. Et il dit : Pourquoi es-tu descendu, et à qui as-tu laissé ce peu de brebis dans le désert ? Je connais ton orgueil et la malice de ton coeur. C'est pour voir la bataille que tu es descendu. 29
David répondit : Qu'ai-je donc fait ? ne puis-je pas parler ainsi ? 30
Et il se détourna de lui pour s'adresser à un autre, et fit les mêmes questions. Le peuple lui répondit comme la première fois. 31
Lorsqu'on eut entendu les paroles prononcées par David, on les répéta devant Saül, qui le fit chercher. 32
David dit à Saül : Que personne ne se décourage à cause de ce Philistin ! Ton serviteur ira se battre avec lui. 33
Saül dit à David : Tu ne peux pas aller te battre avec ce Philistin, car tu es un enfant, et il est un homme de guerre dès sa jeunesse. 34
David dit à Saül : Ton serviteur faisait paître les brebis de son père. Et quand un lion ou un ours venait en enlever une du troupeau, je courais après lui, je le frappais, et j'arrachais la brebis de sa gueule. S'il se dressait 35
contre moi, je le saisissais par la gorge, je le frappais, et je le tuais. 36
C'est ainsi que ton serviteur a

terrassé le lion et l'ours, et il en sera du Philistin, de cet incirconcis, comme de l'un d'eux, car il a insulté
37 l'armée du Dieu vivant. David dit encore : L'Éternel, qui m'a délivré de la griffe du lion et de la patte de
l'ours, me délivrera aussi de la main de ce Philistin. Et Saül dit à David : Va, et que l'Éternel soit avec
38 toi ! Saül fit mettre ses vêtements à David, il plaça sur sa tête un casque d'airain, et le revêtit d'une
39 cuirasse. David ceignit l'épée de Saül par-dessus ses habits, et voulut marcher, car il n'avait pas encore
essayé. Mais il dit à Saül : Je ne puis pas marcher avec cette armure, je n'y suis pas accoutumé. Et il
40 s'en débarrassa. Il prit en main son bâton, choisit dans le torrent cinq pierres polies, et les mit dans
41 sa gibecière de berger et dans sa poche. Puis, sa fronde à la main, il s'avança contre le Philistin. Le
42 Philistin s'approcha peu à peu de David, et l'homme qui portait son bouclier marchait devant lui. Le
Philistin regarda, et lorsqu'il aperçut David, il le méprisa, ne voyant en lui qu'un enfant, blond et d'une
43 belle figure. Le Philistin dit à David : Suis-je un chien, pour que tu viennes à moi avec des bâtons ? Et,
44 après l 'avoir maudit par ses dieux, il ajouta : Viens vers moi, et je donnerai ta chair aux oiseaux du
45 ciel et aux bêtes des champs. David dit au Philistin : Tu marches contre moi avec l'épée, la lance et le
javelot ; et moi, je marche contre toi au nom de l'Éternel des armées, du Dieu de l'armée d'Israël, que
46 tu as insultée. Aujourd'hui l'Éternel te livrera entre mes mains, je t'abattrai et je te couperai la tête ;
aujourd'hui je donnerai les cadavres du camp des Philistins aux oiseaux du ciel et aux animaux de la
47 terre. Et toute la terre saura qu'Israël a un Dieu. Et toute cette multitude saura que ce n'est ni par
l'épée ni par la lance que l'Éternel sauve. Car la victoire appartient à l'Éternel. Et il vous livre entre
48 nos mains. Aussitôt que le Philistin se mit en mouvement pour marcher au-devant de David, David
49 courut sur le champ de bataille à la rencontre du Philistin. Il mit la main dans sa gibecière, y prit une
pierre, et la lança avec sa fronde ; il frappa le Philistin au front, et la pierre s'enfonça dans le front du
50 Philistin, qui tomba le visage contre terre. Ainsi, avec une fronde et une pierre, David fut plus fort
51 que le Philistin ; il le terrassa et lui ôta la vie, sans avoir d'épée à la main. Il courut, s'arrêta près du
Philistin, se saisit de son épée qu'il tira du fourreau, le tua et lui coupa la tête. Les Philistins, voyant
52 que leur héros était mort, prirent la fuite. Et les hommes d'Israël et de Juda poussèrent des cris, et
allèrent à la poursuite des Philistins jusque dans la vallée et jusqu'aux portes d'Ékron. Les Philistins
53 blessés à mort tombèrent dans le chemin de Schaaraïm jusqu'à Gath et jusqu'à Ékron. Et les enfants
54 d'Israël revinrent de la poursuite des Philistins, et pillèrent leur camp. David prit la tête du Philistin
55 et la porta à Jérusalem, et il mit dans sa tente les armes du Philistin. Lorsque Saül avait vu David
marcher à la rencontre du Philistin, il avait dit à Abner, chef de l'armée : De qui ce jeune homme est-il
56 fils, Abner ? Abner répondit : Aussi vrai que ton âme est vivante, ô roi ! je l'ignore. Informe -toi donc de
57 qui ce jeune homme est fils, dit le roi. Et quand David fut de retour après avoir tué le Philistin, Abner
58 le prit et le mena devant Saül. David avait à la main la tête du Philistin. Saül lui dit : De qui es-tu fils,
jeune homme ? Et David répondit : Je suis fils de ton serviteur Isaï, Bethléhémite.

18 David avait achevé de parler à Saül. Et dès lors l'âme de Jonathan fut attachée à l'âme de David, et
2 Jonathan l'aima comme son âme. Ce même jour Saül retint David, et ne le laissa pas retourner dans
3, 4 la maison de son père. Jonathan fit alliance avec David, parce qu'il l'aimait comme son âme. Il ôta le
manteau qu'il portait, pour le donner à David ; et il lui donna ses vêtements, même son épée, son arc
5 et sa ceinture. David allait et réussissait partout où l'envoyait Saül ; il fut mis par Saül à la tête des
6 gens de guerre, et il plaisait à tout le peuple, même aux serviteurs de Saül. Comme ils revenaient, lors
du retour de David après qu'il eut tué le Philistin, les femmes sortirent de toutes les villes d'Israël au-
devant du roi Saül, en chantant et en dansant, au son des tambourins et des triangles, et en poussant
7 des cris de joie. Les femmes qui chantaient se répondaient les unes aux autres, et disaient : Saül a
8 frappé ses mille, Et David ses dix mille. Saül fut très irrité, et cela lui déplut. Il dit : On en donne dix
9 mille à David, et c'est à moi que l'on donne les mille ! Il ne lui manque plus que la royauté. Et Saül
10 regarda David d'un mauvais oeil, à partir de ce jour et dans la suite. Le lendemain, le mauvais esprit
de Dieu saisit Saül, qui eut des transports au milieu de la maison. David jouait, comme les autres jours,
11 et Saül avait sa lance à la main. Saül leva sa lance, disant en lui-même : Je frapperai David contre la
12 paroi. Mais David se détourna de lui deux fois. Saül craignait la présence de David, parce que l'Éternel
13 était avec David et s'était retiré de lui. Il l'éloigna de sa personne, et il l'établit chef de mille hommes.
14 David sortait et rentrait à la tête du peuple ; il réussissait dans toutes ses entreprises, et l'Éternel était
15, 16 avec lui. Saül, voyant qu'il réussissait toujours, avait peur de lui ; mais tout Israël et Juda aimaient
17 David, parce qu'il sortait et rentrait à leur tête. Saül dit à David : Voici, je te donnerai pour femme
ma fille aînée Mérab ; sers-moi seulement avec vaillance, et soutiens les guerres de l'Éternel. Or Saül
18 se disait : Je ne veux pas mettre la main sur lui, mais que la main des Philistins soit sur lui. David
répondit à Saül : Qui suis-je, et qu'est-ce que ma vie, qu'est-ce que la famille de mon père en Israël, pour
19 que je devienne le gendre du roi ? Lorsque arriva le temps où Mérab, fille de Saül, devait être donnée à
20 David, elle fut donnée pour femme à Adriel, de Mehola. Mical, fille de Saül, aima David. On en informa

Saül, et la chose lui convint. Il se disait : Je la lui donnerai, afin qu'elle soit un piège pour lui, et qu'il 21
tombe sous la main des Philistins. Et Saül dit à David pour la seconde fois : Tu vas aujourd'hui devenir
mon gendre. Saül donna cet ordre à ses serviteurs : Parlez en confidence à David, et dites -lui : Voici, 22
le roi est bien disposé pour toi, et tous ses serviteurs t'aiment ; sois maintenant le gendre du roi. Les 23
serviteurs de Saül répétèrent ces paroles aux oreilles de David. Et David répondit : Croyez -vous qu'il
soit facile de devenir le gendre du roi ? Moi, je suis un homme pauvre et de peu d'importance. Les 24
serviteurs de Saül lui rapportèrent ce qu'avait répondu David. Saül dit : Vous parlerez ainsi à David : 25
Le roi ne demande point de dot ; mais il désire cent prépuces de Philistins, pour être vengé de ses
ennemis. Saül avait le dessein de faire tomber David entre les mains des Philistins. Les serviteurs de 26
Saül rapportèrent ces paroles à David, et David agréa ce qui lui était demandé pour qu'il devînt gendre
du roi. Avant le terme fixé, David se leva, partit avec ses gens, et tua deux cents hommes parmi les 27
Philistins ; il apporta leurs prépuces, et en livra au roi le nombre complet, afin de devenir gendre du
roi. Alors Saül lui donna pour femme Mical, sa fille. Saül vit et comprit que l'Éternel était avec David ; 28
et Mical, sa fille, aimait David. Saül craignit de plus en plus David, et il fut toute sa vie son ennemi. 29
Les princes des Philistins faisaient des excursions ; et chaque fois qu'ils sortaient, David avait plus de 30
succès que tous les serviteurs de Saül, et son nom devint très célèbre.

Saül parla à Jonathan, son fils, et à tous ses serviteurs, de faire mourir David. Mais Jonathan, fils **19**, 2
de Saül, qui avait une grande affection pour David, l'en informa et lui dit : Saül, mon père, cherche à te
faire mourir. Sois donc sur tes gardes demain matin, reste dans un lieu retiré, et cache -toi. Je sortirai 3
et je me tiendrai à côté de mon père dans le champ où tu seras ; je parlerai de toi à mon père, je verrai
ce qu'il dira, et je te le rapporterai. Jonathan parla favorablement de David à Saül, son père : Que le 4
roi, dit-il, ne commette pas un péché à l'égard de son serviteur David, car il n'en a point commis envers
toi. Au contraire, il a agi pour ton bien ; il a exposé sa vie, il a tué le Philistin, et l'Éternel a opéré 5
une grande délivrance pour tout Israël. Tu l'as vu, et tu t'en es réjoui. Pourquoi pécherais -tu contre
le sang innocent, et ferais-tu sans raison mourir David ? Saül écouta la voix de Jonathan, et il jura, 6
disant : L'Éternel est vivant ! David ne mourra pas. Jonathan appela David, et lui rapporta toutes ces 7
paroles ; puis il l'amena auprès de Saül, en présence de qui David fut comme auparavant. La guerre 8
continuait. David marcha contre les Philistins, et se battit avec eux ; il leur fit éprouver une grande
défaite, et ils s'enfuirent devant lui. Alors le mauvais esprit de l'Éternel fut sur Saül, qui était assis 9
dans sa maison, sa lance à la main. David jouait, et Saül voulut le frapper avec sa lance contre la 10
paroi. Mais David se détourna de lui, et Saül frappa de sa lance la paroi. David prit la fuite et s'échappa
pendant la nuit. Saül envoya des gens vers la maison de David, pour le garder et le faire mourir au 11
matin. Mais Mical, femme de David, l'en informa et lui dit : Si tu ne te sauves pas cette nuit, demain
tu es mort. Elle le fit descendre par la fenêtre, et David s'en alla et s'enfuit. C'est ainsi qu'il échappa. 12
Ensuite Mical prit le théraphim, qu'elle plaça dans le lit ; elle mit une peau de chèvre à son chevet, et 13
elle l'enveloppa d'une couverture. Lorsque Saül envoya des gens pour prendre David, elle dit : Il est 14
malade. Saül les renvoya pour qu'ils le vissent, et il dit : Apportez -le-moi dans son lit, afin que je le 15
fasse mourir. Ces gens revinrent, et voici, le théraphim était dans le lit, et une peau de chèvre à son 16
chevet. Saül dit à Mical : Pourquoi m'as-tu trompé de la sorte, et as-tu laissé partir mon ennemi qui 17
s'est échappé ? Mical répondit à Saül : Il m'a dit : Laisse moi aller, ou je te tue ! C'est ainsi que David 18
prit la fuite et qu'il échappa. Il se rendit auprès de Samuel à Rama, et lui raconta tout ce que Saül lui
avait fait. Puis il alla avec Samuel demeurer à Najoth. On le rapporta à Saül, en disant : Voici, David 19
est à Najoth, près de Rama. Saül envoya des gens pour prendre David. Ils virent une assemblée de 20
prophètes qui prophétisaient, ayant Samuel à leur tête. L'esprit de Dieu saisit les envoyés de Saül, et
ils se mirent aussi à prophétiser eux-mêmes. On en fit rapport à Saül, qui envoya d'autres gens, et eux 21
aussi prophétisèrent. Il en envoya encore pour la troisième fois, et ils prophétisèrent également. Alors 22
Saül alla lui-même à Rama. Arrivé à la grande citerne qui est à Sécou, il demanda : Où sont Samuel et
David ? On lui répondit : Ils sont à Najoth, près de Rama. Et il se dirigea vers Najoth, près de Rama. 23
L'esprit de Dieu fut aussi sur lui ; et Saül continua son chemin en prophétisant, jusqu'à son arrivée à
Najoth, près de Rama. Il ôta ses vêtements, et il prophétisa aussi devant Samuel ; et il se jeta nu par 24
terre tout ce jour -là et toute la nuit. C'est pourquoi l'on dit : Saül est-il aussi parmi les prophètes ?

David s'enfuit de Najoth, près de Rama. Il alla trouver Jonathan, et dit : Qu'ai-je fait ? quel est mon **20**
crime, quel est mon péché aux yeux de ton père, pour qu'il en veuille à ma vie ? Jonathan lui répondit : 2
Loin de là ! tu ne mourras point. Mon père ne fait aucune chose, grande ou petite, sans m'en informer ;
pourquoi donc mon père me cacherait -il celle -là ? Il n'en est rien. David dit encore, en jurant : Ton père 3
sait bien que j'ai trouvé grâce à tes yeux, et il aura dit : Que Jonathan ne le sache pas ; cela lui ferait
de la peine. Mais l'Éternel est vivant et ton âme est vivante ! il n'y a qu'un pas entre moi et la mort.
Jonathan dit à David : Je ferai pour toi ce que tu voudras. Et David lui répondit : Voici, c'est demain la 4, 5
nouvelle lune, et je devrais m'asseoir avec le roi pour manger ; laisse-moi aller, et je me cacherai dans

6 les champs jusqu'au soir du troisième jour. Si ton père remarque mon absence, tu diras : David m'a
prié de lui laisser faire une course à Bethléhem, sa ville, parce qu'il y a pour toute la famille un sacrifice
7 annuel. Et s'il dit : C'est bien ! ton serviteur alors n'a rien à craindre ; mais si la colère s'empare de
8 lui, sache que le mal est résolu de sa part. Montre donc ton affection pour ton serviteur, puisque tu
as fait avec ton serviteur une alliance devant l'Éternel. Et, s'il y a quelque crime en moi, ôte-moi la
9 vie toi-même, car pourquoi me mènerais -tu jusqu'à ton père ? Jonathan lui dit : Loin de toi la pensée
que je ne t'informerai pas, si j'apprends que le mal est résolu de la part de mon père et menace de
10 t'atteindre ! David dit à Jonathan : Qui m'informera dans le cas où ton père te répondrait durement ?
11 Et Jonathan dit à David : Viens, sortons dans les champs. Et ils sortirent tous deux dans les champs.
12 Jonathan dit à David : Je prends à témoin l'Éternel, le Dieu d'Israël ! Je sonderai mon père demain ou
après-demain ; et, dans le cas où il serait bien disposé pour David, si je n'envoie vers toi personne pour
13 t'en informer, que l'Éternel traite Jonathan dans toute sa rigueur ! Dans le cas où mon père trouverait
bon de te faire du mal, je t'informerai aussi et je te laisserai partir, afin que tu t'en ailles en paix ; et
14 que l'Éternel soit avec toi, comme il a été avec mon père ! Si je dois vivre encore, veuille user envers
15 moi de la bonté de l'Éternel ; et si je meurs, ne retire jamais ta bonté envers ma maison, pas même
16 lorsque l'Éternel retranchera chacun des ennemis de David de dessus la face de la terre. Car Jonathan
17 a fait alliance avec la maison de David. Que l'Éternel tire vengeance des ennemis de David ! Jonathan
18 protesta encore auprès de David de son affection pour lui, car il l'aimait comme son âme. Jonathan lui
19 dit : C'est demain la nouvelle lune ; on remarquera ton absence, car ta place sera vide. Tu descendras
le troisième jour jusqu'au fond du lieu où tu t'étais caché le jour de l'affaire, et tu resteras près de la
20, 21 pierre d'Ézel. Je tirerai trois flèches du côté de la pierre, comme si je visais un but. Et voici, j'enverrai
un jeune homme, et je lui dirai : Va, trouve les flèches. Si je lui dis : Voici, les flèches sont en deçà de toi,
22 prends -les ! alors viens, car il y a paix pour toi, et tu n'as rien à craindre, l'Éternel est vivant ! Mais
si je dis au jeune homme : Voici, les flèches sont au delà de toi ! alors va -t-en, car l'Éternel te renvoie.
23, 24 L'Éternel est à jamais témoin de la parole que nous nous sommes donnée l'un à l'autre. David se cacha
25 dans les champs. C'était la nouvelle lune, et le roi prit place au festin pour manger. Le roi s'assit
comme à l'ordinaire sur son siège contre la paroi, Jonathan se leva, et Abner s'assit à côté de Saül ;
26 mais la place de David resta vide. Saül ne dit rien ce jour -là ; car, pensa -t-il, c'est par hasard, il n'est
27 pas pur, certainement il n'est pas pur. Le lendemain, second jour de la nouvelle lune, la place de David
était encore vide. Et Saül dit à Jonathan, son fils : Pourquoi le fils d'Isaï n'a-t-il paru au repas ni hier
28, 29 ni aujourd'hui ? Jonathan répondit à Saül : David m'a demandé la permission d'aller à Bethléhem. Il
a dit : Laisse-moi aller, je te prie, car nous avons dans la ville un sacrifice de famille, et mon frère me
l'a fait savoir ; si donc j'ai trouvé grâce à tes yeux, permets que j'aille en hâte voir mes frères. C'est pour
30 cela qu'il n'est point venu à la table du roi. Alors la colère de Saül s'enflamma contre Jonathan, et il
lui dit : Fils pervers et rebelle, ne sais je pas que tu as pour ami le fils d'Isaï, à ta honte et à la honte
31 de ta mère ? Car aussi longtemps que le fils d'Isaï sera vivant sur la terre, il n'y aura point de sécurité
ni pour toi ni pour ta royauté. Et maintenant, envoie -le chercher, et qu'on me l'amène, car il est digne
32 de mort. Jonathan répondit à Saül, son père, et lui dit : Pourquoi le ferait-on mourir ? Qu'a-t-il fait ?
33 Et Saül dirigea sa lance contre lui, pour le frapper. Jonathan comprit que c'était chose résolue chez son
34 père que de faire mourir David. Il se leva de table dans une ardente colère, et ne participa point au
repas le second jour de la nouvelle lune ; car il était affligé à cause de David, parce que son père l'avait
35 outragé. Le lendemain matin, Jonathan alla dans les champs au lieu convenu avec David, et il était
36 accompagné d'un petit garçon. Il lui dit : Cours, trouve les flèches que je vais tirer. Le garçon courut, et
37 Jonathan tira une flèche qui le dépassa. Lorsqu'il arriva au lieu où était la flèche que Jonathan avait
38 tirée, Jonathan cria derrière lui : La flèche n'est-elle pas plus loin que toi ? Il lui cria encore : Vite,
39 hâte -toi, ne t'arrête pas ! Et le garçon de Jonathan ramassa les flèches et revint vers son maître. Le
40 garçon ne savait rien ; Jonathan et David seuls comprenaient la chose. Jonathan remit ses armes à son
41 garçon, et lui dit : Va, porte -les à la ville. Après le départ du garçon, David se leva du côté du midi,
puis se jeta le visage contre terre et se prosterna trois fois. Les deux amis s'embrassèrent et pleurèrent
42 ensemble, David surtout fondit en larmes. Et Jonathan dit à David : Va en paix, maintenant que nous
avons juré l'un et l'autre, au nom de l'Éternel, en disant : Que l'Éternel soit à jamais entre moi et toi,
entre ma postérité et ta postérité ! David se leva, et s'en alla, et Jonathan rentra dans la ville.

21 David se rendit à Nob, vers le sacrificateur Achimélec, qui accourut effrayé au-devant de lui et lui
2 dit : Pourquoi es-tu seul et n'y a-t-il personne avec toi ? David répondit au sacrificateur Achimélec : Le
roi m'a donné un ordre et m'a dit : Que personne ne sache rien de l'affaire pour laquelle je t'envoie et
3 de l'ordre que je t'ai donné. J'ai fixé un rendez-vous à mes gens. Maintenant qu'as -tu sous la main ?
4 Donne -moi cinq pains, ou ce qui se trouvera. Le sacrificateur répondit à David : Je n'ai pas de pain
ordinaire sous la main, mais il y a du pain consacré ; si du moins tes gens se sont abstenus de femmes !

David répondit au sacrificateur : Nous nous sommes abstenus de femmes depuis trois jours que je suis 5
parti, et tous mes gens sont purs : d'ailleurs, si c'est là un acte profane, il sera certainement aujourd'hui
sanctifié par celui qui en sera l'instrument. Alors le sacrificateur lui donna du pain consacré, car il n'y 6
avait là d'autre pain que du pain de proposition, qu'on avait ôté de devant l'Éternel pour le remplacer
par du pain chaud au moment où on l'avait pris. Là, ce même jour, un homme d'entre les serviteurs de 7
Saül se trouvait enfermé devant l'Éternel ; c'était un Édomite, nommé Doëg, chef des bergers de Saül.
David dit à Achimélec : N'as -tu pas sous la main une lance ou une épée ? car je n'ai pris avec moi ni 8
mon épée ni mes armes, parce que l'ordre du roi était pressant. Le sacrificateur répondit : Voici l'épée 9
de Goliath, le Philistin, que tu as tué dans la vallée des térébinthes ; elle est enveloppée dans un drap,
derrière l'éphod ; si tu veux la prendre, prends -la, car il n'y en a pas d'autre ici. Et David dit : Il n'y en
a point de pareille ; donne -la-moi. David se leva et s'enfuit le même jour loin de Saül. Il arriva chez 10
Akisch, roi de Gath. Les serviteurs d'Akisch lui dirent : N'est-ce pas là David, roi du pays ? n'est-ce 11
pas celui pour qui l'on chantait en dansant : Saül a frappé ses mille, -Et David ses dix mille ? David 12
prit à coeur ces paroles, et il eut une grande crainte d 'Akisch, roi de Gath. Il se montra comme fou à 13
leurs yeux, et fit devant eux des extravagances ; il faisait des marques sur les battants des portes, et il
laissait couler sa salive sur sa barbe. Akisch dit à ses serviteurs : Vous voyez bien que cet homme a 14
perdu la raison ; pourquoi me l'amenez -vous ? Est-ce que je manque de fous, pour que vous m'ameniez 15
celui-ci et me rendiez témoin de ses extravagances ? Faut-il qu'il entre dans ma maison ?

David partit de là, et se sauva dans la caverne d'Adullam. Ses frères et toute la maison de son père **22**
l'apprirent, et ils descendirent vers lui. Tous ceux qui se trouvaient dans la détresse, qui avaient des 2
créanciers, ou qui étaient mécontents, se rassemblèrent auprès de lui, et il devint leur chef. Ainsi se
joignirent à lui environ quatre cents hommes. De là David s'en alla à Mitspé dans le pays de Moab. Il 3
dit au roi de Moab : Permets, je te prie, à mon père et à ma mère de se retirer chez vous, jusqu'à ce que je
sache ce que Dieu fera de moi. Et il les conduisit devant le roi de Moab, et ils demeurèrent avec lui tout 4
le temps que David fut dans la forteresse. Le prophète Gad dit à David : Ne reste pas dans la forteresse, 5
va -t'en, et entre dans le pays de Juda. Et David s'en alla, et parvint à la forêt de Héreth. Saül apprit 6
que l'on avait des renseignements sur David et sur ses gens. Saül était assis sous le tamarisc, à Guibea,
sur la hauteur ; il avait sa lance à la main, et tous ses serviteurs se tenaient près de lui. Et Saül dit à ses 7
serviteurs qui se tenaient près de lui : Écoutez, Benjamites ! Le fils d'Isaï vous donnera -t-il à tous des
champs et des vignes ? Fera -t-il de vous tous des chefs de mille et des chefs de cent ? Sinon, pourquoi 8
avez-vous tous conspiré contre moi, et n'y a-t-il personne qui m'informe de l'alliance de mon fils avec le
fils d'Isaï ? Pourquoi n'y a-t-il personne de vous qui souffre à mon sujet, et qui m'avertisse que mon fils
a soulevé mon serviteur contre moi, afin qu'il me dressât des embûches, comme il le fait aujourd'hui ?
Doëg, l'Édomite, qui se trouvait aussi parmi les serviteurs de Saül, répondit : J'ai vu le fils d'Isaï venir 9
à Nob, auprès d'Achimélec, fils d'Achithub. Achimélec a consulté pour lui l'Éternel, il lui a donné des 10
vivres et lui a remis l'épée de Goliath, le Philistin. Le roi envoya chercher Achimélec, fils d'Achithub, 11
le sacrificateur, et toute la maison de son père, les sacrificateurs qui étaient à Nob. Ils se rendirent
tous vers le roi. Saül dit : Écoute, fils d'Achithub ! Il répondit : Me voici, mon seigneur ! Saül lui dit : 12, 13
Pourquoi avez-vous conspiré contre moi, toi et le fils d'Isaï ? Pourquoi lui as-tu donné du pain et une
épée, et as-tu consulté Dieu pour lui, afin qu'il s'élevât contre moi et me dressât des embûches, comme
il le fait aujourd'hui ? Achimélec répondit au roi : Lequel d'entre tous tes serviteurs peut être comparé 14
au fidèle David, gendre du roi, dévoué à ses ordres, et honoré dans ta maison ? Est-ce aujourd'hui que 15
j'ai commencé à consulter Dieu pour lui ? Loin de moi ! Que le roi ne mette rien à la charge de son
serviteur ni de personne de la maison de mon père, car ton serviteur ne connaît de tout ceci aucune
chose, petite ou grande. Le roi dit : Tu mourras, Achimélec, toi et toute la maison de ton père. Et le 16, 17
roi dit aux coureurs qui se tenaient près de lui : Tournez -vous, et mettez à mort les sacrificateurs de
l'Éternel ; car ils sont d'accord avec David, ils ont bien su qu'il s'enfuyait, et ils ne m'ont point averti.
Mais les serviteurs du roi ne voulurent pas avancer la main pour frapper les sacrificateurs de l'Éternel.
Alors le roi dit à Doëg : Tourne -toi, et frappe les sacrificateurs. Et Doëg, l'Édomite, se tourna, et ce 18
fut lui qui frappa les sacrificateurs ; il fit mourir en ce jour quatre-vingt -cinq hommes portant l'éphod
de lin. Saül frappa encore du tranchant de l'épée Nob, ville sacerdotale ; hommes et femmes, enfants 19
et nourrissons, boeufs, ânes, et brebis, tombèrent sous le tranchant de l'épée. Un fils d'Achimélec, fils 20
d'Achithub, échappa. Son nom était Abiathar. Il s'enfuit auprès de David, et lui rapporta que Saül 21
avait tué les sacrificateurs de l'Éternel. David dit à Abiathar : J'ai bien pensé ce jour même que Doëg, 22
l'Édomite, se trouvant là, ne manquerait pas d'informer Saül. C'est moi qui suis cause de la mort de
toutes les personnes de la maison de ton père. Reste avec moi, ne crains rien, car celui qui cherche ma 23
vie cherche la tienne ; près de moi tu seras bien gardé.

On vint dire à David : Voici, les Philistins ont attaqué Keïla, et ils pillent les aires. David consulta **23**, 2

l'Éternel, en disant : Irai -je, et battrai -je ces Philistins ? Et l'Éternel lui répondit : Va, tu battras les
3 Philistins, et tu délivreras Keïla. Mais les gens de David lui dirent : Voici, nous ne sommes pas sans
4 crainte ici même en Juda ; que sera-ce si nous allons à Keïla contre les troupes des Philistins ? David consulta encore l'Éternel. Et l'Éternel lui répondit : Lève -toi, descends à Keïla, car je livre les Philistins
5 entre tes mains. David alla donc avec ses gens à Keïla, et il se battit contre les Philistins ; il emmena
6 leur bétail, et leur fit éprouver une grande défaite. Ainsi David délivra les habitants de Keïla. Lorsque
7 Abiathar, fils d'Achimélec, s'enfuit vers David à Keïla, il descendit ayant en main l'éphod. Saül fut informé de l'arrivée de David à Keïla, et il dit : Dieu le livre entre mes mains, car il est venu s'enfermer
8 dans une ville qui a des portes et des barres. Et Saül convoqua tout le peuple à la guerre, afin de
9 descendre à Keïla et d'assiéger David et ses gens. David, ayant eu connaissance du mauvais dessein
10 que Saül projetait contre lui, dit au sacrificateur Abiathar : Apporte l'éphod ! Et David dit : Éternel, Dieu d'Israël, ton serviteur apprend que Saül veut venir à Keïla pour détruire la ville à cause de moi.
11 Les habitants de Keïla me livreront -ils entre ses mains ? Saül descendra -t-il, comme ton serviteur l'a appris ? Éternel, Dieu d'Israël, daigne le révéler à ton serviteur ! Et l'Éternel répondit : Il descendra.
12 David dit encore : Les habitants de Keïla me livreront -ils, moi et mes gens, entre les mains de Saül ?
13 Et l'Éternel répondit : Ils te livreront. Alors David se leva avec ses gens au nombre d'environ six cents hommes ; ils sortirent de Keïla, et s'en allèrent où ils purent. Saül, informé que David s'était
14 sauvé de Keïla, suspendit sa marche. David demeura au désert, dans des lieux forts, et il resta sur la montagne du désert de Ziph. Saül le cherchait toujours, mais Dieu ne le livra pas entre ses mains.
15, 16 David, voyant Saül en marche pour attenter à sa vie, se tint au désert de Ziph, dans la forêt. Ce fut alors que Jonathan, fils de Saül, se leva et alla vers David dans la forêt. Il fortifia sa confiance en Dieu,
17 et lui dit : Ne crains rien, car la main de Saül, mon père, ne t'atteindra pas. Tu régneras sur Israël, et
18 moi je serai au second rang près de toi ; Saül, mon père, le sait bien aussi. Ils firent tous deux alliance
19 devant l'Éternel ; et David resta dans la forêt, et Jonathan s'en alla chez lui. Les Ziphiens montèrent auprès de Saül à Guibea, et dirent : David n'est-il pas caché parmi nous dans des lieux forts, dans la
20 forêt, sur la colline de Hakila, qui est au midi du désert ? Descends donc, ô roi, puisque c'est là tout le
21 désir de ton âme ; et à nous de le livrer entre les mains du roi. Saül dit : Que l'Éternel vous bénisse
22 de ce que vous avez pitié de moi ! Allez, je vous prie, prenez encore des informations pour savoir et
23 découvrir dans quel lieu il a dirigé ses pas et qui l'y a vu, car il est, m'a-t-on dit, fort rusé. Examinez et reconnaissez tous les lieux où il se cache, puis revenez vers moi avec quelque chose de certain, et je
24 partirai avec vous. S'il est dans le pays, je le chercherai parmi tous les milliers de Juda. Ils se levèrent donc et allèrent à Ziph avant Saül. David et ses gens étaient au désert de Maon, dans la plaine au midi
25 du désert. Saül partit avec ses gens à la recherche de David. Et l'on en informa David, qui descendit le rocher et resta dans le désert de Maon. Saül, l'ayant appris, poursuivit David au désert de Maon.
26 Saül marchait d'un côté de la montagne, et David avec ses gens de l'autre côté de la montagne. David fuyait précipitamment pour échapper à Saül. Mais déjà Saül et ses gens entouraient David et les siens
27 pour s'emparer d'eux, lorsqu'un messager vint dire à Saül : Hâte -toi de venir, car les Philistins ont fait
28 invasion dans le pays. Saül cessa de poursuivre David, et il s'en retourna pour aller à la rencontre des
29 Philistins. C'est pourquoi l'on appela ce lieu Séla-Hammachlekoth. De là David monta vers les lieux forts d'En-Guédi, où il demeura.

24 Lorsque Saül fut revenu de la poursuite des Philistins, on vint lui dire : Voici, David est dans le
2 désert d'En-Guédi. Saül prit trois mille hommes d'élite sur tout Israël, et il alla chercher David et ses
3 gens jusque sur les rochers des boucs sauvages. Il arriva à des parcs de brebis, qui étaient près du chemin ; et là se trouvait une caverne, où il entra pour se couvrir les pieds. David et ses gens étaient
4 au fond de la caverne. Les gens de David lui dirent : Voici le jour où l'Éternel te dit : Je livre ton ennemi entre tes mains ; traite -le comme bon te semblera. David se leva, et coupa doucement le pan
5 du manteau de Saül. Après cela le coeur lui battit, parce qu'il avait coupé le pan du manteau de Saül.
6 Et il dit à ses gens : Que l'Éternel me garde de commettre contre mon seigneur, l'oint de l'Éternel, une
7 action telle que de porter ma main sur lui ! car il est l'oint de l'Éternel. Par ces paroles David arrêta ses gens, et les empêcha de se jeter sur Saül. Puis Saül se leva pour sortir de la caverne, et continua son
8 chemin. Après cela, David se leva et sortit de la caverne. Il se mit alors à crier après Saül : O roi, mon
9 seigneur ! Saül regarda derrière lui, et David s'inclina le visage contre terre et se prosterna. David dit
10 à Saül : Pourquoi écoutes -tu les propos des gens qui disent : Voici, David cherche ton malheur ? Tu vois maintenant de tes propres yeux que l'Éternel t'avait livré aujourd'hui entre mes mains dans la caverne. On m'excitait à te tuer ; mais je t'ai épargné, et j'ai dit : Je ne porterai pas la main sur mon seigneur, car
11 il est l'oint de l'Éternel. Vois, mon père, vois donc le pan de ton manteau dans ma main. Puisque j'ai coupé le pan de ton manteau et que je ne t'ai pas tué, sache et reconnais qu'il n'y a dans ma conduite

ni méchanceté ni révolte, et que je n'ai point péché contre toi. Et toi, tu me dresses des embûches, pour
m'ôter la vie ! L'Éternel sera juge entre moi et toi, et l'Éternel me vengera de toi ; mais je ne porterai 12
point la main sur toi. Des méchants vient la méchanceté, dit l'ancien proverbe. Aussi je ne porterai 13
point la main sur toi. Contre qui le roi d'Israël s'est-il mis en marche ? Qui poursuis -tu ? Un chien 14
mort, une puce ! L'Éternel jugera et prononcera entre moi et toi ; il regardera, il défendra ma cause, il 15
me rendra justice en me délivrant de ta main. Lorsque David eut fini d'adresser à Saül ces paroles, 16
Saül dit : Est-ce bien ta voix, mon fils David ? Et Saül éleva la voix et pleura. Et il dit à David : Tu 17
es plus juste que moi ; car tu m'as fait du bien, et moi je t'ai fait du mal. Tu manifestes aujourd'hui la 18
bonté avec laquelle tu agis envers moi, puisque l'Éternel m'avait livré entre tes mains et que tu ne m'as
pas tué. Si quelqu'un rencontre son ennemi, le laisse-t-il poursuivre tranquillement son chemin ? Que 19
l'Éternel te récompense pour ce que tu m'as fait en ce jour ! Maintenant voici, je sais que tu régneras, 20
et que la royauté d'Israël restera entre tes mains. Jure -moi donc par l'Éternel que tu ne détruiras pas 21
ma postérité après moi, et que tu ne retrancheras pas mon nom de la maison de mon père. David le 22
jura à Saül. Puis Saül s'en alla dans sa maison, et David et ses gens montèrent au lieu fort.

Samuel mourut. Tout Israël s'étant assemblé le pleura, et on l'enterra dans sa demeure à Rama. Ce **25**
fut alors que David se leva et descendit au désert de Paran. Il y avait à Maon un homme fort riche, 2
possédant des biens à Carmel ; il avait trois mille brebis et mille chèvres, et il se trouvait à Carmel pour
la tonte de ses brebis. Le nom de cet homme était Nabal, et sa femme s'appelait Abigaïl ; c'était une 3
femme de bon sens et belle de figure, mais l'homme était dur et méchant dans ses actions. Il descendait
de Caleb. David apprit au désert que Nabal tondait ses brebis. Il envoya vers lui dix jeunes gens, 4, 5
auxquels il dit : Montez à Carmel, et allez auprès de Nabal. Vous le saluerez en mon nom, et vous lui 6
parlerez ainsi : Pour la vie sois en paix, et que la paix soit avec ta maison et tout ce qui t'appartient !
Et maintenant, j'ai appris que tu as les tondeurs. Or tes bergers ont été avec nous ; nous ne leur avons 7
fait aucun outrage, et rien ne leur a été enlevé pendant tout le temps qu'ils ont été à Carmel. Demande 8
-le à tes serviteurs, et ils te le diront. Que ces jeunes gens trouvent donc grâce à tes yeux, puisque nous
venons dans un jour de joie. Donne donc, je te prie, à tes serviteurs et à ton fils David ce qui se trouvera
sous ta main. Lorsque les gens de David furent arrivés, ils répétèrent à Nabal toutes ces paroles, au 9
nom de David. Puis ils se turent. Nabal répondit aux serviteurs de David : Qui est David, et qui est 10
le fils d'Isaï ? Il y a aujourd'hui beaucoup de serviteurs qui s'échappent d'auprès de leurs maîtres. Et 11
je prendrais mon pain, mon eau, et mon bétail que j'ai tué pour mes tondeurs, et je les donnerais à
des gens qui sont je ne sais d'où ? Les gens de David rebroussèrent chemin ; ils s'en retournèrent, et 12
redirent, à leur arrivée, toutes ces paroles à David. Alors David dit à ses gens : Que chacun de vous 13
ceigne son épée ! Et ils ceignirent chacun leur épée. David aussi ceignit son épée, et environ quatre
cents hommes montèrent à sa suite. Il en resta deux cents près des bagages. Un des serviteurs de 14
Nabal vint dire à Abigaïl, femme de Nabal : Voici, David a envoyé du désert des messagers pour saluer
notre maître, qui les a rudoyés. Et pourtant ces gens ont été très bons pour nous ; ils ne nous ont fait 15
aucun outrage, et rien ne nous a été enlevé, tout le temps que nous avons été avec eux lorsque nous
étions dans les champs. Ils nous ont nuit et jour servi de muraille, tout le temps que nous avons été 16
avec eux, faisant paître les troupeaux. Sache maintenant et vois ce que tu as à faire, car la perte de 17
notre maître et de toute sa maison est résolue, et il est si méchant qu'on n'ose lui parler. Abigaïl prit 18
aussitôt deux cents pains, deux outres de vin, cinq pièces de bétail apprêtées, cinq mesures de grain
rôti, cent masses de raisins secs, et deux cents de figues sèches. Elle les mit sur des ânes, et elle dit 19
à ses serviteurs : Passez devant moi, je vais vous suivre. Elle ne dit rien à Nabal, son mari. Montée 20
sur un âne, elle descendit la montagne par un chemin couvert ; et voici, David et ses gens descendaient
en face d'elle, en sorte qu'elle les rencontra. David avait dit : C'est bien en vain que j'ai gardé tout ce 21
que cet homme a dans le désert, et que rien n'a été enlevé de tout ce qu'il possède ; il m'a rendu le mal
pour le bien. Que Dieu traite son serviteur David dans toute sa rigueur, si je laisse subsister jusqu'à 22
la lumière du matin qui que ce soit de tout ce qui appartient à Nabal ! Lorsque Abigaïl aperçut David, 23
elle descendit rapidement de l'âne, tomba sur sa face en présence de David, et se prosterna contre terre.
Puis, se jetant à ses pieds, elle dit : À moi la faute, mon seigneur ! Permets à ta servante de parler à 24
tes oreilles, et écoute les paroles de ta servante. Que mon seigneur ne prenne pas garde à ce méchant 25
homme, à Nabal, car il est comme son nom ; Nabal est son nom, et il y a chez lui de la folie. Et moi, ta
servante, je n'ai pas vu les gens que mon seigneur a envoyés. Maintenant, mon seigneur, aussi vrai 26
que l'Éternel est vivant et que ton âme est vivante, c'est l'Éternel qui t'a empêché de répandre le sang
et qui a retenu ta main. Que tes ennemis, que ceux qui veulent du mal à mon seigneur soient comme
Nabal ! Accepte ce présent que ta servante apporte à mon seigneur, et qu'il soit distribué aux gens qui 27
marchent à la suite de mon seigneur. Pardonne, je te prie, la faute de ta servante, car l'Éternel fera 28
à mon seigneur une maison stable ; pardonne, car mon seigneur soutient les guerres de l'Éternel, et

29 la méchanceté ne se trouvera jamais en toi. S'il s'élève quelqu'un qui te poursuive et qui en veuille
à ta vie, l'âme de mon seigneur sera liée dans le faisceau des vivants auprès de l'Éternel, ton Dieu,
30 et il lancera du creux de la fronde l'âme de tes ennemis. Lorsque l'Éternel aura fait à mon seigneur
31 tout le bien qu'il t'a annoncé, et qu'il t'aura établi chef sur Israël, mon seigneur n'aura ni remords ni
souffrance de coeur pour avoir répandu le sang inutilement et pour s'être vengé lui-même. Et lorsque
32 l'Éternel aura fait du bien à mon seigneur, souviens -toi de ta servante. David dit à Abigaïl : Béni soit
33 l'Éternel, le Dieu d'Israël, qui t'a envoyée aujourd'hui à ma rencontre ! Béni soit ton bon sens, et bénie
34 sois-tu, toi qui m'as empêché en ce jour de répandre le sang, et qui as retenu ma main ! Mais l'Éternel,
le Dieu d'Israël, qui m'a empêché de te faire du mal, est vivant ! si tu ne t'étais hâtée de venir au-devant
35 de moi, il ne serait resté qui que ce soit à Nabal, d'ici à la lumière du matin. Et David prit de la main
d'Abigaïl ce qu'elle lui avait apporté, et lui dit : Monte en paix dans ta maison ; vois, j'ai écouté ta voix,
36 et je t 'ai favorablement accueillie. Abigaïl arriva auprès de Nabal. Et voici, il faisait dans sa maison
un festin comme un festin de roi ; il avait le coeur joyeux, et il était complètement dans l'ivresse. Elle ne
37 lui dit aucune chose, petite ou grande, jusqu'à la lumière du matin. Mais le matin, l'ivresse de Nabal
s'étant dissipée, sa femme lui raconta ce qui s'était passé. Le coeur de Nabal reçut un coup mortel, et
38, 39 devint comme une pierre. Environ dix jours après, l'Éternel frappa Nabal, et il mourut. David apprit
que Nabal était mort, et il dit : Béni soit l'Éternel, qui a défendu ma cause dans l'outrage que m'a fait
Nabal, et qui a empêché son serviteur de faire le mal ! L'Éternel a fait retomber la méchanceté de Nabal
40 sur sa tête. David envoya proposer à Abigaïl de devenir sa femme. Les serviteurs de David arrivèrent
chez Abigaïl à Carmel, et lui parlèrent ainsi : David nous a envoyés vers toi, afin de te prendre pour
41 sa femme. Elle se leva, se prosterna le visage contre terre, et dit : Voici, ta servante sera une esclave
42 pour laver les pieds des serviteurs de mon seigneur. Et aussitôt Abigaïl partit, montée sur un âne, et
43 accompagnée de cinq jeunes filles ; elle suivit les messagers de David, et elle devint sa femme. David
44 avait aussi pris Achinoam de Jizreel, et toutes les deux furent ses femmes. Et Saül avait donné sa fille
Mical, femme de David, à Palthi de Gallim, fils de Laïsch.

26 Les Ziphiens allèrent auprès de Saül à Guibea, et dirent : David n'est-il pas caché sur la colline
2 de Hakila, en face du désert ? Saül se leva et descendit au désert de Ziph, avec trois mille hommes de
3 l'élite d'Israël, pour chercher David dans le désert de Ziph. Il campa sur la colline de Hakila, en face du
désert, près du chemin. David était dans le désert ; et s'étant aperçu que Saül marchait à sa poursuite
4, 5 au désert, il envoya des espions, et apprit avec certitude que Saül était arrivé. Alors David se leva
et vint au lieu où Saül était campé, et il vit la place où couchait Saül, avec Abner, fils de Ner, chef de
6 son armée. Saül couchait au milieu du camp, et le peuple campait autour de lui. David prit la parole,
et s'adressant à Achimélec, Héthien, et à Abischaï, fils de Tseruja et frère de Joab, il dit : Qui veut
7 descendre avec moi dans le camp vers Saül ? Et Abischaï répondit : Moi, je descendrai avec toi. David
et Abischaï allèrent de nuit vers le peuple. Et voici, Saül était couché et dormait au milieu du camp, et
8 sa lance était fixée en terre à son chevet. Abner et le peuple étaient couchés autour de lui. Abischaï
dit à David : Dieu livre aujourd'hui ton ennemi entre tes mains ; laisse-moi, je te prie, le frapper de ma
9 lance et le clouer en terre d'un seul coup, pour que je n'aie pas à y revenir. Mais David dit à Abischaï :
10 Ne le détruis pas ! car qui pourrait impunément porter la main sur l'oint de l'Éternel ? Et David dit :
L'Éternel est vivant ! c'est à l'Éternel seul à le frapper, soit que son jour vienne et qu'il meure, soit qu'il
11 descende sur un champ de bataille et qu'il y périsse. Loin de moi, par l'Éternel ! de porter la main
sur l'oint de l'Éternel ! Prends seulement la lance qui est à son chevet, avec la cruche d'eau, et allons
12 -nous-en. David prit donc la lance et la cruche d'eau qui étaient au chevet de Saül ; et ils s'en allèrent.
Personne ne les vit ni ne s'aperçut de rien, et personne ne se réveilla, car ils dormaient tous d'un profond
13 sommeil dans lequel l'Éternel les avait plongés. David passa de l'autre côté, et s'arrêta au loin sur le
14 sommet de la montagne, à une grande distance du camp. Et il cria au peuple et à Abner, fils de Ner :
15 Ne répondras -tu pas, Abner ? Abner répondit : Qui es-tu, toi qui pousses des cris vers le roi ? Et David
dit à Abner : N'es-tu pas un homme ? et qui est ton pareil en Israël ? Pourquoi donc n'as-tu pas gardé le
16 roi, ton maître ? Car quelqu'un du peuple est venu pour tuer le roi, ton maître. Ce que tu as fait là n'est
pas bien. L'Éternel est vivant ! vous méritez la mort, pour n'avoir pas veillé sur votre maître, sur l'oint
de l'Éternel. Regarde maintenant où sont la lance du roi et la cruche d'eau, qui étaient à son chevet !
17 Saül reconnut la voix de David, et dit : Est-ce bien ta voix, mon fils David ? Et David répondit : C'est
18 ma voix, ô roi, mon seigneur ! Et il dit : Pourquoi mon seigneur poursuit -il son serviteur ? Qu'ai-je
19 fait, et de quoi suis-je coupable ? Que le roi, mon seigneur, daigne maintenant écouter les paroles de
son serviteur : si c'est l'Éternel qui t'excite contre moi, qu'il agrée le parfum d'une offrande ; mais si
ce sont des hommes, qu'ils soient maudits devant l'Éternel, puisqu'ils me chassent aujourd'hui pour
20 me détacher de l'héritage de l'Éternel, et qu'ils me disent : Va servir des dieux étrangers ! Oh ! que

mon sang ne tombe pas en terre loin de la face de l'Éternel ! Car le roi d'Israël s'est mis en marche pour chercher une puce, comme on chasserait une perdrix dans les montagnes. Saül dit : J'ai péché ; reviens, 21
mon fils David, car je ne te ferai plus de mal, puisqu'en ce jour ma vie a été précieuse à tes yeux. J'ai agi comme un insensé, et j'ai fait une grande faute. David répondit : Voici la lance du roi ; que l'un de tes 22
gens vienne la prendre. L'Éternel rendra à chacun selon sa justice et sa fidélité ; car l'Éternel t'avait 23
livré aujourd'hui entre mes mains, et je n'ai pas voulu porter la main sur l'oint de l'Éternel. Et comme 24
aujourd'hui ta vie a été d'un grand prix à mes yeux, ainsi ma vie sera d'un grand prix aux yeux de l'Éternel et il me délivrera de toute angoisse. Saül dit à David : Sois béni, mon fils David ! tu réussiras 25
dans tes entreprises. David continua son chemin, et Saül retourna chez lui.

David dit en lui-même : je périrai un jour par la main de Saül ; il n'y a rien de mieux pour moi que de **27**
me réfugier au pays des Philistins, afin que Saül renonce à me chercher encore dans tout le territoire d'Israël ; ainsi j'échapperai à sa main. Et David se leva, lui et les six cents hommes qui étaient avec 2
lui, et ils passèrent chez Akisch, fils de Maoc, roi de Gath. David et ses gens restèrent à Gath auprès 3
d'Akisch ; ils avaient chacun leur famille, et David avait ses deux femmes, Achinoam de Jizreel, et Abigaïl de Carmel, femme de Nabal. Saül, informé que David s'était enfui à Gath, cessa de le chercher. 4
David dit à Akisch : Si j'ai trouvé grâce à tes yeux, qu'on me donne dans l'une des villes du pays un 5
lieu où je puisse demeurer ; car pourquoi ton serviteur habiterait -il avec toi dans la ville royale ? Et 6
ce même jour Akisch lui donna Tsiklag. C'est pourquoi Tsiklag a appartenu aux rois de Juda jusqu'à ce jour. Le temps que David demeura dans le pays des Philistins fut d'un an et quatre mois. David et 7, 8
ses gens montaient et faisaient des incursions chez les Gueschuriens, les Guirziens et les Amalécites ; car ces nations habitaient dès les temps anciens la contrée, du côté de Schur et jusqu'au pays d'Égypte.
David ravageait cette contrée ; il ne laissait en vie ni homme ni femme, et il enlevait les brebis, les 9
boeufs, les ânes, les chameaux, les vêtements, puis s'en retournait et allait chez Akisch. Akisch disait : 10
Où avez-vous fait aujourd'hui vos courses ? Et David répondait : Vers le midi de Juda, vers le midi des Jerachmeélites et vers le midi des Kéniens. David ne laissait en vie ni homme ni femme, pour les 11
amener à Gath ; car, pensait -il, ils pourraient parler contre nous et dire : Ainsi a fait David. Et ce fut là sa manière d'agir tout le temps qu'il demeura dans le pays des Philistins. Akisch se fiait à David, et 12
il disait : Il se rend odieux à Israël, son peuple, et il sera mon serviteur à jamais.

En ce temps -là, les Philistins rassemblèrent leurs troupes et formèrent une armée, pour faire la **28**
guerre à Israël. Akisch dit à David : Tu sais que tu viendras avec moi à l'armée, toi et tes gens. Da- 2
vid répondit à Akisch : Tu verras bien ce que ton serviteur fera. Et Akisch dit à David : Aussi je te donnerai pour toujours la garde de ma personne. Samuel était mort ; tout Israël l'avait pleuré, et on 3
l'avait enterré à Rama, dans sa ville. Saül avait ôté du pays ceux qui évoquaient les morts et ceux qui prédisaient l'avenir. Les Philistins se rassemblèrent, et vinrent camper à Sunem ; Saül rassembla tout 4
Israël, et ils campèrent à Guilboa. À la vue du camp des Philistins, Saül fut saisi de crainte, et un 5
violent tremblement s'empara de son coeur. Saül consulta l'Éternel ; et l'Éternel ne lui répondit point, 6
ni par des songes, ni par l'urim, ni par les prophètes. Et Saül dit à ses serviteurs : Cherchez -moi 7
une femme qui évoque les morts, et j'irai la consulter. Ses serviteurs lui dirent : Voici, à En-Dor il y a une femme qui évoque les morts. Alors Saül se déguisa et prit d'autres vêtements, et il partit avec 8
deux hommes. Ils arrivèrent de nuit chez la femme. Saül lui dit : Prédis-moi l'avenir en évoquant un mort, et fais-moi monter celui que je te dirai. La femme lui répondit : Voici, tu sais ce que Saül a fait, 9
comment il a retranché du pays ceux qui évoquent les morts et ceux qui prédisent l'avenir ; pourquoi donc tends-tu un piège à ma vie pour me faire mourir ? Saül lui jura par l'Éternel, en disant : L'Éternel 10
est vivant ! il ne t'arrivera point de mal pour cela. La femme dit : Qui veux-tu que je te fasse monter ? 11
Et il répondit : Fais moi monter Samuel. Lorsque la femme vit Samuel, elle poussa un grand cri, et 12
elle dit à Saül : Pourquoi m'as-tu trompée ? Tu es Saül ! Le roi lui dit : Ne crains rien ; mais que vois 13
-tu ? La femme dit à Saül : je vois un dieu qui monte de la terre. Il lui dit : Quelle figure a-t-il ? Et 14
elle répondit : C'est un vieillard qui monte et il est enveloppé d'un manteau. Saül comprit que c'était Samuel, et il s'inclina le visage contre terre et se prosterna. Samuel dit à Saül : Pourquoi m'as-tu trou- 15
blé, en me faisant monter ? Saül répondit : Je suis dans une grande détresse : les Philistins me font la guerre, et Dieu s'est retiré de moi ; il ne m'a répondu ni par les prophètes ni par des songes. Et je t'ai appelé pour que tu me fasses connaître ce que je dois faire. Samuel dit : Pourquoi donc me consultes 16
-tu, puisque l'Éternel s'est retiré de toi et qu'il est devenu ton ennemi ? L'Éternel te traite comme je 17
te l'avais annoncé de sa part ; l'Éternel a déchiré la royauté d'entre tes mains, et l'a donnée à un autre, à David. Tu n'as point obéi à la voix de l'Éternel, et tu n'as point fait sentir à Amalek l'ardeur de sa 18
colère : voilà pourquoi l'Éternel te traite aujourd'hui de cette manière. Et même l'Éternel livrera Israël 19
avec toi entre les mains des Philistins. Demain, toi et tes fils, vous serez avec moi, et l'Éternel livrera

20 le camp d'Israël entre les mains des Philistins. Aussitôt Saül tomba à terre de toute sa hauteur, et
les paroles de Samuel le remplirent d'effroi ; de plus, il manquait de force, car il n'avait pris aucune
21 nourriture de tout le jour et de toute la nuit. La femme vint auprès de Saül, et, le voyant très effrayé,
elle lui dit : Voici, ta servante a écouté ta voix ; j'ai exposé ma vie, en obéissant aux paroles que tu m'as
22 dites. Écoute maintenant, toi aussi, la voix de ta servante, et laisse-moi t'offrir un morceau de pain,
23 afin que tu manges pour avoir la force de te mettre en route. Mais il refusa, et dit : Je ne mangerai
point. Ses serviteurs et la femme aussi le pressèrent, et il se rendit à leurs instances. Il se leva de terre,
24 et s'assit sur le lit. La femme avait chez elle un veau gras, qu'elle se hâta de tuer ; et elle prit de la
25 farine, la pétrit, et en cuisit des pains sans levain. Elle les mit devant Saül et devant ses serviteurs.
Et ils mangèrent. Puis, s'étant levés, ils partirent la nuit même.

29 Les Philistins rassemblèrent toutes leurs troupes à Aphek, et Israël campa près de la source de
2 Jizreel. Les princes des Philistins s'avancèrent avec leurs centaines et leurs milliers, et David et ses
3 gens marchaient à l'arrière-garde avec Akisch. Les princes des Philistins dirent : Que font ici ces
Hébreux ? Et Akisch répondit aux princes des Philistins : N'est-ce pas David, serviteur de Saül, roi
d'Israël ? il y a longtemps qu'il est avec moi, et je n'ai pas trouvé la moindre chose à lui reprocher depuis
4 son arrivée jusqu'à ce jour. Mais les princes des Philistins s'irritèrent contre Akisch, et lui dirent :
Renvoie cet homme, et qu'il retourne dans le lieu où tu l'as établi ; qu'il ne descende pas avec nous sur le
champ de bataille, afin qu'il ne soit pas pour nous un ennemi pendant le combat. Et comment cet homme
5 rentrerait-il en grâce auprès de son maître, si ce n'est au moyen des têtes de nos gens ? N'est-ce pas ce
6 David pour qui l'on chantait en dansant : Saül a frappé ses mille, Et David ses dix mille ? Akisch appela
David, et lui dit : L'Éternel est vivant ! tu es un homme droit, et j'aime à te voir aller et venir avec moi
dans le camp, car je n'ai rien trouvé de mauvais en toi depuis ton arrivée auprès de moi jusqu'à ce jour ;
7 mais tu ne plais pas aux princes. Retourne donc et va -t'en en paix, pour ne rien faire de désagréable
8 aux yeux des princes des Philistins. David dit à Akisch : Mais qu'ai-je fait, et qu'as-tu trouvé en ton
serviteur depuis que je suis auprès de toi jusqu'à ce jour, pour que je n'aille pas combattre les ennemis
9 de mon seigneur le roi ? Akisch répondit à David : Je le sais, car tu es agréable à mes yeux comme un
ange de Dieu ; mais les princes des Philistins disent : Il ne montera point avec nous pour combattre.
10 Ainsi lève -toi de bon matin, toi et les serviteurs de ton maître qui sont venus avec toi ; levez -vous de
11 bon matin, et partez dès que vous verrez la lumière. David et ses gens se levèrent de bonne heure, pour
partir dès le matin, et retourner dans le pays des Philistins. Et les Philistins montèrent à Jizreel.

30 Lorsque David arriva le troisième jour à Tsiklag avec ses gens, les Amalécites avaient fait une
2 invasion dans le midi et à Tsiklag. Ils avaient détruit et brûlé Tsiklag, après avoir fait prisonniers les
femmes et tous ceux qui s'y trouvaient, petits et grands. Ils n'avaient tué personne, mais ils avaient
3 tout emmené et s'étaient remis en route. David et ses gens arrivèrent à la ville, et voici, elle était
4 brûlée ; et leurs femmes, leurs fils et leurs filles, étaient emmenés captifs. Alors David et le peuple qui
5 était avec lui élevèrent la voix et pleurèrent jusqu'à ce qu'ils n'eussent plus la force de pleurer. Les
deux femmes de David avaient été emmenées, Achinoam de Jizreel, et Abigaïl de Carmel, femme de
6 Nabal. David fut dans une grande angoisse, car le peuple parlait de le lapider, parce que tous avaient
de l'amertume dans l'âme, chacun à cause de ses fils et de ses filles. Mais David reprit courage en
7 s'appuyant sur l'Éternel, son Dieu. Il dit au sacrificateur Abiathar, fils d'Achimélec : Apporte -moi
8 donc l'éphod ! Abiathar apporta l'éphod à David. Et David consulta l'Éternel, en disant : Poursuivrai
-je cette troupe ? l'atteindrai -je ? L'Éternel lui répondit : Poursuis, car tu atteindras, et tu délivreras.
9 Et David se mit en marche, lui et les six cents hommes qui étaient avec lui. Ils arrivèrent au torrent
10 de Besor, où s'arrêtèrent ceux qui restaient en arrière. David continua la poursuite avec quatre cents
11 hommes ; deux cents hommes s'arrêtèrent, trop fatigués pour passer le torrent de Besor. Ils trouvèrent
dans les champs un homme égyptien, qu'ils conduisirent auprès de David. Ils lui firent manger du pain
12 et boire de l'eau, et ils lui donnèrent un morceau d'une masse de figues sèches et deux masses de
raisins secs. Après qu'il eut mangé, les forces lui revinrent, car il n'avait point pris de nourriture et
13 point bu d'eau depuis trois jours et trois nuits. David lui dit : À qui es-tu, et d'où es-tu ? Il répondit :
Je suis un garçon égyptien, au service d'un homme amalécite, et voilà trois jours que mon maître m'a
14 abandonné parce que j'étais malade. Nous avons fait une invasion dans le midi des Kéréthiens, sur le
15 territoire de Juda et au midi de Caleb, et nous avons brûlé Tsiklag. David lui dit : Veux-tu me faire
descendre vers cette troupe ? Et il répondit : Jure -moi par le nom de Dieu que tu ne me tueras pas et
16 que tu ne me livreras pas à mon maître, et je te ferai descendre vers cette troupe. Il lui servit ainsi
de guide. Et voici, les Amalécites étaient répandus sur toute la contrée, mangeant, buvant et dansant,
17 à cause du grand butin qu'ils avaient enlevé du pays des Philistins et du pays de Juda. David les
battit depuis l'aube du jour jusqu'au soir du lendemain, et aucun d'eux n'échappa, excepté quatre cents
18 jeunes hommes qui montèrent sur des chameaux et s'enfuirent. David sauva tout ce que les Amalécites
19 avaient pris, et il délivra aussi ses deux femmes. Il ne leur manqua personne, ni petit ni grand, ni fils

ni fille, ni aucune chose du butin, ni rien de ce qu'on leur avait enlevé : David ramena tout. Et David 20
prit tout le menu et le gros bétail ; et ceux qui conduisaient ce troupeau et marchaient à sa tête disaient :
C'est ici le butin de David. David arriva auprès des deux cents hommes qui avaient été trop fatigués 21
pour le suivre, et qu'on avait laissés au torrent de Besor. Ils s'avancèrent à la rencontre de David et
du peuple qui était avec lui. David s'approcha d'eux, et leur demanda comment ils se trouvaient. Tous 22
les hommes méchants et vils parmi les gens qui étaient allés avec David prirent la parole et dirent :
Puisqu'ils ne sont pas venus avec nous, nous ne leur donnerons rien du butin que nous avons sauvé,
sinon à chacun sa femme et ses enfants ; qu'ils les emmènent, et s'en aillent. Mais David dit : N'agissez 23
pas ainsi, mes frères, au sujet de ce que l'Éternel nous a donné ; car il nous a gardés, et il a livré entre
nos mains la troupe qui était venue contre nous. Et qui vous écouterait dans cette affaire ? La part 24
doit être la même pour celui qui est descendu sur le champ de bataille et pour celui qui est resté près
des bagages : ensemble ils partageront. Il en fut ainsi dès ce jour et dans la suite, et l'on a fait de 25
cela jusqu'à ce jour une loi et une coutume en Israël. De retour à Tsiklag, David envoya une partie du 26
butin aux anciens de Juda, à ses amis, en leur adressant ces paroles : Voici pour vous un présent sur
le butin des ennemis de l'Éternel ! Il fit ainsi des envois à ceux de Béthel, à ceux de Ramoth du midi, 27
à ceux de Jatthir, à ceux d'Aroër, à ceux de Siphmoth, à ceux d'Eschthemoa, à ceux de Racal, à ceux 28, 29
des villes des Jerachmeélites, à ceux des villes des Kéniens, à ceux de Horma, à ceux de Cor-Aschan, à 30
ceux d'Athac, à ceux d'Hébron, et dans tous les lieux que David et ses gens avaient parcourus. 31

31 Les Philistins livrèrent bataille à Israël, et les hommes d'Israël prirent la fuite devant les Philis-
tins et tombèrent morts sur la montagne de Guilboa. Les Philistins poursuivirent Saül et ses fils, et 2
tuèrent Jonathan, Abinadab et Malkischua, fils de Saül. L'effort du combat porta sur Saül ; les archers 3
l'atteignirent, et le blessèrent grièvement. Saül dit alors à celui qui portait ses armes : Tire ton épée, 4
et m'en transperce, de peur que ces incirconcis ne viennent me percer et me faire subir leurs outrages.
Celui qui portait ses armes ne voulut pas, car il était saisi de crainte. Et Saül prit son épée, et se jeta
dessus. Celui qui portait les armes de Saül, le voyant mort, se jeta aussi sur son épée, et mourut avec 5
lui. Ainsi périrent en même temps, dans cette journée, Saül et ses trois fils, celui qui portait ses armes, 6
et tous ses gens. Ceux d'Israël qui étaient de ce côté de la vallée et de ce côté du Jourdain, ayant vu 7
que les hommes d'Israël s'enfuyaient et que Saül et ses fils étaient morts, abandonnèrent leurs villes
pour prendre aussi la fuite. Et les Philistins allèrent s'y établir. Le lendemain, les Philistins vinrent 8
pour dépouiller les morts, et ils trouvèrent Saül et ses trois fils tombés sur la montagne de Guilboa. Ils 9
coupèrent la tête de Saül, et enlevèrent ses armes. Puis ils firent annoncer ces bonnes nouvelles par tout
le pays des Philistins dans les maisons de leurs idoles et parmi le peuple. Ils mirent les armes de Saül 10
dans la maison des Astartés, et ils attachèrent son cadavre sur les murs de Beth-Schan. Lorsque les 11
habitants de Jabès en Galaad apprirent comment les Philistins avaient traité Saül, tous les vaillants 12
hommes se levèrent, et, après avoir marché toute la nuit, ils arrachèrent des murs de Beth-Schan le
cadavre de Saül et ceux de ses fils. Puis ils revinrent à Jabès, où ils les brûlèrent ; ils prirent leurs os, 13
et les enterrèrent sous le tamarisc à Jabès. Et ils jeûnèrent sept jours.

II SAMUEL

1 Après la mort de Saül, David, qui avait battu les Amalécites, était depuis deux jours revenu à
2 Tsiklag. Le troisième jour, un homme arriva du camp de Saül, les vêtements déchirés et la
tête couverte de terre. Lorsqu'il fut en présence de David, il se jeta par terre et se prosterna.
3, 4 David lui dit : D'où viens -tu ? Et il lui répondit : Je me suis sauvé du camp d'Israël. David
lui dit : Que s'est-il passé ? dis -moi donc ! Et il répondit : Le peuple s'est enfui du champ de bataille,
et un grand nombre d'hommes sont tombés et ont péri ; Saül même et Jonathan, son fils, sont morts.
5 David dit au jeune homme qui lui apportait ces nouvelles : Comment sais -tu que Saül et Jonathan, son
6 fils, sont morts ? Et le jeune homme qui lui apportait ces nouvelles répondit : Je me trouvais sur la
montagne de Guilboa ; et voici, Saül s'appuyait sur sa lance, et voici, les chars et les cavaliers étaient
7, 8 près de l'atteindre. S'étant retourné, il m'aperçut et m'appela. Je dis : Me voici ! Et il me dit : Qui
9 es-tu ? Je lui répondis : Je suis Amalécite. Et il dit : Approche donc, et donne-moi la mort ; car je suis
10 pris de vertige, quoique encore plein de vie. Je m'approchai de lui, et je lui donnai la mort, sachant
bien qu'il ne survivrait pas à sa défaite. J'ai enlevé le diadème qui était sur sa tête et le bracelet qu'il
11 avait au bras, et je les apporte ici à mon seigneur. David saisit ses vêtements et les déchira, et tous
12 les hommes qui étaient auprès de lui firent de même. Ils furent dans le deuil, pleurèrent et jeûnèrent
jusqu'au soir, à cause de Saül, de Jonathan, son fils, du peuple de l'Éternel, et de la maison d'Israël,
13 parce qu'ils étaient tombés par l'épée. David dit au jeune homme qui lui avait apporté ces nouvelles :
14 D'où es-tu ? Et il répondit : Je suis le fils d'un étranger, d'un Amalécite. David lui dit : Comment n'as-tu
15 pas craint de porter la main sur l'oint de l'Éternel et de lui donner la mort ? Et David appela l'un de ses
16 gens, et dit : Approche, et tue -le ! Cet homme frappa l'Amalécite, qui mourut. Et David lui dit : Que ton
sang retombe sur ta tête, car ta bouche a déposé contre toi, puisque tu as dit : J'ai donné la mort à l'oint
17, 18 de l'Éternel ! Voici le cantique funèbre que David composa sur Saül et sur Jonathan, son fils, et qu'il
ordonna d'enseigner aux enfants de Juda. C'est le cantique de l'arc : il est écrit dans le livre du Juste.
19, 20 L'élite d'Israël a succombé sur tes collines ! Comment des héros sont-ils tombés ? Ne l'annoncez point
dans Gath, N'en publiez point la nouvelle dans les rues d'Askalon, De peur que les filles des Philistins
21 ne se réjouissent, De peur que les filles des incirconcis ne triomphent. Montagnes de Guilboa ! Qu'il
n'y ait sur vous ni rosée ni pluie, Ni champs qui donnent des prémices pour les offrandes ! Car là ont
22 été jetés les boucliers des héros, Le bouclier de Saül ; L'huile a cessé de les oindre. Devant le sang des
blessés, devant la graisse des plus vaillants, L'arc de Jonathan n'a jamais reculé, Et l'épée de Saül ne
23 retournait point à vide. Saül et Jonathan, aimables et chéris pendant leur vie, N'ont point été séparés
24 dans leur mort ; Ils étaient plus légers que les aigles, Ils étaient plus forts que les lions. Filles d'Israël !
pleurez sur Saül, Qui vous revêtait magnifiquement de cramoisi, Qui mettait des ornements d'or sur vos
25 habits. Comment des héros sont-ils tombés au milieu du combat ? Comment Jonathan a-t-il succombé
26 sur tes collines ? Je suis dans la douleur à cause de toi, Jonathan, mon frère ! Tu faisais tout mon
27 plaisir ; Ton amour pour moi était admirable, Au-dessus de l'amour des femmes. Comment des héros
sont-ils tombés ? Comment leurs armes se sont-elles perdues ?

2 Après cela, David consulta l'Éternel, en disant : Monterai -je dans une des villes de Juda ? L'Éternel
2 lui répondit : Monte. David dit : Où monterai -je ? Et l'Éternel répondit : À Hébron. David y monta,
3 avec ses deux femmes, Achinoam de Jizreel, et Abigaïl de Carmel, femme de Nabal. David fit aussi
monter les gens qui étaient auprès de lui, chacun avec sa maison ; et ils habitèrent dans les villes
4 d'Hébron. Les hommes de Juda vinrent, et là ils oignirent David pour roi sur la maison de Juda. On
5 informa David que c'étaient les gens de Jabès en Galaad qui avaient enterré Saül. David envoya des
messagers aux gens de Jabès en Galaad, pour leur dire : Soyez bénis de l'Éternel, puisque vous avez
6 ainsi montré de la bienveillance envers Saül, votre maître, et que vous l'avez enterré. Et maintenant,
que l'Éternel use envers vous de bonté et de fidélité. Moi aussi je vous ferai du bien, parce que vous
7 avez agi de la sorte. Que vos mains se fortifient, et soyez de vaillants hommes ; car votre maître Saül
8 est mort, et c'est moi que la maison de Juda a oint pour roi sur elle. Cependant Abner, fils de Ner,
9 chef de l'armée de Saül, prit Isch-Boscheth, fils de Saül, et le fit passer à Mahanaïm. Il l'établit roi sur
10 Galaad, sur les Gueschuriens, sur Jizreel, sur Éphraïm, sur Benjamin, sur tout Israël. Isch-Boscheth,
fils de Saül, était âgé de quarante ans, lorsqu'il devint roi d'Israël, et il régna deux ans. Il n'y eut que
11 la maison de Juda qui resta attachée à David. Le temps pendant lequel David régna à Hébron sur
12 la maison de Juda fut de sept ans et six mois. Abner, fils de Ner, et les gens d'Isch-Boscheth, fils de
13 Saül, sortirent de Mahanaïm pour marcher sur Gabaon. Joab, fils de Tseruja, et les gens de David,
se mirent aussi en marche. Ils se rencontrèrent près de l'étang de Gabaon, et ils s'arrêtèrent les uns
14 en deçà de l'étang, et les autres au delà. Abner dit à Joab : Que ces jeunes gens se lèvent, et qu'ils

se battent devant nous ! Joab répondit : Qu'ils se lèvent ! Ils se levèrent et s'avancèrent en nombre 15
égal, douze pour Benjamin et pour Isch-Boscheth, fils de Saül, et douze des gens de David. Chacun 16
saisissant son adversaire par la tête lui enfonça son épée dans le flanc, et ils tombèrent tous ensemble.
Et l'on donna à ce lieu, qui est près de Gabaon, le nom de Helkath-Hatsurim. Il y eut en ce jour un 17
combat très rude, dans lequel Abner et les hommes d'Israël furent battus par les gens de David. Là 18
se trouvaient les trois fils de Tseruja : Joab, Abischaï et Asaël. Asaël avait les pieds légers comme une
gazelle des champs : il poursuivit Abner, sans se détourner de lui pour aller à droite ou à gauche. 19
Abner regarda derrière lui, et dit : Est-ce toi, Asaël ? Et il répondit : C'est moi. Abner lui dit : Tire à 20, 21
droite ou à gauche ; saisis -toi de l'un de ces jeunes gens, et prends sa dépouille. Mais Asaël ne voulut
point se détourner de lui. Abner dit encore à Asaël : Détourne -toi de moi ; pourquoi te frapperais - 22
je et t'abattrais-je en terre ? comment ensuite lèverais -je le visage devant ton frère Joab ? Et Asaël 23
refusa de se détourner. Sur quoi Abner le frappa au ventre avec l'extrémité inférieure de sa lance, et
la lance sortit par derrière. Il tomba et mourut sur place. Tous ceux qui arrivaient au lieu où Asaël
était tombé mort, s'y arrêtaient. Joab et Abischaï poursuivirent Abner, et le soleil se couchait quand 24
ils arrivèrent au coteau d'Amma, qui est en face de Guiach, sur le chemin du désert de Gabaon. Les 25
fils de Benjamin se rallièrent à la suite d'Abner et formèrent un corps, et ils s'arrêtèrent au sommet
d'une colline. Abner appela Joab, et dit : L'épée dévorera -t-elle toujours ? Ne sais -tu pas qu'il y aura 26
de l'amertume à la fin ? Jusques à quand tarderas-tu à dire au peuple de ne plus poursuivre ses frères ?
Joab répondit : Dieu est vivant ! si tu n'eusses parlé, le peuple n'aurait pas cessé avant le matin de 27
poursuivre ses frères. Et Joab sonna de la trompette, et tout le peuple s'arrêta ; ils ne poursuivirent 28
plus Israël, et ils ne continuèrent pas à se battre. Abner et ses gens marchèrent toute la nuit dans la 29
plaine ; ils passèrent le Jourdain, traversèrent en entier le Bithron, et arrivèrent à Mahanaïm. Joab 30
revint de la poursuite d'Abner, et rassembla tout le peuple ; il manquait dix-neuf hommes des gens
de David, et Asaël. Mais les gens de David avaient frappé à mort trois cent soixante hommes parmi 31
ceux de Benjamin et d'Abner. Ils emportèrent Asaël, et l'enterrèrent dans le sépulcre de son père à 32
Bethléhem. Joab et ses gens marchèrent toute la nuit, et le jour paraissait quand ils furent à Hébron.

3 La guerre dura longtemps entre la maison de Saül et la maison de David. David devenait de plus
en plus fort, et la maison de Saül allait en s'affaiblissant. Il naquit à David des fils à Hébron. Son 2
premier-né fut Amnon, d'Achinoam de Jizreel ; le second, Kileab, d'Abigaïl de Carmel, femme de Nabal ; 3
le troisième, Absalom, fils de Maaca, fille de Talmaï, roi de Gueschur ; le quatrième, Adonija, fils de 4
Haggith ; le cinquième, Schephathia, fils d'Abithal ; et le sixième, Jithream, d'Égla, femme de David. Ce 5
sont là ceux qui naquirent à David à Hébron. Pendant la guerre entre la maison de Saül et la maison de 6
David, Abner tint ferme pour la maison de Saül. Or Saül avait eu une concubine, nommée Ritspa, fille 7
d'Ajja. Et Isch-Boscheth dit à Abner : Pourquoi es-tu venu vers la concubine de mon père ? Abner fut 8
très irrité des paroles d'Isch-Boscheth, et il répondit : Suis-je une tête de chien, qui tienne pour Juda ?
Je fais aujourd'hui preuve de bienveillance envers la maison de Saül, ton père, envers ses frères et ses
amis, je ne t'ai pas livré entre les mains de David, et c'est aujourd'hui que tu me reproches une faute
avec cette femme ? Que Dieu traite Abner dans toute sa rigueur, si je n'agis pas avec David selon ce que 9
l'Éternel a juré à David, en disant qu'il ferait passer la royauté de la maison de Saül dans la sienne, et 10
qu'il établirait le trône de David sur Israël et sur Juda depuis Dan jusqu'à Beer-Schéba. Isch-Boscheth 11
n'osa pas répliquer un seul mot à Abner, parce qu'il le craignait. Abner envoya des messagers à David 12
pour lui dire de sa part : À qui est le pays ? Fais alliance avec moi, et voici, ma main t'aidera pour
tourner vers toi tout Israël. Il répondit : Bien ! je ferai alliance avec toi ; mais je te demande une chose, 13
c'est que tu ne voies point ma face, à moins que tu n'amènes d'abord Mical, fille de Saül, en venant
auprès de moi. Et David envoya des messagers à Isch-Boscheth, fils de Saül, pour lui dire : Donne -moi 14
ma femme Mical, que j'ai fiancée pour cent prépuces de Philistins. Isch-Boscheth la fit prendre chez 15
son mari Palthiel, fils de Laïsch. Et son mari la suivit en pleurant jusqu'à Bachurim. Alors Abner lui 16
dit : Va, retourne -t'en ! Et il s'en retourna. Abner eut un entretien avec les anciens d'Israël, et leur 17
dit : Vous désiriez autrefois d'avoir David pour roi ; établissez -le maintenant, car l'Éternel a dit de lui : 18
C'est par David, mon serviteur, que je délivrerai mon peuple d'Israël de la main des Philistins et de la
main de tous ses ennemis. Abner parla aussi à Benjamin, et il alla rapporter aux oreilles de David à 19
Hébron ce qu'avaient résolu Israël et toute la maison de Benjamin. Il arriva auprès de David à Hébron, 20
accompagné de vingt hommes ; et David fit un festin à Abner et à ceux qui étaient avec lui. Abner dit 21
à David : Je me lèverai, et je partirai pour rassembler tout Israël vers mon seigneur le roi ; ils feront
alliance avec toi, et tu règneras entièrement selon ton désir. David renvoya Abner, qui s'en alla en paix.
Voici, Joab et les gens de David revinrent d'une excursion, et amenèrent avec eux un grand butin. Abner 22
n'était plus auprès de David à Hébron, car David l'avait renvoyé, et il s'en était allé en paix. Lorsque 23
Joab et toute sa troupe arrivèrent, on fit à Joab ce rapport : Abner, fils de Ner, est venu auprès du roi,
qui l'a renvoyé, et il s'en est allé en paix. Joab se rendit chez le roi, et dit : Qu'as-tu fait ? Voici, Abner 24

25 est venu vers toi ; pourquoi l'as-tu renvoyé et laissé partir ? Tu connais Abner, fils de Ner ! c'est pour
26 te tromper qu'il est venu, pour épier tes démarches, et pour savoir tout ce que tu fais. Et Joab, après
avoir quitté David, envoya sur les traces d'Abner des messagers, qui le ramenèrent depuis la citerne de
27 Sira : David n'en savait rien. Lorsque Abner fut de retour à Hébron, Joab le tira à l'écart au milieu
de la porte, comme pour lui parler en secret, et là il le frappa au ventre et le tua, pour venger la mort
28 d'Asaël, son frère. David l'apprit ensuite, et il dit : Je suis à jamais innocent, devant l'Éternel, du sang
29 d'Abner, fils de Ner, et mon royaume l'est aussi. Que ce sang retombe sur Joab et sur toute la maison de
son père ! Qu'il y ait toujours quelqu'un dans la maison de Joab, qui soit atteint d'un flux ou de la lèpre,
30 ou qui s'appuie sur un bâton, ou qui tombe par l'épée, ou qui manque de pain ! Ainsi Joab et Abischaï,
son frère, tuèrent Abner, parce qu'il avait donné la mort à Asaël, leur frère, à Gabaon, dans la bataille.
31 David dit à Joab et à tout le peuple qui était avec lui : Déchirez vos vêtements, ceignez -vous de sacs,
32 et pleurez devant Abner ! Et le roi David marcha derrière le cercueil. On enterra Abner à Hébron. Le
33 roi éleva la voix et pleura sur le sépulcre d'Abner, et tout le peuple pleura. Le roi fit une complainte
34 sur Abner, et dit : Abner devait-il mourir comme meurt un criminel ? Tu n'avais ni les mains liées, ni
les pieds dans les chaînes ! Tu es tombé comme on tombe devant des méchants. Et tout le peuple pleura
35 de nouveau sur Abner. Tout le peuple s'approcha de David pour lui faire prendre quelque nourriture,
pendant qu'il était encore jour ; mais David jura, en disant : Que Dieu me traite dans toute sa rigueur,
36 si je goûte du pain ou quoi que ce soit avant le coucher du soleil ! Cela fut connu et approuvé de tout
37 le peuple, qui trouva bon tout ce qu'avait fait le roi. Tout le peuple et tout Israël comprirent en ce jour
38 que ce n'était pas par ordre du roi qu'Abner, fils de Ner, avait été tué. Le roi dit à ses serviteurs : Ne
39 savez -vous pas qu'un chef, qu'un grand homme, est tombé aujourd'hui en Israël ? Je suis encore faible,
quoique j'aie reçu l'onction royale ; et ces gens, les fils de Tseruja, sont trop puissants pour moi. Que
l'Éternel rende selon sa méchanceté à celui qui fait le mal !

4 Lorsque le fils de Saül apprit qu'Abner était mort à Hébron, ses mains restèrent sans force, et tout
2 Israël fut dans l'épouvante. Le fils de Saül avait deux chefs de bandes, dont l'un s'appelait Baana et
l'autre Récab ; ils étaient fils de Rimmon de Beéroth, d'entre les fils de Benjamin. -Car Beéroth était
3 regardée comme faisant partie de Benjamin, et les Beérothiens s'étaient enfuis à Guitthaïm, où ils
4 ont habité jusqu'à ce jour. Jonathan, fils de Saül, avait un fils perclus des pieds ; et âgé de cinq ans
lorsqu'arriva de Jizreel la nouvelle de la mort de Saül et de Jonathan ; sa nourrice le prit et s'enfuit,
5 et, comme elle précipitait sa fuite, il tomba et resta boiteux ; son nom était Mephiboscheth. Or les fils
de Rimmon de Beéroth, Récab et Baana, se rendirent pendant la chaleur du jour à la maison d'Isch-
6 Boscheth, qui était couché pour son repos de midi. Ils pénétrèrent jusqu'au milieu de la maison, comme
pour prendre du froment, et ils le frappèrent au ventre ; puis Récab et Baana, son frère, se sauvèrent.
7 Ils entrèrent donc dans la maison pendant qu'il reposait sur son lit dans sa chambre à coucher, ils le
frappèrent et le firent mourir, et ils lui coupèrent la tête. Ils prirent sa tête, et ils marchèrent toute la
8 nuit au travers de la plaine. Ils apportèrent la tête d'Isch-Boscheth à David dans Hébron, et ils dirent
au roi : Voici la tête d'Isch-Boscheth, fils de Saül, ton ennemi, qui en voulait à ta vie ; l'Éternel venge
9 aujourd'hui le roi mon seigneur de Saül et de sa race. David répondit à Récab et à Baana, son frère, fils
10 de Rimmon de Beéroth : L'Éternel qui m 'a délivré de tout péril est vivant ! celui qui est venu me dire :
Voici, Saül est mort, et qui croyait m'annoncer une bonne nouvelle, je l'ai fait saisir et tuer à Tsiklag,
11 pour lui donner le salaire de son message ; et quand des méchants ont assassiné un homme juste dans
sa maison et sur sa couche, combien plus ne redemanderai -je pas son sang de vos mains et ne vous
12 exterminerai -je pas de la terre ? Et David ordonna à ses gens de les tuer ; ils leur coupèrent les mains
et les pieds, et les pendirent au bord de l'étang d'Hébron. Ils prirent ensuite la tête d'Isch-Boscheth, et
l'enterrèrent dans le sépulcre d'Abner à Hébron.

5 Toutes les tribus d'Israël vinrent auprès de David, à Hébron, et dirent : Voici, nous sommes tes
2 os et ta chair. Autrefois déjà, lorsque Saül était notre roi, c'était toi qui conduisais et qui ramenais
3 Israël. L'Éternel t'a dit : Tu paîtras mon peuple d'Israël, et tu seras le chef d'Israël. Ainsi tous les
anciens d'Israël vinrent auprès du roi à Hébron, et le roi David fit alliance avec eux à Hébron, devant
4 l'Éternel. Ils oignirent David pour roi sur Israël. David était âgé de trente ans lorsqu'il devint roi, et
5 il régna quarante ans. À Hébron il régna sur Juda sept ans et six mois, et à Jérusalem il régna trente
6 -trois ans sur tout Israël et Juda. Le roi marcha avec ses gens sur Jérusalem contre les Jébusiens,
habitants du pays. Ils dirent à David : Tu n'entreras point ici, car les aveugles mêmes et les boiteux te
7 repousseront ! Ce qui voulait dire : David n'entrera point ici. Mais David s'empara de la forteresse de
8 Sion : c'est la cité de David. David avait dit en ce jour : Quiconque battra les Jébusiens et atteindra le
canal, quiconque frappera ces boiteux et ces aveugles qui sont les ennemis de David... -C'est pourquoi
9 l'on dit : L'aveugle et le boiteux n'entreront point dans la maison. David s'établit dans la forteresse,
10 qu'il appela cité de David. Il fit de tous côtés des constructions, en dehors et en dedans de Millo. David

devenait de plus en plus grand, et l'Éternel, le Dieu des armées, était avec lui. Hiram, roi de Tyr, 11
envoya des messagers à David, et du bois de cèdre, et des charpentiers et des tailleurs de pierres,
qui bâtirent une maison pour David. David reconnut que l'Éternel l'affermissait comme roi d'Israël, 12
et qu'il élevait son royaume à cause de son peuple d'Israël. David prit encore des concubines et des 13
femmes de Jérusalem, après qu'il fut venu d'Hébron, et il lui naquit encore des fils et des filles. Voici 14
les noms de ceux qui lui naquirent à Jérusalem : Schammua, Schobab, Nathan, Salomon, Jibhar, 15
Élischua, Népheg, Japhia, Élischama, Éliada et Éliphéleth. Les Philistins apprirent qu'on avait oint 16, 17
David pour roi sur Israël, et ils montèrent tous à sa recherche. David, qui en fut informé, descendit à
la forteresse. Les Philistins arrivèrent, et se répandirent dans la vallée des Rephaïm. David consulta 18, 19
l'Éternel, en disant : Monterai -je contre les Philistins ? Les livreras -tu entre mes mains ? Et l'Éternel
dit à David : Monte, car je livrerai les Philistins entre tes mains. David vint à Baal-Peratsim, où il 20
les battit. Puis il dit : L'Éternel a dispersé mes ennemis devant moi, comme des eaux qui s'écoulent.
C'est pourquoi l'on a donné à ce lieu le nom de Baal-Peratsim. Ils laissèrent là leurs idoles, et David 21
et ses gens les emportèrent. Les Philistins montèrent de nouveau, et se répandirent dans la vallée des 22
Rephaïm. David consulta l'Éternel. Et l'Éternel dit : Tu ne monteras pas ; tourne -les par derrière, et 23
tu arriveras sur eux vis-à-vis des mûriers. Quand tu entendras un bruit de pas dans les cimes des 24
mûriers, alors hâte -toi, car c'est l'Éternel qui marche devant toi pour battre l'armée des Philistins.
David fit ce que l'Éternel lui avait ordonné, et il battit les Philistins depuis Guéba jusqu'à Guézer. 25

David rassembla encore toute l'élite d'Israël, au nombre de trente mille hommes. Et David, avec tout **6**, 2
le peuple qui était auprès de lui, se mit en marche depuis Baalé-Juda, pour faire monter de là l'arche
de Dieu, devant laquelle est invoqué le nom de l'Éternel des armées qui réside entre les chérubins au-
dessus de l'arche. Ils mirent sur un char neuf l'arche de Dieu, et l'emportèrent de la maison d'Abinadab 3
sur la colline ; Uzza et Achjo, fils d'Abinadab, conduisaient le char neuf. Ils l'emportèrent donc de la 4
maison d'Abinadab sur la colline ; Uzza marchait à côté de l'arche de Dieu, et Achjo allait devant l'arche.
David et toute la maison d'Israël jouaient devant l'Éternel de toutes sortes d'instruments de bois de 5
cyprès, des harpes, des luths, des tambourins, des sistres et des cymbales. Lorsqu'ils furent arrivés à 6
l'aire de Nacon, Uzza étendit la main vers l'arche de Dieu et la saisit, parce que les boeufs la faisaient
pencher. La colère de l'Éternel s'enflamma contre Uzza, et Dieu le frappa sur place à cause de sa faute. 7
Uzza mourut là, près de l'arche de Dieu. David fut irrité de ce que l'Éternel avait frappé Uzza d'un 8
tel châtiment. Et ce lieu a été appelé jusqu'à ce jour Pérets-Uzza. David eut peur de l'Éternel en ce 9
jour -là, et il dit : Comment l'arche de l'Éternel entrerait -elle chez moi ? Il ne voulut pas retirer l'arche 10
de l'Éternel chez lui dans la cité de David, et il la fit conduire dans la maison d'Obed-Édom de Gath.
L'arche de l'Éternel resta trois mois dans la maison d'Obed-Édom de Gath, et l'Éternel bénit Obed-Édom 11
et toute sa maison. On vint dire au roi David : L'Éternel a béni la maison d'Obed-Édom et tout ce qui 12
est à lui, à cause de l'arche de Dieu. Et David se mit en route, et il fit monter l'arche de Dieu depuis la
maison d'Obed-Édom jusqu'à la cité de David, au milieu des réjouissances. Quand ceux qui portaient 13
l'arche de l'Éternel eurent fait six pas, on sacrifia un boeuf et un veau gras. David dansait de toute sa 14
force devant l'Éternel, et il était ceint d'un éphod de lin. David et toute la maison d'Israël firent monter 15
l'arche de l'Éternel avec des cris de joie et au son des trompettes. Comme l'arche de l'Éternel entrait 16
dans la cité de David, Mical, fille de Saül, regardait par la fenêtre, et, voyant le roi David sauter et
danser devant l'Éternel, elle le méprisa dans son coeur. Après qu'on eut amené l'arche de l'Éternel, on 17
la mit à sa place au milieu de la tente que David avait dressée pour elle ; et David offrit devant l'Éternel
des holocaustes et des sacrifices d'actions de grâces. Quand David eut achevé d'offrir les holocaustes 18
et les sacrifices d'actions de grâces, il bénit le peuple au nom de l'Éternel des armées. Puis il distribua 19
à tout le peuple, à toute la multitude d'Israël, hommes et femmes, à chacun un pain, une portion de
viande et un gâteau de raisins. Et tout le peuple s'en alla, chacun dans sa maison. David s'en retourna 20
pour bénir sa maison, et Mical, fille de Saül, sortit à sa rencontre. Elle dit : Quel honneur aujourd'hui
pour le roi d'Israël de s'être découvert aux yeux des servantes de ses serviteurs, comme se découvrirait
un homme de rien ! David répondit à Mical : C'est devant l'Éternel, qui m'a choisi de préférence à ton 21
père et à toute sa maison pour m'établir chef sur le peuple de l'Éternel, sur Israël, c'est devant l'Éternel
que j'ai dansé. Je veux paraître encore plus vil que cela, et m'abaisser à mes propres yeux ; néanmoins 22
je serai en honneur auprès des servantes dont tu parles. Or Mical, fille de Saül, n'eut point d'enfants 23
jusqu'au jour de sa mort.

Lorsque le roi habita dans sa maison, et que l'Éternel lui eut donné du repos, après l'avoir délivré de **7**
tous les ennemis qui l'entouraient, il dit à Nathan le prophète : Vois donc ! j'habite dans une maison de 2

3 cèdre, et l'arche de Dieu habite au milieu d'une tente. Nathan répondit au roi : Va, fais tout ce que tu as
4 dans le coeur, car l'Éternel est avec toi. La nuit suivante, la parole de l'Éternel fut adressée à Nathan :
5 Va dire à mon serviteur David : Ainsi parle l'Éternel : Est-ce toi qui me bâtirais une maison pour que
6 j'en fasse ma demeure ? Mais je n'ai point habité dans une maison depuis le jour où j'ai fait monter
les enfants d'Israël hors d'Égypte jusqu'à ce jour ; j'ai voyagé sous une tente et dans un tabernacle.
7 Partout où j'ai marché avec tous les enfants d'Israël, ai-je dit un mot à quelqu'une des tribus d'Israël
à qui j'avais ordonné de paître mon peuple d'Israël, ai-je dit : Pourquoi ne me bâtissez -vous pas une
8 maison de cèdre ? Maintenant tu diras à mon serviteur David : Ainsi parle l'Éternel des armées : Je t'ai
9 pris au pâturage, derrière les brebis, pour que tu fusses chef sur mon peuple, sur Israël ; j'ai été avec toi
partout où tu as marché, j'ai exterminé tous tes ennemis devant toi, et j'ai rendu ton nom grand comme
10 le nom des grands qui sont sur la terre ; j'ai donné une demeure à mon peuple, à Israël, et je l'ai planté
pour qu'il y soit fixé et ne soit plus agité, pour que les méchants ne l'oppriment plus comme auparavant
11 et comme à l'époque où j'avais établi des juges sur mon peuple d'Israël. Je t'ai accordé du repos en te
12 délivrant de tous tes ennemis. Et l'Éternel t'annonce qu'il te créera une maison. Quand tes jours seront
accomplis et que tu seras couché avec tes pères, j'élèverai ta postérité après toi, celui qui sera sorti de tes
13 entrailles, et j'affermirai son règne. Ce sera lui qui bâtira une maison à mon nom, et j'affermirai pour
14 toujours le trône de son royaume. Je serai pour lui un père, et il sera pour moi un fils. S'il fait le mal,
15 je le châtierai avec la verge des hommes et avec les coups des enfants des hommes ; mais ma grâce ne
16 se retirera point de lui, comme je l'ai retirée de Saül, que j'ai rejeté devant toi. Ta maison et ton règne
17 seront pour toujours assurés, ton trône sera pour toujours affermi. Nathan rapporta à David toutes
18 ces paroles et toute cette vision. Et le roi David alla se présenter devant l'Éternel, et dit : Qui suis-je,
19 Seigneur Éternel, et quelle est ma maison, pour que tu m'aies fait parvenir où je suis ? C'est encore peu
de chose à tes yeux, Seigneur Éternel ; tu parles aussi de la maison de ton serviteur pour les temps à
20 venir. Et tu daignes instruire un homme de ces choses, Seigneur Éternel ! Que pourrait te dire de plus
21 David ? Tu connais ton serviteur, Seigneur Éternel ! À cause de ta parole, et selon ton coeur, tu as fait
22 toutes ces grandes choses pour les révéler à ton serviteur. Que tu es donc grand, Éternel Dieu ! car nul
n'est semblable à toi, et il n'y a point d'autre Dieu que toi, d'après tout ce que nous avons entendu de
23 nos oreilles. Est-il sur la terre une seule nation qui soit comme ton peuple, comme Israël, que Dieu est
venu racheter pour en former son peuple, pour se faire un nom et pour accomplir en sa faveur, en faveur
de ton pays, des miracles et des prodiges, en chassant devant ton peuple, que tu as racheté d'Égypte,
24 des nations et leurs dieux ? Tu as affermi ton peuple d'Israël, pour qu'il fût ton peuple à toujours ; et
25 toi, Éternel, tu es devenu son Dieu. Maintenant, Éternel Dieu, fais subsister jusque dans l'éternité la
26 parole que tu as prononcée sur ton serviteur et sur sa maison, et agis selon ta parole. Que ton nom
soit à jamais glorifié, et que l'on dise : L'Éternel des armées est le Dieu d'Israël ! Et que la maison de
27 ton serviteur David soit affermie devant toi ! Car toi-même, Éternel des armées, Dieu d'Israël, tu t'es
révélé à ton serviteur, en disant : Je te fonderai une maison ! C'est pourquoi ton serviteur a pris courage
28 pour t'adresser cette prière. Maintenant, Seigneur Éternel, tu es Dieu, et tes paroles sont vérité, et
29 tu as annoncé cette grâce à ton serviteur. Veuille donc bénir la maison de ton serviteur, afin qu'elle
subsiste à toujours devant toi ! Car c'est toi, Seigneur Éternel, qui as parlé, et par ta bénédiction la
maison de ton serviteur sera bénie éternellement.

8 Après cela, David battit les Philistins et les humilia, et il enleva de la main des Philistins les rênes de
2 leur capitale. Il battit les Moabites, et il les mesura avec un cordeau, en les faisant coucher par terre ;
il en mesura deux cordeaux pour les livrer à la mort, et un plein cordeau pour leur laisser la vie. Et les
3 Moabites furent assujettis à David, et lui payèrent un tribut. David battit Hadadézer, fils de Rehob,
4 roi de Tsoba, lorsqu'il alla rétablir sa domination sur le fleuve de l'Euphrate. David lui prit mille sept
cents cavaliers et vingt mille hommes de pied ; il coupa les jarrets à tous les chevaux de trait, et ne
5 conserva que cent attelages. Les Syriens de Damas vinrent au secours d'Hadadézer, roi de Tsoba, et
6 David battit vingt -deux mille Syriens. David mit des garnisons dans la Syrie de Damas. Et les Syriens
7 furent assujettis à David, et lui payèrent un tribut. L'Éternel protégeait David partout où il allait. Et
8 David prit les boucliers d'or qu'avaient les serviteurs d'Hadadézer, et les apporta à Jérusalem. Le roi
9 David prit encore une grande quantité d'airain à Béthach et à Bérothaï, villes d'Hadadézer. Thoï, roi de
10 Hamath, apprit que David avait battu toute l'armée d'Hadadézer, et il envoya Joram, son fils, vers le
roi David, pour le saluer, et pour le féliciter d'avoir attaqué Hadadézer et de l'avoir battu. Car Thoï était
11 en guerre avec Hadadézer. Joram apporta des vases d'argent, des vases d'or, et des vases d'airain. Le
roi David les consacra à l'Éternel, comme il avait déjà consacré l'argent et l'or pris sur toutes les nations
12 qu'il avait vaincues, sur la Syrie, sur Moab, sur les fils d'Ammon, sur les Philistins, sur Amalek, et sur

le butin d'Hadadézer, fils de Rehob, roi de Tsoba. Au retour de sa victoire sur les Syriens, David se 13
fit encore un nom, en battant dans la vallée du sel dix-huit mille Édomites. Il mit des garnisons dans 14
Édom, il mit des garnisons dans tout Édom. Et tout Édom fut assujetti à David. L'Éternel protégeait
David partout où il allait. David régna sur Israël, et il faisait droit et justice à tout son peuple. Joab, 15, 16
fils de Tseruja, commandait l'armée ; Josaphat, fils d'Achilud, était archiviste ; Tsadok, fils d'Achithub, 17
et Achimélec, fils d'Abiathar, étaient sacrificateurs ; Seraja était secrétaire ; Benaja, fils de Jehojada, 18
était chef des Kéréthiens et des Péléthiens ; et les fils de David étaient ministres d'état.

David dit : Reste -t-il encore quelqu'un de la maison de Saül, pour que je lui fasse du bien à cause **9**
de Jonathan ? Il y avait un serviteur de la maison de Saül, nommé Tsiba, que l'on fit venir auprès de 2
David. Le roi lui dit : Es-tu Tsiba ? Et il répondit : Ton serviteur ! Le roi dit : N'y a-t-il plus personne 3
de la maison de Saül, pour que j'use envers lui de la bonté de Dieu ? Et Tsiba répondit au roi : Il y a
encore un fils de Jonathan, perclus des pieds. Le roi lui dit : Où est-il ? Et Tsiba répondit au roi : Il 4
est dans la maison de Makir, fils d'Ammiel, à Lodebar. Le roi David l'envoya chercher dans la maison 5
de Makir, fils d'Ammiel, à Lodebar. Et Mephiboscheth, fils de Jonathan, fils de Saül, vint auprès de 6
David, tomba sur sa face et se prosterna. David dit : Mephiboscheth ! Et il répondit : Voici ton serviteur.
David lui dit : Ne crains point, car je veux te faire du bien à cause de Jonathan, ton père. Je te rendrai 7
toutes les terres de Saül, ton père, et tu mangeras toujours à ma table. Il se prosterna, et dit : Qu'est 8
ton serviteur, pour que tu regardes un chien mort, tel que moi ? Le roi appela Tsiba, serviteur de Saül, 9
et lui dit : Je donne au fils de ton maître tout ce qui appartenait à Saül et à toute sa maison. Tu 10
cultiveras pour lui les terres, toi, tes fils, et tes serviteurs, et tu feras les récoltes, afin que le fils de
ton maître ait du pain à manger ; et Mephiboscheth, fils de ton maître, mangera toujours à ma table.
Or Tsiba avait quinze fils et vingt serviteurs. Il dit au roi : Ton serviteur fera tout ce que le roi mon 11
seigneur ordonne à son serviteur. Et Mephiboscheth mangea à la table de David, comme l'un des fils
du roi. Mephiboscheth avait un jeune fils, nommé Mica, et tous ceux qui demeuraient dans la maison 12
de Tsiba étaient serviteurs de Mephiboscheth. Mephiboscheth habitait à Jérusalem, car il mangeait 13
toujours à la table du roi. Il était boiteux des deux pieds.

Après cela, le roi des fils d'Ammon mourut, et Hanun, son fils, régna à sa place. David dit : Je **10**, 2
montrerai de la bienveillance à Hanun, fils de Nachasch, comme son père en a montré à mon égard.
Et David envoya ses serviteurs pour le consoler au sujet de son père. Lorsque les serviteurs de David
arrivèrent dans le pays des fils d'Ammon, les chefs des fils d'Ammon dirent à Hanun, leur maître : 3
Penses -tu que ce soit pour honorer ton père que David t'envoie des consolateurs ? N'est-ce pas pour
reconnaître et explorer la ville, et pour la détruire, qu'il envoie ses serviteurs auprès de toi ? Alors 4
Hanun saisit les serviteurs de David, leur fit raser la moitié de la barbe, et fit couper leurs habits par
le milieu jusqu'au haut des cuisses. Puis il les congédia. David, qui fut informé, envoya des gens à leur 5
rencontre, car ces hommes étaient dans une grande confusion ; et le roi leur fit dire : Restez à Jéricho
jusqu'à ce que votre barbe ait repoussé, et revenez ensuite. Les fils d'Ammon, voyant qu'ils s'étaient 6
rendus odieux à David, firent enrôler à leur solde vingt mille hommes de pied chez les Syriens de Beth-
Rehob et chez les Syriens de Tsoba, mille hommes chez le roi de Maaca, et douze mille hommes chez
les gens de Tob. À cette nouvelle, David envoya contre eux Joab et toute l'armée, les hommes vaillants. 7
Les fils d'Ammon sortirent, et se rangèrent en bataille à l'entrée de la porte ; les Syriens de Tsoba et 8
de Rehob, et les hommes de Tob et de Maaca, étaient à part dans la campagne. Joab vit qu'il avait à 9
combattre par devant et par derrière. Il choisit alors sur toute l'élite d'Israël un corps, qu'il opposa aux
Syriens ; et il plaça sous le commandement de son frère Abischaï le reste du peuple, pour faire face aux 10
fils d'Ammon. Il dit : Si les Syriens sont plus forts que moi, tu viendras à mon secours ; et si les fils 11
d'Ammon sont plus forts que toi, j'irai te secourir. Sois ferme, et montrons du courage pour notre peuple 12
et pour les villes de notre Dieu, et que l'Éternel fasse ce qui lui semblera bon ! Joab, avec son peuple, 13
s'avança pour attaquer les Syriens, et ils s'enfuirent devant lui. Et quand les fils d'Ammon virent que 14
les Syriens avaient pris la fuite, ils s'enfuirent aussi devant Abischaï et rentrèrent dans la ville. Joab
s'éloigna des fils d'Ammon et revint à Jérusalem. Les Syriens, voyant qu'ils avaient été battus par 15
Israël, réunirent leurs forces. Hadarézer envoya chercher les Syriens qui étaient de l'autre côté du 16
fleuve ; et ils arrivèrent à Hélam, ayant à leur tête Schobac, chef de l'armée d'Hadarézer. On l'annonça 17
à David, qui assembla tout Israël, passa le Jourdain, et vint à Hélam. Les Syriens se préparèrent à la
rencontre de David, et lui livrèrent bataille. Mais les Syriens s'enfuirent devant Israël. Et David leur 18
tua les troupes de sept cents chars et quarante mille cavaliers ; il frappa aussi le chef de leur armée,
Schobac, qui mourut sur place. Tous les rois soumis à Hadarézer, se voyant battus par Israël, firent la 19
paix avec Israël et lui furent assujettis. Et les Syriens n'osèrent plus secourir les fils d'Ammon.

L'année suivante, au temps où les rois se mettaient en campagne, David envoya Joab, avec ses **11**
serviteurs et tout Israël, pour détruire les fils d'Ammon et pour assiéger Rabba. Mais David resta à
Jérusalem. Un soir, David se leva de sa couche ; et, comme il se promenait sur le toit de la maison 2

3 royale, il aperçut de là une femme qui se baignait, et qui était très belle de figure. David fit demander
qui était cette femme, et on lui dit : N'est-ce pas Bath-Schéba, fille d'Éliam, femme d'Urie, le Héthien ?
4 Et David envoya des gens pour la chercher. Elle vint vers lui, et il coucha avec elle. Après s'être purifiée
5 de sa souillure, elle retourna dans sa maison. Cette femme devint enceinte, et elle fit dire à David :
6 Je suis enceinte. Alors David expédia cet ordre à Joab : Envoie -moi Urie, le Héthien. Et Joab envoya
7 Urie à David. Urie se rendit auprès de David, qui l'interrogea sur l'état de Joab, sur l'état du peuple,
8 et sur l'état de la guerre. Puis David dit à Urie : Descends dans ta maison, et lave tes pieds. Urie sortit
9 de la maison royale, et il fut suivi d'un présent du roi. Mais Urie se coucha à la porte de la maison
10 royale, avec tous les serviteurs de son maître, et il ne descendit point dans sa maison. On en informa
David, et on lui dit : Urie n'est pas descendu dans sa maison. Et David dit à Urie : N'arrives -tu pas de
11 voyage ? Pourquoi n'es-tu pas descendu dans ta maison ? Urie répondit à David : L'arche et Israël et
Juda habitent sous des tentes, mon seigneur Joab et les serviteurs de mon seigneur campent en rase
campagne, et moi j'entrerais dans ma maison pour manger et boire et pour coucher avec ma femme !
12 Aussi vrai que tu es vivant et que ton âme est vivante, je ne ferai point cela. David dit à Urie : Reste
ici encore aujourd'hui, et demain je te renverrai. Et Urie resta à Jérusalem ce jour -là et le lendemain.
13 David l'invita à manger et à boire en sa présence, et il l'enivra ; et le soir, Urie sortit pour se mettre sur
14 sa couche, avec les serviteurs de son maître, mais il ne descendit point dans sa maison. Le lendemain
15 matin, David écrivit une lettre à Joab, et l'envoya par la main d'Urie. Il écrivit dans cette lettre :
16 Placez Urie au plus fort du combat, et retirez -vous de lui, afin qu'il soit frappé et qu'il meure. Joab,
17 en assiégeant la ville, plaça Urie à l'endroit qu'il savait défendu par de vaillants soldats. Les hommes
de la ville firent une sortie et se battirent contre Joab ; plusieurs tombèrent parmi le peuple, parmi les
18 serviteurs de David, et Urie, le Héthien, fut aussi tué. Joab envoya un messager pour faire rapport à
19 David de tout ce qui s'était passé dans le combat. Il donna cet ordre au messager : Quand tu auras
20 achevé de raconter au roi tous les détails du combat, peut-être se mettra -t-il en fureur et te dira -t-
il : Pourquoi vous êtes vous approchés de la ville pour combattre ? Ne savez -vous pas qu'on lance des
21 traits du haut de la muraille ? Qui a tué Abimélec, fils de Jerubbéscheth ? n'est-ce pas une femme qui
lança sur lui du haut de la muraille un morceau de meule de moulin, et n'en est-il pas mort à Thébets ?
Pourquoi vous êtes-vous approchés de la muraille ? Alors tu diras : Ton serviteur Urie, le Héthien, est
22 mort aussi. Le messager partit : et, à son arrivée, il fit rapport à David de tout ce que Joab lui avait
23 ordonné. Le messager dit à David : Ces gens ont eu sur nous l'avantage ; ils avaient fait une sortie
24 contre nous dans les champs, et nous les avons repoussés jusqu'à l'entrée de la porte ; les archers ont
tiré du haut de la muraille sur tes serviteurs, et plusieurs des serviteurs du roi ont été tués, et ton
25 serviteur Urie, le Héthien, est mort aussi. David dit au messager : Voici ce que tu diras à Joab : Ne
sois point peiné de cette affaire, car l'épée dévore tantôt l'un, tantôt l'autre ; attaque vigoureusement
26 la ville, et renverse -la. Et toi, encourage -le ! La femme d'Urie apprit que son mari était mort, et elle
27 pleura son mari. Quand le deuil fut passé, David l'envoya chercher et la recueillit dans sa maison. Elle
devint sa femme, et lui enfanta un fils. Ce que David avait fait déplut à l'Éternel.

12 L'Éternel envoya Nathan vers David. Et Nathan vint à lui, et lui dit : Il y avait dans une ville deux
2, 3 hommes, l'un riche et l'autre pauvre. Le riche avait des brebis et des boeufs en très grand nombre. Le
pauvre n'avait rien du tout qu'une petite brebis, qu'il avait achetée ; il la nourrissait, et elle grandissait
chez lui avec ses enfants ; elle mangeait de son pain, buvait dans sa coupe, dormait sur son sein, et il
4 la regardait comme sa fille. Un voyageur arriva chez l'homme riche. Et le riche n'a pas voulu toucher
à ses brebis ou à ses boeufs, pour préparer un repas au voyageur qui était venu chez lui ; il a pris la
5 brebis du pauvre, et l'a apprêtée pour l'homme qui était venu chez lui. La colère de David s'enflamma
violemment contre cet homme, et il dit à Nathan : L'Éternel est vivant ! L'homme qui a fait cela mérite
6, 7 la mort. Et il rendra quatre brebis, pour avoir commis cette action et pour avoir été sans pitié. Et
Nathan dit à David : Tu es cet homme -là ! Ainsi parle l'Éternel, le Dieu d'Israël : Je t'ai oint pour roi
8 sur Israël, et je t'ai délivré de la main de Saül ; je t'ai mis en possession de la maison de ton maître, j'ai
placé dans ton sein les femmes de ton maître, et je t'ai donné la maison d'Israël et de Juda. Et si cela eût
9 été peu, j'y aurais encore ajouté. Pourquoi donc as-tu méprisé la parole de l'Éternel, en faisant ce qui
est mal à ses yeux ? Tu as frappé de l'épée Urie, le Héthien ; tu as pris sa femme pour en faire ta femme,
10 et lui, tu l'as tué par l'épée des fils d'Ammon. Maintenant, l'épée ne s'éloignera jamais de ta maison,
parce que tu m'as méprisé, et parce que tu as pris la femme d'Urie, le Héthien, pour en faire ta femme.
11 Ainsi parle l'Éternel : Voici, je vais faire sortir de ta maison le malheur contre toi, et je vais prendre sous
tes yeux tes propres femmes pour les donner à un autre, qui couchera avec elles à la vue de ce soleil.
12, 13 Car tu as agi en secret ; et moi, je ferai cela en présence de tout Israël et à la face du soleil. David dit
à Nathan : J'ai péché contre l'Éternel ! Et Nathan dit à David : L'Éternel pardonne ton péché, tu ne
14 mourras point. Mais, parce que tu as fait blasphémer les ennemis de l'Éternel, en commettant cette

action, le fils qui t'est né mourra. Et Nathan s'en alla dans sa maison. L'Éternel frappa l'enfant que la 15
femme d'Urie avait enfanté à David, et il fut dangereusement malade. David pria Dieu pour l'enfant, et 16
jeûna ; et quand il rentra, il passa la nuit couché par terre. Les anciens de sa maison insistèrent auprès 17
de lui pour le faire lever de terre ; mais il ne voulut point, et il ne mangea rien avec eux. Le septième 18
jour, l'enfant mourut. Les serviteurs de David craignaient de lui annoncer que l'enfant était mort. Car
ils disaient : Voici, lorsque l'enfant vivait encore, nous lui avons parlé, et il ne nous a pas écoutés ;
comment oserons-nous lui dire : L'enfant est mort ? Il s'affligera bien davantage. David aperçut que 19
ses serviteurs parlaient tout bas entre eux, et il comprit que l'enfant était mort. Il dit à ses serviteurs :
L'enfant est-il mort ? Et ils répondirent : Il est mort. Alors David se leva de terre. Il se lava, s'oignit, 20
et changea de vêtements ; puis il alla dans la maison de l'Éternel, et se prosterna. De retour chez lui, il
demanda qu'on lui servît à manger, et il mangea. Ses serviteurs lui dirent : Que signifie ce que tu fais ? 21
Tandis que l'enfant vivait, tu jeûnais et tu pleurais ; et maintenant que l'enfant est mort, tu te lèves
et tu manges ! Il répondit : Lorsque l'enfant vivait encore, je jeûnais et je pleurais, car je disais : Qui 22
sait si l'Éternel n'aura pas pitié de moi et si l'enfant ne vivra pas ? Maintenant qu'il est mort, pourquoi 23
jeûnerais -je ? Puis -je le faire revenir ? J'irai vers lui, mais il ne reviendra pas vers moi. David consola 24
Bath-Schéba, sa femme, et il alla auprès d'elle et coucha avec elle. Elle enfanta un fils qu'il appela
Salomon, et qui fut aimé de l'Éternel. Il le remit entre les mains de Nathan le prophète, et Nathan lui 25
donna le nom de Jedidja, à cause de l'Éternel. Joab, qui assiégeait Rabba des fils d'Ammon, s'empara 26
de la ville royale, et envoya des messagers à David pour lui dire : J'ai attaqué Rabba, et je me suis déjà 27
emparé de la ville des eaux ; rassemble maintenant le reste du peuple, campe contre la ville, et prends 28
-la, de peur que je ne la prenne moi-même et que la gloire ne m'en soit attribuée. David rassembla tout 29
le peuple, et marcha sur Rabba ; il l'attaqua, et s'en rendit maître. Il enleva la couronne de dessus la 30
tête de son roi : elle pesait un talent d'or et était garnie de pierres précieuses. On la mit sur la tête de
David, qui emporta de la ville un très grand butin. Il fit sortir les habitants, et il les plaça sous des 31
scies, des herses de fer et des haches de fer, et les fit passer par des fours à briques ; il traita de même
toutes les villes des fils d'Ammon. David retourna à Jérusalem avec tout le peuple.

Après cela, voici ce qui arriva. Absalom, fils de David, avait une soeur qui était belle et qui s'appelait **13**
Tamar ; et Amnon, fils de David, l'aima. Amnon était tourmenté jusqu'à se rendre malade à cause de 2
Tamar, sa soeur ; car elle était vierge, et il paraissait difficile à Amnon de faire sur elle la moindre
tentative. Amnon avait un ami, nommé Jonadab, fils de Schimea, frère de David, et Jonadab était un 3
homme très habile. Il lui dit : Pourquoi deviens-tu, ainsi chaque matin plus maigre, toi, fils de roi ? Ne 4
veux-tu pas me le dire ? Amnon lui répondit : J'aime Tamar, soeur d'Absalom, mon frère. Jonadab lui 5
dit : Mets -toi au lit, et fais le malade. Quand ton père viendra te voir, tu lui diras : Permets à Tamar,
ma soeur, de venir pour me donner à manger ; qu'elle prépare un mets sous mes yeux, afin que je le
voie et que je le prenne de sa main. Amnon se coucha, et fit le malade. Le roi vint le voir, et Amnon 6
dit au roi : Je te prie, que Tamar, ma soeur, vienne faire deux gâteaux sous mes yeux, et que je les
mange de sa main. David envoya dire à Tamar dans l'intérieur des appartements : Va dans la maison 7
d'Amnon, ton frère, et prépare -lui un mets. Tamar alla dans la maison d'Amnon, son frère, qui était 8
couché. Elle prit de la pâte, la pétrit, prépara devant lui des gâteaux, et les fit cuire ; prenant ensuite 9
la poêle, elle les versa devant lui. Mais Amnon refusa de manger. Il dit : Faites sortir tout le monde. Et
tout le monde sortit de chez lui. Alors Amnon dit à Tamar : Apporte le mets dans la chambre, et que 10
je le mange de ta main. Tamar prit les gâteaux qu'elle avait faits, et les porta à Amnon, son frère, dans
la chambre. Comme elle les lui présentait à manger, il la saisit et lui dit : Viens, couche avec moi, ma 11
soeur. Elle lui répondit : Non, mon frère, ne me déshonore pas, car on n'agit point ainsi en Israël ; ne 12
commets pas cette infamie. Où irais -je, moi, avec ma honte ? Et toi, tu serais comme l'un des infâmes 13
en Israël. Maintenant, je te prie, parle au roi, et il ne s'opposera pas à ce que je sois à toi. Mais il ne 14
voulut pas l'écouter ; il lui fit violence, la déshonora et coucha avec elle. Puis Amnon eut pour elle une 15
forte aversion, plus forte que n'avait été son amour. Et il lui dit : Lève -toi, va -t'en ! Elle lui répondit : 16
N'augmente pas, en me chassant, le mal que tu m'as déjà fait. Il ne voulut pas l'écouter, et appelant 17
le garçon qui le servait, il dit : Qu'on éloigne de moi cette femme et qu'on la mette dehors. Et ferme la
porte après elle ! Elle avait une tunique de plusieurs couleurs ; car c'était le vêtement que portaient les 18
filles du roi, aussi longtemps qu'elles étaient vierges. Le serviteur d'Amnon la mit dehors, et ferma la
porte après elle. Tamar répandit de la cendre sur sa tête, et déchira sa tunique bigarrée ; elle mit la 19
main sur sa tête, et s'en alla en poussant des cris. Absalom, son frère, lui dit : Amnon, ton frère, a-t-il 20
été avec toi ? Maintenant, ma soeur, tais -toi, c'est ton frère ; ne prends pas cette affaire trop à coeur. Et
Tamar, désolée, demeura dans la maison d'Absalom, son frère. Le roi David apprit toutes ces choses, et 21
il fut très irrité. Absalom ne parla ni en bien ni en mal avec Amnon ; mais il le prit en haine, parce qu 22
'il avait déshonoré Tamar, sa soeur. Deux ans après, comme Absalom avait les tondeurs à Baal-Hatsor, 23
près d'Éphraïm, il invita tous les fils du roi. Absalom alla vers le roi, et dit : Voici, ton serviteur a les 24

25 tondeurs ; que le roi et ses serviteurs viennent chez ton serviteur. Et le roi dit à Absalom : Non, mon fils,
nous n'irons pas tous, de peur que nous ne te soyons à charge. Absalom le pressa ; mais le roi ne voulut
26 point aller, et il le bénit. Absalom dit : Permets du moins à Amnon, mon frère, de venir avec nous. Le roi
27 lui répondit : Pourquoi irait -il chez toi ? Sur les instances d'Absalom, le roi laissa aller avec lui Amnon
28 et tous ses fils. Absalom donna cet ordre à ses serviteurs : Faites attention quand le coeur d'Amnon
sera égayé par le vin et que je vous dirai : Frappez Amnon ! Alors tuez -le ; ne craignez point, n'est-ce
29 pas moi qui vous l'ordonne ? Soyez fermes, et montrez du courage ! Les serviteurs d'Absalom traitèrent
Amnon comme Absalom l'avait ordonné. Et tous les fils du roi se levèrent, montèrent chacun sur son
30 mulet, et s'enfuirent. Comme ils étaient en chemin, le bruit parvint à David qu'Absalom avait tué tous
31 les fils du roi, et qu'il n'en était pas resté un seul. Le roi se leva, déchira ses vêtements, et se coucha
32 par terre ; et tous ses serviteurs étaient là, les vêtements déchirés. Jonadab, fils de Schimea, frère de
David, prit la parole et dit : Que mon seigneur ne pense point que tous les jeunes gens, fils du roi, ont
été tués, car Amnon seul est mort ; et c'est l'effet d'une résolution d'Absalom, depuis le jour où Amnon
33 a déshonoré Tamar, sa soeur. Que le roi mon seigneur ne se tourmente donc point dans l'idée que tous
34 les fils du roi sont morts, car Amnon seul est mort. Absalom prit la fuite. Or le jeune homme placé en
sentinelle leva les yeux et regarda. Et voici, une grande troupe venait par le chemin qui était derrière
35 lui, du côté de la montagne. Jonadab dit au roi : Voici les fils du roi qui arrivent ! Ainsi se confirme ce
36 que disait ton serviteur. Comme il achevait de parler, voici, les fils du roi arrivèrent. Ils élevèrent la
37 voix, et pleurèrent ; le roi aussi et tous ses serviteurs versèrent d'abondantes larmes. Absalom s'était
enfui, et il alla chez Talmaï, fils d'Ammihur, roi de Gueschur. Et David pleurait tous les jours son fils.
38, 39 Absalom resta trois ans à Gueschur, où il était allé, après avoir pris la fuite. Le roi David cessa de
poursuivre Absalom, car il était consolé de la mort d'Amnon.

14, 2 Joab, fils de Tseruja, s'aperçut que le coeur du roi était porté pour Absalom. Il envoya chercher à
Tekoa une femme habile, et il lui dit : Montre-toi désolée, et revêts des habits de deuil ; ne t'oins pas
3 d'huile, et sois comme une femme qui depuis longtemps pleure un mort. Tu iras ainsi vers le roi, et
4 tu lui parleras de cette manière. Et Joab lui mit dans la bouche ce qu'elle devait dire. La femme de
Tekoa alla parler au roi. Elle tomba la face contre terre et se prosterna, et elle dit : O roi, sauve -moi !
5, 6 Le roi lui dit : Qu'as-tu ? Elle répondit : Oui, je suis veuve, mon mari est mort ! Ta servante avait deux
fils ; ils se sont tous deux querellés dans les champs, et il n'y avait personne pour les séparer ; l'un a
7 frappé l'autre, et l'a tué. Et voici, toute la famille s'est levée contre ta servante, en disant : Livre le
meurtrier de son frère ! Nous voulons le faire mourir, pour la vie de son frère qu'il a tué ; nous voulons
détruire même l'héritier ! Ils éteindraient ainsi le tison qui me reste, pour ne laisser à mon mari ni nom
8 ni survivant sur la face de la terre. Le roi dit à la femme : Va dans ta maison. Je donnerai des ordres
9 à ton sujet. La femme de Tekoa dit au roi : C'est sur moi, ô roi mon seigneur, et sur la maison de mon
10 père, que le châtiment va tomber ; le roi et son trône n'auront pas à en souffrir. Le roi dit : Si quelqu'un
11 parle contre toi, amène -le-moi, et il ne lui arrivera plus de te toucher. Elle dit : Que le roi se souvienne
de l'Éternel, ton Dieu, afin que le vengeur du sang n'augmente pas la ruine, et qu'on ne détruise pas
12 mon fils ! Et il dit : L'Éternel est vivant ! il ne tombera pas à terre un cheveu de ton fils. La femme dit :
13 Permets que ta servante dise un mot à mon seigneur le roi. Et il dit : Parle ! La femme dit : Pourquoi
penses -tu de la sorte à l'égard du peuple de Dieu, puisqu'il résulte des paroles mêmes du roi que le
14 roi est comme coupable en ne rappelant pas celui qu'il a proscrit ? Il nous faut certainement mourir,
et nous serons comme des eaux répandues à terre et qui ne se rassemblent plus ; Dieu n'ôte pas la vie,
15 mais il désire que le fugitif ne reste pas banni de sa présence. Maintenant, si je suis venue dire ces
choses au roi mon seigneur, c'est que le peuple m'a effrayée. Et ta servante a dit : Je veux parler au roi ;
16 peut-être le roi fera -t-il ce que dira sa servante. Oui, le roi écoutera sa servante, pour la délivrer de
17 la main de ceux qui cherchent à nous exterminer, moi et mon fils, de l'héritage de Dieu. Ta servante a
dit : Que la parole de mon seigneur le roi me donne le repos. Car mon seigneur le roi est comme un ange
18 de Dieu, prêt à entendre le bien et le mal. Et que l'Éternel, ton Dieu, soit avec toi ! Le roi répondit, et
dit à la femme : Ne me cache pas ce que je vais te demander. Et la femme dit : Que mon seigneur le roi
19 parle ! Le roi dit alors : La main de Joab n'est-elle pas avec toi dans tout ceci ? Et la femme répondit :
Aussi vrai que ton âme est vivante, ô roi mon seigneur, il n'y a rien à droite ni à gauche de tout ce
que dit mon seigneur le roi. C'est, en effet, ton serviteur Joab qui m'a donné des ordres, et qui a mis
20 dans la bouche de ta servante toutes ces paroles. C'est pour donner à la chose une autre tournure que
ton serviteur Joab a fait cela. Mais mon seigneur est aussi sage qu'un ange de Dieu, pour connaître
21 tout ce qui se passe sur la terre. Le roi dit à Joab : Voici, je veux bien faire cela ; va donc, ramène le
22 jeune homme Absalom. Joab tomba la face contre terre et se prosterna, et il bénit le roi. Puis il dit :
Ton serviteur connaît aujourd'hui que j'ai trouvé grâce à tes yeux, ô roi mon seigneur, puisque le roi
23 agit selon la parole de son serviteur. Et Joab se leva et partit pour Gueschur, et il ramena Absalom à
24 Jérusalem. Mais le roi dit : Qu'il se retire dans sa maison, et qu'il ne voie point ma face. Et Absalom se

retira dans sa maison, et il ne vit point la face du roi. Il n'y avait pas un homme dans tout Israël aussi 25
renommé qu'Absalom pour sa beauté ; depuis la plante du pied jusqu'au sommet de la tête, il n'y avait
point en lui de défaut. Lorsqu'il se rasait la tête, -c'était chaque année qu'il se la rasait, parce que sa 26
chevelure lui pesait, - le poids des cheveux de sa tête était de deux cents sicles, poids du roi. Il naquit 27
à Absalom trois fils, et une fille nommée Tamar, qui était une femme belle de figure. Absalom demeura 28
deux ans à Jérusalem, sans voir la face du roi. Il fit demander Joab, pour l'envoyer vers le roi ; mais 29
Joab ne voulut point venir auprès de lui. Il le fit demander une seconde fois ; et Joab ne voulut point
venir. Absalom dit alors à ses serviteurs : Voyez, le champ de Joab est à côté du mien ; il y a de l'orge ; 30
allez et mettez -y le feu. Et les serviteurs d'Absalom mirent le feu au champ. Joab se leva et se rendit 31
auprès d'Absalom, dans sa maison. Il lui dit : Pourquoi tes serviteurs ont-ils mis le feu au champ qui
m'appartient ? Absalom répondit à Joab : Voici, je t'ai fait dire : Viens ici, et je t'enverrai vers le roi, 32
afin que tu lui dises : Pourquoi suis-je revenu de Gueschur ? Il vaudrait mieux pour moi que j'y fusse
encore. Je désire maintenant voir la face du roi ; et s'il y a quelque crime en moi, qu'il me fasse mourir.
Joab alla vers le roi, et lui rapporta cela. Et le roi appela Absalom, qui vint auprès de lui et se prosterna 33
la face contre terre en sa présence. Le roi baisa Absalom.

Après cela, Absalom se procura un char et des chevaux, et cinquante hommes qui couraient devant **15**
lui. Il se levait de bon matin, et se tenait au bord du chemin de la porte. Et chaque fois qu'un homme 2
ayant une contestation se rendait vers le roi pour obtenir un jugement, Absalom l'appelait, et disait :
De quelle ville es-tu ? Lorsqu'il avait répondu : Je suis d'une telle tribu d'Israël, Absalom lui disait : 3
Vois, ta cause est bonne et juste ; mais personne de chez le roi ne t'écoutera. Absalom disait : Qui 4
m'établira juge dans le pays ? Tout homme qui aurait une contestation et un procès viendrait à moi,
et je lui ferais justice. Et quand quelqu'un s'approchait pour se prosterner devant lui, il lui tendait 5
la main, le saisissait et l'embrassait. Absalom agissait ainsi à l'égard de tous ceux d'Israël, qui se 6
rendaient vers le roi pour demander justice. Et Absalom gagnait le coeur des gens d'Israël. Au bout de 7
quarante ans, Absalom dit au roi : Permets que j'aille à Hébron, pour accomplir le voeu que j'ai fait à
l'Éternel. Car ton serviteur a fait un voeu, pendant que je demeurais à Gueschur en Syrie ; j'ai dit : Si 8
l'Éternel me ramène à Jérusalem, je servirai l'Éternel. Le roi lui dit : Va en paix. Et Absalom se leva 9
et partit pour Hébron. Absalom envoya des espions dans toutes les tribus d'Israël, pour dire : Quand 10
vous entendrez le son de la trompette, vous direz : Absalom règne à Hébron. Deux cents hommes de 11
Jérusalem, qui avaient été invités, accompagnèrent Absalom ; et ils le firent en toute simplicité, sans
rien savoir. Pendant qu'Absalom offrait les sacrifices, il envoya chercher à la ville de Guilo Achitophel, 12
le Guilonite, conseiller de David. La conjuration devint puissante, et le peuple était de plus en plus
nombreux auprès d'Absalom. Quelqu'un vint informer David, et lui dit : Le coeur des hommes d'Israël 13
s'est tourné vers Absalom. Et David dit à tous ses serviteurs qui étaient avec lui à Jérusalem : Levez 14
-vous, fuyons, car il n'y aura point de salut pour nous devant Absalom. Hâtez -vous de partir ; sinon,
il ne tarderait pas à nous atteindre, et il nous précipiterait dans le malheur et frapperait la ville du
tranchant de l'épée. Les serviteurs du roi lui dirent : Tes serviteurs feront tout ce que voudra mon 15
seigneur le roi. Le roi sortit, et toute sa maison le suivait, et il laissa dix concubines pour garder la 16
maison. Le roi sortit, et tout le peuple le suivait, et ils s'arrêtèrent à la dernière maison. Tous ses 17, 18
serviteurs, tous les Kéréthiens et tous les Péléthiens, passèrent à ses côtés ; et tous les Gathiens, au
nombre de six cents hommes, venus de Gath à sa suite, passèrent devant le roi. Le roi dit à Ittaï de 19
Gath : Pourquoi viendrais -tu aussi avec nous ? Retourne, et reste avec le roi, car tu es étranger, et
même tu as été emmené de ton pays. Tu es arrivé d'hier, et aujourd'hui je te ferais errer avec nous çà 20
et là, quand je ne sais moi-même où je vais ! Retourne, et emmène tes frères avec toi. Que l'Éternel use
envers toi de bonté et de fidélité ! Ittaï répondit au roi, et dit : L'Éternel est vivant et mon seigneur 21
le roi est vivant ! au lieu où sera mon seigneur le roi, soit pour mourir, soit pour vivre, là aussi sera
ton serviteur. David dit alors à Ittaï : Va, passe ! Et Ittaï de Gath passa, avec tous ses gens et tous les 22
enfants qui étaient avec lui. Toute la contrée était en larmes et l'on poussait de grands cris, au passage 23
de tout le peuple. Le roi passa le torrent de Cédron, et tout le peuple passa vis-à-vis du chemin qui mène
au désert. Tsadok était aussi là, et avec lui tous les Lévites portant l'arche de l'alliance de Dieu ; et ils 24
posèrent l'arche de Dieu, et Abiathar montait, pendant que tout le peuple achevait de sortir de la ville.
Le roi dit à Tsadok : Reporte l'arche de Dieu dans la ville. Si je trouve grâce aux yeux de l'Éternel, il me 25
ramènera, et il me fera voir l'arche et sa demeure. Mais s'il dit : Je ne prends point plaisir en toi ! me 26
voici, qu'il me fasse ce qui lui semblera bon. Le roi dit encore au sacrificateur Tsadok : Comprends-tu ? 27
retourne en paix dans la ville, avec Achimaats, ton fils, et avec Jonathan, fils d'Abiathar, vos deux fils.
Voyez, j'attendrai dans les plaines du désert, jusqu'à ce qu'il m'arrive des nouvelles de votre part. Ainsi 28, 29
Tsadok et Abiathar reportèrent l'arche de Dieu à Jérusalem, et ils y restèrent. David monta la colline 30
des oliviers. Il montait en pleurant et la tête couverte, et il marchait nu-pieds ; et tous ceux qui étaient
avec lui se couvrirent aussi la tête, et ils montaient en pleurant. On vint dire à David : Achitophel est 31

avec Absalom parmi les conjurés. Et David dit : O Éternel, réduis à néant les conseils d'Achitophel !
32 Lorsque David fut arrivé au sommet, où il se prosterna devant Dieu, voici, Huschaï, l'Arkien, vint au-
33 devant de lui, la tunique déchirée et la tête couverte de terre. David lui dit : Si tu viens avec moi, tu me
34 seras à charge. Et, au contraire, tu anéantiras en ma faveur les conseils d'Achitophel, si tu retournes à la ville, et que tu dises à Absalom : O roi, je serai ton serviteur ; je fus autrefois le serviteur de ton père,
35 mais je suis maintenant ton serviteur. Les sacrificateurs Tsadok et Abiathar ne seront-ils pas là avec toi ? Tout ce que tu apprendras de la maison du roi, tu le diras aux sacrificateurs Tsadok et Abiathar.
36 Et comme ils ont là auprès d'eux leurs deux fils, Achimaats, fils de Tsadok, et Jonathan, fils d'Abiathar,
37 c'est par eux que vous me ferez savoir tout ce que vous aurez appris. Huschaï, ami de David, retourna donc à la ville. Et Absalom entra dans Jérusalem.

16 Lorsque David eut un peu dépassé le sommet, voici, Tsiba, serviteur de Mephiboscheth, vint au-
devant de lui avec deux ânes bâtés, sur lesquels il y avait deux cents pains, cent masses de raisins
2 secs, cent de fruits d'été, et une outre de vin. Le roi dit à Tsiba : Que veux-tu faire de cela ? Et Tsiba répondit : Les ânes serviront de monture à la maison du roi, le pain et les fruits d'été sont pour nourrir
3 les jeunes gens, et le vin pour désaltérer ceux qui seront fatigués dans le désert. Le roi dit : Où est le fils de ton maître ? Et Tsiba répondit au roi : Voici, il est resté à Jérusalem, car il a dit : Aujourd'hui la
4 maison d'Israël me rendra le royaume de mon père. Le roi dit à Tsiba : Voici, tout ce qui appartient à Mephiboscheth est à toi. Et Tsiba dit : Je me prosterne ! Que je trouve grâce à tes yeux, ô roi mon
5 seigneur ! David était arrivé jusqu'à Bachurim. Et voici, il sortit de là un homme de la famille et de
6 la maison de Saül, nommé Schimeï, fils de Guéra. Il s'avança en prononçant des malédictions, et il jeta des pierres à David et à tous les serviteurs du roi David, tandis que tout le peuple et tous les
7 hommes vaillants étaient à la droite et à la gauche du roi. Schimeï parlait ainsi en le maudissant :
8 Va -t'en, va -t'en, homme de sang, méchant homme ! L'Éternel fait retomber sur toi tout le sang de la maison de Saül, dont tu occupais le trône, et l'Éternel a livré le royaume entre les mains d'Absalom,
9 ton fils ; et te voilà malheureux comme tu le mérites, car tu es un homme de sang ! Alors Abischaï, fils de Tseruja, dit au roi : Pourquoi ce chien mort maudit -il le roi mon seigneur ? Laisse-moi, je te
10 prie, aller lui couper la tête. Mais le roi dit : Qu'ai-je affaire avec vous, fils de Tseruja ? S'il maudit,
11 c'est que l'Éternel lui a dit : Maudis David ! Qui donc lui dira : Pourquoi agis -tu ainsi ? Et David dit à Abischaï et à tous ses serviteurs : Voici, mon fils, qui est sorti de mes entrailles, en veut à ma vie ; à plus
12 forte raison ce Benjamite ! Laissez -le, et qu'il maudisse, car l'Éternel le lui a dit. Peut-être l'Éternel
13 regardera -t-il mon affliction, et me fera -t-il du bien en retour des malédictions d'aujourd'hui. David et ses gens continuèrent leur chemin. Et Schimeï marchait sur le flanc de la montagne près de David,
14 et, en marchant, il maudissait, il jetait des pierres contre lui, il faisait voler la poussière. Le roi et tout
15 le peuple qui était avec lui arrivèrent à Ajephim, et là ils se reposèrent. Absalom et tout le peuple, les
16 hommes d'Israël, étaient entrés dans Jérusalem ; et Achitophel était avec Absalom. Lorsque Huschaï,
17 l'Arkien, ami de David, fut arrivé auprès d'Absalom, il lui dit : Vive le roi ! vive le roi ! Et Absalom dit à Huschaï : Voilà donc l'attachement que tu as pour ton ami ! Pourquoi n'es-tu pas allé avec ton ami ?
18 Huschaï répondit à Absalom : C'est que je veux être à celui qu'ont choisi l'Éternel et tout ce peuple et
19 tous les hommes d'Israël, et c'est avec lui que je veux rester. D'ailleurs, qui servirai -je ? Ne sera-ce pas
20 son fils ? Comme j'ai servi ton père, ainsi je te servirai. Absalom dit à Achitophel : Consultez ensemble ;
21 qu'avons-nous à faire ? Et Achitophel dit à Absalom : Va vers les concubines que ton père a laissées pour garder la maison ; ainsi tout Israël saura que tu t'es rendu odieux à ton père, et les mains de tous
22 ceux qui sont avec toi se fortifieront. On dressa pour Absalom une tente sur le toit, et Absalom alla vers
23 les concubines de son père, aux yeux de tout Israël. Les conseils donnés en ce temps -là par Achitophel avaient autant d'autorité que si l'on eût consulté Dieu lui-même. Il en était ainsi de tous les conseils d'Achitophel, soit pour David, soit pour Absalom.

17 Achitophel dit à Absalom : Laisse-moi choisir douze mille hommes ! Je me lèverai, et je poursuivrai
2 David cette nuit même. Je le surprendrai pendant qu'il est fatigué et que ses mains sont affaiblies, je
3 l'épouvanterai, et tout le peuple qui est avec lui s'enfuira. Je frapperai le roi seul, et je ramènerai à toi tout le peuple ; la mort de l'homme à qui tu en veux assurera le retour de tous, et tout le peuple sera
4, 5 en paix. Cette parole plut à Absalom et à tous les anciens d'Israël. Cependant Absalom dit : Appelez
6 encore Huschaï, l'Arkien, et que nous entendions aussi ce qu'il dira. Huschaï vint auprès d'Absalom, et Absalom lui dit : Voici comment a parlé Achitophel : devons-nous faire ce qu'il a dit, ou non ? Parle, toi !
7, 8 Huschaï répondit à Absalom : Pour cette fois le conseil qu'a donné Achitophel n'est pas bon. Et Huschaï dit : Tu connais la bravoure de ton père et de ses gens, ils sont furieux comme le serait dans les champs une ourse à qui l'on aurait enlevé ses petits. Ton père est un homme de guerre, et il ne passera pas
9 la nuit avec le peuple ; voici maintenant, il est caché dans quelque fosse ou dans quelque autre lieu. Et si, dès le commencement, il en est qui tombent sous leurs coups, on ne tardera pas à l'apprendre
10 et l'on dira : Il y a une défaite parmi le peuple qui suit Absalom ! Alors le plus vaillant, eût-il un

coeur de lion, sera saisi d'épouvante ; car tout Israël sait que ton père est un héros et qu'il a des braves
avec lui. Je conseille donc que tout Israël se rassemble auprès de toi, depuis Dan jusqu'à Beer-Schéba, 11
multitude pareille au sable qui est sur le bord de la mer. Tu marcheras en personne au combat. Nous 12
arriverons à lui en quelque lieu que nous le trouvions, et nous tomberons sur lui comme la rosée tombe
sur le sol ; et pas un n'échappera, ni lui ni aucun des hommes qui sont avec lui. S 'il se retire dans une 13
ville, tout Israël portera des cordes vers cette ville, et nous la traînerons au torrent, jusqu'à ce qu'on
n'en trouve plus une pierre. Absalom et tous les gens d'Israël dirent : Le conseil de Huschaï, l'Arkien, 14
vaut mieux que le conseil d'Achitophel. Or l'Éternel avait résolu d'anéantir le bon conseil d'Achitophel,
afin d'amener le malheur sur Absalom. Huschaï dit aux sacrificateurs Tsadok et Abiathar : Achitophel 15
a donné tel et tel conseil à Absalom et aux anciens d'Israël ; et moi, j'ai conseillé telle et telle chose.
Maintenant, envoyez tout de suite informer David et faites-lui dire : Ne passe point la nuit dans les 16
plaines du désert, mais va plus loin, de peur que le roi et tout le peuple qui est avec lui ne soient exposés
à périr. Jonathan et Achimaats se tenaient à En-Roguel. Une servante vint leur dire d'aller informer 17
le roi David ; car ils n'osaient pas se montrer et entrer dans la ville. Un jeune homme les aperçut, et le 18
rapporta à Absalom. Mais ils partirent tous deux en hâte, et ils arrivèrent à Bachurim à la maison d'un
homme qui avait un puits dans sa cour, et ils y descendirent. La femme prit une couverture qu'elle 19
étendit sur l'ouverture du puits, et elle y répandit du grain pilé pour qu'on ne se doutât de rien. Les 20
serviteurs d'Absalom entrèrent dans la maison auprès de cette femme, et dirent : Où sont Achimaats et
Jonathan ? La femme leur répondit : Ils ont passé le ruisseau. Ils cherchèrent, et ne les trouvant pas, ils
retournèrent à Jérusalem. Après leur départ, Achimaats et Jonathan remontèrent du puits et allèrent 21
informer le roi David. Ils dirent à David : Levez -vous et hâtez -vous de passer l'eau, car Achitophel a
conseillé contre vous telle chose. David et tout le peuple qui était avec lui se levèrent et ils passèrent 22
le Jourdain ; à la lumière du matin, il n'y en avait pas un qui fût resté à l'écart, pas un qui n'eût passé
le Jourdain. Achitophel, voyant que son conseil n'était pas suivi, sella son âne et partit pour s'en aller 23
chez lui dans sa ville. Il donna ses ordres à sa maison, et il s'étrangla. C'est ainsi qu'il mourut, et on
l'enterra dans le sépulcre de son père. David arriva à Mahanaïm. Et Absalom passa le Jourdain, lui et 24
tous les hommes d'Israël avec lui. Absalom mit Amasa à la tête de l'armée, en remplacement de Joab ; 25
Amasa était fils d'un homme appelé Jithra, l'Israélite, qui était allé vers Abigal, fille de Nachasch et
soeur de Tseruja, mère de Joab. Israël et Absalom campèrent dans le pays de Galaad. Lorsque David 26, 27
fut arrivé à Mahanaïm, Schobi, fils de Nachasch, de Rabba des fils d'Ammon, Makir, fils d'Ammiel, de
Lodebar, et Barzillaï, le Galaadite, de Roguelim, apportèrent des lits, des bassins, des vases de terre, 28
du froment, de l'orge, de la farine, du grain rôti, des fèves, des lentilles, des pois rôtis, du miel, de la 29
crème, des brebis, et des fromages de vache. Ils apportèrent ces choses à David et au peuple qui était
avec lui, afin qu'ils mangeassent ; car ils disaient : Ce peuple a dû souffrir de la faim, de la fatigue et de
la soif, dans le désert.

18 David passa en revue le peuple qui était avec lui, et il établit sur eux des chefs de milliers et des chefs
de centaines. Il plaça le tiers du peuple sous le commandement de Joab, le tiers sous celui d'Abischaï, 2
fils de Tseruja, frère de Joab, et le tiers sous celui d'Ittaï, de Gath. Et le roi dit au peuple : Moi aussi,
je veux sortir avec vous. Mais le peuple dit : Tu ne sortiras point ! Car si nous prenons la fuite, ce 3
n'est pas sur nous que l'attention se portera ; et quand la moitié d'entre nous succomberait, on n'y ferait
pas attention ; mais toi, tu es comme dix mille de nous, et maintenant il vaut mieux que de la ville tu
puisses venir à notre secours. Le roi leur répondit : Je ferai ce qui vous paraît bon. Et le roi se tint 4
à côté de la porte, pendant que tout le peuple sortait par centaines et par milliers. Le roi donna cet 5
ordre à Joab, à Abischaï et à Ittaï : Pour l'amour de moi, doucement avec le jeune Absalom ! Et tout le
peuple entendit l'ordre du roi à tous les chefs au sujet d'Absalom. Le peuple sortit dans les champs à la 6
rencontre d'Israël, et la bataille eut lieu dans la forêt d'Éphraïm. Là, le peuple d'Israël fut battu par les 7
serviteurs de David, et il y eut en ce jour une grande défaite de vingt mille hommes. Le combat s'étendit 8
sur toute la contrée, et la forêt dévora plus de peuple ce jour -là que l'épée n'en dévora. Absalom se 9
trouva en présence des gens de David. Il était monté sur un mulet. Le mulet pénétra sous les branches
entrelacées d'un grand térébinthe, et la tête d'Absalom fut prise au térébinthe ; il demeura suspendu
entre le ciel et la terre, et le mulet qui était sous lui passa outre. Un homme ayant vu cela vint dire 10
à Joab : Voici, j'ai vu Absalom suspendu à un térébinthe. Et Joab dit à l'homme qui lui apporta cette 11
nouvelle : Tu l'as vu ! pourquoi donc ne l'as-tu pas abattu sur place ? Je t'aurais donné dix sicles d'argent
et une ceinture. Mais cet homme dit à Joab : Quand je pèserais dans ma main mille sicles d'argent, je 12
ne mettrais pas la main sur le fils du roi ; car nous avons entendu cet ordre que le roi t'a donné, à toi, à
Abischaï et à Ittaï : Prenez garde chacun au jeune Absalom ! Et si j'eusse attenté perfidement à sa vie, 13
rien n'aurait été caché au roi, et tu aurais été toi-même contre moi. Joab dit : Je ne m'arrêterai pas 14
auprès de toi ! Et il prit en main trois javelots, et les enfonça dans le coeur d'Absalom encore plein de
vie au milieu du térébinthe. Dix jeunes gens, qui portaient les armes de Joab, entourèrent Absalom, 15

16 le frappèrent et le firent mourir. Joab fit sonner de la trompette ; et le peuple revint, cessant ainsi
17 de poursuivre Israël, parce que Joab l 'en empêcha. Ils prirent Absalom, le jetèrent dans une grande
fosse au milieu de la forêt, et mirent sur lui un très grand monceau de pierres. Tout Israël s'enfuit,
18 chacun dans sa tente. De son vivant, Absalom s'était fait ériger un monument dans la vallée du roi ;
car il disait : Je n'ai point de fils par qui le souvenir de mon nom puisse être conservé. Et il donna
19 son propre nom au monument, qu'on appelle encore aujourd'hui monument d'Absalom. Achimaats, fils
de Tsadok, dit : Laisse-moi courir, et porter au roi la bonne nouvelle que l'Éternel lui a rendu justice
20 en le délivrant de la main de ses ennemis. Joab lui dit : Ce n'est pas toi qui dois porter aujourd'hui
21 les nouvelles ; tu les porteras un autre jour, mais non aujourd'hui, puisque le fils du roi est mort. Et
Joab dit à Cuschi : Va, et annonce au roi ce que tu as vu. Cuschi se prosterna devant Joab, et courut.
22 Achimaats, fils de Tsadok, dit encore à Joab : Quoi qu'il arrive, laisse-moi courir après Cuschi. Et Joab
23 dit : Pourquoi veux-tu courir, mon fils ? Ce n'est pas un message qui te sera profitable. Quoi qu'il arrive,
je veux courir, reprit Achimaats. Et Joab lui dit : Cours ! Achimaats courut par le chemin de la plaine,
24 et il devança Cuschi. David était assis entre les deux portes. La sentinelle alla sur le toit de la porte
25 vers la muraille ; elle leva les yeux et regarda. Et voici, un homme courait tout seul. La sentinelle cria,
et avertit le roi. Le roi dit : S'il est seul, il apporte des nouvelles. Et cet homme arrivait toujours plus
26 près. La sentinelle vit un autre homme qui courait ; elle cria au portier : Voici un homme qui court tout
27 seul. Le roi dit : Il apporte aussi des nouvelles. La sentinelle dit : La manière de courir du premier me
paraît celle d'Achimaats, fils de Tsadok. Et le roi dit : C'est un homme de bien, et il apporte de bonnes
28 nouvelles. Achimaats cria, et il dit au roi : Tout va bien ! Il se prosterna devant le roi la face contre
terre, et dit : Béni soit l'Éternel, ton Dieu, qui a livré les hommes qui levaient la main contre le roi mon
29 seigneur ! Le roi dit : Le jeune Absalom est-il en bonne santé ? Achimaats répondit : J'ai aperçu un
grand tumulte au moment où Joab envoya le serviteur du roi et moi ton serviteur ; mais je ne sais ce
30, 31 que c'était. Et le roi dit : Mets -toi là de côté. Et Achimaats se tint de côté. Aussitôt arriva Cuschi. Et
il dit : Que le roi mon seigneur apprenne la bonne nouvelle ! Aujourd'hui l'Éternel t'a rendu justice en
32 te délivrant de la main de tous ceux qui s'élevaient contre toi. Le roi dit à Cuschi : Le jeune homme
Absalom est-il en bonne santé ? Cuschi répondit : Qu'ils soient comme ce jeune homme, les ennemis du
33 roi mon seigneur et tous ceux qui s'élèvent contre toi pour te faire du mal ! Alors le roi, saisi d'émotion,
monta dans la chambre au-dessus de la porte et pleura. Il disait en marchant : Mon fils Absalom ! mon
fils, mon fils Absalom ! Que ne suis-je mort à ta place ! Absalom, mon fils, mon fils !

19, 2 On vint dire à Joab : Voici, le roi pleure et se lamente à cause d'Absalom. Et la victoire, ce jour -là,
fut changée en deuil pour tout le peuple, car en ce jour le peuple entendait dire : Le roi est affligé à
3 cause de son fils. Ce même jour, le peuple rentra dans la ville à la dérobée, comme l'auraient fait des
4 gens honteux d'avoir pris la fuite dans le combat. Le roi s'était couvert le visage, et il criait à haute
5 voix : Mon fils Absalom ! Absalom, mon fils, mon fils ! Joab entra dans la chambre où était le roi, et
dit : Tu couvres aujourd'hui de confusion la face de tous tes serviteurs, qui ont aujourd'hui sauvé ta vie,
6 celle de tes fils et de tes filles, celle de tes femmes et de tes concubines. Tu aimes ceux qui te haïssent
et tu hais ceux qui t'aiment, car tu montres aujourd'hui qu'il n'y a pour toi ni chefs ni serviteurs ; et je
vois maintenant que, si Absalom vivait et que nous fussions tous morts en ce jour, cela serait agréable
7 à tes yeux. Lève -toi donc, sors, et parle au coeur de tes serviteurs ! Car je jure par l'Éternel que, si
tu ne sors pas, il ne restera pas un homme avec toi cette nuit ; et ce sera pour toi pire que tous les
8 malheurs qui te sont arrivés depuis ta jeunesse jusqu'à présent. Alors le roi se leva, et il s'assit à la
porte. On fit dire à tout le peuple : Voici, le roi est assis à la porte. Et tout le peuple vint devant le roi.
9 Cependant Israël s'était enfui, chacun dans sa tente. Et dans toutes les tribus d'Israël, tout le peuple
était en contestation, disant : Le roi nous a délivrés de la main de nos ennemis, c'est lui qui nous a
10 sauvés de la main des Philistins ; et maintenant il a dû fuir du pays devant Absalom. Or Absalom, que
nous avions oint pour qu'il régnât sur nous, est mort dans la bataille : pourquoi ne parlez -vous pas de
11 faire revenir le roi ? De son côté, le roi David envoya dire aux sacrificateurs Tsadok et Abiathar : Parlez
aux anciens de Juda, et dites -leur : Pourquoi seriez-vous les derniers à ramener le roi dans sa maison ?
12 -Car ce qui se disait dans tout Israël était parvenu jusqu'au roi. Vous êtes mes frères, vous êtes mes
13 os et ma chair ; pourquoi seriez-vous les derniers à ramener le roi ? Vous direz aussi à Amasa : N'es-tu
pas mon os et ma chair ? Que Dieu me traite dans toute sa rigueur, si tu ne deviens pas devant moi
14 pour toujours chef de l'armée à la place de Joab ! David fléchit le coeur de tous ceux de Juda, comme
s'ils n'eussent été qu'un seul homme ; et ils envoyèrent dire au roi : Reviens, toi, et tous tes serviteurs.
15 Le roi revint et arriva jusqu'au Jourdain ; et Juda se rendit à Guilgal, afin d'aller à la rencontre du
16 roi et de lui faire passer le Jourdain. Schimeï, fils de Guéra, Benjamite, qui était de Bachurim, se
17 hâta de descendre avec ceux de Juda à la rencontre du roi David. Il avait avec lui mille hommes de
Benjamin, et Tsiba, serviteur de la maison de Saül, et les quinze fils et les vingt serviteurs de Tsiba.
18 Ils passèrent le Jourdain à la vue du roi. Le bateau, mis à la disposition du roi, faisait la traversée

pour transporter sa maison ; et au moment où le roi allait passer le Jourdain, Schimeï, fils de Guéra, se
prosterna devant lui. Et il dit au roi : Que mon seigneur ne tienne pas compte de mon iniquité, qu'il 19
oublie que ton serviteur l'a offensé le jour où le roi mon seigneur sortait de Jérusalem, et que le roi
n'y ait point égard ! Car ton serviteur reconnaît qu'il a péché. Et voici, je viens aujourd'hui le premier 20
de toute la maison de Joseph à la rencontre du roi mon seigneur. Alors Abischaï, fils de Tseruja, prit 21
la parole et dit : Schimeï ne doit-il pas mourir pour avoir maudit l'oint de l'Éternel ? Mais David dit : 22
Qu'ai-je affaire avec vous, fils de Tseruja, et pourquoi vous montrez-vous aujourd'hui mes adversaires ?
Aujourd'hui ferait-on mourir un homme en Israël ? Ne sais -je donc pas que je règne aujourd'hui sur
Israël ? Et le roi dit à Schimeï : Tu ne mourras point ! Et le roi le lui jura. Mephiboscheth, fils de 23, 24
Saül, descendit aussi à la rencontre du roi. Il n'avait point soigné ses pieds, ni fait sa barbe, ni lavé ses
vêtements, depuis le jour où le roi s'en était allé jusqu'à celui où il revenait en paix. Lorsqu'il se rendit 25
au-devant du roi à Jérusalem, le roi lui dit : Pourquoi n'es-tu pas venu avec moi, Mephiboscheth ? Et 26
il répondit : O roi mon seigneur, mon serviteur m'a trompé, car ton serviteur, qui est boiteux, avait dit :
Je ferai seller mon âne, je le monterai, et j'irai avec le roi. Et il a calomnié ton serviteur auprès de mon 27
seigneur le roi. Mais mon seigneur le roi est comme un ange de Dieu. Fais ce qui te semblera bon. Car 28
tous ceux de la maison de mon père n'ont été que des gens dignes de mort devant le roi mon seigneur ; et
cependant tu as mis ton serviteur au nombre de ceux qui mangent à ta table. Quel droit puis-je encore
avoir, et qu'ai-je à demander au roi ? Le roi lui dit : À quoi bon toutes tes paroles ? Je l'ai déclaré : Toi 29
et Tsiba, vous partagerez les terres. Et Mephiboscheth dit au roi : Qu'il prenne même le tout, puisque 30
le roi mon seigneur rentre en paix dans sa maison. Barzillaï, le Galaadite, descendit de Roguelim, 31
et passa le Jourdain avec le roi, pour l'accompagner jusqu'au delà du Jourdain. Barzillaï était très 32
vieux, âgé de quatre-vingts ans. Il avait entretenu le roi pendant son séjour à Mahanaïm, car c'était
un homme fort riche. Le roi dit à Barzillaï : Viens avec moi, je te nourrirai chez moi à Jérusalem. 33
Mais Barzillaï répondit au roi : Combien d'années vivrai -je encore, pour que je monte avec le roi à 34
Jérusalem ? Je suis aujourd'hui âgé de quatre-vingts ans. Puis-je connaître ce qui est bon et ce qui est 35
mauvais ? Ton serviteur peut-il savourer ce qu'il mange et ce qu'il boit ? Puis-je encore entendre la voix
des chanteurs et des chanteuses ? Et pourquoi ton serviteur serait-il encore à charge à mon seigneur le
roi ? Ton serviteur ira un peu au delà du Jourdain avec le roi. Pourquoi, d'ailleurs, le roi m'accorderait- 36
il ce bienfait ? Que ton serviteur s'en retourne, et que je meure dans ma ville, près du sépulcre de mon 37
père et de ma mère ! Mais voici ton serviteur Kimham, qui passera avec le roi mon seigneur ; fais pour
lui ce que tu trouveras bon. Le roi dit : Que Kimham passe avec moi, et je ferai pour lui ce qui te 38
plaira ; tout ce que tu désireras de moi, je te l'accorderai. Quand tout le peuple eut passé le Jourdain 39
et que le roi l'eut aussi passé, le roi baisa Barzillaï et le bénit. Et Barzillaï retourna dans sa demeure.
Le roi se dirigea vers Guilgal, et Kimham l'accompagna. Tout le peuple de Juda et la moitié du peuple 40
d'Israël avaient fait passer le Jourdain au roi. Mais voici, tous les hommes d'Israël abordèrent le roi, 41
et lui dirent : Pourquoi nos frères, les hommes de Juda, t'ont-ils enlevé, et ont-ils fait passer le Jourdain
au roi, à sa maison, et à tous les gens de David ? Tous les hommes de Juda répondirent aux hommes 42
d'Israël : C'est que le roi nous tient de plus près ; et qu'y a-t-il là pour vous irriter ? Avons-nous vécu
aux dépens du roi ? Nous a-t-il fait des présents ? Et les hommes d'Israël répondirent aux hommes de 43
Juda : Le roi nous appartient dix fois autant, et David même plus qu'à vous. Pourquoi nous avez-vous
méprisés ? N'avons-nous pas été les premiers à proposer de faire revenir notre roi ? Et les hommes de
Juda parlèrent avec plus de violence que les hommes d'Israël.

Il se trouvait là un méchant homme, nommé Schéba, fils de Bicri, Benjamite. Il sonna de la trom- **20**
pette, et dit : Point de part pour nous avec David, point d'héritage pour nous avec le fils d'Isaï ! Chacun
à sa tente, Israël ! Et tous les hommes d'Israël s'éloignèrent de David, et suivirent Schéba, fils de Bicri. 2
Mais les hommes de Juda restèrent fidèles à leur roi, et l'accompagnèrent depuis le Jourdain jusqu'à
Jérusalem. David rentra dans sa maison à Jérusalem. Le roi prit les dix concubines qu'il avait laissées 3
pour garder la maison, et il les mit dans un lieu où elles étaient séquestrées ; il pourvut à leur entretien,
mais il n'alla point vers elles. Et elles furent enfermées jusqu'au jour de leur mort, vivant dans un état
de veuvage. Le roi dit à Amasa : Convoque -moi d'ici à trois jours les hommes de Juda ; et toi, sois ici 4
présent. Amasa partit pour convoquer Juda ; mais il tarda au delà du temps que le roi lui avait fixé. 5
David dit alors à Abischaï : Schéba, fils de Bicri, va maintenant nous faire plus de mal qu'Absalom. 6
Prends toi-même les serviteurs de ton maître et poursuis -le, de peur qu'il ne trouve des villes fortes et
ne se dérobe à nos yeux. Et Abischaï partit, suivi des gens de Joab, des Kéréthiens et des Péléthiens, 7
et de tous les vaillants hommes ; ils sortirent de Jérusalem, afin de poursuivre Schéba, fils de Bicri.
Lorsqu'ils furent près de la grande pierre qui est à Gabaon, Amasa arriva devant eux. Joab était ceint 8
d'une épée par-dessus les habits dont il était revêtu ; elle était attachée à ses reins dans le fourreau,
d'où elle glissa, comme Joab s'avançait. Joab dit à Amasa : Te portes-tu bien, mon frère ? Et de la main 9
droite il saisit la barbe d'Amasa pour le baiser. Amasa ne prit point garde à l'épée qui était dans la 10

main de Joab ; et Joab l'en frappa au ventre et répandit ses entrailles à terre, sans lui porter un second
coup. Et Amasa mourut. Joab et son frère Abischaï marchèrent à la poursuite de Schéba, fils de Bicri.
11 Un homme d'entre les gens de Joab resta près d'Amasa, et il disait : Qui veut de Joab et qui est pour
12 David ? Qu'il suive Joab ! Amasa se roulait dans le sang au milieu de la route ; et cet homme, ayant vu
que tout le peuple s'arrêtait, poussa Amasa hors de la route dans un champ, et jeta sur lui un vêtement,
13 lorsqu'il vit que tous ceux qui arrivaient près de lui s'arrêtaient. Quand il fut ôté de la route, chacun
14 suivit Joab, afin de poursuivre Schéba, fils de Bicri. Joab traversa toutes les tribus d'Israël dans la
15 direction d'Abel -Beth-Maaca, et tous les hommes d'élite se rassemblèrent et le suivirent. Ils vinrent
assiéger Schéba dans Abel -Beth-Maaca, et ils élevèrent contre la ville une terrasse qui atteignait le
16 rempart. Tout le peuple qui était avec Joab sapait la muraille pour la faire tomber. Alors une femme
habile se mit à crier de la ville : Écoutez, écoutez ! Dites, je vous prie, à Joab : Approche jusqu'ici, je
17 veux te parler ! Il s'approcha d'elle, et la femme dit : Es-tu Joab ? Il répondit : Je le suis. Et elle lui dit :
18 Écoute les paroles de ta servante. Il répondit : J'écoute. Et elle dit : Autrefois on avait coutume de dire :
19 Que l'on consulte Abel ! Et tout se terminait ainsi. Je suis une des villes paisibles et fidèles en Israël ;
et tu cherches à faire périr une ville qui est une mère en Israël ! Pourquoi détruirais -tu l'héritage de
20, 21 l'Éternel ? Joab répondit : Loin, loin de moi la pensée de détruire et de ruiner ! La chose n'est pas
ainsi. Mais un homme de la montagne d'Éphraïm, nommé Schéba, fils de Bicri, a levé la main contre le
roi David ; livrez -le, lui seul, et je m'éloignerai de la ville. La femme dit à Joab : Voici, sa tête te sera
22 jetée par la muraille. Et la femme alla vers tout le peuple avec sa sagesse ; et ils coupèrent la tête à
Schéba, fils de Bicri, et la jetèrent à Joab. Joab sonna de la trompette ; on se dispersa loin de la ville,
23 et chacun s'en alla dans sa tente. Et Joab retourna à Jérusalem, vers le roi. Joab commandait toute
24 l'armée d'Israël ; Benaja, fils de Jehojada, était à la tête des Kéréthiens et des Péléthiens ; Adoram
25 était préposé aux impôts ; Josaphat, fils d'Achilud, était archiviste ; Scheja était secrétaire ; Tsadok et
26 Abiathar étaient sacrificateurs ; et Ira de Jaïr était ministre d'état de David.

21 Du temps de David, il y eut une famine qui dura trois ans. David chercha la face de l'Éternel,
et l'Éternel dit : C'est à cause de Saül et de sa maison sanguinaire, c'est parce qu'il a fait périr les
2 Gabaonites. Le roi appela les Gabaonites pour leur parler. -Les Gabaonites n'étaient point d'entre les
enfants d'Israël, mais c'était un reste des Amoréens ; les enfants d'Israël s'étaient liés envers eux par
un serment, et néanmoins Saül avait voulu les frapper, dans son zèle pour les enfants d'Israël et de
3 Juda. - David dit aux Gabaonites : Que puis-je faire pour vous, et avec quoi ferai-je expiation, afin que
4 vous bénissiez l'héritage de l'Éternel ? Les Gabaonites lui répondirent : Ce n'est pas pour nous une
question d'argent et d'or avec Saül et avec sa maison, et ce n'est pas à nous qu'il appartient de faire
5 mourir personne en Israël. Et le roi dit : Que voulez -vous donc que je fasse pour vous ? Ils répondirent
au roi : Puisque cet homme nous a consumés, et qu'il avait le projet de nous détruire pour nous faire
6 disparaître de tout le territoire d'Israël, qu'on nous livre sept hommes d'entre ses fils, et nous les
7 pendrons devant l'Éternel à Guibea de Saül, l'élu de l'Éternel. Et le roi dit : Je les livrerai. Le roi
épargna Mephiboscheth, fils de Jonathan, fils de Saül, à cause du serment qu'avaient fait entre eux,
8 devant l'Éternel, David et Jonathan, fils de Saül. Mais le roi prit les deux fils que Ritspa, fille d'Ajja,
avait enfantés à Saül, Armoni et Mephiboscheth, et les cinq fils que Mérab, fille de Saül, avait enfantés
9 à Adriel de Mehola, fils de Barzillaï ; et il les livra entre les mains des Gabaonites, qui les pendirent
sur la montagne, devant l'Éternel. Tous les sept périrent ensemble ; ils furent mis à mort dans les
10 premiers jours de la moisson, au commencement de la moisson des orges. Ritspa, fille d'Ajja, prit un
sac et l'étendit sous elle contre le rocher, depuis le commencement de la moisson jusqu'à ce que la pluie
du ciel tombât sur eux ; et elle empêcha les oiseaux du ciel de s'approcher d'eux pendant le jour, et les
11 bêtes des champs pendant la nuit. On informa David de ce qu'avait fait Ritspa, fille d'Ajja, concubine
12 de Saül. Et David alla prendre les os de Saül et les os de Jonathan, son fils, chez les habitants de Jabès
en Galaad, qui les avaient enlevés de la place de Beth-Schan, où les Philistins les avaient suspendus
13 lorsqu 'ils battirent Saül à Guilboa. Il emporta de là les os de Saül et de Jonathan, son fils ; et l'on
14 recueillit aussi les os de ceux qui avaient été pendus. On enterra les os de Saül et de Jonathan, son fils,
au pays de Benjamin, à Tséla, dans le sépulcre de Kis, père de Saül. Et l'on fit tout ce que le roi avait
15 ordonné. Après cela, Dieu fut apaisé envers le pays. Les Philistins firent encore la guerre à Israël.
16 David descendit avec ses serviteurs, et ils combattirent les Philistins. David était fatigué. Et Jischbi-
Benob, l'un des enfants de Rapha, eut la pensée de tuer David ; il avait une lance du poids de trois cents
17 sicles d'airain, et il était ceint d'une épée neuve. Abischaï, fils de Tseruja, vint au secours de David,
frappa le Philistin et le tua. Alors les gens de David jurèrent, en lui disant : Tu ne sortiras plus avec
18 nous pour combattre, et tu n'éteindras pas la lampe d'Israël. Il y eut encore, après cela, une bataille à
19 Gob avec les Philistins. Alors Sibbecaï, le Huschatite, tua Saph, qui était un des enfants de Rapha. Il
y eut encore une bataille à Gob avec les Philistins. Et Elchanan, fils de Jaaré-Oreguim, de Bethléhem,

tua Goliath de Gath, qui avait une lance dont le bois était comme une ensouple de tisserand. 20
Il y eut encore une bataille à Gath. Il s'y trouva un homme de haute taille, qui avait six doigts à chaque main et à chaque pied, vingt -quatre en tout, et qui était aussi issu de Rapha. 21
Il jeta un défi à Israël ; et Jonathan, fils de Schimea, frère de David, le tua. 22
Ces quatre hommes étaient des enfants de Rapha à Gath. Ils périrent par la main de David et par la main de ses serviteurs.

David adressa à l'Éternel les paroles de ce cantique, lorsque l'Éternel l'eut délivré de la main de **22**
tous ses ennemis et de la main de Saül. Il dit : L'Éternel est mon rocher, ma forteresse, mon libérateur. 2
Dieu est mon rocher, où je trouve un abri, Mon bouclier et la force qui me sauve, Ma haute retraite et 3
mon refuge. O mon Sauveur ! tu me garantis de la violence. Je m'écrie : Loué soit l'Éternel ! Et je suis 4
délivré de mes ennemis. Car les flots de la mort m'avaient environné, Les torrents de la destruction 5
m'avaient épouvanté ; Les liens du sépulcre m'avaient entouré, Les filets de la mort m'avaient surpris. 6
Dans ma détresse, j'ai invoqué l'Éternel, J'ai invoqué mon Dieu ; De son palais, il a entendu ma voix, 7
Et mon cri est parvenu à ses oreilles. La terre fut ébranlée et trembla, Les fondements des cieux 8
frémirent, Et ils furent ébranlés, parce qu'il était irrité. Il s'élevait de la fumée dans ses narines, Et 9
un feu dévorant sortait de sa bouche : Il en jaillissait des charbons embrasés. Il abaissa les cieux, et 10
il descendit : Il y avait une épaisse nuée sous ses pieds. Il était monté sur un chérubin, et il volait, 11
Il paraissait sur les ailes du vent. Il faisait des ténèbres une tente autour de lui, Il était enveloppé 12
d'amas d'eaux et de sombres nuages. De la splendeur qui le précédait S'élançaient des charbons de 13
feu. L'Éternel tonna des cieux, Le Très-Haut fit retentir sa voix ; Il lança des flèches et dispersa mes 14, 15
ennemis, La foudre, et les mit en déroute. Le lit de la mer apparut, Les fondements du monde furent 16
découverts, Par la menace de l'Éternel, Par le bruit du souffle de ses narines. Il étendit sa main d'en 17
haut, il me saisit, Il me retira des grandes eaux ; Il me délivra de mon adversaire puissant, De mes 18
ennemis qui étaient plus forts que moi. Ils m'avaient surpris au jour de ma détresse, Mais l'Éternel 19
fut mon appui. Il m'a mis au large, Il m'a sauvé, parce qu'il m'aime. L'Éternel m'a traité selon ma 20, 21
droiture, Il m'a rendu selon la pureté de mes mains ; Car j'ai observé les voies de l'Éternel, Et je n'ai 22
point été coupable envers mon Dieu. Toutes ses ordonnances ont été devant moi, Et je ne me suis point 23
écarté de ses lois. J'ai été sans reproche envers lui, Et je me suis tenu en garde contre mon iniquité. 24
Aussi l'Éternel m'a rendu selon ma droiture, Selon ma pureté devant ses yeux. Avec celui qui est bon 25, 26
tu te montres bon, Avec l'homme droit tu agis selon la droiture, Avec celui qui est pur tu te montres 27
pur, Et avec le pervers tu agis selon sa perversité. Tu sauves le peuple qui s'humilie, Et de ton regard, 28
tu abaisses les orgueilleux. Oui, tu es ma lumière, ô Éternel ! L'Éternel éclaire mes ténèbres. Avec toi 29, 30
je me précipite sur une troupe en armes, Avec mon Dieu je franchis une muraille. Les voies de Dieu 31
sont parfaites, La parole de l'Éternel est éprouvée ; Il est un bouclier pour tous ceux qui se confient en
lui. Car qui est Dieu, si ce n'est l'Éternel ? Et qui est un rocher, si ce n'est notre Dieu ? C'est Dieu qui 32, 33
est ma puissante forteresse, Et qui me conduit dans la voie droite. Il rend mes pieds semblables à ceux 34
des biches, Et il me place sur mes lieux élevés. Il exerce mes mains au combat, Et mes bras tendent 35
l'arc d'airain. Tu me donnes le bouclier de ton salut, Et je deviens grand par ta bonté. Tu élargis le 36, 37
chemin sous mes pas, Et mes pieds ne chancellent point. Je poursuis mes ennemis, et je les détruis ; 38
Je ne reviens pas avant de les avoir anéantis. Je les anéantis, je les brise, et ils ne se relèvent plus ; Ils 39
tombent sous mes pieds. Tu me ceins de force pour le combat, Tu fais plier sous moi mes adversaires. 40
Tu fais tourner le dos à mes ennemis devant moi, Et j'extermine ceux qui me haïssent. Ils regardent 41, 42
autour d'eux, et personne pour les sauver ! Ils crient à l'Éternel, et il ne leur répond pas ! Je les broie 43
comme la poussière de la terre, Je les écrase, je les foule, comme la boue des rues. Tu me délivres des 44
dissensions de mon peuple ; Tu me conserves pour chef des nations ; Un peuple que je ne connaissais pas
m'est asservi. Les fils de l'étranger me flattent, Ils m'obéissent au premier ordre. Les fils de l'étranger 45, 46
sont en défaillance, Ils tremblent hors de leurs forteresses. Vive l'Éternel, et béni soit mon rocher ! Que 47
Dieu, le rocher de mon salut, soit exalté, Le Dieu qui est mon vengeur, Qui m'assujettit les peuples, 48
Et qui me fait échapper à mes ennemis ! Tu m'élèves au-dessus de mes adversaires, Tu me délivres de 49
l'homme violent. C'est pourquoi je te louerai parmi les nations, ô Éternel ! Et je chanterai à la gloire de 50
ton nom. Il accorde de grandes délivrances à son roi, Et il fait miséricorde à son oint, À David, et à sa 51
postérité, pour toujours.

Voici les dernières paroles de David. Parole de David, fils d'Isaï, Parole de l'homme haut placé, **23**
De l'oint du Dieu de Jacob, Du chantre agréable d'Israël. L'esprit de l'Éternel parle par moi, Et sa 2
parole est sur ma langue. Le Dieu d'Israël a parlé, Le rocher d'Israël m'a dit : Celui qui règne parmi 3
les hommes avec justice, Celui qui règne dans la crainte de Dieu, Est pareil à la lumière du matin, 4
quand le soleil brille Et que la matinée est sans nuages ; Ses rayons après la pluie font sortir de terre

5 la verdure. N'en est-il pas ainsi de ma maison devant Dieu, Puisqu'il a fait avec moi une alliance
éternelle, En tous points bien réglée et offrant pleine sécurité ? Ne fera-t-il pas germer tout mon salut
6 et tous mes désirs ? Mais les méchants sont tous comme des épines que l'on rejette, Et que l'on ne prend
7 pas avec la main ; Celui qui les touche s'arme d'un fer ou du bois d'une lance, Et on les brûle au feu
8 sur place. Voici les noms des vaillants hommes qui étaient au service de David. Joscheb -Basschébeth,
le Tachkemonite, l'un des principaux officiers. Il brandit sa lance sur huit cents hommes, qu'il fit périr
9 en une seule fois. Après lui, Éléazar, fils de Dodo, fils d'Achochi. Il était l'un des trois guerriers qui
affrontèrent avec David les Philistins rassemblés pour combattre, tandis que les hommes d'Israël se
10 retiraient sur les hauteurs. Il se leva, et frappa les Philistins jusqu'à ce que sa main fût lasse et
qu'elle restât attachée à son épée. L'Éternel opéra une grande délivrance ce jour -là. Le peuple revint
11 après Éléazar, seulement pour prendre les dépouilles. Après lui, Schamma, fils d'Agué, d'Harar. Les
Philistins s'étaient rassemblés à Léchi. Il y avait là une pièce de terre remplie de lentilles ; et le peuple
12 fuyait devant les Philistins. Schamma se plaça au milieu du champ, le protégea, et battit les Philistins.
13 Et l'Éternel opéra une grande délivrance. Trois des trente chefs descendirent au temps de la moisson
et vinrent auprès de David, dans la caverne d'Adullam, lorsqu'une troupe de Philistins était campée
14 dans la vallée des Rephaïm. David était alors dans la forteresse, et il y avait un poste de Philistins à
15 Bethléhem. David eut un désir, et il dit : Qui me fera boire de l'eau de la citerne qui est à la porte de
16 Bethléhem ? Alors les trois vaillants hommes passèrent au travers du camp des Philistins, et puisèrent
de l'eau de la citerne qui est à la porte de Bethléhem. Ils l'apportèrent et la présentèrent à David ; mais
17 il ne voulut pas la boire, et il la répandit devant l'Éternel. Il dit : Loin de moi, ô Éternel, la pensée
de faire cela ! Boirais-je le sang de ces hommes qui sont allés au péril de leur vie ? Et il ne voulut
18 pas la boire. Voilà ce que firent ces trois vaillants hommes. Abischaï, frère de Joab, fils de Tseruja,
était le chef des trois. Il brandit sa lance sur trois cents hommes, et les tua ; et il eut du renom parmi
19 les trois. Il était le plus considéré des trois, et il fut leur chef ; mais il n'égala pas les trois premiers.
20 Benaja, fils de Jehojada, fils d'un homme de Kabtseel, rempli de valeur et célèbre par ses exploits.
Il frappa les deux lions de Moab. Il descendit au milieu d'une citerne, où il frappa un lion, un jour
21 de neige. Il frappa un Égyptien d'un aspect formidable et ayant une lance à la main ; il descendit
22 contre lui avec un bâton, arracha la lance de la main de l'Égyptien, et s'en servit pour le tuer. Voilà
23 ce que fit Benaja, fils de Jehojada ; et il eut du renom parmi les trois vaillants hommes. Il était le
plus considéré des trente ; mais il n'égala pas les trois premiers. David l'admit dans son conseil secret.
24, 25 Asaël, frère de Joab, du nombre des trente. Elchanan, fils de Dodo, de Bethléhem. Schamma, de Harod.
26, 27 Élika, de Harod. Hélets, de Péleth. Ira, fils d'Ikkesch, de Tekoa. Abiézer, d'Anathoth. Mebunnaï, de
28, 29 Huscha. Tsalmon, d'Achoach. Maharaï, de Nethopha. Héleb, fils de Baana, de Nethopha. Ittaï, fils
30, 31 de Ribaï, de Guibea des fils de Benjamin. Benaja, de Pirathon. Hiddaï, de Nachalé -Gaasch. Abi-
32, 33 Albon, d'Araba. Azmaveth, de Barchum. Éliachba, de Schaalbon. Bené -Jaschen. Jonathan. Schamma,
34 d'Harar. Achiam, fils de Scharar, d'Arar. Éliphéleth, fils d'Achasbaï, fils d'un Maacathien. Éliam, fils
35, 36 d'Achitophel, de Guilo. Hetsraï, de Carmel. Paaraï, d'Arab. Jigueal, fils de Nathan, de Tsoba. Bani,
37, 38 de Gad. Tsélek, l'Ammonite. Naharaï, de Beéroth, qui portait les armes de Joab, fils de Tseruja. Ira,
39 de Jéther. Gareb, de Jéther. Urie, le Héthien. En tout, trente -sept.

24 La colère de l'Éternel s'enflamma de nouveau contre Israël, et il excita David contre eux, en disant :
2 Va, fais le dénombrement d'Israël et de Juda. Et le roi dit à Joab, qui était chef de l'armée et qui se
trouvait près de lui : Parcours toutes les tribus d'Israël, depuis Dan jusqu'à Beer-Schéba ; qu'on fasse le
3 dénombrement du peuple, et que je sache à combien il s'élève. Joab dit au roi : Que l'Éternel, ton Dieu,
rende le peuple cent fois plus nombreux, et que les yeux du roi mon seigneur le voient ! Mais pourquoi
4 le roi mon seigneur veut -il faire cela ? Le roi persista dans l'ordre qu'il donnait à Joab et aux chefs de
l'armée ; et Joab et les chefs de l'armée quittèrent le roi pour faire le dénombrement du peuple d'Israël.
5 Ils passèrent le Jourdain, et ils campèrent à Aroër, à droite de la ville qui est au milieu de la vallée de
6 Gad, et près de Jaezer. Ils allèrent en Galaad et dans le pays de Thachthim-Hodschi. Ils allèrent à Dan-
7 Jaan, et aux environs de Sidon. Ils allèrent à la forteresse de Tyr, et dans toutes les villes des Héviens
8 et des Cananéens. Ils terminèrent par le midi de Juda, à Beer-Schéba. Ils parcoururent ainsi tout le
9 pays, et ils arrivèrent à Jérusalem au bout de neuf mois et vingt jours. Joab remit au roi le rôle du
dénombrement du peuple : il y avait en Israël huit cent mille hommes de guerre tirant l'épée, et en Juda
10 cinq cent mille hommes. David sentit battre son coeur, après qu'il eut ainsi fait le dénombrement du
peuple. Et il dit à l'Éternel : J'ai commis un grand péché en faisant cela ! Maintenant, ô Éternel, daigne
11 pardonner l'iniquité de ton serviteur, car j'ai complètement agi en insensé ! Le lendemain, quand David
12 se leva, la parole de l'Éternel fut ainsi adressée à Gad le prophète, le voyant de David : Va dire à David :
13 Ainsi parle l'Éternel : Je te propose trois fléaux ; choisis -en un, et je t'en frapperai. Gad alla vers David,

et lui fit connaître la chose, en disant : Veux -tu sept années de famine dans ton pays, ou bien trois mois
de fuite devant tes ennemis qui te poursuivront, ou bien trois jours de peste dans ton pays ? Maintenant
choisis, et vois ce que je dois répondre à celui qui m'envoie. David répondit à Gad : Je suis dans une 14
grande angoisse ! Oh ! tombons entre les mains de l'Éternel, car ses compassions sont immenses ; mais
que je ne tombe pas entre les mains des hommes ! L'Éternel envoya la peste en Israël, depuis le matin 15
jusqu'au temps fixé ; et, de Dan à Beer-Schéba, il mourut soixante-dix mille hommes parmi le peuple.
Comme l'ange étendait la main sur Jérusalem pour la détruire, l'Éternel se repentit de ce mal, et il dit 16
à l'ange qui faisait périr le peuple : Assez ! Retire maintenant ta main. L'ange de l'Éternel était près de
l'aire d'Aravna, le Jébusien. David, voyant l'ange qui frappait parmi le peuple, dit à l'Éternel : Voici, 17
j'ai péché ! C'est moi qui suis coupable ; mais ces brebis, qu'ont-elles fait ? Que ta main soit donc sur moi
et sur la maison de mon père ! Ce jour -là, Gad vint auprès de David, et lui dit : Monte, élève un autel 18
à l'Éternel dans l'aire d'Aravna, le Jébusien. David monta, selon la parole de Gad, comme l'Éternel 19
l'avait ordonné. Aravna regarda, et il vit le roi et ses serviteurs qui se dirigeaient vers lui ; et Aravna 20
sortit, et se prosterna devant le roi, le visage contre terre. Aravna dit : Pourquoi mon seigneur le roi 21
vient -il vers son serviteur ? Et David répondit : Pour acheter de toi l'aire et pour y bâtir un autel à
l'Éternel, afin que la plaie se retire de dessus le peuple. Aravna dit à David : Que mon seigneur le 22
roi prenne l'aire, et qu'il y offre les sacrifices qu'il lui plaira ; vois, les boeufs seront pour l'holocauste,
et les chars avec l'attelage serviront de bois. Aravna donna le tout au roi. Et Aravna dit au roi : Que 23
l'Éternel, ton Dieu, te soit favorable ! Mais le roi dit à Aravna : Non ! Je veux l'acheter de toi à prix 24
d'argent, et je n'offrirai point à l'Éternel, mon Dieu, des holocaustes qui ne me coûtent rien. Et David
acheta l'aire et les boeufs pour cinquante sicles d'argent. David bâtit là un autel à l'Éternel, et il offrit 25
des holocaustes et des sacrifices d'actions de grâces. Alors l'Éternel fut apaisé envers le pays, et la plaie
se retira d'Israël.

I ROIS

1 Le roi David était vieux, avancé en âge ; on le couvrait de vêtements, et il ne pouvait se réchauffer. Ses serviteurs lui dirent : Que l'on cherche pour mon seigneur le roi une jeune fille vierge ; qu'elle se tienne devant le roi, qu'elle le soigne, et qu'elle couche dans ton sein ; et mon seigneur le roi se réchauffera. On chercha dans tout le territoire d'Israël une fille jeune et belle, et on trouva Abischag, la Sunamite, que l'on conduisit auprès du roi. Cette jeune fille était fort belle. Elle soigna le roi, et le servit ; mais le roi ne la connut point. Adonija, fils de Haggith, se laissa emporter par l'orgueil jusqu'à dire : C'est moi qui serai roi ! Et il se procura un char et des cavaliers, et cinquante hommes qui couraient devant lui. Son père ne lui avait de sa vie fait un reproche, en lui disant : Pourquoi agis -tu ainsi ? Adonija était, en outre, très beau de figure, et il était né après Absalom. Il eut un entretien avec Joab, fils de Tseruja, et avec le sacrificateur Abiathar ; et ils embrassèrent son parti. Mais le sacrificateur Tsadok, Benaja, fils de Jehojada, Nathan le prophète, Schimeï, Réï, et les vaillants hommes de David, ne furent point avec Adonija. Adonija tua des brebis, des boeufs et des veaux gras, près de la pierre de Zohéleth, qui est à côté d'En-Roguel ; et il invita tous ses frères, fils du roi, et tous les hommes de Juda au service du roi. Mais il n'invita point Nathan le prophète, ni Benaja, ni les vaillants hommes, ni Salomon, son frère. Alors Nathan dit à Bath-Schéba, mère de Salomon : N'as-tu pas appris qu'Adonija, fils de Haggith, est devenu roi, sans que notre seigneur David le sache ? Viens donc maintenant, je te donnerai un conseil, afin que tu sauves ta vie et la vie de ton fils Salomon. Va, entre chez le roi David, et dis -lui : O roi mon seigneur, n'as-tu pas juré à ta servante, en disant : Salomon, ton fils, régnera après moi, et il s'assiéra sur mon trône ? Pourquoi donc Adonija règne -t-il ? Et voici, pendant que tu parleras là avec le roi, j'entrerai moi-même après toi, et je compléterai tes paroles. Bath-Schéba se rendit dans la chambre du roi. Il était très vieux ; et Abischag, la Sunamite, le servait. Bath-Schéba s'inclina et se prosterna devant le roi. Et le roi dit : Qu'as-tu ? Elle lui répondit : Mon seigneur, tu as juré à ta servante par l'Éternel, ton Dieu, en disant : Salomon, ton fils, régnera après moi, et il s'assiéra sur mon trône. Et maintenant voici, Adonija règne ! Et tu ne le sais pas, ô roi mon seigneur ! Il a tué des boeufs, des veaux gras et des brebis en quantité ; et il a invité tous les fils du roi, le sacrificateur Abiathar, et Joab, chef de l'armée, mais il n'a point invité Salomon, ton serviteur. O roi mon seigneur, tout Israël a les yeux sur toi, pour que tu lui fasses connaître qui s'assiéra sur le trône du roi mon seigneur après lui. Et lorsque le roi mon seigneur sera couché avec ses pères, il arrivera que moi et mon fils Salomon nous serons traités comme des coupables. Tandis qu'elle parlait encore avec le roi, voici, Nathan le prophète arriva. On l'annonça au roi, en disant : Voici Nathan le prophète ! Il entra en présence du roi, et se prosterna devant le roi, le visage contre terre. Et Nathan dit : O roi mon seigneur, c'est donc toi qui as dit : Adonija régnera après moi, et il s'assiéra sur mon trône ! Car il est descendu aujourd'hui, il a tué des boeufs, des veaux gras et des brebis en quantité ; et il a invité tous les fils du roi, les chefs de l'armée, et le sacrificateur Abiathar. Et voici, ils mangent et boivent devant lui, et ils disent : Vive le roi Adonija ! Mais il n'a invité ni moi qui suis ton serviteur, ni le sacrificateur Tsadok, ni Benaja, fils de Jehojada, ni Salomon, ton serviteur. Est-ce bien par ordre de mon seigneur le roi que cette chose a lieu, et sans que tu aies fait connaître à ton serviteur qui doit s'asseoir sur le trône du roi mon seigneur après lui ? Le roi David répondit : Appelez -moi Bath-Schéba. Elle entra, et se présenta devant le roi. Et le roi jura, et dit : L'Éternel qui m 'a délivré de toutes les détresses est vivant ! Ainsi que je te l'ai juré par l'Éternel, le Dieu d'Israël, en disant : Salomon, ton fils, régnera après moi, et il s'assiéra sur mon trône à ma place, -ainsi ferai -je aujourd'hui. Bath-Schéba s'inclina le visage contre terre, et se prosterna devant le roi. Et elle dit : Vive à jamais mon seigneur le roi David ! Le roi David dit : Appelez -moi le sacrificateur Tsadok, Nathan le prophète, et Benaja, fils de Jehojada. Ils entrèrent en présence du roi. Et le roi leur dit : Prenez avec vous les serviteurs de votre maître, faites monter Salomon, mon fils, sur ma mule, et faites-le descendre à Guihon. Là, le sacrificateur Tsadok et Nathan le prophète l'oindront pour roi sur Israël. Vous sonnerez de la trompette, et vous direz : Vive le roi Salomon ! Vous monterez après lui ; il viendra s'asseoir sur mon trône, et il régnera à ma place. C'est lui qui, par mon ordre, sera chef d'Israël et de Juda. Benaja, fils de Jehojada, répondit au roi : Amen ! Ainsi dise l'Éternel, le Dieu de mon seigneur le roi ! Que l'Éternel soit avec Salomon comme il a été avec mon seigneur le roi, et qu'il élève son trône au-dessus du trône de mon seigneur le roi David ! Alors le sacrificateur Tsadok descendit avec Nathan le prophète, Benaja, fils de Jehojada, les Kéréthiens et les Péléthiens ; ils firent monter Salomon sur la mule du roi David, et ils le menèrent à Guihon. Le sacrificateur Tsadok prit la corne d'huile dans la tente, et il oignit Salomon. On sonna de la trompette, et tout le peuple dit : Vive le roi Salomon ! Tout le peuple monta après lui, et le peuple jouait de la flûte et se livrait à une grande joie ; la terre s'ébranlait par leurs cris. Ce bruit fut entendu d'Adonija et de tous les conviés qui étaient avec lui, au moment où ils finissaient de manger.

Joab, entendant le son de la trompette, dit : Pourquoi ce bruit de la ville en tumulte ? 42
Il parlait encore lorsque Jonathan, fils du sacrificateur Abiathar, arriva. Et Adonija dit : Approche, car tu es un vaillant homme, et tu apportes de bonnes nouvelles. Oui ! répondit Jonathan à Adonija, notre seigneur le roi 43
David a fait Salomon roi. Il a envoyé avec lui le sacrificateur Tsadok, Nathan le prophète, Benaja, fils 44
de Jehojada, les Kéréthiens et les Péléthiens, et ils l'ont fait monter sur la mule du roi. Le sacrificateur 45
Tsadok et Nathan le prophète l'ont oint pour roi à Guihon. De là ils sont remontés en se livrant à la joie, et la ville a été émue : c'est là le bruit que vous avez entendu. Salomon s'est même assis sur le 46
trône royal. Et les serviteurs du roi sont venus pour bénir notre seigneur le roi David, en disant : Que 47
ton Dieu rende le nom de Salomon plus célèbre que ton nom, et qu'il élève son trône au-dessus de ton trône ! Et le roi s'est prosterné sur son lit. Voici encore ce qu'a dit le roi : Béni soit l'Éternel, le Dieu 48
d'Israël, qui m'a donné aujourd'hui un successeur sur mon trône, et qui m'a permis de le voir ! Tous les 49
conviés d'Adonija furent saisis d'épouvante ; ils se levèrent et s'en allèrent chacun de son côté. Adonija 50
eut peur de Salomon ; il se leva aussi, s'en alla, et saisit les cornes de l'autel. On vint dire à Salomon : 51
Voici, Adonija a peur du roi Salomon, et il a saisi les cornes de l'autel, en disant : Que le roi Salomon me jure aujourd'hui qu'il ne fera point mourir son serviteur par l'épée ! Salomon dit : S'il se montre un 52
honnête homme, il ne tombera pas à terre un de ses cheveux ; mais s'il se trouve en lui de la méchanceté, il mourra. Et le roi Salomon envoya des gens, qui le firent descendre de l'autel. Il vint se prosterner 53
devant le roi Salomon, et Salomon lui dit : Va dans ta maison.

David approchait du moment de sa mort, et il donna ses ordres à Salomon, son fils, en disant : Je **2**, 2
m'en vais par le chemin de toute la terre. Fortifie -toi, et sois un homme ! Observe les commandements 3
de l'Éternel, ton Dieu, en marchant dans ses voies, et en gardant ses lois, ses ordonnances, ses jugements et ses préceptes, selon ce qui est écrit dans la loi de Moïse, afin que tu réussisses dans tout ce que tu feras et partout où tu te tourneras, et afin que l'Éternel accomplisse cette parole qu'il a prononcée 4
sur moi : Si tes fils prennent garde à leur voie, en marchant avec fidélité devant moi, de tout leur coeur, et de toute leur âme, tu ne manqueras jamais d'un successeur sur le trône d'Israël. Tu sais ce que m'a 5
fait Joab, fils de Tseruja, ce qu'il a fait à deux chefs de l'armée d'Israël, à Abner, fils de Ner, et à Amasa, fils de Jéther. Il les a tués ; il a versé pendant la paix le sang de la guerre, et il a mis le sang de la guerre sur la ceinture qu'il avait aux reins et sur la chaussure qu'il avait aux pieds. Tu agiras selon 6
ta sagesse, et tu ne laisseras pas ses cheveux blancs descendre en paix dans le séjour des morts. Tu 7
traiteras avec bienveillance les fils de Barzillaï, le Galaadite, et ils seront de ceux qui se nourrissent de ta table ; car ils ont agi de la même manière à mon égard, en venant au-devant de moi lorsque je fuyais Absalom, ton frère. Voici, tu as près de toi Schimeï, fils de Guéra, Benjamite, de Bachurim. Il 8
a prononcé contre moi des malédictions violentes le jour où j'allais à Mahanaïm. Mais il descendit à ma rencontre vers le Jourdain, et je lui jurai par l'Éternel, en disant : Je ne te ferai point mourir par l'épée. Maintenant, tu ne le laisseras pas impuni ; car tu es un homme sage, et tu sais comment tu 9
dois le traiter. Tu feras descendre ensanglantés ses cheveux blancs dans le séjour des morts. David se 10
coucha avec ses pères, et il fut enterré dans la ville de David. Le temps que David régna sur Israël 11
fut de quarante ans : à Hébron il régna sept ans, et à Jérusalem il régna trente -trois ans. Salomon 12
s'assit sur le trône de David, son père, et son règne fut très affermi. Adonija, fils de Haggith, alla vers 13
Bath-Schéba, mère de Salomon. Elle lui dit : Viens -tu dans des intentions paisibles ? Il répondit : Oui. Et il ajouta : J'ai un mot à te dire. Elle dit : Parle ! Et il dit : Tu sais que la royauté m'appartenait, et 14, 15
que tout Israël portait ses regards sur moi pour me faire régner. Mais la royauté a tourné, et elle est échue à mon frère, parce que l'Éternel la lui a donnée. Maintenant, je te demande une chose : ne me 16
la refuse pas ! Elle lui répondit : Parle ! Et il dit : Dis, je te prie, au roi Salomon -car il ne te le refusera 17
pas-qu'il me donne pour femme Abischag, la Sunamite. Bath-Schéba dit : Bien ! je parlerai pour toi au 18
roi. Bath-Schéba se rendit auprès du roi Salomon, pour lui parler en faveur d'Adonija. Le roi se leva 19
pour aller à sa rencontre, il se prosterna devant elle, et il s'assit sur son trône. On plaça un siège pour la mère du roi, et elle s'assit à sa droite. Puis elle dit : J'ai une petite demande à te faire : ne me la 20
refuse pas ! Et le roi lui dit : Demande, ma mère, car je ne te refuserai pas. Elle dit : Qu'Abischag, la 21
Sunamite, soit donnée pour femme à Adonija, ton frère. Le roi Salomon répondit à sa mère : Pourquoi 22
demandes -tu Abischag, la Sunamite, pour Adonija ? Demande donc la royauté pour lui, -car il est mon frère aîné, -pour lui, pour le sacrificateur Abiathar, et pour Joab, fils de Tseruja ! Alors le roi Salomon 23
jura par l'Éternel, en disant : Que Dieu me traite dans toute sa rigueur, si ce n'est pas au prix de sa vie qu'Adonija a prononcé cette parole ! Maintenant, l'Éternel est vivant, lui qui m'a affermi et m'a 24
fait asseoir sur le trône de David, mon père, et qui m'a fait une maison selon sa promesse ! aujourd'hui Adonija mourra. Et le roi Salomon envoya Benaja, fils de Jehojada, qui le frappa ; et Adonija mourut. 25
Le roi dit ensuite au sacrificateur Abiathar : Va -t'en à Anathoth dans tes terres, car tu mérites la mort ; 26
mais je ne te ferai pas mourir aujourd'hui, parce que tu as porté l'arche du Seigneur l'Éternel devant

27 David, mon père, et parce que tu as eu part à toutes les souffrances de mon père. Ainsi Salomon dépouilla Abiathar de ses fonctions de sacrificateur de l'Éternel, afin d'accomplir la parole que l'Éternel
28 avait prononcée sur la maison d'Éli à Silo. Le bruit en parvint à Joab, qui avait suivi le parti d'Adonija, quoiqu'il n'eût pas suivi le parti d'Absalom. Et Joab se réfugia vers la tente de l'Éternel, et saisit les
29 cornes de l'autel. On annonça au roi Salomon que Joab s'était réfugié vers la tente de l'Éternel, et qu'il
30 était auprès de l'autel. Et Salomon envoya Benaja, fils de Jehojada, en lui disant : Va, frappe -le. Benaja arriva à la tente de l'Éternel, et dit à Joab : Sors ! c'est le roi qui l'ordonne. Mais il répondit : Non ! je veux mourir ici. Benaja rapporta la chose au roi, en disant : C'est ainsi qu'a parlé Joab, et c'est ainsi
31 qu'il m'a répondu. Le roi dit à Benaja : Fais comme il a dit, frappe -le, et enterre -le ; tu ôteras ainsi de
32 dessus moi et de dessus la maison de mon père le sang que Joab a répandu sans cause. L'Éternel fera retomber son sang sur sa tête, parce qu'il a frappé deux hommes plus justes et meilleurs que lui et les a tués par l'épée, sans que mon père David le sût : Abner, fils de Ner, chef de l'armée d'Israël, et Amasa,
33 fils de Jéther, chef de l'armée de Juda. Leur sang retombera sur la tête de Joab et sur la tête de ses descendants à perpétuité ; mais il y aura paix à toujours, de par l'Éternel, pour David, pour sa postérité,
34 pour sa maison et pour son trône. Benaja, fils de Jehojada, monta, frappa Joab, et le fit mourir. Il fut
35 enterré dans sa maison, au désert. Le roi mit à la tête de l'armée Benaja, fils de Jehojada, en remplacement de Joab, et il mit le sacrificateur Tsadok à la place d'Abiathar. Le roi fit appeler Schimeï, et lui
36 dit : Bâtis -toi une maison à Jérusalem ; tu y demeureras, et tu n'en sortiras point pour aller de côté ou
37 d'autre. Sache bien que tu mourras le jour où tu sortiras et passeras le torrent de Cédron ; ton sang
38 sera sur ta tête. Schimeï répondit au roi : C 'est bien ! ton serviteur fera ce que dit mon seigneur le
39 roi. Et Schimeï demeura longtemps à Jérusalem. Au bout de trois ans, il arriva que deux serviteurs de Schimeï s'enfuirent chez Akisch, fils de Maaca, roi de Gath. On le rapporta à Schimeï, en disant : Voici,
40 tes serviteurs sont à Gath. Schimeï se leva, sella son âne, et s'en alla à Gath chez Akisch pour chercher
41 ses serviteurs. Schimeï donc s'en alla, et il ramena de Gath ses serviteurs. On informa Salomon que
42 Schimeï était allé de Jérusalem à Gath, et qu'il était de retour. Le roi fit appeler Schimeï, et lui dit : Ne t'avais-je pas fait jurer par l'Éternel, et ne t'avais-je pas fait cette déclaration formelle : Sache bien que tu mourras le jour où tu sortiras pour aller de côté ou d'autre ? Et ne m'as-tu pas répondu : C 'est bien !
43 j'ai entendu ? Pourquoi donc n'as-tu pas observé le serment de l'Éternel et l'ordre que je t'avais donné ?
44 Et le roi dit à Schimeï : Tu sais au dedans de ton coeur tout le mal que tu as fait à David, mon père ;
45 l'Éternel fait retomber ta méchanceté sur ta tête. Mais le roi Salomon sera béni, et le trône de David
46 sera pour toujours affermi devant l'Éternel. Et le roi donna ses ordres à Benaja, fils de Jehojada, qui sortit et frappa Schimeï ; et Schimeï mourut. La royauté fut ainsi affermie entre les mains de Salomon.

3 Salomon s'allia par mariage avec Pharaon, roi d'Égypte. Il prit pour femme la fille de Pharaon, et il l'amena dans la ville de David, jusqu'à ce qu'il eût achevé de bâtir sa maison, la maison de l'Éternel,
2 et le mur d'enceinte de Jérusalem. Le peuple ne sacrifiait que sur les hauts lieux, car jusqu'à cette
3 époque il n'avait point été bâti de maison au nom de l'Éternel. Salomon aimait l'Éternel, et suivait les coutumes de David, son père. Seulement c'était sur les hauts lieux qu'il offrait des sacrifices et des
4 parfums. Le roi se rendit à Gabaon pour y sacrifier, car c 'était le principal des hauts lieux. Salomon
5 offrit mille holocaustes sur l'autel. À Gabaon, l'Éternel apparut en songe à Salomon pendant la nuit, et
6 Dieu lui dit : Demande ce que tu veux que je te donne. Salomon répondit : Tu as traité avec une grande bienveillance ton serviteur David, mon père, parce qu'il marchait en ta présence dans la fidélité, dans la justice, et dans la droiture de coeur envers toi ; tu lui as conservé cette grande bienveillance, et tu lui
7 as donné un fils qui est assis sur son trône, comme on le voit aujourd'hui. Maintenant, Éternel mon Dieu, tu as fait régner ton serviteur à la place de David, mon père ; et moi je ne suis qu'un jeune homme,
8 je n'ai point d'expérience. Ton serviteur est au milieu du peuple que tu as choisi, peuple immense, qui
9 ne peut être ni compté ni nombré, à cause de sa multitude. Accorde donc à ton serviteur un coeur intelligent pour juger ton peuple, pour discerner le bien du mal ! Car qui pourrait juger ton peuple, ce
10, 11 peuple si nombreux ? Cette demande de Salomon plut au Seigneur. Et Dieu lui dit : Puisque c'est là ce que tu demandes, puisque tu ne demandes pour toi ni une longue vie, ni les richesses, ni la mort de tes
12 ennemis, et que tu demandes de l'intelligence pour exercer la justice, voici, j'agirai selon ta parole. Je te donnerai un coeur sage et intelligent, de telle sorte qu'il n'y aura eu personne avant toi et qu'on ne verra
13 jamais personne de semblable à toi. Je te donnerai, en outre, ce que tu n'as pas demandé, des richesses
14 et de la gloire, de telle sorte qu'il n'y aura pendant toute ta vie aucun roi qui soit ton pareil. Et si tu marches dans mes voies, en observant mes lois et mes commandements, comme l'a fait David, ton père,
15 je prolongerai tes jours. Salomon s'éveilla. Et voilà le songe. Salomon revint à Jérusalem, et se présenta devant l'arche de l'alliance de l'Éternel. Il offrit des holocaustes et des sacrifices d'actions de grâces, et il
16 fit un festin à tous ses serviteurs. Alors deux femmes prostituées vinrent chez le roi, et se présentèrent

devant lui. L'une des femmes dit : Pardon ! mon seigneur, moi et cette femme nous demeurions dans la 17
même maison, et je suis accouchée près d'elle dans la maison. Trois jours après, cette femme est aussi 18
accouchée. Nous habitions ensemble, aucun étranger n'était avec nous dans la maison, il n'y avait que
nous deux. Le fils de cette femme est mort pendant la nuit, parce qu'elle s'était couchée sur lui. Elle 19, 20
s'est levée au milieu de la nuit, elle a pris mon fils à mes côtés tandis que ta servante dormait, et elle
l'a couché dans son sein ; et son fils qui était mort, elle l'a couché dans mon sein. Le matin, je me suis 21
levée pour allaiter mon fils ; et voici, il était mort. Je l'ai regardé attentivement le matin ; et voici, ce
n'était pas mon fils que j'avais enfanté. L'autre femme dit : Au contraire ! c'est mon fils qui est vivant, 22
et c'est ton fils qui est mort. Mais la première répliqua : Nullement ! C'est ton fils qui est mort, et c'est
mon fils qui est vivant. C'est ainsi qu'elles parlèrent devant le roi. Le roi dit : L'une dit : C'est mon fils 23
qui est vivant, et c'est ton fils qui est mort ; et l'autre dit : Nullement ! c'est ton fils qui est mort, et c'est
mon fils qui est vivant. Puis il ajouta : Apportez -moi une épée. On apporta une épée devant le roi. Et 24, 25
le roi dit : Coupez en deux l'enfant qui vit, et donnez -en la moitié à l'une et la moitié à l'autre. Alors 26
la femme dont le fils était vivant sentit ses entrailles s'émouvoir pour son fils, et elle dit au roi : Ah !
mon seigneur, donnez -lui l'enfant qui vit, et ne le faites point mourir. Mais l'autre dit : Il ne sera ni à
moi ni à toi ; coupez -le ! Et le roi, prenant la parole, dit : Donnez à la première l'enfant qui vit, et ne le 27
faites point mourir. C'est elle qui est sa mère. Tout Israël apprit le jugement que le roi avait prononcé. 28
Et l'on craignit le roi, car on vit que la sagesse de Dieu était en lui pour le diriger dans ses jugements.

Le roi Salomon était roi sur tout Israël. Voici les chefs qu'il avait à son service. Azaria, fils du sacrifi- **4**, 2
cateur Tsadok, Elihoreph et Achija, fils de Schischa, étaient secrétaires ; Josaphat, fils d'Achilud, était 3
archiviste ; Benaja, fils de Jehojada, commandait l'armée ; Tsadok et Abiathar étaient sacrificateurs ; 4
Azaria, fils de Nathan, était chef des intendants ; Zabud, fils de Nathan, était ministre d'état, favori du 5
roi ; Achischar était chef de la maison du roi ; et Adoniram, fils d'Abda, était préposé sur les impôts. 6
Salomon avait douze intendants sur tout Israël. Ils pourvoyaient à l'entretien du roi et de sa maison, 7
chacun pendant un mois de l'année. Voici leurs noms. Le fils de Hur, dans la montagne d'Éphraïm. 8
Le fils de Déker, à Makats, à Saalbim, à Beth-Schémesch, à Élon et à Beth-Hanan. Le fils de Hésed, 9, 10
à Arubboth ; il avait Soco et tout le pays de Hépher. Le fils d'Abinadab avait toute la contrée de Dor. 11
Thaphath, fille de Salomon, était sa femme. Baana, fils d'Achilud, avait Thaanac et Meguiddo, et tout 12
Beth-Schean qui est près de Tsarthan au-dessous de Jizreel, depuis Beth-Schean jusqu'à Abel-Mehola,
jusqu'au delà de Jokmeam. Le fils de Guéber, à Ramoth en Galaad ; il avait les bourgs de Jaïr, fils de 13
Manassé, en Galaad ; il avait encore la contrée d'Argob en Basan, soixante grandes villes à murailles
et à barres d'airain. Achinadab, fils d'Iddo, à Mahanaïm. Achimaats, en Nephthali. Il avait pris pour 14, 15
femme Basmath, fille de Salomon. Baana, fils de Huschaï, en Aser et à Bealoth. Josaphat, fils de Pa- 16, 17
ruach, en Issacar. Schimeï, fils d'Éla, en Benjamin. Guéber, fils d'Uri, dans le pays de Galaad ; il avait 18, 19
la contrée de Sihon, roi des Amoréens, et d'Og, roi de Basan. Il y avait un seul intendant pour ce pays.
Juda et Israël étaient très nombreux, pareils au sable qui est sur le bord de la mer. Ils mangeaient, 20
buvaient et se réjouissaient. Salomon dominait encore sur tous les royaumes depuis le fleuve jusqu'au 21
pays des Philistins et jusqu'à la frontière d'Égypte ; ils apportaient des présents, et ils furent assujettis
à Salomon tout le temps de sa vie. Chaque jour Salomon consommait en vivres : trente cors de fleur 22
de farine et soixante cors de farine, dix boeufs gras, vingt boeufs de pâturage, et cent brebis, outre les 23
cerfs, les gazelles, les daims, et les volailles engraissées. Il dominait sur tout le pays de l'autre côté du 24
fleuve, depuis Thiphsach jusqu'à Gaza, sur tous les rois de l'autre côté du fleuve. Et il avait la paix de
tous les côtés alentour. Juda et Israël, depuis Dan jusqu'à Beer-Schéba, habitèrent en sécurité, chacun 25
sous sa vigne et sous son figuier, tout le temps de Salomon. Salomon avait quarante mille crèches pour 26
les chevaux destinés à ses chars, et douze mille cavaliers. Les intendants pourvoyaient à l'entretien du 27
roi Salomon et de tous ceux qui s'approchaient de sa table, chacun pendant son mois ; ils ne laissaient
manquer de rien. Ils faisaient aussi venir de l'orge et de la paille pour les chevaux et les coursiers 28
dans le lieu où se trouvait le roi, chacun selon les ordres qu'il avait reçus. Dieu donna à Salomon de la 29
sagesse, une très grande intelligence, et des connaissances multipliées comme le sable qui est au bord
de la mer. La sagesse de Salomon surpassait la sagesse de tous les fils de l'Orient et toute la sagesse 30
des Égyptiens. Il était plus sage qu'aucun homme, plus qu'Éthan, l'Ézrachite, plus qu'Héman, Calcol 31
et Darda, les fils de Machol ; et sa renommée était répandue parmi toutes les nations d'alentour. Il 32
a prononcé trois mille sentences, et composé mille cinq cantiques. Il a parlé sur les arbres, depuis le 33
cèdre du Liban jusqu'à l'hysope qui sort de la muraille ; il a aussi parlé sur les animaux, sur les oiseaux,
sur les reptiles et sur les poissons. Il venait des gens de tous les peuples pour entendre la sagesse de 34
Salomon, de la part de tous les rois de la terre qui avaient entendu parler de sa sagesse.

Hiram, roi de Tyr, envoya ses serviteurs vers Salomon, car il apprit qu'on l'avait oint pour roi à la **5**
place de son père, et il avait toujours aimé David. Salomon fit dire à Hiram : Tu sais que David, mon 2, 3

père, n'a pas pu bâtir une maison à l'Éternel, son Dieu, à cause des guerres dont ses ennemis l'ont
4 enveloppé jusqu'à ce que l'Éternel les eût mis sous la plante de ses pieds. Maintenant l'Éternel, mon
5 Dieu, m'a donné du repos de toutes parts ; plus d'adversaires, plus de calamités ! Voici, j'ai l'intention
de bâtir une maison au nom de l'Éternel, mon Dieu, comme l'Éternel l'a déclaré à David, mon père,
en disant : Ton fils que je mettrai à ta place sur ton trône, ce sera lui qui bâtira une maison à mon
6 nom. Ordonne maintenant que l'on coupe pour moi des cèdres du Liban. Mes serviteurs seront avec les
tiens, et je te paierai le salaire de tes serviteurs tel que tu l'auras fixé ; car tu sais qu'il n'y a personne
7 parmi nous qui s'entende à couper les bois comme les Sidoniens. Lorsqu'il entendit les paroles de
Salomon, Hiram eut une grande joie, et il dit : Béni soit aujourd'hui l'Éternel, qui a donné à David
8 un fils sage pour chef de ce grand peuple ! Et Hiram fit répondre à Salomon : J'ai entendu ce que tu
9 m'as envoyé dire. Je ferai tout ce qui te plaira au sujet des bois de cèdre et des bois de cyprès. Mes
serviteurs les descendront du Liban à la mer, et je les expédierai par mer en radeaux jusqu'au lieu
que tu m'indiqueras ; là, je les ferai délier, et tu les prendras. Ce que je désire en retour, c'est que tu
10 fournisses des vivres à ma maison. Hiram donna à Salomon des bois de cèdre et des bois de cyprès
11 autant qu'il en voulut. Et Salomon donna à Hiram vingt mille cors de froment pour l'entretien de sa
maison et vingt cors d'huile d'olives concassées ; c'est ce que Salomon donna chaque année à Hiram.
12 L'Éternel donna de la sagesse à Salomon, comme il le lui avait promis. Et il y eut paix entre Hiram et
13 Salomon, et ils firent alliance ensemble. Le roi Salomon leva sur tout Israël des hommes de corvée ;
14 ils étaient au nombre de trente mille. Il les envoya au Liban, dix mille par mois alternativement ; ils
étaient un mois au Liban, et deux mois chez eux. Adoniram était préposé sur les hommes de corvée.
15 Salomon avait encore soixante-dix mille hommes qui portaient les fardeaux et quatre-vingt mille qui
16 taillaient les pierres dans la montagne, sans compter les chefs, au nombre de trois mille trois cents,
17 préposés par Salomon sur les travaux et chargés de surveiller les ouvriers. Le roi ordonna d'extraire de
18 grandes et magnifiques pierres de taille pour les fondements de la maison. Les ouvriers de Salomon,
ceux de Hiram, et les Guibliens, les taillèrent, et ils préparèrent les bois et les pierres pour bâtir la
maison.

6 Ce fut la quatre cent quatre-vingtième année après la sortie des enfants d'Israël du pays d'Égypte
que Salomon bâtit la maison à l'Éternel, la quatrième année de son règne sur Israël, au mois de Ziv, qui
2 est le second mois. La maison que le roi Salomon bâtit à l'Éternel avait soixante coudées de longueur,
3 vingt de largeur, et trente de hauteur. Le portique devant le temple de la maison avait vingt coudées
de longueur répondant à la largeur de la maison, et dix coudées de profondeur sur la face de la maison.
4, 5 Le roi fit à la maison des fenêtres solidement grillées. Il bâtit contre le mur de la maison des étages
circulaires, qui entouraient les murs de la maison, le temple et le sanctuaire ; et il fit des chambres
6 latérales tout autour. L'étage inférieur était large de cinq coudées, celui du milieu de six coudées,
et le troisième de sept coudées ; car il ménagea des retraites à la maison tout autour en dehors, afin
7 que la charpente n'entrât pas dans les murs de la maison. Lorsqu'on bâtit la maison, on se servit
de pierres toutes taillées, et ni marteau, ni hache, ni aucun instrument de fer, ne furent entendus
8 dans la maison pendant qu'on la construisait. L'entrée des chambres de l'étage inférieur était au côté
droit de la maison ; on montait à l'étage du milieu par un escalier tournant, et de l'étage du milieu
9 au troisième. Après avoir achevé de bâtir la maison, Salomon la couvrit de planches et de poutres de
10 cèdre. Il donna cinq coudées de hauteur à chacun des étages qui entouraient toute la maison, et il les
11, 12 lia à la maison par des bois de cèdre. L'Éternel adressa la parole à Salomon, et lui dit : Tu bâtis cette
maison ! Si tu marches selon mes lois, si tu pratiques mes ordonnances, si tu observes et suis tous mes
13 commandements, j'accomplirai à ton égard la promesse que j'ai faite à David, ton père, j'habiterai au
14 milieu des enfants d'Israël, et je n'abandonnerai point mon peuple d'Israël. Après avoir achevé de bâtir
15 la maison, Salomon en revêtit intérieurement les murs de planches de cèdre, depuis le sol jusqu'au
16 plafond ; il revêtit ainsi de bois l'intérieur, et il couvrit le sol de la maison de planches de cyprès. Il
revêtit de planches de cèdre les vingt coudées du fond de la maison, depuis le sol jusqu'au haut des
17 murs, et il réserva cet espace pour en faire le sanctuaire, le lieu très saint. Les quarante coudées sur
18 le devant formaient la maison, c'est-à-dire le temple. Le bois de cèdre à l'intérieur de la maison offrait
des sculptures de coloquintes et de fleurs épanouies ; tout était de cèdre, on ne voyait aucune pierre.
19 Salomon établit le sanctuaire intérieurement au milieu de la maison, pour y placer l'arche de l'alliance
20 de l'Éternel. Le sanctuaire avait vingt coudées de longueur, vingt coudées de largeur, et vingt coudées
de hauteur. Salomon le couvrit d'or pur. Il fit devant le sanctuaire un autel de bois de cèdre et le couvrit
21 d'or. Il couvrit d'or pur l'intérieur de la maison, et il fit passer le voile dans des chaînettes d'or devant le
22 sanctuaire, qu'il couvrit d'or. Il couvrit d'or toute la maison, la maison tout entière, et il couvrit d'or tout
23 l'autel qui était devant le sanctuaire. Il fit dans le sanctuaire deux chérubins de bois d'olivier sauvage,
24 ayant dix coudées de hauteur. Chacune des deux ailes de l'un des chérubins avait cinq coudées, ce qui

faisait dix coudées de l'extrémité d'une de ses ailes à l'extrémité de l'autre. Le second chérubin avait 25
aussi dix coudées. La mesure et la forme étaient les mêmes pour les deux chérubins. La hauteur de 26
chacun des deux chérubins était de dix coudées. Salomon plaça les chérubins au milieu de la maison, 27
dans l'intérieur. Leurs ailes étaient déployées : l'aile du premier touchait à l'un des murs, et l'aile du
second touchait à l'autre mur ; et leurs autres ailes se rencontraient par l'extrémité au milieu de la
maison. Salomon couvrit d'or les chérubins. Il fit sculpter sur tout le pourtour des murs de la maison, 28, 29
à l'intérieur et à l'extérieur, des chérubins, des palmes et des fleurs épanouies. Il couvrit d'or le sol de 30
la maison, à l'intérieur et à l'extérieur. Il fit à l'entrée du sanctuaire une porte à deux battants, de bois 31
d'olivier sauvage ; l'encadrement avec les poteaux équivalait à un cinquième du mur. Les deux battants 32
étaient de bois d'olivier sauvage. Il y fit sculpter des chérubins, des palmes et des fleurs épanouies, et
il les couvrit d'or ; il étendit aussi l'or sur les chérubins et sur les palmes. Il fit de même, pour la 33
porte du temple, des poteaux de bois d'olivier sauvage, ayant le quart de la dimension du mur, et deux 34
battants de bois de cyprès ; chacun des battants était formé de deux planches brisées. Il y fit sculpter 35
des chérubins, des palmes et des fleurs épanouies, et il les couvrit d'or, qu'il étendit sur la sculpture. Il 36
bâtit le parvis intérieur de trois rangées de pierres de taille et d'une rangée de poutres de cèdre. La 37
quatrième année, au mois de Ziv, les fondements de la maison de l'Éternel furent posés ; et la onzième 38
année, au mois de Bul, qui est le huitième mois, la maison fut achevée dans toutes ses parties et telle
qu'elle devait être. Salomon la construisit dans l'espace de sept ans.

Salomon bâtit encore sa maison, ce qui dura treize ans jusqu'à ce qu'il l'eût entièrement achevée. Il **7**, 2
construisit d'abord la maison de la forêt du Liban, longue de cent coudées, large de cinquante coudées,
et haute de trente coudées. Elle reposait sur quatre rangées de colonnes de cèdre, et il y avait des
poutres de cèdre sur les colonnes. On couvrit de cèdre les chambres qui portaient sur les colonnes et 3
qui étaient au nombre de quarante -cinq, quinze par étage. Il y avait trois étages, à chacun desquels 4
se trouvaient des fenêtres les unes vis-à-vis des autres. Toutes les portes et tous les poteaux étaient 5
formés de poutres en carré ; et, à chacun des trois étages, les ouvertures étaient les unes vis-à-vis des
autres. Il fit le portique des colonnes, long de cinquante coudées et large de trente coudées, et un 6
autre portique en avant avec des colonnes et des degrés sur leur front. Il fit le portique du trône, où il 7
rendait la justice, le portique du jugement ; et il le couvrit de cèdre, depuis le sol jusqu'au plafond. Sa 8
maison d'habitation fut construite de la même manière, dans une autre cour, derrière le portique. Et il
fit une maison du même genre que ce portique pour la fille de Pharaon, qu'il avait prise pour femme.
Pour toutes ces constructions on employa de magnifiques pierres, taillées d'après des mesures, sciées 9
avec la scie, intérieurement et extérieurement, et cela depuis les fondements jusqu'aux corniches, et en
dehors jusqu'à la grande cour. Les fondements étaient en pierres magnifiques et de grande dimension, 10
en pierres de dix coudées et en pierres de huit coudées. Au-dessus il y avait encore de magnifiques 11
pierres, taillées d'après des mesures, et du bois de cèdre. La grande cour avait dans tout son circuit 12
trois rangées de pierres de taille et une rangée de poutres de cèdre, comme le parvis intérieur de la
maison de l'Éternel, et comme le portique de la maison. Le roi Salomon fit venir de Tyr Hiram, fils 13, 14
d'une veuve de la tribu de Nephthali, et d'un père Tyrien, qui travaillait sur l'airain. Hiram était rempli
de sagesse, d'intelligence, et de savoir pour faire toutes sortes d'ouvrages d'airain. Il arriva auprès du
roi Salomon, et il exécuta tous ses ouvrages. Il fit les deux colonnes d'airain. La première avait dix- 15
huit coudées de hauteur, et un fil de douze coudées mesurait la circonférence de la seconde. Il fondit 16
deux chapiteaux d'airain, pour mettre sur les sommets des colonnes ; le premier avait cinq coudées de
hauteur, et le second avait cinq coudées de hauteur. Il fit des treillis en forme de réseaux, des festons 17
façonnés en chaînettes, pour les chapiteaux qui étaient sur le sommet des colonnes, sept pour le premier
chapiteau, et sept pour le second chapiteau. Il fit deux rangs de grenades autour de l'un des treillis, 18
pour couvrir le chapiteau qui était sur le sommet d'une des colonnes ; il fit de même pour le second
chapiteau. Les chapiteaux qui étaient sur le sommet des colonnes, dans le portique, figuraient des lis 19
et avaient quatre coudées. Les chapiteaux placés sur les deux colonnes étaient entourés de deux cents 20
grenades, en haut, près du renflement qui était au delà du treillis ; il y avait aussi deux cents grenades
rangées autour du second chapiteau. Il dressa les colonnes dans le portique du temple ; il dressa la 21
colonne de droite, et la nomma Jakin ; puis il dressa la colonne de gauche, et la nomma Boaz. Il y avait 22
sur le sommet des colonnes un travail figurant des lis. Ainsi fut achevé l'ouvrage des colonnes. Il fit la 23
mer de fonte. Elle avait dix coudées d'un bord à l'autre, une forme entièrement ronde, cinq coudées de
hauteur, et une circonférence que mesurait un cordon de trente coudées. Des coloquintes l'entouraient 24
au-dessous de son bord, dix par coudée, faisant tout le tour de la mer ; les coloquintes, disposées sur deux
rangs, étaient fondues avec elle en une seule pièce. Elle était posée sur douze boeufs, dont trois tournés 25
vers le nord, trois tournés vers l'occident, trois tournés vers le midi, et trois tournés vers l'orient ; la
mer était sur eux, et toute la partie postérieure de leur corps était en dedans. Son épaisseur était d'un 26
palme ; et son bord, semblable au bord d'une coupe, était façonné en fleur de lis. Elle contenait deux

27 mille baths. Il fit les dix bases d'airain. Chacune avait quatre coudées de longueur, quatre coudées
28 de largeur, et trois coudées de hauteur. Voici en quoi consistaient ces bases. Elles étaient formées de
29 panneaux, liés aux coins par des montants. Sur les panneaux qui étaient entre les montants il y avait
des lions, des boeufs et des chérubins ; et sur les montants, au-dessus comme au-dessous des lions et des
30 boeufs, il y avait des ornements qui pendaient en festons. Chaque base avait quatre roues d'airain avec
des essieux d'airain ; et aux quatre angles étaient des consoles de fonte, au-dessous du bassin, et au delà
31 des festons. Le couronnement de la base offrait à son intérieur une ouverture avec un prolongement
d'une coudée vers le haut ; cette ouverture était ronde, comme pour les ouvrages de ce genre, et elle avait
une coudée et demie de largeur ; il s'y trouvait aussi des sculptures. Les panneaux étaient carrés, et non
32 arrondis. Les quatre roues étaient sous les panneaux, et les essieux des roues fixés à la base ; chacune
33 avait une coudée et demie de hauteur. Les roues étaient faites comme celles d'un char. Leurs essieux,
34 leurs jantes, leurs rais et leurs moyeux, tout était de fonte. Il y avait aux quatre angles de chaque
35 base quatre consoles d'une même pièce que la base. La partie supérieure de la base se terminait par
36 un cercle d'une demi -coudée de hauteur, et elle avait ses appuis et ses panneaux de la même pièce. Il
grava sur les plaques des appuis, et sur les panneaux, des chérubins, des lions et des palmes, selon les
37 espaces libres, et des guirlandes tout autour. C'est ainsi qu'il fit les dix bases : la fonte, la mesure et
38 la forme étaient les mêmes pour toutes. Il fit dix bassins d'airain. Chaque bassin contenait quarante
39 baths, chaque bassin avait quatre coudées, chaque bassin était sur l'une des dix bases. Il plaça cinq
bases sur le côté droit de la maison, et cinq bases sur le côté gauche de la maison ; et il plaça la mer
40 du côté droit de la maison, au sud -est. Hiram fit les cendriers, les pelles et les coupes. Ainsi Hiram
41 acheva tout l'ouvrage que le roi Salomon lui fit faire pour la maison de l'Éternel ; deux colonnes, avec
les deux chapiteaux et leurs bourrelets sur le sommet des colonnes ; les deux treillis, pour couvrir les
42 deux bourrelets des chapiteaux sur le sommet des colonnes ; les quatre cents grenades pour les deux
treillis, deux rangées de grenades par treillis, pour couvrir les deux bourrelets des chapiteaux sur le
43, 44 sommet des colonnes ; les dix bases, et les dix bassins sur les bases ; la mer, et les douze boeufs sous
45 la mer ; les cendriers, les pelles et les coupes. Tous ces ustensiles que le roi Salomon fit faire à Hiram
46 pour la maison de l'Éternel étaient d'airain poli. Le roi les fit fondre dans la plaine du Jourdain dans
47 un sol argileux, entre Succoth et Tsarthan. Salomon laissa tous ces ustensiles sans vérifier le poids
48 de l'airain, parce qu'ils étaient en très grande quantité. Salomon fit encore tous les autres ustensiles
pour la maison de l'Éternel : l'autel d'or ; la table d'or, sur laquelle on mettait les pains de proposition ;
49 les chandeliers d'or pur, cinq à droite et cinq à gauche, devant le sanctuaire, avec les fleurs, les lampes
50 et les mouchettes d'or ; les bassins, les couteaux, les coupes, les tasses et les brasiers d'or pur ; et les
gonds d'or pour la porte de l'intérieur de la maison à l'entrée du lieu très saint, et pour la porte de la
51 maison à l'entrée du temple. Ainsi fut achevé tout l'ouvrage que le roi Salomon fit pour la maison de
l'Éternel. Puis il apporta l'argent, l'or et les ustensiles, que David, son père, avait consacrés, et il les mit
dans les trésors de la maison de l'Éternel.

8 Alors le roi Salomon assembla près de lui à Jérusalem les anciens d'Israël et tous les chefs des
tribus, les chefs de famille des enfants d'Israël, pour transporter de la cité de David, qui est Sion,
2 l'arche de l'alliance de l'Éternel. Tous les hommes d'Israël se réunirent auprès du roi Salomon, au mois
3 d'Éthanim, qui est le septième mois, pendant la fête. Lorsque tous les anciens d'Israël furent arrivés,
4 les sacrificateurs portèrent l'arche. Ils transportèrent l'arche de l'Éternel, la tente d'assignation, et
tous les ustensiles sacrés qui étaient dans la tente : ce furent les sacrificateurs et les Lévites qui les
5 transportèrent. Le roi Salomon et toute l'assemblée d'Israël convoquée auprès de lui se tinrent devant
l'arche. Ils sacrifièrent des brebis et des boeufs, qui ne purent être ni comptés, ni nombrés, à cause
6 de leur multitude. Les sacrificateurs portèrent l'arche de l'alliance de l'Éternel à sa place, dans le
7 sanctuaire de la maison, dans le lieu très saint, sous les ailes des chérubins. Car les chérubins avaient
8 les ailes étendues sur la place de l'arche, et ils couvraient l'arche et ses barres par-dessus. On avait
donné aux barres une longueur telle que leurs extrémités se voyaient du lieu saint devant le sanctuaire,
9 mais ne se voyaient point du dehors. Elles ont été là jusqu'à ce jour. Il n'y avait dans l'arche que les deux
tables de pierre, que Moïse y déposa en Horeb, lorsque l'Éternel fit alliance avec les enfants d'Israël, à
10 leur sortie du pays d'Égypte. Au moment où les sacrificateurs sortirent du lieu saint, la nuée remplit la
11 maison de l'Éternel. Les sacrificateurs ne purent pas y rester pour faire le service, à cause de la nuée ;
12 car la gloire de l'Éternel remplissait la maison de l'Éternel. Alors Salomon dit : L'Éternel veut habiter
13, 14 dans l'obscurité ! J'ai bâti une maison qui sera ta demeure, un lieu où tu résideras éternellement ! Le
15 roi tourna son visage, et bénit toute l'assemblée d'Israël ; et toute l'assemblée d'Israël était debout. Et
il dit : Béni soit l'Éternel, le Dieu d'Israël, qui a parlé de sa bouche à David, mon père, et qui accomplit
16 par sa puissance ce qu'il avait déclaré en disant : Depuis le jour où j'ai fait sortir d'Égypte mon peuple

d'Israël, je n'ai point choisi de ville parmi toutes les tribus d'Israël pour qu'il y fût bâti une maison où résidât mon nom, mais j'ai choisi David pour qu'il régnât sur mon peuple d'Israël ! David, mon père, 17
avait l'intention de bâtir une maison au nom de l'Éternel, le Dieu d'Israël. Et l'Éternel dit à David, 18
mon père : Puisque tu as eu l'intention de bâtir une maison à mon nom, tu as bien fait d'avoir eu
cette intention. Seulement, ce ne sera pas toi qui bâtiras la maison ; mais ce sera ton fils, sorti de tes 19
entrailles, qui bâtira la maison à mon nom. L'Éternel a accompli la parole qu'il avait prononcée. Je me 20
suis élevé à la place de David, mon père, et je me suis assis sur le trône d'Israël, comme l'avait annoncé
l'Éternel, et j'ai bâti la maison au nom de l'Éternel, le Dieu d'Israël. J'y ai disposé un lieu pour l'arche 21
où est l'alliance de l'Éternel, l'alliance qu'il a faite avec nos pères quand il les fit sortir du pays d'Égypte.
Salomon se plaça devant l'autel de l'Éternel, en face de toute l'assemblée d'Israël. Il étendit ses mains 22
vers le ciel, et il dit : O Éternel, Dieu d'Israël ! Il n'y a point de Dieu semblable à toi, ni en haut dans les 23
cieux, ni en bas sur la terre : tu gardes l'alliance et la miséricorde envers tes serviteurs qui marchent
en ta présence de tout leur coeur ! Ainsi tu as tenu parole à ton serviteur David, mon père ; et ce 24
que tu as déclaré de ta bouche, tu l'accomplis en ce jour par ta puissance. Maintenant, Éternel, Dieu 25
d'Israël, observe la promesse que tu as faite à David, mon père, en disant : Tu ne manqueras jamais
devant moi d'un successeur assis sur le trône d'Israël, pourvu que tes fils prennent garde à leur voie
et qu'ils marchent en ma présence comme tu as marché en ma présence. Oh ! qu'elle s'accomplisse, 26
Dieu d'Israël, la promesse que tu as faite à ton serviteur David, mon père ! Mais quoi ! Dieu habiterait 27
-il véritablement sur la terre ? Voici, les cieux et les cieux des cieux ne peuvent te contenir : combien
moins cette maison que je t'ai bâtie ! Toutefois, Éternel, mon Dieu, sois attentif à la prière de ton 28
serviteur et à sa supplication ; écoute le cri et la prière que t'adresse aujourd'hui ton serviteur. Que 29
tes yeux soient nuit et jour ouverts sur cette maison, sur le lieu dont tu as dit : Là sera mon nom !
Écoute la prière que ton serviteur fait en ce lieu. Daigne exaucer la supplication de ton serviteur et 30
de ton peuple d'Israël, lorsqu'ils prieront en ce lieu ! Exauce du lieu de ta demeure, des cieux, exauce et
pardonne ! Si quelqu'un pèche contre son prochain et qu'on lui impose un serment pour le faire jurer, 31
et s'il vient jurer devant ton autel, dans cette maison, - écoute -le des cieux, agis, et juge tes serviteurs ; 32
condamne le coupable, et fais retomber sa conduite sur sa tête ; rends justice à l'innocent, et traite -le
selon son innocence ! Quand ton peuple d'Israël sera battu par l'ennemi, pour avoir péché contre toi ; 33
s'ils reviennent à toi et rendent gloire à ton nom, s'ils t'adressent des prières et des supplications dans
cette maison, - exauce -les des cieux, pardonne le péché de ton peuple d'Israël, et ramène -les dans le 34
pays que tu as donné à leurs pères ! Quand le ciel sera fermé et qu'il n'y aura point de pluie, à cause de 35
leurs péchés contre toi, s'ils prient dans ce lieu et rendent gloire à ton nom, et s'ils se détournent de leurs
péchés, parce que tu les auras châtiés, - exauce -les des cieux, pardonne le péché de tes serviteurs et 36
de ton peuple d'Israël, à qui tu enseigneras la bonne voie dans laquelle ils doivent marcher, et fais venir
la pluie sur la terre que tu as donnée en héritage à ton peuple ! Quand la famine, la peste, la rouille, 37
la nielle, les sauterelles d'une espèce ou d'une autre, seront dans le pays, quand l'ennemi assiégera
ton peuple dans son pays, dans ses portes, quand il y aura des fléaux ou des maladies quelconques ;
si un homme, si tout ton peuple d'Israël fait entendre des prières et des supplications, et que chacun 38
reconnaisse la plaie de son coeur et étende les mains vers cette maison, - exauce -le des cieux, du lieu 39
de ta demeure, et pardonne ; agis, et rends à chacun selon ses voies, toi qui connais le coeur de chacun,
car seul tu connais le coeur de tous les enfants des hommes, et ils te craindront tout le temps qu'ils 40
vivront dans le pays que tu as donné à nos pères ! Quand l'étranger, qui n'est pas de ton peuple d'Israël, 41
viendra d'un pays lointain, à cause de ton nom, car on saura que ton nom est grand, ta main forte, et 42
ton bras étendu, quand il viendra prier dans cette maison, - exauce -le des cieux, du lieu de ta demeure, 43
et accorde à cet étranger tout ce qu'il te demandera, afin que tous les peuples de la terre connaissent ton
nom pour te craindre, comme ton peuple d'Israël, et sachent que ton nom est invoqué sur cette maison
que j'ai bâtie ! Quand ton peuple sortira pour combattre son ennemi, en suivant la voie que tu lui auras 44
prescrite ; s'ils adressent à l'Éternel des prières, les regards tournés vers la ville que tu as choisie et vers
la maison que j'ai bâtie à ton nom, exauce des cieux leurs prières et leurs supplications, et fais -leur 45
droit ! Quand ils pécheront contre toi, car il n'y a point d'homme qui ne pèche, quand tu seras irrité 46
contre eux et que tu les livreras à l'ennemi, qui les emmènera captifs dans un pays ennemi, lointain
ou rapproché ; s'ils rentrent en eux-mêmes dans le pays où ils seront captifs, s'ils reviennent à toi et 47
t'adressent des supplications dans le pays de ceux qui les ont emmenés, et qu'ils disent : Nous avons
péché, nous avons commis des iniquités, nous avons fait le mal ! s'ils reviennent à toi de tout leur coeur 48
et de toute leur âme, dans le pays de leurs ennemis qui les ont emmenés captifs, s'ils t'adressent des
prières, les regards tournés vers leur pays que tu as donné à leurs pères, vers la ville que tu as choisie et
vers la maison que j'ai bâtie à ton nom, - exauce des cieux, du lieu de ta demeure, leurs prières et leurs 49
supplications, et fais -leur droit ; pardonne à ton peuple ses péchés et toutes ses transgressions contre 50

51 toi ; excite la compassion de ceux qui les retiennent captifs, afin qu'ils aient pitié d'eux, car ils sont ton
52 peuple et ton héritage, et tu les as fait sortir d'Égypte, du milieu d'une fournaise de fer ! Que tes yeux
soient ouverts sur la supplication de ton serviteur et sur la supplication de ton peuple d'Israël, pour les
53 exaucer en tout ce qu'ils te demanderont ! Car tu les as séparés de tous les autres peuples de la terre
pour en faire ton héritage, comme tu l'as déclaré par Moïse, ton serviteur, quand tu fis sortir d'Égypte
54 nos pères, Seigneur Éternel ! Lorsque Salomon eut achevé d'adresser à l'Éternel toute cette prière et
cette supplication, il se leva de devant l'autel de l'Éternel, où il était agenouillé, les mains étendues
55, 56 vers le ciel. Debout, il bénit à haute voix toute l'assemblée d'Israël, en disant : Béni soit l'Éternel, qui
a donné du repos à son peuple d'Israël, selon toutes ses promesses ! De toutes les bonnes paroles qu'il
57 avait prononcées par Moïse, son serviteur, aucune n'est restée sans effet. Que l'Éternel, notre Dieu, soit
58 avec nous, comme il a été avec nos pères ; qu'il ne nous abandonne point et ne nous délaisse point, mais
qu'il incline nos coeurs vers lui, afin que nous marchions dans toutes ses voies, et que nous observions
59 ses commandements, ses lois et ses ordonnances, qu'il a prescrits à nos pères ! Que ces paroles, objet
de mes supplications devant l'Éternel, soient jour et nuit présentes à l'Éternel, notre Dieu, et qu'il
60 fasse en tout temps droit à son serviteur et à son peuple d'Israël, afin que tous les peuples de la terre
61 reconnaissent que l'Éternel est Dieu, qu'il n'y en a point d'autre ! Que votre coeur soit tout à l'Éternel,
62 notre Dieu, comme il l'est aujourd'hui, pour suivre ses lois et pour observer ses commandements. Le
63 roi et tout Israël avec lui offrirent des sacrifices devant l'Éternel. Salomon immola vingt -deux mille
boeufs et cent vingt mille brebis pour le sacrifice d'actions de grâces qu'il offrit à l'Éternel. Ainsi le roi
64 et tous les enfants d'Israël firent la dédicace de la maison de l'Éternel. En ce jour, le roi consacra le
milieu du parvis, qui est devant la maison de l'Éternel ; car il offrit là les holocaustes, les offrandes, et
les graisses des sacrifices d'actions de grâces, parce que l'autel d'airain qui est devant l'Éternel était
trop petit pour contenir les holocaustes, les offrandes, et les graisses des sacrifices d'actions de grâces.
65 Salomon célébra la fête en ce temps -là, et tout Israël avec lui. Une grande multitude, venue depuis les
environs de Hamath jusqu'au torrent d'Égypte, s'assembla devant l'Éternel, notre Dieu, pendant sept
66 jours, et sept autres jours, soit quatorze jours. Le huitième jour, il renvoya le peuple. Et ils bénirent le
roi, et s'en allèrent dans leurs tentes, joyeux et le coeur content pour tout le bien que l'Éternel avait fait
à David, son serviteur, et à Israël, son peuple.

9 Lorsque Salomon eut achevé de bâtir la maison de l'Éternel, la maison du roi, et tout ce qu'il lui
2, 3 plut de faire, l'Éternel apparut à Salomon une seconde fois, comme il lui était apparu à Gabaon. Et
l'Éternel lui dit : J'exauce ta prière et ta supplication que tu m'as adressées, je sanctifie cette maison
4 que tu as bâtie pour y mettre à jamais mon nom, et j'aurai toujours là mes yeux et mon coeur. Et
toi, si tu marches en ma présence comme a marché David, ton père, avec sincérité de coeur et avec
5 droiture, faisant tout ce que je t'ai commandé, si tu observes mes lois et mes ordonnances, j'établirai
pour toujours le trône de ton royaume en Israël, comme je l'ai déclaré à David, ton père, en disant : Tu
6 ne manqueras jamais d'un successeur sur le trône d'Israël. Mais si vous vous détournez de moi, vous et
vos fils, si vous n'observez pas mes commandements, mes lois que je vous ai prescrites, et si vous allez
7 servir d'autres dieux et vous prosterner devant eux, j'exterminerai Israël du pays que je lui ai donné,
je rejetterai loin de moi la maison que j'ai consacrée à mon nom, et Israël sera un sujet de sarcasme et
8 de raillerie parmi tous les peuples. Et si haut placée qu'ait été cette maison, quiconque passera près
d'elle sera dans l'étonnement et sifflera. On dira : Pourquoi l'Éternel a-t-il ainsi traité ce pays et cette
9 maison ? Et l'on répondra : Parce qu'ils ont abandonné l'Éternel, leur Dieu, qui a fait sortir leurs pères
du pays d'Égypte, parce qu'ils se sont attachés à d'autres dieux, se sont prosternés devant eux et les
10 ont servis ; voilà pourquoi l'Éternel a fait venir sur eux tous ces maux. Au bout de vingt ans, Salomon
11 avait bâti les deux maisons, la maison de l'Éternel et la maison du roi. Alors, comme Hiram, roi de
Tyr, avait fourni à Salomon des bois de cèdre et des bois de cyprès, et de l'or, autant qu'il en voulut,
12 le roi Salomon donna à Hiram vingt villes dans le pays de Galilée. Hiram sortit de Tyr, pour voir les
13 villes que lui donnait Salomon. Mais elles ne lui plurent point, et il dit : Quelles villes m'as-tu données
14 là, mon frère ? Et il les appela pays de Cabul, nom qu'elles ont conservé jusqu'à ce jour. Hiram avait
15 envoyé au roi cent vingt talents d'or. Voici ce qui concerne les hommes de corvée que leva le roi Salomon
pour bâtir la maison de l'Éternel et sa propre maison, Millo, et le mur de Jérusalem, Hatsor, Meguiddo
16 et Guézer. Pharaon, roi d'Égypte, était venu s'emparer de Guézer, l'avait incendiée, et avait tué les
Cananéens qui habitaient dans la ville. Puis il l'avait donnée pour dot à sa fille, femme de Salomon.
17, 18, 19 Et Salomon bâtit Guézer, Beth-Horon la basse, Baalath, et Thadmor, au désert dans le pays, toutes
les villes servant de magasins et lui appartenant, les villes pour les chars, les villes pour la cavalerie,

et tout ce qu'il plut à Salomon de bâtir à Jérusalem, au Liban, et dans tout le pays dont il était le
souverain. Tout le peuple qui était resté des Amoréens, des Héthiens, des Phéréziens, des Héviens et 20
des Jébusiens, ne faisant point partie des enfants d'Israël, leurs descendants qui étaient restés après 21
eux dans le pays et que les enfants d'Israël n'avaient pu dévouer par interdit, Salomon les leva comme
esclaves de corvée, ce qu'ils ont été jusqu'à ce jour. Mais Salomon n'employa point comme esclaves 22
les enfants d'Israël ; car ils étaient des hommes de guerre, ses serviteurs, ses chefs, ses officiers, les
commandants de ses chars et de sa cavalerie. Les chefs préposés par Salomon sur les travaux étaient 23
au nombre de cinq cent cinquante, chargés de surveiller les ouvriers. La fille de Pharaon monta de la 24
cité de David dans sa maison que Salomon lui avait construite. Ce fut alors qu'il bâtit Millo. Salomon 25
offrit trois fois dans l'année des holocaustes et des sacrifices d'actions de grâces sur l'autel qu'il avait
bâti à l'Éternel, et il brûla des parfums sur celui qui était devant l'Éternel. Et il acheva la maison.
Le roi Salomon construisit des navires à Etsjon-Guéber, près d'Éloth, sur les bords de la mer Rouge, 26
dans le pays d'Édom. Et Hiram envoya sur ces navires, auprès des serviteurs de Salomon, ses propres 27
serviteurs, des matelots connaissant la mer. Ils allèrent à Ophir, et ils y prirent de l'or, quatre cent 28
vingt talents, qu'ils apportèrent au roi Salomon.

La reine de Séba apprit la renommée que possédait Salomon, à la gloire de l'Éternel, et elle vint **10**
pour l'éprouver par des énigmes. Elle arriva à Jérusalem avec une suite fort nombreuse, et avec des 2
chameaux portant des aromates, de l'or en très grande quantité, et des pierres précieuses. Elle se rendit
auprès de Salomon, et elle lui dit tout ce qu'elle avait dans le coeur. Salomon répondit à toutes ses 3
questions, et il n'y eut rien que le roi ne sût lui expliquer. La reine de Séba vit toute la sagesse de 4
Salomon, et la maison qu'il avait bâtie, et les mets de sa table, et la demeure de ses serviteurs, et les 5
fonctions et les vêtements de ceux qui le servaient, et ses échansons, et ses holocaustes qu'il offrait dans
la maison de l'Éternel. Hors d'elle même, elle dit au roi : C'était donc vrai ce que j'ai appris dans mon 6
pays au sujet de ta position et de ta sagesse ! Je ne le croyais pas, avant d'être venue et d'avoir vu de 7
mes yeux. Et voici, on ne m'en a pas dit la moitié. Tu as plus de sagesse et de prospérité que la renommée
ne me l'a fait connaître. Heureux tes gens, heureux tes serviteurs qui sont continuellement devant toi, 8
qui entendent ta sagesse ! Béni soit l'Éternel, ton Dieu, qui t'a accordé la faveur de te placer sur le 9
trône d'Israël ! C'est parce que l'Éternel aime à toujours Israël, qu'il t'a établi roi pour que tu fasses
droit et justice. Elle donna au roi cent vingt talents d'or, une très grande quantité d'aromates, et des 10
pierres précieuses. Il ne vint plus autant d'aromates que la reine de Séba en donna au roi Salomon.
Les navires de Hiram, qui apportèrent de l'or d'Ophir, amenèrent aussi d'Ophir une grande quantité de 11
bois de sandal et des pierres précieuses. Le roi fit avec le bois de sandal des balustrades pour la maison 12
de l'Éternel et pour la maison du roi, et des harpes et des luths pour les chantres. Il ne vint plus de ce
bois de sandal, et on n'en a plus vu jusqu'à ce jour. Le roi Salomon donna à la reine de Séba tout ce 13
qu'elle désira, ce qu'elle demanda, et lui fit en outre des présents dignes d'un roi tel que Salomon. Puis
elle s'en retourna et alla dans son pays, elle et ses serviteurs. Le poids de l'or qui arrivait à Salomon 14
chaque année était de six cent soixante -six talents d'or, outre ce qu'il retirait des négociants et du 15
trafic des marchands, de tous les rois d'Arabie, et des gouverneurs du pays. Le roi Salomon fit deux 16
cents grands boucliers d'or battu, pour chacun desquels il employa six cents sicles d'or, et trois cents 17
autres boucliers d'or battu, pour chacun desquels il employa trois mines d'or ; et le roi les mit dans la
maison de la forêt du Liban. Le roi fit un grand trône d'ivoire, et le couvrit d'or pur. Ce trône avait 18, 19
six degrés, et la partie supérieure en était arrondie par derrière ; il y avait des bras de chaque côté
du siège ; deux lions étaient près des bras, et douze lions sur les six degrés de part et d'autre. Il ne 20
s'est rien fait de pareil pour aucun royaume. Toutes les coupes du roi Salomon étaient d'or, et toute la 21
vaisselle de la maison de la forêt du Liban était d'or pur. Rien n'était d'argent : on n'en faisait aucun
cas du temps de Salomon. Car le roi avait en mer des navires de Tarsis avec ceux de Hiram ; et tous les 22
trois ans arrivaient les navires de Tarsis, apportant de l'or et de l'argent, de l'ivoire, des singes et des
paons. Le roi Salomon fut plus grand que tous les rois de la terre par les richesses et par la sagesse. 23
Tout le monde cherchait à voir Salomon, pour entendre la sagesse que Dieu avait mise dans son coeur. 24
Et chacun apportait son présent, des objets d'argent et des objets d'or, des vêtements, des armes, des 25
aromates, des chevaux et des mulets ; et il en était ainsi chaque année. Salomon rassembla des chars 26
et de la cavalerie ; il avait quatorze cents chars et douze mille cavaliers, qu'il plaça dans les villes où il
tenait ses chars et à Jérusalem près du roi. Le roi rendit l'argent aussi commun à Jérusalem que les 27
pierres, et les cèdres aussi nombreux que les sycomores qui croissent dans la plaine. C'était de l'Égypte 28
que Salomon tirait ses chevaux ; une caravane de marchands du roi les allait chercher par troupes à
un prix fixe : un char montait et sortait d'Égypte pour six cents sicles d'argent, et un cheval pour cent 29
cinquante sicles. Ils en amenaient de même avec eux pour tous les rois des Héthiens et pour les rois de
Syrie.

11 Le roi Salomon aima beaucoup de femmes étrangères, outre la fille de Pharaon : des Moabites, des
2 Ammonites, des Édomites, des Sidoniennes, des Héthiennes, appartenant aux nations dont l'Éternel
avait dit aux enfants d'Israël : Vous n'irez point chez elles, et elles ne viendront point chez vous ; elles
tourneraient certainement vos coeurs du côté de leurs dieux. Ce fut à ces nations que s'attacha Salomon,
3 entraîné par l'amour. Il eut sept cents princesses pour femmes et trois cents concubines ; et ses femmes
4 détournèrent son coeur. À l'époque de la vieillesse de Salomon, ses femmes inclinèrent son coeur vers
d'autres dieux ; et son coeur ne fut point tout entier à l'Éternel, son Dieu, comme l'avait été le coeur de
5 David, son père. Salomon alla après Astarté, divinité des Sidoniens, et après Milcom, l'abomination
6 des Ammonites. Et Salomon fit ce qui est mal aux yeux de l'Éternel, et il ne suivit point pleinement
7 l'Éternel, comme David, son père. Alors Salomon bâtit sur la montagne qui est en face de Jérusalem
8 un haut lieu pour Kemosch, l'abomination de Moab, et pour Moloc, l'abomination des fils d'Ammon. Et
il fit ainsi pour toutes ses femmes étrangères, qui offraient des parfums et des sacrifices à leurs dieux.
9 L'Éternel fut irrité contre Salomon, parce qu'il avait détourné son coeur de l'Éternel, le Dieu d'Israël, qui
10 lui était apparu deux fois. Il lui avait à cet égard défendu d'aller après d'autres dieux ; mais Salomon
11 n'observa point les ordres de l'Éternel. Et l'Éternel dit à Salomon : Puisque tu as agi de la sorte, et
que tu n'as point observé mon alliance et mes lois que je t'avais prescrites, je déchirerai le royaume de
12 dessus toi et je le donnerai à ton serviteur. Seulement, je ne le ferai point pendant ta vie, à cause de
13 David, ton père. C'est de la main de ton fils que je l'arracherai. Je n'arracherai cependant pas tout le
royaume ; je laisserai une tribu à ton fils, à cause de David, mon serviteur, et à cause de Jérusalem, que
14, 15 j'ai choisie. L'Éternel suscita un ennemi à Salomon : Hadad, l'Édomite, de la race royale d'Édom. Dans
le temps où David battit Édom, Joab, chef de l'armée, étant monté pour enterrer les morts, tua tous les
16 mâles qui étaient en Édom ; il y resta six mois avec tout Israël, jusqu'à ce qu'il en eût exterminé tous
17 les mâles. Ce fut alors qu'Hadad prit la fuite avec des Édomites, serviteurs de son père, pour se rendre
18 en Égypte. Hadad était encore un jeune garçon. Partis de Madian, ils allèrent à Paran, prirent avec
eux des hommes de Paran, et arrivèrent en Égypte auprès de Pharaon, roi d'Égypte, Pharaon donna
19 une maison à Hadad, pourvut à sa subsistance, et lui accorda des terres. Hadad trouva grâce aux yeux
de Pharaon, à tel point que Pharaon lui donna pour femme la soeur de sa femme, la soeur de la reine
20 Thachpenès. La soeur de Thachpenès lui enfanta son fils Guenubath. Thachpenès le sevra dans la
maison de Pharaon ; et Guenubath fut dans la maison de Pharaon, au milieu des enfants de Pharaon.
21 Lorsque Hadad apprit en Égypte que David était couché avec ses pères, et que Joab, chef de l'armée,
22 était mort, il dit à Pharaon : Laisse-moi aller dans mon pays. Et Pharaon lui dit : Que te manque -t-il
23 auprès de moi, pour que tu désires aller dans ton pays ? Il répondit : Rien, mais laisse-moi partir. Dieu
suscita un autre ennemi à Salomon : Rezon, fils d'Éliada, qui s'était enfui de chez son maître Hadadézer,
24 roi de Tsoba. Il avait rassemblé des gens auprès de lui, et il était chef de bande, lorsque David massacra
25 les troupes de son maître. Ils allèrent à Damas, et s'y établirent, et ils régnèrent à Damas. Il fut un
ennemi d'Israël pendant toute la vie de Salomon, en même temps qu'Hadad lui faisait du mal, et il avait
26 Israël en aversion. Il régna sur la Syrie. Jéroboam aussi, serviteur de Salomon, leva la main contre le
27 roi. Il était fils de Nebath, Éphratien de Tseréda, et il avait pour mère une veuve nommée Tserua. Voici
à quelle occasion il leva la main contre le roi. Salomon bâtissait Millo, et fermait la brèche de la cité de
28 David, son père. Jéroboam était fort et vaillant ; et Salomon, ayant vu ce jeune homme à l'oeuvre, lui
29 donna la surveillance de tous les gens de corvée de la maison de Joseph. Dans ce temps -là, Jéroboam,
étant sorti de Jérusalem, fut rencontré en chemin par le prophète Achija de Silo, revêtu d'un manteau
30 neuf. Ils étaient tous deux seuls dans les champs. Achija saisit le manteau neuf qu'il avait sur lui,
31 le déchira en douze morceaux, et dit à Jéroboam : Prends pour toi dix morceaux ! Car ainsi parle
l'Éternel, le Dieu d'Israël : Voici, je vais arracher le royaume de la main de Salomon, et je te donnerai
32 dix tribus. Mais il aura une tribu, à cause de mon serviteur David, et à cause de Jérusalem, la ville que
33 j'ai choisie sur toutes les tribus d'Israël. Et cela, parce qu'ils m'ont abandonné, et se sont prosternés
devant Astarté, divinité des Sidoniens, devant Kemosch, dieu de Moab, et devant Milcom, dieu des fils
d'Ammon, et parce qu'ils n'ont point marché dans mes voies pour faire ce qui est droit à mes yeux et
34 pour observer mes lois et mes ordonnances, comme l'a fait David, père de Salomon. Je n'ôterai pas de
sa main tout le royaume, car je le maintiendrai prince tout le temps de sa vie, à cause de David, mon
35 serviteur, que j'ai choisi, et qui a observé mes commandements et mes lois. Mais j'ôterai le royaume de
36 la main de son fils, et je t'en donnerai dix tribus ; je laisserai une tribu à son fils, afin que David, mon
serviteur, ait toujours une lampe devant moi à Jérusalem, la ville que j'ai choisie pour y mettre mon
37, 38 nom. Je te prendrai, et tu régneras sur tout ce que ton âme désirera, tu seras roi d'Israël. Si tu obéis
à tout ce que je t'ordonnerai, si tu marches dans mes voies et si tu fais ce qui est droit à mes yeux, en
observant mes lois et mes commandements, comme l'a fait David, mon serviteur, je serai avec toi, je te

bâtirai une maison stable, comme j'en ai bâti une à David, et je te donnerai Israël. J'humilierai par là 39
la postérité de David, mais ce ne sera pas pour toujours. Salomon chercha à faire mourir Jéroboam. Et 40
Jéroboam se leva et s'enfuit en Égypte auprès de Schischak, roi d'Égypte ; il demeura en Égypte jusqu'à
la mort de Salomon. Le reste des actions de Salomon, tout ce qu'il a fait, et sa sagesse, cela n'est-il pas 41
écrit dans le livre des actes de Salomon ? Salomon régna quarante ans à Jérusalem sur tout Israël. 42
Puis Salomon se coucha avec ses pères, et il fut enterré dans la ville de David, son père. Roboam, son 43
fils, régna à sa place.

Roboam se rendit à Sichem, car tout Israël était venu à Sichem pour le faire roi. Lorsque Jéroboam, **12**, 2
fils de Nebath, eut des nouvelles, il était encore en Égypte, où il s'était enfui loin du roi Salomon, et
c'était en Égypte qu'il demeurait. On l'envoya appeler. Alors Jéroboam et toute l'assemblée d'Israël 3
vinrent à Roboam et lui parlèrent ainsi : Ton père a rendu notre joug dur ; toi maintenant, allège cette 4
rude servitude et le joug pesant que nous a imposé ton père. Et nous te servirons. Il leur dit : Allez, 5
et revenez vers moi dans trois jours. Et le peuple s'en alla. Le roi Roboam consulta les vieillards qui 6
avaient été auprès de Salomon, son père, pendant sa vie, et il dit : Que conseillez -vous de répondre à
ce peuple ? Et voici ce qu'ils lui dirent : Si aujourd'hui tu rends service à ce peuple, si tu leur cèdes, et 7
si tu leur réponds par des paroles bienveillantes, ils seront pour toujours tes serviteurs. Mais Roboam 8
laissa le conseil que lui donnaient les vieillards, et il consulta les jeunes gens qui avaient grandi avec lui
et qui l'entouraient. Il leur dit : Que conseillez -vous de répondre à ce peuple qui me tient ce langage : 9
Allège le joug que nous a imposé ton père ? Et voici ce que lui dirent les jeunes gens qui avaient grandi 10
avec lui : Tu parleras ainsi à ce peuple qui t'a tenu ce langage : Ton père a rendu notre joug pesant,
et toi, allège -le-nous ! tu leur parleras ainsi : Mon petit doigt est plus gros que les reins de mon père.
Maintenant, mon père vous a chargés d'un joug pesant, et moi je vous le rendrai plus pesant ; mon père 11
vous a châtiés avec des fouets, et moi je vous châtierai avec des scorpions. Jéroboam et tout le peuple 12
vinrent à Roboam le troisième jour, suivant ce qu'avait dit le roi : Revenez vers moi dans trois jours. Le 13
roi répondit durement au peuple. Il laissa le conseil que lui avaient donné les vieillards, et il leur parla 14
ainsi d'après le conseil des jeunes gens : Mon père a rendu votre joug pesant, et moi je vous le rendrai
plus pesant ; mon père vous a châtiés avec des fouets, et moi je vous châtierai avec des scorpions. Ainsi 15
le roi n'écouta point le peuple ; car cela fut dirigé par l'Éternel, en vue de l'accomplissement de la parole
que l'Éternel avait dite par Achija de Silo à Jéroboam, fils de Nebath. Lorsque tout Israël vit que le 16
roi ne l'écoutait pas, le peuple répondit au roi : Quelle part avons-nous avec David ? Nous n'avons point
d'héritage avec le fils d'Isaï ! À tes tentes, Israël ! Maintenant, pourvois à ta maison, David ! Et Israël
s'en alla dans ses tentes. Les enfants d'Israël qui habitaient les villes de Juda furent les seuls sur 17
qui régna Roboam. Alors le roi Roboam envoya Adoram, qui était préposé aux impôts. Mais Adoram 18
fut lapidé par tout Israël, et il mourut. Et le roi Roboam se hâta de monter sur un char, pour s'enfuir
à Jérusalem. C'est ainsi qu'Israël s'est détaché de la maison de David jusqu'à ce jour. Tout Israël 19, 20
ayant appris que Jéroboam était de retour, ils l'envoyèrent appeler dans l'assemblée, et ils le firent
roi sur tout Israël. La tribu de Juda fut la seule qui suivit la maison de David. Roboam, arrivé à 21
Jérusalem, rassembla toute la maison de Juda et la tribu de Benjamin, cent quatre-vingt mille hommes
d'élite propres à la guerre, pour qu'ils combattissent contre la maison d'Israël afin de la ramener sous la
domination de Roboam, fils de Salomon. Mais la parole de Dieu fut ainsi adressée à Schemaeja, homme 22
de Dieu : Parle à Roboam, fils de Salomon, roi de Juda, et à toute la maison de Juda et de Benjamin, 23
et au reste du peuple. Et dis -leur : Ainsi parle l'Éternel : Ne montez point, et ne faites pas la guerre à 24
vos frères, les enfants d'Israël ! Que chacun de vous retourne dans sa maison, car c'est de par moi que
cette chose est arrivée. Ils obéirent à la parole de l'Éternel, et ils s'en retournèrent, selon la parole de
l'Éternel. Jéroboam bâtit Sichem sur la montagne d'Éphraïm, et il y demeura ; puis il en sortit, et bâtit 25
Penuel. Jéroboam dit en son coeur : Le royaume pourrait bien maintenant retourner à la maison de 26
David. Si ce peuple monte à Jérusalem pour faire des sacrifices dans la maison de l'Éternel, le coeur de 27
ce peuple retournera à son seigneur, à Roboam, roi de Juda, et ils me tueront et retourneront à Roboam,
roi de Juda. Après s'être consulté, le roi fit deux veaux d'or, et il dit au peuple : Assez longtemps vous 28
êtes montés à Jérusalem ; Israël ! voici ton Dieu, qui t'a fait sortir du pays d'Égypte. Il plaça l'un de 29
ces veaux à Béthel, et il mit l'autre à Dan. Ce fut là une occasion de péché. Le peuple alla devant l'un 30
des veaux jusqu'à Dan. Jéroboam fit une maison de hauts lieux, et il créa des sacrificateurs pris parmi 31
tout le peuple et n'appartenant point aux fils de Lévi. Il établit une fête au huitième mois, le quinzième 32
jour du mois, comme la fête qui se célébrait en Juda, et il offrit des sacrifices sur l'autel. Voici ce qu'il fit
à Béthel afin que l'on sacrifiât aux veaux qu'il avait faits. Il plaça à Béthel les prêtres des hauts lieux
qu'il avait élevés. Et il monta sur l'autel qu'il avait fait à Béthel, le quinzième jour du huitième mois, 33
mois qu'il avait choisi de son gré. Il fit une fête pour les enfants d'Israël, et il monta sur l'autel pour
brûler des parfums.

13 Voici, un homme de Dieu arriva de Juda à Béthel, par la parole de l'Éternel, pendant que Jéroboam
2 se tenait à l'autel pour brûler des parfums. Il cria contre l'autel, par la parole de l'Éternel, et il dit :
Autel ! autel ! ainsi parle l'Éternel : Voici, il naîtra un fils à la maison de David ; son nom sera Josias ;
il immolera sur toi les prêtres des hauts lieux qui brûlent sur toi des parfums, et l'on brûlera sur toi
3 des ossements d'hommes ! Et le même jour il donna un signe, en disant : C'est ici le signe que l'Éternel
4 a parlé : Voici, l'autel se fendra, et la cendre qui est dessus sera répandue. Lorsque le roi entendit la
parole que l'homme de Dieu avait criée contre l'autel de Béthel, il avança la main de dessus l'autel,
en disant : Saisissez le ! Et la main que Jéroboam avait étendue contre lui devint sèche, et il ne put
5 la ramener à soi. L'autel se fendit, et la cendre qui était dessus fut répandue, selon le signe qu'avait
6 donné l'homme de Dieu, par la parole de l'Éternel. Alors le roi prit la parole, et dit à l'homme de Dieu :
Implore l'Éternel, ton Dieu, et prie pour moi, afin que je puisse retirer ma main. L'homme de Dieu
7 implora l'Éternel, et le roi put retirer sa main, qui fut comme auparavant. Le roi dit à l'homme de
Dieu : Entre avec moi dans la maison, tu prendras quelque nourriture, et je te donnerai un présent.
8 L'homme de Dieu dit au roi : Quand tu me donnerais la moitié de ta maison, je n'entrerais pas avec
9 toi. Je ne mangerai point de pain, et je ne boirai point d'eau dans ce lieu -ci ; car cet ordre m'a été
donné, par la parole de l'Éternel : Tu ne mangeras point de pain et tu ne boiras point d'eau, et tu ne
10 prendras pas à ton retour le chemin par lequel tu seras allé. Et il s'en alla par un autre chemin, il ne
11 prit pas à son retour le chemin par lequel il était venu à Béthel. Or il y avait un vieux prophète qui
demeurait à Béthel. Ses fils vinrent lui raconter toutes les choses que l'homme de Dieu avait faites à
12 Béthel ce jour -là, et les paroles qu'il avait dites au roi. Lorsqu'ils en eurent fait le récit à leur père, il
leur dit : Par quel chemin s'en est-il allé ? Ses fils avaient vu par quel chemin s'en était allé l'homme
13 de Dieu qui était venu de Juda. Et il dit à ses fils : Sellez -moi l'âne. Ils lui sellèrent l'âne, et il monta
14 dessus. Il alla après l'homme de Dieu, et il le trouva assis sous un térébinthe. Il lui dit : Es-tu l'homme
15 de Dieu qui est venu de Juda ? Il répondit : Je le suis. Alors il lui dit : Viens avec moi à la maison, et
16 tu prendras quelque nourriture. Mais il répondit : Je ne puis ni retourner avec toi, ni entrer chez toi.
17 Je ne mangerai point de pain, je ne boirai point d'eau avec toi en ce lieu -ci ; car il m'a été dit, par la
parole de l'Éternel : Tu n'y mangeras point de pain et tu n'y boiras point d'eau, et tu ne prendras pas à
18 ton retour le chemin par lequel tu seras allé. Et il lui dit : Moi aussi, je suis prophète comme toi ; et un
ange m'a parlé de la part de l'Éternel, et m'a dit : Ramène -le avec toi dans ta maison, et qu'il mange du
19 pain et boive de l'eau. Il lui mentait. L'homme de Dieu retourna avec lui, et il mangea du pain et but de
20 l'eau dans sa maison. Comme ils étaient assis à table, la parole de l'Éternel fut adressée au prophète
21 qui l'avait ramené. Et il cria à l'homme de Dieu qui était venu de Juda : Ainsi parle l'Éternel : Parce
que tu as été rebelle à l'ordre de l'Éternel, et que tu n'as pas observé le commandement que l'Éternel,
22 ton Dieu, t'avait donné ; parce que tu es retourné, et que tu as mangé du pain et bu de l'eau dans le
lieu dont il t'avait dit : Tu n'y mangeras point de pain et tu n'y boiras point d'eau, -ton cadavre n'entrera
23 pas dans le sépulcre de tes pères. Et quand le prophète qu'il avait ramené eut mangé du pain et qu'il
24 eut bu de l'eau, il sella l'âne pour lui. L'homme de Dieu s'en alla : et il fut rencontré dans le chemin par
un lion qui le tua. Son cadavre était étendu dans le chemin ; l'âne resta près de lui, et le lion se tint à
25 côté du cadavre. Et voici, des gens qui passaient virent le cadavre étendu dans le chemin et le lion se
tenant à côté du cadavre ; et ils en parlèrent à leur arrivée dans la ville où demeurait le vieux prophète.
26 Lorsque le prophète qui avait ramené du chemin l'homme de Dieu l'eut appris, il dit : C'est l'homme de
Dieu qui a été rebelle à l'ordre de l'Éternel, et l'Éternel l'a livré au lion, qui l'a déchiré et l'a fait mourir,
27 selon la parole que l'Éternel lui avait dite. Puis, s'adressant à ses fils, il dit : Sellez -moi l'âne. Ils le
28 sellèrent, et il partit. Il trouva le cadavre étendu dans le chemin, et l'âne et le lion qui se tenaient à
29 côté du cadavre. Le lion n'avait pas dévoré le cadavre et n'avait pas déchiré l'âne. Le prophète releva
le cadavre de l'homme de Dieu, le plaça sur l'âne, et le ramena ; et le vieux prophète rentra dans la ville
30 pour le pleurer et pour l'enterrer. Il mit son cadavre dans le sépulcre, et l'on pleura sur lui, en disant :
31 Hélas, mon frère ! Après l'avoir enterré, il dit à ses fils : Quand je serai mort, vous m'enterrerez dans le
32 sépulcre où est enterré l'homme de Dieu, vous déposerez mes os à côté de ses os. Car elle s'accomplira,
la parole qu'il a criée, de la part de l'Éternel, contre l'autel de Béthel et contre toutes les maisons des
33 hauts lieux qui sont dans les villes de Samarie. Après cet événement, Jéroboam ne se détourna point
de sa mauvaise voie. Il créa de nouveau des prêtres des hauts lieux pris parmi tout le peuple ; quiconque
34 en avait le désir, il le consacrait prêtre des hauts lieux. Ce fut là une occasion de péché pour la maison
de Jéroboam, et c'est pour cela qu'elle a été exterminée et détruite de dessus la face de la terre.

14, 2 Dans ce temps -là, Abija, fils de Jéroboam, devint malade. Et Jéroboam dit à sa femme : Lève -toi,
je te prie, et déguise -toi pour qu'on ne sache pas que tu es la femme de Jéroboam, et va à Silo. Voici,
3 là est Achija, le prophète ; c'est lui qui m'a dit que je serais roi de ce peuple. Prends avec toi dix pains,

des gâteaux et un vase de miel, et entre chez lui ; il te dira ce qui arrivera à l'enfant. La femme de 4
Jéroboam fit ainsi ; elle se leva, alla à Silo, et entra dans la maison d'Achija. Achija ne pouvait plus
voir, car il avait les yeux fixes par suite de la vieillesse. L'Éternel avait dit à Achija : La femme de 5
Jéroboam va venir te consulter au sujet de son fils, parce qu'il est malade. Tu lui parleras de telle
et de telle manière. Quand elle arrivera, elle se donnera pour une autre. Lorsque Achija entendit le 6
bruit de ses pas, au moment où elle franchissait la porte, il dit : Entre, femme de Jéroboam ; pourquoi
veux-tu te donner pour une autre ? Je suis chargé de t'annoncer des choses dures. Va, dis à Jéroboam : 7
Ainsi parle l'Éternel, le Dieu d'Israël : Je t'ai élevé du milieu du peuple, je t'ai établi chef de mon peuple
d'Israël, j'ai arraché le royaume de la maison de David et je te l'ai donné. Et tu n'as pas été comme mon 8
serviteur David, qui a observé mes commandements et qui a marché après moi de tout son coeur, ne
faisant que ce qui est droit à mes yeux. Tu as agi plus mal que tous ceux qui ont été avant toi, tu es allé 9
te faire d'autres dieux, et des images de fonte pour m'irriter, et tu m'as rejeté derrière ton dos ! Voilà 10
pourquoi je vais faire venir le malheur sur la maison de Jéroboam ; j'exterminerai quiconque appartient
à Jéroboam, celui qui est esclave et celui qui est libre en Israël, et je balaierai la maison de Jéroboam
comme on balaie les ordures, jusqu'à ce qu'elle ait disparu. Celui de la maison de Jéroboam qui mourra 11
dans la ville sera mangé par les chiens, et celui qui mourra dans les champs sera mangé par les oiseaux
du ciel. Car l'Éternel a parlé. Et toi, lève -toi, va dans ta maison. Dès que tes pieds entreront dans 12
la ville, l'enfant mourra. Tout Israël le pleurera, et on l'enterrera ; car il est le seul de la maison de 13
Jéroboam qui sera mis dans un sépulcre, parce qu'il est le seul de la maison de Jéroboam en qui se soit
trouvé quelque chose de bon devant l'Éternel, le Dieu d'Israël. L'Éternel établira sur Israël un roi qui 14
exterminera la maison de Jéroboam ce jour -là. Et n'est-ce pas déjà ce qui arrive ? L'Éternel frappera 15
Israël, et il en sera de lui comme du roseau qui est agité dans les eaux ; il arrachera Israël de ce bon
pays qu'il avait donné à leurs pères, et il les dispersera de l'autre côté du fleuve, parce qu'ils se sont
fait des idoles, irritant l'Éternel. Il livrera Israël à cause des péchés que Jéroboam a commis et qu'il 16
a fait commettre à Israël. La femme de Jéroboam se leva, et partit. Elle arriva à Thirtsa ; et, comme 17
elle atteignait le seuil de la maison, l'enfant mourut. On l'enterra, et tout Israël le pleura, selon la 18
parole que l'Éternel avait dite par son serviteur Achija, le prophète. Le reste des actions de Jéroboam, 19
comment il fit la guerre et comment il régna, cela est écrit dans le livre des Chroniques des rois d'Israël.
Jéroboam régna vingt -deux ans, puis il se coucha avec ses pères. Et Nadab, son fils, régna à sa place. 20
Roboam, fils de Salomon, régna sur Juda. Il avait quarante et un ans lorsqu'il devint roi, et il régna 21
dix-sept ans à Jérusalem, la ville que l'Éternel avait choisie sur toutes les tribus d'Israël pour y mettre
son nom. Sa mère s'appelait Naama, l'Ammonite. Juda fit ce qui est mal aux yeux de l'Éternel ; et, 22
par les péchés qu'ils commirent, ils excitèrent sa jalousie plus que ne l'avaient jamais fait leurs pères.
Ils se bâtirent, eux aussi, des hauts lieux avec des statues et des idoles sur toute colline élevée et 23
sous tout arbre vert. Il y eut même des prostitués dans le pays. Ils imitèrent toutes les abominations 24
des nations que l'Éternel avait chassées devant les enfants d'Israël. La cinquième année du règne de 25
Roboam, Schischak, roi d'Égypte, monta contre Jérusalem. Il prit les trésors de la maison de l'Éternel 26
et les trésors de la maison du roi, il prit tout. Il prit tous les boucliers d'or que Salomon avait faits.
Le roi Roboam fit à leur place des boucliers d'airain, et il les remit aux soins des chefs des coureurs, 27
qui gardaient l'entrée de la maison du roi. Toutes les fois que le roi allait à la maison de l'Éternel, les 28
coureurs les portaient ; puis ils les rapportaient dans la chambre des coureurs. Le reste des actions de 29
Roboam, et tout ce qu'il a fait, cela n'est-il pas écrit dans le livre des Chroniques des rois de Juda ? Il y 30
eut toujours guerre entre Roboam et Jéroboam. Roboam se coucha avec ses pères, et il fut enterré avec 31
ses pères dans la ville de David. Sa mère s'appelait Naama, l'Ammonite. Et Abijam, son fils, régna à sa
place.

La dix-huitième année du règne de Jéroboam, fils de Nebath, Abijam régna sur Juda. Il régna **15**, 2
trois ans à Jérusalem. Sa mère s'appelait Maaca, fille d'Abisalom. Il se livra à tous les péchés que son 3
père avait commis avant lui ; et son coeur ne fut point tout entier à l'Éternel, son Dieu, comme l'avait
été le coeur de David, son père. Mais à cause de David, l'Éternel, son Dieu, lui donna une lampe à 4
Jérusalem, en établissant son fils après lui et en laissant subsister Jérusalem. Car David avait fait ce 5
qui est droit aux yeux de l'Éternel, et il ne s'était détourné d'aucun de ses commandements pendant
toute sa vie, excepté dans l'affaire d'Urie, le Héthien. Il y eut guerre entre Roboam et Jéroboam, tant 6
que vécut Roboam. Le reste des actions d'Abijam, et tout ce qu'il a fait, cela n'est-il pas écrit dans le 7
livre des Chroniques des rois de Juda ? Il y eut guerre entre Abijam et Jéroboam. Abijam se coucha 8
avec ses pères, et on l'enterra dans la ville de David. Et Asa, son fils, régna à sa place. La vingtième 9
année de Jéroboam, roi d'Israël, Asa régna sur Juda. Il régna quarante et un ans à Jérusalem. Sa 10
mère s'appelait Maaca, fille d'Abisalom. Asa fit ce qui est droit aux yeux de l'Éternel, comme David, 11

12 son père. Il ôta du pays les prostitués, et il fit disparaître toutes les idoles que ses pères avaient faites.
13 Et même il enleva la dignité de reine à Maaca, sa mère, parce qu'elle avait fait une idole pour Astarté.
14 Asa abattit son idole, et la brûla au torrent de Cédron. Mais les hauts lieux ne disparurent point,
15 quoique le coeur d'Asa fût en entier à l'Éternel pendant toute sa vie. Il mit dans la maison de l'Éternel
16 les choses consacrées par son père et par lui-même, de l'argent, de l'or et des vases. Il y eut guerre
17 entre Asa et Baescha, roi d'Israël, pendant toute leur vie. Baescha, roi d'Israël, monta contre Juda ;
18 et il bâtit Rama, pour empêcher ceux d'Asa, roi de Juda, de sortir et d'entrer. Asa prit tout l'argent et
tout l'or qui étaient restés dans les trésors de la maison de l'Éternel et les trésors de la maison du roi,
et il les mit entre les mains de ses serviteurs qu'il envoya vers Ben-Hadad, fils de Thabrimmon, fils de
19 Hezjon, roi de Syrie, qui habitait à Damas. Le roi Asa lui fit dire : Qu'il y ait une alliance entre moi et
toi, comme il y en eut une entre mon père et ton père. Voici, je t'envoie un présent en argent et en or.
20 Va, romps ton alliance avec Baescha, roi d'Israël, afin qu'il s'éloigne de moi. Ben-Hadad écouta le roi
Asa ; il envoya les chefs de son armée contre les villes d'Israël, et il battit Ijjon, Dan, Abel-Beth-Maaca,
21 tout Kinneroth, et tout le pays de Nephthali. Lorsque Baescha l'apprit, il cessa de bâtir Rama, et il
22 resta à Thirtsa. Le roi Asa convoqua tout Juda, sans exempter personne, et ils emportèrent les pierres
et le bois que Baescha employait à la construction de Rama ; et le roi Asa s'en servit pour bâtir Guéba
23 de Benjamin et Mitspa. Le reste de toutes les actions d'Asa, tous ses exploits et tout ce qu'il a fait, et
les villes qu'il a bâties, cela n'est-il pas écrit dans le livre des Chroniques des rois de Juda ? Toutefois, à
24 l'époque de sa vieillesse, il eut les pieds malades. Asa se coucha avec ses pères, et il fut enterré avec ses
25 pères dans la ville de David, son père. Et Josaphat, son fils, régna à sa place. Nadab, fils de Jéroboam,
26 régna sur Israël, la seconde année d'Asa, roi de Juda. Il régna deux ans sur Israël. Il fit ce qui est mal
aux yeux de l'Éternel ; et il marcha dans la voie de son père, se livrant aux péchés que son père avait
27 fait commettre à Israël. Baescha, fils d'Achija, de la maison d'Issacar, conspira contre lui, et Baescha
le tua à Guibbethon, qui appartenait aux Philistins, pendant que Nadab et tout Israël assiégeaient
28, 29 Guibbethon. Baescha le fit périr la troisième année d'Asa, roi de Juda, et il régna à sa place. Lorsqu'il
fut roi, il frappa toute la maison de Jéroboam, il n'en laissa échapper personne et il détruisit tout ce
30 qui respirait, selon la parole que l'Éternel avait dite par son serviteur Achija de Silo, à cause des
péchés que Jéroboam avait commis et qu'il avait fait commettre à Israël, irritant ainsi l'Éternel, le Dieu
31 d'Israël. Le reste des actions de Nadab, et tout ce qu'il a fait, cela n'est-il pas écrit dans le livre des
32 Chroniques des rois d'Israël ? Il y eut guerre entre Asa et Baescha, roi d'Israël, pendant toute leur vie.
33 La troisième année d'Asa, roi de Juda, Baescha, fils d'Achija, régna sur tout Israël à Thirtsa. Il régna
34 vingt -quatre ans. Il fit ce qui est mal aux yeux de l'Éternel, et il marcha dans la voie de Jéroboam, se
livrant aux péchés que Jéroboam avait fait commettre à Israël.

16, 2 La parole de l'Éternel fut ainsi adressée à Jéhu, fils de Hanani, contre Baescha : Je t'ai élevé de
la poussière, et je t'ai établi chef de mon peuple d'Israël ; mais parce que tu as marché dans la voie
3 de Jéroboam, et que tu as fait pécher mon peuple d'Israël, pour m'irriter par leurs péchés, voici, je
vais balayer Baescha et sa maison, et je rendrai ta maison semblable à la maison de Jéroboam, fils
4 de Nebath. Celui de la maison de Baescha qui mourra dans la ville sera mangé par les chiens, et
5 celui des siens qui mourra dans les champs sera mangé par les oiseaux du ciel. Le reste des actions
de Baescha, ce qu'il a fait, et ses exploits, cela n'est-il pas écrit dans le livre des Chroniques des rois
6 d'Israël ? Baescha se coucha avec ses pères, et il fut enterré à Thirtsa. Et Éla, son fils, régna à sa
7 place. La parole de l'Éternel s'était manifestée par le prophète Jéhu, fils de Hanani, contre Baescha et
contre sa maison, soit à cause de tout le mal qu'il avait fait sous les yeux de l'Éternel, en l'irritant par
l'oeuvre de ses mains et en devenant semblable à la maison de Jéroboam, soit parce qu'il avait frappé la
8 maison de Jéroboam. La vingt -sixième année d'Asa, roi de Juda, Éla, fils de Baescha, régna sur Israël
9 à Thirtsa. Il régna deux ans. Son serviteur Zimri, chef de la moitié des chars, conspira contre lui. Éla
10 était à Thirtsa, buvant et s'enivrant dans la maison d'Artsa, chef de la maison du roi à Thirtsa. Zimri
11 entra, le frappa et le tua, la vingt -septième année d'Asa, roi de Juda, et il régna à sa place. Lorsqu'il fut
roi et qu'il fut assis sur son trône, il frappa toute la maison de Baescha, il ne laissa échapper personne
12 qui lui appartînt, ni parent ni ami. Zimri détruisit toute la maison de Baescha, selon la parole que
13 l'Éternel avait dite contre Baescha par Jéhu, le prophète, à cause de tous les péchés que Baescha et
Éla, son fils, avaient commis et qu'ils avaient fait commettre à Israël, irritant par leurs idoles l'Éternel,
14 le Dieu d'Israël. Le reste des actions d'Éla, et tout ce qu'il a fait, cela n'est-il pas écrit dans le livre des
15 Chroniques des rois d'Israël ? La vingt -septième année d'Asa, roi de Juda, Zimri régna sept jours à
16 Thirtsa. Le peuple campait contre Guibbethon, qui appartenait aux Philistins. Et le peuple qui campait
apprit cette nouvelle : Zimri a conspiré, et même il a tué le roi ! Et ce jour -là, tout Israël établit dans le
17 camp pour roi d'Israël Omri, chef de l'armée. Omri et tout Israël avec lui partirent de Guibbethon, et ils

assiégèrent Thirtsa. Zimri, voyant que la ville était prise, se retira dans le palais de la maison du roi, et 18
brûla sur lui la maison du roi. C'est ainsi qu'il mourut, à cause des péchés qu'il avait commis en faisant 19
ce qui est mal aux yeux de l'Éternel, en marchant dans la voie de Jéroboam, et en se livrant aux péchés
que Jéroboam avait commis pour faire pécher Israël. Le reste des actions de Zimri, et la conspiration 20
qu'il forma, cela n'est-il pas écrit dans le livre des Chroniques des rois d'Israël ? Alors le peuple d'Israël 21
se divisa en deux partis : une moitié du peuple voulait faire roi Thibni, fils de Guinath, et l'autre moitié
était pour Omri. Ceux qui suivaient Omri l'emportèrent sur ceux qui suivaient Thibni, fils de Guinath. 22
Thibni mourut, et Omri régna. La trente et unième année d'Asa, roi de Juda, Omri régna sur Israël. 23
Il régna douze ans. Après avoir régné six ans à Thirtsa, il acheta de Schémer la montagne de Samarie 24
pour deux talents d'argent ; il bâtit sur la montagne, et il donna à la ville qu'il bâtit le nom de Samarie,
d'après le nom de Schémer, seigneur de la montagne. Omri fit ce qui est mal aux yeux de l'Éternel, et 25
il agit plus mal que tous ceux qui avaient été avant lui. Il marcha dans toute la voie de Jéroboam, fils 26
de Nebath, et se livra aux péchés que Jéroboam avait fait commettre à Israël, irritant par leurs idoles
l'Éternel, le Dieu d'Israël. Le reste des actions d'Omri, ce qu'il a fait, et ses exploits, cela n'est-il pas 27
écrit dans le livre des Chroniques des rois d'Israël ? Omri se coucha avec ses pères, et il fut enterré à 28
Samarie. Et Achab, son fils, régna à sa place. Achab, fils d'Omri, régna sur Israël, la trente -huitième 29
année d'Asa, roi de Juda. Achab, fils d'Omri, régna vingt -deux ans sur Israël à Samarie. Achab, fils 30
d'Omri, fit ce qui est mal aux yeux de l'Éternel, plus que tous ceux qui avaient été avant lui. Et comme 31
si c'eût été pour lui peu de chose de se livrer aux péchés de Jéroboam, fils de Nebath, il prit pour femme
Jézabel, fille d'Ethbaal, roi des Sidoniens, et il alla servir Baal et se prosterner devant lui. Il éleva un 32
autel à Baal dans la maison de Baal qu'il bâtit à Samarie, et il fit une idole d'Astarté. Achab fit plus 33
encore que tous les rois d'Israël qui avaient été avant lui, pour irriter l'Éternel, le Dieu d'Israël. De son 34
temps, Hiel de Béthel bâtit Jéricho ; il en jeta les fondements au prix d'Abiram, son premier-né, et il en
posa les portes au prix de Segub, son plus jeune fils, selon la parole que l'Éternel avait dite par Josué,
fils de Nun.

Élie, le Thischbite, l'un des habitants de Galaad, dit à Achab : L'Éternel est vivant, le Dieu d'Israël, **17**
dont je suis le serviteur ! il n'y aura ces années -ci ni rosée ni pluie, sinon à ma parole. Et la parole de 2
l'Éternel fut adressée à Élie, en ces mots : Pars d'ici, dirige -toi vers l'orient, et cache -toi près du torrent 3
de Kerith, qui est en face du Jourdain. Tu boiras de l'eau du torrent, et j'ai ordonné aux corbeaux de 4
te nourrir là. Il partit et fit selon la parole de l'Éternel, et il alla s'établir près du torrent de Kerith, 5
qui est en face du Jourdain. Les corbeaux lui apportaient du pain et de la viande le matin, et du pain 6
et de la viande le soir, et il buvait de l'eau du torrent. Mais au bout d'un certain temps le torrent fut à 7
sec, car il n'était point tombé de pluie dans le pays. Alors la parole de l'Éternel lui fut adressée en ces 8
mots : Lève -toi, va à Sarepta, qui appartient à Sidon, et demeure là. Voici, j'y ai ordonné à une femme 9
veuve de te nourrir. Il se leva, et il alla à Sarepta. Comme il arrivait à l'entrée de la ville, voici, il y 10
avait là une femme veuve qui ramassait du bois. Il l'appela, et dit : Va me chercher, je te prie, un peu
d'eau dans un vase, afin que je boive. Et elle alla en chercher. Il l'appela de nouveau, et dit : Apporte 11
-moi, je te prie, un morceau de pain dans ta main. Et elle répondit : L'Éternel, ton Dieu, est vivant ! 12
je n'ai rien de cuit, je n'ai qu'une poignée de farine dans un pot et un peu d'huile dans une cruche. Et
voici, je ramasse deux morceaux de bois, puis je rentrerai et je préparerai cela pour moi et pour mon
fils ; nous mangerons, après quoi nous mourrons. Élie lui dit : Ne crains point, rentre, fais comme tu 13
as dit. Seulement, prépare -moi d'abord avec cela un petit gâteau, et tu me l'apporteras ; tu en feras
ensuite pour toi et pour ton fils. Car ainsi parle l'Éternel, le Dieu d'Israël : La farine qui est dans le pot 14
ne manquera point et l'huile qui est dans la cruche ne diminuera point, jusqu'au jour où l'Éternel fera
tomber de la pluie sur la face du sol. Elle alla, et elle fit selon la parole d'Élie. Et pendant longtemps 15
elle eut de quoi manger, elle et sa famille, aussi bien qu'Élie. La farine qui était dans le pot ne manqua 16
point, et l'huile qui était dans la cruche ne diminua point, selon la parole que l'Éternel avait prononcée
par Élie. Après ces choses, le fils de la femme, maîtresse de la maison, devint malade, et sa maladie fut 17
si violente qu'il ne resta plus en lui de respiration. Cette femme dit alors à Élie : Qu'y a-t-il entre moi 18
et toi, homme de Dieu ? Es-tu venu chez moi pour rappeler le souvenir de mon iniquité, et pour faire
mourir mon fils ? Il lui répondit : Donne -moi ton fils. Et il le prit du sein de la femme, le monta dans la 19
chambre haute où il demeurait, et le coucha sur son lit. Puis il invoqua l'Éternel, et dit : Éternel, mon 20
Dieu, est-ce que tu affligerais, au point de faire mourir son fils, même cette veuve chez qui j'ai été reçu
comme un hôte ? Et il s'étendit trois fois sur l'enfant, invoqua l'Éternel, et dit : Éternel, mon Dieu, je 21
t'en prie, que l'âme de cet enfant revienne au dedans de lui ! L'Éternel écouta la voix d'Élie, et l'âme de 22
l'enfant revint au dedans de lui, et il fut rendu à la vie. Élie prit l'enfant, le descendit de la chambre 23

24 haute dans la maison, et le donna à sa mère. Et Élie dit : Vois, ton fils est vivant. Et la femme dit à
Élie : Je reconnais maintenant que tu es un homme de Dieu, et que la parole de l'Éternel dans ta bouche
est vérité.
18 Bien des jours s'écoulèrent, et la parole de l'Éternel fut ainsi adressée à Élie, dans la troisième
2 année : Va, présente -toi devant Achab, et je ferai tomber de la pluie sur la face du sol. Et Élie alla,
3 pour se présenter devant Achab. La famine était grande à Samarie. Et Achab fit appeler Abdias, chef
4 de sa maison. -Or Abdias craignait beaucoup l'Éternel ; et lorsque Jézabel extermina les prophètes de
l'Éternel, Abdias prit cent prophètes qu'il cacha cinquante par cinquante dans une caverne, et il les
5 avait nourris de pain et d'eau. - Achab dit à Abdias : Va par le pays vers toutes les sources d'eau et vers
tous les torrents ; peut-être se trouvera -t-il de l'herbe, et nous conserverons la vie aux chevaux et aux
6 mulets, et nous n'aurons pas besoin d'abattre du bétail. Ils se partagèrent le pays pour le parcourir ;
7 Achab alla seul par un chemin, et Abdias alla seul par un autre chemin. Comme Abdias était en route,
voici, Élie le rencontra. Abdias, l'ayant reconnu, tomba sur son visage, et dit : Est-ce toi, mon seigneur
8, 9 Élie ? Il lui répondit : C'est moi ; va, dis à ton maître : Voici Élie ! Et Abdias dit : Quel péché ai-je
10 commis, pour que tu livres ton serviteur entre les mains d'Achab, qui me fera mourir ? L'Éternel est
vivant ! il n'est ni nation ni royaume où mon maître n'ait envoyé pour te chercher ; et quand on disait que
11 tu n'y étais pas, il faisait jurer le royaume et la nation que l'on ne t'avait pas trouvé. Et maintenant tu
12 dis : Va, dis à ton maître : Voici Élie ! Puis, lorsque je t'aurai quitté l'esprit de l'Éternel te transportera
je ne sais où ; et j'irai informer Achab, qui ne te trouvera pas, et qui me tuera. Cependant ton serviteur
13 craint l'Éternel dès sa jeunesse. N'a-t-on pas dit à mon seigneur ce que j'ai fait quand Jézabel tua
les prophètes de l'Éternel ? J'ai caché cent prophètes de l'Éternel, cinquante par cinquante dans une
14 caverne, et je les ai nourris de pain et d'eau. Et maintenant tu dis : Va, dis à ton maître : Voici Élie ! Il
15 me tuera. Mais Élie dit : L'Éternel des armées, dont je suis le serviteur, est vivant ! aujourd'hui je me
16 présenterai devant Achab. Abdias, étant allé à la rencontre d'Achab, l'informa de la chose. Et Achab
17 se rendit au-devant d'Élie. À peine Achab aperçut -il Élie qu'il lui dit : Est-ce toi, qui jettes le trouble
18 en Israël ? Élie répondit : Je ne trouble point Israël ; c'est toi, au contraire, et la maison de ton père,
19 puisque vous avez abandonné les commandements de l'Éternel et que tu es allé après les Baals. Fais
maintenant rassembler tout Israël auprès de moi, à la montagne du Carmel, et aussi les quatre cent
cinquante prophètes de Baal et les quatre cents prophètes d'Astarté qui mangent à la table de Jézabel.
20 Achab envoya des messagers vers tous les enfants d'Israël, et il rassembla les prophètes à la montagne
21 du Carmel. Alors Élie s'approcha de tout le peuple, et dit : Jusqu'à quand clocherez -vous des deux
côtés ? Si l'Éternel est Dieu, allez après lui ; si c'est Baal, allez après lui ! Le peuple ne lui répondit rien.
22 Et Élie dit au peuple : Je suis resté seul des prophètes de l'Éternel, et il y a quatre cent cinquante
23 prophètes de Baal. Que l'on nous donne deux taureaux ; qu'ils choisissent pour eux l'un des taureaux,
qu'ils le coupent par morceaux, et qu'ils le placent sur le bois, sans y mettre le feu ; et moi, je préparerai
24 l'autre taureau, et je le placerai sur le bois, sans y mettre le feu. Puis invoquez le nom de votre dieu ;
et moi, j'invoquerai le nom de l'Éternel. Le dieu qui répondra par le feu, c'est celui-là qui sera Dieu. Et
25 tout le peuple répondit, en disant : C'est bien ! Élie dit aux prophètes de Baal : Choisissez pour vous
l'un des taureaux, préparez -le les premiers, car vous êtes les plus nombreux, et invoquez le nom de
26 votre dieu ; mais ne mettez pas le feu. Ils prirent le taureau qu'on leur donna, et le préparèrent ; et ils
invoquèrent le nom de Baal, depuis le matin jusqu'à midi, en disant : Baal réponds nous ! Mais il n'y
27 eut ni voix ni réponse. Et ils sautaient devant l'autel qu'ils avaient fait. À midi, Élie se moqua d'eux,
et dit : Criez à haute voix, puisqu'il est dieu ; il pense à quelque chose, ou il est occupé, ou il est en
28 voyage ; peut-être qu'il dort, et il se réveillera. Et ils crièrent à haute voix, et ils se firent, selon leur
29 coutume, des incisions avec des épées et avec des lances, jusqu'à ce que le sang coulât sur eux. Lorsque
midi fut passé, ils prophétisèrent jusqu'au moment de la présentation de l'offrande. Mais il n'y eut ni
30 voix, ni réponse, ni signe d'attention. Élie dit alors à tout le peuple : Approchez -vous de moi ! Tout
31 le peuple s'approcha de lui. Et Élie rétablit l'autel de l'Éternel, qui avait été renversé. Il prit douze
pierres d'après le nombre des tribus des fils de Jacob, auquel l'Éternel avait dit : Israël sera ton nom ;
32 et il bâtit avec ces pierres un autel au nom de l'Éternel. Il fit autour de l'autel un fossé de la capacité
33 de deux mesures de semence. Il arrangea le bois, coupa le taureau par morceaux, et le plaça sur le
34 bois. Puis il dit : Remplissez d'eau quatre cruches, et versez -les sur l'holocauste et sur le bois. Il dit :
Faites-le une seconde fois. Et ils le firent une seconde fois. Il dit : Faites-le une troisième fois. Et ils le
35, 36 firent une troisième fois. L'eau coula autour de l'autel, et l'on remplit aussi d'eau le fossé. Au moment
de la présentation de l'offrande, Élie, le prophète, s'avança et dit : Éternel, Dieu d'Abraham, d'Isaac et

d'Israël ! que l'on sache aujourd'hui que tu es Dieu en Israël, que je suis ton serviteur, et que j'ai fait
toutes ces choses par ta parole ! Réponds -moi, Éternel, réponds -moi, afin que ce peuple reconnaisse 37
que c'est toi, Éternel, qui es Dieu, et que c'est toi qui ramènes leur coeur ! Et le feu de l'Éternel tomba, 38
et il consuma l'holocauste, le bois, les pierres et la terre, et il absorba l'eau qui était dans le fossé.
Quand tout le peuple vit cela, ils tombèrent sur leur visage et dirent : C'est l'Éternel qui est Dieu ! C'est 39
l'Éternel qui est Dieu ! Saisissez les prophètes de Baal, leur dit Élie ; qu'aucun d'eux n'échappe ! Et ils 40
les saisirent. Élie les fit descendre au torrent de Kison, où il les égorgea. Et Élie dit à Achab : Monte, 41
mange et bois ; car il se fait un bruit qui annonce la pluie. Achab monta pour manger et pour boire. 42
Mais Élie monta au sommet du Carmel ; et, se penchant contre terre, il mit son visage entre ses genoux,
et dit à son serviteur : Monte, regarde du côté de la mer. Le serviteur monta, il regarda, et dit : Il n'y a 43
rien. Élie dit sept fois : Retourne. À la septième fois, il dit : Voici un petit nuage qui s'élève de la mer, 44
et qui est comme la paume de la main d'un homme. Élie dit : Monte, et dis à Achab : Attelle et descends,
afin que la pluie ne t'arrête pas. En peu d'instants, le ciel s'obscurcit par les nuages, le vent s'établit, 45
et il y eut une forte pluie. Achab monta sur son char, et partit pour Jizreel. Et la main de l'Éternel fut 46
sur Élie, qui se ceignit les reins et courut devant Achab jusqu'à l'entrée de Jizreel.

19 Achab rapporta à Jézabel tout ce qu'avait fait Élie, et comment il avait tué par l'épée tous les pro-
phètes. Jézabel envoya un messager à Élie, pour lui dire : Que les dieux me traitent dans toute leur 2
rigueur, si demain, à cette heure, je ne fais de ta vie ce que tu as fait de la vie de chacun d'eux ! Élie, 3
voyant cela, se leva et s'en alla, pour sauver sa vie. Il arriva à Beer-Schéba, qui appartient à Juda, et il
y laissa son serviteur. Pour lui, il alla dans le désert où, après une journée de marche, il s'assit sous un 4
genêt, et demanda la mort, en disant : C'est assez ! Maintenant, Éternel, prends mon âme, car je ne suis
pas meilleur que mes pères. Il se coucha et s'endormit sous un genêt. Et voici, un ange le toucha, et 5
lui dit : Lève -toi, mange. Il regarda, et il y avait à son chevet un gâteau cuit sur des pierres chauffées 6
et une cruche d'eau. Il mangea et but, puis se recoucha. L'ange de l'Éternel vint une seconde fois, le 7
toucha, et dit : Lève -toi, mange, car le chemin est trop long pour toi. Il se leva, mangea et but ; et avec 8
la force que lui donna cette nourriture, il marcha quarante jours et quarante nuits jusqu'à la montagne
de Dieu, à Horeb. Et là, il entra dans la caverne, et il y passa la nuit. Et voici, la parole de l'Éternel 9
lui fut adressée, en ces mots : Que fais-tu ici, Élie ? Il répondit : J'ai déployé mon zèle pour l'Éternel, le 10
Dieu des armées ; car les enfants d'Israël ont abandonné ton alliance, ils ont renversé tes autels, et ils
ont tué par l'épée tes prophètes ; je suis resté, moi seul, et ils cherchent à m'ôter la vie. L'Éternel dit : 11
Sors, et tiens -toi dans la montagne devant l'Éternel ! Et voici, l'Éternel passa. Et devant l'Éternel, il y
eut un vent fort et violent qui déchirait les montagnes et brisait les rochers : l'Éternel n'était pas dans
le vent. Et après le vent, ce fut un tremblement de terre : l'Éternel n'était pas dans le tremblement de
terre. Et après le tremblement de terre, un feu : l'Éternel n'était pas dans le feu. Et après le feu, un 12
murmure doux et léger. Quand Élie l'entendit, il s'enveloppa le visage de son manteau, il sortit et se 13
tint à l'entrée de la caverne. Et voici, une voix lui fit entendre ces paroles : Que fais-tu ici, Élie ? Il ré- 14
pondit : J'ai déployé mon zèle pour l'Éternel, le Dieu des armées ; car les enfants d'Israël ont abandonné
ton alliance, ils ont renversé tes autels, et ils ont tué par l'épée tes prophètes ; je suis resté, moi seul, et
ils cherchent à m'ôter la vie. L'Éternel lui dit : Va, reprends ton chemin par le désert jusqu'à Damas ; 15
et quand tu seras arrivé, tu oindras Hazaël pour roi de Syrie. Tu oindras aussi Jéhu, fils de Nimschi, 16
pour roi d'Israël ; et tu oindras Élisée, fils de Schaphath, d'Abel-Mehola, pour prophète à ta place. Et il 17
arrivera que celui qui échappera à l'épée de Hazaël, Jéhu le fera mourir ; et celui qui échappera à l'épée
de Jéhu, Élisée le fera mourir. Mais je laisserai en Israël sept mille hommes, tous ceux qui n'ont point 18
fléchi les genoux devant Baal, et dont la bouche ne l'a point baisé. Élie partit de là, et il trouva Élisée, 19
fils de Schaphath, qui labourait. Il y avait devant lui douze paires de boeufs, et il était avec la douzième.
Élie s'approcha de lui, et il jeta sur lui son manteau. Élisée, quittant ses boeufs, courut après Élie, et 20
dit : Laisse-moi embrasser mon père et ma mère, et je te suivrai. Élie lui répondit : Va, et reviens ; car
pense à ce que je t'ai fait. Après s'être éloigné d'Élie, il revint prendre une paire de boeufs, qu'il offrit 21
en sacrifice ; avec l'attelage des boeufs, il fit cuire leur chair, et la donna à manger au peuple. Puis il se
leva, suivit Élie, et fut à son service.

20 Ben-Hadad, roi de Syrie, rassembla toute son armée ; il avait avec lui trente -deux rois, des chevaux
et des chars. Il monta, mit le siège devant Samarie et l'attaqua. Il envoya dans la ville des messagers à 2
Achab, roi d'Israël, et lui fit dire : Ainsi parle Ben-Hadad : Ton argent et ton or sont à moi, tes femmes 3
et tes plus beaux enfants sont à moi. Le roi d'Israël répondit : Roi, mon seigneur, comme tu le dis, 4

je suis à toi avec tout ce que j'ai. Les messagers retournèrent, et dirent : Ainsi parle Ben-Hadad : Je
t'ai fait dire : Tu me livreras ton argent et ton or, tes femmes et tes enfants. J'enverrai donc demain,
à cette heure, mes serviteurs chez toi ; ils fouilleront ta maison et les maisons de tes serviteurs, ils
mettront la main sur tout ce que tu as de précieux, et ils l'emporteront. Le roi d'Israël appela tous les
anciens du pays, et il dit : Sentez bien et comprenez que cet homme nous veut du mal ; car il m'a envoyé
demander mes femmes et mes enfants, mon argent et mon or, et je ne lui avais pas refusé ! Tous les
anciens et tout le peuple dirent à Achab : Ne l'écoute pas et ne consens pas. Et il dit aux messagers de
Ben-Hadad : Dites à mon seigneur le roi : Je ferai tout ce que tu as envoyé demander à ton serviteur la
première fois ; mais pour cette chose, je ne puis pas la faire. Les messagers s'en allèrent, et lui portèrent
la réponse. Ben-Hadad envoya dire à Achab : Que les dieux me traitent dans toute leur rigueur, si la
poussière de Samarie suffit pour remplir le creux de la main de tout le peuple qui me suit ! Et le roi
d'Israël répondit : Que celui qui revêt une armure ne se glorifie pas comme celui qui la dépose ! Lorsque
Ben-Hadad reçut cette réponse, il était à boire avec les rois sous les tentes, et il dit à ses serviteurs :
Faites vos préparatifs ! Et ils firent leurs préparatifs contre la ville. Mais voici, un prophète s'approcha
d'Achab, roi d'Israël, et il dit : Ainsi parle l'Éternel : Vois -tu toute cette grande multitude ? Je vais
la livrer aujourd'hui entre tes mains, et tu sauras que je suis l'Éternel. Achab dit : Par qui ? Et il
répondit : Ainsi parle l'Éternel : Par les serviteurs des chefs des provinces. Achab dit : Qui engagera
le combat ? Et il répondit : Toi. Alors Achab passa en revue les serviteurs des chefs des provinces, et
il s'en trouva deux cent trente -deux ; et après eux, il passa en revue tout le peuple, tous les enfants
d'Israël, et ils étaient sept mille. Ils firent une sortie à midi. Ben-Hadad buvait et s'enivrait sous les
tentes avec les trente -deux rois, ses auxiliaires. Les serviteurs des chefs des provinces sortirent les
premiers. Ben-Hadad s'informa, et on lui fit ce rapport : Des hommes sont sortis de Samarie. Il dit :
S'ils sortent pour la paix, saisissez -les vivants ; et s'ils sortent pour le combat, saisissez -les vivants.
Lorsque les serviteurs des chefs des provinces et l'armée qui les suivait furent sortis de la ville, chacun
frappa son homme, et les Syriens prirent la fuite. Israël les poursuivit. Ben-Hadad, roi de Syrie, se
sauva sur un cheval, avec des cavaliers. Le roi d'Israël sortit, frappa les chevaux et les chars, et fit
éprouver aux Syriens une grande défaite. Alors le prophète s'approcha du roi d'Israël, et lui dit : Va,
fortifie toi, examine et vois ce que tu as à faire ; car, au retour de l'année, le roi de Syrie montera contre
toi. Les serviteurs du roi de Syrie lui dirent : Leur dieu est un dieu de montagnes ; c'est pourquoi ils
ont été plus forts que nous. Mais combattons -les dans la plaine, et l'on verra si nous ne serons pas plus
forts qu'eux. Fais encore ceci : ôte chacun des rois de son poste, et remplace -les par des chefs ; et forme
-toi une armée pareille à celle que tu as perdue, avec autant de chevaux et autant de chars. Puis nous
les combattrons dans la plaine, et l'on verra si nous ne serons pas plus forts qu'eux. Il les écouta, et fit
ainsi. L'année suivante, Ben-Hadad passa les Syriens en revue, et monta vers Aphek pour combattre
Israël. Les enfants d'Israël furent aussi passés en revue ; ils reçurent des vivres, et ils marchèrent à
la rencontre des Syriens. Ils campèrent vis-à-vis d'eux, semblables à deux petits troupeaux de chèvres,
tandis que les Syriens remplissaient le pays. L'homme de Dieu s'approcha, et dit au roi d'Israël : Ainsi
parle l'Éternel : Parce que les Syriens ont dit : L'Éternel est un dieu des montagnes et non un dieu des
vallées, je livrerai toute cette grande multitude entre tes mains, et vous saurez que je suis l'Éternel.
Ils campèrent sept jours en face les uns des autres. Le septième jour, le combat s'engagea, et les enfants
d'Israël tuèrent aux Syriens cent mille hommes de pied en un jour. Le reste s'enfuit à la ville d'Aphek,
et la muraille tomba sur vingt -sept mille hommes qui restaient. Ben-Hadad s'était réfugié dans la ville,
où il allait de chambre en chambre. Ses serviteurs lui dirent : Voici, nous avons appris que les rois de
la maison d'Israël sont des rois miséricordieux ; nous allons mettre des sacs sur nos reins et des cordes
à nos têtes, et nous sortirons vers le roi d'Israël : peut-être qu'il te laissera la vie. Ils se mirent des
sacs autour des reins et des cordes autour de la tête, et ils allèrent auprès du roi d'Israël. Ils dirent :
Ton serviteur Ben-Hadad dit : Laisse-moi la vie ! Achab répondit : Est-il encore vivant ? Il est mon frère.
Ces hommes tirèrent de là un bon augure, et ils se hâtèrent de le prendre au mot et de dire : Ben-Hadad
est ton frère ! Et il dit : Allez, amenez -le. Ben-Hadad vint vers lui, et Achab le fit monter sur son char.
Ben-Hadad lui dit : Je te rendrai les villes que mon père a prises à ton père ; et tu établiras pour toi
des rues à Damas, comme mon père en avait établi à Samarie. Et moi, reprit Achab, je te laisserai aller,
en faisant une alliance. Il fit alliance avec lui, et le laissa aller. L'un des fils des prophètes dit à son
compagnon, d'après l'ordre de l'Éternel : Frappe -moi, je te prie ! Mais cet homme refusa de le frapper.
Alors il lui dit : Parce que tu n'as pas obéi à la voix de l'Éternel, voici, quand tu m'auras quitté, le lion
te frappera. Et quand il l 'eut quitté, le lion le rencontra et le frappa. Il trouva un autre homme, et il
dit : Frappe -moi, je te prie ! Cet homme le frappa et le blessa. Le prophète alla se placer sur le chemin
du roi, et il se déguisa avec un bandeau sur les yeux. Lorsque le roi passa, il cria vers lui, et dit : Ton
serviteur était au milieu du combat ; et voici, un homme s'approche et m'amène un homme, en disant :

Garde cet homme ; s'il vient à manquer, ta vie répondra de sa vie, ou tu paieras un talent d'argent !
Et pendant que ton serviteur agissait çà et là, l'homme a disparu. Le roi d'Israël lui dit : C'est là ton 40
jugement ; tu l'as prononcé toi-même. Aussitôt le prophète ôta le bandeau de dessus ses yeux, et le roi 41
d'Israël le reconnut pour l'un des prophètes. Il dit alors au roi : Ainsi parle l'Éternel : Parce que tu as 42
laissé échapper de tes mains l'homme que j'avais dévoué par interdit, ta vie répondra de sa vie, et ton
peuple de son peuple. Le roi d'Israël s'en alla chez lui, triste et irrité, et il arriva à Samarie. 43

Après ces choses, voici ce qui arriva. Naboth, de Jizreel, avait une vigne à Jizreel, à côté du palais **21**
d'Achab, roi de Samarie. Et Achab parla ainsi à Naboth : Cède -moi ta vigne, pour que j'en fasse un 2
jardin potager, car elle est tout près de ma maison. Je te donnerai à la place une vigne meilleure ; ou,
si cela te convient, je te paierai la valeur en argent. Mais Naboth répondit à Achab : Que l'Éternel me 3
garde de te donner l'héritage de mes pères ! Achab rentra dans sa maison, triste et irrité, à cause de 4
cette parole que lui avait dite Naboth de Jizreel : Je ne te donnerai pas l'héritage de mes pères ! Et il
se coucha sur son lit, détourna le visage, et ne mangea rien. Jézabel, sa femme, vint auprès de lui, et 5
lui dit : Pourquoi as-tu l'esprit triste et ne manges -tu point ? Il lui répondit : J'ai parlé à Naboth de 6
Jizreel, et je lui ai dit : Cède -moi ta vigne pour de l'argent ; ou, si tu veux, je te donnerai une autre vigne
à la place. Mais il a dit : Je ne te donnerai pas ma vigne ! Alors Jézabel, sa femme, lui dit : Est-ce bien 7
toi maintenant qui exerces la souveraineté sur Israël ? Lève -toi, prends de la nourriture, et que ton
coeur se réjouisse ; moi, je te donnerai la vigne de Naboth de Jizreel. Et elle écrivit au nom d'Achab des 8
lettres qu'elle scella du sceau d'Achab, et qu'elle envoya aux anciens et aux magistrats qui habitaient
avec Naboth dans sa ville. Voici ce qu'elle écrivit dans ces lettres : Publiez un jeûne ; placez Naboth 9
à la tête du peuple, et mettez en face de lui deux méchants hommes qui déposeront ainsi contre lui : 10
Tu as maudit Dieu et le roi ! Puis menez -le dehors, lapidez -le, et qu'il meure. Les gens de la ville de 11
Naboth, les anciens et les magistrats qui habitaient dans la ville, agirent comme Jézabel le leur avait
fait dire, d'après ce qui était écrit dans les lettres qu'elle leur avait envoyées. Ils publièrent un jeûne, 12
et ils placèrent Naboth à la tête du peuple ; les deux méchants hommes vinrent se mettre en face de 13
lui, et ces méchants hommes déposèrent ainsi devant le peuple contre Naboth : Naboth a maudit Dieu
et le roi ! Puis ils le menèrent hors de la ville, ils le lapidèrent, et il mourut. Et ils envoyèrent dire à 14
Jézabel : Naboth a été lapidé, et il est mort. Lorsque Jézabel apprit que Naboth avait été lapidé et qu'il 15
était mort, elle dit à Achab : Lève -toi, prends possession de la vigne de Naboth de Jizreel, qui a refusé
de te la céder pour de l'argent ; car Naboth n'est plus en vie, il est mort. Achab, entendant que Naboth 16
était mort, se leva pour descendre à la vigne de Naboth de Jizreel, afin d'en prendre possession. Alors 17
la parole de l'Éternel fut adressée à Élie, le Thischbite, en ces mots : Lève -toi, descends au-devant 18
d'Achab, roi d'Israël à Samarie ; le voilà dans la vigne de Naboth, où il est descendu pour en prendre
possession. Tu lui diras : Ainsi parle l'Éternel : N'es-tu pas un assassin et un voleur ? Et tu lui diras : 19
Ainsi parle l'Éternel : Au lieu même où les chiens ont léché le sang de Naboth, les chiens lécheront aussi
ton propre sang. Achab dit à Élie : M'as-tu trouvé, mon ennemi ? Et il répondit : Je t'ai trouvé, parce 20
que tu t'es vendu pour faire ce qui est mal aux yeux de l'Éternel. Voici, je vais faire venir le malheur 21
sur toi ; je te balaierai, j'exterminerai quiconque appartient à Achab, celui qui est esclave et celui qui
est libre en Israël, et je rendrai ta maison semblable à la maison de Jéroboam, fils de Nebath, et à 22
la maison de Baescha, fils d'Achija, parce que tu m'as irrité et que tu as fait pécher Israël. L'Éternel 23
parle aussi sur Jézabel, et il dit : Les chiens mangeront Jézabel près du rempart de Jizreel. Celui de la 24
maison d'Achab qui mourra dans la ville sera mangé par les chiens, et celui qui mourra dans les champs
sera mangé par les oiseaux du ciel. Il n'y a eu personne qui se soit vendu comme Achab pour faire ce 25
qui est mal aux yeux de l'Éternel, et Jézabel, sa femme, l'y excitait. Il a agi de la manière la plus 26
abominable, en allant après les idoles, comme le faisaient les Amoréens, que l'Éternel chassa devant
les enfants d'Israël. Après avoir entendu les paroles d'Élie, Achab déchira ses vêtements, il mit un sac 27
sur son corps, et il jeûna ; il couchait avec ce sac, et il marchait lentement. Et la parole de l'Éternel fut 28
adressée à Élie, le Thischbite, en ces mots : As-tu vu comment Achab s'est humilié devant moi ? Parce 29
qu 'il s'est humilié devant moi, je ne ferai pas venir le malheur pendant sa vie ; ce sera pendant la vie
de son fils que je ferai venir le malheur sur sa maison.

On resta trois ans sans qu'il y eût guerre entre la Syrie et Israël. La troisième année, Josaphat, roi **22**, 2
de Juda, descendit auprès du roi d'Israël. Le roi d'Israël dit à ses serviteurs : Savez -vous que Ramoth 3
en Galaad est à nous ? Et nous ne nous inquiétons pas de la reprendre des mains du roi de Syrie ! Et il 4
dit à Josaphat : Veux-tu venir avec moi attaquer Ramoth en Galaad ? Josaphat répondit au roi d'Israël :
Nous irons, moi comme toi, mon peuple comme ton peuple, mes chevaux comme tes chevaux. Puis 5
Josaphat dit au roi d'Israël : Consulte maintenant, je te prie, la parole de l'Éternel. Le roi d'Israël 6
assembla les prophètes, au nombre d'environ quatre cents, et leur dit : Irai -je attaquer Ramoth en

Galaad, ou dois-je y renoncer ? Et ils répondirent : Monte, et le Seigneur la livrera entre les mains
7 du roi. Mais Josaphat dit : N'y a-t-il plus ici aucun prophète de l'Éternel, par qui nous puissions le
8 consulter ? Le roi d'Israël répondit à Josaphat : Il y a encore un homme par qui l'on pourrait consulter
l'Éternel ; mais je le hais, car il ne me prophétise rien de bon, il ne prophétise que du mal : c'est Michée,
9 fils de Jimla. Et Josaphat dit : Que le roi ne parle pas ainsi ! Alors le roi d'Israël appela un eunuque,
10 et dit : Fais venir de suite Michée, fils de Jimla. Le roi d'Israël et Josaphat, roi de Juda, étaient assis
chacun sur son trône, revêtus de leurs habits royaux, dans la place à l'entrée de la porte de Samarie. Et
11 tous les prophètes prophétisaient devant eux. Sédécias, fils de Kenaana, s'était fait des cornes de fer,
12 et il dit : Ainsi parle l'Éternel : Avec ces cornes tu frapperas les Syriens jusqu'à les détruire. Et tous
les prophètes prophétisaient de même, en disant : Monte à Ramoth en Galaad ! tu auras du succès, et
13 l'Éternel la livrera entre les mains du roi. Le messager qui était allé appeler Michée lui parla ainsi :
Voici, les prophètes, d'un commun accord, prophétisent du bien au roi ; que ta parole soit donc comme
14 la parole de chacun d'eux ! annonce du bien ! Michée répondit : L'Éternel est vivant ! j'annoncerai ce
15 que l'Éternel me dira. Lorsqu'il fut arrivé auprès du roi, le roi lui dit : Michée, irons -nous attaquer
Ramoth en Galaad, ou devons-nous y renoncer ? Il lui répondit : Monte ! tu auras du succès, et l'Éternel
16 la livrera entre les mains du roi. Et le roi lui dit : Combien de fois me faudra-t-il te faire jurer de ne me
17 dire que la vérité au nom de l'Éternel ? Michée répondit : Je vois tout Israël dispersé sur les montagnes,
comme des brebis qui n'ont point de berger ; et l'Éternel dit : Ces gens n'ont point de maître, que chacun
18 retourne en paix dans sa maison ! Le roi d'Israël dit à Josaphat : Ne te l'ai-je pas dit ? Il ne prophétise
19 sur moi rien de bon, il ne prophétise que du mal. Et Michée dit : Écoute donc la parole de l'Éternel !
J'ai vu l'Éternel assis sur son trône, et toute l'armée des cieux se tenant auprès de lui, à sa droite et à sa
20 gauche. Et l'Éternel dit : Qui séduira Achab, pour qu'il monte à Ramoth en Galaad et qu'il y périsse ?
21 Ils répondirent l'un d'une manière, l'autre d'une autre. Et un esprit vint se présenter devant l'Éternel,
22 et dit : Moi, je le séduirai. L'Éternel lui dit : Comment ? Je sortirai, répondit -il, et je serai un esprit de
mensonge dans la bouche de tous ses prophètes. L'Éternel dit : Tu le séduiras, et tu en viendras à bout ;
23 sors, et fais ainsi ! Et maintenant, voici, l'Éternel a mis un esprit de mensonge dans la bouche de tous
24 tes prophètes qui sont là. Et l'Éternel a prononcé du mal contre toi. Alors Sédécias, fils de Kenaana,
s'étant approché, frappa Michée sur la joue, et dit : Par où l'esprit de l'Éternel est-il sorti de moi pour te
25, 26 parler ? Michée répondit : Tu le verras au jour où tu iras de chambre en chambre pour te cacher. Le
27 roi d'Israël dit : Prends Michée, et emmène -le vers Amon, chef de la ville, et vers Joas, fils du roi. Tu
diras : Ainsi parle le roi : Mettez cet homme en prison, et nourrissez -le du pain et de l'eau d'affliction,
28 jusqu'à ce que je revienne en paix. Et Michée dit : Si tu reviens en paix, l'Éternel n'a point parlé par
29 moi. Il dit encore : Vous tous, peuples, entendez ! Le roi d'Israël et Josaphat, roi de Juda, montèrent à
30 Ramoth en Galaad. Le roi d'Israël dit à Josaphat : Je veux me déguiser pour aller au combat ; mais toi,
31 revêts -toi de tes habits. Et le roi d'Israël se déguisa, et alla au combat. Le roi de Syrie avait donné cet
ordre aux trente -deux chefs de ses chars : Vous n'attaquerez ni petits ni grands, mais vous attaquerez
32 seulement le roi d'Israël. Quand les chefs des chars aperçurent Josaphat, ils dirent : Certainement,
33 c'est le roi d'Israël. Et ils s'approchèrent de lui pour l'attaquer. Josaphat poussa un cri. Les chefs des
34 chars, voyant que ce n'était pas le roi d'Israël, s'éloignèrent de lui. Alors un homme tira de son arc
au hasard, et frappa le roi d'Israël au défaut de la cuirasse. Le roi dit à celui qui dirigeait son char :
35 Tourne, et fais-moi sortir du champ de bataille, car je suis blessé. Le combat devint acharné ce jour
-là. Le roi fut retenu dans son char en face des Syriens, et il mourut le soir. Le sang de la blessure
36 coula dans l'intérieur du char. Au coucher du soleil, on cria par tout le camp : Chacun à sa ville et
37 chacun dans son pays ! Ainsi mourut le roi, qui fut ramené à Samarie ; et on enterra le roi à Samarie.
38 Lorsqu'on lava le char à l'étang de Samarie, les chiens léchèrent le sang d'Achab, et les prostituées s'y
39 baignèrent, selon la parole que l'Éternel avait prononcée. Le reste des actions d'Achab, tout ce qu'il a
fait, la maison d'ivoire qu'il construisit, et toutes les villes qu'il a bâties, cela n'est-il pas écrit dans le
40 livre des Chroniques des rois d'Israël ? Achab se coucha avec ses pères. Et Achazia, son fils, régna à sa
41, 42 place. Josaphat, fils d'Asa, régna sur Juda, la quatrième année d'Achab, roi d'Israël. Josaphat avait
trente -cinq ans lorsqu'il devint roi, et il régna vingt cinq ans à Jérusalem. Sa mère s'appelait Azuba,
43 fille de Schilchi. Il marcha dans toute la voie d'Asa, son père, et ne s'en détourna point, faisant ce qui
est droit aux yeux de l'Éternel. Seulement, les hauts lieux ne disparurent point ; le peuple offrait encore
44, 45 des sacrifices et des parfums sur les hauts lieux. Josaphat fut en paix avec le roi d'Israël. Le reste des
actions de Josaphat, ses exploits et ses guerres, cela n'est-il pas écrit dans le livre des Chroniques des
46 rois de Juda ? Il ôta du pays le reste des prostitués, qui s'y trouvaient encore depuis le temps d'Asa,
47, 48 son père. Il n'y avait point de roi en Édom : c'était un intendant qui gouvernait. Josaphat construisit

des navires de Tarsis pour aller à Ophir chercher de l'or ; mais il n'y alla point, parce que les navires
se brisèrent à Etsjon-Guéber. Alors Achazia, fils d'Achab, dit à Josaphat : Veux-tu que mes serviteurs 49
aillent avec les tiens sur des navires ? Et Josaphat ne voulut pas. Josaphat se coucha avec ses pères, 50
et il fut enterré avec ses pères dans la ville de David, son père. Et Joram, son fils, régna à sa place.
Achazia, fils d'Achab, régna sur Israël à Samarie, la dix-septième année de Josaphat, roi de Juda. Il 51
régna deux ans sur Israël. Il fit ce qui est mal aux yeux de l'Éternel, et il marcha dans la voie de son 52
père et dans la voie de sa mère, et dans la voie de Jéroboam, fils de Nebath, qui avait fait pécher Israël.
Il servit Baal et se prosterna devant lui, et il irrita l'Éternel, le Dieu d'Israël, comme avait fait son père. 53

II ROIS

1, 2 Moab se révolta contre Israël, après la mort d'Achab. Or Achazia tomba par le treillis de sa
chambre haute à Samarie, et il en fut malade. Il fit partir des messagers, et leur dit : Allez,
3 consultez Baal-Zebub, dieu d'Ékron, pour savoir si je guérirai de cette maladie. Mais l'ange
de l'Éternel dit à Élie, le Thischbite : Lève -toi, monte à la rencontre des messagers du roi de
Samarie, et dis -leur : Est-ce parce qu'il n'y a point de Dieu en Israël que vous allez consulter Baal-
4 Zebub, dieu d'Ékron ? C'est pourquoi ainsi parle l'Éternel : Tu ne descendras pas du lit sur lequel tu es
5 monté, car tu mourras. Et Élie s'en alla. Les messagers retournèrent auprès d'Achazia. Et il leur dit :
6 Pourquoi revenez -vous ? Ils lui répondirent : Un homme est monté à notre rencontre, et nous a dit :
Allez, retournez vers le roi qui vous a envoyés, et dites -lui : Ainsi parle l'Éternel : Est-ce parce qu'il
n'y a point de Dieu en Israël que tu envoies consulter Baal-Zebub, dieu d'Ékron ? C'est pourquoi tu ne
7 descendras pas du lit sur lequel tu es monté, car tu mourras. Achazia leur dit : Quel air avait l'homme
8 qui est monté à votre rencontre et qui vous a dit ces paroles ? Ils lui répondirent : C'était un homme
vêtu de poil et ayant une ceinture de cuir autour des reins. Et Achazia dit : C'est Élie, le Thischbite.
9 Il envoya vers lui un chef de cinquante avec ses cinquante hommes. Ce chef monta auprès d'Élie, qui
10 était assis sur le sommet de la montagne, et il lui dit : Homme de Dieu, le roi a dit : Descends ! Élie
répondit au chef de cinquante : Si je suis un homme de Dieu, que le feu descende du ciel et te consume,
toi et tes cinquante hommes ! Et le feu descendit du ciel et le consuma, lui et ses cinquante hommes.
11 Achazia envoya de nouveau vers lui un autre chef de cinquante avec ses cinquante hommes. Ce chef prit
12 la parole et dit à Élie : Homme de Dieu, ainsi a dit le roi : Hâte -toi de descendre ! Élie leur répondit : Si
je suis un homme de Dieu, que le feu descende du ciel et te consume, toi et tes cinquante hommes ! Et le
13 feu de Dieu descendit du ciel et le consuma, lui et ses cinquante hommes. Achazia envoya de nouveau
un troisième chef de cinquante avec ses cinquante hommes. Ce troisième chef de cinquante monta ; et
à son arrivée, il fléchit les genoux devant Élie, et lui dit en suppliant : Homme de Dieu, que ma vie, je
14 te prie, et que la vie de ces cinquante hommes tes serviteurs soit précieuse à tes yeux ! Voici, le feu
est descendu du ciel et a consumé les deux premiers chefs de cinquante et leurs cinquante hommes :
15 mais maintenant, que ma vie soit précieuse à tes yeux ! L'ange de l'Éternel dit à Élie : Descends avec
16 lui, n'aie aucune crainte de lui. Élie se leva et descendit avec lui vers le roi. Il lui dit : Ainsi parle
l'Éternel : Parce que tu as envoyé des messagers pour consulter Baal-Zebub, dieu d'Ékron, comme s'il
n'y avait en Israël point de Dieu dont on puisse consulter la parole, tu ne descendras pas du lit sur
17 lequel tu es monté, car tu mourras. Achazia mourut, selon la parole de l'Éternel prononcée par Élie. Et
Joram régna à sa place, la seconde année de Joram, fils de Josaphat, roi de Juda ; car il n'avait point de
18 fils. Le reste des actions d'Achazia, et ce qu'il a fait, cela n'est-il pas écrit dans le livre des Chroniques
des rois d'Israël ?

2, 2 Lorsque l'Éternel fit monter Élie au ciel dans un tourbillon, Élie partait de Guilgal avec Élisée. Élie
dit à Élisée : Reste ici, je te prie, car l'Éternel m'envoie jusqu'à Béthel. Élisée répondit : L'Éternel est
3 vivant et ton âme est vivante ! je ne te quitterai point. Et ils descendirent à Béthel. Les fils des pro-
phètes qui étaient à Béthel sortirent vers Élisée, et lui dirent : Sais -tu que l'Éternel enlève aujourd'hui
4 ton maître au-dessus de ta tête ? Et il répondit : Je le sais aussi ; taisez -vous. Élie lui dit : Élisée,
reste ici, je te prie, car l'Éternel m'envoie à Jéricho. Il répondit : L'Éternel est vivant et ton âme est
5 vivante ! je ne te quitterai point. Et ils arrivèrent à Jéricho. Les fils des prophètes qui étaient à Jéricho
s'approchèrent d'Élisée, et lui dirent : Sais -tu que l'Éternel enlève aujourd'hui ton maître au-dessus
6 de ta tête ? Et il répondit : Je le sais aussi ; taisez -vous. Élie lui dit : Reste ici, je te prie, car l'Éternel
m'envoie au Jourdain. Il répondit : L'Éternel est vivant et ton âme est vivante ! je ne te quitterai point.
7 Et ils poursuivirent tous deux leur chemin. Cinquante hommes d'entre les fils des prophètes arrivèrent
8 et s'arrêtèrent à distance vis-à-vis, et eux deux s'arrêtèrent au bord du Jourdain. Alors Élie prit son
manteau, le roula, et en frappa les eaux, qui se partagèrent çà et là, et ils passèrent tous deux à sec.
9 Lorsqu'ils eurent passé, Élie dit à Élisée : Demande ce que tu veux que je fasse pour toi, avant que je
sois enlevé d'avec toi. Élisée répondit : Qu'il y ait sur moi, je te prie, une double portion de ton esprit !
10 Élie dit : Tu demandes une chose difficile. Mais si tu me vois pendant que je serai enlevé d'avec toi,
11 cela t'arrivera ainsi ; sinon, cela n'arrivera pas. Comme ils continuaient à marcher en parlant, voici,
un char de feu et des chevaux de feu les séparèrent l'un de l'autre, et Élie monta au ciel dans un tour-
12 billon. Élisée regardait et criait : Mon père ! mon père ! Char d'Israël et sa cavalerie ! Et il ne le vit plus.

Saisissant alors ses vêtements, il les déchira en deux morceaux, et il releva le manteau qu'Élie avait 13
laissé tomber. Puis il retourna, et s'arrêta au bord du Jourdain ; il prit le manteau qu'Élie avait laissé 14
tomber, et il en frappa les eaux, et dit : Où est l'Éternel, le Dieu d'Élie ? Lui aussi, il frappa les eaux, qui
se partagèrent çà et là, et Élisée passa. Les fils des prophètes qui étaient à Jéricho, vis-à-vis, l'ayant 15
vu, dirent : L'esprit d'Élie repose sur Élisée ! Et ils allèrent à sa rencontre, et se prosternèrent contre
terre devant lui. Ils lui dirent : Voici, il y a parmi tes serviteurs cinquante hommes vaillants ; veux-tu 16
qu'ils aillent chercher ton maître ? Peut-être que l'esprit de l'Éternel l'a emporté et l'a jeté sur quelque
montagne ou dans quelque vallée. Il répondit : Ne les envoyez pas. Mais ils le pressèrent longtemps ; 17
et il dit : Envoyez -les. Ils envoyèrent les cinquante hommes, qui cherchèrent Élie pendant trois jours
et ne le trouvèrent point. Lorsqu'ils furent de retour auprès d'Élisée, qui était à Jéricho, il leur dit : Ne 18
vous avais-je pas dit : N'allez pas ? Les gens de la ville dirent à Élisée : Voici, le séjour de la ville est 19
bon, comme le voit mon seigneur ; mais les eaux sont mauvaises, et le pays est stérile. Il dit : Apportez 20
-moi un plat neuf, et mettez -y du sel. Et ils le lui apportèrent. Il alla vers la source des eaux, et il y 21
jeta du sel, et dit : Ainsi parle l'Éternel : J'assainis ces eaux ; il n'en proviendra plus ni mort, ni stérilité.
Et les eaux furent assainies, jusqu'à ce jour, selon la parole qu'Élisée avait prononcée. Il monta de là à 22, 23
Béthel ; et comme il cheminait à la montée, des petits garçons sortirent de la ville, et se moquèrent de
lui. Ils lui disaient : Monte, chauve ! monte, chauve ! Il se retourna pour les regarder, et il les maudit 24
au nom de l'Éternel. Alors deux ours sortirent de la forêt, et déchirèrent quarante -deux de ces enfants.
De là il alla sur la montagne du Carmel, d'où il retourna à Samarie. 25

Joram, fils d'Achab, régna sur Israël à Samarie, la dix-huitième année de Josaphat, roi de Juda. Il **3**
régna douze ans. Il fit ce qui est mal aux yeux de l'Éternel, non pas toutefois comme son père et sa 2
mère. Il renversa les statues de Baal que son père avait faites ; mais il se livra aux péchés de Jéroboam, 3
fils de Nebath, qui avait fait pécher Israël, et il ne s'en détourna point. Méscha, roi de Moab, possédait 4
des troupeaux, et il payait au roi d'Israël un tribut de cent mille agneaux et de cent mille béliers avec
leur laine. À la mort d'Achab, le roi de Moab se révolta contre le roi d'Israël. Le roi Joram sortit alors 5, 6
de Samarie, et passa en revue tout Israël. Il se mit en marche, et il fit dire à Josaphat, roi de Juda : 7
Le roi de Moab s'est révolté contre moi ; veux-tu venir avec moi attaquer Moab ? Josaphat répondit :
J'irai, moi comme toi, mon peuple comme ton peuple, mes chevaux comme tes chevaux. Et il dit : Par 8
quel chemin monterons -nous ? Joram dit : Par le chemin du désert d'Édom. Le roi d'Israël, le roi de 9
Juda et le roi d'Édom, partirent ; et après une marche de sept jours, ils manquèrent d'eau pour l'armée
et pour les bêtes qui la suivaient. Alors le roi d'Israël dit : Hélas ! l'Éternel a appelé ces trois rois pour 10
les livrer entre les mains de Moab. Mais Josaphat dit : N'y a-t-il ici aucun prophète de l'Éternel, par 11
qui nous puissions consulter l'Éternel ? L'un des serviteurs du roi d'Israël répondit : Il y a ici Élisée, fils
de Schaphath, qui versait l'eau sur les mains d'Élie. Et Josaphat dit : La parole de l'Éternel est avec 12
lui. Le roi d'Israël, Josaphat et le roi d'Édom, descendirent auprès de lui. Élisée dit au roi d'Israël : 13
Qu'y a-t-il entre moi et toi ? Va vers les prophètes de ton père et vers les prophètes de ta mère. Et le
roi d'Israël lui dit : Non ! car l'Éternel a appelé ces trois rois pour les livrer entre les mains de Moab.
Élisée dit : L'Éternel des armées, dont je suis le serviteur, est vivant ! si je n'avais égard à Josaphat, 14
roi de Juda, je ne ferais aucune attention à toi et je ne te regarderais pas. Maintenant, amenez -moi 15
un joueur de harpe. Et comme le joueur de harpe jouait, la main de l'Éternel fut sur Élisée. Et il dit : 16
Ainsi parle l'Éternel : Faites dans cette vallée des fosses, des fosses ! Car ainsi parle l'Éternel : Vous 17
n'apercevrez point de vent et vous ne verrez point de pluie, et cette vallée se remplira d'eau, et vous
boirez, vous, vos troupeaux et votre bétail. Mais cela est peu de chose aux yeux de l'Éternel. Il livrera 18
Moab entre vos mains ; vous frapperez toutes les villes fortes et toutes les villes d'élite, vous abattrez 19
tous les bons arbres, vous boucherez toutes les sources d'eau, et vous ruinerez avec des pierres tous
les meilleurs champs. Or le matin, au moment de la présentation de l'offrande, voici, l'eau arriva du 20
chemin d'Édom, et le pays fut rempli d'eau. Cependant, tous les Moabites ayant appris que les rois 21
montaient pour les attaquer, on convoqua tous ceux en âge de porter les armes et même au-dessus, et
ils se tinrent sur la frontière. Ils se levèrent de bon matin, et quand le soleil brilla sur les eaux, les 22
Moabites virent en face d'eux les eaux rouges comme du sang. Ils dirent : C'est du sang ! les rois ont 23
tiré l'épée entre eux, ils se sont frappés les uns les autres ; maintenant, Moabites, au pillage ! Et ils 24
marchèrent contre le camp d'Israël. Mais Israël se leva, et frappa Moab, qui prit la fuite devant eux.
Ils pénétrèrent dans le pays, et frappèrent Moab. Ils renversèrent les villes, ils jetèrent chacun des 25
pierres dans tous les meilleurs champs et les en remplirent, ils bouchèrent toutes les sources d'eau, et
ils abattirent tous les bons arbres ; et les frondeurs enveloppèrent et battirent Kir-Haréseth, dont on ne

laissa que les pierres. Le roi de Moab, voyant qu'il avait le dessous dans le combat, prit avec lui sept
cents hommes tirant l'épée pour se frayer un passage jusqu'au roi d'Édom ; mais ils ne purent pas. Il
prit alors son fils premier-né, qui devait régner à sa place, et il l'offrit en holocauste sur la muraille. Et
une grande indignation s'empara d'Israël, qui s'éloigna du roi de Moab et retourna dans son pays.

4 Une femme d'entre les femmes des fils des prophètes cria à Élisée, en disant : Ton serviteur mon
mari est mort, et tu sais que ton serviteur craignait l'Éternel ; or le créancier est venu pour prendre
mes deux enfants et en faire ses esclaves. Élisée lui dit : Que puis-je faire pour toi ? Dis -moi, qu'as
-tu à la maison ? Elle répondit : Ta servante n'a rien du tout à la maison qu'un vase d'huile. Et il dit :
Va demander au dehors des vases chez tous tes voisins, des vases vides, et n'en demande pas un petit
nombre. Quand tu seras rentrée, tu fermeras la porte sur toi et sur tes enfants ; tu verseras dans tous
ces vases, et tu mettras de côté ceux qui seront pleins. Alors elle le quitta. Elle ferma la porte sur elle
et sur ses enfants ; ils lui présentaient les vases, et elle versait. Lorsque les vases furent pleins, elle dit
à son fils : Présente -moi encore un vase. Mais il lui répondit : Il n'y a plus de vase. Et l'huile s'arrêta.
Elle alla le rapporter à l'homme de Dieu, et il dit : Va vendre l'huile, et paie ta dette ; et tu vivras, toi et
tes fils, de ce qui restera. Un jour Élisée passait par Sunem. Il y avait là une femme de distinction, qui
le pressa d'accepter à manger. Et toutes les fois qu'il passait, il se rendait chez elle pour manger. Elle
dit à son mari : Voici, je sais que cet homme qui passe toujours chez nous est un saint homme de Dieu.
Faisons une petite chambre haute avec des murs, et mettons -y pour lui un lit, une table, un siège et
un chandelier, afin qu'il s'y retire quand il viendra chez nous. Élisée, étant revenu à Sunem, se retira
dans la chambre haute et y coucha. Il dit à Guéhazi, son serviteur : Appelle cette Sunamite. Guéhazi
l'appela, et elle se présenta devant lui. Et Élisée dit à Guéhazi : Dis -lui : Voici, tu nous as montré tout
cet empressement ; que peut-on faire pour toi ? Faut -il parler pour toi au roi ou au chef de l'armée ? Elle
répondit : J'habite au milieu de mon peuple. Et il dit : Que faire pour elle ? Guéhazi répondit : Mais,
elle n'a point de fils, et son mari est vieux. Et il dit : Appelle -la. Guéhazi l'appela, et elle se présenta
à la porte. Élisée lui dit : À cette même époque, l'année prochaine, tu embrasseras un fils. Et elle dit :
Non ! mon seigneur, homme de Dieu, ne trompe pas ta servante ! Cette femme devint enceinte, et elle
enfanta un fils à la même époque, l'année suivante, comme Élisée lui avait dit. L'enfant grandit. Et un
jour qu'il était allé trouver son père vers les moissonneurs, il dit à son père : Ma tête ! ma tête ! Le père
dit à son serviteur : Porte -le à sa mère. Le serviteur l'emporta et l'amena à sa mère. Et l'enfant resta
sur les genoux de sa mère jusqu'à midi, puis il mourut. Elle monta, le coucha sur le lit de l'homme
de Dieu, ferma la porte sur lui, et sortit. Elle appela son mari, et dit : Envoie -moi, je te prie, un des
serviteurs et une des ânesses ; je veux aller en hâte vers l'homme de Dieu, et je reviendrai. Et il dit :
Pourquoi veux-tu aller aujourd'hui vers lui ? Ce n'est ni nouvelle lune ni sabbat. Elle répondit : Tout va
bien. Puis elle fit seller l'ânesse, et dit à son serviteur : Mène et pars ; ne m'arrête pas en route sans que
je te le dise. Elle partit donc et se rendit vers l'homme de Dieu sur la montagne du Carmel. L'homme de
Dieu, l'ayant aperçue de loin, dit à Guéhazi, son serviteur : Voici cette Sunamite ! Maintenant, cours
donc à sa rencontre, et dis -lui : Te portes-tu bien ? Ton mari et ton enfant se portent-ils bien ? Elle
répondit : Bien. Et dès qu'elle fut arrivée auprès de l'homme de Dieu sur la montagne, elle embrassa
ses pieds. Guéhazi s'approcha pour la repousser. Mais l'homme de Dieu dit : Laisse -la, car son âme
est dans l'amertume, et l'Éternel me l'a caché et ne me l'a point fait connaître. Alors elle dit : Ai-je
demandé un fils à mon seigneur ? N'ai-je pas dit : Ne me trompe pas ? Et Élisée dit à Guéhazi : Ceins
tes reins, prends mon bâton dans ta main, et pars. Si tu rencontres quelqu'un, ne le salue pas ; et si
quelqu'un te salue, ne lui réponds pas. Tu mettras mon bâton sur le visage de l'enfant. La mère de
l'enfant dit : L'Éternel est vivant et ton âme est vivante ! je ne te quitterai point. Et il se leva et la
suivit. Guéhazi les avait devancés, et il avait mis le bâton sur le visage de l'enfant ; mais il n'y eut ni
voix ni signe d'attention. Il s'en retourna à la rencontre d'Élisée, et lui rapporta la chose, en disant :
L'enfant ne s'est pas réveillé. Lorsque Élisée arriva dans la maison, voici, l'enfant était mort, couché
sur son lit. Élisée entra et ferma la porte sur eux deux, et il pria l'Éternel. Il monta, et se coucha sur
l'enfant ; il mit sa bouche sur sa bouche, ses yeux sur ses yeux, ses mains sur ses mains, et il s'étendit
sur lui. Et la chair de l'enfant se réchauffa. Élisée s'éloigna, alla çà et là par la maison, puis remonta et
s'étendit sur l'enfant. Et l'enfant éternua sept fois, et il ouvrit les yeux. Élisée appela Guéhazi, et dit :
Appelle cette Sunamite. Guéhazi l'appela, et elle vint vers Élisée, qui dit : Prends ton fils ! Elle alla
se jeter à ses pieds, et se prosterna contre terre. Et elle prit son fils, et sortit. Élisée revint à Guilgal,
et il y avait une famine dans le pays. Comme les fils des prophètes étaient assis devant lui, il dit à
son serviteur : Mets le grand pot, et fais cuire un potage pour les fils des prophètes. L'un d'eux sortit
dans les champs pour cueillir des herbes ; il trouva de la vigne sauvage et il y cueillit des coloquintes

sauvages, plein son vêtement. Quand il rentra, il les coupa en morceaux dans le pot où était le potage,
car on ne les connaissait pas. On servit à manger à ces hommes ; mais dès qu'ils eurent mangé du 40
potage, ils s'écrièrent : La mort est dans le pot, homme de Dieu ! Et ils ne purent manger. Élisée dit : 41
Prenez de la farine. Il en jeta dans le pot, et dit : Sers à ces gens, et qu'ils mangent. Et il n'y avait plus
rien de mauvais dans le pot. Un homme arriva de Baal-Schalischa. Il apporta du pain des prémices à 42
l'homme de Dieu, vingt pains d'orge, et des épis nouveaux dans son sac. Élisée dit : Donne à ces gens,
et qu'ils mangent. Son serviteur répondit : Comment pourrais-je en donner à cent personnes ? Mais 43
Élisée dit : Donne à ces gens, et qu'ils mangent ; car ainsi parle l'Éternel : On mangera, et on en aura
de reste. Il mit alors les pains devant eux ; et ils mangèrent et en eurent de reste, selon la parole de 44
l'Éternel.

Naaman, chef de l'armée du roi de Syrie, jouissait de la faveur de son maître et d'une grande consi- **5**
dération ; car c'était par lui que l'Éternel avait délivré les Syriens. Mais cet homme fort et vaillant était
lépreux. Or les Syriens étaient sortis par troupes, et ils avaient emmené captive une petite fille du 2
pays d'Israël, qui était au service de la femme de Naaman. Et elle dit à sa maîtresse : Oh ! si mon 3
seigneur était auprès du prophète qui est à Samarie, le prophète le guérirait de sa lèpre ! Naaman alla 4
dire à son maître : La jeune fille du pays d'Israël a parlé de telle et telle manière. Et le roi de Syrie dit : 5
Va, rends -toi à Samarie, et j'enverrai une lettre au roi d'Israël. Il partit, prenant avec lui dix talents
d'argent, six mille sicles d'or, et dix vêtements de rechange. Il porta au roi d'Israël la lettre, où il était 6
dit : Maintenant, quand cette lettre te sera parvenue, tu sauras que je t'envoie Naaman, mon serviteur,
afin que tu le guérisses de sa lèpre. Après avoir lu la lettre, le roi d'Israël déchira ses vêtements, et 7
dit : Suis-je un dieu, pour faire mourir et pour faire vivre, qu'il s'adresse à moi afin que je guérisse un
homme de sa lèpre ? Sachez donc et comprenez qu'il cherche une occasion de dispute avec moi. Lors- 8
qu'Élisée, homme de Dieu, apprit que le roi d'Israël avait déchiré ses vêtements, il envoya dire au roi :
Pourquoi as-tu déchiré tes vêtements ? Laisse-le venir à moi, et il saura qu'il y a un prophète en Is-
raël. Naaman vint avec ses chevaux et son char, et il s'arrêta à la porte de la maison d'Élisée. Élisée 9, 10
lui fit dire par un messager : Va, et lave -toi sept fois dans le Jourdain ; ta chair redeviendra saine,
et tu seras pur. Naaman fut irrité, et il s'en alla, en disant : Voici, je me disais : Il sortira vers moi, 11
il se présentera lui-même, il invoquera le nom de l'Éternel, son Dieu, il agitera sa main sur la place
et guérira le lépreux. Les fleuves de Damas, l'Abana et le Parpar, ne valent-ils pas mieux que toutes 12
les eaux d'Israël ? Ne pourrais-je pas m'y laver et devenir pur ? Et il s'en retournait et partait avec
fureur. Mais ses serviteurs s'approchèrent pour lui parler, et ils dirent : Mon père, si le prophète t'eût 13
demandé quelque chose de difficile, ne l'aurais-tu pas fait ? Combien plus dois-tu faire ce qu'il t'a dit :
Lave -toi, et tu seras pur ! Il descendit alors et se plongea sept fois dans le Jourdain, selon la parole 14
de l'homme de Dieu ; et sa chair redevint comme la chair d'un jeune enfant, et il fut pur. Naaman 15
retourna vers l'homme de Dieu, avec toute sa suite. Lorsqu'il fut arrivé, il se présenta devant lui, et
dit : Voici, je reconnais qu'il n'y a point de Dieu sur toute la terre, si ce n'est en Israël. Et maintenant,
accepte, je te prie, un présent de la part de ton serviteur. Élisée répondit : L'Éternel, dont je suis le 16
serviteur, est vivant ! je n'accepterai pas. Naaman le pressa d'accepter, mais il refusa. Alors Naaman 17
dit : Puisque tu refuses, permets que l'on donne de la terre à ton serviteur, une charge de deux mulets ;
car ton serviteur ne veut plus offrir à d'autres dieux ni holocauste ni sacrifice, il n'en offrira qu'à l'Éter-
nel. Voici toutefois ce que je prie l'Éternel de pardonner à ton serviteur. Quand mon maître entre dans 18
la maison de Rimmon pour s'y prosterner et qu'il s'appuie sur ma main, je me prosterne aussi dans
la maison de Rimmon : veuille l'Éternel pardonner à ton serviteur, lorsque je me prosternerai dans la
maison de Rimmon ! Élisée lui dit : Va en paix. Lorsque Naaman eut quitté Élisée et qu'il fut à une 19
certaine distance, Guéhazi, serviteur d'Élisée, homme de Dieu, se dit en lui-même : Voici, mon maître 20
a ménagé Naaman, ce Syrien, en n'acceptant pas de sa main ce qu'il avait apporté ; l'Éternel est vivant !
je vais courir après lui, et j'en obtiendrai quelque chose. Et Guéhazi courut après Naaman. Naaman, 21
le voyant courir après lui, descendit de son char pour aller à sa rencontre, et dit : Tout va-t-il bien ? Il 22
répondit : Tout va bien. Mon maître m'envoie te dire : Voici, il vient d'arriver chez moi deux jeunes gens
de la montagne d'Éphraïm, d'entre les fils des prophètes ; donne pour eux, je te prie, un talent d'argent
et deux vêtements de rechange. Naaman dit : Consens à prendre deux talents. Il le pressa, et il serra 23
deux talents d'argent dans deux sacs, donna deux habits de rechange, et les fit porter devant Guéhazi
par deux de ses serviteurs. Arrivé à la colline, Guéhazi les prit de leurs mains et les déposa dans la 24
maison, et il renvoya ces gens qui partirent. Puis il alla se présenter à son maître. Élisée lui dit : D'où 25
viens-tu, Guéhazi ? Il répondit : Ton serviteur n'est allé ni d'un côté ni d'un autre. Mais Élisée lui dit : 26
Mon esprit n'était pas absent, lorsque cet homme a quitté son char pour venir à ta rencontre. Est-ce le
temps de prendre de l'argent et de prendre des vêtements, puis des oliviers, des vignes, des brebis, des

27 boeufs, des serviteurs et des servantes ? La lèpre de Naaman s'attachera à toi et à ta postérité pour
toujours. Et Guéhazi sortit de la présence d'Élisée avec une lèpre comme la neige.
6 Les fils des prophètes dirent à Élisée : Voici, le lieu où nous sommes assis devant toi est trop étroit
2 pour nous. Allons jusqu'au Jourdain ; nous prendrons là chacun une poutre, et nous nous y ferons un
3 lieu d'habitation. Élisée répondit : Allez. Et l'un d'eux dit : Consens à venir avec tes serviteurs. Il
4, 5 répondit : J'irai. Il partit donc avec eux. Arrivés au Jourdain, ils coupèrent du bois. Et comme l'un
d'eux abattait une poutre, le fer tomba dans l'eau. Il s'écria : Ah ! mon seigneur, il était emprunté !
6 L'homme de Dieu dit : Où est-il tombé ? Et il lui montra la place. Alors Élisée coupa un morceau de bois,
7 le jeta à la même place, et fit surnager le fer. Puis il dit : Enlève -le ! Et il avança la main, et le prit.
8 Le roi de Syrie était en guerre avec Israël, et, dans un conseil qu'il tint avec ses serviteurs, il dit : Mon
9 camp sera dans un tel lieu. Mais l'homme de Dieu fit dire au roi d'Israël : Garde -toi de passer dans ce
10 lieu, car les Syriens y descendent. Et le roi d'Israël envoya des gens, pour s'y tenir en observation, vers
11 le lieu que lui avait mentionné et signalé l'homme de Dieu. Cela arriva non pas une fois ni deux fois. Le
roi de Syrie en eut le coeur agité ; il appela ses serviteurs, et leur dit : Ne voulez-vous pas me déclarer
12 lequel de nous est pour le roi d'Israël ? L'un de ses serviteurs répondit : Personne ! ô roi mon seigneur ;
mais Élisée, le prophète, qui est en Israël, rapporte au roi d'Israël les paroles que tu prononces dans ta
13 chambre à coucher. Et le roi dit : Allez et voyez où il est, et je le ferai prendre. On vint lui dire : Voici,
14 il est à Dothan. Il y envoya des chevaux, des chars et une forte troupe, qui arrivèrent de nuit et qui
15 enveloppèrent la ville. Le serviteur de l'homme de Dieu se leva de bon matin et sortit ; et voici, une
troupe entourait la ville, avec des chevaux et des chars. Et le serviteur dit à l'homme de Dieu : Ah ! mon
16 seigneur, comment ferons -nous ? Il répondit : Ne crains point, car ceux qui sont avec nous sont en plus
17 grand nombre que ceux qui sont avec eux. Élisée pria, et dit : Éternel, ouvre ses yeux, pour qu'il voie.
Et l'Éternel ouvrit les yeux du serviteur, qui vit la montagne pleine de chevaux et de chars de feu autour
18 d'Élisée. Les Syriens descendirent vers Élisée. Il adressa alors cette prière à l'Éternel : Daigne frapper
19 d'aveuglement cette nation ! Et l'Éternel les frappa d'aveuglement, selon la parole d'Élisée. Élisée leur
dit : Ce n'est pas ici le chemin, et ce n'est pas ici la ville ; suivez -moi, et je vous conduirai vers l'homme
20 que vous cherchez. Et il les conduisit à Samarie. Lorsqu'ils furent entrés dans Samarie, Élisée dit :
Éternel, ouvre les yeux de ces gens, pour qu'ils voient ! Et l'Éternel ouvrit leurs yeux, et ils virent qu'ils
21 étaient au milieu de Samarie. Le roi d'Israël, en les voyant, dit à Élisée : Frapperai -je, frapperai -je,
22 mon père ? Tu ne frapperas point, répondit Élisée ; est-ce que tu frappes ceux que tu fais prisonniers
avec ton épée et avec ton arc ? Donne -leur du pain et de l'eau, afin qu'ils mangent et boivent ; et qu'ils
23 s'en aillent ensuite vers leur maître. Le roi d'Israël leur fit servir un grand repas, et ils mangèrent et
burent ; puis il les renvoya, et ils s'en allèrent vers leur maître. Et les troupes des Syriens ne revinrent
24 plus sur le territoire d'Israël. Après cela, Ben-Hadad, roi de Syrie, ayant rassemblé toute son armée,
25 monta et assiégea Samarie. Il y eut une grande famine dans Samarie ; et ils la serrèrent tellement
qu'une tête d'âne valait quatre-vingts sicles d'argent, et le quart d'un kab de fiente de pigeon cinq sicles
26 d'argent. Et comme le roi passait sur la muraille, une femme lui cria : Sauve -moi, ô roi, mon seigneur !
27 Il répondit : Si l'Éternel ne te sauve pas, avec quoi te sauverais -je ? avec le produit de l'aire ou du
28 pressoir ? Et le roi lui dit : Qu'as-tu ? Elle répondit : Cette femme -là m'a dit : Donne ton fils ! nous le
29 mangerons aujourd'hui, et demain nous mangerons mon fils. Nous avons fait cuire mon fils, et nous
l'avons mangé. Et le jour suivant, je lui ai dit : Donne ton fils, et nous le mangerons. Mais elle a caché
30 son fils. Lorsque le roi entendit les paroles de cette femme, il déchira ses vêtements, en passant sur la
31 muraille ; et le peuple vit qu'il avait en dedans un sac sur son corps. Le roi dit : Que Dieu me punisse
32 dans toute sa rigueur, si la tête d'Élisée, fils de Schaphath, reste aujourd'hui sur lui ! Or Élisée était
assis dans sa maison, et les anciens étaient assis auprès de lui. Le roi envoya quelqu'un devant lui.
Mais avant que le messager soit arrivé, Élisée dit aux anciens : Voyez -vous que ce fils d'assassin envoie
quelqu'un pour m'ôter la tête ? Écoutez ! quand le messager viendra, fermez la porte, et repoussez -le
33 avec la porte : le bruit des pas de son maître ne se fait-il pas entendre derrière lui ? Il leur parlait
encore, et déjà le messager était descendu vers lui, et disait : Voici, ce mal vient de l'Éternel ; qu'ai-je à
espérer encore de l'Éternel ?
7 Élisée dit : Écoutez la parole de l'Éternel ! Ainsi parle l'Éternel : Demain, à cette heure, on aura une
mesure de fleur de farine pour un sicle et deux mesures d'orge pour un sicle, à la porte de Samarie.
2 L'officier sur la main duquel s'appuyait le roi répondit à l'homme de Dieu : Quand l'Éternel ferait des
fenêtres au ciel, pareille chose arriverait-elle ? Et Élisée dit : Tu le verras de tes yeux ; mais tu n'en
3 mangeras point. Il y avait à l'entrée de la porte quatre lépreux, qui se dirent l'un à l'autre : Quoi !
4 resterons -nous ici jusqu'à ce que nous mourions ? Si nous songeons à entrer dans la ville, la famine

est dans la ville, et nous y mourrons ; et si nous restons ici, nous mourrons également. Allons nous
jeter dans le camp des Syriens ; s'ils nous laissent vivre, nous vivrons et s'ils nous font mourir, nous
mourrons. Ils partirent donc au crépuscule, pour se rendre au camp des Syriens ; et lorsqu'ils furent 5
arrivés à l'entrée du camp des Syriens, voici, il n'y avait personne. Le Seigneur avait fait entendre dans 6
le camp des Syriens un bruit de chars et un bruit de chevaux, le bruit d'une grande armée, et ils s'étaient
dit l'un à l'autre : Voici, le roi d'Israël a pris à sa solde contre nous les rois des Héthiens et les rois des
Égyptiens pour venir nous attaquer. Et ils se levèrent et prirent la fuite au crépuscule, abandonnant 7
leurs tentes, leurs chevaux et leurs ânes, le camp tel qu'il était, et ils s'enfuirent pour sauver leur vie.
Les lépreux, étant arrivés à l'entrée du camp, pénétrèrent dans une tente, mangèrent et burent, et en 8
emportèrent de l'argent, de l'or, et des vêtements, qu'ils allèrent cacher. Ils revinrent, pénétrèrent dans
une autre tente, et en emportèrent des objets qu'ils allèrent cacher. Puis ils se dirent l'un à l'autre : 9
Nous n'agissons pas bien ! Cette journée est une journée de bonne nouvelle ; si nous gardons le silence et
si nous attendons jusqu'à la lumière du matin, le châtiment nous atteindra. Venez maintenant, et allons
informer la maison du roi. Ils partirent, et ils appelèrent les gardes de la porte de la ville, auxquels ils 10
firent ce rapport : Nous sommes entrés dans le camp des Syriens, et voici, il n'y a personne, on n'y entend
aucune voix d'homme ; il n'y a que des chevaux attachés et des ânes attachés, et les tentes comme elles
étaient. Les gardes de la porte crièrent, et ils transmirent ce rapport à l'intérieur de la maison du roi. 11
Le roi se leva de nuit, et il dit à ses serviteurs : Je veux vous communiquer ce que nous font les Syriens. 12
Comme ils savent que nous sommes affamés, ils ont quitté le camp pour se cacher dans les champs, et
ils se sont dit : Quand ils sortiront de la ville, nous les saisirons vivants, et nous entrerons dans la ville.
L'un des serviteurs du roi répondit : Que l'on prenne cinq des chevaux qui restent encore dans la ville, 13
-ils sont comme toute la multitude d'Israël qui y est restée, ils sont comme toute la multitude d'Israël
qui dépérit, -et envoyons voir ce qui se passe. On prit deux chars avec les chevaux, et le roi envoya 14
des messagers sur les traces de l'armée des Syriens, en disant : Allez et voyez. Ils allèrent après eux 15
jusqu'au Jourdain ; et voici, toute la route était pleine de vêtements et d'objets que les Syriens avaient
jetés dans leur précipitation. Les messagers revinrent, et le rapportèrent au roi. Le peuple sortit, et 16
pilla le camp des Syriens. Et l'on eut une mesure de fleur de farine pour un sicle et deux mesures d'orge
pour un sicle, selon la parole de l'Éternel. Le roi avait remis la garde de la porte à l'officier sur la main 17
duquel il s'appuyait ; mais cet officier fut écrasé à la porte par le peuple et il mourut, selon la parole
qu'avait prononcée l'homme de Dieu quand le roi était descendu vers lui. L'homme de Dieu avait dit 18
alors au roi : On aura deux mesures d'orge pour un sicle et une mesure de fleur de farine pour un sicle,
demain, à cette heure, à la porte de Samarie. Et l'officier avait répondu à l'homme de Dieu : Quand 19
l'Éternel ferait des fenêtres au ciel, pareille chose arriverait-elle ? Et Élisée avait dit : Tu le verras de
tes yeux ; mais tu n'en mangeras point. C'est en effet ce qui lui arriva : il fut écrasé à la porte par le 20
peuple, et il mourut.

Élisée dit à la femme dont il avait fait revivre le fils : Lève -toi, va t'en, toi et ta maison, et séjourne **8**
où tu pourras ; car l'Éternel appelle la famine, et même elle vient sur le pays pour sept années. La 2
femme se leva, et elle fit selon la parole de l'homme de Dieu : elle s'en alla, elle et sa maison, et séjourna
sept ans au pays des Philistins. Au bout des sept ans, la femme revint du pays des Philistins, et elle 3
alla implorer le roi au sujet de sa maison et de son champ. Le roi s'entretenait avec Guéhazi, serviteur 4
de l'homme de Dieu, et il disait : Raconte -moi, je te prie, toutes les grandes choses qu'Élisée a faites.
Et pendant qu'il racontait au roi comment Élisée avait rendu la vie à un mort, la femme dont Élisée 5
avait fait revivre le fils vint implorer le roi au sujet de sa maison et de son champ. Guéhazi dit : O roi,
mon seigneur, voici la femme, et voici son fils qu'Élisée a fait revivre. Le roi interrogea la femme, et 6
elle lui fit le récit. Puis le roi lui donna un eunuque, auquel il dit : Fais restituer tout ce qui appartient à
cette femme, avec tous les revenus du champ, depuis le jour où elle a quitté le pays jusqu'à maintenant.
Élisée se rendit à Damas. Ben-Hadad, roi de Syrie, était malade ; et on l'avertit, en disant : L'homme 7
de Dieu est arrivé ici. Le roi dit à Hazaël : Prends avec toi un présent, et va au-devant de l'homme 8
de Dieu ; consulte par lui l'Éternel, en disant : Guérirai -je de cette maladie ? Hazaël alla au-devant 9
d'Élisée, prenant avec lui un présent, tout ce qu'il y avait de meilleur à Damas, la charge de quarante
chameaux. Lorsqu'il fut arrivé, il se présenta à lui, et dit : Ton fils Ben-Hadad, roi de Syrie, m'envoie
vers toi pour dire : Guérirai -je de cette maladie ? Élisée lui répondit : Va, dis -lui : Tu guériras ! Mais 10
l'Éternel m'a révélé qu'il mourra. L'homme de Dieu arrêta son regard sur Hazaël, et le fixa longtemps, 11
puis il pleura. Hazaël dit : Pourquoi mon seigneur pleure -t-il ? Et Élisée répondit : Parce que je sais 12
le mal que tu feras aux enfants d'Israël ; tu mettras le feu à leurs villes fortes, tu tueras avec l'épée
leurs jeunes gens, tu écraseras leurs petits enfants, et tu fendras le ventre de leurs femmes enceintes.
Hazaël dit : Mais qu'est-ce que ton serviteur, ce chien, pour faire de si grandes choses ? Et Élisée dit : 13

14 L'Éternel m'a révélé que tu seras roi de Syrie. Hazaël quitta Élisée, et revint auprès de son maître,
15 qui lui dit : Que t'a dit Élisée ? Et il répondit : Il m'a dit : Tu guériras ! Le lendemain, Hazaël prit une
couverture, qu'il plongea dans l'eau, et il l'étendit sur le visage du roi, qui mourut. Et Hazaël régna à
16 sa place. La cinquième année de Joram, fils d'Achab, roi d'Israël, Joram, fils de Josaphat, roi de Juda,
17, 18 régna. Il avait trente -deux ans lorsqu'il devint roi, et il régna huit ans à Jérusalem. Il marcha dans
la voie des rois d'Israël, comme avait fait la maison d'Achab, car il avait pour femme une fille d'Achab,
19 et il fit ce qui est mal aux yeux de l'Éternel. Mais l'Éternel ne voulut point détruire Juda, à cause de
David, son serviteur, selon la promesse qu'il lui avait faite de lui donner toujours une lampe parmi ses
20, 21 fils. De son temps, Édom se révolta contre l'autorité de Juda, et se donna un roi. Joram passa à Tsaïr,
avec tous ses chars ; s'étant levé de nuit, il battit les Édomites, qui l'entouraient et les chefs des chars, et
22 le peuple s'enfuit dans ses tentes. La rébellion d'Édom contre l'autorité de Juda a duré jusqu'à ce jour.
23 Libna se révolta aussi dans le même temps. Le reste des actions de Joram, et tout ce qu'il a fait, cela
24 n'est-il pas écrit dans le livre des Chroniques des rois de Juda ? Joram se coucha avec ses pères, et il fut
25 enterré avec ses pères dans la ville de David. Et Achazia, son fils, régna à sa place. La douzième année
26 de Joram, fils d'Achab, roi d'Israël, Achazia, fils de Joram, roi de Juda, régna. Achazia avait vingt
-deux ans lorsqu'il devint roi, et il régna un an à Jérusalem. Sa mère s'appelait Athalie, fille d'Omri,
27 roi d'Israël. Il marcha dans la voie de la maison d'Achab, et il fit ce qui est mal aux yeux de l'Éternel,
28 comme la maison d'Achab, car il était allié par mariage à la maison d'Achab. Il alla avec Joram, fils
d'Achab, à la guerre contre Hazaël, roi de Syrie, à Ramoth en Galaad. Et les Syriens blessèrent Joram.
29 Le roi Joram s'en retourna pour se faire guérir à Jizreel des blessures que les Syriens lui avaient faites
à Rama, lorsqu'il se battait contre Hazaël, roi de Syrie. Achazia, fils de Joram, roi de Juda, descendit
pour voir Joram, fils d'Achab, à Jizreel, parce qu'il était malade.

9 Élisée, le prophète, appela l'un des fils des prophètes, et lui dit : Ceins tes reins, prends avec toi
2 cette fiole d'huile, et va à Ramoth en Galaad. Quand tu y seras arrivé, vois Jéhu, fils de Josaphat, fils
de Nimschi. Tu iras le faire lever du milieu de ses frères, et tu le conduiras dans une chambre retirée.
3 Tu prendras la fiole d'huile, que tu répandras sur sa tête, et tu diras : Ainsi parle l'Éternel : Je t'oins
4 roi d'Israël ! Puis tu ouvriras la porte, et tu t'enfuiras sans t'arrêter. Le jeune homme, serviteur du
5 prophète, partit pour Ramoth en Galaad. Quand il arriva, voici, les chefs de l'armée étaient assis. Il
6 dit : Chef, j'ai un mot à te dire. Et Jéhu dit : Auquel de nous tous ? Il répondit : À toi, chef. Jéhu
se leva et entra dans la maison, et le jeune homme répandit l'huile sur sa tête, en lui disant : Ainsi
7 parle l'Éternel, le Dieu d'Israël : Je t'oins roi d'Israël, du peuple de l'Éternel. Tu frapperas la maison
d'Achab, ton maître, et je vengerai sur Jézabel le sang de mes serviteurs les prophètes et le sang de
8 tous les serviteurs de l'Éternel. Toute la maison d'Achab périra ; j'exterminerai quiconque appartient à
9 Achab, celui qui est esclave et celui qui est libre en Israël, et je rendrai la maison d'Achab semblable à
10 la maison de Jéroboam, fils de Nebath, et à la maison de Baescha, fils d'Achija. Les chiens mangeront
Jézabel dans le champ de Jizreel, et il n'y aura personne pour l'enterrer. Puis le jeune homme ouvrit
11 la porte, et s'enfuit. Lorsque Jéhu sortit pour rejoindre les serviteurs de son maître, on lui dit : Tout
va-t-il bien ? Pourquoi ce fou est-il venu vers toi ? Jéhu leur répondit : Vous connaissez bien l'homme
12 et ce qu'il peut dire. Mais ils répliquèrent : Mensonge ! Réponds -nous donc ! Et il dit : Il m'a parlé de
13 telle et telle manière, disant : Ainsi parle l'Éternel : Je t'oins roi d'Israël. Aussitôt ils prirent chacun
leurs vêtements, qu'ils mirent sous Jéhu au haut des degrés ; ils sonnèrent de la trompette, et dirent :
14 Jéhu est roi ! Ainsi Jéhu, fils de Josaphat, fils de Nimschi, forma une conspiration contre Joram. -Or
15 Joram et tout Israël défendaient Ramoth en Galaad contre Hazaël, roi de Syrie ; mais le roi Joram s'en
était retourné pour se faire guérir à Jizreel des blessures que les Syriens lui avaient faites, lorsqu'il se
battait contre Hazaël, roi de Syrie. -Jéhu dit : Si c'est votre volonté, personne ne s'échappera de la ville
16 pour aller porter la nouvelle à Jizreel. Et Jéhu monta sur son char et partit pour Jizreel, car Joram y
17 était alité, et Achazia, roi de Juda, était descendu pour le visiter. La sentinelle placée sur la tour de
Jizreel vit venir la troupe de Jéhu, et dit : Je vois une troupe. Joram dit : Prends un cavalier, et envoie
18 -le au-devant d'eux pour demander si c'est la paix. Le cavalier alla au-devant de Jéhu, et dit : Ainsi
parle le roi : Est-ce la paix ? Et Jéhu répondit : Que t'importe la paix ? Passe derrière moi. La sentinelle
19 en donna avis, et dit : Le messager est allé jusqu'à eux, et il ne revient pas. Joram envoya un second
cavalier, qui arriva vers eux et dit : Ainsi parle le roi : Est-ce la paix ? Et Jéhu répondit : Que t'importe
20 la paix ? Passe derrière moi. La sentinelle en donna avis, et dit : Il est allé jusqu'à eux, et il ne revient
21 pas. Et le train est comme celui de Jéhu, fils de Nimschi, car il conduit d'une manière insensée. Alors
Joram dit : Attelle ! Et on attela son char. Joram, roi d'Israël, et Achazia, roi de Juda, sortirent chacun
dans son char pour aller au-devant de Jéhu, et ils le rencontrèrent dans le champ de Naboth de Jizreel.
22 Dès que Joram vit Jéhu, il dit : Est-ce la paix, Jéhu ? Jéhu répondit : Quoi, la paix ! tant que durent les
23 prostitutions de Jézabel, ta mère, et la multitude de ses sortilèges ! Joram tourna bride et s'enfuit, et

il dit à Achazia : Trahison, Achazia ! Mais Jéhu saisit son arc, et il frappa Joram entre les épaules : la 24
flèche sortit par le coeur, et Joram s'affaissa dans son char. Jéhu dit à son officier Bidkar : Prends -le, et 25
jette -le dans le champ de Naboth de Jizreel ; car souviens -t'en, lorsque moi et toi, nous étions ensemble
à cheval derrière Achab, son père, l'Éternel prononça contre lui cette sentence : J'ai vu hier le sang de 26
Naboth et le sang de ses fils, dit l'Éternel, et je te rendrai la pareille dans ce champ même, dit l'Éternel !
Prends -le donc, et jette -le dans le champ, selon la parole de l'Éternel. Achazia, roi de Juda, ayant vu 27
cela, s'enfuit par le chemin de la maison du jardin. Jéhu le poursuivit, et dit : Lui aussi, frappez -le sur
le char ! Et on le frappa à la montée de Gur, près de Jibleam. Il se réfugia à Meguiddo, et il y mourut.
Ses serviteurs le transportèrent sur un char à Jérusalem, et ils l'enterrèrent dans son sépulcre avec ses 28
pères, dans la ville de David. Achazia était devenu roi de Juda la onzième année de Joram, fils d'Achab. 29
Jéhu entra dans Jizreel. Jézabel, l'ayant appris, mit du fard à ses yeux, se para la tête, et regarda par 30
la fenêtre. Comme Jéhu franchissait la porte, elle dit : Est-ce la paix, nouveau Zimri, assassin de son 31
maître ? Il leva le visage vers la fenêtre, et dit : Qui est pour moi ? qui ? Et deux ou trois eunuques le 32
regardèrent en s'approchant de la fenêtre. Il dit : Jetez-la en bas ! Ils la jetèrent, et il rejaillit de son 33
sang sur la muraille et sur les chevaux. Jéhu la foula aux pieds ; puis il entra, mangea et but, et il 34
dit : Allez voir cette maudite, et enterrez -la, car elle est fille de roi. Ils allèrent pour l'enterrer ; mais 35
ils ne trouvèrent d'elle que le crâne, les pieds et les paumes des mains. Ils retournèrent l'annoncer à 36
Jéhu, qui dit : C'est ce qu'avait déclaré l'Éternel par son serviteur Élie, le Thischbite, en disant : Les
chiens mangeront la chair de Jézabel dans le champ de Jizreel ; et le cadavre de Jézabel sera comme 37
du fumier sur la face des champs, dans le champ de Jizreel, de sorte qu'on ne pourra dire : C'est Jézabel.

Il y avait dans Samarie soixante-dix fils d'Achab. Jéhu écrivit des lettres qu'il envoya à Samarie **10**
aux chefs de Jizreel, aux anciens, et aux gouverneurs des enfants d'Achab. Il y était dit : Maintenant, 2
quand cette lettre vous sera parvenue, -puisque vous avez avec vous les fils de votre maître, avec vous
les chars et les chevaux, une ville forte et les armes, - voyez lequel des fils de votre maître est le 3
meilleur et convient le mieux, mettez -le sur le trône de son père, et combattez pour la maison de votre
maître ! Ils eurent une très grande peur, et ils dirent : Voici, deux rois n'ont pu lui résister ; comment 4
résisterions -nous ? Et le chef de la maison, le chef de la ville, les anciens, et les gouverneurs des 5
enfants, envoyèrent dire à Jéhu : Nous sommes tes serviteurs, et nous ferons tout ce que tu nous diras ;
nous n'établirons personne roi, fais ce qui te semble bon. Jéhu leur écrivit une seconde lettre où il 6
était dit : Si vous êtes à moi et si vous obéissez à ma voix, prenez les têtes de ces hommes, fils de votre
maître, et venez auprès de moi demain à cette heure, à Jizreel. Or les soixante-dix fils du roi étaient
chez les grands de la ville, qui les élevaient. Quand la lettre leur fut parvenue, ils prirent les fils du 7
roi, et ils égorgèrent ces soixante-dix hommes ; puis ils mirent leurs têtes dans des corbeilles, et les
envoyèrent à Jéhu, à Jizreel. Le messager vint l'en informer, en disant : Ils ont apporté les têtes des 8
fils du roi. Et il dit : Mettez -les en deux tas à l'entrée de la porte, jusqu'au matin. Le matin, il sortit ; 9
et se présentant à tout le peuple, il dit : Vous êtes justes ! voici, moi, j'ai conspiré contre mon maître et
je l'ai tué ; mais qui a frappé tous ceux-ci ? Sachez donc qu'il ne tombera rien à terre de la parole de 10
l'Éternel, de la parole que l'Éternel a prononcée contre la maison d'Achab ; l'Éternel accomplit ce qu'il a
déclaré par son serviteur Élie. Et Jéhu frappa tous ceux qui restaient de la maison d'Achab à Jizreel, 11
tous ses grands, ses familiers et ses ministres, sans en laisser échapper un seul. Puis il se leva, et 12
partit pour aller à Samarie. Arrivé à une maison de réunion des bergers, sur le chemin, Jéhu trouva 13
les frères d'Achazia, roi de Juda, et il dit : Qui êtes-vous ? Ils répondirent : Nous sommes les frères
d'Achazia, et nous descendons pour saluer les fils du roi et les fils de la reine. Jéhu dit : Saisissez -les 14
vivants. Et ils les saisirent vivants, et les égorgèrent au nombre de quarante -deux, à la citerne de la
maison de réunion ; Jéhu n'en laissa échapper aucun. Étant parti de là, il rencontra Jonadab, fils de 15
Récab, qui venait au-devant de lui. Il le salua, et lui dit : Ton coeur est -il sincère, comme mon coeur
l'est envers le tien ? Et Jonadab répondit : Il l'est. S'il l'est, répliqua Jéhu, donne -moi ta main. Jonadab
lui donna la main. Et Jéhu le fit monter auprès de lui dans son char, et dit : Viens avec moi, et tu 16
verras mon zèle pour l'Éternel. Il l'emmena ainsi dans son char. Lorsque Jéhu fut arrivé à Samarie, 17
il frappa tous ceux qui restaient d'Achab à Samarie, et il les détruisit entièrement, selon la parole que
l'Éternel avait dite à Élie. Puis il assembla tout le peuple, et leur dit : Achab a peu servi Baal, Jéhu le 18
servira beaucoup. Maintenant convoquez auprès de moi tous les prophètes de Baal, tous ses serviteurs 19
et tous ses prêtres, sans qu'il en manque un seul, car je veux offrir un grand sacrifice à Baal : quiconque
manquera ne vivra pas. Jéhu agissait avec ruse, pour faire périr les serviteurs de Baal. Il dit : Publiez 20
une fête en l'honneur de Baal. Et ils la publièrent. Il envoya des messagers dans tout Israël ; et tous les 21
serviteurs de Baal arrivèrent, il n'y en eut pas un qui ne vînt ; ils entrèrent dans la maison de Baal, et
la maison de Baal fut remplie d'un bout à l'autre. Jéhu dit à celui qui avait la garde du vestiaire : Sors 22
des vêtements pour tous les serviteurs de Baal. Et cet homme sortit des vêtements pour eux. Alors 23

Jéhu vint à la maison de Baal avec Jonadab, fils de Récab, et il dit aux serviteurs de Baal : Cherchez et
regardez, afin qu'il n'y ait pas ici des serviteurs de l'Éternel, mais qu'il y ait seulement des serviteurs
24 de Baal. Et ils entrèrent pour offrir des sacrifices et des holocaustes. Jéhu avait placé dehors quatre-
vingts hommes, en leur disant : Celui qui laissera échapper quelqu'un des hommes que je remets entre
25 vos mains, sa vie répondra de la sienne. Lorsqu'on eut achevé d'offrir les holocaustes, Jéhu dit aux
coureurs et aux officiers : Entrez, frappez -les, que pas un ne sorte. Et ils les frappèrent du tranchant
de l'épée. Les coureurs et les officiers les jetèrent là, et ils allèrent jusqu'à la ville de la maison de Baal.
26, 27 Ils tirèrent dehors les statues de la maison de Baal, et les brûlèrent. Ils renversèrent la statue de
Baal, ils renversèrent aussi la maison de Baal, et ils en firent un cloaque, qui a subsisté jusqu'à ce jour.
28, 29 Jéhu extermina Baal du milieu d'Israël ; mais il ne se détourna point des péchés de Jéroboam, fils de
Nebath, qui avait fait pécher Israël, il n'abandonna point les veaux d'or qui étaient à Béthel et à Dan.
30 L'Éternel dit à Jéhu : Parce que tu as bien exécuté ce qui était droit à mes yeux, et que tu as fait à la
maison d'Achab tout ce qui était conforme à ma volonté, tes fils jusqu'à la quatrième génération seront
31 assis sur le trône d'Israël. Toutefois Jéhu ne prit point garde à marcher de tout son coeur dans la loi
de l'Éternel, le Dieu d'Israël ; il ne se détourna point des péchés que Jéroboam avait fait commettre à
32 Israël. Dans ce temps -là, l'Éternel commença à entamer le territoire d'Israël ; et Hazaël les battit sur
33 toute la frontière d'Israël. Depuis le Jourdain, vers le soleil levant, il battit tout le pays de Galaad,
les Gadites, les Rubénites et les Manassites, depuis Aroër sur le torrent de l'Arnon jusqu'à Galaad et à
34 Basan. Le reste des actions de Jéhu, tout ce qu'il a fait, et tous ses exploits, cela n'est-il pas écrit dans
35 le livre des Chroniques des rois d'Israël ? Jéhu se coucha avec ses pères, et on l'enterra à Samarie. Et
36 Joachaz, son fils, régna à sa place. Jéhu avait régné vingt -huit ans sur Israël à Samarie.

11, 2 Athalie, mère d'Achazia, voyant que son fils était mort, se leva et fit périr toute la race royale. Mais
Joschéba, fille du roi Joram, soeur d'Achazia, prit Joas, fils d'Achazia, et l'enleva du milieu des fils du
roi, quand on les fit mourir : elle le mit avec sa nourrice dans la chambre des lits. Il fut ainsi dérobé
3 aux regards d'Athalie, et ne fut point mis à mort. Il resta six ans caché avec Joschéba dans la maison
4 de l'Éternel. Et c'était Athalie qui régnait dans le pays. La septième année, Jehojada envoya chercher
les chefs de centaines des Kéréthiens et des coureurs, et il les fit venir auprès de lui dans la maison de
l'Éternel. Il traita alliance avec eux et les fit jurer dans la maison de l'Éternel, et il leur montra le fils
5 du roi. Puis il leur donna ses ordres, en disant : Voici ce que vous ferez. Parmi ceux de vous qui entrent
6 en service le jour du sabbat, un tiers doit monter la garde à la maison du roi, un tiers à la porte de
Sur, et un tiers à la porte derrière les coureurs : vous veillerez à la garde de la maison, de manière à en
7 empêcher l'entrée. Vos deux autres divisions, tous ceux qui sortent de service le jour du sabbat feront la
8 garde de la maison de l'Éternel auprès du roi : vous entourerez le roi de toutes parts, chacun les armes
à la main, et l'on donnera la mort à quiconque s'avancera dans les rangs ; vous serez près du roi quand
9 il sortira et quand il entrera. Les chefs de centaines exécutèrent tous les ordres qu'avait donnés le
sacrificateur Jehojada. Ils prirent chacun leurs gens, ceux qui entraient en service et ceux qui sortaient
10 de service le jour du sabbat, et ils se rendirent vers le sacrificateur Jehojada. Le sacrificateur remit aux
chefs de centaines les lances et les boucliers qui provenaient du roi David, et qui se trouvaient dans la
11 maison de l'Éternel. Les coureurs, chacun les armes à la main, entourèrent le roi, en se plaçant depuis
12 le côté droit jusqu'au côté gauche de la maison, près de l'autel et près de la maison. Le sacrificateur fit
avancer le fils du roi, et il mit sur lui le diadème et le témoignage. Ils l'établirent roi et l'oignirent, et
13 frappant des mains, ils dirent : Vive le roi ! Athalie entendit le bruit des coureurs et du peuple, et elle
14 vint vers le peuple à la maison de l'Éternel. Elle regarda. Et voici, le roi se tenait sur l'estrade, selon
l'usage ; les chefs et les trompettes étaient près du roi : tout le peuple du pays était dans la joie, et l'on
15 sonnait des trompettes. Athalie déchira ses vêtements, et cria : Conspiration ! conspiration ! Alors le
sacrificateur Jehojada donna cet ordre aux chefs de centaines, qui étaient à la tête de l'armée : Faites-la
sortir en dehors des rangs, et tuez par l'épée quiconque la suivra. Car le sacrificateur avait dit : Qu'elle
16 ne soit pas mise à mort dans la maison de l'Éternel ! On lui fit place, et elle se rendit à la maison du
17 roi par le chemin de l'entrée des chevaux : c'est là qu'elle fut tuée. Jehojada traita entre l'Éternel, le
roi et le peuple, l'alliance par laquelle ils devaient être le peuple de l'Éternel ; il établit aussi l'alliance
18 entre le roi et le peuple. Tout le peuple du pays entra dans la maison de Baal, et ils la démolirent ;
ils brisèrent entièrement ses autels et ses images, et ils tuèrent devant les autels Matthan, prêtre de
19 Baal. Le sacrificateur Jehojada mit des surveillants dans la maison de l'Éternel. Il prit les chefs de
centaines, les Kéréthiens et les coureurs, et tout le peuple du pays ; et ils firent descendre le roi de la
maison de l'Éternel, et ils entrèrent dans la maison du roi par le chemin de la porte des coureurs. Et
20 Joas s'assit sur le trône des rois. Tout le peuple du pays se réjouissait, et la ville était tranquille. On
21 avait fait mourir Athalie par l'épée dans la maison du roi. Joas avait sept ans lorsqu'il devint roi.

12 La septième année de Jéhu, Joas devint roi, et il régna quarante ans à Jérusalem. Sa mère s'ap-

pelait Tsibja, de Beer-Schéba. Joas fit ce qui est droit aux yeux de l'Éternel tout le temps qu'il suivit 2
les directions du sacrificateur Jehojada. Seulement, les hauts lieux ne disparurent point ; le peuple of- 3
frait encore des sacrifices et des parfums sur les hauts lieux. Joas dit aux sacrificateurs : Tout l'argent 4
consacré qu'on apporte dans la maison de l'Éternel, l'argent ayant cours, savoir l'argent pour le rachat
des personnes d'après l'estimation qui en est faite, et tout l'argent qu'il vient au coeur de quelqu'un
d'apporter à la maison de l'Éternel, que les sacrificateurs le prennent chacun de la part des gens de sa 5
connaissance, et qu'ils l'emploient à réparer la maison partout où il se trouvera quelque chose à réparer.
Mais il arriva que, la vingt -troisième année du roi Joas, les sacrificateurs n'avaient point réparé ce qui 6
était à réparer à la maison. Le roi Joas appela le sacrificateur Jehojada et les autres sacrificateurs, 7
et leur dit : Pourquoi n'avez-vous pas réparé ce qui est à réparer à la maison ? Maintenant, vous ne
prendrez plus l'argent de vos connaissances, mais vous le livrerez pour les réparations de la maison.
Les sacrificateurs convinrent de ne pas prendre l'argent du peuple, et de n 'être pas chargés des répa- 8
rations de la maison. Alors le sacrificateur Jehojada prit un coffre, perça un trou dans son couvercle, 9
et le plaça à côté de l'autel, à droite, sur le passage par lequel on entrait à la maison de l'Éternel. Les
sacrificateurs qui avaient la garde du seuil y mettaient tout l'argent qu'on apportait dans la maison de
l'Éternel. Quand ils voyaient qu'il y avait beaucoup d'argent dans le coffre, le secrétaire du roi montait 10
avec le souverain sacrificateur, et ils serraient et comptaient l'argent qui se trouvait dans la maison de
l'Éternel. Ils remettaient l'argent pesé entre les mains de ceux qui étaient chargés de faire exécuter 11
l'ouvrage dans la maison de l'Éternel. Et l'on employait cet argent pour les charpentiers et pour les
ouvriers qui travaillaient à la maison de l'Éternel, pour les maçons et les tailleurs de pierres, pour 12
les achats de bois et de pierres de taille nécessaires aux réparations de la maison de l'Éternel, et pour
toutes les dépenses concernant les réparations de la maison. Mais, avec l'argent qu'on apportait dans 13
la maison de l'Éternel, on ne fit pour la maison de l'Éternel ni bassins d'argent, ni couteaux, ni coupes,
ni trompettes, ni aucun ustensile d'or ou d'argent : on le donnait à ceux qui faisaient l'ouvrage, afin 14
qu'ils l'employassent à réparer la maison de l'Éternel. On ne demandait pas de compte aux hommes 15
entre les mains desquels on remettait l'argent pour qu'ils le donnassent à ceux qui faisaient l'ouvrage,
car ils agissaient avec probité. L'argent des sacrifices de culpabilité et des sacrifices d'expiation n'était 16
point apporté dans la maison de l'Éternel : il était pour les sacrificateurs. Alors Hazaël, roi de Syrie, 17
monta et se battit contre Gath, dont il s'empara. Hazaël avait l'intention de monter contre Jérusalem.
Joas, roi de Juda, prit toutes les choses consacrées, ce qui avait été consacré par Josaphat, par Joram 18
et par Achazia, ses pères, rois de Juda, ce qu'il avait consacré lui-même, et tout l'or qui se trouvait dans
les trésors de la maison de l'Éternel et de la maison du roi, et il envoya le tout à Hazaël, roi de Syrie,
qui ne monta pas contre Jérusalem. Le reste des actions de Joas, et tout ce qu'il a fait, cela n'est-il pas 19
écrit dans le livre des Chroniques des rois de Juda ? Ses serviteurs se soulevèrent et formèrent une 20
conspiration ; ils frappèrent Joas dans la maison de Millo, qui est à la descente de Silla. Jozacar, fils 21
de Schimeath, et Jozabad, fils de Schomer, ses serviteurs, le frappèrent, et il mourut. On l'enterra avec
ses pères, dans la ville de David. Et Amatsia, son fils, régna à sa place.

La vingt -troisième année de Joas, fils d'Achazia, roi de Juda, Joachaz, fils de Jéhu, régna sur Israël **13**
à Samarie. Il régna dix-sept ans. Il fit ce qui est mal aux yeux de l'Éternel ; il commit les mêmes péchés 2
que Jéroboam, fils de Nebath, qui avait fait pécher Israël, et il ne s'en détourna point. La colère de 3
l'Éternel s'enflamma contre Israël, et il les livra entre les mains de Hazaël, roi de Syrie, et entre les
mains de Ben-Hadad, fils de Hazaël, tout le temps que ces rois vécurent. Joachaz implora l'Éternel. 4
L'Éternel l'exauça, car il vit l'oppression sous laquelle le roi de Syrie tenait Israël, et l'Éternel donna un 5
libérateur à Israël. Les enfants d'Israël échappèrent aux mains des Syriens, et ils habitèrent dans leurs
tentes comme auparavant. Mais ils ne se détournèrent point des péchés de la maison de Jéroboam, 6
qui avait fait pécher Israël ; ils s'y livrèrent aussi, et même l'idole d'Astarté était debout à Samarie. De 7
tout le peuple de Joachaz l'Éternel ne lui avait laissé que cinquante cavaliers, dix chars, et dix mille
hommes de pied ; car le roi de Syrie les avait fait périr et les avait rendus semblables à la poussière
qu'on foule aux pieds. Le reste des actions de Joachaz, tout ce qu'il a fait, et ses exploits, cela n'est- 8
il pas écrit dans le livre des Chroniques des rois d'Israël ? Joachaz se coucha avec ses pères, et on 9
l'enterra à Samarie. Et Joas, son fils, régna à sa place. La trente -septième année de Joas, roi de Juda, 10
Joas, fils de Joachaz, régna sur Israël à Samarie. Il régna seize ans. Il fit ce qui est mal aux yeux 11
de l'Éternel ; il ne se détourna d'aucun des péchés de Jéroboam, fils de Nebath, qui avait fait pécher
Israël, et il s'y livra comme lui. Le reste des actions de Joas, tout ce qu'il a fait, ses exploits, et la 12
guerre qu'il eut avec Amatsia, roi de Juda, cela n'est-il pas écrit dans le livre des Chroniques des rois
d'Israël ? Joas se coucha avec ses pères. Et Jéroboam s'assit sur son trône. Joas fut enterré à Samarie 13

avec les rois d'Israël. Élisée était atteint de la maladie dont il mourut ; et Joas, roi d'Israël, descendit vers lui, pleura sur son visage, et dit : Mon père ! mon père ! Char d'Israël et sa cavalerie ! Élisée lui dit : Prends un arc et des flèches. Et il prit un arc et des flèches. Puis Élisée dit au roi d'Israël : Bande l'arc avec ta main. Et quand il l'eut bandé de sa main, Élisée mit ses mains sur les mains du roi, et il dit : Ouvre la fenêtre à l'orient. Et il l'ouvrit. Élisée dit : Tire. Et il tira. Élisée dit : C'est une flèche de délivrance de la part de l'Éternel, une flèche de délivrance contre les Syriens ; tu battras les Syriens à Aphek jusqu'à leur extermination. Élisée dit encore : Prends les flèches. Et il les prit. Élisée dit au roi d'Israël : Frappe contre terre. Et il frappa trois fois, et s'arrêta. L'homme de Dieu s'irrita contre lui, et dit : Il fallait frapper cinq ou six fois ; alors tu aurais battu les Syriens jusqu'à leur extermination ; maintenant tu les battras trois fois. Élisée mourut, et on l'enterra. L'année suivante, des troupes de Moabites pénétrèrent dans le pays. Et comme on enterrait un homme, voici, on aperçut une de ces troupes, et l'on jeta l'homme dans le sépulcre d'Élisée. L'homme alla toucher les os d'Élisée, et il reprit vie et se leva sur ses pieds. Hazaël, roi de Syrie, avait opprimé Israël pendant toute la vie de Joachaz. Mais l'Éternel leur fit miséricorde et eut compassion d'eux, il tourna sa face vers eux à cause de son alliance avec Abraham, Isaac et Jacob, il ne voulut pas les détruire, et jusqu'à présent il ne les a pas rejetés de sa face. Hazaël, roi de Syrie, mourut, et Ben-Hadad, son fils, régna à sa place. Joas, fils de Joachaz, reprit des mains de Ben-Hadad, fils de Hazaël, les villes enlevées par Hazaël à Joachaz, son père, pendant la guerre. Joas le battit trois fois, et il recouvra les villes d'Israël.

14 La seconde année de Joas, fils de Joachaz, roi d'Israël, Amatsia, fils de Joas, roi de Juda, régna. Il avait vingt -cinq ans lorsqu'il devint roi, et il régna vingt -neuf ans à Jérusalem. Sa mère s'appelait Joaddan, de Jérusalem. Il fit ce qui est droit aux yeux de l'Éternel, non pas toutefois comme David, son père ; il agit entièrement comme avait agi Joas, son père. Seulement, les hauts lieux ne disparurent point ; le peuple offrait encore des sacrifices et des parfums sur les hauts lieux. Lorsque la royauté fut affermie entre ses mains, il frappa ses serviteurs qui avaient tué le roi, son père. Mais il ne fit pas mourir les fils des meurtriers, selon ce qui est écrit dans le livre de la loi de Moïse, où l'Éternel donne ce commandement : On ne fera point mourir les pères pour les enfants, et l'on ne fera point mourir les enfants pour les pères ; mais on fera mourir chacun pour son péché. Il battit dix mille Édomites dans la vallée du sel ; et durant la guerre, il prit Séla, et l'appela Joktheel, nom qu'elle a conservé jusqu'à ce jour. Alors Amatsia envoya des messagers à Joas, fils de Joachaz, fils de Jéhu, roi d'Israël, pour lui dire : Viens, voyons -nous en face ! Et Joas, roi d'Israël, fit dire à Amatsia, roi de Juda : L'épine du Liban envoya dire au cèdre du Liban : Donne ta fille pour femme à mon fils ! Et les bêtes sauvages qui sont au Liban passèrent et foulèrent l'épine. Tu as battu les Édomites, et ton coeur s'élève. Jouis de ta gloire, et reste chez toi. Pourquoi t'engager dans une malheureuse entreprise, qui amènerait ta ruine et celle de Juda ? Mais Amatsia ne l'écouta pas. Et Joas, roi d'Israël, monta ; et ils se virent en face, lui et Amatsia, roi de Juda, à Beth-Schémesch, qui est à Juda. Juda fut battu par Israël, et chacun s'enfuit dans sa tente. Joas, roi d'Israël, prit à Beth-Schémesch Amatsia, roi de Juda, fils de Joas, fils d'Achazia. Il vint à Jérusalem, et fit une brèche de quatre cents coudées dans la muraille de Jérusalem, depuis la porte d'Éphraïm jusqu'à la porte de l'angle. Il prit tout l'or et l'argent et tous les vases qui se trouvaient dans la maison de l'Éternel et dans les trésors de la maison du roi ; il prit aussi des otages, et il retourna à Samarie. Le reste des actions de Joas, ce qu'il a fait, ses exploits, et la guerre qu'il eut avec Amatsia, roi de Juda, cela n'est-il pas écrit dans le livre des Chroniques des rois d'Israël ? Joas se coucha avec ses pères, et il fut enterré à Samarie avec les rois d'Israël. Et Jéroboam, son fils, régna à sa place. Amatsia, fils de Joas, roi de Juda, vécut quinze ans après la mort de Joas, fils de Joachaz, roi d'Israël. Le reste des actions d'Amatsia, cela n'est-il pas écrit dans le livre des Chroniques des rois de Juda ? On forma contre lui une conspiration à Jérusalem, et il s'enfuit à Lakis ; mais on le poursuivit à Lakis, où on le fit mourir. On le transporta sur des chevaux, et il fut enterré à Jérusalem avec ses pères, dans la ville de David. Et tout le peuple de Juda prit Azaria, âgé de seize ans, et l'établit roi à la place de son père Amatsia. Azaria rebâtit Élath et la fit rentrer sous la puissance de Juda, après que le roi fut couché avec ses pères. La quinzième année d'Amatsia, fils de Joas, roi de Juda, Jéroboam, fils de Joas, roi d'Israël, régna à Samarie. Il régna quarante et un ans. Il fit ce qui est mal aux yeux de l'Éternel ; il ne se détourna d'aucun des péchés de Jéroboam, fils de Nebath, qui avait fait pécher Israël. Il rétablit les limites d'Israël depuis l'entrée de Hamath jusqu'à la mer de la plaine, selon la parole que l'Éternel, le Dieu d'Israël, avait prononcée par son serviteur Jonas, le prophète, fils d'Amitthaï, de Gath-Hépher. Car l'Éternel vit l'affliction d'Israël à son comble et l'extrémité à laquelle se trouvaient réduits esclaves et hommes libres, sans qu'il y eût personne pour venir au secours d'Israël. Or l'Éternel n'avait point résolu d'effacer le nom d'Israël de dessous les cieux, et il les délivra par Jéroboam, fils de

Joas. Le reste des actions de Jéroboam, tout ce qu'il a fait, ses exploits à la guerre, et comment il fit 28
rentrer sous la puissance d'Israël Damas et Hamath qui avaient appartenu à Juda, cela n'est-il pas
écrit dans le livre des Chroniques des rois d'Israël ? Jéroboam se coucha avec ses pères, avec les rois 29
d'Israël. Et Zacharie, son fils, régna à sa place.

La vingt -septième année de Jéroboam, roi d'Israël, Azaria, fils d'Amatsia, roi de Juda, régna. Il **15**, 2
avait seize ans lorsqu'il devint roi, et il régna cinquante -deux ans à Jérusalem. Sa mère s'appelait
Jecolia, de Jérusalem. Il fit ce qui est droit aux yeux de l'Éternel, entièrement comme avait fait Amat- 3
sia, son père. Seulement, les hauts lieux ne disparurent point ; le peuple offrait encore des sacrifices 4
et des parfums sur les hauts lieux. L'Éternel frappa le roi, qui fut lépreux jusqu'au jour de sa mort 5
et demeura dans une maison écartée. Et Jotham, fils du roi, était à la tête de la maison et jugeait le
peuple du pays. Le reste des actions d'Azaria, et tout ce qu'il a fait, cela n'est-il pas écrit dans le livre 6
des Chroniques des rois de Juda ? Azaria se coucha avec ses pères, et on l'enterra avec ses pères dans 7
la ville de David. Et Jotham, son fils, régna à sa place. La trente -huitième année d'Azaria, roi de 8
Juda, Zacharie, fils de Jéroboam, régna sur Israël à Samarie. Il régna six mois. Il fit ce qui est mal 9
aux yeux de l'Éternel, comme avaient fait ses pères ; il ne se détourna point des péchés de Jéroboam,
fils de Nebath, qui avait fait pécher Israël. Schallum, fils de Jabesch, conspira contre lui, le frappa 10
devant le peuple, et le fit mourir ; et il régna à sa place. Le reste des actions de Zacharie, cela est écrit 11
dans le livre des Chroniques des rois d'Israël. Ainsi s'accomplit ce que l'Éternel avait déclaré à Jéhu, 12
en disant : Tes fils jusqu'à la quatrième génération seront assis sur le trône d'Israël. Schallum, fils de 13
Jabesch, régna la trente -neuvième année d'Ozias, roi de Juda. Il régna pendant un mois à Samarie.
Menahem, fils de Gadi, monta de Thirtsa et vint à Samarie, frappa dans Samarie Schallum, fils de 14
Jabesch, et le fit mourir ; et il régna à sa place. Le reste des actions de Schallum, et la conspiration 15
qu'il forma, cela est écrit dans le livre des Chroniques des rois d'Israël. Alors Menahem frappa Thiph- 16
sach et tous ceux qui y étaient, avec son territoire depuis Thirtsa ; il la frappa parce qu'elle n'avait pas
ouvert ses portes, et il fendit le ventre de toutes les femmes enceintes. La trente -neuvième année 17
d'Azaria, roi de Juda, Menahem, fils de Gadi, régna sur Israël. Il régna dix ans à Samarie. Il fit ce 18
qui est mal aux yeux de l'Éternel ; il ne se détourna point, tant qu'il vécut, des péchés de Jéroboam,
fils de Nebath, qui avait fait pécher Israël. Pul, roi d'Assyrie, vint dans le pays ; et Menahem donna à 19
Pul mille talents d'argent, pour qu'il l'aidât à affermir la royauté entre ses mains. Menahem leva cet 20
argent sur tous ceux d'Israël qui avaient de la richesse, afin de le donner au roi d'Assyrie ; il les taxa
chacun à cinquante sicles d'argent. Le roi d'Assyrie s'en retourna, et ne s'arrêta pas alors dans le pays.
Le reste des actions de Menahem, et tout ce qu'il a fait, cela n'est-il pas écrit dans le livre des Chro- 21
niques des rois d'Israël ? Menahem se coucha avec ses pères. Et Pekachia, son fils, régna à sa place. 22
La cinquantième année d'Azaria, roi de Juda, Pekachia, fils de Menahem, régna sur Israël à Samarie. 23
Il régna deux ans. Il fit ce qui est mal aux yeux de l'Éternel ; il ne se détourna point des péchés de 24
Jéroboam, fils de Nebath, qui avait fait pécher Israël. Pékach, fils de Remalia, son officier, conspira 25
contre lui ; il le frappa à Samarie, dans le palais de la maison du roi, de même qu'Argob et Arié ; il avait
avec lui cinquante hommes d'entre les fils des Galaadites. Il fit ainsi mourir Pekachia, et il régna à sa
place. Le reste des actions de Pekachia, et tout ce qu'il a fait, cela est écrit dans le livre des Chroniques 26
des rois d'Israël. La cinquante -deuxième année d'Azaria, roi de Juda, Pékach, fils de Remalia, régna 27
sur Israël à Samarie. Il régna vingt ans. Il fit ce qui est mal aux yeux de l'Éternel ; il ne se détourna 28
point des péchés de Jéroboam, fils de Nebath, qui avait fait pécher Israël. Du temps de Pékach, roi 29
d'Israël, Tiglath-Piléser, roi d'Assyrie, vint et prit Ijjon, Abel-Beth-Maaca, Janoach, Kédesch, Hatsor,
Galaad et la Galilée, tout le pays de Nephthali, et il emmena captifs les habitants en Assyrie. Osée, 30
fils d'Éla, forma une conspiration contre Pékach, fils de Remalia, le frappa et le fit mourir ; et il régna
à sa place, la vingtième année de Jotham, fils d'Ozias. Le reste des actions de Pékach, et tout ce qu'il 31
a fait, cela est écrit dans le livre des Chroniques des rois d'Israël. La seconde année de Pékach, fils de 32
Remalia, roi d'Israël, Jotham, fils d'Ozias, roi de Juda, régna. Il avait vingt -cinq ans lorsqu'il devint 33
roi, et il régna seize ans à Jérusalem. Sa mère s'appelait Jeruscha, fille de Tsadok. Il fit ce qui est droit 34
aux yeux de l'Éternel ; il agit entièrement comme avait agi Ozias, son père. Seulement, les hauts lieux 35
ne disparurent point ; le peuple offrait encore des sacrifices et des parfums sur les hauts lieux. Jotham
bâtit la porte supérieure de la maison de l'Éternel. Le reste des actions de Jotham, et tout ce qu'il a 36
fait, cela n'est-il pas écrit dans le livre des Chroniques des rois de Juda ? Dans ce temps -là, l'Éternel 37
commença à envoyer contre Juda Retsin, roi de Syrie, et Pékach, fils de Remalia. Jotham se coucha 38
avec ses pères, et il fut enterré avec ses pères dans la ville de David, son père. Et Achaz, son fils, régna
à sa place.

La dix-septième année de Pékach, fils de Remalia, Achaz, fils de Jotham, roi de Juda, régna. Achaz **16**, 2

avait vingt ans lorsqu'il devint roi, et il régna seize ans à Jérusalem. Il ne fit point ce qui est droit aux
3 yeux de l'Éternel, son Dieu, comme avait fait David, son père. Il marcha dans la voie des rois d'Israël ;
et même il fit passer son fils par le feu, suivant les abominations des nations que l'Éternel avait chassées
4 devant les enfants d'Israël. Il offrait des sacrifices et des parfums sur les hauts lieux, sur les collines
5 et sous tout arbre vert. Alors Retsin, roi de Syrie, et Pékach, fils de Remalia, roi d'Israël, montèrent
6 contre Jérusalem pour l'attaquer. Ils assiégèrent Achaz ; mais ils ne purent pas le vaincre. Dans ce
même temps, Retsin, roi de Syrie, fit rentrer Élath au pouvoir des Syriens ; il expulsa d'Élath les Juifs,
7 et les Syriens vinrent à Élath, où ils ont habité jusqu'à ce jour. Achaz envoya des messagers à Tiglath-
Piléser, roi d'Assyrie, pour lui dire : Je suis ton serviteur et ton fils ; monte, et délivre -moi de la main du
8 roi de Syrie et de la main du roi d'Israël, qui s'élèvent contre moi. Et Achaz prit l'argent et l'or qui se
trouvaient dans la maison de l'Éternel et dans les trésors de la maison du roi, et il l'envoya en présent
9 au roi d'Assyrie. Le roi d'Assyrie l'écouta ; il monta contre Damas, la prit, emmena les habitants en
10 captivité à Kir, et fit mourir Retsin. Le roi Achaz se rendit à Damas au-devant de Tiglath-Piléser, roi
d'Assyrie. Et ayant vu l'autel qui était à Damas, le roi Achaz envoya au sacrificateur Urie le modèle et
11 la forme exacte de cet autel. Le sacrificateur Urie construisit un autel entièrement d'après le modèle
envoyé de Damas par le roi Achaz, et le sacrificateur Urie le fit avant que le roi Achaz fût de retour de
12, 13 Damas. À son arrivée de Damas, le roi vit l'autel, s'en approcha et y monta : il fit brûler son holocauste
et son offrande, versa ses libations, et répandit sur l'autel le sang de ses sacrifices d'actions de grâces.
14 Il éloigna de la face de la maison l'autel d'airain qui était devant l'Éternel, afin qu'il ne fût pas entre le
15 nouvel autel et la maison de l'Éternel ; et il le plaça à côté du nouvel autel, vers le nord. Et le roi Achaz
donna cet ordre au sacrificateur Urie : Fais brûler sur le grand autel l'holocauste du matin et l'offrande
du soir, l'holocauste du roi et son offrande, les holocaustes de tout le peuple du pays et leurs offrandes,
verses-y leurs libations, et répands -y tout le sang des holocaustes et tout le sang des sacrifices ; pour
16 ce qui concerne l'autel d'airain, je m'en occuperai. Le sacrificateur Urie se conforma à tout ce que le
17 roi Achaz avait ordonné. Et le roi Achaz brisa les panneaux des bases, et en ôta les bassins qui étaient
dessus. Il descendit la mer de dessus les boeufs d'airain qui étaient sous elle, et il la posa sur un pavé
18 de pierres. Il changea dans la maison de l'Éternel, à cause du roi d'Assyrie, le portique du sabbat qu'on
19 y avait bâti et l'entrée extérieure du roi. Le reste des actions d'Achaz, et tout ce qu'il a fait, cela n'est-il
20 pas écrit dans le livre des Chroniques des rois de Juda ? Achaz se coucha avec ses pères, et il fut enterré
avec ses pères dans la ville de David. Et Ézéchias, son fils, régna à sa place.

17 La douzième année d'Achaz, roi de Juda, Osée, fils d'Éla, régna sur Israël à Samarie. Il régna neuf
2 ans. Il fit ce qui est mal aux yeux de l'Éternel, non pas toutefois comme les rois d'Israël qui avaient
3 été avant lui. Salmanasar, roi d'Assyrie, monta contre lui ; et Osée lui fut assujetti, et lui paya un
4 tribut. Mais le roi d'Assyrie découvrit une conspiration chez Osée, qui avait envoyé des messagers à
So, roi d'Égypte, et qui ne payait plus annuellement le tribut au roi d'Assyrie. Le roi d'Assyrie le fit
5 enfermer et enchaîner dans une prison. Et le roi d'Assyrie parcourut tout le pays, et monta contre
6 Samarie, qu'il assiégea pendant trois ans. La neuvième année d'Osée, le roi d'Assyrie prit Samarie,
et emmena Israël captif en Assyrie. Il les fit habiter à Chalach, et sur le Chabor, fleuve de Gozan,
7 et dans les villes des Mèdes. Cela arriva parce que les enfants d'Israël péchèrent contre l'Éternel,
leur Dieu, qui les avait fait monter du pays d'Égypte, de dessous la main de Pharaon, roi d'Égypte,
8 et parce qu'ils craignirent d'autres dieux. Ils suivirent les coutumes des nations que l'Éternel avait
9 chassées devant les enfants d'Israël, et celles que les rois d'Israël avaient établies. Les enfants d'Israël
firent en secret contre l'Éternel, leur Dieu, des choses qui ne sont pas bien. Ils se bâtirent des hauts
10 lieux dans toutes leurs villes, depuis les tours des gardes jusqu'aux villes fortes. Ils se dressèrent des
11 statues et des idoles sur toute colline élevée et sous tout arbre vert. Et là ils brûlèrent des parfums
sur tous les hauts lieux, comme les nations que l'Éternel avait chassées devant eux, et ils firent des
12 choses mauvaises, par lesquelles ils irritèrent l'Éternel. Ils servirent les idoles dont l'Éternel leur
13 avait dit : Vous ne ferez pas cela. L'Éternel fit avertir Israël et Juda par tous ses prophètes, par tous
les voyants, et leur dit : Revenez de vos mauvaises voies, et observez mes commandements et mes
ordonnances, en suivant entièrement la loi que j'ai prescrite à vos pères et que je vous ai envoyée par
14 mes serviteurs les prophètes. Mais ils n'écoutèrent point, et ils roidirent leur cou, comme leurs pères,
15 qui n'avaient pas cru en l'Éternel, leur Dieu. Ils rejetèrent ses lois, l'alliance qu'il avait faite avec
leurs pères, et les avertissements qu'il leur avait adressés. Ils allèrent après des choses de néant et ne
furent eux-mêmes que néant, et après les nations qui les entouraient et que l'Éternel leur avait défendu
16 d'imiter. Ils abandonnèrent tous les commandements de l'Éternel, leur Dieu, ils se firent deux veaux
en fonte, ils fabriquèrent des idoles d'Astarté, ils se prosternèrent devant toute l'armée des cieux, et ils

servirent Baal. Ils firent passer par le feu leurs fils et leurs filles, ils se livrèrent à la divination et aux 17
enchantements, et ils se vendirent pour faire ce qui est mal aux yeux de l'Éternel, afin de l'irriter. Aussi 18
l'Éternel s'est-il fortement irrité contre Israël, et les a-t-il éloignés de sa face. -Il n'est resté que la seule
tribu de Juda. Juda même n'avait pas gardé les commandements de l'Éternel, son Dieu, et ils avaient 19
suivi les coutumes établies par Israël. - L'Éternel a rejeté toute la race d'Israël ; il les a humiliés, il 20
les a livrés entre les mains des pillards, et il a fini par les chasser loin de sa face. Car Israël s'était 21
détaché de la maison de David, et ils avaient fait roi Jéroboam, fils de Nebath, qui les avait détournés
de l'Éternel, et avait fait commettre à Israël un grand péché. Les enfants d'Israël s'étaient livrés à 22
tous les péchés que Jéroboam avait commis ; ils ne s'en détournèrent point, jusqu'à ce que l'Éternel eût 23
chassé Israël loin de sa face, comme il l'avait annoncé par tous ses serviteurs les prophètes. Et Israël a
été emmené captif loin de son pays en Assyrie, où il est resté jusqu'à ce jour. Le roi d'Assyrie fit venir 24
des gens de Babylone, de Cutha, d'Avva, de Hamath et de Sepharvaïm, et les établit dans les villes de
Samarie à la place des enfants d'Israël. Ils prirent possession de Samarie, et ils habitèrent dans ses
villes. Lorsqu'ils commencèrent à y habiter, ils ne craignaient pas l'Éternel, et l'Éternel envoya contre 25
eux des lions qui les tuaient. On dit au roi d'Assyrie : Les nations que tu as transportées et établies 26
dans les villes de Samarie ne connaissent pas la manière de servir le dieu du pays, et il a envoyé contre
elles des lions qui les font mourir, parce qu'elles ne connaissent pas la manière de servir le dieu du
pays. Le roi d'Assyrie donna cet ordre : Faites-y aller l'un des prêtres que vous avez emmenés de là 27
en captivité ; qu'il parte pour s'y établir, et qu'il leur enseigne la manière de servir le dieu du pays.
Un des prêtres qui avaient été emmenés captifs de Samarie vint s'établir à Béthel, et leur enseigna 28
comment ils devaient craindre l'Éternel. Mais les nations firent chacune leurs dieux dans les villes 29
qu'elles habitaient, et les placèrent dans les maisons des hauts lieux bâties par les Samaritains. Les 30
gens de Babylone firent Succoth-Benoth, les gens de Cuth firent Nergal, les gens de Hamath firent
Aschima, ceux d'Avva firent Nibchaz et Tharthak ; ceux de Sepharvaïm brûlaient leurs enfants par le 31
feu en l'honneur d'Adrammélec et d'Anammélec, dieux de Sepharvaïm. Ils craignaient aussi l'Éternel, 32
et ils se créèrent des prêtres des hauts lieux pris parmi tout le peuple : ces prêtres offraient pour
eux des sacrifices dans les maisons des hauts lieux. Ainsi ils craignaient l'Éternel, et ils servaient 33
en même temps leurs dieux d'après la coutume des nations d'où on les avait transportés. Ils suivent 34
encore aujourd'hui leurs premiers usages : ils ne craignent point l'Éternel, et ils ne se conforment ni à
leurs lois et à leurs ordonnances, ni à la loi et aux commandements prescrits par l'Éternel aux enfants
de Jacob qu'il appela du nom d'Israël. L'Éternel avait fait alliance avec eux, et leur avait donné cet 35
ordre : Vous ne craindrez point d'autres dieux ; vous ne vous prosternerez point devant eux, vous ne
les servirez point, et vous ne leur offrirez point de sacrifices. Mais vous craindrez l'Éternel, qui vous 36
a fait monter du pays d'Égypte avec une grande puissance et à bras étendu ; c'est devant lui que vous
vous prosternerez, et c'est à lui que vous offrirez des sacrifices. Vous observerez et mettrez toujours en 37
pratique les préceptes, les ordonnances, la loi et les commandements, qu'il a écrits pour vous, et vous
ne craindrez point d'autres dieux. Vous n'oublierez pas l'alliance que j'ai faite avec vous, et vous ne 38
craindrez point d'autres dieux. Mais vous craindrez l'Éternel, votre Dieu ; et il vous délivrera de la 39
main de tous vos ennemis. Et ils n'ont point obéi, et ils ont suivi leurs premiers usages. Ces nations 40, 41
craignaient l'Éternel et servaient leurs images ; et leurs enfants et les enfants de leurs enfants font
jusqu'à ce jour ce que leurs pères ont fait.

La troisième année d'Osée, fils d'Éla, roi d'Israël, Ézéchias, fils d'Achaz, roi de Juda, régna. Il avait **18**, 2
vingt -cinq ans lorsqu'il devint roi, et il régna vingt -neuf ans à Jérusalem. Sa mère s'appelait Abi,
fille de Zacharie. Il fit ce qui est droit aux yeux de l'Éternel, entièrement comme avait fait David, 3
son père. Il fit disparaître les hauts lieux, brisa les statues, abattit les idoles, et mit en pièces le 4
serpent d'airain que Moïse avait fait, car les enfants d'Israël avaient jusqu'alors brûlé des parfums
devant lui : on l'appelait Nehuschtan. Il mit sa confiance en l'Éternel, le Dieu d'Israël ; et parmi tous 5
les rois de Juda qui vinrent après lui ou qui le précédèrent, il n'y en eut point de semblable à lui. Il 6
fut attaché à l'Éternel, il ne se détourna point de lui, et il observa les commandements que l'Éternel
avait prescrits à Moïse. Et l'Éternel fut avec Ézéchias, qui réussit dans toutes ses entreprises. Il se 7
révolta contre le roi d'Assyrie, et ne lui fut plus assujetti. Il battit les Philistins jusqu'à Gaza, et 8
ravagea leur territoire depuis les tours des gardes jusqu'aux villes fortes. La quatrième année du roi 9
Ézéchias, qui était la septième année d'Osée, fils d'Éla, roi d'Israël, Salmanasar, roi d'Assyrie, monta
contre Samarie et l'assiégea. Il la prit au bout de trois ans, la sixième année d'Ézéchias, qui était la 10
neuvième année d'Osée, roi d'Israël : alors Samarie fut prise. Le roi d'Assyrie emmena Israël captif 11
en Assyrie, et il les établit à Chalach, et sur le Chabor, fleuve de Gozan, et dans les villes des Mèdes,

12 parce qu'ils n'avaient point écouté la voix de l'Éternel, leur Dieu, et qu'ils avaient transgressé son
alliance, parce qu'ils n'avaient ni écouté ni mis en pratique tout ce qu'avait ordonné Moïse, serviteur
13 de l'Éternel. La quatorzième année du roi Ézéchias, Sanchérib, roi d'Assyrie, monta contre toutes les
14 villes fortes de Juda, et s'en empara. Ézéchias, roi de Juda, envoya dire au roi d'Assyrie à Lakis : J'ai
commis une faute ! Éloigne -toi de moi. Ce que tu m'imposeras, je le supporterai. Et le roi d'Assyrie
15 imposa à Ézéchias, roi de Juda, trois cents talents d'argent et trente talents d'or. Ézéchias donna tout
16 l'argent qui se trouvait dans la maison de l'Éternel et dans les trésors de la maison du roi. Ce fut alors
qu'Ézéchias, roi de Juda, enleva, pour les livrer au roi d'Assyrie, les lames d'or dont il avait couvert les
17 portes et les linteaux du temple de l'Éternel. Le roi d'Assyrie envoya de Lakis à Jérusalem, vers le roi
Ézéchias, Tharthan, Rab-Saris et Rabschaké avec une puissante armée. Ils montèrent, et ils arrivèrent
à Jérusalem. Lorsqu'ils furent montés et arrivés, ils s'arrêtèrent à l'aqueduc de l'étang supérieur, sur le
18 chemin du champ du foulon. Ils appelèrent le roi ; et Éliakim, fils de Hilkija, chef de la maison du roi,
19 se rendit auprès d'eux, avec Schebna, le secrétaire, et Joach, fils d'Asaph, l'archiviste. Rabschaké leur
dit : Dites à Ézéchias : Ainsi parle le grand roi, le roi d'Assyrie : Quelle est cette confiance, sur laquelle
20 tu t'appuies ? Tu as dit : Il faut pour la guerre de la prudence et de la force. Mais ce ne sont que
21 des paroles en l'air. En qui donc as-tu placé ta confiance, pour t'être révolté contre moi ? Voici, tu l'as
placée dans l'Égypte, tu as pris pour soutien ce roseau cassé, qui pénètre et perce la main de quiconque
22 s'appuie dessus : tel est Pharaon, roi d'Égypte, pour tous ceux qui se confient en lui. Peut-être me direz
-vous : C'est en l'Éternel, notre Dieu, que nous nous confions. Mais n'est-ce pas lui dont Ézéchias a fait
disparaître les hauts lieux et les autels, en disant à Juda et à Jérusalem : Vous vous prosternerez devant
23 cet autel à Jérusalem ? Maintenant, fais une convention avec mon maître, le roi d'Assyrie, et je te
24 donnerai deux mille chevaux, si tu peux fournir des cavaliers pour les monter. Comment repousserais
-tu un seul chef d'entre les moindres serviteurs de mon maître ? Tu mets ta confiance dans l'Égypte pour
25 les chars et pour les cavaliers. D'ailleurs, est-ce sans la volonté de l'Éternel que je suis monté contre ce
26 lieu, pour le détruire ? L'Éternel m'a dit : Monte contre ce pays, et détruis -le. Éliakim, fils de Hilkija,
Schebna et Joach, dirent à Rabschaké : Parle à tes serviteurs en araméen, car nous le comprenons ; et
27 ne nous parle pas en langue judaïque, aux oreilles du peuple qui est sur la muraille. Rabschaké leur
répondit : Est-ce à ton maître et à toi que mon maître m'a envoyé dire ces paroles ? N'est-ce pas à ces
28 hommes assis sur la muraille pour manger leurs excréments et pour boire leur urine avec vous ? Alors
Rabschaké, s'étant avancé, cria à haute voix en langue judaïque, et dit : Écoutez la parole du grand roi,
29 du roi d'Assyrie ! Ainsi parle le roi : Qu'Ézéchias ne vous abuse point, car il ne pourra vous délivrer
30 de ma main. Qu'Ézéchias ne vous amène point à vous confier en l'Éternel, en disant : L'Éternel nous
31 délivrera, et cette ville ne sera pas livrée entre les mains du roi d'Assyrie. N'écoutez point Ézéchias ;
car ainsi parle le roi d'Assyrie : Faites la paix avec moi, rendez -vous à moi, et chacun de vous mangera
32 de sa vigne et de son figuier, et chacun boira de l'eau de sa citerne, jusqu'à ce que je vienne, et que
je vous emmène dans un pays comme le vôtre, dans un pays de blé et de vin, un pays de pain et de
vignes, un pays d'oliviers à huile et de miel, et vous vivrez et vous ne mourrez point. N'écoutez donc
33 point Ézéchias ; car il pourrait vous séduire en disant : L'Éternel nous délivrera. Les dieux des nations
34 ont-ils délivré chacun son pays de la main du roi d'Assyrie ? Où sont les dieux de Hamath et d'Arpad ?
35 Où sont les dieux de Sepharvaïm, d'Héna et d'Ivva ? Ont-ils délivré Samarie de ma main ? Parmi tous
les dieux de ces pays, quels sont ceux qui ont délivré leur pays de ma main, pour que l'Éternel délivre
36 Jérusalem de ma main ? Le peuple se tut, et ne lui répondit pas un mot ; car le roi avait donné cet
37 ordre : Vous ne lui répondrez pas. Et Éliakim, fils de Hilkija, chef de la maison du roi, Schebna, le
secrétaire, et Joach, fils d'Asaph, l'archiviste, vinrent auprès d'Ézéchias, les vêtements déchirés, et lui
rapportèrent les paroles de Rabschaké.

19 Lorsque le roi Ézéchias eut entendu cela, il déchira ses vêtements, se couvrit d'un sac, et alla dans
2 la maison de l'Éternel. Il envoya Éliakim, chef de la maison du roi, Schebna, le secrétaire, et les plus
3 anciens des sacrificateurs, couverts de sacs, vers Ésaïe, le prophète, fils d'Amots. Et ils lui dirent : Ainsi
parle Ézéchias : Ce jour est un jour d'angoisse, de châtiment et d'opprobre ; car les enfants sont près
4 de sortir du sein maternel, et il n'y a point de force pour l'enfantement. Peut-être l'Éternel, ton Dieu,
a-t-il entendu toutes les paroles de Rabschaké, que le roi d'Assyrie, son maître, a envoyé pour insulter
au Dieu vivant, et peut-être l'Éternel, ton Dieu, exercera-t-il ses châtiments à cause des paroles qu'il
5 a entendues. Fais donc monter une prière pour le reste qui subsiste encore. Les serviteurs du roi
6 Ézéchias allèrent donc auprès d'Ésaïe. Et Ésaïe leur dit : Voici ce que vous direz à votre maître : Ainsi

parle l'Éternel : Ne t'effraie point des paroles que tu as entendues et par lesquelles m'ont outragé les
serviteurs du roi d'Assyrie. Je vais mettre en lui un esprit tel que, sur une nouvelle qu'il recevra, 7
il retournera dans son pays ; et je le ferai tomber par l'épée dans son pays. Rabschaké, s'étant retiré, 8
trouva le roi d'Assyrie qui attaquait Libna, car il avait appris son départ de Lakis. Alors le roi d'Assyrie 9
reçut une nouvelle au sujet de Tirhaka, roi d'Éthiopie ; on lui dit : Voici, il s'est mis en marche pour te
faire la guerre. Et le roi d'Assyrie envoya de nouveau des messagers à Ézéchias, en disant : Vous 10
parlerez ainsi à Ézéchias, roi de Juda : Que ton Dieu, auquel tu te confies, ne t'abuse point en disant :
Jérusalem ne sera pas livrée entre les mains du roi d'Assyrie. Voici, tu as appris ce qu'ont fait les 11
rois d'Assyrie à tous les pays, et comment ils les ont détruits ; et toi, tu serais délivré ! Les dieux des 12
nations que mes pères ont détruites les ont-ils délivrées, Gozan, Charan, Retseph, et les fils d'Éden qui
sont à Telassar ? Où sont le roi de Hamath, le roi d'Arpad, et le roi de la ville de Sepharvaïm, d'Héna 13
et d'Ivva ? Ézéchias prit la lettre de la main des messagers, et la lut. Puis il monta à la maison de 14
l'Éternel, et la déploya devant l'Éternel, à qui il adressa cette prière : Éternel, Dieu d'Israël, assis sur 15
les chérubins ! C'est toi qui es le seul Dieu de tous les royaumes de la terre, c'est toi qui as fait les
cieux et la terre. Éternel ! incline ton oreille, et écoute. Éternel ! ouvre tes yeux, et regarde. Entends 16
les paroles de Sanchérib, qui a envoyé Rabschaké pour insulter au Dieu vivant. Il est vrai, ô Éternel ! 17
que les rois d'Assyrie ont détruit les nations et ravagé leurs pays, et qu'ils ont jeté leurs dieux dans le 18
feu ; mais ce n'étaient point des dieux, c'étaient des ouvrages de mains d'homme, du bois et de la pierre ;
et ils les ont anéantis. Maintenant, Éternel, notre Dieu ! délivre -nous de la main de Sanchérib, et que 19
tous les royaumes de la terre sachent que toi seul es Dieu, ô Éternel ! Alors Ésaïe, fils d'Amots, envoya 20
dire à Ézéchias : Ainsi parle l'Éternel, le Dieu d'Israël : J'ai entendu la prière que tu m'as adressée au
sujet de Sanchérib, roi d'Assyrie. Voici la parole que l'Éternel a prononcée contre lui : Elle te méprise, 21
elle se moque de toi, La vierge, fille de Sion ; Elle hoche la tête après toi, La fille de Jérusalem. Qui 22
as-tu insulté et outragé ? Contre qui as-tu élevé la voix ? Tu as porté tes yeux en haut Sur le Saint
d'Israël ! Par tes messagers tu as insulté le Seigneur, Et tu as dit : Avec la multitude de mes chars, J'ai 23
gravi le sommet des montagnes, Les extrémités du Liban ; Je couperai les plus élevés de ses cèdres, Les
plus beaux de ses cyprès, Et j'atteindrai sa dernière cime, Sa forêt semblable à un verger ; J'ai creusé, 24
et j'ai bu des eaux étrangères, Et je tarirai avec la plante de mes pieds Tous les fleuves de l'Égypte.
N'as-tu pas appris que j'ai préparé ces choses de loin, Et que je les ai résolues dès les temps anciens ? 25
Maintenant j'ai permis qu'elles s'accomplissent, Et que tu réduisisses des villes fortes en monceaux de
ruines. Leurs habitants sont impuissants, Épouvantés et confus ; Ils sont comme l'herbe des champs 26
et la tendre verdure, Comme le gazon des toits Et le blé qui sèche avant la formation de sa tige. Mais 27
je sais quand tu t'assieds, quand tu sors et quand tu entres, Et quand tu es furieux contre moi. Parce 28
que tu es furieux contre moi, Et que ton arrogance est montée à mes oreilles, Je mettrai ma boucle à tes
narines et mon mors entre tes lèvres, Et je te ferai retourner par le chemin par lequel tu es venu. Que 29
ceci soit un signe pour toi : On a mangé une année le produit du grain tombé, et une seconde année ce
qui croît de soi-même ; mais la troisième année, vous sèmerez, vous moissonnerez, vous planterez des
vignes, et vous en mangerez le fruit. Ce qui aura été sauvé de la maison de Juda, ce qui sera resté 30
poussera encore des racines par-dessous, et portera du fruit par-dessus. Car de Jérusalem il sortira 31
un reste, et de la montagne de Sion des réchappés. Voilà ce que fera le zèle de l'Éternel des armées.
C'est pourquoi ainsi parle l'Éternel sur le roi d'Assyrie : Il n'entrera point dans cette ville, Il n'y lancera 32
point de traits, Il ne lui présentera point de boucliers, Et il n'élèvera point de retranchements contre
elle. Il s'en retournera par le chemin par lequel il est venu, Et il n'entrera point dans cette ville, dit 33
l'Éternel. Je protégerai cette ville pour la sauver, À cause de moi, et à cause de David, mon serviteur. 34
Cette nuit -là, l'ange de l'Éternel sortit, et frappa dans le camp des Assyriens cent quatre-vingt -cinq 35
mille hommes. Et quand on se leva le matin, voici, c'étaient tous des corps morts. Alors Sanchérib, 36
roi d'Assyrie, leva son camp, partit et s'en retourna ; et il resta à Ninive. Or, comme il était prosterné 37
dans la maison de Nisroc, son dieu, Adrammélec et Scharetser, ses fils, le frappèrent avec l'épée, et
s'enfuirent au pays d'Ararat. Et Ésar-Haddon, son fils, régna à sa place.

En ce temps -là, Ézéchias fut malade à la mort. Le prophète Ésaïe, fils d'Amots, vint auprès de **20**
lui, et lui dit : Ainsi parle l'Éternel : Donne tes ordres à ta maison, car tu vas mourir, et tu ne vivras
plus. Ézéchias tourna son visage contre le mur, et fit cette prière à l'Éternel : O Éternel ! souviens 2, 3
-toi que j'ai marché devant ta face avec fidélité et intégrité de coeur, et que j'ai fait ce qui est bien à tes
yeux ! Et Ézéchias répandit d'abondantes larmes. Ésaïe, qui était sorti, n'était pas encore dans la cour 4
du milieu, lorsque la parole de l'Éternel lui fut adressée en ces termes : Retourne, et dis à Ézéchias, 5

chef de mon peuple : Ainsi parle l'Éternel, le Dieu de David, ton père : J'ai entendu ta prière, j'ai vu
6 tes larmes. Voici, je te guérirai ; le troisième jour, tu monteras à la maison de l'Éternel. J'ajouterai à
tes jours quinze années. Je te délivrerai, toi et cette ville, de la main du roi d'Assyrie ; je protégerai
7 cette ville, à cause de moi, et à cause de David, mon serviteur. Ésaïe dit : Prenez une masse de figues.
8 On la prit, et on l'appliqua sur l'ulcère. Et Ézéchias guérit. Ézéchias avait dit à Ésaïe : À quel signe
9 connaîtrai-je que l'Éternel me guérira, et que je monterai le troisième jour à la maison de l'Éternel ? Et
Ésaïe dit : Voici, de la part de l'Éternel, le signe auquel tu connaîtras que l'Éternel accomplira la parole
10 qu'il a prononcée : L'ombre avancera -t-elle de dix degrés, ou reculera -t-elle de dix degrés ? Ézéchias
répondit : C'est peu de chose que l'ombre avance de dix degrés ; mais plutôt qu'elle recule de dix degrés.
11 Alors Ésaïe, le prophète, invoqua l'Éternel, qui fit reculer l'ombre de dix degrés sur les degrés d'Achaz,
12 où elle était descendue. En ce même temps, Berodac-Baladan, fils de Baladan, roi de Babylone, envoya
13 une lettre et un présent à Ézéchias, car il avait appris la maladie d'Ézéchias. Ézéchias donna audience
aux envoyés, et il leur montra le lieu où étaient ses choses de prix, l'argent et l'or, les aromates et l'huile
précieuse, son arsenal, et tout ce qui se trouvait dans ses trésors : il n'y eut rien qu'Ézéchias ne leur fît
14 voir dans sa maison et dans tous ses domaines. Ésaïe, le prophète, vint ensuite auprès du roi Ézéchias,
et lui dit : Qu'ont dit ces gens -là, et d'où sont-ils venus vers toi ? Ézéchias répondit : Ils sont venus d'un
15 pays éloigné, de Babylone. Ésaïe dit encore : Qu'ont-ils vu dans ta maison ? Ézéchias répondit : Ils ont
16 vu tout ce qui est dans ma maison : il n'y a rien dans mes trésors que je ne leur aie fait voir. Alors Ésaïe
17 dit à Ézéchias : Écoute la parole de l'Éternel ! Voici, les temps viendront où l'on emportera à Babylone
tout ce qui est dans ta maison et ce que tes pères ont amassé jusqu'à ce jour ; il n'en restera rien, dit
18 l'Éternel. Et l'on prendra de tes fils, qui seront sortis de toi, que tu auras engendrés, pour en faire des
19 eunuques dans le palais du roi de Babylone. Ézéchias répondit à Ésaïe : La parole de l'Éternel, que tu
20 as prononcée, est bonne. Et il ajouta : N'y aura-t-il pas paix et sécurité pendant ma vie ? Le reste des
actions d'Ézéchias, tous ses exploits, et comment il fit l'étang et l'aqueduc, et amena les eaux dans la
21 ville, cela n'est-il pas écrit dans le livre des Chroniques des rois de Juda ? Ézéchias se coucha avec ses
pères. Et Manassé, son fils, régna à sa place.

21 Manassé avait douze ans lorsqu'il devint roi, et il régna cinquante -cinq ans à Jérusalem. Sa mère
2 s'appelait Hephtsiba. Il fit ce qui est mal aux yeux de l'Éternel, selon les abominations des nations que
3 l'Éternel avait chassées devant les enfants d'Israël. Il rebâtit les hauts lieux qu'Ézéchias, son père,
avait détruits, il éleva des autels à Baal, il fit une idole d'Astarté, comme avait fait Achab, roi d'Israël,
4 et il se prosterna devant toute l'armée des cieux et la servit. Il bâtit des autels dans la maison de
5 l'Éternel, quoique l'Éternel eût dit : C'est dans Jérusalem que je placerai mon nom. Il bâtit des autels
6 à toute l'armée des cieux dans les deux parvis de la maison de l'Éternel. Il fit passer son fils par le feu ;
il observait les nuages et les serpents pour en tirer des pronostics, et il établit des gens qui évoquaient
les esprits et qui prédisaient l'avenir. Il fit de plus en plus ce qui est mal aux yeux de l'Éternel, afin de
7 l'irriter. Il mit l'idole d'Astarté, qu'il avait faite, dans la maison de laquelle l'Éternel avait dit à David
et à Salomon, son fils : C'est dans cette maison, et c'est dans Jérusalem, que j'ai choisie parmi toutes les
8 tribus d'Israël, que je veux à toujours placer mon nom. Je ne ferai plus errer le pied d'Israël hors du
pays que j'ai donné à ses pères, pourvu seulement qu'ils aient soin de mettre en pratique tout ce que je
9 leur ai commandé et toute la loi que leur a prescrite mon serviteur Moïse. Mais ils n'obéirent point ; et
Manassé fut cause qu'ils s'égarèrent et firent le mal plus que les nations que l'Éternel avait détruites
10, 11 devant les enfants d'Israël. Alors l'Éternel parla en ces termes par ses serviteurs les prophètes : Parce
que Manassé, roi de Juda, a commis ces abominations, parce qu'il a fait pis que tout ce qu'avaient fait
12 avant lui les Amoréens, et parce qu'il a aussi fait pécher Juda par ses idoles, voici ce que dit l'Éternel,
le Dieu d'Israël : Je vais faire venir sur Jérusalem et sur Juda des malheurs qui étourdiront les oreilles
13 de quiconque en entendra parler. J'étendrai sur Jérusalem le cordeau de Samarie et le niveau de la
maison d'Achab ; et je nettoierai Jérusalem comme un plat qu'on nettoie, et qu'on renverse sens dessus
14 dessous après l'avoir nettoyé. J'abandonnerai le reste de mon héritage, et je les livrerai entre les mains
15 de leurs ennemis ; et ils deviendront le butin et la proie de tous leurs ennemis, parce qu'ils ont fait ce
qui est mal à mes yeux et qu'ils m'ont irrité depuis le jour où leurs pères sont sortis d'Égypte jusqu'à
16 ce jour. Manassé répandit aussi beaucoup de sang innocent, jusqu'à en remplir Jérusalem d'un bout à
l'autre, outre les péchés qu'il commit et qu'il fit commettre à Juda en faisant ce qui est mal aux yeux de
17 l'Éternel. Le reste des actions de Manassé, tout ce qu'il a fait, et les péchés auxquels il se livra, cela
18 n'est-il pas écrit dans le livre des Chroniques des rois de Juda ? Manassé se coucha avec ses pères, et
il fut enterré dans le jardin de sa maison, dans le jardin d'Uzza. Et Amon, son fils, régna à sa place.

Amon avait vingt -deux ans lorsqu'il devint roi, et il régna deux ans à Jérusalem. Sa mère s'appelait 19
Meschullémeth, fille de Haruts, de Jotba. Il fit ce qui est mal aux yeux de l'Éternel, comme avait fait 20
Manassé, son père ; il marcha dans toute la voie où avait marché son père, il servit les idoles qu'avait 21
servies son père, et il se prosterna devant elles ; il abandonna l'Éternel, le Dieu de ses pères, et il ne 22
marcha point dans la voie de l'Éternel. Les serviteurs d'Amon conspirèrent contre lui, et firent mourir 23
le roi dans sa maison. Mais le peuple du pays frappa tous ceux qui avaient conspiré contre le roi Amon ; 24
et le peuple du pays établit roi Josias, son fils, à sa place. Le reste des actions d'Amon, et ce qu'il a fait, 25
cela n'est-il pas écrit dans le livre des Chroniques des rois de Juda ? On l'enterra dans son sépulcre, 26
dans le jardin d'Uzza. Et Josias, son fils, régna à sa place.

Josias avait huit ans lorsqu'il devint roi, et il régna trente et un ans à Jérusalem. Sa mère s'appelait **22**
Jedida, fille d'Adaja, de Botskath. Il fit ce qui est droit aux yeux de l'Éternel, et il marcha dans toute la 2
voie de David, son père ; il ne s'en détourna ni à droite ni à gauche. La dix-huitième année du roi Josias, 3
le roi envoya dans la maison de l'Éternel Schaphan, le secrétaire, fils d'Atsalia, fils de Meschullam. Il
lui dit : Monte vers Hilkija, le souverain sacrificateur, et qu'il amasse l'argent qui a été apporté dans la 4
maison de l'Éternel et que ceux qui ont la garde du seuil ont recueilli du peuple. On remettra cet argent 5
entre les mains de ceux qui sont chargés de faire exécuter l'ouvrage dans la maison de l'Éternel. Et ils
l'emploieront pour ceux qui travaillent aux réparations de la maison de l'Éternel, pour les charpentiers, 6
les manoeuvres et les maçons, pour les achats de bois et de pierres de taille nécessaires aux réparations
de la maison. Mais on ne leur demandera pas de compte pour l'argent remis entre leurs mains, car 7
ils agissent avec probité. Alors Hilkija, le souverain sacrificateur, dit à Schaphan, le secrétaire : J'ai 8
trouvé le livre de la loi dans la maison de l'Éternel. Et Hilkija donna le livre à Schaphan, et Schaphan le
lut. Puis Schaphan, le secrétaire, alla rendre compte au roi, et dit : Tes serviteurs ont amassé l'argent 9
qui se trouvait dans la maison, et l'ont remis entre les mains de ceux qui sont chargés de faire exécuter
l'ouvrage dans la maison de l'Éternel. Schaphan, le secrétaire, dit encore au roi : Le sacrificateur 10
Hilkija m'a donné un livre. Et Schaphan le lut devant le roi. Lorsque le roi entendit les paroles du 11
livre de la loi, il déchira ses vêtements. Et le roi donna cet ordre au sacrificateur Hilkija, à Achikam, 12
fils de Schaphan, à Acbor, fils de Michée, à Schaphan, le secrétaire, et à Asaja, serviteur du roi : Allez, 13
consultez l'Éternel pour moi, pour le peuple, et pour tout Juda, au sujet des paroles de ce livre qu'on
a trouvé ; car grande est la colère de l'Éternel, qui s'est enflammée contre nous, parce que nos pères
n'ont point obéi aux paroles de ce livre et n'ont point mis en pratique tout ce qui nous y est prescrit.
Le sacrificateur Hilkija, Achikam, Acbor, Schaphan et Asaja, allèrent auprès de la prophétesse Hulda, 14
femme de Schallum, fils de Thikva, fils de Harhas, gardien des vêtements. Elle habitait à Jérusalem,
dans l'autre quartier de la ville. Après qu'ils lui eurent parlé, elle leur dit : Ainsi parle l'Éternel, le Dieu 15
d'Israël : Dites à l'homme qui vous a envoyés vers moi : Ainsi parle l'Éternel : Voici, je vais faire venir 16
des malheurs sur ce lieu et sur ses habitants, selon toutes les paroles du livre qu'a lu le roi de Juda.
Parce qu'ils m'ont abandonné et qu'ils ont offert des parfums à d'autres dieux, afin de m'irriter par tous 17
les ouvrages de leurs mains, ma colère s'est enflammée contre ce lieu, et elle ne s'éteindra point. Mais 18
vous direz au roi de Juda, qui vous a envoyés pour consulter l'Éternel : Ainsi parle l'Éternel, le Dieu
d'Israël, au sujet des paroles que tu as entendues : Parce que ton coeur a été touché, parce que tu t'es 19
humilié devant l'Éternel en entendant ce que j'ai prononcé contre ce lieu et contre ses habitants, qui
seront un objet d'épouvante et de malédiction, et parce que tu as déchiré tes vêtements et que tu as
pleuré devant moi, moi aussi, j'ai entendu, dit l'Éternel. C'est pourquoi, voici, je te recueillerai auprès 20
de tes pères, tu seras recueilli en paix dans ton sépulcre, et tes yeux ne verront pas tous les malheurs
que je ferai venir sur ce lieu. Ils rapportèrent au roi cette réponse.

Le roi Josias fit assembler auprès de lui tous les anciens de Juda et de Jérusalem. Puis il monta à **23**, 2
la maison de l'Éternel, avec tous les hommes de Juda et tous les habitants de Jérusalem, les sacrifica-
teurs, les prophètes, et tout le peuple, depuis le plus petit jusqu'au plus grand. Il lut devant eux toutes
les paroles du livre de l'alliance, qu'on avait trouvé dans la maison de l'Éternel. Le roi se tenait sur 3
l'estrade, et il traita alliance devant l'Éternel, s'engageant à suivre l'Éternel, et à observer ses ordon-
nances, ses préceptes et ses lois, de tout son coeur et de toute son âme, afin de mettre en pratique les
paroles de cette alliance, écrites dans ce livre. Et tout le peuple entra dans l'alliance. Le roi ordonna à 4
Hilkija, le souverain sacrificateur, aux sacrificateurs du second ordre, et à ceux qui gardaient le seuil,
de sortir du temple de l'Éternel tous les ustensiles qui avaient été faits pour Baal, pour Astarté, et pour
toute l'armée des cieux ; et il les brûla hors de Jérusalem, dans les champs du Cédron, et en fit porter
la poussière à Béthel. Il chassa les prêtres des idoles, établis par les rois de Juda pour brûler des par- 5
fums sur les hauts lieux dans les villes de Juda et aux environs de Jérusalem, et ceux qui offraient des

parfums à Baal, au soleil, à la lune, au zodiaque et à toute l'armée des cieux. Il sortit de la maison de
l'Éternel l'idole d'Astarté, qu'il transporta hors de Jérusalem vers le torrent de Cédron ; il la brûla au
torrent de Cédron et la réduisit en poussière, et il en jeta la poussière sur les sépulcres des enfants du
peuple. Il abattit les maisons des prostitués qui étaient dans la maison de l'Éternel, et où les femmes
tissaient des tentes pour Astarté. Il fit venir tous les prêtres des villes de Juda ; il souilla les hauts
lieux où les prêtres brûlaient des parfums, depuis Guéba jusqu'à Beer-Schéba ; et il renversa les hauts
lieux des portes, celui qui était à l'entrée de la porte de Josué, chef de la ville, et celui qui était à gauche
de la porte de la ville. Toutefois les prêtres des hauts lieux ne montaient pas à l'autel de l'Éternel à
Jérusalem, mais ils mangeaient des pains sans levain au milieu de leurs frères. Le roi souilla Topheth
dans la vallée des fils de Hinnom, afin que personne ne fît plus passer son fils ou sa fille par le feu en
l'honneur de Moloc. Il fit disparaître de l'entrée de la maison de l'Éternel les chevaux que les rois de
Juda avaient consacrés au soleil, près de la chambre de l'eunuque Nethan-Mélec, qui demeurait dans
le faubourg ; et il brûla au feu les chars du soleil. Le roi démolit les autels qui étaient sur le toit de la
chambre haute d'Achaz et que les rois de Juda avaient faits, et les autels qu'avait faits Manassé dans les
deux parvis de la maison de l'Éternel ; après les avoir brisés et enlevés de là, il en jeta la poussière dans
le torrent de Cédron. Le roi souilla les hauts lieux qui étaient en face de Jérusalem, sur la droite de la
montagne de perdition, et que Salomon, roi d'Israël, avait bâtis à Astarté, l'abomination des Sidoniens,
à Kemosch, l'abomination de Moab, et à Milcom, l'abomination des fils d'Ammon. Il brisa les statues
et abattit les idoles, et il remplit d'ossements d'hommes la place qu'elles occupaient. Il renversa aussi
l'autel qui était à Béthel, et le haut lieu qu'avait fait Jéroboam, fils de Nebath, qui avait fait pécher
Israël ; il brûla le haut lieu et le réduisit en poussière, et il brûla l'idole. Josias, s'étant tourné et ayant
vu les sépulcres qui étaient là dans la montagne, envoya prendre les ossements des sépulcres, et il les
brûla sur l'autel et le souilla, selon la parole de l'Éternel prononcée par l'homme de Dieu qui avait an-
noncé ces choses. Il dit : Quel est ce monument que je vois ? Les gens de la ville lui répondirent : C'est le
sépulcre de l'homme de Dieu, qui est venu de Juda, et qui a crié contre l'autel de Béthel ces choses que
tu as accomplies. Et il dit : Laissez -le ; que personne ne remue ses os ! On conserva ainsi ses os avec
les os du prophète qui était venu de Samarie. Josias fit encore disparaître toutes les maisons des hauts
lieux, qui étaient dans les villes de Samarie, et qu'avaient faites les rois d'Israël pour irriter l'Éternel ;
il fit à leur égard entièrement comme il avait fait à Béthel. Il immola sur les autels tous les prêtres des
hauts lieux, qui étaient là, et il y brûla des ossements d'hommes. Puis il retourna à Jérusalem. Le roi
donna cet ordre à tout le peuple : Célébrez la Pâque en l'honneur de l'Éternel, votre Dieu, comme il est
écrit dans ce livre de l'alliance. Aucune Pâque pareille à celle-ci n'avait été célébrée depuis le temps
où les juges jugeaient Israël et pendant tous les jours des rois d'Israël et des rois de Juda. Ce fut la
dix-huitième année du roi Josias qu'on célébra cette Pâque en l'honneur de l'Éternel à Jérusalem. De
plus, Josias fit disparaître ceux qui évoquaient les esprits et ceux qui prédisaient l'avenir, et les théra-
phim, et les idoles, et toutes les abominations qui se voyaient dans le pays de Juda et à Jérusalem, afin
de mettre en pratique les paroles de la loi, écrites dans le livre que le sacrificateur Hilkija avait trouvé
dans la maison de l'Éternel. Avant Josias, il n'y eut point de roi qui, comme lui, revînt à l'Éternel de
tout son coeur, de toute son âme et de toute sa force, selon toute la loi de Moïse ; et après lui, il n'en a
point paru de semblable. Toutefois l'Éternel ne se désista point de l'ardeur de sa grande colère dont
il était enflammé contre Juda, à cause de tout ce qu'avait fait Manassé pour l'irriter. Et l'Éternel dit :
J'ôterai aussi Juda de devant ma face comme j'ai ôté Israël, et je rejetterai cette ville de Jérusalem que
j'avais choisie, et la maison de laquelle j'avais dit : Là sera mon nom. Le reste des actions de Josias, et
tout ce qu'il a fait, cela n'est-il pas écrit dans le livre des Chroniques des rois de Juda ? De son temps,
Pharaon Néco, roi d'Égypte, monta contre le roi d'Assyrie, vers le fleuve de l'Euphrate. Le roi Josias
marcha à sa rencontre ; et Pharaon le tua à Meguiddo, dès qu'il le vit. Ses serviteurs l'emportèrent
mort sur un char ; ils l'amenèrent de Meguiddo à Jérusalem, et ils l'enterrèrent dans son sépulcre. Et
le peuple du pays prit Joachaz, fils de Josias ; ils l'oignirent, et le firent roi à la place de son père. Joa-
chaz avait vingt -trois ans lorsqu'il devint roi, et il régna trois mois à Jérusalem. Sa mère s'appelait
Hamuthal, fille de Jérémie, de Libna. Il fit ce qui est mal aux yeux de l'Éternel, entièrement comme
avaient fait ses pères. Pharaon Néco l'enchaîna à Ribla, dans le pays de Hamath, pour qu'il ne régnât
plus à Jérusalem ; et il mit sur le pays une contribution de cent talents d'argent et d'un talent d'or. Et
Pharaon Néco établit roi Éliakim, fils de Josias, à la place de Josias, son père, et il changea son nom en
celui de Jojakim. Il prit Joachaz, qui alla en Égypte et y mourut. Jojakim donna à Pharaon l'argent
et l'or ; mais il taxa le pays pour fournir cet argent, d'après l'ordre de Pharaon ; il détermina la part de
chacun et exigea du peuple du pays l'argent et l'or qu'il devait livrer à Pharaon Néco. Jojakim avait
vingt -cinq ans lorsqu'il devint roi, et il régna onze ans à Jérusalem. Sa mère s'appelait Zebudda, fille

de Pedaja, de Ruma. Il fit ce qui est mal aux yeux de l'Éternel, entièrement comme avaient fait ses 37
pères.

De son temps, Nebucadnetsar, roi de Babylone, se mit en campagne. Jojakim lui fut assujetti pen- **24**
dant trois ans ; mais il se révolta de nouveau contre lui. Alors l'Éternel envoya contre Jojakim des 2
troupes de Chaldéens, des troupes de Syriens, des troupes de Moabites et des troupes d'Ammonites ;
il les envoya contre Juda pour le détruire, selon la parole que l'Éternel avait prononcée par ses servi-
teurs les prophètes. Cela arriva uniquement sur l'ordre de l'Éternel, qui voulait ôter Juda de devant 3
sa face, à cause de tous les péchés commis par Manassé, et à cause du sang innocent qu'avait répandu 4
Manassé et dont il avait rempli Jérusalem. Aussi l'Éternel ne voulut -il point pardonner. Le reste des 5
actions de Jojakim, et tout ce qu'il a fait, cela n'est-il pas écrit dans le livre des Chroniques des rois
de Juda ? Jojakim se coucha avec ses pères. Et Jojakin, son fils, régna à sa place. Le roi d'Égypte ne 6, 7
sortit plus de son pays, car le roi de Babylone avait pris tout ce qui était au roi d'Égypte depuis le tor-
rent d'Égypte jusqu'au fleuve de l'Euphrate. Jojakin avait dix-huit ans lorsqu'il devint roi, et il régna 8
trois mois à Jérusalem. Sa mère s'appelait Nehuschtha, fille d'Elnathan, de Jérusalem. Il fit ce qui est 9
mal aux yeux de l'Éternel, entièrement comme avait fait son père. En ce temps -là, les serviteurs de 10
Nebucadnetsar, roi de Babylone, montèrent contre Jérusalem, et la ville fut assiégée. Nebucadnetsar, 11
roi de Babylone, arriva devant la ville pendant que ses serviteurs l'assiégeaient. Alors Jojakin, roi de 12
Juda, se rendit auprès du roi de Babylone, avec sa mère, ses serviteurs, ses chefs et ses eunuques. Et
le roi de Babylone le fit prisonnier, la huitième année de son règne. Il tira de là tous les trésors de la 13
maison de l'Éternel et les trésors de la maison du roi ; et il brisa tous les ustensiles d'or que Salomon,
roi d'Israël, avait faits dans le temple de l'Éternel, comme l'Éternel l'avait prononcé. Il emmena en 14
captivité tout Jérusalem, tous les chefs et tous les hommes vaillants, au nombre de dix mille exilés,
avec tous les charpentiers et les serruriers : il ne resta que le peuple pauvre du pays. Il transporta 15
Jojakin à Babylone ; et il emmena captifs de Jérusalem à Babylone la mère du roi, les femmes du roi
et ses eunuques, et les grands du pays, tous les guerriers au nombre de sept mille, et les charpentiers 16
et les serruriers au nombre de mille, tous hommes vaillants et propres à la guerre. Le roi de Babylone
les emmena captifs à Babylone. Et le roi de Babylone établit roi, à la place de Jojakin, Matthania, son 17
oncle, dont il changea le nom en celui de Sédécias. Sédécias avait vingt et un ans lorsqu'il devint roi, et 18
il régna onze ans à Jérusalem. Sa mère s'appelait Hamuthal, fille de Jérémie, de Libna. Il fit ce qui est 19
mal aux yeux de l'Éternel, entièrement comme avait fait Jojakim. Et cela arriva à cause de la colère de 20
l'Éternel contre Jérusalem et contre Juda, qu'il voulait rejeter de devant sa face. Et Sédécias se révolta
contre le roi de Babylone.

La neuvième année du règne de Sédécias, le dixième jour du dixième mois, Nebucadnetsar, roi de Ba- **25**
bylone, vint avec toute son armée contre Jérusalem ; il campa devant elle, et éleva des retranchements
tout autour. La ville fut assiégée jusqu'à la onzième année du roi Sédécias. Le neuvième jour du mois, 2, 3
la famine était forte dans la ville, et il n'y avait pas de pain pour le peuple du pays. Alors la brèche 4
fut faite à la ville ; et tous les gens de guerre s'enfuirent de nuit par le chemin de la porte entre les
deux murs près du jardin du roi, pendant que les Chaldéens environnaient la ville. Les fuyards prirent
le chemin de la plaine. Mais l'armée des Chaldéens poursuivit le roi et l'atteignit dans les plaines de 5
Jéricho, et toute son armée se dispersa loin de lui. Ils saisirent le roi, et le firent monter vers le roi de 6
Babylone à Ribla ; et l'on prononça contre lui une sentence. Les fils de Sédécias furent égorgés en sa 7
présence ; puis on creva les yeux à Sédécias, on le lia avec des chaînes d'airain, et on le mena à Babylone.
Le septième jour du cinquième mois, -c'était la dix-neuvième année du règne de Nebucadnetsar, roi de 8
Babylone, -Nebuzaradan, chef des gardes, serviteur du roi de Babylone, entra dans Jérusalem. Il brûla 9
la maison de l'Éternel, la maison du roi, et toutes les maisons de Jérusalem ; il livra au feu toutes les
maisons de quelque importance. Toute l'armée des Chaldéens, qui était avec le chef des gardes, démolit 10
les murailles formant l'enceinte de Jérusalem. Nebuzaradan, chef des gardes, emmena captifs ceux du 11
peuple qui étaient demeurés dans la ville, ceux qui s'étaient rendus au roi de Babylone, et le reste de la
multitude. Cependant le chef des gardes laissa comme vignerons et comme laboureurs quelques-uns 12
des plus pauvres du pays. Les Chaldéens brisèrent les colonnes d'airain qui étaient dans la maison de 13
l'Éternel, les bases, la mer d'airain qui était dans la maison de l'Éternel, et ils en emportèrent l'airain
à Babylone. Ils prirent les cendriers, les pelles, les couteaux, les tasses, et tous les ustensiles d'airain 14
avec lesquels on faisait le service. Le chef des gardes prit encore les brasiers et les coupes, ce qui était 15
d'or et ce qui était d'argent. Les deux colonnes, la mer, et les bases, que Salomon avait faites pour la 16
maison de l'Éternel, tous ces ustensiles d'airain avaient un poids inconnu. La hauteur d'une colonne 17
était de dix-huit coudées, et il y avait au-dessus un chapiteau d'airain dont la hauteur était de trois cou-
dées ; autour du chapiteau il y avait un treillis et des grenades, le tout d'airain ; il en était de même pour

18 la seconde colonne avec le treillis. Le chef des gardes prit Seraja, le souverain sacrificateur, Sophonie,
19 le second sacrificateur, et les trois gardiens du seuil. Et dans la ville il prit un eunuque qui avait sous
son commandement les gens de guerre, cinq hommes qui faisaient partie des conseillers du roi et qui
furent trouvés dans la ville, le secrétaire du chef de l'armée qui était chargé d'enrôler le peuple du pays,
20 et soixante hommes du peuple du pays qui se trouvèrent dans la ville. Nebuzaradan, chef des gardes,
21 les prit, et les conduisit vers le roi de Babylone à Ribla. Le roi de Babylone les frappa et les fit mourir
22 à Ribla, dans le pays de Hamath. Ainsi Juda fut emmené captif loin de son pays. Et Nebucadnetsar,
roi de Babylone, plaça le reste du peuple, qu'il laissa dans le pays de Juda, sous le commandement de
23 Guedalia, fils d'Achikam, fils de Schaphan. Lorsque tous les chefs des troupes eurent appris, eux et
leurs hommes, que le roi de Babylone avait établi Guedalia pour gouverneur, ils se rendirent auprès de
Guedalia à Mitspa, savoir Ismaël, fils de Nethania, Jochanan, fils de Karéach, Seraja, fils de Thanhu-
24 meth, de Nethopha, et Jaazania, fils du Maacathien, eux et leurs hommes. Guedalia leur jura, à eux
et à leurs hommes, et leur dit : Ne craignez rien de la part des serviteurs des Chaldéens ; demeurez
25 dans le pays, servez le roi de Babylone, et vous vous en trouverez bien. Mais au septième mois, Ismaël,
fils de Nethania, fils d'Élischama, de la race royale, vint, accompagné de dix hommes, et ils frappèrent
26 mortellement Guedalia, ainsi que les Juifs et les Chaldéens qui étaient avec lui à Mitspa. Alors tout le
peuple, depuis le plus petit jusqu'au plus grand, et les chefs des troupes, se levèrent et s'en allèrent en
27 Égypte, parce qu'ils avaient peur des Chaldéens. La trente -septième année de la captivité de Jojakin,
roi de Juda, le vingt -septième jour du douzième mois, Évil-Merodac, roi de Babylone, dans la première
28 année de son règne, releva la tête de Jojakin, roi de Juda, et le tira de prison. Il lui parla avec bonté,
29 et il mit son trône au-dessus du trône des rois qui étaient avec lui à Babylone. Il lui fit changer ses
30 vêtements de prison, et Jojakin mangea toujours à sa table tout le temps de sa vie. Le roi pourvut
constamment à son entretien journalier tout le temps de sa vie.

I CHRONIQUES

1 Adam, Seth, Énosch, Kénan, Mahalaleel, Jéred, Hénoc, Metuschélah, Lémec, Noé, Sem, Cham 1, 2, 3, 4
et Japhet. Fils de Japhet : Gomer, Magog, Madaï, Javan, Tubal, Méschec et Tiras. - Fils de 5, 6
Gomer : Aschkenaz, Diphat et Togarma. - Fils de Javan : Élischa, Tarsisa, Kittim et Roda- 7
nim. Fils de Cham : Cusch, Mitsraïm, Puth et Canaan. - Fils de Cusch : Saba, Havila, Sabta, 8, 9
Raema et Sabteca. -Fils de Raema : Séba et Dedan. Cusch engendra Nimrod ; c'est lui qui commença à 10
être puissant sur la terre. - Mitsraïm engendra les Ludim, les Ananim, les Lehabim, les Naphtuhim, 11
les Patrusim, les Casluhim, d'où sont sortis les Philistins, et les Caphtorim. - Canaan engendra Sidon, 12, 13
son premier-né, et Heth, et les Jébusiens, les Amoréens, les Guirgasiens, les Héviens, les Arkiens, 14, 15
les Siniens, les Arvadiens, les Tsemariens, les Hamathiens. Fils de Sem : Élam, Assur, Arpacschad, 16, 17
Lud et Aram ; Uts, Hul, Guéter et Méschec. - Arpacschad engendra Schélach ; et Schélach engendra 18
Héber. Il naquit à Héber deux fils : le nom de l'un était Péleg, parce que de son temps la terre fut 19
partagée, et le nom de son frère était Jokthan. Jokthan engendra Almodad, Schéleph, Hatsarmaveth, 20
Jérach, Hadoram, Uzal, Dikla, Ébal, Abimaël, Séba, Ophir, Havila et Jobab. Tous ceux-là furent fils 21, 22, 23
de Jokthan. Sem, Arpacschad, Schélach, Héber, Péleg, Rehu, Serug, Nachor, Térach, Abram, qui 24, 25, 26, 27
est Abraham. Fils d'Abraham : Isaac et Ismaël. Voici leur postérité. Nebajoth, premier-né d'Ismaël, 28, 29
Kédar, Adbeel, Mibsam, Mischma, Duma, Massa, Hadad, Téma, Jethur, Naphisch et Kedma. Ce sont 30, 31
là les fils d'Ismaël. Fils de Ketura, concubine d'Abraham. Elle enfanta Zimran, Jokschan, Medan, Ma- 32
dian, Jischbak et Schuach. -Fils de Jokschan : Séba et Dedan. - Fils de Madian : Épha, Épher, Hénoc, 33
Abida et Eldaa. -Ce sont là tous les fils de Ketura. Abraham engendra Isaac. Fils d'Isaac : Ésaü et 34
Israël. Fils d'Ésaü : Éliphaz, Reuel, Jeusch, Jaelam et Koré. - Fils d'Éliphaz : Théman, Omar, Tsephi, 35, 36
Gaetham, Kenaz, Thimna et Amalek. - Fils de Reuel : Nahath, Zérach, Schamma et Mizza. Fils de 37, 38
Séir : Lothan, Schobal, Tsibeon, Ana, Dischon, Etser et Dischan. - Fils de Lothan : Hori et Homam. 39

beon : Ajja et Ana. - Fils d'Ana : Dischon. Fils de Dischon : Hamran, Eschban, Jithran et Keran. - Fils 41, 42
d'Etser : Bilhan, Zaavan et Jaakan. -Fils de Dischan : Uts et Aran. - Voici les rois qui ont régné dans 43
le pays d'Édom, avant qu'un roi régnât sur les enfants d'Israël. -Béla, fils de Beor ; et le nom de sa ville
était Dinhaba. - Béla mourut ; et Jobab, fils de Zérach, de Botsra, régna à sa place. - Jobab mourut ; 44, 45
et Huscham, du pays des Thémanites, régna à sa place. - Huscham mourut ; et Hadad, fils de Bedad, 46
régna à sa place. C'est lui qui frappa Madian dans les champs de Moab. Le nom de sa ville était Avith.
- Hadad mourut ; et Samla, de Masréka, régna à sa place. - Samla mourut ; et Saül, de Rehoboth sur 47, 48
le fleuve, régna à sa place. - Saül mourut ; et Baal-Hanan, fils d'Acbor, régna à sa place. - Baal-Hanan 49, 50
mourut ; et Hadad régna à sa place. Le nom de sa ville était Pahi ; et le nom de sa femme Mehéthabeel,
fille de Mathred, fille de Mézahab. - Hadad mourut. Les chefs d'Édom furent : le chef Thimna, le chef 51
Alja, le chef Jetheth, le chef Oholibama, le chef Éla, le chef Pinon, le chef Kenaz, le chef Théman, le 52, 53
chef Mibtsar, le chef Magdiel, le chef Iram. Ce sont là des chefs d'Édom. 54

2 Voici les fils d'Israël. Ruben, Siméon, Lévi, Juda, Issacar, Zabulon, Dan, Joseph, Benjamin, Neph- 1, 2
thali, Gad et Aser. Fils de Juda : Er, Onan, Schéla ; ces trois lui naquirent de la fille de Schua, la 3
Cananéenne. Er, premier-né de Juda, était méchant aux yeux de l'Éternel, qui le fit mourir. Tamar, 4
belle-fille de Juda, lui enfanta Pérets et Zérach. Total des fils de Juda : cinq. Fils de Pérets : Hetsron et 5
Hamul. Fils de Zérach : Zimri, Éthan, Héman, Calcol et Dara. En tout : cinq. - Fils de Carmi : Acar, qui 6, 7
troubla Israël lorsqu'il commit une infidélité au sujet des choses dévouées par interdit. - Fils d'Éthan : 8
Azaria. Fils qui naquirent à Hetsron : Jerachmeel, Ram et Kelubaï. Ram engendra Amminadab. Am- 9, 10
minadab engendra Nachschon, prince des fils de Juda. Nachschon engendra Salma. Salma engendra 11
Boaz. Boaz engendra Obed. Obed engendra Isaï. Isaï engendra Éliab, son premier-né, Abinadab le 12, 13
second, Schimea le troisième, Nethaneel le quatrième, Raddaï le cinquième, Otsem le sixième, David 14, 15
le septième. Leurs soeurs étaient : Tseruja et Abigaïl. Fils de Tseruja : Abischaï, Joab et Asaël, trois. 16
Abigaïl enfanta Amasa ; le père d'Amasa fut Jéther, l'Ismaélite. Caleb, fils de Hetsron, eut des enfants 17, 18
d 'Azuba, sa femme, et de Jerioth. Voici les fils qu'il eut d'Azuba : Jéscher, Schobab et Ardon. Azuba 19
mourut ; et Caleb prit Éphrath, qui lui enfanta Hur. Hur engendra Uri, et Uri engendra Betsaleel. - 20
Ensuite, Hetsron alla vers la fille de Makir, père de Galaad, et il avait soixante ans lorsqu'il la prit ; elle 21
lui enfanta Segub. Segub engendra Jaïr, qui eut vingt -trois villes dans le pays de Galaad. Les Gues- 22, 23
churiens et les Syriens leur prirent les bourgs de Jaïr avec Kenath et les villes de son ressort, soixante
villes. Tous ceux-là étaient fils de Makir, père de Galaad. Après la mort de Hetsron à Caleb-Éphratha, 24
Abija, femme de Hetsron, lui enfanta Aschchur, père de Tekoa. Les fils de Jerachmeel, premier-né de 25

26 Hetsron, furent : Ram, le premier-né, Buna, Oren et Otsem, nés d'Achija. Jerachmeel eut une autre
27 femme, nommée Athara, qui fut mère d'Onam. - Les fils de Ram, premier-né de Jerachmeel, furent :
28 Maats, Jamin et Éker. - Les fils d'Onam furent : Schammaï et Jada. Fils de Schammaï : Nadab et
29, 30 Abischur. Le nom de la femme d'Abischur était Abichaïl, et elle lui enfanta Achban et Molid. Fils de
31 Nadab : Séled et Appaïm. Séled mourut sans fils. Fils d'Appaïm : Jischeï. Fils de Jischeï : Schéschan.
32 Fils de Schéschan : Achlaï. - Fils de Jada, frère de Schammaï : Jéther et Jonathan. Jéther mourut sans
33, 34 fils. Fils de Jonathan : Péleth et Zara. -Ce sont là les fils de Jerachmeel. - Schéschan n'eut point de
35 fils, mais il eut des filles. Schéschan avait un esclave égyptien nommé Jarcha. Et Schéschan donna
36 sa fille pour femme à Jarcha, son esclave, à qui elle enfanta Attaï. Attaï engendra Nathan ; Nathan
37, 38 engendra Zabad ; Zabad engendra Ephlal ; Ephlal engendra Obed ; Obed engendra Jéhu ; Jéhu en-
39, 40 gendra Azaria ; Azaria engendra Halets ; Halets engendra Élasa ; Élasa engendra Sismaï ; Sismaï
41, 42 engendra Schallum ; Schallum engendra Jekamja ; Jekamja engendra Élischama. Fils de Caleb, frère
de Jerachmeel : Méscha, son premier-né, qui fut père de Ziph, et les fils de Maréscha, père d'Hébron.
43, 44 Fils d'Hébron : Koré, Thappuach, Rékem et Schéma. Schéma engendra Racham, père de Jorkeam. Ré-
45, 46 kem engendra Schammaï. Fils de Schammaï : Maon ; et Maon, père de Beth-Tsur. Épha, concubine
47 de Caleb, enfanta Haran, Motsa et Gazez. Haran engendra Gazez. Fils de Jahdaï : Réguem, Jotham,
48, 49 Guéschan, Péleth, Épha et Schaaph. Maaca, concubine de Caleb, enfanta Schéber et Tirchana. Elle
enfanta encore Schaaph, père de Madmanna, et Scheva, père de Macbéna et père de Guibea. La fille de
50 Caleb était Acsa. Ceux-ci furent fils de Caleb : Schobal, fils de Hur, premier-né d'Éphrata, et père de
51, 52 Kirjath-Jearim ; Salma, père de Bethléhem ; Hareph, père de Beth-Gader. Les fils de Schobal, père de
53 Kirjath-Jearim, furent : Haroé, Hatsi -Hammenuhoth. Les familles de Kirjath-Jearim furent : les Jé-
thriens, les Puthiens, les Schumathiens et les Mischraïens ; de ces familles sont sortis les Tsoreathiens
54 et les Eschthaoliens. Fils de Salma : Bethléhem et les Nethophatiens, Athroth -Beth-Joab, Hatsi -
55 Hammanachthi, les Tsoreïens ; et les familles des scribes demeurant à Jaebets, les Thireathiens, les
Schimeathiens et les Sucathiens. Ce sont les Kéniens, issus de Hamath, père de la maison de Récab.

3 Voici les fils de David, qui lui naquirent à Hébron. Le premier-né, Amnon, d'Achinoam de Jizreel ; le
2 second, Daniel, d'Abigaïl de Carmel ; le troisième, Absalom, fils de Maaca, fille de Talmaï, roi de Gues-
3 chur ; le quatrième, Adonija, fils de Haggith ; le cinquième, Schephatia, d'Abithal ; le sixième, Jithream,
4 d'Égla, sa femme. Ces six lui naquirent à Hébron. Il régna là sept ans et six mois, et il régna trente
5 -trois ans à Jérusalem. Voici ceux qui lui naquirent à Jérusalem. Schimea, Schobab, Nathan et Sa-
6, 7 lomon, quatre de Bath-Schua, fille d'Ammiel ; Jibhar, Élischama, Éliphéleth, Noga, Népheg, Japhia,
8, 9 Élischama, Éliada et Éliphéleth, neuf. Ce sont là tous les fils de David, outre les fils des concubines.
10 Et Tamar était leur soeur. Fils de Salomon : Roboam. Abija, son fils ; Asa, son fils ; Josaphat, son fils ;
11, 12 Joram, son fils ; Achazia, son fils ; Joas, son fils ; Amatsia, son fils ; Azaria, son fils ; Jotham, son fils ;
13, 14, 15 Achaz, son fils ; Ézéchias, son fils ; Manassé, son fils ; Amon, son fils ; Josias, son fils. Fils de Josias :
16 le premier-né, Jochanan ; le second, Jojakim ; le troisième, Sédécias ; le quatrième, Schallum. Fils de
17, 18 Jojakim : Jéconias, son fils ; Sédécias, son fils. Fils de Jéconias : Assir, dont le fils fut Schealthiel, Mal-
19 kiram, Pedaja, Schénatsar, Jekamia, Hoschama et Nedabia. Fils de Pedaja : Zorobabel et Schimeï. Fils
20 de Zorobabel : Meschullam et Hanania ; Schelomith, leur soeur ; et Haschuba, Ohel, Bérékia, Hasa-
21 dia, Juschab-Hésed, cinq. Fils de Hanania : Pelathia et Ésaïe ; les fils de Rephaja, les fils d'Arnan,
22 les fils d'Abdias, les fils de Schecania. Fils de Schecania : Schemaeja. Fils de Schemaeja : Hattusch,
23, 24 Jigueal, Bariach, Nearia et Schaphath, six. Fils de Nearia : Eljoénaï, Ézéchias et Azrikam, trois. Fils
d'Eljoénaï : Hodavia, Éliaschib, Pelaja, Akkub, Jochanan, Delaja et Anani, sept.

4, 2 Fils de Juda : Pérets, Hetsron, Carmi, Hur et Schobal. Reaja, fils de Schobal, engendra Jachath ;
3 Jachath engendra Achumaï et Lahad. Ce sont les familles des Tsoreathiens. Voici les descendants du
4 père d'Étham : Jizreel, Jischma et Jidbasch ; le nom de leur soeur était Hatselelponi. Penuel était père
de Guedor, et Ézer père de Huscha. Ce sont là les fils de Hur, premier-né d'Éphrata, père de Bethléhem.
5, 6 Aschchur, père de Tekoa, eut deux femmes, Hélea et Naara. Naara lui enfanta Achuzzam, Hépher,
7, 8 Thémeni et Achaschthari : ce sont là les fils de Naara. Fils de Hélea : Tséreth, Tsochar et Ethnan. Kots
9 engendra Anub et Hatsobéba, et les familles d'Acharchel, fils d'Harum. Jaebets était plus considéré que
ses frères ; sa mère lui donna le nom de Jaebets, en disant : C'est parce que je l'ai enfanté avec douleur.
10 Jaebets invoqua le Dieu d'Israël, en disant : Si tu me bénis et que tu étendes mes limites, si ta main est
avec moi, et si tu me préserves du malheur, en sorte que je ne sois pas dans la souffrance !... Et Dieu
11 accorda ce qu'il avait demandé. Kelub, frère de Schucha, engendra Mechir, qui fut père d'Eschthon.
12 Eschthon engendra la maison de Rapha, Paséach, et Thechinna, père de la ville de Nachasch. Ce sont là
13, 14 les hommes de Réca. Fils de Kenaz : Othniel et Seraja. Fils d'Othniel : Hathath. Meonothaï engendra

Ophra. Seraja engendra Joab, père de la vallée des ouvriers ; car ils étaient ouvriers. Fils de Caleb, fils 15
de Jephunné : Iru, Éla et Naam, et les fils d'Éla, et Kenaz. Fils de Jehalléleel : Ziph, Zipha, Thirja et 16
Asareel. Fils d'Esdras : Jéther, Méred, Épher et Jalon. La femme de Méred enfanta Miriam, Schammaï, 17
et Jischbach, père d'Eschthemoa. Sa femme, la Juive, enfanta Jéred, père de Guedor, Héber, père de 18
Soco, et Jekuthiel, père de Zanoach. Ceux-là sont les fils de Bithja, fille de Pharaon, que Méred prit pour
femme. Fils de la femme d'Hodija, soeur de Nacham : le père de Kehila, le Garmien, et Eschthemoa, 19
le Maacathien. Fils de Simon : Amnon, Rinna, Ben-Hanan et Thilon. Fils de Jischeï : Zocheth et Ben- 20
Zocheth. Fils de Schéla, fils de Juda : Er, père de Léca, Laeda, père de Maréscha, et les familles de la 21
maison où l'on travaille le byssus, de la maison d'Aschbéa, et Jokim, et les hommes de Cozéba, et Joas 22
et Saraph, qui dominèrent sur Moab, et Jaschubi-Léchem. Ces choses sont anciennes. C'étaient les 23
potiers et les habitants des plantations et des parcs ; ils demeuraient là près du roi et travaillaient pour
lui. Fils de Siméon : Nemuel, Jamin, Jarib, Zérach, Saül. Fils de Saül : Schallum. Mibsam, son fils ; 24, 25
Mischma, son fils. Fils de Mischma : Hammuel, son fils. Zaccur, son fils ; Schimeï, son fils. Schimeï eut 26, 27
seize fils et six filles. Ses frères n'eurent pas beaucoup de fils. Et toutes leurs familles ne se multiplièrent
pas autant que les fils de Juda. Ils habitaient à Beer-Schéba, à Molada, à Hatsar-Schual, à Bilha, à 28, 29
Etsem, à Tholad, à Bethuel, à Horma, à Tsiklag, à Beth-Marcaboth, à Hatsar-Susim, à Beth-Bireï 30, 31
et à Schaaraïm. Ce furent là leurs villes jusqu'au règne de David, et leurs villages. Ils avaient encore 32
Etham, Aïn, Rimmon, Thoken et Aschan, cinq villes ; et tous les villages aux environs de ces villes, 33
jusqu'à Baal. Voilà leurs habitations et leur généalogie. Meschobab ; Jamlec ; Joscha, fils d'Amatsia ; 34
Joël ; Jéhu, fils de Joschibia, fils de Seraja, fils d'Asiel ; Eljoénaï ; Jaakoba ; Jeschochaja ; Asaja ; Adiel ; 35, 36
Jesimiel ; Benaja ; Ziza, fils de Schipheï, fils d'Allon, fils de Jedaja, fils de Schimri, fils de Schemaeja. 37
Ceux-là, désignés par leurs noms, étaient princes dans leurs familles, et leurs maisons paternelles 38
prirent un grand accroissement. Ils allèrent du côté de Guedor jusqu'à l'orient de la vallée, afin de 39
chercher des pâturages pour leurs troupeaux. Ils trouvèrent de gras et bons pâturages, et un pays 40
vaste, tranquille et paisible, car ceux qui l'habitaient auparavant descendaient de Cham. Ces hommes, 41
inscrits par leurs noms, arrivèrent du temps d'Ézéchias, roi de Juda ; ils attaquèrent leurs tentes et les
Maonites qui se trouvaient là, ils les dévouèrent par interdit jusqu'à ce jour, et ils s'établirent à leur
place, car il y avait là des pâturages pour leurs troupeaux. Il y eut aussi des fils de Siméon qui allèrent à 42
la montagne de Séir, au nombre de cinq cents hommes. Ils avaient à leur tête Pelathia, Nearia, Rephaja
et Uziel, fils de Jischeï. Ils battirent le reste des réchappés d'Amalek, et ils s'établirent là jusqu'à ce 43
jour.

Fils de Ruben, premier-né d'Israël. -Car il était le premier-né ; mais, parce qu'il souilla la couche de **5**
son père, son droit d'aînesse fut donné aux fils de Joseph, fils d'Israël ; toutefois Joseph ne dut pas être
enregistré dans les généalogies comme premier-né. Juda fut, à la vérité, puissant parmi ses frères, 2
et de lui est issu un prince ; mais le droit d'aînesse est à Joseph. Fils de Ruben, premier-né d'Israël : 3
Hénoc, Pallu, Hetsron et Carmi. Fils de Joël : Schemaeja, son fils ; Gog, son fils ; Schimeï, son fils ; 4
Michée, son fils ; Reaja, son fils ; Baal, son fils ; Beéra, son fils, que Tilgath-Pilnéser, roi d'Assyrie, 5, 6
emmena captif : il était prince des Rubénites. Frères de Beéra, d'après leurs familles, tels qu'ils sont 7
enregistrés dans les généalogies selon leurs générations : le premier, Jeïel ; Zacharie ; Béla, fils d'Azaz, 8
fils de Schéma, fils de Joël. Béla habitait à Aroër, et jusqu'à Nebo et à Baal-Meon ; à l'orient, il habitait 9
jusqu'à l'entrée du désert depuis le fleuve de l'Euphrate, car leurs troupeaux étaient nombreux dans
le pays de Galaad. Du temps de Saül, ils firent la guerre aux Hagaréniens, qui tombèrent entre leurs 10
mains ; et ils habitèrent dans leurs tentes, sur tout le côté oriental de Galaad. Les fils de Gad habitaient 11
vis-à-vis d'eux, dans le pays de Basan, jusqu'à Salca. Joël, le premier, Schapham, le second, Jaenaï, et 12
Schaphath, en Basan. Leurs frères, d'après les maisons de leurs pères : Micaël, Meschullam, Schéba, 13
Joraï, Jaecan, Zia et Éber, sept. Voici les fils d'Abichaïl, fils de Huri, fils de Jaroach, fils de Galaad, fils 14
de Micaël, fils de Jeschischaï, fils de Jachdo, fils de Buz ; Achi, fils d'Abdiel, fils de Guni, était chef des 15
maisons de leurs pères. Ils habitaient en Galaad, en Basan, et dans les villes de leur ressort, et dans 16
toutes les banlieues de Saron jusqu'à leurs extrémités. Ils furent tous enregistrés dans les généalogies, 17
du temps de Jotham, roi de Juda, et du temps de Jéroboam, roi d'Israël. Les fils de Ruben, les Gadites 18
et la demi -tribu de Manassé avaient de vaillants hommes, portant le bouclier et l'épée, tirant de l'arc,
et exercés à la guerre, au nombre de quarante -quatre mille sept cent soixante, en état d'aller à l'armée.
Ils firent la guerre aux Hagaréniens, à Jethur, à Naphisch et à Nodab. Ils reçurent du secours contre 19, 20
eux, et les Hagaréniens et tous ceux qui étaient avec eux furent livrés entre leurs mains. Car, pendant
le combat, ils avaient crié à Dieu, qui les exauça, parce qu'ils s'étaient confiés en lui. Ils prirent leurs 21
troupeaux, cinquante mille chameaux, deux cent cinquante mille brebis, deux mille ânes, et cent mille
personnes ; car il y eut beaucoup de morts, parce que le combat venait de Dieu. Et ils s'établirent à leur 22
place jusqu'au temps où ils furent emmenés captifs. Les fils de la demi -tribu de Manassé habitaient 23
dans le pays, depuis Basan jusqu'à Baal-Hermon et à Senir, et à la montagne d'Hermon ; ils étaient

24 nombreux. Voici les chefs des maisons de leurs pères : Épher, Jischeï, Éliel, Azriel, Jérémie, Hodavia
25 et Jachdiel, vaillants hommes, gens de renom, chefs des maisons de leurs pères. Mais ils péchèrent
contre le Dieu de leurs pères, et ils se prostituèrent après les dieux des peuples du pays, que Dieu
26 avait détruits devant eux. Le Dieu d'Israël excita l'esprit de Pul, roi d'Assyrie, et l'esprit de Tilgath-
Pilnéser, roi d'Assyrie, et Tilgath-Pilnéser emmena captifs les Rubénites, les Gadites et la demi -tribu
de Manassé, et il les conduisit à Chalach, à Chabor, à Hara, et au fleuve de Gozan, où ils sont demeurés
jusqu'à ce jour.

6, 2 Fils de Lévi : Guerschom, Kehath et Merari. Fils de Kehath : Amram, Jitsehar, Hébron et Uziel.

16, 17 en captivité Juda et Jérusalem par Nebucadnetsar. Fils de Lévi : Guerschom, Kehath et Merari. Voici
18 les noms des fils de Guerschom : Libni et Schimeï. Fils de Kehath : Amram, Jitsehar, Hébron et Uziel.
19, 20 Fils de Merari : Machli et Muschi. -Ce sont là les familles de Lévi, selon leurs pères. De Guerschom :
21 Libni, son fils ; Jachath, son fils ; Zimma, son fils ; Joach, son fils ; Iddo, son fils ; Zérach, son fils ; Jea-
22, 23 thraï, son fils. Fils de Kehath : Amminadab, son fils ; Koré, son fils ; Assir, son fils ; Elkana, son fils ;
24, 25 Ebjasaph, son fils ; Assir, son fils ; Thachath, son fils ; Uriel, son fils ; Ozias, son fils ; Saül, son fils. Fils
26, 27 d'Elkana : Amasaï et Achimoth ; Elkana, son fils ; Elkana Tsophaï, son fils ; Nachath, son fils ; Éliab,
28, 29 son fils ; Jerocham, son fils ; Elkana, son fils ; et les fils de Samuel, le premier-né Vaschni et Abija. Fils
30 de Merari : Machli ; Libni, son fils ; Schimeï, son fils ; Uzza, son fils ; Schimea, son fils ; Hagguija, son
31 fils ; Asaja, son fils. Voici ceux que David établit pour la direction du chant dans la maison de l'Éternel,
32 depuis que l'arche eut un lieu de repos : ils remplirent les fonctions de chantres devant le tabernacle,
devant la tente d'assignation, jusqu'à ce que Salomon eût bâti la maison de l'Éternel à Jérusalem, et ils
33 faisaient leur service d'après la règle qui leur était prescrite. Voici ceux qui officiaient avec leurs fils.
34 -D'entre les fils des Kehathites : Héman, le chantre, fils de Joël, fils de Samuel, fils d'Elkana, fils de
35, 36 Jerocham, fils d'Éliel, fils de Thoach, fils de Tsuph, fils d'Elkana, fils de Machath, fils d'Amasaï, fils
37 d'Elkana, fils de Joël, fils d'Azaria, fils de Sophonie, fils de Thachath, fils d'Assir, fils d'Ebjasaph, fils
38, 39 de Koré, fils de Jitsehar, fils de Kehath, fils de Lévi, fils d'Israël. - Son frère Asaph, qui se tenait à
40, 41 sa droite, Asaph, fils de Bérékia, fils de Schimea, fils de Micaël, fils de Baaséja, fils de Malkija, fils
42, 43 d'Ethni, fils de Zérach, fils d'Adaja, fils d'Éthan, fils de Zimma, fils de Schimeï, fils de Jachath, fils de
44 Guerschom, fils de Lévi. - Fils de Merari, leurs frères, à la gauche ; Éthan, fils de Kischi, fils d'Abdi, fils

47, 48 fils de Machli, fils de Muschi, fils de Merari, fils de Lévi. Leurs frères, les Lévites, étaient chargés de
49 tout le service du tabernacle, de la maison de Dieu. Aaron et ses fils offraient les sacrifices sur l'autel
des holocaustes et l'encens sur l'autel des parfums, ils remplissaient toutes les fonctions dans le lieu
très saint, et faisaient l'expiation pour Israël, selon tout ce qu'avait ordonné Moïse, serviteur de Dieu.
50, 51 Voici les fils d'Aaron : Éléazar, son fils ; Phinées, son fils : Abischua, son fils ; Bukki, son fils ; Uzzi, son
52, 53 fils ; Zerachja, son fils ; Merajoth, son fils ; Amaria, son fils ; Achithub, son fils ; Tsadok, son fils ; Achi-
54 maats, son fils. Voici leurs habitations, selon leurs enclos, dans les limites qui leur furent assignées.
55 Aux fils d'Aaron de la famille des Kehathites, indiqués les premiers par le sort, on donna Hébron,
56 dans le pays de Juda, et la banlieue qui l'entoure ; mais le territoire de la ville et ses villages furent
57 accordés à Caleb, fils de Jephunné. Aux fils d'Aaron on donna la ville de refuge Hébron, Libna et sa
58, 59 banlieue, Jatthir, Eschthemoa et sa banlieue, Hilen et sa banlieue, Debir et sa banlieue, Aschan et sa
60 banlieue, Beth-Schémesch et sa banlieue ; et de la tribu de Benjamin, Guéba et sa banlieue, Allémeth
61 et sa banlieue, Anathoth et sa banlieue. Total de leurs villes : treize villes, d'après leurs familles. Les
autres fils de Kehath eurent par le sort dix villes des familles de la tribu d'Éphraïm, de la tribu de Dan
62 et de la demi -tribu de Manassé. Les fils de Guerschom, d'après leurs familles, eurent treize villes de
63 la tribu d'Issacar, de la tribu d'Aser, de la tribu de Nephthali et de la tribu de Manassé en Basan. Les
fils de Merari, d'après leurs familles, eurent par le sort douze villes de la tribu de Ruben, de la tribu de
64 Gad et de la tribu de Zabulon. Les enfants d'Israël donnèrent aux Lévites les villes et leurs banlieues.
65 Ils donnèrent par le sort, de la tribu des fils de Juda, de la tribu des fils de Siméon et de la tribu des
66 fils de Benjamin, ces villes qu'ils désignèrent nominativement. Et pour les autres familles des fils de

Kehath les villes de leur territoire furent de la tribu d'Éphraïm. Ils leur donnèrent la ville de refuge 67
Sichem et sa banlieue, dans la montagne d'Éphraïm, Guézer et sa banlieue, Jokmeam et sa banlieue, 68
Beth-Horon et sa banlieue, Ajalon et sa banlieue, et Gath-Rimmon et sa banlieue ; et de la demi -tribu 69, 70
de Manassé, Aner et sa banlieue, et Bileam et sa banlieue, pour la famille des autres fils de Kehath.
On donna aux fils de Guerschom : de la famille de la demi -tribu de Manassé, Golan en Basan et sa 71
banlieue, et Aschtaroth et sa banlieue ; de la tribu d'Issacar, Kédesch et sa banlieue, Dobrath et sa 72
banlieue, Ramoth et sa banlieue, et Anem et sa banlieue ; de la tribu d'Aser, Maschal et sa banlieue, 73, 74
Abdon et sa banlieue, Hukok et sa banlieue, et Rehob et sa banlieue ; et de la tribu de Nephthali, 75, 76
Kédesch en Galilée et sa banlieue, Hammon et sa banlieue, et Kirjathaïm et sa banlieue. On donna 77
au reste des Lévites, aux fils de Merari : de la tribu de Zabulon, Rimmono et sa banlieue, et Thabor et
sa banlieue ; et de l'autre côté du Jourdain, vis-à-vis de Jéricho, à l'orient du Jourdain : de la tribu de 78
Ruben, Betser au désert et sa banlieue, Jahtsa et sa banlieue, Kedémoth et sa banlieue, et Méphaath 79
et sa banlieue ; et de la tribu de Gad, Ramoth en Galaad et sa banlieue, Mahanaïm et sa banlieue, 80
Hesbon et sa banlieue, et Jaezer et sa banlieue. 81

Fils d'Issacar : Thola, Pua, Jaschub et Schimron, quatre. Fils de Thola : Uzzi, Rephaja, Jeriel, **7**, 2
Jachmaï, Jibsam et Samuel, chefs des maisons de leurs pères, de Thola, vaillants hommes dans leurs
générations ; leur nombre, du temps de David, était de vingt -deux mille six cents. Fils d'Uzzi : Jizra- 3
chja. Fils de Jizrachja : Micaël, Abdias, Joël, Jischija, en tout cinq chefs ; ils avaient avec eux, selon 4
leurs générations, selon les maisons de leurs pères, trente -six mille hommes de troupes armées pour la
guerre, car ils avaient beaucoup de femmes et de fils. Leurs frères, d'après toutes les familles d'Issa- 5
car, hommes vaillants, formaient un total de quatre-vingt -sept mille, enregistrés dans les généalogies.
Fils de Benjamin : Béla, Béker et Jediaël, trois. Fils de Béla : Etsbon, Uzzi, Uziel, Jerimoth et Iri, cinq 6, 7
chefs des maisons de leurs pères, hommes vaillants, et enregistrés dans les généalogies au nombre de
vingt -deux mille trente -quatre. - Fils de Béker : Zemira, Joasch, Éliézer, Eljoénaï, Omri, Jerémoth, 8
Abija, Anathoth et Alameth, tous ceux-là fils de Béker, et enregistrés dans les généalogies, selon leurs 9
générations, comme chefs des maisons de leurs pères, hommes vaillants au nombre de vingt mille deux
cents. - Fils de Jediaël : Bilhan. Fils de Bilhan : Jeusch, Benjamin, Éhud, Kenaana, Zéthan, Tarsis 10
et Achischachar, tous ceux-là fils de Jediaël, chefs des maisons de leurs pères, hommes vaillants au 11
nombre de dix-sept mille deux cents, en état de porter les armes et d'aller à la guerre. Schuppim et 12
Huppim, fils d'Ir ; Huschim, fils d'Acher. Fils de Nephthali : Jahtsiel, Guni, Jetser et Schallum, fils de 13
Bilha. Fils de Manassé : Asriel, qu'enfanta sa concubine syrienne ; elle enfanta Makir, père de Galaad. 14
Makir prit une femme de Huppim et de Schuppim. Le nom de sa soeur était Maaca. Le nom du second 15
fils était Tselophchad ; et Tselophchad eut des filles. Maaca, femme de Makir, enfanta un fils, et l'ap- 16
pela du nom de Péresch ; le nom de son frère était Schéresch, et ses fils étaient Ulam et Rékem. Fils 17
d'Ulam : Bedan. Ce sont là les fils de Galaad, fils de Makir, fils de Manassé. Sa soeur Hammoléketh 18
enfanta Ischhod, Abiézer et Machla. Les fils de Schemida étaient : Achjan, Sichem, Likchi et Aniam. 19
Fils d'Éphraïm : Schutélach ; Béred, son fils ; Thachath, son fils ; Éleada, son fils ; Thachath, son fils ; 20
Zabad, son fils ; Schutélach, son fils ; Ézer et Élead. Les hommes de Gath, nés dans le pays, les tuèrent, 21
parce qu'ils étaient descendus pour prendre leurs troupeaux. Éphraïm, leur père, fut longtemps dans le 22
deuil, et ses frères vinrent pour le consoler. Puis il alla vers sa femme, et elle conçut et enfanta un fils ; 23
il l'appela du nom de Beria, parce que le malheur était dans sa maison. Il eut pour fille Schééra, qui 24
bâtit Beth-Horon la basse et Beth-Horon la haute, et Uzzen-Schééra. Réphach, son fils, et Réscheph ; 25
Thélach, son fils ; Thachan, son fils ; Laedan, son fils ; Ammihud, son fils ; Élischama, son fils ; Nun, 26, 27
son fils ; Josué, son fils. Ils avaient en propriété et pour habitations Béthel et les villes de son ressort ; 28
à l'orient, Naaran ; à l'occident, Guézer et les villes de son ressort, Sichem et les villes de son ressort,
jusqu'à Gaza et aux villes de son ressort. Les fils de Manassé possédaient Beth-Schean et les villes de 29
son ressort, Thaanac et les villes de son ressort, Meguiddo et les villes de son ressort, Dor et les villes
de son ressort. Ce fut dans ces villes qu'habitèrent les fils de Joseph, fils d'Israël. Fils d'Aser : Jimna, 30
Jischva, Jischvi et Beria ; et Sérach, leur soeur. Fils de Beria : Héber et Malkiel. Malkiel fut père de 31
Birzavith. Et Héber engendra Japhleth, Schomer et Hotham, et Schua, leur soeur. - Fils de Japhleth : 32, 33
Pasac, Bimhal et Aschvath. Ce sont là les fils de Japhleth. - Fils de Schamer : Achi, Rohega, Hubba 34
et Aram. - Fils d'Hélem, son frère : Tsophach, Jimna, Schélesch et Amal. Fils de Tsophach : Suach, 35, 36
Harnépher, Schual, Béri, Jimra, Betser, Hod, Schamma, Schilscha, Jithran et Beéra. Fils de Jéther : 37, 38
Jephunné, Pispa et Ara. Fils d'Ulla : Arach, Hanniel et Ritsja. - Tous ceux-là étaient fils d'Aser, chefs 39, 40
des maisons de leurs pères, hommes d'élite et vaillants, chefs des princes, enregistrés au nombre de
vingt -six mille hommes, en état de porter les armes et d'aller à la guerre.

Benjamin engendra Béla, son premier-né, Aschbel le second, Achrach le troisième, Nocha le qua- **8**, 2
trième, et Rapha le cinquième. Les fils de Béla furent : Addar, Guéra, Abihud, Abischua, Naaman, 3, 4

5, 6 Achoach, Guéra, Schephuphan et Huram. Voici les fils d'Échud, qui étaient chefs de famille parmi
7 les habitants de Guéba, et qui les transportèrent à Manachath : Naaman, Achija et Guéra. Guéra,
8 qui les transporta, engendra Uzza et Achichud. Schacharaïm eut des enfants au pays de Moab, après
9 qu'il eut renvoyé Huschim et Baara, ses femmes. Il eut de Hodesch, sa femme : Jobab, Tsibja, Méscha,
10, 11 Malcam, Jeuts, Schocja et Mirma. Ce sont là ses fils, chefs de famille. Il eut de Huschim : Abithub
12 et Elpaal. Fils d'Elpaal : Éber, Mischeam, et Schémer, qui bâtit Ono, Lod et les villes de son ressort.
13 Beria et Schéma, qui étaient chefs de famille parmi les habitants d'Ajalon, mirent en fuite les habi-
14, 15, 16 tants de Gath. Achjo, Schaschak, Jerémoth, Zebadja, Arad, Éder, Micaël, Jischpha et Jocha étaient
17, 18 fils de Beria. - Zebadja, Meschullam, Hizki, Héber, Jischmeraï, Jizlia et Jobab étaient fils d'Elpaal. -
19, 20, 21, 22 Jakim, Zicri, Zabdi, Éliénaï, Tsilthaï, Éliel, Adaja, Beraja et Schimrath étaient fils de Schimeï. - Ji-
23, 24, 25 schpan, Éber, Éliel, Abdon, Zicri, Hanan, Hanania, Élam, Anthothija, Jiphdeja et Penuel étaient fils
26, 27 de Schaschak. - Schamscheraï, Schecharia, Athalia, Jaaréschia, Élija et Zicri étaient fils de Jerocham.
28, 29 - Ce sont là des chefs de famille, chefs selon leurs générations. Ils habitaient à Jérusalem. Le père de
30 Gabaon habitait à Gabaon, et le nom de sa femme était Maaca. Abdon, son fils premier-né, puis Tsur,
31, 32 Kis, Baal, Nadab, Guedor, Achjo, et Zéker. Mikloth engendra Schimea. Ils habitaient aussi à Jéru-
33 salem près de leurs frères, avec leurs frères. - Ner engendra Kis ; Kis engendra Saül ; Saül engendra
34 Jonathan, Malki-Schua, Abinadab et Eschbaal. Fils de Jonathan : Merib-Baal. Merib-Baal engendra
35, 36 Michée. Fils de Michée : Pithon, Mélec, Thaeréa et Achaz. Achaz engendra Jehoadda ; Jehoadda en-
37 gendra Alémeth, Azmaveth et Zimri ; Zimri engendra Motsa ; Motsa engendra Binea. Rapha, son fils ;
38 Éleasa, son fils ; Atsel, son fils ; Atsel eut six fils, dont voici les noms : Azrikam, Bocru, Ismaël, Schea-
39 ria, Abdias et Hanan. Tous ceux-là étaient fils d'Atsel. - Fils d'Éschek, son frère : Ulam, son premier-né,
40 Jeusch le second, et Éliphéleth le troisième. Les fils d'Ulam furent de vaillants hommes, tirant de l'arc ;
et ils eurent beaucoup de fils et de petits-fils, cent cinquante. Tous ceux-là sont des fils de Benjamin.

9 Tout Israël est enregistré dans les généalogies et inscrit dans le livre des rois d'Israël. Et Juda fut
2 emmené captif à Babylone, à cause de ses infidélités. Les premiers habitants qui demeuraient dans
leurs possessions, dans leurs villes, étaient les Israélites, les sacrificateurs, les Lévites, et les Néthi-
3 niens. À Jérusalem habitaient des fils de Juda, des fils de Benjamin, et des fils d'Éphraïm et de Ma-
4, 5 nassé. - Des fils de Pérets, fils de Juda : Uthaï, fils d'Ammihud, fils d'Omri, fils d'Imri, fils de Bani. Des
6 Schilonites : Asaja, le premier-né, et ses fils. Des fils de Zérach : Jeuel, et ses frères, six cent quatre-
7, 8 vingt-dix. - Des fils de Benjamin : Sallu, fils de Meschullam, fils d'Hodavia, fils d'Assenua ; Jibneja,
fils de Jerocham ; Éla, fils d'Uzzi, fils de Micri ; Meschullam, fils de Schephathia, fils de Reuel, fils de
9 Jibnija ; et leurs frères, selon leurs générations, neuf cent cinquante -six. Tous ces hommes étaient
10, 11 chefs de famille dans les maisons de leurs pères. Des sacrificateurs : Jedaeja ; Jehojarib ; Jakin ; Aza-
ria, fils de Hilkija, fils de Meschullam, fils de Tsadok, fils de Merajoth, fils d'Achithub, prince de la
12 maison de Dieu ; Adaja, fils de Jerocham, fils de Paschhur, fils de Malkija ; Maesaï, fils d'Adiel, fils de
13 Jachzéra, fils de Meschullam, fils de Meschillémith, fils d'Immer ; et leurs frères, chefs des maisons de
14 leurs pères, mille sept cent soixante, hommes vaillants, occupés au service de la maison de Dieu. Des
15 Lévites : Schemaeja, fils de Haschub, fils d'Azrikam, fils de Haschabia, des fils de Merari ; Bakbakkar ;
16 Héresch ; Galal ; Matthania, fils de Michée, fils de Zicri, fils d'Asaph ; Abdias, fils de Schemaeja, fils de
Galal, fils de Jeduthun ; Bérékia, fils d'Asa, fils d'Elkana, qui habitait dans les villages des Nethopha-
17 thiens. Et les portiers : Schallum, Akkub, Thalmon, Achiman, et leurs frères ; Schallum était le chef,
18 et jusqu'à présent il est à la porte du roi, à l'orient. Ce sont là les portiers pour le camp des fils de Lévi.
19 Schallum, fils de Koré, fils d'Ébiasaph, fils de Koré, et ses frères de la maison de son père, les Koréites,
remplissaient les fonctions de gardiens des seuils de la tente ; leurs pères avaient gardé l'entrée du camp
20, 21 de l'Éternel, et Phinées, fils d'Éléazar, avait été autrefois leur chef, et l'Éternel était avec lui. Zacha-
22 rie, fils de Meschélémia, était portier à l'entrée de la tente d'assignation. Ils étaient en tout deux cent
douze, choisis pour portiers des seuils, et enregistrés dans les généalogies d'après leurs villages ; David
23 et Samuel le voyant les avaient établis dans leurs fonctions. Eux et leurs enfants gardaient les portes
24 de la maison de l'Éternel, de la maison de la tente. Il y avait des portiers aux quatre vents, à l'orient,
25 à l'occident, au nord et au midi. Leurs frères, qui demeuraient dans leurs villages, devaient de temps
26 à autre venir auprès d'eux pendant sept jours. Car ces quatre chefs des portiers, ces Lévites, étaient
toujours en fonctions, et ils avaient encore la surveillance des chambres et des trésors de la maison de
27 Dieu ; ils passaient la nuit autour de la maison de Dieu, dont ils avaient la garde, et qu'ils devaient
28 ouvrir chaque matin. Quelques-uns des Lévites prenaient soin des ustensiles du service, qu'ils ren-
29 traient en les comptant et sortaient en les comptant. D'autres veillaient sur les ustensiles, sur tous les
30 ustensiles du sanctuaire, et sur la fleur de farine, le vin, l'huile, l'encens et les aromates. C'étaient des
31 fils de sacrificateurs qui composaient les parfums aromatiques. Matthithia, l'un des Lévites, premier-

né de Schallum le Koréite, s'occupait des gâteaux cuits sur la plaque. Et quelques-uns de leurs frères, 32
parmi les Kehathites, étaient chargés de préparer pour chaque sabbat les pains de proposition. Ce 33
sont là les chantres, chefs de famille des Lévites, demeurant dans les chambres, exempts des autres
fonctions parce qu'ils étaient à l'oeuvre jour et nuit. Ce sont là les chefs de famille des Lévites, chefs 34
selon leurs générations. Ils habitaient à Jérusalem. Le père de Gabaon, Jeïel, habitait à Gabaon, et 35
le nom de sa femme était Maaca. Abdon, son fils premier-né, puis Tsur, Kis, Baal, Ner, Nadab, Gue- 36, 37
dor, Achjo, Zacharie et Mikloth. Mikloth engendra Schimeam. Ils habitaient aussi à Jérusalem près de 38
leurs frères, avec leurs frères. - Ner engendra Kis ; Kis engendra Saül ; Saül engendra Jonathan, Malki- 39
Schua, Abinadab et Eschbaal. Fils de Jonathan : Merib-Baal. Merib-Baal engendra Michée. Fils de 40, 41
Michée : Pithon, Mélec, et Thachréa. Achaz engendra Jaera ; Jaera engendra Alémeth, Azmaveth et 42
Zimri ; Zimri engendra Motsa ; Motsa engendra Binea. Rephaja, son fils ; Éleasa, son fils ; Atsel, son 43
fils. Atsel eut six fils, dont voici les noms : Azrikam, Bocru, Ismaël, Schearia, Abdias et Hanan. Ce sont 44
là les fils d'Atsel.

Les Philistins livrèrent bataille à Israël, et les hommes d'Israël prirent la fuite devant les Philistins **10**
et tombèrent morts sur la montagne de Guilboa. Les Philistins poursuivirent Saül et ses fils, et tuèrent 2
Jonathan, Abinadab et Malki-Schua, fils de Saül. L'effort du combat porta sur Saül ; les archers l'at- 3
teignirent et le blessèrent. Saül dit alors à celui qui portait ses armes : Tire ton épée, et transperce 4
-m'en, de peur que ces incirconcis ne viennent me faire subir leurs outrages. Celui qui portait ses armes
ne voulut pas, car il était saisi de crainte. Et Saül prit son épée, et se jeta dessus. Celui qui portait les 5
armes de Saül, le voyant mort, se jeta aussi sur son épée, et mourut. Ainsi périrent Saül et ses trois fils, 6
et toute sa maison périt en même temps. Tous ceux d'Israël qui étaient dans la vallée, ayant vu qu'on 7
avait fui et que Saül et ses fils étaient morts, abandonnèrent leurs villes pour prendre aussi la fuite. Et
les Philistins allèrent s'y établir. Le lendemain, les Philistins vinrent pour dépouiller les morts, et ils 8
trouvèrent Saül et ses fils tombés sur la montagne de Guilboa. Ils le dépouillèrent, et emportèrent sa 9
tête et ses armes. Puis ils firent annoncer ces bonnes nouvelles par tout le pays des Philistins à leurs
idoles et au peuple. Ils mirent les armes de Saül dans la maison de leur dieu, et ils attachèrent son 10
crâne dans le temple de Dagon. Tout Jabès en Galaad ayant appris tout ce que les Philistins avaient 11
fait à Saül, tous les hommes vaillants se levèrent, prirent le corps de Saül et ceux de ses fils, et les 12
transportèrent à Jabès. Ils enterrèrent leurs os sous le térébinthe, à Jabès, et ils jeûnèrent sept jours.
Saül mourut, parce qu'il se rendit coupable d'infidélité envers l'Éternel, dont il n'observa point la parole, 13
et parce qu'il interrogea et consulta ceux qui évoquent les morts. Il ne consulta point l'Éternel ; alors 14
l'Éternel le fit mourir, et transféra la royauté à David, fils d'Isaï.

Tout Israël s'assembla auprès de David à Hébron, en disant : Voici, nous sommes tes os et ta chair. **11**
Autrefois déjà, même lorsque Saül était roi, c'était toi qui conduisais et qui ramenais Israël. L'Éternel, 2
ton Dieu, t'a dit : Tu paîtras mon peuple d'Israël, et tu seras le chef de mon peuple d'Israël. Ainsi tous 3
les anciens d'Israël vinrent auprès du roi à Hébron, et David fit alliance avec eux à Hébron, devant
l'Éternel. Ils oignirent David pour roi sur Israël, selon la parole de l'Éternel, prononcée par Samuel.
David marcha avec tout Israël sur Jérusalem, qui est Jebus. Là étaient les Jébusiens, habitants du 4
pays. Les habitants de Jebus dirent à David : Tu n'entreras point ici. Mais David s'empara de la 5
forteresse de Sion : c'est la cité de David. David avait dit : Quiconque battra le premier les Jébusiens 6
sera chef et prince. Joab, fils de Tseruja, monta le premier, et il devint chef. David s'établit dans la 7
forteresse ; c'est pourquoi on l'appela cité de David. Il fit tout autour de la ville des constructions, 8
depuis Millo et aux environs ; et Joab répara le reste de la ville. David devenait de plus en plus grand, 9
et l'Éternel des armées était avec lui. Voici les chefs des vaillants hommes qui étaient au service de 10
David, et qui l'aidèrent avec tout Israël à assurer sa domination, afin de l'établir roi, selon la parole
de l'Éternel au sujet d'Israël. Voici, d'après leur nombre, les vaillants hommes qui étaient au service 11
de David. Jaschobeam, fils de Hacmoni, l'un des principaux officiers. Il brandit sa lance sur trois cents
hommes, qu'il fit périr en une seule fois. Après lui, Éléazar, fils de Dodo, l'Achochite, l'un des trois 12
guerriers. Il était avec David à Pas-Dammim, où les Philistins s'étaient rassemblés pour combattre. Il 13
y avait là une pièce de terre remplie d'orge ; et le peuple fuyait devant les Philistins. Ils se placèrent au 14
milieu du champ, le protégèrent, et battirent les Philistins. Et l'Éternel opéra une grande délivrance.
Trois des trente chefs descendirent auprès de David sur le rocher dans la caverne d'Adullam, lorsque 15
le camp des Philistins était dressé dans la vallée des Rephaïm. David était alors dans la forteresse, et 16
il y avait un poste de Philistins à Bethléhem. David eut un désir, et il dit : Qui me fera boire de l'eau 17
de la citerne qui est à la porte de Bethléhem ? Alors les trois hommes passèrent au travers du camp 18
des Philistins, et puisèrent de l'eau de la citerne qui est à la porte de Bethléhem. Ils l'apportèrent et la
présentèrent à David ; mais David ne voulut pas la boire, et il la répandit devant l'Éternel. Il dit : Que 19
mon Dieu me garde de faire cela ! Boirais -je le sang de ces hommes qui sont allés au péril de leur vie ?

Car c'est au péril de leur vie qu'ils l'ont apportée. Et il ne voulut pas la boire. Voilà ce que firent ces
20 trois vaillants hommes. Abischaï, frère de Joab, était le chef des trois. Il brandit sa lance sur trois cents
21 hommes, et les tua ; et il eut du renom parmi les trois. Il était le plus considéré des trois de la seconde
22 série, et il fut leur chef ; mais il n'égala pas les trois premiers. Benaja, fils de Jehojada, fils d'un homme de Kabtseel, rempli de valeur et célèbre par ses exploits. Il frappa les deux lions de Moab. Il descendit
23 au milieu d'une citerne, où il frappa un lion, un jour de neige. Il frappa un Égyptien d'une stature de cinq coudées et ayant à la main une lance comme une ensouple de tisserand ; il descendit contre lui avec
24 un bâton, arracha la lance de la main de l'Égyptien, et s'en servit pour le tuer. Voilà ce que fit Benaja,
25 fils de Jehojada ; et il eut du renom parmi les trois vaillants hommes. Il était le plus considéré des
26 trente ; mais il n'égala pas les trois premiers. David l'admit dans son conseil secret. Hommes vaillants
27 de l'armée : Asaël, frère de Joab. Elchanan, fils de Dodo, de Bethléhem. Schammoth, d'Haror. Hélets,
28, 29 de Palon. Ira, fils d'Ikkesch, de Tekoa. Abiézer, d'Anathoth. Sibbecaï, le Huschatite. Ilaï, d'Achoach.
30, 31 Maharaï, de Nethopha. Héled, fils de Baana, de Nethopha. Ithaï, fils de Ribaï, de Guibea des fils de
32, 33 Benjamin. Benaja, de Pirathon. Huraï, de Nachalé -Gaasch. Abiel, d'Araba. Azmaveth, de Bacharum.
34, 35 Éliachba, de Schaalbon. Bené -Haschem, de Guizon. Jonathan, fils de Schagué, d'Harar. Achiam, fils
36, 37 de Sacar, d'Harar. Éliphal, fils d'Ur. Hépher, de Mekéra. Achija, de Palon. Hetsro, de Carmel. Naaraï,
38, 39 fils d'Ezbaï. Joël, frère de Nathan. Mibchar, fils d'Hagri. Tsélek, l'Ammonite. Nachraï, de Béroth, qui
40, 41 portait les armes de Joab, fils de Tseruja. Ira, de Jéther. Gareb, de Jéther. Urie, le Héthien. Zabad,
42, 43 fils d'Achlaï. Adina, fils de Schiza, le Rubénite, chef des Rubénites, et trente avec lui. Hanan, fils de
44, 45 Maaca. Josaphat, de Mithni. Ozias, d'Aschtharoth. Schama et Jehiel, fils de Hotham, d'Aroër. Jediaël,
46 fils de Schimri. Jocha, son frère, le Thitsite. Éliel, de Machavim, Jeribaï et Joschavia, fils d'Elnaam.
47 Jithma, le Moabite. Éliel, Obed et Jaasiel -Metsobaja.

12 Voici ceux qui se rendirent auprès de David à Tsiklag, lorsqu'il était encore éloigné de la présence de Saül, fils de Kis. Ils faisaient partie des vaillants hommes qui lui prêtèrent leur secours pendant la
2 guerre. C'étaient des archers, lançant des pierres de la main droite et de la main gauche, et tirant des
3 flèches avec leur arc : ils étaient de Benjamin, du nombre des frères de Saül. Le chef Achiézer et Joas,
4 fils de Schemaa, de Guibea ; Jeziel, et Péleth, fils d'Azmaveth ; Beraca ; Jéhu, d'Anathoth ; Jischmaeja, de Gabaon, vaillant parmi les trente et chef des trente ; Jérémie ; Jachaziel ; Jochanan ; Jozabad, de
5, 6 Guedéra ; Éluzaï ; Jerimoth ; Bealia ; Schemaria ; Schephathia, de Haroph ; Elkana, Jischija, Azareel,
7, 8 Joézer et Jaschobeam, Koréites ; Joéla et Zebadia, fils de Jerocham, de Guedor. Parmi les Gadites, des hommes vaillants partirent pour se rendre auprès de David dans la forteresse du désert, des soldats exercés à la guerre, armés du bouclier et de la lance, semblables à des lions, et aussi prompts que
9, 10 des gazelles sur les montagnes. Ézer, le chef ; Abdias, le second ; Éliab, le troisième ; Mischmanna,
11, 12 le quatrième ; Jérémie, le cinquième ; Attaï, le sixième ; Éliel, le septième ; Jochanan, le huitième ;
13, 14 Elzabad, le neuvième ; Jérémie, le dixième ; Macbannaï, le onzième. C'étaient des fils de Gad, chefs
15 de l'armée ; un seul, le plus petit, pouvait s'attaquer à cent hommes, et le plus grand à mille. Voilà ceux qui passèrent le Jourdain au premier mois, lorsqu'il débordait sur toutes ses rives, et qui mirent
16 en fuite tous les habitants des vallées, à l'orient et à l'occident. Il y eut aussi des fils de Benjamin
17 et de Juda qui se rendirent auprès de David dans la forteresse. David sortit au-devant d'eux, et leur adressa la parole, en disant : Si vous venez à moi dans de bonnes intentions pour me secourir, mon coeur s'unira à vous ; mais si c'est pour me tromper au profit de mes ennemis, quand je ne commets
18 aucune violence, que le Dieu de nos pères le voie et qu'il fasse justice ! Amasaï, l'un des principaux officiers, fut revêtu de l'esprit, et dit : Nous sommes à toi, David, et avec toi, fils d'Isaï ! Paix, paix à toi, et paix à ceux qui te secourent, car ton Dieu t'a secouru ! Et David les accueillit, et les plaça parmi les
19 chefs de la troupe. Des hommes de Manassé se joignirent à David, lorsqu'il alla faire la guerre à Saül avec les Philistins. Mais ils ne furent pas en aide aux Philistins ; car, après s'être consultés, les princes des Philistins renvoyèrent David, en disant : Il passerait du côté de son maître Saül, au péril de nos
20 têtes. Quand il retourna à Tsiklag, voici ceux de Manassé qui se joignirent à lui : Adnach, Jozabad,
21 Jediaël, Micaël, Jozabad, Élihu et Tsilthaï, chefs des milliers de Manassé. Ils prêtèrent leur secours à David contre la troupe [des pillards Amalécites], car ils étaient tous de vaillants hommes, et ils furent
22 chefs dans l'armée. Et de jour en jour des gens arrivaient auprès de David pour le secourir, jusqu'à ce
23 qu'il eût un grand camp, comme un camp de Dieu. Voici le nombre des hommes armés pour la guerre qui se rendirent auprès de David à Hébron, afin de lui transférer la royauté de Saül, selon l'ordre de
24, 25 l'Éternel. Fils de Juda, portant le bouclier et la lance, six mille huit cents, armés pour la guerre. Des
26 fils de Siméon, hommes vaillants à la guerre, sept mille cent. Des fils de Lévi, quatre mille six cents ;
27, 28 et Jehojada, prince d'Aaron, et avec lui trois mille sept cents ; et Tsadok, vaillant jeune homme, et la
29 maison de son père, vingt -deux chefs. Des fils de Benjamin, frères de Saül, trois mille ; car jusqu'alors
30 la plus grande partie d'entre eux étaient restés fidèles à la maison de Saül. Des fils d'Éphraïm, vingt

mille huit cents, hommes vaillants, gens de renom, d'après les maisons de leurs pères. De la demi - 31
tribu de Manassé, dix-huit mille, qui furent nominativement désignés pour aller établir roi David. Des 32
fils d'Issacar, ayant l'intelligence des temps pour savoir ce que devait faire Israël, deux cents chefs, et
tous leurs frères sous leurs ordres. De Zabulon, cinquante mille, en état d'aller à l'armée, munis pour 33
le combat de toutes les armes de guerre, et prêts à livrer bataille d'un coeur résolu. De Nephthali, mille 34
chefs, et avec eux trente -sept mille, portant le bouclier et la lance. Des Danites, armés pour la guerre, 35
vingt -huit mille six cents. D'Aser, en état d'aller à l'armée et prêts à combattre : quarante mille. Et 36, 37
de l'autre côté du Jourdain, des Rubénites, des Gadites, et de la demi -tribu de Manassé, avec toutes
les armes de guerre, cent vingt mille. Tous ces hommes, gens de guerre, prêts à combattre, arrivèrent 38
à Hébron en sincérité de coeur pour établir David roi sur tout Israël. Et tout le reste d'Israël était
également unanime pour faire régner David. Ils furent là trois jours avec David, mangeant et buvant, 39
car leurs frères leur avaient préparé des vivres. Et même ceux qui habitaient près d'eux jusqu'à Issacar, 40
à Zabulon et à Nephthali, apportaient des aliments sur des ânes, sur des chameaux, sur des mulets et
sur des boeufs, des mets de farine, des masses de figues sèches et de raisins secs, du vin, de l'huile, des
boeufs et des brebis en abondance, car Israël était dans la joie.

David tint conseil avec les chefs de milliers et de centaines, avec tous les princes. Et David dit à **13**, 2
toute l'assemblée d'Israël : Si vous le trouvez bon, et si cela vient de l'Éternel, notre Dieu, envoyons de
tous côtés vers nos frères qui restent dans toutes les contrées d'Israël, et aussi vers les sacrificateurs
et les Lévites dans les villes où sont leurs banlieues, afin qu'ils se réunissent à nous, et ramenons 3
auprès de nous l'arche de notre Dieu, car nous ne nous en sommes pas occupés du temps de Saül.
Toute l'assemblée décida de faire ainsi, car la chose parut convenable à tout le peuple. David assembla 4, 5
tout Israël, depuis le Schichor d'Égypte jusqu'à l'entrée de Hamath, pour faire venir de Kirjath-Jearim
l'arche de Dieu. Et David, avec tout Israël, monta à Baala, à Kirjath-Jearim, qui est à Juda, pour 6
faire monter de là l'arche de Dieu, devant laquelle est invoqué le nom de l'Éternel qui réside entre les
chérubins. Ils mirent sur un char neuf l'arche de Dieu, qu'ils emportèrent de la maison d'Abinadab : 7
Uzza et Achjo conduisaient le char. David et tout Israël dansaient devant Dieu de toute leur force, en 8
chantant, et en jouant des harpes, des luths, des tambourins, des cymbales et des trompettes. Lorsqu'ils 9
furent arrivés à l'aire de Kidon, Uzza étendit la main pour saisir l'arche, parce que les boeufs la faisaient
pencher. La colère de l'Éternel s'enflamma contre Uzza, et l'Éternel le frappa parce qu'il avait étendu 10
la main sur l'arche. Uzza mourut là, devant Dieu. David fut irrité de ce que l'Éternel avait frappé Uzza 11
d'un tel châtiment. Et ce lieu a été appelé jusqu'à ce jour Pérets-Uzza. David eut peur de Dieu en ce jour 12
-là, et il dit : Comment ferais-je entrer chez moi l'arche de Dieu ? David ne retira pas l'arche chez lui 13
dans la cité de David, et il la fit conduire dans la maison d'Obed-Édom de Gath. L'arche de Dieu resta 14
trois mois dans la maison d'Obed-Édom, dans sa maison. Et l'Éternel bénit la maison d'Obed-Édom et
tout ce qui lui appartenait.

Hiram, roi de Tyr, envoya des messagers à David, et du bois de cèdre, et des tailleurs de pierres **14**
et des charpentiers, pour lui bâtir une maison. David reconnut que l'Éternel l'affermissait comme 2
roi d'Israël, et que son royaume était haut élevé, à cause de son peuple d'Israël. David prit encore 3
des femmes à Jérusalem, et il engendra encore des fils et des filles. Voici les noms de ceux qui lui 4
naquirent à Jérusalem : Schammua, Schobab, Nathan, Salomon, Jibhar, Élischua, Elphéleth, Noga, 5, 6
Népheg, Japhia, Élischama, Beéliada et Éliphéleth. Les Philistins apprirent que David avait été oint 7, 8
pour roi sur tout Israël, et ils montèrent tous à sa recherche. David, qui en fut informé, sortit au-devant
d'eux. Les Philistins arrivèrent, et se répandirent dans la vallée des Rephaïm. David consulta Dieu, 9, 10
en disant : Monterai -je contre les Philistins, et les livreras -tu entre mes mains ? Et l'Éternel lui dit :
Monte, et je les livrerai entre tes mains. Ils montèrent à Baal-Peratsim, où David les battit. Puis il dit : 11
Dieu a dispersé mes ennemis par ma main, comme des eaux qui s'écoulent. C'est pourquoi l'on a donné à
ce lieu le nom de Baal-Peratsim. Ils laissèrent là leurs dieux, qui furent brûlés au feu d'après l'ordre de 12
David. Les Philistins se répandirent de nouveau dans la vallée. David consulta encore Dieu. Et Dieu 13, 14
lui dit : Tu ne monteras pas après eux ; détourne -toi d'eux, et tu arriveras sur eux vis-à-vis des mûriers.
Quand tu entendras un bruit de pas dans les cimes des mûriers, alors tu sortiras pour combattre, car 15
c'est Dieu qui marche devant toi pour battre l'armée des Philistins. David fit ce que Dieu lui avait 16
ordonné, et l'armée des Philistins fut battue depuis Gabaon jusqu'à Guézer. La renommée de David se 17
répandit dans tous les pays, et l'Éternel le rendit redoutable à toutes les nations.

David se bâtit des maisons dans la cité de David ; il prépara une place à l'arche de Dieu, et dressa **15**
pour elle une tente. Alors David dit : L'arche de Dieu ne doit être portée que par les Lévites, car l'Éter- 2
nel les a choisis pour porter l'arche de Dieu et pour en faire le service à toujours. Et David assembla 3
tout Israël à Jérusalem pour faire monter l'arche de l'Éternel à la place qu'il lui avait préparée. David 4

5, 6 assembla les fils d'Aaron et les Lévites : des fils de Kehath, Uriel le chef et ses frères, cent vingt ; des
7 fils de Merari, Asaja le chef et ses frères, deux cent vingt ; des fils de Guerschom, Joël le chef et ses
8, 9 frères, cent trente ; des fils d'Élitsaphan, Schemaeja le chef et ses frères, deux cents ; des fils d'Hébron,
10 Éliel le chef et ses frères, quatre-vingts ; des fils d'Uziel, Amminadab le chef et ses frères, cent douze.
11 David appela les sacrificateurs Tsadok et Abiathar, et les Lévites Uriel, Asaja, Joël, Schemaeja, Éliel et
12 Amminadab. Il leur dit : Vous êtes les chefs de famille des Lévites ; sanctifiez -vous, vous et vos frères,
13 et faites monter à la place que je lui ai préparée l'arche de l'Éternel, du Dieu d'Israël. Parce que vous
n'y étiez pas la première fois, l'Éternel, notre Dieu, nous a frappés ; car nous ne l'avons pas cherché
14 selon la loi. Les sacrificateurs et les Lévites se sanctifièrent pour faire monter l'arche de l'Éternel, du
15 Dieu d'Israël. Les fils des Lévites portèrent l'arche de Dieu sur leurs épaules avec des barres, comme
16 Moïse l'avait ordonné d'après la parole de l'Éternel. Et David dit aux chefs des Lévites de disposer
leurs frères les chantres avec des instruments de musique, des luths, des harpes et des cymbales, qu'ils
17 devaient faire retentir de sons éclatants en signe de réjouissance. Les Lévites disposèrent Héman, fils
de Joël ; parmi ses frères, Asaph, fils de Bérékia ; et parmi les fils de Merari, leurs frères, Éthan, fils
18 de Kuschaja ; puis avec eux leurs frères du second ordre Zacharie, Ben, Jaaziel, Schemiramoth, Jehiel,
19 Unni, Éliab, Benaja, Maaséja, Matthithia, Éliphelé et Miknéja, et Obed-Édom et Jeïel, les portiers. Les
20 chantres Héman, Asaph et Éthan avaient des cymbales d'airain, pour les faire retentir. Zacharie, Aziel,
21 Schemiramoth, Jehiel, Unni, Éliab, Maaséja et Benaja avaient des luths sur alamoth ; et Matthithia,
Éliphelé, Miknéja, Obed-Édom, Jeïel et Azazia, avaient des harpes à huit cordes, pour conduire le chant.
22, 23 Kenania, chef de musique parmi les Lévites, dirigeait la musique, car il était habile. Bérékia et Elkana
24 étaient portiers de l'arche. Schebania, Josaphat, Nethaneel, Amasaï, Zacharie, Benaja et Éliézer, les
sacrificateurs, sonnaient des trompettes devant l'arche de Dieu. Obed-Édom et Jechija étaient portiers
25 de l'arche. David, les anciens d'Israël, et les chefs de milliers se mirent en route pour faire monter
26 l'arche de l'alliance de l'Éternel depuis la maison d'Obed-Édom, au milieu des réjouissances. Ce fut
avec l'assistance de Dieu que les Lévites portèrent l'arche de l'alliance de l'Éternel ; et l'on sacrifia sept
27 taureaux et sept béliers. David était revêtu d'un manteau de byssus ; il en était de même de tous les
Lévites qui portaient l'arche, des chantres, et de Kenania, chef de musique parmi les chantres ; et David
28 avait sur lui un éphod de lin. Tout Israël fit monter l'arche de l'alliance de l'Éternel avec des cris de
joie, au son des clairons, des trompettes et des cymbales, et en faisant retentir les luths et les harpes.
29 Comme l'arche de l'alliance de l'Éternel entrait dans la cité de David, Mical, fille de Saül, regardait par
la fenêtre, et voyant le roi David sauter et danser, elle le méprisa dans son coeur.

16 Après qu'on eut amené l'arche de Dieu, on la plaça au milieu de la tente que David avait dressée
2 pour elle, et l'on offrit devant Dieu des holocaustes et des sacrifices d'actions de grâces. Quand David
eut achevé d'offrir les holocaustes et les sacrifices d'actions de grâces, il bénit le peuple au nom de
3 l'Éternel. Puis il distribua à tous ceux d'Israël, hommes et femmes, à chacun un pain, une portion
4 de viande et un gâteau de raisins. Il remit à des Lévites la charge de faire le service devant l'arche
5 de l'Éternel, d'invoquer, de louer et de célébrer l'Éternel, le Dieu d'Israël. C'étaient : Asaph, le chef ;
Zacharie, le second après lui, Jeïel, Schemiramoth, Jehiel, Matthithia, Éliab, Benaja, Obed-Édom et
Jeïel. Ils avaient des instruments de musique, des luths et des harpes ; et Asaph faisait retentir les
6 cymbales. Les sacrificateurs Benaja et Jachaziel sonnaient continuellement des trompettes devant
7 l'arche de l'alliance de Dieu. Ce fut en ce jour que David chargea pour la première fois Asaph et
8 ses frères de célébrer les louanges de l'Éternel. Louez l'Éternel, invoquez son nom ! Faites connaître
9 parmi les peuples ses hauts faits ! Chantez, chantez en son honneur ! Parlez de toutes ses merveilles !
10, 11 Glorifiez -vous de son saint nom ! Que le coeur de ceux qui cherchent l'Éternel se réjouisse ! Ayez
12 recours à l'Éternel et à son appui, Cherchez continuellement sa face ! Souvenez -vous des prodiges
13 qu'il a faits, De ses miracles et des jugements de sa bouche, Race d'Israël, son serviteur, Enfants
14, 15 de Jacob, ses élus ! L'Éternel est notre Dieu ; Ses jugements s'exercent sur toute la terre. Rappelez
16 -vous à toujours son alliance, Ses promesses pour mille générations, L'alliance qu'il a traitée avec
17 Abraham, Et le serment qu'il a fait à Isaac ; Il l'a érigée pour Jacob en loi, Pour Israël en alliance
18, 19 éternelle, Disant : Je te donnerai le pays de Canaan Comme l'héritage qui vous est échu. Ils étaient
20 alors peu nombreux, Très peu nombreux, et étrangers dans le pays, Et ils allaient d'une nation à
21 l'autre Et d'un royaume vers un autre peuple ; Mais il ne permit à personne de les opprimer, Et il
22 châtia des rois à cause d'eux : Ne touchez pas à mes oints, Et ne faites pas de mal à mes prophètes !
23, 24 Chantez à l'Éternel, vous tous habitants de la terre ! Annoncez de jour en jour son salut ; Racontez

parmi les nations sa gloire, Parmi tous les peuples ses merveilles ! Car l'Éternel est grand et très 25
digne de louange, Il est redoutable par-dessus tous les dieux ; Car tous les dieux des peuples sont 26
des idoles, Et l'Éternel a fait les cieux. La majesté et la splendeur sont devant sa face, La force et 27
la joie sont dans sa demeure. Familles des peuples, rendez à l'Éternel, Rendez à l'Éternel gloire et 28
honneur ! Rendez à l'Éternel gloire pour son nom ! Apportez des offrandes et venez en sa présence, 29
Prosternez -vous devant l'Éternel avec de saints ornements ! Tremblez devant lui, vous tous habitants 30
de la terre ! Le monde est affermi, il ne chancelle point. Que les cieux se réjouissent, et que la terre soit 31
dans l'allégresse ! Que l'on dise parmi les nations : L'Éternel règne ! Que la mer retentisse avec tout 32
ce qu'elle contient ! Que la campagne s'égaie avec tout ce qu'elle renferme ! Que les arbres des forêts 33
poussent des cris de joie Devant l'Éternel ! Car il vient pour juger la terre. Louez l'Éternel, car il est 34
bon, Car sa miséricorde dure à toujours ! Dites : Sauve -nous, Dieu de notre salut, Rassemble -nous, et 35
retire -nous du milieu des nations, Afin que nous célébrions ton saint nom Et que nous mettions notre
gloire à te louer ! Béni soit l'Éternel, le Dieu d'Israël, D'éternité en éternité ! Et que tout le peuple dise : 36
Amen ! Louez l'Éternel ! David laissa là, devant l'arche de l'alliance de l'Éternel, Asaph et ses frères, 37
afin qu'ils fussent continuellement de service devant l'arche, remplissant leur tâche jour par jour. Il 38
laissa Obed-Édom et Hosa avec leurs frères, au nombre de soixante -huit, Obed-Édom, fils de Jeduthun,
et Hosa, comme portiers. Il établit le sacrificateur Tsadok et les sacrificateurs, ses frères, devant le 39
tabernacle de l'Éternel, sur le haut lieu qui était à Gabaon, pour qu'ils offrissent continuellement à 40
l'Éternel des holocaustes, matin et soir, sur l'autel des holocaustes, et qu'ils accomplissent tout ce qui est
écrit dans la loi de l'Éternel, imposée par l'Éternel à Israël. Auprès d'eux étaient Héman et Jeduthun, 41
et les autres qui avaient été choisis et désignés par leurs noms pour louer l'Éternel. Car sa miséricorde
dure à toujours. Auprès d'eux étaient Héman et Jeduthun, avec des trompettes et des cymbales pour 42
ceux qui les faisaient retentir, et avec des instruments pour les cantiques en l'honneur de Dieu. Les fils
de Jeduthun étaient portiers. Tout le peuple s'en alla chacun dans sa maison, et David s'en retourna 43
pour bénir sa maison.

Lorsque David fut établi dans sa maison, il dit à Nathan le prophète : Voici, j'habite dans une maison **17**
de cèdre, et l'arche de l'alliance de l'Éternel est sous une tente. Nathan répondit à David : Fais tout 2
ce que tu as dans le coeur, car Dieu est avec toi. La nuit suivante, la parole de Dieu fut adressée à 3
Nathan : Va dire à mon serviteur David : Ainsi parle l'Éternel : Ce ne sera pas toi qui me bâtiras une 4
maison pour que j'en fasse ma demeure. Car je n'ai point habité dans une maison depuis le jour où j'ai 5
fait monter Israël jusqu'à ce jour ; mais j'ai été de tente en tente et de demeure en demeure. Partout 6
où j'ai marché avec tout Israël, ai-je dit un mot à quelqu'un des juges d'Israël à qui j'avais ordonné de
paître mon peuple, ai-je dit : Pourquoi ne me bâtissez -vous pas une maison de cèdre ? Maintenant tu 7
diras à mon serviteur David : Ainsi parle l'Éternel des armées : Je t'ai pris au pâturage, derrière les
brebis, pour que tu fusses chef de mon peuple d'Israël ; j'ai été avec toi partout où tu as marché, j'ai 8
exterminé tous tes ennemis devant toi, et j'ai rendu ton nom semblable au nom des grands qui sont
sur la terre ; j'ai donné une demeure à mon peuple d'Israël, et je l'ai planté pour qu'il y soit fixé et ne 9
soit plus agité, pour que les méchants ne le détruisent plus comme auparavant et comme à l'époque 10
où j'avais établi des juges sur mon peuple d'Israël. J'ai humilié tous tes ennemis. Et je t'annonce que
l'Éternel te bâtira une maison. Quand tes jours seront accomplis et que tu iras auprès de tes pères, 11
j'élèverai ta postérité après toi, l'un de tes fils, et j'affermirai son règne. Ce sera lui qui me bâtira 12
une maison, et j'affermirai pour toujours son trône. Je serai pour lui un père, et il sera pour moi un 13
fils ; et je ne lui retirerai point ma grâce, comme je l'ai retirée à celui qui t'a précédé. Je l'établirai 14
pour toujours dans ma maison et dans mon royaume, et son trône sera pour toujours affermi. Nathan 15
rapporta à David toutes ces paroles et toute cette vision. Et le roi David alla se présenter devant 16
l'Éternel, et dit : Qui suis-je, Éternel Dieu, et quelle est ma maison, pour que tu m'aies fait parvenir où
je suis ? C'est peu de chose à tes yeux, ô Dieu ! Tu parles de la maison de ton serviteur pour les temps à 17
venir. Et tu daignes porter les regards sur moi à la manière des hommes, toi qui es élevé, Éternel Dieu !
Que pourrait te dire encore David sur la gloire accordée à ton serviteur ? Tu connais ton serviteur. O 18, 19
Éternel ! c'est à cause de ton serviteur, et selon ton coeur, que tu as fait toutes ces grandes choses, pour
les lui révéler. O Éternel ! nul n'est semblable à toi et il n'y a point d'autre Dieu que toi, d'après tout ce 20
que nous avons entendu de nos oreilles. Est-il sur la terre une seule nation qui soit comme ton peuple 21
d'Israël, que Dieu est venu racheter pour en former son peuple, pour te faire un nom et pour accomplir
des miracles et des prodiges, en chassant des nations devant ton peuple que tu as racheté d'Égypte ? Tu 22
as établi ton peuple d'Israël, pour qu'il fût ton peuple à toujours ; et toi, Éternel, tu es devenu son Dieu.

23 Maintenant, ô Éternel ! que la parole que tu as prononcée sur ton serviteur et sur sa maison subsiste
24 éternellement, et agis selon ta parole ! Qu'elle subsiste, afin que ton nom soit à jamais glorifié et que
l'on dise : L'Éternel des armées, le Dieu d'Israël, est un Dieu pour Israël ! Et que la maison de David,
25 ton serviteur, soit affermie devant toi ! Car toi-même, ô mon Dieu, tu as révélé à ton serviteur que tu
26 lui bâtirais une maison. C'est pourquoi ton serviteur a osé prier devant toi. Maintenant, ô Éternel ! tu
27 es Dieu, et tu as annoncé cette grâce à ton serviteur. Veuille donc bénir la maison de ton serviteur, afin
qu'elle subsiste à toujours devant toi ! Car ce que tu bénis, ô Éternel ! est béni pour l'éternité.

18 Après cela, David battit les Philistins et les humilia, et il enleva de la main des Philistins Gath et
2 les villes de son ressort. Il battit les Moabites, et les Moabites furent assujettis à David et lui payèrent
3 un tribut. David battit Hadarézer, roi de Tsoba, vers Hamath, lorsqu'il alla établir sa domination sur
4 le fleuve de l'Euphrate. David lui prit mille chars, sept mille cavaliers, et vingt mille hommes de pied ;
5 il coupa les jarrets à tous les chevaux de trait, et ne conserva que cent attelages. Les Syriens de Damas
6 vinrent au secours d'Hadarézer, roi de Tsoba, et David battit vingt -deux mille Syriens. David mit des
garnisons dans la Syrie de Damas. Et les Syriens furent assujettis à David, et lui payèrent un tribut.
7 L'Éternel protégeait David partout où il allait. Et David prit les boucliers d'or qu'avaient les serviteurs
8 d'Hadarézer, et les apporta à Jérusalem. David prit encore une grande quantité d'airain à Thibchath et
9 à Cun, villes d'Hadarézer. Salomon en fit la mer d'airain, les colonnes et les ustensiles d'airain. Thohu,
10 roi de Hamath, apprit que David avait battu toute l'armée d'Hadarézer, roi de Tsoba, et il envoya
Hadoram, son fils, vers le roi David, pour le saluer, et pour le féliciter d'avoir attaqué Hadarézer et de
l'avoir battu. Car Thohu était en guerre avec Hadarézer. Il envoya aussi toutes sortes de vases d'or,
11 d'argent et d'airain. Le roi David les consacra à l'Éternel, avec l'argent et l'or qu'il avait pris sur toutes
12 les nations, sur Édom, sur Moab, sur les fils d'Ammon, sur les Philistins et sur Amalek. Abischaï, fils
13 de Tseruja, battit dans la vallée du sel dix-huit mille Édomites. Il mit des garnisons dans Édom, et tout
14 Édom fut assujetti à David. L'Éternel protégeait David partout où il allait. David régna sur tout Israël,
15 et il faisait droit et justice à tout son peuple. Joab, fils de Tseruja, commandait l'armée ; Josaphat, fils
16 d'Achilud, était archiviste ; Tsadok, fils d'Achithub, et Abimélec, fils d'Abiathar, étaient sacrificateurs ;
17 Schavscha était secrétaire ; Benaja, fils de Jehojada, était chef des Kéréthiens et des Péléthiens ; et les
fils de David étaient les premiers auprès du roi.

19, 2 Après cela, Nachasch, roi des fils d'Ammon, mourut, et son fils régna à sa place. David dit : Je
montrerai de la bienveillance à Hanun, fils de Nachasch, car son père en a montré à mon égard. Et
David envoya des messagers pour le consoler au sujet de son père. Lorsque les serviteurs de David
3 arrivèrent dans le pays des fils d'Ammon auprès de Hanun, pour le consoler, les chefs des fils d'Ammon
dirent à Hanun : Penses -tu que ce soit pour honorer ton père que David t'envoie des consolateurs ?
N'est-ce pas pour reconnaître la ville et pour la détruire, et pour explorer le pays, que ses serviteurs
4 sont venus auprès de toi ? Alors Hanun saisit les serviteurs de David, les fit raser, et fit couper leurs
5 habits par le milieu jusqu'au haut des cuisses. Puis il les congédia. David, que l'on vint informer de
ce qui était arrivé à ces hommes, envoya des gens à leur rencontre, car ils étaient dans une grande
confusion ; et le roi leur fit dire : Restez à Jéricho jusqu'à ce que votre barbe ait repoussé, et revenez
6 ensuite. Les fils d'Ammon virent qu'ils s'étaient rendus odieux à David, et Hanun et les fils d'Ammon
envoyèrent mille talents d'argent pour prendre à leur solde des chars et des cavaliers chez les Syriens
7 de Mésopotamie et chez les Syriens de Maaca et de Tsoba. Ils prirent à leur solde trente -deux mille
chars et le roi de Maaca avec son peuple, lesquels vinrent camper devant Médeba. Les fils d'Ammon
8 se rassemblèrent de leurs villes, et marchèrent au combat. À cette nouvelle, David envoya contre eux
9 Joab et toute l'armée, les hommes vaillants. Les fils d'Ammon sortirent, et se rangèrent en bataille
10 à l'entrée de la ville ; les rois qui étaient venus prirent position séparément dans la campagne. Joab
vit qu'il avait à combattre par devant et par derrière. Il choisit alors sur toute l'élite d'Israël un corps,
11 qu'il opposa aux Syriens ; et il plaça sous le commandement de son frère Abischaï le reste du peuple,
12 pour faire face aux fils d'Ammon. Il dit : Si les Syriens sont plus forts que moi, tu viendras à mon
13 secours ; et si les fils d'Ammon sont plus forts que toi, j'irai à ton secours. Sois ferme, et montrons du
courage pour notre peuple et pour les villes de notre Dieu, et que l'Éternel fasse ce qui lui semblera
14, 15 bon ! Joab, avec son peuple, s'avança pour attaquer les Syriens, et ils s'enfuirent devant lui. Et quand
les fils d'Ammon virent que les Syriens avaient pris la fuite, ils s'enfuirent aussi devant Abischaï, frère
16 de Joab, et rentrèrent dans la ville. Et Joab revint à Jérusalem. Les Syriens, voyant qu'ils avaient été
battus par Israël, envoyèrent chercher les Syriens qui étaient de l'autre côté du fleuve ; et Schophach,
17 chef de l'armée d'Hadarézer, était à leur tête. On l'annonça à David, qui assembla tout Israël, passa le
Jourdain, marcha contre eux, et se prépara à les attaquer. David se rangea en bataille contre les Syriens.
18 Mais les Syriens, après s'être battus avec lui, s'enfuirent devant Israël. David leur tua les troupes de
19 sept mille chars et quarante mille hommes de pied, et il fit mourir Schophach, chef de l'armée. Les

serviteurs d'Hadarézer, se voyant battus par Israël, firent la paix avec David et lui furent assujettis. Et
les Syriens ne voulurent plus secourir les fils d'Ammon.

20 L'année suivante, au temps où les rois se mettaient en campagne, Joab, à la tête d'une forte armée,
alla ravager le pays des fils d'Ammon et assiéger Rabba. Mais David resta à Jérusalem. Joab battit
2 Rabba et la détruisit. David enleva la couronne de dessus la tête de son roi, et la trouva du poids d'un
talent d'or : elle était garnie de pierres précieuses. On la mit sur la tête de David, qui emporta de la ville
3 un très grand butin. Il fit sortir les habitants, et il les mit en pièces avec des scies, des herses de fer et
des haches ; il traita de même toutes les villes des fils d'Ammon. David retourna à Jérusalem avec tout
4 le peuple. Après cela, il y eut une bataille à Guézer avec les Philistins. Alors Sibbecaï, le Huschatite,
5 tua Sippaï, l'un des enfants de Rapha. Et les Philistins furent humiliés. Il y eut encore une bataille
avec les Philistins. Et Elchanan, fils de Jaïr, tua le frère de Goliath, Lachmi de Gath, qui avait une lance
6 dont le bois était comme une ensouple de tisserand. Il y eut encore une bataille à Gath. Il s'y trouva
un homme de haute taille, qui avait six doigts à chaque main et à chaque pied, vingt -quatre en tout,
7 et qui était aussi issu de Rapha. Il jeta un défi à Israël ; et Jonathan, fils de Schimea, frère de David,
8 le tua. Ces hommes étaient des enfants de Rapha à Gath. Ils périrent par la main de David et par la
main de ses serviteurs.

21, 2 Satan se leva contre Israël, et il excita David à faire le dénombrement d'Israël. Et David dit à
Joab et aux chefs du peuple : Allez, faites le dénombrement d'Israël, depuis Beer-Schéba jusqu'à Dan,
3 et rapportez -le-moi, afin que je sache à combien il s'élève. Joab répondit : Que l'Éternel rende son
peuple cent fois plus nombreux ! O roi mon seigneur, ne sont-ils pas tous serviteurs de mon seigneur ?
4 Mais pourquoi mon seigneur demande -t-il cela ? Pourquoi faire ainsi pécher Israël ? Le roi persista
dans l'ordre qu'il donnait à Joab. Et Joab partit, et parcourut tout Israël ; puis il revint à Jérusalem.
5 Joab remit à David le rôle du dénombrement du peuple : il y avait dans tout Israël onze cent mille
6 hommes tirant l'épée, et en Juda quatre cent soixante-dix mille hommes tirant l'épée. Il ne fit point
parmi eux le dénombrement de Lévi et de Benjamin, car l'ordre du roi lui paraissait une abomination.
7, 8 Cet ordre déplut à Dieu, qui frappa Israël. Et David dit à Dieu : J'ai commis un grand péché en faisant
cela ! Maintenant, daigne pardonner l'iniquité de ton serviteur, car j'ai complètement agi en insensé !
9, 10 L'Éternel adressa ainsi la parole à Gad, le voyant de David : Va dire à David : Ainsi parle l'Éternel : Je
11 te propose trois fléaux ; choisis -en un, et je t'en frapperai. Gad alla vers David, et lui dit : Ainsi parle
l'Éternel : Accepte,
12 ou trois années de famine, ou trois mois pendant lesquels tu seras détruit par tes
adversaires et atteint par l'épée de tes ennemis, ou trois jours pendant lesquels l'épée de l'Éternel et
la peste seront dans le pays et l'ange de l'Éternel portera la destruction dans tout le territoire d'Israël.
Vois maintenant ce que je dois répondre à celui qui m'envoie. David répondit à Gad : Je suis dans une
13 grande angoisse ! Oh ! que je tombe entre les mains de l'Éternel, car ses compassions sont immenses ;
mais que je ne tombe pas entre les mains des hommes ! L'Éternel envoya la peste en Israël, et il tomba
14 soixante-dix mille hommes d'Israël. Dieu envoya un ange à Jérusalem pour la détruire ; et comme il
15 la détruisait, l'Éternel regarda et se repentit de ce mal, et il dit à l'ange qui détruisait : Assez ! Retire
maintenant ta main. L'ange de l'Éternel se tenait près de l'aire d'Ornan, le Jébusien. David leva les
16 yeux, et vit l'ange de l'Éternel se tenant entre la terre et le ciel et ayant à la main son épée nue tournée
contre Jérusalem. Alors David et les anciens, couverts de sacs, tombèrent sur leur visage. Et David dit
17 à Dieu : N'est-ce pas moi qui ai ordonné le dénombrement du peuple ? C'est moi qui ai péché et qui ai
fait le mal ; mais ces brebis, qu'ont-elles fait ? Éternel, mon Dieu, que ta main soit donc sur moi et sur la
maison de mon père, et qu'elle ne fasse point une plaie parmi ton peuple ! L'ange de l'Éternel dit à Gad
18 de parler à David, afin qu'il montât pour élever un autel à l'Éternel dans l'aire d'Ornan, le Jébusien.
19, 20 David monta, selon la parole que Gad avait prononcée au nom de l'Éternel. Ornan se retourna et vit
21 l'ange, et ses quatre fils se cachèrent avec lui : il foulait alors du froment. Lorsque David arriva auprès
d'Ornan, Ornan regarda, et il aperçut David ; puis il sortit de l'aire, et se prosterna devant David, le
22 visage contre terre. David dit à Ornan : Cède -moi l'emplacement de l'aire pour que j'y bâtisse un
autel à l'Éternel ; cède -le-moi contre sa valeur en argent, afin que la plaie se retire de dessus le peuple.
23 Ornan répondit à David : Prends -le, et que mon seigneur le roi fasse ce qui lui semblera bon ; vois, je
donne les boeufs pour l'holocauste, les chars pour le bois, et le froment pour l'offrande, je donne tout cela.
24 Mais le roi David dit à Ornan : Non ! je veux l'acheter contre sa valeur en argent, car je ne présenterai
25 point à l'Éternel ce qui est à toi, et je n'offrirai point un holocauste qui ne me coûte rien. Et David
26 donna à Ornan six cents sicles d'or pour l'emplacement. David bâtit là un autel à l'Éternel, et il offrit
des holocaustes et des sacrifices d'actions de grâces. Il invoqua l'Éternel, et l'Éternel lui répondit par le
27 feu, qui descendit du ciel sur l'autel de l'holocauste. Alors l'Éternel parla à l'ange, qui remit son épée

28 dans le fourreau. À cette époque -là, David, voyant que l'Éternel l'avait exaucé dans l'aire d'Ornan,
29 le Jébusien, y offrait des sacrifices. Mais le tabernacle de l'Éternel, construit par Moïse au désert, et
30 l'autel des holocaustes, étaient alors sur le haut lieu de Gabaon. David ne pouvait pas aller devant cet
autel pour chercher Dieu, parce que l'épée de l'ange de l'Éternel lui avait causé de l'épouvante.

22 Et David dit : Ici sera la maison de l'Éternel Dieu, et ici sera l'autel des holocaustes pour Israël.
2 David fit rassembler les étrangers qui étaient dans le pays d'Israël, et il chargea des tailleurs de pierres
3 de préparer des pierres de taille pour la construction de la maison de Dieu. Il prépara aussi du fer
en abondance pour les clous des battants des portes et pour les crampons, de l'airain en quantité telle
4 qu'il n'était pas possible de le peser, et des bois de cèdre sans nombre, car les Sidoniens et les Tyriens
5 avaient amené à David des bois de cèdre en abondance. David disait : Mon fils Salomon est jeune et
d'un âge faible, et la maison qui sera bâtie à l'Éternel s'élèvera à un haut degré de renommée et de
gloire dans tous les pays ; c'est pourquoi je veux faire pour lui des préparatifs. Et David fit beaucoup
6 de préparatifs avant sa mort. David appela Salomon, son fils, et lui ordonna de bâtir une maison à
7 l'Éternel, le Dieu d'Israël. David dit à Salomon : Mon fils, j'avais l'intention de bâtir une maison au
8 nom de l'Éternel, mon Dieu. Mais la parole de l'Éternel m'a été ainsi adressée : Tu as versé beaucoup
de sang, et tu as fait de grandes guerres ; tu ne bâtiras pas une maison à mon nom, car tu as versé
9 devant moi beaucoup de sang sur la terre. Voici, il te naîtra un fils, qui sera un homme de repos, et
à qui je donnerai du repos en le délivrant de tous ses ennemis d'alentour ; car Salomon sera son nom,
10 et je ferai venir sur Israël la paix et la tranquillité pendant sa vie. Ce sera lui qui bâtira une maison
à mon nom. Il sera pour moi un fils, et je serai pour lui un père ; et j'affermirai pour toujours le trône
11 de son royaume en Israël. Maintenant, mon fils, que l'Éternel soit avec toi, afin que tu prospères et
12 que tu bâtisses la maison de l'Éternel, ton Dieu, comme il l'a déclaré à ton égard ! Veuille seulement
l'Éternel t'accorder de la sagesse et de l'intelligence, et te faire régner sur Israël dans l'observation de
13 la loi de l'Éternel, ton Dieu ! Alors tu prospéreras, si tu as soin de mettre en pratique les lois et les
ordonnances que l'Éternel a prescrites à Moïse pour Israël. Fortifie -toi et prends courage, ne crains
14 point et ne t'effraie point. Voici, par mes efforts, j'ai préparé pour la maison de l'Éternel cent mille
talents d'or, un million de talents d'argent, et une quantité d'airain et de fer qu'il n'est pas possible de
peser, car il y en a en abondance ; j'ai aussi préparé du bois et des pierres, et tu en ajouteras encore.
15 Tu as auprès de toi un grand nombre d'ouvriers, des tailleurs de pierres, et des charpentiers, et des
16 hommes habiles dans toute espèce d'ouvrages. L'or, l'argent, l'airain et le fer, sont sans nombre. Lève
17 -toi et agis, et que l'Éternel soit avec toi ! David ordonna à tous les chefs d'Israël de venir en aide à
18 Salomon, son fils. L'Éternel, votre Dieu, n'est-il pas avec vous, et ne vous a-t-il pas donné du repos de
tous côtés ? Car il a livré entre mes mains les habitants du pays, et le pays est assujetti devant l'Éternel
19 et devant son peuple. Appliquez maintenant votre coeur et votre âme à chercher l'Éternel, votre Dieu ;
levez -vous, et bâtissez le sanctuaire de l'Éternel Dieu, afin d'amener l'arche de l'alliance de l'Éternel et
les ustensiles consacrés à Dieu dans la maison qui sera bâtie au nom de l'Éternel.

23, 2 David, âgé et rassasié de jours, établit Salomon, son fils, roi sur Israël. Il assembla tous les chefs
3 d'Israël, les sacrificateurs et les Lévites. On fit le dénombrement des Lévites, depuis l'âge de trente
4 ans et au-dessus ; comptés par tête et par homme, ils se trouvèrent au nombre de trente -huit mille. Et
David dit : Qu'il y en ait vingt -quatre mille pour veiller aux offices de la maison de l'Éternel, six mille
5 comme magistrats et juges, quatre mille comme portiers, et quatre mille chargés de louer l'Éternel
6 avec les instruments que j'ai faits pour le célébrer. David les divisa en classes d'après les fils de Lévi,
7, 8 Guerschon, Kehath et Merari. Des Guerschonites : Laedan et Schimeï. - Fils de Laedan : le chef
9 Jehiel, Zétham et Joël, trois. Fils de Schimeï : Schelomith, Haziel et Haran, trois. Ce sont là les chefs
10 des maisons paternelles de la famille de Laedan. - Fils de Schimeï : Jachath, Zina, Jeusch et Beria. Ce
11 sont là les quatre fils de Schimeï. Jachath était le chef, et Zina le second ; Jeusch et Beria n'eurent pas
12 beaucoup de fils, et ils formèrent une seule maison paternelle dans le dénombrement. Fils de Kehath :
13 Amram, Jitsehar, Hébron et Uziel, quatre. - Fils d'Amram : Aaron et Moïse. Aaron fut mis à part pour
être sanctifié comme très saint, lui et ses fils à perpétuité, pour offrir les parfums devant l'Éternel, pour
14 faire son service, et pour bénir à toujours en son nom. Mais les fils de Moïse, homme de Dieu, furent
15, 16 comptés dans la tribu de Lévi. Fils de Moïse : Guerschom et Éliézer. Fils de Guerschom : Schebuel,
17 le chef. Et les fils d'Éliézer furent : Rechabia, le chef ; Éliézer n'eut pas d'autre fils, mais les fils de
18, 19 Rechabia furent très nombreux. - Fils de Jitsehar : Schelomith, le chef. - Fils d'Hébron : Jerija, le
20 chef ; Amaria, le second ; Jachaziel, le troisième ; et Jekameam, le quatrième. - Fils d'Uziel : Michée, le
21, 22 chef ; et Jischija, le second. Fils de Merari : Machli et Muschi. -Fils de Machli : Éléazar et Kis. Éléazar

mourut sans avoir de fils ; mais il eut des filles, que prirent pour femmes les fils de Kis, leurs frères.
- Fils de Muschi : Machli, Éder et Jerémoth, trois. Ce sont là les fils de Lévi, selon leurs maisons 23, 24
paternelles, les chefs des maisons paternelles, d'après le dénombrement qu'on en fit en comptant les noms par tête. Ils étaient employés au service de la maison de l'Éternel, depuis l'âge de vingt ans et au-dessus. Car David dit : L'Éternel, le Dieu d'Israël, a donné du repos à son peuple, et il habitera pour 25
toujours à Jérusalem ; et les Lévites n'auront plus à porter le tabernacle et tous les ustensiles pour son 26
service. Ce fut d'après les derniers ordres de David qu'eut lieu le dénombrement des fils de Lévi depuis 27
l'âge de vingt ans et au-dessus. Placés auprès des fils d'Aaron pour le service de la maison de l'Éternel, 28
ils avaient à prendre soin des parvis et des chambres, de la purification de toutes les choses saintes, des ouvrages concernant le service de la maison de Dieu, des pains de proposition, de la fleur de farine 29
pour les offrandes, des galettes sans levain, des gâteaux cuits sur la plaque et des gâteaux frits, de toutes les mesures de capacité et de longueur : ils avaient à se présenter chaque matin et chaque soir, 30
afin de louer et de célébrer l'Éternel, et à offrir continuellement devant l'Éternel tous les holocaustes 31
à l'Éternel, aux sabbats, aux nouvelles lunes et aux fêtes, selon le nombre et les usages prescrits. Ils 32
donnaient leurs soins à la tente d'assignation, au sanctuaire, et aux fils d'Aaron, leurs frères, pour le service de la maison de l'Éternel.

Voici les classes des fils d'Aaron. Fils d'Aaron : Nadab, Abihu, Éléazar et Ithamar. Nadab et Abihu **24**, 2
moururent avant leur père, sans avoir de fils ; et Éléazar et Ithamar remplirent les fonctions du sacerdoce. David divisa les fils d'Aaron en les classant pour le service qu'ils avaient à faire ; Tsadok 3
appartenait aux descendants d'Éléazar, et Achimélec aux descendants d'Ithamar. Il se trouva parmi 4
les fils d'Éléazar plus de chefs que parmi les fils d'Ithamar, et on en fit la division ; les fils d'Éléazar avaient seize chefs de maisons paternelles, et les fils d'Ithamar huit chefs de maisons paternelles. On 5
les classa par le sort, les uns avec les autres, car les chefs du sanctuaire et les chefs de Dieu étaient des fils d'Éléazar et des fils d'Ithamar. Schemaeja, fils de Nethaneel, le secrétaire, de la tribu de Lévi, 6
les inscrivit devant le roi et les princes, devant Tsadok, le sacrificateur, et Achimélec, fils d'Abiathar, et devant les chefs des maisons paternelles des sacrificateurs et des Lévites. On tira au sort une maison paternelle pour Éléazar, et on en tira une autre pour Ithamar. Le premier sort échut à Jehojarib ; le se- 7
cond, à Jedaeja ; le troisième, à Harim ; le quatrième, à Seorim ; le cinquième, à Malkija ; le sixième, à 8, 9
Mijamin ; le septième, à Hakkots ; le huitième, à Abija ; le neuvième, à Josué ; le dixième, à Schecania ; 10, 11
le onzième, à Éliaschib ; le douzième, à Jakim ; le treizième, à Huppa ; le quatorzième, à Jeschébeab ; 12, 13
le quinzième, à Bilga ; le seizième, à Immer ; le dix-septième, à Hézir ; le dix-huitième, à Happitsets ; 14, 15
le dix-neuvième, à Pethachja ; le vingtième, à Ézéchiel ; le vingt et unième, à Jakin ; le vingt -deuxième, 16, 17
à Gamul ; le vingt -troisième, à Delaja ; le vingt -quatrième, à Maazia. C'est ainsi qu'ils furent classés 18, 19
pour leur service, afin qu'ils entrassent dans la maison de l'Éternel en se conformant à la règle établie par Aaron, leur père, d'après les ordres que lui avait donnés l'Éternel, le Dieu d'Israël. Voici les chefs 20
du reste des Lévites. -Des fils d'Amram : Schubaël ; des fils de Schubaël : Jechdia ; de Rechabia, des fils 21
de Rechabia : le chef Jischija. Des Jitseharites : Schelomoth ; des fils de Schelomoth : Jachath. Fils 22, 23
d'Hébron : Jerija, Amaria le second, Jachaziel le troisième, Jekameam le quatrième. Fils d'Uziel : Mi- 24
chée ; des fils de Michée : Schamir ; frère de Michée : Jischija ; des fils de Jischija : Zacharie. - Fils de 25, 26
Merari : Machli et Muschi, et les fils de Jaazija, son fils. Fils de Merari, de Jaazija, son fils : Schoham, 27
Zaccur et Ibri. De Machli : Éléazar, qui n'eut point de fils ; de Kis, les fils de Kis : Jerachmeel. Fils 28, 29, 30
de Muschi : Machli, Éder et Jerimoth. Ce sont là les fils de Lévi, selon leurs maisons paternelles. Eux 31
aussi, comme leurs frères, les fils d'Aaron, ils tirèrent au sort devant le roi David, Tsadok et Achimélec, et les chefs des maisons paternelles des sacrificateurs et des Lévites. Il en fut ainsi pour chaque chef de maison comme pour le moindre de ses frères.

David et les chefs de l'armée mirent à part pour le service ceux des fils d'Asaph, d'Héman et de Je- **25**
duthun qui prophétisaient en s'accompagnant de la harpe, du luth et des cymbales. Et voici le nombre de ceux qui avaient des fonctions à remplir. Des fils d'Asaph : Zaccur, Joseph, Nethania et Ascha- 2
reéla, fils d'Asaph, sous la direction d'Asaph qui prophétisait suivant les ordres du roi. De Jeduthun, 3
les fils de Jeduthun : Guedalia, Tseri, Ésaïe, Haschabia, Matthithia et Schimeï, six, sous la direction de leur père Jeduthun qui prophétisait avec la harpe pour louer et célébrer l'Éternel. D'Héman, les 4
fils d'Héman : Bukkija, Matthania, Uziel, Schebuel, Jerimoth, Hanania, Hanani, Éliatha, Guiddalthi, Romamthi-Ézer, Joschbekascha, Mallothi, Hothir, Machazioth, tous fils d'Héman, qui était voyant du 5
roi pour révéler les paroles de Dieu et pour exalter sa puissance ; Dieu avait donné à Héman quatorze fils et trois filles. Tous ceux-là étaient sous la direction de leurs pères, pour le chant de la maison de 6
l'Éternel, et avaient des cymbales, des luths et des harpes pour le service de la maison de Dieu. Asaph,

7 Jeduthun et Héman recevaient les ordres du roi. Ils étaient au nombre de deux cent quatre-vingt -
8 huit, y compris leurs frères exercés au chant de l'Éternel, tous ceux qui étaient habiles. Ils tirèrent
9 au sort pour leurs fonctions, petits et grands, maîtres et disciples. Le premier sort échut, pour Asaph,
10 à Joseph ; le second, à Guedalia, lui, ses frères et ses fils, douze ; le troisième, à Zaccur, ses fils et ses
11, 12 frères, douze ; le quatrième, à Jitseri, ses fils et ses frères, douze ; le cinquième, à Nethania, ses fils
13, 14 et ses frères, douze ; le sixième, à Bukkija, ses fils et ses frères, douze ; le septième, à Jesareéla, ses
15, 16 fils et ses frères, douze ; le huitième, à Ésaïe, ses fils et ses frères, douze ; le neuvième, à Matthania,
17, 18 ses fils et ses frères, douze ; le dixième, à Schimeï, ses fils et ses frères, douze ; le onzième, à Azareel,
19, 20 ses fils et ses frères, douze ; le douzième, à Haschabia, ses fils et ses frères, douze ; le treizième, à
21, 22 Schubaël, ses fils et ses frères, douze ; le quatorzième, à Matthithia, ses fils et ses frères, douze ; le
23 quinzième, à Jerémoth, ses fils et ses frères, douze ; le seizième, à Hanania, ses fils et ses frères, douze ;
24, 25 le dix-septième, à Joschbekascha, ses fils et ses frères, douze ; le dix-huitième, à Hanani, ses fils et ses
26, 27 frères, douze ; le dix-neuvième, à Mallothi, ses fils et ses frères, douze ; le vingtième, à Élijatha, ses
28, 29 fils et ses frères, douze ; le vingt et unième, à Hothir, ses fils et ses frères, douze ; le vingt -deuxième, à
30 Guiddalthi, ses fils et ses frères, douze ; le vingt -troisième, à Machazioth, ses fils et ses frères, douze ;
31 le vingt -quatrième, à Romamthi-Ézer, ses fils et ses frères, douze.

26 Voici les classes des portiers. Des Koréites : Meschélémia, fils de Koré, d'entre les fils d'Asaph.
2 Fils de Meschélémia : Zacharie, le premier-né, Jediaël le second, Zebadia le troisième, Jathniel le qua-
3, 4 trième, Élam le cinquième, Jochanan le sixième, Eljoénaï le septième. Fils d'Obed-Édom : Schemaeja,
5 le premier-né, Jozabad le second, Joach le troisième, Sacar le quatrième, Nethaneel le cinquième, Am-
6 miel le sixième, Issacar le septième, Peulthaï le huitième ; car Dieu l'avait béni. À Schemaeja, son fils,
naquirent des fils qui dominèrent dans la maison de leur père, car ils étaient de vaillants hommes ;
7 fils de Schemaeja : Othni, Rephaël, Obed, Elzabad et ses frères, hommes vaillants, Élihu et Semaeja.
8 Tous ceux-là étaient des fils d'Obed-Édom ; eux, leurs fils et leurs frères, étaient des hommes pleins
9 de vigueur et de force pour le service, soixante deux d'Obed-Édom. Les fils et les frères de Meschélémia, hommes vaillants, étaient au nombre de dix-huit. - Des fils de Merari : Hosa, qui avait pour
10 fils : Schimri, le chef, établi chef par son père, quoiqu'il ne fût pas le premier-né, Hilkija le second,
11 Thebalia le troisième, Zacharie le quatrième. Tous les fils et les frères de Hosa étaient au nombre de
12 treize. À ces classes de portiers, aux chefs de ces hommes et à leurs frères, fut remise la garde pour le
13 service de la maison de l'Éternel. Ils tirèrent au sort pour chaque porte, petits et grands, selon leurs
14 maisons paternelles. Le sort échut à Schélémia pour le côté de l'orient. On tira au sort pour Zacharie,
15 son fils, qui était un sage conseiller, et le côté du septentrion lui échut par le sort. Le côté du midi
16 échut à Obed-Édom, et la maison des magasins à ses fils. Le côté de l'occident échut à Schuppim et à
17 Hosa, avec la porte Schalléketh, sur le chemin montant : une garde était vis-à-vis de l'autre. Il y avait
à l'orient six Lévites, au nord quatre par jour, au midi quatre par jour, et quatre aux magasins en deux
18, 19 places différentes ; du côté du faubourg, à l'occident, quatre vers le chemin, deux vers le faubourg. Ce
20 sont là les classes des portiers, d'entre les fils des Koréites et d'entre les fils de Merari. L'un des Lévites,
21 Achija, avait l'intendance des trésors de la maison de Dieu et des trésors des choses saintes. Parmi les
fils de Laedan, les fils des Guerschonites issus de Laedan, chefs des maisons paternelles de Laedan le
22 Guerschonite, c'étaient Jehiéli, et les fils de Jehiéli, Zétham et Joël, son frère, qui gardaient les tré-
23 sors de la maison de l'Éternel. Parmi les Amramites, les Jitseharites, les Hébronites et les Uziélites,
24, 25 c'était Schebuel, fils de Guerschom, fils de Moïse, qui était intendant des trésors. Parmi ses frères issus d'Éliézer, dont le fils fut Rechabia, dont le fils fut Ésaïe, dont le fils fut Joram, dont le fils fut Zicri,
26 dont le fils fut Schelomith, c'étaient Schelomith et ses frères qui gardaient tous les trésors des choses
saintes qu'avaient consacrées le roi David, les chefs des maisons paternelles, les chefs de milliers et de
27 centaines, et les chefs de l'armée : c'était sur le butin pris à la guerre qu'ils les avaient consacrées pour
28 l'entretien de la maison de l'Éternel. Tout ce qui avait été consacré par Samuel, le voyant, par Saül,
fils de Kis, par Abner, fils de Ner, par Joab, fils de Tseruja, toutes les choses consacrées étaient sous la
29 garde de Schelomith et de ses frères. Parmi les Jitseharites, Kenania et ses frères étaient employés
30 pour les affaires extérieures, comme magistrats et juges en Israël. Parmi les Hébronites, Haschabia et
ses frères, hommes vaillants, au nombre de mille sept cents, avaient la surveillance d'Israël, de l'autre
31 côté du Jourdain, à l'occident, pour toutes les affaires de l'Éternel et pour le service du roi. En ce qui
concerne les Hébronites, dont Jerija était le chef, on fit, la quarantième année du règne de David, des
recherches à leur égard d'après leurs généalogies et leurs maisons paternelles, et l'on trouva parmi eux
32 de vaillants hommes à Jaezer en Galaad. Les frères de Jerija, hommes vaillants, étaient au nombre de
deux mille sept cents chefs de maisons paternelles. Le roi David les établit sur les Rubénites, sur les
Gadites et sur la demi -tribu de Manassé pour toutes les affaires de Dieu et pour les affaires du roi.

27 Enfants d'Israël selon leur nombre, chefs de maisons paternelles, chefs de milliers et de centaines, et officiers au service du roi pour tout ce qui concernait les divisions, leur arrivée et leur départ, mois par mois, pendant tous les mois de l'année, chaque division étant de vingt -quatre mille hommes. 2 À la tête de la première division, pour le premier mois, était Jaschobeam, fils de Zabdiel ; et il avait une division de vingt -quatre mille hommes. 3 Il était des fils de Pérets, et il commandait tous les chefs des troupes du premier mois. 4 À la tête de la division du second mois était Dodaï, l'Achochite ; Mikloth était l'un des chefs de sa division ; et il avait une division de vingt -quatre mille hommes. 5 Le chef de la troisième division, pour le troisième mois, était Benaja, fils du sacrificateur Jehojada, chef ; et il avait une division de vingt -quatre mille hommes. 6 Ce Benaja était un héros parmi les trente et à la tête des trente ; et Ammizadab, son fils, était l'un des chefs de sa division. 7 Le quatrième, pour le quatrième mois, était Asaël, frère de Joab, et, après lui, Zebadia, son fils ; et il avait une division de vingt -quatre mille hommes. 8 Le cinquième, pour le cinquième mois, était le chef Schamehuth, le Jizrachite ; et il avait une division de vingt -quatre mille hommes. 9 Le sixième, pour le sixième mois, était Ira, fils d'Ikkesch, le Tekoïte ; et il avait une division de vingt -quatre mille hommes. 10 Le septième, pour le septième mois, était Hélets, le Pelonite, des fils d'Éphraïm ; et il avait une division de vingt -quatre mille hommes. Le huitième, pour le huitième mois, était Sibbecaï, le Huschatite, de la famille des Zérachites ; et il 11 avait une division de vingt -quatre mille hommes. 12 Le neuvième, pour le neuvième mois, était Abiézer, d'Anathoth, des Benjamites ; et il avait une division de vingt -quatre mille hommes. 13 Le dixième, pour le dixième mois, était Maharaï, de Nethopha, de la famille des Zérachites ; et il avait une division de vingt -quatre mille hommes. 14 Le onzième, pour le onzième mois, était Benaja, de Pirathon, des fils d'Éphraïm ; et il avait une division de vingt -quatre mille hommes. 15 Le douzième, pour le douzième mois, était Heldaï, de Nethopha, de la famille d'Othniel ; et il avait une division de vingt -quatre mille hommes. 16 Voici les chefs des tribus d'Israël. Chef des Rubénites : Éliézer, fils de Zicri ; des Siméonites : Schephathia, fils de Maaca ; 17 des Lévites : Haschabia, fils de Kemuel ; de la famille d'Aaron : Tsadok ; de Juda : Élihu, des frères de David ; 18, 19 d'Issacar : Omri, fils de Micaël ; de Zabulon : Jischemaeja, fils d'Abdias ; 20 de Nephthali : Jerimoth, fils d'Azriel ; des fils d'Éphraïm : Hosée, fils d'Azazia ; de la demi -tribu de Manassé : Joël, fils de Pedaja ; 21 de la demi -tribu de Manassé en Galaad : Jiddo, fils de Zacharie ; de Benjamin : Jaasiel, fils d'Abner ; 22 de Dan : Azareel, fils de Jerocham. Ce sont là les chefs des tribus d'Israël. 23 David ne fit point le dénombrement de ceux d'Israël qui étaient âgés de vingt ans et au-dessous, car l'Éternel avait promis de multiplier Israël comme les étoiles du ciel. 24 Joab, fils de Tseruja, avait commencé le dénombrement, mais il ne l'acheva pas, l'Éternel s'étant irrité contre Israël à cause de ce dénombrement, qui ne fut point porté parmi ceux des Chroniques du roi David. 25 Azmaveth, fils d'Adiel, était préposé sur les trésors du roi ; Jonathan, fils d'Ozias, sur les provisions dans les champs, les villes, les villages et les tours ; 26 Ezri, fils de Kelub, sur les ouvriers de la campagne qui cultivaient la terre ; 27 Schimeï, de Rama, sur les vignes ; Zabdi, de Schepham, sur les provisions de vin dans les vignes ; 28 Baal-Hanan, de Guéder, sur les oliviers et les sycomores dans la plaine ; Joasch, sur les provisions d'huile ; 29 Schithraï, de Saron, sur les boeufs qui paissaient en Saron ; Schaphath, fils d'Adlaï, sur les boeufs dans les vallées ; 30 Obil, l'Ismaélite, sur les chameaux ; Jechdia, de Méronoth, sur les ânesses ; Jaziz, l'Hagarénien, sur les brebis. 31, 32 Tous ceux-là étaient intendants des biens du roi David. Jonathan, oncle de David, était conseiller, homme de sens et de savoir ; Jehiel, fils de Hacmoni, était auprès des fils du roi ; 33, 34 Achitophel était conseiller du roi ; Huschaï, l'Arkien, était ami du roi ; après Achitophel, Jehojada, fils de Benaja, et Abiathar, furent conseillers ; Joab était chef de l'armée du roi.

28 David convoqua à Jérusalem tous les chefs d'Israël, les chefs des tribus, les chefs des divisions au service du roi, les chefs de milliers et les chefs de centaines, ceux qui étaient en charge sur tous les biens et les troupeaux du roi et auprès de ses fils, les eunuques, les héros et tous les hommes vaillants. 2 Le roi David se leva sur ses pieds, et dit : Écoutez -moi, mes frères et mon peuple ! J'avais l'intention de bâtir une maison de repos pour l'arche de l'alliance de l'Éternel et pour le marchepied de notre Dieu, et je me préparais à bâtir. 3 Mais Dieu m'a dit : Tu ne bâtiras pas une maison à mon nom, car tu es un homme de guerre et tu as versé du sang. 4 L'Éternel, le Dieu d'Israël, m'a choisi dans toute la maison de mon père, pour que je fusse roi d'Israël à toujours ; car il a choisi Juda pour chef, il a choisi la maison de mon père dans la maison de Juda, et parmi les fils de mon père c'est moi qu'il a voulu faire régner sur tout Israël. Entre tous mes fils -car l'Éternel m'a donné beaucoup de fils -il a choisi mon fils Salomon pour le faire 5 asseoir sur le trône du royaume de l'Éternel, sur Israël. 6 Il m'a dit : Salomon, ton fils, bâtira ma maison et mes parvis ; car je l'ai choisi pour mon fils, et je serai pour lui un père. 7 J'affermirai pour toujours son royaume, s'il reste attaché comme aujourd'hui à la pratique de mes commandements et de mes ordonnances. 8 Maintenant, aux yeux de tout Israël, de l'assemblée de l'Éternel, et en présence de notre Dieu qui vous entend, observez et prenez à coeur tous les commandements de l'Éternel, votre Dieu, afin

que vous possédiez ce bon pays et que vous le laissiez en héritage à vos fils après vous à perpétuité.
9 Et toi, Salomon, mon fils, connais le Dieu de ton père, et sers -le d'un coeur dévoué et d'une âme bien disposée, car l'Éternel sonde tous les coeurs et pénètre tous les desseins et toutes les pensées. Si tu le
10 cherches, il se laissera trouver par toi ; mais si tu l'abandonnes, il te rejettera pour toujours. Considère maintenant que l'Éternel t'a choisi, afin que tu bâtisses une maison qui serve de sanctuaire. Fortifie
11 -toi et agis. David donna à Salomon, son fils, le modèle du portique et des bâtiments, des chambres du
12 trésor, des chambres hautes, des chambres intérieures, et de la chambre du propitiatoire. Il lui donna le plan de tout ce qu'il avait dans l'esprit touchant les parvis de la maison de l'Éternel, et toutes les
13 chambres à l'entour pour les trésors de la maison de Dieu et les trésors du sanctuaire, et touchant les classes des sacrificateurs et des Lévites, tout ce qui concernait le service de la maison de l'Éternel, et
14 tous les ustensiles pour le service de la maison de l'Éternel. Il lui donna le modèle des ustensiles d'or, avec le poids de ce qui devait être d'or, pour tous les ustensiles de chaque service ; et le modèle de tous
15 les ustensiles d'argent, avec le poids, pour tous les ustensiles de chaque service. Il donna le poids des chandeliers d'or et de leurs lampes d'or, avec le poids de chaque chandelier et de ses lampes ; et le poids des chandeliers d'argent, avec le poids de chaque chandelier et de ses lampes, selon l'usage de chaque
16 chandelier. Il lui donna l'or au poids pour les tables des pains de proposition, pour chaque table ; et
17 de l'argent pour les tables d'argent. Il lui donna le modèle des fourchettes, des bassins et des calices d'or pur ; le modèle des coupes d'or, avec le poids de chaque coupe, et des coupes d'argent, avec le poids
18 de chaque coupe ; et le modèle de l'autel des parfums en or épuré, avec le poids. Il lui donna encore le modèle du char, des chérubins d'or qui étendent leurs ailes et couvrent l'arche de l'alliance de l'Éternel.
19 C'est par un écrit de sa main, dit David, que l'Éternel m'a donné l'intelligence de tout cela, de tous les
20 ouvrages de ce modèle. David dit à Salomon, son fils : Fortifie -toi, prends courage et agis ; ne crains point, et ne t'effraie point. Car l'Éternel Dieu, mon Dieu, sera avec toi ; il ne te délaissera point, il ne t'abandonnera point, jusqu'à ce que tout l'ouvrage pour le service de la maison de l'Éternel soit achevé.
21 Voici les classes des sacrificateurs et des Lévites pour tout le service de la maison de Dieu ; et voici près de toi, pour toute l'oeuvre, tous les hommes bien disposés et habiles dans toute espèce d'ouvrages, et les chefs et tout le peuple dociles à tous tes ordres.

29 Le roi David dit à toute l'assemblée : Mon fils Salomon, le seul que Dieu ait choisi, est jeune et d'un âge faible, et l'ouvrage est considérable, car ce palais n'est pas pour un homme, mais il est pour
2 l'Éternel Dieu. J'ai mis toutes mes forces à préparer pour la maison de mon Dieu de l'or pour ce qui doit être d'or, de l'argent pour ce qui doit être d'argent, de l'airain pour ce qui doit être d'airain, du fer pour ce qui doit être de fer, et du bois pour ce qui doit être de bois, des pierres d'onyx et des pierres à enchâsser, des pierres brillantes et de diverses couleurs, toutes sortes de pierres précieuses, et du
3 marbre blanc en quantité. De plus, dans mon attachement pour la maison de mon Dieu, je donne à la maison de mon Dieu l'or et l'argent que je possède en propre, outre tout ce que j'ai préparé pour
4 la maison du sanctuaire : trois mille talents d'or, d'or d'Ophir, et sept mille talents d'argent épuré,
5 pour en revêtir les parois des bâtiments, l'or pour ce qui doit être d'or, et l'argent pour ce qui doit être d'argent, et pour tous les travaux qu'exécuteront les ouvriers. Qui veut encore présenter volontairement
6 aujourd'hui ses offrandes à l'Éternel ? Les chefs des maisons paternelles, les chefs des tribus d'Israël,
7 les chefs de milliers et de centaines, et les intendants du roi firent volontairement des offrandes. Ils donnèrent pour le service de la maison de Dieu cinq mille talents d'or, dix mille dariques, dix mille
8 talents d'argent, dix-huit mille talents d'airain, et cent mille talents de fer. Ceux qui possédaient des pierres les livrèrent pour le trésor de la maison de l'Éternel entre les mains de Jehiel, le Guerschonite.
9 Le peuple se réjouit de leurs offrandes volontaires, car c'était avec un coeur bien disposé qu'ils les
10 faisaient à l'Éternel ; et le roi David en eut aussi une grande joie. David bénit l'Éternel en présence
11 de toute l'assemblée. Il dit : Béni sois-tu, d'éternité en éternité, Éternel, Dieu de notre père Israël. À toi, Éternel, la grandeur, la force et la magnificence, l'éternité et la gloire, car tout ce qui est au ciel et sur la terre t'appartient ; à toi, Éternel, le règne, car tu t'élèves souverainement au-dessus de tout !
12 C'est de toi que viennent la richesse et la gloire, c'est toi qui domines sur tout, c'est dans ta main que sont la force et la puissance, et c'est ta main qui a le pouvoir d'agrandir et d'affermir toutes choses.
13, 14 Maintenant, ô notre Dieu, nous te louons, et nous célébrons ton nom glorieux. Car qui suis-je et qui est mon peuple, pour que nous puissions te faire volontairement ces offrandes ? Tout vient de toi, et nous
15 recevons de ta main ce que nous t'offrons. Nous sommes devant toi des étrangers et des habitants,
16 comme tous nos pères ; nos jours sur la terre sont comme l'ombre, et il n'y a point d'espérance. Éternel, notre Dieu, c'est de ta main que viennent toutes ces richesses que nous avons préparées pour te bâtir
17 une maison, à toi, à ton saint nom, et c'est à toi que tout appartient. Je sais, ô mon Dieu, que tu sondes le coeur, et que tu aimes la droiture ; aussi je t'ai fait toutes ces offrandes volontaires dans la droiture

de mon coeur, et j'ai vu maintenant avec joie ton peuple qui se trouve ici t'offrir volontairement ses
dons. Éternel, Dieu d'Abraham, d'Isaac et d'Israël, nos pères, maintiens à toujours dans le coeur de 18
ton peuple ces dispositions et ces pensées, et affermis son coeur en toi. Donne à mon fils Salomon un 19
coeur dévoué à l'observation de tes commandements, de tes préceptes et de tes lois, afin qu'il mette en
pratique toutes ces choses, et qu'il bâtisse le palais pour lequel j'ai fait des préparatifs. David dit à 20
toute l'assemblée : Bénissez l'Éternel, votre Dieu ! Et toute l'assemblée bénit l'Éternel, le Dieu de leurs
pères. Ils s'inclinèrent et se prosternèrent devant l'Éternel et devant le roi. Le lendemain de ce jour, ils 21
offrirent en sacrifice et en holocauste à l'Éternel mille taureaux, mille béliers et mille agneaux, avec les
libations ordinaires, et d'autres sacrifices en grand nombre pour tout Israël. Ils mangèrent et burent 22
ce jour -là devant l'Éternel avec une grande joie, ils proclamèrent roi pour la seconde fois Salomon,
fils de David, ils l'oignirent devant l'Éternel comme chef, et ils oignirent Tsadok comme sacrificateur.
Salomon s'assit sur le trône de l'Éternel, comme roi à la place de David, son père. Il prospéra, et tout 23
Israël lui obéit. Tous les chefs et les héros, et même tous les fils du roi David se soumirent au roi 24
Salomon. L'Éternel éleva au plus haut degré Salomon sous les yeux de tout Israël, et il rendit son 25
règne plus éclatant que ne fut celui d'aucun roi d'Israël avant lui. David, fils d'Isaï, régna sur tout 26
Israël. Le temps qu'il régna sur Israël fut de quarante ans : à Hébron il régna sept ans, et à Jérusalem 27
il régna trente -trois ans. Il mourut dans une heureuse vieillesse, rassasié de jours, de richesse et de 28
gloire. Et Salomon, son fils, régna à sa place. Les actions du roi David, les premières et les dernières, 29
sont écrites dans le livre de Samuel le voyant, dans le livre de Nathan, le prophète, et dans le livre de
Gad, le prophète, avec tout son règne et tous ses exploits, et ce qui s'est passé de son temps, soit en 30
Israël, soit dans tous les royaumes des autres pays.

II CHRONIQUES

1 Salomon, fils de David, s'affermit dans son règne ; l'Éternel, son Dieu, fut avec lui, et l'éleva à
2 un haut degré. Salomon donna des ordres à tout Israël, aux chefs de milliers et de centaines,
3 aux juges, aux princes de tout Israël, aux chefs des maisons paternelles ; et Salomon se rendit avec toute l'assemblée au haut lieu qui était à Gabaon. Là se trouvait la tente d'assignation
4 de Dieu, faite dans le désert par Moïse, serviteur de l'Éternel ; mais l'arche de Dieu avait été transportée par David de Kirjath-Jearim à la place qu'il lui avait préparée, car il avait dressé pour elle une
5 tente à Jérusalem. Là se trouvait aussi, devant le tabernacle de l'Éternel, l'autel d'airain qu'avait fait
6 Betsaleel, fils d'Uri, fils de Hur. Salomon et l'assemblée cherchèrent l'Éternel. Et ce fut là, sur l'autel
7 d'airain qui était devant la tente d'assignation, que Salomon offrit à l'Éternel mille holocaustes. Pen-
8 dant la nuit, Dieu apparut à Salomon et lui dit : Demande ce que tu veux que je te donne. Salomon répondit à Dieu : Tu as traité David, mon père, avec une grande bienveillance, et tu m'as fait régner à
9 sa place. Maintenant, Éternel Dieu, que ta promesse à David, mon père, s'accomplisse, puisque tu m'as
10 fait régner sur un peuple nombreux comme la poussière de la terre ! Accorde -moi donc de la sagesse et de l'intelligence, afin que je sache me conduire à la tête de ce peuple ! Car qui pourrait juger ton peuple,
11 ce peuple si grand ? Dieu dit à Salomon : Puisque c'est là ce qui est dans ton coeur, puisque tu ne demandes ni des richesses, ni des biens, ni de la gloire, ni la mort de tes ennemis, ni même une longue vie, et que tu demandes pour toi de la sagesse et de l'intelligence afin de juger mon peuple sur lequel je
12 t'ai fait régner, la sagesse et l'intelligence te sont accordées. Je te donnerai, en outre, des richesses, des biens et de la gloire, comme n'en a jamais eu aucun roi avant toi et comme n'en aura aucun après toi.
13 Salomon revint à Jérusalem, après avoir quitté le haut lieu qui était à Gabaon et la tente d'assignation.
14 Et il régna sur Israël. Salomon rassembla des chars et de la cavalerie ; il avait quatorze cents chars et douze mille cavaliers, qu'il plaça dans les villes où il tenait ses chars et à Jérusalem près du roi.
15 Le roi rendit l'argent et l'or aussi communs à Jérusalem que les pierres, et les cèdres aussi communs
16 que les sycomores qui croissent dans la plaine. C'était de l'Égypte que Salomon tirait ses chevaux ;
17 une caravane de marchands du roi allait les chercher par troupes à un prix fixe ; on faisait monter et sortir d'Égypte un char pour six cents sicles d'argent, et un cheval pour cent cinquante sicles. Ils en amenaient de même avec eux pour tous les rois des Héthiens et pour les rois de Syrie.

2 Salomon ordonna que l'on bâtît une maison au nom de l'Éternel et une maison royale pour lui.
2 Salomon compta soixante-dix mille hommes pour porter les fardeaux, quatre-vingt mille pour tailler les
3 pierres dans la montagne, et trois mille six cents pour les surveiller. Salomon envoya dire à Huram, roi de Tyr : Fais pour moi comme tu as fait pour David, mon père, à qui tu as envoyé des cèdres afin
4 qu'il se bâtît une maison d'habitation. Voici, j'élève une maison au nom de l'Éternel, mon Dieu, pour la lui consacrer, pour brûler devant lui le parfum odoriférant, pour présenter continuellement les pains de proposition, et pour offrir les holocaustes du matin et du soir, des sabbats, des nouvelles lunes, et
5 des fêtes de l'Éternel, notre Dieu, suivant une loi perpétuelle pour Israël. La maison que je vais bâtir
6 doit être grande, car notre Dieu est plus grand que tous les dieux. Mais qui a le pouvoir de lui bâtir une maison, puisque les cieux et les cieux des cieux ne peuvent le contenir ? Et qui suis-je pour lui bâtir
7 une maison, si ce n'est pour faire brûler des parfums devant lui ? Envoie -moi donc un homme habile pour les ouvrages en or, en argent, en airain et en fer, en étoffes teintes en pourpre, en cramoisi et en bleu, et connaissant la sculpture, afin qu'il travaille avec les hommes habiles qui sont auprès de moi en
8 Juda et à Jérusalem et que David, mon père, a choisis. Envoie -moi aussi du Liban des bois de cèdre, de cyprès et de sandal ; car je sais que tes serviteurs s'entendent à couper les bois du Liban. Voici, mes
9 serviteurs seront avec les tiens. Que l'on me prépare du bois en abondance, car la maison que je vais
10 bâtir sera grande et magnifique. Je donnerai à tes serviteurs qui couperont, qui abattront les bois, vingt mille cors de froment foulé, vingt mille cors d'orge, vingt mille baths de vin, et vingt mille baths
11 d'huile. Huram, roi de Tyr, répondit dans une lettre qu'il envoya à Salomon : C'est parce que l'Éternel
12 aime son peuple qu'il t'a établi roi sur eux. Huram dit encore : Béni soit l'Éternel, le Dieu d'Israël, qui a fait les cieux et la terre, de ce qu'il a donné au roi David un fils sage, prudent et intelligent, qui
13 va bâtir une maison à l'Éternel et une maison royale pour lui ! Je t'envoie donc un homme habile et
14 intelligent, Huram -Abi, fils d'une femme d'entre les filles de Dan, et d'un père Tyrien. Il est habile pour les ouvrages en or, en argent, en airain et en fer, en pierre et en bois, en étoffes teintes en pourpre et en bleu, en étoffes de byssus et de carmin, et pour toute espèce de sculptures et d'objets d'art qu'on lui donne à exécuter. Il travaillera avec tes hommes habiles et avec les hommes habiles de mon seigneur
15 David, ton père. Maintenant, que mon seigneur envoie à ses serviteurs le froment, l'orge, l'huile et le
16 vin dont il a parlé. Et nous, nous couperons des bois du Liban autant que tu en auras besoin ; nous

te les expédierons par mer en radeaux jusqu'à Japho, et tu les feras monter à Jérusalem. Salomon 17
compta tous les étrangers qui étaient dans le pays d'Israël, et dont le dénombrement avait été fait par
David, son père. On en trouva cent cinquante -trois mille six cents. Et il en prit soixante-dix mille pour 18
porter les fardeaux, quatre-vingt mille pour tailler les pierres dans la montagne, et trois mille six cents
pour surveiller et faire travailler le peuple.

Salomon commença à bâtir la maison de l'Éternel à Jérusalem, sur la montagne de Morija, qui **3**
avait été indiquée à David, son père, dans le lieu préparé par David sur l'aire d'Ornan, le Jébusien. Il 2
commença à bâtir le second jour du second mois de la quatrième année de son règne. Voici sur quels 3
fondements Salomon bâtit la maison de Dieu. La longueur en coudées de l'ancienne mesure était de
soixante coudées, et la largeur de vingt coudées. Le portique sur le devant avait vingt coudées de lon- 4
gueur, répondant à la largeur de la maison, et cent vingt de hauteur ; Salomon le couvrit intérieurement
d'or pur. Il revêtit de bois de cyprès la grande maison, la couvrit d'or pur, et y fit sculpter des palmes 5
et des chaînettes. Il couvrit la maison de pierres précieuses comme ornement ; et l'or était de l'or de 6
Parvaïm. Il couvrit d'or la maison, les poutres, les seuils, les parois et les battants des portes, et il fit 7
sculpter des chérubins sur les parois. Il fit la maison du lieu très saint ; elle avait vingt coudées de 8
longueur répondant à la largeur de la maison, et vingt coudées de largeur. Il la couvrit d'or pur, pour
une valeur de six cents talents ; et le poids de l'or pour les clous montait à cinquante sicles. Il couvrit 9
aussi d'or les chambres hautes. Il fit dans la maison du lieu très saint deux chérubins sculptés, et on 10
les couvrit d'or. Les ailes des chérubins avaient vingt coudées de longueur. L'aile du premier, longue 11
de cinq coudées, touchait au mur de la maison ; et l'autre aile, longue de cinq coudées, touchait à l'aile
du second chérubin. L'aile du second chérubin, longue de cinq coudées, touchait au mur de la maison ; 12
et l'autre aile, longue de cinq coudées, joignait l'aile du premier chérubin. Les ailes de ces chérubins, 13
déployées, avaient vingt coudées. Ils étaient debout sur leurs pieds, la face tournée vers la maison. Il 14
fit le voile bleu, pourpre et cramoisi, et de byssus, et il y représenta des chérubins. Il fit devant la 15
maison deux colonnes de trente -cinq coudées de hauteur, avec un chapiteau de cinq coudées sur leur
sommet. Il fit des chaînettes comme celles qui étaient dans le sanctuaire, et les plaça sur le sommet 16
des colonnes, et il fit cent grenades qu'il mit dans les chaînettes. Il dressa les colonnes sur le devant 17
du temple, l'une à droite et l'autre à gauche ; il nomma celle de droite Jakin, et celle de gauche Boaz.

Il fit un autel d'airain, long de vingt coudées, large de vingt coudées, et haut de dix coudées. Il fit **4**, 2
la mer de fonte. Elle avait dix coudées d'un bord à l'autre, une forme entièrement ronde, cinq coudées
de hauteur, et une circonférence que mesurait un cordon de trente coudées. Des figures de boeufs 3
l'entouraient au-dessous de son bord, dix par coudée, faisant tout le tour de la mer ; les boeufs, disposés
sur deux rangs, étaient fondus avec elle en une seule pièce. Elle était posée sur douze boeufs, dont 4
trois tournés vers le nord, trois tournés vers l'occident, trois tournés vers le midi, et trois tournés vers
l'orient ; la mer était sur eux, et toute la partie postérieure de leur corps était en dedans. Son épaisseur 5
était d'un palme ; et son bord, semblable au bord d'une coupe, était façonné en fleur de lis. Elle pouvait
contenir trois mille baths. Il fit dix bassins, et il en plaça cinq à droite et cinq à gauche, pour qu'ils 6
servissent aux purifications : on y lavait les diverses parties des holocaustes. La mer était destinée aux
ablutions des sacrificateurs. Il fit dix chandeliers d'or, selon l'ordonnance qui les concernait, et il les 7
plaça dans le temple, cinq à droite et cinq à gauche. Il fit dix tables, et il les plaça dans le temple, cinq 8
à droite et cinq à gauche. Il fit cent coupes d'or. Il fit le parvis des sacrificateurs, et le grand parvis 9
avec ses portes, dont il couvrit d'airain les battants. Il plaça la mer du côté droit, au sud -est. Huram 10, 11
fit les cendriers, les pelles et les coupes. Ainsi Huram acheva l'ouvrage que le roi Salomon lui fit faire
pour la maison de Dieu : deux colonnes, avec les deux chapiteaux et leurs bourrelets sur le sommet des 12
colonnes ; les deux treillis, pour couvrir les deux bourrelets des chapiteaux sur le sommet des colonnes ;
les quatre cents grenades pour les deux treillis, deux rangées de grenades par treillis, pour couvrir 13
les deux bourrelets des chapiteaux sur le sommet des colonnes ; les dix bases, et les dix bassins sur 14
les bases ; la mer, et les douze boeufs sous elle ; les cendriers, les pelles et les fourchettes. Tous ces 15, 16
ustensiles que le roi Salomon fit faire à Huram -Abi pour la maison de l'Éternel étaient d'airain poli. Le 17
roi les fit fondre dans la plaine du Jourdain, dans un sol argileux, entre Succoth et Tseréda. Salomon fit 18
tous ces ustensiles en si grande quantité que l'on ne vérifia pas le poids de l'airain. Salomon fit encore 19
tous les autres ustensiles pour la maison de Dieu : l'autel d'or ; les tables sur lesquelles on mettait les
pains de proposition ; les chandeliers et leurs lampes d'or pur, qu'on devait allumer selon l'ordonnance 20
devant le sanctuaire, les fleurs, les lampes et les mouchettes d'or, d'or très pur ; les couteaux, les 21, 22
coupes, les tasses et les brasiers d'or pur ; et les battants d'or pour la porte de l'intérieur de la maison à
l'entrée du lieu très saint, et pour la porte de la maison à l'entrée du temple.

Ainsi fut achevé tout l'ouvrage que Salomon fit pour la maison de l'Éternel. Puis il apporta l'argent, **5**
l'or et tous les ustensiles que David, son père, avait consacrés, et il les mit dans les trésors de la maison
de Dieu. Alors Salomon assembla à Jérusalem les anciens d'Israël et tous les chefs des tribus, les 2

chefs de famille des enfants d'Israël, pour transporter de la cité de David, qui est Sion, l'arche de
3 l'alliance de l'Éternel. Tous les hommes d'Israël se réunirent auprès du roi pour la fête, qui se célébra
4, 5 le septième mois. Lorsque tous les anciens d'Israël furent arrivés, les Lévites portèrent l'arche. Ils
transportèrent l'arche, la tente d'assignation, et tous les ustensiles sacrés qui étaient dans la tente :
6 ce furent les sacrificateurs et les Lévites qui les transportèrent. Le roi Salomon et toute l'assemblée
d'Israël convoquée auprès de lui se tinrent devant l'arche. Ils sacrifièrent des brebis et des boeufs, qui
7 ne purent être ni comptés, ni nombrés, à cause de leur multitude. Les sacrificateurs portèrent l'arche
de l'alliance de l'Éternel à sa place, dans le sanctuaire de la maison, dans le lieu très saint, sous les ailes
8 des chérubins. Les chérubins avaient les ailes étendues sur la place de l'arche, et ils couvraient l'arche
9 et ses barres par-dessus. On avait donné aux barres une longueur telle que leurs extrémités se voyaient
à distance de l'arche devant le sanctuaire, mais ne se voyaient point du dehors. L'arche a été là jusqu'à
10 ce jour. Il n'y avait dans l'arche que les deux tables que Moïse y plaça en Horeb, lorsque l'Éternel fit
11 alliance avec les enfants d'Israël, à leur sortie d'Égypte. Au moment où les sacrificateurs sortirent du
12 lieu saint, -car tous les sacrificateurs présents s'étaient sanctifiés sans observer l'ordre des classes, et
tous les Lévites qui étaient chantres, Asaph, Héman, Jeduthun, leurs fils et leurs frères, revêtus de
byssus, se tenaient à l'orient de l'autel avec des cymbales, des luths et des harpes, et avaient auprès
13 d'eux cent vingt sacrificateurs sonnant des trompettes, et lorsque ceux qui sonnaient des trompettes et
ceux qui chantaient, s'unissant d'un même accord pour célébrer et pour louer l'Éternel, firent retentir
les trompettes, les cymbales et les autres instruments, et célébrèrent l'Éternel par ces paroles : Car il
est bon, car sa miséricorde dure à toujours ! en ce moment, la maison, la maison de l'Éternel fut remplie
14 d'une nuée. Les sacrificateurs ne purent pas y rester pour faire le service, à cause de la nuée ; car la
gloire de l'Éternel remplissait la maison de Dieu.

6, 2 Alors Salomon dit : L'Éternel veut habiter dans l'obscurité ! Et moi, j'ai bâti une maison qui sera ta
3 demeure, un lieu où tu résideras éternellement ! Le roi tourna son visage, et bénit toute l'assemblée
4 d'Israël ; et toute l'assemblée d'Israël était debout. Et il dit : Béni soit l'Éternel, le Dieu d'Israël, qui a
parlé de sa bouche à David, mon père, et qui accomplit par sa puissance ce qu'il avait déclaré en disant :
5 Depuis le jour où j'ai fait sortir mon peuple du pays d'Égypte, je n'ai point choisi de ville parmi toutes
les tribus d'Israël pour qu'il y fût bâti une maison où résidât mon nom, et je n'ai point choisi d'homme
6 pour qu'il fût chef de mon peuple d'Israël ; mais j'ai choisi Jérusalem pour que mon nom y résidât, et
7 j'ai choisi David pour qu'il régnât sur mon peuple d'Israël ! David, mon père, avait l'intention de bâtir
8 une maison au nom de l'Éternel, le Dieu d'Israël. Et l'Éternel dit à David, mon père : Puisque tu as
9 eu l'intention de bâtir une maison à mon nom, tu as bien fait d'avoir eu cette intention. Seulement, ce
ne sera pas toi qui bâtiras la maison ; mais ce sera ton fils, sorti de tes entrailles, qui bâtira la maison
10 à mon nom. L'Éternel a accompli la parole qu'il avait prononcée. Je me suis élevé à la place de David,
mon père, et je me suis assis sur le trône d'Israël, comme l'avait annoncé l'Éternel, et j'ai bâti la maison
11 au nom de l'Éternel, le Dieu d'Israël. J'y ai placé l'arche où est l'alliance de l'Éternel, l'alliance qu'il a
12 faite avec les enfants d'Israël. Salomon se plaça devant l'autel de l'Éternel, en face de toute l'assemblée
13 d'Israël, et il étendit ses mains. Car Salomon avait fait une tribune d'airain, et l'avait mise au milieu
du parvis ; elle était longue de cinq coudées, large de cinq coudées, et haute de trois coudées ; il s'y
14 plaça, se mit à genoux en face de toute l'assemblée d'Israël, et étendit ses mains vers le ciel. Et il
dit : O Éternel, Dieu d'Israël ! Il n'y a point de Dieu semblable à toi, dans les cieux et sur la terre :
tu gardes l'alliance et la miséricorde envers tes serviteurs qui marchent en ta présence de tout leur
15 coeur ! Ainsi tu as tenu parole à ton serviteur David, mon père ; et ce que tu as déclaré de ta bouche,
16 tu l'accomplis en ce jour par ta puissance. Maintenant, Éternel, Dieu d'Israël, observe la promesse
que tu as faite à David, mon père, en disant : Tu ne manqueras jamais devant moi d'un successeur
assis sur le trône d'Israël, pourvu que tes fils prennent garde à leur voie et qu'ils marchent dans ma loi
17 comme tu as marché en ma présence. Qu'elle s'accomplisse donc, Éternel, Dieu d'Israël, la promesse
18 que tu as faite à ton serviteur David ! Mais quoi ! Dieu habiterait -il véritablement avec l'homme sur
la terre ? Voici, les cieux et les cieux des cieux ne peuvent te contenir : combien moins cette maison que
19 j'ai bâtie ! Toutefois, Éternel mon Dieu, sois attentif à la prière de ton serviteur et à sa supplication ;
20 écoute le cri et la prière que t'adresse ton serviteur. Que tes yeux soient jour et nuit ouverts sur cette
maison, sur le lieu dont tu as dit que là serait ton nom ! Écoute la prière que ton serviteur fait en ce lieu.
21 Daigne exaucer les supplications de ton serviteur et de ton peuple d'Israël, lorsqu'ils prieront en ce lieu !
22 Exauce du lieu de ta demeure, des cieux, exauce et pardonne ! Si quelqu'un pèche contre son prochain
et qu'on lui impose un serment pour le faire jurer, et s'il vient jurer devant ton autel, dans cette maison,
23 écoute -le des cieux, agis, et juge tes serviteurs ; condamne le coupable, et fais retomber sa conduite

sur sa tête, rends justice à l'innocent, et traite -le selon son innocence ! Quand ton peuple d'Israël sera 24
battu par l'ennemi, pour avoir péché contre toi ; s'ils reviennent à toi et rendent gloire à ton nom, s'ils
t'adressent des prières et des supplications dans cette maison, exauce -les des cieux, pardonne le péché 25
de ton peuple d'Israël, et ramène -les dans le pays que tu as donné à eux et à leurs pères ! Quand le 26
ciel sera fermé et qu'il n'y aura point de pluie, à cause de leurs péchés contre toi ; s'ils prient dans ce
lieu et rendent gloire à ton nom, et s'ils se détournent de leurs péchés, parce que tu les auras châtiés ;
exauce -les des cieux, pardonne le péché de tes serviteurs et de ton peuple d'Israël, à qui tu enseigneras 27
la bonne voie dans laquelle ils doivent marcher, et fais venir la pluie sur la terre que tu as donnée
pour héritage à ton peuple ! Quand la famine, la peste, la rouille et la nielle, les sauterelles d'une 28
espèce ou d'une autre, seront dans le pays, quand l'ennemi assiégera ton peuple dans son pays, dans
ses portes, quand il y aura des fléaux ou des maladies quelconques ; si un homme, si tout ton peuple 29
d'Israël fait entendre des prières et des supplications, et que chacun reconnaisse sa plaie et sa douleur
et étende les mains vers cette maison, exauce -le des cieux, du lieu de ta demeure, et pardonne ; rends 30
à chacun selon ses voies, toi qui connais le coeur de chacun, car seul tu connais le coeur des enfants
des hommes, et ils te craindront pour marcher dans tes voies tout le temps qu'ils vivront dans le pays 31
que tu as donné à nos pères ! Quand l'étranger, qui n'est pas de ton peuple d'Israël, viendra d'un pays 32
lointain, à cause de ton grand nom, de ta main forte et de ton bras étendu, quand il viendra prier
dans cette maison, exauce -le des cieux, du lieu de ta demeure, et accorde à cet étranger tout ce qu'il 33
te demandera, afin que tous les peuples de la terre connaissent ton nom pour te craindre, comme ton
peuple d'Israël, et sachent que ton nom est invoqué sur cette maison que j'ai bâtie ! Quand ton peuple 34
sortira pour combattre ses ennemis, en suivant la voie que tu lui auras prescrite ; s'ils t'adressent des
prières, les regards tournés vers cette ville que tu as choisie et vers la maison que j'ai bâtie en ton nom,
exauce des cieux leurs prières et leurs supplications, et fais -leur droit ! Quand ils pécheront contre 35, 36
toi, car il n'y a point d'homme qui ne pèche, quand tu seras irrité contre eux et que tu les livreras à
l'ennemi, qui les emmènera captifs dans un pays lointain ou rapproché ; s'ils rentrent en eux-mêmes 37
dans le pays où ils seront captifs, s'ils reviennent à toi et t'adressent des supplications dans le pays de
leur captivité, et qu'ils disent : Nous avons péché, nous avons commis des iniquités, nous avons fait le
mal ! s'ils reviennent à toi de tout leur coeur et de toute leur âme, dans le pays de leur captivité où 38
ils ont été emmenés captifs, s'ils t'adressent des prières, les regards tournés vers leur pays que tu as
donné à leurs pères, vers la ville que tu as choisie et vers la maison que j'ai bâtie à ton nom, exauce 39
des cieux, du lieu de ta demeure, leurs prières et leurs supplications, et fais -leur droit ; pardonne à ton
peuple ses péchés contre toi ! Maintenant, ô mon Dieu, que tes yeux soient ouverts, et que tes oreilles 40
soient attentives à la prière faite en ce lieu ! Maintenant, Éternel Dieu, lève -toi, viens à ton lieu de 41
repos, toi et l'arche de ta majesté ! Que tes sacrificateurs, Éternel Dieu, soient revêtus de salut, et que
tes bien-aimés jouissent du bonheur ! Éternel Dieu, ne repousse pas ton oint, souviens -toi des grâces 42
accordées à David, ton serviteur !

7 Lorsque Salomon eut achevé de prier, le feu descendit du ciel et consuma l'holocauste et les sacrifices,
et la gloire de l'Éternel remplit la maison. Les sacrificateurs ne pouvaient entrer dans la maison de 2
l'Éternel, car la gloire de l'Éternel remplissait la maison de l'Éternel. Tous les enfants d'Israël virent 3
descendre le feu et la gloire de l'Éternel sur la maison ; ils s'inclinèrent le visage contre terre sur le pavé,
se prosternèrent et louèrent l'Éternel, en disant : Car il est bon, car sa miséricorde dure à toujours ! Le 4
roi et tout le peuple offrirent des sacrifices devant l'Éternel. Le roi Salomon immola vingt -deux mille 5
boeufs et cent vingt mille brebis. Ainsi le roi et tout le peuple firent la dédicace de la maison de Dieu.
Les sacrificateurs se tenaient à leur poste, et les Lévites aussi avec les instruments faits en l'honneur de 6
l'Éternel par le roi David pour le chant des louanges de l'Éternel, lorsque David les chargea de célébrer
l'Éternel en disant : Car sa miséricorde dure à toujours ! Les sacrificateurs sonnaient des trompettes
vis-à-vis d'eux. Et tout Israël était là. Salomon consacra le milieu du parvis, qui est devant la maison 7
de l'Éternel ; car il offrit là les holocaustes et les graisses des sacrifices d'actions de grâces, parce que
l'autel d'airain qu'avait fait Salomon ne pouvait contenir les holocaustes, les offrandes et les graisses.
Salomon célébra la fête en ce temps -là pendant sept jours, et tout Israël avec lui ; une grande multitude 8
était venue depuis les environs de Hamath jusqu'au torrent d'Égypte. Le huitième jour, ils eurent une 9
assemblée solennelle ; car ils firent la dédicace de l'autel pendant sept jours, et la fête pendant sept jours.
Le vingt -troisième jour du septième mois, Salomon renvoya dans ses tentes le peuple joyeux et content 10
pour le bien que l'Éternel avait fait à David, à Salomon, et à Israël, son peuple. Lorsque Salomon eut 11
achevé la maison de l'Éternel et la maison du roi, et qu'il eut réussi dans tout ce qu'il s'était proposé
de faire dans la maison de l'Éternel et dans la maison du roi, l'Éternel apparut à Salomon pendant 12
la nuit, et lui dit : J'exauce ta prière, et je choisis ce lieu comme la maison où l'on devra m'offrir des

13 sacrifices. Quand je fermerai le ciel et qu'il n'y aura point de pluie, quand j'ordonnerai aux sauterelles
14 de consumer le pays, quand j'enverrai la peste parmi mon peuple ; si mon peuple sur qui est invoqué
mon nom s'humilie, prie, et cherche ma face, et s'il se détourne de ses mauvaises voies, -je l'exaucerai
15 des cieux, je lui pardonnerai son péché, et je guérirai son pays. Mes yeux seront ouverts désormais,
16 et mes oreilles seront attentives à la prière faite en ce lieu. Maintenant, je choisis et je sanctifie cette
17 maison pour que mon nom y réside à jamais, et j'aurai toujours là mes yeux et mon coeur. Et toi, si tu
marches en ma présence comme a marché David, ton père, faisant tout ce que je t'ai commandé, et si
18 tu observes mes lois et mes ordonnances, j'affermirai le trône de ton royaume, comme je l'ai promis à
19 David, ton père, en disant : Tu ne manqueras jamais d'un successeur qui règne en Israël. Mais si vous
vous détournez, si vous abandonnez mes lois et mes commandements que je vous ai prescrits, et si vous
20 allez servir d'autres dieux et vous prosterner devant eux, je vous arracherai de mon pays que je vous
ai donné, je rejetterai loin de moi cette maison que j'ai consacrée à mon nom, et j'en ferai un sujet de
21 sarcasme et de raillerie parmi tous les peuples. Et si haut placée qu'ait été cette maison, quiconque
passera près d'elle sera dans l'étonnement, et dira : Pourquoi l'Éternel a-t-il ainsi traité ce pays et cette
22 maison ? Et l'on répondra : Parce qu'ils ont abandonné l'Éternel, le Dieu de leurs pères, qui les a fait
sortir du pays d'Égypte, parce qu'ils se sont attachés à d'autres dieux, se sont prosternés devant eux et
les ont servis ; voilà pourquoi il a fait venir sur eux tous ces maux.

8, 2 Au bout de vingt ans, pendant lesquels Salomon bâtit la maison de l'Éternel et sa propre maison, il
3 reconstruisit les villes que lui donna Huram et y établit des enfants d'Israël. Salomon marcha contre
4 Hamath, vers Tsoba, et s'en empara. Il bâtit Thadmor au désert, et toutes les villes servant de ma-
5 gasins en Hamath. Il bâtit Beth-Horon la haute et Beth-Horon la basse, villes fortes, ayant des murs,
6 des portes et des barres ; Baalath, et toutes les villes servant de magasins et lui appartenant, toutes
les villes pour les chars, les villes pour la cavalerie, et tout ce qu'il plut à Salomon de bâtir à Jérusalem,
7 au Liban, et dans tout le pays dont il était le souverain. Tout le peuple qui était resté des Héthiens,
8 des Amoréens, des Phéréziens, des Héviens et des Jébusiens, ne faisant point partie d'Israël, leurs
descendants qui étaient restés après eux dans le pays et que les enfants d'Israël n'avaient pas détruits,
9 Salomon les leva comme gens de corvée, ce qu'ils ont été jusqu'à ce jour. Salomon n'employa comme
esclave pour ses travaux aucun des enfants d'Israël ; car ils étaient des hommes de guerre, ses chefs, ses
10 officiers, les commandants de ses chars et de sa cavalerie. Les chefs placés par le roi Salomon à la tête
11 du peuple, et chargés de le surveiller, étaient au nombre de deux cent cinquante. Salomon fit monter la
fille de Pharaon de la cité de David dans la maison qu'il lui avait bâtie ; car il dit : Ma femme n'habitera
pas dans la maison de David, roi d'Israël, parce que les lieux où est entrée l'arche de l'Éternel sont
12 saints. Alors Salomon offrit des holocaustes à l'Éternel sur l'autel de l'Éternel, qu'il avait construit
13 devant le portique. Il offrait ce qui était prescrit par Moïse pour chaque jour, pour les sabbats, pour les
nouvelles lunes, et pour les fêtes, trois fois l'année, à la fête des pains sans levain, à la fête des semaines,
14 et à la fête des tabernacles. Il établit dans leurs fonctions, telles que les avait réglées David, son père,
les classes des sacrificateurs selon leur office, les Lévites selon leur charge, consistant à célébrer l'Éter-
nel et à faire jour par jour le service en présence des sacrificateurs, et les portiers distribués à chaque
15 porte d'après leurs classes ; car ainsi l'avait ordonné David, homme de Dieu. On ne s'écarta point de
l'ordre du roi pour les sacrificateurs et les Lévites, ni pour aucune chose, ni pour ce qui concernait les
16 trésors. Ainsi fut dirigée toute l'oeuvre de Salomon, jusqu'au jour où la maison de l'Éternel fut fondée
17 et jusqu'à celui où elle fut terminée. La maison de l'Éternel fut donc achevée. Salomon partit alors
18 pour Etsjon-Guéber et pour Éloth, sur les bords de la mer, dans le pays d'Édom. Et Huram lui envoya
par ses serviteurs des navires et des serviteurs connaissant la mer. Ils allèrent avec les serviteurs de
Salomon à Ophir, et ils y prirent quatre cent cinquante talents d'or, qu'ils apportèrent au roi Salomon.

9 La reine de Séba apprit la renommée de Salomon, et elle vint à Jérusalem pour l 'éprouver par
des énigmes. Elle avait une suite fort nombreuse, et des chameaux portant des aromates, de l'or en
grande quantité et des pierres précieuses. Elle se rendit auprès de Salomon, et elle lui dit tout ce qu'elle
2 avait dans le coeur. Salomon répondit à toutes ses questions, et il n'y eut rien que Salomon ne sût lui
3, 4 expliquer. La reine de Séba vit la sagesse de Salomon, et la maison qu'il avait bâtie, et les mets de
sa table, et la demeure de ses serviteurs, et les fonctions et les vêtements de ceux qui le servaient, et
ses échansons et leurs vêtements, et les degrés par lesquels on montait à la maison de l'Éternel. Hors
5 d'elle-même, elle dit au roi : C'était donc vrai ce que j'ai appris dans mon pays au sujet de ta position
6 et de ta sagesse ! Je ne croyais pas ce qu'on en disait, avant d'être venue et d'avoir vu de mes yeux. Et
voici, on ne m'a pas raconté la moitié de la grandeur de ta sagesse. Tu surpasses ce que la renommée
7 m'a fait connaître. Heureux tes gens, heureux tes serviteurs, qui sont continuellement devant toi et
8 qui entendent ta sagesse ! Béni soit l'Éternel, ton Dieu, qui t'a accordé la faveur de te placer sur son

trône comme roi pour l'Éternel, ton Dieu ! C'est parce que ton Dieu aime Israël et veut le faire subsister
à toujours, qu'il t'a établi roi sur lui pour que tu fasses droit et justice. Elle donna au roi cent vingt 9
talents d'or, une très grande quantité d'aromates et des pierres précieuses. Il n'y eut plus d'aromates
tels que ceux donnés au roi Salomon par la reine de Séba. Les serviteurs de Huram et les serviteurs de 10
Salomon, qui apportèrent de l'or d'Ophir, amenèrent aussi du bois de sandal et des pierres précieuses.
Le roi fit avec le bois de sandal des escaliers pour la maison de l'Éternel et pour la maison du roi, 11
et des harpes et des luths pour les chantres. On n'en avait pas vu de semblable auparavant dans le
pays de Juda. Le roi Salomon donna à la reine de Séba tout ce qu'elle désira, ce qu'elle demanda, plus 12
qu'elle n'avait apporté au roi. Puis elle s'en retourna et alla dans son pays, elle et ses serviteurs. Le 13
poids de l'or qui arrivait chaque année à Salomon était de six cent soixante -six talents d'or, outre 14
ce qu'il retirait des négociants et des marchands qui en apportaient, de tous les rois d'Arabie et des
gouverneurs du pays, qui apportaient de l'or et de l'argent à Salomon. Le roi Salomon fit deux cents 15
grands boucliers d'or battu, pour chacun desquels il employa six cents sicles d'or battu, et trois cents 16
autres boucliers d'or battu, pour chacun desquels il employa trois cents sicles d'or ; et le roi les mit dans
la maison de la forêt du Liban. Le roi fit un grand trône d'ivoire, et le couvrit d'or pur. Ce trône avait 17, 18
six degrés, et un marchepied d'or attenant au trône ; il y avait des bras de chaque côté du siège ; deux
lions étaient près des bras, et douze lions sur les six degrés de part et d'autre. Il ne s'est rien fait de 19
pareil pour aucun royaume. Toutes les coupes du roi Salomon étaient d'or, et toute la vaisselle de la 20
maison de la forêt du Liban était d'or pur. Rien n'était d'argent : on n'en faisait aucun cas du temps de
Salomon. Car le roi avait des navires de Tarsis naviguant avec les serviteurs de Huram ; et tous les 21
trois ans arrivaient les navires de Tarsis, apportant de l'or et de l'argent, de l'ivoire, des singes et des
paons. Le roi Salomon fut plus grand que tous les rois de la terre par les richesses et par la sagesse. 22
Tous les rois de la terre cherchaient à voir Salomon, pour entendre la sagesse que Dieu avait mise dans 23
son coeur. Et chacun d'eux apportait son présent, des objets d'argent et des objets d'or, des vêtements, 24
des armes, des aromates, des chevaux et des mulets ; et il en était ainsi chaque année. Salomon avait 25
quatre mille crèches pour les chevaux destinés à ses chars, et douze mille cavaliers qu'il plaça dans les
villes où il tenait ses chars et à Jérusalem près du roi. Il dominait sur tous les rois, depuis le fleuve 26
jusqu'au pays des Philistins et jusqu'à la frontière d'Égypte. Le roi rendit l'argent aussi commun à 27
Jérusalem que les pierres, et les cèdres aussi nombreux que les sycomores qui croissent dans la plaine.
C'était de l'Égypte et de tous les pays que l'on tirait des chevaux pour Salomon. Le reste des actions 28, 29
de Salomon, les premières et les dernières, cela n'est-il pas écrit dans le livre de Nathan, le prophète,
dans la prophétie d'Achija de Silo, et dans les révélations de Jéedo, le prophète sur Jéroboam, fils de
Nebath ? Salomon régna quarante ans à Jérusalem sur tout Israël. Puis Salomon se coucha avec ses 30, 31
pères, et on l'enterra dans la ville de David, son père. Et Roboam, son fils, régna à sa place.

Roboam se rendit à Sichem, car tout Israël était venu à Sichem pour le faire roi. Lorsque Jéroboam, **10**, 2
fils de Nebath, eut des nouvelles, il était en Égypte, où il s'était enfui loin du roi Salomon, et il revint
d'Égypte. On l'envoya appeler. Alors Jéroboam et tout Israël vinrent vers Roboam et lui parlèrent 3
ainsi : Ton père a rendu notre joug dur ; maintenant allège cette rude servitude et le joug pesant que 4
nous a imposé ton père. Et nous te servirons. Il leur dit : Revenez vers moi dans trois jours. Et le peuple 5
s'en alla. Le roi Roboam consulta les vieillards qui avaient été auprès de Salomon, son père, pendant 6
sa vie, et il dit : Que conseillez -vous de répondre à ce peuple ? Et voici ce qu'ils lui dirent : Si tu es bon 7
envers ce peuple, si tu les reçois favorablement, et si tu leur parles avec bienveillance, ils seront pour
toujours tes serviteurs. Mais Roboam laissa le conseil que lui donnaient les vieillards, et il consulta 8
les jeunes gens qui avaient grandi avec lui et qui l'entouraient. Il leur dit : Que conseillez -vous de 9
répondre à ce peuple qui me tient ce langage : Allège le joug que nous a imposé ton père ? Et voici ce 10
que lui dirent les jeunes gens qui avaient grandi avec lui : Tu parleras ainsi à ce peuple qui t'a tenu ce
langage : Ton père a rendu notre joug pesant, et toi, allège -le-nous ! tu leur parleras ainsi : Mon petit
doigt est plus gros que les reins de mon père. Maintenant, mon père vous a chargés d'un joug pesant, 11
et moi je vous le rendrai plus pesant ; mon père vous a châtiés avec des fouets, et moi je vous châtierai
avec des scorpions. Jéroboam et tout le peuple vinrent à Roboam le troisième jour, suivant ce qu'avait 12
dit le roi : Revenez vers moi dans trois jours. Le roi leur répondit durement. Le roi Roboam laissa le 13
conseil des vieillards, et leur parla ainsi d'après le conseil des jeunes gens : Mon père a rendu votre 14
joug pesant, et moi je le rendrai plus pesant ; mon père vous a châtiés avec des fouets, et moi je vous
châtierai avec des scorpions. Ainsi le roi n'écouta point le peuple ; car cela fut dirigé par Dieu, en vue 15
de l'accomplissement de la parole que l'Éternel avait dite par Achija de Silo à Jéroboam, fils de Nebath.
Lorsque tout Israël vit que le roi ne l'écoutait pas, le peuple répondit au roi : Quelle part avons-nous 16
avec David ? Nous n'avons point d'héritage avec le fils d'Isaï ! À tes tentes, Israël ! Maintenant, pourvois
à ta maison, David ! Et tout Israël s'en alla dans ses tentes. Les enfants d'Israël qui habitaient les 17

18 villes de Juda furent les seuls sur qui régna Roboam. Alors le roi Roboam envoya Hadoram, qui était
préposé aux impôts. Mais Hadoram fut lapidé par les enfants d'Israël, et il mourut. Et le roi Roboam se
19 hâta de monter sur un char, pour s'enfuir à Jérusalem. C'est ainsi qu'Israël s'est détaché de la maison
de David jusqu'à ce jour.

11 Roboam, arrivé à Jérusalem, rassembla la maison de Juda et de Benjamin, cent quatre-vingt mille
hommes d'élite propres à la guerre, pour qu'ils combattissent contre Israël afin de le ramener sous la
2 domination de Roboam. Mais la parole de l'Éternel fut ainsi adressée à Schemaeja, homme de Dieu :
3 Parle à Roboam, fils de Salomon, roi de Juda, et à tout Israël en Juda et en Benjamin. Et dis -leur :
4 Ainsi parle l'Éternel : Ne montez point, et ne faites pas la guerre à vos frères ! Que chacun de vous
retourne dans sa maison, car c'est de par moi que cette chose est arrivée. Ils obéirent aux paroles de
5 l'Éternel, et ils s'en retournèrent, renonçant à marcher contre Jéroboam. Roboam demeura à Jérusa-
6, 7 lem, et il bâtit des villes fortes en Juda. Il bâtit Bethléhem, Étham, Tekoa, Beth-Tsur, Soco, Adullam,
8, 9, 10 Gath, Maréscha, Ziph, Adoraïm, Lakis, Azéka, Tsorea, Ajalon et Hébron, qui étaient en Juda et en
11 Benjamin, et il en fit des villes fortes. Il les fortifia, et y établit des commandants, et des magasins de
12 vivres, d'huile et de vin. Il mit dans chacune de ces villes des boucliers et des lances, et il les rendit
13 très fortes. Juda et Benjamin étaient à lui. Les sacrificateurs et les Lévites qui se trouvaient dans
14 tout Israël quittèrent leurs demeures pour se rendre auprès de lui ; car les Lévites abandonnèrent
leurs banlieues et leurs propriétés et vinrent en Juda et à Jérusalem, parce que Jéroboam et ses fils
15 les empêchèrent de remplir leurs fonctions comme sacrificateurs de l'Éternel. Jéroboam établit des
16 sacrificateurs pour les hauts lieux, pour les boucs, et pour les veaux qu'il avait faits. Ceux de toutes
les tribus d'Israël qui avaient à coeur de chercher l'Éternel, le Dieu d'Israël, suivirent les Lévites à
17 Jérusalem pour sacrifier à l'Éternel, le Dieu de leurs pères. Ils donnèrent ainsi de la force au royaume
de Juda, et affermirent Roboam, fils de Salomon, pendant trois ans ; car ils marchèrent pendant trois
18 ans dans la voie de David et de Salomon. Roboam prit pour femme Mahalath, fille de Jerimoth, fils
19 de David et d'Abichaïl, fille d'Éliab, fils d'Isaï. Elle lui enfanta des fils : Jeusch, Schemaria et Zaham.
20, 21 Après elle, il prit Maaca, fille d'Absalom. Elle lui enfanta Abija, Attaï, Ziza et Schelomith. Roboam
aimait Maaca, fille d'Absalom, plus que toutes ses femmes et ses concubines ; car il eut dix-huit femmes
22 et soixante concubines, et il engendra vingt -huit fils et soixante filles. Roboam donna le premier rang
23 à Abija, fils de Maaca, et l'établit chef parmi ses frères, car il voulait le faire roi. Il agit avec habileté
en dispersant tous ses fils dans toutes les contrées de Juda et de Benjamin, dans toutes les villes fortes ;
il leur fournit des vivres en abondance, et demanda pour eux une multitude de femmes.

12 Lorsque Roboam se fut affermi dans son royaume et qu'il eut acquis de la force, il abandonna la loi
2 de l'Éternel, et tout Israël l'abandonna avec lui. La cinquième année du règne de Roboam, Schischak,
3 roi d'Égypte, monta contre Jérusalem, parce qu'ils avaient péché contre l'Éternel. Il avait mille deux
cents chars et soixante mille cavaliers ; et il vint d'Égypte avec lui un peuple innombrable, des Libyens,
4 des Sukkiens et des Éthiopiens. Il prit les villes fortes qui appartenaient à Juda, et arriva jusqu'à
5 Jérusalem. Alors Schemaeja, le prophète, se rendit auprès de Roboam et des chefs de Juda qui s'étaient
retirés dans Jérusalem à l'approche de Schischak, et il leur dit : Ainsi parle l'Éternel : Vous m'avez
6 abandonné ; je vous abandonne aussi, et je vous livre entre les mains de Schischak. Les chefs d'Israël
7 et le roi s'humilièrent et dirent : L'Éternel est juste ! Et quand l'Éternel vit qu'ils s'humiliaient, la
parole de l'Éternel fut ainsi adressée à Schemaeja : Ils se sont humiliés, je ne les détruirai pas, je ne
8 tarderai pas à les secourir, et ma colère ne se répandra pas sur Jérusalem par Schischak ; mais ils
lui seront assujettis, et ils sauront ce que c'est que me servir ou servir les royaumes des autres pays.
9 Schischak, roi d'Égypte, monta contre Jérusalem. Il prit les trésors de la maison de l'Éternel et les
10 trésors de la maison du roi, il prit tout. Il prit les boucliers d'or que Salomon avait faits. Le roi Roboam
fit à leur place des boucliers d'airain, et il les remit aux soins des chefs des coureurs, qui gardaient
11 l'entrée de la maison du roi. Toutes les fois que le roi allait à la maison de l'Éternel, les coureurs
12 venaient et les portaient ; puis ils les rapportaient dans la chambre des coureurs. Comme Roboam
s'était humilié, l'Éternel détourna de lui sa colère et ne le détruisit pas entièrement. Et il y avait encore
13 de bonnes choses en Juda. Le roi Roboam s'affermit dans Jérusalem et régna. Il avait quarante et
un ans lorsqu'il devint roi, et il régna dix-sept ans à Jérusalem, la ville que l'Éternel avait choisie sur
14 toutes les tribus d'Israël pour y mettre son nom. Sa mère s'appelait Naama, l'Ammonite. Il fit le mal,
15 parce qu'il n'appliqua pas son coeur à chercher l'Éternel. Les actions de Roboam, les premières et les
dernières, ne sont-elles pas écrites dans les livres de Schemaeja, le prophète et d'Iddo, le prophète,
16 parmi les registres généalogiques ? Il y eut toujours guerre entre Roboam et Jéroboam. Roboam se
coucha avec ses pères, et il fut enterré dans la ville de David. Et Abija, son fils, régna à sa place.

La dix-huitième année du règne de Jéroboam, Abija régna sur Juda. Il régna trois ans à Jérusalem. **13**, 2
Sa mère s'appelait Micaja, fille d'Uriel, de Guibea. Il y eut guerre entre Abija et Jéroboam. Abija enga- 3
gea les hostilités avec une armée de vaillants guerriers, quatre cent mille hommes d'élite ; et Jéroboam
se rangea en bataille contre lui avec huit cent mille hommes d'élite, vaillants guerriers. Du haut du 4
mont Tsemaraïm, qui fait partie de la montagne d'Éphraïm, Abija se leva et dit : Écoutez -moi, Jéro-
boam, et tout Israël ! Ne devez-vous pas savoir que l'Éternel, le Dieu d'Israël, a donné pour toujours 5
à David la royauté sur Israël, à lui et à ses fils, par une alliance inviolable ? Mais Jéroboam, fils de 6
Nebath, serviteur de Salomon, fils de David, s'est levé et s'est révolté contre son maître. Des gens de 7
rien, des hommes pervers, se sont rassemblés auprès de lui et l'ont emporté sur Roboam, fils de Sa-
lomon. Roboam était jeune et craintif, et il manqua de force devant eux. Et maintenant, vous pensez 8
triompher du royaume de l'Éternel, qui est entre les mains des fils de David ; et vous êtes une multitude
nombreuse, et vous avez avec vous les veaux d'or que Jéroboam vous a faits pour dieux. N'avez-vous 9
pas repoussé les sacrificateurs de l'Éternel, les fils d'Aaron et les Lévites, et ne vous êtes-vous pas fait
des sacrificateurs, comme les peuples des autres pays ? Quiconque venait avec un jeune taureau et sept
béliers, afin d'être consacré, devenait sacrificateur de ce qui n'est point Dieu. Mais pour nous, l'Éternel 10
est notre Dieu, et nous ne l'avons point abandonné, les sacrificateurs au service de l'Éternel sont fils
d'Aaron, et les Lévites remplissent leurs fonctions. Nous offrons chaque matin et chaque soir des ho- 11
locaustes à l'Éternel, nous brûlons le parfum odoriférant, nous mettons les pains de proposition sur la
table pure, et nous allumons chaque soir le chandelier d'or et ses lampes ; car nous observons les com-
mandements de l'Éternel, notre Dieu. Et vous, vous l'avez abandonné. Voici, Dieu et ses sacrificateurs 12
sont avec nous, à notre tête, et nous avons les trompettes retentissantes pour les faire résonner contre
vous. Enfants d'Israël ! ne faites pas la guerre à l'Éternel, le Dieu de vos pères, car vous n'auriez aucun
succès. Jéroboam les prit par derrière au moyen d'une embuscade, et ses troupes étaient en face de 13
Juda, qui avait l'embuscade par derrière. Ceux de Juda s'étant retournés eurent à combattre devant et 14
derrière. Ils crièrent à l'Éternel, et les sacrificateurs sonnèrent des trompettes. Les hommes de Juda 15
poussèrent un cri de guerre et, au cri de guerre des hommes de Juda, l'Éternel frappa Jéroboam et tout
Israël devant Abija et Juda. Les enfants d'Israël s'enfuirent devant Juda, et Dieu les livra entre ses 16
mains. Abija et son peuple leur firent éprouver une grande défaite, et cinq cent mille hommes d'élite 17
tombèrent morts parmi ceux d'Israël. Les enfants d'Israël furent humiliés en ce temps, et les enfants 18
de Juda remportèrent la victoire, parce qu'ils s'étaient appuyés sur l'Éternel, le Dieu de leurs pères.
Abija poursuivit Jéroboam et lui prit des villes, Béthel et les villes de son ressort, Jeschana et les villes 19
de son ressort, et Éphron et les villes de son ressort. Jéroboam n'eut plus de force du temps d'Abija ; 20
et l'Éternel le frappa, et il mourut. Mais Abija devint puissant ; il eut quatorze femmes, et engendra 21
vingt -deux fils et seize filles. Le reste des actions d'Abija, ce qu'il a fait et ce qu'il a dit, cela est écrit 22
dans les mémoires du prophète Iddo.

Abija se coucha avec ses pères, et on l'enterra dans la ville de David. Et Asa, son fils, régna à sa place. **14**
De son temps, le pays fut en repos pendant dix ans. Asa fit ce qui est bien et droit aux yeux de l'Éternel, 2
son Dieu. Il fit disparaître les autels de l'étranger et les hauts lieux, il brisa les statues et abattit les 3
idoles. Il ordonna à Juda de rechercher l'Éternel, le Dieu de ses pères, et de pratiquer la loi et les 4
commandements. Il fit disparaître de toutes les villes de Juda les hauts lieux et les statues consacrées 5
au soleil. Et le royaume fut en repos devant lui. Il bâtit des villes fortes en Juda ; car le pays fut 6
tranquille et il n'y eut pas de guerre contre lui pendant ces années -là, parce que l'Éternel lui donna du
repos. Il dit à Juda : Bâtissons ces villes, et entourons -les de murs, de tours, de portes et de barres ; le 7
pays est encore devant nous, car nous avons recherché l'Éternel, notre Dieu, nous l'avons recherché, et il
nous a donné du repos de tous côtés. Ils bâtirent donc, et réussirent. Asa avait une armée de trois cent 8
mille hommes de Juda, portant le bouclier et la lance, et de deux cent quatre-vingt mille de Benjamin,
portant le bouclier et tirant de l'arc, tous vaillants hommes. Zérach, l'Éthiopien, sortit contre eux avec 9
une armée d'un million d'hommes et trois cents chars, et il s'avança jusqu'à Maréscha. Asa marcha 10
au-devant de lui, et ils se rangèrent en bataille dans la vallée de Tsephata, près de Maréscha. Asa 11
invoqua l'Éternel, son Dieu, et dit : Éternel, toi seul peux venir en aide au faible comme au fort : viens à
notre aide, Éternel, notre Dieu ! car c'est sur toi que nous nous appuyons, et nous sommes venus en ton
nom contre cette multitude. Éternel, tu es notre Dieu : que ce ne soit pas l'homme qui l'emporte sur toi !
L'Éternel frappa les Éthiopiens devant Asa et devant Juda, et les Éthiopiens prirent la fuite. Asa et 12, 13
le peuple qui était avec lui les poursuivirent jusqu'à Guérar, et les Éthiopiens tombèrent sans pouvoir
sauver leur vie, car ils furent détruits par l'Éternel et par son armée. Asa et son peuple firent un très

14 grand butin ; ils frappèrent toutes les villes des environs de Guérar, car la terreur de l'Éternel s'était
15 emparée d'elles, et ils pillèrent toutes les villes, dont les dépouilles furent considérables. Ils frappèrent
aussi les tentes des troupeaux, et ils emmenèrent une grande quantité de brebis et de chameaux. Puis
ils retournèrent à Jérusalem.
15, 2 L'esprit de Dieu fut sur Azaria, fils d'Obed, et Azaria alla au-devant d'Asa et lui dit : Écoutez -moi,
Asa, et tout Juda et Benjamin ! L'Éternel est avec vous quand vous êtes avec lui ; si vous le cherchez,
3 vous le trouverez ; mais si vous l'abandonnez, il vous abandonnera. Pendant longtemps il n'y a eu
4 pour Israël ni vrai Dieu, ni sacrificateur qui enseignât, ni loi. Mais au sein de leur détresse ils sont
5 retournés à l'Éternel, le Dieu d'Israël, ils l'ont cherché, et ils l'ont trouvé. Dans ces temps -là, point de
sécurité pour ceux qui allaient et venaient, car il y avait de grands troubles parmi tous les habitants du
6 pays ; on se heurtait peuple contre peuple, ville contre ville, parce que Dieu les agitait par toutes sortes
7 d'angoisses. Vous donc, fortifiez -vous, et ne laissez pas vos mains s'affaiblir, car il y aura un salaire
8 pour vos oeuvres. Après avoir entendu ces paroles et la prophétie d'Obed le prophète, Asa se fortifia et
fit disparaître les abominations de tout le pays de Juda et de Benjamin et des villes qu'il avait prises
dans la montagne d'Éphraïm, et il restaura l'autel de l'Éternel qui était devant le portique de l'Éternel.
9 Il rassembla tout Juda et Benjamin, et ceux d'Éphraïm, de Manassé et de Siméon qui habitaient parmi
eux, car un grand nombre de gens d'Israël se joignirent à lui lorsqu'ils virent que l'Éternel, son Dieu,
10 était avec lui. Ils s'assemblèrent à Jérusalem le troisième mois de la quinzième année du règne d'Asa.
11 Ce jour -là, ils sacrifièrent à l'Éternel, sur le butin qu'ils avaient amené, sept cents boeufs et sept mille
12 brebis. Ils prirent l'engagement de chercher l'Éternel, le Dieu de leurs pères, de tout leur coeur et de
13 toute leur âme ; et quiconque ne chercherait pas l'Éternel, le Dieu d'Israël, devait être mis à mort, petit
14 ou grand, homme ou femme. Ils jurèrent fidélité à l'Éternel à voix haute, avec des cris de joie, et au son
15 des trompettes et des cors ; tout Juda se réjouit de ce serment, car ils avaient juré de tout leur coeur,
ils avaient cherché l'Éternel de plein gré, et ils l'avaient trouvé, et l'Éternel leur donna du repos de tous
16 côtés. Le roi Asa enleva même à Maaca, sa mère, la dignité de reine, parce qu'elle avait fait une idole
17 pour Astarté. Asa abattit son idole, qu'il réduisit en poussière, et la brûla au torrent de Cédron. Mais
les hauts lieux ne disparurent point d'Israël, quoique le coeur d'Asa fût en entier à l'Éternel pendant
18 toute sa vie. Il mit dans la maison de Dieu les choses consacrées par son père et par lui-même, de
19 l'argent, de l'or et des vases. Il n'y eut point de guerre jusqu'à la trente -cinquième année du règne
d'Asa.
16 La trente -sixième année du règne d'Asa, Baescha, roi d'Israël, monta contre Juda ; et il bâtit Rama,
2 pour empêcher ceux d'Asa, roi de Juda, de sortir et d'entrer. Asa sortit de l'argent et de l'or des trésors
de la maison de l'Éternel et de la maison du roi, et il envoya des messagers vers Ben-Hadad, roi de
3 Syrie, qui habitait à Damas. Il lui fit dire : Qu'il y ait une alliance entre moi et toi, comme il y en
eut une entre mon père et ton père. Voici, je t'envoie de l'argent et de l'or. Va, romps ton alliance avec
4 Baescha, roi d'Israël, afin qu'il s'éloigne de moi. Ben-Hadad écouta le roi Asa ; il envoya les chefs de
son armée contre les villes d'Israël, et ils frappèrent Ijjon, Dan, Abel-Maïm, et tous les magasins des
5, 6 villes de Nephthali. Lorsque Baescha l'apprit, il cessa de bâtir Rama et interrompit ses travaux. Le
roi Asa occupa tout Juda à emporter les pierres et le bois que Baescha employait à la construction
7 de Rama, et il s'en servit pour bâtir Guéba et Mitspa. Dans ce temps -là, Hanani, le voyant, alla
auprès d'Asa, roi de Juda, et lui dit : Parce que tu t'es appuyé sur le roi de Syrie et que tu ne t'es pas
8 appuyé sur l'Éternel, ton Dieu, l'armée du roi de Syrie s'est échappée de tes mains. Les Éthiopiens
et les Libyens ne formaient-ils pas une grande armée, avec des chars et une multitude de cavaliers ?
9 Et cependant l'Éternel les a livrés entre tes mains, parce que tu t'étais appuyé sur lui. Car l'Éternel
étend ses regards sur toute la terre, pour soutenir ceux dont le coeur est tout entier à lui. Tu as agi en
10 insensé dans cette affaire, car dès à présent tu auras des guerres. Asa fut irrité contre le voyant, et il
le fit mettre en prison, parce qu'il était en colère contre lui. Et dans le même temps Asa opprima aussi
11 quelques-uns du peuple. Les actions d'Asa, les premières et les dernières, sont écrites dans le livre
12 des rois de Juda et d'Israël. La trente -neuvième année de son règne, Asa eut les pieds malades au
point d'éprouver de grandes souffrances ; même pendant sa maladie, il ne chercha pas l'Éternel, mais il
13 consulta les médecins. Asa se coucha avec ses pères, et il mourut la quarante et unième année de son
14 règne ; on l'enterra dans le sépulcre qu'il s'était creusé dans la ville de David. On le coucha sur un lit
qu'on avait garni d'aromates et de parfums préparés selon l'art du parfumeur, et l'on en brûla en son
honneur une quantité très considérable.
17, 2 Josaphat, son fils, régna à sa place. Il se fortifia contre Israël : il mit des troupes dans toutes les
villes fortes de Juda, et des garnisons dans le pays de Juda et dans les villes d'Éphraïm dont Asa,
3 son père, s'était emparé. L'Éternel fut avec Josaphat, parce qu'il marcha dans les premières voies de

David, son père, et qu'il ne rechercha point les Baals ; car il eut recours au Dieu de son père, et il 4
suivit ses commandements, sans imiter ce que faisait Israël. L'Éternel affermit la royauté entre les 5
mains de Josaphat, à qui tout Juda apportait des présents, et qui eut en abondance des richesses et de
la gloire. Son coeur grandit dans les voies de l'Éternel, et il fit encore disparaître de Juda les hauts 6
lieux et les idoles. La troisième année de son règne, il chargea ses chefs Ben-Haïl, Abdias, Zacharie, 7
Nethaneel et Michée, d'aller enseigner dans les villes de Juda. Il envoya avec eux les Lévites Sche- 8
maeja, Nethania, Zebadia, Asaël, Schemiramoth, Jonathan, Adonija, Tobija et Tob-Adonija, Lévites, et
les sacrificateurs Élischama et Joram. Ils enseignèrent dans Juda, ayant avec eux le livre de la loi de 9
l'Éternel. Ils parcoururent toutes les villes de Juda, et ils enseignèrent parmi le peuple. La terreur de 10
l'Éternel s'empara de tous les royaumes des pays qui environnaient Juda, et ils ne firent point la guerre
à Josaphat. Des Philistins apportèrent à Josaphat des présents et un tribut en argent ; et les Arabes lui 11
amenèrent aussi du bétail, sept mille sept cents béliers et sept mille sept cents boucs. Josaphat s'éle- 12
vait au plus haut degré de grandeur. Il bâtit en Juda des châteaux et des villes pour servir de magasins.
Il fit exécuter beaucoup de travaux dans les villes de Juda, et il avait à Jérusalem de vaillants hommes 13
pour soldats. Voici leur dénombrement, selon les maisons de leurs pères. De Juda, chefs de milliers : 14
Adna, le chef, avec trois cent mille vaillants hommes ; et à ses côtés, Jochanan, le chef, avec deux cent 15
quatre-vingt mille hommes ; et à ses côtés, Amasia, fils de Zicri, qui s'était volontairement consacré à 16
l'Éternel, avec deux cent mille vaillants hommes. De Benjamin : Éliada, vaillant homme, avec deux 17
cent mille hommes armés de l'arc et du bouclier, et à ses côtés, Zozabad, avec cent quatre-vingt mille 18
hommes armés pour la guerre. Tels sont ceux qui étaient au service du roi, outre ceux que le roi avait 19
placés dans toutes les villes fortes de Juda.

Josaphat eut en abondance des richesses et de la gloire, et il s'allia par mariage avec Achab. Au **18**, 2
bout de quelques années, il descendit auprès d'Achab à Samarie ; et Achab tua pour lui et pour le
peuple qui était avec lui un grand nombre de brebis et de boeufs, et il le sollicita de monter à Ramoth en
Galaad. Achab, roi d'Israël, dit à Josaphat, roi de Juda : Veux-tu venir avec moi à Ramoth en Galaad ? 3
Josaphat lui répondit : Moi comme toi, et mon peuple comme ton peuple, nous irons l'attaquer avec
toi. Puis Josaphat dit au roi d'Israël : Consulte maintenant, je te prie, la parole de l'Éternel. Le roi 4, 5
d'Israël assembla les prophètes, au nombre de quatre cents, et leur dit : Irons -nous attaquer Ramoth
en Galaad, ou dois-je y renoncer ? Et ils répondirent : Monte, et Dieu la livrera entre les mains du roi.
Mais Josaphat dit : N'y a-t-il plus ici aucun prophète de l'Éternel, par qui nous puissions le consulter ? 6
Le roi d'Israël répondit à Josaphat : Il y a encore un homme par qui l'on pourrait consulter l'Éternel ; 7
mais je le hais, car il ne me prophétise rien de bon, il ne prophétise jamais que du mal : c'est Michée,
fils de Jimla. Et Josaphat dit : Que le roi ne parle pas ainsi ! Alors le roi d'Israël appela un eunuque, 8
et dit : Fais venir tout de suite Michée, fils de Jimla. Le roi d'Israël et Josaphat, roi de Juda, étaient 9
assis chacun sur son trône, revêtus de leurs habits royaux ; ils étaient assis dans la place à l'entrée de
la porte de Samarie. Et tous les prophètes prophétisaient devant eux. Sédécias, fils de Kenaana, s'était 10
fait des cornes de fer, et il dit : Ainsi parle l'Éternel : Avec ces cornes, tu frapperas les Syriens jusqu'à
les détruire. Et tous les prophètes prophétisèrent de même, en disant : Monte à Ramoth en Galaad ! 11
tu auras du succès, et l'Éternel la livrera entre les mains du roi. Le messager qui était allé appeler 12
Michée lui parla ainsi : Voici, les prophètes d'un commun accord prophétisent du bien au roi ; que ta
parole soit donc comme la parole de chacun d'eux ! annonce du bien ! Michée répondit : L'Éternel est 13
vivant ! j'annoncerai ce que dira mon Dieu. Lorsqu'il fut arrivé auprès du roi, le roi lui dit : Michée, 14
irons -nous attaquer Ramoth en Galaad, ou dois-je y renoncer ? Il répondit : Montez ! vous aurez du
succès, et ils seront livrés entre vos mains. Et le roi lui dit : Combien de fois me faudra-t-il te faire 15
jurer de ne me dire que la vérité au nom de l'Éternel ? Michée répondit : Je vois tout Israël dispersé 16
sur les montagnes, comme des brebis qui n'ont point de berger ; et l'Éternel dit : Ces gens n'ont point de
maître, que chacun retourne en paix dans sa maison ! Le roi d'Israël dit à Josaphat : Ne te l'ai-je pas 17
dit ? Il ne prophétise sur moi rien de bon, il ne prophétise que du mal. Et Michée dit : Écoutez donc la 18
parole de l'Éternel ! J'ai vu l'Éternel assis sur son trône, et toute l'armée des cieux se tenant à sa droite
et à sa gauche. Et l'Éternel dit : Qui séduira Achab, roi d'Israël, pour qu'il monte à Ramoth en Galaad 19
et qu'il y périsse ? Ils répondirent l'un d'une manière, l'autre d'une autre. Et un esprit vint se présenter 20
devant l'Éternel, et dit : Moi, je le séduirai. L'Éternel lui dit : Comment ? Je sortirai, répondit -il, et je 21
serai un esprit de mensonge dans la bouche de tous ses prophètes. L'Éternel dit : Tu le séduiras, et tu en
viendras à bout ; sors, et fais ainsi. Et maintenant, voici, l'Éternel a mis un esprit de mensonge dans 22
la bouche de tes prophètes qui sont là. Et l'Éternel a prononcé du mal contre toi. Alors Sédécias, fils de 23
Kenaana, s'étant approché, frappa Michée sur la joue, et dit : Par quel chemin l'esprit de l'Éternel est-il

24 sorti de moi pour te parler ? Michée répondit : Tu le verras au jour où tu iras de chambre en chambre
25 pour te cacher. Le roi d'Israël dit : Prenez Michée et emmenez -le vers Amon, chef de la ville, et vers
26 Joas, fils du roi. Vous direz : Ainsi parle le roi : Mettez cet homme en prison, et nourrissez -le du pain
27 et de l'eau d'affliction, jusqu'à ce que je revienne en paix. Et Michée dit : Si tu reviens en paix, l'Éternel
28 n'a point parlé par moi. Il dit encore : Vous tous, peuples, entendez ! Le roi d'Israël et Josaphat, roi de
29 Juda, montèrent à Ramoth en Galaad. Le roi d'Israël dit à Josaphat : Je veux me déguiser pour aller
au combat ; mais toi, revêts -toi de tes habits. Et le roi d'Israël se déguisa, et ils allèrent au combat.
30 Le roi de Syrie avait donné cet ordre aux chefs de ses chars : Vous n'attaquerez ni petit ni grand, mais
31 vous attaquerez seulement le roi d'Israël. Quand les chefs des chars aperçurent Josaphat, ils dirent :
C'est le roi d'Israël. Et ils l'entourèrent pour l'attaquer. Josaphat poussa un cri, et l'Éternel le secourut,
32 et Dieu les écarta de lui. Les chefs des chars, voyant que ce n'était pas le roi d'Israël, s'éloignèrent de
33 lui. Alors un homme tira de son arc au hasard, et frappa le roi d'Israël au défaut de la cuirasse. Le roi
34 dit à celui qui dirigeait son char : Tourne, et fais-moi sortir du champ de bataille, car je suis blessé. Le
combat devint acharné ce jour -là. Le roi d'Israël fut retenu dans son char, en face des Syriens, jusqu'au
soir, et il mourut vers le coucher du soleil.

19, 2 Josaphat, roi de Juda, revint en paix dans sa maison à Jérusalem. Jéhu, fils de Hanani, le pro-
phète, alla au-devant de lui. Et il dit au roi Josaphat : Doit-on secourir le méchant, et aimes -tu ceux
3 qui haïssent l'Éternel ? À cause de cela, l'Éternel est irrité contre toi. Mais il s'est trouvé de bonnes
choses en toi, car tu as fait disparaître du pays les idoles, et tu as appliqué ton coeur à chercher Dieu.
4 Josaphat resta à Jérusalem. Puis il fit encore une tournée parmi le peuple, depuis Beer-Schéba jusqu'à
5 la montagne d'Éphraïm, et il les ramena à l'Éternel, le Dieu de leurs pères. Il établit des juges dans
6 toutes les villes fortes du pays de Juda, dans chaque ville. Et il dit aux juges : Prenez garde à ce que
vous ferez, car ce n'est pas pour les hommes que vous prononcerez des jugements ; c'est pour l'Éternel,
7 qui sera près de vous quand vous les prononcerez. Maintenant, que la crainte de l'Éternel soit sur
vous ; veillez sur vos actes, car il n'y a chez l'Éternel, notre Dieu, ni iniquité, ni égards pour l'apparence
8 des personnes, ni acceptation de présents. Quand on fut de retour à Jérusalem, Josaphat y établit
aussi, pour les jugements de l'Éternel et pour les contestations, des Lévites, des sacrificateurs et des
9 chefs de maisons paternelles d'Israël. Et voici les ordres qu'il leur donna : Vous agirez de la manière
10 suivante dans la crainte de l'Éternel, avec fidélité et avec intégrité de coeur. Dans toute contestation
qui vous sera soumise par vos frères, établis dans leurs villes, relativement à un meurtre, à une loi, à
un commandement, à des préceptes et à des ordonnances, vous les éclairerez, afin qu'ils ne se rendent
pas coupables envers l'Éternel, et que sa colère n'éclate pas sur vous et sur vos frères. C'est ainsi que
11 vous agirez, et vous ne serez point coupables. Et voici, vous avez à votre tête Amaria, le souverain
sacrificateur, pour toutes les affaires de l'Éternel, et Zebadia, fils d'Ismaël, chef de la maison de Juda,
pour toutes les affaires du roi, et vous avez devant vous des Lévites comme magistrats. Fortifiez -vous
et agissez, et que l'Éternel soit avec celui qui fera le bien !

20 Après cela, les fils de Moab et les fils d'Ammon, et avec eux des Maonites, marchèrent contre Jo-
2 saphat pour lui faire la guerre. On vint en informer Josaphat, en disant : Une multitude nombreuse
s'avance contre toi depuis l'autre côté de la mer, depuis la Syrie, et ils sont à Hatsatson-Thamar, qui est
3 En-Guédi. Dans sa frayeur, Josaphat se disposa à chercher l'Éternel, et il publia un jeûne pour tout
4 Juda. Juda s'assembla pour invoquer l'Éternel, et l'on vint de toutes les villes de Juda pour chercher
5 l'Éternel. Josaphat se présenta au milieu de l'assemblée de Juda et de Jérusalem, dans la maison de
6 l'Éternel, devant le nouveau parvis. Et il dit : Éternel, Dieu de nos pères, n'es-tu pas Dieu dans les
cieux, et n'est-ce pas toi qui domines sur tous les royaumes des nations ? N'est-ce pas toi qui as en main
7 la force et la puissance, et à qui nul ne peut résister ? N'est-ce pas toi, ô notre Dieu, qui as chassé les
habitants de ce pays devant ton peuple d'Israël, et qui l'as donné pour toujours à la postérité d'Abraham
8, 9 qui t'aimait ? Ils l'ont habité, et ils t'y ont bâti un sanctuaire pour ton nom, en disant : S'il nous sur-
vient quelque calamité, l'épée, le jugement, la peste ou la famine, nous nous présenterons devant cette
maison et devant toi, car ton nom est dans cette maison, nous crierons à toi du sein de notre détresse,
10 et tu exauceras et tu sauveras ! Maintenant voici, les fils d'Ammon et de Moab et ceux de la montagne
de Séir, chez lesquels tu n'as pas permis à Israël d'entrer quand il venait du pays d'Égypte, -car il s'est
11 détourné d'eux et ne les a pas détruits, - les voici qui nous récompensent en venant nous chasser de
12 ton héritage, dont tu nous as mis en possession. O notre Dieu, n'exerceras-tu pas tes jugements sur
eux ? Car nous sommes sans force devant cette multitude nombreuse qui s'avance contre nous, et nous
13 ne savons que faire, mais nos yeux sont sur toi. Tout Juda se tenait debout devant l'Éternel, avec leurs
14 petits enfants, leurs femmes et leurs fils. Alors l'esprit de l'Éternel saisit au milieu de l'assemblée Ja-

chaziel, fils de Zacharie, fils de Benaja, fils de Jeïel, fils de Matthania, Lévite, d'entre les fils d'Asaph.
Et Jachaziel dit : Soyez attentifs, tout Juda et habitants de Jérusalem, et toi, roi Josaphat ! Ainsi vous 15
parle l'Éternel : Ne craignez point et ne vous effrayez point devant cette multitude nombreuse, car ce
ne sera pas vous qui combattrez, ce sera Dieu. Demain, descendez contre eux ; ils vont monter par 16
la colline de Tsits, et vous les trouverez à l'extrémité de la vallée, en face du désert de Jeruel. Vous 17
n'aurez point à combattre en cette affaire : présentez -vous, tenez -vous là, et vous verrez la délivrance
que l'Éternel vous accordera. Juda et Jérusalem, ne craignez point et ne vous effrayez point, demain,
sortez à leur rencontre, et l'Éternel sera avec vous ! Josaphat s'inclina le visage contre terre, et tout 18
Juda et les habitants de Jérusalem tombèrent devant l'Éternel pour se prosterner en sa présence. Les 19
Lévites d'entre les fils des Kehathites et d'entre les fils des Koréites se levèrent pour célébrer d'une voix
forte et haute l'Éternel, le Dieu d'Israël. Le lendemain, ils se mirent en marche de grand matin pour 20
le désert de Tekoa. À leur départ, Josaphat se présenta et dit : Écoutez -moi, Juda et habitants de Jéru-
salem ! Confiez -vous en l'Éternel, votre Dieu, et vous serez affermis ; confiez -vous en ses prophètes, et
vous réussirez. Puis, d'accord avec le peuple, il nomma des chantres qui, revêtus d'ornements sacrés, 21
et marchant devant l'armée, célébraient l'Éternel et disaient : Louez l'Éternel, car sa miséricorde dure
à toujours ! Au moment où l'on commençait les chants et les louanges, l'Éternel plaça une embuscade 22
contre les fils d'Ammon et de Moab et ceux de la montagne de Séir, qui étaient venus contre Juda. Et
ils furent battus. Les fils d'Ammon et de Moab se jetèrent sur les habitants de la montagne de Séir 23
pour les dévouer par interdit et les exterminer ; et quand ils en eurent fini avec les habitants de Séir,
ils s'aidèrent les uns les autres à se détruire. Lorsque Juda fut arrivé sur la hauteur d'où l'on aperçoit 24
le désert, ils regardèrent du côté de la multitude, et voici, c'étaient des cadavres étendus à terre, et per-
sonne n'avait échappé. Josaphat et son peuple allèrent prendre leurs dépouilles ; ils trouvèrent parmi 25
les cadavres d'abondantes richesses et des objets précieux, et ils en enlevèrent tant qu'ils ne purent
tout emporter. Ils mirent trois jours au pillage du butin, car il était considérable. Le quatrième jour, ils 26
s'assemblèrent dans la vallée de Beraca, où ils bénirent l'Éternel ; c'est pourquoi ils appelèrent ce lieu
vallée de Beraca, nom qui lui est resté jusqu'à ce jour. Tous les hommes de Juda et de Jérusalem, ayant 27
à leur tête Josaphat, partirent joyeux pour retourner à Jérusalem, car l'Éternel les avait remplis de joie
en les délivrant de leurs ennemis. Ils entrèrent à Jérusalem et dans la maison de l'Éternel, au son des 28
luths, des harpes et des trompettes. La terreur de l'Éternel s'empara de tous les royaumes des autres 29
pays, lorsqu'ils apprirent que l'Éternel avait combattu contre les ennemis d'Israël. Et le royaume de 30
Josaphat fut tranquille, et son Dieu lui donna du repos de tous côtés. Josaphat régna sur Juda. Il avait 31
trente -cinq ans lorsqu'il devint roi, et il régna vingt -cinq ans à Jérusalem. Sa mère s'appelait Azuba,
fille de Schilchi. Il marcha dans la voie de son père Asa, et ne s'en détourna point, faisant ce qui est 32
droit aux yeux de l'Éternel. Seulement, les hauts lieux ne disparurent point, et le peuple n'avait point 33
encore le coeur fermement attaché au Dieu de ses pères. Le reste des actions de Josaphat, les pre- 34
mières et les dernières, cela est écrit dans les mémoires de Jéhu, fils de Hanani, lesquels sont insérés
dans le livre des rois d'Israël. Après cela, Josaphat, roi de Juda, s'associa avec le roi d'Israël, Achazia, 35
dont la conduite était impie. Il s'associa avec lui pour construire des navires destinés à aller à Tarsis, 36
et ils firent les navires à Etsjon-Guéber. Alors Éliézer, fils de Dodava, de Maréscha, prophétisa contre 37
Josaphat, et dit : Parce que tu t'es associé avec Achazia, l'Éternel détruit ton oeuvre. Et les navires
furent brisés, et ne purent aller à Tarsis.

Josaphat se coucha avec ses pères, et il fut enterré avec ses pères dans la ville de David. Et Joram, **21**
son fils, régna à sa place. Joram avait des frères, fils de Josaphat : Azaria, Jehiel, Zacharie, Azaria, 2
Micaël et Schephathia, tous fils de Josaphat, roi d'Israël. Leur père leur avait donné des présents 3
considérables en argent, en or, et en objets précieux, avec des villes fortes en Juda ; mais il laissa le
royaume à Joram, parce qu'il était le premier-né. Lorsque Joram eut pris possession du royaume de 4
son père et qu'il se fut fortifié, il fit mourir par l'épée tous ses frères et quelques-uns aussi des chefs
d'Israël. Joram avait trente -deux ans lorsqu'il devint roi, et il régna huit ans à Jérusalem. Il marcha 5, 6
dans la voie des rois d'Israël, comme avait fait la maison d'Achab, car il avait pour femme une fille
d'Achab, et il fit ce qui est mal aux yeux de l'Éternel. Mais l'Éternel ne voulut point détruire la maison 7
de David, à cause de l'alliance qu'il avait traitée avec David et de la promesse qu'il avait faite de lui
donner toujours une lampe, à lui et à ses fils. De son temps, Édom se révolta contre l'autorité de Juda, et 8
se donna un roi. Joram partit avec ses chefs et tous ses chars ; s'étant levé de nuit, il battit les Édomites 9
qui l'entouraient et les chefs des chars. La rébellion d'Édom contre l'autorité de Juda a duré jusqu'à ce 10
jour. Libna se révolta dans le même temps contre son autorité, parce qu'il avait abandonné l'Éternel, le
Dieu de ses pères. Joram fit même des hauts lieux dans les montagnes de Juda ; il poussa les habitants 11

12 de Jérusalem à la prostitution, et il séduisit Juda. Il lui vint un écrit du prophète Élie, disant : Ainsi
parle l'Éternel, le Dieu de David, ton père : Parce que tu n'as pas marché dans les voies de Josaphat,
13 ton père, et dans les voies d'Asa, roi de Juda, mais que tu as marché dans la voie des rois d'Israël ;
parce que tu as entraîné à la prostitution Juda et les habitants de Jérusalem, comme l'a fait la maison
d'Achab à l'égard d'Israël ; et parce que tu as fait mourir tes frères, meilleurs que toi, la maison même
14 de ton père ; - voici, l'Éternel frappera ton peuple d'une grande plaie, tes fils, tes femmes, et tout ce qui
15 t'appartient ; et toi, il te frappera d'une maladie violente, d'une maladie d'entrailles, qui augmentera
16 de jour en jour jusqu'à ce que tes entrailles sortent par la force du mal. Et l'Éternel excita contre
17 Joram l'esprit des Philistins et des Arabes qui sont dans le voisinage des Éthiopiens. Ils montèrent
contre Juda, y firent une invasion, pillèrent toutes les richesses qui se trouvaient dans la maison du roi,
et emmenèrent ses fils et ses femmes, de sorte qu'il ne lui resta d'autre fils que Joachaz, le plus jeune
18, 19 de ses fils. Après tout cela, l'Éternel le frappa d'une maladie d'entrailles qui était sans remède ; elle
augmenta de jour en jour, et sur la fin de la seconde année les entrailles de Joram sortirent par la force
de son mal. Il mourut dans de violentes souffrances ; et son peuple ne brûla point de parfums en son
20 honneur, comme il l'avait fait pour ses pères. Il avait trente -deux ans lorsqu'il devint roi, et il régna
huit ans à Jérusalem. Il s'en alla sans être regretté, et on l'enterra dans la ville de David, mais non
dans les sépulcres des rois.

22 Les habitants de Jérusalem firent régner à sa place Achazia, son plus jeune fils ; car la troupe venue
au camp avec les Arabes avait tué tous les plus âgés. Ainsi régna Achazia, fils de Joram, roi de Juda.
2 Achazia avait quarante -deux ans lorsqu'il devint roi, et il régna un an à Jérusalem. Sa mère s'appelait
3 Athalie, fille d'Omri. Il marcha dans les voies de la maison d'Achab, car sa mère lui donnait des conseils
4 impies. Il fit ce qui est mal aux yeux de l'Éternel, comme la maison d'Achab, où il eut après la mort
5 de son père des conseillers pour sa perte. Entraîné par leur conseil, il alla avec Joram, fils d'Achab, roi
d'Israël, à la guerre contre Hazaël, roi de Syrie, à Ramoth en Galaad. Et les Syriens blessèrent Joram.
6 Joram s'en retourna pour se faire guérir à Jizreel des blessures que les Syriens lui avaient faites à
Rama, lorsqu'il se battait contre Hazaël, roi de Syrie. Azaria, fils de Joram, roi de Juda, descendit pour
7 voir Joram, fils d'Achab, à Jizreel, parce qu'il était malade. Par la volonté de Dieu, ce fut pour sa ruine
qu'Achazia se rendit auprès de Joram. Lorsqu'il fut arrivé, il sortit avec Joram pour aller au-devant
8 de Jéhu, fils de Nimschi, que l'Éternel avait oint pour exterminer la maison d'Achab. Et comme Jéhu
faisait justice de la maison d'Achab, il trouva les chefs de Juda et les fils des frères d'Achazia, qui étaient
9 au service d'Achazia, et il les tua. Il chercha Achazia, et on le saisit dans Samarie, où il s'était caché.
On l'amena auprès de Jéhu, et on le fit mourir. Puis ils l'enterrèrent, car ils disaient : C'est le fils de
Josaphat, qui cherchait l'Éternel de tout son coeur. Et il ne resta personne de la maison d'Achazia qui
10 fût en état de régner. Athalie, mère d'Achazia, voyant que son fils était mort, se leva et fit périr toute
11 la race royale de la maison de Juda. Mais Joschabeath, fille du roi, prit Joas, fils d'Achazia, et l'enleva
du milieu des fils du roi, quand on les fit mourir : elle le mit avec sa nourrice dans la chambre des lits.
Ainsi Joschabeath, fille du roi Joram, femme du sacrificateur Jehojada, et soeur d'Achazia, le déroba
12 aux regards d'Athalie, qui ne le fit point mourir. Il resta six ans caché avec eux dans la maison de Dieu.
Et c'était Athalie qui régnait dans le pays.

23 La septième année, Jehojada s'anima de courage, et traita alliance avec les chefs de centaines, Aza-
ria, fils de Jerocham, Ismaël, fils de Jochanan, Azaria, fils d'Obed, Maaséja, fils d'Adaja, et Élischa-
2 phath, fils de Zicri. Ils parcoururent Juda, et ils rassemblèrent les Lévites de toutes les villes de Juda
3 et les chefs de famille d'Israël ; et ils vinrent à Jérusalem. Toute l'assemblée traita alliance avec le roi
dans la maison de Dieu. Et Jehojada leur dit : Voici, le fils du roi régnera, comme l'Éternel l'a déclaré
4 à l'égard des fils de David. Voici ce que vous ferez. Le tiers qui parmi vous entre en service le jour du
5 sabbat, sacrificateurs et Lévites, fera la garde des seuils, un autre tiers se tiendra dans la maison du
6 roi, et un tiers à la porte de Jesod. Tout le peuple sera dans les parvis de la maison de l'Éternel. Que
personne n'entre dans la maison de l'Éternel, excepté les sacrificateurs et les Lévites de service : ils en-
7 treront, car ils sont saints. Et tout le peuple fera la garde de l'Éternel. Les Lévites entoureront le roi de
toutes parts, chacun les armes à la main, et l'on donnera la mort à quiconque entrera dans la maison :
8 vous serez près du roi quand il entrera et quand il sortira. Les Lévites et tout Juda exécutèrent tous
les ordres qu'avait donnés le sacrificateur Jehojada. Ils prirent chacun leurs gens, ceux qui entraient en
service et ceux qui sortaient de service le jour du sabbat ; car le sacrificateur Jehojada n'avait exempté
9 aucune des divisions. Le sacrificateur Jehojada remit aux chefs de centaines les lances et les boucliers,
10 grands et petits, qui provenaient du roi David, et qui se trouvaient dans la maison de Dieu. Il fit en-
tourer le roi en plaçant tout le peuple, chacun les armes à la main, depuis le côté droit jusqu'au côté
11 gauche de la maison, près de l'autel et près de la maison. On fit avancer le fils du roi, on mit sur lui

le diadème et le témoignage, et on l'établit roi. Et Jehojada et ses fils l'oignirent, et ils dirent : Vive le
roi ! Athalie entendit le bruit du peuple accourant et célébrant le roi, et elle vint vers le peuple à la 12
maison de l'Éternel. Elle regarda. Et voici, le roi se tenait sur son estrade à l'entrée ; les chefs et les 13
trompettes étaient près du roi ; tout le peuple du pays était dans la joie, et l'on sonnait des trompettes,
et les chantres avec les instruments de musique dirigeaient les chants de louanges. Athalie déchira ses
vêtements, et dit : Conspiration ! conspiration ! Alors le sacrificateur Jehojada, faisant approcher les 14
chefs de centaines qui étaient à la tête de l'armée, leur dit : Faites-la sortir en dehors des rangs, et que
l'on tue par l'épée quiconque la suivra. Car le sacrificateur avait dit : Ne la mettez pas à mort dans la
maison de l'Éternel. On lui fit place, et elle se rendit à la maison du roi par l'entrée de la porte des che- 15
vaux : c'est là qu'ils lui donnèrent la mort. Jehojada traita entre lui, tout le peuple et le roi, une alliance 16
par laquelle ils devaient être le peuple de l'Éternel. Tout le peuple entra dans la maison de Baal, et 17
ils la démolirent ; ils brisèrent ses autels et ses images, et ils tuèrent devant les autels Matthan, prêtre
de Baal. Jehojada remit les fonctions de la maison de l'Éternel entre les mains des sacrificateurs, des 18
Lévites, que David avait distribués dans la maison de l'Éternel pour qu'ils offrissent des holocaustes
à l'Éternel, comme il est écrit dans la loi de Moïse, au milieu des réjouissances et des chants, d'après
les ordonnances de David. Il plaça les portiers aux portes de la maison de l'Éternel, afin qu'il n'entrât 19
aucune personne souillée de quelque manière que ce fût. Il prit les chefs de centaines, les hommes 20
considérés, ceux qui avaient autorité parmi le peuple, et tout le peuple du pays, et il fit descendre le
roi de la maison de l'Éternel. Ils entrèrent dans la maison du roi par la porte supérieure, et ils firent
asseoir le roi sur le trône royal. Tout le peuple du pays se réjouissait, et la ville était tranquille. On 21
avait fait mourir Athalie par l'épée.

Joas avait sept ans lorsqu'il devint roi, et il régna quarante ans à Jérusalem. Sa mère s'appelait **24**
Tsibja, de Beer-Schéba. Joas fit ce qui est droit aux yeux de l'Éternel pendant toute la vie du sacrifi- 2
cateur Jehojada. Jehojada prit pour Joas deux femmes, et Joas engendra des fils et des filles. Après 3, 4
cela, Joas eut la pensée de réparer la maison de l'Éternel. Il assembla les sacrificateurs et les Lévites, 5
et leur dit : Allez par les villes de Juda, et vous recueillerez dans tout Israël de l'argent, chaque année,
pour réparer la maison de votre Dieu ; et mettez à cette affaire de l'empressement. Mais les Lévites ne
se hâtèrent point. Le roi appela Jehojada, le souverain sacrificateur, et lui dit : Pourquoi n'as-tu pas 6
veillé à ce que les Lévites apportassent de Juda et de Jérusalem l'impôt ordonné par Moïse, serviteur
de l'Éternel, et mis sur l'assemblée d'Israël pour la tente du témoignage ? Car l'impie Athalie et ses fils 7
ont ravagé la maison de Dieu et fait servir pour les Baals toutes les choses consacrées à la maison de
l'Éternel. Alors le roi ordonna qu'on fît un coffre, et qu'on le plaçât à la porte de la maison de l'Éter- 8
nel, en dehors. Et l'on publia dans Juda et dans Jérusalem qu'on apportât à l'Éternel l'impôt mis par 9
Moïse, serviteur de l'Éternel, sur Israël dans le désert. Tous les chefs et tout le peuple s'en réjouirent, 10
et l'on apporta et jeta dans le coffre tout ce qu'on avait à payer. Quand c'était le moment où les Lévites, 11
voyant qu'il y avait beaucoup d'argent dans le coffre, devaient le livrer aux inspecteurs royaux, le se-
crétaire du roi et le commissaire du souverain sacrificateur venaient vider le coffre ; ils le prenaient et
le remettaient à sa place ; ils faisaient ainsi journellement, et ils recueillirent de l'argent en abondance.
Le roi et Jehojada le donnaient à ceux qui étaient chargés de faire exécuter l'ouvrage dans la maison 12
de l'Éternel, et qui prenaient à gage des tailleurs de pierres et des charpentiers pour réparer la maison
de l'Éternel, et aussi des ouvriers en fer ou en airain pour réparer la maison de l'Éternel. Ceux qui 13
étaient chargés de l'ouvrage travaillèrent, et les réparations s'exécutèrent par leurs soins ; ils remirent
en état la maison de Dieu et la consolidèrent. Lorsqu'ils eurent achevé, ils apportèrent devant le roi 14
et devant Jehojada le reste de l'argent ; et l'on en fit des ustensiles pour la maison de l'Éternel, des
ustensiles pour le service et pour les holocaustes, des coupes, et d'autres ustensiles d'or et d'argent. Et,
pendant toute la vie de Jehojada, on offrit continuellement des holocaustes dans la maison de l'Éternel.
Jehojada mourut, âgé et rassasié de jours ; il avait à sa mort cent trente ans. On l'enterra dans la 15, 16
ville de David avec les rois, parce qu'il avait fait du bien en Israël, et à l'égard de Dieu et à l'égard de
sa maison. Après la mort de Jehojada, les chefs de Juda vinrent se prosterner devant le roi. Alors le 17
roi les écouta. Et ils abandonnèrent la maison de l'Éternel, le Dieu de leurs pères, et ils servirent les 18
Astartés et les idoles. La colère de l'Éternel fut sur Juda et sur Jérusalem, parce qu'ils s'étaient ainsi
rendus coupables. L'Éternel envoya parmi eux des prophètes pour les ramener à lui, mais ils n'écou- 19
tèrent point les avertissements qu'ils en reçurent. Zacharie, fils du sacrificateur Jehojada, fut revêtu 20
de l'esprit de Dieu ; il se présenta devant le peuple et lui dit : Ainsi parle Dieu : Pourquoi transgressez
-vous les commandements de l'Éternel ? Vous ne prospérerez point ; car vous avez abandonné l'Éternel,
et il vous abandonnera. Et ils conspirèrent contre lui, et le lapidèrent par ordre du roi, dans le par- 21

22 vis de la maison de l'Éternel. Le roi Joas ne se souvint pas de la bienveillance qu'avait eue pour lui
Jehojada, père de Zacharie, et il fit périr son fils. Zacharie dit en mourant : Que l'Éternel voie, et qu'il
23 fasse justice ! Quand l'année fut révolue, l'armée des Syriens monta contre Joas, et vint en Juda et
à Jérusalem. Ils tuèrent parmi le peuple tous les chefs du peuple, et ils envoyèrent au roi de Damas
24 tout leur butin. L'armée des Syriens arriva avec un petit nombre d'hommes ; et cependant l'Éternel
livra entre leurs mains une armée très considérable, parce qu'ils avaient abandonné l'Éternel, le Dieu
25 de leurs pères. Et les Syriens firent justice de Joas. Lorsqu'ils se furent éloignés de lui, après l'avoir
laissé dans de grandes souffrances, ses serviteurs conspirèrent contre lui à cause du sang des fils du
sacrificateur Jehojada ; ils le tuèrent sur son lit, et il mourut. On l'enterra dans la ville de David, mais
26 on ne l'enterra pas dans les sépulcres des rois. Voici ceux qui conspirèrent contre lui : Zabad, fils de
27 Schimeath, femme Ammonite, et Jozabad, fils de Schimrith, femme Moabite. Pour ce qui concerne ses
fils, le grand nombre de prophéties dont il fut l'objet, et les réparations faites à la maison de Dieu, cela
est écrit dans les mémoires sur le livre des rois. Amatsia, son fils, régna à sa place.

25 Amatsia devint roi à l'âge de vingt -cinq ans, et il régna vingt -neuf ans à Jérusalem. Sa mère
2 s'appelait Joaddan, de Jérusalem. Il fit ce qui est droit aux yeux de l'Éternel, mais avec un coeur
3 qui n'était pas entièrement dévoué. Lorsque la royauté fut affermie entre ses mains, il fit périr ses
4 serviteurs qui avaient tué le roi son père. Mais il ne fit pas mourir leurs fils, car il agit selon ce qui
est écrit dans la loi, dans le livre de Moïse, où l'Éternel donne ce commandement : On ne fera point
mourir les pères pour les enfants, et l'on ne fera point mourir les enfants pour les pères ; mais on
5 fera mourir chacun pour son péché. Amatsia rassembla les hommes de Juda et les plaça d'après les
maisons paternelles, les chefs de milliers et les chefs de centaines, pour tout Juda et Benjamin ; il en
fit le dénombrement depuis l'âge de vingt ans et au-dessus, et il trouva trois cent mille hommes d'élite,
6 en état de porter les armes, maniant la lance et le bouclier. Il prit encore à sa solde dans Israël cent
7 mille vaillants hommes pour cent talents d'argent. Un homme de Dieu vint auprès de lui, et dit : O
roi, qu'une armée d'Israël ne marche point avec toi, car l'Éternel n'est pas avec Israël, avec tous ces fils
8 d'Éphraïm. Si tu vas avec eux, quand même tu ferais au combat des actes de vaillance, Dieu te fera
9 tomber devant l'ennemi, car Dieu a le pouvoir d'aider et de faire tomber. Amatsia dit à l'homme de
Dieu : Et comment agir à l'égard des cent talents que j'ai donnés à la troupe d'Israël ? L'homme de Dieu
10 répondit : L'Éternel peut te donner bien plus que cela. Alors Amatsia sépara la troupe qui lui était
venue d'Éphraïm, afin que ces gens retournassent chez eux. Mais ils furent très irrités contre Juda, et
11 ils s'en allèrent chez eux avec une ardente colère. Amatsia prit courage, et conduisit son peuple. Il alla
12 dans la vallée du sel, et il battit dix mille hommes des fils de Séir. Et les fils de Juda en saisirent dix
mille vivants, qu'ils menèrent au sommet d'un rocher, d'où ils les précipitèrent ; et tous furent écrasés.
13 Cependant, les gens de la troupe qu'Amatsia avait renvoyés pour qu'ils n'allassent pas à la guerre avec
lui firent une invasion dans les villes de Juda depuis Samarie jusqu'à Beth-Horon, y tuèrent trois mille
14 personnes, et enlevèrent de nombreuses dépouilles. Lorsqu 'Amatsia fut de retour après la défaite des
Édomites, il fit venir les dieux des fils de Séir, et se les établit pour dieux ; il se prosterna devant eux, et
15 leur offrit des parfums. Alors la colère de l'Éternel s'enflamma contre Amatsia, et il envoya vers lui un
prophète, qui lui dit : Pourquoi as-tu recherché les dieux de ce peuple, quand ils n'ont pu délivrer leur
16 peuple de ta main ? Comme il parlait, Amatsia lui dit : Est-ce que nous t'avons fait conseiller du roi ?
Retire -toi ! Pourquoi veux-tu qu'on te frappe ? Le prophète se retira, en disant : Je sais que Dieu a résolu
17 de te détruire, parce que tu as fait cela et que tu n'as pas écouté mon conseil. Après s'être consulté,
Amatsia, roi de Juda, envoya dire à Joas, fils de Joachaz, fils de Jéhu, roi d'Israël : Viens, voyons -nous
18 en face ! Et Joas, roi d'Israël, fit dire à Amatsia, roi de Juda : L'épine du Liban envoya dire au cèdre
du Liban : Donne ta fille pour femme à mon fils ! Et les bêtes sauvages qui sont au Liban passèrent
19 et foulèrent l'épine. Tu as battu les Édomites, penses -tu, et ton coeur s'élève pour te glorifier. Reste
maintenant chez toi. Pourquoi t'engager dans une malheureuse entreprise, qui amènerait ta ruine et
20 celle de Juda ? Mais Amatsia ne l'écouta pas, car Dieu avait résolu de les livrer entre les mains de
21 l'ennemi, parce qu'ils avaient recherché les dieux d'Édom. Et Joas, roi d'Israël, monta ; et ils se virent
22 en face, lui et Amatsia, roi de Juda, à Beth-Schémesch, qui est à Juda. Juda fut battu par Israël, et
23 chacun s'enfuit dans sa tente. Joas, roi d'Israël, prit à Beth-Schémesch Amatsia, roi de Juda, fils de
Joas, fils de Joachaz. Il l'emmena à Jérusalem, et il fit une brèche de quatre cents coudées dans la
24 muraille de Jérusalem, depuis la porte d'Éphraïm jusqu'à la porte de l'angle. Il prit tout l'or et l'argent
et tous les vases qui se trouvaient dans la maison de Dieu, chez Obed-Édom, et les trésors de la maison
25 du roi ; il prit aussi des otages, et il retourna à Samarie. Amatsia, fils de Joas, roi de Juda, vécut quinze
26 ans après la mort de Joas, fils de Joachaz, roi d'Israël. Le reste des actions d'Amatsia, les premières et
27 les dernières, cela n'est-il pas écrit dans le livre des rois de Juda et d'Israël ? Depuis qu'Amatsia se fut

détourné de l'Éternel, il se forma contre lui une conspiration à Jérusalem, et il s'enfuit à Lakis ; mais
on le poursuivit à Lakis, où on le fit mourir. On le transporta sur des chevaux, et on l'enterra avec ses 28
pères dans la ville de Juda.

Tout le peuple de Juda prit Ozias, âgé de seize ans, et l'établit roi à la place de son père Amatsia. **26**
Ozias rebâtit Éloth et la fit rentrer sous la puissance de Juda, après que le roi fut couché avec ses pères. 2
Ozias avait seize ans lorsqu'il devint roi, et il régna cinquante -deux ans à Jérusalem. Sa mère s'appe- 3
lait Jecolia, de Jérusalem. Il fit ce qui est droit aux yeux de l'Éternel, entièrement comme avait fait 4
Amatsia, son père. Il s'appliqua à rechercher Dieu pendant la vie de Zacharie, qui avait l'intelligence 5
des visions de Dieu ; et dans le temps où il rechercha l'Éternel, Dieu le fit prospérer. Il se mit en guerre 6
contre les Philistins ; et il abattit les murs de Gath, les murs de Jabné, et les murs d'Asdod, et construi-
sit des villes dans le territoire d'Asdod, et parmi les Philistins. Dieu l'aida contre les Philistins, contre 7
les Arabes qui habitaient à Gur-Baal, et contre les Maonites. Les Ammonites faisaient des présents 8
à Ozias, et sa renommée s'étendit jusqu'aux frontières de l'Égypte, car il devint très puissant. Ozias 9
bâtit des tours à Jérusalem sur la porte de l'angle, sur la porte de la vallée, et sur l'angle, et il les for-
tifia. Il bâtit des tours dans le désert, et il creusa beaucoup de citernes, parce qu'il avait de nombreux 10
troupeaux dans les vallées et dans la plaine, et des laboureurs et des vignerons dans les montagnes et
au Carmel, car il aimait l'agriculture. Ozias avait une armée de soldats qui allaient à la guerre par 11
bandes, comptées d'après le dénombrement qu'en firent le secrétaire Jeïel et le commissaire Maaséja,
et placées sous les ordres de Hanania, l'un des chefs du roi. Le nombre total des chefs de maisons 12
paternelles, des vaillants guerriers, était de deux mille six cents. Ils commandaient à une armée de 13
trois cent sept mille cinq cents soldats capables de soutenir le roi contre l'ennemi. Ozias leur procura 14
pour toute l'armée des boucliers, des lances, des casques, des cuirasses, des arcs et des frondes. Il fit 15
faire à Jérusalem des machines inventées par un ingénieur, et destinées à être placées sur les tours
et sur les angles, pour lancer des flèches et de grosses pierres. Sa renommée s'étendit au loin, car il
fut merveilleusement soutenu jusqu'à ce qu'il devînt puissant. Mais lorsqu'il fut puissant, son coeur 16
s'éleva pour le perdre. Il pécha contre l'Éternel, son Dieu : il entra dans le temple de l'Éternel pour
brûler des parfums sur l'autel des parfums. Le sacrificateur Azaria entra après lui, avec quatre-vingts 17
sacrificateurs de l'Éternel, hommes courageux, qui s'opposèrent au roi Ozias et lui dirent : Tu n'as pas 18
le droit, Ozias, d'offrir des parfums à l'Éternel ! Ce droit appartient aux sacrificateurs, fils d'Aaron, qui
ont été consacrés pour les offrir. Sors du sanctuaire, car tu commets un péché ! Et cela ne tournera pas
à ton honneur devant l'Éternel Dieu. La colère s'empara d'Ozias, qui tenait un encensoir à la main. Et 19
comme il s'irritait contre les sacrificateurs, la lèpre éclata sur son front, en présence des sacrificateurs,
dans la maison de l'Éternel, près de l'autel des parfums. Le souverain sacrificateur Azaria et tous les 20
sacrificateurs portèrent les regards sur lui, et voici, il avait la lèpre au front. Ils le mirent précipitam-
ment dehors, et lui-même se hâta de sortir, parce que l'Éternel l'avait frappé. Le roi Ozias fut lépreux 21
jusqu'au jour de sa mort, et il demeura dans une maison écartée comme lépreux, car il fut exclu de
la maison de l'Éternel. Et Jotham, son fils, était à la tête de la maison du roi et jugeait le peuple du
pays. Le reste des actions d'Ozias, les premières et les dernières, a été écrit par Ésaïe, fils d'Amots, le 22
prophète. Ozias se coucha avec ses pères, et on l'enterra avec ses pères dans le champ de la sépulture 23
des rois, car on disait : Il est lépreux. Et Jotham, son fils, régna à sa place.

Jotham avait vingt -cinq ans lorsqu'il devint roi, et il régna seize ans à Jérusalem. Sa mère s'ap- **27**
pelait Jeruscha, fille de Tsadok. Il fit ce qui est droit aux yeux de l'Éternel, entièrement comme avait 2
fait Ozias, son père. Seulement, il n'entra point dans le temple de l'Éternel. Toutefois, le peuple se
corrompait encore. Jotham bâtit la porte supérieure de la maison de l'Éternel, et il fit beaucoup de 3
constructions sur les murs de la colline. Il bâtit des villes dans la montagne de Juda, et des châteaux 4
et des tours dans les bois. Il fut en guerre avec le roi des fils d'Ammon, et il l'emporta sur eux. Les 5
fils d'Ammon lui donnèrent cette année -là cent talents d'argent, dix mille cors de froment, et dix mille
d'orge ; et ils lui en payèrent autant la seconde année et la troisième. Jotham devint puissant, parce 6
qu'il affermit ses voies devant l'Éternel, son Dieu. Le reste des actions de Jotham, toutes ses guerres, 7
et tout ce qu'il a fait, cela est écrit dans le livre des rois d'Israël et de Juda. Il avait vingt -cinq ans 8
lorsqu'il devint roi, et il régna seize ans à Jérusalem. Jotham se coucha avec ses pères, et on l'enterra 9
dans la ville de David. Et Achaz, son fils, régna à sa place.

Achaz avait vingt ans lorsqu'il devint roi, et il régna seize ans à Jérusalem. Il ne fit point ce qui est **28**
droit aux yeux de l'Éternel, comme avait fait David, son père. Il marcha dans les voies des rois d'Israël ; 2
et même il fit des images en fonte pour les Baals, il brûla des parfums dans la vallée des fils de Hinnom, 3
et il fit passer ses fils par le feu, suivant les abominations des nations que l'Éternel avait chassées

4 devant les enfants d'Israël. Il offrait des sacrifices et des parfums sur les hauts lieux, sur les collines
5 et sous tout arbre vert. L'Éternel, son Dieu, le livra entre les mains du roi de Syrie ; et les Syriens le
battirent et lui firent un grand nombre de prisonniers, qu'ils emmenèrent à Damas. Il fut aussi livré
6 entre les mains du roi d'Israël, qui lui fit éprouver une grande défaite. Pékach, fils de Remalia, tua dans
un seul jour en Juda cent vingt mille hommes, tous vaillants, parce qu'ils avaient abandonné l'Éternel,
7 le Dieu de leurs pères. Zicri, guerrier d'Éphraïm, tua Maaséja, fils du roi, Azrikam, chef de la maison
8 royale, et Elkana, le second après le roi. Les enfants d'Israël firent parmi leurs frères deux cent mille
prisonniers, femmes, fils et filles, et ils leur prirent beaucoup de butin, qu 'ils emmenèrent à Samarie.
9 Il y avait là un prophète de l'Éternel, nommé Oded. Il alla au-devant de l'armée qui revenait à Samarie,
et il leur dit : C'est dans sa colère contre Juda que l'Éternel, le Dieu de vos pères, les a livrés entre vos
10 mains, et vous les avez tués avec une fureur qui est montée jusqu'aux cieux. Et vous pensez maintenant
faire des enfants de Juda et de Jérusalem vos serviteurs et vos servantes ! Mais vous, n'êtes-vous pas
11 coupables envers l'Éternel, votre Dieu ? Écoutez -moi donc, et renvoyez ces captifs que vous avez faits
12 parmi vos frères ; car la colère ardente de l'Éternel est sur vous. Quelques-uns d'entre les chefs des
fils d'Éphraïm, Azaria, fils de Jochanan, Bérékia, fils de Meschillémoth, Ézéchias, fils de Schallum, et
13 Amasa, fils de Hadlaï, s'élevèrent contre ceux qui revenaient de l'armée, et leur dirent : Vous ne ferez
point entrer ici des captifs ; car, pour nous rendre coupables envers l'Éternel, vous voulez ajouter à nos
péchés et à nos fautes. Nous sommes déjà bien coupables, et la colère ardente de l'Éternel est sur Israël.
14, 15 Les soldats abandonnèrent les captifs et le butin devant les chefs et devant toute l'assemblée. Et les
hommes dont les noms viennent d'être mentionnés se levèrent et prirent les captifs ; ils employèrent
le butin à vêtir tous ceux qui étaient nus, ils leur donnèrent des habits et des chaussures, ils les firent
manger et boire, ils les oignirent, ils conduisirent sur des ânes tous ceux qui étaient fatigués, et ils
les menèrent à Jéricho, la ville des palmiers, auprès de leurs frères. Puis ils retournèrent à Samarie.
16, 17 En ce temps -là, le roi Achaz envoya demander du secours aux rois d'Assyrie. Les Édomites vinrent
18 encore, battirent Juda, et emmenèrent des captifs. Les Philistins firent une invasion dans les villes de
la plaine et du midi de Juda ; ils prirent Beth-Schémesch, Ajalon, Guedéroth, Soco et les villes de son
19 ressort, Thimna et les villes de son ressort Guimzo et les villes de son ressort, et ils s'y établirent. Car
l'Éternel humilia Juda, à cause d'Achaz, roi d'Israël, qui avait jeté le désordre dans Juda et commis
20 des péchés contre l'Éternel. Tilgath-Pilnéser, roi d'Assyrie, vint contre lui, le traita en ennemi, et ne le
21 soutint pas. Car Achaz dépouilla la maison de l'Éternel, la maison du roi et celle des chefs, pour faire
22 des présents au roi d'Assyrie ; ce qui ne lui fut d'aucun secours. Pendant qu'il était dans la détresse,
23 il continuait à pécher contre l'Éternel, lui, le roi Achaz. Il sacrifia aux dieux de Damas, qui l'avaient
frappé, et il dit : Puisque les dieux des rois de Syrie leur viennent en aide, je leur sacrifierai pour qu'ils
24 me secourent. Mais ils furent l'occasion de sa chute et de celle de tout Israël. Achaz rassembla les
ustensiles de la maison de Dieu, et il mit en pièces les ustensiles de la maison de Dieu. Il ferma les
25 portes de la maison de l'Éternel, il se fit des autels à tous les coins de Jérusalem, et il établit des hauts
lieux dans chacune des villes de Juda pour offrir des parfums à d'autres dieux. Il irrita ainsi l'Éternel,
26 le Dieu de ses pères. Le reste de ses actions et toutes ses voies, les premières et les dernières, cela est
27 écrit dans le livre des rois de Juda et d'Israël. Achaz se coucha avec ses pères, et on l'enterra dans la
ville de Jérusalem, car on ne le mit point dans les sépulcres des rois d'Israël. Et Ézéchias, son fils, régna
à sa place.

29 Ézéchias devint roi à l'âge de vingt -cinq ans, et il régna vingt -neuf ans à Jérusalem. Sa mère s'ap-
2 pelait Abija, fille de Zacharie. Il fit ce qui est droit aux yeux de l'Éternel, entièrement comme avait fait
3 David, son père. La première année de son règne, au premier mois, il ouvrit les portes de la maison
4 de l'Éternel, et il les répara. Il fit venir les sacrificateurs et les Lévites, qu'il assembla dans la place
5 orientale, et il leur dit : Écoutez -moi, Lévites ! Maintenant sanctifiez -vous, sanctifiez la maison de
6 l'Éternel, le Dieu de vos pères, et mettez ce qui est impur hors du sanctuaire. Car nos pères ont péché,
ils ont fait ce qui est mal aux yeux de l'Éternel, notre Dieu, ils l'ont abandonné, ils ont détourné leurs
7 regards du tabernacle de l'Éternel et lui ont tourné le dos. Ils ont même fermé les portes du portique
et éteint les lampes, et ils n'ont offert au Dieu d'Israël ni parfums ni holocaustes dans le sanctuaire.
8 Aussi la colère de l'Éternel a été sur Juda et sur Jérusalem, et il les a livrés au trouble, à la désolation
9 et à la moquerie, comme vous le voyez de vos yeux. Et voici, à cause de cela nos pères sont tombés
10 par l'épée, et nos fils, nos filles et nos femmes sont en captivité. J'ai donc l'intention de faire alliance
11 avec l'Éternel, le Dieu d'Israël, pour que son ardente colère se détourne de nous. Maintenant, mes fils,
cessez d'être négligents ; car vous avez été choisis par l'Éternel pour vous tenir à son service devant lui,

pour être ses serviteurs, et pour lui offrir des parfums. Et les Lévites se levèrent : Machath, fils d'Amasaï, Joël, fils d'Azaria, des fils des Kehathites ; et des fils des Merarites, Kis, fils d'Abdi, Azaria, fils de Jehalléleel ; et des Guerschonites, Joach, fils de Zimma, Éden, fils de Joach ; et des fils d'Élitsaphan, Schimri et Jeïel ; et des fils d'Asaph, Zacharie et Matthania ; et des fils d'Héman, Jehiel et Schimeï ; et des fils de Jeduthun, Schemaeja et Uzziel. Ils réunirent leurs frères, et, après s'être sanctifiés, ils vinrent pour purifier la maison de l'Éternel, selon l'ordre du roi et d'après les paroles de l'Éternel. Les sacrificateurs entrèrent dans l'intérieur de la maison de l'Éternel pour la purifier ; ils sortirent toutes les impuretés qu'ils trouvèrent dans le temple de l'Éternel et les mirent dans le parvis de la maison de l'Éternel, où les Lévites les reçurent pour les emporter dehors au torrent de Cédron. Ils commencèrent ces purifications le premier jour du premier mois ; le huitième jour du mois, ils entrèrent dans le portique de l'Éternel, et ils mirent huit jours à purifier la maison de l'Éternel ; le seizième jour du premier mois, ils avaient achevé. Ils se rendirent ensuite chez le roi Ézéchias, et dirent : Nous avons purifié toute la maison de l'Éternel, l'autel des holocaustes et tous ses ustensiles, et la table des pains de proposition et tous ses ustensiles. Nous avons remis en état et purifié tous les ustensiles que le roi Achaz avait profanés pendant son règne, lors de ses transgressions : ils sont devant l'autel de l'Éternel. Le roi Ézéchias se leva de bon matin, assembla les chefs de la ville, et monta à la maison de l'Éternel. Ils offrirent sept taureaux, sept béliers, sept agneaux et sept boucs, en sacrifice d'expiation pour le royaume, pour le sanctuaire, et pour Juda. Le roi ordonna aux sacrificateurs, fils d'Aaron, de les offrir sur l'autel de l'Éternel. Les sacrificateurs égorgèrent les boeufs, et reçurent le sang, qu'ils répandirent sur l'autel ; ils égorgèrent les béliers, et répandirent le sang sur l'autel ; ils égorgèrent les agneaux, et répandirent le sang sur l'autel. On amena ensuite les boucs expiatoires devant le roi et devant l'assemblée, qui posèrent leurs mains sur eux. Les sacrificateurs les égorgèrent, et répandirent leur sang au pied de l'autel en expiation pour les péchés de tout Israël ; car c'était pour tout Israël que le roi avait ordonné l'holocauste et le sacrifice d'expiation. Il fit placer les Lévites dans la maison de l'Éternel avec des cymbales, des luths et des harpes, selon l'ordre de David, de Gad le voyant du roi, et de Nathan, le prophète ; car c'était un ordre de l'Éternel, transmis par ses prophètes. Les Lévites prirent place avec les instruments de David, et les sacrificateurs avec les trompettes. Ézéchias ordonna d'offrir l'holocauste sur l'autel ; et au moment où commença l'holocauste, commença aussi le chant de l'Éternel, au son des trompettes et avec accompagnement des instruments de David, roi d'Israël. Toute l'assemblée se prosterna, on chanta le cantique, et l'on sonna des trompettes, le tout jusqu'à ce que l'holocauste fût achevé. Et quand on eut achevé d'offrir l'holocauste, le roi et tous ceux qui étaient avec lui fléchirent le genou et se prosternèrent. Puis le roi Ézéchias et les chefs dirent aux Lévites de célébrer l'Éternel avec les paroles de David et du prophète Asaph ; et ils le célébrèrent avec des transports de joie, et ils s'inclinèrent et se prosternèrent. Ézéchias prit alors la parole, et dit : Maintenant que vous vous êtes consacrés à l'Éternel, approchez -vous, amenez des victimes et offrez en sacrifices d'actions de grâces à la maison de l'Éternel. Et l'assemblée amena des victimes et offrit des sacrifices d'actions de grâces, et tous ceux dont le coeur était bien disposé offrirent des holocaustes. Le nombre des holocaustes offerts par l'assemblée fut de soixante-dix boeufs, cent béliers, et deux cents agneaux ; toutes ces victimes furent immolées en holocauste à l'Éternel. Et l'on consacra encore six cents boeufs et trois mille brebis. Mais les sacrificateurs étaient en petit nombre, et ils ne purent dépouiller tous les holocaustes ; leurs frères, les Lévites, les aidèrent jusqu'à ce que l'ouvrage fût fini, et jusqu'à ce que les autres sacrificateurs se fussent sanctifiés, car les Lévites avaient eu plus à coeur de se sanctifier que les sacrificateurs. Il y avait d'ailleurs beaucoup d'holocaustes, avec les graisses des sacrifices d'actions de grâces, et avec les libations des holocaustes. Ainsi fut rétabli le service de la maison de l'Éternel. Ézéchias et tout le peuple se réjouirent de ce que Dieu avait bien disposé le peuple, car la chose se fit subitement.

30 Ézéchias envoya des messagers dans tout Israël et Juda, et il écrivit aussi des lettres à Éphraïm et à Manassé, pour qu'ils vinssent à la maison de l'Éternel à Jérusalem célébrer la Pâque en l'honneur de l'Éternel, le Dieu d'Israël. Le roi, ses chefs, et toute l'assemblée avaient tenu conseil à Jérusalem, afin que la Pâque fût célébrée au second mois ; car on ne pouvait la faire en son temps, parce que les sacrificateurs ne s'étaient pas sanctifiés en assez grand nombre et que le peuple n'était pas rassemblé à Jérusalem. La chose ayant eu l'approbation du roi et de toute l'assemblée, ils décidèrent de faire une publication dans tout Israël, depuis Beer-Schéba jusqu'à Dan, pour que l'on vînt à Jérusalem célébrer la Pâque en l'honneur de l'Éternel, le Dieu d'Israël. Car elle n'était plus célébrée par la multitude comme il est écrit. Les coureurs allèrent avec les lettres du roi et de ses chefs dans tout Israël et Juda. Et, d'après l'ordre du roi, ils dirent : Enfants d'Israël, revenez à l'Éternel, le Dieu d'Abraham, d'Isaac et d'Israël, afin qu'il revienne à vous, reste échappé de la main des rois d'Assyrie. Ne soyez pas comme

vos pères et comme vos frères, qui ont péché contre l'Éternel, le Dieu de leurs pères, et qu'il a livrés à
8 la désolation, comme vous le voyez. Ne raidissez donc pas votre cou, comme vos pères ; donnez la main
à l'Éternel, venez à son sanctuaire qu'il a sanctifié pour toujours, et servez l'Éternel, votre Dieu, pour
9 que sa colère ardente se détourne de vous. Si vous revenez à l'Éternel, vos frères et vos fils trouveront
miséricorde auprès de ceux qui les ont emmenés captifs, et ils reviendront dans ce pays ; car l'Éternel,
votre Dieu, est compatissant et miséricordieux, et il ne détournera pas sa face de vous, si vous revenez
10 à lui. Les coureurs allèrent ainsi de ville en ville dans le pays d'Éphraïm et de Manassé, et jusqu'à
11 Zabulon. Mais on se riait et l'on se moquait d'eux. Cependant quelques hommes d'Aser, de Manassé et
12 de Zabulon s'humilièrent et vinrent à Jérusalem. Dans Juda aussi la main de Dieu se déploya pour leur
13 donner un même coeur et leur faire exécuter l'ordre du roi et des chefs, selon la parole de l'Éternel. Un
peuple nombreux se réunit à Jérusalem pour célébrer la fête des pains sans levain au second mois : ce
14 fut une immense assemblée. Ils se levèrent, et ils firent disparaître les autels sur lesquels on sacrifiait
dans Jérusalem et tous ceux sur lesquels on offrait des parfums, et ils les jetèrent dans le torrent de
15 Cédron. Ils immolèrent ensuite la Pâque le quatorzième jour du second mois. Les sacrificateurs et
les Lévites, saisis de confusion, s'étaient sanctifiés, et ils offrirent des holocaustes dans la maison de
16 l'Éternel. Ils occupaient leur place ordinaire, conformément à la loi de Moïse, homme de Dieu, et les
17 sacrificateurs répandaient le sang, qu'ils recevaient de la main des Lévites. Comme il y avait dans
l'assemblée beaucoup de gens qui ne s'étaient pas sanctifiés, les Lévites se chargèrent d'immoler les
18 victimes de la Pâque pour tous ceux qui n'étaient pas purs, afin de les consacrer à l'Éternel. Car une
grande partie du peuple, beaucoup de ceux d'Éphraïm, de Manassé, d'Issacar et de Zabulon, ne s'étaient
pas purifiés, et ils mangèrent la Pâque sans se conformer à ce qui est écrit. Mais Ézéchias pria pour eux,
19 en disant : Veuille l'Éternel, qui est bon, pardonner à tous ceux qui ont appliqué leur coeur à chercher
20 Dieu, l'Éternel, le Dieu de leurs pères, quoiqu'ils n'aient pas pratiqué la sainte purification ! L'Éternel
21 exauça Ézéchias, et il pardonna au peuple. Ainsi les enfants d'Israël qui se trouvèrent à Jérusalem
célébrèrent la fête des pains sans levain, pendant sept jours, avec une grande joie ; et chaque jour les
Lévites et les sacrificateurs louaient l'Éternel avec les instruments qui retentissaient en son honneur.
22 Ézéchias parla au coeur de tous les Lévites, qui montraient une grande intelligence pour le service
de l'Éternel. Ils mangèrent les victimes pendant sept jours, offrant des sacrifices d'actions de grâces,
23 et louant l'Éternel, le Dieu de leurs pères. Toute l'assemblée fut d'avis de célébrer sept autres jours.
24 Et ils célébrèrent joyeusement ces sept jours ; car Ézéchias, roi de Juda, avait donné à l'assemblée
mille taureaux et sept mille brebis, et les chefs lui donnèrent mille taureaux et dix mille brebis, et des
25 sacrificateurs en grand nombre s'étaient sanctifiés. Toute l'assemblée de Juda, et les sacrificateurs et
les Lévites, et tout le peuple venu d'Israël, et les étrangers venus du pays d'Israël ou établis en Juda,
26 se livrèrent à la joie. Il y eut à Jérusalem de grandes réjouissances ; et depuis le temps de Salomon,
27 fils de David, roi d'Israël, rien de semblable n'avait eu lieu dans Jérusalem. Les sacrificateurs et les
Lévites se levèrent et bénirent le peuple ; et leur voix fut entendue, et leur prière parvint jusqu'aux
cieux, jusqu'à la sainte demeure de l'Éternel.

31 Lorsque tout cela fut terminé, tous ceux d'Israël qui étaient présents partirent pour les villes de
Juda, et ils brisèrent les statues, abattirent les idoles, et renversèrent entièrement les hauts lieux
et les autels dans tout Juda et Benjamin et dans Éphraïm et Manassé. Puis tous les enfants d'Israël
2 retournèrent dans leurs villes, chacun dans sa propriété. Ézéchias rétablit les classes des sacrificateurs
et des Lévites d'après leurs divisions, chacun selon ses fonctions, sacrificateurs et Lévites, pour les
holocaustes et les sacrifices d'actions de grâces, pour le service, pour les chants et les louanges, aux
3 portes du camp de l'Éternel. Le roi donna une portion de ses biens pour les holocaustes, pour les
holocaustes du matin et du soir, et pour les holocaustes des sabbats, des nouvelles lunes et des fêtes,
4 comme il est écrit dans la loi de l'Éternel. Et il dit au peuple, aux habitants de Jérusalem, de donner la
5 portion des sacrificateurs et des Lévites, afin qu'ils observassent fidèlement la loi de l'Éternel. Lorsque
la chose fut répandue, les enfants d'Israël donnèrent en abondance les prémices du blé, du moût, de
l'huile, du miel, et de tous les produits des champs ; ils apportèrent aussi en abondance la dîme de tout.
6 De même, les enfants d'Israël et de Juda qui demeuraient dans les villes de Juda donnèrent la dîme du
gros et du menu bétail, et la dîme des choses saintes qui étaient consacrées à l'Éternel, leur Dieu, et
7 dont on fit plusieurs tas. On commença à former les tas au troisième mois, et l'on acheva au septième
8, 9 mois. Ézéchias et les chefs vinrent voir les tas, et ils bénirent l'Éternel et son peuple d'Israël. Et
10 Ézéchias interrogea les sacrificateurs et les Lévites au sujet de ces tas. Alors le souverain sacrificateur
Azaria, de la maison de Tsadok, lui répondit : Depuis qu'on a commencé d'apporter les offrandes dans la
maison de l'Éternel, nous avons mangé, nous nous sommes rassasiés, et nous en avons beaucoup laissé,

car l'Éternel a béni son peuple ; et voici la grande quantité qu'il y a de reste. Ézéchias donna l'ordre 11
de préparer des chambres dans la maison de l'Éternel ; et on les prépara. On y apporta fidèlement 12
les offrandes, la dîme, et les choses saintes. Le Lévite Conania en eut l'intendance, et son frère Schimeï
était en second. Jehiel, Azazia, Nachath, Asaël, Jerimoth, Jozabad, Éliel, Jismakia, Machath et Benaja 13
étaient employés sous la direction de Conania et de son frère Schimeï, d'après l'ordre du roi Ézéchias, et
d'Azaria, chef de la maison de Dieu. Le Lévite Koré, fils de Jimna, portier de l'orient, avait l'intendance 14
des dons volontaires faits à Dieu, pour distribuer ce qui était présenté à l'Éternel par élévation et
les choses très saintes. Dans les villes sacerdotales, Éden, Minjamin, Josué, Schemaeja, Amaria et 15
Schecania étaient placés sous sa direction pour faire fidèlement les distributions à leurs frères, grands
et petits, selon leurs divisions : aux mâles enregistrés depuis l'âge de trois ans et au-dessus ; à tous ceux 16
qui entraient journellement dans la maison de l'Éternel pour faire leur service selon leurs fonctions et
selon leurs divisions ; aux sacrificateurs enregistrés d'après leurs maisons paternelles, et aux Lévites 17
de vingt ans et au-dessus, selon leurs fonctions et selon leurs divisions ; à ceux de toute l'assemblée 18
enregistrés avec tous leurs petits enfants, leurs femmes, leurs fils et leurs filles, car ils se consacraient
fidèlement au service du sanctuaire. Et pour les fils d'Aaron, les sacrificateurs, qui demeuraient à la 19
campagne dans les banlieues de leurs villes, il y avait dans chaque ville des hommes désignés par leurs
noms pour distribuer les portions à tous les mâles des sacrificateurs et à tous les Lévites enregistrés.
Voilà ce que fit Ézéchias dans tout Juda ; il fit ce qui est bien, ce qui est droit, ce qui est vrai, devant 20
l'Éternel, son Dieu. Il agit de tout son coeur, et il réussit dans tout ce qu'il entreprit, en recherchant 21
son Dieu, pour le service de la maison de Dieu, pour la loi et pour les commandements.

Après ces choses et ces actes de fidélité, parut Sanchérib, roi d'Assyrie, qui pénétra en Juda, et assié- **32**
gea les villes fortes, dans l'intention de s'en emparer. Ézéchias, voyant que Sanchérib était venu et qu'il 2
se proposait d'attaquer Jérusalem, tint conseil avec ses chefs et ses hommes vaillants, afin de boucher 3
les sources d'eau qui étaient hors de la ville ; et ils furent de son avis. Une foule de gens se rassem- 4
blèrent, et ils bouchèrent toutes les sources et le ruisseau qui coule au milieu de la contrée. Pourquoi,
disaient -ils, les rois d'Assyrie trouveraient -ils à leur arrivée des eaux en abondance ? Ézéchias prit 5
courage ; il reconstruisit la muraille qui était en ruine et l'éleva jusqu'aux tours, bâtit un autre mur en
dehors, fortifia Millo dans la cité de David, et prépara une quantité d'armes et de boucliers. Il donna 6
des chefs militaires au peuple, et les réunit auprès de lui sur la place de la porte de la ville. S'adressant
à leur coeur, il dit : Fortifiez -vous et ayez du courage ! Ne craignez point et ne soyez point effrayés 7
devant le roi d'Assyrie et devant toute la multitude qui est avec lui ; car avec nous il y a plus qu'avec
lui. Avec lui est un bras de chair, et avec nous l'Éternel, notre Dieu, qui nous aidera et qui combattra 8
pour nous. Le peuple eut confiance dans les paroles d'Ézéchias, roi de Juda. Après cela, Sanchérib, roi 9
d'Assyrie, envoya ses serviteurs à Jérusalem, pendant qu'il était devant Lakis avec toutes ses forces ;
il les envoya vers Ézéchias, roi de Juda, et vers tous ceux de Juda qui étaient à Jérusalem, pour leur
dire : Ainsi parle Sanchérib, roi d'Assyrie : Sur quoi repose votre confiance, pour que vous restiez à 10
Jérusalem dans la détresse ? Ézéchias ne vous abuse -t-il pas pour vous livrer à la mort par la famine 11
et par la soif, quand il dit : L'Éternel, notre Dieu, nous sauvera de la main du roi d'Assyrie ? N'est-ce 12
pas lui, Ézéchias, qui a fait disparaître les hauts lieux et les autels de l'Éternel, et qui a donné cet ordre
à Juda et à Jérusalem : Vous vous prosternerez devant un seul autel, et vous y offrirez les parfums ?
Ne savez -vous pas ce que nous avons fait, moi et mes pères, à tous les peuples des autres pays ? Les 13
dieux des nations de ces pays ont-ils pu délivrer leurs pays de ma main ? Parmi tous les dieux de ces 14
nations que mes pères ont exterminées, quel est celui qui a pu délivrer son peuple de ma main, pour
que votre Dieu puisse vous délivrer de ma main ? Qu'Ézéchias ne vous séduise donc point et qu'il ne 15
vous abuse point ainsi ; ne vous fiez pas à lui ! Car aucun dieu d'aucune nation ni d'aucun royaume n'a
pu délivrer son peuple de ma main et de la main de mes pères : combien moins votre Dieu vous déli-
vrera -t-il de ma main ? Les serviteurs de Sanchérib parlèrent encore contre l'Éternel Dieu, et contre 16
Ézéchias, son serviteur. Et il envoya une lettre insultante pour l'Éternel, le Dieu d'Israël, en s'expri- 17
mant ainsi contre lui : De même que les dieux des nations des autres pays n'ont pu délivrer leur peuple
de ma main, de même le Dieu d'Ézéchias ne délivrera pas son peuple de ma main. Les serviteurs de 18
Sanchérib crièrent à haute voix en langue judaïque, afin de jeter l'effroi et l'épouvante parmi le peuple
de Jérusalem qui était sur la muraille, et de pouvoir ainsi s'emparer de la ville. Ils parlèrent du Dieu 19
de Jérusalem comme des dieux des peuples de la terre, ouvrages de mains d'homme. Le roi Ézéchias 20
et le prophète Ésaïe, fils d'Amots, se mirent à prier à ce sujet, et ils crièrent au ciel. Alors l'Éternel en- 21
voya un ange, qui extermina dans le camp du roi d'Assyrie tous les vaillants hommes, les princes et les
chefs. Et le roi confus retourna dans son pays. Il entra dans la maison de son dieu, et là ceux qui étaient

22 sortis de ses entrailles le firent tomber par l'épée. Ainsi l'Éternel sauva Ézéchias et les habitants de
Jérusalem de la main de Sanchérib, roi d'Assyrie, et de la main de tous, et il les protégea contre ceux
23 qui les entouraient. Beaucoup de gens apportèrent dans Jérusalem des offrandes à l'Éternel, et de
24 riches présents à Ézéchias, roi de Juda, qui depuis lors fut élevé aux yeux de toutes les nations. En ce
temps -là, Ézéchias fut malade à la mort. Il fit une prière à l'Éternel ; et l'Éternel lui adressa la parole,
25 et lui accorda un prodige. Mais Ézéchias ne répondit point au bienfait qu'il avait reçu, car son coeur
26 s'éleva ; et la colère de l'Éternel fut sur lui, sur Juda et sur Jérusalem. Alors Ézéchias, du sein de son
orgueil, s'humilia avec les habitants de Jérusalem, et la colère de l'Éternel ne vint pas sur eux pendant
27 la vie d'Ézéchias. Ézéchias eut beaucoup de richesses et de gloire. Il se fit des trésors d'argent, d'or, de
28 pierres précieuses, d'aromates, de boucliers et de tous les objets qu'on peut désirer ; des magasins pour
les produits en blé, en moût et en huile, des crèches pour toute espèce de bétail, et des étables pour les
29 troupeaux. Il se bâtit des villes, et il eut en abondance des troupeaux de menu et de gros bétail ; car
30 Dieu lui avait donné des biens considérables. Ce fut aussi lui, Ézéchias, qui boucha l'issue supérieure
des eaux de Guihon, et les conduisit en bas vers l'occident de la cité de David. Ézéchias réussit dans
31 toutes ses entreprises. Cependant, lorsque les chefs de Babylone envoyèrent des messagers auprès de
lui pour s'informer du prodige qui avait eu lieu dans le pays, Dieu l'abandonna pour l'éprouver, afin
32 de connaître tout ce qui était dans son coeur. Le reste des actions d'Ézéchias, et ses oeuvres de piété,
cela est écrit dans la vision du prophète Ésaïe, fils d'Amots, dans le livre des rois de Juda et d'Israël.
33 Ézéchias se coucha avec ses pères, et on l'enterra dans le lieu le plus élevé des sépulcres des fils de
David ; tout Juda et les habitants de Jérusalem lui rendirent honneur à sa mort. Et Manassé, son fils,
régna à sa place.

33, 2 Manassé avait douze ans lorsqu'il devint roi, et il régna cinquante -cinq ans à Jérusalem. Il fit
ce qui est mal aux yeux de l'Éternel, selon les abominations des nations que l'Éternel avait chassées
3 devant les enfants d'Israël. Il rebâtit les hauts lieux qu'Ézéchias, son père, avait renversés ; il éleva
des autels aux Baals, il fit des idoles d'Astarté, et il se prosterna devant toute l'armée des cieux et la
4 servit. Il bâtit des autels dans la maison de l'Éternel, quoique l'Éternel eût dit : C'est dans Jérusalem
5 que sera mon nom à perpétuité. Il bâtit des autels à toute l'armée des cieux dans les deux parvis de
6 la maison de l'Éternel. Il fit passer ses fils par le feu dans la vallée des fils de Hinnom ; il observait
les nuages et les serpents pour en tirer des pronostics, il s'adonnait à la magie, et il établit des gens
qui évoquaient les esprits et qui prédisaient l'avenir. Il fit de plus en plus ce qui est mal aux yeux de
7 l'Éternel, afin de l'irriter. Il plaça l'image taillée de l'idole qu'il avait faite dans la maison de Dieu, de
laquelle Dieu avait dit à David et à Salomon, son fils : C'est dans cette maison, et c'est dans Jérusalem
8 que j'ai choisie parmi toutes les tribus d'Israël, que je veux à toujours placer mon nom. Je ne ferai
plus sortir Israël du pays que j'ai destiné à vos pères, pourvu seulement qu'ils aient soin de mettre en
pratique tout ce que je leur ai commandé, selon toute la loi, les préceptes et les ordonnances prescrits
9 par Moïse. Mais Manassé fut cause que Juda et les habitants de Jérusalem s'égarèrent et firent le
10 mal plus que les nations que l'Éternel avait détruites devant les enfants d'Israël. L'Éternel parla à
11 Manassé et à son peuple, et ils n'y firent point attention. Alors l'Éternel fit venir contre eux les chefs
de l'armée du roi d'Assyrie, qui saisirent Manassé et le mirent dans les fers ; ils le lièrent avec des
12 chaînes d'airain, et le menèrent à Babylone. Lorsqu'il fut dans la détresse, il implora l'Éternel, son
13 Dieu, et il s'humilia profondément devant le Dieu de ses pères. Il lui adressa ses prières ; et l'Éternel,
se laissant fléchir, exauça ses supplications, et le ramena à Jérusalem dans son royaume. Et Manassé
14 reconnut que l'Éternel est Dieu. Après cela, il bâtit en dehors de la ville de David, à l'occident, vers
Guihon dans la vallée, un mur qui se prolongeait jusqu'à la porte des poissons et dont il entoura la
colline, et il l'éleva à une grande hauteur ; il mit aussi des chefs militaires dans toutes les villes fortes
15 de Juda. Il fit disparaître de la maison de l'Éternel les dieux étrangers et l'idole, et il renversa tous les
autels qu'il avait bâtis sur la montagne de la maison de l'Éternel et à Jérusalem ; et il les jeta hors de
16 la ville. Il rétablit l'autel de l'Éternel et y offrit des sacrifices d'actions de grâces et de reconnaissance,
17 et il ordonna à Juda de servir l'Éternel, le Dieu d'Israël. Le peuple sacrifiait bien encore sur les hauts
18 lieux, mais seulement à l'Éternel, son Dieu. Le reste des actions de Manassé, sa prière à son Dieu,
et les paroles des prophètes qui lui parlèrent au nom de l'Éternel, le Dieu d'Israël, cela est écrit dans
19 les actes des rois d'Israël. Sa prière et la manière dont Dieu l'exauça, ses péchés et ses infidélités, les
places où il bâtit des hauts lieux et dressa des idoles et des images taillées avant de s'être humilié,
20 cela est écrit dans le livre de Hozaï. Manassé se coucha avec ses pères, et on l'enterra dans sa maison.
21 Et Amon, son fils, régna à sa place. Amon avait vingt -deux ans lorsqu'il devint roi, et il régna deux

ans à Jérusalem. Il fit ce qui est mal aux yeux de l'Éternel, comme avait fait Manassé, son père ; il 22
sacrifia à toutes les images taillées qu'avait faites Manassé, son père, et il les servit ; et il ne s'humilia 23
pas devant l'Éternel, comme s'était humilié Manassé, son père, car lui, Amon, se rendit de plus en plus
coupable. Ses serviteurs conspirèrent contre lui, et le firent mourir dans sa maison. Mais le peuple du 24, 25
pays frappa tous ceux qui avaient conspiré contre le roi Amon ; et le peuple du pays établit roi Josias,
son fils, à sa place.

Josias avait huit ans lorsqu'il devint roi, et il régna trente et un ans à Jérusalem. Il fit ce qui est **34**, 2
droit aux yeux de l'Éternel, et il marcha dans les voies de David, son père ; il ne s'en détourna ni à droite
ni à gauche. La huitième année de son règne, comme il était encore jeune, il commença à rechercher 3
le Dieu de David, son père ; et la douzième année, il commença à purifier Juda et Jérusalem des hauts
lieux, des idoles, des images taillées et des images en fonte. On renversa devant lui les autels des Baals, 4
et il abattit les statues consacrées au soleil qui étaient dessus ; il brisa les idoles, les images taillées et
les images en fonte, et les réduisit en poussière, et il répandit la poussière sur les sépulcres de ceux
qui leur avaient sacrifié ; et il brûla les ossements des prêtres sur leurs autels. C'est ainsi qu'il purifia 5
Juda et Jérusalem. Dans les villes de Manassé, d'Éphraïm, de Siméon, et même de Nephthali, partout 6
au milieu de leurs ruines, il renversa les autels, il mit en pièces les idoles et les images taillées et les 7
réduisit en poussière, et il abattit toutes les statues consacrées au soleil dans tout le pays d'Israël. Puis il
retourna à Jérusalem. La dix-huitième année de son règne, après qu'il eut purifié le pays et la maison, 8
il envoya Schaphan, fils d'Atsalia, Maaséja, chef de la ville, et Joach, fils de Joachaz, l'archiviste, pour
réparer la maison de l'Éternel, son Dieu. Ils se rendirent auprès du souverain sacrificateur Hilkija, 9
et on livra l'argent qui avait été apporté dans la maison de Dieu, et que les Lévites gardiens du seuil
avaient recueilli de Manassé et d'Éphraïm et de tout le reste d'Israël, et de tout Juda et Benjamin et
des habitants de Jérusalem. On le remit entre les mains de ceux qui étaient chargés de faire exécuter 10
l'ouvrage dans la maison de l'Éternel. Et ils l'employèrent pour ceux qui travaillaient aux réparations
de la maison de l'Éternel, pour les charpentiers et les maçons, pour les achats de pierres de taille 11
et de bois destiné aux poutres et à la charpente des bâtiments qu'avaient détruits les rois de Juda.
Ces hommes agirent avec probité dans leur travail. Ils étaient placés sous l'inspection de Jachath et 12
Abdias, Lévites d'entre les fils de Merari, et de Zacharie et Meschullam, d'entre les fils des Kehathites ;
tous ceux des Lévites qui étaient habiles musiciens surveillaient les manoeuvres et dirigeaient tous 13
les ouvriers occupés aux divers travaux ; il y avait encore d'autres Lévites secrétaires, commissaires
et portiers. Au moment où l'on sortit l'argent qui avait été apporté dans la maison de l'Éternel, le 14
sacrificateur Hilkija trouva le livre de la loi de l'Éternel donnée par Moïse. Alors Hilkija prit la parole 15
et dit à Schaphan, le secrétaire : J'ai trouvé le livre de la loi dans la maison de l'Éternel. Et Hilkija
donna le livre à Schaphan. Schaphan apporta le livre au roi, et lui rendit aussi compte, en disant : 16
Tes serviteurs ont fait tout ce qui leur a été commandé ; ils ont amassé l'argent qui se trouvait dans 17
la maison de l'Éternel, et l'ont remis entre les mains des inspecteurs et des ouvriers. Schaphan, le 18
secrétaire, dit encore au roi : Le sacrificateur Hilkija m'a donné un livre. Et Schaphan le lut devant le
roi. Lorsque le roi entendit les paroles de la loi, il déchira ses vêtements. Et le roi donna cet ordre 19, 20
à Hilkija, à Achikam, fils de Schaphan, à Abdon, fils de Michée, à Schaphan, le secrétaire, et à Asaja,
serviteur du roi : Allez, consultez l'Éternel pour moi et pour ce qui reste en Israël et en Juda, au sujet 21
des paroles de ce livre qu'on a trouvé ; car grande est la colère de l'Éternel qui s'est répandue sur nous,
parce que nos pères n'ont point observé la parole de l'Éternel et n'ont point mis en pratique tout ce
qui est écrit dans ce livre. Hilkija et ceux qu'avait désignés le roi allèrent auprès de la prophétesse 22
Hulda, femme de Schallum, fils de Thokehath, fils de Hasra, gardien des vêtements. Elle habitait à
Jérusalem, dans l'autre quartier de la ville. Après qu'ils eurent exprimé ce qu'ils avaient à lui dire, elle 23
leur répondit : Ainsi parle l'Éternel, le Dieu d'Israël : Dites à l'homme qui vous a envoyés vers moi :
Ainsi parle l'Éternel : Voici, je vais faire venir des malheurs sur ce lieu et sur ses habitants, toutes les 24
malédictions écrites dans le livre qu'on a lu devant le roi de Juda. Parce qu'ils m'ont abandonné et 25
qu'ils ont offert des parfums à d'autres dieux, afin de m'irriter par tous les ouvrages de leurs mains,
ma colère s'est répandue sur ce lieu, et elle ne s'éteindra point. Mais vous direz au roi de Juda qui 26
vous a envoyés pour consulter l'Éternel : Ainsi parle l'Éternel, le Dieu d'Israël, au sujet des paroles
que tu as entendues : Parce que ton coeur a été touché, parce que tu t'es humilié devant Dieu en 27
entendant ses paroles contre ce lieu et contre ses habitants, parce que tu t'es humilié devant moi, parce
que tu as déchiré tes vêtements et que tu as pleuré devant moi, moi aussi, j'ai entendu, dit l'Éternel.
Voici, je te recueillerai auprès de tes pères, tu seras recueilli en paix dans ton sépulcre, et tes yeux ne 28
verront pas tous les malheurs que je ferai venir sur ce lieu et sur ses habitants. Ils rapportèrent au
roi cette réponse. Le roi fit assembler tous les anciens de Juda et de Jérusalem. Puis il monta à la 29, 30

maison de l'Éternel avec tous les hommes de Juda et les habitants de Jérusalem, les sacrificateurs et les
Lévites, et tout le peuple, depuis le plus grand jusqu'au plus petit. Il lut devant eux toutes les paroles
31 du livre de l'alliance, qu'on avait trouvé dans la maison de l'Éternel. Le roi se tenait sur son estrade,
et il traita alliance devant l'Éternel, s'engageant à suivre l'Éternel, et à observer ses ordonnances, ses
préceptes et ses lois, de tout son coeur et de toute son âme, afin de mettre en pratique les paroles de
32 l'alliance écrites dans ce livre. Et il fit entrer dans l'alliance tous ceux qui se trouvaient à Jérusalem
et en Benjamin ; et les habitants de Jérusalem agirent selon l'alliance de Dieu, du Dieu de leurs pères.
33 Josias fit disparaître toutes les abominations de tous les pays appartenant aux enfants d'Israël, et il
obligea tous ceux qui se trouvaient en Israël à servir l'Éternel, leur Dieu. Pendant toute sa vie, ils ne se
détournèrent point de l'Éternel, le Dieu de leurs pères.

35 Josias célébra la Pâque en l'honneur de l'Éternel à Jérusalem, et l'on immola la Pâque le quatorzième
2 jour du premier mois. Il établit les sacrificateurs dans leurs fonctions, et les encouragea au service de la
3 maison de l'Éternel. Il dit aux Lévites qui enseignaient tout Israël et qui étaient consacrés à l'Éternel :
Placez l'arche sainte dans la maison qu'a bâtie Salomon, fils de David, roi d'Israël ; vous n'avez plus à la
4 porter sur l'épaule. Servez maintenant l'Éternel, votre Dieu, et son peuple d'Israël. Tenez-vous prêts,
selon vos maisons paternelles, selon vos divisions, comme l'ont réglé par écrit David, roi d'Israël, et
5 Salomon, son fils ; occupez vos places dans le sanctuaire, d'après les différentes maisons paternelles de
6 vos frères les fils du peuple, et d'après la classification des maisons paternelles des Lévites. Immolez
la Pâque, sanctifiez -vous, et préparez -la pour vos frères, en vous conformant à la parole de l'Éternel
7 prononcée par Moïse. Josias donna aux gens du peuple, à tous ceux qui se trouvaient là, des agneaux et
des chevreaux au nombre de trente mille, le tout pour la Pâque, et trois mille boeufs ; cela fut pris sur les
8 biens du roi. Ses chefs firent de bon gré un présent au peuple, aux sacrificateurs et aux Lévites. Hilkija,
Zacharie, et Jehiel, princes de la maison de Dieu, donnèrent aux sacrificateurs pour la Pâque deux
9 mille six cents agneaux et trois cents boeufs. Conania, Schemaeja et Nethaneel, ses frères, Haschabia,
Jeïel et Jozabad, chefs des Lévites, donnèrent aux Lévites pour la Pâque cinq mille agneaux et cinq
10 cents boeufs. Le service s'organisa, et les sacrificateurs et les Lévites occupèrent leur place, selon
11 leurs divisions, d'après l'ordre du roi. Ils immolèrent la Pâque ; les sacrificateurs répandirent le sang
12 qu'ils recevaient de la main des Lévites, et les Lévites dépouillèrent les victimes. Ils mirent à part
les holocaustes pour les donner aux différentes maisons paternelles des gens du peuple, afin qu'ils les
13 offrissent à l'Éternel, comme il est écrit dans le livre de Moïse ; et de même pour les boeufs. Ils firent
cuire la Pâque au feu, selon l'ordonnance, et ils firent cuire les choses saintes dans des chaudières, des
14 chaudrons et des poêles ; et ils s'empressèrent de les distribuer à tout le peuple. Ensuite ils préparèrent
ce qui était pour eux et pour les sacrificateurs, car les sacrificateurs, fils d'Aaron, furent occupés jusqu'à
la nuit à offrir les holocaustes et les graisses ; c'est pourquoi les Lévites préparèrent pour eux et pour
15 les sacrificateurs, fils d'Aaron. Les chantres, fils d'Asaph, étaient à leur place, selon l'ordre de David,
d'Asaph, d'Héman, et de Jeduthun le voyant du roi, et les portiers étaient à chaque porte ; ils n'eurent
16 pas à se détourner de leur office, car leurs frères les Lévites préparèrent ce qui était pour eux. Ainsi
fut organisé ce jour -là tout le service de l'Éternel pour faire la Pâque et pour offrir des holocaustes sur
17 l'autel de l'Éternel, d'après l'ordre du roi Josias. Les enfants d'Israël qui se trouvaient là célébrèrent
18 la Pâque en ce temps et la fête des pains sans levain pendant sept jours. Aucune Pâque pareille à
celle-là n'avait été célébrée en Israël depuis les jours de Samuel le prophète ; et aucun des rois d'Israël
n'avait célébré une Pâque pareille à celle que célébrèrent Josias, les sacrificateurs et les Lévites, tout
19 Juda et Israël qui s'y trouvaient, et les habitants de Jérusalem. Ce fut la dix-huitième année du règne
20 de Josias que cette Pâque fut célébrée. Après tout cela, après que Josias eut réparé la maison de
l'Éternel, Néco, roi d'Égypte, monta pour combattre à Carkemisch sur l'Euphrate. Josias marcha à sa
21 rencontre ; et Néco lui envoya des messagers pour dire : Qu'y a-t-il entre moi et toi, roi de Juda ? Ce
n'est pas contre toi que je viens aujourd'hui ; c'est contre une maison avec laquelle je suis en guerre. Et
22 Dieu m'a dit de me hâter. Ne t'oppose pas à Dieu, qui est avec moi, de peur qu'il ne te détruise. Mais
Josias ne se détourna point de lui, et il se déguisa pour l'attaquer, sans écouter les paroles de Néco, qui
23 venaient de la bouche de Dieu. Il s'avança pour combattre dans la vallée de Meguiddo. Les archers
tirèrent sur le roi Josias, et le roi dit à ses serviteurs : Emportez -moi, car je suis gravement blessé.
24 Ses serviteurs l'emportèrent du char, le mirent dans un second char qui était à lui, et l'amenèrent à
Jérusalem. Il mourut, et fut enterré dans le sépulcre de ses pères. Tout Juda et Jérusalem pleurèrent
25 Josias. Jérémie fit une complainte sur Josias ; tous les chanteurs et toutes les chanteuses ont parlé
de Josias dans leurs complaintes jusqu'à ce jour, et en ont établi la coutume en Israël. Ces chants
26 sont écrits dans les Complaintes. Le reste des actions de Josias, et ses oeuvres de piété, telles que les
27 prescrit la loi de l'Éternel, ses premières et ses dernières actions, cela est écrit dans le livre des rois

d'Israël et de Juda.

36 Le peuple du pays prit Joachaz, fils de Josias, et l'établit roi à la place de son père à Jérusalem.
2, 3 Joachaz avait vingt -trois ans lorsqu'il devint roi, et il régna trois mois à Jérusalem. Le roi d'Égypte le
destitua à Jérusalem, et frappa le pays d'une contribution de cent talents d'argent et d'un talent d'or.
4 Et le roi d'Égypte établit roi sur Juda et sur Jérusalem Éliakim, frère de Joachaz ; et il changea son
nom en celui de Jojakim. Néco prit son frère Joachaz, et l'emmena en Égypte.
5 Jojakim avait vingt -cinq ans lorsqu'il devint roi, et il régna onze ans à Jérusalem. Il fit ce qui est mal aux yeux de l'Éternel,
6 son Dieu. Nebucadnetsar, roi de Babylone, monta contre lui, et le lia avec des chaînes d'airain pour le
7 conduire à Babylone. Nebucadnetsar emporta à Babylone des ustensiles de la maison de l'Éternel, et
8 il les mit dans son palais à Babylone. Le reste des actions de Jojakim, les abominations qu'il commit, et ce qui se trouvait en lui, cela est écrit dans le livre des rois d'Israël et de Juda. Et Jojakin, son
9 fils, régna à sa place. Jojakin avait huit ans lorsqu'il devint roi, et il régna trois mois et dix jours à
10 Jérusalem. Il fit ce qui est mal aux yeux de l'Éternel. L'année suivante, le roi Nebucadnetsar le fit emmener à Babylone avec les ustensiles précieux de la maison de l'Éternel. Et il établit roi sur Juda
11 et sur Jérusalem Sédécias, frère de Jojakin. Sédécias avait vingt et un ans lorsqu'il devint roi, et il
12 régna onze ans à Jérusalem. Il fit ce qui est mal aux yeux de l'Éternel, son Dieu ; et il ne s'humilia
13 point devant Jérémie, le prophète, qui lui parlait de la part de l'Éternel. Il se révolta même contre le roi Nebucadnetsar, qui l'avait fait jurer par le nom de Dieu ; et il raidit son cou et endurcit son coeur, au point de ne pas retourner à l'Éternel, le Dieu d'Israël. Tous les chefs des sacrificateurs et le peuple
14 multiplièrent aussi les transgressions, selon toutes les abominations des nations ; et ils profanèrent la maison de l'Éternel, qu'il avait sanctifiée à Jérusalem. L'Éternel, le Dieu de leurs pères, donna de
15 bonne heure à ses envoyés la mission de les avertir, car il voulait épargner son peuple et sa propre demeure. Mais ils se moquèrent des envoyés de Dieu, ils méprisèrent ses paroles, et ils se raillèrent
16 de ses prophètes, jusqu'à ce que la colère de l'Éternel contre son peuple devînt sans remède. Alors
17 l'Éternel fit monter contre eux le roi des Chaldéens, et tua par l'épée leurs jeunes gens dans la maison de leur sanctuaire ; il n'épargna ni le jeune homme, ni la jeune fille, ni le vieillard, ni l'homme aux cheveux blancs, il livra tout entre ses mains. Nebucadnetsar emporta à Babylone tous les ustensiles
18 de la maison de Dieu, grands et petits, les trésors de la maison de l'Éternel, et les trésors du roi et de ses chefs. Ils brûlèrent la maison de Dieu, ils démolirent les murailles de Jérusalem, ils livrèrent au feu
19 tous ses palais et détruisirent tous les objets précieux. Nebucadnetsar emmena captifs à Babylone ceux
20 qui échappèrent à l'épée ; et ils lui furent assujettis, à lui et à ses fils, jusqu'à la domination du royaume de Perse, afin que s'accomplît la parole de l'Éternel prononcée par la bouche de Jérémie ; jusqu'à ce que
21 le pays eût joui de ses sabbats, il se reposa tout le temps qu'il fut dévasté, jusqu'à l'accomplissement de soixante-dix ans. La première année de Cyrus, roi de Perse, afin que s'accomplît la parole de l'Éternel
22 prononcée par la bouche de Jérémie, l'Éternel réveilla l'esprit de Cyrus, roi de Perse, qui fit faire de vive voix et par écrit cette publication dans tout son royaume : Ainsi parle Cyrus, roi de Perse : L'Éternel,
23 le Dieu des cieux, m'a donné tous les royaumes de la terre, et il m'a commandé de lui bâtir une maison à Jérusalem en Juda. Qui d'entre vous est de son peuple ? Que l'Éternel, son Dieu, soit avec lui, et qu'il monte !

ESDRAS

1 La première année de Cyrus, roi de Perse, afin que s'accomplît la parole de l'Éternel prononcée
par la bouche de Jérémie, l'Éternel réveilla l'esprit de Cyrus, roi de Perse, qui fit faire de vive
2 voix et par écrit cette publication dans tout son royaume : Ainsi parle Cyrus, roi des Perses :
L'Éternel, le Dieu des cieux, m'a donné tous les royaumes de la terre, et il m'a commandé de
3 lui bâtir une maison à Jérusalem en Juda. Qui d'entre vous est de son peuple ? Que son Dieu soit
avec lui, et qu'il monte à Jérusalem en Juda et bâtisse la maison de l'Éternel, le Dieu d'Israël ! C'est
4 le Dieu qui est à Jérusalem. Dans tout lieu où séjournent des restes du peuple de l'Éternel, les gens
du lieu leur donneront de l'argent, de l'or, des effets, et du bétail, avec des offrandes volontaires pour
5 la maison de Dieu qui est à Jérusalem. Les chefs de famille de Juda et de Benjamin, les sacrificateurs
et les Lévites, tous ceux dont Dieu réveilla l'esprit, se levèrent pour aller bâtir la maison de l'Éternel
6 à Jérusalem. Tous leurs alentours leur donnèrent des objets d'argent, de l'or, des effets, du bétail,
7 et des choses précieuses, outre toutes les offrandes volontaires. Le roi Cyrus rendit les ustensiles de
la maison de l'Éternel, que Nebucadnetsar avait emportés de Jérusalem et placés dans la maison de
8 son dieu. Cyrus, roi de Perse, les fit sortir par Mithredath, le trésorier, qui les remit à Scheschbatsar,
9 prince de Juda. En voici le nombre : trente bassins d'or, mille bassins d'argent, vingt -neuf couteaux,
10, 11 trente coupes d'or, quatre cent dix coupes d'argent de second ordre, mille autres ustensiles. Tous les
objets d'or et d'argent étaient au nombre de cinq mille quatre cents. Scheschbatsar emporta le tout de
Babylone à Jérusalem, au retour de la captivité.

2 Voici ceux de la province qui revinrent de l'exil, ceux que Nebucadnetsar, roi de Babylone, avait
2 emmenés captifs à Babylone, et qui retournèrent à Jérusalem et en Juda, chacun dans sa ville. Ils par-
tirent avec Zorobabel, Josué, Néhémie, Seraja, Reélaja, Mardochée, Bilschan, Mispar, Bigvaï, Rehum,
3 Baana. Nombre des hommes du peuple d'Israël : les fils de Pareosch, deux mille cent soixante-douze ;
4, 5, 6 les fils de Schephathia, trois cent soixante-douze ; les fils d'Arach, sept cent soixante -quinze ; les
7 fils de Pachath-Moab, des fils de Josué et de Joab, deux mille huit cent douze ; les fils d'Élam, mille
8, 9 deux cent cinquante -quatre ; les fils de Zatthu, neuf cent quarante -cinq ; les fils de Zaccaï, sept cent
10, 11, 12 soixante ; les fils de Bani, six cent quarante -deux ; les fils de Bébaï, six cent vingt -trois ; les fils
13, 14 d'Azgad, mille deux cent vingt -deux ; les fils d'Adonikam, six cent soixante -six ; les fils de Bigvaï,
15, 16 deux mille cinquante -six ; les fils d'Adin, quatre cent cinquante -quatre ; les fils d'Ather, de la fa-
17, 18 mille d'Ézéchias, quatre-vingt-dix-huit ; les fils de Betsaï, trois cent vingt -trois ; les fils de Jora, cent
19, 20, 21 douze ; les fils de Haschum, deux cent vingt -trois ; les fils de Guibbar, quatre-vingt-quinze ; les fils
22, 23 de Bethléhem, cent vingt -trois ; les gens de Nethopha, cinquante -six ; les gens d'Anathoth, cent vingt
24, 25 -huit ; les fils d'Azmaveth, quarante -deux ; les fils de Kirjath-Arim, de Kephira et de Beéroth, sept
26, 27 cent quarante trois ; les fils de Rama et de Guéba, six cent vingt et un ; les gens de Micmas, cent
28, 29, 30 vingt -deux ; les gens de Béthel et d'Aï, deux cent vingt -trois ; les fils de Nebo, cinquante -deux ; les
31, 32 fils de Magbisch, cent cinquante -six ; les fils de l'autre Élam, mille deux cent cinquante -quatre ; les
33, 34 fils de Harim, trois cent vingt ; les fils de Lod, de Hadid et d'Ono, sept cent vingt -cinq ; les fils de
35, 36 Jéricho, trois cent quarante -cinq ; les fils de Senaa, trois mille six cent trente. Sacrificateurs : les fils
37 de Jedaeja, de la maison de Josué, neuf cent soixante-treize ; les fils d'Immer, mille cinquante -deux ;
38, 39, 40 les fils de Paschhur, mille deux cent quarante -sept ; les fils de Harim, mille dix-sept. Lévites : les fils
41 de Josué et de Kadmiel, des fils d'Hodavia, soixante quatorze. Chantres : les fils d'Asaph, cent vingt
42 -huit. Fils des portiers : les fils de Schallum, les fils d'Ather, les fils de Thalmon, les fils d'Akkub, les
43 fils de Hathitha, les fils de Schobaï, en tout cent trente -neuf. Néthiniens : les fils de Tsicha, les fils
44, 45 de Hasupha, les fils de Thabbaoth, les fils de Kéros, les fils de Siaha, les fils de Padon, les fils de
46 Lebana, les fils de Hagaba, les fils d'Akkub, les fils de Hagab, les fils de Schamlaï, les fils de Hanan,
47, 48 les fils de Guiddel, les fils de Gachar, les fils de Reaja, les fils de Retsin, les fils de Nekoda, les fils de
49, 50 Gazzam, les fils d'Uzza, les fils de Paséach, les fils de Bésaï, les fils d'Asna, les fils de Mehunim, les
51, 52 fils de Nephusim, les fils de Bakbuk, les fils de Hakupha, les fils de Harhur, les fils de Batsluth, les
53, 54 fils de Mehida, les fils de Harscha, les fils de Barkos, les fils de Sisera, les fils de Thamach, les fils de
55 Netsiach, les fils de Hathipha. Fils des serviteurs de Salomon : les fils de Sothaï, les fils de Sophéreth,
56, 57 les fils de Peruda, les fils de Jaala, les fils de Darkon, les fils de Guiddel, les fils de Schephathia, les fils
58 de Hatthil, les fils de Pokéreth-Hatsebaïm, les fils d'Ami. Total des Néthiniens et des fils des serviteurs
59 de Salomon : trois cent quatre-vingt-douze. Voici ceux qui partirent de Thel-Mélach, de Thel-Harscha,
de Kerub -Addan, et qui ne purent pas faire connaître leur maison paternelle et leur race, pour prouver
60 qu'ils étaient d'Israël. Les fils de Delaja, les fils de Tobija, les fils de Nekoda, six cent cinquante -deux.
61 Et parmi les fils des sacrificateurs : les fils de Habaja, les fils d'Hakkots, les fils de Barzillaï, qui avait

pris pour femme une des filles de Barzillaï, le Galaadite, et fut appelé de leur nom. Ils cherchèrent 62
leurs titres généalogiques, mais ils ne les trouvèrent point. On les exclut du sacerdoce, et le gouver- 63
neur leur dit de ne pas manger des choses très saintes jusqu'à ce qu'un sacrificateur ait consulté l'urim
et le thummim. L'assemblée tout entière était de quarante -deux mille trois cent soixante personnes, 64
sans compter leurs serviteurs et leurs servantes, au nombre de sept mille trois cent trente -sept. Parmi 65
eux se trouvaient deux cents chantres et chanteuses. Ils avaient sept cent trente -six chevaux, deux 66
cent quarante -cinq mulets, quatre cent trente -cinq chameaux, et six mille sept cent vingt ânes. Plu- 67, 68
sieurs des chefs de famille, à leur arrivée vers la maison de l'Éternel à Jérusalem, firent des offrandes
volontaires pour la maison de Dieu, afin qu'on la rétablît sur le lieu où elle avait été. Ils donnèrent 69
au trésor de l'oeuvre, selon leurs moyens, soixante et un mille dariques d'or, cinq mille mines d'argent,
et cent tuniques sacerdotales. Les sacrificateurs et les Lévites, les gens du peuple, les chantres, les 70
portiers et les Néthiniens s'établirent dans leurs villes. Tout Israël habita dans ses villes.

Le septième mois arriva, et les enfants d'Israël étaient dans leurs villes. Alors le peuple s'assem- **3**
bla comme un seul homme à Jérusalem. Josué, fils de Jotsadak, avec ses frères les sacrificateurs, et 2
Zorobabel, fils de Schealthiel, avec ses frères, se levèrent et bâtirent l'autel du Dieu d'Israël, pour y
offrir des holocaustes, selon ce qui est écrit dans la loi de Moïse, homme de Dieu. Ils rétablirent l'autel 3
sur ses fondements, quoiqu'ils eussent à craindre les peuples du pays, et ils y offrirent des holocaustes
à l'Éternel, les holocaustes du matin et du soir. Ils célébrèrent la fête des tabernacles, comme il est 4
écrit, et ils offrirent jour par jour des holocaustes, selon le nombre ordonné pour chaque jour. Après 5
cela, ils offrirent l'holocauste perpétuel, les holocaustes des nouvelles lunes et de toutes les solenni-
tés consacrées à l'Éternel, et ceux de quiconque faisait des offrandes volontaires à l'Éternel. Dès le 6
premier jour du septième mois, ils commencèrent à offrir à l'Éternel des holocaustes. Cependant les
fondements du temple de l'Éternel n'étaient pas encore posés. On donna de l'argent aux tailleurs de 7
pierres et aux charpentiers, et des vivres, des boissons et de l'huile aux Sidoniens et aux Tyriens, pour
qu'ils amenassent par mer jusqu'à Japho des bois de cèdre du Liban, suivant l'autorisation qu'on avait
eue de Cyrus, roi de Perse. La seconde année depuis leur arrivée à la maison de Dieu à Jérusalem, 8
au second mois, Zorobabel, fils de Schealthiel, Josué, fils de Jotsadak, avec le reste de leurs frères les
sacrificateurs et les Lévites, et tous ceux qui étaient revenus de la captivité à Jérusalem, se mirent à
l'oeuvre et chargèrent les Lévites de vingt ans et au-dessus de surveiller les travaux de la maison de
l'Éternel. Et Josué, avec ses fils et ses frères, Kadmiel, avec ses fils, fils de Juda, les fils de Hénadad, 9
avec leurs fils et leurs frères les Lévites, se préparèrent tous ensemble à surveiller ceux qui travaillaient
à la maison de Dieu. Lorsque les ouvriers posèrent les fondements du temple de l'Éternel, on fit assis- 10
ter les sacrificateurs en costume, avec les trompettes, et les Lévites, fils d'Asaph, avec les cymbales, afin
qu'ils célébrassent l'Éternel, d'après les ordonnances de David, roi d'Israël. Ils chantaient, célébrant 11
et louant l'Éternel par ces paroles : Car il est bon, car sa miséricorde pour Israël dure à toujours ! Et
tout le peuple poussait de grands cris de joie en célébrant l'Éternel, parce qu'on posait les fondements
de la maison de l'Éternel. Mais plusieurs des sacrificateurs et des Lévites, et des chefs de famille âgés, 12
qui avaient vu la première maison, pleuraient à grand bruit pendant qu'on posait sous leurs yeux les
fondements de cette maison. Beaucoup d'autres faisaient éclater leur joie par des cris, en sorte qu'on 13
ne pouvait distinguer le bruit des cris de joie d'avec le bruit des pleurs parmi le peuple, car le peuple
poussait de grands cris dont le son s'entendait au loin.

Les ennemis de Juda et de Benjamin apprirent que les fils de la captivité bâtissaient un temple **4**
à l'Éternel, le Dieu d'Israël. Ils vinrent auprès de Zorobabel et des chefs de familles, et leur dirent : 2
Nous bâtirons avec vous ; car, comme vous, nous invoquons votre Dieu, et nous lui offrons des sacrifices
depuis le temps d'Ésar-Haddon, roi d'Assyrie, qui nous a fait monter ici. Mais Zorobabel, Josué, et les 3
autres chefs des familles d'Israël, leur répondirent : Ce n'est pas à vous et à nous de bâtir la maison
de notre Dieu ; nous la bâtirons nous seuls à l'Éternel, le Dieu d'Israël, comme nous l'a ordonné le roi
Cyrus, roi de Perse. Alors les gens du pays découragèrent le peuple de Juda ; ils l'intimidèrent pour 4
l'empêcher de bâtir, et ils gagnèrent à prix d'argent des conseillers pour faire échouer son entreprise. Il 5
en fut ainsi pendant toute la vie de Cyrus, roi de Perse, et jusqu'au règne de Darius, roi de Perse. Sous 6
le règne d'Assuérus, au commencement de son règne, ils écrivirent une accusation contre les habitants
de Juda et de Jérusalem. Et du temps d'Artaxerxès, Bischlam, Mithredath, Thabeel, et le reste de 7
leurs collègues, écrivirent à Artaxerxès, roi de Perse. La lettre fut transcrite en caractères araméens
et traduite en araméen. Rehum, gouverneur, et Schimschaï, secrétaire écrivirent au roi Artaxerxès la 8
lettre suivante concernant Jérusalem : Rehum, gouverneur, Schimschaï, secrétaire, et le reste de leurs 9
collègues, ceux de Din, d'Arpharsathac, de Tharpel, d'Apharas, d'Érec, de Babylone, de Suse, de Déha,
d'Élam, et les autres peuples que le grand et illustre Osnappar a transportés et établis dans la ville de 10

11 Samarie et autres lieux de ce côté du fleuve, etc. C'est ici la copie de la lettre qu 'ils envoyèrent au roi
12 Artaxerxès : Tes serviteurs, les gens de ce côté du fleuve, etc. Que le roi sache que les Juifs partis de
chez toi et arrivés parmi nous à Jérusalem rebâtissent la ville rebelle et méchante, en relèvent les murs
13 et en restaurent les fondements. Que le roi sache donc que, si cette ville est rebâtie et si ses murs sont
14 relevés, ils ne paieront ni tribut, ni impôt, ni droit de passage, et que le trésor royal en souffrira. Or,
comme nous mangeons le sel du palais et qu'il ne nous paraît pas convenable de voir mépriser le roi,
15 nous envoyons au roi ces informations. Qu'on fasse des recherches dans le livre des mémoires de tes
pères ; et tu trouveras et verras dans le livre des mémoires que cette ville est une ville rebelle, funeste
aux rois et aux provinces, et qu'on s'y est livré à la révolte dès les temps anciens. C'est pourquoi cette
16 ville a été détruite. Nous faisons savoir au roi que, si cette ville est rebâtie et si ses murs sont relevés,
17 par cela même tu n'auras plus de possession de ce côté du fleuve. Réponse envoyée par le roi à Rehum,
gouverneur, à Schimschaï, secrétaire, et au reste de leurs collègues, demeurant à Samarie et autres
18 lieux de l'autre côté du fleuve : Salut, etc. La lettre que vous nous avez envoyée a été lue exactement
19 devant moi. J 'ai donné ordre de faire des recherches ; et l'on a trouvé que dès les temps anciens cette
20 ville s'est soulevée contre les rois, et qu'on s'y est livré à la sédition et à la révolte. Il y eut à Jérusalem
des rois puissants, maîtres de tout le pays de l'autre côté du fleuve, et auxquels on payait tribut, impôt,
21 et droit de passage. En conséquence, ordonnez de faire cesser les travaux de ces gens, afin que cette
22 ville ne se rebâtisse point avant une autorisation de ma part. Gardez -vous de mettre en cela de la
23 négligence, de peur que le mal n'augmente au préjudice des rois. Aussitôt que la copie de la lettre du
roi Artaxerxès eut été lue devant Rehum, Schimschaï, le secrétaire, et leurs collègues, ils allèrent en
24 hâte à Jérusalem vers les Juifs, et firent cesser leurs travaux par violence et par force. Alors s'arrêta
l'ouvrage de la maison de Dieu à Jérusalem, et il fut interrompu jusqu'à la seconde année du règne de
Darius, roi de Perse.

5 Aggée, le prophète, et Zacharie, fils d'Iddo, le prophète, prophétisèrent aux Juifs qui étaient en Juda
2 et à Jérusalem, au nom du Dieu d'Israël. Alors Zorobabel, fils de Schealthiel, et Josué, fils de Jotsadak,
se levèrent et commencèrent à bâtir la maison de Dieu à Jérusalem. Et avec eux étaient les prophètes
3 de Dieu, qui les assistaient. Dans ce même temps, Thathnaï, gouverneur de ce côté du fleuve, Schethar-
Boznaï, et leurs collègues, vinrent auprès d'eux et leur parlèrent ainsi : Qui vous a donné l'autorisation
4 de bâtir cette maison et de relever ces murs ? Ils leur dirent encore : Quels sont les noms des hommes
5 qui construisent cet édifice ? Mais l'oeil de Dieu veillait sur les anciens des Juifs. Et on laissa continuer
6 les travaux pendant l'envoi d'un rapport à Darius et jusqu'à la réception d'une lettre sur cet objet. Copie
de la lettre envoyée au roi Darius par Thathnaï, gouverneur de ce côté du fleuve. Schethar-Boznaï, et
7 leurs collègues d'Apharsac, demeurant de ce côté du fleuve. Ils lui adressèrent un rapport ainsi conçu :
8 Au roi Darius, salut ! Que le roi sache que nous sommes allés dans la province de Juda, à la maison
du grand Dieu. Elle se construit en pierres de taille, et le bois se pose dans les murs ; le travail marche
9 rapidement et réussit entre leurs mains. Nous avons interrogé les anciens, et nous leur avons ainsi
10 parlé : Qui vous a donné l'autorisation de bâtir cette maison et de relever ces murs ? Nous leur avons
aussi demandé leurs noms pour te les faire connaître, et nous avons mis par écrit les noms des hommes
11 qui sont à leur tête. Voici la réponse qu'ils nous ont faite : Nous sommes les serviteurs du Dieu des
cieux et de la terre, et nous rebâtissons la maison qui avait été construite il y a bien des années ; un
12 grand roi d'Israël l'avait bâtie et achevée. Mais après que nos pères eurent irrité le Dieu des cieux,
il les livra entre les mains de Nebucadnetsar, roi de Babylone, le Chaldéen, qui détruisit cette maison
13 et emmena le peuple captif à Babylone. Toutefois, la première année de Cyrus, roi de Babylone, le roi
14 Cyrus donna l'ordre de rebâtir cette maison de Dieu. Et même le roi Cyrus ôta du temple de Babylone
les ustensiles d 'or et d'argent de la maison de Dieu, que Nebucadnetsar avait enlevés du temple de
Jérusalem et transportés dans le temple de Babylone, il les fit remettre au nommé Scheschbatsar, qu'il
15 établit gouverneur, et il lui dit : Prends ces ustensiles, va les déposer dans le temple de Jérusalem,
16 et que la maison de Dieu soit rebâtie sur le lieu où elle était. Ce Scheschbatsar est donc venu, et il a
posé les fondements de la maison de Dieu à Jérusalem ; depuis lors jusqu'à présent elle se construit, et
17 elle n'est pas achevée. Maintenant, si le roi le trouve bon, que l'on fasse des recherches dans la maison
des trésors du roi à Babylone, pour voir s 'il y a eu de la part du roi Cyrus un ordre donné pour la
construction de cette maison de Dieu à Jérusalem. Puis, que le roi nous transmette sa volonté sur cet
objet.

6 Alors le roi Darius donna ordre de faire des recherches dans la maison des archives où l'on déposait
2 les trésors à Babylone. Et l'on trouva à Achmetha, capitale de la province de Médie, un rouleau sur
3 lequel était écrit le mémoire suivant : La première année du roi Cyrus, le roi Cyrus a donné cet ordre
au sujet de la maison de Dieu à Jérusalem : Que la maison soit rebâtie, pour être un lieu où l'on offre
des sacrifices, et qu'elle ait des solides fondements. Elle aura soixante coudées de hauteur, soixante
4 coudées de largeur, trois rangées de pierres de taille et une rangée de bois neuf. Les frais seront payés

par la maison du roi. De plus, les ustensiles d'or et d'argent de la maison de Dieu, que Nebucadnetsar 5
avait enlevés du temple de Jérusalem et transportés à Babylone, seront rendus, transportés au temple
de Jérusalem à la place où ils étaient, et déposés dans la maison de Dieu. Maintenant, Thathnaï, 6
gouverneur de l'autre côté du fleuve, Schethar-Boznaï, et vos collègues d'Apharsac, qui demeurez de
l'autre côté du fleuve, tenez-vous loin de ce lieu. Laissez continuer les travaux de cette maison de 7
Dieu ; que le gouverneur des Juifs et les anciens des Juifs la rebâtissent sur l'emplacement qu'elle
occupait. Voici l'ordre que je donne touchant ce que vous aurez à faire à l'égard de ces anciens des Juifs 8
pour la construction de cette maison de Dieu : les frais, pris sur les biens du roi provenant des tributs
de l'autre côté du fleuve, seront exactement payés à ces hommes, afin qu'il n'y ait pas d'interruption.
Les choses nécessaires pour les holocaustes du Dieu des cieux, jeunes taureaux, béliers et agneaux, 9
froment, sel, vin et huile, seront livrées, sur leur demande, aux sacrificateurs de Jérusalem, jour par
jour et sans manquer, afin qu'ils offrent des sacrifices de bonne odeur au Dieu des cieux et qu'ils prient 10
pour la vie du roi et de ses fils. Et voici l'ordre que je donne touchant quiconque transgressera cette 11
parole : on arrachera de sa maison une pièce de bois, on la dressera pour qu'il y soit attaché, et l'on
fera de sa maison un tas d'immondices. Que le Dieu qui fait résider en ce lieu son nom renverse tout 12
roi et tout peuple qui étendraient la main pour transgresser ma parole, pour détruire cette maison
de Dieu à Jérusalem ! Moi, Darius, j'ai donné cet ordre. Qu'il soit ponctuellement exécuté. Thathnaï, 13
gouverneur de ce côté du fleuve, Schethar-Boznaï, et leurs collègues, se conformèrent ponctuellement
à cet ordre que leur envoya le roi Darius. Et les anciens des Juifs bâtirent avec succès, selon les 14
prophéties d'Aggée, le prophète, et de Zacharie, fils d'Iddo ; ils bâtirent et achevèrent, d'après l'ordre
du Dieu d'Israël, et d'après l'ordre de Cyrus, de Darius, et d'Artaxerxès, roi de Perse. La maison fut 15
achevée le troisième jour du mois d'Adar, dans la sixième année du règne du roi Darius. Les enfants 16
d'Israël, les sacrificateurs et les Lévites, et le reste des fils de la captivité, firent avec joie la dédicace de
cette maison de Dieu. Ils offrirent, pour la dédicace de cette maison de Dieu, cent taureaux, deux cents 17
béliers, quatre cents agneaux, et, comme victimes expiatoires pour tout Israël, douze boucs, d'après le
nombre des tribus d'Israël. Ils établirent les sacrificateurs selon leurs classes et les Lévites selon leurs 18
divisions pour le service de Dieu à Jérusalem, comme il est écrit dans le livre de Moïse. Les fils de la 19
captivité célébrèrent la Pâque le quatorzième jour du premier mois. Les sacrificateurs et les Lévites 20
s'étaient purifiés de concert, tous étaient purs ; ils immolèrent la Pâque pour tous les fils de la captivité,
pour leurs frères les sacrificateurs, et pour eux-mêmes. Les enfants d'Israël revenus de la captivité 21
mangèrent la Pâque, avec tous ceux qui s'étaient éloignés de l'impureté des nations du pays et qui se
joignirent à eux pour chercher l'Éternel, le Dieu d'Israël. Ils célébrèrent avec joie pendant sept jours 22
la fête des pains sans levain, car l'Éternel les avait réjouis en disposant le roi d'Assyrie à les soutenir
dans l'oeuvre de la maison de Dieu, du Dieu d'Israël.

Après ces choses, sous le règne d'Artaxerxès, roi de Perse, vint Esdras, fils de Seraja, fils d'Azaria, **7**
fils de Hilkija, fils de Schallum, fils de Tsadok, fils d'Achithub, fils d'Amaria, fils d'Azaria, fils de 2, 3
Merajoth, fils de Zerachja, fils d'Uzzi, fils de Bukki, fils d'Abischua, fils de Phinées, fils d'Éléazar, fils 4, 5
d'Aaron, le souverain sacrificateur. Cet Esdras vint de Babylone : c'était un scribe versé dans la loi 6
de Moïse, donnée par l'Éternel, le Dieu d'Israël. Et comme la main de l'Éternel, son Dieu, était sur
lui, le roi lui accorda tout ce qu'il avait demandé. Plusieurs des enfants d'Israël, des sacrificateurs 7
et des Lévites, des chantres, des portiers, et des Néthiniens, vinrent aussi à Jérusalem, la septième
année du roi Artaxerxès. Esdras arriva à Jérusalem au cinquième mois de la septième année du roi ; 8
il était parti de Babylone le premier jour du premier mois, et il arriva à Jérusalem le premier jour 9
du cinquième mois, la bonne main de son Dieu étant sur lui. Car Esdras avait appliqué son coeur 10
à étudier et à mettre en pratique la loi de l'Éternel, et à enseigner au milieu d'Israël les lois et les
ordonnances. Voici la copie de la lettre donnée par le roi Artaxerxès à Esdras, sacrificateur et scribe, 11
enseignant les commandements et les lois de l'Éternel concernant Israël : Artaxerxès, roi des rois, à 12
Esdras, sacrificateur et scribe, versé dans la loi du Dieu des cieux, etc. J 'ai donné ordre de laisser 13
aller tous ceux du peuple d'Israël, de ses sacrificateurs et de ses Lévites, qui se trouvent dans mon
royaume, et qui sont disposés à partir avec toi pour Jérusalem. Tu es envoyé par le roi et ses sept 14
conseillers pour inspecter Juda et Jérusalem d'après la loi de ton Dieu, laquelle est entre tes mains, et 15
pour porter l'argent et l'or que le roi et ses conseillers ont généreusement offerts au Dieu d'Israël, dont
la demeure est à Jérusalem, tout l'argent et l'or que tu trouveras dans toute la province de Babylone, 16
et les dons volontaires faits par le peuple et les sacrificateurs pour la maison de leur Dieu à Jérusalem.
En conséquence, tu auras soin d'acheter avec cet argent des taureaux, des béliers, des agneaux, et ce qui 17
est nécessaire pour les offrandes et les libations, et tu les offriras sur l'autel de la maison de votre Dieu à
Jérusalem. Vous ferez avec le reste de l'argent et de l'or ce que vous jugerez bon de faire, toi et tes frères, 18
en vous conformant à la volonté de votre Dieu. Dépose devant le Dieu de Jérusalem les ustensiles qui 19

20 te sont remis pour le service de la maison de ton Dieu. Tu tireras de la maison des trésors du roi ce
21 qu'il faudra pour les autres dépenses que tu auras à faire concernant la maison de ton Dieu. Moi, le roi
Artaxerxès, je donne l'ordre à tous les trésoriers de l'autre côté du fleuve de livrer exactement à Esdras,
22 sacrificateur et scribe, versé dans la loi du Dieu des cieux, tout ce qu'il vous demandera, jusqu'à cent
23 talents d'argent, cent cors de froment, cent baths de vin, cent baths d'huile, et du sel à discrétion. Que
tout ce qui est ordonné par le Dieu des cieux se fasse ponctuellement pour la maison du Dieu des cieux,
24 afin que sa colère ne soit pas sur le royaume, sur le roi et sur ses fils. Nous vous faisons savoir qu'il
ne peut être levé ni tribut, ni impôt, ni droit de passage, sur aucun des sacrificateurs, des Lévites, des
25 chantres, des portiers, des Néthiniens, et des serviteurs de cette maison de Dieu. Et toi, Esdras, selon
la sagesse de Dieu que tu possèdes, établis des juges et des magistrats qui rendent la justice à tout le
peuple de l'autre côté du fleuve, à tous ceux qui connaissent les lois de ton Dieu ; et fais-les connaître à
26 ceux qui ne les connaissent pas. Quiconque n'observera pas ponctuellement la loi de ton Dieu et la loi
27 du roi sera condamné à la mort, au bannissement, à une amende, ou à la prison. Béni soit l'Éternel,
le Dieu de nos pères, qui a disposé le coeur du roi à glorifier ainsi la maison de l'Éternel à Jérusalem,
28 et qui m'a rendu l'objet de la bienveillance du roi, de ses conseillers, et de tous ses puissants chefs !
Fortifié par la main de l'Éternel, mon Dieu, qui était sur moi, j'ai rassemblé les chefs d'Israël, afin qu'ils
partissent avec moi.

8 Voici les chefs de familles et les généalogies de ceux qui montèrent avec moi de Babylone, sous le
2 règne du roi Artaxerxès. Des fils de Phinées, Guerschom ; des fils d'Ithamar, Daniel ; des fils de David,
3 Hatthusch, des fils de Schecania ; des fils de Pareosch, Zacharie, et avec lui cent cinquante mâles
4, 5 enregistrés ; des fils de Pachat Moab, Eljoénaï, fils de Zerachja, et avec lui deux cents mâles ; des fils
6 de Schecania, le fils de Jachaziel, et avec lui trois cents mâles ; des fils d'Adin, Ébed, fils de Jonathan,
7, 8 et avec lui cinquante mâles ; des fils d'Élam, Ésaïe, fils d'Athalia, et avec lui soixante-dix mâles ; des
9 fils de Schephathia, Zebadia, fils de Micaël, et avec lui quatre-vingts mâles ; des fils de Joab, Abdias,
10 fils de Jehiel, et avec lui deux cent dix-huit mâles ; des fils de Schelomith, le fils de Josiphia, et avec lui
11, 12 cent soixante mâles ; des fils de Bébaï, Zacharie, fils de Bébaï, et avec lui vingt -huit mâles ; des fils
13 d'Azgad, Jochanan, fils d'Hakkathan, et avec lui cent dix mâles ; des fils d'Adonikam, les derniers, dont
14 voici les noms : Éliphéleth, Jeïel et Schemaeja, et avec eux soixante mâles ; des fils de Bigvaï, Uthaï
15 et Zabbud, et avec eux soixante-dix mâles. Je les rassemblai près du fleuve qui coule vers Ahava, et
nous campâmes là trois jours. Je dirigeai mon attention sur le peuple et sur les sacrificateurs, et je ne
16 trouvai là aucun des fils de Lévi. Alors je fis appeler les chefs Éliézer, Ariel, Schemaeja, Elnathan,
17 Jarib, Elnathan, Nathan, Zacharie et Meschullam, et les docteurs Jojarib et Elnathan. Je les envoyai
vers le chef Iddo, demeurant à Casiphia, et je mis dans leur bouche ce qu'ils devaient dire à Iddo et à ses
frères les Néthiniens qui étaient à Casiphia, afin qu'ils nous amenassent des serviteurs pour la maison
18 de notre Dieu. Et, comme la bonne main de notre Dieu était sur nous, ils nous amenèrent Schérébia,
homme de sens, d'entre les fils de Machli, fils de Lévi, fils d'Israël, et avec lui ses fils et ses frères, au
19 nombre de dix-huit ; Haschabia, et avec lui Ésaïe, d'entre les fils de Merari, ses frères et leurs fils, au
20 nombre de vingt ; et d'entre les Néthiniens, que David et les chefs avaient mis au service des Lévites,
21 deux cent vingt Néthiniens, tous désignés par leurs noms. Là, près du fleuve d'Ahava, je publiai un
jeûne d'humiliation devant notre Dieu, afin d'implorer de lui un heureux voyage pour nous, pour nos
22 enfants, et pour tout ce qui nous appartenait. J'aurais eu honte de demander au roi une escorte et des
cavaliers pour nous protéger contre l'ennemi pendant la route, car nous avions dit au roi : La main de
notre Dieu est pour leur bien sur tous ceux qui le cherchent, mais sa force et sa colère sont sur tous ceux
23 qui l'abandonnent. C'est à cause de cela que nous jeûnâmes et que nous invoquâmes notre Dieu. Et il
24, 25 nous exauça. Je choisis douze chefs des sacrificateurs, Schérébia, Haschabia, et dix de leurs frères. Je
pesai devant eux l'argent, l'or, et les ustensiles, donnés en offrande pour la maison de notre Dieu par
26 le roi, ses conseillers et ses chefs, et par tous ceux d'Israël qu'on avait trouvés. Je remis entre leurs
mains six cent cinquante talents d'argent, des ustensiles d'argent pour cent talents, cent talents d'or,
27, 28 vingt coupes d'or valant mille dariques, et deux vases d'un bel airain poli, aussi précieux que l'or. Puis
je leur dis : Vous êtes consacrés à l'Éternel ; ces ustensiles sont des choses saintes, et cet argent et cet or
29 sont une offrande volontaire à l'Éternel, le Dieu de vos pères. Soyez vigilants, et prenez cela sous votre
garde, jusqu'à ce que vous le pesiez devant les chefs des sacrificateurs et les Lévites, et devant les chefs
30 de familles d'Israël, à Jérusalem, dans les chambres de la maison de l'Éternel. Et les sacrificateurs et
les Lévites reçurent au poids l'argent, l'or et les ustensiles, pour les porter à Jérusalem, dans la maison
31 de notre Dieu. Nous partîmes du fleuve d'Ahava pour nous rendre à Jérusalem, le douzième jour du
premier mois. La main de notre Dieu fut sur nous et nous préserva des attaques de l'ennemi et de toute
32, 33 embûche pendant la route. Nous arrivâmes à Jérusalem, et nous nous y reposâmes trois jours. Le
quatrième jour, nous pesâmes dans la maison de notre Dieu l'argent, l'or, et les ustensiles, que nous

remîmes à Merémoth, fils d'Urie, le sacrificateur ; il y avait avec lui Éléazar, fils de Phinées, et avec
eux les Lévites Jozabad, fils de Josué, et Noadia, fils de Binnuï. Le tout ayant été vérifié, soit pour 34
le nombre, soit pour le poids, on mit alors par écrit le poids du tout. Les fils de la captivité revenus 35
de l'exil offrirent en holocauste au Dieu d'Israël douze taureaux pour tout Israël, quatre-vingt-seize
béliers, soixante-dix-sept agneaux, et douze boucs comme victimes expiatoires, le tout en holocauste à
l'Éternel. Ils transmirent les ordres du roi aux satrapes du roi et aux gouverneurs de ce côté du fleuve, 36
lesquels honorèrent le peuple et la maison de Dieu.

Après que cela fut terminé, les chefs s'approchèrent de moi, en disant : Le peuple d'Israël, les sacrifi- **9**
cateurs et les Lévites ne se sont point séparés des peuples de ces pays, et ils imitent leurs abominations,
celles des Cananéens, des Héthiens, des Phéréziens, des Jébusiens, des Ammonites, des Moabites, des
Égyptiens et des Amoréens. Car ils ont pris de leurs filles pour eux et pour leurs fils, et ont mêlé la race 2
sainte avec les peuples de ces pays ; et les chefs et les magistrats ont été les premiers à commettre ce
péché. Lorsque j'entendis cela, je déchirai mes vêtements et mon manteau, je m'arrachai les cheveux 3
de la tête et les poils de la barbe, et je m'assis désolé. Auprès de moi s'assemblèrent tous ceux que 4
faisaient trembler les paroles du Dieu d'Israël, à cause du péché des fils de la captivité ; et moi, je restai
assis et désolé, jusqu'à l'offrande du soir. Puis, au moment de l'offrande du soir, je me levai du sein de 5
mon humiliation, avec mes vêtements et mon manteau déchirés, je tombai à genoux, j'étendis les mains
vers l'Éternel, mon Dieu, et je dis : Mon Dieu, je suis dans la confusion, et j'ai honte, ô mon Dieu, de le- 6
ver ma face vers toi ; car nos iniquités se sont multipliées par-dessus nos têtes, et nos fautes ont atteint
jusqu'aux cieux. Depuis les jours de nos pères nous avons été grandement coupables jusqu'à ce jour, et 7
c'est à cause de nos iniquités que nous avons été livrés, nous, nos rois et nos sacrificateurs, aux mains
des rois étrangers, à l'épée, à la captivité, au pillage, et à la honte qui couvre aujourd'hui notre visage.
Et cependant l'Éternel, notre Dieu, vient de nous faire grâce en nous laissant quelques réchappés et en 8
nous accordant un abri dans son saint lieu, afin d'éclaircir nos yeux et de nous donner un peu de vie
au milieu de notre servitude. Car nous sommes esclaves, mais Dieu ne nous a pas abandonnés dans 9
notre servitude. Il nous a rendus les objets de la bienveillance des rois de Perse, pour nous conserver la
vie afin que nous puissions bâtir la maison de notre Dieu et en relever les ruines, et pour nous donner
une retraite en Juda et à Jérusalem. Maintenant, que dirons -nous après cela, ô notre Dieu ? Car nous 10
avons abandonné tes commandements, que tu nous avais prescrits par tes serviteurs les prophètes, 11
en disant : Le pays dans lequel vous entrez pour le posséder est un pays souillé par les impuretés des
peuples de ces contrées, par les abominations dont ils l'ont rempli d'un bout à l'autre avec leurs impu-
retés ; ne donnez donc point vos filles à leurs fils et ne prenez point leurs filles pour vos fils, et n'ayez 12
jamais souci ni de leur prospérité ni de leur bien-être, et ainsi vous deviendrez forts, vous mangerez
les meilleures productions du pays, et vous le laisserez pour toujours en héritage à vos fils. Après tout 13
ce qui nous est arrivé à cause des mauvaises actions et des grandes fautes que nous avons commises,
quoique tu ne nous aies pas, ô notre Dieu, punis en proportion de nos iniquités, et maintenant que tu
nous as conservé ces réchappés, recommencerions -nous à violer tes commandements et à nous allier 14
avec ces peuples abominables ? Ta colère n'éclaterait-elle pas encore contre nous jusqu'à nous détruire,
sans laisser ni reste ni réchappés ? Éternel, Dieu d'Israël, tu es juste, car nous sommes aujourd'hui 15
un reste de réchappés. Nous voici devant toi comme des coupables, et nous ne saurions ainsi subsister
devant ta face.

Pendant qu'Esdras, pleurant et prosterné devant la maison de Dieu, faisait cette prière et cette **10**
confession, il s'était rassemblé auprès de lui une foule très nombreuse de gens d'Israël, hommes, femmes
et enfants, et le peuple répandait d'abondantes larmes. Alors Schecania, fils de Jehiel, d'entre les fils 2
d'Élam, prit la parole et dit à Esdras : Nous avons péché contre notre Dieu, en nous alliant à des femmes
étrangères qui appartiennent aux peuples du pays. Mais Israël ne reste pas pour cela sans espérance.
Faisons maintenant une alliance avec notre Dieu pour le renvoi de toutes ces femmes et de leurs en- 3
fants, selon l'avis de mon seigneur et de ceux qui tremblent devant les commandements de notre Dieu.
Et que l'on agisse d'après la loi. Lève -toi, car cette affaire te regarde. Nous serons avec toi. Prends 4
courage et agis. Esdras se leva, et il fit jurer aux chefs des sacrificateurs, des Lévites, et de tout Is- 5
raël, de faire ce qui venait d'être dit. Et ils le jurèrent. Puis Esdras se retira de devant la maison 6
de Dieu, et il alla dans la chambre de Jochanan, fils d'Éliaschib ; quand il y fut entré, il ne mangea
point de pain et il ne but point d'eau, parce qu'il était dans la désolation à cause du péché des fils de
la captivité. On publia dans Juda et à Jérusalem que tous les fils de la captivité eussent à se réunir à 7
Jérusalem, et que, d'après l'avis des chefs et des anciens, quiconque ne s'y serait pas rendu dans trois 8
jours aurait tous ses biens confisqués et serait lui-même exclu de l'assemblée des fils de la captivité.
Tous les hommes de Juda et de Benjamin se rassemblèrent à Jérusalem dans les trois jours. C'était le 9
vingtième jour du neuvième mois. Tout le peuple se tenait sur la place de la maison de Dieu, tremblant
à cause de la circonstance et par suite de la pluie. Esdras, le sacrificateur, se leva et leur dit : Vous 10

avez péché en vous alliant à des femmes étrangères, et vous avez rendu Israël encore plus coupable.
11 Confessez maintenant votre faute à l'Éternel, le Dieu de vos pères, et faites sa volonté ! Séparez -vous
12 des peuples du pays et des femmes étrangères. Toute l'assemblée répondit d'une voix haute : À nous de
13 faire comme tu l'as dit ! Mais le peuple est nombreux, le temps est à la pluie, et il n'est pas possible de
rester dehors ; d'ailleurs, ce n'est pas l'oeuvre d'un jour ou deux, car il y en a beaucoup parmi nous qui
14 ont péché dans cette affaire. Que nos chefs restent donc pour toute l'assemblée ; et tous ceux qui dans
nos villes se sont alliés à des femmes étrangères viendront à des époques fixes, avec les anciens et les
juges de chaque ville, jusqu'à ce que l'ardente colère de notre Dieu se soit détournée de nous au sujet
15 de cette affaire. Jonathan, fils d'Asaël, et Jachzia, fils de Thikva, appuyés par Meschullam et par le
16 Lévite Schabthaï, furent les seuls à combattre cet avis, auquel se conformèrent les fils de la captivité.
On choisit Esdras, le sacrificateur, et des chefs de famille selon leurs maisons paternelles, tous désignés
17 par leurs noms ; et ils siégèrent le premier jour du dixième mois pour s'occuper de la chose. Le premier
jour du premier mois, ils en finirent avec tous les hommes qui s'étaient alliés à des femmes étrangères.
18 Parmi les fils de sacrificateurs, il s'en trouva qui s'étaient alliés à des femmes étrangères : des fils de
19 Josué, fils de Jotsadak, et de ses frères, Maaséja, Éliézer, Jarib et Guedalia, qui s'engagèrent, en don-
20 nant la main, à renvoyer leurs femmes et à offrir un bélier en sacrifice de culpabilité ; des fils d'Immer,
21, 22 Hanani et Zebadia ; des fils de Harim, Maaséja, Élie, Schemaeja, Jehiel et Ozias ; des fils de Paschhur,
23 Eljoénaï, Maaséja, Ismaël, Nethaneel, Jozabad et Éleasa. Parmi les Lévites : Jozabad, Schimeï, Kélaja
24 ou Kelitha, Pethachja, Juda et Éliézer. Parmi les chantres : Éliaschib. Parmi les portiers : Schallum,
25 Thélem et Uri. Parmi ceux d'Israël : des fils de Pareosch, Ramia, Jizzija, Malkija, Mijamin, Éléazar,
26, 27 Malkija et Benaja ; des fils d'Élam, Matthania, Zacharie, Jehiel, Abdi, Jerémoth et Élie ; des fils de
28 Zatthu, Eljoénaï, Éliaschib, Matthania, Jerémoth, Zabad et Aziza ; des fils de Bébaï, Jochanan, Hana-
29, 30 nia, Zabbaï et Athlaï ; des fils de Bani, Meschullam, Malluc, Adaja, Jaschub, Scheal et Ramoth ; des
31 fils de Pachath-Moab, Adna, Kelal, Benaja, Maaséja, Matthania, Betsaleel, Binnuï et Manassé ; des fils
32, 33 de Harim, Éliézer, Jischija, Malkija, Schemaeja, Siméon, Benjamin, Malluc et Schemaria ; des fils de
34 Haschum, Matthnaï, Matthattha, Zabad, Éliphéleth, Jerémaï, Manassé et Schimeï ; des fils de Bani,
35, 36, 37 Maadaï, Amram, Uel, Benaja, Bédia, Keluhu, Vania, Merémoth, Éliaschib, Matthania, Matthnaï,
38, 39, 40, 41 Jaasaï, Bani, Binnuï, Schimeï, Schélémia, Nathan, Adaja, Macnadbaï, Schaschaï, Scharaï, Azareel,
42, 43 Schélémia, Schemaria, Schallum, Amaria et Joseph ; des fils de Nebo, Jeïel, Matthithia, Zabad, Ze-
44 bina, Jaddaï, Joël et Benaja. Tous ceux-là avaient pris des femmes étrangères, et plusieurs en avaient
eu des enfants.

NÉHÉMIE

Paroles de Néhémie, fils de Hacalia. Au mois de Kisleu, la vingtième année, comme j'étais à **1**
Suse, dans la capitale, Hanani, l'un de mes frères, et quelques hommes arrivèrent de Juda. 2
Je les questionnai au sujet des Juifs réchappés qui étaient restés de la captivité, et au sujet de
Jérusalem. Ils me répondirent : Ceux qui sont restés de la captivité sont là dans la province, 3
au comble du malheur et de l'opprobre ; les murailles de Jérusalem sont en ruines, et ses portes sont
consumées par le feu. Lorsque j'entendis ces choses, je m'assis, je pleurai, et je fus plusieurs jours 4
dans la désolation. Je jeûnai et je priai devant le Dieu des cieux, et je dis : O Éternel, Dieu des cieux, 5
Dieu grand et redoutable, toi qui gardes ton alliance et qui fais miséricorde à ceux qui t'aiment et qui
observent tes commandements ! Que ton oreille soit attentive et que tes yeux soient ouverts : écoute la 6
prière que ton serviteur t 'adresse en ce moment, jour et nuit, pour tes serviteurs les enfants d'Israël,
en confessant les péchés des enfants d'Israël, nos péchés contre toi ; car moi et la maison de mon père,
nous avons péché. Nous t'avons offensé, et nous n'avons point observé les commandements, les lois et 7
les ordonnances que tu prescrivis à Moïse, ton serviteur. Souviens -toi de cette parole que tu donnas 8
ordre à Moïse, ton serviteur, de prononcer. Lorsque vous pécherez, je vous disperserai parmi les peuples ;
mais si vous revenez à moi, et si vous observez mes commandements et les mettez en pratique, alors, 9
quand vous seriez exilés à l'extrémité du ciel, de là je vous rassemblerai et je vous ramènerai dans le
lieu que j'ai choisi pour y faire résider mon nom. Ils sont tes serviteurs et ton peuple, que tu as rachetés 10
par ta grande puissance et par ta main forte. Ah ! Seigneur, que ton oreille soit attentive à la prière 11
de ton serviteur, et à la prière de tes serviteurs qui veulent craindre ton nom ! Donne aujourd'hui du
succès à ton serviteur, et fais-lui trouver grâce devant cet homme ! J'étais alors échanson du roi.

Au mois de Nisan, la vingtième année du roi Artaxerxès, comme le vin était devant lui, je pris le vin **2**
et je l'offris au roi. Jamais je n'avais paru triste en sa présence. Le roi me dit : Pourquoi as-tu mauvais 2
visage ? Tu n'es pourtant pas malade ; ce ne peut être qu'un chagrin de coeur. Je fus saisi d'une grande
crainte, et je répondis au roi : Que le roi vive éternellement ! Comment n'aurais-je pas mauvais visage, 3
lorsque la ville où sont les sépulcres de mes pères est détruite et que ses portes sont consumées par le
feu ? Et le roi me dit : Que demandes -tu ? Je priai le Dieu des cieux, et je répondis au roi : Si le roi 4, 5
le trouve bon, et si ton serviteur lui est agréable, envoie -moi en Juda, vers la ville des sépulcres de
mes pères, pour que je la rebâtisse. Le roi, auprès duquel la reine était assise, me dit alors : Combien 6
ton voyage durera-t-il, et quand seras-tu de retour ? Il plut au roi de me laisser partir, et je lui fixai
un temps. Puis je dis au roi : Si le roi le trouve bon, qu'on me donne des lettres pour les gouverneurs 7
de l'autre côté du fleuve, afin qu'ils me laissent passer et entrer en Juda, et une lettre pour Asaph, 8
garde forestier du roi, afin qu'il me fournisse du bois de charpente pour les portes de la citadelle près
de la maison, pour la muraille de la ville, et pour la maison que j'occuperai. Le roi me donna ces lettres,
car la bonne main de mon Dieu était sur moi. Je me rendis auprès des gouverneurs de l'autre côté du 9
fleuve, et je leur remis les lettres du roi, qui m'avait fait accompagner par des chefs de l'armée et par
des cavaliers. Sanballat, le Horonite, et Tobija, le serviteur ammonite, l'ayant appris, eurent un grand 10
déplaisir de ce qu'il venait un homme pour chercher le bien des enfants d'Israël. J'arrivai à Jérusalem, 11
et j'y passai trois jours. Après quoi, je me levai pendant la nuit avec quelques hommes, sans avoir 12
dit à personne ce que mon Dieu m'avait mis au coeur de faire pour Jérusalem. Il n'y avait avec moi
d'autre bête de somme que ma propre monture. Je sortis de nuit par la porte de la vallée, et je me 13
dirigeai contre la source du dragon et vers la porte du fumier, considérant les murailles en ruines de
Jérusalem et réfléchissant à ses portes consumées par le feu. Je passai près de la porte de la source et 14
de l'étang du roi, et il n'y avait point de place par où pût passer la bête qui était sous moi. Je montai 15
de nuit par le torrent, et je considérai encore la muraille. Puis je rentrai par la porte de la vallée, et je
fus ainsi de retour. Les magistrats ignoraient où j'étais allé, et ce que je faisais. Jusqu'à ce moment, je 16
n'avais rien dit aux Juifs, ni aux sacrificateurs, ni aux grands, ni aux magistrats, ni à aucun de ceux qui
s'occupaient des affaires. Je leur dis alors : Vous voyez le malheureux état où nous sommes ! Jérusalem 17
est détruite, et ses portes sont consumées par le feu ! Venez, rebâtissons la muraille de Jérusalem, et
nous ne serons plus dans l'opprobre. Et je leur racontai comment la bonne main de mon Dieu avait 18
été sur moi, et quelles paroles le roi m'avait adressées. Ils dirent : Levons -nous, et bâtissons ! Et ils
se fortifièrent dans cette bonne résolution. Sanballat, le Horonite, Tobija, le serviteur ammonite, et 19
Guéschem, l'Arabe, en ayant été informés, se moquèrent de nous et nous méprisèrent. Ils dirent : Que
faites -vous là ? Vous révoltez -vous contre le roi ? Et je leur fis cette réponse : Le Dieu des cieux nous 20
donnera le succès. Nous, ses serviteurs, nous nous lèverons et nous bâtirons ; mais vous, vous n'avez ni
part, ni droit, ni souvenir dans Jérusalem.

Éliaschib, le souverain sacrificateur, se leva avec ses frères, les sacrificateurs, et ils bâtirent la porte **3**

des brebis. Ils la consacrèrent et en posèrent les battants ; ils la consacrèrent, depuis la tour de Méa
2 jusqu'à la tour de Hananeel. À côté d'Éliaschib bâtirent les hommes de Jéricho ; à côté de lui bâtit
3 aussi Zaccur, fils d'Imri. Les fils de Senaa bâtirent la porte des poissons. Ils la couvrirent, et en po-
4 sèrent les battants, les verrous et les barres. À côté d'eux travailla aux réparations Merémoth, fils
d'Urie, fils d'Hakkots ; à côté d'eux travailla Meschullam, fils de Bérékia, fils de Meschézabeel ; à côté
5 d'eux travailla Tsadok, fils de Baana ; à côté d'eux travaillèrent les Tekoïtes, dont les principaux ne
6 se soumirent pas au service de leur seigneur. Jojada, fils de Paséach, et Meschullam, fils de Besodia,
7 réparèrent la vieille porte. Ils la couvrirent, et en posèrent les battants, les verrous et les barres. À
côté d'eux travaillèrent Melatia, le Gabaonite, Jadon, le Méronothite, et les hommes de Gabaon et de
8 Mitspa, ressortissant au siège du gouverneur de ce côté du fleuve ; à côté d'eux travailla Uzziel, fils de
Harhaja, d'entre les orfèvres, et à côté de lui travailla Hanania, d'entre les parfumeurs. Ils laissèrent
9 Jérusalem jusqu'à la muraille large. À côté d'eux travailla aux réparations Rephaja, fils de Hur, chef
10 de la moitié du district de Jérusalem. À côté d'eux travailla vis-à-vis de sa maison Jedaja, fils de Ha-
11 rumaph, et à côté de lui travailla Hattusch, fils de Haschabnia. Une autre portion de la muraille et la
12 tour des fours furent réparées par Malkija, fils de Harim, et par Haschub, fils de Pachath-Moab. À côté
d'eux travailla, avec ses filles, Schallum, fils d'Hallochesch, chef de la moitié du district de Jérusalem.
13 Hanun et les habitants de Zanoach réparèrent la porte de la vallée. Ils la bâtirent, et en posèrent les
battants, les verrous et les barres. Ils firent de plus mille coudées de mur jusqu'à la porte du fumier.
14 Malkija, fils de Récab, chef du district de Beth-Hakkérem, répara la porte du fumier. Il la bâtit, et en
15 posa les battants, les verrous et les barres. Schallum, fils de Col-Hozé, chef du district de Mitspa, ré-
para la porte de la source. Il la bâtit, la couvrit, et en posa les battants, les verrous et les barres. Il
fit de plus le mur de l'étang de Siloé, près du jardin du roi, jusqu'aux degrés qui descendent de la cité
16 de David. Après lui Néhémie, fils d'Azbuk, chef de la moitié du district de Beth-Tsur, travailla aux
réparations jusque vis-à-vis des sépulcres de David, jusqu'à l'étang qui avait été construit, et jusqu'à
17 la maison des héros. Après lui travaillèrent les Lévites, Rehum, fils de Bani, et à côté de lui travailla
18 pour son district Haschabia, chef de la moitié du district de Keïla. Après lui travaillèrent leurs frères,
19 Bavvaï, fils de Hénadad, chef de la moitié du district de Keïla ; et à côté de lui Ézer, fils de Josué, chef
20 de Mitspa, répara une autre portion de la muraille, vis-à-vis de la montée de l'arsenal, à l'angle. Après
lui Baruc, fils de Zabbaï, répara avec ardeur une autre portion, depuis l'angle jusqu'à la porte de la
21 maison d'Éliaschib, le souverain sacrificateur. Après lui Merémoth, fils d'Urie, fils d'Hakkots, répara
une autre portion depuis la porte de la maison d'Éliaschib jusqu'à l'extrémité de la maison d'Éliaschib.
22, 23 Après lui travaillèrent les sacrificateurs des environs de Jérusalem. Après eux Benjamin et Haschub
travaillèrent vis-à-vis de leur maison. Après eux Azaria, fils de Maaséja, fils d'Anania, travailla à côté
24 de sa maison. Après lui Binnuï, fils de Hénadad, répara une autre portion, depuis la maison d'Azaria
25 jusqu'à l'angle et jusqu'au coin. Palal, fils d'Uzaï, travailla vis-à-vis de l'angle et de la tour supérieure
qui fait saillie en avant de la maison du roi près de la cour de la prison. Après lui travailla Pedaja, fils de
26 Pareosch. Les Néthiniens demeurant sur la colline travaillèrent jusque vis-à-vis de la porte des eaux,
27 à l'orient, et de la tour en saillie. Après eux les Tekoïtes réparèrent une autre portion, vis-à-vis de la
28 grande tour en saillie jusqu'au mur de la colline. Au-dessus de la porte des chevaux, les sacrificateurs
29 travaillèrent chacun devant sa maison. Après eux Tsadok, fils d'Immer, travailla devant sa maison.
30 Après lui travailla Schemaeja, fils de Schecania, gardien de la porte de l'orient. Après eux Hanania,
fils de Schélémia, et Hanun, le sixième fils de Tsalaph, réparèrent une autre portion de la muraille.
31 Après eux Meschullam, fils de Bérékia, travailla vis-à-vis de sa chambre. Après lui Malkija, d'entre les
orfèvres, travailla jusqu'aux maisons des Néthiniens et des marchands, vis-à-vis de la porte de Miph-
32 kad, et jusqu'à la chambre haute du coin. Les orfèvres et les marchands travaillèrent entre la chambre
haute du coin et la porte des brebis.

4 Lorsque Sanballat apprit que nous rebâtissions la muraille, il fut en colère et très irrité. Il se moqua
2 des Juifs, et dit devant ses frères et devant les soldats de Samarie : À quoi travaillent ces Juifs im-
puissants ? Les laissera-t-on faire ? Sacrifieront -ils ? Vont-ils achever ? Redonneront-ils vie à des pierres
3 ensevelies sous des monceaux de poussière et consumées par le feu ? Tobija, l'Ammonite, était à côté de
lui, et il dit : Qu'ils bâtissent seulement ! Si un renard s'élance, il renversera leur muraille de pierres !
4 Écoute, ô notre Dieu, comme nous sommes méprisés ! Fais retomber leurs insultes sur leur tête, et livre
5 -les au pillage sur une terre où ils soient captifs. Ne pardonne pas leur iniquité, et que leur péché ne
6 soit pas effacé de devant toi ; car ils ont offensé ceux qui bâtissent. Nous rebâtîmes la muraille, qui fut
7 partout achevée jusqu'à la moitié de sa hauteur. Et le peuple prit à coeur ce travail. Mais Sanballat, To-
bija, les Arabes, les Ammonites et les Asdodiens, furent très irrités en apprenant que la réparation des
8 murs avançait et que les brèches commençaient à se fermer. Ils se liguèrent tous ensemble pour venir
9 attaquer Jérusalem et lui causer du dommage. Nous priâmes notre Dieu, et nous établîmes une garde

jour et nuit pour nous défendre contre leurs attaques. Cependant Juda disait : Les forces manquent 10
à ceux qui portent les fardeaux, et les décombres sont considérables ; nous ne pourrons pas bâtir la
muraille. Et nos ennemis disaient : Ils ne sauront et ne verront rien jusqu'à ce que nous arrivions au 11
milieu d'eux ; nous les tuerons, et nous ferons ainsi cesser l'ouvrage. Or les Juifs qui habitaient près 12
d'eux vinrent dix fois nous avertir, de tous les lieux d'où ils se rendaient vers nous. C'est pourquoi je 13
plaçai, dans les enfoncements derrière la muraille et sur des terrains secs, le peuple par familles, tous
avec leurs épées, leurs lances et leurs arcs. Je regardai, et m'étant levé, je dis aux grands, aux magis- 14
trats, et au reste du peuple : Ne les craignez pas ! Souvenez -vous du Seigneur, grand et redoutable, et
combattez pour vos frères, pour vos fils et vos filles, pour vos femmes et pour vos maisons ! Lorsque 15
nos ennemis apprirent que nous étions avertis, Dieu anéantit leur projet, et nous retournâmes tous à
la muraille, chacun à son ouvrage. Depuis ce jour, la moitié de mes serviteurs travaillaient, et l'autre 16
moitié était armée de lances, de boucliers, d'arcs et de cuirasses. Les chefs étaient derrière toute la
maison de Juda. Ceux qui bâtissaient la muraille, et ceux qui portaient ou chargeaient les fardeaux, 17
travaillaient d'une main et tenaient une arme de l'autre ; chacun d'eux, en travaillant, avait son épée 18
ceinte autour des reins. Celui qui sonnait de la trompette se tenait près de moi. Je dis aux grands, 19
aux magistrats, et au reste du peuple : L'ouvrage est considérable et étendu, et nous sommes dispersés
sur la muraille, éloignés les uns des autres. Au son de la trompette, rassemblez -vous auprès de nous, 20
vers le lieu d'où vous l'entendrez ; notre Dieu combattra pour nous. C'est ainsi que nous poursuivions 21
l'ouvrage, la moitié d'entre nous la lance à la main depuis le lever de l'aurore jusqu'à l'apparition des
étoiles. Dans ce même temps, je dis encore au peuple : Que chacun passe la nuit dans Jérusalem avec 22
son serviteur ; faisons la garde pendant la nuit, et travaillons pendant le jour. Et nous ne quittions 23
point nos vêtements, ni moi, ni mes frères, ni mes serviteurs, ni les hommes de garde qui me suivaient ;
chacun n'avait que ses armes et de l'eau.

Il s'éleva de la part des gens du peuple et de leurs femmes de grandes plaintes contre leurs frères **5**
les Juifs. Les uns disaient : Nous, nos fils et nos filles, nous sommes nombreux ; qu'on nous donne du 2
blé, afin que nous mangions et que nous vivions. D'autres disaient : Nous engageons nos champs, nos 3
vignes, et nos maisons, pour avoir du blé pendant la famine. D'autres disaient : Nous avons emprunté 4
de l'argent sur nos champs et nos vignes pour le tribut du roi. Et pourtant notre chair est comme la 5
chair de nos frères, nos enfants sont comme leurs enfants ; et voici, nous soumettons à la servitude nos
fils et nos filles, et plusieurs de nos filles y sont déjà réduites ; nous sommes sans force, et nos champs
et nos vignes sont à d'autres. Je fus très irrité lorsque j'entendis leurs plaintes et ces paroles -là. Je 6, 7
résolus de faire des réprimandes aux grands et aux magistrats, et je leur dis : Quoi ! vous prêtez à
intérêt à vos frères ! Et je rassemblai autour d'eux une grande foule, et je leur dis : Nous avons racheté 8
selon notre pouvoir nos frères les Juifs vendus aux nations ; et vous vendriez vous-mêmes vos frères,
et c'est à nous qu'ils seraient vendus ! Ils se turent, ne trouvant rien à répondre. Puis je dis : Ce que 9
vous faites n'est pas bien. Ne devriez-vous pas marcher dans la crainte de notre Dieu, pour n'être pas
insultés par les nations nos ennemies ? Moi aussi, et mes frères et mes serviteurs, nous leur avons 10
prêté de l'argent et du blé. Abandonnons ce qu'ils nous doivent ! Rendez -leur donc aujourd'hui leurs 11
champs, leurs vignes, leurs oliviers et leurs maisons, et le centième de l'argent, du blé, du moût et de
l'huile que vous avez exigé d'eux comme intérêt. Ils répondirent : Nous les rendrons, et nous ne leur 12
demanderons rien, nous ferons ce que tu dis. Alors j'appelai les sacrificateurs, devant lesquels je les fis
jurer de tenir parole. Et je secouai mon manteau, en disant : Que Dieu secoue de la même manière hors 13
de sa maison et de ses biens tout homme qui n'aura point tenu parole, et qu'ainsi cet homme soit secoué
et laissé à vide ! Toute l'assemblée dit : Amen ! On célébra l'Éternel. Et le peuple tint parole. Dès le jour 14
où le roi m'établit leur gouverneur dans le pays de Juda, depuis la vingtième année jusqu'à la trente
-deuxième année du roi Artaxerxès, pendant douze ans, ni moi ni mes frères n'avons vécu des revenus
du gouverneur. Avant moi, les premiers gouverneurs accablaient le peuple, et recevaient de lui du pain 15
et du vin, outre quarante sicles d'argent ; leurs serviteurs mêmes opprimaient le peuple. Je n'ai point
agi de la sorte, par crainte de Dieu. Bien plus, j'ai travaillé à la réparation de cette muraille, et nous 16
n'avons acheté aucun champ, et mes serviteurs tous ensemble étaient à l'ouvrage. J'avais à ma table 17
cent cinquante hommes, Juifs et magistrats, outre ceux qui venaient à nous des nations d'alentour. On 18
m'apprêtait chaque jour un boeuf, six moutons choisis, et des oiseaux ; et tous les dix jours on préparait
en abondance tout le vin nécessaire. Malgré cela, je n'ai point réclamé les revenus du gouverneur, parce
que les travaux étaient à la charge de ce peuple. Souviens -toi favorablement de moi, ô mon Dieu, à 19
cause de tout ce que j'ai fait pour ce peuple !

Je n'avais pas encore posé les battants des portes, lorsque Sanballat, Tobija, Guéschem, l'Arabe, et **6**
nos autres ennemis apprirent que j'avais rebâti la muraille et qu'il n'y restait plus de brèche. Alors 2
Sanballat et Guéschem m'envoyèrent dire : Viens, et ayons ensemble une entrevue dans les villages
de la vallée d'Ono. Ils avaient médité de me faire du mal. Je leur envoyai des messagers avec cette 3

réponse : J'ai un grand ouvrage à exécuter, et je ne puis descendre ; le travail serait interrompu pendant
4 que je le quitterais pour aller vers vous. Ils m'adressèrent quatre fois la même demande, et je leur fis
5 la même réponse. Sanballat m'envoya ce message une cinquième fois par son serviteur, qui tenait à la
6 main une lettre ouverte. Il y était écrit : Le bruit se répand parmi les nations et Gaschmu affirme que
toi et les Juifs vous pensez à vous révolter, et que c'est dans ce but que tu rebâtis la muraille. Tu vas, dit
7 -on, devenir leur roi, tu as même établi des prophètes pour te proclamer à Jérusalem roi de Juda. Et
maintenant ces choses arriveront à la connaissance du roi. Viens donc, et consultons -nous ensemble.
8, 9 Je fis répondre à Sanballat : Ce que tu dis là n'est pas ; c'est toi qui l'inventes ! Tous ces gens voulaient
nous effrayer, et ils se disaient : Ils perdront courage, et l'oeuvre ne se fera pas. Maintenant, ô Dieu,
10 fortifie -moi ! Je me rendis chez Schemaeja, fils de Delaja, fils de Mehétabeel. Il s'était enfermé, et il
dit : Allons ensemble dans la maison de Dieu, au milieu du temple, et fermons les portes du temple ; car
11 ils viennent pour te tuer, et c'est pendant la nuit qu'ils viendront pour te tuer. Je répondis : Un homme
comme moi prendre la fuite ! Et quel homme tel que moi pourrait entrer dans le temple et vivre ? Je
12 n'entrerai point. Et je reconnus que ce n'était pas Dieu qui l'envoyait. Mais il prophétisa ainsi sur
13 moi parce que Sanballat et Tobija lui avaient donné de l'argent. En le gagnant ainsi, ils espéraient que
j'aurais peur, et que je suivrais ses avis et commettrais un péché ; et ils auraient profité de cette atteinte
14 à ma réputation pour me couvrir d'opprobre. Souviens -toi, ô mon Dieu, de Tobija et de Sanballat, et
de leurs oeuvres ! Souviens-toi aussi de Noadia, la prophétesse, et des autres prophètes qui cherchaient
15 à m'effrayer ! La muraille fut achevée le vingt -cinquième jour du mois d'Élul, en cinquante -deux
16 jours. Lorsque tous nos ennemis l'apprirent, toutes les nations qui étaient autour de nous furent dans
la crainte ; elles éprouvèrent une grande humiliation, et reconnurent que l'oeuvre s'était accomplie
17 par la volonté de notre Dieu. Dans ce temps -là, il y avait aussi des grands de Juda qui adressaient
18 fréquemment des lettres à Tobija et qui en recevaient de lui. Car plusieurs en Juda étaient liés à lui par
serment, parce qu'il était gendre de Schecania, fils d'Arach, et que son fils Jochanan avait pris la fille de
19 Meschullam, fils de Bérékia. Ils disaient même du bien de lui en ma présence, et ils lui rapportaient
mes paroles. Tobija envoyait des lettres pour m'effrayer.

7 Lorsque la muraille fut rebâtie et que j'eus posé les battants des portes, on établit dans leurs fonc-
2 tions les portiers, les chantres et les Lévites. Je donnai mes ordres à Hanani, mon frère, et à Hanania,
chef de la citadelle de Jérusalem, homme supérieur au grand nombre par sa fidélité et par sa crainte
3 de Dieu. Je leur dis : Les portes de Jérusalem ne s'ouvriront pas avant que la chaleur du soleil soit
venue, et l'on fermera les battants aux verrous en votre présence ; les habitants de Jérusalem feront
4 la garde, chacun à son poste devant sa maison. La ville était spacieuse et grande, mais peu peuplée,
5 et les maisons n'étaient pas bâties. Mon Dieu me mit au coeur d'assembler les grands, les magistrats
et le peuple, pour en faire le dénombrement. Je trouvai un registre généalogique de ceux qui étaient
6 montés les premiers, et j'y vis écrit ce qui suit. Voici ceux de la province qui revinrent de l'exil, ceux que
Nebucadnetsar, roi de Babylone, avait emmenés captifs, et qui retournèrent à Jérusalem et en Juda,
7 chacun dans sa ville. Ils partirent avec Zorobabel, Josué, Néhémie, Azaria, Raamia, Nachamani, Mar-
8 dochée, Bilschan, Mispéreth, Bigvaï, Nehum, Baana. Nombre des hommes du peuple d'Israël : les fils
9, 10 de Pareosch, deux mille cent soixante-douze ; les fils de Schephathia, trois cent soixante-douze ; les
11 fils d'Arach, six cent cinquante -deux ; les fils de Pachath-Moab, des fils de Josué et de Joab, deux mille
12, 13 huit cent dix-huit ; les fils d'Élam, mille deux cent cinquante -quatre ; les fils de Zatthu, huit cent
14, 15, 16 quarante -cinq ; les fils de Zaccaï, sept cent soixante ; les fils de Binnuï, six cent quarante -huit ; les
17, 18 fils de Bébaï, six cent vingt -huit ; les fils d'Azgad, deux mille trois cent vingt -deux ; les fils d'Ado-
19, 20 nikam, six cent soixante-sept ; les fils de Bigvaï, deux mille soixante-sept ; les fils d'Adin, six cent
21, 22 cinquante -cinq ; les fils d'Ather, de la famille d'Ézéchias, quatre-vingt-dix-huit ; les fils de Haschum,
23, 24, 25 trois cent vingt -huit ; les fils de Betsaï, trois cent vingt -quatre ; les fils de Hariph, cent douze ; les fils
26, 27 de Gabaon, quatre-vingt-quinze ; les gens de Bethléhem et de Netopha, cent quatre-vingt -huit ; les
28, 29 gens d'Anathoth, cent vingt -huit ; les gens de Beth-Azmaveth, quarante -deux ; les gens de Kirjath-
30 Jearim, de Kephira et de Beéroth, sept cent quarante -trois ; les gens de Rama et de Guéba, six cent
31, 32, 33 vingt et un ; les gens de Micmas, cent vingt -deux ; les gens de Béthel et d'Aï, cent vingt -trois ; les
34, 35 gens de l'autre Nebo, cinquante -deux ; les fils de l'autre Élam, mille deux cent cinquante -quatre ; les
36, 37 fils de Harim, trois cent vingt ; les fils de Jéricho, trois cent quarante -cinq ; les fils de Lod, de Hadid
38, 39 et d'Ono, sept cent vingt et un ; les fils de Senaa, trois mille neuf cent trente. Sacrificateurs : les fils
40 de Jedaeja, de la maison de Josué, neuf cent soixante-treize ; les fils d'Immer, mille cinquante -deux ;
41, 42, 43 les fils de Paschhur, mille deux cent quarante -sept ; les fils de Harim, mille dix-sept. Lévites : les fils
44 de Josué et de Kadmiel, des fils d'Hodva, soixante-quatorze. Chantres : les fils d'Asaph, cent quarante
45 -huit. Portiers : les fils de Schallum, les fils d'Ather, les fils de Thalmon, les fils d'Akkub, les fils de Ha-
46 thitha, les fils de Schobaï, cent trente -huit. Néthiniens : les fils de Tsicha, les fils de Hasupha, les fils
47, 48 de Thabbaoth, les fils de Kéros, les fils de Sia, les fils de Padon, les fils de Lebana, les fils de Hagaba,

les fils de Salmaï, les fils de Hanan, les fils de Guiddel, les fils de Gachar, les fils de Reaja, les fils de 49, 50
Retsin, les fils de Nekoda, les fils de Gazzam, les fils d'Uzza, les fils de Paséach, les fils de Bésaï, les 51, 52
fils de Mehunim, les fils de Nephischsim, les fils de Bakbuk, les fils de Hakupha, les fils de Harhur, 53
les fils de Batslith, les fils de Mehida, les fils de Harscha, les fils de Barkos, les fils de Sisera, les fils de 54, 55
Thamach, les fils de Netsiach, les fils de Hathipha. Fils des serviteurs de Salomon : les fils de Sothaï, 56, 57
les fils de Sophéreth, les fils de Perida, les fils de Jaala, les fils de Darkon, les fils de Guiddel, les 58, 59
fils de Schephathia, les fils de Hatthil, les fils de Pokéreth-Hatsebaïm, les fils d'Amon. Total des Né- 60
thiniens et des fils des serviteurs de Salomon : trois cent quatre-vingt-douze. Voici ceux qui partirent 61
de Thel-Mélach, de Thel-Harscha, de Kerub -Addon, et d'Immer, et qui ne purent pas faire connaître
leur maison paternelle et leur race, pour prouver qu'ils étaient d'Israël. Les fils de Delaja, les fils de 62
Tobija, les fils de Nekoda, six cent quarante -deux. Et parmi les sacrificateurs : les fils de Hobaja, les 63
fils d'Hakkots, les fils de Barzillaï, qui avait pris pour femme une des filles de Barzillaï, le Galaadite,
et fut appelé de leur nom. Ils cherchèrent leurs titres généalogiques, mais ils ne les trouvèrent point. 64
On les exclut du sacerdoce, et le gouverneur leur dit de ne pas manger des choses très saintes jusqu'à 65
ce qu'un sacrificateur eût consulté l'urim et le thummim. L'assemblée tout entière était de quarante 66
-deux mille trois cent soixante personnes, sans compter leurs serviteurs et leurs servantes, au nombre 67
de sept mille trois cent trente -sept. Parmi eux se trouvaient deux cent quarante -cinq chantres et
chanteuses. Ils avaient sept cent trente -six chevaux, deux cent quarante -cinq mulets, quatre cent 68, 69
trente -cinq chameaux, et six mille sept cent vingt ânes. Plusieurs des chefs de famille firent des dons 70
pour l'oeuvre. Le gouverneur donna au trésor mille dariques d'or, cinquante coupes, cinq cent trente
tuniques sacerdotales. Les chefs de familles donnèrent au trésor de l'oeuvre vingt mille dariques d'or 71
et deux mille deux cents mines d'argent. Le reste du peuple donna vingt mille dariques d'or, deux mille 72
mines d'argent, et soixante -sept tuniques sacerdotales. Les sacrificateurs et les Lévites, les portiers, 73
les chantres, les gens du peuple, les Néthiniens et tout Israël s'établirent dans leurs villes. Le septième
mois arriva, et les enfants d'Israël étaient dans leurs villes.

Alors tout le peuple s'assembla comme un seul homme sur la place qui est devant la porte des eaux. **8**
Ils dirent à Esdras, le scribe, d'apporter le livre de la loi de Moïse, prescrite par l'Éternel à Israël. Et 2
le sacrificateur Esdras apporta la loi devant l'assemblée, composée d'hommes et de femmes et de tous
ceux qui étaient capables de l'entendre. C'était le premier jour du septième mois. Esdras lut dans le 3
livre depuis le matin jusqu'au milieu du jour, sur la place qui est devant la porte des eaux, en présence
des hommes et des femmes et de ceux qui étaient capables de l'entendre. Tout le peuple fut attentif
à la lecture du livre de la loi. Esdras, le scribe, était placé sur une estrade de bois, dressée à cette 4
occasion. Auprès de lui, à sa droite, se tenaient Matthithia, Schéma, Anaja, Urie, Hilkija et Maaséja,
et à sa gauche, Pedaja, Mischaël, Malkija, Haschum, Haschbaddana, Zacharie et Meschullam. Esdras 5
ouvrit le livre à la vue de tout le peuple, car il était élevé au-dessus de tout le peuple ; et lorsqu'il l'eut
ouvert, tout le peuple se tint en place. Esdras bénit l'Éternel, le grand Dieu, et tout le peuple répondit, 6
en levant les mains : Amen ! amen ! Et ils s'inclinèrent et se prosternèrent devant l'Éternel, le visage
contre terre. Josué, Bani, Schérébia, Jamin, Akkub, Schabbethaï, Hodija, Maaséja, Kelitha, Azaria, 7
Jozabad, Hanan, Pelaja, et les Lévites, expliquaient la loi au peuple, et chacun restait à sa place. Ils 8
lisaient distinctement dans le livre de la loi de Dieu, et ils en donnaient le sens pour faire comprendre
ce qu'ils avaient lu. Néhémie, le gouverneur, Esdras, le sacrificateur et le scribe, et les Lévites qui 9
enseignaient le peuple, dirent à tout le peuple : Ce jour est consacré à l'Éternel, votre Dieu ; ne soyez
pas dans la désolation et dans les larmes ! Car tout le peuple pleurait en entendant les paroles de la
loi. Ils leur dirent : Allez, mangez des viandes grasses et buvez des liqueurs douces, et envoyez des 10
portions à ceux qui n'ont rien de préparé, car ce jour est consacré à notre Seigneur ; ne vous affligez
pas, car la joie de l'Éternel sera votre force. Les Lévites calmaient tout le peuple, en disant : Taisez 11
-vous, car ce jour est saint ; ne vous affligez pas ! Et tout le peuple s'en alla pour manger et boire, pour 12
envoyer des portions, et pour se livrer à de grandes réjouissances. Car ils avaient compris les paroles
qu'on leur avait expliquées. Le second jour, les chefs de famille de tout le peuple, les sacrificateurs et les 13
Lévites, s'assemblèrent auprès d'Esdras, le scribe, pour entendre l'explication des paroles de la loi. Et 14
ils trouvèrent écrit dans la loi que l'Éternel avait prescrite par Moïse, que les enfants d'Israël devaient
habiter sous des tentes pendant la fête du septième mois, et proclamer cette publication dans toutes 15
leurs villes et à Jérusalem : Allez chercher à la montagne des rameaux d'olivier, des rameaux d'olivier
sauvage, des rameaux de myrte, des rameaux de palmier, et des rameaux d'arbres touffus, pour faire
des tentes, comme il est écrit. Alors le peuple alla chercher des rameaux, et ils se firent des tentes sur 16
le toit de leurs maisons, dans leurs cours, dans les parvis de la maison de Dieu, sur la place de la porte
des eaux et sur la place de la porte d'Éphraïm. Toute l'assemblée de ceux qui étaient revenus de la 17
captivité fit des tentes, et ils habitèrent sous ces tentes. Depuis le temps de Josué, fils de Nun, jusqu'à

18 ce jour, les enfants d'Israël n'avaient rien fait de pareil. Et il y eut de très grandes réjouissances. On
lut dans le livre de la loi de Dieu chaque jour, depuis le premier jour jusqu'au dernier. On célébra la fête
pendant sept jours, et il y eut une assemblée solennelle le huitième jour, comme cela est ordonné.
9 Le vingt -quatrième jour du même mois, les enfants d'Israël s'assemblèrent, revêtus de sacs et cou-
2 verts de poussière, pour la célébration d'un jeûne. Ceux qui étaient de la race d'Israël, s'étant séparés
3 de tous les étrangers, se présentèrent et confessèrent leurs péchés et les iniquités de leurs pères. Lors-
qu'ils furent placés, on lut dans le livre de la loi de l'Éternel, leur Dieu, pendant un quart de la journée ;
et pendant un autre quart ils confessèrent leurs péchés et se prosternèrent devant l'Éternel, leur Dieu.
4 Josué, Bani, Kadmiel, Schebania, Bunni, Schérébia, Bani et Kenani montèrent sur l'estrade des Lévites
5 et crièrent à haute voix vers l'Éternel, leur Dieu. Et les Lévites Josué, Kadmiel, Bani, Haschabnia,
Schérébia, Hodija, Schebania et Pethachja, dirent : Levez -vous, bénissez l'Éternel, votre Dieu, d'éter-
nité en éternité ! Que l'on bénisse ton nom glorieux, qui est au-dessus de toute bénédiction et de toute
6 louange ! C'est toi, Éternel, toi seul, qui as fait les cieux, les cieux des cieux et toute leur armée, la
terre et tout ce qui est sur elle, les mers et tout ce qu'elles renferment. Tu donnes la vie à toutes ces
7 choses, et l'armée des cieux se prosterne devant toi. C'est toi, Éternel Dieu, qui as choisi Abram, qui
8 l'as fait sortir d'Ur en Chaldée, et qui lui as donné le nom d'Abraham. Tu trouvas son coeur fidèle
devant toi, tu fis alliance avec lui, et tu promis de donner à sa postérité le pays des Cananéens, des
Héthiens, des Amoréens, des Phéréziens, des Jébusiens et des Guirgasiens. Et tu as tenu ta parole, car
9, 10 tu es juste. Tu vis l'affliction de nos pères en Égypte, et tu entendis leurs cris vers la mer Rouge. Tu
opéras des miracles et des prodiges contre Pharaon, contre tous ses serviteurs et contre tout le peuple
de son pays, parce que tu savais avec quelle méchanceté ils avaient traité nos pères, et tu fis paraître
11 ta gloire comme elle paraît aujourd'hui. Tu fendis la mer devant eux, et ils passèrent à sec au milieu
de la mer ; mais tu précipitas dans l'abîme, comme une pierre au fond des eaux, ceux qui marchaient
12 à leur poursuite. Tu les guidas le jour par une colonne de nuée, et la nuit par une colonne de feu qui
13 les éclairait dans le chemin qu'ils avaient à suivre. Tu descendis sur la montagne de Sinaï, tu leur
parlas du haut des cieux, et tu leur donnas des ordonnances justes, des lois de vérité, des préceptes et
14 des commandements excellents. Tu leur fis connaître ton saint sabbat, et tu leur prescrivis par Moïse,
15 ton serviteur, des commandements, des préceptes et une loi. Tu leur donnas, du haut des cieux, du
pain quand ils avaient faim, et tu fis sortir de l'eau du rocher quand ils avaient soif. Et tu leur dis
16 d'entrer en possession du pays que tu avais juré de leur donner. Mais nos pères se livrèrent à l'orgueil
17 et raidirent leur cou. Ils n'écoutèrent point tes commandements, ils refusèrent d'obéir, et ils mirent en
oubli les merveilles que tu avais faites en leur faveur. Ils raidirent leur cou ; et, dans leur rébellion, ils
se donnèrent un chef pour retourner à leur servitude. Mais toi, tu es un Dieu prêt à pardonner, compa-
18 tissant et miséricordieux, lent à la colère et riche en bonté, et tu ne les abandonnas pas, même quand
ils se firent un veau en fonte et dirent : Voici ton Dieu qui t'a fait sortir d'Égypte, et qu'ils se livrèrent
19 envers toi à de grands outrages. Dans ton immense miséricorde, tu ne les abandonnas pas au désert,
et la colonne de nuée ne cessa point de les guider le jour dans leur chemin, ni la colonne de feu de les
20 éclairer la nuit dans le chemin qu'ils avaient à suivre. Tu leur donnas ton bon esprit pour les rendre
21 sages, tu ne refusas point ta manne à leur bouche, et tu leur fournis de l'eau pour leur soif. Pendant
quarante ans, tu pourvus à leur entretien dans le désert, et ils ne manquèrent de rien, leurs vêtements
22 ne s'usèrent point, et leurs pieds ne s'enflèrent point. Tu leur livras des royaumes et des peuples, dont
tu partageas entre eux les contrées, et ils possédèrent le pays de Sihon, roi de Hesbon, et le pays d'Og,
23 roi de Basan. Tu multiplias leurs fils comme les étoiles des cieux, et tu les fis entrer dans le pays dont
24 tu avais dit à leurs pères qu'ils prendraient possession. Et leurs fils entrèrent et prirent possession du
pays ; tu humilias devant eux les habitants du pays, les Cananéens, et tu les livras entre leurs mains,
25 avec leurs rois et les peuples du pays, pour qu'ils les traitassent à leur gré. Ils devinrent maîtres de
villes fortifiées et de terres fertiles ; ils possédèrent des maisons remplies de toutes sortes de biens, des
citernes creusées, des vignes, des oliviers, et des arbres fruitiers en abondance ; ils mangèrent, ils se
26 rassasièrent, ils s'engraissèrent, et ils vécurent dans les délices par ta grande bonté. Néanmoins, ils
se soulevèrent et se révoltèrent contre toi. Ils jetèrent ta loi derrière leur dos, ils tuèrent tes prophètes
27 qui les conjuraient de revenir à toi, et ils se livrèrent envers toi à de grands outrages. Alors tu les
abandonnas entre les mains de leurs ennemis, qui les opprimèrent. Mais, au temps de leur détresse, ils
crièrent à toi ; et toi, tu les entendis du haut des cieux, et, dans ta grande miséricorde, tu leur donnas
28 des libérateurs qui les sauvèrent de la main de leurs ennemis. Quand ils eurent du repos, ils recom-
mencèrent à faire le mal devant toi. Alors tu les abandonnas entre les mains de leurs ennemis, qui les
dominèrent. Mais, de nouveau, ils crièrent à toi ; et toi, tu les entendis du haut des cieux, et, dans ta
29 grande miséricorde, tu les délivras maintes fois. Tu les conjuras de revenir à ta loi ; et ils persévérèrent
dans l'orgueil, ils n'écoutèrent point tes commandements, ils péchèrent contre tes ordonnances, qui font

vivre celui qui les met en pratique, ils eurent une épaule rebelle, ils raidirent leur cou, et ils n'obéirent
point. Tu les supportas de nombreuses années, tu leur donnas des avertissements par ton esprit, par 30
tes prophètes ; et ils ne prêtèrent point l'oreille. Alors tu les livras entre les mains des peuples étrangers.
Mais, dans ta grande miséricorde, tu ne les anéantis pas, et tu ne les abandonnas pas, car tu es un Dieu 31
compatissant et miséricordieux. Et maintenant, ô notre Dieu, Dieu grand, puissant et redoutable, toi 32
qui gardes ton alliance et qui exerces la miséricorde, ne regarde pas comme peu de chose toutes les
souffrances que nous avons éprouvées, nous, nos rois, nos chefs, nos sacrificateurs, nos prophètes, nos
pères et tout ton peuple, depuis le temps des rois d'Assyrie jusqu'à ce jour. Tu as été juste dans tout 33
ce qui nous est arrivé, car tu t'es montré fidèle, et nous avons fait le mal. Nos rois, nos chefs, nos sa- 34
crificateurs et nos pères n'ont point observé ta loi, et ils n'ont été attentifs ni à tes commandements ni
aux avertissements que tu leur adressais. Pendant qu'ils étaient les maîtres, au milieu des bienfaits 35
nombreux que tu leur accordais, dans le pays vaste et fertile que tu leur avais livré, ils ne t'ont point
servi et ils ne se sont point détournés de leurs oeuvres mauvaises. Et aujourd'hui, nous voici esclaves ! 36
Nous voici esclaves sur la terre que tu as donnée à nos pères, pour qu'ils jouissent de ses fruits et de ses
biens ! Elle multiplie ses produits pour les rois auxquels tu nous as assujettis, à cause de nos péchés ; 37
ils dominent à leur gré sur nos corps et sur notre bétail, et nous sommes dans une grande angoisse !
Pour tout cela, nous contractâmes une alliance, que nous mîmes par écrit ; et nos chefs, nos Lévites et 38
nos sacrificateurs y apposèrent leur sceau.

Voici ceux qui apposèrent leur sceau. Néhémie, le gouverneur, fils de Hacalia. Sédécias, Seraja, **10**, 2
Azaria, Jérémie, Paschhur, Amaria, Malkija, Hattusch, Schebania, Malluc, Harim, Merémoth, Ab- 3, 4, 5
dias, Daniel, Guinnethon, Baruc, Meschullam, Abija, Mijamin, Maazia, Bilgaï, Schemaeja, sacrifica- 6, 7, 8
teurs. Lévites : Josué, fils d'Azania, Binnuï, des fils de Hénadad, Kadmiel, et leurs frères, Schebania, 9, 10
Hodija, Kelitha, Pelaja, Hanan, Michée, Rehob, Haschabia, Zaccur, Schérébia, Schebania, Hodija, 11, 12, 13
Bani, Beninu. Chefs du peuple : Pareosch, Pachath-Moab, Élam, Zatthu, Bani, Bunni, Azgad, Bébaï, 14, 15
Adonija, Bigvaï, Adin, Ather, Ézéchias, Azzur, Hodija, Haschum, Betsaï, Hariph, Anathoth, Nébaï, 16, 17, 18, 19
Magpiasch, Meschullam, Hézir, Meschézabeel, Tsadok, Jaddua, Pelathia, Hanan, Anaja, Hosée, Ha- 20, 21, 22, 23
nania, Haschub, Hallochesch, Pilcha, Schobek, Rehum, Haschabna, Maaséja, Achija, Hanan, Anan, 24, 25, 26
Malluc, Harim, Baana. Le reste du peuple, les sacrificateurs, les Lévites, les portiers, les chantres, les 27, 28
Néthiniens, et tous ceux qui s'étaient séparés des peuples étrangers pour suivre la loi de Dieu, leurs
femmes, leurs fils et leurs filles, tous ceux qui étaient capables de connaissance et d'intelligence, se 29
joignirent à leurs frères les plus considérables d'entre eux. Ils promirent avec serment et jurèrent de
marcher dans la loi de Dieu donnée par Moïse, serviteur de Dieu, d'observer et de mettre en pratique
tous les commandements de l'Éternel, notre Seigneur, ses ordonnances et ses lois. Nous promîmes de 30
ne pas donner nos filles aux peuples du pays et de ne pas prendre leurs filles pour nos fils ; de ne rien 31
acheter, le jour du sabbat et les jours de fête, des peuples du pays qui apporteraient à vendre, le jour
du sabbat, des marchandises ou denrées quelconques ; et de faire relâche la septième année, en n'exi-
geant le paiement d'aucune dette. Nous nous imposâmes aussi des ordonnances qui nous obligeaient 32
à donner un tiers de sicle par année pour le service de la maison de notre Dieu, pour les pains de 33
proposition, pour l'offrande perpétuelle, pour l'holocauste perpétuel des sabbats, des nouvelles lunes
et des fêtes, pour les choses consacrées, pour les sacrifices d'expiation en faveur d'Israël, et pour tout
ce qui se fait dans la maison de notre Dieu. Nous tirâmes au sort, sacrificateurs, Lévites et peuple, 34
au sujet du bois qu'on devait chaque année apporter en offrande à la maison de notre Dieu, selon nos
maisons paternelles, à des époques fixes, pour qu'il fût brûlé sur l'autel de l'Éternel, notre Dieu, comme
il est écrit dans la loi. Nous résolûmes d'apporter chaque année à la maison de l'Éternel les prémices 35
de notre sol et les prémices de tous les fruits de tous les arbres ; d'amener à la maison de notre Dieu, 36
aux sacrificateurs qui font le service dans la maison de notre Dieu, les premiers-nés de nos fils et de
notre bétail, comme il est écrit dans la loi, les premiers-nés de nos boeufs et de nos brebis ; d'apporter 37
aux sacrificateurs, dans les chambres de la maison de notre Dieu, les prémices de notre pâte et nos of-
frandes, des fruits de tous les arbres, du moût et de l'huile ; et de livrer la dîme de notre sol aux Lévites
qui doivent la prendre eux-mêmes dans toutes les villes situées sur les terres que nous cultivons. Le 38
sacrificateur, fils d'Aaron, sera avec les Lévites quand ils lèveront la dîme ; et les Lévites apporteront la
dîme de la dîme à la maison de notre Dieu, dans les chambres de la maison du trésor. Car les enfants 39
d'Israël et les fils de Lévi apporteront dans ces chambres les offrandes de blé, de moût et d'huile ; là
sont les ustensiles du sanctuaire, et se tiennent les sacrificateurs qui font le service, les portiers et les
chantres. C'est ainsi que nous résolûmes de ne pas abandonner la maison de notre Dieu.

Les chefs du peuple s'établirent à Jérusalem. Le reste du peuple tira au sort, pour qu'un sur dix **11**
vînt habiter Jérusalem, la ville sainte, et que les autres demeurassent dans les villes. Le peuple bénit 2
tous ceux qui consentirent volontairement à résider à Jérusalem. Voici les chefs de la province qui 3
s'établirent à Jérusalem. Dans les villes de Juda, chacun s'établit dans sa propriété, dans sa ville, Israël,

4 les sacrificateurs et les Lévites, les Néthiniens, et les fils des serviteurs de Salomon. À Jérusalem
s'établirent des fils de Juda et des fils de Benjamin. -Des fils de Juda : Athaja, fils d'Ozias, fils de
5 Zacharie, fils d'Amaria, fils de Schephathia, fils de Mahalaleel, des fils de Pérets, et Maaséja, fils de
6 Baruc, fils de Col-Hozé, fils de Hazaja, fils d'Adaja, fils de Jojarib, fils de Zacharie, fils de Schiloni. Total
7 des fils de Pérets qui s'établirent à Jérusalem : quatre cent soixante -huit hommes vaillants. - Voici les
fils de Benjamin : Sallu, fils de Meschullam, fils de Joëd, fils de Pedaja, fils de Kolaja, fils de Maaséja, fils
8, 9 d'Ithiel, fils d'Ésaïe, et, après lui, Gabbaï et Sallaï, neuf cent vingt -huit. Joël, fils de Zicri, était leur
10 chef ; et Juda, fils de Senua, était le second chef de la ville. Des sacrificateurs : Jedaeja, fils de Jojarib,
11 Jakin, Seraja, fils de Hilkija, fils de Meschullam, fils de Tsadok, fils de Merajoth, fils d'Achithub, prince
12 de la maison de Dieu, et leurs frères occupés au service de la maison, huit cent vingt -deux ; Adaja, fils
13 de Jerocham, fils de Pelalia, fils d'Amtsi, fils de Zacharie, fils de Paschhur, fils de Malkija, et ses frères,
chefs des maisons paternelles, deux cent quarante -deux ; et Amaschsaï, fils d'Azareel, fils d'Achzaï,
14 fils de Meschillémoth, fils d'Immer, et leurs frères, vaillants hommes, cent vingt -huit. Zabdiel, fils de
15 Guedolim, était leur chef. Des Lévites : Schemaeja, fils de Haschub, fils d'Azrikam, fils de Haschabia,
16 fils de Bunni, Schabbethaï et Jozabad, chargés des affaires extérieures de la maison de Dieu, et faisant
17 partie des chefs des Lévites ; Matthania, fils de Michée, fils de Zabdi, fils d'Asaph, le chef qui entonnait
la louange à la prière, et Bakbukia, le second parmi ses frères, et Abda, fils de Schammua, fils de
18, 19 Galal, fils de Jeduthun. Total des Lévites dans la ville sainte : deux cent quatre-vingt-quatre. Et les
20 portiers : Akkub, Thalmon, et leurs frères, gardiens des portes, cent soixante-douze. Le reste d'Israël,
21 les sacrificateurs, les Lévites, s'établirent dans toutes les villes de Juda, chacun dans sa propriété. Les
22 Néthiniens s'établirent sur la colline, et ils avaient pour chefs Tsicha et Guischpa. Le chef des Lévites
à Jérusalem était Uzzi, fils de Bani, fils de Haschabia, fils de Matthania, fils de Michée, d'entre les fils
23 d'Asaph, les chantres chargés des offices de la maison de Dieu ; car il y avait un ordre du roi concernant
24 les chantres, et un salaire fixe leur était accordé pour chaque jour. Pethachja, fils de Meschézabeel, des
25 fils de Zérach, fils de Juda, était commissaire du roi pour toutes les affaires du peuple. Dans les villages
et leurs territoires, des fils de Juda s'établirent à Kirjath-Arba et dans les lieux de son ressort, à Dibon
26 et dans les lieux de son ressort, à Jekabtseel et dans les villages de son ressort, à Jéschua, à Molada,
27, 28 à Beth-Paleth, à Hatsar-Schual, à Beer-Schéba, et dans les lieux de son ressort, à Tsiklag, à Mecona
29, 30 et dans les lieux de son ressort, à En-Rimmon, à Tsorea, à Jarmuth, à Zanoach, à Adullam, et dans
les villages de leur ressort, à Lakis et dans son territoire, à Azéka et dans les lieux de son ressort. Ils
31 s'établirent depuis Beer-Schéba jusqu'à la vallée de Hinnom. Les fils de Benjamin s'établirent, depuis
32, 33 Guéba, à Micmasch, à Ajja, à Béthel et dans les lieux de son ressort, à Anathoth, à Nob, à Hanania, à
34, 35 Hatsor, à Rama, à Guitthaïm, à Hadid, à Tseboïm, à Neballath, à Lod et à Ono, la vallée des ouvriers.
36 Il y eut des Lévites qui se joignirent à Benjamin, quoique appartenant aux divisions de Juda.

12 Voici les sacrificateurs et les Lévites qui revinrent avec Zorobabel, fils de Schealthiel, et avec Josué :
2, 3, 4 Seraja, Jérémie, Esdras, Amaria, Malluc, Hattusch, Schecania, Rehum, Merémoth, Iddo, Guinne-
5, 6, 7 thoï, Abija, Mijamin, Maadia, Bilga, Schemaeja, Jojarib, Jedaeja, Sallu, Amok, Hilkija, Jedaeja. Ce
8 furent là les chefs des sacrificateurs et de leurs frères, au temps de Josué. - Lévites : Josué, Binnuï,
9 Kadmiel, Schérébia, Juda, Matthania, qui dirigeait avec ses frères le chant des louanges ; Bakbukia et
10 Unni, qui remplissaient leurs fonctions auprès de leurs frères. Josué engendra Jojakim, Jojakim en-
11 gendra Éliaschib, Éliaschib engendra Jojada, Jojada engendra Jonathan, et Jonathan engendra Jad-
12 dua. Voici, au temps de Jojakim, quels étaient les sacrificateurs, chefs de famille : pour Seraja, Meraja ;
13, 14 pour Jérémie, Hanania ; pour Esdras, Meschullam ; pour Amaria, Jochanan ; pour Meluki, Jonathan ;
15, 16 pour Schebania, Joseph ; pour Harim, Adna ; pour Merajoth, Helkaï ; pour Iddo, Zacharie ; pour Guin-
17, 18 nethon, Meschullam ; pour Abija, Zicri ; pour Minjamin et Moadia, Pilthaï ; pour Bilga, Schammua ;
19, 20 pour Schemaeja, Jonathan ; pour Jojarib, Matthnaï ; pour Jedaeja, Uzzi ; pour Sallaï, Kallaï ; pour
21, 22 Amok, Éber ; pour Hilkija, Haschabia ; pour Jedaeja, Nethaneel. Au temps d'Éliaschib, de Jojada, de
Jochanan et de Jaddua, les Lévites, chefs de familles, et les sacrificateurs, furent inscrits, sous le règne
23 de Darius, le Perse. Les fils de Lévi, chefs de familles, furent inscrits dans le livre des Chroniques
24 jusqu'au temps de Jochanan, fils d'Éliaschib. Les chefs des Lévites, Haschabia, Schérébia, et Josué,
fils de Kadmiel, et leurs frères avec eux, les uns vis-à-vis des autres, étaient chargés de célébrer et de
25 louer l'Éternel, selon l'ordre de David, homme de Dieu. Matthania, Bakbukia, Abdias, Meschullam,
26 Thalmon et Akkub, portiers, faisaient la garde aux seuils des portes. Ils vivaient au temps de Jojakim,
fils de Josué, fils de Jotsadak, et au temps de Néhémie, le gouverneur, et d'Esdras, le sacrificateur et
27 le scribe. Lors de la dédicace des murailles de Jérusalem, on appela les Lévites de tous les lieux qu'ils
habitaient et on les fit venir à Jérusalem, afin de célébrer la dédicace et la fête par des louanges et par
28 des chants, au son des cymbales, des luths et des harpes. Les fils des chantres se rassemblèrent des
29 environs de Jérusalem, des villages des Nethophatiens, de Beth -Guilgal, et du territoire de Guéba et
30 d'Azmaveth ; car les chantres s'étaient bâti des villages aux alentours de Jérusalem. Les sacrificateurs

et les Lévites se purifièrent, et ils purifièrent le peuple, les portes et la muraille. Je fis monter sur la 31
muraille les chefs de Juda, et je formai deux grands choeurs. Le premier se mit en marche du côté droit
sur la muraille, vers la porte du fumier. Derrière ce choeur marchaient Hosée et la moitié des chefs de 32
Juda, Azaria, Esdras, Meschullam, Juda, Benjamin, Schemaeja et Jérémie, des fils de sacrificateurs 33, 34, 35
avec des trompettes, Zacharie, fils de Jonathan, fils de Schemaeja, fils de Matthania, fils de Michée, fils
de Zaccur, fils d'Asaph, et ses frères, Schemaeja, Azareel, Milalaï, Guilalaï, Maaï, Nethaneel, Juda et 36
Hanani, avec les instruments de musique de David, homme de Dieu. Esdras, le scribe, était à leur tête.
À la porte de la source, ils montèrent vis-à-vis d'eux les degrés de la cité de David par la montée de la 37
muraille, au-dessus de la maison de David, jusqu'à la porte des eaux, vers l'orient. Le second choeur se 38
mit en marche à l'opposite. J'étais derrière lui avec l'autre moitié du peuple, sur la muraille. Passant au-
dessus de la tour des fours, on alla jusqu'à la muraille large ; puis au-dessus de la porte d'Éphraïm, de 39
la vieille porte, de la porte des poissons, de la tour de Hananeel et de la tour de Méa, jusqu'à la porte des
brebis. Et l'on s'arrêta à la porte de la prison. Les deux choeurs s'arrêtèrent dans la maison de Dieu ; et 40
nous fîmes de même, moi et les magistrats qui étaient avec moi, et les sacrificateurs Éliakim, Maaséja, 41
Minjamin, Michée, Eljoénaï, Zacharie, Hanania, avec des trompettes, et Maaséja, Schemaeja, Éléazar, 42
Uzzi, Jochanan, Malkija, Élam et Ézer. Les chantres se firent entendre, dirigés par Jizrachja. On offrit 43
ce jour -là de nombreux sacrifices, et on se livra aux réjouissances, car Dieu avait donné au peuple un
grand sujet de joie. Les femmes et les enfants se réjouirent aussi, et les cris de joie de Jérusalem furent
entendus au loin. En ce jour, on établit des hommes ayant la surveillance des chambres qui servaient 44
de magasins pour les offrandes, les prémices et les dîmes, et on les chargea d'y recueillir du territoire
des villes les portions assignées par la loi aux sacrificateurs et aux Lévites. Car Juda se réjouissait de ce
que les sacrificateurs et les Lévites étaient à leur poste, observant tout ce qui concernait le service de 45
Dieu et des purifications. Les chantres et les portiers remplissaient aussi leurs fonctions, selon l'ordre
de David et de Salomon, son fils ; car autrefois, du temps de David et d'Asaph, il y avait des chefs de 46
chantres et des chants de louanges et d'actions de grâces en l'honneur de Dieu. Tout Israël, au temps 47
de Zorobabel et de Néhémie, donna les portions des chantres et des portiers, jour par jour ; on donna
aux Lévites les choses consacrées, et les Lévites donnèrent aux fils d'Aaron les choses consacrées.

Dans ce temps, on lut en présence du peuple dans le livre de Moïse, et l'on y trouva écrit que l'Am- **13**
monite et le Moabite ne devraient jamais entrer dans l'assemblée de Dieu, parce qu'ils n'étaient pas 2
venus au-devant des enfants d'Israël avec du pain et de l'eau, et parce qu'ils avaient appelé contre eux
à prix d'argent Balaam pour qu'il les maudît ; mais notre Dieu changea la malédiction en bénédiction.
Lorsqu'on eut entendu la loi, on sépara d'Israël tous les étrangers. Avant cela, le sacrificateur Élia- 3, 4
schib, établi dans les chambres de la maison de notre Dieu, et parent de Tobija, avait disposé pour 5
lui une grande chambre où l'on mettait auparavant les offrandes, l'encens, les ustensiles, la dîme du
blé, du moût et de l'huile, ce qui était ordonné pour les Lévites, les chantres et les portiers, et ce qui
était prélevé pour les sacrificateurs. Je n'étais point à Jérusalem quand tout cela eut lieu, car j'étais 6
retourné auprès du roi la trente -deuxième année d'Artaxerxès, roi de Babylone. À la fin de l'année,
j'obtins du roi la permission de revenir à Jérusalem, et je m'aperçus du mal qu'avait fait Éliaschib, en 7
disposant une chambre pour Tobija dans les parvis de la maison de Dieu. J'en éprouvai un vif déplaisir, 8
et je jetai hors de la chambre tous les objets qui appartenaient à Tobija ; j'ordonnai qu'on purifiât les 9
chambres, et j'y replaçai les ustensiles de la maison de Dieu, les offrandes et l'encens. J'appris aussi 10
que les portions des Lévites n'avaient point été livrées, et que les Lévites et les chantres chargés du
service s'étaient enfuis chacun dans son territoire. Je fis des réprimandes aux magistrats, et je dis : 11
Pourquoi la maison de Dieu a-t-elle été abandonnée ? Et je rassemblai les Lévites et les chantres, et je
les remis à leur poste. Alors tout Juda apporta dans les magasins la dîme du blé, du moût et de l'huile. 12
Je confiai la surveillance des magasins à Schélémia, le sacrificateur, à Tsadok, le scribe, et à Pedaja, l'un 13
des Lévites, et je leur adjoignis Hanan, fils de Zaccur, fils de Matthania, car ils avaient la réputation
d'être fidèles. Ils furent chargés de faire les distributions à leurs frères. Souviens -toi de moi, ô mon 14
Dieu, à cause de cela, et n'oublie pas mes actes de piété à l'égard de la maison de mon Dieu et des choses
qui doivent être observées ! À cette époque, je vis en Juda des hommes fouler au pressoir pendant le 15
sabbat, rentrer des gerbes, charger sur des ânes même du vin, des raisins et des figues, et toutes sortes
de choses, et les amener à Jérusalem le jour du sabbat ; et je leur donnai des avertissements le jour
où ils vendaient leurs denrées. Il y avait aussi des Tyriens, établis à Jérusalem, qui apportaient du 16
poisson et toutes sortes de marchandises, et qui les vendaient aux fils de Juda le jour du sabbat et
dans Jérusalem. Je fis des réprimandes aux grands de Juda, et je leur dis : Que signifie cette mau- 17
vaise action que vous faites, en profanant le jour du sabbat ? N'est-ce pas ainsi qu'ont agi vos pères, et 18
n'est-ce pas à cause de cela que notre Dieu a fait venir tous ces malheurs sur nous et sur cette ville ?
Et vous, vous attirez de nouveau sa colère contre Israël, en profanant le sabbat ! Puis j'ordonnai qu'on 19

fermât les portes de Jérusalem avant le sabbat, dès qu'elles seraient dans l'ombre, et qu'on ne les ouvrît
qu'après le sabbat. Et je plaçai quelques-uns de mes serviteurs aux portes, pour empêcher l'entrée des
20 fardeaux le jour du sabbat. Alors les marchands et les vendeurs de toutes sortes de choses passèrent
21 une ou deux fois la nuit hors de Jérusalem. Je les avertis, en leur disant : Pourquoi passez-vous la nuit
devant la muraille ? Si vous le faites encore, je mettrai la main sur vous. Dès ce moment, ils ne vinrent
22 plus pendant le sabbat. J'ordonnai aussi aux Lévites de se purifier et de venir garder les portes pour
sanctifier le jour du sabbat. Souviens -toi de moi, ô mon Dieu, à cause de cela, et protège -moi selon ta
23 grande miséricorde ! À cette même époque, je vis des Juifs qui avaient pris des femmes asdodiennes,
24 ammonites, moabites. La moitié de leurs fils parlaient l'asdodien, et ne savaient pas parler le juif ; ils
25 ne connaissaient que la langue de tel ou tel peuple. Je leur fis des réprimandes, et je les maudis ; j'en
frappai quelques-uns, je leur arrachai les cheveux, et je les fis jurer au nom de Dieu, en disant : Vous ne
26 donnerez pas vos filles à leurs fils, et vous ne prendrez leurs filles ni pour vos fils ni pour vous. N'est-ce
pas en cela qu'a péché Salomon, roi d'Israël ? Il n'y avait point de roi semblable à lui parmi la multitude
des nations, il était aimé de son Dieu, et Dieu l'avait établi roi sur tout Israël ; néanmoins, les femmes
27 étrangères l'entraînèrent aussi dans le péché. Faut-il donc apprendre à votre sujet que vous commettez
28 un aussi grand crime et que vous péchez contre notre Dieu en prenant des femmes étrangères ? Un
des fils de Jojada, fils d'Éliaschib, le souverain sacrificateur, était gendre de Sanballat, le Horonite. Je
29 le chassai loin de moi. Souviens -toi d'eux, ô mon Dieu, car ils ont souillé le sacerdoce et l'alliance
30 contractée par les sacrificateurs et les Lévites. Je les purifiai de tout étranger, et je remis en vigueur
31 ce que devaient observer les sacrificateurs et les Lévites, chacun dans sa fonction, et ce qui concernait
l'offrande du bois aux époques fixées, de même que les prémices. Souviens -toi favorablement de moi, ô
mon Dieu !

ESTHER

C'était du temps d'Assuérus, de cet Assuérus qui régnait depuis l'Inde jusqu'en Éthiopie sur **1**
cent vingt -sept provinces ; et le roi Assuérus était alors assis sur son trône royal à Suse, 2
dans la capitale. La troisième année de son règne, il fit un festin à tous ses princes et à ses 3
serviteurs ; les commandants de l'armée des Perses et des Mèdes, les grands et les chefs des
provinces furent réunis en sa présence. Il montra la splendide richesse de son royaume et l'éclatante 4
magnificence de sa grandeur pendant nombre de jours, pendant cent quatre-vingts jours. Lorsque ces 5
jours furent écoulés, le roi fit pour tout le peuple qui se trouvait à Suse, la capitale, depuis le plus
grand jusqu'au plus petit, un festin qui dura sept jours, dans la cour du jardin de la maison royale.
Des tentures blanches, vertes et bleues, étaient attachées par des cordons de byssus et de pourpre à 6
des anneaux d'argent et à des colonnes de marbre. Des lits d'or et d'argent reposaient sur un pavé de
porphyre, de marbre, de nacre et de pierres noires. On servait à boire dans des vases d'or, de différentes 7
espèces, et il y avait abondance de vin royal, grâce à la libéralité du roi. Mais on ne forçait personne à 8
boire, car le roi avait ordonné à tous les gens de sa maison de se conformer à la volonté de chacun. La 9
reine Vasthi fit aussi un festin pour les femmes dans la maison royale du roi Assuérus. Le septième 10
jour, comme le coeur du roi était réjoui par le vin, il ordonna à Mehuman, Biztha, Harbona, Bigtha,
Abagtha, Zéthar et Carcas, les sept eunuques qui servaient devant le roi Assuérus, d'amener en sa 11
présence la reine Vasthi, avec la couronne royale, pour montrer sa beauté aux peuples et aux grands,
car elle était belle de figure. Mais la reine Vasthi refusa de venir, quand elle reçut par les eunuques 12
l'ordre du roi. Et le roi fut très irrité, il fut enflammé de colère. Alors le roi s'adressa aux sages qui 13
avaient la connaissance des temps. Car ainsi se traitaient les affaires du roi, devant tous ceux qui
connaissaient les lois et le droit. Il avait auprès de lui Carschena, Schéthar, Admatha, Tarsis, Mérès, 14
Marsena, Memucan, sept princes de Perse et de Médie, qui voyaient la face du roi et qui occupaient le
premier rang dans le royaume. Quelle loi, dit-il, faut-il appliquer à la reine Vasthi, pour n'avoir point 15
exécuté ce que le roi Assuérus lui a ordonné par les eunuques ? Memucan répondit devant le roi et 16
les princes : Ce n'est pas seulement à l'égard du roi que la reine Vasthi a mal agi ; c'est aussi envers
tous les princes et tous les peuples qui sont dans toutes les provinces du roi Assuérus. Car l'action 17
de la reine parviendra à la connaissance de toutes les femmes, et les portera à mépriser leurs maris ;
elles diront : Le roi Assuérus avait ordonné qu'on amenât en sa présence la reine Vasthi, et elle n'y
est pas allée. Et dès ce jour les princesses de Perse et de Médie qui auront appris l'action de la reine 18
la rapporteront à tous les chefs du roi ; de là beaucoup de mépris et de colère. Si le roi le trouve bon, 19
qu'on publie de sa part et qu'on inscrive parmi les lois des Perses et des Mèdes, avec défense de la
transgresser, une ordonnance royale d'après laquelle Vasthi ne paraîtra plus devant le roi Assuérus et
le roi donnera la dignité de reine à une autre qui soit meilleure qu'elle. L'édit du roi sera connu dans 20
tout son royaume, quelque grand qu'il soit, et toutes les femmes rendront honneur à leurs maris, depuis
le plus grand jusqu'au plus petit. Cet avis fut approuvé du roi et des princes, et le roi agit d'après la 21
parole de Memucan. Il envoya des lettres à toutes les provinces du royaume, à chaque province selon 22
son écriture et à chaque peuple selon sa langue ; elles portaient que tout homme devait être le maître
dans sa maison, et qu'il parlerait la langue de son peuple.

Après ces choses, lorsque la colère du roi Assuérus se fut calmée, il pensa à Vasthi, à ce qu'elle avait **2**
fait, et à la décision qui avait été prise à son sujet. Alors ceux qui servaient le roi dirent : Qu'on cherche 2
pour le roi des jeunes filles, vierges et belles de figure ; que le roi établisse dans toutes les provinces 3
de son royaume des commissaires chargés de rassembler toutes les jeunes filles, vierges et belles de
figure, à Suse, la capitale, dans la maison des femmes, sous la surveillance d'Hégué, eunuque du roi
et gardien des femmes, qui leur donnera les choses nécessaires pour leur toilette ; et que la jeune fille 4
qui plaira au roi devienne reine à la place de Vasthi. Cet avis eut l'approbation du roi, et il fit ainsi.
Il y avait dans Suse, la capitale, un Juif nommé Mardochée, fils de Jaïr, fils de Schimeï, fils de Kis, 5
homme de Benjamin, qui avait été emmené de Jérusalem parmi les captifs déportés avec Jeconia, roi 6
de Juda, par Nebucadnetsar, roi de Babylone. Il élevait Hadassa, qui est Esther, fille de son oncle ; 7
car elle n'avait ni père ni mère. La jeune fille était belle de taille et belle de figure. À la mort de son
père et de sa mère, Mardochée l'avait adoptée pour fille. Lorsqu'on eut publié l'ordre du roi et son 8
édit, et qu'un grand nombre de jeunes filles furent rassemblées à Suse, la capitale, sous la surveillance
d'Hégaï, Esther fut aussi prise et conduite dans la maison du roi, sous la surveillance d'Hégaï, gardien
des femmes. La jeune fille lui plut, et trouva grâce devant lui ; il s'empressa de lui fournir les choses 9
nécessaires pour sa toilette et pour sa subsistance, lui donna sept jeunes filles choisies dans la maison
du roi, et la plaça avec ses jeunes filles dans le meilleur appartement de la maison des femmes. Esther 10
ne fit connaître ni son peuple ni sa naissance, car Mardochée lui avait défendu d'en parler. Et chaque 11
jour Mardochée allait et venait devant la cour de la maison des femmes, pour savoir comment se portait

12 Esther et comment on la traitait. Chaque jeune fille allait à son tour vers le roi Assuérus, après avoir
employé douze mois à s'acquitter de ce qui était prescrit aux femmes ; pendant ce temps, elles prenaient
soin de leur toilette, six mois avec de l'huile de myrrhe, et six mois avec des aromates et des parfums en
13 usage parmi les femmes. C'est ainsi que chaque jeune fille allait vers le roi ; et, quand elle passait de la
14 maison des femmes dans la maison du roi, on lui laissait prendre avec elle tout ce qu'elle voulait. Elle y
allait le soir ; et le lendemain matin elle passait dans la seconde maison des femmes, sous la surveillance
de Schaaschgaz, eunuque du roi et gardien des concubines. Elle ne retournait plus vers le roi, à moins
15 que le roi n'en eût le désir et qu'elle ne fût appelée par son nom. Lorsque son tour d'aller vers le roi fut
arrivé, Esther, fille d'Abichaïl, oncle de Mardochée qui l'avait adoptée pour fille, ne demanda que ce qui
fut désigné par Hégaï, eunuque du roi et gardien des femmes. Esther trouvait grâce aux yeux de tous
16 ceux qui la voyaient. Esther fut conduite auprès du roi Assuérus, dans sa maison royale, le dixième
17 mois, qui est le mois de Tébeth, la septième année de son règne. Le roi aima Esther plus que toutes les
autres femmes, et elle obtint grâce et faveur devant lui plus que toutes les autres jeunes filles. Il mit la
18 couronne royale sur sa tête, et la fit reine à la place de Vasthi. Le roi donna un grand festin à tous ses
princes et à ses serviteurs, un festin en l'honneur d'Esther ; il accorda du repos aux provinces, et fit des
19 présents avec une libéralité royale. La seconde fois qu'on assembla les jeunes filles, Mardochée était
20 assis à la porte du roi. Esther n'avait fait connaître ni sa naissance ni son peuple, car Mardochée le lui
avait défendu, et elle suivait les ordres de Mardochée aussi fidèlement qu'à l'époque où elle était sous
21 sa tutelle. Dans ce même temps, comme Mardochée était assis à la porte du roi, Bigthan et Théresch,
deux eunuques du roi, gardes du seuil, cédèrent à un mouvement d'irritation et voulurent porter la
22 main sur le roi Assuérus. Mardochée eut connaissance de la chose et en informa la reine Esther, qui la
23 redit au roi de la part de Mardochée. Le fait ayant été vérifié et trouvé exact, les deux eunuques furent
pendus à un bois. Et cela fut écrit dans le livre des Chroniques en présence du roi.

3 Après ces choses, le roi Assuérus fit monter au pouvoir Haman, fils d'Hammedatha, l'Agaguite ; il
2 l'éleva en dignité et plaça son siège au-dessus de ceux de tous les chefs qui étaient auprès de lui. Tous
les serviteurs du roi, qui se tenaient à la porte du roi, fléchissaient le genou et se prosternaient devant
Haman, car tel était l'ordre du roi à son égard. Mais Mardochée ne fléchissait point le genou et ne
3 se prosternait point. Et les serviteurs du roi, qui se tenaient à la porte du roi, dirent à Mardochée :
4 Pourquoi transgresses -tu l'ordre du roi ? Comme ils le lui répétaient chaque jour et qu'il ne les écoutait
pas, ils en firent rapport à Haman, pour voir si Mardochée persisterait dans sa résolution ; car il leur
5 avait dit qu'il était Juif. Et Haman vit que Mardochée ne fléchissait point le genou et ne se prosternait
6 point devant lui. Il fut rempli de fureur ; mais il dédaigna de porter la main sur Mardochée seul, car
on lui avait dit de quel peuple était Mardochée, et il voulut détruire le peuple de Mardochée, tous les
7 Juifs qui se trouvaient dans tout le royaume d'Assuérus. Au premier mois, qui est le mois de Nisan, la
douzième année du roi Assuérus, on jeta le pur, c'est-à-dire le sort, devant Haman, pour chaque jour et
8 pour chaque mois, jusqu'au douzième mois, qui est le mois d'Adar. Alors Haman dit au roi Assuérus :
Il y a dans toutes les provinces de ton royaume un peuple dispersé et à part parmi les peuples, ayant
des lois différentes de celles de tous les peuples et n'observant point les lois du roi. Il n'est pas dans
9 l'intérêt du roi de le laisser en repos. Si le roi le trouve bon, qu'on écrive l'ordre de les faire périr ; et je
pèserai dix mille talents d'argent entre les mains des fonctionnaires, pour qu'on les porte dans le trésor
10 du roi. Le roi ôta son anneau de la main, et le remit à Haman, fils d'Hammedatha, l'Agaguite, ennemi
11 des Juifs. Et le roi dit à Haman : L'argent t'est donné, et ce peuple aussi ; fais -en ce que tu voudras.
12 Les secrétaires du roi furent appelés le treizième jour du premier mois, et l'on écrivit, suivant tout ce
qui fut ordonné par Haman, aux satrapes du roi, aux gouverneurs de chaque province et aux chefs de
chaque peuple, à chaque province selon son écriture et à chaque peuple selon sa langue. Ce fut au nom
13 du roi Assuérus que l'on écrivit, et on scella avec l'anneau du roi. Les lettres furent envoyées par les
courriers dans toutes les provinces du roi, pour qu'on détruisît, qu'on tuât et qu'on fît périr tous les
Juifs, jeunes et vieux, petits enfants et femmes, en un seul jour, le treizième du douzième mois, qui est
14 le mois d'Adar, et pour que leurs biens fussent livrés au pillage. Ces lettres renfermaient une copie de
l'édit qui devait être publié dans chaque province, et invitaient tous les peuples à se tenir prêts pour ce
15 jour -là. Les courriers partirent en toute hâte, d'après l'ordre du roi. L'édit fut aussi publié dans Suse,
la capitale ; et tandis que le roi et Haman étaient à boire, la ville de Suse était dans la consternation.

4 Mardochée, ayant appris tout ce qui se passait, déchira ses vêtements, s'enveloppa d'un sac et se
2 couvrit de cendre. Puis il alla au milieu de la ville en poussant avec force des cris amers, et se rendit
3 jusqu'à la porte du roi, dont l'entrée était interdite à toute personne revêtue d'un sac. Dans chaque
province, partout où arrivaient l'ordre du roi et son édit, il y eut une grande désolation parmi les Juifs ;
4 ils jeûnaient, pleuraient et se lamentaient, et beaucoup se couchaient sur le sac et la cendre. Les
servantes d'Esther et ses eunuques vinrent lui annoncer cela, et la reine fut très effrayée. Elle envoya
5 des vêtements à Mardochée pour le couvrir et lui faire ôter son sac, mais il ne les accepta pas. Alors

Esther appela Hathac, l'un des eunuques que le roi avait placés auprès d'elle, et elle le chargea d'aller
demander à Mardochée ce que c'était et d'où cela venait. Hathac se rendit vers Mardochée sur la place 6
de la ville, devant la porte du roi. Et Mardochée lui raconta tout ce qui lui était arrivé, et lui indiqua 7
la somme d'argent qu'Haman avait promis de livrer au trésor du roi en retour du massacre des Juifs.
Il lui donna aussi une copie de l'édit publié dans Suse en vue de leur destruction, afin qu'il le montrât à 8
Esther et lui fît tout connaître ; et il ordonna qu'Esther se rendît chez le roi pour lui demander grâce et
l'implorer en faveur de son peuple. Hathac vint rapporter à Esther les paroles de Mardochée. Esther 9, 10
chargea Hathac d'aller dire à Mardochée : Tous les serviteurs du roi et le peuple des provinces du 11
roi savent qu'il existe une loi portant peine de mort contre quiconque, homme ou femme, entre chez
le roi, dans la cour intérieure, sans avoir été appelé ; celui-là seul a la vie sauve, à qui le roi tend le
sceptre d'or. Et moi, je n'ai point été appelée auprès du roi depuis trente jours. Lorsque les paroles 12
d'Esther eurent été rapportées à Mardochée, Mardochée fit répondre à Esther : Ne t'imagine pas que 13
tu échapperas seule d'entre tous les Juifs, parce que tu es dans la maison du roi ; car, si tu te tais 14
maintenant, le secours et la délivrance surgiront d'autre part pour les Juifs, et toi et la maison de ton
père vous périrez. Et qui sait si ce n'est pas pour un temps comme celui-ci que tu es parvenue à la
royauté ? Esther envoya dire à Mardochée : Va, rassemble tous les Juifs qui se trouvent à Suse, et 15, 16
jeûnez pour moi, sans manger ni boire pendant trois jours, ni la nuit ni le jour. Moi aussi, je jeûnerai
de même avec mes servantes, puis j'entrerai chez le roi, malgré la loi ; et si je dois périr, je périrai.
Mardochée s'en alla, et fit tout ce qu'Esther lui avait ordonné. 17

Le troisième jour, Esther mit ses vêtements royaux et se présenta dans la cour intérieure de la **5**
maison du roi, devant la maison du roi. Le roi était assis sur son trône royal dans la maison royale, en
face de l'entrée de la maison. Lorsque le roi vit la reine Esther debout dans la cour, elle trouva grâce à 2
ses yeux ; et le roi tendit à Esther le sceptre d'or qu'il tenait à la main. Esther s'approcha, et toucha le
bout du sceptre. Le roi lui dit : Qu'as-tu, reine Esther, et que demandes -tu ? Quand ce serait la moitié 3
du royaume, elle te serait donnée. Esther répondit : Si le roi le trouve bon, que le roi vienne aujourd'hui 4
avec Haman au festin que je lui ai préparé. Et le roi dit : Allez tout de suite chercher Haman, comme le 5
désire Esther. Le roi se rendit avec Haman au festin qu'avait préparé Esther. Et pendant qu'on buvait 6
le vin, le roi dit à Esther : Quelle est ta demande ? Elle te sera accordée. Que désires -tu ? Quand ce
serait la moitié du royaume, tu l'obtiendras. Esther répondit : Voici ce que je demande et ce que je 7
désire. Si j'ai trouvé grâce aux yeux du roi, et s'il plaît au roi d'accorder ma demande et de satisfaire 8
mon désir, que le roi vienne avec Haman au festin que je leur préparerai, et demain je donnerai réponse
au roi selon son ordre. Haman sortit ce jour -là, joyeux et le coeur content. Mais lorsqu'il vit, à la porte 9
du roi, Mardochée qui ne se levait ni ne se remuait devant lui, il fut rempli de colère contre Mardochée.
Il sut néanmoins se contenir, et il alla chez lui. Puis il envoya chercher ses amis et Zéresch, sa femme. 10
Haman leur parla de la magnificence de ses richesses, du nombre de ses fils, de tout ce qu'avait fait le 11
roi pour l'élever en dignité, et du rang qu'il lui avait donné au-dessus des chefs et des serviteurs du roi.
Et il ajouta : Je suis même le seul que la reine Esther ait admis avec le roi au festin qu'elle a fait, et je 12
suis encore invité pour demain chez elle avec le roi. Mais tout cela n'est d'aucun prix pour moi aussi 13
longtemps que je verrai Mardochée, le Juif, assis à la porte du roi. Zéresch, sa femme, et tous ses amis 14
lui dirent : Qu'on prépare un bois haut de cinquante coudées, et demain matin demande au roi qu'on y
pende Mardochée ; puis tu iras joyeux au festin avec le roi. Cet avis plut à Haman, et il fit préparer le
bois.

Cette nuit -là, le roi ne put pas dormir, et il se fit apporter le livre des annales, les Chroniques. On les **6**
lut devant le roi, et l'on trouva écrit ce que Mardochée avait révélé au sujet de Bigthan et de Théresch, 2
les deux eunuques du roi, gardes du seuil, qui avaient voulu porter la main sur le roi Assuérus. Le 3
roi dit : Quelle marque de distinction et d'honneur Mardochée a-t-il reçue pour cela ? Il n'a rien reçu,
répondirent ceux qui servaient le roi. Alors le roi dit : Qui est dans la cour ? -Haman était venu dans 4
la cour extérieure de la maison du roi, pour demander au roi de faire pendre Mardochée au bois qu'il
avait préparé pour lui. - Les serviteurs du roi lui répondirent : C'est Haman qui se tient dans la cour. 5
Et le roi dit : Qu'il entre. Haman entra, et le roi lui dit : Que faut-il faire pour un homme que le roi 6
veut honorer ? Haman se dit en lui-même : Quel autre que moi le roi voudrait -il honorer ? Et Haman 7
répondit au roi : Pour un homme que le roi veut honorer, il faut prendre le vêtement royal dont le roi 8
se couvre et le cheval que le roi monte et sur la tête duquel se pose une couronne royale, remettre le 9
vêtement et le cheval à l'un des principaux chefs du roi, puis revêtir l'homme que le roi veut honorer, le
promener à cheval à travers la place de la ville, et crier devant lui : C'est ainsi que l'on fait à l'homme
que le roi veut honorer ! Le roi dit à Haman : Prends tout de suite le vêtement et le cheval, comme tu 10
l'as dit, et fais ainsi pour Mardochée, le Juif, qui est assis à la porte du roi ; ne néglige rien de tout ce que
tu as mentionné. Et Haman prit le vêtement et le cheval, il revêtit Mardochée, il le promena à cheval 11
à travers la place de la ville, et il cria devant lui : C'est ainsi que l'on fait à l'homme que le roi veut

12 honorer ! Mardochée retourna à la porte du roi, et Haman se rendit en hâte chez lui, désolé et la tête
13 voilée. Haman raconta à Zéresch, sa femme, et à tous ses amis, tout ce qui lui était arrivé. Et ses sages,
et Zéresch, sa femme, lui dirent : Si Mardochée, devant lequel tu as commencé de tomber, est de la race
14 des Juifs, tu ne pourras rien contre lui, mais tu tomberas devant lui. Comme ils lui parlaient encore,
les eunuques du roi arrivèrent et conduisirent aussitôt Haman au festin qu'Esther avait préparé.

7, 2 Le roi et Haman allèrent au festin chez la reine Esther. Ce second jour, le roi dit encore à Esther,
pendant qu'on buvait le vin : Quelle est ta demande, reine Esther ? Elle te sera accordée. Que désires
3 -tu ? Quand ce serait la moitié du royaume, tu l'obtiendras. La reine Esther répondit : Si j'ai trouvé
grâce à tes yeux, ô roi, et si le roi le trouve bon, accorde -moi la vie, voilà ma demande, et sauve mon
4 peuple, voilà mon désir ! Car nous sommes vendus, moi et mon peuple, pour être détruits, égorgés,
anéantis. Encore si nous étions vendus pour devenir esclaves et servantes, je me tairais, mais l'ennemi
5 ne saurait compenser le dommage fait au roi. Le roi Assuérus prit la parole et dit à la reine Esther :
6 Qui est-il et où est-il celui qui se propose d'agir ainsi ? Esther répondit : L'oppresseur, l'ennemi, c'est
7 Haman, ce méchant -là ! Haman fut saisi de terreur en présence du roi et de la reine. Et le roi, dans sa
colère, se leva et quitta le festin, pour aller dans le jardin du palais. Haman resta pour demander grâce
8 de la vie à la reine Esther, car il voyait bien que sa perte était arrêtée dans l'esprit du roi. Lorsque le
roi revint du jardin du palais dans la salle du festin, il vit Haman qui s'était précipité vers le lit sur
lequel était Esther, et il dit : Serait-ce encore pour faire violence à la reine, chez moi, dans le palais ?
9 Dès que cette parole fut sortie de la bouche du roi, on voila le visage d'Haman. Et Harbona, l'un des
eunuques, dit en présence du roi : Voici, le bois préparé par Haman pour Mardochée, qui a parlé pour le
bien du roi, est dressé dans la maison d'Haman, à une hauteur de cinquante coudées. Le roi dit : Qu'on
10 y pende Haman ! Et l'on pendit Haman au bois qu'il avait préparé pour Mardochée. Et la colère du roi
s'apaisa.

8 En ce même jour, le roi Assuérus donna à la reine Esther la maison d'Haman, l'ennemi des Juifs ;
2 et Mardochée parut devant le roi, car Esther avait fait connaître la parenté qui l'unissait à elle. Le
roi ôta son anneau, qu'il avait repris à Haman, et le donna à Mardochée ; Esther, de son côté, établit
3 Mardochée sur la maison d'Haman. Puis Esther parla de nouveau en présence du roi. Elle se jeta à
ses pieds, elle pleura, elle le supplia d'empêcher les effets de la méchanceté d'Haman, l'Agaguite, et
4 la réussite de ses projets contre les Juifs. Le roi tendit le sceptre d'or à Esther, qui se releva et resta
5 debout devant le roi. Elle dit alors : Si le roi le trouve bon et si j'ai trouvé grâce devant lui, si la chose
paraît convenable au roi et si je suis agréable à ses yeux, qu'on écrive pour révoquer les lettres conçues
par Haman, fils d'Hammedatha, l'Agaguite, et écrites par lui dans le but de faire périr les Juifs qui sont
6 dans toutes les provinces du roi. Car comment pourrais -je voir le malheur qui atteindrait mon peuple,
7 et comment pourrais -je voir la destruction de ma race ? Le roi Assuérus dit à la reine Esther et au Juif
Mardochée : Voici, j'ai donné à Esther la maison d'Haman, et il a été pendu au bois pour avoir étendu la
8 main contre les Juifs. Écrivez donc en faveur des Juifs comme il vous plaira, au nom du roi, et scellez
avec l'anneau du roi ; car une lettre écrite au nom du roi et scellée avec l'anneau du roi ne peut être
9 révoquée. Les secrétaires du roi furent appelés en ce temps, le vingt -troisième jour du troisième mois,
qui est le mois de Sivan, et l'on écrivit, suivant tout ce qui fut ordonné par Mardochée, aux Juifs, aux
satrapes, aux gouverneurs et aux chefs des cent vingt -sept provinces situées de l'Inde à l'Éthiopie, à
chaque province selon son écriture, à chaque peuple selon sa langue, et aux Juifs selon leur écriture et
10 selon leur langue. On écrivit au nom du roi Assuérus, et l'on scella avec l'anneau du roi. On envoya
11 les lettres par des courriers ayant pour montures des chevaux et des mulets nés de juments. Par ces
lettres, le roi donnait aux Juifs, en quelque ville qu'ils fussent, la permission de se rassembler et de
défendre leur vie, de détruire, de tuer et de faire périr, avec leurs petits enfants et leurs femmes, tous
ceux de chaque peuple et de chaque province qui prendraient les armes pour les attaquer, et de livrer
12 leurs biens au pillage, et cela en un seul jour, dans toutes les provinces du roi Assuérus, le treizième
13 du douzième mois, qui est le mois d'Adar. Ces lettres renfermaient une copie de l'édit qui devait être
publié dans chaque province, et informaient tous les peuples que les Juifs se tiendraient prêts pour ce
14 jour -là à se venger de leurs ennemis. Les courriers, montés sur des chevaux et des mulets, partirent
15 aussitôt et en toute hâte, d'après l'ordre du roi. L'édit fut aussi publié dans Suse, la capitale. Mardochée
sortit de chez le roi, avec un vêtement royal bleu et blanc, une grande couronne d'or, et un manteau de
16 byssus et de pourpre. La ville de Suse poussait des cris et se réjouissait. Il n'y avait pour les Juifs que
17 bonheur et joie, allégresse et gloire. Dans chaque province et dans chaque ville, partout où arrivaient
l'ordre du roi et son édit, il y eut parmi les Juifs de la joie et de l'allégresse, des festins et des fêtes. Et
beaucoup de gens d'entre les peuples du pays se firent Juifs, car la crainte des Juifs les avait saisis.

9 Au douzième mois, qui est le mois d'Adar, le treizième jour du mois, jour où devaient s'exécuter
l'ordre et l'édit du roi, et où les ennemis des Juifs avaient espéré dominer sur eux, ce fut le contraire
2 qui arriva, et les Juifs dominèrent sur leurs ennemis. Les Juifs se rassemblèrent dans leurs villes,

dans toutes les provinces du roi Assuérus, pour mettre la main sur ceux qui cherchaient leur perte ; et
personne ne put leur résister, car la crainte qu'on avait d'eux s'était emparée de tous les peuples. Et 3
tous les chefs des provinces, les satrapes, les gouverneurs, les fonctionnaires du roi, soutinrent les Juifs,
à cause de l'effroi que leur inspirait Mardochée. Car Mardochée était puissant dans la maison du roi, 4
et sa renommée se répandait dans toutes les provinces, parce qu'il devenait de plus en plus puissant.
Les Juifs frappèrent à coups d'épée tous leurs ennemis, ils les tuèrent et les firent périr ; ils traitèrent 5
comme il leur plut ceux qui leur étaient hostiles. Dans Suse, la capitale, les Juifs tuèrent et firent périr 6
cinq cents hommes, et ils égorgèrent Parschandatha, Dalphon, Aspatha, Poratha, Adalia, Aridatha, 7, 8
Parmaschtha, Arizaï, Aridaï et Vajezatha, les dix fils d'Haman, fils d'Hammedatha, l'ennemi des Juifs. 9, 10
Mais ils ne mirent pas la main au pillage. Ce jour -là, le nombre de ceux qui avaient été tués dans 11
Suse, la capitale, parvint à la connaissance du roi. Et le roi dit à la reine Esther : Les Juifs ont tué 12
et fait périr dans Suse, la capitale, cinq cents hommes et les dix fils d'Haman ; qu'auront-ils fait dans
le reste des provinces du roi ? Quelle est ta demande ? Elle te sera accordée. Que désires -tu encore ?
Tu l'obtiendras. Esther répondit : Si le roi le trouve bon, qu'il soit permis aux Juifs qui sont à Suse 13
d'agir encore demain selon le décret d'aujourd'hui, et que l'on pende au bois les dix fils d'Haman. Et 14
le roi ordonna de faire ainsi. L'édit fut publié dans Suse. On pendit les dix fils d'Haman ; et les Juifs 15
qui se trouvaient à Suse se rassemblèrent de nouveau le quatorzième jour du mois d'Adar et tuèrent
dans Suse trois cents hommes. Mais ils ne mirent pas la main au pillage. Les autres Juifs qui étaient 16
dans les provinces du roi se rassemblèrent et défendirent leur vie ; ils se procurèrent du repos en se
délivrant de leurs ennemis, et ils tuèrent soixante-quinze mille de ceux qui leur étaient hostiles. Mais
ils ne mirent pas la main au pillage. Ces choses arrivèrent le treizième jour du mois d'Adar. Les Juifs 17
se reposèrent le quatorzième, et ils en firent un jour de festin et de joie. Ceux qui se trouvaient à 18
Suse, s'étant rassemblés le treizième jour et le quatorzième jour, se reposèrent le quinzième, et ils en
firent un jour de festin et de joie. C'est pourquoi les Juifs de la campagne, qui habitent des villes 19
sans murailles, font du quatorzième jour du mois d'Adar un jour de joie, de festin et de fête, où l'on
s'envoie des portions les uns aux autres. Mardochée écrivit ces choses, et il envoya des lettres à tous 20
les Juifs qui étaient dans toutes les provinces du roi Assuérus, auprès et au loin. Il leur prescrivait de 21
célébrer chaque année le quatorzième jour et le quinzième jour du mois d'Adar comme les jours où ils 22
avaient obtenu du repos en se délivrant de leurs ennemis, de célébrer le mois où leur tristesse avait été
changée en joie et leur désolation en jour de fête, et de faire de ces jours des jours de festin et de joie
où l'on s'envoie des portions les uns aux autres et où l'on distribue des dons aux indigents. Les Juifs 23
s'engagèrent à faire ce qu'ils avaient déjà commencé et ce que Mardochée leur écrivit. Car Haman, fils 24
d'Hammedatha, l'Agaguite, ennemi de tous les Juifs, avait formé le projet de les faire périr, et il avait
jeté le pur, c'est-à-dire le sort, afin de les tuer et de les détruire ; mais Esther s'étant présentée devant 25
le roi, le roi ordonna par écrit de faire retomber sur la tête d'Haman le méchant projet qu'il avait formé
contre les Juifs, et de le pendre au bois, lui et ses fils. C'est pourquoi on appela ces jours Purim, du 26
nom de pur. D'après tout le contenu de cette lettre, d'après ce qu'ils avaient eux-mêmes vu et ce qui
leur était arrivé, les Juifs prirent pour eux, pour leur postérité, et pour tous ceux qui s'attacheraient à 27
eux, la résolution et l'engagement irrévocables de célébrer chaque année ces deux jours, selon le mode
prescrit et au temps fixé. Ces jours devaient être rappelés et célébrés de génération en génération, dans 28
chaque famille, dans chaque province et dans chaque ville ; et ces jours de Purim ne devaient jamais
être abolis au milieu des Juifs, ni le souvenir s'en effacer parmi leurs descendants. La reine Esther, 29
fille d'Abichaïl, et le Juif Mardochée écrivirent d'une manière pressante une seconde fois pour confirmer
la lettre sur les Purim. On envoya des lettres à tous les Juifs, dans les cent vingt -sept provinces du 30
roi Assuérus. Elles contenaient des paroles de paix et de fidélité, pour prescrire ces jours de Purim au 31
temps fixé, comme le Juif Mardochée et la reine Esther les avaient établis pour eux, et comme ils les
avaient établis pour eux-mêmes et pour leur postérité, à l'occasion de leur jeûne et de leurs cris. Ainsi 32
l'ordre d'Esther confirma l'institution des Purim, et cela fut écrit dans le livre.

Le roi Assuérus imposa un tribut au pays et aux îles de la mer. Tous les faits concernant sa puis- **10**, 2
sance et ses exploits, et les détails sur la grandeur à laquelle le roi éleva Mardochée, ne sont-ils pas
écrits dans le livre des Chroniques des rois des Mèdes et des Perses ? Car le Juif Mardochée était 3
le premier après le roi Assuérus ; considéré parmi les Juifs et aimé de la multitude de ses frères, il
rechercha le bien de son peuple et parla pour le bonheur de toute sa race.

JOB

1 Il y avait dans le pays d'Uts un homme qui s'appelait Job. Et cet homme était intègre et droit ;
2, 3 il craignait Dieu, et se détournait du mal. Il lui naquit sept fils et trois filles. Il possédait
sept mille brebis, trois mille chameaux, cinq cents paires de boeufs, cinq cents ânesses, et
un très grand nombre de serviteurs. Et cet homme était le plus considérable de tous les fils
4 de l'Orient. Ses fils allaient les uns chez les autres et donnaient tour à tour un festin, et ils invitaient
5 leurs trois soeurs à manger et à boire avec eux. Et quand les jours de festin étaient passés, Job appelait
et sanctifiait ses fils, puis il se levait de bon matin et offrait pour chacun d'eux un holocauste ; car Job
disait : Peut-être mes fils ont-ils péché et ont-ils offensé Dieu dans leur coeur. C'est ainsi que Job avait
6 coutume d'agir. Or, les fils de Dieu vinrent un jour se présenter devant l'Éternel, et Satan vint aussi
7 au milieu d'eux. L'Éternel dit à Satan : D'où viens -tu ? Et Satan répondit à l'Éternel : De parcourir la
8 terre et de m'y promener. L'Éternel dit à Satan : As-tu remarqué mon serviteur Job ? Il n'y a personne
9 comme lui sur la terre ; c'est un homme intègre et droit, craignant Dieu, et se détournant du mal. Et
10 Satan répondit à l'Éternel : Est-ce d'une manière désintéressée que Job craint Dieu ? Ne l'as-tu pas
protégé, lui, sa maison, et tout ce qui est à lui ? Tu as béni l'oeuvre de ses mains, et ses troupeaux
11 couvrent le pays. Mais étends ta main, touche à tout ce qui lui appartient, et je suis sûr qu'il te maudit
12 en face. L'Éternel dit à Satan : Voici, tout ce qui lui appartient, je te le livre ; seulement, ne porte
13 pas la main sur lui. Et Satan se retira de devant la face de l'Éternel. Un jour que les fils et les filles
14 de Job mangeaient et buvaient du vin dans la maison de leur frère aîné, il arriva auprès de Job un
15 messager qui dit : Les boeufs labouraient et les ânesses paissaient à côté d'eux ; des Sabéens se sont
jetés dessus, les ont enlevés, et ont passé les serviteurs au fil de l'épée. Et je me suis échappé moi seul,
16 pour t'en apporter la nouvelle. Il parlait encore, lorsqu'un autre vint et dit : Le feu de Dieu est tombé
du ciel, a embrasé les brebis et les serviteurs, et les a consumés. Et je me suis échappé moi seul, pour
17 t'en apporter la nouvelle. Il parlait encore, lorsqu'un autre vint et dit : Des Chaldéens, formés en trois
bandes, se sont jetés sur les chameaux, les ont enlevés, et ont passé les serviteurs au fil de l'épée. Et
18 je me suis échappé moi seul, pour t'en apporter la nouvelle. Il parlait encore, lorsqu'un autre vint et
19 dit : Tes fils et tes filles mangeaient et buvaient du vin dans la maison de leur frère aîné ; et voici,
un grand vent est venu de l'autre côté du désert, et a frappé contre les quatre coins de la maison ; elle
s'est écroulée sur les jeunes gens, et ils sont morts. Et je me suis échappé moi seul, pour t'en apporter
20 la nouvelle. Alors Job se leva, déchira son manteau, et se rasa la tête ; puis, se jetant par terre, il se
21 prosterna, et dit : Je suis sorti nu du sein de ma mère, et nu je retournerai dans le sein de la terre.
22 L'Éternel a donné, et l'Éternel a ôté ; que le nom de l'Éternel soit béni ! En tout cela, Job ne pécha point
et n'attribua rien d'injuste à Dieu.

2 Or, les fils de Dieu vinrent un jour se présenter devant l'Éternel, et Satan vint aussi au milieu d'eux
2 se présenter devant l'Éternel. L'Éternel dit à Satan : D'où viens -tu ? Et Satan répondit à l'Éternel : De
3 parcourir la terre et de m'y promener. L'Éternel dit à Satan : As-tu remarqué mon serviteur Job ? Il n'y
a personne comme lui sur la terre ; c'est un homme intègre et droit, craignant Dieu, et se détournant
4 du mal. Il demeure ferme dans son intégrité, et tu m'excites à le perdre sans motif. Et Satan répondit
5 à l'Éternel : Peau pour peau ! tout ce que possède un homme, il le donne pour sa vie. Mais étends ta
6 main, touche à ses os et à sa chair, et je suis sûr qu'il te maudit en face. L'Éternel dit à Satan : Voici, je
7 te le livre : seulement, épargne sa vie. Et Satan se retira de devant la face de l'Éternel. Puis il frappa
8 Job d'un ulcère malin, depuis la plante du pied jusqu'au sommet de la tête. Et Job prit un tesson pour
9 se gratter et s'assit sur la cendre. Sa femme lui dit : Tu demeures ferme dans ton intégrité ! Maudis
10 Dieu, et meurs ! Mais Job lui répondit : Tu parles comme une femme insensée. Quoi ! nous recevons
de Dieu le bien, et nous ne recevrions pas aussi le mal ! En tout cela Job ne pécha point par ses lèvres.
11 Trois amis de Job, Éliphaz de Théman, Bildad de Schuach, et Tsophar de Naama, apprirent tous les
malheurs qui lui étaient arrivés. Ils se concertèrent et partirent de chez eux pour aller le plaindre et
12 le consoler ! Ayant de loin porté les regards sur lui, ils ne le reconnurent pas, et ils élevèrent la voix
et pleurèrent. Ils déchirèrent leurs manteaux, et ils jetèrent de la poussière en l'air au-dessus de leur
13 tête. Et ils se tinrent assis à terre auprès de lui sept jours et sept nuits, sans lui dire une parole, car
ils voyaient combien sa douleur était grande.

3, 2, 3 Après cela, Job ouvrit la bouche et maudit le jour de sa naissance. Il prit la parole et dit : Périsse
4 le jour où je suis né, Et la nuit qui dit : Un enfant mâle est conçu ! Ce jour ! qu'il se change en ténèbres,
5 Que Dieu n'en ait point souci dans le ciel, Et que la lumière ne rayonne plus sur lui ! Que l'obscurité
et l'ombre de la mort s'en emparent, Que des nuées établissent leur demeure au-dessus de lui, Et

que de noirs phénomènes l'épouvantent ! Cette nuit ! que les ténèbres en fassent leur proie, Qu'elle 6
disparaisse de l'année, Qu'elle ne soit plus comptée parmi les mois ! Que cette nuit devienne stérile, 7
Que l'allégresse en soit bannie ! Qu'elle soit maudite par ceux qui maudissent les jours, Par ceux qui 8
savent exciter le léviathan ! Que les étoiles de son crépuscule s'obscurcissent, Qu'elle attende en vain 9
la lumière, Et qu'elle ne voie point les paupières de l'aurore ! Car elle n'a pas fermé le sein qui me 10
conçut, Ni dérobé la souffrance à mes regards. Pourquoi ne suis-je pas mort dans le ventre de ma 11
mère ? Pourquoi n'ai-je pas expiré au sortir de ses entrailles ? Pourquoi ai-je trouvé des genoux pour 12
me recevoir, Et des mamelles pour m'allaiter ? Je serais couché maintenant, je serais tranquille, Je 13
dormirais, je reposerais, Avec les rois et les grands de la terre, Qui se bâtirent des mausolées, Avec 14, 15
les princes qui avaient de l'or, Et qui remplirent d'argent leurs demeures. Ou je n'existerais pas, je 16
serais comme un avorton caché, Comme des enfants qui n'ont pas vu la lumière. Là ne s'agitent plus 17
les méchants, Et là se reposent ceux qui sont fatigués et sans force ; Les captifs sont tous en paix, Ils 18
n'entendent pas la voix de l'oppresseur ; Le petit et le grand sont là, Et l'esclave n'est plus soumis à 19
son maître. Pourquoi donne -t-il la lumière à celui qui souffre, Et la vie à ceux qui ont l'amertume dans 20
l'âme, Qui espèrent en vain la mort, Et qui la convoitent plus qu'un trésor, Qui seraient transportés 21, 22
de joie Et saisis d'allégresse, s'ils trouvaient le tombeau ? À l'homme qui ne sait où aller, Et que Dieu 23
cerne de toutes parts ? Mes soupirs sont ma nourriture, Et mes cris se répandent comme l'eau. Ce que 24, 25
je crains, c'est ce qui m'arrive ; Ce que je redoute, c'est ce qui m'atteint. Je n'ai ni tranquillité, ni paix, 26
ni repos, Et le trouble s'est emparé de moi.

Éliphaz de Théman prit la parole et dit : Si nous osons ouvrir la bouche, en seras-tu peiné ? Mais **4**, 2
qui pourrait garder le silence ? Voici, tu as souvent enseigné les autres, Tu as fortifié les mains lan- 3
guissantes, Tes paroles ont relevé ceux qui chancelaient, Tu as affermi les genoux qui pliaient. Et 4, 5
maintenant qu'il s'agit de toi, tu faiblis ! Maintenant que tu es atteint, tu te troubles ! Ta crainte de 6
Dieu n'est-elle pas ton soutien ? Ton espérance, n'est-ce pas ton intégrité ? Cherche dans ton souvenir : 7
quel est l'innocent qui a péri ? Quels sont les justes qui ont été exterminés ? Pour moi, je l'ai vu, ceux 8
qui labourent l'iniquité Et qui sèment l'injustice en moissonnent les fruits ; Ils périssent par le souffle 9
de Dieu, Ils sont consumés par le vent de sa colère, Le rugissement des lions prend fin, Les dents 10
des lionceaux sont brisées ; Le lion périt faute de proie, Et les petits de la lionne se dispersent. Une 11, 12
parole est arrivée furtivement jusqu'à moi, Et mon oreille en a recueilli les sons légers. Au moment 13
où les visions de la nuit agitent la pensée, Quand les hommes sont livrés à un profond sommeil, Je 14
fus saisi de frayeur et d'épouvante, Et tous mes os tremblèrent. Un esprit passa près de moi.... Tous 15
mes cheveux se hérissèrent.... Une figure d'un aspect inconnu était devant mes yeux, Et j'entendis une 16
voix qui murmurait doucement : L'homme serait-il juste devant Dieu ? Serait-il pur devant celui qui l'a 17
fait ? Si Dieu n'a pas confiance en ses serviteurs, S'il trouve de la folie chez ses anges, Combien plus 18, 19
chez ceux qui habitent des maisons d'argile, Qui tirent leur origine de la poussière, Et qui peuvent être
écrasés comme un vermisseau ! Du matin au soir ils sont brisés, Ils périssent pour toujours, et nul n'y 20
prend garde ; Le fil de leur vie est coupé, Ils meurent, et ils n'ont pas acquis la sagesse. 21

Crie maintenant ! Qui te répondra ? Auquel des saints t'adresseras -tu ? L'insensé périt dans sa **5**, 2
colère, Le fou meurt dans ses emportements. J'ai vu l'insensé prendre racine ; Puis soudain j'ai maudit 3
sa demeure. Plus de prospérité pour ses fils ; Ils sont foulés à la porte, et personne qui les délivre ! Sa 4, 5
moisson est dévorée par des affamés, Qui viennent l'enlever jusque dans les épines, Et ses biens sont
engloutis par des hommes altérés. Le malheur ne sort pas de la poussière, Et la souffrance ne germe 6
pas du sol ; L'homme naît pour souffrir, Comme l'étincelle pour voler. Pour moi, j'aurais recours à Dieu, 7, 8
Et c'est à Dieu que j'exposerais ma cause. Il fait des choses grandes et insondables, Des merveilles sans 9
nombre ; Il répand la pluie sur la terre, Et envoie l'eau sur les campagnes ; Il relève les humbles, Et 10, 11
délivre les affligés ; Il anéantit les projets des hommes rusés, Et leurs mains ne peuvent les accomplir ; 12
Il prend les sages dans leur propre ruse, Et les desseins des hommes artificieux sont renversés : Ils 13, 14
rencontrent les ténèbres au milieu du jour, Ils tâtonnent en plein midi comme dans la nuit. Ainsi Dieu 15
protège le faible contre leurs menaces, Et le sauve de la main des puissants ; Et l'espérance soutient 16
le malheureux, Mais l'iniquité ferme la bouche. Heureux l'homme que Dieu châtie ! Ne méprise pas 17
la correction du Tout-Puissant. Il fait la plaie, et il la bande ; Il blesse, et sa main guérit. Six fois il 18, 19
te délivrera de l'angoisse, Et sept fois le mal ne t'atteindra pas. Il te sauvera de la mort pendant la 20
famine, Et des coups du glaive pendant la guerre. Tu seras à l'abri du fléau de la langue, Tu seras sans 21
crainte quand viendra la dévastation. Tu te riras de la dévastation comme de la famine, Et tu n'auras 22
pas à redouter les bêtes de la terre ; Car tu feras alliance avec les pierres des champs, Et les bêtes de 23
la terre seront en paix avec toi. Tu jouiras du bonheur sous ta tente, Tu retrouveras tes troupeaux au 24
complet, Tu verras ta postérité s'accroître, Et tes rejetons se multiplier comme l'herbe des champs. Tu 25, 26
entreras au sépulcre dans la vieillesse, Comme on emporte une gerbe en son temps. Voilà ce que nous 27
avons reconnu, voilà ce qui est ; À toi d'entendre et de mettre à profit.

6, 2 Job prit la parole et dit : Oh ! s'il était possible de peser ma douleur, Et si toutes mes calamités
3 étaient sur la balance, Elles seraient plus pesantes que le sable de la mer ; Voilà pourquoi mes paroles
4 vont jusqu'à la folie ! Car les flèches du Tout-Puissant m'ont percé, Et mon âme en suce le venin ; Les
5 terreurs de Dieu se rangent en bataille contre moi. L'âne sauvage crie -t-il auprès de l'herbe tendre ?
6 Le boeuf mugit -il auprès de son fourrage ? Peut-on manger ce qui est fade et sans sel ? Y a -t-il de la
7 saveur dans le blanc d'un oeuf ? Ce que je voudrais ne pas toucher, C'est là ma nourriture, si dégoûtante
8, 9 soit-elle ! Puisse mon voeu s'accomplir, Et Dieu veuille réaliser mon espérance ! Qu'il plaise à Dieu de
10 m'écraser, Qu'il étende sa main et qu'il m'achève ! Il me restera du moins une consolation, Une joie
11 dans les maux dont il m'accable : Jamais je n'ai transgressé les ordres du Saint. Pourquoi espérer
12 quand je n'ai plus de force ? Pourquoi attendre quand ma fin est certaine ? Ma force est-elle une force
13 de pierre ? Mon corps est-il d'airain ? Ne suis-je pas sans ressource, Et le salut n'est-il pas loin de
14 moi ? Celui qui souffre a droit à la compassion de son ami, Même quand il abandonnerait la crainte du
15 Tout-Puissant. Mes frères sont perfides comme un torrent, Comme le lit des torrents qui disparaissent.
16, 17 Les glaçons en troublent le cours, La neige s'y précipite ; Viennent les chaleurs, et ils tarissent, Les
18 feux du soleil, et leur lit demeure à sec. Les caravanes se détournent de leur chemin, S'enfoncent
19 dans le désert, et périssent. Les caravanes de Théma fixent le regard, Les voyageurs de Séba sont
20, 21 pleins d'espoir ; Ils sont honteux d'avoir eu confiance, Ils restent confondus quand ils arrivent. Ainsi,
22 vous êtes comme si vous n'existiez pas ; Vous voyez mon angoisse, et vous en avez horreur ! Vous ai-je
23 dit : Donnez -moi quelque chose, Faites en ma faveur des présents avec vos biens, Délivrez -moi de la
24 main de l'ennemi, Rachetez -moi de la main des méchants ? Instruisez -moi, et je me tairai ; Faites-
25 moi comprendre en quoi j'ai péché. Que les paroles vraies sont persuasives ! Mais que prouvent vos
26 remontrances ? Voulez -vous donc blâmer ce que j'ai dit, Et ne voir que du vent dans les discours d'un
27, 28 désespéré ? Vous accablez un orphelin, Vous persécutez votre ami. Regardez -moi, je vous prie ! Vous
29, 30 mentirais -je en face ? Revenez, ne soyez pas injustes ; Revenez, et reconnaissez mon innocence. Y a
-t-il de l'iniquité sur ma langue, Et ma bouche ne discerne -t-elle pas le mal ?

7, 2 Le sort de l'homme sur la terre est celui d'un soldat, Et ses jours sont ceux d'un mercenaire. Comme
3 l'esclave soupire après l'ombre, Comme l'ouvrier attend son salaire, Ainsi j'ai pour partage des mois
4 de douleur, J'ai pour mon lot des nuits de souffrance. Je me couche, et je dis : Quand me lèverai -je ?
5 quand finira la nuit ? Et je suis rassasié d'agitations jusqu'au point du jour. Mon corps se couvre de
6 vers et d'une croûte terreuse, Ma peau se crevasse et se dissout. Mes jours sont plus rapides que la
7 navette du tisserand, Ils s'évanouissent : plus d'espérance ! Souviens -toi que ma vie est un souffle ! Mes
8 yeux ne reverront pas le bonheur. L'oeil qui me regarde ne me regardera plus ; Ton oeil me cherchera,
9 et je ne serai plus. Comme la nuée se dissipe et s'en va, Celui qui descend au séjour des morts ne
10, 11 remontera pas ; Il ne reviendra plus dans sa maison, Et le lieu qu'il habitait ne le connaîtra plus. C'est
pourquoi je ne retiendrai point ma bouche, Je parlerai dans l'angoisse de mon coeur, Je me plaindrai
12 dans l'amertume de mon âme. Suis-je une mer, ou un monstre marin, Pour que tu établisses des gardes
13, 14 autour de moi ? Quand je dis : Mon lit me soulagera, Ma couche calmera mes douleurs, C'est alors que
15 tu m'effraies par des songes, Que tu m'épouvantes par des visions. Ah ! je voudrais être étranglé ! Je
16 voudrais la mort plutôt que ces os ! Je les méprise !... je ne vivrai pas toujours... Laisse -moi, car ma
17 vie n'est qu'un souffle. Qu'est-ce que l'homme, pour que tu en fasses tant de cas, Pour que tu daignes
18 prendre garde à lui, Pour que tu le visites tous les matins, Pour que tu l'éprouves à tous les instants ?
19, 20 Quand cesseras-tu d'avoir le regard sur moi ? Quand me laisseras -tu le temps d'avaler ma salive ? Si
j'ai péché, qu'ai-je pu te faire, gardien des hommes ? Pourquoi me mettre en butte à tes traits ? Pourquoi
21 me rendre à charge à moi-même ? Que ne pardonnes -tu mon péché, Et que n'oublies -tu mon iniquité ?
Car je vais me coucher dans la poussière ; Tu me chercheras, et je ne serai plus.

8, 2 Bildad de Schuach prit la parole et dit : Jusqu'à quand veux-tu discourir de la sorte, Et les paroles
3 de ta bouche seront-elles un vent impétueux ? Dieu renverserait -il le droit ? Le Tout-Puissant renver-
4, 5 serait -il la justice ? Si tes fils ont péché contre lui, Il les a livrés à leur péché. Mais toi, si tu as recours
6 à Dieu, Si tu implores le Tout-Puissant ; Si tu es juste et droit, Certainement alors il veillera sur toi,
7 Et rendra le bonheur à ton innocente demeure ; Ton ancienne prospérité semblera peu de chose, Celle
8 qui t'est réservée sera bien plus grande. Interroge ceux des générations passées, Sois attentif à l'expé-
9 rience de leurs pères. Car nous sommes d'hier, et nous ne savons rien, Nos jours sur la terre ne sont
10, 11 qu'une ombre. Ils t'instruiront, ils te parleront, Ils tireront de leur coeur ces sentences : Le jonc croît
12 -il sans marais ? Le roseau croît -il sans humidité ? Encore vert et sans qu'on le coupe, Il sèche plus vite
13 que toutes les herbes. Ainsi arrive -t-il à tous ceux qui oublient Dieu, Et l'espérance de l'impie périra.
14, 15 Son assurance est brisée, Son soutien est une toile d'araignée. Il s'appuie sur sa maison, et elle n'est
16 pas ferme ; Il s'y cramponne, et elle ne résiste pas. Dans toute sa vigueur, en plein soleil, Il étend ses
17 rameaux sur son jardin, Il entrelace ses racines parmi les pierres, Il pénètre jusque dans les murailles ;
18, 19 L'arrache -t-on du lieu qu'il occupe, Ce lieu le renie : Je ne t'ai point connu ! Telles sont les délices que

ses voies lui procurent. Puis sur le même sol d'autres s'élèvent après lui. Non, Dieu ne rejette point 20
l'homme intègre, Et il ne protège point les méchants. Il remplira ta bouche de cris de joie, Et tes lèvres 21
de chants d'allégresse. Tes ennemis seront couverts de honte ; La tente des méchants disparaîtra. 22

Job prit la parole et dit : Je sais bien qu'il en est ainsi ; Comment l'homme serait-il juste devant **9**, 2
Dieu ? S'il voulait contester avec lui, Sur mille choses il ne pourrait répondre à une seule. À lui la 3, 4
sagesse et la toute-puissance : Qui lui résisterait impunément ? Il transporte soudain les montagnes, Il 5
les renverse dans sa colère. Il secoue la terre sur sa base, Et ses colonnes sont ébranlées. Il commande 6, 7
au soleil, et le soleil ne paraît pas ; Il met un sceau sur les étoiles. Seul, il étend les cieux, Il marche 8
sur les hauteurs de la mer. Il a créé la Grande Ourse, l'Orion et les Pléiades, Et les étoiles des régions 9
australes. Il fait des choses grandes et insondables, Des merveilles sans nombre. Voici, il passe près 10, 11
de moi, et je ne le vois pas, Il s'en va, et je ne l'aperçois pas. S'il enlève, qui s'y opposera ? Qui lui 12
dira : Que fais -tu ? Dieu ne retire point sa colère ; Sous lui s'inclinent les appuis de l'orgueil. Et moi, 13, 14
comment lui répondre ? Quelles paroles choisir ? Quand je serais juste, je ne répondrais pas ; Je ne 15
puis qu'implorer mon juge. Et quand il m'exaucerait, si je l'invoque, Je ne croirais pas qu'il eût écouté 16
ma voix, Lui qui m'assaille comme par une tempête, Qui multiplie sans raison mes blessures, Qui 17, 18
ne me laisse pas respirer, Qui me rassasie d'amertume. Recourir à la force ? Il est tout-puissant. À 19
la justice ? Qui me fera comparaître ? Suis-je juste, ma bouche me condamnera ; Suis-je innocent, il 20
me déclarera coupable. Innocent ! Je le suis ; mais je ne tiens pas à la vie, Je méprise mon existence. 21
Qu'importe après tout ? Car, j'ose le dire, Il détruit l'innocent comme le coupable. Si du moins le fléau 22, 23
donnait soudain la mort !... Mais il se rit des épreuves de l'innocent. La terre est livrée aux mains de 24
l'impie ; Il voile la face des juges. Si ce n'est pas lui, qui est-ce donc ? Mes jours sont plus rapides qu'un 25
courrier ; Ils fuient sans avoir vu le bonheur ; Ils passent comme les navires de jonc, Comme l'aigle qui 26
fond sur sa proie. Si je dis : Je veux oublier mes souffrances, Laisser ma tristesse, reprendre courage, 27
Je suis effrayé de toutes mes douleurs. Je sais que tu ne me tiendras pas pour innocent. Je serai jugé 28, 29
coupable ; Pourquoi me fatiguer en vain ? Quand je me laverais dans la neige, Quand je purifierais mes 30
mains avec du savon, Tu me plongerais dans la fange, Et mes vêtements m'auraient en horreur. Il 31, 32
n'est pas un homme comme moi, pour que je lui réponde, Pour que nous allions ensemble en justice. Il 33
n'y a pas entre nous d'arbitre, Qui pose sa main sur nous deux. Qu'il retire sa verge de dessus moi, 34
Que ses terreurs ne me troublent plus ; Alors je parlerai et je ne le craindrai pas. Autrement, je ne suis 35
point à moi-même.

Mon âme est dégoûtée de la vie ! Je donnerai cours à ma plainte, Je parlerai dans l'amertume de **10**
mon âme. Je dis à Dieu : Ne me condamne pas ! Fais-moi savoir pourquoi tu me prends à partie ! Te 2, 3
paraît-il bien de maltraiter, De repousser l'ouvrage de tes mains, Et de faire briller ta faveur sur le
conseil des méchants ? As-tu des yeux de chair, Vois -tu comme voit un homme ? Tes jours sont-ils 4, 5
comme les jours de l'homme, Et tes années comme ses années, Pour que tu recherches mon iniquité, 6
Pour que tu t'enquières de mon péché, Sachant bien que je ne suis pas coupable, Et que nul ne peut me 7
délivrer de ta main ? Tes mains m'ont formé, elles m'ont créé, Elles m'ont fait tout entier... Et tu me 8
détruirais ! Souviens -toi que tu m'as façonné comme de l'argile ; Voudrais-tu de nouveau me réduire 9
en poussière ? Ne m'as-tu pas coulé comme du lait ? Ne m'as-tu pas caillé comme du fromage ? Tu 10, 11
m'as revêtu de peau et de chair, Tu m'as tissé d'os et de nerfs ; Tu m'as accordé ta grâce avec la vie, 12
Tu m 'as conservé par tes soins et sous ta garde. Voici néanmoins ce que tu cachais dans ton coeur, 13
Voici, je le sais, ce que tu as résolu en toi-même. Si je pèche, tu m'observes, Tu ne pardonnes pas mon 14
iniquité. Suis-je coupable, malheur à moi ! Suis-je innocent, je n'ose lever la tête, Rassasié de honte et 15
absorbé dans ma misère. Et si j'ose la lever, tu me poursuis comme un lion, Tu me frappes encore par 16
des prodiges. Tu m'opposes de nouveaux témoins, Tu multiplies tes fureurs contre moi, Tu m'assailles 17
d'une succession de calamités. Pourquoi m'as-tu fait sortir du sein de ma mère ? Je serais mort, et 18
aucun oeil ne m'aurait vu ; Je serais comme si je n'eusse pas existé, Et j'aurais passé du ventre de ma 19
mère au sépulcre. Mes jours ne sont-ils pas en petit nombre ? Qu'il me laisse, Qu'il se retire de moi, et 20
que je respire un peu, Avant que je m'en aille, pour ne plus revenir, Dans le pays des ténèbres et de 21
l'ombre de la mort, Pays d'une obscurité profonde, Où règnent l'ombre de la mort et la confusion, Et où 22
la lumière est semblable aux ténèbres.

Tsophar de Naama prit la parole et dit : Cette multitude de paroles ne trouvera-t-elle point de **11**, 2
réponse, Et suffira-t-il d'être un discoureur pour avoir raison ? Tes vains propos feront-ils taire les 3
gens ? Te moqueras -tu, sans que personne te confonde ? Tu dis : Ma manière de voir est juste, Et 4
je suis pur à tes yeux. Oh ! si Dieu voulait parler, S'il ouvrait les lèvres pour te répondre, Et s'il te 5, 6
révélait les secrets de sa sagesse, De son immense sagesse, Tu verrais alors qu'il ne te traite pas selon
ton iniquité. Prétends-tu sonder les pensées de Dieu, Parvenir à la connaissance parfaite du Tout- 7
Puissant ? Elle est aussi haute que les cieux : que feras -tu ? Plus profonde que le séjour des morts : 8
que sauras -tu ? La mesure en est plus longue que la terre, Elle est plus large que la mer. S'il passe, 9, 10

s'il saisit, S'il traîne à son tribunal, qui s'y opposera ? Car il connaît les vicieux, Il voit facilement les
coupables. L'homme, au contraire, a l'intelligence d'un fou, Il est né comme le petit d'un âne sauvage.
Pour toi, dirige ton coeur vers Dieu, Étends vers lui tes mains, Éloigne -toi de l'iniquité, Et ne laisse
pas habiter l'injustice sous ta tente. Alors tu lèveras ton front sans tache, Tu seras ferme et sans
crainte ; Tu oublieras tes souffrances, Tu t'en souviendras comme des eaux écoulées. Tes jours auront
plus d'éclat que le soleil à son midi, Tes ténèbres seront comme la lumière du matin, Tu seras plein de
confiance, et ton attente ne sera plus vaine ; Tu regarderas autour de toi, et tu reposeras en sûreté. Tu
te coucheras sans que personne ne te trouble, Et plusieurs caresseront ton visage. Mais les yeux des
méchants seront consumés ; Pour eux point de refuge ; La mort, voilà leur espérance !

12 Job prit la parole et dit : On dirait, en vérité, que le genre humain c'est vous, Et qu'avec vous doit
mourir la sagesse. J'ai tout aussi bien que vous de l'intelligence, moi, Je ne vous suis point inférieur ;
Et qui ne sait les choses que vous dites ? Je suis pour mes amis un objet de raillerie, Quand j'implore
le secours de Dieu ; Le juste, l'innocent, un objet de raillerie ! Au malheur le mépris ! c'est la devise
des heureux ; À celui dont le pied chancelle est réservé le mépris. Il y a paix sous la tente des pillards,
Sécurité pour ceux qui offensent Dieu, Pour quiconque se fait un dieu de sa force. Interroge les bêtes,
elles t'instruiront, Les oiseaux du ciel, ils te l'apprendront ; Parle à la terre, elle t'instruira ; Et les
poissons de la mer te le raconteront. Qui ne reconnaît chez eux la preuve Que la main de l'Éternel a
fait toutes choses ? Il tient dans sa main l'âme de tout ce qui vit, Le souffle de toute chair d'homme.
L'oreille ne discerne -t-elle pas les paroles, Comme le palais savoure les aliments ? Dans les vieillards
se trouve la sagesse, Et dans une longue vie l'intelligence. En Dieu résident la sagesse et la puissance.
Le conseil et l'intelligence lui appartiennent. Ce qu'il renverse ne sera point rebâti, Celui qu'il enferme
ne sera point délivré. Il retient les eaux et tout se dessèche ; Il les lâche, et la terre en est dévastée. Il
possède la force et la prudence ; Il maîtrise celui qui s'égare ou fait égarer les autres. Il emmène captifs
les conseillers ; Il trouble la raison des juges. Il délie la ceinture des rois, Il met une corde autour de
leurs reins. Il emmène captifs les sacrificateurs ; Il fait tomber les puissants. Il ôte la parole à ceux
qui ont de l'assurance ; Il prive de jugement les vieillards. Il verse le mépris sur les grands ; Il relâche
la ceinture des forts. Il met à découvert ce qui est caché dans les ténèbres, Il produit à la lumière
l'ombre de la mort. Il donne de l'accroissement aux nations, et il les anéantit ; Il les étend au loin, et
il les ramène dans leurs limites. Il enlève l'intelligence aux chefs des peuples, Il les fait errer dans les
déserts sans chemin ; Ils tâtonnent dans les ténèbres, et ne voient pas clair ; Il les fait errer comme des
gens ivres.

13 Voici, mon oeil a vu tout cela, Mon oreille l'a entendu et y a pris garde. Ce que vous savez, je
le sais aussi, Je ne vous suis point inférieur. Mais je veux parler au Tout-Puissant, Je veux plaider
ma cause devant Dieu ; Car vous, vous n'imaginez que des faussetés, Vous êtes tous des médecins de
néant. Que n'avez-vous gardé le silence ? Vous auriez passé pour avoir de la sagesse. Écoutez, je vous
prie, ma défense, Et soyez attentifs à la réplique de mes lèvres. Direz -vous en faveur de Dieu ce qui
est injuste, Et pour le soutenir alléguerez -vous des faussetés ? Voulez-vous avoir égard à sa personne ?
Voulez-vous plaider pour Dieu ? S'il vous sonde, vous approuvera -t-il ? Ou le tromperez -vous comme on
trompe un homme ? Certainement il vous condamnera, Si vous n'agissez en secret que par égard pour
sa personne. Sa majesté ne vous épouvantera -t-elle pas ? Sa terreur ne tombera -t-elle pas sur vous ?
Vos sentences sont des sentences de cendre, Vos retranchements sont des retranchements de boue.
Taisez -vous, laissez-moi, je veux parler ! Il m'en arrivera ce qu'il pourra. Pourquoi saisirais -je ma
chair entre les dents ? J'exposerai plutôt ma vie. Voici, il me tuera ; je n'ai rien à espérer ; Mais devant
lui je défendrai ma conduite. Cela même peut servir à mon salut, Car un impie n'ose paraître en sa
présence. Écoutez, écoutez mes paroles, Prêtez l'oreille à ce que je vais dire. Me voici prêt à plaider ma
cause ; Je sais que j'ai raison. Quelqu'un disputera -t-il contre moi ? Alors je me tais, et je veux mourir.
Seulement, accorde -moi deux choses Et je ne me cacherai pas loin de ta face : Retire ta main de dessus
moi, Et que tes terreurs ne me troublent plus. Puis appelle, et je répondrai, Ou si je parle, réponds
-moi ! Quel est le nombre de mes iniquités et de mes péchés ? Fais-moi connaître mes transgressions
et mes péchés. Pourquoi caches -tu ton visage, Et me prends -tu pour ton ennemi ? Veux-tu frapper
une feuille agitée ? Veux-tu poursuivre une paille desséchée ? Pourquoi m'infliger d'amères souffrances,
Me punir pour des fautes de jeunesse ? Pourquoi mettre mes pieds dans les ceps, Surveiller tous mes
mouvements, Tracer une limite à mes pas, Quand mon corps tombe en pourriture, Comme un vêtement
que dévore la teigne ?

14 L'homme né de la femme ! Sa vie est courte, sans cesse agitée. Il naît, il est coupé comme une fleur ;
Il fuit et disparaît comme une ombre. Et c'est sur lui que tu as l'oeil ouvert ! Et tu me fais aller en
justice avec toi ! Comment d'un être souillé sortira -t-il un homme pur ? Il n'en peut sortir aucun. Si
ses jours sont fixés, si tu as compté ses mois, Si tu en as marqué le terme qu'il ne saurait franchir,

Détourne de lui les regards, et donne-lui du relâche, Pour qu'il ait au moins la joie du mercenaire à 6
la fin de sa journée. Un arbre a de l'espérance : Quand on le coupe, il repousse, Il produit encore des 7
rejetons ; Quand sa racine a vieilli dans la terre, Quand son tronc meurt dans la poussière, Il reverdit 8, 9
à l'approche de l'eau, Il pousse des branches comme une jeune plante. Mais l'homme meurt, et il perd 10
sa force ; L'homme expire, et où est-il ? Les eaux des lacs s'évanouissent, Les fleuves tarissent et se 11
dessèchent ; Ainsi l'homme se couche et ne se relèvera plus, Il ne se réveillera pas tant que les cieux 12
subsisteront, Il ne sortira pas de son sommeil. Oh ! si tu voulais me cacher dans le séjour des morts, M'y 13
tenir à couvert jusqu'à ce que ta colère fût passée, Et me fixer un terme auquel tu te souviendras de moi !
Si l'homme une fois mort pouvait revivre, J'aurais de l'espoir tout le temps de mes souffrances, Jusqu'à 14
ce que mon état vînt à changer. Tu appellerais alors, et je te répondrais, Tu languirais après l'ouvrage 15
de tes mains. Mais aujourd'hui tu comptes mes pas, Tu as l'oeil sur mes péchés ; Mes transgressions 16, 17
sont scellées en un faisceau, Et tu imagines des iniquités à ma charge. La montagne s'écroule et périt, 18
Le rocher disparaît de sa place, La pierre est broyée par les eaux, Et la terre emportée par leur courant ; 19
Ainsi tu détruis l'espérance de l'homme. Tu es sans cesse à l'assaillir, et il s'en va ; Tu le défigures, puis 20
tu le renvoies. Que ses fils soient honorés, il n'en sait rien ; Qu'ils soient dans l'abaissement, il l'ignore. 21
C'est pour lui seul qu'il éprouve de la douleur en son corps, C'est pour lui seul qu'il ressent de la tristesse 22
en son âme.

Éliphaz de Théman prit la parole et dit : Le sage répond -il par un vain savoir ? Se gonfle -t-il la **15**, 2
poitrine du vent d'orient ? Est-ce par d'inutiles propos qu'il se défend ? Est-ce par des discours qui 3
ne servent à rien ? Toi, tu détruis même la crainte de Dieu, Tu anéantis tout mouvement de piété 4
devant Dieu. Ton iniquité dirige ta bouche, Et tu prends le langage des hommes rusés. Ce n'est pas 5, 6
moi, c'est ta bouche qui te condamne. Ce sont tes lèvres qui déposent contre toi. Es-tu né le premier 7
des hommes ? As-tu été enfanté avant les collines ? As-tu reçu les confidences de Dieu ? As-tu dérobé 8
la sagesse à ton profit ? Que sais -tu que nous ne sachions pas ? Quelle connaissance as-tu que nous 9
n'ayons pas ? Il y a parmi nous des cheveux blancs, des vieillards, Plus riches de jours que ton père. 10
Tiens-tu pour peu de chose les consolations de Dieu, Et les paroles qui doucement se font entendre à 11
toi ?... Où ton coeur t'entraîne -t-il, Et que signifie ce roulement de tes yeux ? Quoi ! c'est contre Dieu 12, 13
que tu tournes ta colère Et que ta bouche exhale de pareils discours ! Qu'est-ce que l'homme, pour qu'il 14
soit pur ? Celui qui est né de la femme peut-il être juste ? Si Dieu n'a pas confiance en ses saints, Si 15
les cieux ne sont pas purs devant lui, Combien moins l'être abominable et pervers, L'homme qui boit 16
l'iniquité comme l'eau ! Je vais te parler, écoute -moi ! Je raconterai ce que j'ai vu, Ce que les sages 17, 18
ont fait connaître, Ce qu'ils ont révélé, l'ayant appris de leurs pères. À eux seuls appartenait le pays, 19
Et parmi eux nul étranger n'était encore venu. Le méchant passe dans l'angoisse tous les jours de sa 20
vie, Toutes les années qui sont le partage de l'impie. La voix de la terreur retentit à ses oreilles ; Au 21
sein de la paix, le dévastateur va fondre sur lui ; Il n'espère pas échapper aux ténèbres, Il voit l'épée 22
qui le menace ; Il court çà et là pour chercher du pain, Il sait que le jour des ténèbres l'attend. La 23, 24
détresse et l'angoisse l'épouvantent, Elles l'assaillent comme un roi prêt à combattre ; Car il a levé la 25
main contre Dieu, Il a bravé le Tout-Puissant, Il a eu l'audace de courir à lui Sous le dos épais de ses 26
boucliers. Il avait le visage couvert de graisse, Les flancs chargés d'embonpoint ; Et il habite des villes 27, 28
détruites, Des maisons abandonnées, Sur le point de tomber en ruines. Il ne s'enrichira plus, sa fortune 29
ne se relèvera pas, Sa prospérité ne s'étendra plus sur la terre. Il ne pourra se dérober aux ténèbres, 30
La flamme consumera ses rejetons, Et Dieu le fera périr par le souffle de sa bouche. S'il a confiance 31
dans le mal, il se trompe, Car le mal sera sa récompense. Elle arrivera avant le terme de ses jours, Et 32
son rameau ne verdira plus. Il sera comme une vigne dépouillée de ses fruits encore verts, Comme un 33
olivier dont on a fait tomber les fleurs. La maison de l'impie deviendra stérile, Et le feu dévorera la 34
tente de l'homme corrompu. Il conçoit le mal et il enfante le mal, Il mûrit dans son sein des fruits qui 35
le trompent.

Job prit la parole et dit : J'ai souvent entendu pareilles choses ; Vous êtes tous des consolateurs fâ- **16**, 2
cheux. Quand finiront ces discours en l'air ? Pourquoi cette irritation dans tes réponses ? Moi aussi, je 3, 4
pourrais parler comme vous, Si vous étiez à ma place : Je vous accablerais de paroles, Je secouerais sur
vous la tête, Je vous fortifierais de la bouche, Je remuerais les lèvres pour vous soulager. Si je parle, 5, 6
mes souffrances ne seront point calmées, Si je me tais, en quoi seront-elles moindres ? Maintenant, 7
hélas ! il m'a épuisé... Tu as ravagé toute ma maison ; Tu m'as saisi, pour témoigner contre moi ; Ma 8
maigreur se lève, et m'accuse en face. Il me déchire et me poursuit dans sa fureur, Il grince des dents 9
contre moi, Il m'attaque et me perce de son regard. Ils ouvrent la bouche pour me dévorer, Ils m'in- 10
sultent et me frappent les joues, Ils s'acharnent tous après moi. Dieu me livre à la merci des impies, Il 11
me précipite entre les mains des méchants. J'étais tranquille, et il m'a secoué, Il m'a saisi par la nuque 12
et m'a brisé, Il a tiré sur moi comme à un but. Ses traits m'environnent de toutes parts ; Il me perce 13
les reins sans pitié, Il répand ma bile sur la terre. Il me fait brèche sur brèche, Il fond sur moi comme 14

un guerrier. J'ai cousu un sac sur ma peau ; J'ai roulé ma tête dans la poussière. Les pleurs ont altéré
mon visage ; L'ombre de la mort est sur mes paupières. Je n'ai pourtant commis aucune violence, Et ma
prière fut toujours pure. O terre, ne couvre point mon sang, Et que mes cris prennent librement leur
essor ! Déjà maintenant, mon témoin est dans le ciel, Mon témoin est dans les lieux élevés. Mes amis
se jouent de moi ; C'est Dieu que j 'implore avec larmes. Puisse-t-il donner à l'homme raison contre
Dieu, Et au fils de l'homme contre ses amis ! Car le nombre de mes années touche à son terme, Et je
m'en irai par un sentier d'où je ne reviendrai pas.

17 Mon souffle se perd, Mes jours s'éteignent, Le sépulcre m'attend. Je suis environné de moqueurs,
Et mon oeil doit contempler leurs insultes. Sois auprès de toi-même ma caution ; Autrement, qui ré-
pondrait pour moi ? Car tu as fermé leur coeur à l'intelligence ; Aussi ne les laisseras-tu pas triompher.
On invite ses amis au partage du butin, Et l'on a des enfants dont les yeux se consument. Il m'a rendu
la fable des peuples, Et ma personne est un objet de mépris. Mon oeil est obscurci par la douleur ; Tous
mes membres sont comme une ombre. Les hommes droits en sont stupéfaits, Et l'innocent se soulève
contre l'impie. Le juste néanmoins demeure ferme dans sa voie, Celui qui a les mains pures se fortifie
de plus en plus. Mais vous tous, revenez à vos mêmes discours, Et je ne trouverai pas un sage parmi
vous. Quoi ! mes jours sont passés, mes projets sont anéantis, Les projets qui remplissaient mon coeur...
Et ils prétendent que la nuit c'est le jour, Que la lumière est proche quand les ténèbres sont là ! C'est
le séjour des morts que j'attends pour demeure, C'est dans les ténèbres que je dresserai ma couche ; Je
crie à la fosse : Tu es mon père ! Et aux vers : Vous êtes ma mère et ma soeur ! Mon espérance, où donc
est-elle ? Mon espérance, qui peut la voir ? Elle descendra vers les portes du séjour des morts, Quand
nous irons ensemble reposer dans la poussière.

18 Bildad de Schuach prit la parole et dit : Quand mettrez -vous un terme à ces discours ? Ayez de
l'intelligence, puis nous parlerons. Pourquoi sommes-nous regardés comme des bêtes ? Pourquoi ne
sommes-nous à vos yeux que des brutes ? O toi qui te déchires dans ta fureur, Faut-il, à cause de
toi, que la terre devienne déserte ? Faut-il que les rochers disparaissent de leur place ? La lumière
du méchant s'éteindra, Et la flamme qui en jaillit cessera de briller. La lumière s'obscurcira sous sa
tente, Et sa lampe au-dessus de lui s'éteindra. Ses pas assurés seront à l'étroit ; Malgré ses efforts, il
tombera. Car il met les pieds sur un filet, Il marche dans les mailles, Il est saisi au piège par le talon,
Et le filet s'empare de lui ; Le cordeau est caché dans la terre, Et la trappe est sur son sentier. Des
terreurs l'assiègent, l'entourent, Le poursuivent par derrière. La faim consume ses forces, La misère
est à ses côtés. Les parties de sa peau sont l'une après l'autre dévorées, Ses membres sont dévorés par
le premier-né de la mort. Il est arraché de sa tente où il se croyait en sûreté, Il se traîne vers le roi des
épouvantements. Nul des siens n'habite sa tente, Le soufre est répandu sur sa demeure. En bas, ses
racines se dessèchent ; En haut, ses branches sont coupées. Sa mémoire disparaît de la terre, Son nom
n'est plus sur la face des champs. Il est poussé de la lumière dans les ténèbres, Il est chassé du monde.
Il ne laisse ni descendants ni postérité parmi son peuple, Ni survivant dans les lieux qu'il habitait. Les
générations à venir seront étonnées de sa ruine, Et la génération présente sera saisie d'effroi. Point
d'autre destinée pour le méchant, Point d'autre sort pour qui ne connaît pas Dieu !

19 Job prit la parole et dit : Jusques à quand affligerez -vous mon âme, Et m'écraserez -vous de vos dis-
cours ? Voilà dix fois que vous m'outragez ; N'avez-vous pas honte de m'étourdir ainsi ? Si réellement
j'ai péché, Seul j'en suis responsable. Pensez-vous me traiter avec hauteur ? Pensez-vous démontrer
que je suis coupable ? Sachez alors que c'est Dieu qui me poursuit, Et qui m'enveloppe de son filet.
Voici, je crie à la violence, et nul ne répond ; J'implore justice, et point de justice ! Il m'a fermé toute
issue, et je ne puis passer ; Il a répandu des ténèbres sur mes sentiers. Il m'a dépouillé de ma gloire,
Il a enlevé la couronne de ma tête. Il m'a brisé de toutes parts, et je m'en vais ; Il a arraché mon espé-
rance comme un arbre. Il s'est enflammé de colère contre moi, Il m'a traité comme l'un de ses ennemis.
Ses troupes se sont de concert mises en marche, Elles se sont frayé leur chemin jusqu'à moi, Elles ont
campées autour de ma tente. Il a éloigné de moi mes frères, Et mes amis se sont détournés de moi ; Je
suis abandonné de mes proches, Je suis oublié de mes intimes. Je suis un étranger pour mes serviteurs
et mes servantes, Je ne suis plus à leurs yeux qu'un inconnu. J'appelle mon serviteur, et il ne répond
pas ; Je le supplie de ma bouche, et c'est en vain. Mon humeur est à charge à ma femme, Et ma plainte
aux fils de mes entrailles. Je suis méprisé même par des enfants ; Si je me lève, je reçois leurs insultes.
Ceux que j'avais pour confidents m'ont en horreur, Ceux que j'aimais se sont tournés contre moi. Mes
os sont attachés à ma peau et à ma chair ; Il ne me reste que la peau des dents. Ayez pitié, ayez pitié
de moi, vous, mes amis ! Car la main de Dieu m'a frappé. Pourquoi me poursuivre comme Dieu me
poursuit ? Pourquoi vous montrer insatiables de ma chair ? Oh ! je voudrais que mes paroles fussent
écrites, Qu'elles fussent écrites dans un livre ; Je voudrais qu'avec un burin de fer et avec du plomb
Elles fussent pour toujours gravées dans le roc... Mais je sais que mon rédempteur est vivant, Et qu'il
se lèvera le dernier sur la terre. Quand ma peau sera détruite, il se lèvera ; Quand je n'aurai plus de

chair, je verrai Dieu. Je le verrai, et il me sera favorable ; Mes yeux le verront, et non ceux d'un autre ; 27
Mon âme languit d'attente au dedans de moi. Vous direz alors : Pourquoi le poursuivions -nous ? Car 28
la justice de ma cause sera reconnue. Craignez pour vous le glaive : Les châtiments par le glaive sont 29
terribles ! Et sachez qu'il y a un jugement.

Tsophar de Naama prit la parole et dit : Mes pensées me forcent à répondre, Et mon agitation ne **20**, 2
peut se contenir. J'ai entendu des reproches qui m'outragent ; Le souffle de mon intelligence donnera la 3
réplique. Ne sais -tu pas que, de tout temps, Depuis que l'homme a été placé sur la terre, Le triomphe 4, 5
des méchants a été court, Et la joie de l'impie momentanée ? Quand il s'élèverait jusqu'aux cieux, Et 6
que sa tête toucherait aux nues, Il périra pour toujours comme son ordure, Et ceux qui le voyaient 7
diront : Où est-il ? Il s'envolera comme un songe, et on ne le trouvera plus ; Il disparaîtra comme une 8
vision nocturne ; L'oeil qui le regardait ne le regardera plus, Le lieu qu'il habitait ne l'apercevra plus. 9
Ses fils seront assaillis par les pauvres, Et ses mains restitueront ce qu'il a pris par violence. La vigueur 10, 11
de la jeunesse, qui remplissait ses membres, Aura sa couche avec lui dans la poussière. Le mal était 12
doux à sa bouche, Il le cachait sous sa langue, Il le savourait sans l'abandonner, Il le retenait au milieu 13
de son palais ; Mais sa nourriture se transformera dans ses entrailles, Elle deviendra dans son corps 14
un venin d'aspic. Il a englouti des richesses, il les vomira ; Dieu les chassera de son ventre. Il a sucé du 15, 16
venin d'aspic, La langue de la vipère le tuera. Il ne reposera plus ses regards sur les ruisseaux, Sur les 17
torrents, sur les fleuves de miel et de lait. Il rendra ce qu'il a gagné, et n'en profitera plus ; Il restituera 18
tout ce qu'il a pris, et n'en jouira plus. Car il a opprimé, délaissé les pauvres, Il a ruiné des maisons et 19
ne les a pas rétablies. Son avidité n'a point connu de bornes ; Mais il ne sauvera pas ce qu'il avait de 20
plus cher. Rien n'échappait à sa voracité ; Mais son bien-être ne durera pas. Au milieu de l'abondance 21, 22
il sera dans la détresse ; La main de tous les misérables se lèvera sur lui. Et voici, pour lui remplir le 23
ventre, Dieu enverra sur lui le feu de sa colère, Et le rassasiera par une pluie de traits. S'il échappe 24
aux armes de fer, L'arc d'airain le transpercera. Il arrache de son corps le trait, Qui étincelle au sortir 25
de ses entrailles, Et il est en proie aux terreurs de la mort. Toutes les calamités sont réservées à ses 26
trésors ; Il sera consumé par un feu que n'allumera point l'homme, Et ce qui restera dans sa tente en
deviendra la pâture. Les cieux dévoileront son iniquité, Et la terre s'élèvera contre lui. Les revenus 27, 28
de sa maison seront emportés, Ils disparaîtront au jour de la colère de Dieu. Telle est la part que Dieu 29
réserve au méchant, Tel est l'héritage que Dieu lui destine.

Job prit la parole et dit : Écoutez, écoutez mes paroles, Donnez-moi seulement cette consolation. **21**, 2
Laissez -moi parler, je vous prie ; Et, quand j'aurai parlé, tu pourras te moquer. Est-ce contre un homme 3, 4
que se dirige ma plainte ? Et pourquoi mon âme ne serait-elle pas impatiente ? Regardez -moi, soyez 5
étonnés, Et mettez la main sur la bouche. Quand j'y pense, cela m'épouvante, Et un tremblement 6
saisit mon corps. Pourquoi les méchants vivent -ils ? Pourquoi les voit-on vieillir et accroître leur force ? 7
Leur postérité s'affermit avec eux et en leur présence, Leurs rejetons prospèrent sous leurs yeux. Dans 8, 9
leurs maisons règne la paix, sans mélange de crainte ; La verge de Dieu ne vient pas les frapper. Leurs 10
taureaux sont vigoureux et féconds, Leurs génisses conçoivent et n'avortent point. Ils laissent courir 11
leurs enfants comme des brebis, Et les enfants prennent leurs ébats. Ils chantent au son du tambourin 12
et de la harpe, Ils se réjouissent au son du chalumeau. Ils passent leurs jours dans le bonheur, Et 13
ils descendent en un instant au séjour des morts. Ils disaient pourtant à Dieu : Retire -toi de nous ; 14
Nous ne voulons pas connaître tes voies. Qu'est-ce que le Tout-Puissant, pour que nous le servions ? 15
Que gagnerons -nous à lui adresser nos prières ? Quoi donc ! ne sont-ils pas en possession du bonheur ? 16
-Loin de moi le conseil des méchants ! Mais arrive-t-il souvent que leur lampe s'éteigne, Que la misère 17
fonde sur eux, Que Dieu leur distribue leur part dans sa colère, Qu'ils soient comme la paille emportée 18
par le vent, Comme la balle enlevée par le tourbillon ? Est-ce pour les fils que Dieu réserve le châtiment 19
du père ? Mais c'est lui que Dieu devrait punir, pour qu'il le sente ; C'est lui qui devrait contempler sa 20
propre ruine, C'est lui qui devrait boire la colère du Tout-Puissant. Car, que lui importe sa maison 21
après lui, Quand le nombre de ses mois est achevé ? Est-ce à Dieu qu'on donnera de la science, À lui 22
qui gouverne les esprits célestes ? L'un meurt au sein du bien-être, De la paix et du bonheur, Les flancs 23, 24
chargés de graisse Et la moelle des os remplie de sève ; L'autre meurt, l'amertume dans l'âme, Sans 25
avoir joui d'aucun bien. Et tous deux se couchent dans la poussière, Tous deux deviennent la pâture 26
des vers. Je sais bien quelles sont vos pensées, Quels jugements iniques vous portez sur moi. Vous 27, 28
dites : Où est la maison de l'homme puissant ? Où est la tente qu'habitaient les impies ? Mais quoi ! 29
n'avez-vous point interrogé les voyageurs, Et voulez-vous méconnaître ce qu'ils prouvent ? Au jour du 30
malheur, le méchant est épargné ; Au jour de la colère, il échappe. Qui lui reproche en face sa conduite ? 31
Qui lui rend ce qu'il a fait ? Il est porté dans un sépulcre, Et il veille encore sur sa tombe. Les mottes 32, 33
de la vallée lui sont légères ; Et tous après lui suivront la même voie, Comme une multitude l'a déjà
suivie. Pourquoi donc m'offrir de vaines consolations ? Ce qui reste de vos réponses n'est que perfidie. 34

Éliphaz de Théman prit la parole et dit : Un homme peut-il être utile à Dieu ? Non ; le sage n'est **22**, 2

utile qu'à lui-même. Si tu es juste, est-ce à l'avantage du Tout-Puissant ? Si tu es intègre dans tes
voies, qu'y gagne -t-il ? Est-ce par crainte de toi qu'il te châtie, Qu'il entre en jugement avec toi ? Ta
méchanceté n'est-elle pas grande ? Tes iniquités ne sont-elles pas infinies ? Tu enlevais sans motif des
gages à tes frères, Tu privais de leurs vêtements ceux qui étaient nus ; Tu ne donnais point d'eau à
l'homme altéré, Tu refusais du pain à l'homme affamé. Le pays était au plus fort, Et le puissant s'y
établissait. Tu renvoyais les veuves à vide ; Les bras des orphelins étaient brisés. C'est pour cela que
tu es entouré de pièges, Et que la terreur t'a saisi tout à coup. Ne vois -tu donc pas ces ténèbres, Ces
eaux débordées qui t'envahissent ? Dieu n'est-il pas en haut dans les cieux ? Regarde le sommet des
étoiles, comme il est élevé ! Et tu dis : Qu'est-ce que Dieu sait ? Peut-il juger à travers l'obscurité ?
Les nuées l'enveloppent, et il ne voit rien ; Il ne parcourt que la voûte des cieux. Eh quoi ! tu voudrais
prendre l'ancienne route Qu'ont suivie les hommes d'iniquité ? Ils ont été emportés avant le temps, Ils
ont eu la durée d'un torrent qui s'écoule. Ils disaient à Dieu : Retire -toi de nous ; Que peut faire pour
nous le Tout-Puissant ? Dieu cependant avait rempli de biens leurs maisons. -Loin de moi le conseil
des méchants ! Les justes, témoins de leur chute, se réjouiront, Et l'innocent se moquera d'eux : Voilà
nos adversaires anéantis ! Voilà leurs richesses dévorées par le feu ! Attache -toi donc à Dieu, et tu
auras la paix ; Tu jouiras ainsi du bonheur. Reçois de sa bouche l'instruction, Et mets dans ton coeur
ses paroles. Tu seras rétabli, si tu reviens au Tout-Puissant, Si tu éloignes l'iniquité de ta tente. Jette
l'or dans la poussière, L'or d'Ophir parmi les cailloux des torrents ; Et le Tout-Puissant sera ton or,
Ton argent, ta richesse. Alors tu feras du Tout-Puissant tes délices, Tu élèveras vers Dieu ta face ; Tu
le prieras, et il t'exaucera, Et tu accompliras tes voeux. À tes résolutions répondra le succès ; Sur tes
sentiers brillera la lumière. Vienne l'humiliation, tu prieras pour ton relèvement : Dieu secourt celui
dont le regard est abattu. Il délivrera même le coupable, Qui devra son salut à la pureté de tes mains.

23 Job prit la parole et dit : Maintenant encore ma plainte est une révolte, Mais la souffrance étouffe
mes soupirs. Oh ! si je savais où le trouver, Si je pouvais arriver jusqu'à son trône, Je plaiderais ma
cause devant lui, Je remplirais ma bouche d'arguments, Je connaîtrais ce qu'il peut avoir à répondre,
Je verrais ce qu'il peut avoir à me dire. Emploierait -il toute sa force à me combattre ? Ne daignerait -il
pas au moins m'écouter ? Ce serait un homme droit qui plaiderait avec lui, Et je serais pour toujours
absous par mon juge. Mais, si je vais à l'orient, il n'y est pas ; Si je vais à l'occident, je ne le trouve pas ;
Est-il occupé au nord, je ne puis le voir ; Se cache -t-il au midi, je ne puis le découvrir. Il sait néanmoins
quelle voie j'ai suivie ; Et, s'il m'éprouvait, je sortirais pur comme l'or. Mon pied s'est attaché à ses pas ;
J'ai gardé sa voie, et je ne m'en suis point détourné. Je n'ai pas abandonné les commandements de
ses lèvres ; J'ai fait plier ma volonté aux paroles de sa bouche. Mais sa résolution est arrêtée ; qui s'y
opposera ? Ce que son âme désire, il l'exécute. Il accomplira donc ses desseins à mon égard, Et il en
concevra bien d'autres encore. Voilà pourquoi sa présence m'épouvante ; Quand j'y pense, j'ai peur de
lui. Dieu a brisé mon courage, Le Tout-Puissant m'a rempli d'effroi. Car ce ne sont pas les ténèbres
qui m'anéantissent, Ce n'est pas l'obscurité dont je suis couvert.

24 Pourquoi le Tout-Puissant ne met-il pas des temps en réserve, Et pourquoi ceux qui le connaissent ne
voient -ils pas ses jours ? On déplace les bornes, On vole des troupeaux, et on les fait paître ; On enlève
l'âne de l'orphelin, On prend pour gage le boeuf de la veuve ; On repousse du chemin les indigents, On
force tous les malheureux du pays à se cacher. Et voici, comme les ânes sauvages du désert, Ils sortent
le matin pour chercher de la nourriture, Ils n'ont que le désert pour trouver le pain de leurs enfants ;
Ils coupent le fourrage qui reste dans les champs, Ils grappillent dans la vigne de l'impie ; Ils passent
la nuit dans la nudité, sans vêtement, Sans couverture contre le froid ; Ils sont percés par la pluie des
montagnes, Et ils embrassent les rochers comme unique refuge. On arrache l'orphelin à la mamelle,
On prend des gages sur le pauvre. Ils vont tout nus, sans vêtement, Ils sont affamés, et ils portent
les gerbes ; Dans les enclos de l'impie ils font de l'huile, Ils foulent le pressoir, et ils ont soif ; Dans
les villes s'exhalent les soupirs des mourants, L'âme des blessés jette des cris.... Et Dieu ne prend pas
garde à ces infamies ! D'autres sont ennemis de la lumière, Ils n'en connaissent pas les voies, Ils n'en
pratiquent pas les sentiers. L'assassin se lève au point du jour, Tue le pauvre et l'indigent, Et il dérobe
pendant la nuit. L'oeil de l'adultère épie le crépuscule ; Personne ne me verra, dit -il, Et il met un
voile sur sa figure. La nuit ils forcent les maisons, Le jour ils se tiennent enfermés ; Ils ne connaissent
pas la lumière. Pour eux, le matin c'est l'ombre de la mort, Ils en éprouvent toutes les terreurs. Eh
quoi ! l'impie est d'un poids léger sur la face des eaux, Il n'a sur la terre qu'une part maudite, Il ne
prend jamais le chemin des vignes ! Comme la sécheresse et la chaleur absorbent les eaux de la neige,
Ainsi le séjour des morts engloutit ceux qui pèchent ! Quoi ! le sein maternel l'oublie, Les vers en font
leurs délices, On ne se souvient plus de lui ! L'impie est brisé comme un arbre, Lui qui dépouille la
femme stérile et sans enfants, Lui qui ne répand aucun bienfait sur la veuve !... Non ! Dieu par sa force
prolonge les jours des violents, Et les voilà debout quand ils désespéraient de la vie ; Il leur donne de
la sécurité et de la confiance, Il a les regards sur leurs voies. Ils se sont élevés ; et en un instant ils ne

sont plus, Ils tombent, ils meurent comme tous les hommes, Ils sont coupés comme la tête des épis. S'il n'en est pas ainsi, qui me démentira, Qui réduira mes paroles à néant ? 25

Bildad de Schuach prit la parole et dit : La puissance et la terreur appartiennent à Dieu ; Il fait régner la paix dans ses hautes régions. **25**, 2 Ses armées ne sont -elles pas innombrables ? Sur qui sa lumière ne se lève -t-elle pas ? 3 Comment l'homme serait-il juste devant Dieu ? Comment celui qui est né de la femme serait-il pur ? 4 Voici, la lune même n'est pas brillante, Et les étoiles ne sont pas pures à ses yeux ; 5 Combien moins l'homme, qui n'est qu'un ver, Le fils de l'homme, qui n'est qu'un vermisseau ! 6

Job prit la parole et dit : Comme tu sais bien venir en aide à la faiblesse ! Comme tu prêtes secours au bras sans force ! **26**, 2 Quels bons conseils tu donnes à celui qui manque d'intelligence ! Quelle abondance de sagesse tu fais paraître ! 3 À qui s'adressent tes paroles ? Et qui est-ce qui t'inspire ? 4, 5 Devant Dieu les ombres tremblent Au-dessous des eaux et de leurs habitants ; 6 Devant lui le séjour des morts est nu, L'abîme n'a point de voile. Il étend le septentrion sur le vide, Il suspend la terre sur le néant. 7, 8 Il renferme les eaux dans ses nuages, Et les nuages n'éclatent pas sous leur poids. 9 Il couvre la face de son trône, Il répand sur lui sa nuée. 10 Il a tracé un cercle à la surface des eaux, Comme limite entre la lumière et les ténèbres. 11, 12 Les colonnes du ciel s'ébranlent, Et s'étonnent à sa menace. Par sa force il soulève la mer, Par son intelligence il en brise l'orgueil. 13 Son souffle donne au ciel la sérénité, Sa main transperce le serpent fuyard. 14 Ce sont là les bords de ses voies, C'est le bruit léger qui nous en parvient ; Mais qui entendra le tonnerre de sa puissance ?

Job prit de nouveau la parole sous forme sentencieuse et dit : Dieu qui me refuse justice est vivant ! **27**, 2 Le Tout-Puissant qui remplit mon âme d'amertume est vivant ! 3 Aussi longtemps que j'aurai ma respiration, Et que le souffle de Dieu sera dans mes narines, 4 Mes lèvres ne prononceront rien d'injuste, Ma langue ne dira rien de faux. 5 Loin de moi la pensée de vous donner raison ! Jusqu'à mon dernier soupir je défendrai mon innocence ; 6 Je tiens à me justifier, et je ne faiblirai pas ; Mon coeur ne me fait de reproche sur aucun de mes jours. 7 Que mon ennemi soit comme le méchant, Et mon adversaire comme l'impie ! 8 Quelle espérance reste-t-il à l'impie, Quand Dieu coupe le fil de sa vie, Quand il lui retire son âme ? 9, 10 Est-ce que Dieu écoute ses cris, Quand l'angoisse vient l'assaillir ? Fait -il du Tout-Puissant ses délices ? Adresse -t-il en tout temps ses prières à Dieu ? 11 Je vous enseignerai les voies de Dieu, Je ne vous cacherai pas les desseins du Tout-Puissant. 12 Mais vous les connaissez, et vous êtes d'accord ; Pourquoi donc vous laisser aller à de vaines pensées ? 13 Voici la part que Dieu réserve au méchant, L'héritage que le Tout-Puissant destine à l'impie. 14 S'il a des fils en grand nombre, c'est pour le glaive, Et ses rejetons manquent de pain ; 15 Ceux qui échappent sont enterrés par la peste, Et leurs veuves ne les pleurent pas. 16, 17 S'il amasse l'argent comme la poussière, S'il entasse les vêtements comme la boue, C'est lui qui entasse, mais c'est le juste qui se revêt, C'est l'homme intègre qui a l'argent en partage. 18 Sa maison est comme celle que bâtit la teigne, Comme la cabane que fait un gardien. 19 Il se couche riche, et il meurt dépouillé ; Il ouvre les yeux, et tout a disparu. 20 Les terreurs le surprennent comme des eaux ; Un tourbillon l'enlève au milieu de la nuit. 21 Le vent d'orient l'emporte, et il s'en va ; Il l'arrache violemment de sa demeure. 22 Dieu lance sans pitié des traits contre lui, Et le méchant voudrait fuir pour les éviter. 23 On bat des mains à sa chute, Et on le siffle à son départ.

Il y a pour l'argent une mine d'où on le fait sortir, Et pour l'or un lieu d'où on l'extrait pour l'affiner ; **28** Le fer se tire de la poussière, Et la pierre se fond pour produire l'airain. 2, 3 L'homme fait cesser les ténèbres ; Il explore, jusque dans les endroits les plus profonds, Les pierres cachées dans l'obscurité et dans l'ombre de la mort. 4 Il creuse un puits loin des lieux habités ; Ses pieds ne lui sont plus en aide, Et il est suspendu, balancé, loin des humains. 5 La terre, d'où sort le pain, Est bouleversée dans ses entrailles comme par le feu. 6, 7 Ses pierres contiennent du saphir, Et l'on y trouve de la poudre d'or. L'oiseau de proie n'en connaît pas le sentier, L'oeil du vautour ne l'a point aperçu ; 8 Les plus fiers animaux ne l'ont point foulé, Le lion n'y a jamais passé. 9 L'homme porte sa main sur le roc, Il renverse les montagnes depuis la racine ; 10 Il ouvre des tranchées dans les rochers, Et son oeil contemple tout ce qu'il y a de précieux ; 11, 12 Il arrête l'écoulement des eaux, Et il produit à la lumière ce qui est caché. Mais la sagesse, où se trouve -t-elle ? Où est la demeure de l'intelligence ? 13 L'homme n'en connaît point le prix ; Elle ne se trouve pas dans la terre des vivants. 14 L'abîme dit : Elle n'est point en moi ; Et la mer dit : Elle n'est point avec moi. 15, 16 Elle ne se donne pas contre de l'or pur, Elle ne s'achète pas au poids de l'argent ; Elle ne se pèse pas contre l'or d'Ophir, Ni contre le précieux onyx, ni contre le saphir ; 17 Elle ne peut se comparer à l'or ni au verre, Elle ne peut s'échanger pour un vase d'or fin. 18 Le corail et le cristal ne sont rien auprès d'elle : La sagesse vaut plus que les perles. 19 La topaze d'Éthiopie n'est point son égale, Et l'or pur n'entre pas en balance avec elle. 20 D'où vient donc la sagesse ? Où est la demeure de l'intelligence ? 21, 22 Elle est cachée aux yeux de tout vivant, Elle est cachée aux oiseaux du ciel. Le gouffre et la mort disent : Nous en avons entendu parler. 23 C'est Dieu qui en sait le chemin, C'est lui qui en connaît la demeure ; 24, 25 Car il voit jusqu'aux extrémités de la terre, Il aperçoit tout sous les cieux. Quand il régla le poids du vent, Et qu'il fixa la mesure des eaux, 26 Quand il donna des lois à la pluie, Et qu'il traça la

route de l'éclair et du tonnerre, Alors il vit la sagesse et la manifesta, Il en posa les fondements et la
mit à l'épreuve. Puis il dit à l'homme : Voici, la crainte du Seigneur, c'est la sagesse ; S'éloigner du mal,
c'est l'intelligence.

29 Job prit de nouveau la parole sous forme sentencieuse et dit : Oh ! que ne puis-je être comme aux
mois du passé, Comme aux jours où Dieu me gardait, Quand sa lampe brillait sur ma tête, Et que sa
lumière me guidait dans les ténèbres ! Que ne suis-je comme aux jours de ma vigueur, Où Dieu veillait
en ami sur ma tente, Quand le Tout-Puissant était encore avec moi, Et que mes enfants m'entouraient ;
Quand mes pieds se baignaient dans la crème Et que le rocher répandait près de moi des ruisseaux
d'huile ! Si je sortais pour aller à la porte de la ville, Et si je me faisais préparer un siège dans la place,
Les jeunes gens se retiraient à mon approche, Les vieillards se levaient et se tenaient debout. Les
princes arrêtaient leurs discours, Et mettaient la main sur leur bouche ; La voix des chefs se taisait, Et
leur langue s'attachait à leur palais. L'oreille qui m'entendait me disait heureux, L'oeil qui me voyait
me rendait témoignage ; Car je sauvais le pauvre qui implorait du secours, Et l'orphelin qui manquait
d'appui. La bénédiction du malheureux venait sur moi ; Je remplissais de joie le coeur de la veuve. Je
me revêtais de la justice et je lui servais de vêtement, J'avais ma droiture pour manteau et pour turban.
J'étais l'oeil de l'aveugle Et le pied du boiteux. J'étais le père des misérables, J'examinais la cause de
l'inconnu ; Je brisais la mâchoire de l'injuste, Et j'arrachais de ses dents la proie. Alors je disais : Je
mourrai dans mon nid, Mes jours seront abondants comme le sable ; L'eau pénétrera dans mes racines,
La rosée passera la nuit sur mes branches ; Ma gloire reverdira sans cesse, Et mon arc rajeunira dans
ma main. On m'écoutait et l'on restait dans l'attente, On gardait le silence devant mes conseils. Après
mes discours, nul ne répliquait, Et ma parole était pour tous une bienfaisante rosée ; Ils comptaient sur
moi comme sur la pluie, Ils ouvraient la bouche comme pour une pluie du printemps. Je leur souriais
quand ils perdaient courage, Et l'on ne pouvait chasser la sérénité de mon front. J'aimais à aller vers
eux, et je m'asseyais à leur tête ; J'étais comme un roi au milieu d'une troupe, Comme un consolateur
auprès des affligés.

30 Et maintenant !... je suis la risée de plus jeunes que moi, De ceux dont je dédaignais de mettre les
pères Parmi les chiens de mon troupeau. Mais à quoi me servirait la force de leurs mains ? Ils sont
incapables d'atteindre la vieillesse. Desséchés par la misère et la faim, Ils fuient dans les lieux arides,
Depuis longtemps abandonnés et déserts ; Ils arrachent près des arbrisseaux les herbes sauvages, Et
ils n'ont pour pain que la racine des genêts. On les chasse du milieu des hommes, On crie après eux
comme après des voleurs. Ils habitent dans d'affreuses vallées, Dans les cavernes de la terre et dans
les rochers ; Ils hurlent parmi les buissons, Ils se rassemblent sous les ronces. Êtres vils et méprisés,
On les repousse du pays. Et maintenant, je suis l'objet de leurs chansons, Je suis en butte à leurs
propos. Ils ont horreur de moi, ils se détournent, Ils me crachent au visage. Ils n'ont plus de retenue
et ils m'humilient, Ils rejettent tout frein devant moi. Ces misérables se lèvent à ma droite et me
poussent les pieds, Ils se fraient contre moi des sentiers pour ma ruine ; Ils détruisent mon propre
sentier et travaillent à ma perte, Eux à qui personne ne viendrait en aide ; Ils arrivent comme par une
large brèche, Ils se précipitent sous les craquements. Les terreurs m'assiègent ; Ma gloire est emportée
comme par le vent, Mon bonheur a passé comme un nuage. Et maintenant, mon âme s'épanche en
mon sein, Les jours de la souffrance m'ont saisi. La nuit me perce et m'arrache les os, La douleur qui
me ronge ne se donne aucun repos, Par la violence du mal mon vêtement perd sa forme, Il se colle
à mon corps comme ma tunique. Dieu m'a jeté dans la boue, Et je ressemble à la poussière et à la
cendre. Je crie vers toi, et tu ne me réponds pas ; Je me tiens debout, et tu me lances ton regard. Tu
deviens cruel contre moi, Tu me combats avec la force de ta main. Tu me soulèves, tu me fais voler
au-dessus du vent, Et tu m'anéantis au bruit de la tempête. Car, je le sais, tu me mènes à la mort,
Au rendez-vous de tous les vivants. Mais celui qui va périr n'étend -il pas les mains ? Celui qui est
dans le malheur n'implore -t-il pas du secours ? N'avais-je pas des larmes pour l'infortuné ? Mon coeur
n'avait-il pas pitié de l'indigent ? J'attendais le bonheur, et le malheur est arrivé ; J'espérais la lumière,
et les ténèbres sont venues. Mes entrailles bouillonnent sans relâche, Les jours de la calamité m'ont
surpris. Je marche noirci, mais non par le soleil ; Je me lève en pleine assemblée, et je crie. Je suis
devenu le frère des chacals, Le compagnon des autruches. Ma peau noircit et tombe, Mes os brûlent et
se dessèchent. Ma harpe n'est plus qu'un instrument de deuil, Et mon chalumeau ne peut rendre que
des sons plaintifs.

31 J'avais fait un pacte avec mes yeux, Et je n'aurais pas arrêté mes regards sur une vierge. Quelle
part Dieu m'eût-il réservée d'en haut ? Quel héritage le Tout-Puissant m'eût-il envoyé des cieux ? La
ruine n'est-elle pas pour le méchant, Et le malheur pour ceux qui commettent l'iniquité ? Dieu n'a-t-il
pas connu mes voies ? N'a-t-il pas compté tous mes pas ? Si j'ai marché dans le mensonge, Si mon pied
a couru vers la fraude, Que Dieu me pèse dans des balances justes, Et il reconnaîtra mon intégrité !
Si mon pas s'est détourné du droit chemin, Si mon coeur a suivi mes yeux, Si quelque souillure s'est

attachée à mes mains, Que je sème et qu'un autre moissonne, Et que mes rejetons soient déracinés ! 8
Si mon coeur a été séduit par une femme, Si j'ai fait le guet à la porte de mon prochain, Que ma femme 9, 10
tourne la meule pour un autre, Et que d'autres la déshonorent ! Car c'est un crime, Un forfait que 11
punissent les juges ; C'est un feu qui dévore jusqu'à la ruine, Et qui aurait détruit toute ma richesse. 12
Si j'ai méprisé le droit de mon serviteur ou de ma servante Lorsqu'ils étaient en contestation avec moi, 13
Qu'ai-je à faire, quand Dieu se lève ? Qu'ai-je à répondre, quand il châtie ? Celui qui m'a créé dans le 14, 15
ventre de ma mère ne l'a-t-il pas créé ? Le même Dieu ne nous a-t-il pas formés dans le sein maternel ?
Si j'ai refusé aux pauvres ce qu'ils demandaient, Si j'ai fait languir les yeux de la veuve, Si j'ai mangé 16, 17
seul mon pain, Sans que l'orphelin en ait eu sa part, Moi qui l'ai dès ma jeunesse élevé comme un 18
père, Moi qui dès ma naissance ai soutenu la veuve ; Si j'ai vu le malheureux manquer de vêtements, 19
L'indigent n'avoir point de couverture, Sans que ses reins m'aient béni, Sans qu'il ait été réchauffé 20
par la toison de mes agneaux ; Si j'ai levé la main contre l'orphelin, Parce que je me sentais un appui 21
dans les juges ; Que mon épaule se détache de sa jointure, Que mon bras tombe et qu'il se brise ! Car 22, 23
les châtiments de Dieu m'épouvantent, Et je ne puis rien devant sa majesté. Si j'ai mis dans l'or ma 24
confiance, Si j'ai dit à l'or : Tu es mon espoir ; Si je me suis réjoui de la grandeur de mes biens, De la 25
quantité des richesses que j'avais acquises ; Si j'ai regardé le soleil quand il brillait, La lune quand elle 26
s'avançait majestueuse, Et si mon coeur s'est laissé séduire en secret, Si ma main s'est portée sur ma 27
bouche ; C'est encore un crime que doivent punir les juges, Et j'aurais renié le Dieu d'en haut ! Si j'ai 28, 29
été joyeux du malheur de mon ennemi, Si j'ai sauté d'allégresse quand les revers l'ont atteint, Moi qui 30
n'ai pas permis à ma langue de pécher, De demander sa mort avec imprécation ; Si les gens de ma tente 31
ne disaient pas : Où est celui qui n'a pas été rassasié de sa viande ? Si l'étranger passait la nuit dehors, 32
Si je n'ouvrais pas ma porte au voyageur ; Si, comme les hommes, j'ai caché mes transgressions, Et 33
renfermé mes iniquités dans mon sein, Parce que j'avais peur de la multitude, Parce que je craignais 34
le mépris des familles, Me tenant à l'écart et n'osant franchir ma porte... Oh ! qui me fera trouver 35
quelqu'un qui m'écoute ? Voilà ma défense toute signée : Que le Tout-Puissant me réponde ! Qui me
donnera la plainte écrite par mon adversaire ? Je porterai son écrit sur mon épaule, Je l'attacherai 36
sur mon front comme une couronne ; Je lui rendrai compte de tous mes pas, Je m'approcherai de lui 37
comme un prince. Si ma terre crie contre moi, Et que ses sillons versent des larmes ; Si j'en ai mangé 38, 39
le produit sans l'avoir payée, Et que j'aie attristé l'âme de ses anciens maîtres ; Qu'il y croisse des 40
épines au lieu de froment, Et de l'ivraie au lieu d'orge ! Fin des paroles de Job.

Ces trois hommes cessèrent de répondre à Job, parce qu'il se regardait comme juste. Alors s'en- **32**, 2
flamma de colère Élihu, fils de Barakeel de Buz, de la famille de Ram. Sa colère s'enflamma contre
Job, parce qu'il se disait juste devant Dieu. Et sa colère s'enflamma contre ses trois amis, parce qu'ils 3
ne trouvaient rien à répondre et que néanmoins ils condamnaient Job. Comme ils étaient plus âgés 4
que lui, Élihu avait attendu jusqu'à ce moment pour parler à Job. Mais, voyant qu'il n'y avait plus de 5
réponse dans la bouche de ces trois hommes, Élihu s'enflamma de colère. Et Élihu, fils de Barakeel de 6
Buz, prit la parole et dit : Je suis jeune, et vous êtes des vieillards ; C'est pourquoi j'ai craint, j'ai redouté
De vous faire connaître mon sentiment. Je disais en moi-même : Les jours parleront, Le grand nombre 7
des années enseignera la sagesse. Mais en réalité, dans l'homme, c'est l'esprit, Le souffle du Tout- 8
Puissant, qui donne l'intelligence ; Ce n'est pas l'âge qui procure la sagesse, Ce n'est pas la vieillesse 9
qui rend capable de juger. Voilà pourquoi je dis : Écoute ! Moi aussi, j'exposerai ma pensée. J'ai at- 10, 11
tendu la fin de vos discours, J'ai suivi vos raisonnements, Votre examen des paroles de Job. Je vous 12
ai donné toute mon attention ; Et voici, aucun de vous ne l 'a convaincu, Aucun n'a réfuté ses paroles.
Ne dites pas cependant : En lui nous avons trouvé la sagesse ; C'est Dieu qui peut le confondre, ce n'est 13
pas un homme ! Il ne s'est pas adressé directement à moi : Aussi lui répondrai -je tout autrement que 14
vous. Ils ont peur, ils ne répondent plus ! Ils ont la parole coupée ! J'ai attendu qu'ils eussent fini leurs 15, 16
discours, Qu'ils s'arrêtassent et ne sussent que répliquer. À mon tour, je veux répondre aussi, Je veux 17
dire aussi ce que je pense. Car je suis plein de paroles, L'esprit me presse au dedans de moi ; Mon 18, 19
intérieur est comme un vin qui n'a pas d'issue, Comme des outres neuves qui vont éclater. Je parlerai 20
pour respirer à l'aise, J'ouvrirai mes lèvres et je répondrai. Je n'aurai point égard à l'apparence, Et je 21
ne flatterai personne ; Car je ne sais pas flatter : Mon créateur m'enlèverait bien vite. 22

Maintenant donc, Job, écoute mes discours, Prête l'oreille à toutes mes paroles ! Voici, j'ouvre la **33**, 2
bouche, Ma langue se remue dans mon palais. C'est avec droiture de coeur que je vais parler, C'est 3
la vérité pure qu'exprimeront mes lèvres : L'esprit de Dieu m'a créé, Et le souffle du Tout-Puissant 4
m'anime. Si tu le peux, réponds -moi, Défends ta cause, tiens -toi prêt ! Devant Dieu je suis ton 5, 6
semblable, J'ai été comme toi formé de la boue ; Ainsi mes terreurs ne te troubleront pas, Et mon 7
poids ne saurait t'accabler. Mais tu as dit à mes oreilles, Et j'ai entendu le son de tes paroles : Je 8, 9
suis pur, je suis sans péché, Je suis net, il n'y a point en moi d'iniquité. Et Dieu trouve contre moi 10

des motifs de haine, Il me traite comme son ennemi ; Il met mes pieds dans les ceps, Il surveille tous
mes mouvements. Je te répondrai qu'en cela tu n'as pas raison, Car Dieu est plus grand que l'homme.
Veux-tu donc disputer avec lui, Parce qu'il ne rend aucun compte de ses actes ? Dieu parle cependant,
tantôt d'une manière, Tantôt d'une autre, et l'on n'y prend point garde. Il parle par des songes, par
des visions nocturnes, Quand les hommes sont livrés à un profond sommeil, Quand ils sont endormis
sur leur couche. Alors il leur donne des avertissements Et met le sceau à ses instructions, Afin de
détourner l'homme du mal Et de le préserver de l'orgueil, Afin de garantir son âme de la fosse Et sa vie
des coups du glaive. Par la douleur aussi l'homme est repris sur sa couche, Quand une lutte continue
vient agiter ses os. Alors il prend en dégoût le pain, Même les aliments les plus exquis ; Sa chair se
consume et disparaît, Ses os qu'on ne voyait pas sont mis à nu ; Son âme s'approche de la fosse, Et sa
vie des messagers de la mort. Mais s'il se trouve pour lui un ange intercesseur, Un d'entre les mille
Qui annoncent à l'homme la voie qu'il doit suivre, Dieu a compassion de lui et dit à l'ange : Délivre -le,
afin qu'il ne descende pas dans la fosse ; J'ai trouvé une rançon ! Et sa chair a plus de fraîcheur qu'au
premier âge, Il revient aux jours de sa jeunesse. Il adresse à Dieu sa prière ; et Dieu lui est propice, Lui
laisse voir sa face avec joie, Et lui rend son innocence. Il chante devant les hommes et dit : J'ai péché,
j'ai violé la justice, Et je n'ai pas été puni comme je le méritais ; Dieu a délivré mon âme pour qu'elle
n'entrât pas dans la fosse, Et ma vie s'épanouit à la lumière ! Voilà tout ce que Dieu fait, Deux fois,
trois fois, avec l'homme, Pour ramener son âme de la fosse, Pour l'éclairer de la lumière des vivants.
Sois attentif, Job, écoute -moi ! Tais -toi, et je parlerai ! Si tu as quelque chose à dire, réponds -moi !
Parle, car je voudrais te donner raison. Si tu n'as rien à dire, écoute -moi ! Tais -toi, et je t'enseignerai
la sagesse.

34 Élihu reprit et dit : Sages, écoutez mes discours ! Vous qui êtes intelligents, prêtez-moi l'oreille !
Car l'oreille discerne les paroles, Comme le palais savoure les aliments. Choisissons ce qui est juste,
Voyons entre nous ce qui est bon. Job dit : Je suis innocent, Et Dieu me refuse justice ; J'ai raison, et
je passe pour menteur ; Ma plaie est douloureuse, et je suis sans péché. Y a-t-il un homme semblable à
Job, Buvant la raillerie comme l'eau, Marchant en société de ceux qui font le mal, Cheminant de pair
avec les impies ? Car il a dit : Il est inutile à l'homme De mettre son plaisir en Dieu. Écoutez -moi
donc, hommes de sens ! Loin de Dieu l'injustice, Loin du Tout-Puissant l'iniquité ! Il rend à l'homme
selon ses oeuvres, Il rétribue chacun selon ses voies. Non certes, Dieu ne commet pas l'iniquité ; Le
Tout-Puissant ne viole pas la justice. Qui l'a chargé de gouverner la terre ? Qui a confié l'univers à ses
soins ? S'il ne pensait qu'à lui-même, S'il retirait à lui son esprit et son souffle, Toute chair périrait
soudain, Et l'homme rentrerait dans la poussière. Si tu as de l'intelligence, écoute ceci, Prête l'oreille
au son de mes paroles ! Un ennemi de la justice régnerait -il ? Et condamneras -tu le juste, le puissant,
Qui proclame la méchanceté des rois Et l'iniquité des princes, Qui n'a point égard à l'apparence des
grands Et ne distingue pas le riche du pauvre, Parce que tous sont l'ouvrage de ses mains ? En un
instant, ils perdent la vie ; Au milieu de la nuit, un peuple chancelle et périt ; Le puissant disparaît,
sans la main d'aucun homme. Car Dieu voit la conduite de tous, Il a les regards sur les pas de chacun.
Il n'y a ni ténèbres ni ombre de la mort, Où puissent se cacher ceux qui commettent l'iniquité. Dieu
n'a pas besoin d'observer longtemps, Pour qu'un homme entre en jugement avec lui ; Il brise les grands
sans information, Et il met d'autres à leur place ; Car il connaît leurs oeuvres. Il les renverse de nuit,
et ils sont écrasés ; Il les frappe comme des impies, À la face de tous les regards. En se détournant
de lui, En abandonnant toutes ses voies, Ils ont fait monter à Dieu le cri du pauvre, Ils l'ont rendu
attentif aux cris des malheureux. S'il donne le repos, qui répandra le trouble ? S'il cache sa face, qui
pourra le voir ? Il traite à l'égal soit une nation, soit un homme, Afin que l'impie ne domine plus, Et
qu'il ne soit plus un piège pour le peuple. Car a-t-il jamais dit à Dieu : J'ai été châtié, je ne pécherai
plus ; Montre -moi ce que je ne vois pas ; Si j'ai commis des injustices, je n'en commettrai plus ? Est-ce
d'après toi que Dieu rendra la justice ? C'est toi qui rejettes, qui choisis, mais non pas moi ; Ce que tu
sais, dis -le donc ! Les hommes de sens seront de mon avis, Le sage qui m'écoute pensera comme moi.
Job parle sans intelligence, Et ses discours manquent de raison. Qu'il continue donc à être éprouvé,
Puisqu'il répond comme font les méchants ! Car il ajoute à ses fautes de nouveaux péchés ; Il bat des
mains au milieu de nous, Il multiplie ses paroles contre Dieu.

35 Élihu reprit et dit : Imagines -tu avoir raison, Penses-tu te justifier devant Dieu, Quand tu dis :
Que me sert -il, Que me revient -il de ne pas pécher ? C'est à toi que je vais répondre, Et à tes amis en
même temps. Considère les cieux, et regarde ! Vois les nuées, comme elles sont au-dessus de toi ! Si tu
pèches, quel tort lui causes -tu ? Et quand tes péchés se multiplient, que lui fais -tu ? Si tu es juste, que
lui donnes -tu ? Que reçoit -il de ta main ? Ta méchanceté ne peut nuire qu'à ton semblable, Ta justice
n'est utile qu'au fils de l'homme. On crie contre la multitude des oppresseurs, On se plaint de la violence
d'un grand nombre ; Mais nul ne dit : Où est Dieu, mon créateur, Qui inspire des chants d'allégresse
pendant la nuit, Qui nous instruit plus que les bêtes de la terre, Et nous donne l'intelligence plus

qu'aux oiseaux du ciel ? On a beau crier alors, Dieu ne répond pas, À cause de l'orgueil des méchants. 12
C'est en vain que l'on crie, Dieu n'écoute pas, Le Tout-Puissant n'y a point égard. Bien que tu dises que 13, 14
tu ne le vois pas, Ta cause est devant lui : attends -le ! Mais, parce que sa colère ne sévit point encore, 15
Ce n'est pas à dire qu'il ait peu souci du crime. Ainsi Job ouvre vainement la bouche, Il multiplie les 16
paroles sans intelligence.

Élihu continua et dit : Attends un peu, et je vais poursuivre, Car j'ai des paroles encore pour la **36**, 2
cause de Dieu. Je prendrai mes raisons de haut, Et je prouverai la justice de mon créateur. Sois- 3, 4
en sûr, mes discours ne sont pas des mensonges, Mes sentiments devant toi sont sincères. Dieu est 5
puissant, mais il ne rejette personne ; Il est puissant par la force de son intelligence. Il ne laisse pas 6
vivre le méchant, Et il fait droit aux malheureux. Il ne détourne pas les yeux de dessus les justes, Il les 7
place sur le trône avec les rois, Il les y fait asseoir pour toujours, afin qu'ils soient élevés. Viennent-ils 8
à tomber dans les chaînes, Sont-ils pris dans les liens de l'adversité, Il leur dénonce leurs oeuvres, 9
Leurs transgressions, leur orgueil ; Il les avertit pour leur instruction, Il les exhorte à se détourner 10
de l'iniquité. S'ils écoutent et se soumettent, Ils achèvent leurs jours dans le bonheur, Leurs années 11
dans la joie. S'ils n'écoutent pas, ils périssent par le glaive, Ils expirent dans leur aveuglement. Les 12, 13
impies se livrent à la colère, Ils ne crient pas à Dieu quand il les enchaîne ; Ils perdent la vie dans leur 14
jeunesse, Ils meurent comme les débauchés. Mais Dieu sauve le malheureux dans sa misère, Et c'est 15
par la souffrance qu'il l'avertit. Il te retirera aussi de la détresse, Pour te mettre au large, en pleine 16
liberté, Et ta table sera chargée de mets succulents. Mais si tu défends ta cause comme un impie, 17
Le châtiment est inséparable de ta cause. Que l'irritation ne t'entraîne pas à la moquerie, Et que la 18
grandeur de la rançon ne te fasse pas dévier ! Tes cris suffiraient -ils pour te sortir d'angoisse, Et même 19
toutes les forces que tu pourrais déployer ? Ne soupire pas après la nuit, Qui enlève les peuples de leur 20
place. Garde -toi de te livrer au mal, Car la souffrance t'y dispose. Dieu est grand par sa puissance ; 21, 22
Qui saurait enseigner comme lui ? Qui lui prescrit ses voies ? Qui ose dire : Tu fais mal ? Souviens -toi 23, 24
d'exalter ses oeuvres, Que célèbrent tous les hommes. Tout homme les contemple, Chacun les voit de 25
loin. Dieu est grand, mais sa grandeur nous échappe, Le nombre de ses années est impénétrable. Il 26, 27
attire à lui les gouttes d'eau, Il les réduit en vapeur et forme la pluie ; Les nuages la laissent couler, 28
Ils la répandent sur la foule des hommes. Et qui comprendra le déchirement de la nuée, Le fracas de 29
sa tente ? Voici, il étend autour de lui sa lumière, Et il se cache jusque dans les profondeurs de la mer. 30
Par ces moyens il juge les peuples, Et il donne la nourriture avec abondance. Il prend la lumière dans 31, 32
sa main, Il la dirige sur ses adversaires. Il s'annonce par un grondement ; Les troupeaux pressentent 33
son approche.

Mon coeur est tout tremblant, Il bondit hors de sa place. Écoutez, écoutez le frémissement de sa **37**, 2
voix, Le grondement qui sort de sa bouche ! Il le fait rouler dans toute l'étendue des cieux, Et son éclair 3
brille jusqu'aux extrémités de la terre. Puis éclate un rugissement : il tonne de sa voix majestueuse ; Il 4
ne retient plus l'éclair, dès que sa voix retentit. Dieu tonne avec sa voix d'une manière merveilleuse ; 5
Il fait de grandes choses que nous ne comprenons pas. Il dit à la neige : Tombe sur la terre ! Il le dit 6
à la pluie, même aux plus fortes pluies. Il met un sceau sur la main de tous les hommes, Afin que 7
tous se reconnaissent comme ses créatures. L'animal sauvage se retire dans une caverne, Et se couche 8
dans sa tanière. L'ouragan vient du midi, Et le froid, des vents du nord. Par son souffle Dieu produit 9, 10
la glace, Il réduit l'espace où se répandaient les eaux. Il charge de vapeurs les nuages, Il les disperse 11
étincelants ; Leurs évolutions varient selon ses desseins, Pour l'accomplissement de tout ce qu'il leur 12
ordonne, Sur la face de la terre habitée ; C'est comme une verge dont il frappe sa terre, Ou comme 13
un signe de son amour, qu'il les fait apparaître. Job, sois attentif à ces choses ! Considère encore les 14
merveilles de Dieu ! Sais -tu comment Dieu les dirige, Et fait briller son nuage étincelant ? Comprends 15, 16
-tu le balancement des nuées, Les merveilles de celui dont la science est parfaite ? Sais-tu pourquoi tes 17
vêtements sont chauds Quand la terre se repose par le vent du midi ? Peux-tu comme lui étendre les 18
cieux, Aussi solides qu'un miroir de fonte ? Fais-nous connaître ce que nous devons lui dire ; Nous 19
sommes trop ignorants pour nous adresser à lui. Lui annoncera -t-on que je parlerai ? Mais quel est 20
l'homme qui désire sa perte ? On ne peut fixer le soleil qui resplendit dans les cieux, Lorsqu'un vent 21
passe et en ramène la pureté ; Le septentrion le rend éclatant comme l'or. Oh ! que la majesté de Dieu 22
est redoutable ! Nous ne saurions parvenir jusqu'au Tout-Puissant, Grand par la force, Par la justice, 23
par le droit souverain : Il ne répond pas ! C'est pourquoi les hommes doivent le craindre ; Il ne porte 24
les regards sur aucun sage.

L'Éternel répondit à Job du milieu de la tempête et dit : Qui est celui qui obscurcit mes desseins **38**, 2
Par des discours sans intelligence ? Ceins tes reins comme un vaillant homme ; Je t'interrogerai, et 3
tu m'instruiras. Où étais-tu quand je fondais la terre ? Dis -le, si tu as de l'intelligence. Qui en a 4, 5
fixé les dimensions, le sais -tu ? Ou qui a étendu sur elle le cordeau ? Sur quoi ses bases sont-elles 6
appuyées ? Ou qui en a posé la pierre angulaire, Alors que les étoiles du matin éclataient en chants 7

d'allégresse, Et que tous les fils de Dieu poussaient des cris de joie ? Qui a fermé la mer avec des portes, Quand elle s'élança du sein maternel ; Quand je fis de la nuée son vêtement, Et de l'obscurité ses langes ; Quand je lui imposai ma loi, Et que je lui mis des barrières et des portes ; Quand je dis : Tu viendras jusqu'ici, tu n'iras pas au delà ; Ici s'arrêtera l'orgueil de tes flots ? Depuis que tu existes, as-tu commandé au matin ? As-tu montré sa place à l'aurore, Pour qu'elle saisisse les extrémités de la terre, Et que les méchants en soient secoués ; Pour que la terre se transforme comme l'argile qui reçoit une empreinte, Et qu'elle soit parée comme d'un vêtement ; Pour que les méchants soient privés de leur lumière, Et que le bras qui se lève soit brisé ? As-tu pénétré jusqu'aux sources de la mer ? T'es-tu promené dans les profondeurs de l'abîme ? Les portes de la mort t'ont-elles été ouvertes ? As-tu vu les portes de l'ombre de la mort ? As-tu embrassé du regard l'étendue de la terre ? Parle, si tu sais toutes ces choses. Où est le chemin qui conduit au séjour de la lumière ? Et les ténèbres, où ont-elles leur demeure ? Peux-tu les saisir à leur limite, Et connaître les sentiers de leur habitation ? Tu le sais, car alors tu étais né, Et le nombre de tes jours est grand ! Es-tu parvenu jusqu'aux amas de neige ? As-tu vu les dépôts de grêle, Que je tiens en réserve pour les temps de détresse, Pour les jours de guerre et de bataille ? Par quel chemin la lumière se divise -t-elle, Et le vent d'orient se répand -il sur la terre ? Qui a ouvert un passage à la pluie, Et tracé la route de l'éclair et du tonnerre, Pour que la pluie tombe sur une terre sans habitants, Sur un désert où il n'y a point d'hommes ; Pour qu'elle abreuve les lieux solitaires et arides, Et qu'elle fasse germer et sortir l'herbe ? La pluie a -t-elle un père ? Qui fait naître les gouttes de la rosée ? Du sein de qui sort la glace, Et qui enfante le frimas du ciel, Pour que les eaux se cachent comme une pierre, Et que la surface de l'abîme soit enchaînée ? Noues -tu les liens des Pléiades, Ou détaches -tu les cordages de l'Orion ? Fais-tu paraître en leur temps les signes du zodiaque, Et conduis -tu la Grande Ourse avec ses petits ? Connais -tu les lois du ciel ? Règles -tu son pouvoir sur la terre ? Élèves -tu la voix jusqu'aux nuées, Pour appeler à toi des torrents d'eaux ? Lances -tu les éclairs ? Partent -ils ? Te disent -ils : Nous voici ? Qui a mis la sagesse dans le coeur, Ou qui a donné l'intelligence à l'esprit ? Qui peut avec sagesse compter les nuages, Et verser les outres des cieux, Pour que la poussière se mette à ruisseler, Et que les mottes de terre se collent ensemble ? Chasses -tu la proie pour la lionne, Et apaises -tu la faim des lionceaux, Quand ils sont couchés dans leur tanière, Quand ils sont en embuscade dans leur repaire ? Qui prépare au corbeau sa pâture, Quand ses petits crient vers Dieu, Quand ils sont errants et affamés ?

39 Sais -tu quand les chèvres sauvages font leurs petits ? Observes -tu les biches quand elles mettent bas ? Comptes -tu les mois pendant lesquels elles portent, Et connais -tu l'époque où elles enfantent ? Elles se courbent, laissent échapper leur progéniture, Et sont délivrées de leurs douleurs. Leurs petits prennent de la vigueur et grandissent en plein air, Ils s'éloignent et ne reviennent plus auprès d'elles. Qui met en liberté l'âne sauvage, Et l 'affranchit de tout lien ? J'ai fait du désert son habitation, De la terre salée sa demeure. Il se rit du tumulte des villes, Il n'entend pas les cris d'un maître. Il parcourt les montagnes pour trouver sa pâture, Il est à la recherche de tout ce qui est vert. Le buffle veut -il être à ton service ? Passe-t-il la nuit vers ta crèche ? L 'attaches -tu par une corde pour qu'il trace un sillon ? Va-t-il après toi briser les mottes des vallées ? Te reposes -tu sur lui, parce que sa force est grande ? Lui abandonnes -tu le soin de tes travaux ? Te fies -tu à lui pour la rentrée de ta récolte ? Est-ce lui qui doit l'amasser dans ton aire ? L'aile de l'autruche se déploie joyeuse ; On dirait l'aile, le plumage de la cigogne. Mais l'autruche abandonne ses oeufs à la terre, Et les fait chauffer sur la poussière ; Elle oublie que le pied peut les écraser, Qu'une bête des champs peut les fouler. Elle est dure envers ses petits comme s'ils n'étaient point à elle ; Elle ne s'inquiète pas de l'inutilité de son enfantement. Car Dieu lui a refusé la sagesse, Il ne lui a pas donné l'intelligence en partage. Quand elle se lève et prend sa course, Elle se rit du cheval et de son cavalier. Est-ce toi qui donnes la vigueur au cheval, Et qui revêts son cou d'une crinière flottante ? Le fais-tu bondir comme la sauterelle ? Son fier hennissement répand la terreur. Il creuse le sol et se réjouit de sa force, Il s'élance au-devant des armes ; Il se rit de la crainte, il n'a pas peur, Il ne recule pas en face de l'épée. Sur lui retentit le carquois, Brillent la lance et le javelot. Bouillonnant d'ardeur, il dévore la terre, Il ne peut se contenir au bruit de la trompette. Quand la trompette sonne, il dit : En avant ! Et de loin il flaire la bataille, La voix tonnante des chefs et les cris de guerre. Est-ce par ton intelligence que l'épervier prend son vol, Et qu'il étend ses ailes vers le midi ? Est-ce par ton ordre que l'aigle s'élève, Et qu'il place son nid sur les hauteurs ? C'est dans les rochers qu'il habite, qu'il a sa demeure, Sur la cime des rochers, sur le sommet des monts. De là il épie sa proie, Il plonge au loin les regards. Ses petits boivent le sang ; Et là où sont des cadavres, l'aigle se trouve.

40 L'Éternel, s'adressant à Job, dit : Celui qui dispute contre le Tout-Puissant est-il convaincu ? Celui qui conteste avec Dieu a-t-il une réplique à faire ? Job répondit à l'Éternel et dit : Voici, je suis trop peu de chose ; que te répliquerais -je ? Je mets la main sur ma bouche. J'ai parlé une fois, je ne répondrai plus ; Deux fois, je n'ajouterai rien. L'Éternel répondit à Job du milieu de la tempête et dit : Ceins

tes reins comme un vaillant homme ; Je t'interrogerai, et tu m'instruiras. Anéantiras -tu jusqu'à ma 8
justice ? Me condamneras -tu pour te donner droit ? As-tu un bras comme celui de Dieu, Une voix 9
tonnante comme la sienne ? Orne -toi de magnificence et de grandeur, Revêts -toi de splendeur et de 10
gloire ! Répands les flots de ta colère, Et d'un regard abaisse les hautains ! D'un regard humilie les 11, 12
hautains, Écrase sur place les méchants, Cache -les tous ensemble dans la poussière, Enferme leur 13
front dans les ténèbres ! Alors je rends hommage À la puissance de ta droite. Voici l'hippopotame, à 14, 15
qui j'ai donné la vie comme à toi ! Il mange de l'herbe comme le boeuf. Le voici ! Sa force est dans ses 16
reins, Et sa vigueur dans les muscles de son ventre ; Il plie sa queue aussi ferme qu'un cèdre ; Les nerfs 17
de ses cuisses sont entrelacés ; Ses os sont des tubes d'airain, Ses membres sont comme des barres de 18
fer. Il est la première des oeuvres de Dieu ; Celui qui l'a fait l'a pourvu d'un glaive. Il trouve sa pâture 19, 20
dans les montagnes, Où se jouent toutes les bêtes des champs. Il se couche sous les lotus, Au milieu des 21
roseaux et des marécages ; Les lotus le couvrent de leur ombre, Les saules du torrent l'environnent. 22
Que le fleuve vienne à déborder, il ne s'enfuit pas : Que le Jourdain se précipite dans sa gueule, il reste 23
calme. Est-ce à force ouverte qu'on pourra le saisir ? Est-ce au moyen de filets qu'on lui percera le nez ? 24

Prendras -tu le crocodile à l'hameçon ? Saisiras -tu sa langue avec une corde ? Mettras -tu un jonc **41**, 2
dans ses narines ? Lui perceras -tu la mâchoire avec un crochet ? Te pressera -t-il de supplication ? Te 3
parlera -t-il d'une voix douce ? Fera -t-il une alliance avec toi, Pour devenir à toujours ton esclave ? 4
Joueras -tu avec lui comme avec un oiseau ? L'attacheras -tu pour amuser tes jeunes filles ? Les pê- 5, 6
cheurs en trafiquent -ils ? Le partagent -ils entre les marchands ? Couvriras -tu sa peau de dards, Et 7
sa tête de harpons ? Dresse ta main contre lui, Et tu ne t'aviseras plus de l'attaquer. Voici, on est 8, 9
trompé dans son attente ; À son seul aspect n'est-on pas terrassé ? Nul n'est assez hardi pour l'exciter ; 10
Qui donc me résisterait en face ? De qui suis-je le débiteur ? Je le paierai. Sous le ciel tout m'appartient. 11
Je veux encore parler de ses membres, Et de sa force, et de la beauté de sa structure. Qui soulèvera 12, 13
son vêtement ? Qui pénétrera entre ses mâchoires ? Qui ouvrira les portes de sa gueule ? Autour de 14
ses dents habite la terreur. Ses magnifiques et puissants boucliers Sont unis ensemble comme par un 15
sceau ; Ils se serrent l'un contre l'autre, Et l'air ne passerait pas entre eux ; Ce sont des frères qui 16, 17
s'embrassent, Se saisissent, demeurent inséparables. Ses éternuements font briller la lumière ; Ses 18
yeux sont comme les paupières de l'aurore. Des flammes jaillissent de sa bouche, Des étincelles de feu 19
s'en échappent. Une fumée sort de ses narines, Comme d'un vase qui bout, d'une chaudière ardente. 20
Son souffle allume les charbons, Sa gueule lance la flamme. La force a son cou pour demeure, Et l'effroi 21, 22
bondit au-devant de lui. Ses parties charnues tiennent ensemble, Fondues sur lui, inébranlables. Son 23, 24
coeur est dur comme la pierre, Dur comme la meule inférieure. Quand il se lève, les plus vaillants ont 25
peur, Et l'épouvante les fait fuir. C'est en vain qu'on l'attaque avec l'épée ; La lance, le javelot, la cui- 26
rasse, ne servent à rien. Il regarde le fer comme de la paille, L'airain comme du bois pourri. La flèche 27, 28
ne le met pas en fuite, Les pierres de la fronde sont pour lui du chaume. Il ne voit dans la massue qu'un 29
brin de paille, Il rit au sifflement des dards. Sous son ventre sont des pointes aiguës : On dirait une 30
herse qu'il étend sur le limon. Il fait bouillir le fond de la mer comme une chaudière, Il l'agite comme 31
un vase rempli de parfums. Il laisse après lui un sentier lumineux ; L'abîme prend la chevelure d'un 32
vieillard. Sur la terre nul n'est son maître ; Il a été créé pour ne rien craindre. Il regarde avec dédain 33, 34
tout ce qui est élevé, Il est le roi des plus fiers animaux.

Job répondit à l'Éternel et dit : Je reconnais que tu peux tout, Et que rien ne s'oppose à tes pen- **42**, 2
sées. Quel est celui qui a la folie d'obscurcir mes desseins ? -Oui, j'ai parlé, sans les comprendre, De 3
merveilles qui me dépassent et que je ne conçois pas. Écoute -moi, et je parlerai ; Je t'interrogerai, et 4
tu m'instruiras. Mon oreille avait entendu parler de toi ; Mais maintenant mon oeil t'a vu. C'est pour- 5, 6
quoi je me condamne et je me repens Sur la poussière et sur la cendre. Après que l'Éternel eut adressé 7
ces paroles à Job, il dit à Éliphaz de Théman : Ma colère est enflammée contre toi et contre tes deux
amis, parce que vous n'avez pas parlé de moi avec droiture comme l'a fait mon serviteur Job. Prenez 8
maintenant sept taureaux et sept béliers, allez auprès de mon serviteur Job, et offrez pour vous un
holocauste. Job, mon serviteur, priera pour vous, et c'est par égard pour lui seul que je ne vous traiterai
pas selon votre folie ; car vous n'avez pas parlé de moi avec droiture, comme l'a fait mon serviteur Job.
Éliphaz de Théman, Bildad de Schuach, et Tsophar de Naama allèrent et firent comme l'Éternel leur 9
avait dit : et l'Éternel eut égard à la prière de Job. L'Éternel rétablit Job dans son premier état, quand 10
Job eut prié pour ses amis ; et l'Éternel lui accorda le double de tout ce qu'il avait possédé. Les frères, 11
les soeurs, et les anciens amis de Job vinrent tous le visiter, et ils mangèrent avec lui dans sa maison.
Ils le plaignirent et le consolèrent de tous les malheurs que l'Éternel avait fait venir sur lui, et chacun
lui donna un kesita et un anneau d'or. Pendant ses dernières années, Job reçut de l'Éternel plus de 12
bénédictions qu'il n'en avait reçu dans les premières. Il posséda quatorze mille brebis, six mille cha-

13, 14 meaux, mille paires de boeufs, et mille ânesses. Il eut sept fils et trois filles : il donna à la première le
15 nom de Jemima, à la seconde celui de Ketsia, et à la troisième celui de Kéren-Happuc. Il n'y avait pas
dans tout le pays d'aussi belles femmes que les filles de Job. Leur père leur accorda une part d'héritage
16 parmi leurs frères. Job vécut après cela cent quarante ans, et il vit ses fils et les fils de ses fils jusqu'à
17 la quatrième génération. Et Job mourut âgé et rassasié de jours.

PSAUMES

1 Heureux l'homme qui ne marche pas selon le conseil des méchants, Qui ne s'arrête pas sur la
2 voie des pécheurs, Et qui ne s'assied pas en compagnie des moqueurs, Mais qui trouve son
3 plaisir dans la loi de l'Éternel, Et qui la médite jour et nuit ! Il est comme un arbre planté
près d'un courant d'eau, Qui donne son fruit en sa saison, Et dont le feuillage ne se flétrit
4 point : Tout ce qu'il fait lui réussit. Il n'en est pas ainsi des méchants : Ils sont comme la paille que le
5 vent dissipe. C'est pourquoi les méchants ne résistent pas au jour du jugement, Ni les pécheurs dans
6 l'assemblée des justes ; Car l'Éternel connaît la voie des justes, Et la voie des pécheurs mène à la ruine.

2, 2 Pourquoi ce tumulte parmi les nations, Ces vaines pensées parmi les peuples ? Pourquoi les rois de
la terre se soulèvent -ils Et les princes se liguent -ils avec eux Contre l'Éternel et contre son oint ? -
3, 4 Brisons leurs liens, Délivrons -nous de leurs chaînes ! - Celui qui siège dans les cieux rit, Le Seigneur
5, 6 se moque d'eux. Puis il leur parle dans sa colère, Il les épouvante dans sa fureur : C'est moi qui ai
7 oint mon roi Sur Sion, ma montagne sainte ! Je publierai le décret ; L'Éternel m'a dit : Tu es mon fils !
8 Je t'ai engendré aujourd'hui. Demande -moi et je te donnerai les nations pour héritage, Les extrémités
9 de la terre pour possession ; Tu les briseras avec une verge de fer, Tu les briseras comme le vase
10 d'un potier. Et maintenant, rois, conduisez-vous avec sagesse ! Juges de la terre, recevez instruction !
11, 12 Servez l'Éternel avec crainte, Et réjouissez -vous avec tremblement. Baisez le fils, de peur qu'il ne
s'irrite, Et que vous ne périssiez dans votre voie, Car sa colère est prompte à s'enflammer. Heureux tous
ceux qui se confient en lui !

3 Psaume de David. À l'occasion de sa fuite devant Absalom, son fils. O Éternel, que mes ennemis sont
2 nombreux ! Quelle multitude se lève contre moi ! Combien qui disent à mon sujet : Plus de salut pour
3 lui auprès de Dieu ! -Pause. Mais toi, ô Éternel ! tu es mon bouclier, Tu es ma gloire, et tu relèves ma
4, 5 tête. De ma voix je crie à l'Éternel, Et il me répond de sa montagne sainte. -Pause. Je me couche, et je
6 m'endors ; Je me réveille, car l'Éternel est mon soutien. Je ne crains pas les myriades de peuples Qui
7 m'assiègent de toutes parts. Lève -toi, Éternel ! sauve -moi, mon Dieu ! Car tu frappes à la joue tous
8 mes ennemis, Tu brises les dents des méchants. Le salut est auprès de l'Éternel : Que ta bénédiction
soit sur ton peuple ! -Pause.

4 Au chef des chantres. Avec instruments à cordes. Psaume de David. Quand je crie, réponds -moi, Dieu
2 de ma justice ! Quand je suis dans la détresse, sauve -moi ! Aie pitié de moi, écoute ma prière ! Fils des
hommes, jusques à quand ma gloire sera-t-elle outragée ? Jusques à quand aimerez -vous la vanité,
3 Chercherez -vous le mensonge ? -Pause. Sachez que l'Éternel s'est choisi un homme pieux ; L'Éternel
4 entend, quand je crie à lui. Tremblez, et ne péchez point ; Parlez en vos coeurs sur votre couche, puis
5, 6 taisez -vous. -Pause. Offrez des sacrifices de justice, Et confiez -vous à l'Éternel. Plusieurs disent : Qui
7 nous fera voir le bonheur ? Fais lever sur nous la lumière de ta face, ô Éternel ! Tu mets dans mon coeur
8 plus de joie qu'ils n'en ont Quand abondent leur froment et leur moût. Je me couche et je m'endors en
paix, Car toi seul, ô Éternel ! tu me donnes la sécurité dans ma demeure.

5 Au chef des chantres. Avec les flûtes. Psaume de David. Prête l'oreille à mes paroles, ô Éternel !
2 Écoute mes gémissements ! Sois attentif à mes cris, mon roi et mon Dieu ! C'est à toi que j'adresse
3, 4 ma prière. Éternel ! le matin tu entends ma voix ; Le matin je me tourne vers toi, et je regarde. Car
5 tu n'es point un Dieu qui prenne plaisir au mal ; Le méchant n'a pas sa demeure auprès de toi. Les
6 insensés ne subsistent pas devant tes yeux ; Tu hais tous ceux qui commettent l'iniquité. Tu fais périr
7 les menteurs ; L'Éternel abhorre les hommes de sang et de fraude. Mais moi, par ta grande miséricorde,
8 je vais à ta maison, Je me prosterne dans ton saint temple avec crainte. Éternel ! conduis -moi dans ta
9 justice, à cause de mes ennemis, Aplanis ta voie sous mes pas. Car il n'y a point de sincérité dans leur
bouche ; Leur coeur est rempli de malice, Leur gosier est un sépulcre ouvert, Et ils ont sur la langue des
paroles flatteuses. Frappe -les comme des coupables, ô Dieu ! Que leurs desseins amènent leur chute !
10 Précipite -les au milieu de leurs péchés sans nombre ! Car ils se révoltent contre toi. Alors tous ceux
11 qui se confient en toi se réjouiront, Ils auront de l'allégresse à toujours, et tu les protégeras ; Tu seras
un sujet de joie Pour ceux qui aiment ton nom. Car tu bénis le juste, ô Éternel ! Tu l'entoures de ta
12 grâce comme d'un bouclier.

6 Au chef des chantres. Avec instruments à cordes. Sur la harpe à huit cordes. Psaume de David.
2 Éternel ! ne me punis pas dans ta colère, Et ne me châtie pas dans ta fureur. Aie pitié de moi, Éternel !
3 car je suis sans force ; Guéris -moi, Éternel ! car mes os sont tremblants. Mon âme est toute troublée ;

4 Et toi, Éternel ! jusques à quand ?... Reviens, Éternel ! délivre mon âme ; Sauve -moi, à cause de ta
5, 6 miséricorde. Car celui qui meurt n'a plus ton souvenir ; Qui te louera dans le séjour des morts ? Je
m'épuise à force de gémir ; Chaque nuit ma couche est baignée de mes larmes, Mon lit est arrosé de mes
7, 8 pleurs. J'ai le visage usé par le chagrin ; Tous ceux qui me persécutent le font vieillir. Éloignez -vous
9 de moi, vous tous qui faites le mal ! Car l'Éternel entend la voix de mes larmes ; L'Éternel exauce mes
10 supplications, L'Éternel accueille ma prière. Tous mes ennemis sont confondus, saisis d'épouvante ; Ils
reculent, soudain couverts de honte.

7 Complainte de David. Chantée à l'Éternel, au sujet de Cusch, Benjamite. Éternel, mon Dieu ! je
2 cherche en toi mon refuge ; Sauve -moi de tous mes persécuteurs, et délivre -moi, Afin qu'ils ne me
3 déchirent pas, comme un lion Qui dévore sans que personne vienne au secours. Éternel, mon Dieu !
4 si j'ai fait cela, S'il y a de l'iniquité dans mes mains, Si j'ai rendu le mal à celui qui était paisible
5 envers moi, Si j'ai dépouillé celui qui m'opprimait sans cause, Que l'ennemi me poursuive et m'atteigne,
6 Qu'il foule à terre ma vie, Et qu'il couche ma gloire dans la poussière ! -Pause. Lève -toi, ô Éternel !
dans ta colère, Lève -toi contre la fureur de mes adversaires, Réveille -toi pour me secourir, ordonne
7 un jugement ! Que l'assemblée des peuples t'environne ! Monte au-dessus d'elle vers les lieux élevés !
8, 9 L'Éternel juge les peuples : Rends-moi justice, ô Éternel ! Selon mon droit et selon mon innocence ! Mets
un terme à la malice des méchants, Et affermis le juste, Toi qui sondes les coeurs et les reins, Dieu juste !
10, 11 Mon bouclier est en Dieu, Qui sauve ceux dont le coeur est droit. Dieu est un juste juge, Dieu s'irrite
12, 13 en tout temps. Si le méchant ne se convertit pas, il aiguise son glaive, Il bande son arc, et il vise ; Il
14 dirige sur lui des traits meurtriers, Il rend ses flèches brûlantes. Voici, le méchant prépare le mal, Il
15 conçoit l'iniquité, et il enfante le néant. Il ouvre une fosse, il la creuse, Et il tombe dans la fosse qu'il
16, 17 a faite. Son iniquité retombe sur sa tête, Et sa violence redescend sur son front. Je louerai l'Éternel à
cause de sa justice, Je chanterai le nom de l'Éternel, du Très-Haut.

8 Au chef des chantres. Sur la guitthith. Psaume de David. Éternel, notre Seigneur ! Que ton nom
2 est magnifique sur toute la terre ! Ta majesté s'élève au-dessus des cieux. Par la bouche des enfants
et de ceux qui sont à la mamelle Tu as fondé ta gloire, pour confondre tes adversaires, Pour imposer
3 silence à l'ennemi et au vindicatif. Quand je contemple les cieux, ouvrage de tes mains, La lune et
4 les étoiles que tu as créées : Qu'est-ce que l'homme, pour que tu te souviennes de lui ? Et le fils de
5 l'homme, pour que tu prennes garde à lui ? Tu l'as fait de peu inférieur à Dieu, Et tu l'as couronné de
6 gloire et de magnificence. Tu lui as donné la domination sur les oeuvres de tes mains, Tu as tout mis
7, 8 sous ses pieds, Les brebis comme les boeufs, Et les animaux des champs, Les oiseaux du ciel et les
9 poissons de la mer, Tout ce qui parcourt les sentiers des mers. Éternel, notre Seigneur ! Que ton nom
est magnifique sur toute la terre !

9 Au chef des chantres. Sur <Meurs pour le fils». Psaume de David. Je louerai l'Éternel de tout mon
2 coeur, Je raconterai toutes tes merveilles. Je ferai de toi le sujet de ma joie et de mon allégresse, Je
3 chanterai ton nom, Dieu Très-Haut ! Mes ennemis reculent, Ils chancellent, ils périssent devant ta
4, 5 face. Car tu soutiens mon droit et ma cause, Tu sièges sur ton trône en juste juge. Tu châties les
6 nations, tu détruis le méchant, Tu effaces leur nom pour toujours et à perpétuité. Plus d'ennemis ! Des
7 ruines éternelles ! Des villes que tu as renversées ! Leur souvenir est anéanti. L'Éternel règne à jamais,
8 Il a dressé son trône pour le jugement ; Il juge le monde avec justice, Il juge les peuples avec droiture.
9, 10 L'Éternel est un refuge pour l'opprimé, Un refuge au temps de la détresse. Ceux qui connaissent ton
11 nom se confient en toi. Car tu n'abandonnes pas ceux qui te cherchent, ô Éternel ! Chantez à l'Éternel,
12 qui réside en Sion, Publiez parmi les peuples ses hauts faits ! Car il venge le sang et se souvient des
13 malheureux, Il n'oublie pas leurs cris. Aie pitié de moi, Éternel ! Vois la misère où me réduisent mes
14 ennemis, Enlève -moi des portes de la mort, Afin que je publie toutes tes louanges, Dans les portes de
15 la fille de Sion, Et que je me réjouisse de ton salut. Les nations tombent dans la fosse qu'elles ont faite,
16 Leur pied se prend au filet qu 'elles ont caché. L'Éternel se montre, il fait justice, Il enlace le méchant
17 dans l'oeuvre de ses mains. -Jeu d'instruments. Pause. Les méchants se tournent vers le séjour des
18 morts, Toutes les nations qui oublient Dieu. Car le malheureux n'est point oublié à jamais, L'espérance
19 des misérables ne périt pas à toujours. Lève -toi, ô Éternel ! Que l'homme ne triomphe pas ! Que les
20 nations soient jugées devant ta face ! Frappe -les d'épouvante, ô Éternel ! Que les peuples sachent qu'ils
sont des hommes ! -Pause.

10, 2 Pourquoi, ô Éternel ! te tiens -tu éloigné ? Pourquoi te caches -tu au temps de la détresse ? Le mé-
3 chant dans son orgueil poursuit les malheureux, Ils sont victimes des trames qu 'il a conçues. Car le
4 méchant se glorifie de sa convoitise, Et le ravisseur outrage, méprise l'Éternel. Le méchant dit avec
5 arrogance : Il ne punit pas ! Il n'y a point de Dieu ! -Voilà toutes ses pensées. Ses voies réussissent en

tout temps ; Tes jugements sont trop élevés pour l'atteindre, Il souffle contre tous ses adversaires. Il 6
dit en son coeur : Je ne chancelle pas, Je suis pour toujours à l'abri du malheur ! Sa bouche est pleine 7
de malédictions, de tromperies et de fraudes ; Il y a sous sa langue de la malice et de l'iniquité. Il se 8
tient en embuscade près des villages, Il assassine l'innocent dans des lieux écartés ; Ses yeux épient le
malheureux. Il est aux aguets dans sa retraite, comme le lion dans sa tanière, Il est aux aguets pour 9
surprendre le malheureux ; Il le surprend et l'attire dans son filet. Il se courbe, il se baisse, Et les misé- 10
rables tombent dans ses griffes. Il dit en son coeur : Dieu oublie ! Il cache sa face, il ne regarde jamais ! 11
Lève -toi, Éternel ! ô Dieu, lève ta main ! N'oublie pas les malheureux ! Pourquoi le méchant méprise 12, 13
-t-il Dieu ? Pourquoi dit -il en son coeur : Tu ne punis pas ? Tu regardes cependant, car tu vois la peine 14
et la souffrance, Pour prendre en main leur cause ; C'est à toi que s'abandonne le malheureux, C'est toi
qui viens en aide à l'orphelin. Brise le bras du méchant, Punis ses iniquités, et qu'il disparaisse à tes 15
yeux ! L'Éternel est roi à toujours et à perpétuité ; Les nations sont exterminées de son pays. Tu en- 16, 17
tends les voeux de ceux qui souffrent, ô Éternel ! Tu affermis leur coeur ; tu prêtes l'oreille Pour rendre 18
justice à l'orphelin et à l'opprimé, Afin que l'homme tiré de la terre cesse d'inspirer l'effroi.

Au chef des chantres. De David. C'est en l'Éternel que je cherche un refuge. Comment pouvez- **11**
vous me dire : Fuis dans vos montagnes, comme un oiseau ? Car voici, les méchants bandent l'arc, 2
Ils ajustent leur flèche sur la corde, Pour tirer dans l'ombre sur ceux dont le coeur est droit. Quand 3
les fondements sont renversés, Le juste, que ferait -il ? - L'Éternel est dans son saint temple, L'Éternel 4
a son trône dans les cieux ; Ses yeux regardent, Ses paupières sondent les fils de l'homme. L'Éternel 5
sonde le juste ; Il hait le méchant et celui qui se plaît à la violence. Il fait pleuvoir sur les méchants 6
Des charbons, du feu et du soufre ; Un vent brûlant, c'est le calice qu'ils ont en partage. Car l'Éternel 7
est juste, il aime la justice ; Les hommes droits contemplent sa face.

Au chef des chantres. Sur la harpe à huit cordes. Psaume de David. Sauve, Éternel ! car les hommes **12**
pieux s'en vont, Les fidèles disparaissent parmi les fils de l'homme. On se dit des faussetés les uns 2
aux autres, On a sur les lèvres des choses flatteuses, On parle avec un coeur double. Que l'Éternel 3
extermine toutes les lèvres flatteuses, La langue qui discourt avec arrogance, Ceux qui disent : Nous 4
sommes puissants par notre langue, Nous avons nos lèvres avec nous ; Qui serait notre maître ? - Parce 5
que les malheureux sont opprimés et que les pauvres gémissent, Maintenant, dit l'Éternel, je me lève,
J'apporte le salut à ceux contre qui l'on souffle. Les paroles de l'Éternel sont des paroles pures, Un 6
argent éprouvé sur terre au creuset, Et sept fois épuré. Toi, Éternel ! tu les garderas, Tu les préserveras 7
de cette race à jamais. Les méchants se promènent de toutes parts, Quand la bassesse règne parmi les 8
fils de l'homme.

Au chef des chantres. Psaume de David. Jusques à quand, Éternel ! m'oublieras -tu sans cesse ? **13**
Jusques à quand me cacheras -tu ta face ? Jusques à quand aurai-je des soucis dans mon âme, Et 2
chaque jour des chagrins dans mon coeur ? Jusques à quand mon ennemi s'élèvera -t-il contre moi ?
Regarde, réponds -moi, Éternel, mon Dieu ! Donne à mes yeux la clarté, Afin que je ne m'endorme pas 3
du sommeil de la mort, Afin que mon ennemi ne dise pas : Je l'ai vaincu ! Et que mes adversaires ne se 4
réjouissent pas, si je chancelle. Moi, j'ai confiance en ta bonté, J'ai de l'allégresse dans le coeur, à cause 5
de ton salut ; Je chante à l'Éternel, car il m'a fait du bien. 6

Au chef des chantres. De David. L'insensé dit en son coeur : Il n'y a point de Dieu ! Ils se sont **14**
corrompus, ils ont commis des actions abominables ; Il n'en est aucun qui fasse le bien. L'Éternel, du 2
haut des cieux, regarde les fils de l'homme, Pour voir s'il y a quelqu'un qui soit intelligent, Qui cherche
Dieu. Tous sont égarés, tous sont pervertis ; Il n'en est aucun qui fasse le bien, Pas même un seul. 3
Tous ceux qui commettent l'iniquité ont-ils perdu le sens ? Ils dévorent mon peuple, ils le prennent pour 4
nourriture ; Ils n'invoquent point l'Éternel. C'est alors qu'ils trembleront d'épouvante, Quand Dieu 5
paraîtra au milieu de la race juste. Jetez l'opprobre sur l'espérance du malheureux... L'Éternel est son 6
refuge. Oh ! qui fera partir de Sion la délivrance d'Israël ? Quand l'Éternel ramènera les captifs de son 7
peuple, Jacob sera dans l'allégresse, Israël se réjouira.

Psaume de David. O Éternel ! qui séjournera dans ta tente ? Qui demeurera sur ta montagne sainte ? **15**
- Celui qui marche dans l'intégrité, qui pratique la justice Et qui dit la vérité selon son coeur. Il ne 2, 3
calomnie point avec sa langue, Il ne fait point de mal à son semblable, Et il ne jette point l'opprobre
sur son prochain. Il regarde avec dédain celui qui est méprisable, Mais il honore ceux qui craignent 4
l'Éternel ; Il ne se rétracte point, s'il fait un serment à son préjudice. Il n'exige point d'intérêt de son 5
argent, Et il n'accepte point de don contre l'innocent. Celui qui se conduit ainsi ne chancelle jamais.

Hymne de David. Garde -moi, ô Dieu ! car je cherche en toi mon refuge. Je dis à l'Éternel : Tu es mon **16**, 2
Seigneur, Tu es mon souverain bien ! Les saints qui sont dans le pays, Les hommes pieux sont l'objet 3

de toute mon affection. On multiplie les idoles, on court après les dieux étrangers : Je ne répands pas
leurs libations de sang, Je ne mets pas leurs noms sur mes lèvres. L'Éternel est mon partage et mon
calice ; C'est toi qui m'assures mon lot ; Un héritage délicieux m'est échu, Une belle possession m'est
accordée. Je bénis l'Éternel, mon conseiller ; La nuit même mon coeur m'exhorte. J'ai constamment
l'Éternel sous mes yeux ; Quand il est à ma droite, je ne chancelle pas. Aussi mon coeur est dans la
joie, mon esprit dans l'allégresse, Et mon corps repose en sécurité. Car tu ne livreras pas mon âme au
séjour des morts, Tu ne permettras pas que ton bien-aimé voie la corruption. Tu me feras connaître le
sentier de la vie ; Il y a d'abondantes joies devant ta face, Des délices éternelles à ta droite.

17 Prière de David. Éternel ! écoute la droiture, sois attentif à mes cris, Prête l'oreille à ma prière faite
avec des lèvres sans tromperie ! Que ma justice paraisse devant ta face, Que tes yeux contemplent mon
intégrité ! Si tu sondes mon coeur, si tu le visites la nuit, Si tu m'éprouves, tu ne trouveras rien : Ma
pensée n'est pas autre que ce qui sort de ma bouche. À la vue des actions des hommes, fidèle à la parole
de tes lèvres, Je me tiens en garde contre la voie des violents ; Mes pas sont fermes dans tes sentiers,
Mes pieds ne chancellent point. Je t'invoque, car tu m'exauces, ô Dieu ! Incline vers moi ton oreille,
écoute ma parole ! Signale ta bonté, toi qui sauves ceux qui cherchent un refuge, Et qui par ta droite
les délivres de leurs adversaires ! Garde -moi comme la prunelle de l'oeil ; Protège -moi, à l'ombre de
tes ailes, Contre les méchants qui me persécutent, Contre mes ennemis acharnés qui m'enveloppent.
Ils ferment leurs entrailles, Ils ont à la bouche des paroles hautaines. Ils sont sur nos pas, déjà ils
nous entourent, Ils nous épient pour nous terrasser. On dirait un lion avide de déchirer, Un lionceau
aux aguets dans son repaire. Lève -toi, Éternel, marche à sa rencontre, renverse -le ! Délivre -moi du
méchant par ton glaive ! Délivre-moi des hommes par ta main, Éternel, des hommes de ce monde ! Leur
part est dans la vie, Et tu remplis leur ventre de tes biens ; Leurs enfants sont rassasiés, Et ils laissent
leur superflu à leurs petits-enfants. Pour moi, dans mon innocence, je verrai ta face ; Dès le réveil, je
me rassasierai de ton image.

18 Au chef des chantres. Du serviteur de l'Éternel, de David, qui adressa à l'Éternel les paroles de ce
cantique, lorsque l'Éternel l'eut délivré de la main de tous ses ennemis et de la main de Saül. Il dit :
Je t'aime, ô Éternel, ma force ! Éternel, mon rocher, ma forteresse, mon libérateur ! Mon Dieu, mon
rocher, où je trouve un abri ! Mon bouclier, la force qui me sauve, ma haute retraite ! Je m'écrie : Loué
soit l'Éternel ! Et je suis délivré de mes ennemis. Les liens de la mort m'avaient environné, Et les
torrents de la destruction m'avaient épouvanté ; Les liens du sépulcre m'avaient entouré, Les filets de
la mort m'avaient surpris. Dans ma détresse, j'ai invoqué l'Éternel, J'ai crié à mon Dieu ; De son palais,
il a entendu ma voix, Et mon cri est parvenu devant lui à ses oreilles. La terre fut ébranlée et trembla,
Les fondements des montagnes frémirent, Et ils furent ébranlés, parce qu'il était irrité. Il s'élevait
de la fumée dans ses narines, Et un feu dévorant sortait de sa bouche : Il en jaillissait des charbons
embrasés. Il abaissa les cieux, et il descendit : Il y avait une épaisse nuée sous ses pieds. Il était
monté sur un chérubin, et il volait, Il planait sur les ailes du vent. Il faisait des ténèbres sa retraite,
sa tente autour de lui, Il était enveloppé des eaux obscures et de sombres nuages. De la splendeur qui
le précédait s'échappaient les nuées, Lançant de la grêle et des charbons de feu. L'Éternel tonna dans
les cieux, Le Très-Haut fit retentir sa voix, Avec la grêle et les charbons de feu. Il lança ses flèches et
dispersa mes ennemis, Il multiplia les coups de la foudre et les mit en déroute. Le lit des eaux apparut,
Les fondements du monde furent découverts, Par ta menace, ô Éternel ! Par le bruit du souffle de tes
narines. Il étendit sa main d'en haut, il me saisit, Il me retira des grandes eaux ; Il me délivra de
mon adversaire puissant, De mes ennemis qui étaient plus forts que moi. Ils m'avaient surpris au jour
de ma détresse ; Mais l'Éternel fut mon appui. Il m'a mis au large, Il m'a sauvé, parce qu'il m'aime.
L'Éternel m'a traité selon ma droiture, Il m'a rendu selon la pureté de mes mains ; Car j'ai observé
les voies de l'Éternel, Et je n'ai point été coupable envers mon Dieu. Toutes ses ordonnances ont été
devant moi, Et je ne me suis point écarté de ses lois. J'ai été sans reproche envers lui, Et je me suis
tenu en garde contre mon iniquité. Aussi l'Éternel m'a rendu selon ma droiture, Selon la pureté de
mes mains devant ses yeux. Avec celui qui est bon tu te montres bon, Avec l'homme droit tu agis selon
la droiture, Avec celui qui est pur tu te montres pur, Et avec le pervers tu agis selon sa perversité. Tu
sauves le peuple qui s'humilie, Et tu abaisses les regards hautains. Oui, tu fais briller ma lumière ;
L'Éternel, mon Dieu, éclaire mes ténèbres. Avec toi je me précipite sur une troupe en armes, Avec mon
Dieu je franchis une muraille. Les voies de Dieu sont parfaites, La parole de l'Éternel est éprouvée ;
Il est un bouclier pour tous ceux qui se confient en lui. Car qui est Dieu, si ce n'est l'Éternel ; Et qui
est un rocher, si ce n'est notre Dieu ? C'est Dieu qui me ceint de force, Et qui me conduit dans la voie

droite. Il rend mes pieds semblables à ceux des biches, Et il me place sur mes lieux élevés. Il exerce 33, 34
mes mains au combat, Et mes bras tendent l'arc d'airain. Tu me donnes le bouclier de ton salut, Ta 35
droite me soutient, Et je deviens grand par ta bonté. Tu élargis le chemin sous mes pas, Et mes pieds 36
ne chancellent point. Je poursuis mes ennemis, je les atteins, Et je ne reviens pas avant de les avoir 37
anéantis. Je les brise, et ils ne peuvent se relever ; Ils tombent sous mes pieds. Tu me ceins de force 38, 39
pour le combat, Tu fais plier sous moi mes adversaires. Tu fais tourner le dos à mes ennemis devant 40
moi, Et j'extermine ceux qui me haïssent. Ils crient, et personne pour les sauver ! Ils crient à l'Éternel, 41
et il ne leur répond pas ! Je les broie comme la poussière qu'emporte le vent, Je les foule comme la boue 42
des rues. Tu me délivres des dissensions du peuple ; Tu me mets à la tête des nations ; Un peuple que 43
je ne connaissais pas m'est asservi. Ils m'obéissent au premier ordre, Les fils de l'étranger me flattent ; 44
Les fils de l'étranger sont en défaillance, Ils tremblent hors de leurs forteresses. Vive l'Éternel, et béni 45, 46
soit mon rocher ! Que le Dieu de mon salut soit exalté, Le Dieu qui est mon vengeur, Qui m'assujettit 47
les peuples, Qui me délivre de mes ennemis ! Tu m'élèves au-dessus de mes adversaires, Tu me sauves 48
de l'homme violent. C'est pourquoi je te louerai parmi les nations, ô Éternel ! Et je chanterai à la gloire 49
de ton nom. Il accorde de grandes délivrances à son roi, Et il fait miséricorde à son oint, À David, et à 50
sa postérité, pour toujours.

Au chef des chantres. Psaume de David. Les cieux racontent la gloire de Dieu, Et l'étendue manifeste **19**
l'oeuvre de ses mains. Le jour en instruit un autre jour, La nuit en donne connaissance à une autre 2
nuit. Ce n'est pas un langage, ce ne sont pas des paroles Dont le son ne soit point entendu : Leur 3, 4
retentissement parcourt toute la terre, Leurs accents vont aux extrémités du monde, Où il a dressé
une tente pour le soleil. Et le soleil, semblable à un époux qui sort de sa chambre, S'élance dans la 5
carrière avec la joie d'un héros ; Il se lève à une extrémité des cieux, Et achève sa course à l'autre 6
extrémité : Rien ne se dérobe à sa chaleur. La loi de l'Éternel est parfaite, elle restaure l'âme ; Le 7
témoignage de l'Éternel est véritable, il rend sage l'ignorant. Les ordonnances de l'Éternel sont droites, 8
elles réjouissent le coeur ; Les commandements de l'Éternel sont purs, ils éclairent les yeux. La crainte 9
de l'Éternel est pure, elle subsiste à toujours ; Les jugements de l'Éternel sont vrais, ils sont tous justes.
Ils sont plus précieux que l'or, que beaucoup d'or fin ; Ils sont plus doux que le miel, que celui qui 10
coule des rayons. Ton serviteur aussi en reçoit instruction ; Pour qui les observe la récompense est 11
grande. Qui connaît ses égarements ? Pardonne -moi ceux que j'ignore. Préserve aussi ton serviteur 12, 13
des orgueilleux ; Qu'ils ne dominent point sur moi ! Alors je serai intègre, innocent de grands péchés.
Reçois favorablement les paroles de ma bouche Et les sentiments de mon coeur, O Éternel, mon rocher 14
et mon libérateur !

Au chef des chantres. Psaume de David. Que l'Éternel t'exauce au jour de la détresse, Que le nom du **20**
Dieu de Jacob te protège ! Que du sanctuaire il t'envoie du secours, Que de Sion il te soutienne ! Qu'il 2, 3
se souvienne de toutes tes offrandes, Et qu'il agrée tes holocaustes ! -Pause. Qu'il te donne ce que ton 4
coeur désire, Et qu'il accomplisse tous tes desseins ! Nous nous réjouirons de ton salut, Nous lèverons 5
l'étendard au nom de notre Dieu ; L'Éternel exaucera tous tes voeux. Je sais déjà que l'Éternel sauve 6
son oint ; Il l'exaucera des cieux, de sa sainte demeure, Par le secours puissant de sa droite. Ceux-ci 7
s'appuient sur leurs chars, ceux-là sur leurs chevaux ; Nous, nous invoquons le nom de l'Éternel, notre
Dieu. Eux, ils plient, et ils tombent ; Nous, nous tenons ferme, et restons debout. Éternel, sauve le 8, 9
roi ! Qu'il nous exauce, quand nous l'invoquons !

Au chef des chantres. Psaume de David. Éternel ! le roi se réjouit de ta protection puissante. Oh ! **21**
comme ton secours le remplit d'allégresse ! Tu lui as donné ce que désirait son coeur, Et tu n'as pas 2
refusé ce que demandaient ses lèvres. -Pause. Car tu l'as prévenu par les bénédictions de ta grâce, Tu 3
as mis sur sa tête une couronne d'or pur. Il te demandait la vie, tu la lui as donnée, Une vie longue 4
pour toujours et à perpétuité. Sa gloire est grande à cause de ton secours ; Tu places sur lui l'éclat et la 5
magnificence. Tu le rends à jamais un objet de bénédictions, Tu le combles de joie devant ta face. Le 6, 7
roi se confie en l'Éternel ; Et, par la bonté du Très-Haut, il ne chancelle pas. Ta main trouvera tous tes 8
ennemis, Ta droite trouvera ceux qui te haïssent. Tu les rendras tels qu'une fournaise ardente, Le jour 9
où tu te montreras ; L'Éternel les anéantira dans sa colère, Et le feu les dévorera. Tu feras disparaître 10
leur postérité de la terre, Et leur race du milieu des fils de l'homme. Ils ont projeté du mal contre toi, 11
Ils ont conçu de mauvais desseins, mais ils seront impuissants. Car tu leur feras tourner le dos, Et 12
avec ton arc tu tireras sur eux. Lève -toi, Éternel, avec ta force ! Nous voulons chanter, célébrer ta 13
puissance.

Au chef des chantres. Sur <Biche de l'aurore». Psaume de David. Mon Dieu ! mon Dieu ! pourquoi **22**
m'as-tu abandonné, Et t'éloignes -tu sans me secourir, sans écouter mes plaintes ? Mon Dieu ! je crie le 2
jour, et tu ne réponds pas ; La nuit, et je n'ai point de repos. Pourtant tu es le Saint, Tu sièges au milieu 3

4, 5 des louanges d'Israël. En toi se confiaient nos pères ; Ils se confiaient, et tu les délivrais. Ils criaient à
6 toi, et ils étaient sauvés ; Ils se confiaient en toi, et ils n'étaient point confus. Et moi, je suis un ver et
7 non un homme, L'opprobre des hommes et le méprisé du peuple. Tous ceux qui me voient se moquent
8 de moi, Ils ouvrent la bouche, secouent la tête : Recommande -toi à l'Éternel ! L'Éternel le sauvera, Il
9 le délivrera, puisqu'il l'aime ! - Oui, tu m'as fait sortir du sein maternel, Tu m'as mis en sûreté sur
10 les mamelles de ma mère ; Dès le sein maternel j'ai été sous ta garde, Dès le ventre de ma mère tu
11 as été mon Dieu. Ne t'éloigne pas de moi quand la détresse est proche, Quand personne ne vient à
12, 13 mon secours ! De nombreux taureaux sont autour de moi, Des taureaux de Basan m'environnent. Ils
14 ouvrent contre moi leur gueule, Semblables au lion qui déchire et rugit. Je suis comme de l'eau qui
s'écoule, Et tous mes os se séparent ; Mon coeur est comme de la cire, Il se fond dans mes entrailles.
15 Ma force se dessèche comme l'argile, Et ma langue s'attache à mon palais ; Tu me réduis à la poussière
16 de la mort. Car des chiens m'environnent, Une bande de scélérats rôdent autour de moi, Ils ont percé
17, 18 mes mains et mes pieds. Je pourrais compter tous mes os. Eux, ils observent, ils me regardent ; Ils
19 se partagent mes vêtements, Ils tirent au sort ma tunique. Et toi, Éternel, ne t'éloigne pas ! Toi qui
20 es ma force, viens en hâte à mon secours ! Protège mon âme contre le glaive, Ma vie contre le pouvoir
21, 22 des chiens ! Sauve-moi de la gueule du lion, Délivre -moi des cornes du buffle ! Je publierai ton nom
23 parmi mes frères, Je te célébrerai au milieu de l'assemblée. Vous qui craignez l'Éternel, louez -le ! Vous
24 tous, postérité de Jacob, glorifiez -le ! Tremblez devant lui, vous tous, postérité d'Israël ! Car il n'a ni
mépris ni dédain pour les peines du misérable, Et il ne lui cache point sa face ; Mais il l'écoute quand
25 il crie à lui. Tu seras dans la grande assemblée l'objet de mes louanges ; J'accomplirai mes voeux en
26 présence de ceux qui te craignent. Les malheureux mangeront et se rassasieront, Ceux qui cherchent
27 l'Éternel le célébreront. Que votre coeur vive à toujours ! Toutes les extrémités de la terre penseront à
28 l'Éternel et se tourneront vers lui ; Toutes les familles des nations se prosterneront devant ta face. Car
29 à l'Éternel appartient le règne : Il domine sur les nations. Tous les puissants de la terre mangeront et
se prosterneront aussi ; Devant lui s'inclineront tous ceux qui descendent dans la poussière, Ceux qui
30 ne peuvent conserver leur vie. La postérité le servira ; On parlera du Seigneur à la génération future.
31 Quand elle viendra, elle annoncera sa justice, Elle annoncera son oeuvre au peuple nouveau-né.

23, 2 Cantique de David. L'Éternel est mon berger : je ne manquerai de rien. Il me fait reposer dans
3 de verts pâturages, Il me dirige près des eaux paisibles. Il restaure mon âme, Il me conduit dans les
4 sentiers de la justice, À cause de son nom. Quand je marche dans la vallée de l'ombre de la mort, Je ne
5 crains aucun mal, car tu es avec moi : Ta houlette et ton bâton me rassurent. Tu dresses devant moi
6 une table, En face de mes adversaires ; Tu oins d'huile ma tête, Et ma coupe déborde. Oui, le bonheur et
la grâce m'accompagneront Tous les jours de ma vie, Et j'habiterai dans la maison de l'Éternel Jusqu'à
la fin de mes jours.

24, 2 Psaume de David. À l'Éternel la terre et ce qu'elle renferme, Le monde et ceux qui l'habitent ! Car
3 il l'a fondée sur les mers, Et affermie sur les fleuves. Qui pourra monter à la montagne de l'Éternel ?
4 Qui s'élèvera jusqu'à son lieu saint ? - Celui qui a les mains innocentes et le coeur pur ; Celui qui
5 ne livre pas son âme au mensonge, Et qui ne jure pas pour tromper. Il obtiendra la bénédiction de
6 l'Éternel, La miséricorde du Dieu de son salut. Voilà le partage de la génération qui l'invoque, De ceux
7 qui cherchent ta face, de Jacob ! -Pause. Portes, élevez vos linteaux ; Élevez -vous, portes éternelles !
8 Que le roi de gloire fasse son entrée ! - Qui est ce roi de gloire ? -L'Éternel fort et puissant, L'Éternel
9 puissant dans les combats. Portes, élevez vos linteaux ; Élevez -les, portes éternelles ! Que le roi de
10 gloire fasse son entrée ! - Qui donc est ce roi de gloire ? -L'Éternel des armées : Voilà le roi de gloire !
-Pause.

25, 2 De David. Éternel ! j'élève à toi mon âme. Mon Dieu ! en toi je me confie : que je ne sois pas couvert
3 de honte ! Que mes ennemis ne se réjouissent pas à mon sujet ! Tous ceux qui espèrent en toi ne seront
4 point confondus ; Ceux-là seront confondus qui sont infidèles sans cause. Éternel ! fais-moi connaître
5 tes voies, Enseigne -moi tes sentiers. Conduis -moi dans ta vérité, et instruis -moi ; Car tu es le Dieu de
6 mon salut, Tu es toujours mon espérance. Éternel ! souviens -toi de ta miséricorde et de ta bonté ; Car
7 elles sont éternelles. Ne te souviens pas des fautes de ma jeunesse ni de mes transgressions ; Souviens -
8 toi de moi selon ta miséricorde, À cause de ta bonté, ô Éternel ! L'Éternel est bon et droit : C'est pourquoi
9 il montre aux pécheurs la voie. Il conduit les humbles dans la justice, Il enseigne aux humbles sa voie.
10 Tous les sentiers de l'Éternel sont miséricorde et fidélité, Pour ceux qui gardent son alliance et ses
11 commandements. C'est à cause de ton nom, ô Éternel ! Que tu pardonneras mon iniquité, car elle est
12, 13 grande. Quel est l'homme qui craint l'Éternel ? L'Éternel lui montre la voie qu'il doit choisir. Son âme

reposera dans le bonheur, Et sa postérité possédera le pays. L'amitié de l'Éternel est pour ceux qui le 14
craignent, Et son alliance leur donne instruction. Je tourne constamment les yeux vers l'Éternel, Car 15
il fera sortir mes pieds du filet. Regarde -moi et aie pitié de moi, Car je suis abandonné et malheureux. 16
Les angoisses de mon coeur augmentent ; Tire -moi de ma détresse. Vois ma misère et ma peine, Et 17, 18
pardonne tous mes péchés. Vois combien mes ennemis sont nombreux, Et de quelle haine violente ils 19
me poursuivent. Garde mon âme et sauve -moi ! Que je ne sois pas confus, Quand je cherche auprès de 20
toi mon refuge ! Que l'innocence et la droiture me protègent, Quand je mets en toi mon espérance ! O 21, 22
Dieu ! délivre Israël De toutes ses détresses !

De David. Rends-moi justice, Éternel ! car je marche dans l'intégrité, Je me confie en l'Éternel, je ne **26**
chancelle pas. Sonde -moi, Éternel ! éprouve -moi, Fais passer au creuset mes reins et mon coeur ; Car 2, 3
ta grâce est devant mes yeux, Et je marche dans ta vérité. Je ne m'assieds pas avec les hommes faux, 4
Je ne vais pas avec les gens dissimulés ; Je hais l'assemblée de ceux qui font le mal, Je ne m'assieds pas 5
avec les méchants. Je lave mes mains dans l'innocence, Et je vais autour de ton autel, ô Éternel ! Pour 6, 7
éclater en actions de grâces, Et raconter toutes tes merveilles. Éternel ! j'aime le séjour de ta maison, 8
Le lieu où ta gloire habite. N'enlève pas mon âme avec les pécheurs, Ma vie avec les hommes de sang, 9
Dont les mains sont criminelles Et la droite pleine de présents ! Moi, je marche dans l'intégrité ; Délivre 10, 11
-moi et aie pitié de moi ! Mon pied est ferme dans la droiture : Je bénirai l'Éternel dans les assemblées. 12

De David. L'Éternel est ma lumière et mon salut : De qui aurais-je crainte ? L'Éternel est le soutien **27**
de ma vie : De qui aurais-je peur ? Quand des méchants s'avancent contre moi, Pour dévorer ma chair, 2
Ce sont mes persécuteurs et mes ennemis Qui chancellent et tombent. Si une armée se campait contre 3
moi, Mon coeur n'aurait aucune crainte ; Si une guerre s'élevait contre moi, Je serais malgré cela plein
de confiance. Je demande à l'Éternel une chose, que je désire ardemment : Je voudrais habiter toute 4
ma vie dans la maison de l'Éternel, Pour contempler la magnificence de l'Éternel Et pour admirer son
temple. Car il me protégera dans son tabernacle au jour du malheur, Il me cachera sous l'abri de sa 5
tente ; Il m'élèvera sur un rocher. Et déjà ma tête s'élève sur mes ennemis qui m'entourent ; J'offrirai 6
des sacrifices dans sa tente, au son de la trompette ; Je chanterai, je célébrerai l'Éternel. Éternel ! 7
écoute ma voix, je t'invoque : Aie pitié de moi et exauce -moi ! Mon coeur dit de ta part : Cherchez 8
ma face ! Je cherche ta face, ô Éternel ! Ne me cache point ta face, Ne repousse pas avec colère ton 9
serviteur ! Tu es mon secours, ne me laisse pas, ne m'abandonne pas, Dieu de mon salut ! Car mon père 10
et ma mère m'abandonnent, Mais l'Éternel me recueillera. Éternel ! enseigne -moi ta voie, Conduis 11
-moi dans le sentier de la droiture, À cause de mes ennemis. Ne me livre pas au bon plaisir de mes 12
adversaires, Car il s'élève contre moi de faux témoins Et des gens qui ne respirent que la violence. Oh ! 13
si je n'étais pas sûr de voir la bonté de l'Éternel Sur la terre des vivants !... Espère en l'Éternel ! Fortifie 14
-toi et que ton coeur s'affermisse ! Espère en l'Éternel !

De David. Éternel ! c'est à toi que je crie. Mon rocher ! ne reste pas sourd à ma voix, De peur que, si tu **28**
t'éloignes sans me répondre, Je ne sois semblable à ceux qui descendent dans la fosse. Écoute la voix de 2
mes supplications, quand je crie à toi, Quand j'élève mes mains vers ton sanctuaire. Ne m'emporte pas 3
avec les méchants et les hommes iniques, Qui parlent de paix à leur prochain et qui ont la malice dans
le coeur. Rends -leur selon leurs oeuvres et selon la malice de leurs actions, Rends -leur selon l'ouvrage 4
de leurs mains ; Donne -leur le salaire qu'ils méritent. Car ils ne sont pas attentifs aux oeuvres de 5
l'Éternel, À l'ouvrage de ses mains. Qu'il les renverse et ne les relève point ! Béni soit l'Éternel ! Car il 6
exauce la voix de mes supplications. L'Éternel est ma force et mon bouclier ; En lui mon coeur se confie, 7
et je suis secouru ; J'ai de l'allégresse dans le coeur, Et je le loue par mes chants. L'Éternel est la force 8
de son peuple, Il est le rocher des délivrances de son oint. Sauve ton peuple et bénis ton héritage ! Sois 9
leur berger et leur soutien pour toujours !

Psaume de David. Fils de Dieu, rendez à l'Éternel, Rendez à l'Éternel gloire et honneur ! Rendez à **29**, 2
l'Éternel gloire pour son nom ! Prosternez -vous devant l'Éternel avec des ornements sacrés ! La voix de 3
l'Éternel retentit sur les eaux, Le Dieu de gloire fait gronder le tonnerre ; L'Éternel est sur les grandes
eaux. La voix de l'Éternel est puissante, La voix de l'Éternel est majestueuse. La voix de l'Éternel 4, 5
brise les cèdres ; L'Éternel brise les cèdres du Liban, Il les fait bondir comme des veaux, Et le Liban 6
et le Sirion comme de jeunes buffles. La voix de l'Éternel fait jaillir des flammes de feu. La voix de 7, 8
l'Éternel fait trembler le désert ; L'Éternel fait trembler le désert de Kadès. La voix de l'Éternel fait 9
enfanter les biches, Elle dépouille les forêts. Dans son palais tout s'écrie : Gloire ! L'Éternel était sur 10
son trône lors du déluge ; L'Éternel sur son trône règne éternellement. L'Éternel donne la force à son 11

peuple ; L'Éternel bénit son peuple et le rend heureux.

30 Psaume. Cantique pour la dédicace de la maison. De David. Je t'exalte, ô Éternel, car tu m'as relevé,
2 Tu n'as pas voulu que mes ennemis se réjouissent à mon sujet. Éternel, mon Dieu ! J'ai crié à toi, et
3 tu m'as guéri. Éternel ! tu as fait remonter mon âme du séjour des morts, Tu m'as fait revivre loin de
4 ceux qui descendent dans la fosse. Chantez à l'Éternel, vous qui l'aimez, Célébrez par vos louanges sa
5 sainteté ! Car sa colère dure un instant, Mais sa grâce toute la vie ; Le soir arrivent les pleurs, Et le
6, 7 matin l'allégresse. Je disais dans ma sécurité : Je ne chancellerai jamais ! Éternel ! par ta grâce tu
8 avais affermi ma montagne... Tu cachas ta face, et je fus troublé. Éternel ! j'ai crié à toi, J'ai imploré
9 l'Éternel : Que gagnes -tu à verser mon sang, À me faire descendre dans la fosse ? La poussière a-t-elle
10 pour toi des louanges ? Raconte -t-elle ta fidélité ? Écoute, Éternel, aie pitié de moi ! Éternel, secours
11 -moi ! - Et tu as changé mes lamentations en allégresse, Tu as délié mon sac, et tu m'as ceint de joie,
12 Afin que mon coeur te chante et ne soit pas muet. Éternel, mon Dieu ! je te louerai toujours.

31 Au chef des chantres. Psaume de David. Éternel ! je cherche en toi mon refuge : Que jamais je ne
2 sois confondu ! Délivre -moi dans ta justice ! Incline vers moi ton oreille, hâte -toi de me secourir !
3 Sois pour moi un rocher protecteur, une forteresse, Où je trouve mon salut ! Car tu es mon rocher, ma
4 forteresse ; Et à cause de ton nom tu me conduiras, tu me dirigeras. Tu me feras sortir du filet qu
5 'ils m'ont tendu ; Car tu es mon protecteur. Je remets mon esprit entre tes mains ; Tu me délivreras,
6 Éternel, Dieu de vérité ! Je hais ceux qui s'attachent à de vaines idoles, Et je me confie en l'Éternel.
7 Je serai par ta grâce dans l'allégresse et dans la joie ; Car tu vois ma misère, tu sais les angoisses
8, 9 de mon âme, Et tu ne me livreras pas aux mains de l'ennemi, Tu mettras mes pieds au large. Aie
pitié de moi, Éternel ! car je suis dans la détresse ; J'ai le visage, l'âme et le corps usés par le chagrin.
10 Ma vie se consume dans la douleur, Et mes années dans les soupirs ; Ma force est épuisée à cause de
11 mon iniquité, Et mes os dépérissent. Tous mes adversaires m'ont rendu un objet d'opprobre, De grand
opprobre pour mes voisins, et de terreur pour mes amis ; Ceux qui me voient dehors s'enfuient loin de
12, 13 moi. Je suis oublié des coeurs comme un mort, Je suis comme un vase brisé. J'apprends les mauvais
propos de plusieurs, L'épouvante qui règne à l'entour, Quand ils se concertent ensemble contre moi :
14, 15 Ils complotent de m'ôter la vie. Mais en toi je me confie, ô Éternel ! Je dis : Tu es mon Dieu ! Mes
16 destinées sont dans ta main ; Délivre -moi de mes ennemis et de mes persécuteurs ! Fais luire ta face
17 sur ton serviteur, Sauve -moi par ta grâce ! Éternel, que je ne sois pas confondu quand je t'invoque. Que
18 les méchants soient confondus, Qu'ils descendent en silence au séjour des morts ! Qu'elles deviennent
19 muettes, les lèvres menteuses, Qui parlent avec audace contre le juste, Avec arrogance et dédain ! Oh !
combien est grande ta bonté, Que tu tiens en réserve pour ceux qui te craignent, Que tu témoignes à
20 ceux qui cherchent en toi leur refuge, À la vue des fils de l'homme ! Tu les protèges sous l'abri de ta
face contre ceux qui les persécutent, Tu les protèges dans ta tente contre les langues qui les attaquent.
21, 22 Béni soit l'Éternel ! Car il a signalé sa grâce envers moi, Comme si j'avais été dans une ville forte. Je
disais dans ma précipitation : Je suis chassé loin de ton regard ! Mais tu as entendu la voix de mes
23 supplications, Quand j'ai crié vers toi. Aimez l'Éternel, vous qui avez de la piété ! L'Éternel garde les
24 fidèles, Et il punit sévèrement les orgueilleux. Fortifiez -vous et que votre coeur s'affermisse, Vous tous
qui espérez en l'Éternel !

32 De David. Cantique. Heureux celui à qui la transgression est remise, À qui le péché est pardonné !
2 Heureux l'homme à qui l'Éternel n'impute pas d'iniquité, Et dans l'esprit duquel il n'y a point de fraude !
3, 4 Tant que je me suis tu, mes os se consumaient, Je gémissais toute la journée ; Car nuit et jour ta main
5 s'appesantissait sur moi, Ma vigueur n'était plus que sécheresse, comme celle de l'été. -Pause. Je t'ai
fait connaître mon péché, je n'ai pas caché mon iniquité ; J'ai dit : J'avouerai mes transgressions à
6 l'Éternel ! Et tu as effacé la peine de mon péché. -Pause. Qu'ainsi tout homme pieux te prie au temps
7 convenable ! Si de grandes eaux débordent, elles ne l'atteindront nullement. Tu es un asile pour moi,
8 tu me garantis de la détresse, Tu m'entoures de chants de délivrance. -Pause. Je t'instruirai et te
9 montrerai la voie que tu dois suivre ; Je te conseillerai, j'aurai le regard sur toi. Ne soyez pas comme
un cheval ou un mulet sans intelligence ; On les bride avec un frein et un mors, dont on les pare, Afin
10 qu'ils ne s'approchent point de toi. Beaucoup de douleurs sont la part du méchant, Mais celui qui
11 se confie en l'Éternel est environné de sa grâce. Justes, réjouissez -vous en l'Éternel et soyez dans
l'allégresse ! Poussez des cris de joie, vous tous qui êtes droits de coeur !

33, 2 Justes, réjouissez -vous en l'Éternel ! La louange sied aux hommes droits. Célébrez l'Éternel avec
3 la harpe, Célébrez -le sur le luth à dix cordes. Chantez -lui un cantique nouveau ! Faites retentir vos
4 instruments et vos voix ! Car la parole de l'Éternel est droite, Et toutes ses oeuvres s'accomplissent

avec fidélité ; Il aime la justice et la droiture ; La bonté de l'Éternel remplit la terre. Les cieux ont 5, 6
été faits par la parole de l'Éternel, Et toute leur armée par le souffle de sa bouche. Il amoncelle en 7
un tas les eaux de la mer, Il met dans des réservoirs les abîmes. Que toute la terre craigne l'Éternel ! 8
Que tous les habitants du monde tremblent devant lui ! Car il dit, et la chose arrive ; Il ordonne, et elle 9
existe. L'Éternel renverse les desseins des nations, Il anéantit les projets des peuples ; Les desseins de 10, 11
l'Éternel subsistent à toujours, Et les projets de son coeur, de génération en génération. Heureuse la 12
nation dont l'Éternel est le Dieu ! Heureux le peuple qu'il choisit pour son héritage ! L'Éternel regarde 13
du haut des cieux, Il voit tous les fils de l'homme ; Du lieu de sa demeure il observe Tous les habitants 14
de la terre, Lui qui forme leur coeur à tous, Qui est attentif à toutes leurs actions. Ce n'est pas 15, 16
une grande armée qui sauve le roi, Ce n'est pas une grande force qui délivre le héros ; Le cheval 17
est impuissant pour assurer le salut, Et toute sa vigueur ne donne pas la délivrance. Voici, l'oeil de 18
l'Éternel est sur ceux qui le craignent, Sur ceux qui espèrent en sa bonté, Afin d'arracher leur âme à la 19
mort Et de les faire vivre au milieu de la famine. Notre âme espère en l'Éternel ; Il est notre secours et 20
notre bouclier. Car notre coeur met en lui sa joie, Car nous avons confiance en son saint nom. Éternel ! 21, 22
que ta grâce soit sur nous, Comme nous espérons en toi !

De David. Lorsqu'il contrefit l'insensé en présence d'Abimélec, et qu'il s'en alla chassé par lui. Je **34**
bénirai l'Éternel en tout temps ; Sa louange sera toujours dans ma bouche. Que mon âme se glorifie en 2
l'Éternel ! Que les malheureux écoutent et se réjouissent ! Exaltez avec moi l'Éternel ! Célébrons tous 3
son nom ! J'ai cherché l'Éternel, et il m'a répondu ; Il m'a délivré de toutes mes frayeurs. Quand on 4, 5
tourne vers lui les regards, on est rayonnant de joie, Et le visage ne se couvre pas de honte. Quand 6
un malheureux crie, l'Éternel entend, Et il le sauve de toutes ses détresses. L'ange de l'Éternel campe 7
autour de ceux qui le craignent, Et il les arrache au danger. Sentez et voyez combien l'Éternel est 8
bon ! Heureux l'homme qui cherche en lui son refuge ! Craignez l'Éternel, vous ses saints ! Car rien ne 9
manque à ceux qui le craignent. Les lionceaux éprouvent la disette et la faim, Mais ceux qui cherchent 10
l'Éternel ne sont privés d'aucun bien. Venez, mes fils, écoutez -moi ! Je vous enseignerai la crainte de 11
l'Éternel. Quel est l'homme qui aime la vie, Qui désire la prolonger pour jouir du bonheur ? Préserve 12, 13
ta langue du mal, Et tes lèvres des paroles trompeuses ; Éloigne -toi du mal, et fais le bien ; Recherche 14
et poursuis la paix. Les yeux de l'Éternel sont sur les justes, Et ses oreilles sont attentives à leurs 15
cris. L'Éternel tourne sa face contre les méchants, Pour retrancher de la terre leur souvenir. Quand 16, 17
les justes crient, l'Éternel entend, Et il les délivre de toutes leurs détresses ; L'Éternel est près de ceux 18
qui ont le coeur brisé, Et il sauve ceux qui ont l'esprit dans l'abattement. Le malheur atteint souvent 19
le juste, Mais l'Éternel l'en délivre toujours. Il garde tous ses os, Aucun d'eux n'est brisé. Le malheur 20, 21
tue le méchant, Et les ennemis du juste sont châtiés. L'Éternel délivre l'âme de ses serviteurs, Et tous 22
ceux qui l'ont pour refuge échappent au châtiment.

De David. Éternel ! défends -moi contre mes adversaires, Combats ceux qui me combattent ! Saisis **35**, 2
le petit et le grand bouclier, Et lève -toi pour me secourir ! Brandis la lance et le javelot contre mes 3
persécuteurs ! Dis à mon âme : Je suis ton salut ! Qu'ils soient honteux et confus, ceux qui en veulent 4
à ma vie ! Qu'ils reculent et rougissent, ceux qui méditent ma perte ! Qu'ils soient comme la balle 5
emportée par le vent, Et que l'ange de l'Éternel les chasse ! Que leur route soit ténébreuse et glissante, 6
Et que l'ange de l'Éternel les poursuive ! Car sans cause ils m'ont tendu leur filet sur une fosse, Sans 7
cause ils l'ont creusée pour m'ôter la vie. Que la ruine les atteigne à l'improviste, Qu'ils soient pris 8
dans le filet qu'ils ont tendu, Qu'ils y tombent et périssent ! Et mon âme aura de la joie en l'Éternel, 9
De l'allégresse en son salut. Tous mes os diront : Éternel ! qui peut, comme toi, Délivrer le malheureux 10
d'un plus fort que lui, Le malheureux et le pauvre de celui qui le dépouille ? De faux témoins se lèvent : 11
Ils m'interrogent sur ce que j'ignore. Ils me rendent le mal pour le bien : Mon âme est dans l'abandon. 12
Et moi, quand ils étaient malades, je revêtais un sac, J'humiliais mon âme par le jeûne, Je priais, la 13
tête penchée sur mon sein. Comme pour un ami, pour un frère, je me traînais lentement ; Comme 14
pour le deuil d'une mère, je me courbais avec tristesse. Puis, quand je chancelle, ils se réjouissent 15
et s'assemblent, Ils s'assemblent à mon insu pour m'outrager, Ils me déchirent sans relâche ; Avec 16
les impies, les parasites moqueurs, Ils grincent des dents contre moi. Seigneur ! Jusques à quand le 17
verras -tu ? Protège mon âme contre leurs embûches, Ma vie contre les lionceaux ! Je te louerai dans 18
la grande assemblée, Je te célébrerai au milieu d'un peuple nombreux. Que ceux qui sont à tort mes 19
ennemis ne se réjouissent pas à mon sujet, Que ceux qui me haïssent sans cause ne m'insultent pas
du regard ! Car ils tiennent un langage qui n'est point celui de la paix, Ils méditent la tromperie 20

contre les gens tranquilles du pays. Ils ouvrent contre moi leur bouche, Ils disent : Ah ! ah ! nos yeux
regardent ! - Éternel, tu le vois ! ne reste pas en silence ! Seigneur, ne t'éloigne pas de moi ! Réveille
-toi, réveille -toi pour me faire justice ! Mon Dieu et mon Seigneur, défends ma cause ! Juge -moi selon
ta justice, Éternel, mon Dieu ! Et qu'ils ne se réjouissent pas à mon sujet ! Qu'ils ne disent pas dans leur
coeur : Ah ! voilà ce que nous voulions ! Qu'ils ne disent pas : Nous l'avons englouti ! Que tous ensemble
ils soient honteux et confus, Ceux qui se réjouissent de mon malheur ! Qu'ils revêtent l'ignominie et
l'opprobre, Ceux qui s'élèvent contre moi ! Qu'ils aient de l'allégresse et de la joie, Ceux qui prennent
plaisir à mon innocence, Et que sans cesse ils disent : Exalté soit l'Éternel, Qui veut la paix de son
serviteur ! Et ma langue célébrera ta justice, Elle dira tous les jours ta louange.

36 Au chef des chantres. Du serviteur de l'Éternel, de David. La parole impie du méchant est au fond
de son coeur ; La crainte de Dieu n'est pas devant ses yeux. Car il se flatte à ses propres yeux, Pour
consommer son iniquité, pour assouvir sa haine. Les paroles de sa bouche sont fausses et trompeuses ;
Il renonce à agir avec sagesse, à faire le bien. Il médite l'injustice sur sa couche, Il se tient sur une voie
qui n'est pas bonne, Il ne repousse pas le mal. Éternel ! ta bonté atteint jusqu'aux cieux, Ta fidélité
jusqu'aux nues. Ta justice est comme les montagnes de Dieu, Tes jugements sont comme le grand
abîme. Éternel ! tu soutiens les hommes et les bêtes. Combien est précieuse ta bonté, ô Dieu ! À l'ombre
de tes ailes les fils de l'homme cherchent un refuge. Ils se rassasient de l'abondance de ta maison, Et
tu les abreuves au torrent de tes délices. Car auprès de toi est la source de la vie ; Par ta lumière nous
voyons la lumière. Étends ta bonté sur ceux qui te connaissent, Et ta justice sur ceux dont le coeur est
droit ! Que le pied de l'orgueil ne m'atteigne pas, Et que la main des méchants ne me fasse pas fuir !
Déjà tombent ceux qui commettent l'iniquité ; Ils sont renversés, et ils ne peuvent se relever.

37, 2 De David. Ne t'irrite pas contre les méchants, N'envie pas ceux qui font le mal. Car ils sont fauchés
aussi vite que l'herbe, Et ils se flétrissent comme le gazon vert. Confie -toi en l'Éternel, et pratique le
bien ; Aie le pays pour demeure et la fidélité pour pâture. Fais de l'Éternel tes délices, Et il te donnera
5, 6 ce que ton coeur désire. Recommande ton sort à l'Éternel, Mets en lui ta confiance, et il agira. Il fera
paraître ta justice comme la lumière, Et ton droit comme le soleil à son midi. Garde le silence devant
l'Éternel, et espère en lui ; Ne t'irrite pas contre celui qui réussit dans ses voies, Contre l'homme qui
vient à bout de ses mauvais desseins. Laisse la colère, abandonne la fureur ; Ne t'irrite pas, ce serait
mal faire. Car les méchants seront retranchés, Et ceux qui espèrent en l'Éternel posséderont le pays.
10, 11 Encore un peu de temps, et le méchant n'est plus ; Tu regardes le lieu où il était, et il a disparu. Les
misérables possèdent le pays, Et ils jouissent abondamment de la paix. Le méchant forme des projets
contre le juste, Et il grince des dents contre lui. Le Seigneur se rit du méchant, Car il voit que son
jour arrive. Les méchants tirent le glaive, Ils bandent leur arc, Pour faire tomber le malheureux et
l'indigent, Pour égorger ceux dont la voie est droite. Leur glaive entre dans leur propre coeur, Et leurs
16, 17 arcs se brisent. Mieux vaut le peu du juste Que l'abondance de beaucoup de méchants ; Car les bras
des méchants seront brisés, Mais l'Éternel soutient les justes. L'Éternel connaît les jours des hommes
intègres, Et leur héritage dure à jamais. Ils ne sont pas confondus au temps du malheur, Et ils sont
rassasiés aux jours de la famine. Mais les méchants périssent, Et les ennemis de l'Éternel, comme les
plus beaux pâturages ; Ils s'évanouissent, ils s'évanouissent en fumée. Le méchant emprunte, et il ne
rend pas ; Le juste est compatissant, et il donne. Car ceux que bénit l'Éternel possèdent le pays, Et ceux
23, 24 qu'il maudit sont retranchés. L'Éternel affermit les pas de l'homme, Et il prend plaisir à sa voie ; S'il
tombe, il n'est pas terrassé, Car l'Éternel lui prend la main. J'ai été jeune, j'ai vieilli ; Et je n'ai point vu
le juste abandonné, Ni sa postérité mendiant son pain. Toujours il est compatissant, et il prête ; Et sa
27, 28 postérité est bénie. Détourne -toi du mal, fais le bien, Et possède à jamais ta demeure. Car l'Éternel
aime la justice, Et il n'abandonne pas ses fidèles ; Ils sont toujours sous sa garde, Mais la postérité des
29, 30 méchants est retranchée. Les justes posséderont le pays, Et ils y demeureront à jamais. La bouche
du juste annonce la sagesse, Et sa langue proclame la justice. La loi de son Dieu est dans son coeur ;
32, 33 Ses pas ne chancellent point. Le méchant épie le juste, Et il cherche à le faire mourir. L'Éternel ne
le laisse pas entre ses mains, Et il ne le condamne pas quand il est en jugement. Espère en l'Éternel,
garde sa voie, Et il t'élèvera pour que tu possèdes le pays ; Tu verras les méchants retranchés. J'ai vu
le méchant dans toute sa puissance ; Il s'étendait comme un arbre verdoyant. Il a passé, et voici, il
n'est plus ; Je le cherche, et il ne se trouve plus. Observe celui qui est intègre, et regarde celui qui est
droit ; Car il y a une postérité pour l'homme de paix. Mais les rebelles sont tous anéantis, La postérité
des méchants est retranchée. Le salut des justes vient de l'Éternel ; Il est leur protecteur au temps de
la détresse. L'Éternel les secourt et les délivre ; Il les délivre des méchants et les sauve, Parce qu'ils

cherchent en lui leur refuge.

Psaume de David. Pour souvenir. Éternel ! ne me punis pas dans ta colère, Et ne me châtie pas dans **38**
ta fureur. Car tes flèches m'ont atteint, Et ta main s'est appesantie sur moi. Il n'y a rien de sain dans 2, 3
ma chair à cause de ta colère, Il n'y a plus de vigueur dans mes os à cause de mon péché. Car mes 4
iniquités s'élèvent au-dessus de ma tête ; Comme un lourd fardeau, elles sont trop pesantes pour moi.
Mes plaies sont infectes et purulentes, Par l'effet de ma folie. Je suis courbé, abattu au dernier point ; 5, 6
Tout le jour je marche dans la tristesse. Car un mal brûlant dévore mes entrailles, Et il n'y a rien 7
de sain dans ma chair. Je suis sans force, entièrement brisé ; Le trouble de mon coeur m'arrache des 8
gémissements. Seigneur ! tous mes désirs sont devant toi, Et mes soupirs ne te sont point cachés. Mon 9, 10
coeur est agité, ma force m'abandonne, Et la lumière de mes yeux n'est plus même avec moi. Mes amis 11
et mes connaissances s'éloignent de ma plaie, Et mes proches se tiennent à l'écart. Ceux qui en veulent 12
à ma vie tendent leurs pièges ; Ceux qui cherchent mon malheur disent des méchancetés, Et méditent
tout le jour des tromperies. Et moi, je suis comme un sourd, je n'entends pas ; Je suis comme un muet, 13
qui n'ouvre pas la bouche. Je suis comme un homme qui n'entend pas, Et dans la bouche duquel il n'y a 14
point de réplique. Éternel ! c'est en toi que j'espère ; Tu répondras, Seigneur, mon Dieu ! Car je dis : Ne 15, 16
permets pas qu'ils se réjouissent à mon sujet, Qu'ils s'élèvent contre moi, si mon pied chancelle ! Car 17
je suis près de tomber, Et ma douleur est toujours devant moi. Car je reconnais mon iniquité, Je suis 18
dans la crainte à cause de mon péché. Et mes ennemis sont pleins de vie, pleins de force ; Ceux qui me 19
haïssent sans cause sont nombreux. Ils me rendent le mal pour le bien ; Ils sont mes adversaires, parce 20
que je recherche le bien. Ne m'abandonne pas, Éternel ! Mon Dieu, ne t'éloigne pas de moi ! Viens en 21, 22
hâte à mon secours, Seigneur, mon salut !

Au chef des chantres. À Jeduthun, Psaume de David. Je disais : Je veillerai sur mes voies, De peur de **39**
pécher par ma langue ; Je mettrai un frein à ma bouche, Tant que le méchant sera devant moi. Je suis 2
resté muet, dans le silence ; Je me suis tu, quoique malheureux ; Et ma douleur n'était pas moins vive.
Mon coeur brûlait au dedans de moi, Un feu intérieur me consumait, Et la parole est venue sur ma 3
langue. Éternel ! dis -moi quel est le terme de ma vie, Quelle est la mesure de mes jours ; Que je sache 4
combien je suis fragile. Voici, tu as donné à mes jours la largeur de la main, Et ma vie est comme un 5
rien devant toi. Oui, tout homme debout n'est qu'un souffle. -Pause. Oui, l'homme se promène comme 6
une ombre, Il s'agite vainement ; Il amasse, et il ne sait qui recueillera. Maintenant, Seigneur, que 7
puis-je espérer ? En toi est mon espérance. Délivre -moi de toutes mes transgressions ! Ne me rends 8
pas l'opprobre de l'insensé ! Je reste muet, je n'ouvre pas la bouche, Car c'est toi qui agis. Détourne 9, 10
de moi tes coups ! Je succombe sous les attaques de ta main. Tu châties l'homme en le punissant de 11
son iniquité, Tu détruis comme la teigne ce qu'il a de plus cher. Oui, tout homme est un souffle. -Pause.
Écoute ma prière, Éternel, et prête l'oreille à mes cris ! Ne sois pas insensible à mes larmes ! Car je suis 12
un étranger chez toi, Un habitant, comme tous mes pères. Détourne de moi le regard, et laisse-moi 13
respirer, Avant que je m'en aille et que ne sois plus !

Au chef des chantres. De David. Psaume. J'avais mis en l'Éternel mon espérance ; Et il s'est incliné **40**
vers moi, il a écouté mes cris. Il m'a retiré de la fosse de destruction, Du fond de la boue ; Et il a 2
dressé mes pieds sur le roc, Il a affermi mes pas. Il a mis dans ma bouche un cantique nouveau, Une 3
louange à notre Dieu ; Beaucoup l'ont vu, et ont eu de la crainte, Et ils se sont confiés en l'Éternel.
Heureux l'homme qui place en l'Éternel sa confiance, Et qui ne se tourne pas vers les hautains et les 4
menteurs ! Tu as multiplié, Éternel, mon Dieu ! Tes merveilles et tes desseins en notre faveur ; Nul 5
n'est comparable à toi ; Je voudrais les publier et les proclamer, Mais leur nombre est trop grand pour
que je les raconte. Tu ne désires ni sacrifice ni offrande, Tu m'as ouvert les oreilles ; Tu ne demandes ni 6
holocauste ni victime expiatoire. Alors je dis : Voici, je viens Avec le rouleau du livre écrit pour moi. Je 7, 8
veux faire ta volonté, mon Dieu ! Et ta loi est au fond de mon coeur. J'annonce la justice dans la grande 9
assemblée ; Voici, je ne ferme pas mes lèvres, Éternel, tu le sais ! Je ne retiens pas dans mon coeur ta 10
justice, Je publie ta vérité et ton salut ; Je ne cache pas ta bonté et ta fidélité Dans la grande assemblée.
Toi, Éternel ! tu ne me refuseras pas tes compassions ; Ta bonté et ta fidélité me garderont toujours. 11
Car des maux sans nombre m'environnent ; Les châtiments de mes iniquités m'atteignent, Et je ne puis 12
en supporter la vue ; Ils sont plus nombreux que les cheveux de ma tête, Et mon courage m'abandonne.
Veuille me délivrer, ô Éternel ! Éternel, viens en hâte à mon secours ! Que tous ensemble ils soient 13, 14
honteux et confus, Ceux qui en veulent à ma vie pour l'enlever ! Qu'ils reculent et rougissent, Ceux qui
désirent ma perte ! Qu'ils soient dans la stupeur par l'effet de leur honte, Ceux qui me disent : Ah ! ah ! 15
Que tous ceux qui te cherchent Soient dans l'allégresse et se réjouissent en toi ! Que ceux qui aiment 16
ton salut Disent sans cesse : Exalté soit l'Éternel ! Moi, je suis pauvre et indigent ; Mais le Seigneur 17
pense à moi. Tu es mon aide et mon libérateur : Mon Dieu, ne tarde pas !

41 Au chef des chantres. Psaume de David. Heureux celui qui s'intéresse au pauvre ! Au jour du malheur
2 l'Éternel le délivre ; L'Éternel le garde et lui conserve la vie. Il est heureux sur la terre, Et tu ne le
3 livres pas au bon plaisir de ses ennemis. L'Éternel le soutient sur son lit de douleur ; Tu le soulages
4 dans toutes ses maladies. Je dis : Éternel, aie pitié de moi ! Guéris mon âme ! car j'ai péché contre toi.
5, 6 Mes ennemis disent méchamment de moi : Quand mourra -t-il ? quand périra son nom ? Si quelqu'un
vient me voir, il prend un langage faux, Il recueille des sujets de médire ; Il s'en va, et il parle au dehors.
7 Tous mes ennemis chuchotent entre eux contre moi ; Ils pensent que mon malheur causera ma ruine :
8, 9 Il est dangereusement atteint, Le voilà couché, il ne se relèvera pas ! Celui-là même avec qui j'étais
10 en paix, Qui avait ma confiance et qui mangeait mon pain, Lève le talon contre moi. Toi, Éternel, aie
11 pitié de moi et rétablis -moi ! Et je leur rendrai ce qui leur est dû. Je connaîtrai que tu m'aimes, Si
12 mon ennemi ne triomphe pas de moi. Tu m'as soutenu à cause de mon intégrité, Et tu m'as placé pour
13 toujours en ta présence. Béni soit l'Éternel, le Dieu d'Israël, d'éternité en éternité ! Amen ! Amen !

42 Au chef des chantres. Cantique des fils de Koré. Comme une biche soupire après des courants d'eau,
2 Ainsi mon âme soupire après toi, ô Dieu ! Mon âme a soif de Dieu, du Dieu vivant : Quand irai -je et
3 paraîtrai -je devant la face de Dieu ? Mes larmes sont ma nourriture jour et nuit, Pendant qu'on me dit
4 sans cesse : Où est ton Dieu ? Je me rappelle avec effusion de coeur Quand je marchais entouré de la
foule, Et que je m'avançais à sa tête vers la maison de Dieu, Au milieu des cris de joie et des actions de
5 grâces D'une multitude en fête. Pourquoi t'abats -tu, mon âme, et gémis -tu au dedans de moi ? Espère
6 en Dieu, car je le louerai encore ; Il est mon salut et mon Dieu. Mon âme est abattue au dedans de
moi : Aussi c'est à toi que je pense, depuis le pays du Jourdain, Depuis l'Hermon, depuis la montagne
7 de Mitsear. Un flot appelle un autre flot au bruit de tes ondées ; Toutes tes vagues et tous tes flots
8 passent sur moi. Le jour, l'Éternel m'accordait sa grâce ; La nuit, je chantais ses louanges, J'adressais
9 une prière au Dieu de ma vie. Je dis à Dieu, mon rocher : Pourquoi m'oublies -tu ? Pourquoi dois-je
10 marcher dans la tristesse, Sous l'oppression de l'ennemi ? Mes os se brisent quand mes persécuteurs
11 m'outragent, En me disant sans cesse : Où est ton Dieu ? Pourquoi t'abats -tu, mon âme, et gémis -tu
au dedans de moi ? Espère en Dieu, car je le louerai encore ; Il est mon salut et mon Dieu.

43 Rends-moi justice, ô Dieu, défends ma cause contre une nation infidèle ! Délivre -moi des hommes de
2 fraude et d'iniquité ! Toi, mon Dieu protecteur, pourquoi me repousses -tu ? Pourquoi dois-je marcher
3 dans la tristesse, Sous l'oppression de l'ennemi ? Envoie ta lumière et ta fidélité ! Qu'elles me guident,
4 Qu'elles me conduisent à ta montagne sainte et à tes demeures ! J'irai vers l'autel de Dieu, de Dieu,
5 ma joie et mon allégresse, Et je te célébrerai sur la harpe, ô Dieu, mon Dieu ! Pourquoi t'abats -tu, mon
âme, et gémis -tu au dedans de moi ? Espère en Dieu, car je le louerai encore ; Il est mon salut et mon
Dieu.

44 Au chef des chantres. Des fils de Koré. Cantique. O Dieu ! nous avons entendu de nos oreilles, Nos
2 pères nous ont raconté Les oeuvres que tu as accomplies de leur temps, Aux jours d'autrefois. De ta
3 main tu as chassé des nations pour les établir, Tu as frappé des peuples pour les étendre. Car ce
n'est point par leur épée qu'ils se sont emparés du pays, Ce n'est point leur bras qui les a sauvés ;
4 Mais c'est ta droite, c'est ton bras, c'est la lumière de ta face, Parce que tu les aimais. O Dieu ! tu es
5 mon roi : Ordonne la délivrance de Jacob ! Avec toi nous renversons nos ennemis, Avec ton nom nous
6 écrasons nos adversaires. Car ce n'est pas en mon arc que je me confie, Ce n'est pas mon épée qui
7 me sauvera ; Mais c'est toi qui nous délivres de nos ennemis, Et qui confonds ceux qui nous haïssent.
8, 9 Nous nous glorifions en Dieu chaque jour, Et nous célébrerons à jamais ton nom. -Pause. Cependant
10 tu nous repousses, tu nous couvres de honte, Tu ne sors plus avec nos armées ; Tu nous fais reculer
11 devant l'ennemi, Et ceux qui nous haïssent enlèvent nos dépouilles. Tu nous livres comme des brebis à
12 dévorer, Tu nous disperses parmi les nations. Tu vends ton peuple pour rien, Tu ne l'estimes pas à une
13 grande valeur. Tu fais de nous un objet d'opprobre pour nos voisins, De moquerie et de risée pour ceux
14 qui nous entourent ; Tu fais de nous un objet de sarcasme parmi les nations, Et de hochements de tête
15, 16 parmi les peuples. Ma honte est toujours devant moi, Et la confusion couvre mon visage, À la voix de
17 celui qui m'insulte et m'outrage, À la vue de l'ennemi et du vindicatif. Tout cela nous arrive, sans que
18 nous t'ayons oublié, Sans que nous ayons violé ton alliance : Notre coeur ne s'est point détourné, Nos
19 pas ne se sont point éloignés de ton sentier, Pour que tu nous écrases dans la demeure des chacals, Et
20 que tu nous couvres de l'ombre de la mort. Si nous avions oublié le nom de notre Dieu, Et étendu nos
21, 22 mains vers un dieu étranger, Dieu ne le saurait -il pas, Lui qui connaît les secrets du coeur ? Mais
c'est à cause de toi qu'on nous égorge tous les jours, Qu'on nous regarde comme des brebis destinées à
23 la boucherie. Réveille -toi ! Pourquoi dors -tu, Seigneur ? Réveille -toi ! ne nous repousse pas à jamais !
24, 25 Pourquoi caches -tu ta face ? Pourquoi oublies -tu notre misère et notre oppression ? Car notre âme est
26 abattue dans la poussière, Notre corps est attaché à la terre. Lève -toi, pour nous secourir ! Délivre
-nous à cause de ta bonté !

Au chef des chantres. Sur les lis. Des fils de Koré. Cantique. Chant d'amour. Des paroles pleines de **45**
charme bouillonnent dans mon coeur. Je dis : Mon oeuvre est pour le roi ! Que ma langue soit comme
la plume d'un habile écrivain ! Tu es le plus beau des fils de l'homme, La grâce est répandue sur tes 2
lèvres : C'est pourquoi Dieu t'a béni pour toujours. Vaillant guerrier, ceins ton épée, -Ta parure et ta 3
gloire, Oui, ta gloire ! -Sois vainqueur, monte sur ton char, Défends la vérité, la douceur et la justice, Et 4
que ta droite se signale par de merveilleux exploits ! Tes flèches sont aiguës ; Des peuples tomberont 5
sous toi ; Elles perceront le coeur des ennemis du roi. Ton trône, ô Dieu, est à toujours ; Le sceptre 6
de ton règne est un sceptre d'équité. Tu aimes la justice, et tu hais la méchanceté : C'est pourquoi, 7
ô Dieu, ton Dieu t'a oint D'une huile de joie, par privilège sur tes collègues. La myrrhe, l'aloès et la 8
casse parfument tous tes vêtements ; Dans les palais d'ivoire les instruments à cordes te réjouissent.
Des filles de rois sont parmi tes bien-aimées ; La reine est à ta droite, parée d'or d'Ophir. Écoute, ma 9, 10
fille, vois, et prête l'oreille ; Oublie ton peuple et la maison de ton père. Le roi porte ses désirs sur ta 11
beauté ; Puisqu'il est ton seigneur, rends-lui tes hommages. Et, avec des présents, la fille de Tyr, Les 12
plus riches du peuple rechercheront ta faveur. Toute resplendissante est la fille du roi dans l'intérieur 13
du palais ; Elle porte un vêtement tissu d'or. Elle est présentée au roi, vêtue de ses habits brodés, Et 14
suivie des jeunes filles, ses compagnes, qui sont amenées auprès de toi ; On les introduit au milieu des 15
réjouissances et de l'allégresse, Elles entrent dans le palais du roi. Tes enfants prendront la place de 16
tes pères ; Tu les établiras princes dans tout le pays. Je rappellerai ton nom dans tous les âges : Aussi 17
les peuples te loueront éternellement et à jamais.

Au chef des chantres. Des fils de Koré. Sur alamoth. Cantique. Dieu est pour nous un refuge et un **46**
appui, Un secours qui ne manque jamais dans la détresse. C'est pourquoi nous sommes sans crainte 2
quand la terre est bouleversée, Et que les montagnes chancellent au coeur des mers, Quand les flots de 3
la mer mugissent, écument, Se soulèvent jusqu'à faire trembler les montagnes. -Pause. Il est un fleuve 4
dont les courants réjouissent la cité de Dieu, Le sanctuaire des demeures du Très-Haut. Dieu est au 5
milieu d'elle : elle n'est point ébranlée ; Dieu la secourt dès l'aube du matin. Des nations s'agitent, des 6
royaumes s'ébranlent ; Il fait entendre sa voix : la terre se fond d'épouvante. L'Éternel des armées est 7
avec nous, Le Dieu de Jacob est pour nous une haute retraite. -Pause. Venez, contemplez les oeuvres 8
de l'Éternel, Les ravages qu'il a opérés sur la terre ! C'est lui qui a fait cesser les combats jusqu'au bout 9
de la terre ; Il a brisé l'arc, et il a rompu la lance, Il a consumé par le feu les chars de guerre. - Arrêtez, 10
et sachez que je suis Dieu : Je domine sur les nations, je domine sur la terre. - L'Éternel des armées 11
est avec nous, Le Dieu de Jacob est pour nous une haute retraite. -Pause.

Au chef des chantres. Des fils de Koré. Psaume. Vous tous, peuples, battez des mains ! Poussez vers **47**
Dieu des cris de joie ! Car l'Éternel, le Très-Haut, est redoutable, Il est un grand roi sur toute la terre. 2
Il nous assujettit des peuples, Il met des nations sous nos pieds ; Il nous choisit notre héritage, La 3, 4
gloire de Jacob qu'il aime. -Pause. Dieu monte au milieu des cris de triomphe, L'Éternel s'avance au 5
son de la trompette. Chantez à Dieu, chantez ! Chantez à notre roi, chantez ! Car Dieu est roi de toute 6, 7
la terre : Chantez un cantique ! Dieu règne sur les nations, Dieu a pour siège son saint trône. Les 8, 9
princes des peuples se réunissent Au peuple du Dieu d'Abraham ; Car à Dieu sont les boucliers de la
terre : Il est souverainement élevé.

Cantique. Psaume des fils de Koré. L'Éternel est grand, il est l'objet de toutes les louanges, Dans la **48**
ville de notre Dieu, sur sa montagne sainte. Belle est la colline, joie de toute la terre, la montagne de 2
Sion ; Le côté septentrional, c'est la ville du grand roi. Dieu, dans ses palais, est connu pour une haute 3
retraite. Car voici, les rois s'étaient concertés : Ils n'ont fait que passer ensemble. Ils ont regardé, 4, 5
tout stupéfaits, Ils ont eu peur, et ont pris la fuite. Là un tremblement les a saisis, Comme la douleur 6
d'une femme qui accouche. Ils ont été chassés comme par le vent d'orient, Qui brise les navires de 7
Tarsis. Ce que nous avions entendu dire, nous l'avons vu Dans la ville de l'Éternel des armées, Dans 8
la ville de notre Dieu : Dieu la fera subsister à toujours. -Pause. O Dieu, nous pensons à ta bonté Au 9
milieu de ton temple. Comme ton nom, ô Dieu ! Ta louange retentit jusqu'aux extrémités de la terre ; 10
Ta droite est pleine de justice. La montagne de Sion se réjouit, Les filles de Juda sont dans l'allégresse, 11
À cause de tes jugements. Parcourez Sion, parcourez-en l'enceinte, Comptez ses tours, Observez son 12, 13
rempart, Examinez ses palais, Pour le raconter à la génération future. Voilà le Dieu qui est notre Dieu 14
éternellement et à jamais ; Il sera notre guide jusqu'à la mort.

Au chef des chantres. Des fils de Koré. Psaume. Écoutez ceci, vous tous, peuples, Prêtez l'oreille, **49**
vous tous, habitants du monde, Petits et grands, Riches et pauvres ! Ma bouche va faire entendre 2, 3
des paroles sages, Et mon coeur a des pensées pleines de sens. Je prête l'oreille aux sentences qui me 4
sont inspirées, J'ouvre mon chant au son de la harpe. Pourquoi craindrais -je aux jours du malheur, 5
Lorsque l'iniquité de mes adversaires m'enveloppe ? Ils ont confiance en leurs biens, Et se glorifient 6
de leur grande richesse. Ils ne peuvent se racheter l'un l'autre, Ni donner à Dieu le prix du rachat. 7

8, 9 Le rachat de leur âme est cher, Et n'aura jamais lieu ; Ils ne vivront pas toujours, Ils n'éviteront pas
10 la vue de la fosse. Car ils la verront : les sages meurent, L'insensé et le stupide périssent également,
11 Et ils laissent à d'autres leurs biens. Ils s'imaginent que leurs maisons seront éternelles, Que leurs
12 demeures subsisteront d'âge en âge, Eux dont les noms sont honorés sur la terre. Mais l'homme qui
13 est en honneur n'a point de durée, Il est semblable aux bêtes que l'on égorge. Telle est leur voie, leur
14 folie, Et ceux qui les suivent se plaisent à leurs discours. -Pause. Comme un troupeau, ils sont mis dans
le séjour des morts, La mort en fait sa pâture ; Et bientôt les hommes droits les foulent aux pieds, Leur
15 beauté s'évanouit, le séjour des morts est leur demeure. Mais Dieu sauvera mon âme du séjour des
16 morts, Car il me prendra sous sa protection. -Pause. Ne sois pas dans la crainte parce qu'un homme
17 s'enrichit, Parce que les trésors de sa maison se multiplient ; Car il n'emporte rien en mourant, Ses
18 trésors ne descendent point après lui. Il aura beau s'estimer heureux pendant sa vie, On aura beau
19 te louer des jouissances que tu te donnes, Tu iras néanmoins au séjour de tes pères, Qui jamais ne
20 reverront la lumière. L'homme qui est en honneur, et qui n'a pas d'intelligence, Est semblable aux
bêtes que l'on égorge.

50 Psaume d'Asaph. Dieu, Dieu, l'Éternel, parle, et convoque la terre, Depuis le soleil levant jusqu'au
2, 3 soleil couchant. De Sion, beauté parfaite, Dieu resplendit. Il vient, notre Dieu, il ne reste pas en
4 silence ; Devant lui est un feu dévorant, Autour de lui une violente tempête. Il crie vers les cieux en
5 haut, Et vers la terre, pour juger son peuple : Rassemblez -moi mes fidèles, Qui ont fait alliance avec
6, 7 moi par le sacrifice ! - Et les cieux publieront sa justice, Car c'est Dieu qui est juge. -Pause. Écoute, mon
8 peuple ! et je parlerai ; Israël ! et je t'avertirai. Je suis Dieu, ton Dieu. Ce n'est pas pour tes sacrifices
9 que je te fais des reproches ; Tes holocaustes sont constamment devant moi. Je ne prendrai pas de
10 taureau dans ta maison, Ni de bouc dans tes bergeries. Car tous les animaux des forêts sont à moi,
11 Toutes les bêtes des montagnes par milliers ; Je connais tous les oiseaux des montagnes, Et tout ce qui
12 se meut dans les champs m'appartient. Si j'avais faim, je ne te le dirais pas, Car le monde est à moi
13 et tout ce qu'il renferme. Est-ce que je mange la chair des taureaux ? Est-ce que je bois le sang des
14 boucs ? Offre pour sacrifice à Dieu des actions de grâces, Et accomplis tes voeux envers le Très-Haut.
15, 16 Et invoque -moi au jour de la détresse ; Je te délivrerai, et tu me glorifieras. Et Dieu dit au méchant :
17 Quoi donc ! tu énumères mes lois, Et tu as mon alliance à la bouche, Toi qui hais les avis, Et qui jettes
18, 19 mes paroles derrière toi ! Si tu vois un voleur, tu te plais avec lui, Et ta part est avec les adultères. Tu
20 livres ta bouche au mal, Et ta langue est un tissu de tromperies. Tu t'assieds, et tu parles contre ton
21 frère, Tu diffames le fils de ta mère. Voilà ce que tu as fait, et je me suis tu. Tu t'es imaginé que je
22 te ressemblais ; Mais je vais te reprendre, et tout mettre sous tes yeux. Prenez-y donc garde, vous qui
23 oubliez Dieu, De peur que je ne déchire, sans que personne délivre. Celui qui offre pour sacrifice des
actions de grâces me glorifie, Et à celui qui veille sur sa voie Je ferai voir le salut de Dieu.

51 Au chef des chantres. Psaume de David. Lorsque Nathan, le prophète, vint à lui, après que David
fut allé vers Bath-Schéba. O Dieu ! aie pitié de moi dans ta bonté ; Selon ta grande miséricorde, efface
2, 3 mes transgressions ; Lave -moi complètement de mon iniquité, Et purifie -moi de mon péché. Car je
4 reconnais mes transgressions, Et mon péché est constamment devant moi. J'ai péché contre toi seul,
Et j'ai fait ce qui est mal à tes yeux, En sorte que tu seras juste dans ta sentence, Sans reproche dans
5, 6 ton jugement. Voici, je suis né dans l'iniquité, Et ma mère m'a conçu dans le péché. Mais tu veux que
7 la vérité soit au fond du coeur : Fais donc pénétrer la sagesse au dedans de moi ! Purifie -moi avec
8 l'hysope, et je serai pur ; Lave -moi, et je serai plus blanc que la neige. Annonce -moi l'allégresse et
9 la joie, Et les os que tu as brisés se réjouiront. Détourne ton regard de mes péchés, Efface toutes mes
10, 11 iniquités. O Dieu ! crée en moi un coeur pur, Renouvelle en moi un esprit bien disposé. Ne me rejette
12 pas loin de ta face, Ne me retire pas ton esprit saint. Rends -moi la joie de ton salut, Et qu'un esprit
13 de bonne volonté me soutienne ! J'enseignerai tes voies à ceux qui les transgressent, Et les pécheurs
14 reviendront à toi. O Dieu, Dieu de mon salut ! délivre -moi du sang versé, Et ma langue célébrera ta
15, 16 miséricorde. Seigneur ! ouvre mes lèvres, Et ma bouche publiera ta louange. Si tu eusses voulu des
17 sacrifices, je t'en aurais offert ; Mais tu ne prends point plaisir aux holocaustes. Les sacrifices qui sont
18 agréables à Dieu, c'est un esprit brisé : O Dieu ! tu ne dédaignes pas un coeur brisé et contrit. Répands
19 par ta grâce tes bienfaits sur Sion, Bâtis les murs de Jérusalem ! Alors tu agréeras des sacrifices de
justice, Des holocaustes et des victimes tout entières ; Alors on offrira des taureaux sur ton autel.

52 Au chef des chantres. Cantique de David. À l'occasion du rapport que Doëg, l'Édomite, vint faire
à Saül, en lui disant : David s'est rendu dans la maison d'Achimélec. Pourquoi te glorifies -tu de ta
2 méchanceté, tyran ? La bonté de Dieu subsiste toujours. Ta langue n'invente que malice, comme un
3 rasoir affilé, fourbe que tu es ! Tu aimes le mal plutôt que le bien, Le mensonge plutôt que la droiture.
4, 5 -Pause. Tu aimes toutes les paroles de destruction, Langue trompeuse ! Aussi Dieu t'abattra pour
6 toujours, Il te saisira et t'enlèvera de ta tente ; Il te déracinera de la terre des vivants. -Pause. Les justes
7 le verront, et auront de la crainte, Et ils feront de lui le sujet de leurs moqueries : Voilà l'homme qui

ne prenait point Dieu pour protecteur, Mais qui se confiait en ses grandes richesses, Et qui triomphait
dans sa malice ! Et moi, je suis dans la maison de Dieu comme un olivier verdoyant, Je me confie dans 8
la bonté de Dieu, éternellement et à jamais. Je te louerai toujours, parce que tu as agi ; Et je veux 9
espérer en ton nom, parce qu'il est favorable, En présence de tes fidèles.

Au chef des chantres. Sur la flûte. Cantique de David. L'insensé dit en son coeur : Il n'y a point **53**
de Dieu ! Ils se sont corrompus, ils ont commis des iniquités abominables ; Il n'en est aucun qui fasse
le bien. Dieu, du haut des cieux, regarde les fils de l'homme, Pour voir s'il y a quelqu'un qui soit 2
intelligent, Qui cherche Dieu. Tous sont égarés, tous sont pervertis ; Il n'en est aucun qui fasse le bien, 3
Pas même un seul. Ceux qui commettent l'iniquité ont-ils perdu le sens ? Ils dévorent mon peuple, ils 4
le prennent pour nourriture ; Ils n'invoquent point Dieu. Alors ils trembleront d'épouvante, Sans qu'il 5
y ait sujet d'épouvante ; Dieu dispersera les os de ceux qui campent contre toi ; Tu les confondras, car
Dieu les a rejetés. Oh ! qui fera partir de Sion la délivrance d'Israël ? Quand Dieu ramènera les captifs 6
de son peuple, Jacob sera dans l'allégresse, Israël se réjouira.

Au chef des chantres. Avec instruments à cordes. Cantique de David. Lorsque les Ziphiens vinrent **54**
dire à Saül : David n'est-il pas caché parmi nous ? O Dieu ! sauve -moi par ton nom, Et rends-moi
justice par ta puissance ! O Dieu ! écoute ma prière, Prête l'oreille aux paroles de ma bouche ! Car des 2, 3
étrangers se sont levés contre moi, Des hommes violents en veulent à ma vie ; Ils ne portent pas leurs
pensées sur Dieu. -Pause. Voici, Dieu est mon secours, Le Seigneur est le soutien de mon âme. Le mal 4, 5
retombera sur mes adversaires ; Anéantis -les, dans ta fidélité ! Je t'offrirai de bon coeur des sacrifices ; 6
Je louerai ton nom, ô Éternel ! car il est favorable, Car il me délivre de toute détresse, Et mes yeux se 7
réjouissent à la vue de mes ennemis.

Au chef des chantres. Avec instruments à cordes. Cantique de David. O Dieu ! prête l'oreille à ma **55**
prière, Et ne te dérobe pas à mes supplications ! Écoute -moi, et réponds -moi ! J'erre çà et là dans 2
mon chagrin et je m'agite, À cause de la voix de l'ennemi et de l'oppression du méchant ; Car ils font 3
tomber sur moi le malheur, Et me poursuivent avec colère. Mon coeur tremble au dedans de moi, Et les 4
terreurs de la mort me surprennent ; La crainte et l'épouvante m'assaillent, Et le frisson m'enveloppe. 5
Je dis : Oh ! si j'avais les ailes de la colombe, Je m'envolerais, et je trouverais le repos ; Voici, je fuirais 6, 7
bien loin, J'irais séjourner au désert ; -Pause. Je m'échapperais en toute hâte, Plus rapide que le vent 8
impétueux, que la tempête. Réduis à néant, Seigneur, divise leurs langues ! Car je vois dans la ville la 9
violence et les querelles ; Elles en font jour et nuit le tour sur les murs ; L'iniquité et la malice sont dans 10
son sein ; La méchanceté est au milieu d'elle, Et la fraude et la tromperie ne quittent point ses places. 11
Ce n'est pas un ennemi qui m'outrage, je le supporterais ; Ce n'est pas mon adversaire qui s'élève contre 12
moi, Je me cacherais devant lui. C'est toi, que j'estimais mon égal, Toi, mon confident et mon ami ! 13
Ensemble nous vivions dans une douce intimité, Nous allions avec la foule à la maison de Dieu ! Que 14, 15
la mort les surprenne, Qu'ils descendent vivants au séjour des morts ! Car la méchanceté est dans leur
demeure, au milieu d'eux. Et moi, je crie à Dieu, Et l'Éternel me sauvera. Le soir, le matin, et à midi, 16, 17
je soupire et je gémis, Et il entendra ma voix. Il me délivrera de leur approche et me rendra la paix, 18
Car ils sont nombreux contre moi. Dieu entendra, et il les humiliera, Lui qui de toute éternité est assis 19
sur son trône ; -Pause. Car il n'y a point en eux de changement, Et ils ne craignent point Dieu. Il porte 20
la main sur ceux qui étaient en paix avec lui, Il viole son alliance ; Sa bouche est plus douce que la 21
crème, Mais la guerre est dans son coeur ; Ses paroles sont plus onctueuses que l'huile, Mais ce sont des
épées nues. Remets ton sort à l'Éternel, et il te soutiendra, Il ne laissera jamais chanceler le juste. Et 22, 23
toi, ô Dieu ! tu les feras descendre au fond de la fosse ; Les hommes de sang et de fraude N'atteindront
pas la moitié de leurs jours. C'est en toi que je me confie.

Au chef des chantres. Sur <Colombe des térébinthes lointains». Hymne de David. Lorsque les Phi- **56**
listins le saisirent à Gath. Aie pitié de moi, ô Dieu ! car des hommes me harcèlent ; Tout le jour ils me
font la guerre, ils me tourmentent. Tout le jour mes adversaires me harcèlent ; Ils sont nombreux, 2
ils me font la guerre comme des hautains. Quand je suis dans la crainte, En toi je me confie. Je me 3, 4
glorifierai en Dieu, en sa parole ; Je me confie en Dieu, je ne crains rien : Que peuvent me faire des
hommes ? Sans cesse ils portent atteinte à mes droits, Ils n'ont à mon égard que de mauvaises pen- 5
sées. Ils complotent, ils épient, ils observent mes traces, Parce qu'ils en veulent à ma vie. C'est par 6, 7
l'iniquité qu'ils espèrent échapper : Dans ta colère, ô Dieu, précipite les peuples ! Tu comptes les pas 8
de ma vie errante ; Recueille mes larmes dans ton outre : Ne sont-elles pas inscrites dans ton livre ?
Mes ennemis reculent, au jour où je crie ; Je sais que Dieu est pour moi. Je me glorifierai en Dieu, en 9, 10
sa parole ; Je me glorifierai en l'Éternel, en sa parole ; Je me confie en Dieu, je ne crains rien : Que 11
peuvent me faire des hommes ? O Dieu ! je dois accomplir les voeux que je t'ai faits ; Je t'offrirai des 12
actions de grâces. Car tu as délivré mon âme de la mort, Tu as garanti mes pieds de la chute, Afin que 13
je marche devant Dieu, à la lumière des vivants.

57 Au chef des chantres. <Ne détruis pas.> Hymne de David. Lorsqu'il se réfugia dans la caverne,
poursuivi par Saül. Aie pitié de moi, ô Dieu, aie pitié de moi ! Car en toi mon âme cherche un refuge ; Je
2 cherche un refuge à l'ombre de tes ailes, Jusqu'à ce que les calamités soient passées. Je crie au Dieu
3 Très-Haut, Au Dieu qui agit en ma faveur. Il m'enverra du ciel le salut, Tandis que mon persécuteur se
4 répand en outrages ; -Pause. Dieu enverra sa bonté et sa fidélité. Mon âme est parmi des lions ; Je suis
couché au milieu de gens qui vomissent la flamme, Au milieu d'hommes qui ont pour dents la lance et
5 les flèches, Et dont la langue est un glaive tranchant. Élève -toi sur les cieux, ô Dieu ! Que ta gloire soit
6 sur toute la terre ! Ils avaient tendu un filet sous mes pas : Mon âme se courbait ; Ils avaient creusé
7 une fosse devant moi : Ils y sont tombés. -Pause. Mon coeur est affermi, ô Dieu ! mon coeur est affermi ;
8 Je chanterai, je ferai retentir mes instruments. Réveille -toi, mon âme ! réveillez -vous, mon luth et
9 ma harpe ! Je réveillerai l'aurore. Je te louerai parmi les peuples, Seigneur ! Je te chanterai parmi les
10, 11 nations. Car ta bonté atteint jusqu'aux cieux, Et ta fidélité jusqu'aux nues. Élève -toi sur les cieux, ô
Dieu ! Que ta gloire soit sur toute la terre !

58 Au chef des chantres. <Ne détruis pas.> Hymne de David. Est-ce donc en vous taisant que vous
2 rendez la justice ? Est-ce ainsi que vous jugez avec droiture, fils de l'homme ? Loin de là ! Dans le
coeur, vous consommez des iniquités ; Dans le pays, c'est la violence de vos mains que vous placez sur la
3 balance. Les méchants sont pervertis dès le sein maternel, Les menteurs s'égarent au sortir du ventre
4 de leur mère. Ils ont un venin pareil au venin d'un serpent, D'un aspic sourd qui ferme son oreille,
5, 6 Qui n'entend pas la voix des enchanteurs, Du magicien le plus habile. O Dieu, brise -leur les dents
7 dans la bouche ! Éternel, arrache les mâchoires des lionceaux ! Qu'ils se dissipent comme des eaux
8 qui s'écoulent ! Qu'ils ne lancent que des traits émoussés ! Qu'ils périssent en se fondant, comme un
9 limaçon ; Sans voir le soleil, comme l'avorton d'une femme ! Avant que vos chaudières sentent l'épine,
10 Verte ou enflammée, le tourbillon l'emportera. Le juste sera dans la joie, à la vue de la vengeance ; Il
11 baignera ses pieds dans le sang des méchants. Et les hommes diront : Oui, il est une récompense pour
le juste ; Oui, il est un Dieu qui juge sur la terre.

59 Au chef des chantres. <Ne détruis pas.> Hymne de David. Lorsque Saül envoya cerner la maison,
pour le faire mourir. Mon Dieu ! délivre -moi de mes ennemis, Protège -moi contre mes adversaires !
2, 3 Délivre -moi des malfaiteurs, Et sauve -moi des hommes de sang ! Car voici, ils sont aux aguets pour
m'ôter la vie ; Des hommes violents complotent contre moi, Sans que je sois coupable, sans que j'aie
4 péché, ô Éternel ! Malgré mon innocence, ils courent, ils se préparent : Réveille -toi, viens à ma ren-
5 contre, et regarde ! Toi, Éternel, Dieu des armées, Dieu d'Israël, Lève -toi, pour châtier toutes les
6 nations ! N'aie pitié d'aucun de ces méchants infidèles ! -Pause. Ils reviennent chaque soir, ils hurlent
7 comme des chiens, Ils font le tour de la ville. Voici, de leur bouche ils font jaillir le mal, Des glaives sont
8 sur leurs lèvres ; Car, qui est-ce qui entend ? Et toi, Éternel, tu te ris d'eux, Tu te moques de toutes les
9, 10 nations. Quelle que soit leur force, c'est en toi que j'espère, Car Dieu est ma haute retraite. Mon Dieu
11 vient au-devant de moi dans sa bonté, Dieu me fait contempler avec joie ceux qui me persécutent. Ne
les tue pas, de peur que mon peuple ne l'oublie ; Fais-les errer par ta puissance, et précipite -les, Sei-
12 gneur, notre bouclier ! Leur bouche pèche à chaque parole de leurs lèvres : Qu'ils soient pris dans leur
13 propre orgueil ! Ils ne profèrent que malédictions et mensonges. Détruis -les, dans ta fureur, détruis
-les, et qu'ils ne soient plus ! Qu'ils sachent que Dieu règne sur Jacob, Jusqu'aux extrémités de la terre !
14, 15 -Pause. Ils reviennent chaque soir, ils hurlent comme des chiens, Ils font le tour de la ville. Ils errent
16 çà et là, cherchant leur nourriture, Et ils passent la nuit sans être rassasiés. Et moi, je chanterai ta
force ; Dès le matin, je célébrerai ta bonté. Car tu es pour moi une haute retraite, Un refuge au jour
17 de ma détresse. O ma force ! c'est toi que je célébrerai, Car Dieu, mon Dieu tout bon, est ma haute
retraite.

60 Au chef des chantres. Sur le lis lyrique. Hymne de David, pour enseigner. Lorsqu'il fit la guerre
aux Syriens de Mésopotamie et aux Syriens de Tsoba, et que Joab revint et battit dans la vallée du
2 sel douze mille Édomites. O Dieu ! tu nous as repoussés, dispersés, Tu t'es irrité : relève -nous ! Tu as
3 ébranlé la terre, tu l'as déchirée : Répare ses brèches, car elle chancelle ! Tu as fait voir à ton peuple
4 des choses dures, Tu nous as abreuvés d'un vin d'étourdissement. Tu as donné à ceux qui te craignent
5 une bannière, Pour qu'elle s'élève à cause de la vérité. -Pause. Afin que tes bien-aimés soient délivrés,
6 Sauve par ta droite, et exauce -nous ! Dieu a dit dans sa sainteté : Je triompherai, Je partagerai Sichem,
7 je mesurerai la vallée de Succoth ; À moi Galaad, à moi Manassé ; Éphraïm est le rempart de ma tête,
8 Et Juda, mon sceptre ; Moab est le bassin où je me lave ; Je jette mon soulier sur Édom ; Pays des
9 Philistins, pousse à mon sujet des cris de joie ! - Qui me mènera dans la ville forte ? Qui me conduira à
10 Édom ? N'est-ce pas toi, ô Dieu, qui nous as repoussés, Et qui ne sortais plus, ô Dieu, avec nos armées ?
11, 12 Donne -nous du secours contre la détresse ! Le secours de l'homme n'est que vanité. Avec Dieu, nous
ferons des exploits ; Il écrasera nos ennemis.

Au chef des chantres. Sur instruments à cordes. De David. O Dieu ! écoute mes cris, Sois attentif à **61**
ma prière ! Du bout de la terre je crie à toi, le coeur abattu ; Conduis -moi sur le rocher que je ne puis 2
atteindre ! Car tu es pour moi un refuge, Une tour forte, en face de l'ennemi. Je voudrais séjourner 3, 4
éternellement dans ta tente, Me réfugier à l'abri de tes ailes. -Pause. Car toi, ô Dieu ! tu exauces mes 5
voeux, Tu me donnes l'héritage de ceux qui craignent ton nom. Ajoute des jours aux jours du roi ; Que 6
ses années se prolongent à jamais ! Qu'il reste sur le trône éternellement devant Dieu ! Fais que ta 7
bonté et ta fidélité veillent sur lui ! Alors je chanterai sans cesse ton nom, En accomplissant chaque 8
jour mes voeux.

Au chef des chantres. D'après Jeduthun. Psaume de David. Oui, c'est en Dieu que mon âme se **62**
confie ; De lui vient mon salut. Oui, c'est lui qui est mon rocher et mon salut ; Ma haute retraite : je ne 2
chancellerai guère. Jusqu'à quand vous jetterez -vous sur un homme, Chercherez-vous tous à l'abattre, 3
Comme une muraille qui penche, Comme une clôture qu'on renverse ? Ils conspirent pour le précipiter 4
de son poste élevé ; Ils prennent plaisir au mensonge ; Ils bénissent de leur bouche, Et ils maudissent
dans leur coeur. -Pause. Oui, mon âme, confie -toi en Dieu ! Car de lui vient mon espérance. Oui, c'est 5, 6
lui qui est mon rocher et mon salut ; Ma haute retraite : je ne chancellerai pas. Sur Dieu reposent mon 7
salut et ma gloire ; Le rocher de ma force, mon refuge, est en Dieu. En tout temps, peuples, confiez 8
-vous en lui, Répandez vos coeurs en sa présence ! Dieu est notre refuge, -Pause. Oui, vanité, les fils de 9
l'homme ! Mensonge, les fils de l'homme ! Dans une balance ils monteraient Tous ensemble, plus légers
qu'un souffle. Ne vous confiez pas dans la violence, Et ne mettez pas un vain espoir dans la rapine ; 10
Quand les richesses s'accroissent, N'y attachez pas votre coeur. Dieu a parlé une fois ; Deux fois j'ai 11
entendu ceci : C'est que la force est à Dieu. À toi aussi, Seigneur ! la bonté ; Car tu rends à chacun selon 12
ses oeuvres.

Psaume de David. Lorsqu'il était dans le désert de Juda. O Dieu ! tu es mon Dieu, je te cherche ; Mon **63**
âme a soif de toi, mon corps soupire après toi, Dans une terre aride, desséchée, sans eau. Ainsi je te 2
contemple dans le sanctuaire, Pour voir ta puissance et ta gloire. Car ta bonté vaut mieux que la vie : 3
Mes lèvres célèbrent tes louanges. Je te bénirai donc toute ma vie, J'élèverai mes mains en ton nom. 4
Mon âme sera rassasiée comme de mets gras et succulents, Et, avec des cris de joie sur les lèvres, ma 5
bouche te célébrera. Lorsque je pense à toi sur ma couche, Je médite sur toi pendant les veilles de la 6
nuit. Car tu es mon secours, Et je suis dans l'allégresse à l'ombre de tes ailes. Mon âme est attachée 7, 8
à toi ; Ta droite me soutient. Mais ceux qui cherchent à m'ôter la vie Iront dans les profondeurs de 9
la terre ; Ils seront livrés au glaive, Ils seront la proie des chacals. Et le roi se réjouira en Dieu ; 10, 11
Quiconque jure par lui s'en glorifiera, Car la bouche des menteurs sera fermée.

Au chef des chantres. Psaume de David. O Dieu, écoute ma voix, quand je gémis ! Protège ma vie **64**
contre l'ennemi que je crains ! Garantis -moi des complots des méchants, De la troupe bruyante des 2
hommes iniques ! Ils aiguisent leur langue comme un glaive, Ils lancent comme des traits leurs paroles 3
amères, Pour tirer en cachette sur l'innocent ; Ils tirent sur lui à l'improviste, et n'ont aucune crainte. 4
Ils se fortifient dans leur méchanceté : Ils se concertent pour tendre des pièges, Ils disent : Qui les verra ? 5
Ils méditent des crimes : Nous voici prêts, le plan est conçu ! La pensée intime, le coeur de chacun est 6
un abîme. Dieu lance contre eux ses traits : Soudain les voilà frappés. Leur langue a causé leur chute ; 7, 8
Tous ceux qui les voient secouent la tête. Tous les hommes sont saisis de crainte, Ils publient ce que 9
Dieu fait, Et prennent garde à son oeuvre. Le juste se réjouit en l'Éternel et cherche en lui son refuge, 10
Tous ceux qui ont le coeur droit se glorifient.

Au chef des chantres. Psaume de David. Cantique. Avec confiance, ô Dieu ! on te louera dans Sion, Et **65**
l'on accomplira les voeux qu'on t'a faits. O toi, qui écoutes la prière ! Tous les hommes viendront à toi. 2
Les iniquités m'accablent : Tu pardonneras nos transgressions. Heureux celui que tu choisis et que 3, 4
tu admets en ta présence, Pour qu'il habite dans tes parvis ! Nous nous rassasierons du bonheur de ta
maison, De la sainteté de ton temple. Dans ta bonté, tu nous exauces par des prodiges, Dieu de notre 5
salut, Espoir de toutes les extrémités lointaines de la terre et de la mer ! Il affermit les montagnes par 6
sa force, Il est ceint de puissance ; Il apaise le mugissement des mers, le mugissement de leurs flots, 7
Et le tumulte des peuples. Ceux qui habitent aux extrémités du monde s'effraient de tes prodiges ; Tu 8
remplis d'allégresse l'orient et l'occident. Tu visites la terre et tu lui donnes l'abondance, Tu la combles 9
de richesses ; Le ruisseau de Dieu est plein d'eau ; Tu prépares le blé, quand tu la fertilises ainsi. En 10
arrosant ses sillons, en aplanissant ses mottes, Tu la détrempes par des pluies, tu bénis son germe. Tu 11
couronnes l'année de tes biens, Et tes pas versent l'abondance ; Les plaines du désert sont abreuvées, 12
Et les collines sont ceintes d'allégresse ; Les pâturages se couvrent de brebis, Et les vallées se revêtent 13
de froment. Les cris de joie et les chants retentissent.

Au chef des chantres. Cantique. Psaume. Poussez vers Dieu des cris de joie, Vous tous, habitants de **66**
la terre ! Chantez la gloire de son nom, Célébrez sa gloire par vos louanges ! Dites à Dieu : Que tes 2, 3
oeuvres sont redoutables ! À cause de la grandeur de ta force, tes ennemis te flattent. Toute la terre 4

se prosterne devant toi et chante en ton honneur ; Elle chante ton nom. -Pause. Venez et contemplez les oeuvres de Dieu ! Il est redoutable quand il agit sur les fils de l'homme. Il changea la mer en une terre sèche, On traversa le fleuve à pied : Alors nous nous réjouîmes en lui. Il domine éternellement par sa puissance, Ses yeux observent les nations : Que les rebelles ne s'élèvent pas ! -Pause. Peuples, bénissez notre Dieu, Faites retentir sa louange ! Il a conservé la vie à notre âme, Et il n'a pas permis que notre pied chancelât. Car tu nous as éprouvés, ô Dieu ! Tu nous as fait passer au creuset comme l'argent. Tu nous as amenés dans le filet, Tu as mis sur nos reins un pesant fardeau, Tu as fait monter des hommes sur nos têtes ; Nous avons passé par le feu et par l'eau. Mais tu nous en as tirés pour nous donner l'abondance. J'irai dans ta maison avec des holocaustes, J'accomplirai mes voeux envers toi : Pour eux mes lèvres se sont ouvertes, Et ma bouche les a prononcés dans ma détresse. Je t'offrirai des brebis grasses en holocauste, Avec la graisse des béliers ; Je sacrifierai des brebis avec des boucs. -Pause. Venez, écoutez, vous tous qui craignez Dieu, et je raconterai Ce qu'il a fait à mon âme. J'ai crié à lui de ma bouche, Et la louange a été sur ma langue. Si j'avais conçu l'iniquité dans mon coeur, Le Seigneur ne m'aurait pas exaucé. Mais Dieu m'a exaucé, Il a été attentif à la voix de ma prière. Béni soit Dieu, Qui n'a pas rejeté ma prière, Et qui ne m'a pas retiré sa bonté !

67 Au chef des chantres. Avec instruments à cordes. Psaume. Cantique. Que Dieu ait pitié de nous et qu'il nous bénisse, Qu'il fasse luire sur nous sa face, -Pause. Afin que l'on connaisse sur la terre ta voie, Et parmi toutes les nations ton salut ! Les peuples te louent, ô Dieu ! Tous les peuples te louent. Les nations se réjouissent et sont dans l'allégresse ; Car tu juges les peuples avec droiture, Et tu conduis les nations sur la terre. -Pause. Les peuples te louent, ô Dieu ! Tous les peuples te louent. La terre donne ses produits ; Dieu, notre Dieu, nous bénit. Dieu, nous bénit, Et toutes les extrémités de la terre le craignent.

68 Au chef des chantres. De David. Psaume. Cantique. Dieu se lève, ses ennemis se dispersent, Et ses adversaires fuient devant sa face. Comme la fumée se dissipe, tu les dissipes ; Comme la cire se fond au feu, Les méchants disparaissent devant Dieu. Mais les justes se réjouissent, ils triomphent devant Dieu, Ils ont des transports d'allégresse. Chantez à Dieu, célébrez son nom ! Frayez le chemin à celui qui s'avance à travers les plaines ! L'Éternel est son nom : réjouissez -vous devant lui ! Le père des orphelins, le défenseur des veuves, C'est Dieu dans sa demeure sainte. Dieu donne une famille à ceux qui étaient abandonnés, Il délivre les captifs et les rend heureux ; Les rebelles seuls habitent des lieux arides. O Dieu ! quand tu sortis à la tête de ton peuple, Quand tu marchais dans le désert, -Pause. La terre trembla, les cieux se fondirent devant Dieu, Le Sinaï s'ébranla devant Dieu, le Dieu d'Israël. Tu fis tomber une pluie bienfaisante, ô Dieu ! Tu fortifias ton héritage épuisé. Ton peuple établit sa demeure dans le pays Que par ta bonté, ô Dieu ! tu avais préparé pour les malheureux. Le Seigneur dit une parole, Et les messagères de bonnes nouvelles sont une grande armée : - Les rois des armées fuient, fuient, Et celle qui reste à la maison partage le butin. Tandis que vous reposez au milieu des étables, Les ailes de la colombe sont couvertes d'argent, Et son plumage est d'un jaune d'or. - Lorsque le Tout-Puissant dispersa les rois dans le pays, La terre devint blanche comme la neige du Tsalmon. Montagnes de Dieu, montagnes de Basan, Montagnes aux cimes nombreuses, montagnes de Basan, Pourquoi, montagnes aux cimes nombreuses, avez-vous de l'envie Contre la montagne que Dieu a voulue pour résidence ? L'Éternel n'en fera pas moins sa demeure à perpétuité. Les chars de l'Éternel se comptent par vingt mille, Par milliers et par milliers ; Le Seigneur est au milieu d'eux, le Sinaï est dans le sanctuaire. Tu es monté dans les hauteurs, tu as emmené des captifs, Tu as pris en don des hommes ; Les rebelles habiteront aussi près de l'Éternel Dieu. Béni soit le Seigneur chaque jour ! Quand on nous accable, Dieu nous délivre. -Pause. Dieu est pour nous le Dieu des délivrances, Et l'Éternel, le Seigneur, peut nous garantir de la mort. Oui, Dieu brisera la tête de ses ennemis, Le sommet de la tête de ceux qui vivent dans le péché. Le Seigneur dit : Je les ramènerai de Basan, Je les ramènerai du fond de la mer, Afin que tu plonges ton pied dans le sang, Et que la langue de tes chiens ait sa part des ennemis. Ils voient ta marche, ô Dieu ! La marche de mon Dieu, de mon roi, dans le sanctuaire. En tête vont les chanteurs, puis ceux qui jouent des instruments, Au milieu de jeunes filles battant du tambourin. Bénissez Dieu dans les assemblées, Bénissez le Seigneur, descendants d'Israël ! Là sont Benjamin, le plus jeune, qui domine sur eux, Les chefs de Juda et leur troupe, Les chefs de Zabulon, les chefs de Nephthali. Ton Dieu ordonne que tu sois puissant ; Affermis, ô Dieu, ce que tu as fait pour nous ! De ton temple tu règnes sur Jérusalem ; Les rois t'apporteront des présents. Épouvante l'animal des roseaux, La troupe des taureaux avec les veaux des peuples, Qui se prosternent avec des pièces d'argent ! Disperse les peuples qui prennent plaisir à combattre ! Des grands viennent de l'Égypte ; L'Éthiopie accourt, les mains tendues vers Dieu. Royaumes de la terre, chantez à Dieu, Célébrez le Seigneur ! -Pause. Chantez à celui qui s'avance dans les cieux, les cieux éternels ! Voici, il fait entendre sa voix, sa voix puissante. Rendez gloire à Dieu ! Sa majesté est sur Israël, et sa force

dans les cieux. De ton sanctuaire, ô Dieu ! tu es redoutable. Le Dieu d'Israël donne à son peuple la force 35
et la puissance. Béni soit Dieu !

Au chef des chantres. Sur les lis. De David. Sauve -moi, ô Dieu ! Car les eaux menacent ma vie. **69**
J'enfonce dans la boue, sans pouvoir me tenir ; Je suis tombé dans un gouffre, et les eaux m'inondent. 2
Je m'épuise à crier, mon gosier se dessèche, Mes yeux se consument, tandis que je regarde vers mon 3
Dieu. Ils sont plus nombreux que les cheveux de ma tête, Ceux qui me haïssent sans cause ; Ils sont 4
puissants, ceux qui veulent me perdre, Qui sont à tort mes ennemis. Ce que je n'ai pas dérobé, il faut
que je le restitue. O Dieu ! tu connais ma folie, Et mes fautes ne te sont point cachées. Que ceux qui 5, 6
espèrent en toi ne soient pas confus à cause de moi, Seigneur, Éternel des armées ! Que ceux qui te
cherchent ne soient pas dans la honte à cause de moi, Dieu d'Israël ! Car c'est pour toi que je porte 7
l'opprobre, Que la honte couvre mon visage ; Je suis devenu un étranger pour mes frères, Un inconnu 8
pour les fils de ma mère. Car le zèle de ta maison me dévore, Et les outrages de ceux qui t'insultent 9
tombent sur moi. Je verse des larmes et je jeûne, Et c'est ce qui m'attire l'opprobre ; Je prends un 10, 11
sac pour vêtement, Et je suis l'objet de leurs sarcasmes. Ceux qui sont assis à la porte parlent de moi, 12
Et les buveurs de liqueurs fortes me mettent en chansons. Mais je t'adresse ma prière, ô Éternel ! 13
Que ce soit le temps favorable, ô Dieu, par ta grande bonté ! Réponds -moi, en m'assurant ton secours !
Retire -moi de la boue, et que je n'enfonce plus ! Que je sois délivré de mes ennemis et du gouffre ! 14
Que les flots ne m'inondent plus, Que l'abîme ne m'engloutisse pas, Et que la fosse ne se ferme pas 15
sur moi ! Exauce -moi, Éternel ! car ta bonté est immense. Dans tes grandes compassions, tourne vers 16
moi les regards, Et ne cache pas ta face à ton serviteur ! Puisque je suis dans la détresse, hâte -toi de 17
m'exaucer ! Approche -toi de mon âme, délivre -la ! Sauve -moi, à cause de mes ennemis ! Tu connais 18, 19
mon opprobre, ma honte, mon ignominie ; Tous mes adversaires sont devant toi. L'opprobre me brise le 20
coeur, et je suis malade ; J'attends de la pitié, mais en vain, Des consolateurs, et je n'en trouve aucun.
Ils mettent du fiel dans ma nourriture, Et, pour apaiser ma soif, ils m'abreuvent de vinaigre. Que leur 21, 22
table soit pour eux un piège, Et un filet au sein de leur sécurité ! Que leurs yeux s'obscurcissent et 23
ne voient plus, Et fais continuellement chanceler leurs reins ! Répands sur eux ta colère, Et que ton 24
ardente fureur les atteigne ! Que leur demeure soit dévastée, Qu'il n'y ait plus d'habitants dans leurs 25
tentes ! Car ils persécutent celui que tu frappes, Ils racontent les souffrances de ceux que tu blesses. 26
Ajoute des iniquités à leurs iniquités, Et qu'ils n'aient point part à ta miséricorde ! Qu'ils soient effacés 27, 28
du livre de vie, Et qu'ils ne soient point inscrits avec les justes ! Moi, je suis malheureux et souffrant : 29
O Dieu, que ton secours me relève ! Je célébrerai le nom de Dieu par des cantiques, Je l'exalterai par 30
des louanges. Cela est agréable à l'Éternel, plus qu'un taureau Avec des cornes et des sabots. Les 31, 32
malheureux le voient et se réjouissent ; Vous qui cherchez Dieu, que votre coeur vive ! Car l'Éternel 33
écoute les pauvres, Et il ne méprise point ses captifs. Que les cieux et la terre le célèbrent, Les mers 34
et tout ce qui s'y meut ! Car Dieu sauvera Sion, et bâtira les villes de Juda ; On s'y établira, et l'on en 35
prendra possession ; La postérité de ses serviteurs en fera son héritage, Et ceux qui aiment son nom y 36
auront leur demeure.

Au chef des chantres. De David. Pour souvenir. O Dieu, hâte-toi de me délivrer ! Éternel, hâte - **70**
toi de me secourir ! Qu'ils soient honteux et confus, ceux qui en veulent à ma vie ! Qu'ils reculent et 2
rougissent, ceux qui désirent ma perte ! Qu'ils retournent en arrière par l'effet de leur honte, Ceux qui 3
disent : Ah ! ah ! Que tous ceux qui te cherchent Soient dans l'allégresse et se réjouissent en toi ! Que 4
ceux qui aiment ton salut Disent sans cesse : Exalté soit Dieu ! Moi, je suis pauvre et indigent : O Dieu, 5
hâte -toi en ma faveur ! Tu es mon aide et mon libérateur : Éternel, ne tarde pas !

Éternel ! je cherche en toi mon refuge : Que jamais je ne sois confondu ! Dans ta justice, sauve **71**, 2
-moi et délivre -moi ! Incline vers moi ton oreille, et secours -moi ! Sois pour moi un rocher qui me 3
serve d'asile, Où je puisse toujours me retirer ! Tu as résolu de me sauver, Car tu es mon rocher et ma
forteresse. Mon Dieu, délivre -moi de la main du méchant, De la main de l'homme inique et violent ! 4
Car tu es mon espérance, Seigneur Éternel ! En toi je me confie dès ma jeunesse. Dès le ventre de 5, 6
ma mère je m'appuie sur toi ; C'est toi qui m'as fait sortir du sein maternel ; tu es sans cesse l'objet de
mes louanges. Je suis pour plusieurs comme un prodige, Et toi, tu es mon puissant refuge. Que ma 7, 8
bouche soit remplie de tes louanges, Que chaque jour elle te glorifie ! Ne me rejette pas au temps de 9
la vieillesse ; Quand mes forces s'en vont, ne m'abandonne pas ! Car mes ennemis parlent de moi, Et 10
ceux qui guettent ma vie se consultent entre eux, Disant : Dieu l'abandonne ; Poursuivez, saisissez -le ; 11
il n'y a personne pour le délivrer. O Dieu, ne t'éloigne pas de moi ! Mon Dieu, viens en hâte à mon 12
secours ! Qu'ils soient confus, anéantis, ceux qui en veulent à ma vie ! Qu'ils soient couverts de honte 13
et d'opprobre, ceux qui cherchent ma perte ! Et moi, j'espérerai toujours, Je te louerai de plus en plus. 14
Ma bouche publiera ta justice, ton salut, chaque jour, Car j'ignore quelles en sont les bornes. Je dirai 15, 16
tes oeuvres puissantes, Seigneur Éternel ! Je rappellerai ta justice, la tienne seule. O Dieu ! tu m'as 17

instruit dès ma jeunesse, Et jusqu'à présent j'annonce tes merveilles. Ne m'abandonne pas, ô Dieu ! même dans la blanche vieillesse, Afin que j'annonce ta force à la génération présente, Ta puissance à la génération future ! Ta justice, ô Dieu ! atteint jusqu'au ciel ; Tu as accompli de grandes choses : ô Dieu ! qui est semblable à toi ? Tu nous as fait éprouver bien des détresses et des malheurs ; Mais tu nous redonneras la vie, Tu nous feras remonter des abîmes de la terre. Relève ma grandeur, Console -moi de nouveau ! Et je te louerai au son du luth, je chanterai ta fidélité, mon Dieu, Je te célébrerai avec la harpe, Saint d'Israël ! En te célébrant, j'aurai la joie sur les lèvres, La joie dans mon âme que tu as délivrée ; Ma langue chaque jour publiera ta justice, Car ceux qui cherchent ma perte sont honteux et confus.

72, 2 De Salomon. O Dieu, donne tes jugements au roi, Et ta justice au fils du roi ! Il jugera ton peuple
3 avec justice, Et tes malheureux avec équité. Les montagnes porteront la paix pour le peuple, Et les
4 collines aussi, par l'effet de ta justice. Il fera droit aux malheureux du peuple, Il sauvera les enfants
5 du pauvre, Et il écrasera l'oppresseur. On te craindra, tant que subsistera le soleil, Tant que paraîtra
6 la lune, de génération en génération. Il sera comme une pluie qui tombe sur un terrain fauché, Comme
7 des ondées qui arrosent la campagne. En ses jours le juste fleurira, Et la paix sera grande jusqu'à
8 ce qu'il n'y ait plus de lune. Il dominera d'une mer à l'autre, Et du fleuve aux extrémités de la terre.
9, 10 Devant lui, les habitants du désert fléchiront le genou, Et ses ennemis lécheront la poussière. Les rois
11 de Tarsis et des îles paieront des tributs, Les rois de Séba et de Saba offriront des présents. Tous les
12 rois se prosterneront devant lui, Toutes les nations le serviront. Car il délivrera le pauvre qui crie, Et
13 le malheureux qui n'a point d'aide. Il aura pitié du misérable et de l'indigent, Et il sauvera la vie des
14, 15 pauvres ; Il les affranchira de l'oppression et de la violence, Et leur sang aura du prix à ses yeux. Ils
16 vivront, et lui donneront de l'or de Séba ; Ils prieront pour lui sans cesse, ils le béniront chaque jour. Les
blés abonderont dans le pays, au sommet des montagnes, Et leurs épis s'agiteront comme les arbres du
17 Liban ; Les hommes fleuriront dans les villes comme l'herbe de la terre. Son nom subsistera toujours,
Aussi longtemps que le soleil son nom se perpétuera ; Par lui on se bénira mutuellement, Et toutes les
18, 19 nations le diront heureux. Béni soit l'Éternel Dieu, le Dieu d'Israël, qui seul fait des prodiges ! Béni
20 soit à jamais son nom glorieux ! Que toute la terre soit remplie de sa gloire ! Amen ! Amen ! Fin des
prières de David, fils d'Isaï.

73, 2 Psaume d'Asaph. Oui, Dieu est bon pour Israël, Pour ceux qui ont le coeur pur. Toutefois, mon pied
3 allait fléchir, Mes pas étaient sur le point de glisser ; Car je portais envie aux insensés, En voyant le
4 bonheur des méchants. Rien ne les tourmente jusqu'à leur mort, Et leur corps est chargé d'embonpoint ;
5 Ils n'ont aucune part aux souffrances humaines, Ils ne sont point frappés comme le reste des hommes.
6, 7 Aussi l'orgueil leur sert de collier, La violence est le vêtement qui les enveloppe ; L'iniquité sort de leurs
8 entrailles, Les pensées de leur coeur se font jour. Ils raillent, et parlent méchamment d'opprimer ; Ils
9 profèrent des discours hautains, Ils élèvent leur bouche jusqu'aux cieux, Et leur langue se promène
10, 11 sur la terre. Voilà pourquoi son peuple se tourne de leur côté, Il avale l'eau abondamment, Et il dit :
12 Comment Dieu saurait -il, Comment le Très-Haut connaîtrait -il ? Ainsi sont les méchants : Toujours
13 heureux, ils accroissent leurs richesses. C'est donc en vain que j'ai purifié mon coeur, Et que j'ai lavé
14, 15 mes mains dans l'innocence : Chaque jour je suis frappé, Tous les matins mon châtiment est là. Si je
16 disais : Je veux parler comme eux, Voici, je trahirais la race de tes enfants. Quand j'ai réfléchi là-dessus
17 pour m'éclairer, La difficulté fut grande à mes yeux, Jusqu'à ce que j'eusse pénétré dans les sanctuaires
18 de Dieu, Et que j'eusse pris garde au sort final des méchants. Oui, tu les places sur des voies glissantes,
19 Tu les fais tomber et les mets en ruines. Eh quoi ! en un instant les voilà détruits ! Ils sont enlevés,
20 anéantis par une fin soudaine ! Comme un songe au réveil, Seigneur, à ton réveil, tu repousses leur
21, 22 image. Lorsque mon coeur s'aigrissait, Et que je me sentais percé dans les entrailles, J'étais stupide
23 et sans intelligence, J'étais à ton égard comme les bêtes. Cependant je suis toujours avec toi, Tu m'as
24, 25 saisi la main droite ; Tu me conduiras par ton conseil, Puis tu me recevras dans la gloire. Quel autre
26 ai-je au ciel que toi ! Et sur la terre je ne prends plaisir qu'en toi. Ma chair et mon coeur peuvent se
27 consumer : Dieu sera toujours le rocher de mon coeur et mon partage. Car voici, ceux qui s'éloignent
28 de toi périssent ; Tu anéantis tous ceux qui te sont infidèles. Pour moi, m'approcher de Dieu, c'est mon
bien : Je place mon refuge dans le Seigneur, l'Éternel, Afin de raconter toutes tes oeuvres.

74 Cantique d'Asaph. Pourquoi, ô Dieu ! rejettes -tu pour toujours ? Pourquoi t'irrites -tu contre le trou-
2 peau de ton pâturage ? Souviens -toi de ton peuple que tu as acquis autrefois, Que tu as racheté comme
3 la tribu de ton héritage ! Souviens-toi de la montagne de Sion, où tu faisais ta résidence ; Porte tes pas
4 vers ces lieux constamment dévastés ! L'ennemi a tout ravagé dans le sanctuaire. Tes adversaires ont
5 rugi au milieu de ton temple ; Ils ont établi pour signes leurs signes. On les a vus, pareils à celui qui
6 lève La cognée dans une épaisse forêt ; Et bientôt ils ont brisé toutes les sculptures, À coups de haches
7, 8 et de marteaux. Ils ont mis le feu à ton sanctuaire ; Ils ont abattu, profané la demeure de ton nom. Ils
disaient en leur coeur : Traitons-les tous avec violence ! Ils ont brûlé dans le pays tous les lieux saints.

Nous ne voyons plus nos signes ; Il n'y a plus de prophète, Et personne parmi nous qui sache jusqu'à 9
quand... Jusqu'à quand, ô Dieu ! l'oppresseur outragera -t-il, L'ennemi méprisera -t-il sans cesse ton 10
nom ? Pourquoi retires -tu ta main et ta droite ? Sors -la de ton sein ! détruis ! Dieu est mon roi dès 11, 12
les temps anciens, Lui qui opère des délivrances au milieu de la terre. Tu as fendu la mer par ta puis- 13
sance, Tu as brisé les têtes des monstres sur les eaux ; Tu as écrasé la tête du crocodile, Tu l'as donné 14
pour nourriture au peuple du désert. Tu as fait jaillir des sources et des torrents. Tu as mis à sec des 15
fleuves qui ne tarissent point. À toi est le jour, à toi est la nuit ; Tu as créé la lumière et le soleil. Tu 16, 17
as fixé toutes les limites de la terre, Tu as établi l'été et l'hiver. Souviens -toi que l'ennemi outrage 18
l'Éternel, Et qu'un peuple insensé méprise ton nom ! Ne livre pas aux bêtes l'âme de ta tourterelle, 19
N'oublie pas à toujours la vie de tes malheureux ! Aie égard à l'alliance ! Car les lieux sombres du pays 20
sont pleins de repaires de brigands. Que l'opprimé ne retourne pas confus ! Que le malheureux et le 21
pauvre célèbrent ton nom ! Lève -toi, ô Dieu ! défends ta cause ! Souviens -toi des outrages que te fait 22
chaque jour l'insensé ! N'oublie pas les clameurs de tes adversaires, Le tumulte sans cesse croissant de 23
ceux qui s'élèvent contre toi !

Au chef des chantres. <Ne détruis pas.> Psaume d'Asaph. Cantique. Nous te louons, ô Dieu ! nous **75**
te louons ; Ton nom est dans nos bouches ; Nous publions tes merveilles. Au temps que j'aurai fixé, 2
Je jugerai avec droiture. La terre tremble avec tous ceux qui l'habitent : Moi, j'affermis ses colonnes. 3
-Pause. Je dis à ceux qui se glorifient : Ne vous glorifiez pas ! Et aux méchants : N'élevez pas la tête ! 4
N'élevez pas si haut votre tête, Ne parlez pas avec tant d'arrogance ! Car ce n'est ni de l'orient, ni de 5, 6
l'occident, Ni du désert, que vient l'élévation. Mais Dieu est celui qui juge : Il abaisse l'un, et il élève 7
l'autre. Il y a dans la main de l'Éternel une coupe, Où fermente un vin plein de mélange, Et il en 8
verse : Tous les méchants de la terre sucent, boivent jusqu'à la lie. Je publierai ces choses à jamais ; Je 9
chanterai en l'honneur du Dieu de Jacob. - Et j'abattrai toutes les forces des méchants ; Les forces du 10
juste seront élevées.

Au chef des chantres. Avec instruments à cordes. Psaume d'Asaph. Cantique. Dieu est connu en **76**
Juda, Son nom est grand en Israël. Sa tente est à Salem, Et sa demeure à Sion. C'est là qu'il a brisé 2, 3
les flèches, Le bouclier, l'épée et les armes de guerre. -Pause. Tu es plus majestueux, plus puissant Que 4
les montagnes des ravisseurs. Ils ont été dépouillés, ces héros pleins de courage, Ils se sont endormis 5
de leur dernier sommeil ; Ils n'ont pas su se défendre, tous ces vaillants hommes. À ta menace, Dieu 6
de Jacob ! Ils se sont endormis, cavaliers et chevaux. Tu es redoutable, ô toi ! Qui peut te résister, 7
quand ta colère éclate ? Du haut des cieux tu as proclamé la sentence ; La terre effrayée s'est tenue 8
tranquille, Lorsque Dieu s'est levé pour faire justice, Pour sauver tous les malheureux de la terre. 9
-Pause. L'homme te célèbre même dans sa fureur, Quand tu te revêts de tout ton courroux. Faites des 10, 11
voeux à l'Éternel, votre Dieu, et accomplissez -les ! Que tous ceux qui l'environnent apportent des dons
au Dieu terrible ! Il abat l'orgueil des princes, Il est redoutable aux rois de la terre. 12

Au chef des chantres. D'après Jeduthun. Psaume d'Asaph. Ma voix s'élève à Dieu, et je crie ; Ma voix **77**
s'élève à Dieu, et il m'écoutera. Au jour de ma détresse, je cherche le Seigneur ; La nuit, mes mains 2
sont étendues sans se lasser ; Mon âme refuse toute consolation. Je me souviens de Dieu, et je gémis ; 3
Je médite, et mon esprit est abattu. -Pause. Tu tiens mes paupières en éveil ; Et, dans mon trouble, je 4
ne puis parler. Je pense aux jours anciens, Aux années d'autrefois. Je pense à mes cantiques pendant 5, 6
la nuit, Je fais des réflexions au dedans de mon coeur, Et mon esprit médite. Le Seigneur rejettera 7
-t-il pour toujours ? Ne sera -t-il plus favorable ? Sa bonté est-elle à jamais épuisée ? Sa parole est- 8
elle anéantie pour l'éternité ? Dieu a-t-il oublié d'avoir compassion ? A-t-il, dans sa colère, retiré sa 9
miséricorde ? -Pause. Je dis : Ce qui fait ma souffrance, C'est que la droite du Très-Haut n'est plus 10
la même... Je rappellerai les oeuvres de l'Éternel, Car je me souviens de tes merveilles d'autrefois ; 11
Je parlerai de toutes tes oeuvres, Je raconterai tes hauts faits. O Dieu ! tes voies sont saintes ; Quel 12, 13
dieu est grand comme Dieu ? Tu es le Dieu qui fait des prodiges ; Tu as manifesté parmi les peuples 14
ta puissance. Par ton bras tu as délivré ton peuple, Les fils de Jacob et de Joseph. -Pause. Les eaux 15, 16
t'ont vu, ô Dieu ! Les eaux t'ont vu, elles ont tremblé ; Les abîmes se sont émus. Les nuages versèrent 17
de l'eau par torrents, Le tonnerre retentit dans les nues, Et tes flèches volèrent de toutes parts. Ton 18
tonnerre éclata dans le tourbillon, Les éclairs illuminèrent le monde ; La terre s'émut et trembla. Tu 19
te frayas un chemin par la mer, Un sentier par les grandes eaux, Et tes traces ne furent plus reconnues.
Tu as conduit ton peuple comme un troupeau, Par la main de Moïse et d'Aaron. 20

Cantique d'Asaph. Mon peuple, écoute mes instructions ! Prêtez l'oreille aux paroles de ma bouche ! **78**
J'ouvre la bouche par des sentences, Je publie la sagesse des temps anciens. Ce que nous avons en- 2, 3
tendu, ce que nous savons, Ce que nos pères nous ont raconté, Nous ne le cacherons point à leurs en- 4
fants ; Nous dirons à la génération future les louanges de l'Éternel, Et sa puissance, et les prodiges qu'il
a opérés. Il a établi un témoignage en Jacob, Il a mis une loi en Israël, Et il a ordonné à nos pères de 5

l'enseigner à leurs enfants, Pour qu'elle fût connue de la génération future, Des enfants qui naîtraient,
Et que, devenus grands, ils en parlassent à leurs enfants, Afin qu'ils missent en Dieu leur confiance,
Qu'ils n'oubliassent pas les oeuvres de Dieu, Et qu'ils observassent ses commandements, Afin qu'ils ne
fussent pas, comme leurs pères, Une race indocile et rebelle, Une race dont le coeur n'était pas ferme, Et
dont l'esprit n'était pas fidèle à Dieu. Les fils d'Éphraïm, armés et tirant de l'arc, Tournèrent le dos le
jour du combat. Ils ne gardèrent point l'alliance de Dieu, Et ils refusèrent de marcher selon sa loi. Ils
mirent en oubli ses oeuvres, Ses merveilles qu'il leur avait fait voir. Devant leurs pères il avait fait des
prodiges, Au pays d'Égypte, dans les campagnes de Tsoan. Il fendit la mer et leur ouvrit un passage, Il
fit dresser les eaux comme une muraille. Il les conduisit le jour par la nuée, Et toute la nuit par un feu
éclatant. Il fendit des rochers dans le désert, Et il donna à boire comme des flots abondants ; Du rocher
il fit jaillir des sources, Et couler des eaux comme des fleuves. Mais ils continuèrent à pécher contre lui,
À se révolter contre le Très-Haut dans le désert. Ils tentèrent Dieu dans leur coeur, En demandant de
la nourriture selon leur désir. Ils parlèrent contre Dieu, Ils dirent : Dieu pourrait -il Dresser une table
dans le désert ? Voici, il a frappé le rocher, et des eaux ont coulé, Et des torrents se sont répandus ;
Pourra -t-il aussi donner du pain, Ou fournir de la viande à son peuple ? L'Éternel entendit, et il fut
irrité ; Un feu s'alluma contre Jacob, Et la colère s'éleva contre Israël, Parce qu'ils ne crurent pas en
Dieu, Parce qu'ils n'eurent pas confiance dans son secours. Il commanda aux nuages d'en haut, Et il
ouvrit les portes des cieux ; Il fit pleuvoir sur eux la manne pour nourriture, Il leur donna le blé du ciel.
Ils mangèrent tous le pain des grands, Il leur envoya de la nourriture à satiété. Il fit souffler dans les
cieux le vent d'orient, Et il amena par sa puissance le vent du midi ; Il fit pleuvoir sur eux la viande
comme de la poussière, Et comme le sable des mers les oiseaux ailés ; Il les fit tomber au milieu de
leur camp, Tout autour de leurs demeures. Ils mangèrent et se rassasièrent abondamment : Dieu leur
donna ce qu'ils avaient désiré. Ils n'avaient pas satisfait leur désir, Ils avaient encore leur nourriture
dans la bouche, Lorsque la colère de Dieu s'éleva contre eux ; Il frappa de mort les plus vigoureux, Il
abattit les jeunes hommes d'Israël. Malgré tout cela, ils continuèrent à pécher, Et ne crurent point à
ses prodiges. Il consuma leurs jours par la vanité, Et leurs années par une fin soudaine. Quand il
les frappait de mort, ils le cherchaient, Ils revenaient et se tournaient vers Dieu ; Ils se souvenaient
que Dieu était leur rocher, Que le Dieu Très-Haut était leur libérateur. Mais ils le trompaient de la
bouche, Et ils lui mentaient de la langue ; Leur coeur n'était pas ferme envers lui, Et ils n'étaient pas
fidèles à son alliance. Toutefois, dans sa miséricorde, il pardonne l'iniquité et ne détruit pas ; Il retient
souvent sa colère et ne se livre pas à toute sa fureur. Il se souvint qu'ils n'étaient que chair, Un souffle
qui s'en va et ne revient pas. Que de fois ils se révoltèrent contre lui dans le désert ! Que de fois ils
l'irritèrent dans la solitude ! Ils ne cessèrent de tenter Dieu, Et de provoquer le Saint d'Israël. Ils ne
se souvinrent pas de sa puissance, Du jour où il les délivra de l'ennemi, Des miracles qu'il accomplit
en Égypte, Et de ses prodiges dans les campagnes de Tsoan. Il changea leurs fleuves en sang, Et ils
ne purent en boire les eaux. Il envoya contre eux des mouches venimeuses qui les dévorèrent, Et des
grenouilles qui les détruisirent. Il livra leurs récoltes aux sauterelles, Le produit de leur travail aux
sauterelles. Il fit périr leurs vignes par la grêle, Et leurs sycomores par la gelée. Il abandonna leur
bétail à la grêle, Et leurs troupeaux au feu du ciel. Il lança contre eux son ardente colère, La fureur, la
rage et la détresse, Une troupe de messagers de malheur. Il donna libre cours à sa colère, Il ne sauva
pas leur âme de la mort, Il livra leur vie à la mortalité ; Il frappa tous les premiers-nés en Égypte,
Les prémices de la force sous les tentes de Cham. Il fit partir son peuple comme des brebis, Il les
conduisit comme un troupeau dans le désert. Il les dirigea sûrement, pour qu'ils fussent sans crainte,
Et la mer couvrit leurs ennemis. Il les amena vers sa frontière sainte, Vers cette montagne que sa
droite a acquise. Il chassa devant eux les nations, Leur distribua le pays en héritage, Et fit habiter
dans leurs tentes les tribus d'Israël. Mais ils tentèrent le Dieu Très-Haut et se révoltèrent contre lui,
Et ils n'observèrent point ses ordonnances. Ils s'éloignèrent et furent infidèles, comme leurs pères, Ils
tournèrent, comme un arc trompeur. Ils l'irritèrent par leurs hauts lieux, Et ils excitèrent sa jalousie
par leurs idoles. Dieu entendit, et il fut irrité ; Il repoussa fortement Israël. Il abandonna la demeure
de Silo, La tente où il habitait parmi les hommes ; Il livra sa gloire à la captivité, Et sa majesté entre
les mains de l'ennemi. Il mit son peuple à la merci du glaive, Et il s'indigna contre son héritage. Le
feu dévora ses jeunes hommes, Et ses vierges ne furent pas célébrées ; Ses sacrificateurs tombèrent
par l'épée, Et ses veuves ne pleurèrent pas. Le Seigneur s'éveilla comme celui qui a dormi, Comme
un héros qu'a subjugué le vin. Il frappa ses adversaires en fuite, Il les couvrit d'un opprobre éternel.
Cependant il rejeta la tente de Joseph, Et il ne choisit point la tribu d'Éphraïm ; Il préféra la tribu
de Juda, La montagne de Sion qu'il aimait. Et il bâtit son sanctuaire comme les lieux élevés, Comme
la terre qu'il a fondée pour toujours. Il choisit David, son serviteur, Et il le tira des bergeries ; Il le
prit derrière les brebis qui allaitent, Pour lui faire paître Jacob, son peuple, Et Israël, son héritage. Et

David les dirigea avec un coeur intègre, Et les conduisit avec des mains intelligentes.

Psaume d'Asaph. O Dieu ! les nations ont envahi ton héritage, Elles ont profané ton saint temple, **79**
Elles ont fait de Jérusalem un monceau de pierres. Elles ont livré les cadavres de tes serviteurs En 2
pâture aux oiseaux du ciel, La chair de tes fidèles aux bêtes de la terre ; Elles ont versé leur sang 3
comme de l'eau Tout autour de Jérusalem, Et il n'y a eu personne pour les enterrer. Nous sommes 4
devenus un objet d'opprobre pour nos voisins, De moquerie et de risée pour ceux qui nous entourent.
Jusques à quand, Éternel ! t'irriteras -tu sans cesse, Et ta colère s'embrasera -t-elle comme le feu ? 5
Répands ta fureur sur les nations qui ne te connaissent pas, Et sur les royaumes qui n'invoquent pas 6
ton nom ! Car on a dévoré Jacob, Et ravagé sa demeure. Ne te souviens plus de nos iniquités passées ! 7, 8
Que tes compassions viennent en hâte au-devant de nous ! Car nous sommes bien malheureux. Secours 9
-nous, Dieu de notre salut, pour la gloire de ton nom ! Délivre -nous, et pardonne nos péchés, à cause
de ton nom ! Pourquoi les nations diraient -elles : Où est leur Dieu ? Qu'on sache, en notre présence, 10
parmi les nations, Que tu venges le sang de tes serviteurs, le sang répandu ! Que les gémissements des 11
captifs parviennent jusqu'à toi ! Par ton bras puissant sauve ceux qui vont périr ! Rends à nos voisins 12
sept fois dans leur sein Les outrages qu'ils t'ont faits, Seigneur ! Et nous, ton peuple, le troupeau 13
de ton pâturage, Nous te célébrerons éternellement ; De génération en génération nous publierons tes
louanges.

Au chef des chantres. Sur les lis lyriques. D'Asaph. Psaume. Prête l'oreille, berger d'Israël, Toi qui **80**
conduis Joseph comme un troupeau ! Parais dans ta splendeur, Toi qui es assis sur les chérubins ! De- 2
vant Éphraïm, Benjamin et Manassé, réveille ta force, Et viens à notre secours ! O Dieu, relève -nous ! 3
Fais briller ta face, et nous serons sauvés ! Éternel, Dieu des armées ! Jusques à quand t'irriteras -tu 4
contre la prière de ton peuple ? Tu les nourris d'un pain de larmes. Tu les abreuves de larmes à pleine 5
mesure. Tu fais de nous un objet de discorde pour nos voisins, Et nos ennemis se raillent de nous. Dieu 6, 7
des armées, relève -nous ! Fais briller ta face, et nous serons sauvés ! Tu avais arraché de l'Égypte une 8
vigne ; Tu as chassé des nations, et tu l'as plantée. Tu as fait place devant elle : Elle a jeté des racines 9
et rempli la terre ; Les montagnes étaient couvertes de son ombre, Et ses rameaux étaient comme des 10
cèdres de Dieu ; Elle étendait ses branches jusqu'à la mer, Et ses rejetons jusqu'au fleuve. Pourquoi 11, 12
as-tu rompu ses clôtures, En sorte que tous les passants la dépouillent ? Le sanglier de la forêt la 13
ronge, Et les bêtes des champs en font leur pâture. Dieu des armées, reviens donc ! Regarde du haut 14
des cieux, et vois ! considère cette vigne ! Protège ce que ta droite a planté, Et le fils que tu t'es choisi !... 15
Elle est brûlée par le feu, elle est coupée ! Ils périssent devant ta face menaçante. Que ta main soit sur 16, 17
l'homme de ta droite, Sur le fils de l'homme que tu t'es choisi ! Et nous ne nous éloignerons plus de toi. 18
Fais-nous revivre, et nous invoquerons ton nom. Éternel, Dieu des armées, relève -nous ! Fais briller 19
ta face, et nous serons sauvés !

Au chef des chantres. Sur la guitthith. D'Asaph. Chantez avec allégresse à Dieu, notre force ! Poussez **81**
des cris de joie vers le Dieu de Jacob ! Entonnez des cantiques, faites résonner le tambourin, La harpe 2
mélodieuse et le luth ! Sonnez de la trompette à la nouvelle lune, À la pleine lune, au jour de notre fête ! 3
Car c'est une loi pour Israël, Une ordonnance du Dieu de Jacob. Il en fit un statut pour Joseph, Quand 4, 5
il marcha contre le pays d'Égypte... J'entends une voix qui m'est inconnue : J'ai déchargé son épaule du 6
fardeau, Et ses mains ont lâché la corbeille. Tu as crié dans la détresse, et je t'ai délivré ; Je t'ai répondu 7
dans la retraite du tonnerre ; Je t'ai éprouvé près des eaux de Meriba. Pause. Écoute, mon peuple ! et 8
je t'avertirai ; Israël, puisses-tu m'écouter ! Qu'il n'y ait au milieu de toi point de dieu étranger ! Ne 9
te prosterne pas devant des dieux étrangers ! Je suis l'Éternel, ton Dieu, qui t'ai fait monter du pays 10
d'Égypte ; Ouvre ta bouche, et je la remplirai. Mais mon peuple n'a point écouté ma voix, Israël ne m'a 11
point obéi. Alors je les ai livrés aux penchants de leur coeur, Et ils ont suivi leurs propres conseils. 12
Oh ! si mon peuple m'écoutait, Si Israël marchait dans mes voies ! En un instant je confondrais leurs 13, 14
ennemis, Je tournerais ma main contre leurs adversaires ; Ceux qui haïssent l'Éternel le flatteraient, 15
Et le bonheur d'Israël durerait toujours ; Je le nourrirais du meilleur froment, Et je le rassasierais du 16
miel du rocher.

Psaume d'Asaph. Dieu se tient dans l'assemblée de Dieu ; Il juge au milieu des dieux. Jusques à **82**, 2
quand jugerez -vous avec iniquité, Et aurez-vous égard à la personne des méchants ? Pause. Rendez 3
justice au faible et à l'orphelin, Faites droit au malheureux et au pauvre, Sauvez le misérable et l'in- 4
digent, Délivrez -les de la main des méchants. Ils n'ont ni savoir ni intelligence, Ils marchent dans les 5
ténèbres ; Tous les fondements de la terre sont ébranlés. J'avais dit : Vous êtes des dieux, Vous êtes 6
tous des fils du Très-Haut. Cependant vous mourrez comme des hommes, Vous tomberez comme un 7
prince quelconque. Lève -toi, ô Dieu, juge la terre ! Car toutes les nations t'appartiennent. 8

Cantique. Psaume d'Asaph. O Dieu, ne reste pas dans le silence ! Ne te tais pas, et ne te repose **83**

pas, ô Dieu ! Car voici, tes ennemis s'agitent, Ceux qui te haïssent lèvent la tête. Ils forment contre ton peuple des projets pleins de ruse, Et ils délibèrent contre ceux que tu protèges. Venez, disent -ils, exterminons -les du milieu des nations, Et qu'on ne se souvienne plus du nom d'Israël ! Ils se concertent tous d'un même coeur, Ils font une alliance contre toi ; Les tentes d'Édom et les Ismaélites, Moab et les Hagaréniens, Guebal, Ammon, Amalek, Les Philistins avec les habitants de Tyr ; L'Assyrie aussi se joint à eux, Elle prête son bras aux enfants de Lot. Pause. Traite -les comme Madian, Comme Sisera, comme Jabin au torrent de Kison ! Ils ont été détruits à En-Dor, Ils sont devenus du fumier pour la terre. Traite leurs chefs comme Oreb et Zeeb, Et tous leurs princes comme Zébach et Tsalmunna ! Car ils disent : Emparons -nous Des demeures de Dieu ! Mon Dieu ! rends -les semblables au tourbillon, Au chaume qu'emporte le vent, Au feu qui brûle la forêt, À la flamme qui embrase les montagnes ! Poursuis -les ainsi de ta tempête, Et fais-les trembler par ton ouragan ! Couvre leur face d'ignominie, Afin qu'ils cherchent ton nom, ô Éternel ! Qu'ils soient confus et épouvantés pour toujours, Qu'ils soient honteux et qu'ils périssent ! Qu'ils sachent que toi seul, dont le nom est l'Éternel, Tu es le Très-Haut sur toute la terre !

84 Au chef des chantres. Sur la guitthith. Des fils de Koré. Psaume. Que tes demeures sont aimables, Éternel des armées ! Mon âme soupire et languit après les parvis de l'Éternel, Mon coeur et ma chair poussent des cris vers le Dieu vivant. Le passereau même trouve une maison, Et l'hirondelle un nid où elle dépose ses petits... Tes autels, Éternel des armées ! Mon roi et mon Dieu ! Heureux ceux qui habitent ta maison ! Ils peuvent te célébrer encore. Pause. Heureux ceux qui placent en toi leur appui ! Ils trouvent dans leur coeur des chemins tout tracés. Lorsqu'ils traversent la vallée de Baca, Ils la transforment en un lieu plein de sources, Et la pluie la couvre aussi de bénédictions. Leur force augmente pendant la marche, Et ils se présentent devant Dieu à Sion. Éternel, Dieu des armées, écoute ma prière ! Prête l'oreille, Dieu de Jacob ! Pause. Toi qui es notre bouclier, vois, ô Dieu ! Et regarde la face de ton oint ! Mieux vaut un jour dans tes parvis que mille ailleurs ; Je préfère me tenir sur le seuil de la maison de mon Dieu, Plutôt que d'habiter sous les tentes de la méchanceté. Car l'Éternel Dieu est un soleil et un bouclier, L'Éternel donne la grâce et la gloire, Il ne refuse aucun bien à ceux qui marchent dans l'intégrité. Éternel des armées ! Heureux l'homme qui se confie en toi !

85 Au chef des chantres. Des fils de Koré. Psaume. Tu as été favorable à ton pays, ô Éternel ! Tu as ramené les captifs de Jacob ; Tu as pardonné l'iniquité de ton peuple, Tu as couvert tous ses péchés ; Pause. Tu as retiré toute ta fureur, Tu es revenu de l'ardeur de ta colère. Rétablis -nous, Dieu de notre salut ! Cesse ton indignation contre nous ! T'irriteras -tu contre nous à jamais ? Prolongeras -tu ta colère éternellement ? Ne nous rendras-tu pas à la vie, Afin que ton peuple se réjouisse en toi ? Éternel ! fais-nous voir ta bonté, Et accorde -nous ton salut ! J'écouterai ce que dit Dieu, l'Éternel ; Car il parle de paix à son peuple et à ses fidèles, Pourvu qu'ils ne retombent pas dans la folie. Oui, son salut est près de ceux qui le craignent, Afin que la gloire habite dans notre pays. La bonté et la fidélité se rencontrent, La justice et la paix s'embrassent ; La fidélité germe de la terre, Et la justice regarde du haut des cieux. L'Éternel aussi accordera le bonheur, Et notre terre donnera ses fruits. La justice marchera devant lui, Et imprimera ses pas sur le chemin.

86 Prière de David. Éternel, prête l'oreille, exauce -moi ! Car je suis malheureux et indigent. Garde mon âme, car je suis pieux ! Mon Dieu, sauve ton serviteur qui se confie en toi ! Aie pitié de moi, Seigneur ! Car je crie à toi tout le jour. Réjouis l'âme de ton serviteur, Car à toi, Seigneur, j'élève mon âme. Car tu es bon, Seigneur, tu pardonnes, Tu es plein d'amour pour tous ceux qui t'invoquent. Éternel, prête l'oreille à ma prière, Sois attentif à la voix de mes supplications ! Je t'invoque au jour de ma détresse, Car tu m'exauces. Nul n'est comme toi parmi les dieux, Seigneur, Et rien ne ressemble à tes oeuvres. Toutes les nations que tu as faites viendront Se prosterner devant ta face, Seigneur, Et rendre gloire à ton nom. Car tu es grand, et tu opères des prodiges ; Toi seul, tu es Dieu. Enseigne -moi tes voies, ô Éternel ! Je marcherai dans ta fidélité. Dispose mon coeur à la crainte de ton nom. Je te louerai de tout mon coeur, Seigneur, mon Dieu ! Et je glorifierai ton nom à perpétuité. Car ta bonté est grande envers moi, Et tu délivres mon âme du séjour profond des morts. O Dieu ! des orgueilleux se sont levés contre moi, Une troupe d'hommes violents en veulent à ma vie ; Ils ne portent pas leurs pensées sur toi. Mais toi, Seigneur, tu es un Dieu miséricordieux et compatissant, Lent à la colère, riche en bonté et en fidélité ; Tourne vers moi les regards et aie pitié de moi, Donne la force à ton serviteur, Et sauve le fils de ta servante ! Opère un signe en ma faveur ! Que mes ennemis le voient et soient confus ! Car tu me secours et tu me consoles, ô Éternel !

87 Des fils de Koré. Psaume. Cantique. Elle est fondée sur les montagnes saintes. L'Éternel aime les portes de Sion Plus que toutes les demeures de Jacob. Des choses glorieuses ont été dites sur toi, Ville

de Dieu ! Pause. Je proclame l'Égypte et Babylone parmi ceux qui me connaissent ; Voici, le pays des 4
Philistins, Tyr, avec l'Éthiopie : C'est dans Sion qu'ils sont nés. Et de Sion il est dit : Tous y sont nés, 5
Et c'est le Très-Haut qui l'affermit. L'Éternel compte en inscrivant les peuples : C'est là qu'ils sont nés. 6
Pause. Et ceux qui chantent et ceux qui dansent s'écrient : Toutes mes sources sont en toi. 7

Cantique. Psaume des fils de Koré. Au chef des chantres. Pour chanter sur la flûte. Cantique d'Hé- **88**
man, l'Ézrachite. Éternel, Dieu de mon salut ! Je crie jour et nuit devant toi. Que ma prière parvienne 2
en ta présence ! Prête l'oreille à mes supplications ! Car mon âme est rassasiée de maux, Et ma vie 3
s'approche du séjour des morts. Je suis mis au rang de ceux qui descendent dans la fosse, Je suis 4
comme un homme qui n'a plus de force. Je suis étendu parmi les morts, Semblable à ceux qui sont 5
tués et couchés dans le sépulcre, À ceux dont tu n'as plus le souvenir, Et qui sont séparés de ta main.
Tu m'as jeté dans une fosse profonde, Dans les ténèbres, dans les abîmes. Ta fureur s'appesantit sur 6, 7
moi, Et tu m'accables de tous tes flots. Pause. Tu as éloigné de moi mes amis, Tu m'as rendu pour eux 8
un objet d'horreur ; Je suis enfermé et je ne puis sortir. Mes yeux se consument dans la souffrance ; Je 9
t'invoque tous les jours, ô Éternel ! J'étends vers toi les mains. Est-ce pour les morts que tu fais des 10
miracles ? Les morts se lèvent -ils pour te louer ? Pause. Parle -t-on de ta bonté dans le sépulcre, De ta 11
fidélité dans l'abîme ? Tes prodiges sont-ils connus dans les ténèbres, Et ta justice dans la terre de l'ou- 12
bli ? O Éternel ! j'implore ton secours, Et le matin ma prière s'élève à toi. Pourquoi, Éternel, repousses 13, 14
-tu mon âme ? Pourquoi me caches -tu ta face ? Je suis malheureux et moribond dès ma jeunesse, Je 15
suis chargé de tes terreurs, je suis troublé. Tes fureurs passent sur moi, Tes terreurs m'anéantissent ; 16
Elles m'environnent tout le jour comme des eaux, Elles m'enveloppent toutes à la fois. Tu as éloigné 17, 18
de moi amis et compagnons ; Mes intimes ont disparu.

Cantique d'Éthan, l'Ézrachite. Je chanterai toujours les bontés de l'Éternel ; Ma bouche fera con- **89**
naître à jamais ta fidélité. Car je dis : La bonté a des fondements éternels ; Tu établis ta fidélité dans 2
les cieux. J'ai fait alliance avec mon élu ; Voici ce que j'ai juré à David, mon serviteur : J'affermirai ta 3, 4
postérité pour toujours, Et j'établirai ton trône à perpétuité. Pause. Les cieux célèbrent tes merveilles, 5
ô Éternel ! Et ta fidélité dans l'assemblée des saints. Car qui, dans le ciel, peut se comparer à l'Éternel ? 6
Qui est semblable à toi parmi les fils de Dieu ? Dieu est terrible dans la grande assemblée des saints, 7
Il est redoutable pour tous ceux qui l'entourent. Éternel, Dieu des armées ! qui est comme toi puissant, 8
ô Éternel ? Ta fidélité t'environne. Tu domptes l'orgueil de la mer ; Quand ses flots se soulèvent, tu les 9
apaises. Tu écrasas l'Égypte comme un cadavre, Tu dispersas tes ennemis par la puissance de ton bras. 10
C'est à toi qu'appartiennent les cieux et la terre, C'est toi qui as fondé le monde et ce qu'il renferme. 11
Tu as créé le nord et le midi ; Le Thabor et l'Hermon se réjouissent à ton nom. Ton bras est puissant, 12, 13
Ta main forte, ta droite élevée. La justice et l'équité sont la base de ton trône. La bonté et la fidélité 14
sont devant ta face. Heureux le peuple qui connaît le son de la trompette ; Il marche à la clarté de ta 15
face, ô Éternel ! Il se réjouit sans cesse de ton nom, Et il se glorifie de ta justice. Car tu es la gloire de 16, 17
sa puissance ; C'est ta faveur qui relève notre force. Car l'Éternel est notre bouclier, Le Saint d'Israël 18
est notre roi. Alors tu parlas dans une vision à ton bien-aimé, Et tu dis : J'ai prêté mon secours à un 19
héros, J'ai élevé du milieu du peuple un jeune homme ; J'ai trouvé David, mon serviteur, Je l'ai oint de 20
mon huile sainte. Ma main le soutiendra, Et mon bras le fortifiera. L'ennemi ne le surprendra pas, 21, 22
Et le méchant ne l'opprimera point ; J'écraserai devant lui ses adversaires, Et je frapperai ceux qui 23
le haïssent. Ma fidélité et ma bonté seront avec lui, Et sa force s'élèvera par mon nom. Je mettrai 24, 25
sa main sur la mer, Et sa droite sur les fleuves. Lui, il m'invoquera : Tu es mon père, Mon Dieu et 26
le rocher de mon salut ! Et moi, je ferai de lui le premier-né, Le plus élevé des rois de la terre. Je 27, 28
lui conserverai toujours ma bonté, Et mon alliance lui sera fidèle ; Je rendrai sa postérité éternelle, 29
Et son trône comme les jours des cieux. Si ses fils abandonnent ma loi Et ne marchent pas selon ses 30
ordonnances, S'ils violent mes préceptes Et n'observent pas mes commandements, Je punirai de la 31, 32
verge leurs transgressions, Et par des coups leurs iniquités ; Mais je ne lui retirerai point ma bonté 33
Et je ne trahirai pas ma fidélité, Je ne violerai point mon alliance Et je ne changerai pas ce qui est 34
sorti de mes lèvres. J'ai juré une fois par ma sainteté : Mentirai -je à David ? Sa postérité subsistera 35, 36
toujours ; Son trône sera devant moi comme le soleil, Comme la lune il aura une éternelle durée. Le 37
témoin qui est dans le ciel est fidèle. Pause. Et pourtant, tu as rejeté, tu as repoussé ! Tu t'es irrité 38
contre ton oint ! Tu as dédaigné l'alliance avec ton serviteur ; Tu as abattu, profané sa couronne. Tu 39, 40
as détruit toutes ses murailles, Tu as mis en ruines ses forteresses. Tous les passants le dépouillent ; Il 41
est un objet d'opprobre pour ses voisins. Tu as élevé la droite de ses adversaires, Tu as réjoui tous ses 42
ennemis ; Tu as fait reculer le tranchant de son glaive, Et tu ne l'as pas soutenu dans le combat. Tu 43, 44
as mis un terme à sa splendeur, Et tu as jeté son trône à terre ; Tu as abrégé les jours de sa jeunesse, 45
Tu l'as couvert de honte. Pause. Jusques à quand, Éternel ! te cacheras -tu sans cesse, Et ta fureur 46

47 s'embrasera -t-elle comme le feu ? Rappelle -toi ce qu'est la durée de ma vie, Et pour quel néant tu as
48 créé tous les fils de l'homme. Y a-t-il un homme qui puisse vivre et ne pas voir la mort, Qui puisse
49 sauver son âme du séjour des morts ? Pause. Où sont, Seigneur ! tes bontés premières, Que tu juras
50 à David dans ta fidélité ? Souviens -toi, Seigneur ! de l'opprobre de tes serviteurs, Souviens-toi que je
51 porte en mon sein tous les peuples nombreux ; Souviens-toi des outrages de tes ennemis, ô Éternel ! De
52 leurs outrages contre les pas de ton oint. Béni soit à jamais l'Éternel ! Amen ! Amen !

90 Prière de Moïse, homme de Dieu. Seigneur ! tu as été pour nous un refuge, De génération en géné-
2 ration. Avant que les montagnes fussent nées, Et que tu eusses créé la terre et le monde, D'éternité
3 en éternité tu es Dieu. Tu fais rentrer les hommes dans la poussière, Et tu dis : Fils de l'homme, re-
4 tournez ! Car mille ans sont, à tes yeux, Comme le jour d'hier, quand il n'est plus, Et comme une veille
5, 6 de la nuit. Tu les emportes, semblables à un songe, Qui, le matin, passe comme l'herbe : Elle fleurit
7 le matin, et elle passe, On la coupe le soir, et elle sèche. Nous sommes consumés par ta colère, Et ta
8 fureur nous épouvante. Tu mets devant toi nos iniquités, Et à la lumière de ta face nos fautes cachées.
9, 10 Tous nos jours disparaissent par ton courroux ; Nous voyons nos années s'évanouir comme un son. Les
jours de nos années s'élèvent à soixante-dix ans, Et, pour les plus robustes, à quatre-vingts ans ; Et
11 l'orgueil qu'ils en tirent n'est que peine et misère, Car il passe vite, et nous nous envolons. Qui prend
12 garde à la force de ta colère, Et à ton courroux, selon la crainte qui t'est due ? Enseigne -nous à bien
13 compter nos jours, Afin que nous appliquions notre coeur à la sagesse. Reviens, Éternel ! Jusques à
14 quand ?... Aie pitié de tes serviteurs ! Rassasie -nous chaque matin de ta bonté, Et nous serons toute
15 notre vie dans la joie et l'allégresse. Réjouis -nous autant de jours que tu nous as humiliés, Autant
16 d'années que nous avons vu le malheur. Que ton oeuvre se manifeste à tes serviteurs, Et ta gloire sur
17 leurs enfants ! Que la grâce de l'Éternel, notre Dieu, soit sur nous ! Affermis l'ouvrage de nos mains,
Oui, affermis l'ouvrage de nos mains !

91, 2 Celui qui demeure sous l'abri du Très-Haut Repose à l'ombre du Tout Puissant. Je dis à l'Éternel :
3 Mon refuge et ma forteresse, Mon Dieu en qui je me confie ! Car c'est lui qui te délivre du filet de
4 l'oiseleur, De la peste et de ses ravages. Il te couvrira de ses plumes, Et tu trouveras un refuge sous
5 ses ailes ; Sa fidélité est un bouclier et une cuirasse. Tu ne craindras ni les terreurs de la nuit, Ni la
6 flèche qui vole de jour, Ni la peste qui marche dans les ténèbres, Ni la contagion qui frappe en plein
7, 8 midi. Que mille tombent à ton côté, Et dix mille à ta droite, Tu ne seras pas atteint ; De tes yeux
9 seulement tu regarderas, Et tu verras la rétribution des méchants. Car tu es mon refuge, ô Éternel !
10 Tu fais du Très-Haut ta retraite. Aucun malheur ne t'arrivera, Aucun fléau n'approchera de ta tente.
11, 12 Car il ordonnera à ses anges De te garder dans toutes tes voies ; Ils te porteront sur les mains, De
13 peur que ton pied ne heurte contre une pierre. Tu marcheras sur le lion et sur l'aspic, Tu fouleras le
14 lionceau et le dragon. Puisqu'il m'aime, je le délivrerai ; Je le protégerai, puisqu'il connaît mon nom.
15 Il m'invoquera, et je lui répondrai ; Je serai avec lui dans la détresse, Je le délivrerai et je le glorifierai.
16 Je le rassasierai de longs jours, Et je lui ferai voir mon salut.

92 Psaume. Cantique pour le jour du sabbat. Il est beau de louer l'Éternel, Et de célébrer ton nom,
2, 3 ô Très-Haut ! D'annoncer le matin ta bonté, Et ta fidélité pendant les nuits, Sur l'instrument à dix
4 cordes et sur le luth, Aux sons de la harpe. Tu me réjouis par tes oeuvres, ô Éternel ! Et je chante
5 avec allégresse l'ouvrage de tes mains. Que tes oeuvres sont grandes, ô Éternel ! Que tes pensées sont
6, 7 profondes ! L'homme stupide n'y connaît rien, Et l'insensé n'y prend point garde. Si les méchants
croissent comme l'herbe, Si tous ceux qui font le mal fleurissent, C'est pour être anéantis à jamais.
8, 9 Mais toi, tu es le Très-Haut, À perpétuité, ô Éternel ! Car voici, tes ennemis, ô Éternel ! Car voici,
10 tes ennemis périssent ; Tous ceux qui font le mal sont dispersés. Et tu me donnes la force du buffle ;
11 Je suis arrosé avec une huile fraîche. Mon oeil se plaît à contempler mes ennemis, Et mon oreille à
12 entendre mes méchants adversaires. Les justes croissent comme le palmier, Ils s'élèvent comme le
13, 14 cèdre du Liban. Plantés dans la maison de l'Éternel, Ils prospèrent dans les parvis de notre Dieu ; Ils
15 portent encore des fruits dans la vieillesse, Ils sont pleins de sève et verdoyants, Pour faire connaître
que l'Éternel est juste. Il est mon rocher, et il n'y a point en lui d'iniquité.

93 L'Éternel règne, il est revêtu de majesté, L'Éternel est revêtu, il est ceint de force. Aussi le monde est
2, 3 ferme, il ne chancelle pas. Ton trône est établi dès les temps anciens ; Tu existes de toute éternité. Les
fleuves élèvent, ô Éternel ! Les fleuves élèvent leur voix, Les fleuves élèvent leurs ondes retentissantes.
4 Plus que la voix des grandes, des puissantes eaux, Des flots impétueux de la mer, L'Éternel est puissant
5 dans les lieux célestes. Tes témoignages sont entièrement véritables ; La sainteté convient à ta maison,
O Éternel ! pour toute la durée des temps.

94, 2 Dieu des vengeances, Éternel ! Dieu des vengeances, parais ! Lève -toi, juge de la terre ! Rends

aux superbes selon leurs oeuvres ! Jusques à quand les méchants, ô Éternel ! Jusques à quand les 3
méchants triompheront -ils ? Ils discourent, ils parlent avec arrogance ; Tous ceux qui font le mal 4
se glorifient. Éternel ! ils écrasent ton peuple, Ils oppriment ton héritage ; Ils égorgent la veuve et 5, 6
l'étranger, Ils assassinent les orphelins. Et ils disent : L'Éternel ne regarde pas, Le Dieu de Jacob ne 7
fait pas attention ! Prenez-y garde, hommes stupides ! Insensés, quand serez-vous sages ? Celui qui 8, 9
a planté l'oreille n'entendrait -il pas ? Celui qui a formé l'oeil ne verrait -il pas ? Celui qui châtie les 10
nations ne punirait -il point, Lui qui donne à l'homme l'intelligence ? L'Éternel connaît les pensées de 11
l'homme, Il sait qu'elles sont vaines. Heureux l'homme que tu châties, ô Éternel ! Et que tu instruis par 12
ta loi, Pour le calmer aux jours du malheur, Jusqu'à ce que la fosse soit creusée pour le méchant ! Car 13, 14
l'Éternel ne délaisse pas son peuple, Il n'abandonne pas son héritage ; Car le jugement sera conforme 15
à la justice, Et tous ceux dont le coeur est droit l'approuveront. Qui se lèvera pour moi contre les 16
méchants ? Qui me soutiendra contre ceux qui font le mal ? Si l'Éternel n'était pas mon secours, Mon 17
âme serait bien vite dans la demeure du silence. Quand je dis : Mon pied chancelle ! Ta bonté, ô Éternel ! 18
me sert d'appui. Quand les pensées s'agitent en foule au dedans de moi, Tes consolations réjouissent 19
mon âme. Les méchants te feraient-ils siéger sur leur trône, Eux qui forment des desseins iniques en 20
dépit de la loi ? Ils se rassemblent contre la vie du juste, Et ils condamnent le sang innocent. Mais 21, 22
l'Éternel est ma retraite, Mon Dieu est le rocher de mon refuge. Il fera retomber sur eux leur iniquité, 23
Il les anéantira par leur méchanceté ; L'Éternel, notre Dieu, les anéantira.

Venez, chantons avec allégresse à l'Éternel ! Poussons des cris de joie vers le rocher de notre salut. **95**
Allons au-devant de lui avec des louanges, Faisons retentir des cantiques en son honneur ! Car l'Éternel 2, 3
est un grand Dieu, Il est un grand roi au-dessus de tous les dieux. Il tient dans sa main les profondeurs 4
de la terre, Et les sommets des montagnes sont à lui. La mer est à lui, c'est lui qui l'a faite ; La 5
terre aussi, ses mains l'ont formée. Venez, prosternons -nous et humilions -nous, Fléchissons le genou 6
devant l'Éternel, notre créateur ! Car il est notre Dieu, Et nous sommes le peuple de son pâturage, Le 7
troupeau que sa main conduit... Oh ! si vous pouviez écouter aujourd'hui sa voix ! N'endurcissez pas 8
votre coeur, comme à Meriba, Comme à la journée de Massa, dans le désert, Où vos pères me tentèrent, 9
M'éprouvèrent, quoiqu'ils vissent mes oeuvres. Pendant quarante ans j'eus cette race en dégoût, Et je 10
dis : C'est un peuple dont le coeur est égaré ; Ils ne connaissent pas mes voies. Aussi je jurai dans ma 11
colère : Ils n'entreront pas dans mon repos !

Chantez à l'Éternel un cantique nouveau ! Chantez à l'Éternel, vous tous, habitants de la terre ! **96**
Chantez à l'Éternel, bénissez son nom, Annoncez de jour en jour son salut ! Racontez parmi les nations 2, 3
sa gloire, Parmi tous les peuples ses merveilles ! Car l'Éternel est grand et très digne de louange, Il 4
est redoutable par-dessus tous les dieux ; Car tous les dieux des peuples sont des idoles, Et l'Éternel 5
a fait les cieux. La splendeur et la magnificence sont devant sa face, La gloire et la majesté sont 6
dans son sanctuaire. Familles des peuples, rendez à l'Éternel, Rendez à l'Éternel gloire et honneur ! 7
Rendez à l'Éternel gloire pour son nom ! Apportez des offrandes, et entrez dans ses parvis ! Prosternez 8, 9
-vous devant l'Éternel avec des ornements sacrés. Tremblez devant lui, vous tous, habitants de la terre !
Dites parmi les nations : L'Éternel règne ; Aussi le monde est ferme, il ne chancelle pas ; L'Éternel juge 10
les peuples avec droiture. Que les cieux se réjouissent, et que la terre soit dans l'allégresse, Que la mer 11
retentisse avec tout ce qu'elle contient, Que la campagne s'égaie avec tout ce qu'elle renferme, Que 12
tous les arbres des forêts poussent des cris de joie, Devant l'Éternel ! Car il vient, Car il vient pour 13
juger la terre ; Il jugera le monde avec justice, Et les peuples selon sa fidélité.

L'Éternel règne : que la terre soit dans l'allégresse, Que les îles nombreuses se réjouissent ! Les **97**, 2
nuages et l'obscurité l'environnent, La justice et l'équité sont la base de son trône. Le feu marche 3
devant lui, Et embrase à l'entour ses adversaires. Ses éclairs illuminent le monde, La terre le voit et 4
tremble ; Les montagnes se fondent comme la cire devant l'Éternel, Devant le Seigneur de toute la 5
terre. Les cieux publient sa justice, Et tous les peuples voient sa gloire. Ils sont confus, tous ceux qui 6, 7
servent les images, Qui se font gloire des idoles. Tous les dieux se prosternent devant lui. Sion l'entend 8
et se réjouit, Les filles de Juda sont dans l'allégresse, À cause de tes jugements, ô Éternel ! Car toi, 9
Éternel ! tu es le Très-Haut sur toute la terre, Tu es souverainement élevé au-dessus de tous les dieux.
Vous qui aimez l'Éternel, haïssez le mal ! Il garde les âmes de ses fidèles, Il les délivre de la main des 10
méchants. La lumière est semée pour le juste, Et la joie pour ceux dont le coeur est droit. Justes, 11, 12
réjouissez -vous en l'Éternel, Et célébrez par vos louanges sa sainteté !

Psaume. Chantez à l'Éternel un cantique nouveau ! Car il a fait des prodiges. Sa droite et son bras **98**

saint lui sont venus en aide. L'Éternel a manifesté son salut, Il a révélé sa justice aux yeux des nations.
Il s'est souvenu de sa bonté et de sa fidélité envers la maison d'Israël, Toutes les extrémités de la
terre ont vu le salut de notre Dieu. Poussez vers l'Éternel des cris de joie, Vous tous, habitants de la
terre ! Faites éclater votre allégresse, et chantez ! Chantez à l'Éternel avec la harpe ; Avec la harpe
chantez des cantiques ! Avec les trompettes et au son du cor, Poussez des cris de joie devant le roi,
l'Éternel ! Que la mer retentisse avec tout ce qu'elle contient, Que le monde et ceux qui l'habitent
éclatent d'allégresse, Que les fleuves battent des mains, Que toutes les montagnes poussent des cris de
joie, Devant l'Éternel ! Car il vient pour juger la terre ; Il jugera le monde avec justice, Et les peuples
avec équité.

99 L'Éternel règne : les peuples tremblent ; Il est assis sur les chérubins : la terre chancelle. L'Éternel
est grand dans Sion, Il est élevé au-dessus de tous les peuples. Qu'on célèbre ton nom grand et redou-
table ! Il est saint ! Qu'on célèbre la force du roi qui aime la justice ! Tu affermis la droiture, Tu exerces
en Jacob la justice et l'équité. Exaltez l'Éternel, notre Dieu, Et prosternez -vous devant son marche-
pied ! Il est saint ! Moïse et Aaron parmi ses sacrificateurs, Et Samuel parmi ceux qui invoquaient son
nom, Invoquèrent l'Éternel, et il les exauça. Il leur parla dans la colonne de nuée ; Ils observèrent ses
commandements Et la loi qu'il leur donna. Éternel, notre Dieu, tu les exauças, Tu fus pour eux un
Dieu qui pardonne, Mais tu les as punis de leurs fautes. Exaltez l'Éternel, notre Dieu, Et prosternez
-vous sur sa montagne sainte ! Car il est saint, l'Éternel, notre Dieu !

100 Psaume de louange. Poussez vers l'Éternel des cris de joie, Vous tous, habitants de la terre ! Servez
l'Éternel, avec joie, Venez avec allégresse en sa présence ! Sachez que l'Éternel est Dieu ! C'est lui qui
nous a faits, et nous lui appartenons ; Nous sommes son peuple, et le troupeau de son pâturage. Entrez
dans ses portes avec des louanges, Dans ses parvis avec des cantiques ! Célébrez -le, bénissez son nom !
Car l'Éternel est bon ; sa bonté dure toujours, Et sa fidélité de génération en génération.

101 De David. Psaume. Je chanterai la bonté et la justice ; C'est à toi, Éternel ! que je chanterai. Je
prendrai garde à la voie droite. Quand viendras -tu à moi ? Je marcherai dans l'intégrité de mon coeur,
Au milieu de ma maison. Je ne mettrai rien de mauvais devant mes yeux ; Je hais la conduite des
pécheurs ; Elle ne s'attachera point à moi. Le coeur pervers s'éloignera de moi ; Je ne veux pas connaître
le méchant. Celui qui calomnie en secret son prochain, je l'anéantirai ; Celui qui a des regards hautains
et un coeur enflé, je ne le supporterai pas. J'aurai les yeux sur les fidèles du pays, Pour qu'ils demeurent
auprès de moi ; Celui qui marche dans une voie intègre sera mon serviteur. Celui qui se livre à la
fraude n'habitera pas dans ma maison ; Celui qui dit des mensonges ne subsistera pas en ma présence.
Chaque matin j'anéantirai tous les méchants du pays, Afin d'exterminer de la ville de l'Éternel Tous
ceux qui commettent l'iniquité.

102 Prière d'un malheureux, lorsqu'il est abattu et qu'il répand sa plainte devant l'Éternel. Éternel,
écoute ma prière, Et que mon cri parvienne jusqu'à toi ! Ne me cache pas ta face au jour de ma détresse !
Incline vers moi ton oreille quand je crie ! Hâte -toi de m'exaucer ! Car mes jours s'évanouissent en
fumée, Et mes os sont enflammés comme un tison. Mon coeur est frappé et se dessèche comme l'herbe ;
J'oublie même de manger mon pain. Mes gémissements sont tels Que mes os s'attachent à ma chair.
Je ressemble au pélican du désert, Je suis comme le chat-huant des ruines ; Je n'ai plus de sommeil,
et je suis Comme l'oiseau solitaire sur un toit. Chaque jour mes ennemis m'outragent, Et c'est par moi
que jurent mes adversaires en fureur. Je mange la poussière au lieu de pain, Et je mêle des larmes
à ma boisson, À cause de ta colère et de ta fureur ; Car tu m'as soulevé et jeté au loin. Mes jours
sont comme l'ombre à son déclin, Et je me dessèche comme l'herbe. Mais toi, Éternel ! tu règnes à
perpétuité, Et ta mémoire dure de génération en génération. Tu te lèveras, tu auras pitié de Sion ; Car
le temps d'avoir pitié d'elle, Le temps fixé est à son terme ; Car tes serviteurs en aiment les pierres,
Ils en chérissent la poussière. Alors les nations craindront le nom de l'Éternel, Et tous les rois de la
terre ta gloire. Oui, l'Éternel rebâtira Sion, Il se montrera dans sa gloire. Il est attentif à la prière du
misérable, Il ne dédaigne pas sa prière. Que cela soit écrit pour la génération future, Et que le peuple
qui sera créé célèbre l'Éternel ! Car il regarde du lieu élevé de sa sainteté ; Du haut des cieux l'Éternel
regarde sur la terre, Pour écouter les gémissements des captifs, Pour délivrer ceux qui vont périr,
Afin qu'ils publient dans Sion le nom de l'Éternel, Et ses louanges dans Jérusalem, Quand tous les
peuples s'assembleront, Et tous les royaumes, pour servir l'Éternel. Il a brisé ma force dans la route,
Il a abrégé mes jours. Je dis : Mon Dieu, ne m'enlève pas au milieu de mes jours, Toi, dont les années
durent éternellement ! Tu as anciennement fondé la terre, Et les cieux sont l'ouvrage de tes mains.
Ils périront, mais tu subsisteras ; Ils s'useront tous comme un vêtement ; Tu les changeras comme un

habit, et ils seront changés. Mais toi, tu restes le même, Et tes années ne finiront point. Les fils de tes 27, 28
serviteurs habiteront leur pays, Et leur postérité s'affermira devant toi.

De David. Mon âme, bénis l'Éternel ! Que tout ce qui est en moi bénisse son saint nom ! Mon âme, **103**, 2
bénis l'Éternel, Et n'oublie aucun de ses bienfaits ! C'est lui qui pardonne toutes tes iniquités, Qui 3
guérit toutes tes maladies ; C'est lui qui délivre ta vie de la fosse, Qui te couronne de bonté et de 4
miséricorde ; C'est lui qui rassasie de biens ta vieillesse, Qui te fait rajeunir comme l'aigle. L'Éternel 5, 6
fait justice, Il fait droit à tous les opprimés. Il a manifesté ses voies à Moïse, Ses oeuvres aux enfants 7
d'Israël. L'Éternel est miséricordieux et compatissant, Lent à la colère et riche en bonté ; Il ne conteste 8, 9
pas sans cesse, Il ne garde pas sa colère à toujours ; Il ne nous traite pas selon nos péchés, Il ne nous 10
punit pas selon nos iniquités. Mais autant les cieux sont élevés au-dessus de la terre, Autant sa bonté 11
est grande pour ceux qui le craignent ; Autant l'orient est éloigné de l'occident, Autant il éloigne de 12
nous nos transgressions. Comme un père a compassion de ses enfants, L'Éternel a compassion de ceux 13
qui le craignent. Car il sait de quoi nous sommes formés, Il se souvient que nous sommes poussière. 14
L'homme ! ses jours sont comme l'herbe, Il fleurit comme la fleur des champs. Lorsqu'un vent passe sur 15, 16
elle, elle n'est plus, Et le lieu qu'elle occupait ne la reconnaît plus. Mais la bonté de l'Éternel dure à 17
jamais pour ceux qui le craignent, Et sa miséricorde pour les enfants de leurs enfants, Pour ceux qui 18
gardent son alliance, Et se souviennent de ses commandements afin de les accomplir. L'Éternel a établi 19
son trône dans les cieux, Et son règne domine sur toutes choses. Bénissez l'Éternel, vous ses anges, 20
Qui êtes puissants en force, et qui exécutez ses ordres, En obéissant à la voix de sa parole ! Bénissez 21
l'Éternel, vous toutes ses armées, Qui êtes ses serviteurs, et qui faites sa volonté ! Bénissez l'Éternel, 22
vous toutes ses oeuvres, Dans tous les lieux de sa domination ! Mon âme, bénis l'Éternel !

Mon âme, bénis l'Éternel ! Éternel, mon Dieu, tu es infiniment grand ! Tu es revêtu d'éclat et de **104**
magnificence ! Il s'enveloppe de lumière comme d'un manteau ; Il étend les cieux comme un pavillon. 2
Il forme avec les eaux le faîte de sa demeure ; Il prend les nuées pour son char, Il s'avance sur les ailes 3
du vent. Il fait des vents ses messagers, Des flammes de feu ses serviteurs. Il a établi la terre sur 4, 5
ses fondements, Elle ne sera jamais ébranlée. Tu l'avais couverte de l'abîme comme d'un vêtement, 6
Les eaux s'arrêtaient sur les montagnes ; Elles ont fui devant ta menace, Elles se sont précipitées à la 7
voix de ton tonnerre. Des montagnes se sont élevées, des vallées se sont abaissées, Au lieu que tu leur 8
avais fixé. Tu as posé une limite que les eaux ne doivent point franchir, Afin qu'elles ne reviennent 9
plus couvrir la terre. Il conduit les sources dans des torrents Qui coulent entre les montagnes. Elles 10, 11
abreuvent tous les animaux des champs ; Les ânes sauvages y étanchent leur soif. Les oiseaux du ciel 12
habitent sur leurs bords, Et font résonner leur voix parmi les rameaux. De sa haute demeure, il arrose 13
les montagnes ; La terre est rassasiée du fruit de tes oeuvres. Il fait germer l'herbe pour le bétail, Et 14
les plantes pour les besoins de l'homme, Afin que la terre produise de la nourriture, Le vin qui réjouit 15
le coeur de l'homme, Et fait plus que l'huile resplendir son visage, Et le pain qui soutient le coeur de
l'homme. Les arbres de l'Éternel se rassasient, Les cèdres du Liban, qu'il a plantés. C'est là que les 16, 17
oiseaux font leurs nids ; La cigogne a sa demeure dans les cyprès, Les montagnes élevées sont pour 18
les boucs sauvages, Les rochers servent de retraite aux damans. Il a fait la lune pour marquer les 19
temps ; Le soleil sait quand il doit se coucher. Tu amènes les ténèbres, et il est nuit : Alors tous les 20
animaux des forêts sont en mouvement ; Les lionceaux rugissent après la proie, Et demandent à Dieu 21
leur nourriture. Le soleil se lève : ils se retirent, Et se couchent dans leurs tanières. L'homme sort 22, 23
pour se rendre à son ouvrage, Et à son travail, jusqu'au soir. Que tes oeuvres sont en grand nombre, ô 24
Éternel ! Tu les as toutes faites avec sagesse. La terre est remplie de tes biens. Voici la grande et vaste 25
mer : Là se meuvent sans nombre Des animaux petits et grands ; Là se promènent les navires, Et ce 26
léviathan que tu as formé pour se jouer dans les flots. Tous ces animaux espèrent en toi, Pour que tu 27
leur donnes la nourriture en son temps. Tu la leur donnes, et ils la recueillent ; Tu ouvres ta main, et 28
ils se rassasient de biens. Tu caches ta face : ils sont tremblants ; Tu leur retires le souffle : ils expirent, 29
Et retournent dans leur poussière. Tu envoies ton souffle : ils sont créés, Et tu renouvelles la face de 30
la terre. Que la gloire de l'Éternel subsiste à jamais ! Que l'Éternel se réjouisse de ses oeuvres ! Il 31, 32
regarde la terre, et elle tremble ; Il touche les montagnes, et elles sont fumantes. Je chanterai l'Éternel 33
tant que je vivrai, Je célébrerai mon Dieu tant que j'existerai. Que mes paroles lui soient agréables ! Je 34
veux me réjouir en l'Éternel. Que les pécheurs disparaissent de la terre, Et que les méchants ne soient 35
plus ! Mon âme, bénis l'Éternel ! Louez l'Éternel !

Louez l'Éternel, invoquez son nom ! Faites connaître parmi les peuples ses hauts faits ! Chantez, **105**, 2
chantez en son honneur ! Parlez de toutes ses merveilles ! Glorifiez -vous de son saint nom ! Que le 3
coeur de ceux qui cherchent l'Éternel se réjouisse ! Ayez recours à l'Éternel et à son appui, Cherchez 4

continuellement sa face ! Souvenez -vous des prodiges qu'il a faits, De ses miracles et des jugements de
6, 7 sa bouche, Postérité d'Abraham, son serviteur, Enfants de Jacob, ses élus ! L'Éternel est notre Dieu ;
8 Ses jugements s'exercent sur toute la terre. Il se rappelle à toujours son alliance, Ses promesses pour
9, 10 mille générations, L'alliance qu'il a traitée avec Abraham, Et le serment qu'il a fait à Isaac ; Il l'a
11 érigée pour Jacob en loi, Pour Israël en alliance éternelle, Disant : Je te donnerai le pays de Canaan
12 Comme héritage qui vous est échu. Ils étaient alors peu nombreux, Très peu nombreux, et étrangers
13, 14 dans le pays, Et ils allaient d'une nation à l'autre Et d'un royaume vers un autre peuple ; Mais il ne
15 permit à personne de les opprimer, Et il châtia des rois à cause d'eux : Ne touchez pas à mes oints,
16 Et ne faites pas de mal à mes prophètes ! Il appela sur le pays la famine, Il coupa tout moyen de
17, 18 subsistance. Il envoya devant eux un homme : Joseph fut vendu comme esclave. On serra ses pieds
19 dans des liens, On le mit aux fers, Jusqu'au temps où arriva ce qu'il avait annoncé, Et où la parole de
20, 21 l'Éternel l'éprouva. Le roi fit ôter ses liens, Le dominateur des peuples le délivra. Il l'établit seigneur
22 sur sa maison, Et gouverneur de tous ses biens, Afin qu'il pût à son gré enchaîner ses princes, Et qu'il
23 enseignât la sagesse à ses anciens. Alors Israël vint en Égypte, Et Jacob séjourna dans le pays de
24, 25 Cham. Il rendit son peuple très fécond, Et plus puissant que ses adversaires. Il changea leur coeur,
26 au point qu'ils haïrent son peuple Et qu'ils traitèrent ses serviteurs avec perfidie. Il envoya Moïse, son
27 serviteur, Et Aaron, qu'il avait choisi. Ils accomplirent par son pouvoir des prodiges au milieu d'eux, Ils
28 firent des miracles dans le pays de Cham. Il envoya des ténèbres et amena l'obscurité, Et ils ne furent
29, 30 pas rebelles à sa parole. Il changea leurs eaux en sang, Et fit périr leurs poissons. Le pays fourmilla
31 de grenouilles, Jusque dans les chambres de leurs rois. Il dit, et parurent les mouches venimeuses,
32 Les poux sur tout leur territoire. Il leur donna pour pluie de la grêle, Des flammes de feu dans leur
33, 34 pays. Il frappa leurs vignes et leurs figuiers, Et brisa les arbres de leur contrée. Il dit, et parurent
35 les sauterelles, Des sauterelles sans nombre, Qui dévorèrent toute l'herbe du pays, Qui dévorèrent les
36 fruits de leurs champs. Il frappa tous les premiers-nés dans leur pays, Toutes les prémices de leur force.
37, 38 Il fit sortir son peuple avec de l'argent et de l'or, Et nul ne chancela parmi ses tribus. Les Égyptiens se
39 réjouirent de leur départ, Car la terreur qu'ils avaient d'eux les saisissait. Il étendit la nuée pour les
40 couvrir, Et le feu pour éclairer la nuit. À leur demande, il fit venir des cailles, Et il les rassasia du pain
41 du ciel. Il ouvrit le rocher, et des eaux coulèrent ; Elles se répandirent comme un fleuve dans les lieux
42, 43 arides. Car il se souvint de sa parole sainte, Et d'Abraham, son serviteur. Il fit sortir son peuple dans
44 l'allégresse, Ses élus au milieu des cris de joie. Il leur donna les terres des nations, Et ils possédèrent
45 le fruit du travail des peuples, Afin qu'ils gardassent ses ordonnances, Et qu'ils observassent ses lois.
Louez l'Éternel !

106, 2 Louez l'Éternel ! Louez l'Éternel, car il est bon, Car sa miséricorde dure à toujours ! Qui dira les
3 hauts faits de l'Éternel ? Qui publiera toute sa louange ? Heureux ceux qui observent la loi, Qui pra-
4 tiquent la justice en tout temps ! Éternel, souviens -toi de moi dans ta bienveillance pour ton peuple !
5 Souviens -toi de moi en lui accordant ton secours, Afin que je voie le bonheur de tes élus, Que je me
6 réjouisse de la joie de ton peuple, Et que je me glorifie avec ton héritage ! Nous avons péché comme
7 nos pères, Nous avons commis l'iniquité, nous avons fait le mal. Nos pères en Égypte ne furent pas
attentifs à tes miracles, Ils ne se rappelèrent pas la multitude de tes grâces, Ils furent rebelles près de
8, 9 la mer, près de la mer Rouge. Mais il les sauva à cause de son nom, Pour manifester sa puissance. Il
menaça la mer Rouge, et elle se dessécha ; Et il les fit marcher à travers les abîmes comme dans un
10, 11 désert. Il les sauva de la main de celui qui les haïssait, Il les délivra de la main de l'ennemi. Les eaux
12 couvrirent leurs adversaires : Il n'en resta pas un seul. Et ils crurent à ses paroles, Ils chantèrent ses
13, 14 louanges. Mais ils oublièrent bientôt ses oeuvres, Ils n'attendirent pas l'exécution de ses desseins. Ils
15 furent saisis de convoitise dans le désert, Et ils tentèrent Dieu dans la solitude. Il leur accorda ce qu'ils
16 demandaient ; Puis il envoya le dépérissement dans leur corps. Ils se montrèrent, dans le camp, jaloux
17 contre Moïse, Contre Aaron, le saint de l'Éternel. La terre s'ouvrit et engloutit Dathan, Et elle se re-
18, 19 ferma sur la troupe d'Abiram ; Le feu embrasa leur troupe, La flamme consuma les méchants. Ils firent
20 un veau en Horeb, Ils se prosternèrent devant une image de fonte, Ils échangèrent leur gloire Contre la
21 figure d'un boeuf qui mange l'herbe. Ils oublièrent Dieu, leur sauveur, Qui avait fait de grandes choses
22, 23 en Égypte, Des miracles dans le pays de Cham, Des prodiges sur la mer Rouge. Et il parla de les
exterminer ; Mais Moïse, son élu, se tint à la brèche devant lui, Pour détourner sa fureur et l'empêcher
24, 25 de les détruire. Ils méprisèrent le pays des délices ; Ils ne crurent pas à la parole de l'Éternel, Ils
26 murmurèrent dans leurs tentes, Ils n'obéirent point à sa voix. Et il leva la main pour jurer De les faire
27 tomber dans le désert, De faire tomber leur postérité parmi les nations, Et de les disperser au milieu
28, 29 des pays. Ils s'attachèrent à Baal-Peor, Et mangèrent des victimes sacrifiées aux morts. Ils irritèrent
30 l'Éternel par leurs actions, Et une plaie fit irruption parmi eux. Phinées se leva pour intervenir, Et la

plaie s'arrêta ; Cela lui fut imputé à justice, De génération en génération pour toujours. Ils irritèrent 31, 32
l'Éternel près des eaux de Meriba ; Et Moïse fut puni à cause d'eux, Car ils aigrirent son esprit, Et il 33
s'exprima légèrement des lèvres. Ils ne détruisirent point les peuples Que l'Éternel leur avait ordonné 34
de détruire. Ils se mêlèrent avec les nations, Et ils apprirent leurs oeuvres. Ils servirent leurs idoles, 35, 36
Qui furent pour eux un piège ; Ils sacrifièrent leurs fils Et leurs filles aux idoles, Ils répandirent le 37, 38
sang innocent, Le sang de leurs fils et de leurs filles, Qu'ils sacrifièrent aux idoles de Canaan, Et le pays
fut profané par des meurtres. Ils se souillèrent par leurs oeuvres, Ils se prostituèrent par leurs actions. 39
La colère de l'Éternel s'enflamma contre son peuple, Et il prit en horreur son héritage. Il les livra entre 40, 41
les mains des nations ; Ceux qui les haïssaient dominèrent sur eux ; Leurs ennemis les opprimèrent, 42
Et ils furent humiliés sous leur puissance. Plusieurs fois il les délivra ; Mais ils se montrèrent rebelles 43
dans leurs desseins, Et ils devinrent malheureux par leur iniquité. Il vit leur détresse, Lorsqu'il enten- 44
dit leurs supplications. Il se souvint en leur faveur de son alliance ; Il eut pitié selon sa grande bonté, 45, 46
Et il excita pour eux la compassion De tous ceux qui les retenaient captifs. Sauve -nous, Éternel, notre 47
Dieu ! Et rassemble -nous du milieu des nations, Afin que nous célébrions ton saint nom, Et que nous
mettions notre gloire à te louer ! Béni soit l'Éternel, le Dieu d'Israël, d'éternité en éternité ! Et que tout 48
le peuple dise : Amen ! Louez l'Éternel !

Louez l'Éternel, car il est bon, Car sa miséricorde dure à toujours ! Qu'ainsi disent les rachetés **107**, 2
de l'Éternel, Ceux qu'il a délivrés de la main de l'ennemi, Et qu'il a rassemblés de tous les pays, De 3
l'orient et de l'occident, du nord et de la mer ! Ils erraient dans le désert, ils marchaient dans la solitude, 4
Sans trouver une ville où ils pussent habiter. Ils souffraient de la faim et de la soif ; Leur âme était 5
languissante. Dans leur détresse, ils crièrent à l'Éternel, Et il les délivra de leurs angoisses ; Il les 6, 7
conduisit par le droit chemin, Pour qu'ils arrivassent dans une ville habitable. Qu'ils louent l'Éternel 8
pour sa bonté, Et pour ses merveilles en faveur des fils de l'homme ! Car il a satisfait l'âme altérée, 9
Il a comblé de biens l'âme affamée. Ceux qui avaient pour demeure les ténèbres et l'ombre de la mort 10
Vivaient captifs dans la misère et dans les chaînes, Parce qu'ils s'étaient révoltés contre les paroles 11
de Dieu, Parce qu'ils avaient méprisé le conseil du Très-Haut. Il humilia leur coeur par la souffrance ; 12
Ils succombèrent, et personne ne les secourut. Dans leur détresse, ils crièrent à l'Éternel, Et il les 13
délivra de leurs angoisses ; Il les fit sortir des ténèbres et de l'ombre de la mort, Et il rompit leurs 14
liens. Qu'ils louent l'Éternel pour sa bonté, Et pour ses merveilles en faveur des fils de l'homme ! Car 15, 16
il a brisé les portes d'airain, Il a rompu les verrous de fer. Les insensés, par leur conduite coupable Et 17
par leurs iniquités, s'étaient rendus malheureux. Leur âme avait en horreur toute nourriture, Et ils 18
touchaient aux portes de la mort. Dans leur détresse, ils crièrent à l'Éternel, Et il les délivra de leurs 19
angoisses ; Il envoya sa parole et les guérit, Il les fit échapper de la fosse. Qu'ils louent l'Éternel pour 20, 21
sa bonté, Et pour ses merveilles en faveur des fils de l'homme ! Qu'ils offrent des sacrifices d'actions 22
de grâces, Et qu'ils publient ses oeuvres avec des cris de joie ! Ceux qui étaient descendus sur la mer 23
dans des navires, Et qui travaillaient sur les grandes eaux, Ceux-là virent les oeuvres de l'Éternel 24
Et ses merveilles au milieu de l'abîme. Il dit, et il fit souffler la tempête, Qui souleva les flots de la 25
mer. Ils montaient vers les cieux, ils descendaient dans l'abîme ; Leur âme était éperdue en face du 26
danger ; Saisis de vertige, ils chancelaient comme un homme ivre, Et toute leur habileté était anéantie. 27
Dans leur détresse, ils crièrent à l'Éternel, Et il les délivra de leurs angoisses ; Il arrêta la tempête, 28, 29
ramena le calme, Et les ondes se turent. Ils se réjouirent de ce qu'elles s'étaient apaisées, Et l'Éternel 30
les conduisit au port désiré. Qu'ils louent l'Éternel pour sa bonté, Et pour ses merveilles en faveur 31
des fils de l'homme ! Qu'ils l'exaltent dans l'assemblée du peuple, Et qu'ils le célèbrent dans la réunion 32
des anciens ! Il change les fleuves en désert, Et les sources d'eaux en terre desséchée, Le pays fertile 33, 34
en pays salé, À cause de la méchanceté de ses habitants. Il change le désert en étang, Et la terre 35
aride en sources d'eaux, Et il y établit ceux qui sont affamés. Ils fondent une ville pour l'habiter ; 36
Ils ensemencent des champs, plantent des vignes, Et ils en recueillent les produits. Il les bénit, et 37, 38
ils deviennent très nombreux, Et il ne diminue point leur bétail. Sont-ils amoindris et humiliés Par 39
l'oppression, le malheur et la souffrance ; Verse -t-il le mépris sur les grands, Les fait-il errer dans des 40
déserts sans chemin, Il relève l'indigent et le délivre de la misère, Il multiplie les familles comme des 41
troupeaux. Les hommes droits le voient et se réjouissent, Mais toute iniquité ferme la bouche. Que 42, 43
celui qui est sage prenne garde à ces choses, Et qu'il soit attentif aux bontés de l'Éternel.

Cantique. Psaume de David. Mon coeur est affermi, ô Dieu ! Je chanterai, je ferai retentir mes ins- **108**
truments : c'est ma gloire ! Réveillez -vous, mon luth et ma harpe ! Je réveillerai l'aurore. Je te louerai 2, 3
parmi les peuples, Éternel ! Je te chanterai parmi les nations. Car ta bonté s'élève au-dessus des cieux, 4

Et ta fidélité jusqu'aux nues. Élève -toi sur les cieux, ô Dieu ! Et que ta gloire soit sur toute la terre !
Afin que tes bien-aimés soient délivrés, Sauve par ta droite, et exauce -nous ! Dieu a dit dans sa sainteté : Je triompherai, Je partagerai Sichem, je mesurerai la vallée de Succoth ; À moi Galaad, à moi Manassé ; Éphraïm est le rempart de ma tête, Et Juda, mon sceptre ; Moab est le bassin où je me lave ; Je jette mon soulier sur Édom ; Je pousse des cris de joie sur le pays des Philistins ! Qui me mènera dans la ville forte ? Qui me conduit à Édom ? N'est-ce pas toi, ô Dieu, qui nous as repoussés, Et qui ne sortais plus, ô Dieu, avec nos armées ? Donne -nous du secours contre la détresse ! Le secours de l'homme n'est que vanité. Avec Dieu, nous ferons des exploits ; Il écrasera nos ennemis.

109 Au chef des chantres. De David. Psaume. Dieu de ma louange, ne te tais point ! Car ils ouvrent contre moi une bouche méchante et trompeuse, Ils me parlent avec une langue mensongère, Ils m'environnent de discours haineux Et ils me font la guerre sans cause. Tandis que je les aime, ils sont mes adversaires ; Mais moi je recours à la prière. Ils me rendent le mal pour le bien, Et de la haine pour mon amour. Place -le sous l'autorité d'un méchant, Et qu'un accusateur se tienne à sa droite ! Quand on le jugera, qu'il soit déclaré coupable, Et que sa prière passe pour un péché ! Que ses jours soient peu nombreux, Qu'un autre prenne sa charge ! Que ses enfants deviennent orphelins, Et sa femme veuve ! Que ses enfants soient vagabonds et qu'ils mendient, Qu'ils cherchent du pain loin de leur demeure en ruines ! Que le créancier s'empare de tout ce qui est à lui, Et que les étrangers pillent le fruit de son travail ! Que nul ne conserve pour lui de l'affection, Et que personne n'ait pitié de ses orphelins ! Que ses descendants soient exterminés, Et que leur nom s'éteigne dans la génération suivante ! Que l'iniquité de ses pères reste en souvenir devant l'Éternel, Et que le péché de sa mère ne soit point effacé ! Qu'ils soient toujours présents devant l'Éternel, Et qu'il retranche de la terre leur mémoire, Parce qu'il ne s'est pas souvenu d'exercer la miséricorde, Parce qu'il a persécuté le malheureux et l'indigent, Jusqu'à faire mourir l'homme au coeur brisé ! Il aimait la malédiction : qu'elle tombe sur lui ! Il ne se plaisait pas à la bénédiction : qu'elle s'éloigne de lui ! Qu'il revête la malédiction comme son vêtement, Qu'elle pénètre comme de l'eau dans son intérieur, Comme de l'huile dans ses os ! Qu'elle lui serve de vêtement pour se couvrir, De ceinture dont il soit toujours ceint ! Tel soit, de la part de l'Éternel, le salaire de mes ennemis, Et de ceux qui parlent méchamment de moi ! Et toi, Éternel, Seigneur ! agis en ma faveur à cause de ton nom, Car ta bonté est grande ; délivre -moi ! Je suis malheureux et indigent, Et mon coeur est blessé au dedans de moi. Je m'en vais comme l'ombre à son déclin, Je suis chassé comme la sauterelle. Mes genoux sont affaiblis par le jeûne, Et mon corps est épuisé de maigreur. Je suis pour eux un objet d'opprobre ; Ils me regardent, et secouent la tête. Secours -moi, Éternel, mon Dieu ! Sauve -moi par ta bonté ! Et qu'ils sachent que c'est ta main, Que c'est toi, Éternel, qui l'as fait ! S'ils maudissent, toi tu béniras ; S'ils se lèvent, ils seront confus, Et ton serviteur se réjouira. Que mes adversaires revêtent l'ignominie, Qu'ils se couvrent de leur honte comme d'un manteau ! Je louerai de ma bouche hautement l'Éternel, Je le célébrerai au milieu de la multitude ; Car il se tient à la droite du pauvre, Pour le délivrer de ceux qui le condamnent.

110 De David. Psaume. Parole de l'Éternel à mon Seigneur : Assieds -toi à ma droite, Jusqu'à ce que je fasse de tes ennemis ton marchepied. L'Éternel étendra de Sion le sceptre de ta puissance : Domine au milieu de tes ennemis ! Ton peuple est plein d'ardeur, quand tu rassembles ton armée ; Avec des ornements sacrés, du sein de l'aurore Ta jeunesse vient à toi comme une rosée. L'Éternel l'a juré, et il ne s'en repentira point : Tu es sacrificateur pour toujours, À la manière de Melchisédek. Le Seigneur, à ta droite, Brise des rois au jour de sa colère. Il exerce la justice parmi les nations : tout est plein de cadavres ; Il brise des têtes sur toute l'étendue du pays. Il boit au torrent pendant la marche : C'est pourquoi il relève la tête.

111 Louez l'Éternel ! Je louerai l'Éternel de tout mon coeur, Dans la réunion des hommes droits et dans l'assemblée. Les oeuvres de l'Éternel sont grandes, Recherchées par tous ceux qui les aiment. Son oeuvre n'est que splendeur et magnificence, Et sa justice subsiste à jamais. Il a laissé la mémoire de ses prodiges, L'Éternel miséricordieux et compatissant. Il a donné de la nourriture à ceux qui le craignent ; Il se souvient toujours de son alliance. Il a manifesté à son peuple la puissance de ses oeuvres, En lui livrant l'héritage des nations. Les oeuvres de ses mains sont fidélité et justice ; Toutes ses ordonnances sont véritables, Affermies pour l'éternité, Faites avec fidélité et droiture. Il a envoyé la délivrance à son peuple, Il a établi pour toujours son alliance ; Son nom est saint et redoutable. La crainte de l'Éternel est le commencement de la sagesse ; Tous ceux qui l'observent ont une raison saine. Sa gloire subsiste à jamais.

112 Louez l'Éternel ! Heureux l'homme qui craint l'Éternel, Qui trouve un grand plaisir à ses commandements. Sa postérité sera puissante sur la terre, La génération des hommes droits sera bénie. Il a dans

sa maison bien-être et richesse, Et sa justice subsiste à jamais. La lumière se lève dans les ténèbres 4
pour les hommes droits, Pour celui qui est miséricordieux, compatissant et juste. Heureux l'homme qui 5
exerce la miséricorde et qui prête. Qui règle ses actions d'après la justice. Car il ne chancelle jamais ; 6
La mémoire du juste dure toujours. Il ne craint point les mauvaises nouvelles ; Son coeur est ferme, 7
confiant en l'Éternel. Son coeur est affermi ; il n'a point de crainte, Jusqu'à ce qu'il mette son plaisir à 8
regarder ses adversaires. Il fait des largesses, il donne aux indigents ; Sa justice subsiste à jamais ; Sa 9
tête s'élève avec gloire, Le méchant le voit et s'irrite, Il grince les dents et se consume ; Les désirs des 10
méchants périssent.

Louez l'Éternel ! Serviteurs de l'Éternel, louez, Louez le nom de l'Éternel ! Que le nom de l'Éternel **113**, 2
soit béni, Dès maintenant et à jamais ! Du lever du soleil jusqu'à son couchant, Que le nom de l'Éternel 3
soit célébré ! L'Éternel est élevé au-dessus de toutes les nations, Sa gloire est au-dessus des cieux. Qui 4, 5
est semblable à l'Éternel, notre Dieu ? Il a sa demeure en haut ; Il abaisse les regards Sur les cieux et 6
sur la terre. De la poussière il retire le pauvre, Du fumier il relève l'indigent, Pour les faire asseoir 7, 8
avec les grands, Avec les grands de son peuple. Il donne une maison à celle qui était stérile, Il en fait 9
une mère joyeuse au milieu de ses enfants. Louez l'Éternel !

Quand Israël sortit d'Égypte, Quand la maison de Jacob s'éloigna d'un peuple barbare, Juda devint **114**, 2
son sanctuaire, Israël fut son domaine. La mer le vit et s'enfuit, Le Jourdain retourna en arrière ; Les 3, 4
montagnes sautèrent comme des béliers, Les collines comme des agneaux. Qu'as-tu, mer, pour t'enfuir, 5
Jourdain, pour retourner en arrière ? Qu'avez-vous, montagnes, pour sauter comme des béliers, Et 6
vous, collines, comme des agneaux ? Tremble devant le Seigneur, ô terre ! Devant le Dieu de Jacob, 7
Qui change le rocher en étang, Le roc en source d'eaux. 8

Non pas à nous, Éternel, non pas à nous, Mais à ton nom donne gloire, À cause de ta bonté, à cause de **115**
ta fidélité ! Pourquoi les nations diraient -elles : Où donc est leur Dieu ? Notre Dieu est au ciel, Il fait 2, 3
tout ce qu'il veut. Leurs idoles sont de l'argent et de l'or, Elles sont l'ouvrage de la main des hommes. 4
Elles ont une bouche et ne parlent point, Elles ont des yeux et ne voient point, Elles ont des oreilles 5, 6
et n'entendent point, Elles ont un nez et ne sentent point, Elles ont des mains et ne touchent point, 7
Des pieds et ne marchent point, Elles ne produisent aucun son dans leur gosier. Ils leur ressemblent, 8
ceux qui les fabriquent, Tous ceux qui se confient en elles. Israël, confie -toi en l'Éternel ! Il est leur 9
secours et leur bouclier. Maison d'Aaron, confie -toi en l'Éternel ! Il est leur secours et leur bouclier. 10
Vous qui craignez l'Éternel, confiez -vous en l'Éternel ! Il est leur secours et leur bouclier. L'Éternel se 11, 12
souvient de nous : il bénira, Il bénira la maison d'Israël, Il bénira la maison d'Aaron, Il bénira ceux 13
qui craignent l'Éternel, les petits et les grands ; L'Éternel vous multipliera ses faveurs, À vous et à 14
vos enfants. Soyez bénis par l'Éternel, Qui a fait les cieux et la terre ! Les cieux sont les cieux de 15, 16
l'Éternel, Mais il a donné la terre aux fils de l'homme. Ce ne sont pas les morts qui célèbrent l'Éternel, 17
Ce n'est aucun de ceux qui descendent dans le lieu du silence ; Mais nous, nous bénirons l'Éternel, Dès 18
maintenant et à jamais. Louez l'Éternel !

J'aime l'Éternel, car il entend Ma voix, mes supplications ; Car il a penché son oreille vers moi ; Et **116**, 2
je l'invoquerai toute ma vie. Les liens de la mort m'avaient environné, Et les angoisses du sépulcre 3
m'avaient saisi ; J'étais en proie à la détresse et à la douleur. Mais j'invoquai le nom de l'Éternel : O 4
Éternel, sauve mon âme ! L'Éternel est miséricordieux et juste, Notre Dieu est plein de compassion ; 5
L'Éternel garde les simples ; J'étais malheureux, et il m'a sauvé. Mon âme, retourne à ton repos, Car 6, 7
l'Éternel t'a fait du bien. Oui, tu as délivré mon âme de la mort, Mes yeux des larmes, Mes pieds de la 8
chute. Je marcherai devant l'Éternel, Sur la terre des vivants. J'avais confiance, lorsque je disais : Je 9, 10
suis bien malheureux ! Je disais dans mon angoisse : Tout homme est trompeur. Comment rendrai -je 11, 12
à l'Éternel Tous ses bienfaits envers moi ? J'élèverai la coupe des délivrances, Et j'invoquerai le nom 13
de l'Éternel ; J'accomplirai mes voeux envers l'Éternel, En présence de tout son peuple. Elle a du prix 14, 15
aux yeux de l'Éternel, La mort de ceux qui l'aiment. Écoute-moi, ô Éternel ! car je suis ton serviteur, 16
Ton serviteur, fils de ta servante. Tu as détaché mes liens. Je t'offrirai un sacrifice d'actions de grâces, 17
Et j'invoquerai le nom de l'Éternel ; J'accomplirai mes voeux envers l'Éternel, En présence de tout son 18
peuple, Dans les parvis de la maison de l'Éternel, Au milieu de toi, Jérusalem ! Louez l'Éternel ! 19

Louez l'Éternel, vous toutes les nations, Célébrez -le, vous tous les peuples ! Car sa bonté pour nous **117**, 2
est grande, Et sa fidélité dure à toujours. Louez l'Éternel !

Louez l'Éternel, car il est bon, Car sa miséricorde dure à toujours ! Qu'Israël dise : Car sa miséri- **118**, 2
corde dure à toujours ! Que la maison d'Aaron dise : Car sa miséricorde dure à toujours ! Que ceux 3, 4

qui craignent l'Éternel disent : Car sa miséricorde dure à toujours ! Du sein de la détresse j'ai invoqué l'Éternel : L'Éternel m'a exaucé, m'a mis au large. L'Éternel est pour moi, je ne crains rien : Que peuvent me faire des hommes ? L'Éternel est mon secours, Et je me réjouis à la vue de mes ennemis. Mieux vaut chercher un refuge en l'Éternel Que de se confier à l'homme ; Mieux vaut chercher un refuge en l'Éternel Que de se confier aux grands. Toutes les nations m'environnaient : Au nom de l'Éternel, je les taille en pièces. Elles m'environnaient, m'enveloppaient : Au nom de l'Éternel, je les taille en pièces. Elles m'environnaient comme des abeilles ; Elles s'éteignent comme un feu d'épines ; Au nom de l'Éternel, je les taille en pièces. Tu me poussais pour me faire tomber ; Mais l'Éternel m'a secouru. L'Éternel est ma force et le sujet de mes louanges ; C'est lui qui m'a sauvé. Des cris de triomphe et de salut s'élèvent dans les tentes des justes : La droite de l'Éternel manifeste sa puissance ! La droite de l'Éternel est élevée ! La droite de l'Éternel manifeste sa puissance ! Je ne mourrai pas, je vivrai, Et je raconterai les oeuvres de l'Éternel. L'Éternel m'a châtié, Mais il ne m'a pas livré à la mort. Ouvrez -moi les portes de la justice : J'entrerai, je louerai l'Éternel. Voici la porte de l'Éternel : C'est par elle qu'entrent les justes. Je te loue, parce que tu m'as exaucé, Parce que tu m'as sauvé. La pierre qu'ont rejetée ceux qui bâtissaient Est devenue la principale de l'angle. C'est de l'Éternel que cela est venu : C'est un prodige à nos yeux. C'est ici la journée que l'Éternel a faite : Qu'elle soit pour nous un sujet d'allégresse et de joie ! O Éternel, accorde le salut ! O Éternel, donne la prospérité ! Béni soit celui qui vient au nom de l'Éternel ! Nous vous bénissons de la maison de l'Éternel. L'Éternel est Dieu, et il nous éclaire. Attachez la victime avec des liens, Amenez-la jusqu'aux cornes de l'autel ! Tu es mon Dieu, et je te louerai ; Mon Dieu ! je t'exalterai. Louez l'Éternel, car il est bon, Car sa miséricorde dure à toujours !

119 Heureux ceux qui sont intègres dans leur voie, Qui marchent selon la loi de l'Éternel ! Heureux ceux qui gardent ses préceptes, Qui le cherchent de tout leur coeur, Qui ne commettent point d'iniquité, Et qui marchent dans ses voies ! Tu as prescrit tes ordonnances, Pour qu'on les observe avec soin. Puissent mes actions être bien réglées, Afin que je garde tes statuts ! Alors je ne rougirai point, À la vue de tous tes commandements. Je te louerai dans la droiture de mon coeur, En apprenant les lois de ta justice. Je veux garder tes statuts : Ne m'abandonne pas entièrement ! Comment le jeune homme rendra-t-il pur son sentier ? En se dirigeant d'après ta parole. Je te cherche de tout mon coeur : Ne me laisse pas égarer loin de tes commandements ! Je serre ta parole dans mon coeur, Afin de ne pas pécher contre toi. Béni sois-tu, ô Éternel ! Enseigne -moi tes statuts ! De mes lèvres j'énumère Toutes les sentences de ta bouche. Je me réjouis en suivant tes préceptes, Comme si je possédais tous les trésors. Je médite tes ordonnances, J'ai tes sentiers sous les yeux. Je fais mes délices de tes statuts, Je n'oublie point ta parole. Fais du bien à ton serviteur, pour que je vive Et que j'observe ta parole ! Ouvre mes yeux, pour que je contemple Les merveilles de ta loi ! Je suis un étranger sur la terre : Ne me cache pas tes commandements ! Mon âme est brisée par le désir Qui toujours la porte vers tes lois. Tu menaces les orgueilleux, ces maudits, Qui s'égarent loin de tes commandements. Décharge -moi de l'opprobre et du mépris ! Car j'observe tes préceptes. Des princes ont beau s'asseoir et parler contre moi, Ton serviteur médite tes statuts. Tes préceptes font mes délices, Ce sont mes conseillers. Mon âme est attachée à la poussière : Rends-moi la vie selon ta parole ! Je raconte mes voies, et tu m'exauces : Enseigne -moi tes statuts ! Fais-moi comprendre la voie de tes ordonnances, Et je méditerai sur tes merveilles ! Mon âme pleure de chagrin : Relève -moi selon ta parole ! Éloigne de moi la voie du mensonge, Et accorde-moi la grâce de suivre ta loi ! Je choisis la voie de la vérité, Je place tes lois sous mes yeux. Je m'attache à tes préceptes : Éternel, ne me rends point confus ! Je cours dans la voie de tes commandements, Car tu élargis mon coeur. Enseigne -moi, Éternel, la voie de tes statuts, pour que je la retienne jusqu'à la fin ! Donne-moi l'intelligence, pour que je garde ta loi Et que je l'observe de tout mon coeur ! Conduis -moi dans le sentier de tes commandements ! Car je l'aime. Incline mon coeur vers tes préceptes, Et non vers le gain ! Détourne mes yeux de la vue des choses vaines, Fais-moi vivre dans ta voie ! Accomplis envers ton serviteur ta promesse, Qui est pour ceux qui te craignent ! Éloigne de moi l'opprobre que je redoute ! Car tes jugements sont pleins de bonté. Voici, je désire pratiquer tes ordonnances : Fais-moi vivre dans ta justice ! Éternel, que ta miséricorde vienne sur moi, Ton salut selon ta promesse ! Et je pourrai répondre à celui qui m'outrage, Car je me confie en ta parole. N'ôte pas entièrement de ma bouche la parole de la vérité ! Car j'espère en tes jugements. Je garderai ta loi constamment, À toujours et à perpétuité. Je marcherai au large, Car je recherche tes ordonnances. Je parlerai de tes préceptes devant les rois, Et je ne rougirai point. Je fais mes délices de tes commandements. Je les aime. Je lève mes mains vers tes commandements que j'aime, Et je veux

méditer tes statuts. Souviens -toi de ta promesse à ton serviteur, Puisque tu m'as donné l'espérance ! 49
C'est ma consolation dans ma misère, Car ta promesse me rend la vie. Des orgueilleux me chargent 50, 51
de railleries ; Je ne m'écarte point de ta loi. Je pense à tes jugements d'autrefois, ô Éternel ! Et je me 52
console. Une colère ardente me saisit à la vue des méchants Qui abandonnent ta loi. Tes statuts sont le 53, 54
sujet de mes cantiques, Dans la maison où je suis étranger. La nuit je me rappelle ton nom, ô Éternel ! 55
Et je garde ta loi. C'est là ce qui m'est propre, Car j'observe tes ordonnances. Ma part, ô Éternel ! je 56, 57
le dis, C'est de garder tes paroles. Je t'implore de tout mon coeur : Aie pitié de moi, selon ta promesse ! 58
Je réfléchis à mes voies, Et je dirige mes pieds vers tes préceptes. Je me hâte, je ne diffère point 59, 60
D'observer tes commandements. Les pièges des méchants m'environnent ; Je n'oublie point ta loi. Au 61, 62
milieu de la nuit je me lève pour te louer, À cause des jugements de ta justice. Je suis l'ami de tous ceux 63
qui te craignent, Et de ceux qui gardent tes ordonnances. La terre, ô Éternel ! est pleine de ta bonté ; 64
Enseigne -moi tes statuts ! Tu fais du bien à ton serviteur, O Éternel ! selon ta promesse. Enseigne 65, 66
-moi le bon sens et l'intelligence ! Car je crois à tes commandements. Avant d'avoir été humilié, je 67
m'égarais ; Maintenant j'observe ta parole. Tu es bon et bienfaisant ; Enseigne -moi tes statuts ! Des 68, 69
orgueilleux imaginent contre moi des faussetés ; Moi, je garde de tout mon coeur tes ordonnances. Leur 70
coeur est insensible comme la graisse ; Moi, je fais mes délices de ta loi. Il m'est bon d'être humilié, 71
Afin que j'apprenne tes statuts. Mieux vaut pour moi la loi de ta bouche Que mille objets d'or et 72
d'argent. Tes mains m'ont créé, elles m'ont formé ; Donne-moi l'intelligence, pour que j'apprenne tes 73
commandements ! Ceux qui te craignent me voient et se réjouissent, Car j'espère en tes promesses. Je 74, 75
sais, ô Éternel ! que tes jugements sont justes ; C'est par fidélité que tu m'as humilié. Que ta bonté soit 76
ma consolation, Comme tu l'as promis à ton serviteur ! Que tes compassions viennent sur moi, pour 77
que je vive ! Car ta loi fait mes délices. Qu'ils soient confondus, les orgueilleux qui m'oppriment sans 78
cause ! Moi, je médite sur tes ordonnances. Qu'ils reviennent à moi, ceux qui te craignent, Et ceux qui 79
connaissent tes préceptes ! Que mon coeur soit sincère dans tes statuts, Afin que je ne sois pas couvert 80
de honte ! Mon âme languit après ton salut ; J'espère en ta promesse. Mes yeux languissent après ta 81, 82
promesse ; Je dis : Quand me consoleras -tu ? Car je suis comme une outre dans la fumée ; Je n'oublie 83
point tes statuts. Quel est le nombre des jours de ton serviteur ? Quand feras -tu justice de ceux qui me 84
persécutent ? Des orgueilleux creusent des fosses devant moi ; Ils n'agissent point selon ta loi. Tous 85, 86
tes commandements ne sont que fidélité ; Ils me persécutent sans cause : secours -moi ! Ils ont failli 87
me terrasser et m'anéantir ; Et moi, je n'abandonne point tes ordonnances. Rends-moi la vie selon ta 88
bonté, Afin que j'observe les préceptes de ta bouche ! À toujours, ô Éternel ! Ta parole subsiste dans 89
les cieux. De génération en génération ta fidélité subsiste ; Tu as fondé la terre, et elle demeure ferme. 90
C'est d'après tes lois que tout subsiste aujourd'hui, Car toutes choses te sont assujetties. Si ta loi n'eût 91, 92
fait mes délices, J'eusse alors péri dans ma misère. Je n'oublierai jamais tes ordonnances, Car c'est 93
par elles que tu me rends la vie. Je suis à toi : sauve -moi ! Car je recherche tes ordonnances. Des 94, 95
méchants m'attendent pour me faire périr ; Je suis attentif à tes préceptes. Je vois des bornes à tout 96
ce qui est parfait : Tes commandements n'ont point de limite. Combien j'aime ta loi ! Elle est tout le 97
jour l'objet de ma méditation. Tes commandements me rendent plus sage que mes ennemis, Car je les 98
ai toujours avec moi. Je suis plus instruit que tous mes maîtres, Car tes préceptes sont l'objet de ma 99
méditation. J'ai plus d'intelligence que les vieillards, Car j'observe tes ordonnances. Je retiens mon 100, 101
pied loin de tout mauvais chemin, Afin de garder ta parole. Je ne m'écarte pas de tes lois, Car c'est 102
toi qui m'enseignes. Que tes paroles sont douces à mon palais, Plus que le miel à ma bouche ! Par tes 103, 104
ordonnances je deviens intelligent, Aussi je hais toute voie de mensonge. Ta parole est une lampe à mes 105
pieds, Et une lumière sur mon sentier. Je jure, et je le tiendrai, D'observer les lois de ta justice. Je suis 106, 107
bien humilié : Éternel, rends-moi la vie selon ta parole ! Agrée, ô Éternel ! les sentiments que ma bouche 108
exprime, Et enseigne -moi tes lois ! Ma vie est continuellement exposée, Et je n'oublie point ta loi. Des 109, 110
méchants me tendent des pièges, Et je ne m'égare pas loin de tes ordonnances. Tes préceptes sont pour 111
toujours mon héritage, Car ils sont la joie de mon coeur. J'incline mon coeur à pratiquer tes statuts, 112
Toujours, jusqu'à la fin. Je hais les hommes indécis, Et j'aime ta loi. Tu es mon asile et mon bouclier ; 113, 114
J'espère en ta promesse. Éloignez -vous de moi, méchants, Afin que j'observe les commandements de 115
mon Dieu ! Soutiens -moi selon ta promesse, afin que je vive, Et ne me rends point confus dans mon 116
espérance ! Sois mon appui, pour que je sois sauvé, Et que je m'occupe sans cesse de tes statuts ! Tu 117, 118
méprises tous ceux qui s'écartent de tes statuts, Car leur tromperie est sans effet. Tu enlèves comme 119
de l'écume tous les méchants de la terre ; C'est pourquoi j'aime tes préceptes. Ma chair frissonne de 120
l'effroi que tu m'inspires, Et je crains tes jugements. J'observe la loi et la justice : Ne m'abandonne pas 121
à mes oppresseurs ! Prends sous ta garantie le bien de ton serviteur, Ne me laisse pas opprimer par des 122
orgueilleux ! Mes yeux languissent après ton salut, Et après la promesse de ta justice. Agis envers ton 123, 124

serviteur selon ta bonté, Et enseigne -moi tes statuts ! Je suis ton serviteur : donne-moi l'intelligence,
Pour que je connaisse tes préceptes ! Il est temps que l'Éternel agisse : Ils transgressent ta loi. C'est
pourquoi j'aime tes commandements, Plus que l'or et que l'or fin ; C'est pourquoi je trouve justes toutes
tes ordonnances, Je hais toute voie de mensonge. Tes préceptes sont admirables : Aussi mon âme
les observe. La révélation de tes paroles éclaire, Elle donne de l'intelligence aux simples. J'ouvre la
bouche et je soupire, Car je suis avide de tes commandements. Tourne vers moi ta face, et aie pitié de
moi, Selon ta coutume à l'égard de ceux qui aiment ton nom ! Affermis mes pas dans ta parole, Et ne
laisse aucune iniquité dominer sur moi ! Délivre -moi de l'oppression des hommes, Afin que je garde tes
ordonnances ! Fais luire ta face sur ton serviteur, Et enseigne -moi tes statuts ! Mes yeux répandent
des torrents d'eaux, Parce qu'on n'observe point ta loi. Tu es juste, ô Éternel ! Et tes jugements sont
équitables ; Tu fondes tes préceptes sur la justice Et sur la plus grande fidélité. Mon zèle me consume,
Parce que mes adversaires oublient tes paroles. Ta parole est entièrement éprouvée, Et ton serviteur
l'aime. Je suis petit et méprisé ; Je n'oublie point tes ordonnances. Ta justice est une justice éternelle,
Et ta loi est la vérité. La détresse et l'angoisse m'atteignent : Tes commandements font mes délices.
Tes préceptes sont éternellement justes : Donne-moi l'intelligence, pour que je vive ! Je t'invoque de
tout mon coeur : exauce -moi, Éternel, Afin que je garde tes statuts ! Je t'invoque : sauve -moi, Afin que
j'observe tes préceptes ! Je devance l'aurore et je crie ; J'espère en tes promesses. Je devance les veilles
et j'ouvre les yeux, Pour méditer ta parole. Écoute ma voix selon ta bonté ! Rends-moi la vie selon ton
jugement ! Ils s'approchent, ceux qui poursuivent le crime, Ils s'éloignent de la loi. Tu es proche, ô
Éternel ! Et tous tes commandements sont la vérité. Dès longtemps je sais par tes préceptes Que tu
les as établis pour toujours. Vois ma misère, et délivre -moi ! Car je n'oublie point ta loi. Défends ma
cause, et rachète -moi ; Rends-moi la vie selon ta promesse ! Le salut est loin des méchants, Car ils
ne recherchent pas tes statuts. Tes compassions sont grandes, ô Éternel ! Rends-moi la vie selon tes
jugements ! Mes persécuteurs et mes adversaires sont nombreux ; Je ne m'écarte point de tes préceptes,
Je vois avec dégoût des traîtres Qui n'observent pas ta parole. Considère que j'aime tes ordonnances :
Éternel, rends-moi la vie selon ta bonté ! Le fondement de ta parole est la vérité, Et toutes les lois de
ta justice sont éternelles. Des princes me persécutent sans cause ; Mais mon coeur ne tremble qu'à
tes paroles. Je me réjouis de ta parole, Comme celui qui trouve un grand butin. Je hais, je déteste le
mensonge ; J'aime ta loi. Sept fois le jour je te célèbre, À cause des lois de ta justice. Il y a beaucoup de
paix pour ceux qui aiment ta loi, Et il ne leur arrive aucun malheur. J'espère en ton salut, ô Éternel !
Et je pratique tes commandements. Mon âme observe tes préceptes, Et je les aime beaucoup. Je garde
tes ordonnances et tes préceptes, Car toutes mes voies sont devant toi. Que mon cri parvienne jusqu'à
toi, ô Éternel ! Donne-moi l'intelligence, selon ta promesse ! Que ma supplication arrive jusqu'à toi !
Délivre -moi, selon ta promesse ! Que mes lèvres publient ta louange ! Car tu m'enseignes tes statuts.
Que ma langue chante ta parole ! Car tous tes commandements sont justes. Que ta main me soit en
aide ! Car j'ai choisi tes ordonnances. Je soupire après ton salut, ô Éternel ! Et ta loi fait mes délices.
Que mon âme vive et qu'elle te loue ! Et que tes jugements me soutiennent ! Je suis errant comme une
brebis perdue ; cherche ton serviteur, Car je n'oublie point tes commandements.

120 Cantique des degrés. Dans ma détresse, c'est à l'Éternel Que je crie, et il m'exauce. Éternel, délivre
mon âme de la lèvre mensongère, De la langue trompeuse ! Que te donne, que te rapporte Une langue
trompeuse ? Les traits aigus du guerrier, Avec les charbons ardents du genêt. Malheureux que je suis
de séjourner à Méschec, D'habiter parmi les tentes de Kédar ! Assez longtemps mon âme a demeuré
Auprès de ceux qui haïssent la paix. Je suis pour la paix ; mais dès que je parle, Ils sont pour la guerre.

121 Cantique des degrés. Je lève mes yeux vers les montagnes... D'où me viendra le secours ? Le secours
me vient de l'Éternel, Qui a fait les cieux et la terre. Il ne permettra point que ton pied chancelle ; Celui
qui te garde ne sommeillera point. Voici, il ne sommeille ni ne dort, Celui qui garde Israël. L'Éternel
est celui qui te garde, L'Éternel est ton ombre à ta main droite. Pendant le jour le soleil ne te frappera
point, Ni la lune pendant la nuit. L'Éternel te gardera de tout mal, Il gardera ton âme ; L'Éternel
gardera ton départ et ton arrivée, Dès maintenant et à jamais.

122 Cantique des degrés. De David. Je suis dans la joie quand on me dit : Allons à la maison de l'Éternel !
Nos pieds s'arrêtent Dans tes portes, Jérusalem ! Jérusalem, tu es bâtie Comme une ville dont les
parties sont liées ensemble. C'est là que montent les tribus, les tribus de l'Éternel, Selon la loi d'Israël,
Pour louer le nom de l'Éternel. Car là sont les trônes pour la justice, Les trônes de la maison de David.
Demandez la paix de Jérusalem. Que ceux qui t'aiment jouissent du repos ! Que la paix soit dans tes
murs, Et la tranquillité dans tes palais ! À cause de mes frères et de mes amis, Je désire la paix dans

ton sein ; À cause de la maison de l'Éternel, notre Dieu, Je fais des voeux pour ton bonheur. 9

Cantique des degrés, Je lève mes yeux vers toi, Qui sièges dans les cieux. **123**, 2
Voici, comme les yeux des serviteurs sont fixés sur la main de leurs maîtres, Et les yeux de la servante sur la main de sa maîtresse, Ainsi nos yeux se tournent vers l'Éternel, notre Dieu, Jusqu'à ce qu'il ait pitié de nous. 3
Aie pitié de nous, Éternel, aie pitié de nous ! Car nous sommes assez rassasiés de mépris ; 4
Notre âme est assez rassasiée Des moqueries des orgueilleux, du mépris des hautains.

Cantique des degrés. De David. Sans l'Éternel qui nous protégea, Qu'Israël le dise ! **124**, 2
Sans l'Éternel qui nous protégea, Quand les hommes s'élevèrent contre nous, 3
Ils nous auraient engloutis tout vivants, Quand leur colère s'enflamma contre nous ; 4
Alors les eaux nous auraient submergés, Les torrents auraient passé sur notre âme ; 5, 6
Alors auraient passé sur notre âme Les flots impétueux. Béni soit l'Éternel, Qui ne nous a pas livrés en proie à leurs dents ! 7
Notre âme s'est échappée comme l'oiseau du filet des oiseleurs ; Le filet s'est rompu, et nous nous sommes échappés. 8
Notre secours est dans le nom de l'Éternel, Qui a fait les cieux et la terre.

Cantique des degrés. Ceux qui se confient en l'Éternel Sont comme la montagne de Sion : elle ne **125**
chancelle point, Elle est affermie pour toujours. 2
Des montagnes entourent Jérusalem ; Ainsi l'Éternel entoure son peuple, Dès maintenant et à jamais. 3
Car le sceptre de la méchanceté ne restera pas sur le lot des justes, Afin que les justes ne tendent pas les mains vers l'iniquité. 4
Éternel, répands tes bienfaits sur les bons Et sur ceux dont le coeur est droit ! 5
Mais ceux qui s'engagent dans des voies détournées, Que l'Éternel les détruise avec ceux qui font le mal ! Que la paix soit sur Israël !

Cantique des degrés. Quand l'Éternel ramena les captifs de Sion, Nous étions comme ceux qui font **126**
un rêve. Alors notre bouche était remplie de cris de joie, Et notre langue de chants d'allégresse ; Alors 2
on disait parmi les nations : L'Éternel a fait pour eux de grandes choses ! 3
L'Éternel a fait pour nous de grandes choses ; Nous sommes dans la joie. 4
Éternel, ramène nos captifs, Comme des ruisseaux dans le midi ! 5, 6
Ceux qui sèment avec larmes Moissonneront avec chants d'allégresse. Celui qui marche en pleurant, quand il porte la semence, Revient avec allégresse, quand il porte ses gerbes.

Cantique des degrés. De Salomon. Si l'Éternel ne bâtit la maison, Ceux qui la bâtissent travaillent **127**
en vain ; Si l'Éternel ne garde la ville, Celui qui la garde veille en vain. 2
En vain vous levez -vous matin, vous couchez -vous tard, Et mangez -vous le pain de douleur ; Il en donne autant à ses bien-aimés pendant leur sommeil. 3
Voici, des fils sont un héritage de l'Éternel, Le fruit des entrailles est une récompense. 4, 5
Comme les flèches dans la main d'un guerrier, Ainsi sont les fils de la jeunesse. Heureux l'homme qui en a rempli son carquois ! Ils ne seront pas confus, Quand ils parleront avec des ennemis à la porte.

Cantique des degrés. Heureux tout homme qui craint l'Éternel, Qui marche dans ses voies ! **128**, 2
Tu jouis alors du travail de tes mains, Tu es heureux, tu prospères. 3
Ta femme est comme une vigne féconde Dans l'intérieur de ta maison ; Tes fils sont comme des plants d'olivier, Autour de ta table. 4
C'est ainsi qu'est béni L'homme qui craint l'Éternel. 5
L'Éternel te bénira de Sion, Et tu verras le bonheur de Jérusalem Tous les jours de ta vie ; 6
Tu verras les fils de tes fils. Que la paix soit sur Israël !

Cantique des degrés. Ils m'ont assez opprimé dès ma jeunesse, Qu'Israël le dise ! **129**, 2
Ils m'ont assez opprimé dès ma jeunesse, Mais ils ne m'ont pas vaincu. 3
Des laboureurs ont labouré mon dos, Ils y ont tracé de longs sillons. 4, 5
L'Éternel est juste : Il a coupé les cordes des méchants. Qu'ils soient confondus et qu'ils reculent, Tous ceux qui haïssent Sion ! 6
Qu'ils soient comme l'herbe des toits, Qui sèche avant qu'on l'arrache ! 7
Le moissonneur n'en remplit point sa main, Celui qui lie les gerbes n'en charge point son bras, 8
Et les passants ne disent point : Que la bénédiction de l'Éternel soit sur vous ! Nous vous bénissons au nom de l'Éternel !

Cantique des degrés. Du fond de l'abîme je t'invoque, ô Éternel ! **130**, 2
Seigneur, écoute ma voix ! Que tes oreilles soient attentives À la voix de mes supplications ! 3
Si tu gardais le souvenir des iniquités, Éternel, Seigneur, qui pourrait subsister ? 4
Mais le pardon se trouve auprès de toi, Afin qu'on te craigne. 5, 6
J'espère en l'Éternel, mon âme espère, Et j'attends sa promesse. Mon âme compte sur le Seigneur, Plus que les gardes ne comptent sur le matin, Que les gardes ne comptent sur le matin. 7
Israël, mets ton espoir en l'Éternel ! Car la miséricorde est auprès de l'Éternel, Et la rédemption est auprès de lui en abondance. 8
C'est lui qui rachètera Israël De toutes ses iniquités.

Cantique des degrés. De David. Éternel ! je n'ai ni un coeur qui s'enfle, ni des regards hautains ; Je ne **131**
m'occupe pas de choses trop grandes et trop relevées pour moi. 2
Loin de là, j'ai l'âme calme et tranquille, Comme un enfant sevré qui est auprès de sa mère ; J'ai l'âme comme un enfant sevré. 3
Israël, mets ton espoir en l'Éternel, Dès maintenant et à jamais !

132, 2 Cantique des degrés. Éternel, souviens -toi de David, De toutes ses peines ! Il jura à l'Éternel,
3 Il fit ce voeu au puissant de Jacob : Je n'entrerai pas dans la tente où j'habite, Je ne monterai pas
4 sur le lit où je repose, Je ne donnerai ni sommeil à mes yeux, Ni assoupissement à mes paupières.
5, 6 Jusqu'à ce que j'aie trouvé un lieu pour l'Éternel, Une demeure pour le puissant de Jacob. Voici, nous
7 en entendîmes parler à Éphrata, Nous la trouvâmes dans les champs de Jaar... Allons à sa demeure,
8 Prosternons -nous devant son marchepied !... Lève -toi, Éternel, viens à ton lieu de repos, Toi et l'arche
9 de ta majesté ! Que tes sacrificateurs soient revêtus de justice, Et que tes fidèles poussent des cris de
10, 11 joie ! À cause de David, ton serviteur, Ne repousse pas ton oint ! L'Éternel a juré la vérité à David, Il
12 n'en reviendra pas ; Je mettrai sur ton trône un fruit de tes entrailles. Si tes fils observent mon alliance
13 Et mes préceptes que je leur enseigne, Leurs fils aussi pour toujours Seront assis sur ton trône. Oui,
14 l'Éternel a choisi Sion, Il l'a désirée pour sa demeure : C'est mon lieu de repos à toujours ; J'y habiterai,
15, 16 car je l'ai désirée. Je bénirai sa nourriture, Je rassasierai de pain ses indigents ; Je revêtirai de salut
17 ses sacrificateurs, Et ses fidèles pousseront des cris de joie. Là j'élèverai la puissance de David, Je
18 préparerai une lampe à mon oint, Je revêtirai de honte ses ennemis, Et sur lui brillera sa couronne.

133 Cantique des degrés. De David. Voici, oh ! qu'il est agréable, qu'il est doux Pour des frères de demeu-
2 rer ensemble ! C'est comme l'huile précieuse qui, répandue sur la tête, Descend sur la barbe, sur la
3 barbe d'Aaron, Qui descend sur le bord de ses vêtements. C'est comme la rosée de l'Hermon, Qui des-
cend sur les montagnes de Sion ; Car c'est là que l'Éternel envoie la bénédiction, La vie, pour l'éternité.

134 Cantique des degrés. Voici, bénissez l'Éternel, vous tous, serviteurs de l'Éternel, Qui vous tenez dans
2 la maison de l'Éternel pendant les nuits ! Élevez vos mains vers le sanctuaire, Et bénissez l'Éternel !
3 Que l'Éternel te bénisse de Sion, Lui qui a fait les cieux et la terre !

135, 2 Louez l'Éternel ! Louez le nom de l'Éternel, Louez -le, serviteurs de l'Éternel, Qui vous tenez dans
3 la maison de l'Éternel, Dans les parvis de la maison de notre Dieu ! Louez l'Éternel ! car l'Éternel est
4 bon. Chantez à son nom ! car il est favorable. Car l'Éternel s'est choisi Jacob, Israël, pour qu'il lui ap-
5, 6 partînt. Je sais que l'Éternel est grand, Et que notre Seigneur est au-dessus de tous les dieux. Tout
7 ce que l'Éternel veut, il le fait, Dans les cieux et sur la terre, Dans les mers et dans tous les abîmes. Il
fait monter les nuages des extrémités de la terre, Il produit les éclairs et la pluie, Il tire le vent de ses
8, 9 trésors. Il frappa les premiers-nés de l'Égypte, Depuis les hommes jusqu'aux animaux. Il envoya des
10 signes et des miracles au milieu de toi, Égypte ! Contre Pharaon et contre tous ses serviteurs. Il frappa
11 des nations nombreuses, Et tua des rois puissants, Sihon, roi des Amoréens, Og, roi de Basan, Et tous
12, 13 les rois de Canaan ; Et il donna leur pays en héritage, En héritage à Israël, son peuple. Éternel ! ton
14 nom subsiste à toujours, Éternel ! ta mémoire dure de génération en génération. Car l'Éternel jugera
15 son peuple, Et il aura pitié de ses serviteurs. Les idoles des nations sont de l'argent et de l'or, Elles
16 sont l'ouvrage de la main des hommes. Elles ont une bouche et ne parlent point, Elles ont des yeux
17 et ne voient point, Elles ont des oreilles et n'entendent point, Elles n'ont point de souffle dans leur
18, 19 bouche. Ils leur ressemblent, ceux qui les fabriquent, Tous ceux qui se confient en elles. Maison d'Is-
20 raël, bénissez l'Éternel ! Maison d'Aaron, bénissez l'Éternel ! Maison de Lévi, bénissez l'Éternel ! Vous
21 qui craignez l'Éternel, bénissez l'Éternel ! Que de Sion l'on bénisse l'Éternel, Qui habite à Jérusalem !
Louez l'Éternel !

136, 2 Louez l'Éternel, car il est bon, Car sa miséricorde dure à toujours ! Louez le Dieu des dieux, Car
3 sa miséricorde dure à toujours ! Louez le Seigneur des seigneurs, Car sa miséricorde dure à toujours !
4, 5 Celui qui seul fait de grands prodiges, Car sa miséricorde dure à toujours ! Celui qui a fait les cieux
6 avec intelligence, Car sa miséricorde dure à toujours ! Celui qui a étendu la terre sur les eaux, Car sa
7 miséricorde dure à toujours ! Celui qui a fait les grands luminaires, Car sa miséricorde dure à toujours !
8, 9 Le soleil pour présider au jour, Car sa miséricorde dure à toujours ! La lune et les étoiles pour présider
10 à la nuit, Car sa miséricorde dure à toujours ! Celui qui frappa les Égyptiens dans leurs premiers-
11 nés, Car sa miséricorde dure à toujours ! Et fit sortir Israël du milieu d'eux, Car sa miséricorde dure
12, 13 à toujours ! À main forte et à bras étendu, Car sa miséricorde dure à toujours ! Celui qui coupa en
14 deux la mer Rouge, Car sa miséricorde dure à toujours ! Qui fit passer Israël au milieu d'elle, Car sa
15 miséricorde dure à toujours ! Et précipita Pharaon et son armée dans la mer Rouge, Car sa miséricorde
16 dure à toujours ! Celui qui conduisit son peuple dans le désert, Car sa miséricorde dure à toujours !
17, 18 Celui qui frappa de grands rois, Car sa miséricorde dure à toujours ! Qui tua des rois puissants, Car
19, 20 sa miséricorde dure à toujours ! Sihon, roi des Amoréens, Car sa miséricorde dure à toujours ! Et Og,
21 roi de Basan, Car sa miséricorde dure à toujours ! Et donna leur pays en héritage, Car sa miséricorde
22, 23 dure à toujours ! En héritage à Israël, son serviteur, Car sa miséricorde dure à toujours ! Celui qui se

souvint de nous quand nous étions humiliés, Car sa miséricorde dure à toujours ! Et nous délivra de 24
nos oppresseurs, Car sa miséricorde dure à toujours ! Celui qui donne la nourriture à toute chair, Car 25
sa miséricorde dure à toujours ! Louez le Dieu des cieux, Car sa miséricorde dure à toujours ! 26

Sur les bords des fleuves de Babylone, Nous étions assis et nous pleurions, en nous souvenant de **137**
Sion. Aux saules de la contrée Nous avions suspendu nos harpes. Là, nos vainqueurs nous deman- 2, 3
daient des chants, Et nos oppresseurs de la joie : Chantez -nous quelques-uns des cantiques de Sion !
Comment chanterions -nous les cantiques de l'Éternel Sur une terre étrangère ? Si je t'oublie, Jérusa- 4, 5
lem, Que ma droite m'oublie ! Que ma langue s'attache à mon palais, Si je ne me souviens de toi, Si 6
je ne fais de Jérusalem Le principal sujet de ma joie ! Éternel, souviens -toi des enfants d'Édom, Qui, 7
dans la journée de Jérusalem, Disaient : Rasez, rasez Jusqu'à ses fondements ! Fille de Babylone, la 8
dévastée, Heureux qui te rend la pareille, Le mal que tu nous as fait ! Heureux qui saisit tes enfants, 9
Et les écrase sur le roc !

De David. Je te célèbre de tout mon coeur, Je chante tes louanges en la présence de Dieu. Je me **138**, 2
prosterne dans ton saint temple, Et je célèbre ton nom, à cause de ta bonté et de ta fidélité, Car ta
renommée s'est accrue par l'accomplissement de tes promesses. Le jour où je t'ai invoqué, tu m'as 3
exaucé, Tu m'as rassuré, tu as fortifié mon âme. Tous les rois de la terre te loueront, ô Éternel ! En 4
entendant les paroles de ta bouche ; Ils célébreront les voies de l'Éternel, Car la gloire de l'Éternel 5
est grande. L'Éternel est élevé : il voit les humbles, Et il reconnaît de loin les orgueilleux. Quand je 6, 7
marche au milieu de la détresse, tu me rends la vie, Tu étends ta main sur la colère de mes ennemis,
Et ta droite me sauve. L'Éternel agira en ma faveur. Éternel, ta bonté dure toujours, N'abandonne pas 8
les oeuvres de tes mains !

Au chef des chantres. De David. Psaume. Éternel ! tu me sondes et tu me connais, Tu sais quand je **139**, 2
m'assieds et quand je me lève, Tu pénètres de loin ma pensée ; Tu sais quand je marche et quand je me 3
couche, Et tu pénètres toutes mes voies. Car la parole n'est pas sur ma langue, Que déjà, ô Éternel ! tu 4
la connais entièrement. Tu m'entoures par derrière et par devant, Et tu mets ta main sur moi. Une 5, 6
science aussi merveilleuse est au-dessus de ma portée, Elle est trop élevée pour que je puisse la saisir.
Où irais -je loin de ton esprit, Et où fuirais -je loin de ta face ? Si je monte aux cieux, tu y es ; Si je me 7, 8
couche au séjour des morts, t'y voilà. Si je prends les ailes de l'aurore, Et que j'aille habiter à l'extrémité 9
de la mer, Là aussi ta main me conduira, Et ta droite me saisira. Si je dis : Au moins les ténèbres me 10, 11
couvriront, La nuit devient lumière autour de moi ; Même les ténèbres ne sont pas obscures pour toi, 12
La nuit brille comme le jour, Et les ténèbres comme la lumière. C'est toi qui as formé mes reins, Qui 13
m'as tissé dans le sein de ma mère. Je te loue de ce que je suis une créature si merveilleuse. Tes oeuvres 14
sont admirables, Et mon âme le reconnaît bien. Mon corps n'était point caché devant toi, Lorsque j'ai 15
été fait dans un lieu secret, Tissé dans les profondeurs de la terre. Quand je n'étais qu'une masse 16
informe, tes yeux me voyaient ; Et sur ton livre étaient tous inscrits Les jours qui m'étaient destinés,
Avant qu'aucun d'eux existât. Que tes pensées, ô Dieu, me semblent impénétrables ! Que le nombre 17
en est grand ! Si je les compte, elles sont plus nombreuses que les grains de sable. Je m'éveille, et je 18
suis encore avec toi. O Dieu, puisses-tu faire mourir le méchant ! Hommes de sang, éloignez -vous de 19
moi ! Ils parlent de toi d'une manière criminelle, Ils prennent ton nom pour mentir, eux, tes ennemis ! 20
Éternel, n'aurais-je pas de la haine pour ceux qui te haïssent, Du dégoût pour ceux qui s'élèvent contre 21
toi ? Je les hais d'une parfaite haine ; Ils sont pour moi des ennemis. Sonde -moi, ô Dieu, et connais 22, 23
mon coeur ! Éprouve -moi, et connais mes pensées ! Regarde si je suis sur une mauvaise voie, Et conduis 24
-moi sur la voie de l'éternité !

Au chef des chantres. Psaume de David. Éternel, délivre -moi des hommes méchants ! Préserve -moi **140**
des hommes violents. Qui méditent de mauvais desseins dans leur coeur, Et sont toujours prêts à faire 2
la guerre ! Ils aiguisent leur langue comme un serpent, Ils ont sous leurs lèvres un venin d'aspic. Pause. 3
Éternel, garantis -moi des mains du méchant ! Préserve -moi des hommes violents, Qui méditent de me 4
faire tomber ! Des orgueilleux me tendent un piège et des filets, Ils placent des rets le long du chemin, 5
Ils me dressent des embûches. Pause. Je dis à l'Éternel : Tu es mon Dieu ! Éternel, prête l'oreille à 6
la voix de mes supplications ! Éternel, Seigneur, force de mon salut ! Tu couvres ma tête au jour du 7
combat. Éternel, n'accomplis pas les désirs du méchant, Ne laisse pas réussir ses projets, de peur qu'il 8
ne s'en glorifie ! Pause. Que sur la tête de ceux qui m'environnent Retombe l'iniquité de leurs lèvres ! 9
Que des charbons ardents soient jetés sur eux ! Qu'il les précipite dans le feu, Dans des abîmes, d'où 10
ils ne se relèvent plus ! L'homme dont la langue est fausse ne s'affermit pas sur la terre ; Et l'homme 11
violent, le malheur l'entraîne à sa perte. Je sais que l'Éternel fait droit au misérable, Justice aux 12
indigents. Oui, les justes célébreront ton nom, Les hommes droits habiteront devant ta face. 13

Psaume de David. Éternel, je t'invoque : viens en hâte auprès de moi ! Prête l'oreille à ma voix, quand **141**

je t'invoque ! Que ma prière soit devant ta face comme l'encens, Et l'élévation de mes mains comme
l'offrande du soir ! Éternel, mets une garde à ma bouche, Veille sur la porte de mes lèvres ! N'entraîne
pas mon coeur à des choses mauvaises, À des actions coupables avec les hommes qui font le mal, Et
que je ne prenne aucune part à leurs festins ! Que le juste me frappe, c'est une faveur ; Qu'il me châtie,
c'est de l'huile sur ma tête : Ma tête ne se détournera pas ; Mais de nouveau ma prière s'élèvera contre
leur méchanceté. Que leurs juges soient précipités le long des rochers, Et l'on écoutera mes paroles,
car elles sont agréables. Comme quand on laboure et qu'on fend la terre, Ainsi nos os sont dispersés à
l'entrée du séjour des morts. C'est vers toi, Éternel, Seigneur ! que se tournent mes yeux, C'est auprès
de toi que je cherche un refuge : N'abandonne pas mon âme ! Garantis -moi du piège qu'ils me tendent,
Et des embûches de ceux qui font le mal ! Que les méchants tombent dans leurs filets, Et que j'échappe
en même temps !

142 Cantique de David. Lorsqu'il était dans la caverne. Prière. De ma voix je crie à l'Éternel, De ma voix
j'implore l'Éternel. Je répands ma plainte devant lui, Je lui raconte ma détresse. Quand mon esprit
est abattu au dedans de moi, Toi, tu connais mon sentier. Sur la route où je marche Ils m'ont tendu un
piège. Jette les yeux à droite, et regarde ! Personne ne me reconnaît, Tout refuge est perdu pour moi,
Nul ne prend souci de mon âme. Éternel ! c'est à toi que je crie. Je dis : Tu es mon refuge, Mon partage
sur la terre des vivants. Sois attentif à mes cris ! Car je suis bien malheureux. Délivre -moi de ceux
qui me poursuivent ! Car ils sont plus forts que moi. Tire mon âme de sa prison, Afin que je célèbre ton
nom ! Les justes viendront m'entourer, Quand tu m'auras fait du bien.

143 Psaume de David. Éternel, écoute ma prière, prête l'oreille à mes supplications ! Exauce -moi dans
ta fidélité, dans ta justice ! N'entre pas en jugement avec ton serviteur ! Car aucun vivant n'est juste
devant toi. L'ennemi poursuit mon âme, Il foule à terre ma vie ; Il me fait habiter dans les ténèbres,
Comme ceux qui sont morts depuis longtemps. Mon esprit est abattu au dedans de moi, Mon coeur
est troublé dans mon sein. Je me souviens des jours d'autrefois, Je médite sur toutes tes oeuvres, Je
réfléchis sur l'ouvrage de tes mains. J'étends mes mains vers toi ; Mon âme soupire après toi, comme
une terre desséchée. Pause. Hâte -toi de m'exaucer, ô Éternel ! Mon esprit se consume. Ne me cache
pas ta face ! Je serais semblable à ceux qui descendent dans la fosse. Fais-moi dès le matin entendre
ta bonté ! Car je me confie en toi. Fais-moi connaître le chemin où je dois marcher ! Car j'élève à toi mon
âme. Délivre -moi de mes ennemis, ô Éternel ! Auprès de toi je cherche un refuge. Enseigne -moi à
faire ta volonté ! Car tu es mon Dieu. Que ton bon esprit me conduise sur la voie droite ! À cause de
ton nom, Éternel, rends-moi la vie ! Dans ta justice, retire mon âme de la détresse ! Dans ta bonté,
anéantis mes ennemis, Et fais périr tous les oppresseurs de mon âme ! Car je suis ton serviteur.

144 De David. Béni soit l'Éternel, mon rocher, Qui exerce mes mains au combat, Mes doigts à la bataille,
Mon bienfaiteur et ma forteresse, Ma haute retraite et mon libérateur, Mon bouclier, celui qui est mon
refuge, Qui m'assujettit mon peuple ! Éternel, qu'est-ce que l'homme, pour que tu le connaisses ? Le
fils de l'homme, pour que tu prennes garde à lui ? L'homme est semblable à un souffle, Ses jours sont
comme l'ombre qui passe. Éternel, abaisse tes cieux, et descends ! Touche les montagnes, et qu'elles
soient fumantes ! Fais briller les éclairs, et disperse mes ennemis ! Lance tes flèches, et mets-les en
déroute ! Étends tes mains d'en haut ; Délivre -moi et sauve -moi des grandes eaux, De la main des fils
de l'étranger, Dont la bouche profère la fausseté, Et dont la droite est une droite mensongère. O Dieu !
je te chanterai un cantique nouveau, Je te célébrerai sur le luth à dix cordes. Toi, qui donnes le salut
aux rois, Qui sauvas du glaive meurtrier David, ton serviteur, Délivre -moi et sauve -moi de la main des
fils de l'étranger, Dont la bouche profère la fausseté, Et dont la droite est une droite mensongère !... Nos
fils sont comme des plantes Qui croissent dans leur jeunesse ; Nos filles comme les colonnes sculptées
Qui font l'ornement des palais. Nos greniers sont pleins, Regorgeant de toute espèce de provisions ;
Nos troupeaux se multiplient par milliers, par dix milliers, Dans nos campagnes ; Nos génisses sont
fécondes ; Point de désastre, point de captivité, Point de cris dans nos rues ! Heureux le peuple pour
qui il en est ainsi ! Heureux le peuple dont l'Éternel est le Dieu !

145 Louange. De David. Je t'exalterai, ô mon Dieu, mon roi ! Et je bénirai ton nom à toujours et à perpé-
tuité. Chaque jour je te bénirai, Et je célébrerai ton nom à toujours et à perpétuité. L'Éternel est grand
et très digne de louange, Et sa grandeur est insondable. Que chaque génération célèbre tes oeuvres,
Et publie tes hauts faits ! Je dirai la splendeur glorieuse de ta majesté ; Je chanterai tes merveilles.
On parlera de ta puissance redoutable, Et je raconterai ta grandeur. Qu'on proclame le souvenir de
ton immense bonté, Et qu'on célèbre ta justice ! L'Éternel est miséricordieux et compatissant, Lent à
la colère et plein de bonté. L'Éternel est bon envers tous, Et ses compassions s'étendent sur toutes ses
oeuvres. Toutes tes oeuvres te loueront, ô Éternel ! Et tes fidèles te béniront. Ils diront la gloire de ton

règne, Et ils proclameront ta puissance, Pour faire connaître aux fils de l'homme ta puissance Et la 12
splendeur glorieuse de ton règne. Ton règne est un règne de tous les siècles, Et ta domination subsiste 13
dans tous les âges. L'Éternel soutient tous ceux qui tombent, Et il redresse tous ceux qui sont courbés. 14
Les yeux de tous espèrent en toi, Et tu leur donnes la nourriture en son temps. Tu ouvres ta main, 15, 16
Et tu rassasies à souhait tout ce qui a vie. L'Éternel est juste dans toutes ses voies, Et miséricordieux 17
dans toutes ses oeuvres. L'Éternel est près de tous ceux qui l'invoquent, De tous ceux qui l'invoquent 18
avec sincérité ; Il accomplit les désirs de ceux qui le craignent, Il entend leur cri et il les sauve. L'Éter- 19, 20
nel garde tous ceux qui l'aiment, Et il détruit tous les méchants. Que ma bouche publie la louange de 21
l'Éternel, Et que toute chair bénisse son saint nom, À toujours et à perpétuité !

Louez l'Éternel ! Mon âme, loue l'Éternel ! Je louerai l'Éternel tant que je vivrai, Je célébrerai mon **146**, 2
Dieu tant que j'existerai. Ne vous confiez pas aux grands, Aux fils de l'homme, qui ne peuvent sauver. 3
Leur souffle s'en va, ils rentrent dans la terre, Et ce même jour leurs desseins périssent. Heureux celui 4, 5
qui a pour secours le Dieu de Jacob, Qui met son espoir en l'Éternel, son Dieu ! Il a fait les cieux et la 6
terre, La mer et tout ce qui s'y trouve. Il garde la fidélité à toujours. Il fait droit aux opprimés ; Il donne 7
du pain aux affamés ; L'Éternel délivre les captifs ; L'Éternel ouvre les yeux des aveugles ; L'Éternel 8
redresse ceux qui sont courbés ; L'Éternel aime les justes. L'Éternel protège les étrangers, Il soutient 9
l'orphelin et la veuve, Mais il renverse la voie des méchants. L'Éternel règne éternellement ; Ton Dieu, 10
ô Sion ! subsiste d'âge en âge ! Louez l'Éternel !

Louez l'Éternel ! Car il est beau de célébrer notre Dieu, Car il est doux, il est bienséant de le louer. **147**
L'Éternel rebâtit Jérusalem, Il rassemble les exilés d'Israël ; Il guérit ceux qui ont le coeur brisé, Et il 2, 3
panse leurs blessures. Il compte le nombre des étoiles, Il leur donne à toutes des noms. Notre Seigneur 4, 5
est grand, puissant par sa force, Son intelligence n'a point de limite. L'Éternel soutient les malheureux, 6
Il abaisse les méchants jusqu'à terre. Chantez à l'Éternel avec actions de grâces, Célébrez notre Dieu 7
avec la harpe ! Il couvre les cieux de nuages, Il prépare la pluie pour la terre ; Il fait germer l'herbe 8
sur les montagnes. Il donne la nourriture au bétail, Aux petits du corbeau quand ils crient, Ce n'est 9, 10
pas dans la vigueur du cheval qu'il se complaît, Ce n'est pas dans les jambes de l'homme qu'il met
son plaisir ; L'Éternel aime ceux qui le craignent, Ceux qui espèrent en sa bonté. Jérusalem, célèbre 11, 12
l'Éternel ! Sion, loue ton Dieu ! Car il affermit les barres de tes portes, Il bénit tes fils au milieu de toi ; 13
Il rend la paix à ton territoire, Il te rassasie du meilleur froment. Il envoie ses ordres sur la terre : 14, 15
Sa parole court avec vitesse Il donne la neige comme de la laine, Il répand la gelée blanche comme 16
de la cendre ; Il lance sa glace par morceaux ; Qui peut résister devant son froid ? Il envoie sa parole, 17, 18
et il les fond ; Il fait souffler son vent, et les eaux coulent. Il révèle sa parole à Jacob, Ses lois et ses 19
ordonnances à Israël ; Il n'a pas agi de même pour toutes les nations, Et elles ne connaissent point ses 20
ordonnances. Louez l'Éternel !

Louez l'Éternel ! Louez l'Éternel du haut des cieux ! Louez -le dans les lieux élevés ! Louez -le, vous **148**, 2
tous ses anges ! Louez -le, vous toutes ses armées ! Louez -le, soleil et lune ! Louez -le, vous toutes, 3
étoiles lumineuses ! Louez -le, cieux des cieux, Et vous, eaux qui êtes au-dessus des cieux ! Qu'ils 4, 5
louent le nom de l'Éternel ! Car il a commandé, et ils ont été créés. Il les a affermis pour toujours et à 6
perpétuité ; Il a donné des lois, et il ne les violera point. Louez l'Éternel du bas de la terre, Monstres 7
marins, et vous tous, abîmes, Feu et grêle, neige et brouillards, Vents impétueux, qui exécutez ses 8
ordres, Montagnes et toutes les collines, Arbres fruitiers et tous les cèdres, Animaux et tout le bétail, 9, 10
Reptiles et oiseaux ailés, Rois de la terre et tous les peuples, Princes et tous les juges de la terre, 11
Jeunes hommes et jeunes filles, Vieillards et enfants ! Qu'ils louent le nom de l'Éternel ! Car son nom 12, 13
seul est élevé ; Sa majesté est au-dessus de la terre et des cieux. Il a relevé la force de son peuple : 14
Sujet de louange pour tous ses fidèles, Pour les enfants d'Israël, du peuple qui est près de lui. Louez
l'Éternel !

Louez l'Éternel ! Chantez à l'Éternel un cantique nouveau ! Chantez ses louanges dans l'assemblée **149**
des fidèles ! Qu'Israël se réjouisse en celui qui l'a créé ! Que les fils de Sion soient dans l'allégresse à 2
cause de leur roi ! Qu'ils louent son nom avec des danses, Qu'ils le célèbrent avec le tambourin et la 3
harpe ! Car l'Éternel prend plaisir à son peuple, Il glorifie les malheureux en les sauvant. Que les 4, 5
fidèles triomphent dans la gloire, Qu'ils poussent des cris de joie sur leur couche ! Que les louanges de 6
Dieu soient dans leur bouche, Et le glaive à deux tranchants dans leur main, Pour exercer la vengeance 7
sur les nations, Pour châtier les peuples, Pour lier leurs rois avec des chaînes Et leurs grands avec des 8
ceps de fer, Pour exécuter contre eux le jugement qui est écrit ! C'est une gloire pour tous ses fidèles. 9
Louez l'Éternel !

150 Louez l'Éternel ! Louez Dieu dans son sanctuaire ! Louez -le dans l'étendue, où éclate sa puissance !
2, 3 Louez -le pour ses hauts faits ! Louez -le selon l'immensité de sa grandeur ! Louez -le au son de la
4 trompette ! Louez -le avec le luth et la harpe ! Louez -le avec le tambourin et avec des danses ! Louez
5 -le avec les instruments à cordes et le chalumeau ! Louez -le avec les cymbales sonores ! Louez -le avec
6 les cymbales retentissantes ! Que tout ce qui respire loue l'Éternel ! Louez l'Éternel !

PROVERBES

1, 2 Proverbes de Salomon, fils de David, roi d'Israël, Pour connaître la sagesse et l'instruction,
3 Pour comprendre les paroles de l'intelligence ; Pour recevoir des leçons de bon sens, De jus-
4 tice, d'équité et de droiture ; Pour donner aux simples du discernement, Au jeune homme de
5 la connaissance et de la réflexion. Que le sage écoute, et il augmentera son savoir, Et celui
qui est intelligent acquerra de l'habileté, Pour saisir le sens d'un proverbe ou d'une énigme, Des pa-
6 roles des sages et de leurs sentences. La crainte de l'Éternel est le commencement de la science ; Les
7 insensés méprisent la sagesse et l'instruction. Écoute, mon fils, l'instruction de ton père, Et ne rejette
8 pas l'enseignement de ta mère ; Car c'est une couronne de grâce pour ta tête, Et une parure pour ton
9 cou. Mon fils, si des pécheurs veulent te séduire, Ne te laisse pas gagner. S'ils disent : Viens avec
10, 11 nous ! dressons des embûches, versons du sang, Tendons des pièges à celui qui se repose en vain sur
son innocence, Engloutissons -les tout vifs, comme le séjour des morts, Et tout entiers, comme ceux qui
12 descendent dans la fosse ; Nous trouverons toute sorte de biens précieux, Nous remplirons de butin
13 nos maisons ; Tu auras ta part avec nous, Il n'y aura qu'une bourse pour nous tous ! Mon fils, ne te
14, 15 mets pas en chemin avec eux, Détourne ton pied de leur sentier ; Car leurs pieds courent au mal, Et
16 ils ont hâte de répandre le sang. Mais en vain jette -t-on le filet Devant les yeux de tout ce qui a des
17 ailes ; Et eux, c'est contre leur propre sang qu'ils dressent des embûches, C'est à leur âme qu'ils tendent
18 des pièges. Ainsi arrive -t-il à tout homme avide de gain ; La cupidité cause la perte de ceux qui s'y
19 livrent. La sagesse crie dans les rues, Elle élève sa voix dans les places : Elle crie à l'entrée des lieux
20, 21 bruyants ; Aux portes, dans la ville, elle fait entendre ses paroles : Jusqu'à quand, stupides, aimerez
22 -vous la stupidité ? Jusqu'à quand les moqueurs se plairont -ils à la moquerie, Et les insensés haïront
-ils la science ? Tournez -vous pour écouter mes réprimandes ! Voici, je répandrai sur vous mon esprit,
23 Je vous ferai connaître mes paroles... Puisque j'appelle et que vous résistez, Puisque j'étends ma main
24 et que personne n'y prend garde, Puisque vous rejetez tous mes conseils, Et que vous n'aimez pas mes
25 réprimandes, Moi aussi, je rirai quand vous serez dans le malheur, Je me moquerai quand la terreur
26 vous saisira, Quand la terreur vous saisira comme une tempête, Et que le malheur vous enveloppera
27 comme un tourbillon, Quand la détresse et l'angoisse fondront sur vous. Alors ils m'appelleront, et je
28 ne répondrai pas ; Ils me chercheront, et ils ne me trouveront pas. Parce qu'ils ont haï la science, Et
29 qu'ils n'ont pas choisi la crainte de l'Éternel, Parce qu'ils n'ont point aimé mes conseils, Et qu'ils ont
30 dédaigné toutes mes réprimandes, Ils se nourriront du fruit de leur voie, Et ils se rassasieront de leurs
31 propres conseils, Car la résistance des stupides les tue, Et la sécurité des insensés les perd ; Mais
32, 33 celui qui m'écoute reposera avec assurance, Il vivra tranquille et sans craindre aucun mal.

2, 2 Mon fils, si tu reçois mes paroles, Et si tu gardes avec toi mes préceptes, Si tu rends ton oreille
3 attentive à la sagesse, Et si tu inclines ton coeur à l'intelligence ; Oui, si tu appelles la sagesse, Et si tu
4 élèves ta voix vers l'intelligence, Si tu la cherches comme l'argent, Si tu la poursuis comme un trésor,
Alors tu comprendras la crainte de l'Éternel, Et tu trouveras la connaissance de Dieu. Car l'Éternel
5, 6 donne la sagesse ; De sa bouche sortent la connaissance et l'intelligence ; Il tient en réserve le salut pour
7 les hommes droits, Un bouclier pour ceux qui marchent dans l'intégrité, En protégeant les sentiers de
8 la justice Et en gardant la voie de ses fidèles. Alors tu comprendras la justice, l'équité, La droiture,
9 toutes les routes qui mènent au bien. Car la sagesse viendra dans ton coeur, Et la connaissance fera
10 les délices de ton âme ; La réflexion veillera sur toi, L'intelligence te gardera, Pour te délivrer de la
11, 12 voie du mal, De l'homme qui tient des discours pervers, De ceux qui abandonnent les sentiers de la
13 droiture Afin de marcher dans des chemins ténébreux, Qui trouvent de la jouissance à faire le mal,
14 Qui mettent leur plaisir dans la perversité, Qui suivent des sentiers détournés, Et qui prennent des
15 routes tortueuses ; Pour te délivrer de la femme étrangère, De l'étrangère qui emploie des paroles
16 doucereuses, Qui abandonne l'ami de sa jeunesse, Et qui oublie l'alliance de son Dieu ; Car sa maison
17, 18 penche vers la mort, Et sa route mène chez les morts : Aucun de ceux qui vont à elle ne revient, Et
19 ne retrouve les sentiers de la vie. Tu marcheras ainsi dans la voie des gens de bien, Tu garderas les
20 sentiers des justes. Car les hommes droits habiteront le pays, Les hommes intègres y resteront ; Mais
21, 22 les méchants seront retranchés du pays, Les infidèles en seront arrachés.

3, 2 Mon fils, n'oublie pas mes enseignements, Et que ton coeur garde mes préceptes ; Car ils prolon-
3 geront les jours et les années de ta vie, Et ils augmenteront ta paix. Que la bonté et la fidélité ne
4 t'abandonnent pas ; Lie -les à ton cou, écris -les sur la table de ton coeur. Tu acquerras ainsi de la
grâce et une raison saine, Aux yeux de Dieu et des hommes. Confie -toi en l'Éternel de tout ton coeur,
5 Et ne t'appuie pas sur ta sagesse ; Reconnais -le dans toutes tes voies, Et il aplanira tes sentiers. Ne
6, 7 sois point sage à tes propres yeux, Crains l'Éternel, et détourne -toi du mal : Ce sera la santé pour
8

tes muscles, Et un rafraîchissement pour tes os. Honore l'Éternel avec tes biens, Et avec les prémices
de tout ton revenu : Alors tes greniers seront remplis d'abondance, Et tes cuves regorgeront de moût.
Mon fils, ne méprise pas la correction de l'Éternel, Et ne t'effraie point de ses châtiments ; Car l'Éternel
châtie celui qu'il aime, Comme un père l'enfant qu'il chérit. Heureux l'homme qui a trouvé la sagesse,
Et l'homme qui possède l'intelligence ! Car le gain qu'elle procure est préférable à celui de l'argent, Et
le profit qu'on en tire vaut mieux que l'or ; Elle est plus précieuse que les perles, Elle a plus de valeur
que tous les objets de prix. Dans sa droite est une longue vie ; Dans sa gauche, la richesse et la gloire.
Ses voies sont des voies agréables, Et tous ses sentiers sont paisibles. Elle est un arbre de vie pour
ceux qui la saisissent, Et ceux qui la possèdent sont heureux. C'est par la sagesse que l'Éternel a fondé
la terre, C'est par l'intelligence qu'il a affermi les cieux ; C'est par sa science que les abîmes se sont
ouverts, Et que les nuages distillent la rosée. Mon fils, que ces enseignements ne s'éloignent pas de tes
yeux, Garde la sagesse et la réflexion : Elles seront la vie de ton âme, Et l'ornement de ton cou. Alors
tu marcheras avec assurance dans ton chemin, Et ton pied ne heurtera pas. Si tu te couches, tu seras
sans crainte ; Et quand tu seras couché, ton sommeil sera doux. Ne redoute ni une terreur soudaine,
Ni une attaque de la part des méchants ; Car l'Éternel sera ton assurance, Et il préservera ton pied
de toute embûche. Ne refuse pas un bienfait à celui qui y a droit, Quand tu as le pouvoir de l'accorder.
Ne dis pas à ton prochain : Va et reviens, Demain je donnerai ! quand tu as de quoi donner. Ne médite
pas le mal contre ton prochain, Lorsqu'il demeure tranquillement près de toi. Ne conteste pas sans
motif avec quelqu'un, Lorsqu'il ne t'a point fait de mal. Ne porte pas envie à l'homme violent, Et ne
choisis aucune de ses voies. Car l'Éternel a en horreur les hommes pervers, Mais il est un ami pour les
hommes droits ; La malédiction de l'Éternel est dans la maison du méchant, Mais il bénit la demeure
des justes ; Il se moque des moqueurs, Mais il fait grâce aux humbles ; Les sages hériteront la gloire,
Mais les insensés ont la honte en partage.

4 Écoutez, mes fils, l'instruction d'un père, Et soyez attentifs, pour connaître la sagesse ; Car je vous
donne de bons conseils : Ne rejetez pas mon enseignement. J'étais un fils pour mon père, Un fils
tendre et unique auprès de ma mère. Il m'instruisait alors, et il me disait : Que ton coeur retienne mes
paroles ; Observe mes préceptes, et tu vivras. Acquiers la sagesse, acquiers l'intelligence ; N'oublie pas
les paroles de ma bouche, et ne t'en détourne pas. Ne l'abandonne pas, et elle te gardera ; Aime -la, et
elle te protégera. Voici le commencement de la sagesse : Acquiers la sagesse, Et avec tout ce que tu
possèdes acquiers l'intelligence. Exalte -la, et elle t'élèvera ; Elle fera ta gloire, si tu l'embrasses ; Elle
mettra sur ta tête une couronne de grâce, Elle t'ornera d'un magnifique diadème. Écoute, mon fils, et
reçois mes paroles ; Et les années de ta vie se multiplieront. Je te montre la voie de la sagesse, Je te
conduis dans les sentiers de la droiture. Si tu marches, ton pas ne sera point gêné ; Et si tu cours, tu ne
chancelleras point. Retiens l'instruction, ne t'en dessaisis pas ; Garde -la, car elle est ta vie. N'entre
pas dans le sentier des méchants, Et ne marche pas dans la voie des hommes mauvais. Évite -la,
n'y passe point ; Détourne -t'en, et passe outre. Car ils ne dormiraient pas s'ils n'avaient fait le mal,
Le sommeil leur serait ravi s'ils n'avaient fait tomber personne ; Car c'est le pain de la méchanceté
qu'ils mangent, C'est le vin de la violence qu'ils boivent. Le sentier des justes est comme la lumière
resplendissante, Dont l'éclat va croissant jusqu'au milieu du jour. La voie des méchants est comme
les ténèbres ; Ils n'aperçoivent pas ce qui les fera tomber. Mon fils, sois attentif à mes paroles, Prête
l'oreille à mes discours. Qu'ils ne s'éloignent pas de tes yeux ; Garde -les dans le fond de ton coeur ;
Car c'est la vie pour ceux qui les trouvent, C'est la santé pour tout leur corps. Garde ton coeur plus que
toute autre chose, Car de lui viennent les sources de la vie. Écarte de ta bouche la fausseté, Éloigne
de tes lèvres les détours. Que tes yeux regardent en face, Et que tes paupières se dirigent devant toi.
Considère le chemin par où tu passes, Et que toutes tes voies soient bien réglées ; N'incline ni à droite
ni à gauche, Et détourne ton pied du mal.

5 Mon fils, sois attentif à ma sagesse, Prête l'oreille à mon intelligence, Afin que tu conserves la
réflexion, Et que tes lèvres gardent la connaissance. Car les lèvres de l'étrangère distillent le miel, Et
son palais est plus doux que l'huile ; Mais à la fin elle est amère comme l'absinthe, Aiguë comme un
glaive à deux tranchants. Ses pieds descendent vers la mort, Ses pas atteignent le séjour des morts.
Afin de ne pas considérer le chemin de la vie, Elle est errante dans ses voies, elle ne sait où elle va. Et
maintenant, mes fils, écoutez -moi, Et ne vous écartez pas des paroles de ma bouche. Éloigne -toi du
chemin qui conduit chez elle, Et ne t'approche pas de la porte de sa maison, De peur que tu ne livres
ta vigueur à d'autres, Et tes années à un homme cruel ; De peur que des étrangers ne se rassasient de
ton bien, Et du produit de ton travail dans la maison d'autrui ; De peur que tu ne gémisses, près de ta
fin, Quand ta chair et ton corps se consumeront, Et que tu ne dises : Comment donc ai-je pu haïr la
correction, Et comment mon coeur a-t-il dédaigné la réprimande ? Comment ai-je pu ne pas écouter la
voix de mes maîtres, Ne pas prêter l'oreille à ceux qui m'instruisaient ? Peu s'en est fallu que je n'aie

éprouvé tous les malheurs Au milieu du peuple et de l'assemblée. Bois les eaux de ta citerne, Les eaux 15
qui sortent de ton puits. Tes sources doivent-elles se répandre au dehors ? Tes ruisseaux doivent ils 16
couler sur les places publiques ? Qu'ils soient pour toi seul, Et non pour des étrangers avec toi. Que 17, 18
ta source soit bénie, Et fais ta joie de la femme de ta jeunesse, Biche des amours, gazelle pleine de 19
grâce : Sois en tout temps enivré de ses charmes, Sans cesse épris de son amour. Et pourquoi, mon fils, 20
serais-tu épris d'une étrangère, Et embrasserais -tu le sein d'une inconnue ? Car les voies de l'homme 21
sont devant les yeux de l'Éternel, Qui observe tous ses sentiers. Le méchant est pris dans ses propres 22
iniquités, Il est saisi par les liens de son péché. Il mourra faute d'instruction, Il chancellera par l'excès 23
de sa folie.

Mon fils, si tu as cautionné ton prochain, Si tu t'es engagé pour autrui, Si tu es enlacé par les paroles **6**, 2
de ta bouche, Si tu es pris par les paroles de ta bouche, Fais donc ceci, mon fils, dégage -toi, Puisque tu 3
es tombé au pouvoir de ton prochain ; Va, prosterne -toi, et fais des instances auprès de lui ; Ne donne 4
ni sommeil à tes yeux, Ni assoupissement à tes paupières ; Dégage -toi comme la gazelle de la main du 5
chasseur, Comme l'oiseau de la main de l'oiseleur. Va vers la fourmi, paresseux ; Considère ses voies, et 6
deviens sage. Elle n'a ni chef, Ni inspecteur, ni maître ; Elle prépare en été sa nourriture, Elle amasse 7, 8
pendant la moisson de quoi manger. Paresseux, jusqu'à quand seras-tu couché ? Quand te lèveras - 9
tu de ton sommeil ? Un peu de sommeil, un peu d'assoupissement, Un peu croiser les mains pour 10
dormir !... Et la pauvreté te surprendra, comme un rôdeur, Et la disette, comme un homme en armes. 11
L'homme pervers, l'homme inique, Marche la fausseté dans la bouche ; Il cligne des yeux, parle du 12, 13
pied, Fait des signes avec les doigts ; La perversité est dans son coeur, Il médite le mal en tout temps, 14
Il excite des querelles. Aussi sa ruine arrivera -t-elle subitement ; Il sera brisé tout d'un coup, et sans 15
remède. Il y a six choses que hait l'Éternel, Et même sept qu'il a en horreur ; Les yeux hautains, la 16, 17
langue menteuse, Les mains qui répandent le sang innocent, Le coeur qui médite des projets iniques, 18
Les pieds qui se hâtent de courir au mal, Le faux témoin qui dit des mensonges, Et celui qui excite 19
des querelles entre frères. Mon fils, garde les préceptes de ton père, Et ne rejette pas l'enseignement 20
de ta mère. Lie -les constamment sur ton coeur, Attache -les à ton cou. Ils te dirigeront dans ta 21, 22
marche, Ils te garderont sur ta couche, Ils te parleront à ton réveil. Car le précepte est une lampe, 23
et l'enseignement une lumière, Et les avertissements de la correction sont le chemin de la vie : Ils te 24
préserveront de la femme corrompue, De la langue doucereuse de l'étrangère. Ne la convoite pas dans 25
ton coeur pour sa beauté, Et ne te laisse pas séduire par ses paupières. Car pour la femme prostituée 26
on se réduit à un morceau de pain, Et la femme mariée tend un piège à la vie précieuse. Quelqu'un 27
mettra -t-il du feu dans son sein, Sans que ses vêtements s'enflamment ? Quelqu'un marchera -t-il sur 28
des charbons ardents, Sans que ses pieds soient brûlés ? Il en est de même pour celui qui va vers la 29
femme de son prochain : Quiconque la touche ne restera pas impuni. On ne tient pas pour innocent le 30
voleur qui dérobe Pour satisfaire son appétit, quand il a faim ; Si on le trouve, il fera une restitution au 31
septuple, Il donnera tout ce qu'il a dans sa maison. Mais celui qui commet un adultère avec une femme 32
est dépourvu de sens, Celui qui veut se perdre agit de la sorte ; Il n'aura que plaie et ignominie, Et son 33
opprobre ne s'effacera point. Car la jalousie met un homme en fureur, Et il est sans pitié au jour de la 34
vengeance ; Il n'a égard à aucune rançon, Et il est inflexible, quand même tu multiplierais les dons. 35

Mon fils, retiens mes paroles, Et garde avec toi mes préceptes. Observe mes préceptes, et tu vivras ; **7**, 2
Garde mes enseignements comme la prunelle de tes yeux. Lie -les sur tes doigts, Écris -les sur la 3
table de ton coeur. Dis à la sagesse : Tu es ma soeur ! Et appelle l'intelligence ton amie, Pour qu'elles 4, 5
te préservent de la femme étrangère, De l'étrangère qui emploie des paroles doucereuses. J'étais à la 6
fenêtre de ma maison, Et je regardais à travers mon treillis. J'aperçus parmi les stupides, Je remarquai 7
parmi les jeunes gens un garçon dépourvu de sens. Il passait dans la rue, près de l'angle où se tenait 8
une de ces étrangères, Et il se dirigeait lentement du côté de sa demeure : C'était au crépuscule, 9
pendant la soirée, Au milieu de la nuit et de l'obscurité. Et voici, il fut abordé par une femme Ayant 10
la mise d'une prostituée et la ruse dans le coeur. Elle était bruyante et rétive ; Ses pieds ne restaient 11
point dans sa maison ; Tantôt dans la rue, tantôt sur les places, Et près de tous les angles, elle était 12
aux aguets. Elle le saisit et l'embrassa, Et d'un air effronté lui dit : Je devais un sacrifice d'actions 13, 14
de grâces, Aujourd'hui j'ai accompli mes voeux. C'est pourquoi je suis sortie au-devant de toi Pour te 15
chercher, et je t'ai trouvé. J'ai orné mon lit de couvertures, De tapis de fil d'Égypte ; J'ai parfumé ma 16, 17
couche De myrrhe, d'aloès et de cinnamome. Viens, enivrons -nous d'amour jusqu'au matin, Livrons- 18
nous joyeusement à la volupté. Car mon mari n'est pas à la maison, Il est parti pour un voyage lointain ; 19
Il a pris avec lui le sac de l'argent, Il ne reviendra à la maison qu'à la nouvelle lune. Elle le séduisit 20, 21
à force de paroles, Elle l'entraîna par ses lèvres doucereuses. Il se mit tout à coup à la suivre, Comme 22
le boeuf qui va à la boucherie, Comme un fou qu'on lie pour le châtier, Jusqu'à ce qu'une flèche lui 23
perce le foie, Comme l'oiseau qui se précipite dans le filet, Sans savoir que c'est au prix de sa vie. Et 24
maintenant, mes fils, écoutez -moi, Et soyez attentifs aux paroles de ma bouche. Que ton coeur ne se 25

détourne pas vers les voies d'une telle femme, Ne t'égare pas dans ses sentiers. Car elle a fait tomber
beaucoup de victimes, Et ils sont nombreux, tous ceux qu'elle a tués. Sa maison, c'est le chemin du
séjour des morts ; Il descend vers les demeures de la mort.
8, La sagesse ne crie -t-elle pas ? L'intelligence n'élève -t-elle pas sa voix ? C'est au sommet des hau-
teurs près de la route, C'est à la croisée des chemins qu'elle se place ; À côté des portes, à l'entrée de la
ville, À l'intérieur des portes, elle fait entendre ses cris : Hommes, c'est à vous que je crie, Et ma voix
s'adresse aux fils de l'homme. Stupides, apprenez le discernement ; Insensés, apprenez l'intelligence.
Écoutez, car j'ai de grandes choses à dire, Et mes lèvres s'ouvrent pour enseigner ce qui est droit. Car
ma bouche proclame la vérité, Et mes lèvres ont en horreur le mensonge ; Toutes les paroles de ma
bouche sont justes, Elles n'ont rien de faux ni de détourné ; Toutes sont claires pour celui qui est in-
telligent, Et droites pour ceux qui ont trouvé la science. Préférez mes instructions à l'argent, Et la
science à l'or le plus précieux ; Car la sagesse vaut mieux que les perles, Elle a plus de valeur que tous
les objets de prix. Moi, la sagesse, j'ai pour demeure le discernement, Et je possède la science de la
réflexion. La crainte de l'Éternel, c'est la haine du mal ; L'arrogance et l'orgueil, la voie du mal, Et la
bouche perverse, voilà ce que je hais. Le conseil et le succès m'appartiennent ; Je suis l'intelligence, la
force est à moi. Par moi les rois règnent, Et les princes ordonnent ce qui est juste ; Par moi gouvernent
les chefs, Les grands, tous les juges de la terre. J'aime ceux qui m'aiment, Et ceux qui me cherchent me
trouvent. Avec moi sont la richesse et la gloire, Les biens durables et la justice. Mon fruit est meilleur
que l'or, que l'or pur, Et mon produit est préférable à l'argent. Je marche dans le chemin de la justice,
Au milieu des sentiers de la droiture, Pour donner des biens à ceux qui m'aiment, Et pour remplir leurs
trésors. L'Éternel m'a créée la première de ses oeuvres, Avant ses oeuvres les plus anciennes. J'ai été
établie depuis l'éternité, Dès le commencement, avant l'origine de la terre. Je fus enfantée quand il
n'y avait point d'abîmes, Point de sources chargées d'eaux ; Avant que les montagnes soient affermies,
Avant que les collines existent, je fus enfantée ; Il n'avait encore fait ni la terre, ni les campagnes, Ni
le premier atome de la poussière du monde. Lorsqu'il disposa les cieux, j'étais là ; Lorsqu'il traça un
cercle à la surface de l'abîme, Lorsqu'il fixa les nuages en haut, Et que les sources de l'abîme jaillirent
avec force, Lorsqu'il donna une limite à la mer, Pour que les eaux n'en franchissent pas les bords, Lors-
qu'il posa les fondements de la terre, J'étais à l'oeuvre auprès de lui, Et je faisais tous les jours ses
délices, Jouant sans cesse en sa présence, Jouant sur le globe de sa terre, Et trouvant mon bonheur
parmi les fils de l'homme. Et maintenant, mes fils, écoutez -moi, Et heureux ceux qui observent mes
voies ! Écoutez l'instruction, pour devenir sages, Ne la rejetez pas. Heureux l'homme qui m'écoute,
Qui veille chaque jour à mes portes, Et qui en garde les poteaux ! Car celui qui me trouve a trouvé la
vie, Et il obtient la faveur de l'Éternel. Mais celui qui pèche contre moi nuit à son âme ; Tous ceux qui
me haïssent aiment la mort.
9, La sagesse a bâti sa maison, Elle a taillé ses sept colonnes. Elle a égorgé ses victimes, mêlé son
vin, Et dressé sa table. Elle a envoyé ses servantes, elle crie Sur le sommet des hauteurs de la ville :
Que celui qui est stupide entre ici ! Elle dit à ceux qui sont dépourvus de sens : Venez, mangez de
mon pain, Et buvez du vin que j'ai mêlé ; Quittez la stupidité, et vous vivrez, Et marchez dans la
voie de l'intelligence ! Celui qui reprend le moqueur s'attire le dédain, Et celui qui corrige le méchant
reçoit un outrage. Ne reprends pas le moqueur, de crainte qu'il ne te haïsse ; Reprends le sage, et il
t'aimera. Donne au sage, et il deviendra plus sage ; Instruis le juste, et il augmentera son savoir. Le
commencement de la sagesse, c'est la crainte de l'Éternel ; Et la science des saints, c'est l'intelligence.
C'est par moi que tes jours se multiplieront, Et que les années de ta vie augmenteront. Si tu es sage,
tu es sage pour toi ; Si tu es moqueur, tu en porteras seul la peine. La folie est une femme bruyante,
Stupide et ne sachant rien. Elle s'assied à l'entrée de sa maison, Sur un siège, dans les hauteurs de la
ville, Pour crier aux passants, Qui vont droit leur chemin : Que celui qui est stupide entre ici ! Elle dit
à celui qui est dépourvu de sens : Les eaux dérobées sont douces, Et le pain du mystère est agréable !
Et il ne sait pas que là sont les morts, Et que ses invités sont dans les vallées du séjour des morts.
10 Proverbes de Salomon. Un fils sage fait la joie d'un père, Et un fils insensé le chagrin de sa mère.
Les trésors de la méchanceté ne profitent pas, Mais la justice délivre de la mort. L'Éternel ne laisse
pas le juste souffrir de la faim, Mais il repousse l'avidité des méchants. Celui qui agit d'une main lâche
s'appauvrit, Mais la main des diligents enrichit. Celui qui amasse pendant l'été est un fils prudent,
Celui qui dort pendant la moisson est un fils qui fait honte. Il y a des bénédictions sur la tête du juste,
Mais la violence couvre la bouche des méchants. La mémoire du juste est en bénédiction, Mais le nom
des méchants tombe en pourriture. Celui qui est sage de coeur reçoit les préceptes, Mais celui qui est
insensé des lèvres court à sa perte. Celui qui marche dans l'intégrité marche avec assurance, Mais
celui qui prend des voies tortueuses sera découvert. Celui qui cligne des yeux est une cause de chagrin,
Et celui qui est insensé des lèvres court à sa perte. La bouche du juste est une source de vie, Mais

la violence couvre la bouche des méchants. La haine excite des querelles, Mais l'amour couvre toutes 12
les fautes. Sur les lèvres de l'homme intelligent se trouve la sagesse, Mais la verge est pour le dos de 13
celui qui est dépourvu de sens. Les sages tiennent la science en réserve, Mais la bouche de l'insensé 14
est une ruine prochaine. La fortune est pour le riche une ville forte ; La ruine des misérables, c'est 15
leur pauvreté. L'oeuvre du juste est pour la vie, Le gain du méchant est pour le péché. Celui qui se 16, 17
souvient de la correction prend le chemin de la vie, Mais celui qui oublie la réprimande s'égare. Celui 18
qui dissimule la haine a des lèvres menteuses, Et celui qui répand la calomnie est un insensé. Celui 19
qui parle beaucoup ne manque pas de pécher, Mais celui qui retient ses lèvres est un homme prudent.
La langue du juste est un argent de choix ; Le coeur des méchants est peu de chose. Les lèvres du 20, 21
juste dirigent beaucoup d'hommes, Et les insensés meurent par défaut de raison. C'est la bénédiction 22
de l'Éternel qui enrichit, Et il ne la fait suivre d'aucun chagrin. Commettre le crime paraît un jeu à 23
l'insensé, Mais la sagesse appartient à l'homme intelligent. Ce que redoute le méchant, c'est ce qui 24
lui arrive ; Et ce que désirent les justes leur est accordé. Comme passe le tourbillon, ainsi disparaît le 25
méchant ; Mais le juste a des fondements éternels. Ce que le vinaigre est aux dents et la fumée aux 26
yeux, Tel est le paresseux pour celui qui l'envoie. La crainte de l'Éternel augmente les jours, Mais les 27
années des méchants sont abrégées. L'attente des justes n'est que joie, Mais l'espérance des méchants 28
périra. La voie de l'Éternel est un rempart pour l'intégrité, Mais elle est une ruine pour ceux qui font 29
le mal. Le juste ne chancellera jamais, Mais les méchants n'habiteront pas le pays. La bouche du juste 30, 31
produit la sagesse, Mais la langue perverse sera retranchée. Les lèvres du juste connaissent la grâce, 32
Et la bouche des méchants la perversité.

La balance fausse est en horreur à l'Éternel, Mais le poids juste lui est agréable. Quand vient **11**, 2
l'orgueil, vient aussi l'ignominie ; Mais la sagesse est avec les humbles. L'intégrité des hommes droits 3
les dirige, Mais les détours des perfides causent leur ruine. Au jour de la colère, la richesse ne sert à 4
rien ; Mais la justice délivre de la mort. La justice de l'homme intègre aplanit sa voie, Mais le méchant 5
tombe par sa méchanceté. La justice des hommes droits les délivre, Mais les méchants sont pris par 6
leur malice. À la mort du méchant, son espoir périt, Et l'attente des hommes iniques est anéantie. Le 7, 8
juste est délivré de la détresse, Et le méchant prend sa place. Par sa bouche l'impie perd son prochain, 9
Mais les justes sont délivrés par la science. Quand les justes sont heureux, la ville est dans la joie ; Et 10
quand les méchants périssent, on pousse des cris d'allégresse. La ville s'élève par la bénédiction des 11
hommes droits, Mais elle est renversée par la bouche des méchants. Celui qui méprise son prochain 12
est dépourvu de sens, Mais l'homme qui a de l'intelligence se tait. Celui qui répand la calomnie dévoile 13
les secrets, Mais celui qui a l'esprit fidèle les garde. Quand la prudence fait défaut, le peuple tombe ; 14
Et le salut est dans le grand nombre des conseillers. Celui qui cautionne autrui s'en trouve mal, Mais 15
celui qui craint de s'engager est en sécurité. Une femme qui a de la grâce obtient la gloire, Et ceux 16
qui ont de la force obtiennent la richesse. L'homme bon fait du bien à son âme, Mais l'homme cruel 17
trouble sa propre chair. Le méchant fait un gain trompeur, Mais celui qui sème la justice a un salaire 18
véritable. Ainsi la justice conduit à la vie, Mais celui qui poursuit le mal trouve la mort. Ceux qui ont 19, 20
le coeur pervers sont en abomination à l'Éternel, Mais ceux dont la voie est intègre lui sont agréables.
Certes, le méchant ne restera pas impuni, Mais la postérité des justes sera sauvée. Un anneau d'or au 21, 22
nez d'un pourceau, C'est une femme belle et dépourvue de sens. Le désir des justes, c'est seulement le 23
bien ; L'attente des méchants, c'est la fureur. Tel, qui donne libéralement, devient plus riche ; Et tel, 24
qui épargne à l'excès, ne fait que s'appauvrir. L'âme bienfaisante sera rassasiée, Et celui qui arrose 25
sera lui-même arrosé. Celui qui retient le blé est maudit du peuple, Mais la bénédiction est sur la 26
tête de celui qui le vend. Celui qui recherche le bien s'attire de la faveur, Mais celui qui poursuit le 27
mal en est atteint. Celui qui se confie dans ses richesses tombera, Mais les justes verdiront comme le 28
feuillage. Celui qui trouble sa maison héritera du vent, Et l'insensé sera l'esclave de l'homme sage. Le 29, 30
fruit du juste est un arbre de vie, Et le sage s'empare des âmes. Voici, le juste reçoit sur la terre une 31
rétribution ; Combien plus le méchant et le pécheur !

Celui qui aime la correction aime la science ; Celui qui hait la réprimande est stupide. L'homme **12**, 2
de bien obtient la faveur de l'Éternel, Mais l'Éternel condamne celui qui est plein de malice. L'homme 3
ne s'affermit pas par la méchanceté, Mais la racine des justes ne sera point ébranlée. Une femme 4
vertueuse est la couronne de son mari, Mais celle qui fait honte est comme la carie dans ses os. Les 5
pensées des justes ne sont qu'équité ; Les desseins des méchants ne sont que fraude. Les paroles des 6
méchants sont des embûches pour verser le sang, Mais la bouche des hommes droits est une délivrance.
Renversés, les méchants ne sont plus ; Et la maison des justes reste debout. Un homme est estimé 7, 8
en raison de son intelligence, Et celui qui a le coeur pervers est l'objet du mépris. Mieux vaut être 9
d'une condition humble et avoir un serviteur Que de faire le glorieux et de manquer de pain. Le juste 10
prend soin de son bétail, Mais les entrailles des méchants sont cruelles. Celui qui cultive son champ 11

12 est rassasié de pain, Mais celui qui poursuit des choses vaines est dépourvu de sens. Le méchant
13 convoite ce que prennent les méchants, Mais la racine des justes donne du fruit. Il y a dans le péché
14 des lèvres un piège pernicieux, Mais le juste se tire de la détresse. Par le fruit de la bouche on est
15 rassasié de biens, Et chacun reçoit selon l'oeuvre de ses mains. La voie de l'insensé est droite à ses
16 yeux, Mais celui qui écoute les conseils est sage. L'insensé laisse voir à l'instant sa colère, Mais celui
17 qui cache un outrage est un homme prudent. Celui qui dit la vérité proclame la justice, Et le faux
18 témoin la tromperie. Tel, qui parle légèrement, blesse comme un glaive ; Mais la langue des sages
19 apporte la guérison. La lèvre véridique est affermie pour toujours, Mais la langue fausse ne subsiste
20 qu'un instant. La tromperie est dans le coeur de ceux qui méditent le mal, Mais la joie est pour ceux
21 qui conseillent la paix. Aucun malheur n'arrive au juste, Mais les méchants sont accablés de maux.
22 Les lèvres fausses sont en horreur à l'Éternel, Mais ceux qui agissent avec vérité lui sont agréables.
23, 24 L'homme prudent cache sa science, Mais le coeur des insensés proclame la folie. La main des diligents
25 dominera, Mais la main lâche sera tributaire. L'inquiétude dans le coeur de l'homme l'abat, Mais une
26 bonne parole le réjouit. Le juste montre à son ami la bonne voie, Mais la voie des méchants les égare.
27, 28 Le paresseux ne rôtit pas son gibier ; Mais le précieux trésor d'un homme, c'est l'activité. La vie est
dans le sentier de la justice, La mort n'est pas dans le chemin qu'elle trace.

13, 2 Un fils sage écoute l'instruction de son père, Mais le moqueur n'écoute pas la réprimande. Par le
3 fruit de la bouche on jouit du bien ; Mais ce que désirent les perfides, c'est la violence. Celui qui veille
4 sur sa bouche garde son âme ; Celui qui ouvre de grandes lèvres court à sa perte. L'âme du paresseux
5 a des désirs qu'il ne peut satisfaire ; Mais l'âme des hommes diligents sera rassasiée. Le juste hait les
6 paroles mensongères ; Le méchant se rend odieux et se couvre de honte. La justice garde celui dont la
7 voie est intègre, Mais la méchanceté cause la ruine du pécheur. Tel fait le riche et n'a rien du tout, Tel
8 fait le pauvre et a de grands biens. La richesse d'un homme sert de rançon pour sa vie, Mais le pauvre
9 n'écoute pas la réprimande. La lumière des justes est joyeuse, Mais la lampe des méchants s'éteint.
10 C'est seulement par orgueil qu'on excite des querelles, Mais la sagesse est avec ceux qui écoutent les
11, 12 conseils. La richesse mal acquise diminue, Mais celui qui amasse peu à peu l'augmente. Un espoir
13 différé rend le coeur malade, Mais un désir accompli est un arbre de vie. Celui qui méprise la parole se
14 perd, Mais celui qui craint le précepte est récompensé. L'enseignement du sage est une source de vie,
15 Pour détourner des pièges de la mort. Une raison saine a pour fruit la grâce, Mais la voie des perfides
16, 17 est rude. Tout homme prudent agit avec connaissance, Mais l'insensé fait étalage de folie. Un envoyé
18 méchant tombe dans le malheur, Mais un messager fidèle apporte la guérison. La pauvreté et la honte
19 sont le partage de celui qui rejette la correction, Mais celui qui a égard à la réprimande est honoré. Un
20 désir accompli est doux à l'âme, Mais s'éloigner du mal fait horreur aux insensés. Celui qui fréquente
21 les sages devient sage, Mais celui qui se plaît avec les insensés s'en trouve mal. Le malheur poursuit
22 ceux qui pèchent, Mais le bonheur récompense les justes. L'homme de bien a pour héritiers les enfants
23 de ses enfants, Mais les richesses du pécheur sont réservées pour le juste. Le champ que défriche le
24 pauvre donne une nourriture abondante, Mais tel périt par défaut de justice. Celui qui ménage sa
25 verge hait son fils, Mais celui qui l'aime cherche à le corriger. Le juste mange et satisfait son appétit,
Mais le ventre des méchants éprouve la disette.

14, 2 La femme sage bâtit sa maison, Et la femme insensée la renverse de ses propres mains. Celui qui
3 marche dans la droiture craint l'Éternel, Mais celui qui prend des voies tortueuses le méprise. Dans
4 la bouche de l'insensé est une verge pour son orgueil, Mais les lèvres des sages les gardent. S'il n'y a
5 pas de boeufs, la crèche est vide ; C'est à la vigueur des boeufs qu'on doit l'abondance des revenus. Un
6 témoin fidèle ne ment pas, Mais un faux témoin dit des mensonges. Le moqueur cherche la sagesse et
7 ne la trouve pas, Mais pour l'homme intelligent la science est chose facile. Éloigne -toi de l'insensé ; Ce
8 n'est pas sur ses lèvres que tu aperçois la science. La sagesse de l'homme prudent, c'est l'intelligence
9 de sa voie ; La folie des insensés, c'est la tromperie. Les insensés se font un jeu du péché, Mais parmi
10 les hommes droits se trouve la bienveillance. Le coeur connaît ses propres chagrins, Et un étranger
11 ne saurait partager sa joie. La maison des méchants sera détruite, Mais la tente des hommes droits
12, 13 fleurira. Telle voie paraît droite à un homme, Mais son issue, c'est la voie de la mort. Au milieu même
14 du rire le coeur peut être affligé, Et la joie peut finir par la détresse. Celui dont le coeur s'égare se
15 rassasie de ses voies, Et l'homme de bien se rassasie de ce qui est en lui. L'homme simple croit tout ce
16 qu'on dit, Mais l'homme prudent est attentif à ses pas. Le sage a de la retenue et se détourne du mal,
17 Mais l'insensé est arrogant et plein de sécurité. Celui qui est prompt à la colère fait des sottises, Et
18 l'homme plein de malice s'attire la haine. Les simples ont en partage la folie, Et les hommes prudents
19 se font de la science une couronne. Les mauvais s'inclinent devant les bons, Et les méchants aux
20, 21 portes du juste. Le pauvre est odieux même à son ami, Mais les amis du riche sont nombreux. Celui
22 qui méprise son prochain commet un péché, Mais heureux celui qui a pitié des misérables ! Ceux qui
méditent le mal ne s'égarent -ils pas ? Mais ceux qui méditent le bien agissent avec bonté et fidélité.

Tout travail procure l'abondance, Mais les paroles en l'air ne mènent qu'à la disette. La richesse est 23, 24
une couronne pour les sages ; La folie des insensés est toujours de la folie. Le témoin véridique délivre 25
des âmes, Mais le trompeur dit des mensonges. Celui qui craint l'Éternel possède un appui ferme, Et 26
ses enfants ont un refuge auprès de lui. La crainte de l'Éternel est une source de vie, Pour détourner 27
des pièges de la mort. Quand le peuple est nombreux, c'est la gloire d'un roi ; Quand le peuple manque, 28
c'est la ruine du prince. Celui qui est lent à la colère a une grande intelligence, Mais celui qui est 29
prompt à s'emporter proclame sa folie. Un coeur calme est la vie du corps, Mais l'envie est la carie des 30
os. Opprimer le pauvre, c'est outrager celui qui l'a fait ; Mais avoir pitié de l'indigent, c'est l'honorer. 31
Le méchant est renversé par sa méchanceté, Mais le juste trouve un refuge même en sa mort. Dans un 32, 33
coeur intelligent repose la sagesse, Mais au milieu des insensés elle se montre à découvert. La justice 34
élève une nation, Mais le péché est la honte des peuples. La faveur du roi est pour le serviteur prudent, 35
Et sa colère pour celui qui fait honte.

Une réponse douce calme la fureur, Mais une parole dure excite la colère. La langue des sages rend **15**, 2
la science aimable, Et la bouche des insensés répand la folie. Les yeux de l'Éternel sont en tout lieu, 3
Observant les méchants et les bons. La langue douce est un arbre de vie, Mais la langue perverse brise 4
l'âme. L'insensé dédaigne l'instruction de son père, Mais celui qui a égard à la réprimande agit avec 5
prudence. Il y a grande abondance dans la maison du juste, Mais il y a du trouble dans les profits du 6
méchant. Les lèvres des sages répandent la science, Mais le coeur des insensés n'est pas droit. Le 7, 8
sacrifice des méchants est en horreur à l'Éternel, Mais la prière des hommes droits lui est agréable. La 9
voie du méchant est en horreur à l'Éternel, Mais il aime celui qui poursuit la justice. Une correction 10
sévère menace celui qui abandonne le sentier ; Celui qui hait la réprimande mourra. Le séjour des 11
morts et l'abîme sont devant l'Éternel ; Combien plus les coeurs des fils de l'homme ! Le moqueur 12
n'aime pas qu'on le reprenne, Il ne va point vers les sages. Un coeur joyeux rend le visage serein ; Mais 13
quand le coeur est triste, l'esprit est abattu. Un coeur intelligent cherche la science, Mais la bouche 14
des insensés se plaît à la folie. Tous les jours du malheureux sont mauvais, Mais le coeur content est 15
un festin perpétuel. Mieux vaut peu, avec la crainte de l'Éternel, Qu'un grand trésor, avec le trouble. 16
Mieux vaut de l'herbe pour nourriture, là où règne l'amour, Qu'un boeuf engraissé, si la haine est là. 17
Un homme violent excite des querelles, Mais celui qui est lent à la colère apaise les disputes. Le chemin 18, 19
du paresseux est comme une haie d'épines, Mais le sentier des hommes droits est aplani. Un fils sage 20
fait la joie de son père, Et un homme insensé méprise sa mère. La folie est une joie pour celui qui est 21
dépourvu de sens, Mais un homme intelligent va le droit chemin. Les projets échouent, faute d'une 22
assemblée qui délibère ; Mais ils réussissent quand il y a de nombreux conseillers. On éprouve de la 23
joie à donner une réponse de sa bouche ; Et combien est agréable une parole dite à propos ! Pour le sage, 24
le sentier de la vie mène en haut, Afin qu'il se détourne du séjour des morts qui est en bas. L'Éternel 25
renverse la maison des orgueilleux, Mais il affermit les bornes de la veuve. Les pensées mauvaises 26
sont en horreur à l'Éternel, Mais les paroles agréables sont pures à ses yeux. Celui qui est avide de 27
gain trouble sa maison, Mais celui qui hait les présents vivra. Le coeur du juste médite pour répondre, 28
Mais la bouche des méchants répand des méchancetés. L'Éternel s'éloigne des méchants, Mais il écoute 29
la prière des justes. Ce qui plaît aux yeux réjouit le coeur ; Une bonne nouvelle fortifie les membres. 30
L'oreille attentive aux réprimandes qui mènent à la vie Fait son séjour au milieu des sages. Celui qui 31, 32
rejette la correction méprise son âme, Mais celui qui écoute la réprimande acquiert l'intelligence. La 33
crainte de l'Éternel enseigne la sagesse, Et l'humilité précède la gloire.

Les projets que forme le coeur dépendent de l'homme, Mais la réponse que donne la bouche vient de **16**
l'Éternel. Toutes les voies de l'homme sont pures à ses yeux ; Mais celui qui pèse les esprits, c'est l'Éter- 2
nel. Recommande à l'Éternel tes oeuvres, Et tes projets réussiront. L'Éternel a tout fait pour un but, 3, 4
Même le méchant pour le jour du malheur. Tout coeur hautain est en abomination à l'Éternel ; Certes, 5
il ne restera pas impuni. Par la bonté et la fidélité on expie l'iniquité, Et par la crainte de l'Éternel 6
on se détourne du mal. Quand l'Éternel approuve les voies d'un homme, Il dispose favorablement à 7
son égard même ses ennemis. Mieux vaut peu, avec la justice, Que de grands revenus, avec l'injustice. 8
Le coeur de l'homme médite sa voie, Mais c'est l'Éternel qui dirige ses pas. Des oracles sont sur les 9, 10
lèvres du roi : Sa bouche ne doit pas être infidèle quand il juge. Le poids et la balance justes sont à 11
l'Éternel ; Tous les poids du sac sont son ouvrage. Les rois ont horreur de faire le mal, Car c'est par la 12
justice que le trône s'affermit. Les lèvres justes gagnent la faveur des rois, Et ils aiment celui qui parle 13
avec droiture. La fureur du roi est un messager de mort, Et un homme sage doit l'apaiser. La sérénité 14, 15
du visage du roi donne la vie, Et sa faveur est comme une pluie du printemps. Combien acquérir la 16
sagesse vaut mieux que l'or ! Combien acquérir l'intelligence est préférable à l'argent ! Le chemin des 17

hommes droits, c'est d'éviter le mal ; Celui qui garde son âme veille sur sa voie. L'arrogance précède la
ruine, Et l'orgueil précède la chute. Mieux vaut être humble avec les humbles Que de partager le butin
avec les orgueilleux. Celui qui réfléchit sur les choses trouve le bonheur, Et celui qui se confie en l'Éter-
nel est heureux. Celui qui est sage de coeur est appelé intelligent, Et la douceur des lèvres augmente
le savoir. La sagesse est une source de vie pour celui qui la possède ; Et le châtiment des insensés,
c'est leur folie. Celui qui est sage de coeur manifeste la sagesse par sa bouche, Et l'accroissement de
son savoir paraît sur ses lèvres. Les paroles agréables sont un rayon de miel, Douces pour l'âme et
salutaires pour le corps. Telle voie paraît droite à un homme, Mais son issue, c'est la voie de la mort.
Celui qui travaille, travaille pour lui, Car sa bouche l'y excite. L'homme pervers prépare le malheur,
Et il y a sur ses lèvres comme un feu ardent. L'homme pervers excite des querelles, Et le rapporteur
divise les amis. L'homme violent séduit son prochain, Et le fait marcher dans une voie qui n'est pas
bonne. Celui qui ferme les yeux pour se livrer à des pensées perverses, Celui qui se mord les lèvres, a
déjà consommé le mal. Les cheveux blancs sont une couronne d'honneur ; C'est dans le chemin de la
justice qu'on la trouve. Celui qui est lent à la colère vaut mieux qu'un héros, Et celui qui est maître
de lui-même, que celui qui prend des villes. On jette le sort dans le pan de la robe, Mais toute décision
vient de l'Éternel.

17 Mieux vaut un morceau de pain sec, avec la paix, Qu'une maison pleine de viandes, avec des que-
relles. Un serviteur prudent domine sur le fils qui fait honte, Et il aura part à l'héritage au milieu des
frères. Le creuset est pour l'argent, et le fourneau pour l'or ; Mais celui qui éprouve les coeurs, c'est
l'Éternel. Le méchant est attentif à la lèvre inique, Le menteur prête l'oreille à la langue pernicieuse.
Celui qui se moque du pauvre outrage celui qui l'a fait ; Celui qui se réjouit d'un malheur ne restera pas
impuni. Les enfants des enfants sont la couronne des vieillards, Et les pères sont la gloire de leurs en-
fants. Les paroles distinguées ne conviennent pas à un insensé ; Combien moins à un noble les paroles
mensongères ! Les présents sont une pierre précieuse aux yeux de qui en reçoit ; De quelque côté qu'ils
se tournent, ils ont du succès. Celui qui couvre une faute cherche l'amour, Et celui qui la rappelle dans
ses discours divise les amis. Une réprimande fait plus d'impression sur l'homme intelligent Que cent
coups sur l'insensé. Le méchant ne cherche que révolte, Mais un messager cruel sera envoyé contre lui.
Rencontre une ourse privée de ses petits, Plutôt qu'un insensé pendant sa folie. De celui qui rend le
mal pour le bien Le mal ne quittera point la maison. Commencer une querelle, c'est ouvrir une digue ;
Avant que la dispute s'anime, retire -toi. Celui qui absout le coupable et celui qui condamne le juste
Sont tous deux en abomination à l'Éternel. À quoi sert l'argent dans la main de l'insensé ? À acheter
la sagesse ?... Mais il n'a point de sens. L'ami aime en tout temps, Et dans le malheur il se montre un
frère. L'homme dépourvu de sens prend des engagements, Il cautionne son prochain. Celui qui aime
les querelles aime le péché ; Celui qui élève sa porte cherche la ruine. Un coeur faux ne trouve pas le
bonheur, Et celui dont la langue est perverse tombe dans le malheur. Celui qui donne naissance à un
insensé aura du chagrin ; Le père d'un fou ne peut pas se réjouir. Un coeur joyeux est un bon remède,
Mais un esprit abattu dessèche les os. Le méchant accepte en secret des présents, Pour pervertir les
voies de la justice. La sagesse est en face de l'homme intelligent, Mais les yeux de l'insensé sont à l'ex-
trémité de la terre. Un fils insensé fait le chagrin de son père, Et l'amertume de celle qui l'a enfanté.
Il n'est pas bon de condamner le juste à une amende, Ni de frapper les nobles à cause de leur droiture.
Celui qui retient ses paroles connaît la science, Et celui qui a l'esprit calme est un homme intelligent.
L'insensé même, quand il se tait, passe pour sage ; Celui qui ferme ses lèvres est un homme intelligent.

18 Celui qui se tient à l'écart cherche ce qui lui plaît, Il s'irrite contre tout ce qui est sage. Ce n'est
pas à l'intelligence que l'insensé prend plaisir, C'est à la manifestation de ses pensées. Quand vient
le méchant, vient aussi le mépris ; Et avec la honte, vient l'opprobre. Les paroles de la bouche d'un
homme sont des eaux profondes ; La source de la sagesse est un torrent qui jaillit. Il n'est pas bon
d'avoir égard à la personne du méchant, Pour faire tort au juste dans le jugement. Les lèvres de
l'insensé se mêlent aux querelles, Et sa bouche provoque les coups. La bouche de l'insensé cause sa
ruine, Et ses lèvres sont un piège pour son âme. Les paroles du rapporteur sont comme des friandises,
Elles descendent jusqu'au fond des entrailles. Celui qui se relâche dans son travail Est frère de celui
qui détruit. Le nom de l'Éternel est une tour forte ; Le juste s'y réfugie, et se trouve en sûreté. La
fortune est pour le riche une ville forte ; Dans son imagination, c'est une haute muraille. Avant la
ruine, le coeur de l'homme s'élève ; Mais l'humilité précède la gloire. Celui qui répond avant d'avoir
écouté Fait un acte de folie et s'attire la confusion. L'esprit de l'homme le soutient dans la maladie ;
Mais l'esprit abattu, qui le relèvera ? Un coeur intelligent acquiert la science, Et l'oreille des sages
cherche la science. Les présents d'un homme lui élargissent la voie, Et lui donnent accès auprès des
grands. Le premier qui parle dans sa cause paraît juste ; Vient sa partie adverse, et on l'examine.
Le sort fait cesser les contestations, Et décide entre les puissants. Des frères sont plus intraitables

qu'une ville forte, Et leurs querelles sont comme les verrous d'un palais. C'est du fruit de sa bouche 20
que l'homme rassasie son corps, C'est du produit de ses lèvres qu'il se rassasie. La mort et la vie sont 21
au pouvoir de la langue ; Quiconque l'aime en mangera les fruits. Celui qui trouve une femme trouve 22
le bonheur ; C'est une grâce qu'il obtient de l'Éternel. Le pauvre parle en suppliant, Et le riche répond 23
avec dureté. Celui qui a beaucoup d'amis les a pour son malheur, Mais il est tel ami plus attaché qu'un 24
frère.

Mieux vaut le pauvre qui marche dans son intégrité, Que l'homme qui a des lèvres perverses et qui **19**
est un insensé. Le manque de science n'est bon pour personne, Et celui qui précipite ses pas tombe 2
dans le péché. La folie de l'homme pervertit sa voie, Et c'est contre l'Éternel que son coeur s'irrite. 3
La richesse procure un grand nombre d'amis, Mais le pauvre est séparé de son ami. Le faux témoin 4, 5
ne restera pas impuni, Et celui qui dit des mensonges n'échappera pas. Beaucoup de gens flattent 6
l'homme généreux, Et tous sont les amis de celui qui fait des présents. Tous les frères du pauvre le 7
haïssent ; Combien plus ses amis s'éloignent -ils de lui ! Il leur adresse des paroles suppliantes, mais
ils disparaissent. Celui qui acquiert du sens aime son âme ; Celui qui garde l'intelligence trouve le 8
bonheur. Le faux témoin ne restera pas impuni, Et celui qui dit des mensonges périra. Il ne sied pas à 9, 10
un insensé de vivre dans les délices ; Combien moins à un esclave de dominer sur des princes ! L'homme 11
qui a de la sagesse est lent à la colère, Et il met sa gloire à oublier les offenses. La colère du roi est 12
comme le rugissement d'un lion, Et sa faveur est comme la rosée sur l'herbe. Un fils insensé est une 13
calamité pour son père, Et les querelles d'une femme sont une gouttière sans fin. On peut hériter de 14
ses pères une maison et des richesses, Mais une femme intelligente est un don de l'Éternel. La paresse 15
fait tomber dans l'assoupissement, Et l'âme nonchalante éprouve la faim. Celui qui garde ce qui est 16
commandé garde son âme ; Celui qui ne veille pas sur sa voie mourra. Celui qui a pitié du pauvre prête 17
à l'Éternel, Qui lui rendra selon son oeuvre. Châtie ton fils, car il y a encore de l'espérance ; Mais ne 18
désire point le faire mourir. Celui que la colère emporte doit en subir la peine ; Car si tu le libères, tu 19
devras y revenir. Écoute les conseils, et reçois l'instruction, Afin que tu sois sage dans la suite de ta vie. 20
Il y a dans le coeur de l'homme beaucoup de projets, Mais c'est le dessein de l'Éternel qui s'accomplit. 21
Ce qui fait le charme d'un homme, c'est sa bonté ; Et mieux vaut un pauvre qu 'un menteur. La crainte 22, 23
de l'Éternel mène à la vie, Et l'on passe la nuit rassasié, sans être visité par le malheur. Le paresseux 24
plonge sa main dans le plat, Et il ne la ramène pas à sa bouche. Frappe le moqueur, et le sot deviendra 25
sage ; Reprends l'homme intelligent, et il comprendra la science. Celui qui ruine son père et qui met 26
en fuite sa mère Est un fils qui fait honte et qui fait rougir. Cesse, mon fils, d'écouter l'instruction, Si 27
c'est pour t'éloigner des paroles de la science. Un témoin pervers se moque de la justice, Et la bouche 28
des méchants dévore l'iniquité. Les châtiments sont prêts pour les moqueurs, Et les coups pour le dos 29
des insensés.

Le vin est moqueur, les boissons fortes sont tumultueuses ; Quiconque en fait excès n'est pas sage. **20**
La terreur qu'inspire le roi est comme le rugissement d'un lion ; Celui qui l'irrite pèche contre lui-même. 2
C'est une gloire pour l'homme de s'abstenir des querelles, Mais tout insensé se livre à l'emportement. 3
À cause du froid, le paresseux ne laboure pas ; À la moisson, il voudrait récolter, mais il n'y a rien. 4
Les desseins dans le coeur de l'homme sont des eaux profondes, Mais l'homme intelligent sait y puiser. 5
Beaucoup de gens proclament leur bonté ; Mais un homme fidèle, qui le trouvera ? Le juste marche 6, 7
dans son intégrité ; Heureux ses enfants après lui ! Le roi assis sur le trône de la justice Dissipe tout 8
mal par son regard. Qui dira : J'ai purifié mon coeur, Je suis net de mon péché ? Deux sortes de poids, 9, 10
deux sortes d'épha, Sont l'un et l'autre en abomination à l'Éternel. L'enfant laisse déjà voir par ses 11
actions Si sa conduite sera pure et droite. L'oreille qui entend, et l'oeil qui voit, C'est l'Éternel qui les 12
a faits l'un et l'autre. N'aime pas le sommeil, de peur que tu ne deviennes pauvre ; Ouvre les yeux, 13
tu seras rassasié de pain. Mauvais ! mauvais ! dit l'acheteur ; Et en s'en allant, il se félicite. Il y a de 14, 15
l'or et beaucoup de perles ; Mais les lèvres savantes sont un objet précieux. Prends son vêtement, car 16
il a cautionné autrui ; Exige de lui des gages, à cause des étrangers. Le pain du mensonge est doux 17
à l'homme, Et plus tard sa bouche est remplie de gravier. Les projets s'affermissent par le conseil ; 18
Fais la guerre avec prudence. Celui qui répand la calomnie dévoile les secrets ; Ne te mêle pas avec 19
celui qui ouvre ses lèvres. Si quelqu'un maudit son père et sa mère, Sa lampe s'éteindra au milieu des 20
ténèbres. Un héritage promptement acquis dès l'origine Ne sera pas béni quand viendra la fin. Ne 21, 22
dis pas : Je rendrai le mal. Espère en l'Éternel, et il te délivrera. L'Éternel a en horreur deux sortes 23
de poids, Et la balance fausse n'est pas une chose bonne. C'est l'Éternel qui dirige les pas de l'homme, 24
Mais l'homme peut-il comprendre sa voie ? C'est un piège pour l'homme que de prendre à la légère un 25
engagement sacré, Et de ne réfléchir qu'après avoir fait un voeu. Un roi sage dissipe les méchants, Et 26
fait passer sur eux la roue. Le souffle de l'homme est une lampe de l'Éternel ; Il pénètre jusqu'au fond 27

28, 29 des entrailles. La bonté et la fidélité gardent le roi, Et il soutient son trône par la bonté. La force est la
30 gloire des jeunes gens, Et les cheveux blancs sont l'ornement des vieillards. Les plaies d'une blessure
sont un remède pour le méchant ; De même les coups qui pénètrent jusqu'au fond des entrailles.
21, 2 Le coeur du roi est un courant d'eau dans la main de l'Éternel ; Il l'incline partout où il veut. Toutes
3 les voies de l'homme sont droites à ses yeux ; Mais celui qui pèse les coeurs, c'est l'Éternel. La pratique
4 de la justice et de l'équité, Voilà ce que l'Éternel préfère aux sacrifices. Des regards hautains et un
5 coeur qui s'enfle, Cette lampe des méchants, ce n'est que péché. Les projets de l'homme diligent ne
6 mènent qu'à l'abondance, Mais celui qui agit avec précipitation n'arrive qu'à la disette. Des trésors
7 acquis par une langue mensongère Sont une vanité fugitive et l'avant-coureur de la mort. La violence
8 des méchants les emporte, Parce qu'ils refusent de faire ce qui est juste. Le coupable suit des voies
9 détournées, Mais l'innocent agit avec droiture. Mieux vaut habiter à l'angle d'un toit, Que de partager
10 la demeure d'une femme querelleuse. L'âme du méchant désire le mal ; Son ami ne trouve pas grâce à
11 ses yeux. Quand on châtie le moqueur, le sot devient sage ; Et quand on instruit le sage, il accueille la
12 science. Le juste considère la maison du méchant ; L'Éternel précipite les méchants dans le malheur.
13, 14 Celui qui ferme son oreille au cri du pauvre Criera lui-même et n'aura point de réponse. Un don
15 fait en secret apaise la colère, Et un présent fait en cachette calme une fureur violente. C'est une
16 joie pour le juste de pratiquer la justice, Mais la ruine est pour ceux qui font le mal. L'homme qui
17 s'écarte du chemin de la sagesse Reposera dans l'assemblée des morts. Celui qui aime la joie reste
18 dans l'indigence ; Celui qui aime le vin et l'huile ne s'enrichit pas. Le méchant sert de rançon pour le
19 juste, Et le perfide pour les hommes droits. Mieux vaut habiter dans une terre déserte, Qu'avec une
20 femme querelleuse et irritable. De précieux trésors et de l'huile sont dans la demeure du sage ; Mais
21 l'homme insensé les engloutit. Celui qui poursuit la justice et la bonté Trouve la vie, la justice et la
22, 23 gloire. Le sage monte dans la ville des héros, Et il abat la force qui lui donnait de l'assurance. Celui
24 qui veille sur sa bouche et sur sa langue Préserve son âme des angoisses. L'orgueilleux, le hautain,
25 s'appelle un moqueur ; Il agit avec la fureur de l'arrogance. Les désirs du paresseux le tuent, Parce
26 que ses mains refusent de travailler ; Tout le jour il éprouve des désirs ; Mais le juste donne sans
27 parcimonie. Le sacrifice des méchants est quelque chose d'abominable ; Combien plus quand ils l'offrent
28, 29 avec des pensées criminelles ! Le témoin menteur périra, Mais l'homme qui écoute parlera toujours. Le
30 méchant prend un air effronté, Mais l'homme droit affermit sa voie. Il n'y a ni sagesse, ni intelligence,
31 Ni conseil, en face de l'Éternel. Le cheval est équipé pour le jour de la bataille, Mais la délivrance
appartient à l'Éternel.
22 La réputation est préférable à de grandes richesses, Et la grâce vaut mieux que l'argent et que l'or.
2, 3 Le riche et le pauvre se rencontrent ; C'est l'Éternel qui les a faits l'un et l'autre. L'homme prudent
4 voit le mal et se cache, Mais les simples avancent et sont punis. Le fruit de l'humilité, de la crainte de
5 l'Éternel, C'est la richesse, la gloire et la vie. Des épines, des pièges sont sur la voie de l'homme pervers ;
6 Celui qui garde son âme s'en éloigne. Instruis l'enfant selon la voie qu'il doit suivre ; Et quand il sera
7 vieux, il ne s'en détournera pas. Le riche domine sur les pauvres, Et celui qui emprunte est l'esclave
8 de celui qui prête. Celui qui sème l'iniquité moissonne l'iniquité, Et la verge de sa fureur disparaît.
9, 10 L'homme dont le regard est bienveillant sera béni, Parce qu'il donne de son pain au pauvre. Chasse le
11 moqueur, et la querelle prendra fin ; Les disputes et les outrages cesseront. Celui qui aime la pureté
12 du coeur, Et qui a la grâce sur les lèvres, a le roi pour ami. Les yeux de l'Éternel gardent la science,
13 Mais il confond les paroles du perfide. Le paresseux dit : Il y a un lion dehors ! Je serai tué dans les
14 rues ! La bouche des étrangères est une fosse profonde ; Celui contre qui l'Éternel est irrité y tombera.
15, 16 La folie est attachée au coeur de l'enfant ; La verge de la correction l'éloignera de lui. Opprimer le
17 pauvre pour augmenter son bien, C'est donner au riche pour n'arriver qu'à la disette. Prête l'oreille,
18 et écoute les paroles des sages ; Applique ton coeur à ma science. Car il est bon que tu les gardes
19 au dedans de toi, Et qu'elles soient toutes présentes sur tes lèvres. Afin que ta confiance repose sur
20 l'Éternel, Je veux t'instruire aujourd'hui, oui, toi. N'ai-je pas déjà pour toi mis par écrit Des conseils
21 et des réflexions, Pour t'enseigner des choses sûres, des paroles vraies, Afin que tu répondes par des
22 paroles vraies à celui qui t'envoie ? Ne dépouille pas le pauvre, parce qu'il est pauvre, Et n'opprime
23 pas le malheureux à la porte ; Car l'Éternel défendra leur cause, Et il ôtera la vie à ceux qui les auront
24, 25 dépouillés. Ne fréquente pas l'homme colère, Ne va pas avec l'homme violent, De peur que tu ne
26 t'habitues à ses sentiers, Et qu'ils ne deviennent un piège pour ton âme. Ne sois pas parmi ceux qui
27 prennent des engagements, Parmi ceux qui cautionnent pour des dettes ; Si tu n'as pas de quoi payer,
28 Pourquoi voudrais-tu qu'on enlève ton lit de dessous toi ? Ne déplace pas la borne ancienne, Que tes
29 pères ont posée. Si tu vois un homme habile dans son ouvrage, Il se tient auprès des rois ; Il ne se tient
pas auprès des gens obscurs.

Si tu es à table avec un grand, Fais attention à ce qui est devant toi ; **23**, 2
Mets un couteau à ta gorge, Si tu as trop d'avidité. 3, 4
Ne convoite pas ses friandises : C'est un aliment trompeur.
Ne te tourmente pas pour t'enrichir, N'y applique pas ton intelligence. 5
Veux-tu poursuivre du regard ce qui va disparaître ?
Car la richesse se fait des ailes, Et comme l'aigle, elle prend son vol vers les cieux. 6
Ne mange pas le pain de celui dont le regard est malveillant, Et ne convoite pas ses friandises ; 7
Car il est comme les pensées de son âme. Mange et bois, te dira -t-il ; Mais son coeur n'est point avec toi. 8
Tu vomiras le morceau que tu as mangé, Et tu auras perdu tes propos agréables. 9
Ne parle pas aux oreilles de l'insensé, Car il méprise la sagesse de tes discours. 10
Ne déplace pas la borne ancienne, Et n'entre pas dans le champ des orphelins ; 11, 12
Car leur vengeur est puissant : Il défendra leur cause contre toi.
Ouvre ton coeur à l'instruction, Et tes oreilles aux paroles de la science. 13
N'épargne pas la correction à l'enfant ; Si tu le frappes de la verge, il ne mourra point. 14
En le frappant de la verge, Tu délivres son âme du séjour des morts.
Mon fils, si ton coeur est sage, Mon coeur à moi sera dans la joie ; 15, 16
Mes entrailles seront émues d'allégresse, Quand tes lèvres diront ce qui est droit.
Que ton coeur n'envie point les pécheurs, Mais qu'il ait toujours la crainte de l'Éternel ; 17
Car il est un avenir, Et ton espérance ne sera pas anéantie. 18
Écoute, mon fils, et sois sage ; Dirige ton coeur dans la voie droite. 19, 20
Ne sois pas parmi les buveurs de vin, Parmi ceux qui font excès des viandes :
Car l'ivrogne et celui qui se livre à des excès s'appauvrissent, 21
Et l'assoupissement fait porter des haillons.
Écoute ton père, lui qui t'a engendré, Et ne méprise pas ta mère, quand elle est devenue vieille. 22
Acquiers la vérité, et ne la vends pas, La sagesse, l'instruction et l'intelligence. 23
Le père du juste est dans l'allégresse, Celui qui donne naissance à un sage aura de la joie. 24
Que ton père et ta mère se réjouissent, Que celle qui t'a enfanté soit dans l'allégresse ! 25, 26
Mon fils, donne -moi ton coeur, Et que tes yeux se plaisent dans mes voies.
Car la prostituée est une fosse profonde, Et l'étrangère un puits étroit. 27
Elle dresse des embûches comme un brigand, Et elle augmente parmi les hommes le nombre des perfides. 28
Pour qui les ah ? pour qui les hélas ? Pour qui les disputes ? 29
pour qui les plaintes ? Pour qui les blessures sans raison ? pour qui les yeux rouges ? 30
Pour ceux qui s'attardent auprès du vin, Pour ceux qui vont déguster du vin mêlé.
Ne regarde pas le vin qui paraît d'un beau rouge, Qui fait des perles dans la coupe, Et qui coule aisément. 31
Il finit par mordre comme un serpent, Et par piquer comme un basilic. 32
Tes yeux se porteront sur des étrangères, Et ton coeur parlera d'une manière perverse. 33
Tu seras comme un homme couché au milieu de la mer, Comme un homme couché sur le sommet d'un mât : 34
On m'a frappé,... je n'ai point de mal !... On m'a battu,... je ne sens rien !... 35
Quand me réveillerai -je ?... J'en veux encore !

Ne porte pas envie aux hommes méchants, Et ne désire pas être avec eux ; **24**, 2
Car leur coeur médite la ruine, Et leurs lèvres parlent d'iniquité. 3
C'est par la sagesse qu'une maison s'élève, Et par l'intelligence qu'elle s'affermit ; 4
C'est par la science que les chambres se remplissent De tous les biens précieux et agréables.
Un homme sage est plein de force, Et celui qui a de la science affermit sa vigueur ; 5, 6
Car tu feras la guerre avec prudence, Et le salut est dans le grand nombre des conseillers. 7
La sagesse est trop élevée pour l'insensé ; Il n'ouvrira pas la bouche à la porte. 8
Celui qui médite de faire le mal S'appelle un homme plein de malice. 9
La pensée de la folie n'est que péché, Et le moqueur est en abomination parmi les hommes.
Si tu faiblis au jour de la détresse, Ta force n'est que détresse. 10, 11
Délivre ceux qu'on traîne à la mort, Ceux qu'on va égorger, sauve -les !
Si tu dis : Ah ! nous ne savions pas !... 12
Celui qui pèse les coeurs ne le voit -il pas ? Celui qui veille sur ton âme ne le connaît -il pas ? Et ne rendra -t-il pas à chacun selon ses oeuvres ?
Mon fils, mange du miel, car il est bon ; Un rayon de miel sera doux à ton palais. 13
De même, connais la sagesse pour ton âme ; Si tu la trouves, il est un avenir, Et ton espérance ne sera pas anéantie. 14
Ne tends pas méchamment des embûches à la demeure du juste, Et ne dévaste pas le lieu où il repose ; 15
Car sept fois le juste tombe, et il se relève, Mais les méchants sont précipités dans le malheur. 16
Ne te réjouis pas de la chute de ton ennemi, Et que ton coeur ne soit pas dans l'allégresse quand il chancelle, 17
De peur que l'Éternel ne le voie, que cela ne lui déplaise, Et qu'il ne détourne de lui sa colère. 18
Ne t'irrite pas à cause de ceux qui font le mal, Ne porte pas envie aux méchants ; 19
Car il n'y a point d'avenir pour celui qui fait le mal, La lampe des méchants s'éteint. 20, 21
Mon fils, crains l'Éternel et le roi ; Ne te mêle pas avec les hommes remuants ; 22
Car soudain leur ruine surgira, Et qui connaît les châtiments des uns et des autres ? 23
Voici encore ce qui vient des sages : Il n'est pas bon, dans les jugements, d'avoir égard aux personnes.
Celui qui dit au méchant : Tu es juste ! Les peuples le maudissent, les nations le maudissent. 24
Mais ceux qui le châtient s'en trouvent bien, Et le bonheur vient sur eux comme une bénédiction. 25
Il baise les lèvres, Celui qui répond des paroles justes. 26, 27
Soigne tes affaires au dehors, Mets ton champ en état, Puis tu bâtiras ta maison.
Ne témoigne pas à la légère contre ton prochain ; Voudrais-tu tromper par tes lèvres ? 28
Ne dis pas : Je lui ferai comme il m'a fait, Je rendrai à chacun selon ses oeuvres. 29
J'ai passé près du champ d'un paresseux, Et près de la vigne d'un homme dépourvu de sens. 30
Et voici, les épines y croissaient partout, Les ronces en couvraient la face, 31
Et le mur de pierres était écroulé.
J'ai regardé attentivement, Et j'ai tiré instruction de ce que j'ai vu. 32

33, 34 Un peu de sommeil, un peu d'assoupissement, Un peu croiser les mains pour dormir !... Et la pauvreté
te surprendra, comme un rôdeur, Et la disette, comme un homme en armes.

25, 2 Voici encore des Proverbes de Salomon, recueillis par les gens d'Ézéchias, roi de Juda. La gloire
3 de Dieu, c'est de cacher les choses ; La gloire des rois, c'est de sonder les choses. Les cieux dans leur
4 hauteur, la terre dans sa profondeur, Et le coeur des rois, sont impénétrables. Ote de l'argent les scories,
5 Et il en sortira un vase pour le fondeur. Ote le méchant de devant le roi, Et son trône s'affermira par la
6, 7 justice. Ne t'élève pas devant le roi, Et ne prends pas la place des grands ; Car il vaut mieux qu'on te
8 dise : Monte -ici ! Que si l'on t'abaisse devant le prince que tes yeux voient. Ne te hâte pas d'entrer en
9 contestation, De peur qu'à la fin tu ne saches que faire, Lorsque ton prochain t'aura outragé. Défends
10 ta cause contre ton prochain, Mais ne révèle pas le secret d'un autre, De peur qu'en l'apprenant il ne
11 te couvre de honte, Et que ta mauvaise renommée ne s'efface pas. Comme des pommes d'or sur des
12 ciselures d'argent, Ainsi est une parole dite à propos. Comme un anneau d'or et une parure d'or fin,
13 Ainsi pour une oreille docile est le sage qui réprimande. Comme la fraîcheur de la neige au temps
de la moisson, Ainsi est un messager fidèle pour celui qui l'envoie ; Il restaure l'âme de son maître.
14 Comme des nuages et du vent sans pluie, Ainsi est un homme se glorifiant à tort de ses libéralités.
15, 16 Par la lenteur à la colère on fléchit un prince, Et une langue douce peut briser des os. Si tu trouves
du miel, n'en mange que ce qui te suffit, De peur que tu n'en sois rassasié et que tu ne le vomisses.
17 Mets rarement le pied dans la maison de ton prochain, De peur qu'il ne soit rassasié de toi et qu'il
18 ne te haïsse. Comme une massue, une épée et une flèche aiguë, Ainsi est un homme qui porte un
19 faux témoignage contre son prochain. Comme une dent cassée et un pied qui chancelle, Ainsi est la
20 confiance en un perfide au jour de la détresse. Oter son vêtement dans un jour froid, Répandre du
21 vinaigre sur du nitre, C'est dire des chansons à un coeur attristé. Si ton ennemi a faim, donne-lui du
22 pain à manger ; S'il a soif, donne-lui de l'eau à boire. Car ce sont des charbons ardents que tu amasses
23 sur sa tête, Et l'Éternel te récompensera. Le vent du nord enfante la pluie, Et la langue mystérieuse
24 un visage irrité. Mieux vaut habiter à l'angle d'un toit, Que de partager la demeure d'une femme
25 querelleuse. Comme de l'eau fraîche pour une personne fatiguée, Ainsi est une bonne nouvelle venant
26 d'une terre lointaine. Comme une fontaine troublée et une source corrompue, Ainsi est le juste qui
27 chancelle devant le méchant. Il n'est pas bon de manger beaucoup de miel, Mais rechercher la gloire
28 des autres est un honneur. Comme une ville forcée et sans murailles, Ainsi est l'homme qui n'est pas
maître de lui-même.

26 Comme la neige en été, et la pluie pendant la moisson, Ainsi la gloire ne convient pas à un insensé.
2 Comme l'oiseau s'échappe, comme l'hirondelle s'envole, Ainsi la malédiction sans cause n'a point d'effet.
3, 4 Le fouet est pour le cheval, le mors pour l'âne, Et la verge pour le dos des insensés. Ne réponds pas
5 à l'insensé selon sa folie, De peur que tu ne lui ressembles toi-même. Réponds à l'insensé selon sa
6 folie, Afin qu'il ne se regarde pas comme sage. Il se coupe les pieds, il boit l'injustice, Celui qui donne
7 des messages à un insensé. Comme les jambes du boiteux sont faibles, Ainsi est une sentence dans la
8 bouche des insensés. C'est attacher une pierre à la fronde, Que d'accorder des honneurs à un insensé.
9 Comme une épine qui se dresse dans la main d'un homme ivre, Ainsi est une sentence dans la bouche
10 des insensés. Comme un archer qui blesse tout le monde, Ainsi est celui qui prend à gage les insensés
11 et les premiers venus. Comme un chien qui retourne à ce qu'il a vomi, Ainsi est un insensé qui revient
12, 13 à sa folie. Si tu vois un homme qui se croit sage, Il y a plus à espérer d'un insensé que de lui. Le
14 paresseux dit : Il y a un lion sur le chemin, Il y a un lion dans les rues ! La porte tourne sur ses
15 gonds, Et le paresseux sur son lit. Le paresseux plonge sa main dans le plat, Et il trouve pénible de la
16 ramener à sa bouche. Le paresseux se croit plus sage Que sept hommes qui répondent avec bon sens.
17 Comme celui qui saisit un chien par les oreilles, Ainsi est un passant qui s'irrite pour une querelle où
18, 19 il n'a que faire. Comme un furieux qui lance des flammes, Des flèches et la mort, Ainsi est un homme
20 qui trompe son prochain, Et qui dit : N'était-ce pas pour plaisanter ? Faute de bois, le feu s'éteint ;
21 Et quand il n'y a point de rapporteur, la querelle s'apaise. Le charbon produit un brasier, et le bois
22 du feu ; Ainsi un homme querelleur échauffe une dispute. Les paroles du rapporteur sont comme des
23 friandises, Elles descendent jusqu'au fond des entrailles. Comme des scories d'argent appliquées sur
24 un vase de terre, Ainsi sont des lèvres brûlantes et un coeur mauvais. Par ses lèvres celui qui hait
25 se déguise, Et il met au dedans de lui la tromperie. Lorsqu'il prend une voix douce, ne le crois pas,
26 Car il y a sept abominations dans son coeur. S'il cache sa haine sous la dissimulation, Sa méchanceté
27 se révélera dans l'assemblée. Celui qui creuse une fosse y tombe, Et la pierre revient sur celui qui la
28 roule. La langue fausse hait ceux qu'elle écrase, Et la bouche flatteuse prépare la ruine.

27, 2 Ne te vante pas du lendemain, Car tu ne sais pas ce qu'un jour peut enfanter. Qu'un autre te
3 loue, et non ta bouche, Un étranger, et non tes lèvres. La pierre est pesante et le sable est lourd,
4 Mais l'humeur de l'insensé pèse plus que l'un et l'autre. La fureur est cruelle et la colère impétueuse,
5 Mais qui résistera devant la jalousie ? Mieux vaut une réprimande ouverte Qu'une amitié cachée.

Les blessures d'un ami prouvent sa fidélité, Mais les baisers d'un ennemi sont trompeurs. 6, 7
Celui qui est rassasié foule aux pieds le rayon de miel, Mais celui qui a faim trouve doux tout ce qui est amer.
Comme l'oiseau qui erre loin de son nid, Ainsi est l'homme qui erre loin de son lieu. 8, 9
L'huile et les parfums réjouissent le coeur, Et les conseils affectueux d'un ami sont doux. 10
N'abandonne pas ton ami et l'ami de ton père, Et n'entre pas dans la maison de ton frère au jour de ta détresse ; Mieux vaut un voisin proche qu'un frère éloigné.
Mon fils, sois sage, et réjouis mon coeur, Et je pourrai répondre à celui qui m'outrage. 11
L'homme prudent voit le mal et se cache ; Les simples avancent et sont punis. 12
Prends son vêtement, car il a cautionné autrui ; Exige de lui des gages, à cause des étrangers. 13, 14
Si l'on bénit son prochain à haute voix et de grand matin, Cela est envisagé comme une malédiction. 15
Une gouttière continue dans un jour de pluie Et une femme querelleuse sont choses semblables. 16
Celui qui la retient retient le vent, Et sa main saisit de l'huile.
Comme le fer aiguise le fer, Ainsi un homme excite la colère d'un homme. 17
Celui qui soigne un figuier en mangera le fruit, Et celui qui garde son maître sera honoré. 18
Comme dans l'eau le visage répond au visage, Ainsi le coeur de l'homme répond au coeur de l'homme. 19
Le séjour des morts et l'abîme sont insatiables ; De même les yeux de l'homme sont insatiables. 20
Le creuset est pour l'argent, et le fourneau pour l'or ; Mais un homme est jugé d'après sa renommée. 21
Quand tu pilerais l'insensé dans un mortier, Au milieu des grains avec le pilon, Sa folie ne se séparerait pas de lui. 22
Connais bien chacune de tes brebis, Donne tes soins à tes troupeaux ; 23, 24
Car la richesse ne dure pas toujours, Ni une couronne éternellement.
Le foin s'enlève, la verdure paraît, Et les herbes des montagnes sont recueillies. 25
Les agneaux sont pour te vêtir, Et les boucs pour payer le champ ; 26
Le lait des chèvres suffit à ta nourriture, à celle de ta maison, Et à l'entretien de tes servantes. 27

Le méchant prend la fuite sans qu'on le poursuive, Le juste a de l'assurance comme un jeune lion. **28**
Quand un pays est en révolte, les chefs sont nombreux ; Mais avec un homme qui a de l'intelligence et de la science, Le règne se prolonge. 2
Un homme pauvre qui opprime les misérables Est une pluie violente qui fait manquer le pain. 3
Ceux qui abandonnent la loi louent le méchant, Mais ceux qui observent la loi s'irritent contre lui. 4
Les hommes livrés au mal ne comprennent pas ce qui est juste, Mais ceux qui cherchent l'Éternel comprennent tout. 5
Mieux vaut le pauvre qui marche dans son intégrité, Que celui qui a des voies tortueuses et qui est riche. 6
Celui qui observe la loi est un fils intelligent, Mais celui qui fréquente les débauchés fait honte à son père. 7
Celui qui augmente ses biens par l'intérêt et l'usure Les amasse pour celui qui a pitié des pauvres. 8
Si quelqu'un détourne l'oreille pour ne pas écouter la loi, Sa prière même est une abomination. 9
Celui qui égare les hommes droits dans la mauvaise voie Tombe dans la fosse qu'il a creusée ; 10
Mais les hommes intègres héritent le bonheur.
L'homme riche se croit sage ; Mais le pauvre qui est intelligent le sonde. 11
Quand les justes triomphent, c'est une grande gloire ; 12
Quand les méchants s'élèvent, chacun se cache.
Celui qui cache ses transgressions ne prospère point, 13
Mais celui qui les avoue et les délaisse obtient miséricorde.
Heureux l'homme qui est continuellement dans la crainte ! 14
Mais celui qui endurcit son coeur tombe dans le malheur.
Comme un lion rugissant et un ours affamé, Ainsi est le méchant qui domine sur un peuple pauvre. 15
Un prince sans intelligence multiplie les actes d'oppression, 16
Mais celui qui est ennemi de la cupidité prolonge ses jours.
Un homme chargé du sang d'un autre Fuit jusqu'à la fosse : qu'on ne l'arrête pas ! 17
Celui qui marche dans l'intégrité trouve le salut, 18
Mais celui qui suit deux voies tortueuses tombe dans l'une d'elles.
Celui qui cultive son champ est rassasié de pain, 19
Mais celui qui poursuit des choses vaines est rassasié de pauvreté.
Un homme fidèle est comblé de bénédictions, 20
Mais celui qui a hâte de s'enrichir ne reste pas impuni.
Il n'est pas bon d'avoir égard aux personnes, 21
Et pour un morceau de pain un homme se livre au péché.
Un homme envieux a hâte de s'enrichir, 22
Et il ne sait pas que la disette viendra sur lui.
Celui qui reprend les autres trouve ensuite plus de faveur 23
Que celui dont la langue est flatteuse.
Celui qui vole son père et sa mère, 24
Et qui dit : Ce n'est pas un péché ! Est le compagnon du destructeur.
L'orgueilleux excite les querelles, 25
Mais celui qui se confie en l'Éternel est rassasié.
Celui qui a confiance dans son propre coeur est un insensé, 26
Mais celui qui marche dans la sagesse sera sauvé.
Celui qui donne au pauvre n'éprouve pas la disette, 27
Mais celui qui ferme les yeux est chargé de malédictions.
Quand les méchants s'élèvent, chacun se cache ; 28
Et quand ils périssent, les justes se multiplient.

Un homme qui mérite d'être repris, et qui raidit le cou, Sera brisé subitement et sans remède. **29**
Quand les justes se multiplient, le peuple est dans la joie ; Quand le méchant domine, le peuple gémit. 2
Un homme qui aime la sagesse réjouit son père, Mais celui qui fréquente des prostituées dissipe son bien. 3
Un roi affermit le pays par la justice, Mais celui qui reçoit des présents le ruine. 4, 5
Un homme qui flatte son prochain Tend un filet sous ses pas.
Il y a un piège dans le péché de l'homme méchant, Mais le juste triomphe et se réjouit. 6
Le juste connaît la cause des pauvres, Mais le méchant ne comprend pas la science. 7
Les moqueurs soufflent le feu dans la ville, Mais les sages calment la colère. 8, 9
Si un homme sage conteste avec un insensé, Il aura beau se fâcher ou rire, la paix n'aura pas lieu. 10
Les hommes de sang haïssent l'homme intègre, Mais les hommes droits protègent sa vie.
L'insensé met en dehors toute sa passion, 11
Mais le sage la contient.
Quand celui qui domine a égard aux paroles mensongères, 12

13 Tous ses serviteurs sont des méchants. Le pauvre et l'oppresseur se rencontrent ; C'est l'Éternel qui
14 éclaire les yeux de l'un et de l'autre. Un roi qui juge fidèlement les pauvres Aura son trône affermi
15 pour toujours. La verge et la correction donnent la sagesse, Mais l'enfant livré à lui-même fait honte
16 à sa mère. Quand les méchants se multiplient, le péché s'accroît ; Mais les justes contempleront leur
17, 18 chute. Châtie ton fils, et il te donnera du repos, Et il procurera des délices à ton âme. Quand il n'y
19 a pas de révélation, le peuple est sans frein ; Heureux s'il observe la loi ! Ce n'est pas par des paroles
20 qu'on châtie un esclave ; Même s'il comprend, il n'obéit pas. Si tu vois un homme irréfléchi dans ses
21 paroles, Il y a plus à espérer d'un insensé que de lui. Le serviteur qu'on traite mollement dès l'enfance
22 Finit par se croire un fils. Un homme colère excite des querelles, Et un furieux commet beaucoup de
23, 24 péchés. L'orgueil d'un homme l'abaisse, Mais celui qui est humble d'esprit obtient la gloire. Celui
25 qui partage avec un voleur est ennemi de son âme ; Il entend la malédiction, et il ne déclare rien. La
26 crainte des hommes tend un piège, Mais celui qui se confie en l'Éternel est protégé. Beaucoup de gens
27 recherchent la faveur de celui qui domine, Mais c'est l'Éternel qui fait droit à chacun. L'homme inique
est en abomination aux justes, Et celui dont la voie est droite est en abomination aux méchants.

30 Paroles d'Agur, fils de Jaké. Sentences prononcées par cet homme pour Ithiel, pour Ithiel et pour
2, 3 Ucal. Certes, je suis plus stupide que personne, Et je n'ai pas l'intelligence d'un homme ; Je n'ai pas
4 appris la sagesse, Et je ne connais pas la science des saints. Qui est monté aux cieux, et qui en est
descendu ? Qui a recueilli le vent dans ses mains ? Qui a serré les eaux dans son vêtement ? Qui a fait
5 paraître les extrémités de la terre ? Quel est son nom, et quel est le nom de son fils ? Le sais -tu ?
6 Toute parole de Dieu est éprouvée. Il est un bouclier pour ceux qui cherchent en lui un refuge.
7 N'ajoute rien à ses paroles, De peur qu'il ne te reprenne et que tu ne sois trouvé menteur. Je te
8 demande deux choses : Ne me les refuse pas, avant que je meure ! Éloigne de moi la fausseté et la
9 parole mensongère ; Ne me donne ni pauvreté, ni richesse, Accorde -moi le pain qui m'est nécessaire.
De peur que, dans l'abondance, je ne te renie Et ne dise : Qui est l'Éternel ? Ou que, dans la pauvreté, je ne dérobe, Et ne
10 m'attaque au nom de mon Dieu. Ne calomnie pas un serviteur auprès de son maître, De peur qu'il ne
11 te maudisse et que tu ne te rendes coupable. Il est une race qui maudit son père, Et qui ne bénit point
12, 13 sa mère. Il est une race qui se croit pure, Et qui n'est pas lavée de sa souillure. Il est une race dont
14 les yeux sont hautains, Et les paupières élevées. Il est une race dont les dents sont des glaives Et les
mâchoires des couteaux, Pour dévorer le malheureux sur la terre Et les indigents parmi les hommes.
15 La sangsue a deux filles : Donne ! donne ! Trois choses sont insatiables, Quatre ne disent jamais : Assez !
16 Le séjour des morts, la femme stérile, La terre, qui n'est pas rassasiée d'eau, Et le feu, qui ne dit jamais :
17 Assez ! L'oeil qui se moque d'un père Et qui dédaigne l'obéissance envers une mère, Les corbeaux du
18 torrent le perceront, Et les petits de l'aigle le mangeront. Il y a trois choses qui sont au-dessus de ma
19 portée, Même quatre que je ne puis comprendre : La trace de l'aigle dans les cieux, La trace du serpent
20 sur le rocher, La trace du navire au milieu de la mer, Et la trace de l'homme chez la jeune femme.
Telle est la voie de la femme adultère : Elle mange, et s'essuie la bouche, Puis elle dit : Je n'ai point fait de
21, 22 mal. Trois choses font trembler la terre, Et il en est quatre qu'elle ne peut supporter : Un esclave
23 qui vient à régner, Un insensé qui est rassasié de pain, Une femme dédaignée qui se marie, Et une
24 servante qui hérite de sa maîtresse. Il y a sur la terre quatre animaux petits, Et cependant des plus
25, 26 sages ; Les fourmis, peuple sans force, Préparent en été leur nourriture ; Les damans, peuple sans
27 puissance, Placent leur demeure dans les rochers ; Les sauterelles n'ont point de roi, Et elles sortent
28, 29 toutes par divisions ; Le lézard saisit avec les mains, Et se trouve dans les palais des rois. Il y en a
30 trois qui ont une belle allure, Et quatre qui ont une belle démarche : Le lion, le héros des animaux, Ne
31 reculant devant qui que ce soit ; Le cheval tout équipé ; ou le bouc ; Et le roi à qui personne ne résiste.
32 Si l'orgueil te pousse à des actes de folie, Et si tu as de mauvaises pensées, mets la main sur la bouche :
33 Car la pression du lait produit de la crème, La pression du nez produit du sang, Et la pression de la
colère produit des querelles.

31, 2 Paroles du roi Lemuel. Sentences par lesquelles sa mère l'instruisit. Que te dirai-je, mon fils ? que
3 te dirai-je, fils de mes entrailles ? Que te dirai-je, mon fils, objet de mes voeux ? Ne livre pas ta vigueur
4 aux femmes, Et tes voies à celles qui perdent les rois. Ce n'est point aux rois, Lemuel, Ce n'est point
5 aux rois de boire du vin, Ni aux princes de rechercher des liqueurs fortes, De peur qu'en buvant ils
6 n'oublient la loi, Et ne méconnaissent les droits de tous les malheureux. Donnez des liqueurs fortes à
7 celui qui périt, Et du vin à celui qui a l'amertume dans l'âme ; Qu'il boive et oublie sa pauvreté, Et qu'il
8 ne se souvienne plus de ses peines. Ouvre ta bouche pour le muet, Pour la cause de tous les délaissés.
9, 10 Ouvre ta bouche, juge avec justice, Et défends le malheureux et l'indigent. Qui peut trouver une femme
11 vertueuse ? Elle a bien plus de valeur que les perles. Le coeur de son mari a confiance en elle, Et les
12, 13 produits ne lui feront pas défaut. Elle lui fait du bien, et non du mal, Tous les jours de sa vie. Elle se
14 procure de la laine et du lin, Et travaille d'une main joyeuse. Elle est comme un navire marchand, Elle
15 amène son pain de loin. Elle se lève lorsqu'il est encore nuit, Et elle donne la nourriture à sa maison

Et la tâche à ses servantes. Elle pense à un champ, et elle l'acquiert ; Du fruit de son travail elle plante 16
une vigne. Elle ceint de force ses reins, Et elle affermit ses bras. Elle sent que ce qu'elle gagne est bon ; 17, 18
Sa lampe ne s'éteint point pendant la nuit. Elle met la main à la quenouille, Et ses doigts tiennent le 19
fuseau. Elle tend la main au malheureux, Elle tend la main à l'indigent. Elle ne craint pas la neige 20, 21
pour sa maison, Car toute sa maison est vêtue de cramoisi. Elle se fait des couvertures, Elle a des 22
vêtements de fin lin et de pourpre. Son mari est considéré aux portes, Lorsqu'il siège avec les anciens 23
du pays. Elle fait des chemises, et les vend, Et elle livre des ceintures au marchand. Elle est revêtue 24, 25
de force et de gloire, Et elle se rit de l'avenir. Elle ouvre la bouche avec sagesse, Et des instructions 26
aimables sont sur sa langue. Elle veille sur ce qui se passe dans sa maison, Et elle ne mange pas le 27
pain de paresse. Ses fils se lèvent, et la disent heureuse ; Son mari se lève, et lui donne des louanges : 28
Plusieurs filles ont une conduite vertueuse ; Mais toi, tu les surpasses toutes. La grâce est trompeuse, 29, 30
et la beauté est vaine ; La femme qui craint l'Éternel est celle qui sera louée. Récompensez -la du fruit 31
de son travail, Et qu'aux portes ses oeuvres la louent.

ECCLÉSIASTE

1, 2 Paroles de l'Ecclésiaste, fils de David, roi de Jérusalem. Vanité des vanités, dit l'Ecclésiaste,
3 vanité des vanités, tout est vanité. Quel avantage revient-il à l'homme de toute la peine qu'il
4 se donne sous le soleil ? Une génération s'en va, une autre vient, et la terre subsiste toujours.
5, 6 Le soleil se lève, le soleil se couche ; il soupire après le lieu d'où il se lève de nouveau. Le vent
7 se dirige vers le midi, tourne vers le nord ; puis il tourne encore, et reprend les mêmes circuits. Tous les
fleuves vont à la mer, et la mer n'est point remplie ; ils continuent à aller vers le lieu où ils se dirigent.
8 Toutes choses sont en travail au delà de ce qu'on peut dire ; l'oeil ne se rassasie pas de voir, et l'oreille
9 ne se lasse pas d'entendre. Ce qui a été, c'est ce qui sera, et ce qui s'est fait, c'est ce qui se fera, il n'y
10 a rien de nouveau sous le soleil. S 'il est une chose dont on dise : Vois ceci, c'est nouveau ! cette chose
11 existait déjà dans les siècles qui nous ont précédés. On ne se souvient pas de ce qui est ancien ; et ce qui
12 arrivera dans la suite ne laissera pas de souvenir chez ceux qui vivront plus tard. Moi, l'Ecclésiaste,
13 j'ai été roi d'Israël à Jérusalem. J'ai appliqué mon coeur à rechercher et à sonder par la sagesse tout
ce qui se fait sous les cieux : c'est là une occupation pénible, à laquelle Dieu soumet les fils de l'homme.
14, 15 J'ai vu tout ce qui se fait sous le soleil ; et voici, tout est vanité et poursuite du vent. Ce qui est courbé
16 ne peut se redresser, et ce qui manque ne peut être compté. J'ai dit en mon coeur : Voici, j'ai grandi et
surpassé en sagesse tous ceux qui ont dominé avant moi sur Jérusalem, et mon coeur a vu beaucoup de
17 sagesse et de science. J'ai appliqué mon coeur à connaître la sagesse, et à connaître la sottise et la folie ;
18 j'ai compris que cela aussi c'est la poursuite du vent. Car avec beaucoup de sagesse on a beaucoup de
chagrin, et celui qui augmente sa science augmente sa douleur.

2 J'ai dit en mon coeur : Allons ! je t'éprouverai par la joie, et tu goûteras le bonheur. Et voici, c'est
2, 3 encore là une vanité. J'ai dit du rire : Insensé ! et de la joie : À quoi sert -elle ? Je résolus en mon
coeur de livrer ma chair au vin, tandis que mon coeur me conduirait avec sagesse, et de m'attacher à
la folie jusqu'à ce que je visse ce qu'il est bon pour les fils de l'homme de faire sous les cieux pendant le
4 nombre des jours de leur vie. J'exécutai de grands ouvrages : je me bâtis des maisons ; je me plantai des
5, 6 vignes ; je me fis des jardins et des vergers, et j'y plantai des arbres à fruit de toute espèce ; je me créai
7 des étangs, pour arroser la forêt où croissaient les arbres. J'achetai des serviteurs et des servantes, et
j'eus leurs enfants nés dans la maison ; je possédai des troupeaux de boeufs et de brebis, plus que tous
8 ceux qui étaient avant moi dans Jérusalem. Je m'amassai de l'argent et de l'or, et les richesses des
rois et des provinces. Je me procurai des chanteurs et des chanteuses, et les délices des fils de l'homme,
9 des femmes en grand nombre. Je devins grand, plus grand que tous ceux qui étaient avant moi dans
10 Jérusalem. Et même ma sagesse demeura avec moi. Tout ce que mes yeux avaient désiré, je ne les en
ai point privés ; je n'ai refusé à mon coeur aucune joie ; car mon coeur prenait plaisir à tout mon travail,
11 et c'est la part qui m'en est revenue. Puis, j'ai considéré tous les ouvrages que mes mains avaient faits,
et la peine que j'avais prise à les exécuter ; et voici, tout est vanité et poursuite du vent, et il n'y a aucun
12 avantage à tirer de ce qu'on fait sous le soleil. Alors j'ai tourné mes regards vers la sagesse, et vers la
13 sottise et la folie. -Car que fera l'homme qui succédera au roi ? Ce qu'on a déjà fait. Et j'ai vu que la
14 sagesse a de l'avantage sur la folie, comme la lumière a de l'avantage sur les ténèbres ; le sage a ses
yeux à la tête, et l'insensé marche dans les ténèbres. Mais j'ai reconnu aussi qu'ils ont l'un et l'autre
15 un même sort. Et j'ai dit en mon coeur : J'aurai le même sort que l'insensé ; pourquoi donc ai-je été
16 plus sage ? Et j'ai dit en mon coeur que c'est encore là une vanité. Car la mémoire du sage n'est pas
plus éternelle que celle de l'insensé, puisque déjà les jours qui suivent, tout est oublié. Eh quoi ! le sage
17 meurt aussi bien que l'insensé ! Et j'ai haï la vie, car ce qui se fait sous le soleil m'a déplu, car tout est
18 vanité et poursuite du vent. J'ai haï tout le travail que j'ai fait sous le soleil, et dont je dois laisser la
19 jouissance à l'homme qui me succédera. Et qui sait s'il sera sage ou insensé ? Cependant il sera maître
20 de tout mon travail, de tout le fruit de ma sagesse sous le soleil. C'est encore là une vanité. Et j'en suis
21 venu à livrer mon coeur au désespoir, à cause de tout le travail que j'ai fait sous le soleil. Car tel homme
a travaillé avec sagesse et science et avec succès, et il laisse le produit de son travail à un homme qui ne
22 s'en est point occupé. C'est encore là une vanité et un grand mal. Que revient -il, en effet, à l'homme
23 de tout son travail et de la préoccupation de son coeur, objet de ses fatigues sous le soleil ? Tous ses
jours ne sont que douleur, et son partage n'est que chagrin ; même la nuit son coeur ne repose pas. C'est
24 encore là une vanité. Il n'y a de bonheur pour l'homme qu'à manger et à boire, et à faire jouir son âme
25 du bien-être, au milieu de son travail ; mais j'ai vu que cela aussi vient de la main de Dieu. Qui, en
26 effet, peut manger et jouir, si ce n'est moi ? Car il donne à l'homme qui lui est agréable la sagesse, la
science et la joie ; mais il donne au pécheur le soin de recueillir et d'amasser, afin de donner à celui qui
est agréable à Dieu. C'est encore là une vanité et la poursuite du vent.

3, 2 Il y a un temps pour tout, un temps pour toute chose sous les cieux : un temps pour naître, et

un temps pour mourir ; un temps pour planter, et un temps pour arracher ce qui a été planté ; 3
un temps pour tuer, et un temps pour guérir ; un temps pour abattre, et un temps pour bâtir ; 4
un temps pour pleurer, et un temps pour rire ; un temps pour se lamenter, et un temps pour danser ; 5
un temps pour lancer des pierres, et un temps pour ramasser des pierres ; un temps pour embrasser, et un temps pour s'éloigner des embrassements ; 6
un temps pour chercher, et un temps pour perdre ; un temps pour garder, et un temps pour jeter ; 7
un temps pour déchirer, et un temps pour coudre ; un temps pour se taire, et un temps pour parler ; 8
un temps pour aimer, et un temps pour haïr ; un temps pour la guerre, et un temps pour la paix. 9, 10
Quel avantage celui qui travaille retire -t-il de sa peine ? J'ai vu à quelle occupation Dieu soumet les fils de l'homme. 11
Il fait toute chose bonne en son temps ; même il a mis dans leur coeur la pensée de l'éternité, bien que l'homme ne puisse pas saisir l'oeuvre que Dieu fait, du commencement jusqu'à la fin.
J'ai reconnu qu'il n'y a de bonheur pour eux qu'à se réjouir et à se donner du bien-être pendant leur vie ; 12
mais que, si un homme mange et boit et jouit du bien-être au milieu de tout son travail, c'est là un don de Dieu. 13
J'ai reconnu que tout ce que Dieu fait durera toujours, qu'il n'y a rien à y ajouter et rien à en retrancher, et que Dieu agit ainsi afin qu'on le craigne. 14
Ce qui est a déjà été, et ce qui sera a déjà été, et Dieu ramène ce qui est passé. 15
J'ai encore vu sous le soleil qu'au lieu établi pour juger il y a de la méchanceté, et qu'au lieu établi pour la justice il y a de la méchanceté. 16
J'ai dit en mon coeur : Dieu jugera le juste et le méchant ; car il y a là un temps pour toute chose et pour toute oeuvre. 17
J'ai dit en mon coeur, au sujet des fils de l'homme, que Dieu les éprouverait, et qu'eux-mêmes verraient qu'ils ne sont que des bêtes. 18
Car le sort des fils de l'homme et celui de la bête sont pour eux un même sort ; comme meurt l'un, ainsi meurt l'autre, ils ont tous un même souffle, et la supériorité de l'homme sur la bête est nulle ; car tout est vanité. 19
Tout va dans un même lieu ; tout a été fait de la poussière, et tout retourne à la poussière. 20
Qui sait si le souffle des fils de l'homme monte en haut, et si le souffle de la bête descend en bas dans la terre ? 21
Et j'ai vu qu'il n'y a rien de mieux pour l'homme que de se réjouir de ses oeuvres : c'est là sa part. Car qui le fera jouir de ce qui sera après lui ? 22

J'ai considéré ensuite toutes les oppressions qui se commettent sous le soleil ; et voici, les opprimés **4**
sont dans les larmes, et personne qui les console ! ils sont en butte à la violence de leurs oppresseurs, et personne qui les console !
Et j'ai trouvé les morts qui sont déjà morts plus heureux que les vivants qui 2
sont encore vivants, 3
et plus heureux que les uns et les autres celui qui n'a point encore existé et qui n'a pas vu les mauvaises actions qui se commettent sous le soleil.
J'ai vu que tout travail et toute habileté dans le travail n'est que jalousie de l'homme à l'égard de son prochain. C'est encore là une vanité et la poursuite du vent. 4
L'insensé se croise les mains, et mange sa propre chair. 5, 6
Mieux vaut une main pleine avec repos, que les deux mains pleines avec travail et poursuite du vent.
J'ai considéré une autre vanité sous le soleil. 7
Tel homme est seul et sans personne qui lui tienne de près, il n'a ni fils ni frère, et pourtant son travail n'a point de fin et ses yeux ne sont jamais rassasiés de richesses. Pour qui donc est-ce que je travaille, et que je prive mon âme de jouissances ? C'est encore là une vanité et une chose mauvaise. 8
Deux valent mieux qu'un, parce qu'ils retirent un bon salaire de leur travail. 9, 10
Car, s'ils tombent, l'un relève son compagnon ; mais malheur à celui qui est seul et qui tombe, sans avoir un second pour le relever !
De même, si deux couchent ensemble, ils auront chaud ; mais celui qui est seul, comment aura-t-il chaud ? 11
Et si quelqu'un est plus fort qu'un seul, les deux peuvent lui résister ; 12
et la corde à trois fils ne se rompt pas facilement. 13
Mieux vaut un enfant pauvre et sage qu'un roi vieux et insensé qui ne sait plus écouter les avis ; 14
car il peut sortir de prison pour régner, et même être né pauvre dans son royaume.
J'ai vu tous les vivants qui marchent sous le soleil entourer l'enfant qui devait succéder au roi et régner à sa place. 15
Il n'y avait point de fin à tout ce peuple, à tous ceux à la tête desquels il était. 16
Et toutefois, ceux qui viendront après ne se réjouiront pas à son sujet. Car c'est encore là une vanité et la poursuite du vent.

Prends garde à ton pied, lorsque tu entres dans la maison de Dieu ; approche -toi pour écouter, plutôt **5**
que pour offrir le sacrifice des insensés, car ils ne savent pas qu'ils font mal.
Ne te presse pas d'ouvrir la bouche, et que ton coeur ne se hâte pas d'exprimer une parole devant Dieu ; car Dieu est au ciel, et toi sur la terre : que tes paroles soient donc peu nombreuses. 2
Car, si les songes naissent de la multitude des occupations, la voix de l'insensé se fait entendre dans la multitude des paroles. 3
Lorsque tu as fait un voeu à Dieu, ne tarde pas à l'accomplir, car il n'aime pas les insensés : accomplis le voeu que tu as fait. 4
Mieux vaut pour toi ne point faire de voeu, que d'en faire un et de ne pas l'accomplir.
Ne permets pas à ta bouche de faire pécher ta chair, et ne dis pas en présence de l'envoyé que c'est une inadvertance. Pourquoi Dieu s'irriterait -il de tes paroles, et détruirait -il l'ouvrage de tes mains ? 5, 6
Car, s'il y a des vanités dans la multitude des songes, il y en a aussi dans beaucoup de paroles ; c'est pourquoi, crains Dieu. 7
Si tu vois dans une province le pauvre opprimé et la violation du droit et de la justice, ne t'en étonne point ; car un homme élevé est placé sous la surveillance d'un autre plus élevé, et au-dessus d'eux il en est de plus élevés encore. 8
Un avantage pour le pays à tous égards, c'est un roi honoré du pays. 9
Celui qui aime l'argent n'est pas rassasié par l'argent, et celui qui aime les richesses n'en profite 10

11 pas. C'est encore là une vanité. Quand le bien abonde, ceux qui le mangent abondent ; et quel avantage
12 en revient-il à son possesseur, sinon qu'il le voit de ses yeux ? Le sommeil du travailleur est doux, qu'il
13 ait peu ou beaucoup à manger ; mais le rassasiement du riche ne le laisse pas dormir. Il est un mal
grave que j'ai vu sous le soleil : des richesses conservées, pour son malheur, par celui qui les possède.
14 Ces richesses se perdent par quelque événement fâcheux ; il a engendré un fils, et il ne reste rien entre
15 ses mains. Comme il est sorti du ventre de sa mère, il s'en retourne nu ainsi qu'il était venu, et pour
16 son travail n'emporte rien qu'il puisse prendre dans sa main. C'est encore là un mal grave. Il s'en va
17 comme il était venu ; et quel avantage lui revient-il d'avoir travaillé pour du vent ? De plus, toute sa
18 vie il mange dans les ténèbres, et il a beaucoup de chagrin, de maux et d'irritation. Voici ce que j'ai vu :
c'est pour l'homme une chose bonne et belle de manger et de boire, et de jouir du bien-être au milieu
de tout le travail qu'il fait sous le soleil, pendant le nombre des jours de vie que Dieu lui a donnés ; car
19 c'est là sa part. Mais, si Dieu a donné à un homme des richesses et des biens, s'il l'a rendu maître d'en
20 manger, d'en prendre sa part, et de se réjouir au milieu de son travail, c'est là un don de Dieu. Car il
ne se souviendra pas beaucoup des jours de sa vie, parce que Dieu répand la joie dans son coeur.

6, 2 Il est un mal que j'ai vu sous le soleil, et qui est fréquent parmi les hommes. Il y a tel homme à qui
Dieu a donné des richesses, des biens, et de la gloire, et qui ne manque pour son âme de rien de ce qu'il
désire, mais que Dieu ne laisse pas maître d'en jouir, car c'est un étranger qui en jouira. C'est là une
3 vanité et un mal grave. Quand un homme aurait cent fils, vivrait un grand nombre d'années, et que
les jours de ses années se multiplieraient, si son âme ne s'est point rassasiée de bonheur, et si de plus
4 il n'a point de sépulture, je dis qu'un avorton est plus heureux que lui. Car il est venu en vain, il s'en
5 va dans les ténèbres, et son nom reste couvert de ténèbres ; il n'a point vu, il n'a point connu le soleil ;
6 il a plus de repos que cet homme. Et quand celui-ci vivrait deux fois mille ans, sans jouir du bonheur,
7 tout ne va -t-il pas dans un même lieu ? Tout le travail de l'homme est pour sa bouche, et cependant
8 ses désirs ne sont jamais satisfaits. Car quel avantage le sage a-t-il sur l'insensé ? quel avantage a
9 le malheureux qui sait se conduire en présence des vivants ? Ce que les yeux voient est préférable à
10 l'agitation des désirs : c'est encore là une vanité et la poursuite du vent. Ce qui existe a déjà été appelé
11 par son nom ; et l'on sait que celui qui est homme ne peut contester avec un plus fort que lui. S'il y a
12 beaucoup de choses, il y a beaucoup de vanités : quel avantage en revient-il à l'homme ? Car qui sait
ce qui est bon pour l'homme dans la vie, pendant le nombre des jours de sa vie de vanité, qu'il passe
comme une ombre ? Et qui peut dire à l'homme ce qui sera après lui sous le soleil ?

7 Une bonne réputation vaut mieux que le bon parfum, et le jour de la mort que le jour de la naissance.
2 Mieux vaut aller dans une maison de deuil que d'aller dans une maison de festin ; car c'est là la fin de
3 tout homme, et celui qui vit prend la chose à coeur. Mieux vaut le chagrin que le rire ; car avec un
4 visage triste le coeur peut être content. Le coeur des sages est dans la maison de deuil, et le coeur des
5 insensés dans la maison de joie. Mieux vaut entendre la réprimande du sage que d'entendre le chant
6 des insensés. Car comme le bruit des épines sous la chaudière, ainsi est le rire des insensés. C'est
7, 8 encore là une vanité. L'oppression rend insensé le sage, et les présents corrompent le coeur. Mieux
9 vaut la fin d'une chose que son commencement ; mieux vaut un esprit patient qu'un esprit hautain. Ne
10 te hâte pas en ton esprit de t'irriter, car l'irritation repose dans le sein des insensés. Ne dis pas : D'où
vient que les jours passés étaient meilleurs que ceux ci ? Car ce n'est point par sagesse que tu demandes
11, 12 cela. La sagesse vaut autant qu'un héritage, et même plus pour ceux qui voient le soleil. Car à l'ombre
de la sagesse on est abrité comme à l'ombre de l'argent ; mais un avantage de la science, c'est que la
13 sagesse fait vivre ceux qui la possèdent. Regarde l'oeuvre de Dieu : qui pourra redresser ce qu'il a
14 courbé ? Au jour du bonheur, sois heureux, et au jour du malheur, réfléchis : Dieu a fait l'un comme
15 l'autre, afin que l'homme ne découvre en rien ce qui sera après lui. J'ai vu tout cela pendant les jours
de ma vanité. Il y a tel juste qui périt dans sa justice, et il y a tel méchant qui prolonge son existence
16 dans sa méchanceté. Ne sois pas juste à l'excès, et ne te montre pas trop sage : pourquoi te détruirais
17 -tu ? Ne sois pas méchant à l'excès, et ne sois pas insensé : pourquoi mourrais -tu avant ton temps ?
18 Il est bon que tu retiennes ceci, et que tu ne négliges point cela ; car celui qui craint Dieu échappe à
19, 20 toutes ces choses. La sagesse rend le sage plus fort que dix chefs qui sont dans une ville. Non, il n'y a
21 sur la terre point d'homme juste qui fasse le bien et qui ne pèche jamais. Ne fais donc pas attention à
22 toutes les paroles qu'on dit, de peur que tu n'entendes ton serviteur te maudire ; car ton coeur a senti
23 bien des fois que tu as toi-même maudit les autres. J'ai éprouvé tout cela par la sagesse. J'ai dit : Je
24 serai sage. Et la sagesse est restée loin de moi. Ce qui est loin, ce qui est profond, profond, qui peut
25 l'atteindre ? Je me suis appliqué dans mon coeur à connaître, à sonder, et à chercher la sagesse et la
26 raison des choses, et à connaître la folie de la méchanceté et la stupidité de la sottise. Et j'ai trouvé
plus amère que la mort la femme dont le coeur est un piège et un filet, et dont les mains sont des liens ;
27 celui qui est agréable à Dieu lui échappe, mais le pécheur est pris par elle. Voici ce que j'ai trouvé, dit
28 l'Ecclésiaste, en examinant les choses une à une pour en saisir la raison ; voici ce que mon âme cherche

encore, et que je n'ai point trouvé. J'ai trouvé un homme entre mille ; mais je n'ai pas trouvé une femme
entre elles toutes. Seulement, voici ce que j'ai trouvé, c'est que Dieu a fait les hommes droits ; mais ils 29
ont cherché beaucoup de détours.

Qui est comme le sage, et qui connaît l'explication des choses ? La sagesse d'un homme fait briller **8**
son visage, et la sévérité de sa face est changée. Je te dis : Observe les ordres du roi, et cela à cause du 2
serment fait à Dieu. Ne te hâte pas de t'éloigner de lui, et ne persiste pas dans une chose mauvaise : car 3
il peut faire tout ce qui lui plaît, parce que la parole du roi est puissante ; et qui lui dira : Que fais -tu ? 4
Celui qui observe le commandement ne connaît point de chose mauvaise, et le coeur du sage connaît le 5
temps et le jugement. Car il y a pour toute chose un temps et un jugement, quand le malheur accable 6
l'homme. Mais il ne sait point ce qui arrivera, et qui lui dira comment cela arrivera ? L'homme n'est 7, 8
pas maître de son souffle pour pouvoir le retenir, et il n'a aucune puissance sur le jour de la mort ; il n'y
a point de délivrance dans ce combat, et la méchanceté ne saurait sauver les méchants. J'ai vu tout 9
cela, et j'ai appliqué mon coeur à tout ce qui se fait sous le soleil. Il y a un temps où l'homme domine
sur l'homme pour le rendre malheureux. Alors j'ai vu des méchants recevoir la sépulture et entrer 10
dans leur repos, et ceux qui avaient agi avec droiture s'en aller loin du lieu saint et être oubliés dans
la ville. C'est encore là une vanité. Parce qu'une sentence contre les mauvaises actions ne s'exécute 11
pas promptement, le coeur des fils de l'homme se remplit en eux du désir de faire le mal. Cependant, 12
quoique le pécheur fasse cent fois le mal et qu'il y persévère longtemps, je sais aussi que le bonheur est
pour ceux qui craignent Dieu, parce qu'ils ont de la crainte devant lui. Mais le bonheur n'est pas pour 13
le méchant, et il ne prolongera point ses jours, pas plus que l'ombre, parce qu'il n'a pas de la crainte
devant Dieu. Il est une vanité qui a lieu sur la terre : c'est qu'il y a des justes auxquels il arrive selon 14
l'oeuvre des méchants, et des méchants auxquels il arrive selon l'oeuvre des justes. Je dis que c'est
encore là une vanité. J'ai donc loué la joie, parce qu'il n'y a de bonheur pour l'homme sous le soleil qu'à 15
manger et à boire et à se réjouir ; c'est là ce qui doit l'accompagner au milieu de son travail, pendant les
jours de vie que Dieu lui donne sous le soleil. Lorsque j'ai appliqué mon coeur à connaître la sagesse 16
et à considérer les choses qui se passent sur la terre, -car les yeux de l'homme ne goûtent le sommeil ni
jour ni nuit, j'ai vu toute l'oeuvre de Dieu, j'ai vu que l'homme ne peut pas trouver ce qui se fait sous 17
le soleil ; il a beau se fatiguer à chercher, il ne trouve pas ; et même si le sage veut connaître, il ne peut
pas trouver.

Oui, j'ai appliqué mon coeur à tout cela, j'ai fait de tout cela l'objet de mon examen, et j'ai vu que les **9**
justes et les sages, et leurs travaux, sont dans la main de Dieu, et l'amour aussi bien que la haine ; les
hommes ne savent rien : tout est devant eux. Tout arrive également à tous ; même sort pour le juste 2
et pour le méchant, pour celui qui est bon et pur et pour celui qui est impur, pour celui qui sacrifie et
pour celui qui ne sacrifie pas ; il en est du bon comme du pécheur, de celui qui jure comme de celui qui
craint de jurer. Ceci est un mal parmi tout ce qui se fait sous le soleil, c'est qu'il y a pour tous un même 3
sort ; aussi le coeur des fils de l'homme est-il plein de méchanceté, et la folie est dans leur coeur pendant
leur vie ; après quoi, ils vont chez les morts. Car, qui est excepté ? Pour tous ceux qui vivent il y a de 4
l'espérance ; et même un chien vivant vaut mieux qu'un lion mort. Les vivants, en effet, savent qu'ils 5
mourront ; mais les morts ne savent rien, et il n'y a pour eux plus de salaire, puisque leur mémoire est
oubliée. Et leur amour, et leur haine, et leur envie, ont déjà péri ; et ils n'auront plus jamais aucune 6
part à tout ce qui se fait sous le soleil. Va, mange avec joie ton pain, et bois gaiement ton vin ; car dès 7
longtemps Dieu prend plaisir à ce que tu fais. Qu'en tout temps tes vêtements soient blancs, et que 8
l'huile ne manque point sur ta tête. Jouis de la vie avec la femme que tu aimes, pendant tous les jours 9
de ta vie de vanité, que Dieu t'a donnés sous le soleil, pendant tous les jours de ta vanité ; car c'est ta
part dans la vie, au milieu de ton travail que tu fais sous le soleil. Tout ce que ta main trouve à faire 10
avec ta force, fais -le ; car il n'y a ni oeuvre, ni pensée, ni science, ni sagesse, dans le séjour des morts,
où tu vas. J'ai encore vu sous le soleil que la course n'est point aux agiles ni la guerre aux vaillants, 11
ni le pain aux sages, ni la richesse aux intelligents, ni la faveur aux savants ; car tout dépend pour
eux du temps et des circonstances. L'homme ne connaît pas non plus son heure, pareil aux poissons 12
qui sont pris au filet fatal, et aux oiseaux qui sont pris au piège ; comme eux, les fils de l'homme sont
enlacés au temps du malheur, lorsqu'il tombe sur eux tout à coup. J'ai aussi vu sous le soleil ce trait 13
d'une sagesse qui m'a paru grande. Il y avait une petite ville, avec peu d'hommes dans son sein ; un 14
roi puissant marcha sur elle, l'investit, et éleva contre elle de grands forts. Il s'y trouvait un homme 15
pauvre et sage, qui sauva la ville par sa sagesse. Et personne ne s'est souvenu de cet homme pauvre.
Et j'ai dit : La sagesse vaut mieux que la force. Cependant la sagesse du pauvre est méprisée, et ses 16
paroles ne sont pas écoutées. Les paroles des sages tranquillement écoutées valent mieux que les cris 17
de celui qui domine parmi les insensés. La sagesse vaut mieux que les instruments de guerre ; mais 18
un seul pécheur détruit beaucoup de bien.

Les mouches mortes infectent et font fermenter l'huile du parfumeur ; un peu de folie l'emporte sur **10**

2, 3 la sagesse et sur la gloire. Le coeur du sage est à sa droite, et le coeur de l'insensé à sa gauche. Quand
4 l'insensé marche dans un chemin, le sens lui manque, et il dit de chacun : Voilà un fou ! Si l'esprit de
celui qui domine s'élève contre toi, ne quitte point ta place ; car le calme prévient de grands péchés.
5, 6 Il est un mal que j'ai vu sous le soleil, comme une erreur provenant de celui qui gouverne : la folie
7 occupe des postes très élevés, et des riches sont assis dans l'abaissement. J'ai vu des esclaves sur des
8 chevaux, et des princes marchant sur terre comme des esclaves. Celui qui creuse une fosse y tombera,
9 et celui qui renverse une muraille sera mordu par un serpent. Celui qui remue des pierres en sera
10 blessé, et celui qui fend du bois en éprouvera du danger. S'il a émoussé le fer, et s'il n'en a pas aiguisé
11 le tranchant, il devra redoubler de force ; mais la sagesse a l'avantage du succès. Si le serpent mord
12 faute d'enchantement, il n'y a point d'avantage pour l'enchanteur. Les paroles de la bouche du sage
13 sont pleines de grâce ; mais les lèvres de l'insensé causent sa perte. Le commencement des paroles de
14 sa bouche est folie, et la fin de son discours est une méchante folie. L'insensé multiplie les paroles.
15 L'homme ne sait point ce qui arrivera, et qui lui dira ce qui sera après lui ? Le travail de l'insensé le
16 fatigue, parce qu'il ne sait pas aller à la ville. Malheur à toi, pays dont le roi est un enfant, et dont
17 les princes mangent dès le matin ! Heureux toi, pays dont le roi est de race illustre, et dont les princes
18 mangent au temps convenable, pour soutenir leurs forces, et non pour se livrer à la boisson ! Quand
les mains sont paresseuses, la charpente s'affaisse ; et quand les mains sont lâches, la maison a des
19, 20 gouttières. On fait des repas pour se divertir, le vin rend la vie joyeuse, et l'argent répond à tout. Ne
maudis pas le roi, même dans ta pensée, et ne maudis pas le riche dans la chambre où tu couches ; car
l'oiseau du ciel emporterait ta voix, l'animal ailé publierait tes paroles.

11, 2 Jette ton pain sur la face des eaux, car avec le temps tu le retrouveras ; donnes -en une part à sept
3 et même à huit, car tu ne sais pas quel malheur peut arriver sur la terre. Quand les nuages sont pleins
de pluie, ils la répandent sur la terre ; et si un arbre tombe, au midi ou au nord, il reste à la place où il
4 est tombé. Celui qui observe le vent ne sèmera point, et celui qui regarde les nuages ne moissonnera
5 point. Comme tu ne sais pas quel est le chemin du vent, ni comment se forment les os dans le ventre
6 de la femme enceinte, tu ne connais pas non plus l'oeuvre de Dieu qui fait tout. Dès le matin sème ta
semence, et le soir ne laisse pas reposer ta main ; car tu ne sais point ce qui réussira, ceci ou cela, ou si
7 l'un et l'autre sont également bons. La lumière est douce, et il est agréable aux yeux de voir le soleil.
8 Si donc un homme vit beaucoup d'années, qu'il se réjouisse pendant toutes ces années, et qu'il pense
9 aux jours de ténèbres qui seront nombreux ; tout ce qui arrivera est vanité. Jeune homme, réjouis -toi
dans ta jeunesse, livre ton coeur à la joie pendant les jours de ta jeunesse, marche dans les voies de
ton coeur et selon les regards de tes yeux ; mais sache que pour tout cela Dieu t'appellera en jugement.
10 Bannis de ton coeur le chagrin, et éloigne le mal de ton corps ; car la jeunesse et l'aurore sont vanité.

12 Mais souviens -toi de ton créateur pendant les jours de ta jeunesse, avant que les jours mauvais
2 arrivent et que les années s'approchent où tu diras : Je n'y prends point de plaisir ; avant que s'obs-
curcissent le soleil et la lumière, la lune et les étoiles, et que les nuages reviennent après la pluie,
3 temps où les gardiens de la maison tremblent, où les hommes forts se courbent, où celles qui moulent
4 s'arrêtent parce qu'elles sont diminuées, où ceux qui regardent par les fenêtres sont obscurcis, où les
deux battants de la porte se ferment sur la rue quand s'abaisse le bruit de la meule, où l'on se lève
5 au chant de l'oiseau, où s'affaiblissent toutes les filles du chant, où l'on redoute ce qui est élevé, où
l'on a des terreurs en chemin, où l'amandier fleurit, où la sauterelle devient pesante, et où la câpre n'a
6 plus d'effet, car l'homme s'en va vers sa demeure éternelle, et les pleureurs parcourent les rues ; avant
que le cordon d'argent se détache, que le vase d'or se brise, que le seau se rompe sur la source, et que
7 la roue se casse sur la citerne ; avant que la poussière retourne à la terre, comme elle y était, et que
8, 9 l'esprit retourne à Dieu qui l'a donné. Vanité des vanités, dit l'Ecclésiaste, tout est vanité. Outre que
l'Ecclésiaste fut un sage, il a encore enseigné la science au peuple, et il a examiné, sondé, mis en ordre
10 un grand nombre de sentences. L'Ecclésiaste s'est efforcé de trouver des paroles agréables ; et ce qui a
11 été écrit avec droiture, ce sont des paroles de vérité. Les paroles des sages sont comme des aiguillons ;
12 et, rassemblées en un recueil, elles sont comme des clous plantés, données par un seul maître. Du
reste, mon fils, tire instruction de ces choses ; on ne finirait pas, si l'on voulait faire un grand nombre
13 de livres, et beaucoup d'étude est une fatigue pour le corps. Écoutons la fin du discours : Crains Dieu
14 et observe ses commandements. C'est là ce que doit faire tout homme. Car Dieu amènera toute oeuvre
en jugement, au sujet de tout ce qui est caché, soit bien, soit mal.

CANTIQUE

Cantique des cantiques, de Salomon. Qu'il me baise des baisers de sa bouche ! Car ton amour **1**, 2
vaut mieux que le vin, Tes parfums ont une odeur suave ; Ton nom est un parfum qui se 3
répand ; C'est pourquoi les jeunes filles t'aiment. Entraîne -moi après toi ! Nous courrons ! Le 4
roi m'introduit dans ses appartements... Nous nous égaierons, nous nous réjouirons à cause
de toi ; Nous célébrerons ton amour plus que le vin. C'est avec raison que l'on t'aime. Je suis noire, 5
mais je suis belle, filles de Jérusalem, Comme les tentes de Kédar, comme les pavillons de Salomon.
Ne prenez pas garde à mon teint noir : C'est le soleil qui m'a brûlée. Les fils de ma mère se sont irrités 6
contre moi, Ils m'ont faite gardienne des vignes. Ma vigne, à moi, je ne l'ai pas gardée. Dis -moi, ô toi 7
que mon coeur aime, Où tu fais paître tes brebis, Où tu les fais reposer à midi ; Car pourquoi serais-je
comme une égarée Près des troupeaux de tes compagnons ? - Si tu ne le sais pas, ô la plus belle des 8
femmes, Sors sur les traces des brebis, Et fais paître tes chevreaux Près des demeures des bergers. -
À ma jument qu'on attelle aux chars de Pharaon Je te compare, ô mon amie. Tes joues sont belles au 9, 10
milieu des colliers, Ton cou est beau au milieu des rangées de perles. Nous te ferons des colliers d'or, 11
Avec des points d'argent. - Tandis que le roi est dans son entourage, Mon nard exhale son parfum. 12
Mon bien-aimé est pour moi un bouquet de myrrhe, Qui repose entre mes seins. Mon bien-aimé est 13, 14
pour moi une grappe de troëne Des vignes d'En-Guédi. - Que tu es belle, mon amie, que tu es belle ! Tes 15
yeux sont des colombes. - Que tu es beau, mon bien-aimé, que tu es aimable ! Notre lit, c'est la verdure. 16
- Les solives de nos maisons sont des cèdres, Nos lambris sont des cyprès. - 17

Je suis un narcisse de Saron, Un lis des vallées. - Comme un lis au milieu des épines, Telle est mon **2**, 2
amie parmi les jeunes filles. - Comme un pommier au milieu des arbres de la forêt, Tel est mon bien- 3
aimé parmi les jeunes hommes. J'ai désiré m'asseoir à son ombre, Et son fruit est doux à mon palais.
Il m'a fait entrer dans la maison du vin ; Et la bannière qu'il déploie sur moi, c'est l'amour. Soutenez 4, 5
-moi avec des gâteaux de raisins, Fortifiez -moi avec des pommes ; Car je suis malade d'amour. Que sa 6
main gauche soit sous ma tête, Et que sa droite m'embrasse ! - Je vous en conjure, filles de Jérusalem, 7
Par les gazelles et les biches des champs, Ne réveillez pas, ne réveillez pas l'amour, Avant qu'elle le
veuille. - C'est la voix de mon bien-aimé ! Le voici, il vient, Sautant sur les montagnes, Bondissant sur 8
les collines. Mon bien-aimé est semblable à la gazelle Ou au faon des biches. Le voici, il est derrière 9
notre mur, Il regarde par la fenêtre, Il regarde par le treillis. Mon bien-aimé parle et me dit : Lève 10
-toi, mon amie, ma belle, et viens ! Car voici, l'hiver est passé ; La pluie a cessé, elle s'en est allée. Les 11, 12
fleurs paraissent sur la terre, Le temps de chanter est arrivé, Et la voix de la tourterelle se fait entendre
dans nos campagnes. Le figuier embaume ses fruits, Et les vignes en fleur exhalent leur parfum. Lève 13
-toi, mon amie, ma belle, et viens ! Ma colombe, qui te tiens dans les fentes du rocher, Qui te caches 14
dans les parois escarpées, Fais-moi voir ta figure, Fais-moi entendre ta voix ; Car ta voix est douce, et
ta figure est agréable. Prenez -nous les renards, Les petits renards qui ravagent les vignes ; Car nos 15
vignes sont en fleur. Mon bien-aimé est à moi, et je suis à lui ; Il fait paître son troupeau parmi les lis. 16
Avant que le jour se rafraîchisse, Et que les ombres fuient, Reviens !... sois semblable, mon bien-aimé, 17
À la gazelle ou au faon des biches, Sur les montagnes qui nous séparent.

Sur ma couche, pendant les nuits, J'ai cherché celui que mon coeur aime ; Je l'ai cherché, et je ne l'ai **3**
point trouvé... Je me lèverai, et je ferai le tour de la ville, Dans les rues et sur les places ; Je chercherai 2
celui que mon coeur aime... Je l'ai cherché, et je ne l'ai point trouvé. Les gardes qui font la ronde dans 3
la ville m'ont rencontrée : Avez-vous vu celui que mon coeur aime ? À peine les avais-je passés, Que 4
j'ai trouvé celui que mon coeur aime ; Je l'ai saisi, et je ne l'ai point lâché Jusqu'à ce que je l'aie amené
dans la maison de ma mère, Dans la chambre de celle qui m'a conçue. - Je vous en conjure, filles de 5
Jérusalem, Par les gazelles et les biches des champs, Ne réveillez pas, ne réveillez pas l'amour, Avant
qu'elle le veuille. - Qui est celle qui monte du désert, Comme des colonnes de fumée, Au milieu des 6
vapeurs de myrrhe et d'encens Et de tous les aromates des marchands ? - Voici la litière de Salomon, 7
Et autour d'elle soixante vaillants hommes, Des plus vaillants d'Israël. Tous sont armés de l'épée, Sont 8
exercés au combat ; Chacun porte l'épée sur sa hanche, En vue des alarmes nocturnes. Le roi Salomon 9
s'est fait une litière De bois du Liban. Il en a fait les colonnes d'argent, Le dossier d'or, Le siège de 10
pourpre ; Au milieu est une broderie, oeuvre d'amour Des filles de Jérusalem. Sortez, filles de Sion, 11
regardez Le roi Salomon, Avec la couronne dont sa mère l'a couronné Le jour de ses fiançailles, Le jour
de la joie de son coeur. -

Que tu es belle, mon amie, que tu es belle ! Tes yeux sont des colombes, Derrière ton voile. Tes che- **4**
veux sont comme un troupeau de chèvres, Suspendues aux flancs de la montagne de Galaad. Tes dents 2
sont comme un troupeau de brebis tondues, Qui remontent de l'abreuvoir ; Toutes portent des jumeaux,
Aucune d'elles n'est stérile. Tes lèvres sont comme un fil cramoisi, Et ta bouche est charmante ; Ta 3

joue est comme une moitié de grenade, Derrière ton voile. Ton cou est comme la tour de David, Bâtie
pour être un arsenal ; Mille boucliers y sont suspendus, Tous les boucliers des héros. Tes deux seins
sont comme deux faons, Comme les jumeaux d'une gazelle, Qui paissent au milieu des lis. Avant que
le jour se rafraîchisse, Et que les ombres fuient, J'irai à la montagne de la myrrhe Et à la colline de
l'encens. Tu es toute belle, mon amie, Et il n'y a point en toi de défaut. Viens avec moi du Liban, ma
fiancée, Viens avec moi du Liban ! Regarde du sommet de l'Amana, Du sommet du Senir et de l'Hermon,
Des tanières des lions, Des montagnes des léopards. Tu me ravis le coeur, ma soeur, ma fiancée, Tu
me ravis le coeur par l'un de tes regards, Par l'un des colliers de ton cou. Que de charmes dans ton
amour, ma soeur, ma fiancée ! Comme ton amour vaut mieux que le vin, Et combien tes parfums sont
plus suaves que tous les aromates ! Tes lèvres distillent le miel, ma fiancée ; Il y a sous ta langue du
miel et du lait, Et l'odeur de tes vêtements est comme l'odeur du Liban. Tu es un jardin fermé, ma
soeur, ma fiancée, Une source fermée, une fontaine scellée. Tes jets forment un jardin, où sont des
grenadiers, Avec les fruits les plus excellents, Les troënes avec le nard ; Le nard et le safran, le roseau
aromatique et le cinnamome, Avec tous les arbres qui donnent l'encens ; La myrrhe et l'aloès, Avec tous
les principaux aromates ; Une fontaine des jardins, Une source d'eaux vives, Des ruisseaux du Liban.
Lève -toi, aquilon ! viens, autan ! Soufflez sur mon jardin, et que les parfums s'en exhalent ! -Que mon
bien-aimé entre dans son jardin, Et qu'il mange de ses fruits excellents ! -

5 J'entre dans mon jardin, ma soeur, ma fiancée ; Je cueille ma myrrhe avec mes aromates, Je mange
mon rayon de miel avec mon miel, Je bois mon vin avec mon lait... -Mangez, amis, buvez, enivrez -vous
d'amour ! - J'étais endormie, mais mon coeur veillait... C'est la voix de mon bien-aimé, qui frappe :
-Ouvre -moi, ma soeur, mon amie, Ma colombe, ma parfaite ! Car ma tête est couverte de rosée, Mes
boucles sont pleines des gouttes de la nuit. - J'ai ôté ma tunique ; comment la remettrais -je ? J'ai lavé
mes pieds ; comment les salirais -je ? Mon bien-aimé a passé la main par la fenêtre, Et mes entrailles
se sont émues pour lui. Je me suis levée pour ouvrir à mon bien-aimé ; Et de mes mains a dégoutté la
myrrhe, De mes doigts, la myrrhe répandue Sur la poignée du verrou. J'ai ouvert à mon bien-aimé ;
Mais mon bien-aimé s'en était allé, il avait disparu. J 'étais hors de moi, quand il me parlait. Je l'ai
cherché, et je ne l'ai point trouvé ; Je l'ai appelé, et il ne m'a point répondu. Les gardes qui font la
ronde dans la ville m'ont rencontrée ; Ils m'ont frappée, ils m'ont blessée ; Ils m'ont enlevé mon voile, les
gardes des murs. Je vous en conjure, filles de Jérusalem, Si vous trouvez mon bien-aimé, Que lui direz
-vous ?... Que je suis malade d'amour. - Qu'a ton bien-aimé de plus qu'un autre, O la plus belle des
femmes ? Qu'a ton bien-aimé de plus qu'un autre, Pour que tu nous conjures ainsi ? - Mon bien-aimé
est blanc et vermeil ; Il se distingue entre dix mille. Sa tête est de l'or pur ; Ses boucles sont flottantes,
Noires comme le corbeau. Ses yeux sont comme des colombes au bord des ruisseaux, Se baignant dans
le lait, Reposant au sein de l'abondance. Ses joues sont comme un parterre d'aromates, Une couche de
plantes odorantes ; Ses lèvres sont des lis, D'où découle la myrrhe. Ses mains sont des anneaux d'or,
Garnis de chrysolithes ; Son corps est de l'ivoire poli, Couvert de saphirs ; Ses jambes sont des colonnes
de marbre blanc, Posées sur des bases d'or pur. Son aspect est comme le Liban, Distingué comme les
cèdres. Son palais n'est que douceur, Et toute sa personne est pleine de charme. Tel est mon bien-aimé,
tel est mon ami, Filles de Jérusalem ! -

6 Où est allé ton bien-aimé, O la plus belle des femmes ? De quel côté ton bien-aimé s'est-il dirigé ?
Nous le chercherons avec toi. Mon bien-aimé est descendu à son jardin, Au parterre d'aromates, Pour
faire paître son troupeau dans les jardins, Et pour cueillir des lis. Je suis à mon bien-aimé, et mon
bien-aimé est à moi ; Il fait paître son troupeau parmi les lis. - Tu es belle, mon amie, comme Thirtsa,
Agréable comme Jérusalem, Mais terrible comme des troupes sous leurs bannières. Détourne de moi
tes yeux, car ils me troublent. Tes cheveux sont comme un troupeau de chèvres, Suspendues aux flancs
de Galaad. Tes dents sont comme un troupeau de brebis, Qui remontent de l'abreuvoir ; Toutes portent
des jumeaux, Aucune d'elles n'est stérile. Ta joue est comme une moitié de grenade, Derrière ton voile...
Il y a soixante reines, quatre-vingts concubines, Et des jeunes filles sans nombre. Une seule est ma
colombe, ma parfaite ; Elle est l'unique de sa mère, La préférée de celle qui lui donna le jour. Les jeunes
filles la voient, et la disent heureuse ; Les reines et les concubines aussi, et elles la louent. - Qui est
celle qui apparaît comme l'aurore, Belle comme la lune, pure comme le soleil, Mais terrible comme des
troupes sous leurs bannières ? - Je suis descendue au jardin des noyers, Pour voir la verdure de la
vallée, Pour voir si la vigne pousse, Si les grenadiers fleurissent. Je ne sais, mais mon désir m'a rendue
semblable Aux chars de mon noble peuple. - Reviens, reviens, Sulamithe ! Reviens, reviens, afin que
nous te regardions. -Qu'avez-vous à regarder la Sulamithe Comme une danse de deux choeurs ?

7 Que tes pieds sont beaux dans ta chaussure, fille de prince ! Les contours de ta hanche sont comme
des colliers, Oeuvre des mains d'un artiste. Ton sein est une coupe arrondie, Où le vin parfumé ne
manque pas ; Ton corps est un tas de froment, Entouré de lis. Tes deux seins sont comme deux faons,
Comme les jumeaux d'une gazelle. Ton cou est comme une tour d'ivoire ; Tes yeux sont comme les

étangs de Hesbon, Près de la porte de Bath-Rabbim ; Ton nez est comme la tour du Liban, Qui regarde
du côté de Damas. Ta tête est élevée comme le Carmel, Et les cheveux de ta tête sont comme la pourpre ; 5
Un roi est enchaîné par des boucles !... Que tu es belle, que tu es agréable, O mon amour, au milieu 6
des délices ! Ta taille ressemble au palmier, Et tes seins à des grappes. Je me dis : Je monterai sur 7, 8
le palmier, J'en saisirai les rameaux ! Que tes seins soient comme les grappes de la vigne, Le parfum
de ton souffle comme celui des pommes, Et ta bouche comme un vin excellent,... -Qui coule aisément 9
pour mon bien-aimé, Et glisse sur les lèvres de ceux qui s'endorment ! Je suis à mon bien-aimé, Et 10
ses désirs se portent vers moi. Viens, mon bien-aimé, sortons dans les champs, Demeurons dans les 11
villages ! Dès le matin nous irons aux vignes, Nous verrons si la vigne pousse, si la fleur s'ouvre, Si 12
les grenadiers fleurissent. Là je te donnerai mon amour. Les mandragores répandent leur parfum, Et 13
nous avons à nos portes tous les meilleurs fruits, Nouveaux et anciens : Mon bien-aimé, je les ai gardés
pour toi.

Oh ! Que n'es-tu mon frère, Allaité des mamelles de ma mère ! Je te rencontrerais dehors, je t'em- **8**
brasserais, Et l'on ne me mépriserait pas. Je veux te conduire, t'amener à la maison de ma mère ; Tu 2
me donneras tes instructions, Et je te ferai boire du vin parfumé, Du moût de mes grenades. Que sa 3
main gauche soit sous ma tête, Et que sa droite m'embrasse ! - Je vous en conjure, filles de Jérusalem, 4
Ne réveillez pas, ne réveillez pas l'amour, Avant qu'elle le veuille. - Qui est celle qui monte du désert, 5
Appuyée sur son bien-aimé ? -Je t'ai réveillée sous le pommier ; Là ta mère t'a enfantée, C'est là qu'elle
t'a enfantée, qu'elle t'a donné le jour. - Mets -moi comme un sceau sur ton coeur, Comme un sceau 6
sur ton bras ; Car l'amour est fort comme la mort, La jalousie est inflexible comme le séjour des morts ;
Ses ardeurs sont des ardeurs de feu, Une flamme de l'Éternel. Les grandes eaux ne peuvent éteindre 7
l'amour, Et les fleuves ne le submergeraient pas ; Quand un homme offrirait tous les biens de sa maison
contre l'amour, Il ne s'attirerait que le mépris. Nous avons une petite soeur, Qui n'a point encore de 8
mamelles ; Que ferons -nous de notre soeur, Le jour où on la recherchera ? Si elle est un mur, Nous 9
bâtirons sur elle des créneaux d'argent ; Si elle est une porte, Nous la fermerons avec une planche de
cèdre. - Je suis un mur, Et mes seins sont comme des tours ; J'ai été à ses yeux comme celle qui trouve 10
la paix. Salomon avait une vigne à Baal-Hamon ; Il remit la vigne à des gardiens ; Chacun apportait 11
pour son fruit mille sicles d'argent. Ma vigne, qui est à moi, je la garde. À toi, Salomon, les mille sicles, 12
Et deux cents à ceux qui gardent le fruit ! - Habitante des jardins ! Des amis prêtent l'oreille à ta voix. 13
Daigne me la faire entendre ! - Fuis, mon bien-aimé ! Sois semblable à la gazelle ou au faon des biches, 14
Sur les montagnes des aromates !

ESAÏE

1 Prophétie d'Ésaïe, fils d'Amots, sur Juda et Jérusalem, au temps d'Ozias, de Jotham, d'Achaz,
2 d'Ézéchias, rois de Juda. Cieux, écoutez ! terre, prête l'oreille ! Car l'Éternel parle. J'ai nourri
3 et élevé des enfants, Mais ils se sont révoltés contre moi. Le boeuf connaît son possesseur,
Et l'âne la crèche de son maître : Israël ne connaît rien, Mon peuple n'a point d'intelligence.
4 Malheur à la nation pécheresse, au peuple chargé d'iniquités, À la race des méchants, aux enfants cor-
rompus ! Ils ont abandonné l'Éternel, ils ont méprisé le Saint d'Israël. Ils se sont retirés en arrière...
5 Quels châtiments nouveaux vous infliger, Quand vous multipliez vos révoltes ? La tête entière est ma-
6 lade, Et tout le coeur est souffrant. De la plante du pied jusqu'à la tête, rien n'est en bon état : Ce
ne sont que blessures, contusions et plaies vives, Qui n'ont été ni pansées, ni bandées, Ni adoucies par
7 l'huile. Votre pays est dévasté, Vos villes sont consumées par le feu, Des étrangers dévorent vos cam-
8 pagnes sous vos yeux, Ils ravagent et détruisent, comme des barbares. Et la fille de Sion est restée
Comme une cabane dans une vigne, Comme une hutte dans un champ de concombres, Comme une ville
9 épargnée. Si l'Éternel des armées Ne nous eût conservé un faible reste, Nous serions comme Sodome,
10 Nous ressemblerions à Gomorrhe. Écoutez la parole de l'Éternel, chefs de Sodome ! Prête l'oreille à la
11 loi de notre Dieu, peuple de Gomorrhe ! Qu'ai-je affaire de la multitude de vos sacrifices ? dit l'Éternel.
Je suis rassasié des holocaustes de béliers et de la graisse des veaux ; Je ne prends point plaisir au
12 sang des taureaux, des brebis et des boucs. Quand vous venez vous présenter devant moi, Qui vous
13 demande de souiller mes parvis ? Cessez d'apporter de vaines offrandes : J'ai en horreur l'encens, Les
14 nouvelles lunes, les sabbats et les assemblées ; Je ne puis voir le crime s'associer aux solennités. Mon
15 âme hait vos nouvelles lunes et vos fêtes ; Elles me sont à charge ; Je suis las de les supporter. Quand
vous étendez vos mains, je détourne de vous mes yeux ; Quand vous multipliez les prières, je n'écoute
16 pas : Vos mains sont pleines de sang. Lavez -vous, purifiez -vous, Otez de devant mes yeux la méchan-
17 ceté de vos actions ; Cessez de faire le mal. Apprenez à faire le bien, recherchez la justice, Protégez
18 l'opprimé ; Faites droit à l'orphelin, Défendez la veuve. Venez et plaidons ! dit l'Éternel. Si vos péchés
sont comme le cramoisi, ils deviendront blancs comme la neige ; S'ils sont rouges comme la pourpre, ils
19 deviendront comme la laine. Si vous avez de la bonne volonté et si vous êtes dociles, Vous mangerez les
20 meilleures productions du pays ; Mais si vous résistez et si vous êtes rebelles, Vous serez dévorés par
21 le glaive, Car la bouche de l'Éternel a parlé. Quoi donc ! la cité fidèle est devenue une prostituée ! Elle
22 était remplie d'équité, la justice y habitait, Et maintenant il y a des assassins ! Ton argent s'est changé
23 en scories, Ton vin a été coupé d'eau. Tes chefs sont rebelles et complices des voleurs, Tous aiment les
présents et courent après les récompenses ; Ils ne font pas droit à l'orphelin, Et la cause de la veuve ne
24 vient pas jusqu'à eux. C'est pourquoi voici ce que dit le Seigneur, l'Éternel des armées, Le Fort d'Israël :
25 Ah ! je tirerai satisfaction de mes adversaires, Et je me vengerai de mes ennemis. Je porterai ma main
26 sur toi, Je fondrai tes scories, comme avec de la potasse, Et j'enlèverai toutes tes parcelles de plomb. Je
rétablirai tes juges tels qu'ils étaient autrefois, Et tes conseillers tels qu'ils étaient au commencement.
27 Après cela, on t'appellera ville de la justice, Cité fidèle. Sion sera sauvée par la droiture, Et ceux qui s'y
28 convertiront seront sauvés par la justice. Mais la ruine atteindra tous les rebelles et les pécheurs, Et
29 ceux qui abandonnent l'Éternel périront. On aura honte à cause des térébinthes auxquels vous prenez
30 plaisir, Et vous rougirez à cause des jardins dont vous faites vos délices ; Car vous serez comme un té-
31 rébinthe au feuillage flétri, Comme un jardin qui n'a pas d'eau. L'homme fort sera comme de l'étoupe,
Et son oeuvre comme une étincelle ; Ils brûleront l'un et l'autre ensemble, Et il n'y aura personne pour
éteindre.

2, 2 Prophétie d'Ésaïe, fils d'Amots, sur Juda et Jérusalem. Il arrivera, dans la suite des temps, Que la
montagne de la maison de l'Éternel Sera fondée sur le sommet des montagnes, Qu'elle s'élèvera par-
3 dessus les collines, Et que toutes les nations y afflueront. Des peuples s'y rendront en foule, et diront :
Venez, et montons à la montagne de l'Éternel, À la maison du Dieu de Jacob, Afin qu'il nous enseigne
ses voies, Et que nous marchions dans ses sentiers. Car de Sion sortira la loi, Et de Jérusalem la parole
4 de l'Éternel. Il sera le juge des nations, L'arbitre d'un grand nombre de peuples. De leurs glaives ils
forgeront des hoyaux, Et de leurs lances des serpes : Une nation ne tirera plus l'épée contre une autre,
5, 6 Et l'on n'apprendra plus la guerre. Maison de Jacob, Venez, et marchons à la lumière de l'Éternel ! Car
tu as abandonné ton peuple, la maison de Jacob, Parce qu'ils sont pleins de l'Orient, Et adonnés à la
7 magie comme les Philistins, Et parce qu'ils s'allient aux fils des étrangers. Le pays est rempli d'argent
8 et d'or, Et il y a des trésors sans fin ; Le pays est rempli de chevaux, Et il y a des chars sans nombre. Le
pays est rempli d'idoles ; Ils se prosternent devant l'ouvrage de leurs mains, Devant ce que leurs doigts

ont fabriqué. Les petits seront abattus, et les grands seront abaissés : Tu ne leur pardonneras point. 9
Entre dans les rochers, Et cache -toi dans la poussière, Pour éviter la terreur de l'Éternel Et l'éclat 10
de sa majesté. L'homme au regard hautain sera abaissé, Et l'orgueilleux sera humilié : L'Éternel seul 11
sera élevé ce jour -là. Car il y a un jour pour l'Éternel des armées Contre tout homme orgueilleux 12
et hautain, Contre quiconque s'élève, afin qu'il soit abaissé ; Contre tous les cèdres du Liban, hauts 13
et élevés, Et contre tous les chênes de Basan ; Contre toutes les hautes montagnes, Et contre toutes 14
les collines élevées ; Contre toutes les hautes tours, Et contre toutes les murailles fortifiées ; Contre 15, 16
tous les navires de Tarsis, Et contre tout ce qui plaît à la vue. L'homme orgueilleux sera humilié, 17
Et le hautain sera abaissé : L'Éternel seul sera élevé ce jour -là. Toutes les idoles disparaîtront. On 18, 19
entrera dans les cavernes des rochers Et dans les profondeurs de la poussière, Pour éviter la terreur
de l'Éternel et l'éclat de sa majesté, Quand il se lèvera pour effrayer la terre. En ce jour, les hommes 20
jetteront Leurs idoles d'argent et leurs idoles d'or, Qu'ils s'étaient faites pour les adorer, Aux rats et aux
chauves-souris ; Et ils entreront dans les fentes des rochers Et dans les creux des pierres, Pour éviter 21
la terreur de l'Éternel et l'éclat de sa majesté, Quand il se lèvera pour effrayer la terre. Cessez de vous 22
confier en l'homme, Dans les narines duquel il n'y a qu'un souffle : Car de quelle valeur est-il ?

Le Seigneur, l'Éternel des armées, Va ôter de Jérusalem et de Juda Tout appui et toute ressource, **3**
Toute ressource de pain Et toute ressource d'eau, Le héros et l'homme de guerre, Le juge et le prophète, 2
le devin et l'ancien, Le chef de cinquante et le magistrat, Le conseiller, l'artisan distingué et l'habile 3
enchanteur. Je leur donnerai des jeunes gens pour chefs, Et des enfants domineront sur eux. Il y 4, 5
aura réciprocité d'oppression parmi le peuple ; L'un opprimera l'autre, chacun son prochain ; Le jeune
homme attaquera le vieillard, Et l'homme de rien celui qui est honoré. On ira jusqu'à saisir son frère 6
dans la maison paternelle : Tu as un habit, sois notre chef ! Prends ces ruines sous ta main ! - Ce jour 7
-là même il répondra : Je ne saurais être un médecin, Et dans ma maison il n'y a ni pain ni vêtement ;
Ne m'établissez pas chef du peuple ! Jérusalem chancelle, Et Juda s'écroule, Parce que leurs paroles et 8
leurs oeuvres sont contre l'Éternel, Bravant les regards de sa majesté. L'aspect de leur visage témoigne 9
contre eux, Et, comme Sodome, ils publient leur crime, sans dissimuler. Malheur à leur âme ! Car ils
se préparent des maux. Dites que le juste prospérera, Car il jouira du fruit de ses oeuvres. Malheur 10, 11
au méchant ! il sera dans l'infortune, Car il recueillera le produit de ses mains. Mon peuple a pour 12
oppresseurs des enfants, Et des femmes dominent sur lui ; Mon peuple, ceux qui te conduisent t'égarent,
Et ils corrompent la voie dans laquelle tu marches. L'Éternel se présente pour plaider, Il est debout 13
pour juger les peuples. L'Éternel entre en jugement Avec les anciens de son peuple et avec ses chefs : 14
Vous avez brouté la vigne ! La dépouille du pauvre est dans vos maisons ! De quel droit foulez -vous 15
mon peuple, Et écrasez -vous la face des pauvres ? Dit le Seigneur, l'Éternel des armées. L'Éternel dit : 16
Parce que les filles de Sion sont orgueilleuses, Et qu'elles marchent le cou tendu Et les regards effrontés,
Parce qu'elles vont à petits pas, Et qu'elles font résonner les boucles de leurs pieds, Le Seigneur rendra 17
chauve le sommet de la tête des filles de Sion, L'Éternel découvrira leur nudité. En ce jour, le Seigneur 18
ôtera les boucles qui servent d'ornement à leurs pieds, Et les filets et les croissants ; Les pendants 19
d'oreilles, les bracelets et les voiles ; Les diadèmes, les chaînettes des pieds et les ceintures, Les boîtes 20
de senteur et les amulettes ; Les bagues et les anneaux du nez ; Les vêtements précieux et les larges 21, 22
tuniques, Les manteaux et les gibecières ; Les miroirs et les chemises fines, Les turbans et les surtouts 23
légers. Au lieu de parfum, il y aura de l'infection ; Au lieu de ceinture, une corde ; Au lieu de cheveux 24
bouclés, une tête chauve ; Au lieu d'un large manteau, un sac étroit ; Une marque flétrissante, au lieu
de beauté. Tes hommes tomberont sous le glaive, Et tes héros dans le combat. Les portes de Sion 25, 26
gémiront et seront dans le deuil ; Dépouillée, elle s'assiéra par terre.

Et sept femmes saisiront en ce jour un seul homme, et diront : Nous mangerons notre pain, Et **4**
nous nous vêtirons de nos habits ; Fais-nous seulement porter ton nom ! Enlève notre opprobre ! En 2
ce temps -là, le germe de l'Éternel Aura de la magnificence et de la gloire, Et le fruit du pays aura de
l'éclat et de la beauté Pour les réchappés d'Israël. Et les restes de Sion, les restes de Jérusalem, Seront 3
appelés saints, Quiconque à Jérusalem sera inscrit parmi les vivants, Après que le Seigneur aura lavé 4
les ordures des filles de Sion, Et purifié Jérusalem du sang qui est au milieu d'elle, Par le souffle de
la justice et par le souffle de la destruction. L'Éternel établira, sur toute l'étendue de la montagne de 5
Sion Et sur ses lieux d'assemblées, Une nuée fumante pendant le jour, Et un feu de flammes éclatantes
pendant la nuit ; Car tout ce qui est glorieux sera mis à couvert. Il y aura un abri pour donner de 6
l'ombre contre la chaleur du jour, Pour servir de refuge et d'asile contre l'orage et la pluie.

Je chanterai à mon bien-aimé Le cantique de mon bien-aimé sur sa vigne. Mon bien-aimé avait une **5**
vigne, Sur un coteau fertile. Il en remua le sol, ôta les pierres, et y mit un plant délicieux ; Il bâtit une 2
tour au milieu d'elle, Et il y creusa aussi une cuve. Puis il espéra qu'elle produirait de bons raisins,

3 Mais elle en a produit de mauvais. Maintenant donc, habitants de Jérusalem et hommes de Juda,
4 Soyez juges entre moi et ma vigne ! Qu'y avait-il encore à faire à ma vigne, Que je n'aie pas fait pour
elle ? Pourquoi, quand j'ai espéré qu'elle produirait de bons raisins, En a-t-elle produit de mauvais ?
5 Je vous dirai maintenant Ce que je vais faire à ma vigne. J'en arracherai la haie, pour qu'elle soit
6 broutée ; J'en abattrai la clôture, pour qu'elle soit foulée aux pieds. Je la réduirai en ruine ; elle ne
sera plus taillée, ni cultivée ; Les ronces et les épines y croîtront ; Et je donnerai mes ordres aux nuées,
7 Afin qu'elles ne laissent plus tomber la pluie sur elle. La vigne de l'Éternel des armées, c'est la maison
d'Israël, Et les hommes de Juda, c'est le plant qu'il chérissait. Il avait espéré de la droiture, et voici du
8 sang versé ! De la justice, et voici des cris de détresse ! Malheur à ceux qui ajoutent maison à maison,
Et qui joignent champ à champ, Jusqu'à ce qu'il n'y ait plus d'espace, Et qu'ils habitent seuls au milieu
9 du pays ! Voici ce que m'a révélé l'Éternel des armées : Certainement, ces maisons nombreuses seront
10 dévastées, Ces grandes et belles maisons n'auront plus d'habitants. Même dix arpents de vigne ne
11 produiront qu'un bath, Et un homer de semence ne produira qu'un épha. Malheur à ceux qui de bon
matin Courent après les boissons enivrantes, Et qui bien avant dans la nuit Sont échauffés par le vin !
12 La harpe et le luth, le tambourin, la flûte et le vin, animent leurs festins ; Mais ils ne prennent point
13 garde à l'oeuvre de l'Éternel, Et ils ne voient point le travail de ses mains. C'est pourquoi mon peuple
sera soudain emmené captif ; Sa noblesse mourra de faim, Et sa multitude sera desséchée par la soif.
14 C'est pourquoi le séjour des morts ouvre sa bouche, Élargit sa gueule outre mesure ; Alors descendent
15 la magnificence et la richesse de Sion, Et sa foule bruyante et joyeuse. Les petits seront abattus, les
16 grands seront humiliés, Et les regards des hautains seront abaissés. L'Éternel des armées sera élevé
17 par le jugement, Et le Dieu saint sera sanctifié par la justice. Des brebis paîtront comme sur leur
18 pâturage, Et des étrangers dévoreront les possessions ruinées des riches. Malheur à ceux qui tirent
19 l'iniquité avec les cordes du vice, Et le péché comme avec les traits d'un char, Et qui disent : Qu'il hâte,
qu'il accélère son oeuvre, Afin que nous la voyions ! Que le décret du Saint d'Israël arrive et s'exécute,
20 Afin que nous le connaissions ! Malheur à ceux qui appellent le mal bien, et le bien mal, Qui changent
les ténèbres en lumière, et la lumière en ténèbres, Qui changent l'amertume en douceur, et la douceur
21, 22 en amertume ! Malheur à ceux qui sont sages à leurs yeux, Et qui se croient intelligents ! Malheur à
23 ceux qui ont de la bravoure pour boire du vin, Et de la vaillance pour mêler des liqueurs fortes ; Qui
24 justifient le coupable pour un présent, Et enlèvent aux innocents leurs droits ! C'est pourquoi, comme
une langue de feu dévore le chaume, Et comme la flamme consume l'herbe sèche, Ainsi leur racine sera
comme de la pourriture, Et leur fleur se dissipera comme de la poussière ; Car ils ont dédaigné la loi de
25 l'Éternel des armées, Et ils ont méprisé la parole du Saint d'Israël. C'est pourquoi la colère de l'Éternel
s'enflamme contre son peuple, Il étend sa main sur lui, et il le frappe ; Les montagnes s'ébranlent ; Et
les cadavres sont comme des balayures au milieu des rues. Malgré tout cela, sa colère ne s'apaise point,
26 Et sa main est encore étendue. Il élève une bannière pour les peuples lointains, Et il en siffle un
27 des extrémités de la terre : Et voici, il arrive avec promptitude et légèreté. Nul n'est fatigué, nul ne
chancelle de lassitude, Personne ne sommeille, ni ne dort ; Aucun n'a la ceinture de ses reins détachée,
28 Ni la courroie de ses souliers rompue. Ses flèches sont aiguës, Et tous ses arcs tendus ; Les sabots de
29 ses chevaux ressemblent à des cailloux, Et les roues de ses chars à un tourbillon. Son rugissement
est comme celui d'une lionne ; Il rugit comme des lionceaux, il gronde, et saisit la proie, Il l'emporte,
30 et personne ne vient au secours. En ce jour, il y aura près de lui un mugissement, Comme celui d'une
tempête sur mer ; En regardant la terre, on ne verra que ténèbres, Avec des alternatives d'angoisse et
d'espérance ; Au ciel, l'obscurité régnera.

6 L'année de la mort du roi Ozias, je vis le Seigneur assis sur un trône très élevé, et les pans de sa robe
2 remplissaient le temple. Des séraphins se tenaient au-dessus de lui ; ils avaient chacun six ailes ; deux
dont ils se couvraient la face, deux dont ils se couvraient les pieds, et deux dont ils se servaient pour
3 voler. Ils criaient l'un à l'autre, et disaient : Saint, saint, saint est l'Éternel des armées ! toute la terre
4 est pleine de sa gloire ! Les portes furent ébranlées dans leurs fondements par la voix qui retentissait,
5 et la maison se remplit de fumée. Alors je dis : Malheur à moi ! je suis perdu, car je suis un homme
dont les lèvres sont impures, j'habite au milieu d'un peuple dont les lèvres sont impures, et mes yeux
6 ont vu le Roi, l'Éternel des armées. Mais l'un des séraphins vola vers moi, tenant à la main une pierre
7 ardente, qu'il avait prise sur l'autel avec des pincettes. Il en toucha ma bouche, et dit : Ceci a touché
8 tes lèvres ; ton iniquité est enlevée, et ton péché est expié. J'entendis la voix du Seigneur, disant : Qui
9 enverrai -je, et qui marchera pour nous ? Je répondis : Me voici, envoie -moi. Il dit alors : Va, et dis à ce
10 peuple : Vous entendrez, et vous ne comprendrez point ; Vous verrez, et vous ne saisirez point. Rends
insensible le coeur de ce peuple, Endurcis ses oreilles, et bouche -lui les yeux, Pour qu'il ne voie point
de ses yeux, n'entende point de ses oreilles, Ne comprenne point de son coeur, Ne se convertisse point
11 et ne soit point guéri. Je dis : Jusqu'à quand, Seigneur ? Et il répondit : Jusqu'à ce que les villes soient
dévastées Et privées d'habitants ; Jusqu'à ce qu'il n'y ait personne dans les maisons, Et que le pays soit

ravagé par la solitude ; Jusqu'à ce que l'Éternel ait éloigné les hommes, Et que le pays devienne un 12
immense désert, Et s'il y reste encore un dixième des habitants, Ils seront à leur tour anéantis. Mais, 13
comme le térébinthe et le chêne Conservent leur tronc quand ils sont abattus, Une sainte postérité
renaîtra de ce peuple.

7 Il arriva, du temps d'Achaz, fils de Jotham, fils d'Ozias, roi de Juda, que Retsin, roi de Syrie, monta
avec Pékach, fils de Remalia, roi d'Israël, contre Jérusalem, pour l'assiéger ; mais il ne put l'assiéger.
On vint dire à la maison de David : Les Syriens sont campés en Éphraïm. Et le coeur d'Achaz et le coeur 2
de son peuple furent agités, comme les arbres de la forêt sont agités par le vent. Alors l'Éternel dit à 3
Ésaïe : Va à la rencontre d'Achaz, toi et Schear-Jaschub, ton fils, vers l'extrémité de l'aqueduc de l'étang
supérieur, sur la route du champ du foulon. Et dis -lui : Sois tranquille, ne crains rien, Et que ton coeur 4
ne s'alarme pas, Devant ces deux bouts de tisons fumants, Devant la colère de Retsin et de la Syrie, et
du fils de Remalia, De ce que la Syrie médite du mal contre toi, De ce qu'Éphraïm et le fils de Remalia 5
disent : Montons contre Juda, assiégeons la ville, Et battons-la en brèche, Et proclamons -y pour roi le 6
fils de Tabeel. Ainsi parle le Seigneur, l'Éternel : Cela n'arrivera pas, cela n'aura pas lieu. Car Damas 7, 8
est la tête de la Syrie, Et Retsin est la tête de Damas. (Encore soixante -cinq ans, Éphraïm ne sera
plus un peuple.) La Samarie est la tête d'Éphraïm, Et le fils de Remalia est la tête de la Samarie. Si 9
vous ne croyez pas, Vous ne subsisterez pas. L'Éternel parla de nouveau à Achaz, et lui dit : Demande 10, 11
en ta faveur un signe à l'Éternel, ton Dieu ; demande -le, soit dans les lieux bas, soit dans les lieux
élevés. Achaz répondit : Je ne demanderai rien, je ne tenterai pas l'Éternel. Ésaïe dit alors : Écoutez 12, 13
donc, maison de David ! Est-ce trop peu pour vous de lasser la patience des hommes, Que vous lassiez
encore celle de mon Dieu ? C'est pourquoi le Seigneur lui-même vous donnera un signe, Voici, la jeune 14
fille deviendra enceinte, elle enfantera un fils, Et elle lui donnera le nom d'Emmanuel. Il mangera de 15
la crème et du miel, Jusqu'à ce qu'il sache rejeter le mal et choisir le bien. Mais avant que l'enfant 16
sache rejeter le mal et choisir le bien, Le pays dont tu crains les deux rois sera abandonné. L'Éternel 17
fera venir sur toi, Sur ton peuple et sur la maison de ton père, Des jours tels qu'il n'y en a point eu
Depuis le jour où Éphraïm s'est séparé de Juda (Le roi d'Assyrie.) En ce jour -là, l'Éternel sifflera les 18
mouches Qui sont à l'extrémité des canaux de l'Égypte, Et les abeilles qui sont au pays d'Assyrie ; Elles 19
viendront, et se poseront toutes dans les vallons désolés, Et dans les fentes des rochers, Sur tous les
buissons, Et sur tous les pâturages. En ce jour -là, le Seigneur rasera, avec un rasoir pris à louage Au 20
delà du fleuve, Avec le roi d'Assyrie, La tête et le poil des pieds ; Il enlèvera aussi la barbe. En ce jour 21
-là, Chacun entretiendra une jeune vache et deux brebis ; Et il y aura une telle abondance de lait Qu'on 22
mangera de la crème, Car c'est de crème et de miel que se nourriront Tous ceux qui seront restés dans
le pays. En ce jour -là, Tout lieu qui contiendra mille ceps de vigne, Valant mille sicles d'argent, Sera 23
livré aux ronces et aux épines : On y entrera avec les flèches et avec l'arc, Car tout le pays ne sera que 24
ronces et épines. Et toutes les montagnes que l'on cultivait avec la bêche Ne seront plus fréquentées, 25
par crainte des ronces et des épines : On y lâchera le boeuf, et la brebis en foulera le sol.

8 L'Éternel me dit : Prends une grande table, et écris dessus, d'une manière intelligible : Qu'on se hâte
de piller, qu'on se précipite sur le butin. Je pris avec moi des témoins dignes de foi, le sacrificateur 2
Urie, et Zacharie, fils de Bérékia. Je m'étais approché de la prophétesse ; elle conçut, et elle enfanta un 3
fils. L'Éternel me dit : Donne -lui pour nom Maher-Schalal-Chasch-Baz. Car, avant que l'enfant sache 4
dire : Mon père ! ma mère ! on emportera devant le roi d'Assyrie les richesses de Damas et le butin de
Samarie. L'Éternel me parla encore, et me dit : Parce que ce peuple a méprisé les eaux de Siloé qui 5, 6
coulent doucement Et qu'il s'est réjoui au sujet de Retsin et du fils de Remalia, Voici, le Seigneur va 7
faire monter contre eux Les puissantes et grandes eaux du fleuve (Le roi d'Assyrie et toute sa gloire) ; Il
s'élèvera partout au-dessus de son lit, Et il se répandra sur toutes ses rives ; Il pénétrera dans Juda, il 8
débordera et inondera, Il atteindra jusqu'au cou. Le déploiement de ses ailes Remplira l'étendue de ton
pays, ô Emmanuel ! Poussez des cris de guerre, peuples ! et vous serez brisés ; Prêtez l'oreille, vous tous 9
qui habitez au loin ! Préparez -vous au combat, et vous serez brisés ; Préparez -vous au combat, et vous
serez brisés. Formez des projets, et ils seront anéantis ; Donnez des ordres, et ils seront sans effet : 10
Car Dieu est avec nous. Ainsi m'a parlé l'Éternel, quand sa main me saisit, Et qu'il m'avertit de ne pas 11
marcher dans la voie de ce peuple : N'appelez pas conjuration tout ce que ce peuple appelle conjuration ; 12
Ne craignez pas ce qu'il craint, et ne soyez pas effrayés. C'est l'Éternel des armées que vous devez 13
sanctifier, C'est lui que vous devez craindre et redouter. Et il sera un sanctuaire, Mais aussi une pierre 14
d'achoppement, Un rocher de scandale pour les deux maisons d'Israël, Un filet et un piège Pour les
habitants de Jérusalem. Plusieurs trébucheront ; Ils tomberont et se briseront, Ils seront enlacés et 15
pris. Enveloppe cet oracle, Scelle cette révélation, parmi mes disciples. - J'espère en l'Éternel, Qui 16, 17

18 cache sa face à la maison de Jacob ; Je place en lui ma confiance. Voici, moi et les enfants que l'Éternel
m'a donnés, Nous sommes des signes et des présages en Israël, De la part de l'Éternel des armées, Qui
19 habite sur la montagne de Sion. Si l'on vous dit : Consultez ceux qui évoquent les morts et ceux qui
prédisent l'avenir, Qui poussent des sifflements et des soupirs, Répondez : Un peuple ne consultera -t-il
20 pas son Dieu ? S'adressera-t-il aux morts en faveur des vivants ? À la loi et au témoignage ! Si l'on ne
21 parle pas ainsi, Il n'y aura point d'aurore pour le peuple. Il sera errant dans le pays, accablé et affamé ;
22 Et, quand il aura faim, il s'irritera, Maudira son roi et son Dieu, Et tournera les yeux en haut ; Puis
il regardera vers la terre, Et voici, il n'y aura que détresse, obscurité et de sombres angoisses : Il sera
repoussé dans d'épaisses ténèbres.

9 Mais les ténèbres ne régneront pas toujours Sur la terre où il y a maintenant des angoisses : Si les
temps passés ont couvert d'opprobre Le pays de Zabulon et le pays de Nephthali, Les temps à venir
2 couvriront de gloire La contrée voisine de la mer, au delà du Jourdain, Le territoire des Gentils. Le
peuple qui marchait dans les ténèbres Voit une grande lumière ; Sur ceux qui habitaient le pays de
3 l'ombre de la mort Une lumière resplendit. Tu rends le peuple nombreux, Tu lui accordes de grandes
joies ; Il se réjouit devant toi, comme on se réjouit à la moisson, Comme on pousse des cris d'allégresse
4 au partage du butin. Car le joug qui pesait sur lui, Le bâton qui frappait son dos, La verge de celui
5 qui l'opprimait, Tu les brises, comme à la journée de Madian. Car toute chaussure qu'on porte dans la
mêlée, Et tout vêtement guerrier roulé dans le sang, Seront livrés aux flammes, Pour être dévorés par
6 le feu. Car un enfant nous est né, un fils nous est donné, Et la domination reposera sur son épaule ; On
7 l'appellera Admirable, Conseiller, Dieu puissant, Père éternel, Prince de la paix. Donner à l'empire de
l'accroissement, Et une paix sans fin au trône de David et à son royaume, L'affermir et le soutenir par
le droit et par la justice, Dès maintenant et à toujours : Voilà ce que fera le zèle de l'Éternel des armées.
8, 9 Le Seigneur envoie une parole à Jacob : Elle tombe sur Israël. Tout le peuple en aura connaissance,
10 Éphraïm et les habitants de Samarie, Qui disent avec orgueil et fierté : Des briques sont tombées,
Nous bâtirons en pierres de taille ; Des sycomores ont été coupés, Nous les remplacerons par des cèdres.
11, 12 L'Éternel élèvera contre eux les ennemis de Retsin, Et il armera leurs ennemis, Les Syriens à l'orient,
les Philistins à l'occident ; Et ils dévoreront Israël à pleine bouche. Malgré tout cela, sa colère ne s'apaise
13 point, Et sa main est encore étendue. Le peuple ne revient pas à celui qui le frappe, Et il ne cherche
14 pas l'Éternel des armées. Aussi l'Éternel arrachera d'Israël la tête et la queue, La branche de palmier
15 et le roseau, En un seul jour. (L'ancien et le magistrat, c'est la tête, Et le prophète qui enseigne le
16 mensonge, c'est la queue.) Ceux qui conduisent ce peuple l'égarent, Et ceux qui se laissent conduire
17 se perdent. C'est pourquoi le Seigneur ne saurait se réjouir de leurs jeunes hommes, Ni avoir pitié
de leurs orphelins et de leurs veuves ; Car tous sont des impies et des méchants, Et toutes les bouches
18 profèrent des infamies. Malgré tout cela, sa colère ne s'apaise point, Et sa main est encore étendue. Car
la méchanceté consume comme un feu, Qui dévore ronces et épines ; Il embrase l'épaisseur de la forêt,
19 D'où s'élèvent des colonnes de fumée. Par la colère de l'Éternel des armées le pays est embrasé, Et le
20 peuple est comme la proie du feu ; Nul n'épargne son frère. On pille à droite, et l'on a faim ; On dévore
21 à gauche, et l'on n'est pas rassasié ; Chacun dévore la chair de son bras. Manassé dévore Éphraïm,
Éphraïm Manassé, Et ensemble ils fondent sur Juda. Malgré tout cela, sa colère ne s'apaise point, Et
sa main est encore étendue.

10 Malheur à ceux qui prononcent des ordonnances iniques, Et à ceux qui transcrivent des arrêts in-
2 justes, Pour refuser justice aux pauvres, Et ravir leur droit aux malheureux de mon peuple, Pour faire
3 des veuves leur proie, Et des orphelins leur butin ! Que ferez -vous au jour du châtiment, Et de la ruine
qui du lointain fondra sur vous ? Vers qui fuirez -vous, pour avoir du secours, Et où laisserez -vous votre
4 gloire ? Les uns seront courbés parmi les captifs, Les autres tomberont parmi les morts. Malgré tout
5 cela, sa colère ne s'apaise point, Et sa main est encore étendue. Malheur à l'Assyrien, verge de ma
6 colère ! La verge dans sa main, c'est l'instrument de ma fureur. Je l'ai lâché contre une nation impie, Je
l'ai fait marcher contre le peuple de mon courroux, Pour qu'il se livre au pillage et fasse du butin, Pour
7 qu'il le foule aux pieds comme la boue des rues. Mais il n'en juge pas ainsi, Et ce n'est pas là la pensée
8 de son coeur ; Il ne songe qu'à détruire, Qu'à exterminer les nations en foule. Car il dit : Mes princes ne
9 sont-ils pas autant de rois ? N'en a-t-il pas été de Calno comme de Carkemisch ? N'en a-t-il pas été de
10 Hamath comme d'Arpad ? N'en a-t-il pas été de Samarie comme de Damas ? De même que ma main a
11 atteint les royaumes des idoles, Où il y avait plus d'images qu'à Jérusalem et à Samarie, Ce que j'ai fait
12 à Samarie et à ses idoles, Ne le ferai -je pas à Jérusalem et à ses images ? Mais, quand le Seigneur aura
accompli toute son oeuvre Sur la montagne de Sion et à Jérusalem, Je punirai le roi d'Assyrie pour le
13 fruit de son coeur orgueilleux, Et pour l'arrogance de ses regards hautains. Car il dit : C'est par la force
de ma main que j'ai agi, C'est par ma sagesse, car je suis intelligent ; J'ai reculé les limites des peuples,
14 et pillé leurs trésors, Et, comme un héros, j'ai renversé ceux qui siégeaient sur des trônes ; J'ai mis la

main sur les richesses des peuples, comme sur un nid, Et, comme on ramasse des oeufs abandonnés,
J'ai ramassé toute la terre : Nul n'a remué l'aile, Ni ouvert le bec, ni poussé un cri. - La hache se glorifie 15
-t-elle envers celui qui s'en sert ? Ou la scie est-elle arrogante envers celui qui la manie ? Comme si la
verge faisait mouvoir celui qui la lève, Comme si le bâton soulevait celui qui n'est pas du bois ! C'est 16
pourquoi le Seigneur, le Seigneur des armées, enverra Le dépérissement parmi ses robustes guerriers ;
Et, sous sa magnificence, éclatera un embrasement, Comme l'embrasement d'un feu. La lumière d'Is- 17
raël deviendra un feu, Et son Saint une flamme, Qui consumera et dévorera ses épines et ses ronces, En
un seul jour ; Qui consumera, corps et âme, La magnificence de sa forêt et de ses campagnes. Il en sera 18
comme d'un malade, qui tombe en défaillance. Le reste des arbres de sa forêt pourra être compté, Et 19
un enfant en écrirait le nombre. En ce jour -là, Le reste d'Israël et les réchappés de la maison de Jacob, 20
Cesseront de s'appuyer sur celui qui les frappait ; Ils s'appuieront avec confiance sur l'Éternel, le Saint
d'Israël. Le reste reviendra, le reste de Jacob, Au Dieu puissant. Quand ton peuple, ô Israël, serait 21, 22
comme le sable de la mer, Un reste seulement reviendra ; La destruction est résolue, elle fera déborder
la justice. Et cette destruction qui a été résolue, Le Seigneur, l'Éternel des armées, l'accomplira dans 23
tout le pays. Cependant, ainsi parle le Seigneur, l'Éternel des armées : O mon peuple, qui habites en 24
Sion, ne crains pas l'Assyrien ! Il te frappe de la verge, Et il lève son bâton sur toi, comme faisaient les
Égyptiens. Mais, encore un peu de temps, Et le châtiment cessera, Puis ma colère se tournera contre 25
lui pour l'anéantir. L'Éternel des armées agitera le fouet contre lui, Comme il frappa Madian au rocher 26
d'Oreb ; Et, de même qu'il leva son bâton sur la mer, Il le lèvera encore, comme en Égypte. En ce jour, 27
son fardeau sera ôté de dessus ton épaule, Et son joug de dessus ton cou ; Et la graisse fera éclater le
joug. Il marche sur Ajjath, traverse Migron, Laisse ses bagages à Micmasch. Ils passent le défilé, Ils 28, 29
couchent à Guéba ; Rama tremble, Guibea de Saül prend la fuite. Fais éclater ta voix, fille de Gallim ! 30
Prends garde, Laïs ! malheur à toi, Anathoth ! Madména se disperse, Les habitants de Guébim sont 31
en fuite. Encore un jour de halte à Nob, Et il menace de sa main la montagne de la fille de Sion, La 32
colline de Jérusalem. Voici, le Seigneur, l'Éternel des armées, Brise les rameaux avec violence : Les 33
plus grands sont coupés, Les plus élevés sont abattus. Il renverse avec le fer les taillis de la forêt, Et 34
le Liban tombe sous le Puissant.

Puis un rameau sortira du tronc d'Isaï, Et un rejeton naîtra de ses racines. L'Esprit de l'Éternel **11**, 2
reposera sur lui : Esprit de sagesse et d'intelligence, Esprit de conseil et de force, Esprit de connaissance
et de crainte de l'Éternel. Il respirera la crainte de l'Éternel ; Il ne jugera point sur l'apparence, Il ne 3
prononcera point sur un ouï-dire. Mais il jugera les pauvres avec équité, Et il prononcera avec droiture 4
sur les malheureux de la terre ; Il frappera la terre de sa parole comme d'une verge, Et du souffle de
ses lèvres il fera mourir le méchant. La justice sera la ceinture de ses flancs, Et la fidélité la ceinture 5
de ses reins. Le loup habitera avec l'agneau, Et la panthère se couchera avec le chevreau ; Le veau, 6
le lionceau, et le bétail qu'on engraisse, seront ensemble, Et un petit enfant les conduira. La vache 7
et l'ourse auront un même pâturage, Leurs petits un même gîte ; Et le lion, comme le boeuf, mangera
de la paille. Le nourrisson s'ébattra sur l'antre de la vipère, Et l'enfant sevré mettra sa main dans la 8
caverne du basilic. Il ne se fera ni tort ni dommage Sur toute ma montagne sainte ; Car la terre sera 9
remplie de la connaissance de l'Éternel, Comme le fond de la mer par les eaux qui le couvrent. En 10
ce jour, le rejeton d'Isaï Sera là comme une bannière pour les peuples ; Les nations se tourneront vers
lui, Et la gloire sera sa demeure. Dans ce même temps, le Seigneur étendra une seconde fois sa main, 11
Pour racheter le reste de son peuple, Dispersé en Assyrie et en Égypte, À Pathros et en Éthiopie, À
Élam, à Schinear et à Hamath, Et dans les îles de la mer. Il élèvera une bannière pour les nations, 12
Il rassemblera les exilés d'Israël, Et il recueillera les dispersés de Juda, Des quatre extrémités de la
terre. La jalousie d'Éphraïm disparaîtra, Et ses ennemis en Juda seront anéantis ; Éphraïm ne sera 13
plus jaloux de Juda, Et Juda ne sera plus hostile à Éphraïm. Ils voleront sur l'épaule des Philistins à 14
l'occident, Ils pilleront ensemble les fils de l'Orient ; Édom et Moab seront la proie de leurs mains, Et les
fils d'Ammon leur seront assujettis. L'Éternel desséchera la langue de la mer d'Égypte, Et il lèvera sa 15
main sur le fleuve, en soufflant avec violence : Il le partagera en sept canaux, Et on le traversera avec
des souliers. Et il y aura une route pour le reste de son peuple, Qui sera échappé de l'Assyrie, Comme 16
il y en eut une pour Israël, Le jour où il sortit du pays d'Égypte.

Tu diras en ce jour -là : Je te loue, ô Éternel ! Car tu as été irrité contre moi, Ta colère s'est apaisée, **12**
et tu m'as consolé. Voici, Dieu est ma délivrance, Je serai plein de confiance, et je ne craindrai rien ; 2
Car l'Éternel, l'Éternel est ma force et le sujet de mes louanges ; C'est lui qui m'a sauvé. Vous puiserez 3
de l'eau avec joie Aux sources du salut, Et vous direz en ce jour -là : Louez l'Éternel, invoquez son 4
nom, Publiez ses oeuvres parmi les peuples, Rappelez la grandeur de son nom ! Célébrez l'Éternel, car 5

6 il a fait des choses magnifiques : Qu'elles soient connues par toute la terre ! Pousse des cris de joie et
d'allégresse, habitant de Sion ! Car il est grand au milieu de toi, le Saint d'Israël.
13, 2 Oracle sur Babylone, révélé à Ésaïe, fils d'Amots. Sur une montagne nue dressez une bannière,
Élevez la voix vers eux, Faites des signes avec la main, Et qu'ils franchissent les portes des tyrans !
3 J'ai donné des ordres à ma sainte milice, J'ai appelé les héros de ma colère, Ceux qui se réjouissent
4 de ma grandeur. On entend une rumeur sur les montagnes, Comme celle d'un peuple nombreux ; On
entend un tumulte de royaumes, de nations rassemblées : L'Éternel des armées passe en revue l'armée
5 qui va combattre. Ils viennent d'un pays lointain, De l'extrémité des cieux : L'Éternel et les instruments
6 de sa colère Vont détruire toute la contrée. Gémissez, car le jour de l'Éternel est proche : Il vient comme
7 un ravage du Tout-Puissant. C'est pourquoi toutes les mains s'affaiblissent, Et tout coeur d'homme est
8 abattu. Ils sont frappés d'épouvante ; Les spasmes et les douleurs les saisissent ; Ils se tordent comme
une femme en travail ; Ils se regardent les uns les autres avec stupeur ; Leurs visages sont enflammés.
9 Voici, le jour de l'Éternel arrive, Jour cruel, jour de colère et d'ardente fureur, Qui réduira la terre en
10 solitude, Et en exterminera les pécheurs. Car les étoiles des cieux et leurs astres Ne feront plus briller
11 leur lumière, Le soleil s'obscurcira dès son lever, Et la lune ne fera plus luire sa clarté. Je punirai
le monde pour sa malice, Et les méchants pour leurs iniquités ; Je ferai cesser l'orgueil des hautains,
12 Et j'abattrai l'arrogance des tyrans. Je rendrai les hommes plus rares que l'or fin, Je les rendrai plus
13 rares que l'or d'Ophir. C'est pourquoi j'ébranlerai les cieux, Et la terre sera secouée sur sa base, Par la
14 colère de l'Éternel des armées, Au jour de son ardente fureur. Alors, comme une gazelle effarouchée,
Comme un troupeau sans berger, Chacun se tournera vers son peuple, Chacun fuira vers son pays ;
15, 16 Tous ceux qu'on trouvera seront percés, Et tous ceux qu'on saisira tomberont par l'épée. Leurs enfants
17 seront écrasés sous leurs yeux, Leurs maisons seront pillées, et leurs femmes violées. Voici, j'excite
18 contre eux les Mèdes, Qui ne font point cas de l'argent, Et qui ne convoitent point l'or. De leurs arcs
ils abattront les jeunes gens, Et ils seront sans pitié pour le fruit des entrailles : Leur oeil n'épargnera
19 point les enfants. Et Babylone, l'ornement des royaumes, La fière parure des Chaldéens, Sera comme
20 Sodome et Gomorrhe, que Dieu détruisit. Elle ne sera plus jamais habitée, Elle ne sera plus jamais
21 peuplée ; L'Arabe n'y dressera point sa tente, Et les bergers n'y parqueront point leurs troupeaux. Les
animaux du désert y prendront leur gîte, Les hiboux rempliront ses maisons, Les autruches en feront
22 leur demeure Et les boucs y sauteront. Les chacals hurleront dans ses palais, Et les chiens sauvages
dans ses maisons de plaisance. Son temps est près d'arriver, Et ses jours ne se prolongeront pas.
14 Car l'Éternel aura pitié de Jacob, Il choisira encore Israël, Et il les rétablira dans leur pays ; Les
2 étrangers se joindront à eux, Et ils s'uniront à la maison de Jacob. Les peuples les prendront, et les
ramèneront à leur demeure, Et la maison d'Israël les possédera dans le pays de l'Éternel, Comme ser-
viteurs et comme servantes ; Ils retiendront captifs ceux qui les avaient faits captifs, Et ils domineront
3 sur leurs oppresseurs. Et quand l'Éternel t'aura donné du repos, Après tes fatigues et tes agitations,
4 Et après la dure servitude qui te fut imposée, Alors tu prononceras ce chant sur le roi de Babylone, Et
5 tu diras : Eh quoi ! le tyran n'est plus ! L'oppression a cessé ! L'Éternel a brisé le bâton des méchants,
6 La verge des dominateurs. Celui qui dans sa fureur frappait les peuples, Par des coups sans relâche,
7 Celui qui dans sa colère subjuguait les nations, Est poursuivi sans ménagement. Toute la terre jouit
8 du repos et de la paix ; On éclate en chants d'allégresse, Les cyprès même, les cèdres du Liban, se
9 réjouissent de ta chute : Depuis que tu es tombé, personne ne monte pour nous abattre. Le séjour
des morts s'émeut jusque dans ses profondeurs, Pour t'accueillir à ton arrivée ; Il réveille devant toi les
10 ombres, tous les grands de la terre, Il fait lever de leurs trônes tous les rois des nations. Tous prennent
11 la parole pour te dire : Toi aussi, tu es sans force comme nous, Tu es devenu semblable à nous ! Ta
magnificence est descendue dans le séjour des morts, Avec le son de tes luths ; Sous toi est une couche
12 de vers, Et les vers sont ta couverture. Te voilà tombé du ciel, Astre brillant, fils de l'aurore ! Tu es
13 abattu à terre, Toi, le vainqueur des nations ! Tu disais en ton coeur : Je monterai au ciel, J'élèverai
mon trône au-dessus des étoiles de Dieu ; Je m'assiérai sur la montagne de l'assemblée, À l'extrémité
14, 15 du septentrion ; Je monterai sur le sommet des nues, Je serai semblable au Très-Haut. Mais tu as
16 été précipité dans le séjour des morts, Dans les profondeurs de la fosse. Ceux qui te voient fixent sur
toi leurs regards, Ils te considèrent attentivement : Est-ce là cet homme qui faisait trembler la terre,
17 Qui ébranlait les royaumes, Qui réduisait le monde en désert, Qui ravageait les villes, Et ne relâchait
18 point ses prisonniers ? Tous les rois des nations, oui, tous, Reposent avec honneur, chacun dans son
19 tombeau. Mais toi, tu as été jeté loin de ton sépulcre, Comme un rameau qu'on dédaigne, Comme une
dépouille de gens tués à coups d'épée, Et précipités sur les pierres d'une fosse, Comme un cadavre foulé
20 aux pieds. Tu n'es pas réuni à eux dans le sépulcre, Car tu as détruit ton pays, tu as fait périr ton
21 peuple : On ne parlera plus jamais de la race des méchants. Préparez le massacre des fils, À cause de

l'iniquité de leurs pères ! Qu'ils ne se relèvent pas pour conquérir la terre, Et remplir le monde d'ennemis ! - Je me lèverai contre eux, Dit l'Éternel des armées ; J'anéantirai le nom et la trace de Babylone, 22
Ses descendants et sa postérité, dit l'Éternel. J'en ferai le gîte du hérisson et un marécage, Et je la 23
balaierai avec le balai de la destruction, Dit l'Éternel des armées. L'Éternel des armées l'a juré, en 24
disant : Oui, ce que j'ai décidé arrivera, Ce que j'ai résolu s'accomplira. Je briserai l'Assyrien dans mon 25
pays, Je le foulerai aux pieds sur mes montagnes ; Et son joug leur sera ôté, Et son fardeau sera ôté
de leurs épaules. Voilà la résolution prise contre toute la terre, Voilà la main étendue sur toutes les 26
nations. L'Éternel des armées a pris cette résolution : qui s'y opposera ? Sa main est étendue : qui la 27
détournera ? L'année de la mort du roi Achaz, cet oracle fut prononcé : Ne te réjouis pas, pays des 28, 29
Philistins, De ce que la verge qui te frappait est brisée ! Car de la racine du serpent sortira un basilic,
Et son fruit sera un dragon volant. Alors les plus pauvres pourront paître, Et les malheureux reposer 30
en sécurité ; Mais je ferai mourir ta racine par la faim, Et ce qui restera de toi sera tué. Porte, gémis ! 31
ville, lamente -toi ! Tremble, pays tout entier des Philistins ! Car du nord vient une fumée, Et les rangs
de l'ennemi sont serrés. - Et que répondra -t-on aux envoyés du peuple ? -Que l'Éternel a fondé Sion, 32
Et que les malheureux de son peuple y trouvent un refuge.

Oracle sur Moab. La nuit même où elle est ravagée, Ar -Moab est détruite ! La nuit même où elle est **15**
ravagée, Kir -Moab est détruite !... On monte au temple et à Dibon, Sur les hauts lieux, pour pleurer ; 2
Moab est en lamentations, sur Nebo et sur Médeba : Toutes les têtes sont rasées, Toutes les barbes sont
coupées. Dans les rues, ils sont couverts de sacs ; Sur les toits et dans les places, Tout gémit et fond en 3
larmes. Hesbon et Élealé poussent des cris, On entend leur voix jusqu'à Jahats ; Même les guerriers de 4
Moab se lamentent, Ils ont l'effroi dans l'âme. Mon coeur gémit sur Moab, Dont les fugitifs se sauvent 5
jusqu'à Tsoar, Jusqu'à Églath -Schelischija ; Car ils font, en pleurant, la montée de Luchith, Et ils jettent
des cris de détresse sur le chemin de Choronaïm ; Car les eaux de Nimrim sont ravagées, L'herbe est 6
desséchée, le gazon est détruit, La verdure a disparu. C'est pourquoi ils ramassent ce qui leur reste, 7
Et ils transportent leurs biens au delà du torrent des saules. Car les cris environnent les frontières de 8
Moab ; Ses lamentations retentissent jusqu'à Églaïm, Ses lamentations retentissent jusqu'à Beer-Élim.
Les eaux de Dimon sont pleines de sang, Et j'enverrai sur Dimon de nouveaux malheurs, Un lion contre 9
les réchappés de Moab, Contre le reste du pays.

Envoyez les agneaux au souverain du pays, Envoyez-les de Séla, par le désert, À la montagne de **16**
la fille de Sion. Tel un oiseau fugitif, telle une nichée effarouchée, Telles seront les filles de Moab, au 2
passage de l'Arnon. - Donne conseil, fais justice, Couvre -nous en plein midi de ton ombre comme de la 3
nuit, Cache ceux que l'on poursuit, Ne trahis pas le fugitif ! Laisse séjourner chez toi les exilés de Moab, 4
Sois pour eux un refuge contre le dévastateur ! Car l'oppression cessera, la dévastation finira, Celui qui
foule le pays disparaîtra. Et le trône s'affermira par la clémence ; Et l'on y verra siéger fidèlement, 5
dans la maison de David, Un juge ami du droit et zélé pour la justice. - Nous entendons l'orgueil du 6
superbe Moab, Sa fierté et sa hauteur, son arrogance et ses vains discours. C'est pourquoi Moab gémit 7
sur Moab, tout gémit ; Vous soupirez sur les ruines de Kir-Haréseth, Profondément abattus. Car les 8
campagnes de Hesbon languissent ; Les maîtres des nations ont brisé les ceps de la vigne de Sibma, Qui
s'étendaient jusqu'à Jaezer, qui erraient dans le désert : Les rameaux se prolongeaient, et allaient au
delà de la mer. Aussi je pleure sur la vigne de Sibma, comme sur Jaezer ; Je vous arrose de mes larmes, 9
Hesbon, Élealé ! Car sur votre récolte et sur votre moisson Est venu fondre un cri de guerre. La joie 10
et l'allégresse ont disparu des campagnes ; Dans les vignes, plus de chants, plus de réjouissances ! Le
vendangeur ne foule plus le vin dans les cuves ; J'ai fait cesser les cris de joie. Aussi mes entrailles 11
frémissent sur Moab, comme une harpe, Et mon coeur sur Kir-Harès. On voit Moab, qui se fatigue sur 12
les hauts lieux ; Il entre dans son sanctuaire pour prier, et il ne peut rien obtenir. Telle est la parole que 13
l'Éternel a prononcée dès longtemps sur Moab. Et maintenant l'Éternel parle, et dit : Dans trois ans, 14
comme les années d'un mercenaire, La gloire de Moab sera l'objet du mépris, Avec toute cette grande
multitude ; Et ce qui restera sera peu de chose, presque rien.

Oracle sur Damas. Voici, Damas ne sera plus une ville, Elle ne sera qu'un monceau de ruines. Les **17**, 2
villes d'Aroër sont abandonnées, Elles sont livrées aux troupeaux ; Ils s'y couchent, et personne ne les
effraie. C'en est fait de la forteresse d'Éphraïm, Et du royaume de Damas, et du reste de la Syrie : 3
Il en sera comme de la gloire des enfants d'Israël, Dit l'Éternel des armées. En ce jour, la gloire de 4
Jacob sera affaiblie, Et la graisse de sa chair s'évanouira. Il en sera comme quand le moissonneur 5
récolte les blés, Et que son bras coupe les épis ; Comme quand on ramasse les épis, Dans la vallée de
Rephaïm. Il en restera un grappillage, comme quand on secoue l'olivier, Deux, trois olives, au haut de 6
la cime, Quatre, cinq, dans ses branches à fruits, Dit l'Éternel, le Dieu d'Israël. En ce jour, l'homme 7
regardera vers son créateur, Et ses yeux se tourneront vers le Saint d'Israël ; Il ne regardera plus 8

vers les autels, Ouvrage de ses mains, Et il ne contemplera plus ce que ses doigts ont fabriqué, Les
9 idoles d'Astarté et les statues du soleil. En ce jour, ses villes fortes seront Comme des débris dans
la forêt et sur la cime des montagnes, Abandonnés devant les enfants d'Israël : Et ce sera un désert.
10 Car tu as oublié le Dieu de ton salut, Tu ne t'es pas souvenu du rocher de ton refuge. Aussi tu as fait
11 des plantations d'agrément, Tu as planté des ceps étrangers ; Lorsque tu les plantas, tu les entouras
d'une haie, Et bientôt tu les fis venir en fleurs. Mais la récolte a fui, au moment de la jouissance : Et la
12 douleur est sans remède. Oh ! quelle rumeur de peuples nombreux ! Ils mugissent comme mugit la mer.
13 Quel tumulte de nations ! Elles grondent comme grondent les eaux puissantes. Les nations grondent
comme grondent les grandes eaux... Il les menace, et elles fuient au loin, Chassées comme la balle des
14 montagnes au souffle du vent, Comme la poussière par un tourbillon. Quand vient le soir, voici, c'est
une ruine soudaine ; Avant le matin, ils ne sont plus ! Voilà le partage de ceux qui nous dépouillent, Le
sort de ceux qui nous pillent.

18, 2 Terre, où retentit le cliquetis des armes, Au delà des fleuves de l'Éthiopie ! Toi qui envoies sur mer
des messagers, Dans des navires de jonc voguant à la surface des eaux ! Allez, messagers rapides, vers
la nation forte et vigoureuse, Vers ce peuple redoutable depuis qu'il existe, Nation puissante et qui
3 écrase tout, Et dont le pays est coupé par des fleuves. Vous tous, habitants du monde, habitants de la
4 terre, Voyez la bannière qui se dresse sur les montagnes, Écoutez la trompette qui sonne ! Car ainsi
m'a parlé l'Éternel : Je regarde tranquillement de ma demeure, Par la chaleur brillante de la lumière,
5 Et par la vapeur de la rosée, au temps de la chaude moisson. Mais avant la moisson, quand la pousse
est achevée, Quand la fleur devient un raisin qui mûrit, Il coupe les sarments avec des serpes, Il enlève,
6 il tranche les ceps... Ils seront tous abandonnés aux oiseaux de proie des montagnes Et aux bêtes de
la terre ; Les oiseaux de proie passeront l'été sur leurs cadavres, Et les bêtes de la terre y passeront
7 l'hiver. En ce temps -là, des offrandes seront apportées à l'Éternel des armées, Par le peuple fort et
vigoureux, Par le peuple redoutable depuis qu'il existe, Nation puissante et qui écrase tout, Et dont le
pays est coupé par des fleuves ; Elles seront apportées là où réside le nom de l'Éternel des armées, Sur
la montagne de Sion.

19 Oracle sur l'Égypte. Voici, l'Éternel est monté sur une nuée rapide, il vient en Égypte ; Et les idoles
2 de l'Égypte tremblent devant lui, Et le coeur des Égyptiens tombe en défaillance. J'armerai l'Égyptien
contre l'Égyptien, Et l'on se battra frère contre frère, ami contre ami, Ville contre ville, royaume contre
3 royaume. L'esprit de l'Égypte disparaîtra du milieu d'elle, Et j'anéantirai son conseil ; On consultera
4 les idoles et les enchanteurs, Ceux qui évoquent les morts et ceux qui prédisent l'avenir. Et je livrerai
l'Égypte entre les mains d'un maître sévère ; Un roi cruel dominera sur eux, Dit le Seigneur, l'Éternel
5, 6 des armées. Les eaux de la mer tariront, Le fleuve deviendra sec et aride ; Les rivières seront infectes,
7 Les canaux de l'Égypte seront bas et desséchés, Les joncs et les roseaux se flétriront. Ce ne sera
que nudité le long du fleuve, à l'embouchure du fleuve ; Tout ce qui aura été semé près du fleuve se
8 desséchera, Se réduira en poussière et périra. Les pêcheurs gémiront, Tous ceux qui jettent l'hameçon
9 dans le fleuve se lamenteront, Et ceux qui étendent des filets sur les eaux seront désolés. Ceux qui
10 travaillent le lin peigné Et qui tissent des étoffes blanches seront confus. Les soutiens du pays seront
11 dans l'abattement, Tous les mercenaires auront l'âme attristée. Les princes de Tsoan ne sont que
des insensés, Les sages conseillers de Pharaon forment un conseil stupide. Comment osez-vous dire à
12 Pharaon : Je suis fils des sages, fils des anciens rois ? Où sont-ils donc tes sages ? Qu'ils te fassent
13 des révélations, Et qu'on apprenne ce que l'Éternel des armées a résolu contre l'Égypte. Les princes
de Tsoan sont fous, Les princes de Noph sont dans l'illusion, Les chefs des tribus égarent l'Égypte ;
14 L'Éternel a répandu au milieu d'elle un esprit de vertige, Pour qu'ils fassent chanceler les Égyptiens
15 dans tous leurs actes, Comme un homme ivre chancelle en vomissant. Et l'Égypte sera hors d'état de
16 faire Ce que font la tête et la queue, La branche de palmier et le roseau. En ce jour, l'Égypte sera comme
des femmes : Elle tremblera et aura peur, En voyant s'agiter la main de l'Éternel des armées, Quand il
17 la lèvera contre elle. Et le pays de Juda sera pour l'Égypte un objet d'effroi : Dès qu'on lui en parlera,
